## Down Home

**EDITOR'S NOTE:** The following poem was written by Vernie McMillan, a long-time resident of Cross Plains. She told me that her late husband, Loyd McMillan, lovingly referred to her poetry as "brainstorming." After many years of composing poems, her talent should be shared. Vanda King.

My Mountain Top  
By VERNIE McMILLAN

One day as a child, I was on a mountain top high,  
I watched the clouds as they drifted by,  
They seemed so close, floating overhead  
and reminded me of a soft white bed.

The wind whispered, as through my hair it blew,  
"There is no one here, just God and you."  
I lifted my face up to Him in prayer  
and said aloud, "I'm not afraid if God is here."

Then I stepped to the brink of the cliff,  
looked down into the valley far below  
and wondered in my childish mind,  
how many different colors there I could find.

There was the green of the grass,  
the brown of the furrowed fields,  
and farther on, a blue lake, its banks dotted  
with yellow buttercups and golden daffodils.

I drew a deep breath, drank in the beauty I saw everywhere,  
Then I remembered a phrase from a little child's prayer,  
Father, we thank Thee for rest and food  
and loving care and all that makes the world so fair.

Then as I walked down the mountain side  
to the floor of the valley, I saw from above,  
I knew God had Created all this beauty  
through His mercy and His love.

## 3-Person Scramble

Lakewood Golf Course, located midway between Rising Star and Cross Plains, will hold a 3-Person Scramble September 30 - October 1. Tee off times are 8 a.m. and 1:30 p.m. on Saturday and Sunday.

Entry fee will be \$150 per team. Deadline for entry is Friday, September 29. Cash prizes will be given. To enter call (817) 643-7792 or (817) 643-1676 after 5 p.m.

Also contests will be held for the Longest Drive and the Closest to the Pin. Meal will be served Saturday evening.

## Chair Aerobics Offered At Senior Citizens Center

"Chair Aerobics," as Vicky Worley, Senior Citizens Center Director, referred to it, is now offered Monday through Friday at 9:30 a.m. at the center.

All seniors are encouraged to join in the fun and exercise! The exercise enriches the blood while improving circulation, restores elasticity and strengthens muscles, and builds endurance. The aerobic program also improves posture, by keeping the body straight and erect and improves morale and confidence. If you feel better - you look better.

The mind also benefits from exercise through improved circulation. A sound mind goes hand in hand with a sound body. Many infirmities of aging are due to inactivity.

See you at the Senior Citizens Center!

### Cross Plains Review Offering New Advertising Value

You can now run a 20 word classified ad in the *Cross Plains Review*, *Clyde Journal* and the *Baird Advertiser* for the single price of \$7. This price is less than \$3 per publication and will give you triple coverage.

Now you may run display ads in all three publications for the cost of \$5 per column inch. This is a great advertising value which will saturate Callahan County and surrounding towns. If you need to reach residents with your message or product, this is an economical way to campaign.

The deadline for advertising is Mondays at noon, so come by the *Review* to get your ads started.

### Taken For 'Grant'ed!

By BECKY MCKEEHAN

In city life there are many things people take for granted. A prime example of this is the public sewer system.

Most city residents use the sewers. Without sewers each house would have to have a septic tank to dispose of such waste waters as dish water, bath water, and toilet water.

The Sewer Treatment plant, here in Cross Plains, was built in the 1920's. When the Department of Health came to check our sewer treatment plant in April 1989, they said we had to update it whether we had the funds or not.

Luckily, we had received notice Cross Plains was the recipient of a \$236,000 grant only one month earlier. In the four previous years, Cross Plains had applied for the grant without any results.

The process for applying for any grant is tedious. First, there must be two public meetings held, and the town, as a whole, decides what the community needs most. Then the town must make application on the right date and with the right forms, which we did in September 1988. Next, a representative must go to Abilene and make a presentation to a board of approximately 15 people. Debbie Gosnell, in November 1988, went to Abilene to make our presentation on why we needed the funds. Then the board reviews all of the applications and recommends to the Department of Commerce who they feel needs the funds the most. Finally, the Department of Commerce makes their decision. Cross Plains was then notified in March 1989 of their decision of the Department to award the necessary funds. On May 15, 1989, we received the contracts. Cross Plains needs only to provide \$25,000 of local money for this project.

The City Council does not yet know who will do the upgrading on the Sewer Treatment Plant. Before they can decide, they will advertise for bids and take the lowest for all of the work to be done.

The work should be started by spring 1990 and engineers speculate it will be finished in May 1991.

Some of the work to be done at the Sewer Treatment Plant, just northwest of the current landfill, will include new lagoons and drying beds. This means almost a new treatment facility. Debbie Gosnell said that once work on the Sewer Treatment Plant begins residents of Cross Plains will not be affected. The residents probably won't even know the sewers are being worked on at that time.

volunteers. A shortage of personnel during the daytime hours is severe. Only three people are officially designated for this time period, and the number of hours on call is overwhelming.

If anyone is interested in volunteering or training to be a qualified volunteer, your assistance would be appreciated by the E.M.S.

An Emergency Medical Technician Course is being offered through the Ranger Junior College with registration today, September 28, (late registration is possible). Eight hours credit toward an Associate Degree in Paramedicine will be gained through the course.

The cost is \$200, with payment plan available. Also, if you work on the Cross Plains E.M.S. for one year, they will reimburse you for the expense.

If you would like to become involved in a worthy cause, the E.M.S. is the place for you. For further information contact Rolan Jones.

### School Dismisses Early On Friday

Cross Plains Schools will be dismissing at 2:45 p.m. so that buses may deliver students to their homes and return in time to depart for the football game at Bronte.

Parents are advised of the early dismissal on Friday, September 29, to make necessary arrangements.

### Blood Pressure Clinic Set For Tuesday, Oct. 3

A Blood Pressure Clinic will be held at the Cross Plains Multi-Purpose Center on Tuesday, October 3, from 10 to 11 a.m.

Those in need of the service are encouraged to stop by, according to Linda Cooper, Director. She noted that this service is for all ages and is completely free of charge.

### A.A.R.P. NEWS

By ELVA MAY WOODY

Regular meeting of the A.A.R.P. will meet on Monday, October 2, at 11 a.m. Guest speaker will be our Silver-Haired Legislator, Mr. Jerome Ray.

Officers for the year of 1990 will be nominated.

Everyone bring a covered dish and enjoy the fellowship.

### Drivers License Patrolman Slated For October 5

The Drivers License Patrolman will be at the City Hall in Cross Plains on Thursday, October 5, between 9 a.m. and 4 p.m. for your convenience.

### Family Life Revival Set For Oct. 1-4 At First Baptist

The First Baptist Church will be holding a "Family Life Revival" on October 1-4 at Cross Plains. Services will begin at 7 p.m. each evening.

Larry Sinclair will present messages through drawings with black fluorescent chalk and Freida Sinclair will be performing with "Willie Joe."

Monday will be youth night featuring hamburgers at 6:45 p.m., and Tuesday a corn dog supper for all children will begin at 6:15 p.m.

All families are invited to attend this special service.

