"WANTED - Your Memories"

By VANDA KING
Editor

It's that time again! Cross Plains High School Homecoming is fast approaching and we need some of those "Memories Written on the Pages of Your Mind" to publish in the *Cross Plains Review*. Three years ago everyone enjoyed the wonderful articles written by ex-students reminiscing school days of old. Anyone who would like to submit their recollections and photos of the past should mail them to P. O. Box 519, Cross Plains, Texas 76443. If you send photos please include a self-addressed envelope with postage to return your photos.

Searching through old photos at the newspaper office, I found a few more that I don't think we have used, but we need more. Just looking at them brought back memories of the good old days.

Do you remember how the library in the old high school looked? It reminded me of teller booths at an old bank but I didn't trust my recollections. Then I found a photo taken in the study hall with the library in the background. It was like I thought! Remember the big columns in the room? See if you can recognize some of the people. Personally I think the boy in front on the left is Jim McDonald and Doyle Oliver is to the right. Ann Koenig Jennings, Mary Scott Nabers, Pattie Illingworth and Mr. and Mrs. Paul Whitton are in the back. We use to have some great times talking in this old room when we should have been studying.

I loved the parade picture with the antique car in front of what I believe was Wilson's Cafe. If only you could read the sign to see what class year it represented. Maybe one of you will remember? Just look at the cars parked on Main Street.

