Do you remember when Mrs. Vera Pearl Bunnell was the sponsor for the Grade School Pop Squad? We marched on the football field at half-time and made simple designs such as C.P. I thought all those trips to the games were great fun. We made a lot of noise singing and talking all the way to our destination. Some of the songs we sang were "Them Bones", "Give Me That Old Time Religion", "99 Bottles", and traditional songs about the State of Texas.

Getting an early start in the high school band as sixth graders, Friday night football was the highlight of the week. Some of you will recollect marching practice every day after school in preparation for new marching routine weekly. I never was free from those practice sessions, as an upper classman you still had to attend to help the young ones.

I vividly recall one day after practice finding my parent's car tied with my Dad's rope to the poles in front of the east cafeteria door. You have never seen such an entanglement of rope around the bumper and in and out several poles. When I demanded some help the guys laughed and laughed. Then one decided to turn me over his knee for an old-fashioned spanking, like John Wayne had done to Jane Russell at the Pioneer Drive-In. I was so embarrassed that when I drove across the parking lot I nearly ran over Mr. Whitton, the superintendent, leaving him in a cloud of dirt. I guess he saw what had transpired because the dreaded call to his office never came. I know the ex-students who were in McDonald's band know the great feeling of pride when the 80 plus members took the field. The crowd would stand clapping in anticipation. I think that is what I miss the most.

It was my privilege to live at a time when the girls high school basketball team went to the State Tournaments. My best friend, Darylene Hargrove, was the star player and her skills on the court were outstanding. She had a hook shot that no one could stop. The entire team was packed with talent. I liked the half court style of that era.

Where has the time gone? It seems like only yesterday, but years have passed and our children are making their memories. I hope their school days will be as meaningful and pleasant as we experienced.

Don't miss the 1994 Homecoming! If you have never attended make this the year to return. We have a wonderful time visiting with friends and reminiscing. See you there!

CROSS PLAINS HIGH SCHOOL BUFFALOES

Buffaloes On The Move

The Cross Plains varsity Buffaloes put it all together last Friday night, September 23, and spoiled Eden's homecoming by defeating the Bulldogs 28-0 in Bulldog territory. Both the offense and defense had strong games.

Offensively, the Buffs had 308 total yards (261 rushing and 47 passing) earning them 23 first downs and 4 penetrations into the Bulldog 20 yard line.

Leading this week again in rushing yardage was Jimmy Lee (Senior) with 15 carries for 118 yards and 1 TD. Behind him was Cole Gilliam (Senior) with 20 carries for 102 yards and 2 TDs. Jody Fortune (Freshman) had 7 carries for 52 yards. Quarterback Brock Walker (Junior) scrambled 3 yards for a TD also.

Homecoming Parade Entries Needed

WANTED: Entries for 1994 Homecoming Parade. Floats, vehicles, horses, wagons, bicycles and whatever you want to enter are needed to make another great parade. Clubs, classes and individuals who want to participate are welcome. Awards will be presented for each category.

Please contact Susan McNeel (817) 725-6498, Vickie Walker 725-7792 or Roxie Thomas 725-6436 if you have an entry.

Walker had a 62 percent completion rate in his passing game being successful in 5 of 8 attempts with no interceptions. Receiver Matt Reed (Senior) caught 3 passes for 24 yards and Lee caught 3 for 23 yards.

Defensively, the Buffs looked good also. They held Eden to a total of 116 yards (79 rushing and 37 passing). Eden made 8 first downs and had only 2 penetrations.

Showing strong defensive effort was Lee with 6 solo tackles, 4 assists and one recovered fumble. Reed had 3 solo tackles, 3 assists, caused 1 fumble, and was credited with 1 sack. Porcius Potter had 4 solo tackles and led the assists with 9. Sean Jones had 5 solos, 4 assists and broke up one pass attempt. Mike Tollett (Senior) managed 2 interceptions thwarting bulldog drives.

