"Nothing But The United States Mint Can Make Money Without Advertising."

CROSS PLAINS, CALLAHAN COUNTY, TEXAS

Colorado City Girl And Local Man Wed Sunday Afternoon

Vernelle Stevenson, daughter of Mr. and Mrs. Frank Stevenson of Sweetwater, and Dale Stevenson of Cross Plains, were united in marriage at the home of the bride's parents Sunday afternoon.

Hubert Baxter And Two Daughters Hurt In Hi-way Accident

Hubert Baxter and two daughters were critically injured early Monday night, between Cross Plains and Burkett, when the car in which they were riding collided with a vehicle enroute to San Angelo.

The local people had been to Coleman and were enroute home when the mishap occurred. Baxter and his two daughters were rushed to a Coleman hospital where their conditions are reported to be extremely dangerous. Baxter sustained a broken back and internal injuries. One of the daughters received severe head injuries and the other a broken collar bone. In addition they were reported suffering internal wounds.

Large Crowd Attends Rouse Family Reunion

Members of the Rouse family held their annual family reunion at Atwell Sunday. Attending were: Mr. and Mrs. W. C. Rouse of Cross Plains, Mr. and Mrs. Morgan Rouse of Santa Anna, Mr. and Mrs. W. M. Tatom of Putnam, Mrs. Bertram Rouse of Cross Plains, Mr. and Mrs. Otis Purvis, Audrey, Otis Ray and Mrs. Bob Dean of Cross Plains, Mr. and Mrs. Owen Rouse, Kenneth, Bonnie, and Mr. and Mrs. Wyndell Rouse and William of Fort Worth.

Mr. and Mrs. Glynn Purvis, Randall and Glenda Fay of Tyler, Marvin Rouse and Marie Rouse of Santa Anna, Mr. and Mrs. Mindon McWilliams, Delbert and Pain of Baird, Mr. and Mrs. Elvin Rouse, Eddie Fay, Elva Nell, Mr. and Mrs. J. D. Gobie and children of Atwell, Mr. and Mrs. Billy Dan Hayner and son of Lubbock, Mr. and Mrs. Mabry Tatom and son of Putnam, M. R. Surles of Cisco, Mr. and Mrs. Blain Odum and son, Mike, of Rowden.

GORMAN COUPLE NOW IN CAFE BUSINESS ON SOUTH MAIN STREET

Mr. and Mrs. Roy Cunningham, who operated the hotel coffee shop in Gorman the past five years, have moved to Cross Plains and opened the place on South Main Street, formerly known as Moore's Grill. The name of the establishment has been changed to Cross Plains Coffee Shop.

EASTLAND SINGERS TO MEET AT RISING STAR SATURDAY AND SUNDAY

Annual meeting of the Eastland County Singing Convention will be held in Rising Star Saturday and Sunday, the Review was told yesterday by J. M. Greenwood, who extended an invitation for all local singers to attend.

ELECTION RETURNS TO BE RECEIVED HERE ON NIGHT OF JULY 22ND.

Cross Plains Lions Club plans to make arrangements to treat the community to an election party the night of July 22, the Review was told by a member of the board of Directors Monday.

SET DATES SOON FOR REVIVAL AT BAPTIST CHURCH THIS SUMMER

Dates for the annual summer revival of the First Baptist Church in Cross Plains, usually held in August, have not yet been set, pending the selection of an evangelist to do the preaching. Rev. J. W. Chapman, pastor, told the Review yesterday that he hoped to make an announcement of the time and evangelist's name within the next few days.

Mr. and Mrs. Hulan Barr and son of Houston are visiting here in the homes of their parents this week.

7 New Trustees To Be Named If Bayou School Vote Passes

If Cross Plains and Bayou schools are consolidated by voters at the polls July 18, it will necessitate an entire new board of trustees being named next April.

Under the recently enacted Gilmer-Alken law, terms of all trustees are forfeited when a new district is consolidated, the Review is informed by a local school executive.

For the Bayou and Cross Plains school consolidation to become effective a majority vote in favor of the proposition must be registered at each of the voting boxes. Failure of the issue to carry at either place would defeat the proposition.

It is understood that should the consolidation carry, a portion of the Bayou district would be detached to Baird by the county school board. Area of the detachment would be agreed upon by residents of the Bayou district.

Ray Boen is to serve as presiding judge for the voting at Bayou, which is to be in the school building, and W. C. Rouse will serve in the same capacity in Cross Plains. The polls here will be in the City Hall.

Mr. and Mrs. Ben Hargrove were Brady visitors Tuesday.

Candidate Supper At Pioneer Clears \$115 For Cemetery

The recent Candidate Supper held in the Pioneer school building by ladies of the home demonstration club of that community netted \$115, the Review was told yesterday by a member of the committee in charge of arrangements. The funds will be used for beautification and maintenance of the Pioneer cemetery.

Bible School Starts At Cross Cut Church

It has been announced that a 10 day vacation Bible school will be held at the First Baptist Church in Cross Cut beginning July 15 and continuing through the 25th. Registration and a party will begin next Friday afternoon at 2:30 and regular classes will begin Monday afternoon. There will be classes for children from beginners through intermediate ages.

MRS. C. R. COOK WILL HAVE SURGERY THURSDAY

Mrs. C. R. Cook, who last week re-entered a Fort Worth hospital, was to undergo additional surgery Thursday. She was given three blood transfusions the past week in an effort to strengthen her general condition before undergoing the operation.

Court Rules Local Couple Be Paid In Their Son's Death

The 11th Court of Civil Appeals Thursday overruled a motion of the West Texas Utilities Co., appellee, for a new trial in a damage suit tried in 42nd District Court.

H. N. Harris and his wife in their suit against the WTU Co., tried October 6, 1949, were awarded \$5,125 in the death of their son, Bobbie D. Harris. The suit was for \$25,875.

