Beta Sigma Phi Scholarship Winner

Each year, the Cross Plains Beta Sigma Phi Sorority awards a scholarship to the graduating senior who the sorority members feel wrote the best 3-page essay. This year, the \$300 scholarship was presented to Joy Klingberg.

The following essay entitled "A Better Nation" was submitted by Joy and determined the winning entry:

A Better Nation

How do you see the United States by the year 2000? Perhaps you might think of it as a place of more technology and a higher thinking; however you might imagine it to be a country where the national debt has sky rocketed, the crime rate at an all time high, or the family unit slowly deteriorating. It is the responsibility of the President and Congress to make changes in our legislature to insure that our future will be one where our children will be secure and unafraid to strive to their full potentials.

The last generation has continued to exceed the bounds of four trillion dollars that our generation will in time be forced to pay in the form of higher taxes. As President of the United States, it would be my main goal to reduce the national debt by eliminating useless government spending and strive to maintain a balance budget. In order to stabilize the budget, it would take a line item veto. In other words, I would have the power to pass or reject the bills that would be deemed unnecessary. Second, I would reduce the government in the manner that our forefathers intended it to be. By giving more power to the states, counties, and cities, they would be able to make decisions that would benefit their local area.

My second factor in consideration would be to lessen the crime rate. In my opinion it is not necessary to create new laws for crime, but instead enforce the existing ones. Prisoners should be forced to pay the price for their criminal behavior and not serve only a minute portion of their sentence by receiving parole. The penalties should be severe enough to deter potential criminals from committing a crime. Prisoners should be without parole and have all rights taken away until they serve their time. Our police officers risk their lives every day to protect us, yet the person arrested is out of jail before they have all of the paper work done. I believe our nation should stop building new prisons, but instead enforce the death penalty in the states that it is approved. In addition, the victims should have the right to present previous criminal records at every trial so that the jury would have a clear image of the offender's past. Criminals blame their parents and society for their upbringing and expect that to be an excuse for their actions. Some people cannot fit into society and are continually put back on the streets. The mentally ill should be given special treatment and taken care of, but not put back into society to fend for themselves. Until we take care of the children, elderly, and mentally handicapped, we cannot expect our country to prosper. Helping those who cannot help themselves should be one of our priorities.

Next, I feel that as President we should protect our country from illegal aliens. We need to use our military forces to guard our borders. Illegal aliens are draining our country by receiving free medical care and schooling. These free handouts should stop. We can no longer be the mother to all people, but instead take care of our own. Therefore, our nation should provide more help for single mothers and those who are less fortunate than we are.

Another important point is the continued testing of young students. I believe the classroom should be given back to the teachers and the government needs to stay out. Government testing for children is very stressful leaving many children frustrated and feeling like a failure. Many children do well in the classroom but bomb out on test day due to stress. I believe teachers know which children are doing well and those who are not without testing. When children enter the seventh grade, I then think they can read and understand questions and are at a more mature level. This system has worked well in other countries and I feel it could work as well here.

Lastly, from the early 1960's, we have seen a continued decline in our family values. I believe this is due to a lack of respect between children and their parents. This has affected our outlook leading some to lives of crime, gangs, drugs, and other dangerous lifestyles. Therefore, it would be my hope to emphasize the importance of the family unit. I believe you must start when a child is a toddler and set guidelines and continue this throughout their teenage years. When children are raised with boundaries they adjust better in society. Those children who have not had set guidelines find it hard to fit into society and accept responsibility as an adult. It is up to the future parents to set good examples. Rearing children doesn't mean merely feeding, clothing, but loving and nurturing our children. This will give them hope to better their futures. By bringing morals and more discipline in our homes as well as in the schools, the people would have more respect for the United States. Furthermore, I feel that people should have the right to pray in school and at all school functions. If we reestablish the old traditional religious values of our country then perhaps we can restore our example of leadership in the world.

In conclusion, I believe that each of these aspects if applied in a conservative manner would greatly improve our present conditions and perhaps provide a better life than we have enjoyed.

Colonial Oaks Services

Old Time Gospel Mission will conduct worship services at Colonial Oaks Nursing Home on Sunday, May 29, commencing at 3:30 p.m.

Bagley Honored As Athlete And Scholar

Shana Bagley, a Cross Plains senior, has earned the honor of being named to the Texas Association of Basketball Coaches Academic All-State Team for the T.A.B.C. 1993-94 season. The award is given to a small percentage of basketball players who maintain high academic standards along with exceptional play on the court. Shana was selected to the elite squad of 18 players from Class A schools state wide.

