Instead of performing on November 4, the Mighty 'M' Band will perform on November 18 at 3:50 p.m.

Muleshoe Junior High School Band will perform on November 19 at 9:20 a.m. instead of November 5.

The Muleshoe Rotary Club, Lions and Jaycees will have a joint luncheon meeting Tuesday, November 4 at the First United Methodist Fellowship Hall.

Guests will be the Muleshoe coaching staff, managers and members of the football team.

County Tax Collector Jean Lovelady said vote registration for 1970 is progressing at about an average pace.

To date, more than 730 prospective voters have registered in her office at the Bailey County Courthouse. She did not have figures available for the county substations.

Bailey County Sheriff's officers logged one arrest for purse snatching and one drunk. A deputy sheriff and the local liquor control agent jailed three for minor in possession (liquor).

The Texas Highway Patrol jailed one juvenile for auto theft and two persons for using a vehicle without the owner's consent.

The first annual seventh grade 'Super Bowl' football game, which was postponed from last Tuesday, will be played in Benny Douglass Stadium Monday night, November 3.

Activities will begin with a concert by the Muleshoe Junior High School Band at 6:30 p.m.

Eddie Beene, president of the Muleshoe Athletic Booster Club, announced that because of the Junior Super Bowl Monday night, the regular meeting of the booster club will be postponed to the following Monday.

Dr. Charles Lewis was named this week to head the area committee for the 1969 Christmas Seal Campaign of the West Texas Tuberculosis and Respiratory Disease Association.

A friend of ours remarked Friday that next week they will be 39... again.

Mr. and Mrs. Eddie Faust are spending the weekend in San Angelo where they will have a bourse table at the stamp exhibition of the Concho Valley Stamp Club. Faust will be among the several stamp dealers who will be attending.

The Faust's daughters will spend the weekend in Amherst with their grandmother, Mrs. John Faust.

United Fund To Kick Off This Week

New officers were named for the Muleshoe Area United Fund Friday in a called meeting. Those elected were Myron Pool II, president, Arline Phelps, first vice president; Robert Hooten, second vice president; Jerry Hutton, third vice president and Inez Bobo, treasurer.

Named to the Budget and Admissions Committee were Joe Harbin, Inez Bobo, Roy Whit, Jim Cox, Robert Hooten, Marie White, Jess Osborn, Cliff Griffiths, Derrell Oliver, Jim Small, Jerry Hutton and Myron Pool III.

The first meeting of the year is slated for Thursday, Nov. 6 in the Bailey County Electric Co-operative director's room.

All local organizations who were not in last year's United Fund budget are invited to attend the meeting and present their needs to the committee for consideration.

Agencies who benefited from the United Fund last year are being contacted by letter to present their budget for the next year.

FIRST CRANE OF ANNUAL JAYCEE HUNT--A conservative estimate of more than 200 prospective winners in the annual Jaycee crane hunt covered in Bailey County Saturday morning. First crane shot down Saturday morning is shown by Gary Garrison, Plainview, who made the lucky shot. At left is Jackie Churchwell and at right is Wade Dorman, both of Plainview, who are also hunting cranes with Garrison.

Annual Crane Hunt Now in Full Swing

At least two hundred hunters were expected to take to the fields around the area of the Muleshoe National Wildlife Refuge for the beginning day of the Seventh Annual Jaycee Sandhill Crane Hunt.

Sandhill cranes have been winging in by the thousands during recent weeks and have been setting the stage themselves for the annual hunt. Noted as the "Largest Sandhill Crane Hunt in the World", the hunt is coordinated and sponsored by members of the Muleshoe Jaycees.

Muleshoe Chamber of Commerce Manager Jerry Hutton said from five to ten long distance calls were coming in daily prior to opening of the hunt.

Some of the prospective hunters advised they were bringing in groups of 20-25 hunters to compete in the hunt.

The hunter who kills the largest bird will receive a Remington Twelve-Gauge automatic shotgun.

Participants may hunt for the entire week for \$15, one day is \$5 and a weekend fee is \$7.50.

This year, the annual hunt will be from November 1, through November 9, Chairman

of the event is Derrell Oliver; vice chairmen are Dick Johnson and Paul Wilbanks; publicity Jerry Hutton; blinds, Bob Stovall and Marlin Mills and in charge of securing land are Curtis Walker and Kenny Heathington.

Each year, toward the last of October and the first part of November, Bailey County residents can hear the call of the wild. That is the time of year that sandhill cranes are flocking to their winter grounds on the Muleshoe National Wildlife Refuge. Flying in groups of more than 100, they migrate from their Canadian summer grounds to the warmer south.

Bailey County's Muleshoe National Wildlife Refuge is one of a chain of refuges in the Central Flyway administered by the Bureau of Sport Fisheries and Wildlife, U.S. Fish and

Student Drop Noted Here After Freeze

At the end of the first six weeks of school a total of 2,002 students were enrolled in Muleshoe schools. This was on October 10.

After the freeze on October 13, a slow but steady drop in enrollment at the four Muleshoe Schools has been noted. Friday, October 24, 1,966 students were enrolled in the schools for a loss of 36 students. Last time at the same time of year, 1,961 students were in the schools.

Muleshoe High School has 581 students compared to 531 last year; Muleshoe Junior High School has 507 students, as compared to 542 last year; Mary DeShazo Elementary School has 464 students, compared to 455 last year and Richland Hills Elementary School has 414 enrolled, with 433 being enrolled at the same time last year.

There are also 39 students in the pre-school classes.

Barrel of Fun at 'Laugh-in'

Large Cast Promises Fun-filled Evening

The 'dumbest' dumb blonde? (only her hairdresser knows for sure) in Muleshoe will join a couple of real 'hip' hippies and a host of other characters for the Businessmen's Activities Committee of the Chamber of Commerce's annual presentation on stage Thursday night, November 6.

You won't believe your eyes... or your ears... and will fall off your special reserved seat laughing at the antics of the more than 70 participants in Muleshoe version of the popular TV show, 'Laugh-in'.

