

"AS I
SEE IT"

By Jack McCarty

The big election is over and most of the talk concerning national politics has ceased and while this newspaper was with the minority party, we have not seen any ill effects caused by the election of General Eisenhower as our next President. This department has reached the conclusion that evidently we were wrong regarding our choice . . . at least a majority of the voters, who turned out in record numbers across the nation, thought so, and we are now ready to pitch in and aid our country to the best of our ability and pledge our newspaper to support every worthwhile movement for the good of our community and nation.

Have you seen your local cemetery lately? Why not take time out from your daily chores and drive by the local "City of the Dead" and see how well-kept it is. Our hat is off to the members of the Cemetery Committee and Sexton O. C. Merryman for the excellent care given the plot. A well-kept cemetery is a credit to a community and you can travel far and wide before you will find one in better condition than the local plot. Show your appreciation by complimenting the members of the committee and by giving of your financial means to make the work possible. We congratulate Mrs. Martin Neeb on her election to the committee and know that she will give generously of her time on the project.

While we are passing out bouquets, we want to pin one on the members of the Smith-Slaughter Post, Veterans of Foreign Wars for their generous contribution of 300 half-pints of milk monthly to the school lunch room to be served to underprivileged children. This is a very worthy cause and is financed by a worthy organization. The local Parent-Teacher Association also comes in for a bunch of posies for their pledge of \$30.00 per month to be used in feeding underprivileged children in the school lunch room.

The football game of the season will be played here tonight (Thursday) starting at 7:30 with the Buffaloes entertaining their traditional rivals, the Rising Star Wildcats. According to local sidewalk quarterbacks, the two teams are pretty evenly matched this year and a real gridiron battle is in prospect. This writer hesitates to pick the winner but we are going out on a limb and say that if the Buffs play the brand of football they are capable of playing, they will win by two touchdowns. Yea, Buffaloes, let's go! We urge everyone to turn out tonight and root for the home team. There will be two sweethearts crowned at the game. The football sweetheart will be crowned in appropriate ceremonies just before the game starts and the Buffalo Band will crown its sweetheart in ceremonies during the half-time. See you at the game!

Mr. and Mrs. T. E. Baum To Celebrate Golden Wedding Anniversary

Dickie Huntington Admitted To State Bar This Week

News was received here this week, announcing that M. W. (Dickie) Huntington, son of Mrs. Eva Huntington of Abilene, passed the State Bar examination, given in Austin, October 6, 7 and 8, and is attending ceremonies in Austin today (Thursday) before the State Supreme Court where he will be admitted to practice law in the State of Texas.

Dickie will receive his law degree from Baylor University on Wednesday, November 26. He took his pre-law work at Hardin-Simmons University in Abilene in 1948-49. Of the students taking the bar exam from the Baylor Law School, he is reported to have made the second highest grade.

Huntington was reared here and graduated from the local high school. He volunteered for service with the U. S. Marine Corps and won a battlefield commission while fighting with the Marines in the Pacific area. After the war he entered college, but was recalled to duty with the Marine Corps after the outbreak of the Korean conflict. Being discharged from service last year, he returned to school to complete work on his law degree.

Dickie states that he will return to this vicinity of the state to practice as an Attorney-at-Law about the first of the year.

Fire Destroys Brooder House At Long Farm

Fire of undetermined origin completely destroyed a brooder house and 100 chickens at the farm of Mr. and Mrs. Norrell Long, about five miles southwest of town, Thursday morning of last week.

The fire was first discovered by Dave Ingram, who sounded the alarm, but the flames had gained such headway that it was impossible to save the building or contents. It was thought that the fire probably started by an explosion of the brooder. The rural fire truck from here responded to the call and kept other buildings from burning.

The Long family was not at home at the time of the fire, as Mrs. Long was undergoing surgery in an Abilene hospital and he was at her bedside.

County Singing To Be Held At Rowden Sunday

Doyle Burchfield, President of the Callahan County Singing Convention, stated this week that the organization will hold its singing at the Rowden Baptist Church, Sunday afternoon, November 16, beginning at 2:00 o'clock.

