The pot calls the kettle black or . . . corruption versus corrup-

tion, seems to be the basis for

campaigning on the national level of politics these days. That is, since

the news leaked out concerning Senator Richard M. Nixon's \$18,000. expense account. Regardless of

what Nixon says in defense of his

acceptance of the money, there

will always be a large number of

voters who will doubt his story and

it will give the Democrats comfort

and a new angle for campaigning

during the balance of the cam-

paign. This incident, regardless of

the outcome proves that a man

should make sure that his record is

absolutely clean before he points

week. Miles of smiles were visible

received Monday and farmers and

ranchers state that the precipata-

tion will help a lot. Much interest

drilled on the S. C. Barr place just

completed as a producer has

brought on a lot of speculation by

chances for a townsite drilling pro-

in its last meeting, cleared the way

for operators to drill oil tests with-

in the corporate limits and leases

are now being secured in the south

tests would be drilled south of town

Wanted: Eight men's felt hats,

in reasonable condition, for assis-

tant Coach James Alexander. Jim-

my ruined his hat at the Baird

game and since the Buffaloes have

eight more games on their season

need a hat for each game. The

size makes very little difference,

since the lids will not fit his head

after he gets through working 'em

over, anyway. After watching coaches Frank Rundell and Alex-

ander for a few moments last Fri

day night, we can easily see why

a large percent of coaches complain

about suffering from indigestion.

While the Buffaloes lost the game,

this department is going to stay

with them and we predict that

they will win several games before

the season is over. They are a fine

group of boys and experience is all

The Buffalo Band came in for

a lot of praise at Baird Friday

night and we again state that this

organization is a real credit to our

Director Bill King this week, we

learned that more than 20 students

were now enrolled in the biginner

band and he expects to field a 70

piece band before the year is over.

He stated that several horns had

stored away that you don't need,

dig it out and let a deserving boy

or girl use it. The school guaran-

tees to keep it in first class condi-

tion. Also, if you have a clarinet

that you want to sell, contact Mr.

been donated to the band this

against any Class A outfit.

needs to be a real threat

schedule, it is thought that he will

in the near future.

Former Resident

Buried At Sabanno Saturday Afternoon Funeral services for Mrs. Ruby

Powell of Plainview were held at 3 o'clock Saturday afternoon at Sabanno by Rev. H. D. Blair and the Rev. A. R. Collier. Mrs. Powell died in a Plainview hospital Thursday after an illness of six weeks. She was born in Cross Plains on January 9, 1900 and lived in this area for many years before moving to Plainview.

out the weaknesses and sins of his Survivors are her husband, J. C Powell, Plainview; a son, J. M. Harris, who is with the U.S. Navy; Oil and rain were the chief four daughters, Mrs. Cleo Bush topics of conversation here the past and Miss Annie Lou Powell of Plainview, Mrs. Nolan Dickerson of hereabouts over the fine showers Athens and Mrs. Joe McBeth of Andrews; three brothers, J. E. and L. P. Wood of Cisco and W. E. Wood of this city; seven sisters, has been manifested in the oil test Mrs. C. R. Pilcher of De Leon, Mrs. W. H. Phillips of Pioneer, Mrs. outside the south city limits and Mattie Nolan of Big Spring, Mrs. the news that the test had been John Hodler of Stanton, Mrs. Harvey Boykin of Scranton, Mrs. Zannie Callahan of San Fernando, local citizens concerning the Califrnia and Mrs. E. M. Pinkston of Irving; eight grandchildren, gram. Further basis for speculation three stepsons and four stepis the fact that the city council, daughters.

Burial was in the Sabanno ceme-

City Council part of town. Tom Bryant, local operator, stated yesterday that he had made application to the Railroad Commission for a permit to drill a test on City Block No. 89, To Allow Oil on the south edge of the city and he said that a number of other **Drilling Here**

Mayor S. F. Bond stated this week that the City Council voted in its last meeting to allow oil operators to drill wells on lease tracts within the city limits, and a great deal of leasing is now being done within the corporate limits of the city, it was said.

A large number of producing wells were drilled and produced on townsite lots here during the boom days of the 1920's, and the action of the council clears the way for oil men to come into the city and drill again. A number of oil operators in this section are optimistic in their belief that oil in paying quantities can be found here with the use of sandfrac and Hydrofrac and, no doubt, a drilling program will be carried out in the near future.