## United Fund Drive Slated October 6

Volunteers from the Cross Plains area will go door-to-door for the

United Fund on Friday, October 6, from 8:30-10:30 a.m.

They are to be commended for their commitment to the drive from year to year. Changes are made in teams on rare occasions, for jobs, illness, or previous commitments that cannot be changed. Then new volunteers are ready and waiting. The special team this year who telephoned the others are Kathy Chesshir, Wanda Montgomery, and Madeline Long.

All workers will meet at Odom's Cafe at 8 a.m. for assignments and be on their way by 8:30 a.m. They will have United Fund badges to identify themselves. These people will see you on October 6: Joyce McCoy, Pauniece Oglesby; Zora Mae Bryant, Juakana Scott; Joan McCowen, Eddie Faye Dillard; Jack and Freeda Taylor; Minnie Cunningham, Barbara McCoy; Clara Nell Spencer, Arlene Stephenson; Frances Tyson, Louise Richardson, Doris Goble (if jury allows!); Era Lee Hanke, Charlene Chesshir; Kathy Chesshir, Barbara Barnett; Beverly Ross, Linda Reed; Madeline and Logan Long; Connie Kirkham, Barbara Sowell; Lorene Jennings, Lois Garrett; Sarah Brashear, Barbara Swinney; Rosalea Bonner, Jane Williams, Tom Cosper; Ernestine Watson, Vera Pearl Bunnell, Lyda Shultz;

John and Irma Miller, Jean Fore, Frankie Smith (Pioneer); Polly Lawson, Beverly Brown, Deana Nickerson, Geneva Sowell, Virginia Callaway (Cottonwood area); Eloywayne Tatom (Atwell); Shirley Snodgrass (Sabanno); Dorothy Reynolds (Rowden); Pam Harris (Victoria); Charlene Metcalf (Dressy); Wanda Montgomery (Hwy. 36 West); Donna Pickett (Cross Cut); Nora Odom and Dora Smith (school).

In these areas surrounding Cross Plains, other volunteers may be asked to help by the workers who know the area.

One added feature this year is that envelopes will be left at homes of people who leave for work early and those who are away from home for other reasons, so that everyone will have a chance to participate. "We didn't quite make our quota last year," said Billie Loving. "We'll make it this year if we can reach everyone. The envelopes will help. We ask the support of you all so that commitments can be kept."

### Board Meeting Summary For September 21

After the opening prayer and approval of previous minutes the following action was taken by the board:

1. The board voted that the C.P.I.S.D. will no longer sanction fund raising for the purpose of overnight senior trips due to the lack of student involvement, legal liabilities, and excess fund raising.
2. The District and campus plans were approved for the 1989-90 school year.
3. During the Superintendent's report the board was advised of:
  1. Pre-monitoring walk-through visit by Region 14 Education Service Center on Monday, September 18.
  2. Leadership conference on October 24 at Tarleton State University.
  3. Update on the Chapter I facility.
  4. Update on the ESL program.
  5. WHO Program in regard to student safety and child abuse.
  6. Condition of the air conditioner in the Vocational Agriculture office and classrooms.
  7. School crossing guard during the morning and afternoon.
  8. Following the financial report and approval to pay the bills the board voted to adjourn.

## Library Rummage Sale Nears

The old C.P. Discount Store is the site of this year's Library Rummage,

Book and Bake Sale on October 6 and 7.

This popular event, sponsored by the Friends of the Library, is the main money-making effort to help support the Cross Plains Public Library.

So, clean out those closets and straighten up those garages - give the Friends a call - and help a preschooler take advantage of the "Learn About..." Program.

Books, too worn to be of further use in the library, may be purchased at the library - \$1 per sack. You may look through these any afternoon at the library. By sale date they might be pretty picked over...better go look today!

Donated items may be left at Arlene's Alterations, First and Main. Workers will be at the CP Discount the week of the sale if you prefer to leave items there. Please call 725-6879 or 725-7478 any evening for more information.

### Yeutter Announces Changes In 1990 Wheat Program

WASHINGTON - Secretary of Agriculture Clayton Yeutter announced today his intention to offer producers the option to modify their 1990 wheat program contracts.

"This action is necessary to maintain our humanitarian food aid commitments while adding slightly to U.S. carryover supplies following two consecutive years of drought," Yeutter said. USDA requested and received Presidential authority to use 1.5 million metric tons of wheat for fiscal year 1989 and has requested 2 million metric tons for fiscal year 1990 from the Food Security Wheat Reserve to meet U.S. international food aid commitments.

"The action today does not suggest that we expect another year of less than average wheat yields, nor will it boost stocks significantly," Yeutter said. "But it will help restore stocks to safer levels. In view of the tight U.S. and world supply and demand situation we should give wheat producers the option to increase plantings if they wish to do so."

Producers will continue to have the option of signing up for and complying with requirements of the 1990 wheat program as announced May 31, 1989, and the common program provision requirements announced Aug. 7, 1989. These requirements include a 5 percent acreage reduction program and limited cross compliance.

This change will give producers the opportunity to modify their original contracts to allow them to plant more than 95 percent of a farm's wheat base. For each acre producers plant above 95 percent of the wheat base, the acreage used in determining the producer's deficiency payment will decrease by one acre.

To remain eligible for these reduced deficiency payments, producers may not plant more than 105 percent of their wheat base. Overall income of wheat farmers is expected to increase slightly as a result of these modifications.

The original program an-

### Special Education Parents Advisory Meeting October 3

Cross Plains Special Education Department announces that the Parents Advisory Meeting will be held on Tuesday, October 3, at 4 p.m. in the Special Education Building.

All parents of special education students and interested community members are invited to attend. For further information call 725-6123.

### Local Firemen Appreciation Dinner October 14

October 8-14 is Fire Prevention Week and the Cross Plains Volunteer Fire Department Auxiliary has planned a Firemen Appreciation Dinner to honor local fire fighters. The event will take place on Saturday, October 14, at the Cross Plains Community Center beginning at 7 p.m.

The Ladies Auxiliary would like for this to be a time for residents of the Cross Plains area to express their appreciation to the firemen for their time spent.

Even if you have not needed the service of the department, they have helped you through lower fire insurance rates. If it were not for the Fire Department, the insurance rate would be much higher.

Plan to spend the evening and support the local department.

Jack Scott, a long-time resident, will be the guest speaker for the dinner.

Tickets will be \$4.50 for adults and \$2 for children under 12 years of age. The menu will include baked ham and trimmings.

You may purchase tickets at the Western Auto Store, Cross Plains Frozen Food Locker, K.L.H. Oil and Gas office or at the door that evening.

Support your local Fire Department and honor them on this special night.

## OBITUARIES

### Mary P. Tsaguris

A memorial service for Mary P. Tsaguris, a longtime Tusconan, was held at 6 p.m. Wednesday, Sept. 20, at St. Michael & All Angels Episcopal Church, 500 N. Wilnot Road.

Tsaguris, 65, died Sunday of complications from scleroderma and cancer.

She was the widow of John S. Tsaguris, an engineer and planner for several Arizona government agencies. He died in 1982.