A number of good singers are expected to be present, it was said, and all lovers of gospel music are invited to attend the convention.

Mr. and Mrs. Ira Calhoon of Rising Star visited relatives and friends here Thursday night.

Mr. and Mrs. Eddie Petty of Abilene spent Armistice Day with homefolks.

Post Office Suffers Fire Damage Sunday

Fire, caused by defective wiring in the ceiling, broke out in the post office building here Sunday morning about 8:30, but was brought under control by the local Volunteer Fire Department before heavy losses were incurred.

A. H. McCord, owner of the building, stated yesterday that damage to the building had been estimated at \$600.00. Equipment and fixtures belonging to the Post Office Department were not damaged.

USO Fund Campaign Opens In Callahan

Callahan County today opened its 1952 campaign for the USO. County Chairman Lowell Boyd announced that within the next few days the county will seek to raise its proportionate share of \$593.00 of the Texas goal of \$740,896.

"We can no longer think of our own boys and girls serving in the uniform of their country without thinking of the wonderful job which USO is doing in their behalf," Mr. Boyd said. "The USO, in effect, has become an unofficial branch of our armed forces.

"We must strengthen all of our defense efforts, and USO is no exception, for the draft calls will continue to drain off our young people and to place them on duty on cold war fronts around the globe," the County Chairman said. USO has established 104 new units during the past 12 months in the areas of greatest needs at home and overseas, bringing the total number of clubs and lounges to 271. Seventeen of these are located in Texas.

Guests attending were Mrs. Thelma Peavy, Mr. and Mrs. Richard Purvis and son, Mr. and Mrs. Claude Joy and Mr. and Mrs. Earl Barnett.

Ann Baum Candidate for Homecoming Queen at Howard Payne College

Ann Baum, Howard Payne College sophomore from Cross Plains, is one of the 12 candidates for HPC Homecoming Queen.

The winner will be crowned Saturday afternoon, November 15, during half-time activities of Howard Payne's homecoming football game with Abilene's McMurry Indians.

Miss Baum, daughter of Mr. and Mrs. Parker Baum, is a secondary education major.

Howard Neeb Hailed As Fine Ball Player At Midwestern U.

Wichita Falls (Spcl), Oct. 28.—Howard Neeb, son of Mr. and Mrs. H. W. Neeb of Cross Plains, is a fine prospect for the Midwestern Indians. He is a sophomore and has three more years of eligibility.

Howard weighs 205 pounds and stands six feet two inches tall. He is fast for a big man. He is a good blocker and can hold his ground when playing on defense. His attitude is good and he has a keen interest in the game of football.

Only lack of experience prevents Neeb from being a star performer. The Indians have so many experienced linemen that it is hard for Howard to break into the starting eleven. Howard played on the "B" team in 1951 and did a creditable job. His play warranted his promotion to the varsity squad this fall. He is ready for action anytime the coach beckons.

Injuries have plagued Neeb in his college career. He is susceptible to head injuries. Howard suffered a concussion in spring training, but he seems to be fully recovered now. These injuries have not made Neeb gun shy; he sticks it out and continues to give his best at all times.

"I consider Howard Neeb as a great prospect for the future," states Coach Dixie White. "He will be a star before he leaves Midwestern University."

Over Inch Of Rain Measured Here Over The Past Week

S. F. (Fos) Bond, official rain gauger for the U. S. Weather Bureau, reported this week that precious precipitation measuring 1.10 inches fell here on Tuesday of last week and Sunday morning. The rain Sunday morning measured .61.

While this cannot be termed a "drouth breaker" it will help pastures and small grain and winter cover crops a great deal and revives hopes of the population in this section.

Heavy frost covered this section on Tuesday and Wednesday mornings and freezing temperatures were recorded. Tender fall garden crops withered under the rays of the sunshine Tuesday.

Paul Whitton To Head Methodist Men's Club

In an organizational meeting held in the basement of the Methodist Church here Thursday night of last week, the men of the church met and formed a new Methodist Men's Club. The purpose of this club is to further the work of laymen in the church program.

Paul L. Whitton, superintendent of schools here, was elected president, George R. Neel, vice president and Lindsey Tyson, secretary-treasurer.