Gossip says Kerry Moore and Brian Maconi have already reserved a room in a rest home to recuperate from their attempts to direct a group of 'real gone', supposed adults who have parts in the show. You already can notice that their hair is shortened, along with their tempers, as they try to coordinate the all but impossible group into a smooth, professional performance. Also, these days, if their eyes look a little red, it isn't because they have been out in the wind and sun. Confidentially, they both cry a lot now... and their teeth are filed to a sharp point, from all the gnashing, of course!

Meanwhile, rehearsals are going on as scheduled. Course, these rehearsals are just a little different. The cast backstage has all but drowned out those who are trying to remember their lines on the stage. Cues have been missed, and may be missed during the presentation, but it's all in fun.

It would be telling to tell you who all will be in the cast... so it won't be done.

All types of business and professional life will be represented among the various members of the cast. Would you believe... hippies, a much-married 'old maid', a chimpanzee, girls (well, anyway, most of them still think of themselves as girls), a preacher, a pharmacist, African hunters, a German soldier, a beautiful Alaskan Eskimo, a judge, an athlete, a well-known local courtier, a parson and so many more to add to an evening of fun and enjoyment.

As in past years, candy will be sold at intermission. In the sacks of candy, will be several numbers to match free merchandise which will be presented lucky prize winners. The prizes will be displayed on the stage during intermission.

Meteorologists Say Drier November

Meteorologists at the U.S. Weather Bureau in Lubbock predict that although November is usually a drier month than October, this year, November is expected to be extremely dry.

Bailey County has experienced varied weather during the year, with young crops literally being wiped out in June by rampaging water and hailstorms.

October roared in and dumped excessive amounts of water in the area. With a normal moisture for the area being 1.62 during October, this year proved to be an exception.

With October being a water-logged month in Bailey County, the official weatherman for the U.S. Weather Bureau in Muleshoe reports a total of 4.72 inches of moisture received.

Bright sunshine continued to be the order of the day, although temperatures were held below the 60s.

Cotton experts say that with each day farmers are not able to get into their fields to harvest already open cotton, grade quality is going down.

In 1922, moisture was 0 and

again in 1952, moisture was 0 for the Muleshoe area. Just .05 was recorded in October 1964. Two water months have been logged in the Weather Bureau records for Muleshoe. Highest amount of moisture received was in October, 1941, with 6.37. The second year after official records were kept for Muleshoe, 1923, October was another wet month with 6.27 inches of moisture being recorded in Muleshoe.

In contrast, Lubbock has recorded the second highest moisture count since 1911. Their

October moisture figure was 7.76 inches. Wettest October in Lubbock was 8.40 in 1926.

Harvest has been paralyzed since the onset of the recent rains. Only two days of sunshine have been noted during the past two weeks. Fog and drizzle have kept roads and fields water-logged. Numerous farmers contemplate the cloud laden skies with nervousness, fully realizing that with each day of additional rain, their chances of harvesting a crop of any consequence all but nil.

Barrett Injured In Friday Game

It wasn't the loss of the football game that hurt, it wasn't the fact that the Mules did not score, nor was it the large score on the scoreboard Friday night that mattered. It was the fact that a scrappy, hard hitting young 'stringbean' quarterback Ronnie Barrett, was apparently seriously injured early in the fourth quarter of the game.

With Barrett lying face down on about the 30-yard line, a breathless crowd was silent as coaches, trainers and then a doctor checked the prone youth. As the ambulance pulled onto the field, no one moved in the stand.

Barrett was taken to West Plains Memorial Hospital and x-rayed for a neck injury. He was hospitalized and in traction with a 'jammed' neck.

Yes, the Mules lost the game to Tulia, 68-0. It was another disappointing defeat for the Mules who try each week to finally hit the scoreboard.

Holding the Hornets score-

less in the first quarter of the game didn't help by halftime. In the second, the Hornets swarmed over the Mules and over the field, racking up a total of 40 points.

Dejected fans and Mules watched with dismay as the score mounted in the third and fourth quarters, but the Mules did not give up. Although small and overmatched, they can be called the 'Mighty' Mules for their efforts to stop the Hornet onrush.

Mailing Hours Cut Back By Post Office

Postmaster Spencer Beavers announced that beginning October 31, there will be no mail dispatched from the Muleshoe post office after 5 p.m.

He said that all mail scheduled to leave Muleshoe should be in the post office by 4:30 p.m. to assure its prompt delivery. Beavers added that all mail deposited after 5 p.m. will be delayed 24 hours.

There is only one mail coming in, at 7:40 a.m. and the one outgoing mail is at 5 p.m. each day.

Jaycees Slate Turkey Shoot

Dick Johnson of the Muleshoe Jaycees, said a Turkey Shoot will be held today (Sunday) beginning at 12:30 and lasting until late afternoon.

Location of the shoot is one and one-half miles south of Muleshoe on Highway 214. He said a \$1 entry fee is being charged, and that ammunition will be available.

Target shooting and clay skeet shots both will be available. The prizes will be turkeys averaging 10 pounds each.

Johnson said benefits received will be used for projects in the Muleshoe community.

REAL 'HIP' HIPPIES--One of the sights to behold in the Businessmen's Activities Committee of the Muleshoe Chamber of Commerce's 'Laugh-in' will be these two real 'hip' hippies. They will be onstage with more than 70 other people Thursday night in Muleshoe High School auditorium for the BAC's annual presentation.

SCOUTS AND LEADERS AT AWARDS PROGRAM--Rear, from left, John Stevens, Rev. Walter Bartholf, Warren Green and Dean Powell pose with four young cub scouts who are representative of the large group of scouts who received awards Tuesday night during the annual School Night for Scouting program.

Charge Account Warning

Although a new law requires creditors to state finance charges, their actual interest rate can range from 18 to more than 36 percent.

Mrs. Doris Myers, Extension specialist in home management at Texas A&M University, says the difference lies in which method they use to compute the charge: previous balance or adjusted balance.