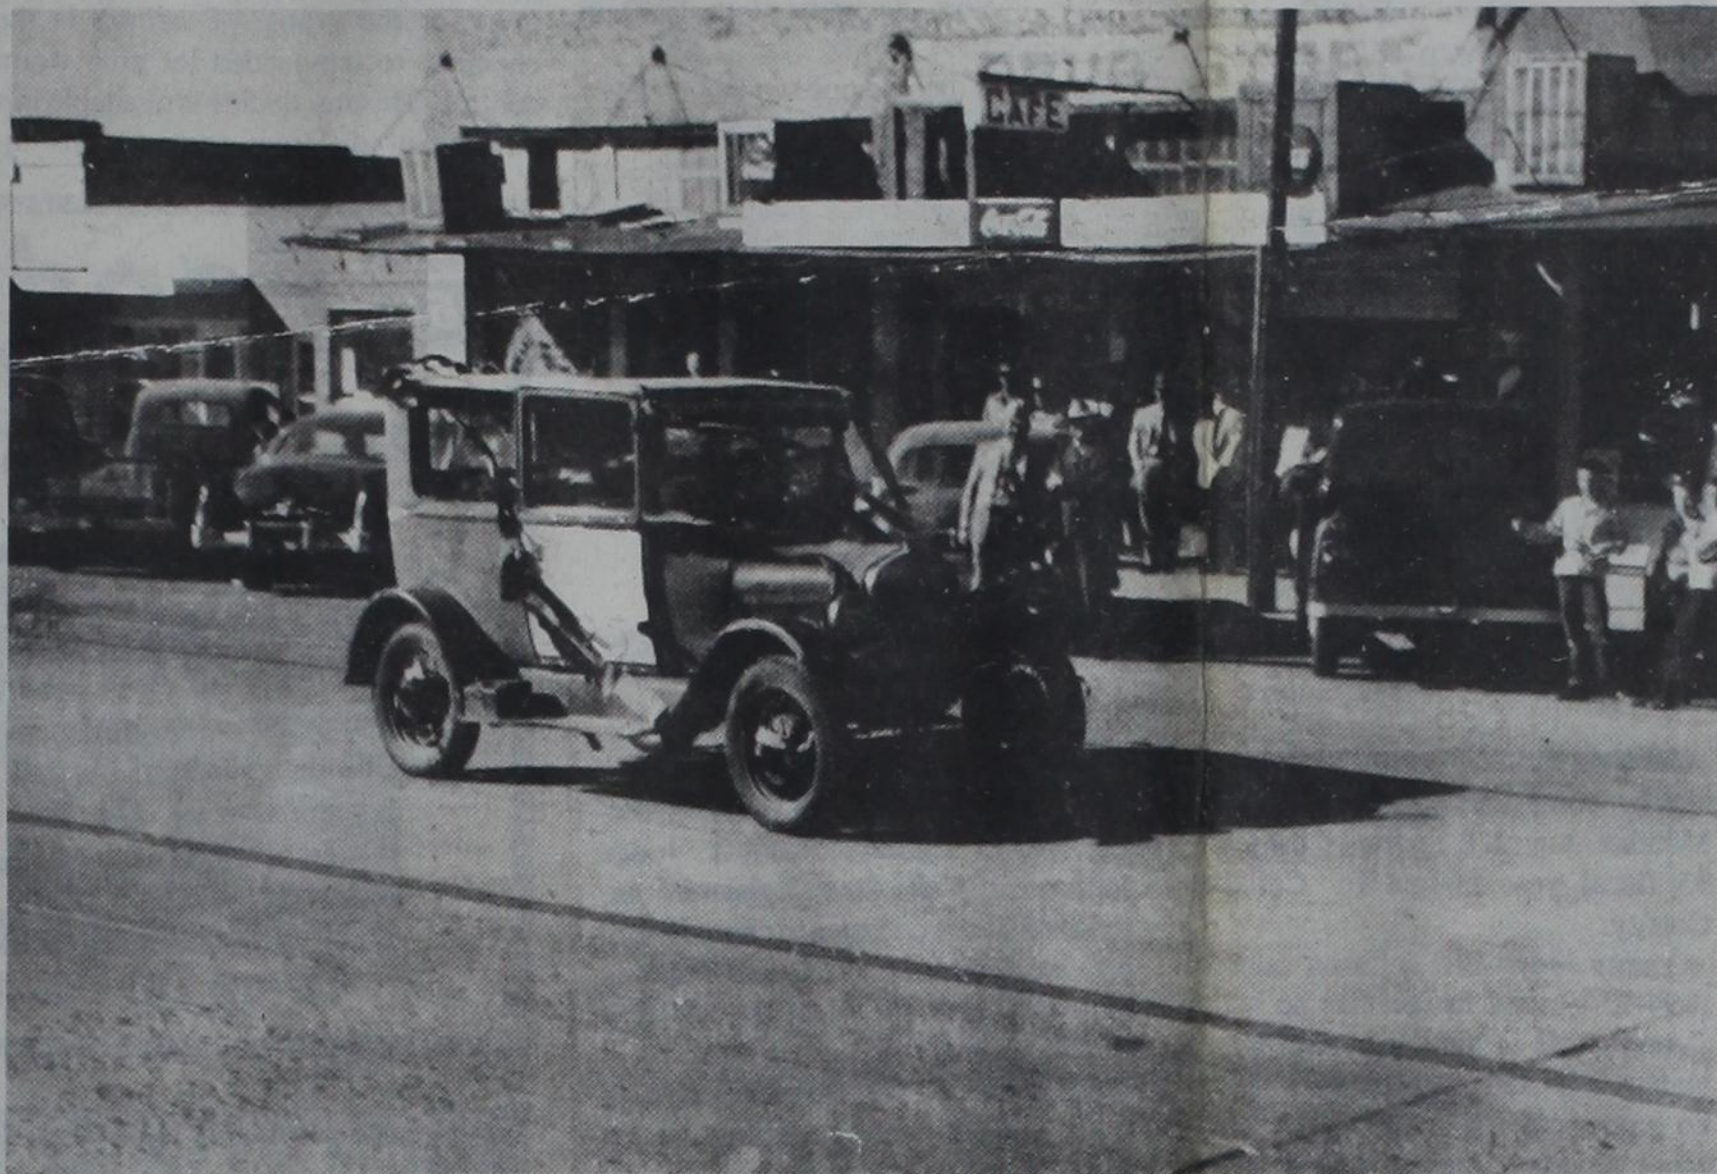

Many of you will remember wearing the poodle skirts, bobble socks, loafers, rolled up blue jeans, long tailed dress shirts, and scarfs in your ponytail. Boys wore white t-shirts, rolled up jeans, and black leather jackets. I was in grade school when this was the fashion but I remember having a poodle skirt and quilted skirts with all those petticoats. The ponytail was a nuisance, as the boys couldn't resist pulling your hair or giving it a good swish.

Where has the time gone? Seems like just yesterday and yet years have passed for many of us since those precious school days. Send your memories and photos and help set the mood for another great Homecoming celebration. Make plans now to attend all the activities on Friday evening, October 28, and Saturday, October 29. Your classmates will be waiting to welcome you back to Cross Plains High School. See you there!

First United Methodist Church Announce New Pastor

The First United Methodist Church in Cross Plains has been assigned a new pastor, Dr. Travis Summerlin, who will preach his first sermon August 21. Dr. Summerlin, 39, has been serving as a chaplain for the Methodist Home in Waco, Texas. He holds the PhD in Religion from Baylor University where he has served as a part-time faculty member. He has a Master's in Divinity from Southwest Baptist Seminary in Fort Worth. He has been in the Methodist ministry for 6 years.

A Civil war buff, Summerlin performs monologues in costume including General Robert E. Lee, portrayed after the war as he tries to bring the nation together. Others he portrays are Martin Luther, the reformer and John Wesley, who founded the Methodist church.

Don Roath, the former pastor has been assigned to the Lake Brownwood United Methodist Church to replace Richard Hetzel, who has resigned to take a position with the new prison in Brownwood.

Buffaloes Breakfast On Fridays Starting September 2

Beginning Friday, September 2 at 7 a.m. there will be a weekly Buffaloes Football Kickoff breakfast and devotional at the Dairy Queen. Everyone is invited, students, coaches, parents and all die-hard Buff supporters. Breakfast will be a self-serve buffet and cost \$1.99. First come first served. Let's kickoff each

game this year (home or away) with a time of fellowship, commitment, and school spirit, as well as some reflections on our relationships to God and man. Contact Dr. Jim O'Dell, pastor of First Baptist Church if you have questions. See you each Friday morning during football season.

Reserve Football Seats On Sale

Reserve seats for the 1994 Football Season will go on sale Thursday, August 25, through September 1 for those who had reserve seats last year. If you do not call to reserve your seats or go by and pay for them, they will be released to the public for sale on September 2.

Remember August 26-September 1 is the sale of seats to last year's reserved seat

holders. September 2 the remainder of the seats are open to the general public.

Reserve seats are \$5.00 (this is for the seat only, not admission). Call Jean McWilliams at 817-725-6121 or come by the Cross Plains High School principal's office.

The first game here is September 2 against Bronte.

Community Blood Drive Planned For September 6

The Meek Community Blood Bank's Bloodmobile will be in Cross Plains on Tuesday, September 6, from Noon to 4:00 p.m. The Bloodmobile will set up at Citizens State Bank at 8th and Main. The Cross Plains account is currently very

low with only two units on deposit. In addition to accepting blood donations, the Bloodmobile will provide free cholesterol screening. Please plan to participate in this very important community event.

Immunization Clinic At Cross Plains Multi-Purpose Center September 1

The Texas Department of Health Region 2 will hold immunization clinics. The public is invited to attend. There may be a small fee charged. A parent or legal guardian must accompany all minor children.

Clinics will be held at the following locations and dates:

Clyde - Texas Department of Health Clinic, 111 Oak, Clyde, Texas Wednesday, September 14 from 8:30 a.m. - 11:30 a.m. and 1:30 p.m. - 3:30 p.m.

Clyde - Texas Department of Health Clinic, 111 Oak, Clyde, Texas Wednesday, September 28 from 8:30 a.m. - 11:30 a.m.

Cross Plains - Multi-Purpose Center, 8th and Beech, Cross Plains, Texas Thursday, September 1 from 9:30 a.m. - 11:30 a.m.

Baird - Baird Depot - 1st and Market, Baird, Texas Third Wednesday, September 21 from 9:00 a.m. - 11:00 a.m.

C.P.H.S. Under New Direction

As the '94-'95 school year comes into full swing, Dr. Scott Childress begins his duties as the new principal of Cross Plains High School.

Scott Childress, Ed.D., is already a familiar face to the Cross Plains area. He is the son of Dan and Nancy Childress of Cottonwood. He and his wife, Jacque, and daughter, Stephanie (a 7th grader at CPISD), moved to the community in the summer of 1992 after Scott's retirement from serving New Mexico schools for 25 years.