Bagley, the daughter of Ron and Gamett Bagley, averaged 12.3 points per game, 4.3 rebounds per game, and 106

steals for the Lady Buffs this year. She also maintained a grade point average of 96.02 and 5.830 on a scale of 6.0 being ranked third in her graduating class. "This is a great honor to receive," stated Coach John Starcher. "Shana has proven academics and athletics can work together, and having been with her in both areas, I know she works hard at each equally well." She has also been featured on television KRBC of Abilene as it's Classroom Champion of the week.

The All-State awards were handed out on May 18.

Children's Miracle Network Telethon Bake Sale Saturday At Dairy Queen

The local Dairy Queen will sponsor a bake sale to benefit the children's Miracle Network Telethon on Saturday, May 28 beginning at 9 a.m.

If anyone would like to donate baked goods, please call the Dairy Queen and someone will pick them up.

Support the Children's Miracle Network Telethon Saturday and buy your holiday sweets at the bake sale.

State Track Meet Videos Available

If you want a copy of the State Track and Field Meet drop a blank cassette by the school and leave your name on the cassette. The video you will be receiving is the school's copy, as well as a couple of parents. This will be a very slow process - be patient.

Coach Boyd also has the U.I.L. order blanks for the State Track Meet pictures. These are pictures of the kids on the awards stand, as well as the championship team picture. If there are any questions contact Coach Boyd.

State Champs T-Shirts And Ring Update

Coach Bill Boyd needs your help in designing a State Champion T-shirt for the athletes and community. The past few T-shirts were designed by coaches and athletes. This is a chance for everyone to get involved. Please drop your designs by school and if you want a T-shirt we will advertise the sign-up sheet later.

A salesman representing Balfour will be at the Cross Plains High School Library on Wednesday, June 1 at 10:00 a.m. to provide information on ordering State Championship rings. All members of the State Champion Track Team and interested parents are invited to attend.

Old Fashioned Decoration Day Service At Pioneer Cemetery

By BARBARA POWELL

The American Legion Post from Rising Star will perform Memorial Day Services at the Pioneer Cemetery on Monday, May 30. This service is held each year but no one ever attends. This year

Second Annual Pioneer Festival

By BARBARA POWELL

The Second Annual Pioneer Festival will be held on Saturday, June 11 at the Pioneer Community Center. The festivities will begin at 11:00 a.m. and continue until 9:00 p.m. The entertainment is scheduled to commence at 2:00 p.m.

The Pioneer Quilting Club will be displaying their beautiful quilts in the community building. There is no charge to view the display.

The art show will be located in the community building also. Paintings will be accepted from a radius of 25 miles from the Pioneer Community. Adults and teenagers have a five picture limit and the entry fee is \$2. Children 12 years and under have a three picture limit and the entry fee is \$1. A poster contest for children 10 years and under is planned.

The theme is 'Country Living'. There is no entry fee for the poster contest. All entries must be received at the Pioneer Community Center between 2:00 p.m. and 6:00 p.m. on Friday, June 10. All entries will be judged. There will be no charge to view the art exhibit.

A children's carnival is planned which will be loads of fun for the young ones. A Country Store with baked goods, home canned items, crafts and other interesting things you will want to take home with you will be available.

A concession stand to quench your thirst, and so you won't go home hungry, will be handy to satisfy your needs.

A special tent will be set aside for visiting and viewing the historical exhibits.

Booth space is available for crafts. Contact Laverne Hutton at 817-725-7342, Betty Beggs 725-7235 or Ozella 725-6501.

Dressy Homecoming Planned For October 29

A Homecoming for former Dressy School students is being planned for October 29. This is the same date as the Cross Plains High School Homecoming activities for the convenience of those who might wish to attend both occasions.

Addresses of ex-students are needed to mail invitations—please contact Donald Baird, Route 3 Box 34, Georgetown, Tx. 78626.

Watch for further details of the homecoming in the Cross Plains Review.

The Latest T & C Village Market Donation

By CAROL ATCHLEY

In it's continuing effort to help support beneficial school-community relation. Cross Plains' grocery store, Village Market, through its "Teacher's Helpers" program has donated \$1,250 towards the purchase of an LC575 Macintosh computer (total cost \$2146.51).

The computer, including all the necessary auxiliary hardware, will be put on a portable cart and will therefore be available for use by any teacher in their classroom. The computer which was purchased from School Vision of Texas in Abilene has already been received by

the school and is ready for use.

This program which was started several years ago by former Cross Plains High School Teacher, Debi Strickler, and is now under the supervision of Cross Plains' Pat Stephens, is one of the most productive examples of the benefits of the cooperative efforts between local business and the public school in providing materials and equipment for the school district that might not otherwise be afforded.