The usual monthly service charge of one and one-half percent on revolving charge ac-

counts must be labeled as 18 percent under the new Truth-in-Lending law, the specialist warns.

Unfortunately the law permits department stores and other creditors such as oil companies and bank card plans to compute the finance charges by two methods. One can be quite a bit more expensive than the other, Mrs. Myers says.

Look for the words Previous Balance on the sales slip. In this method consumers are not

credited with payments or returns. The one and one-half percent charge is applied to the previous month's balance.

Mrs. Myers explains how this system works: on a \$330 purchase that a \$50.00 item was returned and \$100 was paid during the billing cycle \$4.50 was added to the account. The total bill the next month would be \$154.50 if no other purchase was made.

The actual annual percentage rate is 36 percent. It may be even higher in other cases, she says.

Adjusted Balance means the

consumer gets credit for returns and payments before the one and one-half percent is added to his bill.

The same transaction of \$300 with the return of a \$50 item and payment of \$150 would have a charge of \$2.25 added to next month's bill. The total would then be \$152.25. That is a difference of \$2.25 for the same services in different stores.

The specialist explains that the customer's copy of the charge slip tells him to pay the total amount when billed without any extra cost, or not pay the total amount in a certain

number of days and have a finance charge added to next month's bill.

A person that uses a revolving charge account in stores using the costlier method of computing the percentage rate will pay much more for the use of credit, says Mrs. Myers. A little shopping for the stores that have the cheapest plan can make a big difference in the amount of money spent over a period of time.

At least the Truth-in-Lending law does require a creditor to explain his method of finance charges on every month's bill.

Freshmen Slam Past Morton, 42-6

by Randy Williams
The Muleshoe Mule Freshmen team won their fifth consecutive game Thursday night by smothering the Morton Indians 42-6.

Joe Lopez started the game off on a 50 yard run down to the five yard line. The Mules then fumbled to stop a good drive. Morton brought the ball out to the 25 yard line. The Mules then got possession of the ball but had to punt. A Morton player dropped the ball and Gilbert Lueros jumped on it to give the Mules the ball on the 45 yard line. The Mules carried the ball down to the 10 yard line. Dennis Parker ran it in from there for the first touchdown. The conversion attempt failed so the score stood 6-0.

Morton again fumbled on the 55 yard line. David Seymour recovered the fumble. The Mules carried the ball to the 45 yard line, from there Dennis Parker ran it in for the first touchdown. The conversion attempt failed so the score stood 6-0.

Wildlife Service. It was established in 1935 as a watering area for migratory waterfowl. It is the oldest National Wildlife Refuge in Texas. The male adult sandhill crane may weigh as much as four-teen and three-fourths pounds while the female will weigh around ten pounds.

Color of the bird is an overall gray, with the breast feathers edged with white. On many adult birds, mineral salts in the waters of their nesting areas have stained some to the feathers with a rusty brown color. The forehead of the head of adults of both sexes is bright red.

Both sexes of cranes are similar in their plumage and may not be distinguished, except by trained persons after close examination.

Only minor success has been reported in shooting the wily bird. Patience is required to hunt the crane and stealth must be there as it is extremely difficult to get near the bird.

Parker ran for his second touchdown. Joe Lopez made the conversion successful. The score was then 14-0.

Charles Ray Young then ran 25 yards down to the 30 yard line. Morton was penalized 15 yards for piling on so the ball was moved to the 15 yard line. Joe Lopez then ran from the line of scrimmage to daylight for the Mules third touchdown of the evening. The conversion attempt failed. At halftime the score was 20-0.

Joe Lopez started off the second half with a bang by scampering 65 yards for a touchdown. The conversion attempt again failed. The score was then 26-0.

Delmer Bleeker intercepted a Morton pass on the 45 yard line to give the Mules the ball again. The Mules carried the ball down to the 10 yard line. From there, Chuck Clemons ran for another touchdown. Paul Bell caught a pass to make the conversion successful. The score now stood 34-0.

Morton came back and scored on a 30 yard run. The conversion was unsuccessful. Now the score was 34-6.

Joe Lopez then made his third touchdown of the night on a tremendous 65 yard run. Paul Bell made the conversion and the score stood 42-6.

Joe Pat Jones recovered a fumble on the 45 yard line, but the Mules could not get a drive going so Morton took over on downs.

Oscar Villareal recovered another Morton fumble but again the Mules could not get moving. Morton again took over on down. Time ran out before they could score.

The Mules will try for the seven in a row Thursday evening at 6:00 against Springlake, Earth. This will be the second time for these teams to play this year.

Pal of His Wife

"Madam," said the hobo, "I once had a wife and family of my own--but I couldn't be contented. I growled and grumbled at everything--and finally left home."

"Well, here's a chicken sandwich for you, sir," said the housewife. "Mighty few husbands are as considerate as that."

Pornography Resolutions Are Mailed

President of the Bailey County Ministerial Alliance Rev. Walter Bartholf said 57 resolutions have been mailed to each of the Texas Senators and to Congressman Price.

The resolution were against an influx of pornography which flooded the Muleshoe area recently.

Rev. Bartholf said a total of 6,707 Muleshoe and Bailey County residents signed the resolutions objecting to the mailing of pornographic materials. He said there is still a number of resolutions out and if

they are returned to the Ministerial Alliance, they will be mailed to Texas legislators. The Bailey County Ministerial Alliance will meet on Thursday, Nov. 6, at 9:30 a.m. at the First United Methodist Church.

KKI Has Halloween Fun

The Kappa Kappa Iota Sorority of the Iota Conclave met in the home of Mrs. Tom Jinks, Thursday evening, October 30 for a Halloween Party. Mrs. Jeff Ingham, Mrs. Margaret Slemmons, and Mrs. John Watson were co-hostesses. Mrs. Charles Pummill, president, presided during the business session and informed the members of correspondence from the State officers.