Other defensive standouts contributing to the cause were J.J. Higgins, Miguel Mauricio and Willie Nickerson (who dislocated his shoulder early in last week's practice).

The Buffs scored in the 1st when Gilliam ran in for the TD. Gilliam also scored in the 2nd quarter. In the 4th quarter Lee scored and Walker scored. Switzer was 4 for 4 in the kicking department for the extra points.

When Coach Cord Woerner was asked to comment on the game, he said, "Great overall effort. I would really like to commend the offense line. You don't rack up 23 first downs and 260 yards rushing unless you're blocking somebody." The offensive line includes

Potter, Nickerson, Cory Switzer, C.J. Parham and "Quatro" Frank Davis, IV.

Coach Woerner also had a positive comment about the defense. "The defense played a real solid game. They came up with 2 fumbles and 2 interceptions. Also they stopped 2 threats inside our own 20 yard line."

He went on to say, "The big difference, I believe, is that we are getting comfortable with the system and playing with a little intensity and poise. Turnovers have been a problem but we are working hard to eliminate them."

Even though the Buffs had a good game last week, Woerner is cautiously optimistic about this weeks game. "We have a really big challenge Friday, with number 8 in the state Robert Lee coming to our house (beginning at 8:00); but, we are beginning to look forward to challenges. District play begins the following week at Santa Anna."

The Buffs record at this point is 1-2-1.

Ready, Set, Playground

The Cross Plains Independent School District and the City of Cross Plains are in need of additional playground and recreational equipment especially for handicapped children. The present equipment on the school campus does not provide such opportunities.

The Parent Teacher Organization of Cross Plains have developed a plan to install new equipment that will provide for safety and handicapped accessibility. Facilities to be installed include an inter-connected unit with surface provided for handicapped accessibility, specialized areas for the development of eye/foot/hand coordination and balance, polyethylene slide 4' x 8' for smaller early childhood use, replacement of swings that meet CPSC (Consumer Product Safety Commission) recommendations also designed for handicapped use. This area will be enclosed and surfaced with Playsafe Protective Surfacing and Fall Saver Safety Cushioning, made of premium non-toxic rubber compounds that produce the best consistent protection against serious head injuries available. This installation will provide recreation fa-

ilities for the school and community on a year round basis and improve school and community pride.

An opportunity exists to provide additional playground equipment and recreational opportunities. Procuring funds, placement and regulating a combination of local funds, foundation funds, and RC&D (Resource conservation & Development) funds.

An increased number of youth in the community will have better accessibility to high quality playground equipment providing for better fitness, development of motor skills and provide a safe and healthy recreational outlet for the youth of our school.

Dr. Jim O'dell, pastor said, "Our experience has taught us that some folks just don't like to go to the "Sunday School" class that they knew as children or young "Fellowship" in this class. We want people to learn and be guided by the Word of God, but we also want them to get to know each other." The Bible Study group will meet in the Church auditorium and will be led by Bro. O'dell. Adults, singles and couples that have not been part of a "Sunday School" but have a desire to know more about God's word will find this class as one good way to begin or start again studying God's Word. The class will begin at 9:45 each Sunday and dismiss for worship at 10:45 for Worship Services.

Greetings From Your Senior Citizens

By THELMA LONG

The Center had another birthday, the 5th year to be in Cross Plains. We are so glad to have a place to go, to visit, play games and have a good meal.

Officers were elected for the coming year, beginning duties October 1. Those serving this year will be President, Faye Jackson; Vice President, Micki Dillard; Secretary, Elva Woody; Treasurer, Lois Garrett and Reporter, Thelma Long. The only reason Thelma is your reporter is that no one ran against her. Quote: "When you see news happen, give me a call". Thank you for your Confidence in me.

We are concerned about Suma Dill's state of health. She is now living at Colonial Oaks. Maybe temporarily. Arnold Horton is in Brownwood hospital, hopefully will be home this week. We miss you Arnold. Dick Dillard is scheduled for surgery this Monday, September 26.