The school appreciates everyone who continues to turn in their grocery receipts. Keep it up, the program works great and remember to shop at Village Market.

Cross Plains FFA Junior Rodeo June 3-4

The Cross Plains FFA is sponsoring its 6th annual rodeo on Friday and Saturday, June 3 and 4 beginning at 8:00 p.m. nightly. There will be all-around belt buckles given for boys and girls in 3 age groups: 10 and under, 11-15 and 16-19.

There will be speed and roping events offered including tie-down calf roping, breakaway, barrels, flags, poles, ribbon roping, goat tying and goat hair pulling. Money will be in a jackpot each night and book open at 6:30 p.m.

The arena is located west of town on Highway 36. Cross Plains FFA invites everyone to come out and participate or watch the rodeo. For more information, call 725-6121 during the day or 725-7572 or 725-7526 after 6:00 p.m.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This is a beautiful Monday morning. Nothing 'blue' about things out there. The breeze and the sunshine on my newly mowed acres are delightful!

A telephone call from my daughter early this morning gave me a good boost. She recently were in Dallas on business. She talked on the telephone with our 'Aunt Vera', the last of my father's family of seven boys, and seven girls. Auntie is in good health and enjoying her family there.

Services at First Baptist were beautiful on Sunday morning. We are fortunately blest with our new pastor and his beautiful wife. Great days are ahead for all of us.

George and Marianne Taff visited J.T. and Betty Beggs early in the week. Marianne and Betty had a part in the Creative Arts exhibit in Abilene on Thursday thru Sunday.

I always enjoy my chats with Sally Roady. Bob visited his mother in the nursing home nearly every day. Gene Hicks of Rising Star visited them last week. Ben and Helen Overton of Grosvenor visited them one day last week. Betty Gary visited them one day last week also. Also visiting them often were Cindy, Charlie and Allison.

My good neighbor, Ms. Jewel Foster, is getting along really well and enjoying excellent health. We are in the same Sunday school class.

GREETINGS FROM SENIOR CITIZENS OF CROSS PLAINS

By THELMA LONG

All is going well at the center. There was an interesting game of dominoes going on between Suma Dill and Hazel Marsh. Also a new game (to me) of "Trimonies" looked interesting. There is always a game of Skip Bo and on Fridays, the fun game of Chicken Foot. If there had been a trophy, Adean Winfrey would have won it.

We are concerned about Helen Freeman and Lois Vaughn. Helen is in Brownwood Regional Hospital and Lois is at Abilene Regional Hospital. Lets all say a little prayer for these two friends. We miss them.

We have been fortunate to have visitors nearly everyday. The parents of Kay Mosely, Jack and Marie Sykes from Fort Worth, Sam Brannan, Irma Miller's brother from Rising Star, Pearl Greenwood's daughter from Odessa has been visiting Pearl. Chuck and Elva Mae

Woody has her son from Mississippi visiting. Isn't it nice to have kids come home. Thelma Long's brother and wife, Buster and Ruth Lewis from Abilene visited and also my little sister-in-law, Betty Long was visiting here on Thursday. Paul Harlow was here again with his three beautiful ladies.

Mary Bates is traveling. She is going to her grandson, Charlie's graduation then to Lufkin to attend the wedding of granddaughter, Cindy.

Mrs. Stover and Mrs. Purvis' 4th grade class visited the center on Thursday morning. Two of my adopted granddaughters played the piano, Angela Swift and Melanie Chesshir. Everyone enjoyed their visit with a great group of kids!

Ruby Harrell is at home, not feeling up to par. We miss you Ruby. Hurry back! Our heartfelt sympathy is extended to Fannie Bowden on the death of her brother. Until next time--Just keep on walking!!!

The 16th annual Joint-Venture Dinner Show to benefit the West Texas Rehabilitation Center has been set for July 15 at the Abilene Civic Center. "An Evening of Old Fashioned Love Songs" will feature B.J. Thomas who has crafted songs that have garnered him five Grammy Awards and topped the charts in the pop, easy listening, country, and gospel record charts. Over the years, this enduring entertainer has sold more than 50 million records. Eleven of his songs have gone gold and two platinum. Several of his hits have become classics and a permanent part of musical history. The pulse still quickens when songs like "Raindrops Keep Falling On My Head", "Hooked On A Feeling", and "Hey Won't You Play Another Somebody Done Somebody Wrong Song" revive memories of another time and another place. His 1976 hit, "What Ever Happened to Old Fashioned Love?" is the thematic centerpiece for this year's Dinner-Show. The decor will create an atmosphere befitting "An Evening With Old Fashioned Love Songs".