Kidnap Party Honors Jan and Dana

A kidnap party in Fellowship Hall of United Methodist Church Wednesday evening honored Jan and Dana Cockrell who moved with their family to Lubbock Friday. About forty friends gathered for an evening of music, fellowship and fun. They presented Jan and Dana with individual gifts and a money tree.

'Credit and Its Sources' Tuesday Workshop Topic

"Credit and Its Sources" will be discussed at the Money Management workshop November 4 in Bailey County Electric Cooperative community room. Due to the illness of Clinton Kennedy, the speaker will be Marvin O. Sartin of Lubbock, area management specialist of the Extension Service. This will be the third in a series of four workshops for young husbands and wives on better ways of spending available money and is sponsored by Mrs. Robin Taylor, Bailey County Home Demonstration Agent.

New Officers For Ruth Class

The Ruth Sunday School Class of Trinity Baptist Church held a business meeting October 28 in the home of Mrs. George Williams. New officers were installed by Mrs. J.D. Evans in a candlelight service, as follows: Mrs. George Williams, president; Mrs. Frank McCamish, vice president; Mrs. Sy Stockare, secretary; Mrs. Chester Yerby, treasurer. Plans were discussed for the Christmas party, also a project for the new year. It was decided to purchase one or more tables for the new kitchen being planned for the church.

Presbyterians Celebrate Ten Years

First Presbyterian Church of Muleshoe will celebrate the tenth anniversary of the Church with a special Service November 2. Rev. Herman (Don) Boles of Wichita Falls, the first pastor of the church, will preach at the 11:00 a.m. service.

The church was founded in 1959. A four acre tract of land on Highway 214 had been deeded to the church by the late Johnny McMurtry and a farmhouse given to the church by Mr. and Mrs. Hagaman of Conway, Texas was remodeled for a parsonage. Services were held in American Legion Hall in town for a time until the church building was built "up on the hill where it could be seen", as McMurtry wished it to be.

Charter members were Mr. and Mrs. George Mayo, Mr. and Mrs. J.R. Lee (now living near Stephenville), Mr. and Mrs. Alex Wilkins (Mr. and Mrs. Wilkins now deceased and Mrs. Wilkins living in Clovis), Mr. and Mrs. L.R. Dobbs (now living in Canyon), Sam Hopper and Mrs. Johnny McMurtry.

There are about 70 members on roll at the present time. Rev. Herman Don Boles was the first pastor and stayed about three years before moving away. Rev. Finis Hodges and his family were here about two years. Rev. Boles returned to Muleshoe and the church for another period, probably two years, followed by Rev. Clinton Edwards who stayed about two years. Since Rev. and Mrs. Edwards left in October, 1968, Rev. Clem Sorley, pastor of the Littlefield Church, has driven to Muleshoe to hold a 9:00 a.m. service each Sunday.

Mrs. Glenn Reviews For Trinity WMS

Mrs. Oliver Glenn reviewed "Son's of Ishmael" for Trinity Baptist WMS at their regular meeting October 28. Mrs. Glenn is chairman of missions study for the Women's Missionary Society. Also on program were Mrs. Eva Ashford and Mrs. J.J. Dunlap. Also attending were Mrs. Whitt Barber, Mrs. Odessa Slayden, Mrs. Kenneth LaRue, Mrs. John Harris and Mrs. Gene Sisemore.

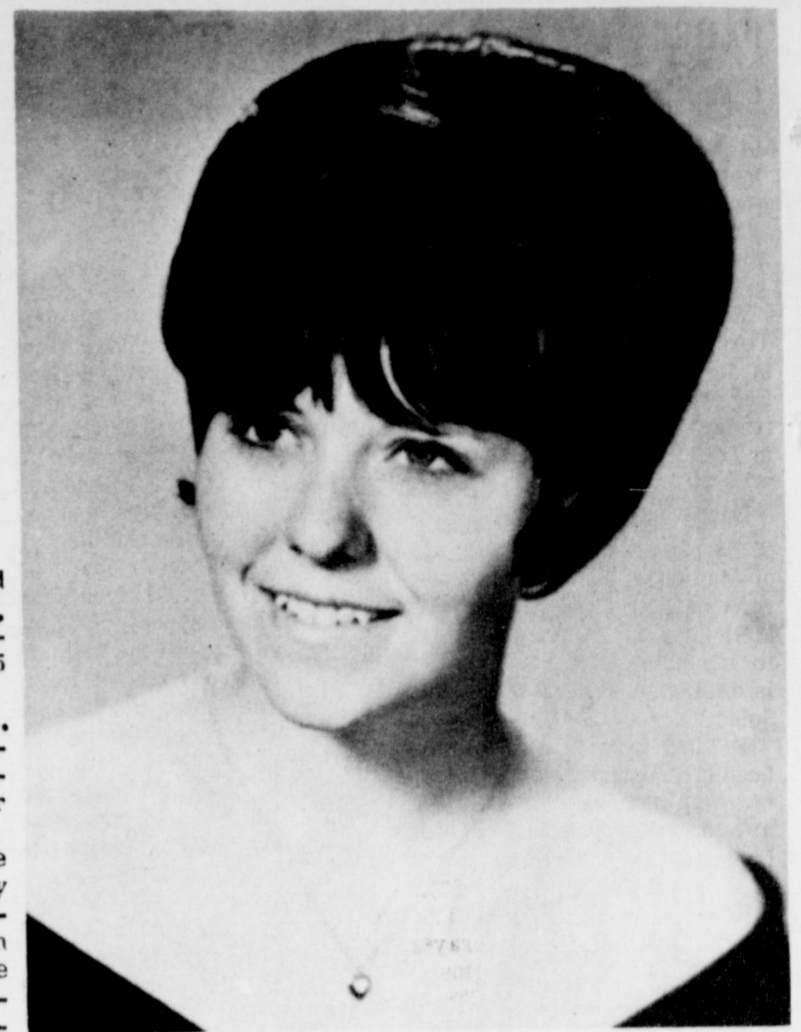

Elders of the Church are Dr. Charles Lewis, George Mayo, Wayne Williams, Mrs. Buck Ragsdale, and Mrs. Earl Henry. Julian Lenau is Secretary-Treasurer and Mrs. Earl Henry is organist. A program and tea will be held at three o'clock. All friends of the church are invited. Mrs. Wayne Williams said.