The jury in answering questions of special issue said that the company was guilty of negligence and recommended \$4,250 as fair compensation. Judge J. R. Black entered an order for \$5,125 in the court minutes.

On October 26, 1949, Judge Black overruled the WTU Co's motion for a new trial. Wagstaff, Harwell, Wagstaff & Alvis, representing the utilities company, expected and gave notice of appeal. Scarborough, Yates, Scarborough & Black represented plaintiffs.

Harris and his wife, Ophelia, of near Cross Plains, asserted their son, Bobbie D. Harris, was killed March 14, 1949, when cleaning out a pipeline which came in contact with a high voltage line of the WTU Co., which electrocuted him.

A Classified Ad Will Sell It

Large Cash Prizes To Be Given Couple Marrying At Picnic

Prizes to some local couple willing to recite the vows of marriage at Cross Plains annual picnic may be swelled far past the guaranteed \$100, says V. C. Walker, fire chief.

Mayor S. N. Foster has assured at least \$100 worth of housekeeping equipment to some local couple who will be married at the celebration. The only requirement is that their identity be revealed only to the Mayor and that arrangements be made in sufficient time to notify the general public of the intended nuptial.

Quarterback Club To Be Formed Here

Frank E. Rundell, newly-elected football coach for Cross Plains high school, Buffalo, was in town Saturday and laid plans for the formation of a Quarterback Club to be organized here during August. First meeting is being called for the night of August seventh in the high school auditorium. All men of the community are urged to attend.

Rundell told the Review Saturday that he would show films of the team he coached last year playing in the bi-district championship, and also another film of a college game.

Football Boys To Meet August 12th

Frank E. Rundell has called all candidates for this year's high school football team to be present at the high school gymnasium here the morning of August 12 at 10 a.m.

Rundell plans to set-up training schedules and outline plans for the coming season and urges that all boys be present.

Boys aspiring to serve as student managers are advised to contact Rundell during the week of August seventh to twelfth.

Coleman Rodeo Set To Open Wednesday Evening, July 13th

Plans are now complete for Coleman's 13th annual rodeo to be held in their \$60,000 arena on the nights of July 12, 13, 14, and 15. The shows will start each night at 8:15.

The program this year has many feature events which give promise of being Coleman's best rodeo. The usual events of saddle bronc riding, steer bulldozing, bull riding, calf roping and bareback bronc riding have been added to make this a very colorful and entertaining show. Toots Mansfield, world's champion calf roping, has been matched against Coleman's own Rex Beck, who has won many roping events, in a special matched calf roping contest for a purse of \$500. The Hardin-Simmons Cowboy Band will be on hand to furnish music and color each night and the Sheriff's Posse of Abilene will present their famous quadrille each night. Silvers Johnson and his mysterious Austin automobile will provide part of the humor of the show. Among other feature events will be a standing Roman jump, a tumbling act and numerous trick riders, among whom will be Dorothy Satisfield of Cheyenne, Wyoming, and Paul and Marie St. Croix of Red Bluff, California.

PAUL HUNTINGTON PLAYS IN ABILENE TOURNAMENT

Paul Huntington, assistant coach at Cross Plains high school, made a splendid showing in the Abilene Invitational golf tournament over the week end, before losing in the second round of play of the championship flight. The Cross Plains mentor previously participated in the Cisco invitational event.

All Houses In New Addition Here Are Sold; Others Planned

All three houses in the new addition here have been sold. The last was bought Saturday by Mr. and Mrs. Frank E. Rundell, of Austin, who are moving here in August. Mr. Rundell will coach Cross Plains high school football team this fall and be a member of the teaching staff.

George Steakley, president of the Key City Builders, the firm developing the addition, told the Review yesterday that other houses would be started in about two weeks.

"It will be that long before we can assemble the necessary materials and complete details incident to FHA and VA financing", he said.

McDermett Family Meets In Reunion

Members of the McDermett family, one of the earliest to settle in this section of Texas, met in annual reunion at the Presbyterian Encampment Grounds at Buffalo Gap Wednesday and Thursday of last week. Present were 136 descendants of the late Mr. and Mrs. Thomas H. McDermett, who settled near Stephenville before the organization of Erath County. He later became one of the first commissioners.

The late "Uncle" Charlie McDermett, of Cross Plains, was one of the sons of the couple and all of his surviving children and their families attended the event at Buffalo Gap. Four brothers of the late Callahan County ranchmen were among the 135 people present.

Mrs. Charlie McDermett, who has been ill at the home of her daughter, Mrs. H. E. Coburn, in Cross Plains was unable to attend. But all senior members of the family made a trip here to spend a few hours with her.

Among those from here attending the event were: Mrs. Coburn and sons, Mr. and Mrs. Hugh McDermett, Mrs. Kate Womack, Mrs. Oscar McDermett, and daughters, Mr. and Mrs. Jack DeBusk and son, Mr. and Mrs. Ed McAnally and children.

Callahan - Eastland Doctors Merge With Five County Group

Members of the Eastland-Callahan Counties Medical Society merged their societies last week to form a new and larger organization for medical men of a five county area.

The merger took place at a meeting in the Ranger Country Club at which Dr. R. W. Evans of Clyde, president of the Eastland-Callahan Society, presided. Doctors of Eastland, Callahan, Stephens, Shackelford, and Throckmorton counties participated in the charter meeting, at which a committee was appointed to select a name for the organization and to attend to other constitutional matters for the new society.

PIONEER-GUNN CLUB HOLDS FAMILY NIGHT FRIDAY LAST WEEK

Family night observance of the Pioneer-Gunn home demonstration club was held Friday night of last week at the home of Mr. and Mrs. C. B. Hester with approximately 150 people present.

After a series of games of forty-two, home made ice cream and cake was served.

The family night observance is held once each month in the community.

Mrs. Ralph McNeel was a Coleman visitor Monday afternoon.

Mrs. Walter Reeder, of Corpus Christi, visited here in the home of her mother, Mrs. A. Ogilvy, the past week.