Table are now on sale for the event which has been a summer social highlight since it began in 1979. Tables of ten are available at \$2,500, \$1,500 and \$1,000 each. Reservations may be made by contacting Luverne Wadley at 915-691-7201.

John Chalmers and Myrle Greathouse are co-chairman for the Joint-Venture for which includes an equipment auction in November in addition to the July 15 Dinner-Show.

Baird Trades Festival June 4

Family fun brings lots of folks to the annual Baird Trades Festival. This year marks the 21st Annual Trades Festival set for June 4th.

From morning til midnight a full day of activities and entertainment are planned through the efforts of the Baird Chamber of Commerce. Highlighting the schedule of events will be an arts and crafts fair, quilt show, antique tractor display, barbecue lunch, ranch rodeo and street dance.

Mini-train rides are fun for the kids and buggy rides for the whole family. An exhibition by the competition teams of Cats Gymnastics and music by Clem Kniffen and Group will provide continuous entertainment for the day.

The popular street dance begins at 9 p.m. with music by New Texas featuring singer Jim Sadler.

Spaces for the arts and crafts fair may be reserved through the Chamber of Commerce office 915-854-2003.

This is Saturday, a beautiful day. Wild flowers are still in bloom on the roadsides.

We are very proud of Connie Steele, who helped win awards at the State meet in Austin last weekend. She competed with other students in the relay races.

The Gene Mauldin rain gauge measured six inches of rain that fell at their place last week.

Robert and Dorothy Watson made a trip to Lubbock last Sunday to move their son Cody home from school at Texas Tech. Dorothy Reynolds spent the weekend in Azle with her daughter, Ellen and Dalton Carpenter. They also enjoyed Dalton's birthday party on Saturday.

Robert and Dorothy Watson visited his Uncle Wayne Dossey Wednesday and Thursday in Sadler. On their trip home they stopped off to visit his brother Dutch Watson. Brad and Michael Watson of Arlington spent the weekend in the Watson home.

Joyce Odom visited Bud and Dixie Ingram in Cross Plains last week.

Watch this column for more donations next week.

Mr. and Mrs. D.J. Turner, Clairene Edgar and Melba Walker took a trip to Branson, Missouri.

The first day we drove to Broken Arrow, Oklahoma and spent the night at the Holiday Inn.

The second day we went on to Carthage, Missouri and stopped and visited the Precious Moments Chapel and grounds. We had lunch at Tiffany's Restaurant then on to Branson to our motel for a little freshening up then to see the Any Williams Show. When we got out of there we went to Dondies River Restaurant for dinner after our meal we attended The Louise Mandrell Show which was great.

The third day Saturday morning was leisure time after our breakfast. We toured the city on bus; then some shopped, others done other things. Then at 3:00 p.m. we saw The Neil Sedaka Show and dined at McGuffey's Diner. At 8:00 p.m. we attended The Mel Tillis Theater which was great. Mel Tillis has just moved into his new theater. Back to the motel for a little rest before being ready to board the bus at 6:45 a.m. Sunday morning for home.

We had breakfast at Ozark Family Restaurant then left Branson at 8:00 a.m. for Texas. We had a good trip all the way home and arrived in Burkett at 10:15 p.m.

Last week-end Liz Golson accompanied her daughter, Michelle Wilkovich, and grandchildren, Kelsey and Logan, to San Marcos, Texas. Logan performed a piano solo for the Federated Clubs State Music Festival and received an Excellent rating. He is a piano student of Betty Roath of Cross Plains and Brownwood. They also took in the sights and activities of Aquarena Springs and South West Texas University.

Among those that attended the Barber-shop style harmonizers "Saturday Night Live" program at Howard Payne University's Mims Auditorium were Mildred Lowe and Virgil and Freeda Burkett. The program was presented by the Hartland Harmonizers and the Twin Mountain Tonemen Saturday night.

KIWANIS CLUB GOING STRONG—Club member and Cross Plains High School Principal Jerry Boyd (left) welcomes Karla Cooke (middle) of ARCADA and Patsy Pipes (right), wife of member Bob Pipes, to the May 17 Cross Plains Kiwanis meeting. Ms. Cooke shared another very motivational

and inspiring presentation in regard to our life in its entirety being made up of each and every day put together—good, bad and mediocre. The Kiwanis Club meets each Tuesday at noon in the Buffalo Room at Dairy Queen. Visitors are welcome and inquiries for membership are encouraged.

Others featured on the program were the Coleman Lanterns from Coleman and NYBSS, Texas Pride and Jubilee all of San Angelo. It was very entertaining and enjoyable.

Visitors at the Church of Christ last Sunday were Joe and Bonnie Nash and

children, Stephanie and Justin of Cisco. Mr. Nash was asked to teach the adult class and did a good job.

