Cross Plains Cage Squad May Yet Win 11-B Championship

Cross Plains and Clyde high school basketball teams meet again Thursday night in the Clyde gymnasium, in the second of a three game series to determine the winner of district 11-B.

Cross Plains won the round-robin play, which extended through two months competition, but was defeated in the finals of the district tournament by the Clyde outfit 47 to 23. The round-robin play and the tournament counted equally toward the league championship. Since that ended in a three game play-off became necessary. The first game was held here Tuesday night. The calls won by a score of 32 to 22.

If a third game is necessary after Thursday night's meeting, it is expected to be played on a neutral court, however, this decision will not be made until after the Thursday night results are known.

In the district tourney at Clyde last week end, the locals defeated the 31 to 22 before being decisively upset by Clyde. The Clyde five had previously defeated Rising Star in the tourney 41 to 28.

Football Jackets Given 20 Gridders

Letter-jackets were awarded this week to 20 members of last season's Cross Plains high school football team. Boys receiving the awards were: Keith Coburn, Cecil Barton, Charles Kunkle, Vendell Hutchins, Vernon Phillips, James Barr, Ervin Coggin, Junior Coggin, Ted Sessions, Jimmy Cade, Harold Strahan, Howard Lee Neeb, Donald Selzer, Freddie Tatom, Junior Rider, Billy Pancake, Bobby Ollinger, Bobby Dillard and Billy Wright.

Amendment To Be Laid on Cottonwood Road Early In The Spring

S. J. Treadway, district highway engineer, told the Review last week that topping on the farm-to-market road from Cross Plains to Cottonwood would be laid early in the Spring.

Reason for waiting until warmer weather is that highway officials have found that best results are obtained when new surfaces are not subjected to freezing weather shortly after being laid down. There is a slight possibility that the road may be extended northward from Cottonwood to the boundary of the precinct four.

Car Owners May Now Purchase New Tags

Motor vehicle owners are reminded this week by County Tax Assessor Collector Bob Joy that the new license plates are now on sale and that the plates can be obtained immediately.

The car owners will save themselves quite a bit of inconvenience if they purchase their license plates early.

ITCH HIKER STRICKEN WITH EPILEPSY MONDAY

20 year old hitch hiker became critically ill in Cross Plains Monday afternoon, being seized by attacks of epilepsy. Local officers and identification papers on his person and notified parents, who arrived at Paducah. The mother and her left immediately for Cross Plains, arriving here Tuesday morning at two o'clock.

BOY IS BORN WEDNESDAY TO FORMER LOCAL COUPLE

Mr. and Mrs. Charley A. Stone, Cisco, former Cross Plains residents, are parents of a baby girl, born early Wednesday morning, February 15, at the Rising Star hospital. The child weighed seven pounds at birth.

LEADS CINDERMEN—Forrest (Mooney) Scott of Cross Plains will be co-captain of the McMurry Indian track and field team this year along with Frontz Myatt, sprinter from Abilene.

9 Boys Will Head Track Squad Here

From a nucleus of seven athletes, coach Bill Shield will form Cross Plains high school's track team this Spring.

Boys expected to be principal point gainers for the local institution are: Harold Strahan, who will run the dashes and high jump; Vendell Hutchins, a middle distance man; Dwayne Adams, miler; Charles Kunkle, the 400 and mile relay; James Paige, shot put and discus; Freddy Stacy, hurdler and broad jumper, and Ted Sessions, broad jumper.

9 Boys Get Letters For Cage Services

Nine Cross Plains high school boys were awarded letters the past week for play with this year's team. Boys receiving the awards included: Howard Lee Neeb, Harold Strahan, Charles Kunkle, Keith Coburn, James Barr, Bobby Dillard, W. B. Porter, Ted Sessions and Vendell Hutchins.

Four of the above group will be lost by graduation from next year's squad. They are: Strahan, Kunkle, Coburn and Porter.

People Need Know Public Health If Plans Successful

If public health is to contribute to health and happiness in 1950, the people of the state need to gain a new knowledge of its significance and to convince their leaders of the importance of the support of the people, said Dr. Geo. W. Cox, State Health Officer.

The State Department of Health is the state agency responsible by law for the health of all the people in Texas. The working out of this responsibility, however, must be a joint affair shared by all the people.

The State Health Officer is the administrative and executive head of the Department. The field activities are organized in 18 different divisions. A division director with specific training and experience in one of the specialized fields of public health as well as in general public health measures directs the activities of each division.

The many problems faced today by every American, farm, business and industry are: how to prevent and control illness, malnutrition, and epidemics; how to make the community in which one lives as free as possible from hazards to health.

The world of disease is not divided; it is a common world. Tuberculosis in the United States is not different from tuberculosis in any other country. In terms of human needs, the world is truly one world. Public health and medicine have a tremendous part to play. They possess one of the important keys that unlock the door to future world progress.

No public health program anywhere can be completely successful, however, unless it has the confidence and support of the people who benefit by it. Full support cannot be expected unless the people understand the purposes and the objectives of the program. Your health department is interested in preventing disease and it never interferes with your relations with the doctor of your choice. Dr. Cox pledges the personnel of his department in keeping you well. When you are ill he advises you to consult your family physician.

Head-On Car Crash Kills One, Hurts Two Saturday Morning

One person was killed and two others injured, one critically, in a head-on automobile collision about 10 a.m. Saturday three miles southeast of the Denton Community on State Highway 36.

Killed instantly was Seldon David Waters, 26, a Southern Methodist University student, who would have graduated in four days. He was formerly of Greenville, but his parents, Mr. and Mrs. Seldon B. Waters, live in Rising Star.

Critically injured was the student's father, S. B. Waters. He suffered a fractured femur, a crushed chest, a broken arm, and head injuries.

The father and son were in a 1949 Buick. The son was driving. Roy O. Holmes, livestock dealer from Abilene, was in the Hendrick Memorial Hospital suffering from a fractured pelvis and head lacerations.

The Waters car was going northwest toward Abilene and the Holmes car was coming southeast toward Cross Plains when the accident occurred. Holmes was alone.

Highway Patrolmen Herman Seale and H. B. Slaughter, Jr., investigated the accident. They rechecked the left front sides of the cars hit, leaving both automobiles demolished.

Waters is survived by his wife and two children, and his parents. His father is a drilling company employee.

Book Review Artist Comes Here March 2

Sanger Brothers' book review artist, Miss Evelyn Oppenheimer, will make her second appearance here on the evening of March 2, in the high school auditorium. Miss Oppenheimer is widely known as an artist of distinction and her program will be one of the most important entertainment events of the year. Subject of her review will be announced later.

Old Time Fiddlers To Compete May 7 At Lake Regatta

A section wide Old Fiddlers Contest to be held in connection with the annual Lake Brownwood Regatta Sunday, May 7, with from \$150 to \$200 in cash prizes to be awarded, is being planned by the Brownwood Junior Chamber of Commerce if amateur fiddlers and fiddle bands of this area indicate they are interested enough in such an event to justify the expense to the Jaycees of holding it.

