Surprise, Surprise, It's Another Drought

By DON TABOR
Publisher

That guy who blamed me last summer for drowning his ducks better get prepared.

If it doesn't rain pretty big and pretty soon, I'll be dusting off my pray-for-rain column and writing it again.

You may remember that after I wrote that column, it rained 12 inches in the first 12 days of June and prompted a letter to me from a local man who chastized me for messing with Mother Nature. He said some of his ducks drowned during that rainy spell and that I owed him for them. I hope he's not still looking for my check.

Anyway, it's getting dry again, very dry.

And this new drought, coupled with the below zero weather we had in December, has really hurt the winter wheat and oats crop. Many of our cattlemen use this crop to help them out on winter feeding and they are not in a real good mood right now.

I went out to Clyde Lake recently and I wouldn't recommend that trip for curing the winter blues. The lake is almost as low as it was before we had that June wet spell.

According to the records we keep at the Journal, we've had only about an inch and a quarter of rain in over three months. Now, if that's not the start of a good, solid drought, I don't know what is.

And, my usually-reliable *Old Farmer's Almanac* fumbled the ball on this one. While it was saying that warm spells would predominate over cold ones in December and that there would be some heavy rains during the month, I was freezing to death under a clear sky.

But I fear that the old farmer is back on track when he predicts that rainfall will be below normal through March.

If that does occur, the guy with the ducks can rest assured that I will hoist the rain-prayer flag.

So, if he has replaced those drowned ones, I would suggest he start giving the new ducks swimming lessons.

USDA Commodities Distributed Locally

Central Texas Opportunities, Inc. will distribute USDA commodities in Callahan County:

Baird — VFW — Wednesday, January 17, 9:30 a.m. to 11 a.m.

Clyde — Senior Citizens Center — Wednesday, January 17, 1:30 p.m. to 2:30 p.m.

Putnam — City Hall — Wednesday, January 17, 3 p.m. to 3:30 p.m.

Cross Plains — Cross Plains Multipurpose Center, January 18, 8:30 a.m. to 10:30 a.m.

Items available this month are: butter, peanut butter, flour, and honey.

CTO has no control over what items are available or the quantity of the items. Allocation of all commodities depends on the availability of food items from the USDA.

All eligible persons will receive emergency food assistance without regard to race, sex, political beliefs, age, national origin, or handicap. Shut-ins are encouraged to designate an authorized representative to pick up for them. Commodities will be distributed on a first come, first serve basis. Volunteers are greatly needed and appreciated to help with this much-needed program.

Colonial Oaks Services

Pioneer Pentecostal Church will conduct services at Colonial Oaks Nursing Home Sunday, January 14, at 3:30 p.m.

Project Pride Annual Banquet January 16

Project Pride has accomplished a lot during the first year. Their Annual Banquet will be held Tuesday, January 16, at 6:30 p.m. at the Cross Plains Senior Citizens Center. At this time, they will kick-off the Annual Membership Drive. Memberships are \$3 per person or \$5 per couple.

Entertainment for the evening will be C.J. Ledet from Coleman. He and his wife will provide dinner music and also a program afterwards.

The highlight of the evening will be the drawing for the Community Quilt. There are 56 individually handcrafted denim squares in the quilt. Last chance tickets, for a donation to Project Pride, will be available at the Banquet.

All organizations in the Community will be recognized. All members of

the organizations are urged to come and be recognized for a job well done.

The "all you can eat" fish dinner will be \$5.50 per person. Please purchase your tickets by January 11, in order for the caterer to prepare, at the following locations: Greenwood Insurance, The Back Room, Connie's Cuts and Curly, Cross Plains Library, Ellen's Closet, or Tim's Floral and Gifts.

Everyone, member or non-member, is invited and urged to attend.

Dress will be casual, as this is going to be a festive time to congratulate all organizations for their contribution in making Cross Plains "A CARING COMMUNITY."

For more information call 725-7712 or 725-6434.

Cottonwood Emergency Service Reports Progress And Donations

Cottonwood Emergency Service wishes to thank each and everyone that has helped to get the service off the ground and rolling. They are making progress towards a service in Cottonwood as "first responders" to medical and trauma emergencies that they hope each of you can be proud of and depend on.

