**Community Easter Program Needs You** 

Sunday afternoon an organizational meeting was held concerning the Community Easter Program sponsored by the Chamber of Commerce, Project Pride and Kiwanis, which was well attended. Rev. Don Roath enlightened the group on details and questions were asked about the production.

Rev. Roath stressed that this is not a church sponsored program, but a community project. The production will begin with an Easter Parade featuring secular music. Victorian style costumes consisting of floor-length skirts, frills, bonnets, and parasols will provide a colorful stage. Marlene Sanders and Netha Carouth head the costume com-

mittee, but will need additional volunteers.

Community children will be involved in this section focusing on an Easter egg hunt. Plans are being made to include high school youth, also.

At this point the "true" meaning of Easter will be portrayed through the exciting drama and religious music of "Living Witness". Men and women are needed for soloist and dramatic roles. A choir of approximately fifty vocalists is expected. It is not too late to participate!

There will be eight weeks of rehearsals. The choir will practice each Thursday at 7 p.m. at a pre-appointed time and place.

The one hour community production will be held on Sunday, April 10, at the Cross Plains High School Auditorium beginning at 7 p.m. There will be a love offering following the performance to help defray incurred expenses.

Everyone who attended expressed enthusiasm in the project and is looking forward to its success. If further information is needed, contact Don Roath at 725-7377 or 725-7694.

# **Buffaloes District Champions**

#### By COACH BILL BOYD

The Cross Plains Buffaloes clinched the 26 A District title with a resounding win over county-rival Eula 94-83. This was the first boys title since 1985. Earlier that week the boys traveled to Baird and pulled out an exciting 65-62 victory. In Friday's Eulagame, the Runnin Buffs jumped out to a 27-10 first quarter lead. Six Buffaloes scored in that quarter thanks to our full court pressure and team play. The Buff's Brock Walker hit a 3 pointer as the second half buzzer sounded to give Cross Plains a 52-32 half-time lead. The second half was pretty much both teams trading baskets and when the buzzer sounded the nets came down and the long awaited District Championship had arrived.

Jason Fleming led the Buffaloes with 28 points and 5 steals, Matt Reed followed with 18 points, 13 rebounds, 5 steals and 4 assists. Donnie Dillard had his best game of the year with 17 points and 7 rebounds. Walker added 14 points and 7 assists. Kevin Switzer was his steady self with 12 points, 3 steals and 3 assists.

Tuesday the Buffs played their third consecutive road game of the district season. The Buffs held on to defeat Baird 65-62. We started off strong but seem to forget our defensive fundamentals. Switzer led Cross Plains with 25 points followed by Fleming with 17 and Dillard with 12.

We made some mistakes in this game that we normally do not make. Playing three close games in a row on the road may have fatigued us and when you are tired you make a lot of mental mistakes. Our Junior Varsity continued to struggle in the win column but not in the improvement column. We were defeated by Baird 56-42. We were within 3 points with four minutes to play and then we blew numerous assignments. Jeremy Barnett led the J.V. with 13 points followed by Hugo Mauricio with 11 points. Eula beat out J.V. 55-48 and withheld a strong Buffalo comeback. Porcious Potter led our attack with 19 points followed by Barnett with 13 points and Mauricio with 12 points. Tim Campbell led us in rebounds with 12.

three warm-up games and the only one for sure is the February 19th game at Dallas Reunion Arena versus Huckaby, the 15th ranked team in the state. This is

a great opportunity for our kids and we appreciate everyone's support of our 22-4 District Championship Team!

**District Realignment Set** 

By the end of January every two years there is a change in district realignments affecting school districts over the entire state of Texas. It is the U.I.L. (University Interscholastic League) that establishes the districts for the various U.I.L. competitions ranging from football to debate. The alignments are basically established according to a school's average daily attendance and distance of travel (sometimes that one is questioned). Have you ever had your appetite all set for a nice, big, juicy, delicious apple - you pick it out, wash it, then take a bite - and it's a bad apple! Or you buy a sack of what you think to be beautiful, good apples, and take them home. Later you go to eat one and you find they're all ruined - spoiled because just one of the apples was rotten and it ruined all the others!