He served in various administrative capacities as well as teaching in elementary, high school, and college levels and coaching high school, college and professional baseball. Childress holds extensive experience in working with students and teachers as a Mid School and High School Principal, Athletic Director, Director of Supportive Operations and Labor Relations, Assistant Superintendent for Curriculum and Instruction, as well as serving three New Mexico School Districts as Superintendent; Gallup-McKinley County Schools, Capitan Public School District, and Animas Public Schools. On the state level, Dr. Childress was a regular presenter for Summer Leadership Institutes for the New Mexico State Department of Education and has served on the numerous evaluation teams for North Central Accreditation Association.

Childress obtained a Bachelor of Science Degree from the University of New

Mexico, a Masters Degree and Education Specialist Degree from Eastern New Mexico University and a Doctor of Education Degree from Northern Arizona University. He is also listed in Who's Who in American Education.

Dr. Childress says he feels his two years of living in the Cross Plains area has given him an opportunity to get to know some of the students he'll be working with this year. "Cross Plains young people are exceptional and deserve the finest education affordable," and he says he is "grateful for the opportunity to work with the fine young people of our community."

Scott's long range goals are to move toward the Exemplary Accountability Rating Standards; which is, 90 percent of the students passing the TAAS, dropout rate of 1 percent or less, and average daily attendance of at least 94 percent. In addition, he wants to assure that every graduate will enroll in a College/University, Technical School or enter the work force.

He thought the first week went extremely well. An eight period day allows the students to take what is required and expanded the elective programs. Not only does he think we have a fine student body; but is highly impressed with the competent and professional nature of the teaching and support staff.

He welcomes parents and community to come in and discuss any and all concerns they may have about the school and its program.

Masonic Lodge Finds New Home

By JIM IRWIN

The Masonic Lodge of Cross Plains was chartered in 1886 and was located near Cottonwood. At the turn of the century they moved to the school house on Turkey Creek; from Turkey Creek they relocated to the old bank building on Main Street. In 1926 they changed their meeting place to the old City Hall building.

Now the Masonic Lodge and the Order of the Eastern Star of Cross Plains has moved to the Garden Club building at 7th and Beech Street.

The storm of May 29 gutted the old Lodge on the top floor of the old City

Hall. The lower floor had been converted to medical offices for the Brownwood Regional Hospital and their facilities were ruined also.

The City of Cross Plains owned the lower half of the building and the Masonic Lodge owned the top. Both parties gave their shares to the Brownwood Regional Hospital. The lower floor is now being renovated for medical offices and the upper for storage.

The first meeting of the Masons will be Thursday, September 1, at 7:30 p.m. and Eastern Star will meet Monday, September 5, at 7:30 p.m. in their new location.

All members of both organizations are urged to attend.

O.E.S. Chapter #455 To Honor Juanita Mayes

Cross Plains Chapter #455 will honor its newest Fifty year member, Juanita Mayes, during the Stated Meeting of September 5 at 7:30 p.m. at the new Masonic Lodge Hall (formerly the Cross Plains Garden Club building) on 7th and Beech Street. Mrs. Mayes became a member in the organization on August 21, 1944. The Chapter is very proud to have Juanita as a member and invite all O.E.S. members to join with them in

paying tribute to a dedicated member. A reception will follow in the dining hall.

Post Office Closed Sunday, August 28 For Maintenance

No, it is not a holiday! The Post Office box lobby will be closed though. Postmaster Norma Evans will lock the lobby doors at 8:30 a.m. Sunday, August 28. The tile floors are going to be stripped and waxed and will need to dry overnight

before having traffic. The lobby doors will be opened again Monday morning at 8:00 a.m. for regular hours as usual. So you will not be put out, remember to pick up your mail on Saturday.

Colonial Oaks Services

First Baptist will conduct worship services at Colonial Oaks Nursing Home on Sunday, September 4, commencing at 3:30 p.m.

OBITUARY

J.G. 'GOOBER' KEYES

J.G. "Goober" Keyes, 86, who was inducted into Abilene Christian University's Sports Hall of Fame in 1989, died Wednesday, August 17, 1994, in a local nursing home.

Services were held at 2 p.m. Saturday in the Elliott-Hamil Funeral Home Chapel of Memories, 542 Hickory, with Drs. Eddie Sharp and Gary McCaleb officiating. Entombment was in Elmwood Memorial Park Mausoleum.

Mr. Keyes was born in Bear Creek and graduated from Cisco High School in 1928 and ACU in 1932. While in college, he was a four-year letterman in three sports: football, basketball and track. He also was an all-conference halfback in football and was the school's top pole vaulter from 1929-31 with a vault of 12 feet. He taught and coached in Cross Plains, Albany and Lubbock, and was

head coach of the 1939 state championship football team at Lubbock High School.

He was a U.S. Army Air Corps veteran of World War II and owned and operated The Sports Center in Lubbock until retiring in 1975. He lived in Buena Vista, Colorado for 13 years before moving to Abilene in 1988. He was a former member of Kiwanis International and the Better Business Bureau. He was a member of University Church of Christ and was the widower of Pauline Hooser Keyes, whom he married in 1940 in Seymour.

Survivors include one son, John Keyes of Lubbock; one brother, V.N. Keyes of Abilene; one sister, Modelle Hollowell of Abilene; and two nieces and two nephews.

Memorial may be sent to Hospice of Abilene, P.O. Box 1922, Abilene 79604; or Children Home of Lubbock, P.O. Box 2824, Lubbock 79408.

New County Budget Includes No Pay Raises

Callahan County Commissioners, in a regular commissioner's court meeting Monday, August 8, approved the 1994-95 fiscal year budget for Callahan County.

County Judge Bill Johnson said the 1994-95 general budget has no major changes and is similar to last year's budget. Johnson said the new budget has no pay raises for employees or additional funding. Johnson said commissioners approved a budget which includes \$1,451,119.55 in income and \$1,426,785.27 in general fund expenses. He said the budget surplus is approximately \$24,000.

The budget again includes \$63,000 for indigent health care in the county. Judge Johnson said the federally mandated indigent health care is based upon the county's tax roll.