Amateur fiddlers and fiddle bands are asked to write the Brownwood Junior Chamber of Commerce immediately if they believe now they would like to participate in such a contest.

If the replies indicate sufficient interest the Jaycee organization will appropriate money from its treasury to pay expenses of the contest.

No Notification For Old Drivers Licenses

Holders of the old style drivers license will not be notified when their permits are about to expire. The procedure of notifying motorists when their licenses are about to expire applies only to the new type license now being issued. A. P. Temple, chief of the drivers license division of the Texas Department of Public Safety, said Monday.

Holders of the old style permits will be required to apply for renewal of their license.

COX CELEBRATING HIS 15TH ANNIVERSARY IN BUSINESS THIS WEEK

W. T. Cox is celebrating his fifteenth year in business in Cross Plains this week with a storewide sale, scheduled Saturday. On page eight of today's issue of the Review is carried a full page advertisement calling attention of customers to special events in connection with the anniversary observance.

Mr. Cox came here from Sidney, in Comanche County, in 1935. He opened a produce, feed and seed business, and later expanded the enterprise to include the grocery department known as "The Farmer's Market".

1,000 Students Will Come Here In March For The District Meet

Cross Plains will be host next month to an estimated 1,000 students from 13 schools as the district interscholastic league meet is held here. Cross Plains will be site for all events, both academic and athletic.

The track and field meet will be held here March seventh and eighth and literary events the week end following. Then on March 31 and April first this city will be the site of final games in volleyball, baseball and tennis.

Schools to compete will include: Clyde, Baird, Eula, Putnam, Rising Star, Moran, Scranton, Olden, Gorman, Desdemonia, Carbon, Denton and Cross Plains.

Track and field events will be held on the grounds just west of the City Park in the western edge of the city limits, and academic events, baseball and tennis will be run-off on the local school campus.

World Prayer Day Asks Churches To Strive For Peace

By Mrs. A. C. Evans

Purpose of the World Day of Prayer is to bring together in Christian fellowship women of all denominations, all countries and all races. Since the faith that unites God's people is so much greater than the small things that divide us, it is important that on certain occasions we forget our differences and unite our hearts in prayer for this stricken world in which we live. Every year the message and challenge of this day bring together an increasing number of women. Last year the World Day of Prayer was observed in 85 countries. This year it is expected that women in 90 different nations will be looking to God in prayer, with us. Following the sun, the prayer will begin in the Fiji Islands at dawn and continue westward from the crowded ports of Singapore and Shanghai into isolated villages of China and Pakistan; from the African jungles to the Arctic wilderness.

"Mankind as a whole now lives in a state of utmost peril; a state never even approximated in human history since the slow invasion of the glaciers during the Ice Ages," so says one of the very conservative magazines of our nation. Surely the mothers of the world can take time for united prayer! The local service observing the World Day of Prayer will be held in the Cross Plains Presbyterian Church at 2:30 p.m., Friday, February 24.

MAN WHO HELD REVIVAL HERE LAST SUMMER IS HEART DISEASE VICTIM

Rev. Marvin Cole, widely known as the Cowboy evangelist who conducted the annual revival of the Cross Plains Baptist Church last year, died in a Fort Worth hospital Tuesday of heart disease. He had been ill three weeks.

CITY PROPERTY MAY BE RENDERED FOR 1950 AT THE CITY OFFICE HERE

Property owners who have not rendered their 1950 tax to the city of Cross Plains are reminded that this matter can be handled by Mrs. Ava Childers at the city hall. She requests that property owners drop in at their convenience and prepare the 1950 rendition.

Burton Well Will Continue Drilling After Try In Caddo

A 57 foot section in the Caddo lime was acidized in Hiawatha Oil and Gas Company's number one Burton, three miles west of Cottonwood, over the week end, however, the formation failed to yield sufficiently and drilling will continue to the Ellenburger, expected around 4,100 feet.

The well was originally scheduled for the Ellenburger but when the showing was hit in the Caddo, from 3,058 to 3,095, it was believed capable of supplying oil in commercial quantities, and operator halted drilling and ran pipe for a thorough test. 2,000 gallons of acid noticeably increased gas but failed to yield the desired crude output.

Seven inch pipe which was set in the production attempt will remain in the hole and the well bore reduced to the remaining 1,000 feet to where the Ellenburger is expected to be topped.

Location of the well is 990 feet from the south, and west lines of the Juan Delgado survey number 702. It is approximately a half mile north of the deep test drilled by Standard of Kansas and Woodley Petroleum Company on the Murphy land and abandoned after strong showings in the Ellenburger. The well is on acreage assembled by B. H. Freeland and Raymond Young and turned to Hiawatha and associates. In addition to the 850 acres which Hiawatha took from Freeland and Young, the firm holds leases on 7,000 acres of the C. M. Caldwell ranch, adjacent to the drilling block on the west.

Cemetery Now \$200 Short Of '50 Needs

Cross Plains cemetery fund is now only \$200 short of the \$1,300 required for the 1950 maintenance. Gifts received this week amounted to \$52.

J. L. Baum \$5, Miss Eunice Starr \$5, R. C. Thompson \$5, Tom Cross \$5, Mrs. Earl Pyle \$5, Bill Ogilby \$5, Bob Westerman \$10, Hulian Barr \$10, and Mrs. O. L. Dennis \$2.

Football Coach At West Point Visits With Buck Gibson

Murray Warmath, line coach for the West Point football team, visited in the W. R. Gibson home at Pioneer Friday and Saturday of last week. He came here to talk with Buck Gibson, one of the state's outstanding high school gridgers, who has recently received a congressional appointment to the United States Military academy.

It was not immediately learned whether or not Buck would accept the West Point bid, however, if he does he will likely report to the school on the Hudson River immediately after graduation from Rising Star high school where he is now a senior student.

LEADERSHIP COURSE SCHEDULED AT CLYDE CHURCH FEBRUARY 23

The Callahan Association's Leadership Course will be held February 23, Thursday, at the First Baptist Church at Clyde. Mrs. Paul Turner will have charge of the days activities which are to begin promptly at 10:00 o'clock. This is to be a covered dish lunch.

T. E. BAUM DOING FINE AFTER RECENT ATTACK

T. E. Baum, who suffered an attack of acute indigestion at his home on the corner of 8th Street and Avenue D here last Friday afternoon, is reported greatly improved. Friends will be delighted to know that he is experiencing no discomfort as a result of the attack, although it was at first feared that he was critically ill.

Mrs. R. L. Young visited with Mr. and Mrs. Rondal Young in Abilene Tuesday.

Mr. and Mrs. S. N. Foster were Brownwood visitors Tuesday afternoon.

Mrs. W. J. Gray spent the week end visiting in the home of her daughter, Mrs. J. W. Armstrong, in Mineral Wells. Mrs. Armstrong and daughter accompanied Mrs. Gray home for a nights visit.

AGGRESSIVE AGENT—Pictured above is County Agent O. P. Werst, who since coming to Callahan County 17 months ago, has greatly broadened services of his office to farmers and the agricultural interests. His 4-H Club program is considered one of the best in West Texas.

