Farmers to Increase Planting

Farmers are being urged to plant corn and sorghums, in order to alleviate the critical shortage of grain. Prospective acreage based on intentions to plant for 1946 is being estimated at 100,000 acres, while prospective acreage for 1945 is estimated at only 78,000 acres. The increase is due to the fact that the acreage goals set for 1945 were not met.

MONTGOMERY, NEEB AND OGLESBY ELECTED TRUSTEES APRIL 6

L. L. Montgomery, W. H. (Nig) Neeb and F. A. Oglesby were chosen for three year terms at Saturday's school trustee election, when an all-time record high of 278 votes were cast, according to unofficial count. V. C. Walker, who was without opposition, was re-elected county school trustee from this precinct.

Official tally gave Vestal 107 votes, Davis 105, Montgomery 225, Neeb 134, Robert Meadows 90, and Oglesby 146. Walker, for county trustee, received 234 votes, with 29 cast for Edwin Baum by write-in. C. D. Westerman one write-in, and Jack Hill one write-in.

Methodist Revival Having Good Crowds At Each Service

The Methodist Revival, in progress since last Sunday, is having good crowds at both morning and evening services. Rev. Joe Temple, radio evangelist of Abilene, is doing the speaking and Ken Ballinger, also of Abilene, is in charge of some services.

The meeting will continue through Sunday evening, April 21, with services at 10:30 a. m. and 7:30 p. m. Every citizen of Cross Plains and surrounding territory is urged to come to services and hear this able and forceful evangelist as he daily expounds the doctrine of Christ and Him crucified.

H. D. Agent Urges Planting of More Garden Greens

April is here and from the warm days that we have been enjoying, spring must actually be here. With spring the dull brown hillside becomes a beautiful green, but not all the green is on the trees on the hills. There are many gardens. The hill girls have reported that they were eating turnip greens, mustard, lettuce, and radishes out of their gardens.

Greens were considered "good spring tonic" in grand mother's day. Today they are recognized as tonics for any season because of their natural richness in important vitamins and minerals, particularly vitamin A and C, and iron and calcium.

A greater variety of greens in home gardens and on family dinner tables will help prevent monotony in meals and provide more nutritive value. If you haven't already planted some in your garden, do it today. Savory mixed greens, cooked together or served raw in mixed green salads, often will be more appetizing than the same kind of greens served day after day. Why not plant a variety in your garden now.

Better preparation and cooking will improve the popularity of greens. To make them most appetizing and to obtain the most nutritive value of greens, cook in as little water as possible, cook covered and until just tender. Serve as soon as possible after being cooked.

Remember if you have not already planted a variety of greens, do so now. Greens help to vary the menu and certainly add nutrition to any meal.

Real Estate Sales In Cross Plains Area Nearing Boom-Time Peak

Exchange of properties and activities in improving homes and businesses in Cross Plains have been accelerated the past few weeks with buying and selling of real estate approaching boom proportions.

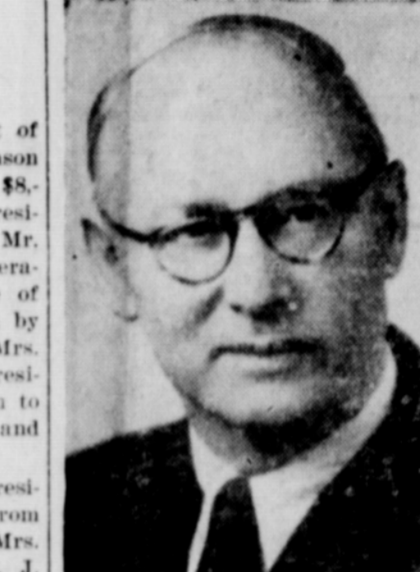

The city would double its population in a short time if building material could be obtained and more residence sections made available to prospective buyers, is the opinion of responsible citizens. Expansion of the city is a matter in which the whole town must become interested and work toward, and the Chamber of Commerce and other interested groups are now formulating plans to make available and invite new enterprises and a larger population to settle here.

In the past several months much real estate has changed hands, with Mr. and Mrs. R. B. McGowan selling their home and acreage south of town to Mr. and Mrs. L. F. Foster for a consideration in excess of \$20,000, sale by Martin Jones to Mr. and Mrs. J. G. Sims, a residence in the northeast part of town for consideration about \$2,000, sale by Harry Copping to Mr. and Mrs. I. R. Loving of residence in north part of city for consideration in excess of \$2,000, sale by John Cox and wife of residence one block west of water tower to Mrs. M. E. Howell and Mrs. M. Moon, sale by Harry Copping to Mr. and Mrs. Curtis Holt of residence in west part of town for consideration in excess of \$1,500, and Mr. and Mrs. Don Tackett purchased a tile residence from Ed Morgan on E. 8th street.