Johnson said the health care fund this year is lower than in previous years. He noted the fund is controlled by the county commissioners and people who use the fund must not receive any income to be eligible.

The 1994-95 county budget runs from October 1 through September 30, 1995.

Johnson said because of no major changes in the budget, he doesn't "anticipate no tax increase" this year.

Other agenda items brought before commissioners' court include:

—County commissioners arranged commodity distribution for Wednesday, August 10.

—County commissioners voted to approve the County Road & Bridge Fee for all county vehicles at \$5.00. The fee is paid when the vehicle license is renewed.

—County commissioners voted not to participate in the School Guard Crossing Fee in Callahan County. Judge Johnson said the state legislature authorized Texas counties to charge \$1.50 per vehicle for a School Guard Crossing fee, which is paid when the vehicle's license is renewed.

Judge Johnson said the guard crossing fee is voluntary and commissioners felt school crossing guards should be employed by the school district.

—Commissioners voted to approve the distribute of the commissioners' road funding formula. The funding comes from the road and bridge tax dollars and is distributed to the four commissioner precincts based upon the county road mileage.

Judge Johnson said commissioners agreed that Commissioner Precinct #1 would receive 19 percent of the road and bridge funding. Precinct #1 Commissioner is Harold Hicks.

Commissioner Precincts #2, #3 and #4 will each receive 27 percent of the road and bridge tax dollars.

Precinct #2 Commissioner is Lowell Johnson, Precinct #3 Commissioner is Tommy Holland and Precinct #4 Commissioner is Joe Ingram.

Judge Johnson said of the 560 county road miles, 65 are located in Precinct #1, 165 miles are in Precinct #2, 150 county road miles are in Precinct #3 and 180 road miles are in Precinct #4.

Grub Worm Control Information

Home lawns have really taken a beating this summer from prolonged dry weather and high temperature says Greg Gemgross, County Extension Agent.

This is also the time of the year when white grub worms can damage the root systems of both St. Augustine and Bermuda.

The white grub is the larvae stage of the May beetle or June bug. The grubs are white with a brown head and 6 legs and are 1 to 1 1/2 inches long. They feed on the roots of the grass and if plentiful can destroy a lawn.

Mid to late August is the proper time to treat for the grubs. Diazinon is the chemical recommended for grub worm control. This insecticide is available in a number of different formulations in-

cluding granular, so be sure and follow label directions when using.

For homeowners who are experiencing mole problems, eliminating the grub worm may cause the moles to leave. Moles feed primarily on soil insects and by eliminating the grub worm you cut out their major food source.

Homeowners who need additional information on grub worm control should contact the Extension Office at 854-1518.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

The weather is a good subject for starters this morning—cloudy and still—hardly a leaf a-stirring. I wish it would rain—my newly-mowed grass really needs a good, soaking rain.

Both services at First Baptist were inspiring and 'educational'. Attendance was much too low. Dr. Jim deserves the best from each one of us.

Betty Beggs was in church Sunday morning. Their son, David of Denver, Colorado visited them during the weekend. J.T. and Betty visited Rex and Edith—also Brent Key and son. Betty visited with Novella Barton at Pioneer during the weekend.

Sally Rody states that she has 'improved'—and hopes to be much better soon. They visited in Abilene with Art and Bertie Rody. Billie Freeman visited them one day. Their son, George of Dallas spent the weekend with them. Other children called home during the weekend.

Lucille Callaway is spending a few days at Lake Brownwood with some of her kids. I know she is enjoying that outing—she is fortunate to have her 'kids' nearby, and they are very thoughtful and caring.

Mrs. Jewel Foster is getting along just great. Her house looks like a brand new one now, and I know she is happy with the great job finished there. She and I are in the 'Esther Sunday School Class' at First Baptist.

KIWANIANS HEAR COUNTY ATTORNEY—Guests at the August 23 Kiwanis Club meeting included Allen Wright, Callahan County Attorney and District Attorney (left to right), Bruce Skiles, Probation Officer, Albert Lovell and Dale Bishop. Wright shared information about the new "Forth Degree State Jail" Felony level of criminal charge which goes into effect September 1. He said it was going to increase the

work load of probation officers. Both Mr. Lovell and Mr. Bishop turned in applications for membership in Kiwanis. The club is still looking for "a few good men" and would really like to have some women to join in Kiwanis. The club meets at noon each Tuesday at Dairy Queen in the Buffalo Room. Guests are welcome, as well as membership inquiries.

Recruit School Offered At DPS

The Texas Department of Public Safety is accepting applications until September 16 for its December 1994 recruit school.

Following twenty three (23) weeks of intensive training, successful applicants will be commissioned as state troopers for the Texas Department of Public Safety, charged with enforcing traffic laws on rural Texas highways. Troopers investigate accidents, recover stolen vehicles and other property, seize illegal drugs, apprehend wanted persons and perform a variety of other law enforcement duties.

After four (4) years with the DPS, troopers will be able to compete for promotions within the Traffic Law Enforcement Division, which includes services such as Driver License, Safety Education, License and Weight and Motor Vehicle Inspection. Promotional opportunities eventually will be available in other DPS areas, such as Criminal Law Enforcement Division--Narcotics, Polygraph, Criminal Intelligence, and Motor Vehicle Theft Services--and the Texas Ranger Division.

The DPS will consider applicants who are at least twenty (20) years of age and have either sixty (60) hours of college credits or prior military or law enforcement experience. U.S. Citizenship, a Texas driver's license and a willingness to accept assignment anywhere in the State are also required. An applicant must successfully complete a written examination, a physical exam, an agility test, oral interviews and a thorough background investigation before being accepted.

The DPS offers state benefits, and a starting salary for Trooper-Trainees (while in training) of \$1,721 per month. Following graduation, troopers will be paid \$1,983 per month, with a raise every six (6) month for the first year. Commissioned officers also receive hazardous duty pay and monthly allowances for meals, uniform cleaning and footwear. Uniforms and equipment are furnished by the Department.

For details on this challenging career opportunity, contact your nearest DPS office.