Mr. and Mrs. Elvis Scott and children were Cisco visitors the fourth of July.

Nancy Alexander, of Marneyal, is visiting in the home of Mr. and Mrs. Jake Carter here this week.

Mrs. Fred Tunnell and daughter, Mrs. Beth, who with ladies from Baird and Putnam, have been in New Mexico the past week, will return home Saturday.

Entered as second class mail matter at the Postoffice at Cross Plains, Texas, April 2, 1909, under act of March 3, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, will gladly be corrected if brought to the attention of the editor personally.

Fred Cutbirth attended the races in Brady during the July fourth holidays.

John Conlin, county service officer, was a business visitor in Cross Plains Saturday morning.

F-M Road Delayed From Putnam South

A proposed farm-to-market road from Putnam south to the precinct three line is being delayed by the inability of the Commissioners Court to secure necessary right-of-way, the Review is told. Contract for construction of the road was to have been let in June by the Highway Department but was necessarily postponed because of right-of-way difficulties. The proposed road which would come south from Putnam to the F. S. Scott place, would leave an unpaved gap of only about three miles from Cross Plains to Putnam.

COUPLE KNOWN HERE ARE PARENTS OF 8 POUND SON

Mr. and Mrs. R. B. McGowen, Jr., of Monahans, are parents of an eight and one half pound baby boy, born Friday afternoon, June 30. He has been named Jerry. Both mother and child are reported doing splendidly.

Mr. and Mrs. W. T. Cox left early Sunday for Homer, Louisiana, to visit a few days with Mr. and Mrs. James Yarbrough.

Local Girl Attends Fellowship Meeting In Iowa This Week

Miss Barbara Garrett, daughter of Mr. and Mrs. C. M. Garrett of this city, is attending the second annual national assembly of the Westminster Fellowship, which is attracting 1,800 youths and 200 adults from all sections of the United States and several foreign countries to the campus of Grinnell College in Grinnell, Iowa, this week. Representing the teen-age and college age youth of the Presbyterian church, the Assembly is emphasizing a return to Biblical Christianity by young people with the conference theme "Set Aflame His Story".

B. W. WEBB IS NOW HOME FROM TEMPLE HOSPITAL

Friends will be delighted to learn that B. W. Webb, local ranchman, was returned to his home 12 miles southwest of Cross Plains from a Temple hospital, where he underwent surgery. Mr. Webb is believed recovering normally.

Billy Anderson of Lubbock was a visitor here in the home of his parents over the week end.

OUTSTANDING FILM AT PLAINS FOR 2 NIGHTS

"All the King's Men", heralded as one of the finest pictures of the year, comes to the screen of the Plains Theatre here Wednesday for a two day run. Based upon the Pulitzer Prize novel by Robert Penn Warren, the picture stars Broderick Crawford and Joanne Dru.

RIISING STAR CAPTAIN IS KILLED IN KOREA

First American man from this section of Texas to be killed in fighting of Korea was Captain L. Harding, husband of the former Barbara Conkling of Rising Star. He was an Air Force pilot.

PUBLICATION STOPPED BY THE PUTNAM NEWS

Announcement was made last week that the Putnam News was suspending publication after 15 years of continuous operation. Illness of the editor, J. S. Yeager, was given as reason for halting publication.

Mr. and Mrs. William Gibson, of San Antonio, spent the week end in the homes of their parents, Mr. and Mrs. W. R. Gibson in Pioneer and Mr. and Mrs. M. B. King in Cross Plains.

Masons Install New Officers June 27th

The Cross Plains Masonic lodge met Tuesday night, June 27, and installed its newly-elected officers for the coming year. J. B. Easterling, Jr. District Deputy Grand Master, acted as installing officer and W. P. Baum acted as installing marshal. Officers installed were: Norman Coffey, WM; Travis Foster, SW; Marvin Rich JW; O. M. Bailey, secretary; L. F. Foster, treasurer; R. M. Illingworth, SD; Richard Thompson, Chaplain; E. E. Shelton, SS; E. K. Coppinger, JS; Clyde Bunnell, Tiler.

Country Club Won't Hold July Tourney 'As First Planned

Lakewood Country Club's invitation golf tournament originally scheduled for mid-July has been postponed.

Poor condition of the course was given as reason for delaying the event. J. A. (Aaron) Robinson, president of the club, said that a recent breakdown in the water system prevented watering greens and tee boxes and left them in such condition that a tournament right at this time seemed inadvisable. The tourney may be scheduled at a later date this summer.

Robinson points out that necessary repairs have been made to the club's water system and that within a few weeks the greens, tee boxes and fairways should be in a much better condition.

CHANGES IN GAME LAWS IN TEXAS ARE SUGGESTED

Helping arrange shooting dates so that migratory waterfowl hunters in the sprawling state of Texas may get a fair break this fall has been undertaken by the Game, Fish and Oyster Commission at Austin. In the matter of when to shoot ducks and geese, what time of day to begin and quit and the daily bag and possession limit total, the commission functions merely in an advisory capacity. This is because the final decision is made by the United States Fish and Wildlife Service.

The commission, through action at its recent meeting at Pampa, already has asked the federal authorities to cut Texas into two zones so that the season in the Panhandle and extreme West Texas might run concurrent with the surrounding areas of Oklahoma and New Mexico, thus providing for an earlier shooting season than the state at large. Later open season dates are preferable in the more southerly sections of Texas since the waterfowl reach those areas later.