FFA Chapter Elects community. In conversation with Officers For Year

Members of the Cross Plains Future Farmers of America Chapter met this week and elected officers for the school year.

Officers elected were: President Jim Cade: vice president, Dwayne week and that several more were Wilson; secretary, Homer Robison; needed, so, if you have a horn treasurer, N. A. Roady; reporter Gene Bush; sentinel, Tom Scott historian, Joe Garrett; parliamentarian, Elzie Wilson; second vice president, Kenneth Beeler; third vice president, Edwin Franke and advisors, O. B. Edmondson and Hulon Harris.

Ward School Football Team To Tangle With Rising Star Kittens Tuesday Night

Coach Hubert L. Keumpel's Cross Plains Calves will play hosts to the Rising Star Kitten football team in the first game of the Junior Season here next Tuesday night, September 30, with game time scheduled to start at 7:30.

Little is known about the strength of either team but fans can rest assured that the "Mighty Mites" of both schools will put their best and a good game will be played.

Coach Keumpel's squad boasts 33 players ranging in weight from 75 to 179 pounds and can be depended on to be rarin' and ready to go.

The roster reads, as ros	onb.

School Lunch Menus Given For Next Week

The following menus will be prepared and served in the school lunch room beginning next Monday, September 29:

Monday: Salmon croquettes, catsup, mashed potatoes, baked beans, light bread, vegetable salad, banana pudding, milk.

Tuesday: Spinach or turnip greens, stewed potatoes, pickles corn bread, fruit cobbler, chocolate Wednesday: Roast pork sand-

wiches, French fried potatoes, tomato and lettuce salad, devil's food cake, milk. Thursday: Blackeye peas, potato salad, buttered squash or corn,

corn bread, jello with fruit, chocolate milk. Friday: Hot dogs, ranch style beans, lettuce wedge.

Buffs Lose to Baird, 8-0;

ped a non-conference game to the Baird Bears last Friday night by a score of 8 to 0, before a capacity crowd at Baird.

The Baird lads scored in the econd period when Charles Brame went over from the two-yard line. The try for point was missed. The Bears counted again in the fourth period after punting out-of-bounds near the Cross Plains goal ilne. Jim Cade attempted to punt out of danger and the ball bounced back over the goal line where it was recovered by Baird for safety and two points.

The Buffaloes were plagued with 'fumblitis" throughout the game, but managed to stave off several Baird scoring threats deep in their own territory and came out of the fracas with an edge in the number of first downs, making six while Baird racked up only five.

Jim Cade played outstanding football in the backfield for the Buffs while Danny Myrick turned in a stellar performance in the line, both on offense and defense. An open date this week will give the Herd an opportunity to sharpen its attack before meeting the Early High Longhorns here Friday night of next week in the first home game of the season. It will be a non-conference battle.

Buffalo "B" Team To Play Carbon On Local Field Tonight

The high school "B" team will meet the Carbon team here tonight (Thursday) in the first game on their season schedule, with game time called for 8:00 p.m. Admission prices will be 40 cents and 20 cents. it was said.

Little is known about either of the teams, but the game will give local fans an opportunity to view our future teams in action and Coach Frank Rundell says that his charges are ready to go.

Band Director Bill King announced that the Buffalo Band will play at the game, but will not wear their uniforms. Barring wet weather, a large crowd is expected at the game.

The probable starting line-ups for the two teams will be: Cross Plains

Burglars Loot Rev. C. Y. Butler, pastor of the Methodist Church here, announced Pioneer Store, Post Office

ing next door to the Gray Store in Pioneer Monday night and robbed the safe of about \$115.00 in cash. They also broke into the post office which is housed in the store and made off with \$12.00 in post office funds, according to Lonnie Gray, store owner.

Entrance to the store was gained by breaking into a vacant building next door and then crashing through a sheet rock partition wall into the Gray store.

Sheriff's officers from Eastland stated that the job looked like the work of professionals and that evidently the burglars wore gloves since no fingerprints were found. Postal inspectors are also investigating the burglary, but no clues had been found as the Review went to press.

Howard Payne To Meet Sam Houston Bearkats In Brownwood Saturday

BROWNWOOD - The Howard Payne College Yellow Jackets, still licking their wounds from the 20-7 defeat at the hands of New Mexico A&M, have been going at full steam this week in preparation for the Stingers first home game with Sam Houston State Saturday night in Brownwood High Stadium.

