

"AS I SEE IT"

By Jack McCarty

School bells will toll here next Monday morning, heralding the beginning of another school year, and while this department realizes that it will be anything but a happy day for the kids, we always look forward to it, because it seems that everything picks up in tempo when school starts.

It won't be long until football season will begin and then activity in the city will really begin to spark. In talking with Coach James Alexander the past week, we found him well satisfied with his prospects for this season. He stated that while he held little hope for a winning team, he looked forward to an excellent season with more wins than losses. He pointed out that the Buffalo squad would be inexperienced and would be facing a tough schedule in fast company. There seems to be little doubt among the sidewalk quarterbacks in this district about who will be the district champion even before the season starts. Almost to a man, they pick Ranger.

This department enjoyed visiting with the ex-students of the Pioneer school during their reunion at the Baptist tabernacle in Pioneer on Thursday of last week. With almost 200 present, they really enjoyed the day and voted unanimously to meet again at the same place next year. Our congratulations are extended to W. T. (Dub) McClure upon his election as president of the organization and we know that he will see to it that an excellent meeting is staged next year.

Oil activity in this area continues brisk and according to Tom Bryant, prominent oil operator of this city during the past 30 years, it bids fair to continue for sometime at an even greater pace. He stated that at least 15 projects are slated in the War-Kirk Field just west of town in the very near future. With the completion of a good Cross Plains Sand well on the Tom Lane place, three miles south of town, drilling operations are being stepped up in that area and several new projects are to be drilled soon, it was said. Large numbers of wells are still being completed in the Cross Cut area, with new projects being staked each week.

Due to this oil activity Cross Plains is suffering with "growing pains" and all that keeps our city from gaining 25 or 30 families, is housing facilities. A number of real estate transactions have been made here in the past few weeks and several are now in the process of changing hands.

To further aggravate the housing shortage here, it will only be a matter of weeks until road crews will be here to start work on the new Highway 36 project. Following the Boy Scout motto, "Be Prepared" the local Chamber of Commerce is now endeavoring to line up available housing and will list free of charge all apartments, houses and bedrooms for rent. If you have a spare room you would be willing to rent, please notify A. J. McCuin, secretary of the Chamber of Commerce.

This writer and his better half joined Mr. and Mrs. Fred Tunnell in a joy ride through the surrounding countryside last Sunday afternoon to survey the effects of the recent rains. Never, in the past three years, have we seen better crops in this area. It really was a JOY ride! We are happy to see that the heavy rains in the Cottonwood area did not do as much damage to growing crops as was first feared.

### County Agent To Show Films At Cottonwood "Community Night"

The Review has been requested to announce that the regular "Community Night" program will be held at the Cottonwood school building tonight (Thursday) beginning at 7:30 p. m.

Included on the program will be a showing of two films by County Agent Glen Green, it was said. One film will be of interest to farmers and their wives and the other will be for the entertainment of the children present.

Everyone in this area is extended a cordial invitation to attend the affair, it was stated.

### Scranton Methodist To Begin Revival Sept. 6

Rev. James C. Skinner, pastor of the Scranton Methodist Church, announces that the annual revival will begin at that church on Sunday, September 6, and continue through September 13.

Rev. Len Layne, evangelist of Waco, will do the preaching and Rev. Skinner will lead the singing.

Services will be held twice daily, at 10:30 a. m. and 7:30 p. m.

Miss Alice Bryson was a visitor in Big Spring over the week end.

Help Build A Better Community By Trading At Home

PIONEER REUNION'S NEW OFFICERS—Pioneer ex-residents of the 1880-1890s Thursday elected (left to right): W. T. McClure, president for 1953-54; Dewitt Underwood, Route 5, Lubbock, vice president; and Ace Hickman, prominent Baird ranchman, secretary. (Review photo)

## 200 Attend Ex-Students Reunion At Pioneer Thursday

School boys and girls of the 1880s and 1890s attended the annual Pioneer Ex-Students Reunion Thursday.

They and their descendants numbered 200. A program given in the forenoon was topped off with a cafeteria-style lunch and barbecue.

W. T. (Dub) McClure was elected president for the ensuing year. He lives on his place seven miles north of Pioneer.

Dewitt Underwood, Route 5, Lubbock, was chosen vice-president, and Ace Hickman, prominent Baird ranchman, secretary.

McClure furnished the barbecue which was served with the lunch prepared by the Pioneer Home Demonstration Club.