Local Soldier Weds Girl From Louisiana

News has been received of the recent marriage of Sgt. J. D. Conlee, Jr., son of Mr. and Mrs. J. D. Conlee, Sr., of this city, and Miss Myrl Brown, formerly of Baton Rouge, Louisiana. The vows were taken in San Antonio, where the bride is employed, and the groom is stationed at the Lackland Air Force Base. They will make their home in San Antonio.

J. D. Jr., is well known in Cross Plains having spent virtually all of his life here before entering military service. He is a graduate of Cross Plains high school, where he was an honor student.

Lions Club Seeks Dentist For City

Seventeen were present at the regular semi-monthly meeting of the Lions Club Thursday night in the American Legion Hall here.

Several projects were discussed, and after a round table expression of views the body appointed a committee to contact dental colleges in an effort to secure a young dentist to practice in Cross Plains. The committee is reported to have dispatched letters to both Texas dental institutions and to have written wholesale houses which serve the dental profession.

Ten New Homes May Go Up Here Within The Next Few Months

Cross Plains may experience its most active wave of new home building in years this Spring. No less than 10 dwellings are now reported in the planning stage, however, most of the prospective builders are reluctant to announce their intentions until more details have been worked out.

Couple Known Here Parents Of Baby Boy

Mr. and Mrs. Tommy Gene Woody are parents of a baby boy, born Thursday, February ninth, in the Hendrick Memorial Hospital in Abilene. The child has been named Michael Gene.

Mrs. Woody will be remembered here as the former Miss Wanda Ruth Renfro, daughter of Mr. and Mrs. Eldon Renfro of Abilene.

PRESBYTERIANS ASKED TO BE AT CHURCH NEXT SUNDAY MORN AT 9:45

Members of the Presbyterian Sunday School are asked to convene at 9:45 a.m. on next Sunday, February 19, in order that they may enjoy a worship service broadcast by the boys and girls of Reynolds' Presbyterian Home in Dallas.

A radio will be placed in the Sunday School assembly room and all our people are invited to meet with the members of the Church school at 9:45.

Mr. and Mrs. L. C. Freeman, Shirley and Tommy visited with Mr. and Mrs. Tommy G. Woody in Abilene Sunday.

Mr. and Mrs. Joe Ferrell, of Brownsville, visited his parents, Mr. and Mrs. J. L. Ferrell, here over the week end.

Heart Attack Fatal To John W. Dillard Here Tuesday Morn

John Watson Dillard, 67, who dropped dead at his home in the southwest part of Cross Plains, Tuesday morning was laid to final rest in the Pioneer cemetery Wednesday afternoon. Funeral services were conducted from the Old Time Gospel Mission in Cross Plains.

Mr. Dillard returned home Saturday from Raymondville, where he visited several days in the home of two daughters. He had not complained of feeling ill. Mrs. Dillard said her husband ate a hearty breakfast Tuesday morning and went into the yard to work on a fence. He was digging a post hole when stricken, about 10 o'clock. Mrs. Dillard saw her husband fall and rushed to his side, however, he was dead at the time. Physicians said that death was from heart attack.

Besides the widow, six sons and three daughters survive. The sons are: Boyd, Neal, Dick, John Wesley, Lonnie and Billy, all of Cross Plains. The daughters are: Mrs. Olen Corley, Pioneer; Mrs. T. B. Hoyt and Mrs. Thomas Bullock, both of Raymondville, in South Texas. Other survivors include four brothers: C. E. of Cross Plains, Lewis of Snyder, Avery of Abilene and Jody of Coleman; two sisters, Mrs. Addie Tension, Fort Worth, and Mrs. Nora Mason, of Amarillo, as well as a number of grandchildren, great grandchildren and hosts of friends.

John Watson Dillard was born January 20, 1883, in Mississippi, and when just a boy came with his parents to Texas, settling near De Leon in Comanche county. It was there that he was later married to Miss Ella S. Holmes, and that marriage, blessed with nine surviving children, was in its forty-ninth year.

Mr. and Mrs. Dillard and their family have been residents of the Cross Plains area more than 25 years, having lived both here and at Pioneer. Until about two years ago Mr. Dillard had been employed on the giant King ranch, however, he returned to Cross Plains for frequent visits with the family. Funeral arrangements were in charge of Higginbothams, Cross Plains.

Name Grand Jurors For Spring Court

Sheriff Joe Pierce yesterday announced the list of grand jurors named by the jury commission to serve during the Spring term of 42nd district court. The grand jurors are to report for duty at the courthouse in Baird the morning of February 27, at nine o'clock.

The list is as follows: Roy Higgins, Baird; Oren Barr, Cross Plains; C. B. Snyder, Baird; C. M. Garrett, Cross Plains; Harold Ray, Baird; Grady Smartt, Abilene; Austin Bouchette, route two Clyde; Will Young, route one Abilene; Fred Hebler, route four Cisco; Cecil Goyse, Cottonwood; R. A. Miller, Clyde; L. H. Hayhurst, route two Clyde; J. C. Brashear, route four Cisco; R. S. Johnston, route two Clyde; J. E. Prewitt, Putnam, and Eulys Johnson, Oplin.

Local Men Attend Brotherhood Rally With Cisco Church

Nineteen Cross Plains men attended a district Brotherhood rally of Baptist men in Cisco Monday night. 234 were present and heard Lawson H. Cook, secretary of the Southern Baptist Brotherhood, deliver an inspirational address.

Those attending from Cross Plains included: Rev. Dan Applin, W. R. Thompson, Rev. J. W. Chapman, Sam Jones, Tom Cox, H. C. Williams, Charles H. Dawson, Rev. D. Van Pelt, Harry Coppinger, E. O. (Gene) Adams, Lee Bishop, H. K. Coppinger, M. F. Dill, Joe Hoffer, Emil Ringhoffer, Emil Ringhoffer, Jr., Earl Pyle, Jess Flippin and Joe Fleming.

BABY SON IS BORN TO RONDAL YOUNG'S SUNDAY

Mr. and Mrs. Rondal Young, of Abilene, are the parents of an eight pound baby boy born Sunday morning in an Abilene hospital, Mr. and Mrs. R. L. Young of this place are paternal grandparents of the baby.

Mr. and Mrs. R. C. Browning and son, Cliff, of Brownwood were week end visitors here.

Mr. and Mrs. Tom Upton of Santa Anna visited here in the home of Mr. and Mrs. Claude Miller Sunday.

Some people's idea of security is an elephant hanging over a cliff with his tail tied to a daisy.

A statute mile is 5,280 feet; a nautical mile, 6,080.20 feet.

Yesteryear....

.. In The Old Home Town ..

Items of interest taken from the files of the Review of 30, 25, 15, and 10 years ago.

30 YEARS AGO

February 20, 1920

The Vestal well drilled by the Southland Oil Co., Dr. S. P. Rumph of Cross Plains, vice-president, and located one and one half miles northeast of Cross Plains, came in a gusher last Tuesday afternoon.

This well is in the Cross Plains territory proper and places us in the center of what will doubtless be the greatest oil and gas field in Texas.

The Cross Plains public schools will open again next Monday, February 23, without fail. We hope that every child who can possibly do so, will start at this time.

