Our Appreciation

Even though this has been a sad year for us in the loss of our friend and "boss", Colonel Lee and a very dear friend and co-worker, Dorothy Baugh, all of you who have supported us thoroughout the year have helped us to realize that our services are worthwhile to carry on.

We wish to say "thank you" to each of you. Especially to each church who helped with Sunday services, to the group who sings each Wednesday, to Mrs. Montgomery and Mrs. Callaway who come so faithfully each Monday for Bible Study, to Bee Gee Johnston who has been such a lot of help, to Higginbotham's, McNeel Insurance and Citizens State Bank for the newspaper each day. To Dr. Sohns and Dr. Carpenter for being there there when we needed them.

A very special thank you to the families and friends of our residents who help and encourage us in so many ways throughout the year.

We wish for all of you a Happy and Blessed New Year.