Hickman called the reunion in session. Rufus Nichols, Melvin, led the throng, under the community abernacle, in singing "Amazing Grace." Invocation was by the Rev. Ed Anderson, retired Methodist minister, Brownwood. A quartet composed of the Rev. Arthur Anderson, Clyde; Nichols, and Mmes. Virginia Calverley, Christoval; and Ethel McNeill, Winters, sang "Precious Memories," "Farther Along" and "In the Land Where We'll Never Grow Old." Nichols also led the responsive throng in singing "On Jordan's Stormy Banks."

Hickman reminded the group that Sam Browning, Sweetwater, and B. W. Webb, Burkett, ex-students, had died since the last reunion.

McClure, new president, was born a few miles south of Pioneer, as was Hickman, secretary. Underwood attended Pioneer schools in 1898.

President McClure appointed Jess Flippin, Joe Bryson and W. E. Gober, all of Pioneer, as a committee on arrangements for the 1954 reunion.

83 Students Attend

Among the older ex-students of Pioneer schools who were present were Silas J. Smith, 76, who attended in 1883; and his brother, W. W. Smith, 72, in the 1880s. Both live in Cross Plains. Mrs. R. L. Westerman, Christoval, who came to Pioneer in 1876 and attended school there in the 1880s, and Elzie Teston, who came to Pioneer in 1884, also was present.

Another old-timer in attendance was Andrew Mann of Mena, Ark., who came here especially for the reunion. His father, who arrived here in 1880 was a former Texas Ranger.

Members of the Pioneer Home Demonstration club, who served the dinner and barbecue were: Mrs. Nell Fleming, president; Mmes. Joe Bryson, Bobbie Roady, A. L. Garlitz, H. C. Fridge, Joe Fleming, Ed Gober, H. A. Freeman, Henry McCoy, Calvin Roady, S. O. Skinner, C. B. Hester, and Miss Grace Brown.

The afternoon was spent under the community tabernacle mingling and reminiscing.

Oldest Members Recognized

After lunch, president McClure recognized the oldest members present, as follows:

Mr. and Mrs. R. L. (Bob) Westerman of Christoval, oldest couple present.

Mr. and Mrs. John Browning of Brownwood, second oldest couple present. Mr. Browning taught school at Pioneer 60 years ago.

Mrs. Ella Stagner Garrett of Los Angeles, California, was recognized for having traveled the longest distance to attend the reunion. She stated that she had been unable to attend the past five years and was

thoroughly enjoying renewing old acquaintances.

Short Talks Are Made

At the invitation of president McClure, several of the old-timers made short talks before the crowd. Among those speaking were: M. B. Nix of Cisco, who first moved to Pioneer in 1881.

John R. O'Neal of Hobbs, N. M., who was reared in the Pioneer community made a short talk, as did Lee Davis of Coleman. W. W. Smith of this city also made a short talk.

Hamilton Wright, veteran reporter for the Abilene Reporter-News and Jack McCarty, publisher of the Review, addressed the reunion group after being called on by president McClure.

To Meet Again Next Year

The crowd of old-timers voted unanimously to meet again next year on the third Thursday in August, under the tabernacle at the Pioneer Baptist Church.

## Methodist Revival In Progress Enjoys Good Attendance

The revival now in progress at the Cross Plains Methodist Church is enjoying good attendance at both morning and evening services.

Rev. John M. Neal of Lucendale, Mississippi, is bringing the messages and Doyle Burchfield is in charge of the music with Mrs. Clyde Bunnell at the organ.

Services will continue through Sunday evening and everyone is extended a cordial invitation to attend. Morning services begin at 9:45 and last thirty minutes and evening services begin promptly at 8 o'clock.

## Rising Star's Oldest Resident Buried Monday

Funeral services were held Monday afternoon, August 24, at 2:30 at the Rising Star Church of Christ for Mrs. John M. Dill, 97, Rising Star's oldest citizen. Burial was made in the Rising Star cemetery.

Mrs. Dill was born in Arkansas and came to Texas in 1874 settling at Brownwood. The family moved near Pioneer in 1884 and lived there many years before moving to Rising Star. Mr. Dill died in 1930.

Survivors are two sons, Dr. J. R. Dill and Frank Dill, Rising Star; two daughters, Mrs. Alice Lamb of Rising Star and Mrs. Lula Bull of Eugene, Ore.; 17 grandchildren and 33 great-grandchildren.

## Billie Ruth Loving To Receive Masters Degree

Miss Loving will receive the master of arts degree at the commencement exercises at NTSC.