Sam Houston's Bearkats will boast a powerful running attack as well as a tricky passing offense in their efforts to down the Jackets two years in a row. The Bearkats beat Howard Payne 27-19 last season. Since 1919 the Yellow Jackets have defeated the Sam Houston State gridders 19 times while losing six and two ending in ties

Leading the Howard Payne at tack will be Melvin Lindsey and Clyde Blair, two backfield standouts from Spur. Lindsey proved he would be a threat as a passer in the New Mexico Aggie game when he completed six of 13 throws in a damaging wind and Blair used his shifty running ability to good advantage to lead Jacket ground

Stalwarts in the Howard Payne forward wall this season are S. V. Box, Elvin Hill, Bill Little, Delbert man County. Grimes, Lloyd Marr and Joe James while several newcomers are showing up well in practice and will have to see lots of action before the end of the season.

Local Soldier Returns From Korean Theatre

Pfc. Roland D. Brown, son of Mr. and Mrs. Frank N. Brown of this city, is visiting his parents while enjoying a 30 day furlough from the army following his rotation back to the States from the Korear Theatre.

Pfc. Brown spent 15 months in Korea, fighting with the 21st Infantry Division. At the end of his leave he will report to Fort Sill. Oklahoma for reassignment to duty in the States.

Pvt. Bob Dean With 28th. Infantry Division In Southern Germany

WITH THE 28TH INFANTRY DIV. IN GERMANY-Pvt. Lorenzo (Bob) Dean, whose wife, Nelda, lives in Cross Plains, is now serving in Germany with the 28th Infantry Division.

Now in Bavaria, in southern Germany, the division is receiving intensive field training under simulated combat conditions. It is part of the North Atlantic Treaty Organization (NATO) Army that is guarding western Europe.

Pvt. Dean, an air compressor specialist, arrived in Europe August 23.

Before entering the army last January he was employed by the King Motor Co. in Eastland. His parents, Mr. and Mrs. Delma Dean, live at Pioneer.

RETURNS TO CAMP RUCKER

Cpl. Robert G. Clark left last Sunday for Camp Rucker, Alabama after spending a 15 day done by a guided politician. furlough here with his parents, other friends and relatives.

Mr. and Mrs. James Yarbrough arrived Monday for a visit with Lavanice Moore of Hobbs and Mr. their parents, Mr. and Mrs. W. P. Yarbrough and Mr. and Mrs. Tom

City Water Tank Now In First Class Shape

completed work on the city water storage tank here last week and declared that it was now in first class condition.

Mayor S. F. Bond stated this week that the total cost of the overhauling job will run approximately \$6,000.00, and that the work is guaranteed for a period of 10 Mayor Bond pointed out that a new tank like the present one would cost the city \$32,500.00 while the repair job just completed makes the old tank as good as new and ready for long years of service.

Gentle Rain Falls Monday

ing from one-half to more than an inch fell over the Cross Plains territory during the day, Monday.

The rain started here about 7:30 a.m. Monday and intermittent showers continued throughout the day and smiles were everywhere. While the moisture cannot be classed a "drouth-breaker" it will be very beneficial to castor beans, late peanuts and pasture and small grains and gives local farmers and ranchers renewed hopes that the drouth will be broken before too long.

Peanut and castor bean farmers state that the showers will help them greatly and they are now hoping that frost in this section will hold off for another 60 days, so that their late crops will have time to mature.

Gauges in the city measured about one-half inch while an inch and better was gauged by farmers north and west of town. The fall was lighter east of town, it was reported.

Burkett Girl Contest Winner of Achievement

Miss Barbara Golson, daughter of Mr. and Mrs. Paul Golson of Burkett, has been named first place winner of the 4-H Achievement Contest in District 7, Cole-

Barbara, a senior in Coleman High School, will represent this Plainview announce the birth of district in the state judging to be a son Thursday, September 18, in held October 8 and 9.

She is an outstanding 4-H'er in to Chicago and Washington, D. C. city.

Emil Ringhoffer, who is employband Sunday.

Barr Oil Test Workmen for the Dixie Tank & Bridge Co. of Memphis, Tennessee,

ported this week that their Mrs. S. C. Barr No. 1 had been comyears. In speaking of the project pleted as a producer in the Cross Plains Sand and is now pumping about 15 barrels of high gravity oil daily.