Tsaguris was born April 10, 1924, in Lubbock, Texas, and was reared in Cross Plains, Texas. She attended public school in Cross Plains and business school in Abilene, Texas.

It was in Abilene that she married her husband in August of 1942. About three years later, they moved to Tucson.

She is survived by her daughter, Chryssann of Tucson; her mother, Flora Wright of Cross Plains; brothers, Ted and Joe Souder; and sisters, Gayna Dodds and Dorothy Garrett, all of Texas.

Donations may be made to St. Mary's Hospice or St. Michael & All Angels, of which Tsaguris was a member.

### Ruby Dennis Fink

Ruby Dennis Fink, age 90, died Saturday, September 16, at a Houston hospital following a lengthy illness.

Services were held at 2 p.m. Monday, September 18, in the Baptist Church and burial was in Forrest Park in Houston.

She was preceded in death by her first husband, Harvey Dennis, and a son, Harold Gwinn Dennis.

Survivors include her husband, Bill Fink; a daughter, Verlyn Collier; one granddaughter, Elaine; one grandson, Ronnie Dennis; and three sisters, Jewell Conlee of Cross Plains, Opal Olives of Artesia, New Mexico, and Melba Burns of Crawley; and several nieces and nephews.

### George N. Creech

CISCO — George N. Creech, 72, died Monday at an Eastland hospital.

Services were held at 4 p.m. Tuesday at Higginbotham Funeral Home Chapel in Rising Star with the Rev. Lee Rodgers officiating. Burial was in Rising Star Cemetery.

Born in Olden, he was a lifetime resident of Eastland County.

He was a retired pipeline worker.

A U.S. Army veteran of World War II, he was a Baptist and a member of the American Legion.

Survivors include his wife, Vernell Creech of Cisco; a daughter, Christi Carey of Rising Star; a son, Richard Creech of Ranger; a brother, Bill Creech of Placid; and three grandchildren.

## MINUTE MUSINGS

By ESTHLOY S. DICKSON

This is a beautiful Monday in spite of the cool temperature. I have to warm my fingers often in order to do this typing. It is warm enough for weeds and grassburs to keep growing. My young neighbors have done a lot of shredding all around our place.

And I have to add, there are only ninety more shopping days until Christmas!

My long-time friend, Lorena Settle, called me from Archer City on Saturday. Bless her heart, she has recently suffered a light stroke, and she has high blood pressure. She has friends who come by to help her in a lot of ways, but she is quite helpless, really.

J.T. and Betty Beggs have had a host of visitors recently, including their sons and families. Last week, Tommy Gann of Wichita Falls, David Beggs of Morton Valley, Rusty and Reba Beggs of Temple, Kim Beggs and Brett Brown of Stephenville, also Rex and Edith and family of Cross Plains visited the family in the country.

I enjoyed talking to Nell Fleming. She had a host of visitors this past week. JoVeda and Bill Watson of Byrd's Store, Jim and Charlene Fleming and family had breakfast with them Saturday morning. JoVeda and Bill were on their way to Pampa.

Rev. and Mrs. Jasper McClellan and Mrs. Grace Allen of Santa Anna visited the Fleming's on Thursday. Rev. McClellan is pastor of the Presbyterian Church in Cross Plains.

Mrs. Jewell Foster didn't have any news this Monday morning, but she is well, going strong, for which we all are thankful. She was in church and Sunday School on Sunday.

I didn't get the Roady's news last week. On the 13th, they went to McDaniel community and celebrated son Joe's birthday. Another son, George, came in from Dallas on the 16th and 17th. On Thursday, Mr. Mack Childers and Gene Hicks of Rising Star visited the family. Sally visits Ms. Nettie at the nursing home nearly every day. Art, Bertie and Calvin Roady of Abilene visited here this last Sunday evening.

nouncements provided the following:

- A 5 percent acreage reduction program (ARP).
- A target price of \$4 a bushel.
- A price support loan and purchase rate of \$1.95 a bushel.
- Limited cross compliance provisions.
- Advance deficiency payments at 40 percent of the estimated deficiency payment rate.

These provisions will remain applicable to all producers who enroll in the 1990 wheat program.

For those producers who elect to modify their contracts, the following provisions will also be in effect:

- Modified ARP.
- Producers may plant wheat in excess of 95 percent of the farm's wheat base, but in no event more than 105 percent of the base.
- There will be no acreage conservation reserve requirement for wheat for that farm.
- For each acre of wheat planted in excess of 95 percent of the wheat base, the acreage used in determining deficiency payments will be reduced by one acre. The minimum acreage for payment will be 85 percent of the farm's wheat base if the producer plants the maximum acreage of 105 percent of the base.
- Producers may not build future wheat base acreage on the farm. The planted and considered planted wheat acreage for 1990 may not exceed the 1990 wheat base.
- If wheat plantings in excess of the wheat base cause plantings of other program crops to fall below the permitted acreages established for the other crops, the excess wheat acreage will be considered as planted to the other program crop.
- The 0/92 provision of the 1990 wheat program, the soybean and sunflower replacement option and the transfer of wheat base to oats base are not applicable and producers may not credit other non-program crop acreage as acreage considered planted to wheat.

Based on current USDA estimates due to this change, harvested wheat acres are estimated to rise to 69.6 million acres from 67.5 resulting in an expected 2.596 million bushels of wheat compared to 2.530 bushels of wheat.

Producers may obtain further details from their local Agricultural Stabilization and Conservation Service office.

## Cross Plains Cemetery Donations

Donations to the Cross Plains Cemetery Association in July were as follows: Mrs. Lester Barr \$30; C.O. Long \$50; Harold L. Womack \$20; Mackey and Melinda Fraley \$20; Michael and Joanne Cade \$25; Clay Anne Holbrook \$80; Sheila Brooks (In memory of Loma Atwood) \$50; R.T. Watson Family (In memory of Loma Atwood) \$39; Earl Montgomery \$50; and Monnica Andrews for Dad \$25.

The total for July was \$389.

Contributions received in August were: Mrs. Kate Oliver \$40; Donation: Weiss Family \$100; Waldeine Foster (Memorial to Ronnie Pope) \$25; E.C. Neeb, Royalty \$27.28; and A.B. and Ira Mae Colson (In Memory of S.W. Lilly) \$25.

The sum for August was \$217.28.

Grave opening permits for July and August were Juanita Moore Service \$75; Nellie Arrington Service \$75; Loma Atwood \$75; Ronald Dwayne Pope Service \$75; William P. Odom Service \$75; and Winnie Hitt Service \$75.

A total of \$450 was received for grave opening permits.

All donations given to the Cross Plains Cemetery Association are greatly appreciated.

## Third Annual Women Veterans Day Held At Big Spring VA Medical Center October 6

The Third Annual Women Veterans Day will be held at Big Spring VA Medical Center on Friday, October 6 from 9 a.m. to 4 p.m., according to Conrad Alexander, Medical Center Director. This observance is intended to focus attention on the significant contribution of women in the Armed Forces. Because of their traditional roles as non-combatants, the heroism of military women in war has been overlooked, but they too have paid the price for freedom.