## Work Day Scheduled For Roping Arena

Friday has been set for another work day on the new roping arena now being constructed by the Cross Plains Riding Club, on the parking area in the City Park.

According to the announcement, workers will labor all day Friday in an effort to complete the job of building pens in the arena.

Plans call for lighting the arena as soon as it is completed and membership in the club is said to be growing rapidly.

Anyone desiring to join the club or contribute to the finances of the movement is invited to get in touch with Hugh McDermott, Mr. McDermott said last week that while an extensive drive had not been conducted, a large number have joined and over \$700.00 has been subscribed on the cost. He stated that when completed, the arena would be one of the finest in this area and would provide a large measure of entertainment for lovers of rodeo events.

## Local P-TA To Sponsor Get Acquainted Party

Mrs. Gwynn Elliott, local P-TA president, has announced that the organization will sponsor a get acquainted party Tuesday evening, September 8, at the High School building and that all patrons of the school are urged to be present. The party will get underway at 8 o'clock.

Mrs. Elliott stated that a short program will be rendered, entertainment will be furnished and refreshments will be served.

Remember the date Tuesday evening, September 8, at the high school building at 8 o'clock.

## McGary Service Station Being Modernized; To Re-open This Week End

## Everett A. Roberts, Former Resident, Buried At Fort Worth

Everett A. Roberts, 47, Fort Worth mechanical contractor, died Sunday morning in Fort Worth following a heart attack. He had been ill for six weeks.

Roberts is well known in Cross Plains having built and operated the ice company here for a number of years before moving to Fort Worth.

Survivors are his wife; one daughter, Mrs. LaVerne Klopp; one son, Everett A. Roberts, Jr.; his parents; one brother, a sister and one grandchild all of Fort Worth.

Funeral services were conducted in Gause-Ware Memorial Chapel Monday afternoon at 4 o'clock. Burial was made in Greenwood Cemetery.

Mr. and Mrs. Clyde Sims, long time friends of the Roberts family, attended funeral services for Mr. Roberts.

## AREA OIL NEWS

Johnson & Warren of Fort Worth and Cisco completed two wells in the War-Kirk Cross Plains Sand Field, eight miles northwest of Cross Plains.

Their No. 1-B Fred Heyser, R. Green Survey 220, had a daily potential of 57 barrels of 44 gravity oil. Flow was through a 1-4 inch choke with 340 pounds casing and 20 pounds tubing pressure. Having a gas-oil ratio of 250-1, the well is producing from an open hole at 1,819-20 feet.

No. 3-A Claude M. McAnally, J. H. Pickens Survey 221, had a daily flow of 78 barrels of 44 gravity oil. Completion was on a 1-4 inch choke with 150 pounds casing and 20 pounds tubing pressure from an open hole at 1,795-99 feet. Gas-oil ratio was 350-1.

A Cross Cut Sand discovery well was completed four miles southwest of Cross Cut in northwestern Brown County at Stafford L. Jones, et al, No. 1-3 M. Spellings, Subdivision 3, A. White Survey 161.

Daily potential for No. 1-3 Spellings was 41.38 barrels of 41 gravity oil, plus 40 per cent water. It is pumping from eight perforations at 1,568-70 feet. The hole is bottomed at 1,634.

The well was originally drilled by Lone Star Oil Co. and abandoned at 1,634 feet. Jones re-entered the hole, drilled five feet deeper to test the Cross Cut Sand, and completed it as a producer.

Location for a 1,990-foot cable tool wildcat was set four miles southeast of Cross Plains as Ronald R. Perkins of Albany No. 1 Balkum. Drilite is 1,448 feet from the south and 500 feet from the east lines of A. J. McGowen Survey.

New oiler for the regular field two and one-half miles southeast of Cross Cut is Frank W. Young, Dallas, No. 5 H. H. Smith, W. Miller Survey 149.

Daily potential was 80 barrels of 38 gravity oil, pumping from an open hole at 1,313-50 feet.

Another regular field project was completed seven miles southeast of Cross Cut at Trans-Tex Exploration Co., Abilene, No. 2 H. L. Jones, Wm. English Survey.

No. 2 Jones during the daily potential test gauged 40 barrels of 43 gravity oil. It is pumping from 20 perforations at 1,138-43 feet with the casing set on the bottom of the hole at 1,192 feet.

Five miles southwest of Cross Cut in the regular field, B & R Oil Co. of Breckenridge No. 1 Ross J. Newton is a 1,300-foot rotary try. It spots 3,730 feet from the north and 200 feet from the east lines of Robert Mitchell Survey 141.