Hereford Man De Shazo Speaker

Mary DeShazo P-TA will hold its monthly meeting Monday, November 3, in the school cafeteria. Hospitality time is 3:45 p.m. Guest speaker will be Joe A. Soto of Hereford. He will discuss "Why Do We Need Parental Involvement In Our Schools?"

Soto is coordinator of the Parental - School - Community Involvement program in Hereford, a migrant program operated under Title IV of the Elementary and Secondary Education Act of 1965. It is sponsored by the Texas Education Agency, with the assistance of the Southwest Educational Development Laboratory in Austin, Texas. The Laboratory is one of 15 in the nation. Their main focus is on developing learning systems in problem areas related to both regional and national priorities. One of their major efforts is in Parental - School - Community involvement. Through the program, school personnel work to create a strong, mutually reinforcing relationship between the school and the home. "Migrant parents are urged to visit school," Soto says. "So the school may come into the home."

Mrs. Creston Faver, president, urges all parents to attend this meeting.

SEAGRAVES WEDDING...Mr. and Mrs. Jack Patterson have announced the approaching marriage of their daughter, Jacquetta Jean, to Pvt. Jerry Wayne Hoover, son of Mr. and Mrs. Gail Hoover. The couple plans to marry in First United Methodist Church, Seagraves, November 15. Miss Patterson and Pvt. Hoover are both 1968 graduates of Seagraves high school. She attended Texas Tech last year and is employed by Gen. Telephone Co. in Brownfield. He attended ENMU during the 1968-69 year and is in the army at present, stationed at Ft. Leonard Wood, Mo. Pvt. Hoover is a former resident and the grandson of Mr. and Mrs. Roy Atchison and Mr. and Mrs. C.D. Hoover.

Stephen Burkhardt Celebrates

A party in the home of his parents October 25 celebrated the first birthday of Stephen Burkhardt, son of Mr. and Mrs. Larry Burkhardt. He is the grandson of Mr. and Mrs. Ogle Lorraine and Mr. and Mrs. Winston Burkhardt. Gifts of clothing, a red wagon, football, electric train and other toys were given the honoree. Attending the party were Mrs. Wynetta and Ronnie Hudson, Sherry and Mrs. Sarah Burkhardt, Mr. and Mrs. Carl Burkhardt, Mrs. Ogle Lorraine, Mrs. Cindy Vernon, Mrs. Nelda Merriott, Micky and Gary, Debbie and Gary Floyd, and Stephens' parents.

Catholic Women Attend Convention

Local members of the St. Mary's Circle and Guadalupe attended the 33rd annual convention of the Amarillo Diocesan Council of Catholic Women in Levelland October 28-29 in the National Guard Armory. The theme of the meeting was "Women Witness". Mrs. Jack Ivy of St. Mary's Circle took part in a skit, "What's A Nice Girl Like You Doing In A Place Like This?". St. Mary's Circle and Guadalupe of Muleshoe served coffee and doughnuts during the registration and hospitality period the first morning with 206 registered in attendance. Workshops attended by the members were "Women in Community Service Witness", "Women: Witness the World",

"Women Witness in Liturgy" A study of New Liturgy", "Women Witness the Youth of Today", and "Women Witness in the Community." During the banquet Tuesday night Mrs. Robert Greener of Morton, president of the Levelland Deanery, was presented the D.C.C. Woman of the Year Award by Bishop Lawrence M. DeFalco of Amarillo. Luncheon was also served both days. Attending from Muleshoe were Mrs. Rudolph Moraw, Mrs. C.J. Feagley, Mrs. Arnold Alcorn, Mrs. Jack Ivy, Mrs. John Black, Mrs. B.A. Dearing, Mrs. Pete Jesko, Mrs. Lucy Lucero, Mrs. Jesse Ybarra, Mrs. Manuel Balderas and Father Robert O'Leary.

from

Starns Schaefer
CINCINNATI

We combine hundreds of unusual fabrics with flexible custom tailoring . . . to provide both comfort and modern design in a single garment. This is a great opportunity to have clothes you'll thoroughly enjoy . . . to completely debunk the theory that all men's clothes must be skimpy and uncomfortable to look modern.

Cobb's

La GA's Coronation Held

The La G.A.'s Auxiliary of the Bula church presented the coronation service, for the 26th annual coronation, Sunday Oct. 26. The coronation was held in two national letters bearing the theme "America My Witness", mounted on a large United States map. Red, white and blue in two sheets of paper flowed beneath the map.

Beverly Tiller presented a reading, entitled, "The Land of America". After the reading, Margaret and Margaret ardsen sang "America". Mrs. Jonnie Hall at the coronation.

Parents' Night Goodwill Center

The kindergarten of the Mule Area Goodwill Service had Parents' Night Oct. 26. Rev. D.C. DuBose, pastor of Trinity Baptist Church was in charge of the ceremonies. Kindergarten children, by their teachers Mrs. Les Bratcher and Mrs. George Washington, gave the children of the Goodwill Center, recited nursery rhymes and sang songs they had learned at school.

The awards to: maidens, Janice Tiller, Ida Davila, Oralia Davila and Janice Cannon; Queen with scepter to Barbara Black; Queen regent to Helen Black; Queen regent in service to Diane Crume.

Following the coronation a reception for the girls was given in the fellowship hall of the church by the W M U.

Green punch and white cake was served from a table laid with a white cutwork cloth, centered with an arrangement of yellow and white mums.

G A counselors are Mrs. Edd Crume and Mrs. Dewitt Tiller.

The Baptist Spanish Mission, gave an inspiring talk to parents encouraging them to see that their child had opportunity to grow as Jesus did "...in wisdom and stature, and in favor with God and man". (Luke 2:52).