For the main part of the state, the commission has suggested that the split season plan of last fall be replaced by a straight shooting period beginning November 10. In 1949, Texas duck and goose gunners hunted from November 4 to November 21 and then from December 21 to January 7. Bag limits also would be changed to provide for eight birds a day or the same number in possession. Game department field men have observed some tendency by hunters to kill more than the bag limit when the daily limit is only four birds leaving the less desirable species to waste where they fall. Thus, waste would be eliminated through a higher daily limit since the proposed possession limit would be unchanged. Similar problems involve the suggested zoning plan to accommodate the Panhandle sportsmen. Texas, although as large as two or three ordinary states has never been zoned for waterfowl hunting. Perhaps one reason is that, with the season in the northern extremity of the state opened two or three weeks earlier than that in the state at large, hunters from the southern area would move in to share in the earlier season, and the hunters in the northern areas would legally travel southward to enjoy a prolonged gunning period within their own state. The commission must recommend and suggest but the final decision is up to the federal authorities.

The word "auspices" comes from the Latin "avis," meaning a bird, and "spicere," meaning to look at.

Mars rotates on its axis in 24 hours, 37 minutes and 22 seconds, so that its day is only slightly longer than that of the earth.

I was bothered with hemorrhoids, or piles, for 15 years. I took Kline's black tablets and now I feel like someone else can get the same relief. I do believe I am cured. Yours truly, Mrs. Effie Mobley, Star Rt. 1, Lamesa, Texas. Kline's Black Tablets may be bought at the City Drug Store in Cross Plains. (1tp)

MANSFIELD AND BECK IN MATCHED ROPING EVENT

Toe's Mansfield of Big Spring and Rex Beck of Coleman have been signed for a matched calf roping contest, as a feature of the annual Coleman Rodeo, to be held July 12-15, announces Sam T. Cobb, president of the Coleman Rodeo Association.

LOCAL WATCHMAKER AND MOVE TO ORGANIZE

Harry Hasha, Cross Plains watchmaker, attended a meeting of the Brownwood one night watchmakers of his profession and participated in the formation of the Texas Watchmakers Association of which he is a member.

NEW FISHING LAW EXPLAINED AGAIN

AUSTIN — Reported misunderstanding of the statewide fishing laws promoted the Executive Secretary of the Game, Fish and Oyster Commission to restate some of the principal provisions Saturday.

The law, passed by the last regular legislative session to replace many conflicting local statutes, permits persons to fish without a license in their home counties and to fish in streams separating the county of their residence and adjacent counties unless they use artificial bait.

Fresh water fishermen who use artificial bait are required to have a license regardless of where they fish.

The act also permits Texans to fish in counties adjoining their home counties without a license unless they use artificial bait or use live bait. Licenses are required of persons fishing for commercial purpose regardless of where they fish.

There also has been some misunderstanding about the trespassing law which was amended by the last regular legislative session. The new changes, according to the

Executive Secretary, stipulate that game wardens now have the authority to make arrests for trespassing, and also provides for an increased penalty for violations.

No change has been made in the primary provision of the original trespass law. Persons still need the permission of owners to enter property that is enclosed, when they desire to hunt or to fish. Land that is not enclosed is available to the sportsmen without the permission of the owner.

For the benefit of persons living on the Gulf Coast and for those planning to visit that area, no license is required for sports fishing in salt water. Commercial fishermen have to be licensed, as usual, operating in salt water.

BANDING OF DUCKS BEGINS IN TEXAS

AUSTIN—Two determined wildlife biologists invaded the southeast Texas rice marshes last week on a prolonged duck banding project. They are Gus Engeling and Don Duncan. Headquarters are at Rosenberg, southwest of Houston.

The mottled duck, the principal native Texas waterfowl species, is the primary objective. Game management staffers of the Game,

and Oyster Commission seek more data about this bird which provides considerable sport for Texas hunters.

Armed only with leg bands for the birds and generous quantities of mosquito repellent for themselves, the men hope to band several hundred ducks between now and late August. Last summer, 240 mottled ducks were banded. Hunters returned 29 of the bands to Austin game department headquarters.

By tagging both young and old birds, the biologists have determined that this game species, so popular with hunters because of its size and tastiness, concentrates mainly in a 100 mile wide strip along the Texas coast. They also are found along the coast of Louisiana and of Mexico.

Mottled ducks look so much like mallards that they frequently are mistaken for the former, according to the Director of Wildlife Restoration. He said the mottled species are darker and that they are white beneath the wings. Males do not have green heads or curled tail feathers like mallard males. Thus it is difficult to distinguish mottled males and females.

The Director said the mottled ducks provide as much as 20 per

cent of the birds bagged during the early season in southeast Texas. In some unusually abundant years they have accounted for 40 per cent of the hunter's early bags.

Mr. and Mrs. Claude Miller and family spent the first part of the week in Brady.

Mr. and Mrs. Olan Adams turned to their home in Beach, California last Thursday after an extended visit here home of Mr. and Mrs. Adams and Mr. and Mrs. Webb in Burket. Mrs. Adams returned with them visit.

Mrs. Les Byrd and Miss Imogene Newton are to be hostesses at a bridal shower given in honor of Mrs. R. Q. Black, formerly Miss Norma Jean Byrd, Thursday afternoon. The shower is to be held at

Do You Know Any of these People and Their Interesting Medical Records?

As Gratefully Told To Senator Dudley J. LeBlanc— Great Statesman and Friend of the People—the Man Responsible for HADACOL—One of the Greatest Medical Contributions of the Century For Sick, Ailing Men, Women and Children Suffering Deficiencies of Vitamins B₁, B₂, Iron and Niacin... like the folks* below:

See if Any of Your Friends Are Here From Other Towns

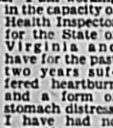

Mr. John McClelland, P. O. Box 8191, Mississipp. "I'd been suffering from neuritis, pains and aches and was advised to have my teeth extracted, but received no relief. I'm now on my seventh bottle of HADACOL and it's given me entire relief from the aches and pains. I'm able now to do a full day's work. The makers of such a marvelous remedy should certainly be praised."