Reef Oils, Abilene, staked locations for two regular field projects four miles southeast of Cross Cut. Both are contracted for 1,200 feet with rotary.

Site for the firm's No. 2 J. H. Kellar is 4,610 feet from the north and 720 feet from the east lines of R. Mitchell Survey 141. No. 3 J. H. Kellar spots 4,975 feet from the north and 830 feet from the east lines of that same survey.

Spotted two miles southeast of Cross Cut was Birdwell-Ibex, et al, No. 3 J. R. Prater, contracted for 1,900 feet with rotary. The regular from the north and 387 feet from the north and 387 feet from the west lines of the 31.5 acre lease in W. L. Swain Survey 145.

Seven miles northwest of May in the regular field, R & S Oil Co. staked locations for three regular field projects, all contracted for 1,225 feet with rotary.

Four miles southeast of Cross Cut in the regular field, N. M. Dillard & E. R. Deere of Cross Plains No. 4 J. F. Pickett was spotted.

Site for the 1,300-foot rotary project is 800 feet from the north and 2,400 feet from the east lines of the west-half in ETRR Survey 156.

## Schools Will Open Here Next Monday With Full Schedule

The stage is set and everything is in readiness for the grand opening of school here next Monday morning, according to an announcement made by Superintendent Paul Whitton here Monday of this week. Classroom work is scheduled to begin at 8:30 a. m. and will continue until 3:30 each day. The lunchroom will be in operation and tasty, balanced meals will again be served to students for 20 cents per plate. Lunch hour will begin at 11:00 a. m. with the first grade being served first. Other grade school classes will be served in succession and at 11:45 the high school will be served.

High School Registration

According to the announcement, high school students will register for classes Friday, Aug. 28, beginning at 9:00 a. m., and all local high school students are urged to be on hand on this date and get their daily schedules lined up so that regular classroom work can be carried out the first day of school.

Elementary School Principal Hubert M. Kelley says that state regulations require that each beginner who is not on the local school census rolls or who has not transferred to the local school during the past summer must present a birth certificate on the first day of school in order to be accepted.

Faculty and Board to Meet

Supt. Whitton stated that the faculty and members of the school board would meet at the high school building tonight (Thursday) for a business meeting and get-acquainted affair.

The meeting is scheduled to get underway at 7:00 p. m. with a dinner being served in the school lunch room. After the meal, the group will be addressed by Harley Black, County School Superintendent of Brown County.

After Supt. Black's talk, the faculty will divide into ward and high school groups and will retire to separate rooms for their respective meetings presided over by the school principals.

## Former Cross Plains Postmistress Buried At Pioneer Thursday

The plant will operate three days a week and announcement of the days will be made next week, it was said.

## Burkett School To Open Monday, August 31

W. R. Chambers announces that the Burkett school will open Monday morning, August 31, with a full day of activities planned. Parents of pupils are invited to accompany their children on the opening day and enjoy the program to be rendered.

## BAYOU PHILOSOPHER SAYS THERE ARE THINGS MORE IMPORTANT THAN THE H-BOMB THAT RUSSIA CAN'T INVENT

Editor's note: The Bayou Philosopher on his Johnson grass farm on the Bayou has a new slant on the Russian situation, his letter this week reveals.

Dear editor:

There is considerable speculation in this country over whether or not Russia has the Hydrogen bomb.

Malenkov, the temporary dictator of Russia—all dictators are temporary, at least they always have been—claims Russia has the H-bomb, but there ain't a Justice of the Peace court in the United States that'd accept testimony from him with a straight face.

A lot of experts in this country have speculated on the matter also, and as I understand their opinions some of them believe Russia has the bomb, others don't. You can see, the experts are on the ball and one or the other is bound to be right.

However I've been thinkin, whether Russia has the Hydrogen bomb or not doesn't make too much difference, if she hasn't got it now she will have it sooner or later, keepin such things a permanent secret is about like tryin to keep some other country from figurin out the principle of the ice box or the ironin board.

But there are some things which Russia hasn't got, which makes this country head and shoulders ahead of her. There are some things the Russians just ain't got any talent for figurin out.

For example, Russia just ain't never been able to figure out the principle of the privately owned newspaper. Every time some editor over there gets the idea of startin a newspaper, something happens to him. Either his press breaks down, or his nervous system does, or he just disappears and ain't heard from no more. There's a fertile field for independent newspapers over there, but the Russians just don't seem to have the know-how.

