## Lady Buffs District Co-Champs

The Lady Buffs closed out their 1993-1994 home season by crushing the Lady Panthers of Gorman by a 70-42 count. Cross Plains took a huge 18 point half-time lead and used that momentum to carry on for the win.

Senior Shana Bagley blistered the nets for 21 points while fellow seniors Heather Montgomery and Amanda Sowell (20 and 13 points respectively) added to the cause. Tonya Stover pumped in 8; Jenny Potter 6; and Amy Strength 2. All the team gained valuable playing time, and the seniors ended their home season with a bang.

Cross Plains finished the regular season with a 22-8 record which bettered any girls' basketball in several years. They finished as Co-Champions of District 26-A with a 5-1 record (tied with Eula).

"I am very happy and very fortunate, to be able to work with such a fine group of student athletes and young ladies!" Coach Starcher commented. "They are a true joy to be around. I hope they can take the success they have had in this game and apply it to their daily lives later on."

One group which never seems to get

much attention are the filmers, managers, and statisticians. The varsity girls and Coach Starcher would like to thank Misty Abernathy, Denese Whiteley,

Lisa Johnston, Joy Klingberg, Connie Steele and Tamara Flippin for their work and hours put into the athletic program. Thanks a bunch!

## Weight Loss Baffles Scientist!

WASHINGTON -- A scientist at National Dietary Research was baffled at how successful a natural food tablet had become in helping overweight people lose weight. Dr. William Morris was baffled because the original chewable tablet formula was developed to help feed the world's undernourished people.

Why the original food formula helped some people lose weight is still a mystery. However, the formula has since been improved, and the new formula's weight loss potential is not a mystery. The fortified formula, call Food Source II (FS-II), is not a low calorie food but a powerful appetite blocker that can actually decrease calorie consumption while supplying essential nutrients.

So how can people lose weight with FS-II---lots of weight! According to Dr. Morris, it is the revolutionary FS-II diet plan that allows you to lose weight without giving up your favorite foods. With the FS-II Plan there are no forbidden foods and the special appetite control ingredient is one of the most effective available without a prescription.

Berkeley-Brown Labs has obtained exclusive distribution rights to FS-II. FS-II is available through pharmacies and other health care professionals.

## Greetings From Senior Citizens Of Cross Plains

By THELMA LONG

Beautiful warm weather one day, snow on the next day, then 80 degrees one day and 20 the next — who can predict our West Texas weather, but aren't you thankful to live here instead of California — with earthquakes and mud slides as up North in all that snow.

Spring is on the way. We can see the beauty of daffodils and other little plants coming through the ground. We wonder how anyone not believe there is a God.

Some of our ladies are as busy as the "Busy Bee of Sabanno" (Don't you love to read the articles by Beverly Pope).

The quilting is going at full speed. Some of us with shaky fingers and poor eye sight will not dare put a stitch in something so pretty.

As usual we have had visitors and I fail to get the names. We had C. Lee Smith from Clyde on Thursday. He is running for Callahan County Judge. We are always glad to have visitors and invite you to come again.

Sorry to report that Gladys Smith is back in Brownwood Regional Medical

## Free Income Tax Service

By PAUNIECE OGLESBY

Through the Tax-Aide program, volunteers provide free personal income tax assistance to the Senior Citizens, low-income families and the general public with basic tax returns, individuals with complicated tax returns will be advised to seek professional tax assistance.

Volunteers are specially trained, in cooperation with the U.S. Internal Revenue Service (IRS), to understand those provisions of the tax code that affect Senior Citizens as well as the low and middle income families. Tax-Aide volunteers provide personal, one-on-one assistance to help you complete your federal tax returns, including special rebate programs.

Tax-Aide volunteers are available from February 1st to April 15th each year. There will be two volunteers working the Cross Plains area using the Multi-Purpose Center on East 8th Street as their headquarters. Tax returns will be prepared by APPOINTMENT ONLY, so you will need to call the volunteers personally for appointments. Volunteers are Pauniece Oglesby 725-6772 and Susie Rogers 725-7552. Mrs. Oglesby prefers to volunteer on Tuesdays, but will make appointment on other days if necessary. Mrs. Rogers wishes to volunteer on Tuesdays also.