The program was closed with prayer by Rev. Buster Huggins, pastor of Trinity Baptist Church.

After the program, refreshments were served by the women of Trinity Baptist WMU and parents had an opportunity to see some of their child's work displayed and to get acquainted with the teachers.

The next Parents' Night will be February 12 at the Goodwill Center.

Mrs. Rodriguez Queen of Week

Mrs. Ed Harp was Queen of the Week at the Thursday TOPS meeting. Mrs. Lillie Rodriguez was first runner-up and Judy Lambert second runner-up.

Selma Redwine called the roll when 29 members answered with loss or gain. Six members had to sit in the pignen. The Club lost a total of 21 pounds.

One visitor attended, Brenda Hall, and the Club welcomed two new members, Mrs. T.W. Berry and Felipe Garcia.

Celia Lopez had a birthday and received a gift. A talk was given by Mrs. Martin Oliver on what TOPS has meant to her.

Measurements were taken. Group A and Group C are tied for high points in the weight losing contest.

At the November 6 meeting, members will weigh in and stay for a short business meeting and then those who wish may attend the "Laugh-In" program at high school.

Party Cleanup Blues

You buy a rug, have a party to show it off, and then a guest spills coffee on the new carpet. The secret to getting up the spilled liquid before it spots your prize is to blot as quickly as possible with Kleenex paper towels which absorb up to seven times their weight in liquids.

Place towels over the spot, and blot hard, pressing down with your fingers. Never rub or you might spread the stain. Change towels from time to time until no more moisture is absorbed. Then lay a half-inch thickness of dry towels on the spot, weighted down with heavy books, for at least eight hours. Afterwards, lightly brush up the carpet with a clothes brush. You won't believe there was ever an accident!

Fringe is in fashion and is seen on many of the scarfs and shawls.

Wide neckties are in for the men and boys. If you packed away the nice ones several years ago, you are in luck.

Consumer Education Week November 2-8

Texas Consumer Education Week for 1968 is November 2-8. The purpose again, for the fourth year, is to call attention to educational information available to the public in your county Extension office.

Locally, there will be posters placed in grocery stores and several stores, and a taped program on the radio to call attention to this effort to make consumers more aware of ways in which money spent for food, household necessities, clothing and household furnishings can be made to buy more if careful attention is paid sound buying practices.

Mrs. Albert Davis, a member of Progress Home Demonstration Club, is local chairman of Consumers Education Week. Working with her is Mrs. O.M. Self. Both are assisted by Robin Taylor, Bailey County Home Demonstration Agent. They urge consumers to take advantage of the wealth of material contained in Extension booklets in the Extension Office on consumer buying tips.

"Don't blame your food bill for taking all of your money in a grocery store. One-fourth of the amount spent in a grocery is spent on non-food items," says Mrs. Doris Myers, Extension Home Management specialist.

20 percent can be saved by buying private-brand canned foods and packaged foods, and 40 percent on private-brands of household cleaners, according to the survey of five supermarkets in five cities and towns. In nearly every category private-brands were cheaper than nationally known brands, reports Mrs. Meyers, Extension Home Management specialist. Quality may differ in the household cleaners, but always the same chemicas are used, it was found.

One wives tale goes "the more you buy, the less each unit costs". The wise shopper, however, always compares the net weight with the price. Label reading also is important on odd shaped bottles. It's hard to tell how much they hold; and, therefore, the smaller bottle may actually appear larger.

Storage space and your family's needs also must be considered.

Food spoilage and waste could outweigh the savings.

Extension experts warn against impulse buying. Four suggestions here are to restrict the amount of money carried to the store, shop with a list compiled at home, shop alone and even shop soon after eating.

To get more for your food dollar, make your snack count for nutrition, say the experts. Instead of empty calories have a glass of nourishing fruit or vegetable juice, a piece of fruit or a fresh vegetable available.

Most homemakers like the USDA choice cuts of meat, but most any cut can be made tender and delicious if prepared right.

If you are struggling to make ends meet financially, think twice before buying on credit. Debt servicing took 22 percent of average family income last year, says Wanda Myers.

Do not become a victim of fly-by-nighters capitalizing on unsuspecting home owners who buy inferior products to be used in home repairs and remodeling. In Calif, fraudulent sales of aluminum siding cost consumers a loss of \$7,000,000 in one year.

If a home improvement project is on the agenda at your home, specialists advise you to take every precaution to deal only with material supplies and contractors whose reputation for honesty and integrity are unquestionable. Meals prepared from convenience foods may cost up to 1/3 more per serving than foods prepared from home recipes or they may cost less, says Elizabeth Barnard, Extension food specialist. Whether or not to buy convenience foods should be determined by the value of your time.

Some of the foods found to be more economical than the unserved product include frozen orange juice concentrate, instant coffee and canned or frozen peas and beans. Frozen dinners and desserts, ready-to-serve baked products, and other specialty items usually cost more than the same food completely prepared at home, says Miss Barnard.

LITTLE GOBLINS.....Left to r, Beth Harvey, Melinda Presley, Stacey Campbell and Shelley Davis display representative types of costumes worn at the Halloween party Friday morning in Kiddieland Kindergarten. Mothers who served punch and cakes, with Halloween favors, were Mrs. Eugene Howard, Mrs. Tobey Huckabee, Mrs. Tim Campbell and Mrs. Max Steinbock.

Devona Bradley Is DECA Club Sweetheart

by Devona Bradley

Tuesday, October 28th, DECA met in the auditorium to decide whether or not DECA would have a booth at the carnival. Due to several conflicts it was decided not to have a booth. DECA Sweetheart was also chosen at the meeting. Those nominated were Liz Seales, Prissi McCaig, Pam Swint, Sharon Davis, Sherry Moore and Devona Bradley. Devona Bradley was chosen DECA Sweetheart for 1969-1970. DECA students are selling reserved tickets to the BAC Laugh-In, November 6. You may buy your tickets from any D.E. student. The deadline date is Wednesday, November 5.