This year's Women Veterans Day is designed to inform the woman veteran of her rights as a veteran, to provide health education and to provide an array of health screening examinations from which the veterans may choose, such as blood sugar and cholesterol levels, spirometry testing for the lungs, pelvic exam and Pap smear, general physical examination, mammography and other examinations.

The Day will begin with registration

and coffee, with speakers starting at 10 a.m. Mrs. Barbara Brandau, Coordinator, VA Advisory Committee on Women Veterans, Department of Veterans Affairs, Washington, DC, will explain the functioning of the Women Veterans Advisory Committee. Dr. Debora I. Sisco, a practicing gynecologist in Midland will present "Gynecological Problems of the Aging Woman Veteran." Another featured speaker from Washington will be Brigadier General Wilma L. Vaught, USAF Retired, President, Women in Military Service For America Foundation, Inc., who will describe the planned Women Veterans Memorial to be erected in the nation's capitol.

Women veterans interested in registering or those wishing more information may write the VA Medical Center, 2400 Gregg, Big Spring, Texas, or call (915) 263-7361, Ext. 212.

## Nationwide Salute To Women Veterans Oct. 28 At Atlanta, GA

Information has been received locally regarding a planned nationwide celebration/salute to all women who served or are serving in the military, with special emphasis on women veterans who served during World War II, according to Conrad Alexander, Director, Big Spring VA Medical Center.

The National Women Veterans Foundation is inviting women veterans from across the country to the premiere event, dinner and USO show to be held in Atlanta, Georgia on October 28, at the Georgia World Congress Center. The honorary Chairperson for the event is Sarah McClendon, noted syndicated newspaper columnist.

There are some 1.2 million female veterans living in the U.S. and more than 341,000 veterans of World War II. According to Dr. Evelyn Monahan, the Foundation's Director of Special Projects, the response from women veterans of that era has been overwhelming. "As of today," says Dr. Monahan, "we have received responses from over 4,000 women saying they want to attend."

Husbands, brothers and sisters of women veterans are planning to attend as well.

The celebration will start at 6 p.m. People wishing more information can write to Dr. Monahan, c/o National Women Veterans Foundation, Inc., P.O. Box 10114, Atlanta, Georgia 30319.

## Children's Choirs Begin October 1

The Children's Choirs at First Baptist Church will begin meeting at 5 p.m. on October 1. These choirs are for children of the community that want to sing and have a good time doing so.

The choirs are for kindergarten through second grade (called the Music Makers), and third grade through sixth grade (called the Young Musicians.) Anyone that would like to come is welcome.

### Proverbially Speaking

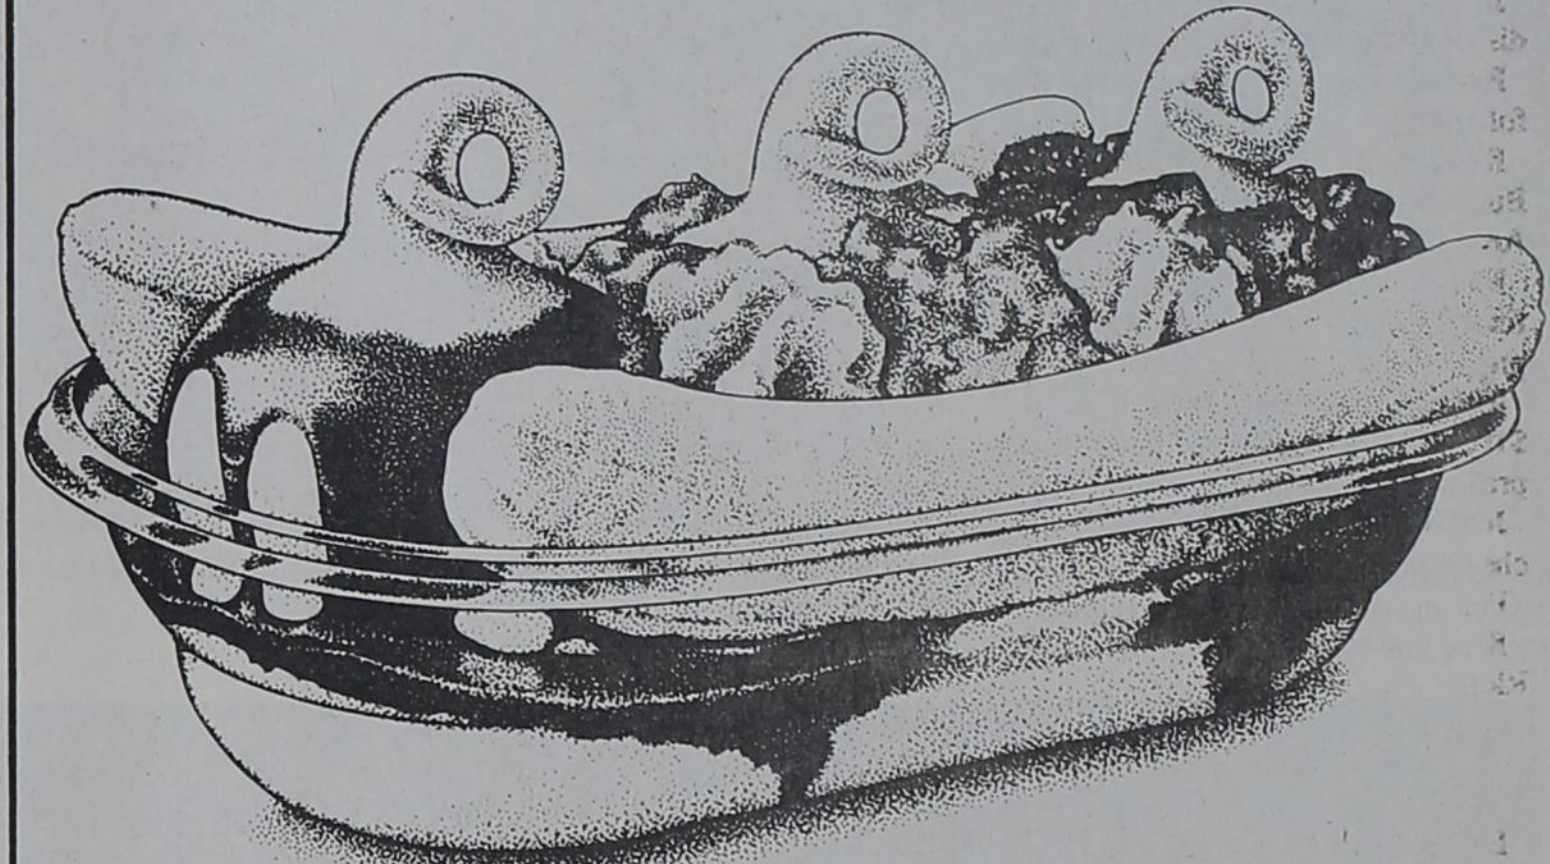

*Cease my son, to hear the instruction that causeth to err from the words of knowledge. Prov. 19:27*

We have the opportunity to hear many ideas and opinions today. Some come through radio, TV, newspaper, magazines, books, word of mouth, etc. Not to mention schools, churches, clubs or the work place. But what information is true and what is false? Can we tell for sure what is right? Are there any absolutes to life, or do we just do what is popular? The Bible gives us the answer in Prov. 22:20-21. "Have not I written to thee excellent things in counsels and knowledge, that I might make thee know the certainty of the words of truth; that thou mightest answer the words of truth to them that send unto thee?"