When you meet with a Tax-Aide volunteer, you should bring the following: (1) a copy of last year's (1993) income tax return, (2) any W-2 forms you have received showing your income from working, (3) all 1099 forms you have received which show the interest and/or dividends, (4) all 1099-R forms which show all pension monies paid to you, (5) form SSA-1099 which shows the Social Security paid to you, (6) records of any other income you have received, and (7) receipts or cancelled checks for any of your medical/dental expenses and any contributions you have made to charities.

This is a community service available to those stated above and the Tax-Aide volunteers are eager to be of assistance, so please call for an appointment and let us help you.

A note was received from Gail Martin, daughter of Cora Howland. She included an interesting article about Cora's 103rd birthday celebration. She listed some of Cora's lifetime experiences. Her memories are still vivid. She is very alert. Her favorite job of the past was working in the Post Office. She states that she would like to do that now (at age 103 — WOW! What a lady.). She is very special to all of us at the Center and to all Cross Plains citizens.

The Center was decorated for Valentine. Really pretty — nominations for Valentine Queen and King were made on Thursday. Voting and a party was on Friday morning. Winners are: Queen — Ila Mae Marshall and King — Frank Rone.

See you in two weeks.

## PIONEER THIS WEEK

By BARBARA POWELL

Lottie Sooter's visitors last weekend were her children from Abilene and Janet Brooks from Huntsville, Alabama.

Tuesday, the quilters were happy to be back. It was a beautiful day. Fannie Dowell's quilt came out of the frames. Novella Barton put in her "9 Patch" hostess quilt.

Our neighbor, Eddie McCarty visited with us one afternoon this week. We always enjoy visiting with Eddie.

Cecil visited with Novella Barton this weekend. He arrived Friday evening and left on Sunday evening.

Sunday afternoon John Miller stopped by and we had a real nice visit with him.

**DID YOU KNOW THAT?**

Laverne and Cowan Hutton are Sojourners. Sojourners are a group of retired Christians who own their own R.V.s and under the auspices of the Church of Christ, by request, help smaller congregations. Their help is mainly spiritual. There is no cost to the congregation they visit. Normally they are gone about three weeks.

This past New Year's Eve fellow Sojourners, Eugene and Ardale Sumter spent the night with them. On New Year's Day the Sumters and Huttons left in their R.V.s for Karns City. The Sojourners worked with the Church of Christ for two weeks. While there, along with six other couples, canvassed the town inviting residents to a lectureship given by the men. They also set up and taught Bible classes.

Laverne was speaker for Ladies Day. Her speech was titled "Where do we go from here?" This was for adult education on family life.

Cowan and Laverne have been Sojourners for eight years working in Texas, New Mexico and Utah.

Next week, I will publish my **non-partisan Diagnosis of Socialism's Nightmare** for the education and consideration of the voters of Callahan County.

**Socialism** is the dishonest politics, economics and religion of atheism, evil men and stupid voters who refuse to see the truth of socialism's failure and destructions all around them. It will always be one of the vain dreams and false promises of dishonest politicians offered to ignorant, lazy, evil, fearful or an intellectually corrupted people. **The wreckage** that is the USSR, Vietnam, Cuba as well as that of Vince Foster and WhiteWaterGates, always follow.

**I know** this will assist every mature and wise Callahan County voter to take the high road of **faith** with thankfulness to the God that has so greatly blessed America, **respect** for their neighbors and **freedom** under God's care as moral, self-responsible men committed to overcoming evil with good. Did you ever wonder just what or who determines how much a gallon is — or how long a mile is? There has to be a set and regulated standard, you know, whether we're talking about our present system or the metric system. The Bureau of Standards, of weights and measures, has the pattern or standard by which all others must conform.