"When should you begin to train children?" someone asked. And the answer came back: "With the grandparents, at least!" What was meant by that is that part of a child's being reared properly has to do with the way the grandparents were taught to teach their children to teach their children! The example of this grand formula is found in Paul's inspired writing to Timothy as he spoke of Timothy's faith which first dwelt in his grandmother and his mother. And Paul tells Titus to advise the aged women to teach the young women to love their children (as well as their husbands).

Parents, do we remember the good instructions our parents taught us about child rearing — in word and in deed? — the instructions they had received from their parents (our grandparents) — also in word and in deed?! Do we realize that in addition to rearing children, we are rearing future parents and grandparents — in all probability? — and that we could mess things up for many generations if we don't do the job well? Or we can help things for several generations by doing the job well. No matter how we've been taught to rear children, let's turn to that master child rearing manual, the Bible, and let it be our guide. Read Proverbs one through ten just to begin with, and encourage your teens (especially) to read these chapters also, for a real "Breakthru" to healthier and wiser living.

Come study and worship with us as we learn better and strive more diligently toward a better life through Christian living. We really do care about you and yours, too!

NOTICE OF EFFECTIVE TAX RATE

1994 PROPERTY TAX RATES IN CROSS PLAINS ISD

This notice concerns 1994 property tax rates for Cross Plains ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the school district used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the school district can set before it must hold a rollback election. In each case these rates are found by dividing the total amount of taxes and state funds by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

| | |
|--|--------------|
| LAST YEAR'S TAX RATE: | |
| Last year's operating taxes | \$593,786 |
| Last year's debt taxes | \$54,531 |
| Last year's total taxes | \$648,317 |
| Last year's tax base | \$60,590,411 |
| Last year's total tax rate (per \$100) | 1.070000 |

| | |
|---|--------------|
| THIS YEAR'S EFFECTIVE TAX RATE: | |
| Last year's adjusted taxes (after subtracting taxes on lost property) | \$643,321 |
| / This year's adjusted tax base (after subtracting value of new property) | \$59,897,164 |
| = This year's effective tax rate (per \$100) | 1.074042 |

× 1.03 = maximum rate unless the school district publishes notices and holds hearing (per \$100)* 1.106263

| | |
|--|--------------|
| THIS YEAR'S ROLLBACK TAX RATE: | |
| School maintenance and operations component | \$534,514 |
| / This year's tax base | \$60,644,104 |
| = This year's local maintenance and operating rate (per \$100) | 0.881394 |
| + \$.06 = this year's maximum operating rate (per \$100) | 0.941394 |
| + This year's debt rate (per \$100) | 0.135831 |
| = This year's rollback rate (per \$100) | 1.077225 |

* If the rollback rate is lower than 1.03 times the effective rate, the unit must publish the notices and hold the hearings to exceed the rollback rate.

SCHEDULE A UNENCUMBERED FUND BALANCES

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

| TYPE OF PROPERTY TAX FUND | BALANCE |
|---------------------------|---------|
| | \$0 |

SCHEDULE B 1994 DEBT SERVICE

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

| DESCRIPTION OF DEBT | PRINCIPAL OR CONTRACT PAYMENT TO BE PAID FROM PROPERTY TAXES | INTEREST TO BE PAID FROM PROPERTY TAXES | OTHER AMOUNTS TO BE PAID | TOTAL PAYMENT |
|--|--|---|--------------------------|---------------|
| Series 80 bonds | \$75,000 | \$2,906 | \$350 | \$78,256 |
| Total required for 1994 debt service | | | | \$78,256 |
| - Amount (if any) paid from funds listed in Schedule A | | | | \$0 |
| - Excess collections last year | | | | \$0 |
| + Total to be paid from taxes in 1994 | | | | \$78,256 |
| + Amount added in anticipation that the unit will collect only 95.00% of its taxes in 1994 | | | | \$4,118 |
| = Total Debt Levy | | | | \$82,374 |

P.T.O. Invest In Future

The P.T.O. (Parent-Teacher Organization) began a major fund-raiser today, Thursday, August 25, to raise money to purchase special equipment for our school that will benefit both teacher and students. Kids kindergarten through sixth grades will be participating in this fund raiser. They will once again be selling "Century Pride" edibles, decorative tins, with a new twist, Christmas wrappings. These products have a money-back guarantee. Orders will be taken until September 1.

The P.T.O. is excited about this fund raiser because its success determines what we can do for our school this year. We hope your family will participate. Thank you for your continuing support.

New Faces On Campus

By CAROL ATCHLEY

The 1994-95 school year at Cross Plains ISD is nearly two weeks old and the "new faces" on campus are settling in nicely, and there are several new faces in the faculty this year.

One new member of the faculty is Mark Goldsmith, the new high school computer teacher. This is his 3rd year to teach. His first two were at Brady High School. Mark is replacing Dena Fielder who took a job at San Marcos.

Also new to the Cross Plains staff is Jim McDermott. He is taking Ann Watson's place as school counselor, test coordinator, etc. Ann accepted a job with the state school in Brownwood as their test coordinator. Mr. McDermott recently retired after 20 years in education at Simms, Texas; Silver City and Tucuman, New Mexico; Tucson, Arizona and the last 10 years at Clyde. He has also worked in the private business sector and all of that after 20 years in the Navy.

Mark Morgan, the new Ag teacher, is a new member of the faculty, but a familiar face on campus. Five years ago, Mark did his student teaching here at Cross Plains. This will be his 6th year to teach, the previous 5 were spent at Axle. Mark is taking Chandra Scott's place as she accepted a position at Ackerly.

A new Special Ed teacher also has joined the staff this year. She is Mrs. Karla Rogers. Mrs. Rogers is not replacing anyone, but is an addition to the staff. This is her first year to teach and will be working with mostly the 7th and 8th grades.

The band and music program are also under new under new direction this year. Andy Taylor has taken the spot left vacant when Bruce Morgan accepted a position at Aspermont. Andy has been directing high school bands for 20 years and has been at Mexia, Jim Nod, Abilene-Wylie, Plains, Early, and Gorman before signing on with Cross Plains.