Purchase by Mr. and Mrs. W. R. Thompson of residence in southeast part of city from L. B. Petty for consideration about \$2,000, purchase of residence lots in southeast part of town by Mr. and Mrs. Ira Hall from V. A. Montgomery, purchase by Ira Hall of rural residence from O. L. McKinney, purchase by Mr. and Mrs. Alice Thate of residence in north part of city from Mrs. S. D. Stone, purchase by Mr. and Mrs. Bob Young of 8 residence lots in west part of city from Mr. and Mrs. L. F. Foster, purchase by Mr. and Mrs. Strickland of the McLain residence, moved into town lots in northeast part of city; purchase by Albert Lovell of residence lots from R. L. Young, and purchase of residence lot by Mr. and Mrs. Lloyd Rich from Mrs. Effie Wilkins in east part of residence section.

Sale by R. H. Tabor and wife to Mr. and Mrs. H. P. Moon of a 950 acre tract of land at Rowden for consideration in excess of \$25,000, sale of residence on east 8th street by H. V. Falkner to Mrs. M. Moon, sale of the Henderson

BOB WAGSTAFF

R. M. 'Bob' Wagstaff Enters Race For 17th Congressional Post

The Review has been authorized to announce the candidacy of R. M. (Bob) Wagstaff of Abilene for the office of Representative in Congress for the 17th District of Texas.

Wagstaff is a graduate of Hardin-Simmons University and the University of Texas Law School, and a veteran of World War I. He represented his district in the 42nd and 43rd Legislatures, being the author of much important legislation.

His wife is the former Texas Orms, whose father was the late G. W. Orms, for many years District Agent for A. & M. Extension Service. The couple has two children, a girl and a boy.

Wagstaff's record in the legislature included the authorship of the oil and gas conservation statutes, which were sponsored by the independent oil producers of this district and were passed through the legislature over the opposition of several major oil companies. These conservation statutes have been judicially construed and upheld by all courts, including the Supreme Court of the United States.

Other laws which Wagstaff sponsored were the Water Priority Act, the law which gives cities and towns and farmers and ranchers full priority to use of the waters of the West Texas streams in preference to utilities companies and hydro-electric projects; the Confederate Pension Transfer Act of 1931, under which excess funds of the highway department were transferred to the Confederate Pension Fund, with provisions for later repayment, so as to make the Confederate pensions payable at a time when the pension fund was exhausted; and the first act setting aside the Big Bend Park as a state park.

Wagstaff also took a prominent part in the legislation affecting education. He supported the legislation which raised the per capita payments in 1933 from \$7.50 to \$17.50. He was also the author of the law changing the method of leasing the public school lands for oil and gas, which act provided for the selling of oil and gas leases by competitive bids. This act has resulted in the permanent school fund receiving many millions of dollars additional as bonus for oil and gas leases.

He took a leading part in the passage of the act for the assumption of the county road bonds. He was chairman of the sub-committee of the Highway and Motor Traffic Committee which wrote the act, and was a member of the conference committee which prepared the final act, which was adopted by the legislature. As a result, the state took

1.19 INCHES RAINFALL WEDNESDAY; HAIL DAMAGES ORCHARDS

That much needed million dollar rain, totalling 1.19 inches, reached Cross Plains and territory Wednesday afternoon and night. There's more or less local benefits to peanut planting, other crops and grassland in this area brought smiles from farmers and stock raisers.

Accompanied by some wind and hail stones that did small damage, .55 inches fell in the afternoon, followed at around 10 p. m. by .64 inches of rain and hail that took 80 to 90 percent toll of peach orchards belonging to H. A. Young and Tom Lee southwest of town.

Following a narrow path, the hail did no appreciable damage to growing crops surrounding Young and Lee.

Showers were reported at several points north and west of Cross Plains but no place contacted reported more than light rain in the afternoon.

Temperatures skidded 20 degrees from a high of 80 around 4 p. m. to 60 at 9 p. m. as the moisture-cooled air moved in. Temperatures remained in the sixties Thursday.

A hail storm in the Dallas area Tuesday reported a mounting damage of more than \$1,000,000, estimated by roofing men and insurance claim agents.

Oil Activity Picks Up As Five Tests Are Being Drilled

Oil activity in the Cross Plains area is somewhat on the incline with two 1600 foot and three shallow tests now drilling.

Gruber et al of Dallas have contracts for three 1600 foot tests three and one-half miles north of the city on what is known as the old Harlow piece. One hole is now in progress of drilling, is setting pipe at 580 feet to case off water.