WAR

by Elizabeth Seales
A war is being fought right now
Far across the sea.
We wonder what it's all about,
Is it fought for you and me?

We sent our men and our supplies
For people we don't know
Lives are lost for this great cause

But still more men must go.

We wonder why we fight this war
Of death and hate and greed.
We're helping these people find a way
To fulfill their greatest needs.

To conquer the world through peaceful means.

Is said to be the goal
Of men who start these wars
With a desire for world control.

Some people strongly disagree
On whether we should be there
But maybe with the help we give
Things will turn out fair.

All people should be free
To choose the way they live.
Some day their dreams may all come true
With the help that we can give.

Junior Class to Host Thanksgiving Supper

Muleshoe families will have the opportunity to enjoy a fully traditional Thanksgiving Supper the night of the Perryton-Muleshoe game, November 21. Being a week before Thanksgiving, the Junior Class decided that this would be a supper that would be enjoyed by all patrons of the community.

Yes, the works will be prepared--Turkey and Dressing, Cranberry Sauce, Fruit Salad, English Pea Salad, Pumpkin Custard Pie, Hot Rolls and Butter, and Tea or Coffee! Since the ballgame is scheduled at 6:30, the meal will be served starting at 5 p.m. and resuming at 8:30 for those who had rather eat after the game.

One Junior member commented, "We really intend to put on a good feed--all you can eat." Not only are we interested in making some money for the Junior Class, but we are more interested in serving a meal that the community will enjoy. "Perhaps it is just the pride of the JUNIORS!"

Banquet Committee members of the Junior Class are Jerry Scoggin, Betty Chandler, Bonnie Chandler, Jerry Putman, and Jeanene Freeman. Mothers who will supervise the cooking are Mrs. S.M. Ethridge (represent-

ing mother for a junior class member), Mrs. Fred Allison, Mrs. Richard Puckett, Mrs. Orbin Chandler, Mrs. Lewis Scoggin, and Mrs. Eugene Black. These committee members and mothers will be assisted by a committee of 15 from the Junior Class that night, and by their sponsors, Mr. Jeff Ingham, Mr. Wayland Ethridge, and Mrs. Glen Harlin.

A letter has been sent to Perryton explaining about the Thanksgiving Supper, and it is the hope of the Junior Class that about 25 turkeys will have to be baked. Tickets will be on sale soon from the Ticket Committee of the class. They may be purchased at various stores also. Details will be announced later. Tickets are \$1.50.

A PIGSKIN'S LIFE

By Dennis Beene

There was a chill in the October air,
Just before the game at eight.
As I was approved by the referee,
I knew nothing of my fate.

Placed near the ground and tilted back,
I prepared for the coming blow.
For just last week on this same field,
I had played a similar role.

I received the punch low and hard,
And knew not what had been wrought.
My head was spinning over my heels--
Then suddenly, I was caught.

As I was carried from whence I came,
Held tightly in a grip,
The speedster came to a sudden halt,
And from his arm I did slip.

I rolled and bounced for--say ten yards,
What attention did I attract!
For twenty-two men headed my way,
And pounced upon my back.

When smoke had cleared at the whistle's sound,
And I recovered from the pile,
I was placed at the nearest hash,
And glad to rest awhile.

The rest was short, as I had feared,
Two lines formed head to head,
I was snapped and passed and tipped and dropped,
Then the whistle blew me dead.

Time to punt, and I was scared,
When I heard the fearful, "Hut!"
But I knew not what would happen,
When I left the kicker's foot.

I felt his toe upon my hide,
My laces then did break,
My wind, I felt it going fast,
A bounce, I did not take.

My life I knew was at its end,
It was just as quick as that,
No more would I be kicked and mauled;
No more--for I was flat.

Band Prepares For Contest

The Mighty M Band has been working hard on each little detail of their contest show. The band has worked extremely hard this last month.

Tuesday, November 18, the band will perform at Lowery football field in Lubbock. They will perform at 3:50 p.m. The band will march to the tunes of "Valquero", "The Horse", "Algeria", and will complete their show with "Seattle". They have been working on several extremely good routines.

Friday night, the Mighty "M" Band will perform their show at the Muleshoe Mules vs. Tulsa Hornet game.

Curriculum Highlights

ENGLISH III
Conversation in Muleshoe High School might be about many things, but one topic that is very interesting concerns the study of different novels in the English III classes. With the growing importance of paperback books, Muleshoe High's Juniors are enjoying many different novels, poetry books, and plays. During the past four years, concentration has been given heavy attention concerning student reading. Not only are conventional literature books and grammar books still in use, but they are supplemented by various books of various interests.

Mr. Ethridge's English III class is currently studying TO KILL A MOCKINGBIRD, a widely accepted and cherished novel by Harper Lee, about conditions in the Old South during the 30's. Not only is the book easily read, but it is most interesting. Students who have studied the novel in years past comment that it is one of the highlights of studies in English. Told from the eyes of a 6-year old girl, Scout, it reviews social conditions, common small town behaviors and moral attitudes, and presents an outlook into the influences of a parent toward his children.

Currently being studied in Mrs. Smith's English III class is GIANTS IN THE EARTH, a novel by the Norwegian writer, Roivaag, about settle-

ments of the Great Plains of America. The two dominant characters, Per Hansa and his wife Beret, portray the lives of hundreds of early-American settlers who dared with their lives to make the Great Plains a settlement. As pictured in the story, Per Hansa is the all-aggressive character who looks at living in an endless wilderness as a challenge--one that he enjoys. His wife, Beret, on the other hand, speaks for hundreds of pioneer women who constantly fear the unknown of the early Great Plains. Reluctant to relax and be happy, she is dominated with fear--fear because "there is nothing to hide behind." One learns to appreciate fore-fathers after studying the novel.

Mr. Moore's students are currently studying a selected group of plays from the Greek. The title of the paper-back edition is GREEK DRAMA. Three plays which are very popular are OEDIPUS THE KING, AGAMEMNON, AND MEDIA. Although many of the ancient behaviors seem rather paganistic, there is still the strong universality in all of them. Our culture today stems from some of the old traditions of the Greeks.