Another new staff member is Kim Woocmer. She took over Connie Ricci's third grade when Mrs. Ricci switched to teaching sixth grade this year. Kim is Coach Woocmer's wife, and this is her 3rd year to teach. Prior to coming to Cross Plains, she was at Lubbock Cooper.

This is the largest turnover in faculty at Cross Plains for many, many years, and for the first time, the men faculty outnumber the women faculty at the junior high and high school level. Altogether, Cross Plains now employs 39 faculty members that handle the Kindergarten through the 12th grade.

Motivational Speaker Scheduled For C.P.I.S.D. Friday, August 26

By CAROL ATCHLEY

High school principal, Scott Childress has scheduled a nationally well-known motivational speaker to visit Cross Plains on Friday, August 26. Mike Smith, who is based in Albuquerque, New Mexico, will first be speaking to grades 7-12 in the school auditorium from 1:00 to 2:00 p.m. Beginning at 3:30 p.m., he will then speak to the entire faculty, staff and administration.

With the newness of the school year beginning to level out, Mr. Childress felt that this would be an opportune time to invite Mr. Smith to speak with students and staff and continue the year with the enthusiasm one always sees at the beginning.

Parents and/or other community members are also invited to attend the lecture, either at 1:00 or at 3:30. This is an unusual opportunity to hear a great speaker who is booked all over the country, we are fortunate that he was able to be at Cross Plains.

UNIQUE VISITORS—Bonehead Club of Dallas met with Cross Plains Kiwanis Club.

Bonehead Club Meets In Cross Plains

Don Clark, program chairman, introduced the Boneheads. For the second consecutive year, the Bonehead Club of Dallas met with local Kiwanis club members at their regular meeting, Tuesday, August 17.

Eight Bonehead members journeyed to Cross Plains for lunch with the Kiwanis. As a part of the program, W.G. (Wimpy) McCoy was presented the first ever Knucklehead Award. Local Justice of the Peace, Rolan Jones was observed with Dairy Queen silverware in his pocket and Don Clark was presented with

a three-tooth, dirt fork designed to lean on. Thirty-seven members and guests attended the weekly Kiwanis meeting at the Dairy Queen.

LETTER TO THE EDITOR

I am researching the family history of Henry County, Tennessee, and of John R. Wilson of Wilson County, Tennessee. I

Rhea Association Met August 13

Association of the North American Rhea Association.

Many topics were discussed. Durevon (D) Gary shared his methods and experiences for hatching and raising Rhea chicks, apparently doing a remarkable job according to the photographs of the above average size birds.

Denny Foster of Country Morning Foods, Dublin, Texas explained the processing of Rabites. The slaughter and inspection fees are different from most other livestock.

Donations were received of three, one year old Rhea birds for the "Taste of Abilene" to be held October 11 in the Civic Center. Donors were Cross Plains Exotics - Rolan Jones of Cross Plains; Crawford EMU-Rhea Farm - Dale Crawford of Cross Plains; Family Feathers - Stevenson-Kilgore of Cisco and Drake's Exotics - Greg Drake of Sidney. John Baker and Bill Bailey of Tuscola represented the "Big Country Rahrte Association", donations of Ostrich have been received also. This red meat will be prepared by expert chefs of the Abilene area.

Discussion about the display booth at the West Texas Fair and Rodeo showing Rhea Video's and having products made from Rhea leather, such as boots, wallets, painted eggs, lotion from their oil and jewelry from feathers and egg shell. Live birds will also be exhibited.

The next meeting for the NARA Zone 5 will be October 22 at 11 a.m. at the Section Hand Restaurant in Brownwood, south on Highway 377. Anyone interested in attending is welcome.

Henry County, Tennessee, and of John R. Wilson of Wilson County, Tennessee. I

have located one of John C. Freeman's sons, John T. Freeman by U.S. census returns. Mr. Freeman, age 74, lived in Cross Plains in 1910 with his son, William M. Freeman, age 35 and his wife, Allie, and their son J.T. Freeman, age 4 months.

I have good reason to believe that Dr. Andrew Robertson ("Bob" or "A.R.") Wilson, M.D. moved to Cross Plains with Mr. Freeman. Dr. Wilson and his wife, Dollie (Crutchfield) left Henry County, Tennessee around 1880 for Texas.

I don't know whether your paper has a local history column, but I would appreciate it if you could print my letter for your readers. I would welcome any help from Cross Plains residents with regard to locating information concerning John T. Freeman or Andrew R. Wilson, and especially any of their living descendants.

Anyone with information may write to Wilson Family History Project; Thomas J. Reed; 18 Pheasant Run Drive; Shipley Farms; Wilmington, DE 19810.

BURKETT NEWS

By LOVERA STRICKLAND

Saturday evening Burkett received 1 inch of rain and some high winds. Then Sunday morning we received another 1 inch of rain. We sure did need it. I guess we will have to get the lawn mowers out now.

Pete, Carlene and Marley Golson of Rankin visited in Burkett last weekend. Pete managed to work in a little fishing and domino playing. They also attended the Kirby reunion at the lake. Michelle Wilkovich, Kelsey and Logan joined them at Low and Liz Golson's for Sunday breakfast.

Clairene Edgar and Virgil and Freeda Burkett were in San Angelo Monday. Clairene went for a medical check up.

Last Sunday evening, August 14, Melba Walker went to San Angelo to attend business and visit relatives. On the way she stopped at Heritage Oaks Nursing home and visited three lady friends. Also stopped by her sister-in-law Mrs. L.C. Conda, to visit her and her two sons David and James. Then on to San Angelo for a couple of nights and day with another sister-in-law. On Saturday the 13th Joan and Paul Ray Fisher from Lovington, New Mexico visited Melba in Burkett and other relatives here and in Coleman. They returned home on Sunday evening.

The Burkett-Adams Cemetery Association would like to thank Johnnie Burkett for her \$25 contribution and for each and everyone's help. We appreciate your support.

Visitors of Mike and Linda Brady were their children Kelly, Faith and Savannah Brady of Columbus, Mississippi, Tim, Melinda and Stephanie Bledsoe of Valera and Jacky of Burkett. Also had several visitors to attend the wedding of Grannie, Lucille Gould and Ben Creek.

Eureta and Jody Whitley of San Saba visited Jack and Lovera Strickland Saturday.