The C.E.S. is trying to contact as many of you as they can by going house-to-house for medical information that you are able to give them. This information is filed, confidentially, to be used only in case of medical emergency. So far, they have been to houses north of Cottonwood. They will be coming into the west and south areas soon.

If you would like to see the equipment you have purchased or have any questions about C.E.S., come by the Cottonwood Store and they will proudly show it off.

The following is a list of the dona-

tions that have been made: Mr. and Mrs. Guy Farquharson \$100; Mrs. Polly Lawson \$50; Mr. and Mrs. H.W. Patterson \$13; Neal Drug, 100 exam gloves; Mr. A.H. Coppinger \$2; Amy Albrecht \$20; Mrs. Mable Halsell \$1; Square A Construction \$20; Cottonwood Store \$20; Haskell Holland \$5; Dale Donaho \$10;

Harrel Burch \$25; Mr. and Mrs. John Purvis \$25; Mr. and Mrs. Charlie Sowell \$10; Mr. and Mrs. Jerry D. Green \$30; Mr. and Mrs. Turner Simpson \$10; Mr. and Mrs. Dub Moore \$10; Mr. and Mrs. O.B. Joy \$20; Mr. and Mrs. John Shepard \$25; Mr. and Mrs. W.D. Clark \$25; Mr. and Mrs. C.A. Rodenberger \$50; and W.M.U., First Baptist Church, Baird, bandaging materials.

The Cottonwood Emergency Service expresses their warmest and heartfelt thanks to each and everyone of you.

AARP Volunteer Counselors Are Needed

The Tax-Aide program is a unique service which relies upon the efforts of volunteers across the country to provide free income tax counseling to older persons.

Any qualified person can volunteer and be trained January 15-19 in Cisco. Any expense incurred during training or during service will be reimbursed.

Training courses are conducted in December and January, after changes in the tax laws have been finalized. Tax-Aide has worked with the IRS in developing a training program adaptable to the needs of differing groups. Experienced counselors may require only a refresher course which includes recent changes in tax laws. Less experienced or beginning counselors will require a longer course on advanced material on the tax concerns of older persons. Training will normally be five days, but it can be shortened depending on instructor availability, counselor needs, or space limitations. All training materials, including IRS publications, are provided by the IRS. The sessions are scheduled where space is available and convenient, such as libraries, senior centers, and community buildings.

Volunteering for Tax-Aide requires a willingness to be of service to those who need it. Volunteers provide assistance without charge, and are not legally liable for the accuracy of the

information which they provide.

Tax-Aide is associated by cooperative agreement with Tax Counseling for the Elderly (TCE), a program sponsored by the IRS taxpayer education services. Under this agreement, funding is available to repay the expenses of volunteer counselors in carrying out their program-related activities and in taking their training as counselors. Counselors may itemize their daily expenses, including their transportation costs (currently at the rate of 22.5 cents per mile if they drive), an occasional meal, and miscellaneous costs such as parking, tolls, postage and telephone, connected with their work or their training. Counselors also have the other option of a flat rate payment to cover their expenses of counseling, attending meetings related to the program, and receiving instruction during (an in preparation for) the tax assistance season. Full details of this policy will be provided at time of training.

If you are interested in becoming a volunteer counselor, call Walter Knowlden, Cisco, (817) 442-1715 or Yuna V. Burkett, (915) 624-5274.

Sabanno Cemetery Donations

Recent donations to the Sabanno Cemetery Association were Oddie Dawkins \$20; Oma Faye Cox \$20; Gene Hicks \$20; Opal G. Erwin \$25; Randy and Judy Foster \$20 In memory of Truett Dawkins; Sadie Erwin \$20 from Jerl Erwin's children; and Mr. Laminack \$25.

GIRL SCOUT COOKIE TIME — Local bank president, W.G. McCoy, takes the easy way out and orders cookies from all of "his girls." Shown

offering Wimpy his choice are bank employees Dannes Turner and Terry Jane Wyatt, both troop cookie chairpersons, and Barbara Dillard,

troop committee member. Helping are Jennifer Turner, Amanda Dillard, LeaJean and Toni Mae Wyatt.