So if the TV is causing you to err from the words of knowledge — turn it off! There is a right way and a wrong way. The choice is ours.

**WAY TO GO BAND!** — The Buffalo Marching Band performed yet another outstanding routine with flash and sharpness. The audience demonstrated their enjoyment with a standing ovation.

**DOWN THE MIDDLE** — Colby Walker #44, quarterback, hands off to Jody Brown #30 while Travis Jordan #57 and Billy Brown #40 block.

**SPECIAL STAGE** — Kyle Foster, trumpet soloist, is lifted by the flag corp, atop their flag poles for a dramatic affect during the routine.

**GO FOR IT, BROWN** — Jody Brown #30 carries the ball as Billy Brown #40 blocks and quarterback, Colby Walker #44 follows.

## Junior High Football

By COACH McCONAL

Cross Plains was badly beaten the first game of the season by Rotan 44-0. The only bright spots of the night were the large number of Cross Plains boys out for football and no one was hurt.

We have one of the largest groups out that we have had in a long time. It includes eighteen 7th graders and eleven 8th graders.

At present all 29 boys are working hard and going through a learning process.

Hopefully, Rotan will be one of our few losses.

## Band Boosters To Meet

The monthly meeting of the Band Boosters is scheduled for Monday, October 2, 6 p.m. in the Band Hall.

Parents of ALL band members are urged to attend as items on the agenda will pertain to the beginner, junior high and high school bands.

One important topic of discussion will be the Christmas Store. This project is the main money-making effort, other than the concession stand at home football games. Boosters need to be thinking about small gift items they can donate to the store. These can be hand-made, but certainly do not have to be.

If Boosters would come up with even a dozen small items per band student, there would be nearly 1,000 gifts on the tables!

## Early Birds

By KRISTY GIBBS

Even though students have seven classes a day, with all the required courses, often they cannot fit a certain class into their schedule. Last year, Cross Plains High School introduced "Zero Hour." Zero hour is an extra class set up from 7:25 a.m. to 8:15 a.m. Two Ag classes were offered last year. This year Ag Science 332 is the only Ag class, but a math course, Trigonometry/Calculus, is now offered bright and early.

Ag Science 332, which is taught by

Mr. Roy Richey, has 12 students enrolled. Four seniors are currently taking Trigonometry/Calculus, taught by Mr. Tom Barclay.

Zero hour is optional. The students do receive credit, but they do not get out early. They still have to take the required seven courses, with the exception of seniors. Zero hour is basically a new concept for Cross Plains High School, but it has worked quite well. Perhaps, it will continue to grow and expand, giving students more opportunity in the years ahead.

# 'In Case You Missed It...'

By DANIEL CROCKETT

The Cross Plains Buffaloes faced a tough Baird Bear team here last Friday night, Sept. 22. The final score of 74-0 reflected some of the problems the Buffs have been having this year.

The Buffaloes were hurt by the losses of quarterback/defensive back Deron Duffey and running back/line backer Cody Odom due to illness and injury. Replacing Duffey at quarterback was Sophomore Colby Walker who did a good job at a tough position. Playing in the game for Odom was Junior Travis Jordan, who also played well.

The playoff-hopeful Bears defeated the Buffaloes who had problems with

fumbles and lack of experience on defense and offense. For example, out of the 11 defensive players, only 3 have more than 2 years experience at the Varsity level. They were Seniors Donald Sibley, Jason Barron, and Bobby Bomar.

On the offensive, the Buffs had trouble moving the ball, and although their total yardage was less than 150 yards, Sophomore Jody Brown ran well from his halfback position and provided for a large part of the yardage.

Some members of the Junior Varsity team were moved up to the Varsity for this game, and will also be playing again this week with the Varsity as the Buffaloes face the Bronte Longhorns at Bronte beginning at 8 p.m. The

Buff's still need everyone's support, so see you at the game!

## Seventh Grade Junior High Football Thursday At Baird

Cross Plains 7th grade had a controlled scrimmage. Each team ran 15 offensive and 15 defensive plays. Baird won 3-0.

Main purpose of this scrimmage was to give younger boys some playing time.

Those seeing action were Jim Lee, Tim Hargrove, Jared Harris, Justin Terrell, Willie Nickerson, Dustin Bowden, Matt Reed, Leslie Reed, Dan Bushnell, Chris Maddox, Sam Hull, Taylor Johnson, Chris Potter, Terry Shults, Mike Tollet, and Jason Higgins.

The eighth grade junior high football game was held Thursday at Baird. Cross Plains lost 6-0.

Eighth grade played a tough defensive game for three quarters. Baird scored in the fourth quarter with 1 minute left on the clock.

With 1 minute, Kevin Switzer took off around the left end, and then one of the weirdest things occurred in all of Coach McConal's career — a Baird boy came off the bench and tackled Kevin. After arguing with the referees, a 15-yard penalty was given against Baird and the Mighty Mites couldn't score.

Those seeing action in their game were Kevin Switzer, Chad Coker, Jason Fleming, Billy Walker, Tim Yates, Scott Cheshier, Josh Harrell, Rusty Duke, Coby Childers, Robert Lee, Rigoberto Rodriguez, Rodney Rudloff, and Kelly Barclay.

## Science Enrichment

By BECKY McKEEHAN

This year, the state requires that the teachers reteach material that students do not master on the first test. The students that master the material the first time it is taught need additional opportunities to learn about things that are interesting to them in the science field.

When I asked Mrs. Childers what the requirements for the enrichment projects were, she said, "The students and I work together and agree on requirements which go into a contract which we both sign. If the student and I see a need for modification, we amend the contract." This contract also includes the due date of each project, which will be different for most of the enrichment projects.

These enrichment projects are not done totally in the classroom; although, they are given time to work on them while other students are doing reteach activities.

There is not a set number of enrichment projects a student must do. Some students will choose to do several short projects, while others will choose to do a few longer projects.

There are several different types of enrichment activities that a student can do in Mrs. Childers' class. Some examples are as follows: lab activities beyond those done in class, bulletin boards, oral presentations to the class, articles for the newspaper, and displays. "The students are really only limited by their imaginations," commented Mrs. Childers on the different types. There are several topics already being worked on also. Some of them include: use of steroids, amino acids in body building, affects of corsets on women's health, The GreenPeace Organization, greenhouse effect, aerodynamics and changing designs of cars, and advances in prosthesis.

## Scholarships Available

Top Texas high school seniors are eligible for Texas Excellence Awards for Scholarship and Leadership ranging from \$1,000 to \$16,000. The Awards are sponsored by The Ex-Students' Association of The University of Texas at Austin.

Applicants must be in the top five per cent of their class and demonstrate leadership ability in the classroom and/or extracurricular activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a November 1 application deadline.