Andrew and Doris Walker have their daughter, Kathy Wegrzyn of Pell Lake, Wisconsin visiting a while. She will visit other relatives while here.

"Own a piece of the rock." That's the way one insurance company use to put it in a commercial on television. They would have had you believe that the very essence of security was to "own a piece of the rock" — and displayed, very prominently, the Rock of Gibraltar.

Well it does depict strength and security. This mighty Rock of Gibraltar has been a place of refuge and defense against all kinds of attacks. And yet why be satisfied with "a piece of the rock" when there is a person far greater and mightier than the Rock of Gibraltar — or any insurance company — who offers us real strength and security? In fact, security is not found in anything such as an ordinary rock, rather in the Person, Jesus Christ. He's the real foundation who offers a very solid basis for life, the security both in time of life and death. He is our defense from the attack of Satan.

The Psalmist, King David, said this Person is "the stone which the builders rejected" — but the He "has become the chief cornerstone," Psalm 118:22. Paul acclaimed Him to be the "spiritual Rock" that followed the Israelites in the wilderness, providing them "spiritual drink," I Corinthians 10:1-4.

So if you want real insurance, strength, and security, why just own "a piece of the rock" — when you can have the Rock Himself?!

We welcome you to join us in learning more about the Rock, Jesus Christ, and join us in serving Him. We really do care about you, too!

Junior/Senior Banquet

By CAROL ATCHLEY

It's traditionally one of the very special evenings of the school year, and this was no exception. The banquet was held at the Cross Plains Community Center on Saturday, May 7. The students in the Junior Class along with the help of most of the junior mothers spent several months preparing the decorations and making plans.

The theme for the banquet was "Moonlight and Roses" and the colors were red, black, and white.

The program included a welcome by the Junior Class Vice-president, Tonya Stover. The juniors presented their Prophecies which were read by Amy Strength and Jimmy Lee. Seniors Tamara Flippin and Coby Childers then read the Senior Will.

A special plaque was presented to Larry and Theresa Cheshier in memory of their son Scott. A memorial plaque was also presented by the Junior Class to the high school (which now hangs outside the office) in remembrance of Scott.

Everyone also enjoyed a delicious dinner before everything was cleared away for the socializing and dance which lasted until midnight. There was a DJ who played a variety of music and at the end of the evening a 19" TV was given away. Junior Chris Maddox was the lucky winner.

TxDOT Presents Mini-Grants To High School For Project Graduation

Cross Plains High School has been named recipient of a \$250 grant from the Texas Department of Transportation's Abilene district for Project Graduation.

In addition to the grant, Brenda Mitchell, Abilene district traffic safety coordinator, visited the high school recently and presented the Project Graduation contact person with a key chain for each of the graduates. The key chains bare the slogan "You booze, you cruise, you lose".

"These graduation keepsakes are a reminder to the students to remain alcohol-free around prom and graduation time," Mitchell said.

For the last several years TxDOT has made monies available through its Traffic Operations Division to support Project Graduation. The money is divided between the state's 25 districts who then determine the amount of each grant based on the number of high schools participating in their individual district.

"Cross Plains High is one of the 23 high schools in the Abilene district that is receiving a \$250 grant for Project Graduation 1994," Mitchell said.

Mosquitos And Ticks A Problem

Due to recent rains and warm weather the mosquito and tick problems are continuing to cause various diseases and illnesses throughout the Callahan County area. An infestation of ticks can cause great discomfort to a dog, contribute to generalized skin problems, create anemia leading to the death of the dog and pose a serious threat by transmitting diseases from infected to non-infected dogs. Also, a severe mosquito problem greatly increases the chance a dog will become infected with heartworms.

Tick-borne diseases have been diagnosed with increasing frequency in the last few years. With the spread of these diseases into new areas, including the infection of humans, the frequency of their diagnosis is expected to continue to increase. Suspicious dogs should be tested so that infected dogs can be treated to eliminate the reservoir of the disease and prevent its spread to other dogs.

Even though we are seeing these new tick-borne problems, the most common

complication in our area is severe infestation resulting in anemia and occasionally death. If dogs become infested with ticks they should be dipped, sprayed or powdered as frequently as recommended to kill the ticks. If dogs have access only to a limited area, a tick eradication program should be followed in that area to eliminate ticks that may be harboring the disease organisms. Due to EPA regulations, many of the residue producing solutions have been taken off the market so the retreatment of the animal or premise may be necessary. All label instructions on any dip, spray or powder should be strictly followed for safety and effectiveness.