The group was served refreshments of coffee and cake by Fred V. Tunnell and V. C. Walker.

First regular meeting of the club will be held in the church basement on Thursday night, November 20, with the newly-elected officers acting as hosts and in charge of the program.

The meeting will start at 7:00 p.m. and all interested men are extended a cordial invitation to attend.

Mrs. Martin Neeb Named On Cemetery Committee

The regular meeting of the Cemetery Committee was held here Thursday afternoon, at 1:00 o'clock, with the following members present: S. F. Bond, W. H. Fortune, Fred V. Tunnell and V. C. Walker. Mrs. M. E. Howell, also a member of the committee, was absent.

The financial statement was read and approved. During the business session, a motion was made by Fred V. Tunnell and seconded by W. H. Fortune that Mrs. Martin Neeb be named as a member of the committee. The motion carried.

A motion was made by W. H. Fortune and seconded by Tunnell that O. C. Merryman be hired as sexton for another year at a salary of \$115.00 per month. The motion carried.

A motion was made by V. C. Walker and seconded by Tunnell that the financial statement be published in the Cross Plains Review. The committee members also expressed their compliments to Mr. Merryman for the excellent job performed in keeping the cemetery in first class condition.

THE BAYOU PHILOSOPHER SAYS WE WANT TO GO EASY ON FIGHTING CHINESE, MIGHT HAVE TO FEED THEM

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou has an odd slant on the war situation, his letter this week reveals.

Dear editor:

I have been noticin with alarm that some people throughout this country are arguin we ought to roll up our sleeves and end the Korean war even if it means takin on China too.

Now people who talk like that ought to go a little slow, and I notice most of em probably ain't of fightin age any more, but the but the reason they ought to go a little slow is this: Suppose we decide to end the war, start bombin supply bases in China, and we have to take on that country too.

Now I ain't sayin we can't whip China, what I'm afraid of is that we can.

That is, say we bomb the daylight out of em, finally land troops and take the country. Everybody over there gives up. Then what?

Don't you know it'll then be our job to feed em and don't you know it'll break the country tryin to feed 400 million Chinese? Maybe we can stand to whip Germany and feed only 150 million, or Italy with 50 million or so, but you whip China and take on the job of feedin 400 million and maybe more, ain't nobody really got a accurate count, and see what it'll do to our economy. Personally, I guess I could work a little harder and produce a little more, but saddin the job of feedin 400 million Chinamen on us farmers, in addition to all the others we got to feed, is askin too much.

I tell you, if this country ever needed some real, deep thinkin, it needs it now. War just ain't what it used to be. To the victor used to go the spoils, but nowadays winnin a war is like whippin your brother-in-law. After you get it done you have to take him to the hospital, pay for havin him patched up, keep him around your house several months while he's recoverin, and then get him back on his feet economically.

I don't know what the answer is in Korea, the same as Eisenhower don't, but anything that leads to feedin 400 million Chinamen ain't what I call statesmanship.

Yours faithfully,

J. A.

SOUND USE OF LAND IS SOMETHING WE CAN DO

This great nation of ours presumably could produce an inexhaustible supply of automobiles, telephones, or new homes.

One thing, however, we cannot produce; new topsoil. Our present supply of soil will have to produce the food and fiber for future generation. And on this soil, too, we must depend for new multi-use crops like soybeans that figure big in the making of such things as automobiles and telephones.

Expanding civilization daily claims more and more of the nation's agricultural land.

But wind and erosion also is biding huge chunks out of our usable land. That is a factor we can do something about.

Sound land use—use of each agricultural acre within its capabilities and treatment of it according to its needs is an attainable goal. Conservation of soil and water resources is the price of our survival as a people and a nation.

Fresh from the Freezer

"Life is simpler, Judy, since we've had this Electric Home Freezer, full of fresh frozen things to eat — and the meals are better! Look at the variety in there! Corn on the cob, strawberries, peaches, snap beans — meat, cakes all baked and ready to warm in the oven — your school lunches for a week, all wrapped and frozen so I just have to take a package out in the morning when you leave for school.