Shakespear said: "There's small choice in rotten apples." Which one do you want? None of them! They're all ruined because of one! Well one bad word or one evil companion is apt to do the same. One word can spoil a whole conversation - and can even ruin an entire day for another. Solomon said, "A word fitly spoken is like apples of gold in a setting of silver," Proverbs 25:11. If a word fitly spoken is like "apples of gold," the unfit word must be like bad apples!

One foul word - curse word, vulgar word, or even suggestive word - ruins many a good song! And in our daily dealing with one another, one harsh word or hateful, angry word ruins it all. The song which states "Angry words, O let them never from the tongue unbridled slip; may the heart's best impulse ever, check them ere they soil the lip" is such good advice!

Thomas of Sand Springs and Mr. and Mrs. Gerald Culpepper of Glen Rose. The groom is the son of Mr. and Mrs. Robert Dale Watson of the Rowden Community near Baird. He is the grandson of R.G. Watson of Baird. The wedding took place in the main sanctuary of Hyde Park Baptist Church in Austin on Saturday, October 9, 1993, at 4:00 in the afternoon.

A starburst arrangement of yellow gladioli, Red Rover mums and assorted autumn flowers decorated the altar. Two tall brass candelabra each held fifteen lighted tapers and were decorated with greenery and fall flowers. Forty lighted tapers lined the chancel rail. Pews were marked with bows of ivory tulle.

Before the ceremony, an organ prelude was provided by Owen Griffin of Austin, assistant minister of music for the Hyde Park Church. Mr. Griffin played Bach's "Jesu, Joy of Man's Desiring" as the mothers were seated, and the processional music, "Trumpet Voluntary" by Clarke, was played as the bridal party entered.

Ministers officiating at the ceremony were Dr. Tim Temple, pastor of Abilene Bible Church, and Rev. Lewis A. Petmecky, pastor of the First Presbyte-

the hym, "In This Very Room," by Harris Rev. Petmecky officiated as the couple recited their vows and exchanged wedding rings. Miss Laurie Sargent of Midland, soloist, sang "Doubly Good to You" by Mullins, accompanied by Mr. Griffin at the organ. Following the song, Rev. Petmecky pronounced the couple man and wife and presented them to the guests.

The recessional, Beethoven's "Joyful, Joyful We Adore Thee," was played by Mr. Griffin as the bridal party left the church. As she left, the bride presented one single rose from her bouquet to her mother and one to her husband's mother. Presented in marriage by her father, the bride wore a floor-length gown of candlelight satin and lace. The fitted bodice of beaded lace and sequins over satin featured a basque waistline, a sweetheart neckline, and beaded leg-omutton sleeves. Beaded lace bordered the sleeves, the hemline, and the long train. The train also featured cutouts and beading. Satin bows were accents on the sleeves and at the back waistline. Her three-tiered, shoulder-length veil of candlelight silk illlusion fell from a wreath of pearls and illusion. Candlelight satin shoes completed her attire. She carried a cascade bouquet of champagne roses, stephanotis, English ivy, and light beadwork.

In keeping with tradition, "something old" was a ivory lace handkerchief which was first carried by the bride's greatgrandmother, Mrs. Laura Farrar, at her own wedding. It was also carried by the bride's grandmother, Mrs. Flovell Thomas, by the bride's mother, and by the bride's aunt, Mrs. Lewis Petmecky, in their weddings, making this the fourth generation to do so.

"Something new" was a pair of rhinestone and teardrop pearl earrings. "Something borrowed" was a diamond necklace borrowed from Miss Tracy Smith of Pittsburgh, Pennsylvania. The necklace was a gift to Miss Smith from her grandmother. "Something blue" was a garter of blue ribbons and lace which was worn by the bride's mother at her own wedding in 1963. For luck, the bride wore a penny in her shoe.

Miss Alicia Trujillo of Midland was maid of honor. Bridemaids were Miss Lynda Barnett of Austin; Mrs. Belynda Abbey of Albuquerque, New Mexico; Mrs. Michal Watson of Arlington, sisterin-law of the bride; Miss Laura Farris of Lubbock; and Mrs. Merrie Petmecky of New Braunfels, cousin of the bride. The bride's attendants wore tea-length dresses of irridescent emerald green taffeta and emerald velvet. The full skirts and elbow-length puffed sleeves were of taffeta, and the fitted bodices of velvet featured sweetheart necklines. Black shoes and black hose completed their ensembles. They carried bouquets of bronze Firecracker lilies, yellow button mums, fall-colored miniature carnations, and silk Croton leaves.