Mosquitoes are key carriers of heartworm disease. When an infected dog is bitten by a mosquito, blood is carried away which may include tiny, immature forms of heartworms called microfilariae. It takes about three months for these larvae to travel through the tissues of the body to enter the heart. Dozens of these larvae (some of which can actually become up to 14 inches long) become adults within another three months.

There have been numerous confirmed cases of Heartworms diagnosed at the Callahan County Vet Clinic since January.

Thanks to research and modern preventive medicine there is a lot you can do to avoid heartworm in the first place or see that it is successfully treated if it hasn't progressed too far:

*A blood test is the only way to detect heartworm disease in its early stages.

*Since it's possible for an infected dog to have adult heartworms without microfilariae, an x-ray examination and other lab tests may be needed to confirm heartworm infection.

*After the disease has progressed, symptoms can include frequent coughing, sluggishness, rapid tiring and finally, labored breathing.

*If caught in time, a series of injections of an organic arsenical drug can be used to kill heartworms. Then another drug can be used to get rid of the microfilariae.

*No vaccine is available for heartworm disease, but we can give you regular doses of a drug which can prevent infective larvae from developing into adult worms.

A little preventative medicine is much better than treating the problem. If the warm, wet weather continues, these parasites may be a threat for several months.

PIONEER THIS WEEK

By BARBARA POWELL

Does anyone remember when? Bill Pancake remarked at a Pioneer School Reunion, "Don't anyone go outside! The mosquitoes are as big as grasshoppers, they'll knock you down." Well, they're back but this time they're wearing saddles.

Last week on the Williams Road, we saw eight feral baby pigs with no mama. Four on one side of a fence and four on the other. They couldn't find a hole to get back together.

Michael got his best view of a deer as a young doe glided across our fence, stopped to stare at him, then soared over the next fence and off to cover.

Michael visited his Mama and Granny in Austin on Saturday. He was treated to lunch at McDonalds, dinner at Chuck E Cheese, a trip to a park and showered with gifts and affection. He was in 'Hog Heaven'.

The Pioneer Quilters met last Tuesday, completed Billie Freeman's beautiful Fan quilt and worked on Scott Byrds' Country Star.

Bud and Jan Baird, managers at Lake-wood Recreation Center, were thrilled that Bruce and Dede Rivers of Rising Star spent an entire day this past week working at the course. They smoothed all the cart paths and roads, put in chat at

washout and other places where it was needed. They also put in some new drain pipes. The club member have been wonderfully cooperative in their help in improving the course. The course is really 'greening up' since the rain. The Ladies Auxiliary had their usual great luncheon this past week.

Nell Fleming's sister, Mary Matthews of Stephenville, spent the weekend. They had a wonderful time. It has been a long time since they spent that much time together. On Sunday morning they visited Jo Veda and Bill Watson for lunch. Mary returned home Sunday afternoon.

On Wednesday, Laverne and Cowan Hutton purchased a bull in Dublin in the afternoon and they were off to Coleman for equipment parts. On Thursday Laverne and Wanetta spent time together in Cisco and Breckenridge. Wanetta was doing business and Laverne went along for the ride. They enjoyed visiting.

Sunday, Cowan and Laverne entertained Rick and Jill Winters, their four children and Steve and Sandy Mack for lunch.

Novella Barton was visited this weekend by Cecil and Mary Barton of Waco. They had to use a machete to get to the house. The weeds and grass had grown so much since they were there last.

DON'T FORGET: Next Monday, Memorial Day Service will be held at 11:30 a.m. at the Pioneer Cemetery, fol-

lowed by pot luck lunch at the Pioneer Community Center. Everyone is invited to attend. Let's have an old fashioned 'Decoration Day'!

Savings Bonds Semiannual Rate Set At 4.70% Effective May 1994 To October 1994

WASHINGTON, D.C.—The semiannual market-based rate for Series EE United States Savings Bonds was set today by the Department of the Treasury at 4.70 percent.

The new rate, in effect from May 1 through October 31 is 85 percent of the average market yield during the preceding six months on Treasury marketable securities with five years remaining to maturity. The semiannual rate is set each November 1 and May 1.

When Series EE Savings Bonds are held for five years or more, yields at redemption are the average of semiannual interest rates declared during the time held, or the guaranteed minimum rate, whichever is higher.

Series EE Bonds issued on or after March 1, 1993, and redeemed less than five years from issue will receive the guaranteed minimum rate of 4 percent.

Interest earned on U.S. Savings Bonds is exempt from State and local income taxes. Federal income tax on the earnings may be deferred until the bonds are redeemed or reach final maturity 30 years from their issue date.

Current rate information can be obtained by calling 1-800-4US-BOND.