The well is located on a 68-acre tract just outside the city limits south of town, and is 215 feet from the west and 300 feet from the north lines of the W. G. Anderson Survey No. 777.

Operators found a good show of oil in the Cross Plains last week and casing was set and cemented and the test was Hydrofraced. According to operators there is very little gas but the well has been given a potential of 20 barrels

Inca Drilling Co. is to drill two projects in the Cross Plains Field one mile south of town. No. 1 Mary Long will be 300 feet from the most northerly south line and 1,240 feet from the most westerly line in W. G. Anderson Survey 777.

No. 1 Tom Lane is to be 300 feet from the north and 1,200 feet from the west lines of Rebecca Edwards Survey 778.

Both are scheduled for 1,400 feet with rotary.

Exemptions Available Now For Persons **Voting First Time**

Anyone who has become 21 years of age since January 1, 1951, or who will become 21 years of age before November 4, may obtain an exemption certificate now from the county tax assessor-collector's office to vote in the November 4 general election.

An exemption certificate may be obtained any time up to 30 days before the election. The last day for obtaining such a certificate this year will be Saturday, October 4.

THE BAYOU PHILOSOPHER SAYS TELEVISION WON'T STOP HIM FROM WORKING; STRAYS OFF ON POLITICS

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou is up to his usual standards of being mixed up, his letter this week reveals.

I read the other day where some government official was worried about the inroads of television.

Accordin to him, more and more cities are gettin television stations and as a result more and more people are gettin television sets, to where it won't be long until nearly everybody has a set or has a neighbor who has one, which is the same thing only cheaper. Now the reason he was worried was that he was afraid with all

just want to sit at home and look. Personally, I do not agree with him. I wasn't workin much before television was invented and will not let the thing influence me

this television available people are not goin to want to work as much.

one way or the other. You take a man who has to wait to get a television set to stop workin, he ain't got much initiative about loafin in the first place. A man who ain't already figured out a reason for loafin, he won't, find much in television to help him toward that goal.

Politicians may have lots to worry about, but worryin about television causin me to loaf more ain't one Speakin of politics, I been followin the Presidential race pretty close lately and it seems to me

the trouble about runnin on a platform of bein against corruption is that there ain't any parties equipped to do it with 100 per cent success. Somebody is always turnin up something on both sides that doesn't have the right odor. Understand, I'm in favor of gettin rid of corruption, but with parties as big as they are, it's expectin a whole lot of human nature to count on all the scoundrels bein on one side. Maybe what the country really needs is somebody who is outspoken against all kinds of corruption, don't make any difference which side it turns up on. Guided missles seem to be the comin thing in warfare, but they can't hold a candle to the damage that can be

Personally, I think we got a couple of pretty good main candidates, Dr. Calvin Gambill called the Mexico are the parents of a seven Mr. and Mrs. W. M. Clark, and but laws ain't passed at the White House, they're passed in Congress. Of course, I think we got a pretty good Congress too, probably as good as we deserve. And there ain't much I can say against the electorate, without steppin on my own toes. In fact, there ain't much wrong with and baby of Wolf Point, Montana this country that couldn't be cured by a good rain, lower taxes, more honesty, and 100 years of peace. Anybody who can deliver on this is welcome to the Presidency.

Yours faithfully,

"DIGGIN' HIS HOOKS," this convict cowboy makes a vain attempt to stay aboard one of the wild broncs used in the Bareback Bronc Riding event during the Texas Prison Rodeo. The wildest riders on the wildest stock is the claim of the convict riders who perform each Sunday afternoon, October 5, 12, 19 and 26 in Prison Stadium, Huntsville. This year's event will be the 21st Annual Prison Rodeo.

Young Radio Evangelist Who Raised \$250,000 In 3 Months For Radio Program Speaks In San Angelo

James W Winter

Mr. and Mrs. G. C. Evers and

son of Dublin spent the week end

with her mother, Mrs. Ira Loving.

Mr. and Mrs. Bert Brown vis-

ited in Burkett Sunday with her

sister, Mrs. G. W. Ramey. Mrs. W.

that the five sisters had been to-

gether at the same time.

James W. Nichols, the 24 year old radio evangelist who raised \$250,000 in three months time to finance a nation-wide radio program for the churches of Christ, will be in San Angelo on September 25, and will speak at the Church of Christ, Harris & Irving Sts. at 7:30 p.m.