Petmecky of New Braunfels and Stephen Petmecky of Austin, cousins of the bride. The groom, his attendants, the ushers, and the fathers of the couple all wore black tuxedos with matching ties and cummerbunds. Their boutonnieres were of apricot-colored miniature carnations and greenery.

Corsages of champagne roses with pearl beading and greenery were worn by the bride's mother and grandmothers and by the groom's mother.

Miss April Nevill of Garland registered the guests. Photography was by Mark Abbey of Albuquerque, New Mexico. Immediately following the ceremony, a reception was held in the Friendship Hall of the church, directly behind the sanctuary. The reception was catered by Homestead Catering. Roast beef and turkey sandwiches on miniature buns, vegetable trays with gourmet ranch dressing, fruit medley trays with lime poppy seed dressing, cheese and cracker trays, and spicy bean dip with chips and salsa were served from a buffet table covered with an ivory cloth and draped with a cloth of emerald green. Sprays of flowers to match draped with a cloth of emerald green. Sprays of flowers to match the bridesmaid's bouquet were used to decorate the table. The bride's table held the three-tiered

wedding cake and the silver punch bowl. The butter-cream wedding cake, made with apricot filling and butter-cream icing, was decorated with champagne roses, miniature carnations to match the boutonnieres, and flowers to match the bouquets of the bridal party. Miss Tracy Nowlin of Fort Cobb, Oklahoma, and Miss Tracy Smith of Pittsburgh, Penn-

Your Veterans office has received two new booklets from the Texas Veterans Commission in Austin. One contains the names and citations of Texas MEDAL OF HONOR Recipients covering the years of 1863 through 1981. Seventy eight Texans have earned this coveted award through their acts of bravery in battle. 1st Lt. Audie L. Murphy of Farmersville is listed as he was the most decorated US Soldier of World War II. Lt. Murphy's grandfather was a half brother to Andrew Jackson Berry who died in Baird in 1899. Andrew Jackson Berry and his brothers, Bate and Joe, fought in the Texas War of Independence from Mexico in 1836. The second book is a compilation of the fifteen articles on Alzheimer's Disease that were presented in the Texas Veterans Commission JOURNAL over the period of July 1991 through July 1993. Anyone interested in learning more about this terrible problem is urged to come by the Veterans Office in the Courthouse and read over the articles. You certainly do not need to be a Veteran in order to use this literature. "Anyone" means any and all. Question---I am a disabled Veteran

and unable to work. My disability is not service connected. I am over 65 and receive \$500 per month of Social Security. Can I get any help from the V

A?

Answer---Yes, help is available from the V A in that V A will make up the difference in your Social Security payment of \$500 and \$651 per month which is the maximum Improved Disability Pension for a Veteran with no dependents. You should also check with the Social Security office to determine if your Social Security disability payment can be continued beyond age 65. Trivia question---What house is the second most visited American home in the United States-outdrawn only by the White House?? Answer--Graceland, the home of Elvis Presley in Memphis, Tennessee.

### **PIONEER THIS WEEK**

#### **By BARBARA POWELL**

Our snow on Monday was beautiful. Everything looked so clean. Ruby Mc-Cowen stated 1919 was the worst snow storm she remembers in Pioneer. She didn't recall exactly how much snow, but it was a heavy storm.

Frankie, Oliver Smith and Jean Fore attended musicals and visited with Frankie's daddy on the weekend.

Cora Harrell, previously of the Pioneer Community and now residing in Rising Star, says she is staying busy and active in Star Pride and her church. She helped decorate the old Higginbotham's store windows for Valentine's Day.

Nelda Weiss reported that Beverly, Brian and baby arrived Tuesday night. Beverly and the baby are staying until the weekend. Nelda is sure enjoying their visit and especially watching the baby. He just rolled over for the first time and is starting to cut teeth.

Monday's snow was wonderful but by Tuesday the temperature had dropped, making it a hazardous day. The quilters played it safe and stayed home by the fire. We will meet next Tuesday as usual.