Mrs. Ophelia Jefferson of Gulfport, Mississippi. "I was working in the capacity of Health Inspector for the State of Virginia, and I have for the past two years suffered heartburn and a form of stomach distress. I have had no relief until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pains or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

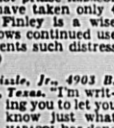

Mrs. Robert G. Stuart, Barber Inn, Abingdon, Virginia. "I am working in the capacity of Health Inspector for the State of Virginia, and I have for the past two years suffered heartburn and a form of stomach distress. I have had no relief until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pains or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

Mrs. Virgie Finley, Route No. 1, Monterey, Tennessee. "I was weak and nervous so much that I could hardly sleep at night, and was so nervous I could hardly do my housework. My stomach had so much gas on it that everything I ate seemed to hurt me. I had tried all kinds of medicine and nothing seemed to help me. I started taking HADACOL a few weeks ago and believe me I surely has helped me. Now I can eat anything and am sleeping well at night. I cannot praise HADACOL enough and I have taken only 4 bottles." (Mrs. Finley is a wise woman. She knows continued use of HADACOL prevents such distress from returning.)

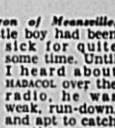

Mrs. George F. Tuff of Poplar Bluff, Missouri. "I am 57 years old and I have started on the third bottle of HADACOL. I never have taken a medicine that helped me like HADACOL. I don't have neuritis aches or pains since I took the first bottle. I was so nervous, I had pains in my back, legs and arms till I couldn't work. Now I feel good and go all the time to work. HADACOL gives such wonderful results because it treats the cause of such deficiencies."

Mrs. Helen Barron of Menaville, Georgia. "My little boy had been sick for quite some time. Until I heard about HADACOL over the radio, he was weak, run-down, and apt to catch anything—he couldn't run and play like other boys did, and he wouldn't eat anything. So I can't praise HADACOL enough. He has taken 4 bottles and eats anything, and sleeps good, isn't tired when he gets up, runs and plays as much as anyone, has gained weight, and feels good. I have taken some myself. He is 10 years old now. I can't tell enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

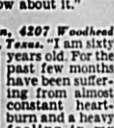

Mr. Harry W. Smith, 10 North Water Street, Harrisburg, Illinois. "I am 41 years old, and I work at a Strip Mine. I have been bothered with aches and pains of neuritis all the time, but my wife heard your broadcast on the radio about HADACOL. So I bought a trial size and it has helped me so wonderfully that I buy the large family size now. I can't begin to describe how I would feel if I couldn't buy it at all. I want everybody who feels bad to know about it."

Mrs. L. L. Martin, 4207 Woodland Street, Houston 6, Texas. "I am 61 years old. For the past few months have been suffering from almost constant heartburn and a heavy feeling in my chest. I had read about HADACOL in the papers but as I take care of all the expenses at home, I just couldn't buy any. Three weeks ago, my son in Kansas sent me \$3, telling me it was not for groceries but to please buy something for myself with it. I bought four bottles of HADACOL at \$1.25 a bottle. After the first few doses of HADACOL I was free of heartburn and also of the heavy tired feeling I had been experiencing."

Beatrice Starks of 303 Millford Street, Home Path, South Carolina. "I just had to write you a few words to tell you how much HADACOL has helped me. I had an operation in February. Then I started gaining weight, took neuritis in my hands and arms and after that couldn't do anything. I heard about HADACOL, decided to try it and I'm sure glad I did. My indignation was so bad I couldn't eat anything I liked but now I can eat what I want. My hands don't hurt or my hips as they did before I started using HADACOL. Please keep hollering it out so others will hear about it."

Senator Dudley J. LeBlanc, Great Statesman and Fighter for Rights of the People.

The Creator of The Famous Medicine Which Has Helped So Many Thousands of Men, Women and Children

GET THAT WONDERFUL HADACOL FEELING!

This wonderful experience which these folks had from taking HADACOL might very well happen to you if you suffer from vitamin B₁, B₂, niacin and iron deficiencies.

This amazing quick-acting HADACOL not only supplies deficient systems with extra amounts of vitamins B₁, B₂, extra iron and niacin, but also helpful amounts of calcium, phosphorus and manganese—elements so vital to maintain good health. A big improvement is often noticed within a few days' time!

Don't Be Satisfied With Temporary Relief! Today, in this modern age, wise people are no longer satisfied with taking products which just give temporary relief. Because now it's possible to treat the cause of such sickness with HADACOL. And so important—continued use of HADACOL helps prevent such miseries and distress from coming back.

HADACOL Has Benefited Countless Thousands HADACOL also helps build up the hemoglobin

content of your blood (where iron is needed) to carry these precious vitamins and minerals to every organ and every part of your body—to the heart, liver, kidneys and lungs—even damage such a deficiency may be causing there. Countless thousands are benefiting from HADACOL. Why don't you give it a chance to help you? Why continue to suffer? Remember HADACOL doesn't give temporary relief—rather it treats the real cause of your illness when, as so often, it's due to such deficiencies. That's why it's so effective—why it's accomplishing such amazing results.

BE FAIR TO YOURSELF You owe it to yourself—you owe it to your family to give HADACOL a trial. Don't delay. HADACOL is sold on a strict money-back guarantee. You can't lose a penny and you have everything (that wonderful, wonderful HADACOL feeling) to gain. Only \$1.25 trial size. Large family or hospital size, \$3.50.

TEXAS HAS 65,000 MEN FIT FOR MILITARY DUTY

AUSTIN — Texas draft boards have more than 65,000 men fit for duty and available for military service in case of emergency or war. Lt. Col. Morris S. Schwartz, deputy state director of Selective Service, said today.

State draft boards during May added almost 5,000 to this group by classification action of its 137 local boards. These figures represent men who have been classified in 1-A by the boards under the federal draft law.

The draft boards during May made 12,338 new and original classifications. These represent men who were classified for the first time under the Selective Service Act of 1948. Of this number, 7,830 were classified in a deferred status.

Approximately two thirds of the classification each month involves men who are classified for the first time. The other one third involves registrants who are reclassified because of change in status, physical condition, and other factors under the law.