Also, Russian financiers have never perfected the principle of the privately run bank. Those little confidences which exist between a man in this country and his banker just don't crop up over in Russia. It's not that some Russians aren't thrifty, but a man with a bank account over there is as scarce as anti-administration letters to the editor in the state-owned newspapers.

Another thing Russia can't figure out is how to produce barbers with freedom of speech. This ain't necessarily the worst thing about Russia, but there are barbers in this country who would wind up with a nervous break-down under such a system.

Another thing Russia can't invent is the split ballot, and mark-down sales in dry goods stores, and two political parties, and Supreme Court judges who can't be fired, and farmers who get to keep what they grow if they don't feel like selling, and people who loaf when they feel like it.

I tell you, whether Russia has the Hydrogen bomb or not is a small matter in the face of all the things she knows about and still can't perfect.

Yours faithfully,

J. A.

## Washington

"As It Looks From Here"

OMAR BURLISON  
Congressman  
17th District

Washington — "Breathes there the man with soul so dead, who never to himself has said, this is my own, my native land." Everyone is familiar with these lines. I think of them as I drive along or as I walk the streets and see things and people with which I am well acquainted. This is being written from my home town of Anson.

Since my return the question most frequently asked is about the feeling in Washington regarding the truce in Korea. Does it mean peace? Is it another Communist trick to build up their strength for aggression in Korea or some other place?

All these are questions which only the future can definitely answer. The truce is based largely upon a hope that the basic political problems can be settled around the conference table.

Personally, I am pessimistic about the whole thing. The Communists have never yet agreed to anything which did not work towards their ulterior motive. They are masters at holding conferences. Their patience is seemingly inexhaustible. They have waited many years for the advantages they have today and are willing to wait many more for the cancerous conditions, on which they thrive, to grow and spread.

Like everyone else, it makes my blood boil to learn about the treatment of our boys who were taken prisoner. This alone shows the utter disregard for common decency on their part. Their lies about returning the sick and wounded have been proved before the world but it makes no difference to these people who have not the slightest concept of moral obligations.

This is the very obvious reason why, over the long run, only a doubtful attitude is justified. We are dealing with a new kind of enemy. It is inconceivable to the American mind that men, such as these, should be completely devoid of decency and any degree of fair play.

The truce was brought about because we wanted to stop the killing — because we place the highest value

on human life. This could not have been particularly important to the Communists, who place no value on life, except as it may be used to further their cause. They only understand power and strength—they only respect anything out of fear and hatred for it.

It is a sad world when we are forced to deal with this sort of fanaticism. But the choice lies between trying to reason where reason is not respected and attempting to destroy by war the source and power of Communism which is Russia. With all our moral forces we will try the former and hope for the best.

The further breakdown of the Governments of France and Italy tends to support my view that no more money should be appropriated for foreign aid until they do more for themselves. When this matter was under debate in the Congress, I offered an amendment which would have postponed action until January. By that time, we could have known whether we had friends in these nations or not. It does not appear very favorable at this time. France is paralyzed by strikes and Italy has rejected a Government friendly to the United States. Good dollars after bad doesn't seem very wise.

Dr. and Mrs. C. A. Boyles of Houston visited friends here Tuesday of last week. Dr. Boyles served as pastor of the local Baptist Church several years ago.

COTTONWOOD

By Hazel I. Respass

Mr. and Mrs. Loy Carter of Houston visited her father, S. H. Thomas, and family last Thursday and Friday.

Mr. and Mrs. Ples Ray and boys and Mr. and Mrs. Gattis of Scranton attended the Methodist revival last week and Mr. Gattis led the choir in singing.

Rev. Leshe Seymour of Cisco preached Thursday night in the absence of the pastor, Rev. J. C. Skinner. Mrs. Seymour and Miss Cora Seymour accompanied Rev. Seymour.

Mrs. Earl Archer gave a bridal shower for Mr. and Mrs. Allen Foster Friday, August 21.

Mr. and Mrs. Skinner of Waco visited their son, Rev. J. C. Skinner, at Putnam this week and attended the revival here. Mr. Skinner is employed at the Waco post office.

Mr. and Mrs. S. J. Bains attended the Bains reunion at Lampasas the last week end. They report a splendid time with more than 100 in attendance.

Miss Dorene Bowman of Paint Rock visited her sister, Mrs. Slim Spivey, and family last week.