More than 1,700 high school seniors made application last year, and during the eight year history of the Texas Excellence Awards, more than 12,000 Texas students have applied for the annual scholarships. Ninety-four students have received Awards since 1982. For additional information, contact The Ex-Students' Association, P.O. Box 7278, Austin, TX 78713, or call (512) 471-3822.

## Help Is On The Way

By JAMIE JONES

"Greatest of all is the Whale, of the Beasts which live in the waters, Monster indeed he appears, swimming on top of the waves. Looking at him one thinks, that there in the sea is a mountain, Or an island has formed, here in the midst of the sea." Abbot Theobaldus c1022

Picture this, it's the year 2100, and your children are reading about whales and dolphins in their history books. Once proud and plentiful, they are now extinct and found only in pictures of the past. Is this an exaggerated viewpoint or is it a fact for the future?

The GreenPeace Foundation is a national organization to help fight the slaughtering of marine mammals. Animals such as the Beluga Whale, the Eastern Spinner Dolphin, and the Steller Sea Lion are rapidly approaching extinction. GreenPeace started with just a few people who were tired of having nothing done for these poor marine animals. A few heroic acts by GreenPeace volunteers have made it into a world-wide effort.

For example, "GreenPeace has found 140 tons of whale meat going to Japan labeled 'Seafood.'" There have been quotas set on the whaling ships, but still there is no peace for the whales. Over a million whales have been annihilated already.

Commercial fishing fleets trying to catch cod, also catch sea lions in their nets. They are brutally shot by the fishermen. The number of these sweet, playful animals is rapidly declining.

Also, dolphins are being swept into large tuna nets. This results in needless killings of great numbers of these friendly, smart mammals. While the fishermen are going after yellowfin and skipjack tuna, the defenseless dolphins are caught in nets that are 900 to 1400 meters long and 130 meters deep. They are chased by motorboats and helicopters until they are exhausted. Then they are trapped.

For unknown reasons yellowfin tuna gather underneath herds of dolphins. So, tuna fleets locate herds of dolphins to get the tuna fish.

The most heavily exploited stock, the Eastern stock of the Spinner Dolphin, has been reduced to approximately 17 percent of its initial numbers according to the book, "Whales, Dolphins, and Porpoises."

"GreenPeace campaigners risk their safety, sometimes even their lives, for this all-important reason: To protect the marine environment and the endangered creatures who dwell within it."

MARC MORGAN

## Another New Face On Campus

By JENNIFER GOBLE

There is a new person teaching at Cross Plains High School. He is a student Ag teacher. His name is Marc Morgan. He is 22 years old.

Mr. Morgan will be graduating from Tarleton State University this December. Prior to attending Tarleton, he went to Cisco Junior College. He will be receiving a degree in Ag Education.

Mr. Morgan will be helping Mr. Richey and Mr. Connor train the leadership teams for the fall contests. He will also be teaching Ag 101 (which is Introduction to World Ag Science and Technology) and Ag 221 (which is Introduction to Ag Mechanics).

He said the reason he wanted to come to Cross Plains for his student teaching was because it was close to home (Carbon) and the fact that his brother had done his student teaching at C.P.H.S. and liked it here.

Mr. Morgan will be here for 10 weeks of class work beginning October 4 until December 14.

## School Community Relations

By CA

It's not a particularly new concept for public schools, this idea of having members of the community meet with school personnel, with the goal of improving school-community relations. Toward this end, there was a meeting in the Cross Plains High School Library on Wednesday afternoon, September 20. There were representatives from the school: Olinda Hale (from elementary), Sandra Crockett (junior high), and Charlene Fleming (high school); student representatives were Shana Bagley (junior high), and Daniel Crockett (high school). Representatives from the community included Clara Nell Spencer, Marie Stambaugh, Karen Richey, Connie Kirkham, and Barbara Sowell. At the administrative level, superintendent, Mr. Lee Thompson, principals, Mr. Ray Womack and Mr. Leonard Wood were present, along with school counselor, Ann Watson.

The purpose of this particular meeting, according to Ann Watson, was to "examine the goals and objectives of the plans for improvement to each school campus and the district." The plans for these objectives and goals were presented to the group and were approved by the group. It was the State Legislature that initiated these community-school meetings in this format to ensure that decisions involving the goals and direction of the schools were created with input from the various groups involved. There will be 2 or 3 meetings during the year with this group.

## EI, EI, EI, O

By KAYLA CUPIT

This past week several Cross Plains students were involved in the competition at the Stock Show at the West Texas Fair and Rodeo. The students came home with great placings.

In the hog division, Cross Plains first grader, Ashlee Hutchins, placed 10th and third grader, Calley Connor, placed third.

There were several lamb exhibitors. Jaonna Harris, fifth grader, placed 5th with her Southdown; Julie Smith, senior, placed 9th with her Southdown; Jennifer Wheeler, freshman, took home 14th with her Crossbred.

Other students who participated in the lamb division were Jared Harris, 7th grade; Lee Wayne Wheeler, 6th grade; Justin Richey, 5th grade; and Brandi Richey, 2nd grade.

There were also two steer exhibitors, Rowdy Dillard, 3rd grade, who took Reserve Champion in the Simmental class and Willie Merriam, 6th grade, placed 4th with his Charolais.

Congratulations to all the students from Cross Plains participating in the Stock Show.

## We Think We're Ready

By KARMEN KEY

On September 18, twelve representatives from the Education Service Center in Abilene came to the Cross Plains School District. Their purpose for coming was to help prepare the various school personnel from administration to faculty for the upcoming accreditation visit by the Texas Education Agency from Austin on October 16-20.

Representatives talked with all of the teachers (elementary through high school) and asked them the same type of questions that they will be asked in the official accreditation visit. They also gave them other information on what they should expect from the actual accreditation by T.E.A.

At the end of the day, the representatives met with the administration and discussed their findings. The school district was also given a written evaluation. According to Mr. Woods, Cross Plains High School Principal, the results "were good." The district now has nearly four weeks to correct any problems that the service center found before the audit.

T.E.A.'s purpose for auditing the school is to ensure that the school district is meeting all state requirements.

### New Law Sets Time Limit On Cashing Federal Government Benefit Checks

A law effective October 1, 1989, will limit the time for cashing Federal Government checks to one year, U.S. Rep. Charles Stenholm said today.

Rep. Stenholm noted that currently, Government checks have no time limit in which to cash them.

The law will require that Government checks dated October 1 and later be cashed within one year of their issue, Stenholm said, adding that these checks will carry a notation, "Void After One Year."

The Representative said the law also provides that all Government checks issued any time before October 1, 1989 will have to be cashed not later than September 30, 1990.

The new law allows a one-year period during which a claim concerning a lost or stolen check may be filed. In addition, the Department of the Treasury will have 18 months to begin recovery of funds from a financial institution if a check has been negotiated over a forged or unauthorized endorsement.

Stenholm stressed that while the new law sets a time limit on cashing a check, it will not affect an individual's entitlement to payment. The Representative said that a bona fide holder of an expired check, however, will have to contact the Government agency which authorized the check and the agency can arrange for a replacement check to be issued.

The Federal Government issues approximately 550 million checks annually with a valued exceeding \$600 billion.