Pecan Spray Time

Commercial pecan producers and homeowners are reminded that the date for casebearer control in Callahan County is approaching, says Greg Gerngross, County Extension Agent. Our current prediction for casebearer spray timing is May 26-29.

Producers should base spray dates on egg count. At least 200 nut clusters should be inspected for eggs in an orchard. The economic threshold for casebearers based on eggs is 1-2 percent of the clusters infested with eggs. Eggs hatch in 4-5 days. When eggs are found, the tree should be tagged and inspected daily until they hatch. When 1-2 percent of the nut clusters are entered by casebearer larvae, it is time to spray on that date. A second insecticide application may be required where eggs are found and nutlet damage continues 7 to 10 days after the first application.

Homeowners choices for chemical control are 50% WP Sevin and 50% Malathion EC. Zinc sulfate, NZN or other zinc mixtures added to the spray solution will decrease rosette problems in pecan trees and allow them to produce higher quality nuts.

For more information, contact the County Extension Office at 915-854-1518.

ALICIA KIRKHAM CATE

Alicia Kirkham Cate 1994 McMurry Graduate

Commencement services were held on Saturday, May 7 for McMurry University's graduating class of 1994. Among those graduating was Alicia Kirkham Cate, a 1989 graduate of Cross Plains High School. The ceremony was conducted by McMurry's new president, Dr. Robert Shimp, at the Abilene Civic Center.

Alicia's studies ended in December after a successful student teaching assignment at Dyess Elementary School. Her cooperating teacher, Sandra Meyer, was helpful and taught Alicia many wonderful things about third grade students.

While at McMurry University, Alicia was active in many other activities. Her campus involvements included being President of Indian Insight (the Admissions support group), Vice-President for McMurry Christian Ministries Executive Council, a Preceptor and Volunteer for the McM Service Leadership Program, a member of Kappa Delta Sigma, McMurry University Band, Christians for Social Action, Fellowship of Christian Athletes, and HEI fraternity.

She also spent much time doing volunteer work in the Abilene community. Some of her services were performed at Big Brothers/Big Sisters, the Boys and

Girls Club of Abilene, Habitat for Humanity, Sears Memorial Methodist Retirement Center, Meals on Wheels, and Alta Vista Elementary School. Mrs. Cate also participated in summer mission trips to Mavis Bank, Jamaica and Cuidad de Acuna, Mexico.

Cate was honored in several ways while at McMurry University. She was the 1992-1993 Princess McMurry, Eta Epsilon Iota Sweetheart, and gained membership into the National Dean's List, All-American Scholars, Who's Who Among Colleges and Universities, and the McMurry Presidential Scholars.

Alicia was married on April 23 to Chuck Cate, a May 1993 graduate of McMurry. She is currently employed at the First Baptist Church Family Life Center where she is the bookkeeper and Summer Day Camp Director. She is also a private tutor. Her husband is an employee of Security State Bank of Abilene. Both are hoping to find teaching positions in the fall.

Alicia wishes to thank her family, friends, and teachers for all their support during her school years. She understands that without the caring and concern of these significant people, she would not be where she is today!

NEWS FOR VETERANS

MEMORIAL DAY—May 30 will be just another holiday for many people but not to those who have served in the armed forces of this great nation or to those who have lost loved ones in the defense of our country.

Memorial Day was originally begun as "Decoration Day", a day to put flowers and mementos on the graves of soldiers killed in the War Between The States. Great cemeteries were necessary to bury the dead of that sad time when over 600,000 American lives were lost. The dead of that bitter conflict exceed the combined dead of ALL OTHER wars for American servicemen.

The Confederate Decoration Day used various dates of April 26, May 10, May 30 and June 3. Union graves were marked on May 30.

Over the years the wounds slowly healed and May 30 has become the universal day for honoring the American dead of all wars. During those years, the day's name was changed from Decoration Day to Memorial Day.

So, while you're cooking outside or resting on Monday, May 30, stop for a moment to give a word of thanks to those Americans who made the ultimate sacrifice in order that you and yours may continue to enjoy our great freedoms.

Hats Off and Hand Salute to those who have gone on the Great Muster!!!

KNOW YOUR VETERANS— Memorial Day will always be

remembered by Fred Tatom of Cross Plains and Tom Ivey of Baird as their introduction to "Hurry Up & Wait". Those two fellows and twenty more were drafted into the U S Army on Friday, May 29, 1953 in Abilene and sent to Fort Sill, Oklahoma by bus that night. Upon arrival, they found that the Army was taking a holiday on Monday, June 1 in observance of Memorial Day. So, after hurrying up to Fort Sill, they got to twiddle their thumbs for three days. "Hurry Up & Wait"

Tom Ivey recalls his father, Lee Ivey, offering some sage advice when Lee delivered Tom to the Draft Board Office in Abilene that day. Lee said, "Don't hit any officers." that is still good advice!