Rev. and Mrs. Darwin Brown and daughter of Harper made a hurried visit with the H. S. Varners Saturday.

Mrs. S. A. Moore of Brady visited with friends here last week.

Mr. and Mrs. W. A. Burton and girls of Anson stopped to say hello to some friends here Saturday.

Several visitors from Scranton, Putnam and Cross Plains attended services at the Methodist Church

Sunday night.

Those visiting in the K. B. Robbins home over the week end were:

Mr. and Mrs. Archie Rainbolt and family, Mrs. P. A. Rainbolt of Afton; Mrs. Rosa Jennings, Carroll Jennings and Edgar Lee Jennings of Brownwood; Mr. and Mrs. Edgar Jennings of Notrees; Mr. and Mrs. Eddy Whitehead of Fort Worth; Mr. and Mrs. Darwin Ingram of Nimrod; Joe Robbins and family of Anson and Mr. and Mrs. V. C. Lassiter and family and Fort Archer of Cisco.

Miss Mary Arvin, who has been sick for several months, seems to grow weaker and her condition is more serious.

Rev. and Mrs. S. R. Respass of Brice are visiting at Cross Plains with Mr. and Mrs. W. A. Brock and the Respass home here.

Mr. and Mrs. C. E. McIntosh and Joe Garrett of Carlsbad, New Mexico, are back visiting her parents, Mr. and Mrs. R. A. Maddox, for a few days this week.

Miss Lillie Bains of Corpus Christi is visiting her parents, Mr. and Mrs. S. J. Bains, this week.

The sad news of Charley Bennett's death in Frisco, California, Thursday, August 20, reached his relatives here; two brothers, Levi and Alvie Bennett, and a sister, Mrs. Frank Woody.

E. E. Baum and Mr. and Mrs. Harold Baum and family of Texas visited Mrs. Mary Bond and Vesta during the week end.

Mr. and Mrs. Oran Newton visited his parents, Mr. and Mrs. Tod Newton, over the week end while he is on a ten day leave from the navy. He is stationed at Corpus Christi.

Wilmajean Chapman, Fred Dill Say Nuptial Vows in Church of God

The chapel of the Church of God in Abilene was the scene of the wedding of Wilmajean Chapman and Fred M. Dill, August 15. The bride is the daughter of Mr. and Mrs. Joe Chapman of Abilene and the bridegroom is the son of Mr. and Mrs. M. F. Dill of Cross Plains.

The Rev. Frank Courvisier, pastor, read the double ring service before an altar of white gladioli and greenery flanked by branched candelabra holding white tapers.

Mrs. Richard Capin played a medley of love songs and accompanied Mrs. James Barnes, sister of the bride, who sang "Always". She also played the traditional wedding marches.

John Frederick and Christine Kraatz, nephew and niece of the bride, were candelighters.

The bride, given in marriage by her father, wore a gown of white net over nylon fashioned with a fitted bodice and sweetheart neckline. The full skirt was ballerina length. Her finger-tip veil of illusion was caught to a shirred band. She carried a white Bible topped with white gardenias and Stephanotis. For something old she wore a bracelet belonging to her mother.

Miss Lois Seals of Abilene was maid of honor. She wore a dress of blue net over nylon made on similar lines to that of the bride.

Clifford Lee of Corpus Christi was best man.

A reception was held at the home of the bride's parents, Mrs. W. L. Chapman presided at the punch bowl and Mrs. Travis Chapman cut the tiered wedding cake which was presented to the couple by Mr. and Mrs. J. L. Glaze of Abilene, longtime

friends of the Dill family. Mrs. Dill is a 1952 graduate of Balingier high school and Mr. Dill is a 1951 graduate of Cross Plains high school. The couple are at home at 860 Merchant street in Abilene, where both are employed.

Mr. and Mrs. N. R. Day and Herman Aiken of Fort Stockton spent the latter part of the week with Mrs. Jack Aiken here.

The Cedar Bluff community is located north of Cottonwood.

## SISTER OF O. M. BAILEY DIES

Mr. and Mrs. O. M. Bailey received the sad news Friday, August 14, of the death of his sister, Mrs. C. C. Robertson, 42, of Lubbock. Mrs. Robertson passed away at the family home in Lubbock while taking a nap.

Mr. and Mrs. Bailey left immediately for Lubbock and attended funeral services for Mrs. Robertson Sunday afternoon, August 16. Burial was made in the McAdoo cemetery.

The Baileys returned home Monday of last week.