The provisions reducing the time period for cashing checks, initiating claims, and replacing Government checks were contained in Public Law 100-86, The Competitive Equality Banking Act of 1987. This was signed into law on August 10, 1987.

### Oakdale Park's Bluegrass Reunion To Be Held September 29-30 And October 1 In Glen Rose

Oakdale Park will host its 15th Annual Bluegrass Reunion in Glen Rose on September 29, 30, and October 1. The three-day show begins Friday, the 29th, at 7 p.m., and the final strains of music will flow from the stage at 6 p.m. on Sunday.

Bluegrass music originated from deep within the hills of Kentucky and Tennessee and has been passed down for generations. Bands on the Oakdale stage perform true traditional Bluegrass music — all using acoustical instruments. Featured are the flat-top guitar, banjo, mandolin, fiddle, and upright bass.

Headlining the Fall Show are The Lewis Family, Georgia; Hook and Beans, W. Virginia; and The Del McCoury Band, Tennessee. Other out-of-state bands include Wayne Lewis Band, Tennessee; Parker Mountain Bluegrass, Arkansas; Perfect Tyming, Mississippi; and Goldwing Band, Oklahoma.

Texas Bands bringing their talents to the stage include Leon Valley Bluegrass, Copperas Cove; Double Mountain Boys, Lipan; Poverty Playboys, Kerrville; and Outcast Bluegrass, Pittsburg.

Jim Atchley, Austin, and Joe Holstead, WBAP radio, will be emcees for the program.

On Saturday morning, non-professional musicians will vie for over \$1,000 in prize money. Individual competition will be held in Mandolin, Flat-top Guitar, and Banjo divisions. Also, a Band Contest will be held, with the winning band to be offered a contract to play in Oakdale Park's 1990 Bluegrass Reunion.

Oakdale hosts three Bluegrass events each year, the very first festival being held almost two decades ago.

In addition to the scheduled stage performances, many spontaneous Bluegrass jam sessions are held throughout the weekend. Festival guests enjoy moving from group to group to listen to these informal gatherings.

Oakdale Park, open year-round, offers many amenities for its guests. Cabins and camping facilities are available as well as a snack bar, playground, and store for added convenience. For more information write P.O. Box 548, Glen Rose, Texas 76043, or call (817) 897-2321.

### VA Follow-Up Clinic

The VA Follow-Up Clinic at Dyess Air Force Base, Abilene, Texas will be held September 28 from 8:30 a.m. to 2:30 p.m. All entitled veterans are encouraged to utilize the Follow-Up Clinic. The services available are limited to an examination by a physician, lab, X-ray, screening, and pharmacy services. Veterans will be seen by appointment only.

To make appointments, veterans should contact Dan Garcia, Taylor County Service Officer (915) 677-1711, Ext. 328 or 329; or the Scheduling Clerk in Medical Administration Service, at the Big Spring VA Medical Center at (915) 263-7361, Ext. 352. Veterans are requested to report at the time of their scheduled appointment in order to prevent unnecessary waiting time.

To enter Dyess Air Force Base, veterans must use the VA shuttle, located at the old entrance on Military Drive. Parking is available at this site. Veterans will be taken to the clinic by shuttle 15 minutes prior to their scheduled appointment. Only one family member may accompany the veteran to the clinic in order to reduce congestion in the area.

Veterans are reminded that the only days they may gain access to the Base for refill of medications are on regularly scheduled clinic days. If you should have a problem between clinics, please contact the VA Medical Center in Big Spring at the number listed above. If you should need to contact any of the VA staff the day of the clinic at Dyess, please call (915) 696-4722.

### Seminar For Those Who Have Lost Their Spouses Through Death

The Task Force for Self-Support Groups for the Widowed in Abilene, Texas, will present a seminar for widows and widowers on Saturday, September 30, 1989 at the West Texas Rehabilitation Center Conference Room, 4601 Hartford St., Abilene, Texas from 9 a.m. to 5 p.m.

This initial seminar is limited to widows and widowers. Its purpose is to provide information on grief, challenges, and choices of the widowed and also to start self-support groups for the widowed in Abilene and the surrounding area.

The speaker for this seminar will be Coy Pullara, a Clinical Social Worker in private practice in Abilene, Texas. She is uniquely qualified to speak to the widowed from both a personal and professional perspective. Her husband died in 1967, leaving her to rebuild her life and rear two children as a single parent. Mrs. Pullara has presented seminars for widowed groups since 1982.

A follow-up training workshop is to be presented for professionals interested in this topic.

Registration will begin at 8:30 a.m. with a catered group lunch provided. There will be no pre-registration. On-site registration fee of \$7 includes the group lunch.

For further information call (915) 672-3636.

### When Does Medicare Pay Second?

People who are covered by both Medicare and private medical insurance should submit their bills to the private insurance carrier first under some circumstances, Glyn Hammons, Social Security manager in Abilene, said today.

The law specifies Medicare as the secondary payer for people who are covered by an employer health plan in addition to their Medicare. The bills should be sent first to the employer health plan, and then sent to Medicare if the employer plan does not pay in full.

Medicare also pays second if a person is injured in an automobile accident and the expenses are paid by personal automobile medical insurance, State no-fault automobile insurance, or liability insurance. In the case of liability insurance, the person may file a claim with Medicare first which will get its payment back when the liability insurance pays.

Questions about Medicare coverage or about submitting bills to Medicare should be directed to the Medicare carrier for this area, Hammons said. The telephone number for the Medicare carrier of the Big Country area is 1-800-442-2620 and is listed in the back of the Medicare Handbook.

To apply for Medicare, call Social Security. The Abilene Social Security office is located at 142 S. Pioneer. The telephone number 698-1360 or 1-800-234-5772 for those living outside of Abilene.

### THE PIONEER PATCHWORK

By IRMA MILLER

The quilters worked on the Dahlia and put in a Nine Patch. We welcomed a visitor for today, Mrs. Jane Dixon, Lottie Sooter's daughter of Monroe, Louisiana.

Jean Fore went on a week's trip with Vi Harlowe, her sister of Marble Falls, and Myrtle and Grason Harlowe of Arlington, a nephew and his wife. They visited with Bee Bedingfield, their sister, who is in the hospital in Artesia, New Mexico, and with Bee's son, John. Bessie McDaniel and her daughter, Doris Hunter, both of Alamogordo, New Mexico, came to Artesia to visit Bee, also. Friday night Jean and Vi returned as far as Lovington, New Mexico, and spent the night with Paul and Juanita Harlowe. They returned to Pioneer Saturday. Vi, Myrtle, and Grason spent Saturday night with Jean and returned to their respective homes Sunday.

Oliver Smith's nephew, Tony Smith and wife, Debbie of San Antonio, spent Saturday night with Oliver and Frankie. They were here for the Rising Star Homecoming.

Jean and James Alexander went to Fredericksburg last week with Mr. and Mrs. Jeff Pyeatt and enjoyed sight-seeing.

Bob and Jane Dixon, of Monroe, Louisiana, spent a few days with Lottie Sooter, Jane's mother.

Ronnie Skaggs, of Abilene, supplied the pulpit of the Pioneer Baptist Church Sunday.

