MARTIN URGES AUTHORIZATION OF CENTENNIAL

By MARY KNIGHT

WASHINGTON, D.C., Nov. 1—Memorial day obsequies are to be held in Washington, D.C., on Tuesday, November 1, 1932, in honor of the late President William Howard Taft. Memorial services will be held at various points throughout the city, including the National Mall, where a special program will be presented.

The service is to begin at 10 a.m., with a procession of citizens bearing the casket of the late President, who is lying in state in the Rotunda of the Capitol. The procession will be led by the United States Army Band, followed by members of the President's family and friends, and then by the members of Congress.

The service will conclude with a eulogy delivered by the President Pro Tempore of the Senate, who will then present the casket to the President of the United States, who will then present it to the Secretary of State.

The remains of the late President will then be conveyed to the Arlington National Cemetery, where they will be interred in a specially prepared mausoleum.

The service is open to the public, and all are invited to attend.