Gruber is also putting down a shallow well on the Jones John Barr place north and west of the old Cottonwood road.

Lighttower Oil Company of Brownwood is drilling for shallow oil on the Fred Lang place, offsetting a well on the H. A. Young place, 400 feet southwest of the Young house tenanted by the Copeland family.

Lanecker Bros. are drilling a 1600 foot test four miles southwest of town. Down to 1010, they are drilling 65 feet into the Adams Branch line.

A Mr. Weatherford has leased a block of acreage in and around the Porter J. Davis place and is trying for shallow oil there.

C of C Officers For Coming Year Elected Tuesday

At the regular Chamber of Commerce luncheon Tuesday, new officers for the coming year were elected. They were: President, J. L. Glenn; Vice-President, C. R. Gray; Secretary, Clyde Bunnell. Geo. R. Noel was elected as representative to the West Texas Chamber of Commerce. Board of directors will be selected later.

Fifteen members and visitors were present and heard reports from various committees including the proposed public scale project and progress being made on the silk culture experiment.

The new officers will meet in the near future to map plans for the coming year's activities.

A fine feast of fried chicken, cream gravy, salads, and other delicacies were prepared and served by women of the Baptist church.

Hugh Purvis, son of L. M. Purvis of Cottonwood, arrived at his home March 31 after release from the Army March 22 at Ft. Logan, Colo., for a two week's visit before going to California where he will accept employment.

A former sergeant, Purvis had been stationed at a Medical Detachment POW Camp at Scottsbluff, Neb., for two years. He entered the service in November, 1942, and for the first 16 months was stationed in California.

He is one of six brothers who saw service in World War II.

Kathryn Anderson spent the week end in Lubbock with friends.

Dr. Bruce Strahan to Open Dental Office

Cross Plains is to have a dentist.

Bruce B. Strahan, lately released from Naval service after 33 months, will set up an office in the space over the post office, formerly occupied by Dr. J. Henry McGowan.

Dr. Strahan, son of Mr. and Mrs. Howard Strahan, will have complete equipment for general practice of dentistry, including X-ray machines. He comes here a graduate of Texas University School of Dentistry at Houston and has had a wide range of experience in the care of dental patients in the service.

General repairs to office space is in process and Dr. Strahan hopes to be open to take appointments within a two-week period.

S-Sgt. Ivan Clark Lands in States

S-Sgt. Ivan Clark, son of Mr. and Mrs. J. U. Clark of Lowell, Ariz. and who is visiting Mr. and Mrs. W. P. Armstrong now, landed in the States at Seattle, Wash., Wednesday of last week, according to word received here.

In the service approximately two years, Clark expects release in the near future.

Mr. and Mrs. Fred Wright of Amarillo and Mr. and Mrs. V. V. Neal of Abilene visited Mr. and Mrs. A. W. Wright over the past week end.

Curt Holt Will Start Ball Clubs

Curtis Holt, who is employed at Pat Murphy's Service Station, announces that he will organize a boys and mens baseball and soft ball leagues, and all boys of high school age and men older who are interested in this summer recreation are urged to meet him at the station next Monday evening at 7 o'clock for the purpose of formulating plans.

Holt states he has enough suits to outfit a team and arrangements can be made for equipment such as mitts, gloves and bats.

At the Monday evening session site for a practice ground will be discussed as well as organizing players.

J. G. WEILER'S ENJOY FAMILY REUNION

Mr. and Mrs. Joseph G. Weiler enjoyed a family reunion at their home last week, celebrating the return of their son, Lt. Col. Howard G. Weiler, after 12 months service with the Army Medical Corps in the Philippines.

Colonel Weiler, who is now on terminal leave, has had 44 months Army service. After his release he will re-enter private practice at Wheeling, W. Va. He was accompanied here by his wife and two children, Robert and Gall, who have been making their home in Wheeling.

Also here for the reunion was another son, Lawrence J. Weiler, his wife and children, Barbara and Joe, of Baytown, where he is Safety Supervisor of the Humble Oil Refining Company's plant there.

Dr. and Mrs. J. H. McGowen of Abilene visited here last Friday.

High level of prices for products of farm and ranches is the most important issue affecting the candidacy in this district," says the platform.

Declarator that for seventy-five years all the power and influence of the national government has been used to benefit industrial and manufacturing areas of the nation at the expense of the agricultural regions, he stresses his support of fairness and justice for farmers and ranches.

Wagstaff's platform includes the following:

SUPPORT OF THE UNITED NATIONS ORGANIZATION to promote world peace, adequate armed forces for national defense, opposition sharing to the secret of the atomic bomb with other nations.

A BALANCED BUDGET WITHOUT FURTHER DELAY, and reduction of taxes to encourage business.
