Burkett News Items

By Freeda Burkett

We continue to have rain in this area with about one inch during the week end.. This period of slow rainfall has been good for everyone, but especially for the farmers and ranchers. The farm fields are looking pretty.

There has been no really bad weather yet, but is getting colder and even a little snow fell Saturday. It didn't last long but was very pretty while it lasted.

HINTS FOR ADVERTISERS

When you next call The Review, 725-6111, to place a classified ad, remember that words are your business. Words properly put together in an ad mean more phone calls and more sales for you. Follow the rules below and get more and faster results.

1. Put in the address

Many out-of-town readers will write you, but will not spend money for a long distance call.

2. Put in the phone number

Many readers will call you but will not find it convenient to come to your home or business.

3. Avoid use of blind boxes

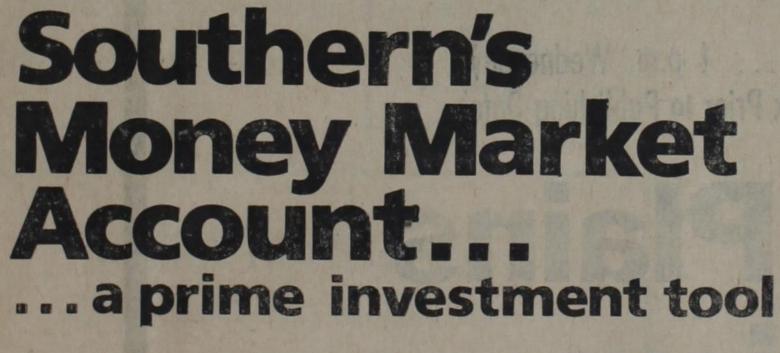

Avoid them if possible. They are difficult to answer and people prefer to deal directly.

4. Put in the price, by all means Surveys show that many people will not answer an ad unless the price is given.

5. Keep the readers from guessing On important details it is better to include them if they are relevant to a sale.

6. Be available

If you advertise your phone and address, be sure you are not absent when the ad appears so as to accommodate the reader.