Time magazine and other national publications have told the story recently of how Nichols, alone and practically unaided, set out to perform the Herculean task of raising the necessary funds to put the Church of Christ on the national airways for a year.

The Church of Christ differs from other religious groups. It has no central organizations to tie the various congregations together. Each is a separate entity, choosing its own preachers, going its own way with no national board to plan national programs. "Lack of central direction, says Time, has not kept the Churches of Christ from growing impressively; membership, N. Nunn of Abilene, Mrs. Emma heaviest in the South and South-Flippen of Burkett and Mrs. B. F. west, has doubled in 25 years. Wright of Bangs were also visitors

Nichols is now in the process of in the Ramey home. It was the gathering support for another first time in more than 15 years year's broadcasting while an associate, James D. Willeford, of Madison, Wisconsin, is carrying on the coast-to-coast broadcast.

The program, called the "Herald of Truth," is now being heard on 209 ABC and independent radio stations. Mail is currently being received from the 48 states in the union and from many foreign countries. The program is financed entirely by donations of individuals and congregations of the Churches of Christ and no appeal for funds is made over the air.

Schools Should Have Definite Health Program Says State Official

Every school should have a definite school health program. Situations such as, the kind of drinking water, arrangements for the school unch, the lighting, seating, ventilation and cleanliness of the classroom, and the personal practices of the teachers and children are the basis of the school health program, said Dr. Geo. W. Cox, State Health Officer.

Every school has tremendous opportunities to promote the health of its pupils and of its community From early childhood to early manhood and womanhood, most children are enrolled in schools and are under the supervision of school staffs for a substantial part of the day for approximately half the days of the year. The conditions under which they live in school, the help which they are given in solving their health problems, the ideals of individual and community health which they are taught and the information and understanding that they acquire of themselves are factors which operate to develop attitudes and behavior conducive to healthy, happy and successful liv-

Schools alone, however, cannot enable children to attain all the desirable goals of individual and community health. Considering the magnitude and multitude of the diverse and continuing efforts that must be made to satisfy the health needs of the children, many people and groups, in addition to schools and health departments, should be interested in promoting health.

Parents have a prime responsibility. Physicians, dentists, nurses social and welfare workers organizations, such as medical, dental, nursing societies, and voluntary nealth agencies should all lend their support to local and state health departments in their effort to secure better health not only for school children but the community as a whole.

NO TIME FOR FOOLIN'

THAT BULL MEANS BUSINESS! Convict clowns and riders delight in tight situations that bring spectators to their feet gasping. Four big Sunday afternoons, October 5, 12, 19 and 26, have been set aside for thrills at Prison Stadium, Huntsville. The occasion is the 21st Annual Prison Rodeo, staged by inmates of the Texas Prison System. It is an event that drew more than 100,000 rodeo fans to Huntsville

funny to them at today's livestock prices.

Korean fighting began June 25, 1950. Let's compare today's prices of livestock with the week preceding the outbreak of fighting:

Hogs have held their own. Monday they brought \$20 and \$20.50 at Fort Worth, same as on June 22, 1950.

But, cows sold from \$13 to \$22.50 before Korea, and today it's \$9 to \$18. Bulls then drew \$16 to \$22.50. and today they sell at \$12 to \$20. Slaughter calves ranged from \$15 to \$30 before Korea, and today from \$12 to \$28.50. Slaughter steers and yearlings sold then at \$16 to \$31, and similar cattle today sell at \$12 to \$31.50.

Stocker calves were reported at \$18 to \$31 on June 22, 1950, and today similar kinds get \$16 to \$28. Stocker yearlings then brought \$20 to \$29, and today sell from \$15 to \$26. Stocker cows at \$18 to \$25 then, now bring \$14 to \$23.50.

Slaughter lambs at \$16 to \$27 then, currently sell at \$8 to \$24. Yearling wethers at \$15 to \$22 then, now bring \$8 to \$18. Slaughter ewes before Korea brought \$9 to \$11, and now \$5.25 to \$7.25. Feeder lambs at \$15 to \$23 then, now sell at \$12 \$15 to \$21, and now \$10 to \$14.

and yearlings sold at Fort Worth other relatives.

jokes about high priced meat!! | from \$23 to \$38, \$8 to \$10 above You'll lose your farm and ranch current prices. Cows a year ago friends for life-because it ain't this week cashed from \$15 to \$28, bulls from \$28.50 downward. Fat calves topped at \$34.50 a year ago this week and stocker calves at \$40 and higher. Six dollars and \$12, respectively, higher than today's levels at Fort Worth. Lambs topped was an eight acre block that was at \$31.50 a year ago, \$7 to \$8 above today. Ewes drew \$10 to \$15.50 a vation for many years and was a year ago, against \$7.25 down today. Yearlings brought \$27, against \$18 yield that could be expected from and down this week. Feeder yearlings drew \$25 and down, and now bringing \$14 and less. Feeder lambs at \$30 a year ago compare with \$18 and down today.