### 'King Midas And The Golden Touch' October 8 At Majestic Theatre

The Majestic Theatre in Eastland is sponsoring a children's stage play, "King Midas and the Golden Touch." The hour-long musical by Penguin Productions will be performed by professional actors who will be touring the states of Texas and Louisiana during the months of September and October. They will be here on October 8, 3 p.m.

Penguin Productions is a touring theatre company whose staff is dedicated to bringing wholesome, quality entertainment to children. Since 1979, the company has produced 27 tours, performing for hundreds of thousands of excited school children. This show is expected to be seen by 20,000 children. Actors chosen to tour with Penguin Productions come from all over the country and go through an extensive audition and interview process conducted before each production. One question that they are asked is, "Do you like children?" Those that genuinely do will go that extra mile to bring a great performance to the children.

The Children's Drama Series includes "The Night Before Christmas" on December 3 at 3 p.m. and "Hansel and Gretel" set for March 4, 1990 at 3 p.m.

### FACTS & FALLACIES

What many experts consider one of the great myths of modern times is that we have a strong defense system helped by a military industrial complex that controls the defense industry!

The fact is our defense industrial base has been weakened and the defense budget has been cut in each of the past four years. Today, the United States allocates less than six percent of Gross National Product—the value of everything made in America—for defense. The concern now is that the defense industry has shrunk so much that it may not be able to respond to a call for wartime mobilization!

Charles and Nancy Palmer and Michael of Clyde visited Joyce Odom Saturday.

Don and Maryana Harrell and daughter, Leigh, along with relatives, the Mark Schreiver Family of Austin and Ted and Joan Newberry of Abilene, spent the weekend in Dallas. The women and children toured the museum while the men took in a car show. Maryana made a business trip to Austin this week.

Fall will soon be here and already there are a lot of wild flowers on roadsides and pastures. The purple thistle are plentiful and the purple spikes, as we know them, are in full bloom now. One field in the community is full of a white flowering plant that is in this area every year. It may have a common name but who knows what it is. All these plants can be dried for winter flower arranging. Trees will be turning their beautiful colors when frost arrives. There are places along Highway 36 that have changed from green to yellow, orange and brown when this season appears.

## COLONIAL OAKS SERVICE

Believer's Fellowship will be conducting worship services at Colonial Oaks Nursing Home on Sunday, October 1, at 3:30 p.m.

Cooler weather hit this area Friday, with dusty winds and no rain. Farmers are busy sowing grain in fields that are drying out. Some that have plowed more than one time will need rain to bring the grain up. Roland Mauldin and son, Kenneth, were ready for sowing on the Gene Mauldin place Saturday.

The workers, drilling for oil on the Polly Moon place, have been busy all week. The noise of the motors can be heard over the community.

Visitors of Emma Johnson and Lizzie Burks this week were Leona Gary who took them pears, their nephew, Carroll Burks of Abilene, and Rickey Kelley of Cross Plains. Emma's son, Webb R. Johnson of Battlecreek, Michigan, called her that he was visiting his wife and son in Albuquerque, New Mexico this weekend.

Vernie Belle Mauldin visited Joyce Odom Monday afternoon. Joyce has been to the rest home in Abilene to visit her husband, Sterling Odom.

James and Dorothy Reynolds were in Midland last Friday and Saturday visiting Jim and Crecia Reynolds and grandsons, Chris and Colby. On Tuesday, Dorothy was in Clyde visiting Mr. and Mrs. W.H. Bryson.

Robert and Dorothy Watson, Cody and Wyatt, attended the Baird and Cross Plains football game Friday night. Judy Steele and her children, Tonya, Bill and Connie, also were at the game. The game was kind of one-sided where scores were concerned.

# Callahan County Sales Tax Report

Cross Plains Review  
Thursday, September 28, 1989

9

The City of Cross Plains is reporting retail sales 10.16 percent behind last year, according to the one-percent sales tax figures. The town has received \$34,011.10 so far in 1989 in the city sales tax, while the 1988 tax amounted to \$37,858.90.

The town's monthly city sales tax payment for September 1989 was \$2,574.99, while the September 1988 check was \$10,543.62, a 75.58 percent reduction in tax collections.

The City of Clyde is showing sales 1.61 percent higher this year than last year. The city has received \$64,725.53 in sales tax payments so far this year. Tax payments to the city in 1988 had amounted to \$63,698.66.

The town's monthly tax payment for September 1989 was \$5,157.79, which was .84 percent lower than the September 1988 payment of \$5,201.35.

The City of Putnam is showing the largest drop in sales, according to the city tax totals. The town has received \$7,024.98 so far this year, while \$8,029.61 was collected in 1988, a 12.51 percent reduction in tax payments.

The town's monthly payment this year was also lower. Bullock gave Putnam a check amounting to \$674.55 in September 1989, while the September 1988 check amounted to \$737.91, a 8.59 percent reduction.

The City of Baird is reporting retail sales 2.81 percent behind last year, according to Bullock's tax payments. The State Comptroller has paid the city \$25,739.83 so far this year, while the 1988 city sales tax checks amounted to \$26,484.57.

The city's monthly tax payment for September of this year was 15.53 percent higher, however, than the September 1988 payment. The September 1989 check was \$1,630.63, while the September 1988 payment was \$1,411.41.

Countywide, tax collections are 3.36 percent lower this year than in 1988. Statewide, tax collections are 9.47 percent higher this year than in

1988. Comptroller Bullock said that sales tax allocation payments to 888 cities statewide totaled \$72.5 million this month, an increase of 6.8 percent over payments sent during September 1988. "This has been a banner year for a lot of local governments that count on sales tax rebates for revenue," Bullock said.

Bullock said that year-to-date allocations to cities have also continued to grow and are 9.4 percent higher than last year's payments through September.

Cities can have a local tax rate of either one or one and one-half percent, Bullock said. The City of Cross Plains' tax rate is one percent.

## Estimates May Need To Be Revised

Now is a good time for people who work while receiving Social Security benefits to take a look at their earnings so far this year and review the accuracy of their earnings estimates, Glyn Hammons, Social Security manager in Abilene, said today.

If people find that their actual earnings for this year will be higher or lower than their estimated earnings, it would be a good idea to let the Social Security Administration know of the change now rather than wait until the end of the year.

An overpayment may be avoided if the revised earnings information is provided to the agency early, Hammons said.

This year's earnings limit figures are \$6,480 for people under 65 and \$8,880 for people 65 to 70.

Revised earnings estimates can be made by calling 698-1360 or 1-800-234-5772 if you live outside of Abilene.

The Abilene Social Security office is located at 142 South Pioneer.

## Weekly Health Tip

VITAMIN B-1 — THIAMIN

This nutrient is essential to maintain good muscle tone, healthy nerves, and a good digestive system. A thiamin deficiency can upset your appetite, cause some constipation, poor muscle tone of the intestines, fatigue, and irritability. Physically active persons need adequate daily thiamin to avoid exhaustion. B-1 is abundant in wheat germ, whole grain bread and cereals, also in potatoes. Thiamin supplements are available.