Mr. and Mrs. Earl Rutherford of Putnam arrived here last week where they have taken up the work of managing the local telephone system. Mr. Rutherford is a cousin of Clint Rutherford, who was here in the furniture business for several years.

M. Polishuk, proprietor of the Model Store, is in St. Louis this week purchasing goods.

25 YEARS AGO

February 19, 1923

The Cross Plains boys basketball team suffered defeat for the first time this season on Tuesday of last week. They attacked Howard Payne Academy "Rough Necks" with their determination to win but fate was against them. The boys were somewhat baffled by the indoor courts and the dazzling lights, but nevertheless they scored 16 points.

Quite a number of those who have trees planted along the side walks in the resident section, have just recently had them trimmed, and it adds much to the appearance on these streets. On some streets the trees are swinging too low over the side walks and that is a nuisance—especially at night when a limb hits you in the face.

Herman Reiger, now of Corsicana, was here the past week end, and his family who have been visiting here returned with him. Gene Adams and son, Olan, followed with a truck load of household goods.

The commodious farm home of Mr. and Mrs. Gene Atwood, two miles east of town, was destroyed by fire Saturday evening about eight o'clock. The loss was estimated at four thousand dollars. Just recently new furniture had been added to the home. Everything was consumed including clothing.

15 YEARS AGO

February 16, 1923

Because roads are impassable, a specially chartered air plane will land in Cross Plains Friday morning and pick up a committee of citizens and transport them to Baird, where a plea for "action on Highway 36" will be presented. Judge J. H. Carpenter. The plane will be piloted by L. E. Derryberry, of Abilene, who will also return the committee—perhaps three persons—to Cross Plains.

Gold footballs were presented to Jimmie Lusk and W. J. Mayes last Thursday afternoon. The former winning the linesman medal and the latter the backfield honor.

At the beginning of football season Dr. John Rumph promised the medals to the most valuable back and linesman, as time went on the businessmen decided to help pay for the medals instead of hav-

ing one man do it. They selected the winners and Nat Williams presented them.

10 YEARS AGO

February 23, 1929

News has been received here of the recent marriage of Miss Dorothy Rhymes of the Scranton community, and Harold Montgomery of Rising Star.

The Junior Study Club met February 14 with Miss Coleta Martin in the home of Mrs. George Scott. The business meeting was called to order and the club was delighted to hear from the report that the library supervisor had been here and was well pleased with the accomplishments that had been done.

When Bill Upton was named on the all-district basketball team at Breckenridge last week end, he became the first Cross Plains athlete ever to be an all-district cager and football player in the same school year. Bill was almost unanimous choice for a tackle position on the all district football team at the close of last season.

Pulling the shades down over a dark past makes it easier to find a bright future.

Few of our errors are ever serious until we make the error of denying them.

There is considerable difference between substantial food and lovely refreshments.

FORMER LOCAL GOLFER MAKES FINE SHOWING IN TEXAS OPEN EVENT

J. T. Hammett, Breckenridge golf professional who learned his shots on the Lakeview course between Cross Plains and Pioneer, was one of 60 to qualify for championship playoff in the Texas open held in San Antonio last week.

More than 300 shotmakers, the nation's best, entered the event. When the list was pared to the 60 low scorers, Hammett stayed in the running. He scored 69 on the first 18 holes, whereas the lowest card of the day was 68.

VETERANS FARM REPORTS MUST BE IN BY MARCH 1

Veterans Administration reminded veterans taking GI Bill institutional on-farm training that reports on their 1949 earnings are due at their VA regional office by March 1, 1950.

Failure to submit the reports before the deadline, VA warned, may result in suspension of subsistence payments until such time as the reports reach the VA.

The annual earnings report based upon farm accounting records kept by the veteran trainee as part of his course of instruction.

381.01 Raised in County To Aid Work Against Polio

Callahan County raised a total of \$381.01 in the recent drive for funds for the fight on infantile polio. The Review was told Tuesday morning by J. Rupert Mason, Jr., who served as campaign chairman.

Turns from individual committees were announced as follows:

Cross Plains	\$1,100.25
Abilene	731.00
Clyde	221.45
Wesley	117.50
Abilene	70.00
Abilene	23.05
Abilene	17.76

Although the campaign has been held in Callahan County, the Review held its final report to headquarters a few days to accommodate any funds which have been raised but possibly not reported. Too, he pointed out an additional \$25 or so is expected in Baird.

Kunkle Leads Buffs In Win Over Clyde

led by Charles Kunkle, who scored 14 points, Cross Plains won the first of a three game play-off with Clyde to determine the district champion here Tuesday night. The score was Cross Plains 32, Clyde 22.

The second game of the series is scheduled for Thursday night at Clyde. If the Buffs win that one, the district diadem will come to Cross Plains. Should a third game be necessary it will likely be held on a neutral court.

Nine Local Youths Register For Draft

Nine Callahan County boys were among 46 registrants for military service handled by the Taylor-Callahan County draft board during the month of January. All of the youths recently became 18 years old.

Callahan County registrants were: Thomas Pierce Carpenter, Cross Plains; Preston Leroy Poole,

Jr., Clyde; Roberts Gordon Clark, Cross Plains; George Roger Crook, route two Clyde; N. L. Dillard, route one Cross Plains; Jon Eastman Hardwick, Baird; James Lee Hill, route two Clyde; Joe Louis Pate, route one Clyde, and Donald Douglas Stephens, Rowden.

COTTONWOOD GIRL IS HOME FROM HOSPITAL

Miss Wanda Weaver, daughter of E. E. Weaver, has returned to her home at Cottonwood after being in the Rising Star hospital several days. She was taken to Cisco for clinical examination this week and is expected to recover satisfactorily, however, she will be required to remain in bed for yet some time.

Wanda is a senior at Cross Plains high school.

Pioneer

By A. O. (Slim) Harris

Five students from Howard Payne assisted workers from the Baptist Church at Pioneer last Sunday afternoon to take a religious census in this community, finding a potential church attendance could be near 400 people for the four churches here.

Mrs. Eula Fore visited with her sister, Mrs. Charlie Huntington, in Cisco, last Friday.

Mr. and Mrs. A. O. Harris visited with Mr. and Mrs. Dick Montgomery in Cross Plains Sunday.

Remember folks, on Sunday, March 12, there will be an all-day service at the Baptist church, with lunch served at noon for all. The services will be conducted by the five evangelistic students from Howard Payne College who were here the past week. We are sure that all will enjoy every minute of the day. The pastor and members extend a cordial invitation to all.

Mrs. Delma Dean has been on the sick list the last few days.

L. W. Pancake has been confined to his home for a few days with a light case of flu.

C. B. Hester, who had an attack while in Eastland last Tuesday, is reported to be some better and may be discharged from the Rising Star hospital in a few days.

Bart Brown and Mack Gray went to South Texas last week in interest of flax raising for this district, and talk favorable of giving it a try as a money crop in this section.

The neighbors of the community just south of Pioneer are enjoying electric lights in their homes as the REA has just completed a line from the Tate farm west into the Gunn community.