## Old Vehicle Inspection Law Is Replaced

Austin, Aug. 26 — The old Texas Motor Vehicle Inspection Law died last night at midnight after a somewhat turbulent existence.

The measure, which saw heated debate in the last session of the Legislature, has been replaced by a modified version which calls only for the inspection of auto brakes, lighting equipment, horns rear view mirrors and windshield wipers. It becomes effective today, but Homer Garrison, Jr., Director of the Texas Department of Public Safety, has announced that the State Public Safety Commission has officially set the new inspection period for September 15, 1953, through April 15, 1954.

George Busby, Chief of the Motor Vehicle Inspection Division of the Department of Public Safety, has said that there will be about 3,000 inspection stations ready to operate on the opening date.

"Trained mechanics who are well versed in the new law and its requirements will be set to go, and they will have an adequate supply of stickers and other materials on hand," Busby stated.

Garrison added that he could see no possibility of a "log jam" of motorists at the official inspection stations at any time unless too many people put off getting their autos checked until the last few days of the seven-months period.

Mr. and Mrs. Robert Harris and son and Mrs. Arthur Boyles and children of Bonham visited their parents, Mr. and Mrs. Ira Hall, Sunday.

Mr. and Mrs. Clarence Bush spent the last of the week visiting Mr. and Mrs. Weldon Bush at Lubbock.

Robert Eubank has returned home from Hunt, Texas, where he spent the past six weeks at Camp LaJunta.

Jim Wetsel left Wednesday for El Paso to join Mrs. Wetsel for a few days visit with their daughters and their families. The Wetsels expect to return home this week end.

Rev. C. Y. Butler was in Waco Saturday visiting with Mrs. Butler, who is receiving treatment in Providence Hospital. He found her much improved and returned home late Saturday night.

## HOSPITAL NOTES

Mrs. Hattie Norris remains in a serious condition in Scott and White Hospital, Temple. Mrs. B. K. Eubank visited her mother over the week end.

Gwynn Elliott returned to his home here Tuesday from McCloskey General Hospital in Temple where he received treatment for several weeks. Gwynn has suffered from arthritis for several years and it is believed the treatment he received while in the hospital has helped his condition.

Mrs. C. Y. Butler was moved from a Temple hospital last week to Providence Hospital in Waco where she is receiving treatment. Rev. Butler reported her to be improving but stated that she will be hospitalized for six weeks.

E. E. Shelton, who underwent bone surgery Tuesday morning of the past week in Hendrick Memorial Hospital, is reported to be getting along satisfactorily, however, it is believed that he will remain in the hospital for several days.

## Safety Association Urges Pedestrians to be Careful

"Signs of Life" are for pedestrians as well as motorists.

This point was emphasized today by Col. E. B. Tilley, Service Advisor for the Gulf Oil Corporation, Houston, and President of the Texas Safety Association which is sponsoring the August traffic safety program in cooperation with the Department of Public Safety.

"Many people seem to think that 'Signs of Life' — traffic signs, signals and pavement markings — are placed there for the use of drivers only," he said. "Actually, they are intended to guide and protect the pedestrian as well."

If pedestrians would heed these signs — obey traffic lights at intersections and signals at railroad crossings — a lot of lives would be saved, according to Col. Tilley.

"One out of four traffic victims is a pedestrian," he said, "and more than half the people killed in city traffic are pedestrians."

"Among the factors contributing to these fatalities," Col. Tilley said, "are crossing at intersections against the signal, crossing intersections diagonally, and crossing between intersections."

"Certainly many deaths could be avoided if pedestrians crossed the streets at proper places, and obeyed traffic 'Signs of Life' where they are provided," Col. Tilley pointed out.

"The August slogan of the Texas Safety Association and the Department of Public Safety, 'Signs of Life — Know Them, Obey Them!' is an important message for everyone," he said. "Whether walking or driving it applies, and the person who follows it may be saving his own life."

## Selective Service Laws

Austin—Any young married man registered with a draft board had better be on the alert about reporting children in his family or expected birth of a child.

On August 25 and thereafter, father are not deferrable because of their children. Draft boards have this new regulation following an executive order of President Eisenhower.

Those who now have children, and those who are expecting birth of a child, are deferrable; likewise, those who become fathers or expectant fathers before midnight, August 24th.

But these men who are fathers and expectant fathers before August 25th must act at once to advise their draft boards in writing. If they fail to perform this important duty required by draft regulation, they will be liable for the draft simply because they failed to advise their boards of the facts.