Saturday, Bob and Michael (the threeyear-old) were able to till a portion of the garden that wasn't too wet. They planted potatoes, onions and radishes. Bob calls

Michael a "mud seeking missile". Michael said he was really tired from all that work.

When the first vegetables are planted and the fruit trees are being sprayed, I know spring is just around the corner. The trees are budding out and we will be able to pick some volunteer lettuce soon. The lettuce got a little niped from the freeze but with this warm weather we're having it will be fine.

John and Irma Miller visited us Sunday afternoon. We always enjoy them so much. They are an interesting pair.

### Fellowship Meeting Friday, February 11

The Drawing Nigh to God Fellowship meeting will be held at the Pentecostal Church in Pioneer on Friday, February 11, beginning at 7:30 p.m.

Pastor, Sister Ruby McCowen, welcomes everyone to attend and enjoy the music and fellowship.

#### **Parovirus In Dogs Diagnosed** Vaughan To Conduct

There has been an alarming number of canine parvovirus infections diagnosed in the area. Canine parvovirus is a viral disease of dogs which is capable of causing two different sets of clinical problems. The first to be recognized, and the most common, is the "intestinal form" which is manifested by bloody diarrhea, vomiting, loss of appetite, depression and often death. The second to be recognized is the "cardiac form", which occurs in very young pups and is manifested by an acute inflammation of the heart muscle.

Any age, breed or sex of dog can be affected by parvovirus. Several factors such as age, environment, stress, parasites and general health status of each individual dog infected could affect the severity of illness.

The disease is usually more severe in young dogs, (less than 6 months of age) or old dogs. Early, vigorous treatment of the illness is imperative, since vomiting and diarrhea can lead to dehydration and chemical imbalance in the body.

Control of parvovirus by sanitation measures alone is extremely difficult because the virus is such a resistant. hardy organism and because it is so easily spread. Parvovirus is transmitted through contact with the feces of an affected dog. The virus can be carried on the dogs hair and feet, as well as on contaminated cages, shoes or other objects. Isolation of infected dogs is one method of control, although moderately effective. Just as any other virus only vaccination of susceptible animals will control the actual source of infection. A properly immunized dog will have

VOTE

circulating protection in the blood that will destroy parvovirus following exposure. It is important to begin vaccinations at an early age and repeat every 2-3 weeks until the puppy is at least 14-16 weeks old. Adult dogs should receive two doses of vaccine given 3-4 weeks apart for maximum protection. All dogs should receive an annual booster vaccination to assure an enduring immunity.

Comparing the dog population in this area to the number of parvovirus infections that have been diagnosed, we have an infection percentage comparable to any other area in the state.

in Brownwood. There will be no charge for the workshop.

One week ago this morning, snow was all over the place. Well, it is all over cloudy this morning - very dreary. But I know from experience there will be some sunshine later on.

My longtime neighbor friend, Mrs. Dale Gary, called me this morning. Their daughter, Virginia Fleming of Fort Worth, spent the weekend with the family. Robert and Mary Callaway of Denison came on Sunday morning for a nice visit with the family.

Betty and J.T. Beggs went to San Antonio for business purposes on Saturday of last week. Sam and David Beggs of Morton Valley visited the family one day.

Another good neighbor, Ms. Jewel Foster called. Rev. O.G. Haynes of Eastland visited the family last weekend. She was in my Sunday School class on Sunday morning.

Now - this important question! Has anyone out there found License No. 777-TMD, which fell from my car somewhere, sometime? It just has to be in Callahan County — this car has hardly been outside of this county.

My good neighbor, Helen Tillotson, was very cheerful this morning. Her sister, Ms. Dorothy Turcy of Mattoon Illinois, is visiting them this week. I hope we continue to have good weather and she will enjoy her visit in Texas.

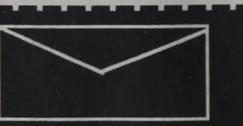

Another good neighbor, Sally Roady is always cheerful in spite of her illness (she has suffered for two weeks). Their son, Joe, called from Brownwood one day. Cindy visits often. Billic Freeman came one day and brought some 'soup' for Sally. N.A. and Ghetti Roady of Baird visited them last week. She is fortunate to have her family members this close to hcr.