On Sunday, February 5, the Methodist folks were guests at the

PRETTY USO GUIDE

NEW ORLEANS, La.—Uncle Sam's sailors and airmen need no direction finder as beautiful Darwin Greenfield, last year's Mrs. New Orleans, shows the way to the local USO club which serves this military crossroads of the South. Seaman Apprentice Louis Olsen of Sacramento, Calif., checks an ear, while Air Force Private First Class David G. Welch, of Bismarck, S. D., makes a mental note of the address. There are 170 USO operations in the U. S. and overseas caring for the off-duty needs of the men in the Armed Forces.

quarterly conference. Morning services and dinner on the ground served to those who attended.

Fred Harrell, of Littlefield, was a business visitor in our little village one day last week.

The mild weather that we have had so far this winter has caused the grass and weeds to put forth their green foliage, and it makes us feel that spring is just around the corner. Too the anglers are shining up wares that are used to drown angle worms and grasshoppers.

Cure Now Forseen For Bangs Disease

Cows with Bang's disease in a dairy herd at the Gatesville Boy's Training School have thrown off the disease and given University of

Texas scientists an important lead in seeking a reliable cure.

Bang's disease is a form of brucellosis, an incurable illness causing abortions and infecting milk in cattle, goats and hogs, and losing \$100 million for U. S. livestockmen every year. It attacks humans as well as animals.

"The infected cows at Gatesville may have had some antibiotic organisms developed in their bodies which were strong enough to kill brucella organisms," Research Director V. T. Schuhardt said.

Antibiotics are products of organisms that attack other organisms. Scientists have used this effect recently in fighting diseases.

H-Bomb More Deadly But Effects Won't Last As Long As Atom Bomb

Lubbock—The proposed hydrogen bomb may have more initial destructive force than the atomic bomb but probably will not have the deadly after-effects of radiation, Dean Robert C. Goodwin of Texas Tech has said.

Dr. Goodwin is dean of the arts and sciences division and head of the chemistry department at Tech. He said uranium decomposition produces harmful radioactive particles while the conversion of hydrogen into helium (and the subsequent explosion) would leave no lingering effects from radioactive substances.

"Helium is inert," Dr. Goodwin explained, "and I therefore assume that the helium produced artificially from hydrogen would be inert."

From Dr. Goodwin's statement it would follow that persons exposed

to a hydrogen bomb blast might escape the temporary sterility and other injuries which followed the A bomb explosions at Hiroshima and Nagasaki. Other injuries, such as the keloid tumor which was widespread among the Japanese, would probably occur following a hydrogen bomb detonation.

"Theoretically, we have known of hydrogen's possibilities for many years—even before uranium fission was developed," Dr. Goodwin said. "We can speculate that hydrogen is being converted into helium on the sun all of the time, thereby providing the sun's energy."

The Tech scientist said he is more interested in the peacetime possibilities of hydrogen fission than in the destructive aspects.

"I assume that conversion of hydrogen energy could also be used in peacetime since energy is interchangeable. Heat energy can be

developed into many other forms, electricity or steam power, for example," he said.

He said a "chain reaction" similar to that in the atomic bomb would have to occur in a hydrogen bomb. In the reaction weight is lost, and the loss in mass converted into energy. The relative loss in mass in hydrogen which is converted to helium would be greater than when fission in uranium occurs.

What about the helium in West Texas? Could it be used in the development of the h-bomb?

"Probably not, since the problem is one of conversion of hydrogen. The helium stored under the ground in West Texas is the end product and should have little value in the research phase which is now beginning," he said.

Cedar Bluff Supper Raises More Money Than Ladies Asked

A pie supper held in the Cedar Bluff community building Thursday night of last week was well attended and resulted in the raising of more than enough money to pay insurance on the structure for another year, the Review was told Saturday afternoon by Mrs. Weldon Gary, one of the ladies who planned the function.

W. P. Wilcoxon served as auctioneer and delighted the audience with his clever handling of bidders.

The pie supper was scheduled to raise \$25, to pay insurance on the abandoned school building which is retained as a community center for Cedar Bluff—sometimes called Last Chance—residents. When receipts were counted it was found that ample funds were available to settle the insurance bill and then make an appreciable contribution to the Callahan County quota in the March of Dimes campaign.

Income Tax Man To Be Here Next Tuesday All Day

Preparation of individual income tax returns for the year of 1949 usually present some problems to the average citizen with which assistance is desired, and for this reason a Deputy Collector of Internal Revenue will visit Cross Plains next Tuesday, February 21, to aid with tax problems.

The representative, Herbert W. Patterson, will be at the Citizens State Bank in Cross Plains from 8:30 Tuesday morning until five o'clock that afternoon. This will be the only visit of a representative of the internal revenue department to Cross Plains before March 15.

It is pointed out that existing laws do not impose this duty on the revenue department, and that the service is being executed only in the hope of being of service to the people in general.

Test Of Caddo Lime In Union Hill Area

Isett, Watson and Heller have started their number two Gage, two and one half miles north of Pioneer. The test will go 3,000 feet to thoroughly test the Caddo lime unless commercial production is found at a lesser depth, the Review was told. Location is 330 feet from the north and east lines of the 100 acre tract in the George Click survey of Callahan County.

Rigging-up got underway first of the week, and plans were to spud with cable tools and set surface pipe, however, the hole will be drilled by Conn Drilling Company, of Cross Plains, with rotary equipment. The test is 990 feet south of the well on the Harve Vestal place, which caused much excitement several months ago.

Bids Sought On Lake For Baird

Bids will be taken by the Callahan County Water Control and Improvement District No. 1, for the construction of a dam across Mexia Creek until 7 p.m. February 27. The lake thus created will supply domestic water for the people of Baird.

Specifications and other information may be examined at the office of the water district in Baird or at the office of Freese and Nichols in Fort Worth.

The water district office purposely invited bids on the construction to attract more contractors at the particular time and to receive the lowest possible bid on the project.

The people of Baird welcomed the news that bids would be accepted in the near future because of a shortage of water in the past five years.

Mrs. E. O. Adams Is Hostess Last Week To Sew And So Club

Members of the Sew and So Club met last Wednesday afternoon in the home of Mrs. E. O. (Gene) Adams. A valentine motif was carried out in decorations and the refreshment plate consisted of: cake, candy, jello and coffee.

Those present were: Mmes. A. D. Petty, E. C. Neeb, L. W. Westerman, Painter, Joe Weller, J. W. Dunlap, George B. Scott, W. B. Williams, L. P. Reid, Z. W. McClelland, H. L. Hamilton, W. J. Carpenter and the hostess.

Mrs. Craig McNeel has returned to her home here after a several weeks visit with her daughter in Denver, Colorado.

An All Electric Kitchen saves you time, money and work

Yes, Reddy, cooking in an All-Electric Kitchen is easier, cleaner, cooler and it COSTS LESS!

When a Kitchen is Practical and Pretty of Course, It's Electric!