Another Callahan County lad accompanying Fred and Tom was Cleve Ables of the Admiral community. Cleve has since joined the ranks of those servicemen whom we honor on Memorial Day.

Word has come of the death of Crawford Hughes in Pecos, Texas. Crawford was an aircraft navigator during World War II in the Pacific combat zones. His aircraft was lost and Crawford was Missing in Action for almost a year. It was a very happy day when Jim Lawrence of Lawrence Drug hand carried a telegram to Crawford's parents announcing that Crawford was back from the missing.

Time marches on and takes its toll.

ACHIEVEMENT AWARD — Wichita Falls Production Credit Association (PCA) recently received a Tier I rating from the Farm Credit Bank of Texas for outstanding performance in 1993. Standing (left to right) are Rodney Carlisle, Mullin, director; Kent Creel, Newcastle, newly elected director; Don Ramsey, Vernon, board chairman; Mor-

ris Robertson, Vera, director; L.B. Bellah, Graham, past chairman, Rick D. Roach, president; Hilton Keeter, Throckmorton, director; and L.C. Harrison, Wichita Falls, director. Jerry Wharton, Mineral Wells, board vice-chairman, and Kenneth Kuykendall, Cherokee, director, are not pictured.

Wichita Falls PCA is headquartered in Wichita Falls and has offices in Baird, Bowie, Brady, Breckenridge, Goldthwaite, Lampasas, San Saba, Seymour, Throckmorton and Vernon. This was the second consecutive year that the association has won an achievement award.

Jasper McClellan Earns Second Master's Degree

The twenty-seventh commencement of Reformed Theological Seminary was held Friday, May 20 in Jackson, Mississippi. Among the 110 graduates was Jasper McClellan, formerly the pastor of

the First Presbyterian Church in Santa Anna and in Cross Plains. He completed the two-year Master of Arts Degree in Biblical studies in about eighteen months. In 1981 he earned the Bachelor's Degree in Bible and Religion and in 1981, the Master's Degree in counselling. Both were from Hardin-Simmons University in Abilene.

Reformed Seminary opened its doors in Jackson in 1966 and has grown consistently. It now has campuses in Charlotte, North Carolina, Orlando, Florida, and Los Angeles, California. It adheres to Reformed theology, the Bible as the inerrant Word of God and the Westminster Confession of Faith of 1643.

Jasper, Jean, Julia and Benjamin reside near campus in Jackson. Jean is employed as cataloguer at the Seminary and Julia is an assistant teacher in a sixth-grade public school. All are eagerly awaiting the next "assignment" which is yet unknown.

The family was delighted that elder David Karthaus made the trip to Mississippi to visit them and to be there for the commencement exercises, which were held in the First Presbyterian Church of Jackson.

Summer Reading Clinic June 6-30

ABILENE—Abilene Christian University will sponsor a Summer Reading Clinic June 6-30 for students who have completed grades 1-11. At least 35 ACU graduate education students will staff the clinic.

One-and-a-half hour sessions will be offered in the morning and afternoon Monday through Thursday. The students will use computer games, small-group activities and supervised reading to improve their skills.

"In the summer, students tend to read less. This program gives them a chance to keep up with their reading and improve their skills for the coming school year," said Dr. Dan White, director of reading in the education department and supervisor of the clinic. "The reading clinic is designed to be fun. It will improve reading skills and enhance the enjoyment of reading."

Also, the clinic will help correct reading problems by diagnosing, prescribing and implementing instruction to meet the needs of each child, White said.

Tuition for the clinic is \$200 per student. A \$50 deposit will reserve a place for a student. The balance must be paid by the first day of the clinic.

For more information or to request an application, call 915-674-2126 or 674-2112.

Area Lender Honored

AUSTIN — Wichita Falls Production Credit Association (PCA) was cited for outstanding performance by the Farm Credit Bank of Texas (FCBT) and was the recipient of a Tier I rating for the second consecutive year.

Presented during the bank's annual meeting for PCAs in Austin on April 29, the award recognizes the PCA for maintaining financially strong organizations

and high-quality loan portfolios, and is the bank's highest possible rating.

"Wichita Falls PCA has upheld a solid reputation for having top quality directors and staff, which is evidenced by their healthy financial condition and overall performance in 1993," said Arnold Henson, FCBT chief executive officer.

To receive the award, an association

must exceed a rigid set of financial performance standards for credit quality, capital, earnings and liquidity. Wichita Falls PCA Board of Directors declared a \$621,000 patronage dividend to its stockholders as of 12-31-93.