The Frank Rones son visited recently

and drove them to Fort Worth for Frank's appointment with an eye specialist. Frances drove them back to the doctor this past week.

Everyone took advantage of getting a flu shot on Wednesday. Then on Thursday a nice little nurse from Concepts of Care was here checking blood pressure. We really appreciate this service.

Delores Garrett made a trip to Dallas with a church group, we missed her, but glad she could go.

Visitors with us on Friday were Paul, Juanita and Vi Harlow from Lovington, New Mexico, also Jean Fore.

We are so sorry to hear of the death of Marvin Dickson. He will be missed as he was so faithful in attendance. Our sympathy to Allie and the rest of his family.

Eula Bennett Hart was buried today. Graveside services were at Cottonwood Cemetery. To her family we extend deepest sympathy.

Quote: You can only keep one

thought in your mind at one time, so make it a good one.

JUNIOR VARSITY LEAVING FIELD VICTORIOUS

JUNIOR HIGH TEAM PREPARING FOR NEXT PLAY

BUFFALO MARCHING BAND

SPIRITED STUDENTS AT PEP RALLY

Buffalo JV Takes Victory

The Buffalo JV game was basically a defensive contest riddled with excessive penalties being called on both sides which caused the game to run long. Between the two teams, there were several hundred yards in penalties called. In the end, the Buffs came out on top with a final score of 14-6.

Cross Plains suited up just the necessary 11 players, Eden only had 13. Fortunately, neither team had any injuries that pulled a player out.

The first quarter went scoreless for both sides, neither team having much success moving the ball. Defensively for the Buffs, there was some good group tackling, a near interception by John Worsham, a good sack by Mike McClure and a good open field tackle by Chris Yates. Eden was forced to punt once and turned the ball over on downs once.

In first quarter offense, the Buffs moved the ball from their own 37 to Eden's 34 with runs by Kevin Nickerson and Hugo Mauricio and 1 completed pass from quarterback Jarad Richards to Nickerson and two to Dusty Hargrove; but no score.

In the second quarter, the Bulldogs made their only score of the evening on a 76 yard punt return with 3:35 left, but the PAT failed. Eden also had a costly penalty when they had a 60 yard TD punt return called back.

The Buffs in their 2 possessions of the quarter were forced to punt both times, but in their first possession of the third quarter, they drove the ball from their own 40 yard line for the score. Nickerson made good yardage on 7 carries and 1 pass completion for 15 yards. Mauricio also had 2 carries in the drive, and the TD came on a 10 yard pass caught by Worsham. The PAT failed, leaving the score tied, 6-6.

The Buff's second score came early in the 4th quarter when Mauricio had a good 42 yard run down to Eden's 11 yard line. Nickerson eventually carried the ball over for the TD and his two point conversion was good, making the final score 14-6.

The JV defense held again with some strong hitting by Carlton Thomas, Jeremy Pancake, Jeremy Box, Joseph Turner, and Leif Hunter which prevented the Bulldogs from scoring.

There will be a JV game on Thursday, September 29, at Robert Lee around 7:30 p.m. after the junior high game.

All Aboard

By GREG TURNER

It has taken a while to get this train loaded, but folks it's almost time to pull out. Are you ready? It seems that a couple of weeks back we began to load up when we played a tough game against Bangs. Even though the score was tied it was a moral Victory! Then last week we beat Eden 28-0. Ladies and gentlemen this steam engine is full of water and ready to move. It's pulling out soon, so make arrangements to climb aboard for a bone chilling, tingling up and down your spine feelings. It has been very exciting the past couple of weeks just getting loaded and seeing the enthusiasm of the young men on the field as well as the people in the stands.

This week is going to be a tough game as we face the number 8 team in the state, Robert Lee in Class A ball, but there is not a doubt in my mind that we can beat these guys. It will be exciting so make plans to attend.