AN ALL ELECTRIC KITCHEN INCLUDES:

- Cooking Center:** The Electric Range automatically provides the exact cooking temperature needed. Surrounding work surface and storage cabinets keep cooking utensils and food supplies within arm's reach.
- Dishwashing Center:** Ample work space for stacking used dishes and cooking utensils. The Electric Dishwasher handles not only dishes and silver, but pots and pans as well—washes them shining clean, and dries them without wiping.
- Refrigeration Center:** The Electric Refrigerator provides ample food storage, and large freezing capacity. Adjacent work surface provides space for food preparation.
- Adequate Wiring:** This simply means: 1. Large enough electric wire. 2. Enough circuits. 3. Plenty of outlets and switches.

It's A Pleasure For Me To Announce That The Bishop Chevrolet Co.

Has Been Approved By The Chevrolet Division of General Motors Corporation As An

AUTHORIZED

USED CAR DEALER

Our employees and equipment came through with flying colors in the rigid qualification test . . . and we point with pride to the fact that we are the only automobile dealer in Cross Plains who can offer you THE 'OK' USED CAR GUARANTEE.

—And because of the new Chevrolet popularity, our used car lot always offers you the select used cars or trucks in this district.

Here Is A Copy of Our Chevrolet Dealers' Used Car Merchandising Certificate

This is to certify that BISHOP CHEVROLET COMPANY (hereinafter called the Dealer), in consideration of the high prestige and merchandising value attached to the nationally recognized "OK Used Car" Symbol, shown hereon, and the benefits to be derived by the Dealer through the privilege of using said "OK Used Car" Symbol, hereby agrees to abide by the requirements of Chevrolet Motor Division, General Motors Corporation (hereinafter called Chevrolet) covering the use of the "OK Used Car" Symbol, namely:

- All used motor vehicles carrying the "OK Used Car" Symbol will be thoroughly inspected and reconditioned by qualified personnel.
- Dealer's inspection and reconditioning procedures shall include all major functional units, systems, and assemblies of the vehicle to assure purchaser the reasonable degree of safety, performance, and transportation value implied by the "OK Used Car" Symbol.
- Dealer shall furnish a written dealership warranty to the purchaser covering each used motor vehicle sold as an OK Used Car, such warranty to be generally comparable to that appearing on the OK warranty forms made available to the Dealer by Chevrolet in this connection.
- Dealer accepts the responsibility for the full understanding by all dealership personnel of the full meaning and purpose of the use of the "OK Used Car" Symbol and neither dealer nor any of the dealer's personnel shall intentionally misrepresent or cancel the true condition of any used motor vehicle, offered for sale with the "OK Used Car" Symbol.

Accordingly, Chevrolet hereby licenses Dealer to use the "OK Used Car" Symbol on Dealer's representation that he and his personnel shall comply with each of the foregoing requirements, provided, however, that Chevrolet shall assume no liability with respect to Dealer's operation under the license.

This license to use the "OK Used Car" Symbol is subject to revocation by Chevrolet without cause or reason upon ten days' written notice and is subject to immediate revocation by Chevrolet if any of the conditions under which it is hereby granted are proved to the satisfaction of Chevrolet to have been violated. In the event of revocation of this license, the Dealer agrees to cease and desist from any further use of the "OK Used Car" Symbol and to sell to Chevrolet any signs belonging to the Dealer of a type recommended by Chevrolet and bearing the "OK Used Car" Symbol, at a price mutually agreed upon by Chevrolet and the Dealer. If Chevrolet and the Dealer cannot agree on a price, they shall select a third party who shall set the price to be paid therefor.

This license is effective from the date hereof until revoked.

Signed: CHEVROLET MOTOR DIVISION
GENERAL MOTORS CORPORATION
By ROY M. CASH, Zone Manager.

The undersigned Dealer agrees to perform his obligations as set forth in this Chevrolet Dealer OK Used Car Merchandising Certificate.

Signed: BISHOP CHEVROLET COMPANY
Dated this 11th day of August, 1949. By LEE BISHOP,
At Cross Plains, Texas Location: Cross Plains, Texas

orman Farr Begins New Home In North Part Of Town Here

orman Farr, who recently purchased lots between the Fred and RAY Tyler homes in north part of town, is beginning construction of a modern, four bedroom and bath, dwelling on the property. The house will be of the construction with Farr doing the carpentry himself.

Mr. and Mrs. Farr and little daughter are now living in the new home, however, they expect to move in their own place in less than four months.

Texas Pioneers With Drivers License Law

AUSTIN, Tex.—After years of study aimed toward better serving the motorists of this state, Texas has pioneered in improving the style and the procedure of issuance of drivers licenses, according to Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety.

Under direct supervision of A. F. Temple, chief of the department's Drivers License Division, the new license has been adopted, after extensive study, for greater

ease of processing and with a view toward making the renewal of licenses less effort on the part of the motorists. Texas, so far as is known, is the first state to adopt the technique of notifying drivers when their licenses are about to expire.

Effective this week, the License Division will begin issuing the new style operator, commercial and chauffeur permits to all applicants. Licenses now in effect will remain valid and will be replaced by the new form upon the next renewal by present holder.

Complete handling of the new license will be effected by machines and the license itself will be mailed out in the form of a

post card which is so arranged to permit separation to allow for proper fitting into billfolds or card cases.

One of the more important features of the new procedure will be a recorded renewal copy of the original license which will be mailed to operators about a month prior to or to the expiration date of their license advising them that it is about to expire. This is expected to be a real benefit to the thousands of Texas drivers who habitually allow their licenses to expire because of neglect in checking the expiration date. The new license will also carry the actual date of expiration rather than the date of issuance as previously used.

Holders of the old type license which has been in use for several years will not be required to execute a form when seeking renewal. All that is necessary is to tear off the renewal stub, make any corrections as to address, etc., on same, and mail it in along with a money order in the proper amount.

Cost and validation periods of the licenses will remain the same: fifty cents for operators license for two years; one dollar for commercial license for one year; and three dollars for chauffeur's license for one year.

Mrs. Grady Whitehorn visited with her sister and niece in Fort Worth this week.

B. H. Freeland and Raymond of Baird were visitors here Monday.

Care Important If Profits Realized In Raising Baby Chicks

COLLEGE STATION — Now is the time to make plans and get everything in readiness for those early chicks. Decisions must be made on how many, where will they be purchased and will they be raised for egg production or for meat purposes? C. B. Ryan of the poultry department of the Texas A & M College System, says buy the chicks close to home if you can. Get them on feed and water as soon after they hatch as you can because the longer chicks are off feed and water after they hatch their chances of living and doing well decreases. Good vigorous chicks are a must for a successful brooding operation.

Ryan points out that only chicks from pullorum tested and selected flocks should be purchased. This item should be checked before you buy. If you are acquainted with your local hatcheryman, you'll probably know the answer to this.

Good housing is another must that goes with the successful production of the chicks, adds Ryan. Brooder house troubles can be held to a minimum if the chicks are given plenty of floor and equipment space.

Brooder houses should be repaired and thoroughly cleaned at least 30 days before the chicks arrive, he says. Sweep and clean the entire house and then use a lye water solution for washing the

house. All equipment should be cleaned and disinfected. Be sure that it is all in good working order. Set up the brooder have it regulated and going several days in advance of the chicks arrival. Good properly working equipment, says Ryan, insures a successful brooding operation and reduces the amount of worry and sleepless nights for the poultryman.