Well what about standards for living? Aren't you glad there are some to live by and measure ourselves by?! It's equally as important that we use the authorized one(s). Some may let what society dictates to be their standard for living — yet it not agree with the Authorized Standard.

If we were in business and our product was one requiring measurement, we wouldn't guess at its weight or size or volume, would we? Nor would we accept just anyone's word regarding its measurement. Neither should we in our daily living! The Galilean said, "The words that I have spoken, these shall judge a man in the last day, John 12:48. We can read His word and determine what it takes to be honest, what it takes to be moral, what it takes to be just, and what the measure of faithfulness really is. I'm glad for that standard, aren't you?

This same reliable standard tells us what is necessary in order to become a child of God — and what is necessary to maintain that relationship. It gives us the "rules" for living and the guidelines for worshipping the Ruler and Lawgiver.

Come learn of these truly important standards — for living — and join us in worship of the Standard-Giver. We really do care about you, too!

## Bufs Finish District Unbeaten

By COACH BILL BOYD

The Cross Plains Buffaloes closed out district with a 65-62 come from behind win over the Gorman Panthers. This win makes the Bufs 6-0 and will represent District 26-A as the first place team in the State Basketball Playoffs.

The Buffaloes fell behind early and were down 34-25 at the half. In the third quarter the boys came out moving and passing better to outscore the Panthers 22-10. The Bufs hit their free throws down the stretch and held on for the win. Kevin Switzer led the team with 19 points, 5 rebounds, 4 steals, and 3 assists; Brock Walker followed with 16 points and 5 assists. Jason Fleming added 12 points. Once again Matt Reed and Donnie Dillard were our leading rebounders with 11 and 8 respectively.

We hope to see you at Reunion Arena in Dallas this Saturday as we play Huckabay, the number 15 team in the state. Our game will be followed by the Dallas Mavericks versus the Detroit Pistons. This is a once in a lifetime opportunity for these kids and we appreciate all of the support the community has given us. Special thanks to Jean McWilliams for selling the tickets to the public. Her patience and good nature make each day at our school a better day!

Our Bi-District game will be Thursday, February 24, at Stephenville versus the Graford Jackrabbits. Let's pack the stands and get a home court advantage on the road!!

## Lady Bufs Runner-Up

The Cross Plains Lady Bufs traveled to Abilene February 11 to play Eula in a District 26-A Championship Playoff. The contest held at the Mabee Complex on the campus of Hardin-Simmons University, proved to be costly to the Lady Bufs, falling 57-42 to the Lady Pirates. An estimated crowd of 600 watched as Cross Plains will enter the state basketball playoffs as the second seed in District 26-A.

The game was close for the first half of play, but poor shooting percentages, poor movement on the floor, and a 24-8 free throw advantage for Eula led to the Cross Plains defeat. "We just didn't look like a team from the past," Coach John Starcher said. "Due to a number of things, we just weren't prepared. The good out of this game is that we are still in the state playoffs! We must get rid of our turnover troubles!"

Heather Montgomery led Cross Plains with 21 points and 11 rebounds in the game. Shana Bagley (8 points, 3 assists); Amanda Sowell (6 points, 7 rebounds); Jenny Potter (5 points); and Tonya Stover (2 points) aided in the Lady Buff effort.

Due to the loss, Cross Plains will now face the number 12 ranked Brock Lady Eagles in a Bi-District encounter on Friday, February 18. The time and site are to be set Wednesday of this week. Information may be obtained through the high school office or the *Cross Plains Review*. Wear your "sea of purple" and really be vocal to show your support of these young ladies!!! ## Lady Bufs Playoff Bound!

Shooting 75 percent from the free throw line and 52 percent from the field, the Cross Plains Varsity Lady Bufs Basketball Team propelled themselves into the Class A State Playoffs by defeating the Eula Lady Pirates 44-40. The Lady Bufs are assured a playoff spot by virtue of the win at home February 4, with a very large and loud crowd backing them up.

"We shot probably our best game of the year this far," said Coach John Starcher. "The girls hit the shots at the right time, and there is no doubt the crowd kept our intensity throughout the game."