In the case of expectant fathers, certificate from a licensed physician must be secured, stating that the child has been conceived, probable date of delivery, and evidence upon which positive diagnosis of pregnancy is based.

Brigadier General Paul L. Wakefield, state draft director, urges all married men who come under the provisions of this new regulation to act at once if they wish to retain their deferred status.

Rev. and Mrs. A. G. Purvis and children of Freeport, visited her parents, Mr. and Mrs. W. C. Rouse, here last week.

O. E. Adams and grandson, Bobby, have returned to their home in Long Beach, California, after an extended visit here with relatives and friends.

Jackie Vaughn returned to his home in Abilene Thursday after a visit here with his grandparents, Mr. and Mrs. W. A. Strickland.

Mr. and Mrs. W. A. Strickland attended funeral services in Colorado City Thursday for Mrs. A. C. Gist.

Mr. and Mrs. Fred Marr and baby of Stephenville were week end visitors here with Mr. and Mrs. V. L. Hobby.

Mr. and Mrs. Arthur Gray and Randy of Mereta visited Mr. and Mrs. W. A. Balkum over the week end.

**LET'S TALK LIVESTOCK BY TED GOULDY**

Fort Worth—Corn Belt observers, according to an article compiled by Homer Hush in Wallace's Farmer this month, seem to be coming around to the view that June was the "low" time for cattle. This thrusts into the discard the idea that was prevalent in those parts that late fall would be the better buying time for feeders.

Corn Belt observers, Hush reports, also feel that rains in the drought areas will "strengthen the hands" of the cattle growers. Yep! there's no argument there.

In fact, on the basis of Monday's cattle trade, it looks like the stocker and feeder buyers were unlimbering and more orders were on hand than was the case for the past couple of weeks. At Fort Worth Monday there was the biggest cattle and calf run since July—about 8,500 head. Twelve markets had 139,000 cattle and calves.

Despite this big offering, stockers and feeders sold strong to unevenly higher at Fort Worth. Some of the just fairly good kinds, that had to sell for slaughter a week ago, sold well to stocker buyers, a decided improvement.

Slaughter steers and yearlings were steady to weak. Slaughter calves ruled firm. Cows were steady to 50 cents lower, and the larger portion sold steady. Some buyers tried to buy cows sharply lower by 50 cents to \$1 per hundred and complained that cows were higher, grade for grade, than at other major markets.

Salesmen successfully resisted these bearish offers. Bulls closed 50 cents lower.

Good and choice fed steers and yearlings drew \$18.-21.50 and choice to prime drylot cattle are quotable dollars above that range. Common and medium butcher stuff sold from \$11.00-17.00; with ranny yearlings from \$8.00-10.00.

Fat cows drew \$9.50-12.50; canners and cutters sold from \$6.50-9.50. Some straight barreled western or Brahman type cutters are quotable over \$9.50. Bulls sold from \$8.00-12.50.

Good and choice fat calves cleared at \$14.00-18.00; and common and medium butcher sorts sold from \$10.-13.00, with culls from \$7.00-9.00.

Good and choice stocker steer calves drew \$14.00-18.50 with stocker steer yearlings from \$16.50 downward. Stocker steers drew \$17.00 down. Stocker cows changed hands at \$8.00-14.00.

Hogs were 25 cents lower and topped at \$25.75-26.00 at Fort Worth. Sows drew \$19.00-22.00.

Sheep and lambs drew generally steady prices. Medium, good and choice fat lambs sold for \$17.00-21.00 and fancy fat lambs of the right weights in load lots were quotable higher. Cull lambs sold down around \$12.00.

Stocker and feeder lambs drew \$13.00-15.00. Fat yearlings drew \$14.-17.00 and old wethers sold from \$7.00-10.00. Slaughter ewes cashed at \$5.00-6.50. Solid-mouthed breeding ewes cashed at \$7.00-10.00. There has been active demand for ewes suitable to go back to the country and each shipment to Fort Worth has been sorted very closely to sift out ewes of suitable ages. Most of the ewes are in canner flesh, which is making them weigh correspondingly lighter for the buyers.

Some substantial rains in some of the principal sheep country recently as well as the rapid development of some volunteer grain pasture grazing, is helping the outlook on sheep.

Mrs. A. J. McQuin and daughter, Cynthia Lou, spent Monday in Abilene.

Mrs. W. T. Thomas was called to Brownwood Monday morning to be at the bedside of her sister-in-law, Mrs. McGuire, who is seriously ill in Memorial Hospital.