Another novel, already read in several classes, is THE STRANGER by Camus. A man is definitely an individual is forced to die because of his unwillingness to conform to the ways of society. Although he

did commit a crime which could be called one of self-defense, he refuses to acknowledge that his prior behavior was wrong. Consequently, he is pronounced guilty; not because of his crime, but because he will not submit to society around him.

LORD OF THE FLIES has been read with admiration in one of the English III classes this year. Other classes are eager to bite into this nationally-loved book. LORD OF THE FLIES by William Golding is an attempt to trace the defects of society back to the defects of human nature. This theme is successfully carried out by having a group of young boys struggle for survival on a deserted island during World War III.

The over-all program of study in English III curriculum this year includes a Vocabulary building program, programed for the high school student and the college-bound student. A practical approach to vocabulary building is taught--not simply learning new words, but putting words together from root structures of Latin and Greek, prefixes and suffixes plus root words from English words. Students are amazed at how easy many words, often termed "difficult", really come to life and have meaning. Hand-in-hand with the Vocabulary series is the KEYS grammar series. Not quite to the linguistic field yet, this gives

MHS Journalism Adds Equipment

Four-hundred copies of the 1970 high school annual, THE MULETRAIN, have been sold. Sales ended one week ago, and staff members are busy with details of the book.

For the first time, News-photo Publishing Company of San Angelo is publishing the book. After carefully studying the plant facilities and services offered by the company, it was decided that a change was needed.

The 1970 staff is more eager than ever to put out a book of outstanding quality this year. Because of the rising prices of publications of all kinds, the price was raised to \$6.00 plus tax for the annual. Since the Junior High School is publishing its own edition this year, this leaves the entire book for the high school. Many pages have been added to various sections of the book which were previously held down because of added expense for more pages.

The spring edition of 208 pages will contain an eight-page autograph section in the back

of the book, plus about 30 pages of advertising. Other than the 38 pages, all pages will be completely devoted to high school activities, clubs, and curriculum. The first 16-page section has been sent to the publishers, and another 16-page section will leave this week. A 16 page supplement will be printed as usual next summer covering all spring activities occurring too late for the spring publication.

As was done last year, regular scheduled annual part time will be allowed for autographs in the yearbook.

Gradually, the department of Journalism of M.H.S. is building. This year a new camera and strobe light was added to the photography supplies. Along with the new camera, a telephoto lens was purchased which will enable close-up shots at far distance.

Sharon Davis

Sharon Davis Outstanding DECA Student

by Devona Bradley
Sharon Davis was named outstanding student in DECA for the first six weeks.

Each six weeks a student will be named outstanding DECA student. It will be based on how well the student does on the job as well as class studies. Sharon is a Junior at Muleshoe High School and is employed as sales clerk at Poyner's White Stores, Inc. She was outstanding saleswoman at White's for the eight week sales period.

Sharon is very active in DECA and also participates in F.T. and plays Varsity guard for the Mulets.

We are proud to have Sharon named outstanding DECA student for the first six weeks.

Library Paves Smoother Way For Education

by Debra Rudd

The library is a vast source of information available to all students. There are many books from which to choose. They are not only fun to read, but also educational. The library provides the latest magazines for the enjoyment of the students. These magazines are also used by the speech students and by other classes for research papers.

The library is an inspirational place to go. It is usually a place of silence for studying or reading. It is enchanted by beautiful paintings and trophies. It also displays the American Flag which serves as an inspiration to everyone.

The library is beautifully carpeted with a blue and green blend tweed carpet.

Mrs. Harlin and the girls that work in the library encourage all students to visit the library. There is a fee of \$1 per student. We encourage each student to pay it immediately.

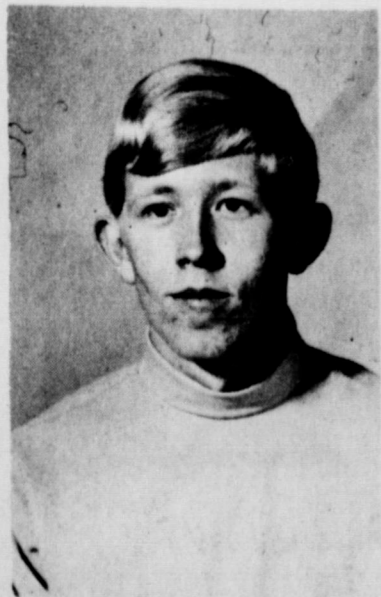

Lonnie Ferris President Of Sophomore

by Sue Darsey

The Sophomore class had meeting during Orientation period Tuesday, October 28. Pictures were taken of class favorites and class officer. Sophomore class officers are Lonnie Ferris, president; Mil Riley, vice president; Lar. Ross, secretary; Sue Darsey, reporter; and Martha Chapman, parliamentarian. Class favorites were Donnie Wheat and Cynthia Gable.

Plans for the sophomore Hal loween booth were discussed. Sophomore class slaves were elected. Penny Griffin, Sue Darsey, Leroy Medlock, and Donnie Wheat are slaves.

Shopping List

COLLEGE STATION, Oct. 28 One good way to save time and money while grocery shopping is to keep an up-to-date shopping list, suggests Gwendolyn Clyatt, Extension consumer marketing specialist. Include on the list items which

are in good supply and are featured in food stores. For example, this week look for best beef values on round steaks and roasts, short ribs, ground beef and chuck roasts and steaks. Pork values include hams, picnics, shoulder roasts and steaks and end cut loin roasts and chops. Fryers remain a good buy in most retail meat departments and Mrs. Clyatt adds that grade A large size eggs generally offer the most economy and quality.

Apples, bananas, toky and Thompson seedless grapes, sweet potatoes, white potatoes, head lettuce, celery, cabbage, cauliflower, eggplant, carrots, dry yellow onions and tomatoes are in best supply at the most economical prices. New crop cranberries are now coming to market, the Texas A&M University specialist adds.