Local boards at the end of May reported the registration of 5,092 youths who reached their 18th birthdays during April. More than 60,000 18-year-olds are registering each year under this law.

These registrations brought totals on draft board registration lists to 551,228. Of this number, local boards had classified 413,415 by the end of May.

Men between the ages of 18 and 26 are still required to register, and to keep their local board informed about changes of mailing address.

Sgt. and Mrs. J. D. Conlee, Jr., of San Antonio spent the holidays here in the home of his parents, Mr. and Mrs. J. D. Conlee.

Air Mail Subsidy vs. R. R. Service

A glaring example of how government subsidizes—with our tax money—one form of transportation even while it is penalizing another is found in the mail situation. The railroads carry approximately 94 per cent of the volume in prices of all intercity first class mail, and practically all of second and third class mail and parcel post. The airlines, by contrast, move about six per cent of the number of pieces of intercity first class mail.

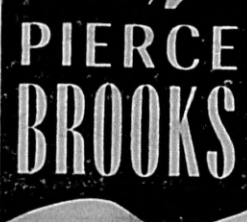

Yet, in the last fiscal year, the railroads received a little more than \$27,000,000 for handling their 94 per cent—while airlines were paid about \$55,000,000 for carrying the remaining six per cent. And some \$22,500,000 of the railroads' fee was for the use of specially built and equipped cars provided by the lines for sorting and dis-

Political Announcements

A Business Man for a Business Job

EARWORM IN ROASTING EARS CAN BE CONTROLLED

That pest of the roasting ear patch, the corn earworm, can be successfully controlled. The use of a new method of control may make it possible for farmers to grow crops of high-value sweet corn in many areas of the country where the earworms in the past made the crops unprofitable. This has been especially true in the South.

According to J. A. Deer, assistant extension entomologist of Texas A. & M. College, the method has been field tested for three years in four states, including Texas, and earworms were controlled in every instance when the sprays were applied properly.

Spray applications of an emulsion containing DDT, mineral oil and water to the silks and husks of the developing ears, when applied at the right time, kills the worms before they have a chance to ruin the corn. The commercial grower who uses a power sprayer with fixed nozzle should use three quarts of 25 per cent DDT emulsified concentrate and two and one-half gallons of the solution. This amount is sufficient to spray one acre of sweet corn.

For the small growers who will be using a knapsack sprayer, paint spray gun or a small power sprayer, and where the solution will be applied to the individual ear, the amount of mineral oil should be increased to six gallons, says Deer. The mixture, he says must be kept agitated to keep the mineral oil from separating.

He says the DDT emulsifier should not have a kerosene odor, and that not more than one-fourth teaspoon per ear should be applied after the ears have been fertilized. In the case of the small grower where the individual ear is treated, one application is usually considered sufficient. The application should be made when 75 to 85 per cent of the silks have wilted and have begun to turn brown at the tip.

With the commercial grower, it is a little different, says Deer. Two to three applications are necessary. The first should be made the day when the first silks appear. Other application should follow at two day intervals. The use of mineral oil in the emulsion, says Deer, makes the difference between only fair and excellent results.

Bill Davidson has returned to his home in Lubbock after spending several days with relatives and friends here.

The 1950 operating deficit of the U. S. Postal Service will amount to \$569,000,000. This means an extra tax of about \$4 for every man woman and child in the United States.

Latest Civil Service figures show that the U. S. Bureau of Indian Affairs employs 12,741 people to care for the 333,969 Indians in this country. This is an average of one bureaucrat for every 27 Indians.

PIONEER-GUNN CLUB MEETS LAST WEEK IN HOME OF MRS. HARRIS

Pioneer-Gunn home demonstration club met Monday afternoon, June 26, in the home of Mrs. Ophelia Harris. 19 members and one visitor were present.

Those in attendance were: Miss Grace Brown, Mesdames, Bill Phillips, Nettie Huntington, Etta Stovall, Mary Gardner, Velma Jones, Jimmie Fridge, Fannie Freeman, Irene Garlitz, Phenla May Flippen, Velma Brown, Thelma Chaney, Gertrude Hester, Ruby Gray, Nettie Roddy, Mrs. Williams and Gladys Brown, a new member, and Mrs. Llana Vernon, the visitor, and the hostess.

Mrs. Flippen was one of the delegates chosen to go to Cleburne last April 18 and she reported on that meeting. Mrs. Gertrude Hester and Ophelia Harris told of the recent training school at Eastland. Jimmy Fridge represented the club at the 4-H Round-up at College Station in June.

Next meeting of the club will be with Mrs. Ethel Brown on July 10. The county home demonstration agent, Mrs. Ethel Woodard, will be present.

Miss Cullie West, of Comanche, spent the week end here in the homes of Mr. and Mrs. F. R. Anderson and George R. Neel.

Mr. and Mrs. Harlie B. Neel, of Comanche, Mr. and Mrs. Kermit Neel and two children, of De Leon, and Mrs. Donald M. Weaver and children were all here over the week end for a visit with their father, George R. Neel.

Mr. and Mrs. Gene Penn and daughter, Genie, of Colorado City, spent the week end here in the home of her parents, Mr. and Mrs. M. E. Howell.

HEAVY RAINS HITS GAME BIRD NESTS

AUSTIN—Possible loss to young quail, particularly in coastal prairie areas of southeastern Texas has been reported to the Game, Fish and Oyster Commission following recent heavy rains.

The Executive Secretary said the region west and southwest of Houston apparently suffered some damage to the newly hatched birds. Game Warden Tom Waddell of Eagle Lake said a series of torrential rains, including one ranging up to ten inches, flooded large parts of his district, particularly in Colorado County. Waddell said he saw many quail sitting on fence posts, calling plaintively after their nests or their young broods had been destroyed by the high water.