Girl Scout Cookie Sale Launched

Girl Scout cookie sale time is here again — already! Fifty local Girl Scouts from the amateur first graders to the experienced 6th graders will be knocking on doors after school Friday, January 12, taking orders for the seven delicious varieties of the famous cookies.

The order taking phase of the sale will continue through January 29. Cookies will be delivered starting on February 16 at which time the \$2 per

box will be due.

Local troops will keep 20 cents per box with an opportunity to earn an additional 2 cents per box if all the records are turned in on time and are correct. The remaining \$1.78 per box is used to pay for the cookies and the expense of operating the sale (transportation from the factory, sale supplies, advertising and training of volunteers who do the local sales).

Girls may earn a variety of incentives from key rings to stuffed animals to T-shirts to "cookie currency" which can be redeemed for part of their summer camp fee. What is left of the \$1.78 goes towards maintaining and improving the council camp facilities at Lake Brownwood.

Coordinating the local sale is Terry Nixon, assisted by Deborah Childers. Handling troop level sales are: Dannes Turner and Barbara Barnett, Troop 212; Annette Nickerson and Sheri Bennett, Troop 213; Terry Jane Wyatt and Arlene Stephenson, Troop 214; Terry Bushnell and Mary Davis, Troop 215.

Arlene Stephenson, Service Unit Chairman, anticipates a record setting sale this year. "We have a lot more girls registered than we've had in a long, long time and the leaders are doing a fantastic job," she reports.

She goes on to commend the volunteers. "They are a dedicated and enthusiastic group and this is carrying

over to the girls who are excited about the sale and have already made plans for using their money."

Remember, when the Scouts approach you to order cookies — you are supporting a good cause and getting a good product.

Rehab '90 Benefit Saturday Night

"Rehab '90" is a five-hour benefit television special originating live from the Abilene Civic Center from 7 p.m. — midnight, Saturday, January 13.

About 40 minutes of each hour is designated for entertainment. Many of your favorite entertainers will be back for this special yearly benefit and this is predicted to be the best show ever.

As in previous years, the show includes an auction which boasts \$150,000 in donated merchandise, including 100 handmade quilts and afghans.

During 1989, 12,000 handicapped children and adults were served by the Center and came from 110 counties in Texas, as well as surrounding states.

Tickets for Rehab '90 will be \$10 each and are available at WTRC and the Abilene Civic Center this week.

Telephone Service Saves Time

Doing business with Social Security does not need to mean a long wait in our office, Glyn Hammons, Social Security manager in Abilene, said today.

Most Social Security questions and benefit applications can be taken care of now by telephone. Office and telephone appointment services are available too, Hammons said.

Original documents needed for an application, a child's birth certificate, for example, can be mailed to the office. The document will be photocopied for their records and mailed right back to you. People who prefer to bring their documents to the office can save time by calling first.

Toll-free telephone service is now available throughout the country. The telephone number to call in this area is 1-800-234-5772.

The Abilene Social Security office is located at 142 South Pioneer. The office is open weekdays 9 a.m. — 4:30 p.m.

American Cancer Society Urges Cancer Checkups

If a cancer can be detected before it spreads beyond its site of origin, it is much easier to treat successfully. For example, early breast cancer treated in a localized stage has a five-year survival rate of 87%, compared to 47% once the cancer has spread beyond the breast.

Cancer is usually found either by a physician during a cancer-related checkup or by an individual who notices a warning signal and seeks medical attention.

A physician can best advise you on the frequency of necessary checkups, based on the guidelines recommended by the American Cancer Society.

The aims of the American Cancer Society are to motivate all Americans to have regular cancer-related checkups; to be aware of, and act on, cancer's warning signals; and to adopt healthy habits which can prevent cancer.

THE PIONEER PATCHWORK

By IRMA MILLER

The quilting attendance was down on Tuesday at the start of the new quilting year. However, the club welcomed three visitors: Paul and Juanita Harlowe of Lovington, New Mexico, and Vi Harlowe of Marble Falls. Vi is Jean Fore's sister and Paul and Juanita are her brother and sister-in-law.

Vi, Paul, and Juanita spent Christmas with Jean, arriving Friday and staying over until New Year's. Grasson and Myrtle Harlowe of Arlington spent New Year's. D.C. and Mary Foster of League City came in Friday before New Year's. On Saturday, Paul, Juanita, Vi, and Jean went to Bangs to visit Juanita's mother, Vivian Foster in the nursing home there.