Lafaye Pace and Melinda of San Antonio visited Lanette Burns over the weekend.

Zion Hill Cemetery News

The Callahan County Historical Commission received copies of a clipping and old letters last week that describe the last-previous cleanup of Zion Hill Cemetery. It was Saturday, March 17, 1962, thirty-two years ago.

These items were sent in by Mrs. Ada Crager of Canyon, TX. She is a descendant of the Hilburns buried in Zion Hill. Her father, Herbert S. Hilburn, deceased, was a longtime editor of the Plainview Daily Herald. He participated in the cleanup and wrote the descriptions, excerpts of which are given here, in condensed form:

"On March 17, 1962, thirty-four persons gathered at Zion Hill Cemetery and cleaned it, first time in 35 years. Trees were trimmed with a power saw. Fred Heyser, who owns the ranch on which the cemetery lies, provided a tractor with a power auger, and donated the posts and wire to fence the site, and hired two hands to assist. Bill Ledbetter, assistant to the president of HSU, Abilene, conceived the idea and collaborated with H.S. Hilburn of Plainview to publicize the event. Hilburn contributed the lunch, catered by Mack Eplon's of Abilene, courtesy of the Hilburn family.

"The thirty-four people, with the power saw, tractor auger, hand tools, and energy to activate their loving care, cleaned out the brush, shaped up the trees, and put up a stout fence with new wire and sturdy cedar posts, restored position of tombstones, and generally tidied things up.

"A cemetery association was formed with only a secretary-treasurer, one of the finest women workers of the day. The neighborhood people expect to take a look at the cemetery each year henceforth."

The Commission has not determined who this secretary-treasurer was, nor what became of the Zion Hill cemetery association. But it is an obvious fact that it did not survive. History is repeating itself. We are cleaning up the cemetery after 32 years of neglect and trying to form a Zion Hill cemetery association.

The new fence is completed. At Zion Hill Cemetery last Thursday, five volunteers plus a front end loader pulled up all of the old cedar fence posts, buried them, and cleared the fence rows of most of the interfering brush. They then drove in new steel posts all around, finally finishing as the temperature reached 104 degrees. Returning on Friday morning, four of the men then completely strung a new five-wire fence around the whole cemetery, again finishing as the temperature reached an

exhausting level.

These intrepid workers were Garland Sampson, with the front end loader, of Clyde and Huckaby; Jerry Hendrick of near Cross Plains; Felix Manion, Hugh Shrader and Russell Chatham, Callahan County Historical Commission members, from Baird.

This completes a major portion of the Cemetery cleanup begun last February. There remains to be done the repair of a number of tombstones, plus a repeat of some of the routine cleanup. Although stump killer was put on all of the freshly cut stumps in the spring, many of the mesquites have already sprouted bushes 3-4 feet tall.

Ironically, the name of Jerry Hendrick's ancestor, who has a tombstone in Zion Hill, was accidentally

omitted by the compilers from the recently published list of tombstones. Please add this name to your copy of that list:

Alice Newberry
March 2, 1859
Nov. 4, 1882

The Commission has received information from Roberta Isenhower that Dialtha Jobe (1828-1897), who is buried in Zion Hill cemetery, is an ancestor of John D. Isenhower. Dialtha was the widow of Samuel Jobe. Samuel was wounded and died as a Confederate soldier in the Civil War.

REENACTMENT AT FORT GRIFFIN

Historic Reenactment Slated For Fort Griffin State Park

Labor Day weekend, 8:00 a.m. Saturday-12 noon Monday will find Fort Griffin State Park near Albany Texas covered with Yankees trying to defend against the invasion of Confederate Cavalry, Infantry and Artillery.

There will be a complete sound system with a narrator describing all the action of combats, shootouts and other activities. Five combat engagements are scheduled throughout the weekend, (1) 2-Saturday-Battle of Donaldsonville at 11:00 a.m. and Battle of Bayou LaFourche at 5:00 p.m., 2-Sunday-Battle of Fordouche at 1:30 p.m. and a combat tactical at 5:00 p.m., Monday at 11:00 a.m. there will be

the Battle of Barbeaux. Scheduled in and around these battles are a variety of activities including an 1860's Ladies Fashion Show, several civilian camp town shootouts, arrests, ambushes and payroll heists, live cavalry sabre and pistol games, artillery demonstration, infantry drills, soldier's pay calls and much more.

A variety of sutlers stores will be in operation providing shoppers with a very unusual list of 19th century materials and goods. The Fort Griffin Garrison Ladies will host a saloon and card parlor patterned after the authentic Fort Griffin "Beehive Saloon."

Sunday will bring similar performances but will begin with a Civil War church service at 10:00 a.m. "This very special event will give visitors an opportunity to live a unique piece of our heritage on the very ground on which our forefathers struggled and died to build a future for us to "inherit", Fort Griffin State Park Manager said.

Clay Patterson, 5th Texas Commander and State Park Volunteer Coordinator of this Civil War project stated "While adults will enjoy the fantasy of reliving a tragic but very romantic period of our heritage, school children in particular will profit immensely from witnessing an

era that before was only a few drab pages in a history book. It will bring the 19th century alive to them like nothing else you could ever give them.

Activities will conclude at noon on Monday after the final battle scheduled for 11:00 a.m.

Although there is no charge for the weekend events, normal park fees, \$3.00 entrance fee per car will be required. Fort Griffin State Park is located 15 miles north of Albany, Texas on US Highway 283. For further information, please call Lester W. Galbreath, Park Manager at 915-762-3592.

How To Control Pecan Weevils

Despite a late freeze and a hot summer, the pecan crop outlook for Callahan County is fair to good says Greg Gerngross, County Extension Agent.

Pecans have a high requirement for moisture at this time of the year. Unless needed water is provided, pecans will start dropping and the remaining pecans will be small and poorly filled.

Insect damage has been light all year due in part to the dry, hot weather. However, within the next 3 weeks we can expect the pecan weevil to appear. Weevil damage is recognized by holes in mature pecans (last year) or occasionally finding the red headed larvae (worm) in a pecan. Since weevils do not migrate very far, apply insecticide only if you had problems in previous years. If heavy damage occurred last year, spray about 7-10 days following a good rain in August. Generally August 20-25 is recommended if no rain has been received for good control at 10-14 day intervals. Sevin 80 W.P. is the recommended chemical for homeowners.