Cross Plains led 22-14 at halftime, but a slow third quarter caused by turnovers of the Lady Bufs allowed Eula back into the contest. With Cross Plains leading 30-28 after three periods, Eula tied the game at 32 with 6:45 left in the game.

Cross Plains then slowly pulled away (hitting 6 of 7 free throws) in the fourth, leading by as many as 8 points, before the final score was settled.

Senior Heather Montgomery (13 points, 7 rebounds) and Shana Bagley (10 points, 4 blocks) led the Lady Bufs. Senior Amanda Sowell added 8 points and 6 rebounds; Juniors Jenny Potter (6 points, 11 rebounds) and Tonya Stover (5 points, 2 steals) aided the cause along with Freshman Malysa Sowell (2 points). "The girls are playing well now after we hit a 'slow-down' at the first of January," Starcher stated.

On February 1, Cross Plains travelled to Baird and came home with a 57-33 victory. The Lady Bufs used a 23-13 halftime lead to blow away the Bearettes the second half.

Bagley lit up the scoreboard with 19 points, 3 assists, and 4 steals. Other performances included Montgomery (9 points, 6 rebounds); Potter (8 points, 7 steals); Amy Strength (100 percent free throws) and Stover 6 points each; A. Sowell (5 points, 9 rebounds); Jodi Dallas 2 points; and scoring one each were Misty Strickland and Rachelle Bishop. The team as a whole had 36 rebounds and 21 steals in the game.

## Pre-election Forum Set For March 3

A Pre-election Forum will be held March 3, in the Cross Plains High School Auditorium at 7 p.m., following the Kiwanis Annual Pancake Supper.

Beta Sigma Phi will sponsor this forum for candidates seeking the offices of County Judge and County Commissioner Precinct 4.

The purpose of this forum is to allow candidates an opportunity to express their views concerning current and future issues for Callahan County and Cross Plains. There will be a question and answer session with prepared questions, as well as questions from the audience. Admission is FREE to the public.

If you are concerned about the upcoming election, this forum will prove most informative. Both candidates for County Judge and all five candidates for County Commissioner have confirmed their interest in attending. Come and meet the candidates. They want to meet you.

## Let's Debate The Issue

For the first time in several years, Cross Plains High School entered a team in District U.I.L. debate competition. Sophomores Sabrina Taylor and Hillary Giles went to Roscoe on Saturday, February 12.

This was their first year in debate and they really didn't know what to expect. Preparation is quite involved. Each debate team has to work with the same problem. This year the topic was the Federal Government providing national health care insurance for everyone.

The team must prepare both a defense for the resolution and against. They do not know until the day of competition which side they have to support.

Hillary and Sabrina competed against two teams from Roscoe and one from Baird. The Roscoe teams both competed at state last year, so they faced some tough competition their first time out, but by the end of the day they had gained some valuable experience and worked hard to earn their 4th place.

## Scholarship Deadline

## Elementary News

Cross Plains Elementary grades Kindergarten through the fifth grade had a special treat this week. On Tuesday and Wednesday, February 15 and 16, these students were able to see a live production of a Walt Disney favorite, "Pinocchio."

On Tuesday, during the morning, the first through the fifth grades took a couple of school buses to Cisco Junior College where they were able to see the CJC's theater group's performance. On Wednesday, it was the Kindergarten, second, and third grade that made the trip.

Don't worry, the fourth grade was not left out. Every year, WTU has a special presentation just for the fourth graders. This year their program on electrical safety will be held on Tuesday, February 22, beginning at 9 a.m.

Mrs. Golson's and Mrs. Walker's fifth grade classes finished their conservation posters last week. The posters were the result of a program that was presented to the classes a couple of weeks ago by the Soil and Conservation people.

Winners of the contest will have their posters sent on to the next level of competition, which is Regional competition at Temple. It will be some time in March before results will be known. There are 60 counties at that level.

Roger Carey and Ashlee Hutchins both had their posters selected to go on to the next level.