The rains occurred at a crucial period in the nesting routine, according to the Executive Secretary. In the main, however, the game birds over the state apparently have been faring well. Scattered loss to young doves from hail has been reported but indications are that wild turkey, prairie chicken and other species have fared well this year.

The Executive Secretary said wet periods occurring when quail are young sometimes are destructive particularly in the low areas where the soil is heavy. He explained that the soggy loam balls upon the baby quail's feet and oftentimes continues to accumulate so that the young birds are unable to travel and either starve or are seized by predators.

Quail which lose their nests or lose their young, will nest again and frequently try a third time if the first two efforts are lost. Quail build their nests haphazardly and lay their eggs in low areas as much as on higher ground. Thus their re-nesting tendencies are indispensable to the annual bob white crop.

Man Who Forged Ira Hall's Indorsement On \$1,156.60 Check Is Apprehended In Oregon

A man who forged the indorsement of Ira H. Hall, Cross Plains grain buyer on a \$1,156.60 check last week and absconded with the money, was apprehended three days later in Oregon.

Houston buyer's place of business the trucker was given the check, made out to Hall, which he was to return. Enroute here he is alleged to have stopped at Gatesville, forged Hall's name on the back and cashed the draft. Most of the money was then reportedly used in the purchase of an automobile which he used in making the

trip to Oregon.

The truck which the man had used to haul the Cross Plains grain to Houston was abandoned at Gatesville, and authorities yesterday were unable to determine to whom it rightfully belongs. License tags of the truck had been taken from another vehicle in San Antonio.

Hall stopped payment on the check immediately and averted loss in the matter, however, he cautions other local people to be careful of such operators as victimized him. "Hereafter, I intend to know the trucker and his reputation before entrusting shipments to him, and I believe others would profit by doing likewise," he said.

USEFUL TIPS ON STORING SPRING POTATOES IS GIVEN

Home gardeners will soon be digging and storing their spring Irish potato crop. The length of time they can be stored will depend upon where you store them and the condition they are in when they are dug says J. M. Cooper, Eastland County Agricultural Agent.

Let the potatoes mature before digging he says. They can be dug before the tops die, but they should be mature if they are expected to be kept in storage for any length of time. A simple and easy method of checking maturity is to press the thumb against the skin of a few potatoes, if the skin is tough and doesn't break easily, the crop is ready for harvesting.

If excessive rainfall has occurred just prior to harvest the potatoes are likely to be covered with small water blisters (small, white elevated spots on the skin). Harvesting should be delayed until these blisters have dried. If the potatoes are harvested when they are 'blistery' heavy losses from rotting may be expected.

The skinned or damaged potatoes should be separated from the others. Potatoes should be handled almost as carefully as eggs. A cool, well ventilated-cellar makes a satisfactory storage place for the crop. It is best not to spread them on the floor or ground. They will keep better if placed on a slatted or wire floor with about four or five inches of air space beneath them. Hay can be used or any arrangement that permits the air to completely encircle the potatoes.

Potatoes should be kept in the dark for light causes the potatoes to turn green in color, making them undesirable. Very few potatoes were produced in 1949 due to blight, Cooper said. Present prospects are much better for good yields.

Yesteryear.... In The Old Home Town..

Items of interest taken from the files of the Review of 30, 25, 15, and 10 years ago.

30 YEARS AGO

July 16, 1920
Viewed from the standpoint of accomplishing its aims, the picnic was a grand success. The promoters made money by the sale of concession rights. A large number of such rights were sold, and a good sum of money put into the treasury of the city.

The carnival people came to fill their pockets with the coin of our people and in this they succeeded. Some of the local citizens made some money, but only a few made money compared to the number who spent money.

In a recent fire at Moran, more than \$50,000 damage was done. It found the town without water and unprepared to combat the flame. Let us take warning from this. We should have a team of trained firemen, and see that water is available. If we should have had a fire some time back when we were without water, for nearly a month, what would have been the result.

The Post Office Department has leased the north half of the Carter and Kenady building from Higginbotham, and the post office will be moved as soon as the apartment is conveniently arranged.

The Vestal No. 1 is on the pump day and night, and is said to be making 50 barrels a day.

The Greenlea No. 1, on the T. J. Harris farm, has been shut down temporarily but to start drilling soon.

The Consolidated, on the Charley Barr farm, is drilling at over 1,600 feet.

25 YEARS AGO

July 17, 1925
Prospects in the section of the country continue to be bright, according to reports. Practically all of the farmers have their crops in fine condition and almost free of grass and weeds.

The town site well, on the Mc-Donough tract, just south of town, came in Wednesday night at 1400 feet; they have just touched the top of pay.

Just before going to press, we learn that the well is flowing by heads every ten of fifteen minutes. It is estimated at about 300 barrels.

The Cross Plains Boosters are never too busy to close their business houses, if they have an opportunity to prove to our friends and neighbors that we are all out pulling together for the betterment of our town and community. Quite a number of boosters, accompanied by the Chamber of Commerce Band, made a booster

trip to the Cross Cut picnic Wednesday. The band gave an hour long concert after which, Mr. Gwin, secretary of commerce, spoke to the crowd.

15 YEARS AGO

The Liberty Theatre's new washed air cooling system has been completed and was in use for the first time last night. The huge device, weighing eleven hundred pounds, is designed to keep the temperature of the auditorium around 70 degrees Fahrenheit.

Circus Day is coming to Cross Plains Wednesday, July 10, when the Hamler Brothers Wild Animal Circus arrives in town for a two day performance. With the coming of the circus to Cross Plains, people of this trade territory will see for the first time the only Texas circus that "travels the road."

T. A. Smith and L. B. Forbes, of Comanche County, were in Cross Plains Wednesday afternoon in the interest of a Farmers Cooperative, which proposes to handle market surplus farm commodities throughout this territory. At the present, grain will be the only commodity handled.

Mrs. M. G. Underwood will begin a Junior Shakespearean Dramatic School in the basement of the Methodist church Monday morning. Children from the first through the seventh grades will be eligible.