"And we're never 'out of things'. When they have bargains at the stores — in frozen foods or in meats — I can stock up on them. I never have to throw leftovers away — just freeze them to use weeks later. So you see, this freezer saves me time and saves your Dad money, too!"

An Electric Freezer saves time and trouble in many different ways, and provides better meals. For the holidays, mince pies, puddings and the like can be baked in advance and frozen. Chili con carne, spaghetti and chop suey can be packed in meal-size containers, and frozen for future use.

With an Electric Home Freezer you can shop every couple of weeks instead of every day or so. Buy meats, fruits and vegetables when they're on sale; save money that way. You simply freeze and store until needed.

A complete Sunday dinner, prepared weeks in advance and stored in the freezer, is ready to heat and serve when needed. Hamburgers, wieners, and lunches for picnics can be frozen in advance.

DID YOU KNOW . . .

with an Electric Home Freezer you can:

- Freeze bread slices until needed, keeping them fresh and firm . . .
- freeze large quantities of cooked beans, stews, etc., and store for later use . . . freeze and store cakes . . . freeze waffles, warm in electric range oven as needed . . .
- store ice cubes for parties . . .
- save enough on food to pay for the freezer in a relatively short time?

MOTHER KNOWS BEST . . .

of course, it's *Electric!*

Mrs. H. E. Coburn was hostess to the Ladies Association of the Presbyterian Church at her home Monday, November 10, at 3:00 p.m.

The program was opened with a prayer by Mrs. A. C. Evans. Mrs. Kate Strahan gave the devotional and Mrs. E. C. Neeb had charge of the lesson which was the third session on Churches for our Country's Need.

After the program Mrs. Coburn served coffee, cookies, salted nuts and mints to: Mmes. S. C. Barr, Cordia Booth, W. B. Williams, Fonia Worthing, J. C. McDermott, Kate Strahan, Tom Bryant, A. C. Evans, Estella Barr, E. C. Neeb and Miss Mary Williams.

W.M.U. Meets Monday

The W. M. U. met in regular session Monday afternoon, November 10, at 3:00 o'clock in the Baptist church.

Mrs. W. E. Williams was in charge of the Bible study. Topic was Women of Destiny in the Old Testament.

CARD OF THANKS

Our sincere thanks are extended to neighbors, friends and members of the Cross Plains Volunteer Fire Department, who aided in fighting the fire at our home the past week. We will be forever grateful.

Mr. and Mrs. Norrell Long

daughter, Helen, of Midland to William Waldroup of Hobbs, New Mexico.

Wedding vows will be exchanged on November 23 at 6:30 in the evening at the local Church of Christ.

Miss Plumlee is a graduate of Cross Plains High School and took her degree from Abilene Christian College in 1950. She is now employed by Midland Western Company at Midland.

Mr. Waldroup is a graduate of the University of Texas and is a petroleum engineer for Humble Oil & Refining Company, located at Hobbs, New Mexico. He is the son of Mrs. W. R. Waldroup of Lubbock.

Burkett Man, Coleman Girl Married In Double Ring Ceremony Friday

Miss Sandra McWilliams of Coleman and Alvin Porter of Burkett were united in marriage Friday afternoon, November 7, at 5:30 in the Coleman Presbyterian Church. The double ring ceremony was read by the pastor before an altar decorated with white gladioli and fern.

Traditional wedding music was furnished by the organist, who accompanied Miss Ann Moody who sang "Always" and "Because of You".

The couple's only attendants were Miss Orvella Simpson and Don Howard.

The bride wore the traditional white satin gown with a white finger tip veil. The maid of honor was dressed in a pink satin gown with a pink net veil.

The bride is the daughter of Mrs. Ed Rendot of Monterey Park, California and J. P. McWilliams of Coleman. She is a 1952 graduate of Coleman High School and at present is employed by the McDaniels Insurance Company in Coleman.

The groom is the son of Mr. and Mrs. Luther Porter of Burkett. He attended Burkett High School and graduated with the class of 1951. He is at present employed by Jones Electric Company in Coleman.

The couple are at home in Coleman following a wedding trip to Austin.