I don't know if you saw last Thursday night's JV game against Eden, if you didn't, you probably don't know the answer to last week's question about the future of our program. Let me answer for you. **We're Here and We're Real!!!**

I believe in giving credit where credit is due. I'm sure everyone has noticed and heard the Band playing, cheering and also putting on a fine half-time show. Good job band and keep up the good work!

Quote of the week — "A person all wrapped up in himself generally makes a pretty small package." (E. Joseph Cossman)

Events this week:

Tickets are still on sale for the Emmitt Smith and Buffaloes Homecoming Helms. They are on display at Citizens State Bank, get your tickets soon, the drawing will be held October 29 during Homecoming.

Thursday Night - Junior High and JV

Cross Plains Buffalo fans had a full evening of football last Thursday, September 22 with over 5 hours of football being played in two junior high games

and a JV game. The junior high played their "A" and "B" teams (which had many players that overlapped and played both games).
The Buff's "B" team won their game 24-0, the "A" team lost theirs 38-0 and the JV took control of theirs, and won 14-6.

In game number one which started a little after 5:00 p.m., the young Buffs played a strong offensive game, scoring in 3 of the 4 quarters. Scoring in the first quarter was Jody Pancake on Cross Plains first play from scrimmage. He took a hand off from quarterback Justin McWhirter and out ran Eden the 48

yards for the TD. Pancake also ran in for the 2 extra points. In the second quarter, Pancake scored again, behind the good blocking of the line including Tim Curry, Jaden Winfrey, Brice Hail, Brice Farics, Robert Walters, and Jody Gosnell. Pancake's score came on 19 yard run followed by a 1 yard run. In the third quarter, Cross Plains' final score came on a reverse play from McWhirter to Pancake to Clint Bailey who ran the 8 yards untouched. Pancake's PAT was good again, and the final score was 24-0.

Other "B" teamers who saw action were Mitch Munson, Rowdy Dillard and Benji Switzer.

The second game was about like the first, except it went in favor of the Eden Bullpups. The Buffalo offense had a rough night, being held to very little yardage. The Buff's quarterback, Jarad Richards attempted 14 passes, completing only 3, and giving up 4 interceptions. Three of those leading to Eden TDs in their possession. Cross Plains was held to only 4 first downs and Richards was sacked 4 times. There were a few bright spots, though, including some good yardage gained by Reyes (his longest being 33 yards), and a couple of keepers by Richards. Pass completions went to Edgington and Reyes.

Defensively, although Cross Plains lost, there were several strong plays including good hitting by Rowdy Dillard, Brook Callaway, Jaime Mauricio, Jody Pancake, Joseph Hopkins and Brice Hail. Callaway and Reyes were also responsible for breaking up two pass attempts by Eden.

Runners will be in Coleman at the golf course next week to run.

Other Cross Plains players that put in some good playing time in the second game were Jackson Worsham, Justin McWhirter, Clint Bailey, Kenneth Ratliff, Benji Switzer, Sam Nixon, Jeff Yates and Matt McGowen.

On Thursday, September 29, the junior high teams will travel to Robert Lee for one game starting at 6:00 p.m.

Volunteers from our community. They do an outstanding job and there are so many of them I don't dare list their names because one might be left off. Thanks to all of the helpers.

A big thanks goes to Lakewood people who let us use the golf course for our meets.

BREAKTHRU

By Bob Pipes, preacher
Cross Plains Church of Christ
433 N. Main At 12th
(817) 725-6117

I saw a cartoon once showing a middle aged couple entering the church building where a marquee out front plainly advertised the morning sermon to be entitled "Do Your Dollars Go To Church?" They are obviously late and as the man looks at his watch — and with an even more obvious sheepish grin on his face — he says, "Perfect timing! Too late for the collection and just in time for the sermon!"