John and Irma Miller entertained their children on the holidays, who came from Houston and Dallas. Present were David Miller and his two children, David Keith and Elizabeth, and Sam Miller, all from suburbs of Houston, and Mary and Bill Lagow of Dallas.

Cecil and Mary Barton of Waco were here on the holidays to visit their parents, Cleo and Novilia Barton. Other visitors they enjoyed were Wanda and Tom Flippin and their daughter, Billie Lee Freeman, Rev. Dwayne Clowers, all of our community; and John Watson of Beaumont and Harry Watson of Dallas, who are brothers.

The Huttons had their family gathering on December 23, and almost everyone was present and enjoyed a wonderful dinner. Cowan and Laverne went and visited their children at Antton, and Cowan's mother at Lubbock, right after Christmas. Laverne's mother, Ella Dean, is slowly improving after the flu, and Laverne was preparing to take her lunch to her at the time she gave this information on January 5.

James and Jean Alexander's guests for the holiday weekend were Star Appleton and her two daughters, Heather and Andrea of Corpus Christi; Jim and Marla Alexander of Richardson and their three boys, Doss, Jack and Will; and May and D.T. Jones of Corpus Christi.

Rowden News

By MRS. N.V. GIBBS

Already the second week of 1990 is upon us. The weather has not been bad, but rain is needed more than ever.

One farmer was plowing Saturday afternoon, maybe it was to keep the ground stirred so wind storms would not blow the top soil into the fence rows. One other field of grain that wasn't grazed until late fall is looking green, so there may be a chance for a crop. Other fields look very dead.

Mauldin during the week were James Reynolds and Roland and Faye Mauldin, who came over Monday, January 1, to eat blackeyed peas. Saturday their granddaughter, Melinda Maninger and daughter, Laura of Weatherford, were there for a visit.

Don and Maryanna Harrell and Leigh had visitors from Austin that arrived Thursday, Griff and Melissa Andrews and son, Billy. Melissa is a sister of Maryanna.

Tresha Albrecht of Cottonwood spent Friday night with Tonya Steele. This writer was in Abilene Wednesday and visited Elveda Sikes.

Little Drew Flippin of Midlothian spent last weekend with his grandparents, James and Dorothy Reynolds.

Robert and Dorothy Watson drove to Lake Leon Sunday where they visited his sister and family, Mr. and Mrs. Bill Beck and children. His mother and dad, Mr. and Mrs. R.G. Watson, also were visiting in the home. They stopped in Ranger for a visit with Dorothy's brother and family, Mr. and Mrs. Sterling Thames. The Watson family were in Panther Creek Saturday for a basketball tournament.

Visitors of Joyce Odom during the week were relatives from Baird, Nila Towler and Faye White and this writer.

Lakewood Recreation Center is having a membership drive through February 15. You can join the club simply by paying your first month's membership fee of \$20. Family membership includes husband, wife, and all children under age 18 who live at home.

We've had lots of fun this year, and we are planning even more events for 1990. So sign up now and come join us.

Be sure and come to the monthly supper this month. It will be on Tuesday, January 30, at 7 p.m. We will be nominating and voting on the new board members, so we need everyone present who can be there.

MINUTE MUSINGS

By ESTHLOY S. DICKSON

The sun is shining beautifully this Monday morning — but it is much colder out there than it looks. Birds were 'skating' on the birdbath early this morning.

Sally Roady reports that Ms. Nettie has had some bad days lately — she is better this morning — they keep a close watch on her every day. Joe McNeil, a nephew of Clyde, visited them on Saturday. Their grandson, Charlie, spent Friday and Saturday with them. Their sons, Joe of Brownwood and George of Dallas, called them during the weekend.

Mr. and Mrs. William Beggs of Austin visited J.T. and Betty last weekend. L.W. Mitchell visited them on Saturday. David Beggs of Morton Valley visited one day.