Fort Worth—Some of the highest selling calves of 1953 are being readied for market right now. Yep, that's right—I said Nineteen-Fifty-Three!

Now we do not own a crystal ball, and fear nothing worse than making a guess as to what is going to happen—but unless every past performance fails the really thick fat calves that sell during February, March, April and perhaps May in 1953, will be some of

the highest priced calves seen all year.

This has been the case in virtually every year of record because this is a time of year in which relatively small numbers of really fat calves are available. It is a season when large amounts of heavy fed steers are on hand but there is always need for more good and choice fat calves than the supply offers during this period of the year.

Right now the calves that are going to cash in on these high prices and that will top the market at Fort Worth time after time during February, March, April and May, are eating just a few handfuls of feed each day from creep-feeders on the farms where they were born this fall.

These calves will gain more weight and will attain a bloom-like finish that will make the buyers at Fort Worth eager to own them for their packing houses.

Some of these calves are eating

a home-mixed ration out of the creep. Others are eating one of several really good creep feeding rations made by reputable feed manufacturers. But, all of the, regardless of quality are putting on extra pounds and putting on extra dollars to the selling price when they come to Fort Worth—regardless of quality.

Sometimes even the half dairy-bred types—the kind that would be called common or plain for quality—sell for as much or more than a highly bred animal. Lots of times that "plain" mother cow gives extra milk that is extra rich.

It looks like another season in which creepfeeding will pay off in weight and dollars and it will get the calves off the cows earlier and give drouth-seared pastures a chance to re-seed and come back faster in the summer and fall of 1953.

Look ahead to 1953 and think seriously about creep-feeding those calves, especially if you own plain cows!

Livestock shipments to market at Fort Worth and around the major livestock marketing circle this week opened up on a big scale again following the sharp dip in movement during election week.

Monday's 12 market reports showed 41,000 more cattle went to market than a week ago, and receipts were double the same day last year. Calf receipts were 4,000 above a week ago, and were 20,000 above last year the same day. Hog receipts were 36,000 above a week ago and double the same day last year. Sheep receipts at 12 markets were 14,000 ahead of last week and double the same day last year.

Slaughter classes of cattle ruled about steady at Fort Worth Monday. Some bids were steady to weak on cows but prices in the main were about in line with last week's close. Stockers were unchanged. Slaughter calves ruled fully steady and some of the top grades were stronger.

Butcher hogs were 50 cents lower, and sows were 25 cents lower. Hogs topped at \$17.75 at Fort Worth.

Slaughter lambs ruled steady to strong and other classes of sheep and lambs were steady. Fat lambs topped at \$23 at Fort Worth.

Good and choice slaughter steers and yearlings sold for \$23 to \$30, while common and medium sorts drew \$14 to \$22, while cutter kinds of steers and yearlings sold for \$10 to \$14.

Fat cows sold around \$13 to \$16, with occasional heiferettes at \$17 and above. Canners and cutters cashed at \$8 to \$13, bulls sold at \$10 to \$17, odd head higher.

Good and choice slaughter calves cleared at \$20 to \$25 and a few fancy heavyweights sold to \$26 and above. Plain and medium slaughter calves sold for \$14 to \$19, and culls cashed at \$10 to \$14.

Good and choice stocker steer calves and steer yearlings sold at \$18 to \$23, and some lighter weight calves cashed at \$24. Stocker and feeder calves and yearlings of common to medium grades sold at \$12 to \$17. Stocker cows moved at

CITATION BY PUBLICATION
No. 10815
THE STATE OF TEXAS)
COUNTY OF CALLAHAN)

TO: Aileen Marie Waggoner Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Callahan County at the Court House thereof, in Baird, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 22nd day of December A.D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 21st day of October A.D. 1952 in this cause, numbered 10815 on the docket of said court and styled James Knox Waggoner, Plaintiff, vs. Aileen Marie Waggoner, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that he has been an inhabitant of the State of Texas for one year preceding the filing of this suit and has resided in Callahan County for six months next preceding the institution of this suit; that plaintiff and defendant were married Aug. 23, 1952 and are now separated; that plaintiff and defendant have no children and no property in common; that defendant was guilty of outrages and cruel treatment toward plaintiff of such a nature as to render their living together insupportable, and prays judgment of divorce as is more fully shown by Plaintiff's Petition on file in this suit.