Nope, jokes about high priced meat just ain't funny to the folks that produce livestock for a living!

Mrs. Verna Mae Ramsey attended the Hardin-Simmons-Arizona State football game in Abilene Saturday night and visited her daughter, Barbara.

Mrs. Mack Campbell returned Monday from an extended visit with relatives in West Virginia, Michigan and Ohio. Mrs. Campbell also made a trip into Canada while

Mr. and Mrs. Vernon M. Hill and son, Tommy, and Mr. and Mrs. V. to \$18. Feeder yearlings then drew M. Hill and baby of Odessa spent the week end here their parents, Just a year ago this week steers Mr. and Mrs. Drew I. Hill, and

MAGNOLIA SERVICE STATION

Next Door To Calhoun Motor Company

The story of the Methodist Home at Waco actually told by the children themselves will go on the air again Sunday, September 21, at 8:15 a.m. over 14 radio stations. The Home is dramatizing activities from the lives of its more than 400 children again this fall on Sunday morning because of an enthusiastic response from radio listeners all over the Southwest last fall. Some of them wrote that they had contributed to its support many years without ever having been able to visit its campus, and that the radio programs gave them a vivid picture of its life. Students and ex-students have done most of the script writing, and are acting out the incidents. Music by the Home choir will be a feature of the 15 minute broadcasts which are entitled, "These Are Your Children."

Radio stations which will carry the program are as follows: WFAA, Dallas; KPRC, Houston; WOAI, San Antonio; KRIS, Corpus Christi; KRGV, Weslaco; KGNC, Amarillo; KCRS, Midland; KOSA, Odessa; KROD, El Paso; KFYO, Lubbock; KWKC, Abilene; KGKL, San Angelo; KFDM, Beaumont; KTRE, Lufkin.

TEXAS DROUTH RELIEF

The drouth of 1952 will be long emembered by Texas farmers as one of the most devastating that has ever hit the state.

In early July, it became aparant that the production of some the state's major crops would be considerably cut unless rains were received. The saving rain failed to appear and not only did crops suffer, but livestock as well,

particularly in West Texas. The immediate result has been the ruin of more than 2,000 small stock farmers and ranchers. Unless rains are received, and effective measures taken, many thousands more of the smaller operators will be wiped out.

One of the steps taken by the Texas Commissioners of Agriculture was the joint appeal with state officials for emergency relief from the federal government. Consequently, something under 100 counties, principally in the western sector of the state, have been declared a disaster area.

A program has now been developed which will make hay available at reasonable prices in order to encourage farmers and ranchmen to retain livestock which would otherwise be uneconomical. State and county agricultural mobilization committees have been delegated the responsibility for the over-all policy on this aid. State and County PMA Committees also will be responsible for operation of the program. Purchases and shipment of the hay to stricken areas will be by the Commodity Credit Corporation.

Farmers and ranchers may buy egume hay at \$36 per ton, mixed hay at \$32, and grass hay at \$28. All foundation cattle, including dairy stock with steer calves no older than 10 months, and sheep, are eligible for hay at these prices. A deposit of \$5 per ton will be required with each order.

Present plans call for the delivery of hay directly from railroad cars. The county committee will arrange with local feed dealers to supervise the unloading and delivery of orders. These orders will be limited to approximately a 30 day supply for each purchaser until all eligible purchasers in the county have

received a share. The County PMA Offices in the various disaster counties will supply hay order blanks. The \$5 per ton deposit should be paid at the same time the order is filled at the PMA office.

Mrs. Sam Barr and Mr. and Mrs. Hugh McDermett were in Angelton over the week end for a visit with Mr. and Mrs. Hulan Barr and

Mrs. C. R. Cook, who has been in Temple with the Peyton Smiths for several days, returned home Tuesday. Mrs. George Scott, who had spent several days there, returned home Monday.