For additional information on pecan weevil control, contact the County Extension Office at 854-1518.

Miles Cotton Festival Sept. 10

Congratulations to Scott Childress in his new position as principal at the Cross Plains High School. We wish you the best, Scott!

Early Sunday morning cloudy rainy skies greeted us, along with cool temperatures. Rainfall amounts were from .1, .3 to .5 of an inch at Ora Broodings. We have neighbors in our community who have roofs to be replaced from the May storm. Help is hard to acquire, even when you have the materials.

The Cottonwood Fire Station looks great with the recent new paint job. Have you noticed the new C.V.F.C. sign mounted on the station?

The ice cream served at the musical Friday night was a hit with folks attending. The ladies were happy to report it was a sellout.

September 10 will be "Rehab 1994 Night" at the Cottonwood Community Center sponsored by the Cottonwood Ladies Quilting Club. The Quilting Club will be asking local merchants for donations or merchandise to be sold in the Country Store or auctioned. All proceeds from the special evening will benefit the West Texas Rehabilitation Center.

The 18th annual Miles Cotton Festival will be held on September 10 in the Miles City Park. Festivities throughout the day will include arts and crafts booths, a parade through downtown Miles, games for children and adults, and entertainment by area musicians.

New this year is a port-ribs cookoff, which will be held along with the always popular brisket cookoff in the Miles Preservation Authority Park. Entry fees are \$30 for both the brisket and pork-ribs cookoff, or \$25 to enter just one.

A noon meal of "country cooking" will be served at the historic Miles Opera House and fast food booths will be located in the City Park.

A barbecue supper will be served from 5 p.m. - 7 p.m. followed by the Miles Cotton Queen Contest. Buddie Hrabal and his Memory Lane Band will provide music for a street dance from 9 p.m. - 1 a.m. Tickets are \$5 per person.

Miles is located on US Highway 67 between San Angelo and Ballinger. For more information contact the Miles Opera House at 915-468-3001 or the Miles Messenger at 915-468-3611.

Stenholm's Funday Festivities Saturday, September 10

STAMFORD, TEXAS—"Welcome to Eriksdahl" will be the greeting on Saturday, September 10, as neighbors gather for their annual picnic honoring Charlie and Cindy Stenholm. Swedish immigrants first gathered here in 1906 on these eighty acres which belong to the Lutheran church. Once a part of the S.M. Swenson ranches, this soil along the California Creek could relate many stories of the past. A publication of 1918 records:

"The land occupied by the Swedish and Danish people stretches from Stamford to Laeders with some of it lying in the western part of Shackelford County. Most of it is upland intersected by hills and valleys."

The first church building was a white frame structure completed in the summer of 1907 at a total cost of \$2,520. A magnificent rock building dominates the

area today. Men of the congregation began digging the rocks in 1932. It was completed in 1941.

Dr. Hugo B. Haterius had come to serve the church and the community in 1919. He dedicated his life to improving living conditions with emphasis on better farming practices. The California Creek Soil Conservation District was organized in 1938. One of the early officers of this group was Lambert Stenholm, father of Charlie.

On September 10, a western band will provide background music as friends reminisce and get in the line for barbecue and watermelon. This is the tradition and heritage from which Charlie Stenholm comes. He and Cindy have their farm home just two (2) miles from the picnic area. The fun time will begin at 4:30 p.m. For those not familiar with the site, call 915-773-5521 for more information.

BRANDI ADAMS

Brandi Adams Outstanding At World Pageant

Brandi Adams, daughter of Rickey and Carolyn Adams of the Burkett area, has recently returned from the "World Our Little Miss" Pageant held this year in Baton Rouge, Louisiana at the Hilton Hotel on Hilton Avenue.

The hotel was twenty-two stories high with tennis courts, pool and barbecue pavilion. There were two theme parties, a luau and a Cajun party that proved to be very different.

The Texas girls were together on one floor shared with contestants from South Carolina, Mississippi, Alabama and Arkansas. They enjoyed each other's company and although the girls competed against each other, they cheered for one another.

Brandi was the recipient of several awards including Top Ten in Beauty; Best 16-year-old; Third Place Livin Doll;

First Place Pro-Am Modeling; a photographic award - Best Photographic Model; and 2nd Year Award for attending the world pageant.

Baton Rouge was described as a very clean town and all the locals were nice and friendly according to Brandi and her mother, Carolyn, who drove to the pageant. Interstate 10 they reported was a very bumpy road consisting of concrete sections laid together with a slight bump after each section for 170 miles. They said it felt more like 340 miles.

The bridge over Lake Charles they described as very different; straight up to a rounded peak and straight down the other side. The massive bridge over the Mississippi River at Baton Rouge was breathtakingly beautiful with the sun shining on the architectural masterpiece. The ladies stated that Louisiana was nice but Texas was great!

Texas had a very good showing this year at the pageant. Sierra Gwerrero of Coleman received 3rd Alternate in Official and 2nd Alternate in Beauty. Madylin Sweeten of Mullin received 2nd Alternate in Official and Winner of Beauty. These two girls competed in the Baby Petite Division. Babies must be taken on stage by a parent. Sierra's father Ross Gwerrero and Madylin's mom Elizabeth escorted them. Tillery Throckmorton of Brownwood also received 4th Alternate in the Official (the La Petite Division).

Brandi is also the Texas State Ideal Miss. She will be reigning at the preliminary pageants which will be held across Texas.

"Thanks to all the people who bought a patron listing. Your thoughtfulness was greatly appreciated!" Brandi remarked.

Hair Dye Doesn't Cause Cancer

Good news for women who dye their hair. According to study by the American Cancer Society, hair dyes pose little or no cancer risk. In this large study women who colored their hair had a slightly decreased risk of all fatal cancers and a 35% lower risk of urinary system cancers. However, women who used black hair dye for a least 20 year - 1% - faced a higher risk of fatal non-Hodgkins lymphoma and multiple myeloma.

Your better health is our concern.