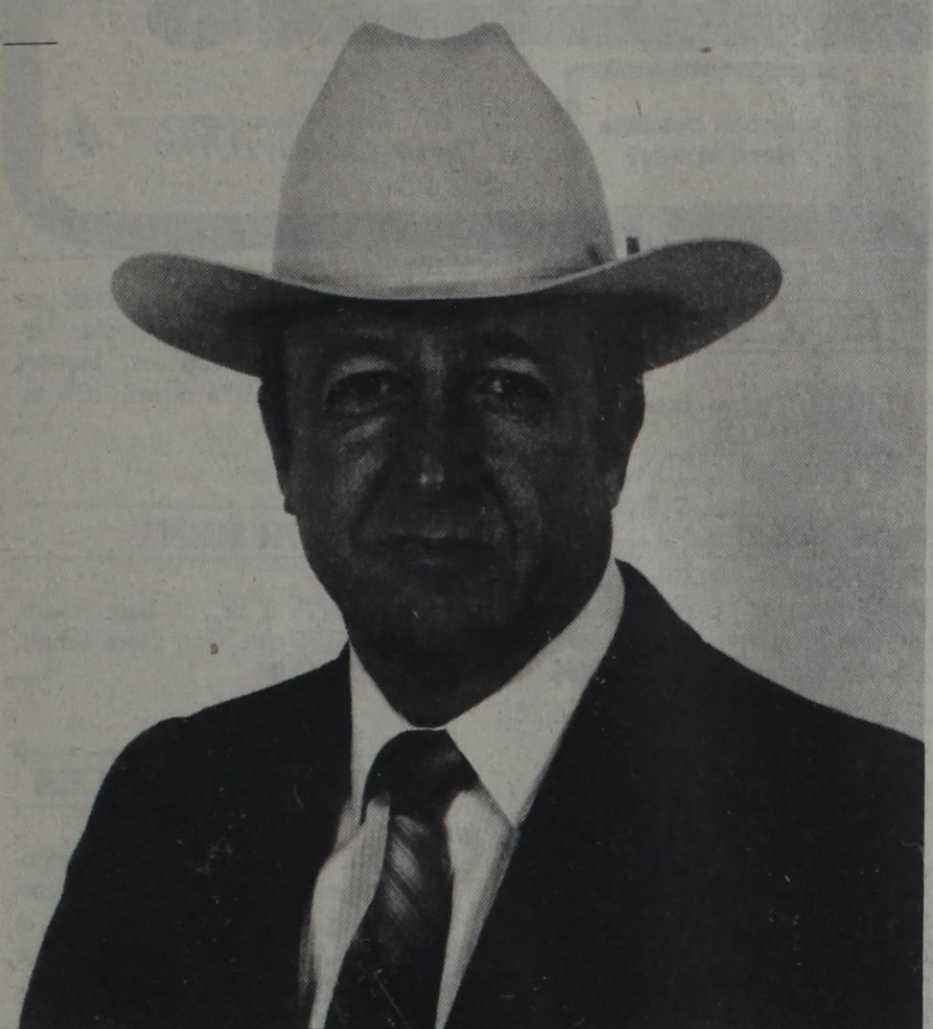

The Ronnie Hutchins family was in the community last weekend. Helen and Cole Tillotson attended the Sherrill funeral on Monday.

Ms. Jewel Foster attended the "Quiltings" last week, and she was in Sunday School and church on Sunday.

Howard and Charlene McGowen reported that they have finally recuperated from the 'flu' — their kids are back in school, and all was going well with them this Monday morning.

I'm hoping I'll find someone to move the leaves off my front lawn this week — they are 'knee-deep' in places. I just don't have the strength to rake them myself.

The booming sound of a plane passing the sound barrier cannot be heard by the pilot.

BILL COOTS

...Callahan County Judge Candidate

Bill Coots Announces County Judge Candidacy

Callahan County rancher and retired Army officer, Bill Coots has announced his candidacy for Callahan County Judge. In making his announcement, Bill stated, "Callahan County faces many challenges regarding judicial decisions, the economic and financial operations of the County, and the continuing growth of our County. I have the experience, education, and qualifications to effectively serve the people of this County in meeting and solving these problems."