Ryan suggests that you visit your local county extension agent's office for the latest information on growing baby chicks. They will be glad to help you with your chick problems.

Texas State Fair To Highlight The First Half Century

The 1950 State Fair of Texas will be a gigantic Mid-Century Exposition, a hats-off salute to the first half century and an eye-popping preview of the second. State Fair President R. L. Thornton has announced. Dates of the 1950 fair will be October 7-22.

"Since the 1950 fair takes place very nearly the end of the first half century, this will be a good time to pause and take a refreshing look at what has been accomplished and appraise the challenge of what lies ahead," Thornton said.

"We have arrived at a fascinating moment in history, and the 1950 fair will provide an unsurpassed view of the achievements of the Twentieth Century, as much of it as we can see at this time."

To support the mid-century theme, the grounds will be given an extensive job of face-lifting, plans reveal. The front entrance will be rebuilt as a "pylon of time" and a "court of the decades," with an outdoor "lobby" extending into the Esplanade.

Decorations on the Esplanade will include dramatic theme stanchions suggested by various types of time instruments used down the centuries.

Already announced for the 1950 fair are South Pacific as the Auditorium attraction, and the All-

American Jersey Show, America's largest cattle show.

Museums of the civic center will have special displays. One museum already has its mid-century show in advance stages of preparation.

"Every facility on the grounds is being pressed into service for the 1950 fair, which is destined to be the largest, most mass-appealing ever produced in Texas," the fair official said. "All special events, including a music festival, pageants and daily parades, will be keyed to the mid-century idea."

"It will be a great spectacle, the likes of which have never been seen before and perhaps will not be seen again for another 50 years."

Mrs. J. L. Settle Is Hostess At 42 Party

Mrs. J. L. Settle entertained Thursday night with two tables of forty two. Those present were: Mrs. Arthur C. Evans, Mrs. Beulah Lucas, Mrs. H. A. Young, Mrs. E. C. Neeb, Mrs. George B. Scott and Mrs. L. F. Foster.

Miss Hazel Ogilvy and Mrs. A. Ogilvy visited with Mrs. Ogilvy's daughter in Baird Friday.

CARD OF THANKS

We are humbly grateful for the many expressions of sympathy and words of comfort during our recent bereavement caused by the tragic passing of our loved son, Jake P. Lacy. Your every act of friendliness is appreciated far more than we have words to express.

McElroy Ranch Will Drill 3 Miles North of Putnam; Deep Try

A new wildcat has been spotted in Callahan County three miles northeast of Putnam. It is the McElroy Ranch Co. No. 1 W. A. Ramsey, et ux, 1,300 feet from the north and 1,015 feet from the east lines of Section 277, T&E L Survey. Projected depth is 4,100 feet with rotary.

JOE COPPINGER HEADS YOUNG PEOPLE'S CLASS AT METHODIST CHURCH

A Young People's Bible Class was organized Sunday night, February 12, at the Methodist church, with Mrs. Clyde Bunnell as the leader. The following officers were elected: President, Joe Coppinger; vice-

president, Joyce Neeb; secretary, Billie Wright; treasurer, Mary Beth Tunnell; and reporter, Ann Baum.

The group includes intermediates and seniors. Everyone is extended a cordial invitation to attend.

Mrs. B. W. Webb and Mrs. S. V. Webb of Burkett were visitors here Monday afternoon.

St. Augustine, Florida, the oldest city in the United States, was founded by Ponce de Leon in 1513.

The Missouri and Mississippi Rivers have 10,000 tributaries.

One of the longest auto races in history was run in 1908. The track was from New York City, across the U. S. to Alaska, over Bering Strait and to Paris, France, via Siberia—12,116 miles. Three of the six finished with the winner completing the course in 112 days or 108 miles per day.

The nine planets are Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, and Pluto.

Damascus is the oldest inhabited city in the world.

When the centigrade reading is zero, the Fahrenheit reading is 32 degrees.

The world's highest waterfalls are: Grand in Labrador and Kunaam in British Guiana, both 2,000 feet. Twenty-six falls are higher than Niagra.

"We Are Free, Let Us Be So Forever" is the national anthem of Peru.

April Fool's Day originated with the Hindus who played tricks on the last day of March at their Huli festival.

Yellowstone National Park is located in Wyoming.

That Finishing Touch

One of New York's outstanding young sculptors is John Hovannes whose work has been exhibited at many leading museums. He also conducts classes at the Art Students League, Cooper Union and at his own 59th street studio. To put a finishing touch on his sculptures, Hovannes has found that there's nothing like rubbing them with wax. He says paste wax helps put a beautiful patina on the wooden pieces such as this modern work above. It also helps bring out the richness of bronze. Pupils in his classes are urged to use wax as a preservative and beautifier for their work.

Local Officer Is Promoted In Japan

John J. Ragland, Cross Plains soldier serving as Motor Officer with the 52nd Field Artillery Battalion on Kyushu, Japan, was promoted to the rank of 1st. Lieutenant there recently.

Lieutenant Ragland served with the 103rd Division in the ETO during the war and was commissioned on January 10, 1945 in France. He is the holder of the Bronze Star Medal.

A brother, Sgt. 1/C1 Vernon L. Ragland, is also serving in the army at Camp Crawford, Sapporo, Japan.

Cottonwood

By Hazel I. Respass

Mr. and Mrs. Boyett, of near Cross Plains, attended services at the Baptist Church Sunday morning.

Mr. and Mrs. Marvin Coats of Camp Hood visited with relatives here Sunday.

Mr. and Mrs. Richard Purvis of College Station spent the week end here and at Cross Plains visiting Mr. and Mrs. Claude Joy and Mr. and Mrs. L. M. Purvis.

Mr. and Mrs. John Purvis and children went to Midland where Mrs. Purvis will visit while John makes a business trip to California.

Mrs. Marion Rutledge and children of Brownwood visited her parents, Mr. and Mrs. F. P. Champion, Sunday.

Those from ACC, Abilene, who attended services at the Church of Christ Sunday were Mr. and Mrs. Harris, Mr. and Mrs. George Barnard, Jr., and Mr. Raymond Vic, who filled the pulpit Sunday morning. Mrs. R. S. Peavy and Mrs. Myrtle Wiseman also attended services there.

Will Peavy, of Cisco, visited Mrs. W. O. Peavy Sunday.

Mr. and Mrs. Auther Coffey of Clyde visited Mr. and Mrs. J. F. Coffey Sunday.

Born to Mr. and Mrs. Lunie Johnson a baby boy, last week in the Gorman hospital.

Mr. and Mrs. Claude Morse, of Oplink, and Mr. and Mrs. Russell Warren, of Baird, visited with Mr. and Mrs. H. S. Varner Sunday.

Those attending the Brotherhood meeting at Cisco Monday night were: W. T. Connell, L. W. Coppinger, B. A. Moore, Elvin Jones, A. J. Breeding and Eddie Whitehead.