Issued and given under my hand and the seal of said Court, at office in Baird, Texas this 3rd day of November A.D. 1952.

ATTEST:
Mrs. Corrie Driskill, District Clerk, Callahan County, Texas. (4tc32)

What's the biggest "little" business in Texas?

It's the business that employs one out of seven Texas jobholders...

It's the business that helps to bring you everything you buy, use, eat or wear...

It's the business whose taxes build one-third of all Texas highways...

It's the **TRUCKING** business! Over a million Texas men, women and children depend directly on it for their livelihood.

Yet—fifty-six per cent of Texas' trucks are owned by individuals with only one truck. Trucking is probably the biggest "little" business in the State!

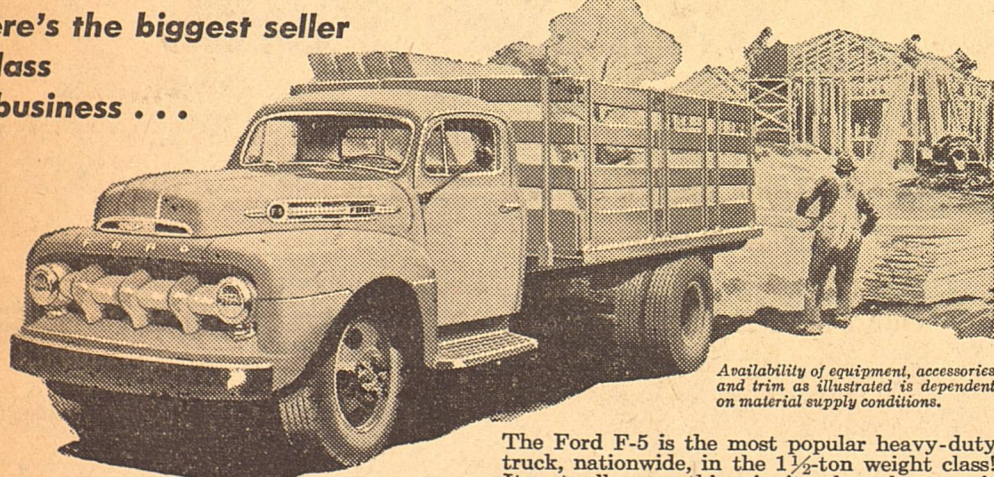

Texans can't do business without truck transportation.

No community can exist, even if it is on a rail line, without trucks to haul goods away from the railroad and get them to stores and homes.

There are 1,788 Texas towns that have no rail service at all. If it were not for trucks, they would have no commerce with the rest of the State and the nation.

Wherever you live in Texas, whatever you do—trucking services are essential to your way of life. Trucks belong!

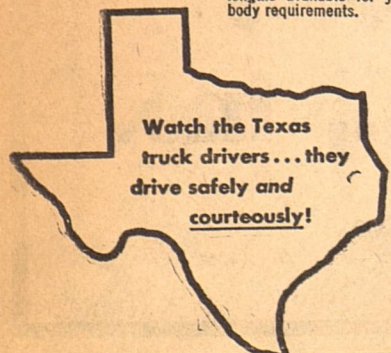

And here's the biggest seller of its class in the business...

Availability of equipment, accessories and trim as illustrated is dependent on material supply conditions.

The Ford F-5 is the most popular heavy-duty truck, nationwide, in the 1 1/2-ton weight class! It out-sells everything in its class, because it out-values competition. Here's an all-purpose performer with a payload capacity that goes over 8,600 lbs. . . lets you carry big bulky loads with ease. Choose new V-8 power—or all-new Six!

Whatever your work, the rugged Ford F-5 gives all-around economical operation. 3 wheelbase lengths available for your special purpose body requirements.

FORD TRUCKING COSTS LESS F.D.A.F. ... Ford Trucks Last Longer!

Using latest registration data on 8,069,000 trucks, life insurance experts prove Ford Trucks last longer!
