## **Awake!** Christians

Did you think God had forget ten us His people and our beloved America which was founded on His Word? Oh, no. Let me remind you of of two miraculous thing. He has done for us in the last two presidential elections. Most of us know that prior to that time, things were getting more unlike God every day.

please. Regardless of what you think of these two Presidents and their policies, what they have or have not done, we'd better lay all prejudice aside and see what God is doing and stand together regardless of denomination, etc. We stod together and elected the man God sent who confessed before the world that he was "a born again Christian," and then the dor of Christianity which was being shut right in our face, began to open so that the Standard Lifter could enter. Can't you you see how Isaiah's prophecy is being fulfilled right befor our eyes? Can't we see how God loves America? Oh. I love that name America. God uses not only preachers but leaders of nations to perform His will. For example, in Psalms 75:6,7 "Promotion cometh not from the east or from the west ... God is the judgehe puts down one and sets up another." In Isaiah 44:28, "The I ord ... saith of Cyrus [king of Assyria] he is my shepherd and shall perform all my pleasure ' Also read 45:1.2. Christian friends. we'd better stand together and pray that God will help us discern the signs of our times lest we be like the people who were locking for Messiah but did not recognize Him when He came. We'd better be wiling for "every man to be fully persuaded in his own mind" about politics and doctrines of the most important Book in the world, the Bible. God does not want His people to be divided. Did 't He make that plain to us all when He used a Democrat (Carter) and a Republican (Reagan) to bring His word to pass in Isaiah 59:19? He loves us all - oh, so much. Let's flow together in His love. Surely, all who love God and His Word and our country, will regard this message as a very serious Challenge.

when we do this that the enemy comes in on us 'like a flood."

It was at such a time that a man came marching through the wilderness, so to speak, saying, "I am a born again Christian", and "I think (or believe) God wants me to be President." Unheard of - Quite Does it not remind you that God sent another man long ago, crying in the wilderness, saying "Repent, for the Kingdom of Heaven is at hand"? Jimmy Carter's entry to the White House was God saying. "I'm gonna turn this thing around." He was making a way through this wilderness of sin in our land to do what He said He'd do, "when the enemy comes in like a flood." Read it in Isaiah Chapter 59, verse 19. "When the enemy comes in like a flood, the Spirit of the Lord shall lift up a standard against him." Of course, the Standard is God's Word. Did you not hear our