The Baptist started their training course Monday night which will close Friday night.

J. M. GREENWOOD TAKES LIFE INSURANCE AGENCY

J. M. Greenwood, of Cross Plains, has again entered the insurance business and this week attended a life insurance sales congress in Dallas. He was accompanied by his son, Paul.

Mr. Greenwood was in the insurance business in West Texas 20 years before moving to a stock farm south of Cross Plains, five years ago.

New Hemingway Novel

Ernest Hemingway's new novel, "Across the River and into the Trees," is the story of a fifty-year old U. S. infantry colonel who returns to Venice for a last visit with a young and beautiful Italian girl. They are happy in their intense love, but it is a happiness made poignant by their realization that the war-battered colonel hasn't long to live. Hemingway, in describing their last visit, recounts the events in the soldier's colorful life which made him the brutal, and yet strangely tender man that he is. The novel starts in the February issue of Cosmopolitan magazine and is Hemingway's first work since his famous "For Whom the Bell Tolls," published in 1940.

Cross Cut News

By Peggy Rhymes

Mrs. R. O. Keller has been in the hospital for the past few days. She underwent minor surgery. She was expected to return home Sunday evening. Last report she was resting well.

Mr. and Mrs. August Garlitz and Donna had dinner with the A. B. Rhymes family Tuesday evening.

Mrs. Jack Watkins attended the Rising Star chapter of the Order of the Eastern Star last Monday night.

Mr. and Mrs. Leon Stewart and family, of Williams, had as their guest Sunday, Mr. and Mrs. A. B. Rhymes and family.

The symbol —/? is called Virgule.

Vassar college is located at Poughkeepsie, N. Y.

Longfellow wrote "Listen, my children, and you shall hear of the midnight ride of Paul Revere."

The membership of the Morman church is 840,000 members in 1,400 communities.

The Knickerbockers, organized in New York in 1845, was the first baseball club in America. The first organized league started in 1871.

Census Takers Not To Inquire About Income Of Citizens

AUSTIN.—You don't have to tell the census taker how much money you made this year.

A new provision has been made to enable citizens to mail the answer to the income question directly to the census director in Washington, John P. Manning, supervisor of the tenth census district, said recently.

"There has been some controversy as to whether the income question should be asked," Manning said. "This new provision will enable incomes to be kept in strict confidence."

Census enumerators will have a form which is already addressed and stamped. All the citizen will have to do is answer the question, seal the form, and mail it.

Another new rule for this census will increase the population figures of college and university cities. This rule provides that resident students be counted in the population of the city where they are living and attending school.

James W. Stroud of Dallas, area supervisor for Texas, Arkansas and Oklahoma, said here Friday that there is a possibility that Texas' population may show an increase sufficient to give it another member in the U. S. House of Representatives.

Stroud was in Austin to confer with Gov. Allan Shivers and Manning last Friday.

Stroud indicated that mayors of all Texas cities with a population of at least 10,000 would receive an

official count of their population about April 29, if the program is according to schedule.

The first woman ambassador to be sent to the United States was Madame Vijaya Lakshmi Pandit of India.

Benjamin Franklin, the present American, was a witness to the Montgolfier brothers made the first balloon ascension near Paris in 1783.

DISEASE AND INSECT MEETING ON FEBRUARY 21

Dr. W. C. Banks, Extension
Veterinarian, and Mrs. James Deer,
Extension Entomologist, both from
A&M College, will be present in
Baird for a meeting on Tuesday,
February 21. The meeting will be
in the court house and will start
at 10:00 a.m. These men will dis-
cuss livestock and poultry diseases
and insect and parasite control
work concerning livestock. They
will be glad to discuss any prob-
lem with you and answer, if pos-
sible, any of your questions. Every-
one is invited to attend this meet-
ing and take part in the discus-
sion.

INTERNAL CORK OF SWEET POTATOES

Sweet potato growers should be
on the look out for "Internal Cork
Disease". Internal cork was first
found in Texas last spring. All
seed stock known to be infected
were condemned by inspectors and
were dehydrated for feed.

According to Dr. A. A. Dunlap
of A&M College, this is a virus
disease and it causes hard, black,
corky islands or streaks inside the
sweet potato. The corky areas re-
main hard after the infected pota-
to has been cooked. The cork
symptoms develop during storage
so more infection would be found
now than at digging time.

The use of slips from infected
sweet potatoes offers the most
likely means of spreading the dis-
ease and utmost care should be
exercised in selecting the potatoes
to bed. In the case of small lots,
it is suggested that at least 25
potatoes be cut into thin slices
in order to check for the presence
of the disease. With larger lots,
one bushel out of each 40 or 50
to be bedded should be similarly
sliced. Merely cutting the potato
in half or into quarters is not
enough. The small corky areas may
occur anywhere in the potato even
as a short, narrow band just be-
neath the skin and complete slic-
ing must be practiced.

Usually the disease does not af-
fect the external appearance of
the spud. If any diseased ones are
found the whole lot should be dis-
carded. Since the disease is known
to be a virus, it is not likely that
internal cork would be transmitted
through the soil or through barn-
yard manure from animals that
have eaten diseased potatoes.

Growers should be on the look-
out for this disease and stamp it
out before it becomes established
in Texas. If Texas could be freed
from the disease, it would be a
valuable economic asset. The state
would become a source of virus
free sweet potatoes both for food
and for seed stock. Texas markets
are now in other states, but if
this disease becomes established,
all the sweet potatoes that are
diseased will not be able to be
shipped over the state line.

Mr. and Mrs. A. J. McCuin and
children were visitors in Abilene
Saturday.

CARD OF THANKS

We wish to take this opportunity
to acknowledge the kindness shown
us during my recent illness and
the beautiful way love, friendship
and interest in our welfare was ex-
pressed. We appreciate everything
more than words can express, and
treasure our true friends a valuable
asset in our lives. May God's
richest blessings be on each of you.

Mr. and Mrs. Leonard Cope
and Family. (1tp)

PRIMITIVE BAPTISTS TO HAVE SERVICES SUNDAY

Elder W. W. Brown, of Abilene,
will preach here Sunday morning
at 11 o'clock to members and vis-
itors of the Cross Plains Primitive
Baptist Church. Services will be
held in the American Legion Hut
on East 8th Street and a cordial
welcome is extended to everyone,
The Review was told by Rufus
Whitehorn.

PHYSICIAN INVENTS DEVICE TO SPEED FINGERPRINTING

Wooster, Ohio—Crime will take
another beating if the device of a
local physician works.

The machine according to its
inventor, Dr. George Jackoby, Jr.,
will speed up the taking of finger-
prints by almost eight times.
Jackoby said his equipment has a
roller type print sheet and ink
slabs that simplify obtaining the
thumb and little finger prints
which must be rolled.

With present-day equipment, Dr.
Jackoby said, about five prints an
hour are possible. With his new
device, some 40 can be reeled off
in the same time.

Mr. and Mrs. C. H. Wright and
Teddy were Abilene visitors Fri-
day.

Mrs. H. C. Freeman, Jr., and
children were Rising Star visitors
Friday.