Sometimes we tend to think we can sidetrack responsibilities that easily and believe, for instance, that just because we are able to maneuver ourselves to be late for the collection we have relieved ourselves to be late for the collection we have relieved ourselves of God's commandment to return a portion of our prospering to Him...

There's lots of misunderstanding concerning our relationship to God and our giving to Him — but what about responsibility? Do we release ourselves of a responsibility to help others in need by simply turning our heads — or by "passing by on the other side"? Surely the Lord's parable of the neighborly Samaritan, Luke 10, teaches otherwise.

Tell me who you think is the happiest and has broken through to the higher plain of living, the one who schemes ways to avert responsibility — and has a guilty conscience for having done so (not to mention having missed the joy of fulfillment) — or the one who meets his responsibilities head on (heart on?) and discharges them freely, fully and gladly? Surely we agree that it is the latter. Is this the breakthrough you're needing for a more rewarding life? Remember, it's patterned after Jesus' way...

Come learn and grow with us. We really do care about you, too.

October 21 Turkey Supper Night Cottonwood Musical

October 28 Homecoming Reunion for former Cottonwood Students, Faculty and Members.

October 30 High Attendance Sunday at Cottonwood Baptist Church

On Sunday, October 2, the Cottonwood Baptist will have a "Special Dedication Service". Dedication of the repairs and replacement work has been completed from the damage received from the May 29 storm. A noon meal will be held in the annex building following the 11 a.m. services.

Did you know in the fall of 937 the high school students at Cottonwood School began attending Cross Plains School District? The 1st through the 8th grade students remained at Cottonwood until 1953, when they consolidated with Cross Plains School District. At that time, Mr. Carl Halsell was the principal and taught the 5th through 8th grades. Mrs. Werdna Gary taught the 1st through 4th grades. Mrs. Wilma Burton was the bus driver and lunch room custodian. School board members were Slim Spivey, John Purvis, Earl Archer and W. A. Burton. They had a very active PTA group represented: Leona Spivey, Amy Albrecht, Wilma Burton, Janet Purvis and Myrtle Dunn. These ladies had all kinds of activities scheduled for the school.

On October 28, all former students, workers and faculty members of the Cottonwood Schools will have a "Cottonwood Homecoming Reunion". The gathering will be held in the old Cottonwood School house (the community center) starting at 6:00 p.m. Refreshments of coffee and cookies will be served. Please bring school pictures and any items you would like to share with former classmates and friends for a trip down "school day memory lane".

We wish to express our sincere sym-

MINUTE MUSINGS

By ESTHLOY S. DICKSON

This is a beautiful September morning—only a slight breeze and beautiful sunshine.

I am saddened by the death of our friend, Marvin Dickson. I'm quite sure that we are not related, but he and Allie are dear friends of mine.

Services at First Baptist were interesting and inspiring. There were not nearly as many in attendance as there should have been. The choir presentation was excellent. There were fourteen women and nine men in the choir.

Sally Roady was not feeling too well this morning. She is a big help to me with this column. Bob visited his mother at the nursing home nearly every day. Their daughter, Cindy, called from St. Joseph, Missouri. Their son, Joe, came up from Brownwood for his birthday dinner with his mother and father.

My daughter, Joan, called this morning. They were in Austin recently, and from there they visited in Bastrop where her father's family lived. She has a special interest in her 'ancestors'.

I didn't get the Beggs' household this morning. I hope they will feel free to call me when they have something to report.

I didn't get the Tillotson's this morning. I'm sure I will hear from them soon.

Cellular Phones Pose No Radiation Hazard

The phones in question were free-standing, hand-held cellular phone with antennas close to the user's head. Car phones with antennas mounted outside the car and cordless home phones that rest in a base wired into phone lines were not in question.

According to the study released by the National Institute of Health, users of hand-held cellular phones are exposed to levels of radiation well within national safety standards. I guess we can worry more about our driving that radiation from our car phones.

Your better health is our concern.