Sixteen students have already enrolled. The school is the first of this nature ever taught in Callahan County.

10 YEARS AGO

July 5, 1940
Callahan County went "over the top" this week in the goal of \$880,000, set by the American Red Cross to be raised here. The funds, added to other collections throughout the nation, will be used to alleviate suffering among war refugees in Europe.

In keeping with the plan to modernize and ever enlarge its service, Barr's Bakery this week is introducing a new, large, family size loaf of bread. The new loaf weighs 24 ounces and retails at all Cross Plains stores for 10 cents, whereas the usual loaf weighs 16 ounces and sells for 8 cents.

Members of the parade committee for Cross Plains 59th annual picnic met Wednesday afternoon and apportioned \$25 prize money for this year's opening day spectacle which is expected to be the best in history.

Two teachers were elected to the faculty of Cross Plains schools at the regular meeting of the board of trustees Monday night.

C. R. Steele was chosen to fill a vacancy in the departmental grades of grammar school, and Esther Varner Sullivan was named fourth grade teacher.

Cross Cut Baptists Begin Revival 21st

The Cross Cut Baptist Church will begin a revival meeting July 21 and continue through the thirtieth. The preaching is to be done by Rev. B. H. Kendrick, of Leander, near Austin. Two services will be held daily. Singing will be under the direction of Rev. Alfred H. Nelson, Cross Cut Baptist pastor, who extends a cordial invitation to the people of that and surrounding communities to all services.

Baby Girl Born To The Sam Sessions

Mr. and Mrs. Sam Sessions of Cross Cut are the parents of a two pound four ounce baby girl born in a Brownwood hospital on June 20. The baby has been named Juakana Sue. Mrs. Sessions underwent major surgery on June 22, but has been returned to her home in Cross Cut. The baby will remain in an incubator for several months.

MRS. NOLAN BRYAN IS IN HOSPITAL AT BAIRD

Mrs. Nolan Bryan was taken to a Baird hospital Tuesday. She was reported doing satisfactorily yesterday and is expected to be able to return to her home here in a few days.

Mr. and Mrs. John Adair and Mrs. Bob Merryman attended the races in Brady Tuesday.

Mr. and Mrs. George Jowers and family were visitors in Brady Tuesday.

Mrs. George B. Scott was a visitor in Fort Worth the latter part of this week.

Captain and Mrs. Kenneth Plummer and daughter, of Houston, visited Mr. and Mrs. M. E. Howell here last week.

Mrs. Jeff Clark and Mr. and Mrs. Pat McNeel, Jr. were visitors in the home of Mr. and Mrs. Donnel Clark in Mullins Tuesday.

W. A. Crutchmier left Wednesday for Okmulgee, Oklahoma to visit with his sister, Mrs. L. L. Vincent who is ill in a hospital there. Mrs. Vincent formerly lived in Cross Plains.

Pioneer Girl Bride Of Local Man Last Sunday Afternoon

Christine Lenora Shirley, daughter of Mr. and Mrs. Pat Shirley of Pioneer, and Lester Paul King, son of Mr. and Mrs. Tom King of Cross Plains, were united in marriage at the Pioneer Baptist Church Sunday afternoon at 2:30. The ceremony was read by the Rev. Mr. Smith, of Abilene.

Patty Ruth Shirley, sister of the bride, served as maid of honor, and J. W. Fore, of Pioneer, was best man. The rites were witnessed by members of the two immediate families and a few close friends.

The bride wore a sheer blue dress with white accessories. Her corsage was of pink and white carnations. The maid of honor wore pink with white accessories.

The bride is a graduate of Pioneer high school and a member of one of that community's best known families. The groom is a graduate of Cross Plains high school, a veteran of World War II and at present is engaged in oil field work here.

The couple will make their home in Cross Plains.

Services Saturday For Mrs. Schwartz

Funeral services will be held Saturday afternoon at one o'clock at the Wylie Funeral Home in Baird for Mrs. Olivia Schwartz, 81, who died at the home of her daughter, Mrs. Max Levy, in Cincinnati, Ohio Tuesday morning.

Mrs. Schwartz was a long-time resident of Baird. She and her husband operated a dry goods store and funeral home there for a number of years.

Mr. and Mrs. H. P. Moon and son were fourth of July visitors in Brady.

Mr. and Mrs. Barney Klutts attended the races in Brady July the fourth.

Misses Paula Jean and Anna Bell Harrell, of Lubbock, spent the week end visiting with their uncle, Paul Harrell.

Mr. and Mrs. T. Y. Woody had as their guests during the July fourth holidays Mr. and Mrs. Myers and Brune from Oklahoma.

Mr. and Mrs. Don McCall were visitors in Brady over the fourth of July.

Davis Montgomery and Herman Rudloff were in Brady Tuesday.

Mr. and Mrs. Lloyd Rich attended the races in Brady Tuesday.

Mr. and Mrs. Doyle Cowan, who live in the northwest part of town, are the parents of a seven pound and 12 ounce baby girl born in the Coleman hospital June 30.

Maternal grandparents are Mr. and Mrs. T. Y. Woody of Cross Plains.

Both mother and baby are doing nicely.

Mr. and Mrs. Marvin Rich and Mrs. Oliver and sons, Mr. Mrs. C. M. Garrett and children and Mr. and Mrs. Lester Barr children were Brownwood lake visitors Tuesday.

Mr. and Mrs. Elmer Baugh Clark Don and Mr. and Mrs. T. Winkle visited Mrs. Baugh sister, Mrs. James Woodard Coleman last Sunday. Clark attended a birthday party for the Carolyn Woodard.

Guests in the home of Mr. Mrs. Elmer Baugh over the weekend were: Mr. and Mrs. Troy T. and family of Tye; Mr. and Mrs. James Woodard of Coleman; Lou Tabor, Miss Ann Tabor Lane Dillard.