Bill, age 48, enlisted in the Army in 1961, graduated from Army Officer Candidate School in 1965, Army Flight School in 1968, and Army Test Pilot School in 1978. He also attended numerous civilian and military schools in the continuance of his advanced education. Bill acquired business experience while in the military when he established and managed for three years a successful retail sporting goods business, which he sold only when receiving orders to move to a new duty station. He retired from the Army in 1981.

During his time in service, Bill served in numerous positions of responsibility and command some of which include that of a Commanding Officer, a Supply Officer, and a Security Officer. He served on Court Martials Boards and served as defense counsel and trial (prosecuting) counsel. He has been awarded numerous honors, some of which are the Distinguished Flying Cross for Heroism, the Air Medal for Valor, 2 Bronze Star Medals, the Purple Heart Medal, and the Meritorious Service Medal.

Serving as a Commanding Officer and as both a defense and trial counsel has given him exceptional insight into the problems of our criminal justice system. The crime of child abuse, marital problems, financial problems, and the devastating effect of alcohol and drugs on our society are problems that he has dealt with first hand. Having seen the cruel effects of crime, alcohol and drugs, he will fight to break the grip of these problems on the citizens of Callahan County.

In preparation for Bill's retirement from the Army, he and Jane purchased property in Callahan County as early as 1977, choosing Callahan County because of close family ties and roots in this area. Then, upon his retirement in 1981, they established their home here.

Bill worked with rancher Warren Price of Rowden, Texas, for several years prior to his retirement from the Army. Upon retiring, he entered partnership with Price. After Price's death in 1986, Bill continued in the ranching business. He established and manages Coots Cattle Company, a registered Beefmaster and commercial cow-calf operation.

Bill was born and reared in Big Spring, Texas, where he met and married Jane Smedley, the daughter of the late Vergil Smedley and of Thelma Griffin Smedley, both of Callahan County. They have two sons, William V. (Billy) Coots of Abilene and Christopher Brian Coots, who recently graduated from Texas A & M University.

Bill is active in community affairs

where he serves with the Goodfellows, is a member of the Callahan County Historical Commission, and is President of the Kiwanis Club of Clyde. Bill and his wife, Jane, are members of Clyde First Baptist Church where he is an active deacon and serves as church Sunday School Director.

Having been introduced to you, the voters of Callahan County, and believing that all of my experience to date uniquely prepares me to serve you effectively, I ask for your vote on March 13. If elected as your County Judge, I will dedicate myself to doing the very best job possible to serve the people of Callahan County.

Pol. Ad Paid By Bill Coots, Baird, Texas.

Beef Cattle Nutrition And Management Meeting On Jan. 15

Dry weather is still the major topic among beef cattle producers in the coffee shop and feed store and feeding of livestock is at an all time high, according to Greg Gerngross, County Extension Agent.

A Beef Cattle Nutrition and Management meeting will be held Monday, January 15, at 7:30 p.m. in the County Courtroom, according to Greg Gerngross, County Extension Agent. With continued dry weather, feeding of livestock is of prime importance and will continue to be for the next few months.

To help producers make the most of their feed dollars, the Livestock and Range Committee is sponsoring this educational meeting in cooperation with the Callahan County Extension office.

Dr. Jerry Cowley, Extension Livestock Specialist from San Angelo, will be program speaker for the meeting. Dr. Cowley will be discussing nutritional needs of various classes of livestock plus other management considerations to get through the dry weather. Cowley will also be discussing reproduction diseases and how they can affect a producer's calf crop.

Everyone is invited to attend the meeting on the 15th.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion, handicap or national origin.

For more information on the meeting, contact the County Extension office at (915) 854-1518.

We don't always realize how much we depend on electricity until we're faced with an outage!

A power outage can occasionally occur due to ice and snow on power lines, falling tree limbs and high winds. When it does, WTU will take the proper steps to assure your power is restored as quickly as possible.

Here's what you can do to help:

- Check with your neighbors to see how widespread the outage is.
- Check your breaker box if your house is the only one affected.
- Call your local WTU office if the trouble is not on your side of the meter.

CARD OF THANKS

Card Of Thanks

May I sincerely thank each of you for your visits, calls, cards, flowers and food at the time of my mom's (Ida R. Gray) passing.

It meant so much for you to remember me in so many ways at this particular time.

Merilyn

Card Of Thanks

Delbert and I would like to thank everyone for their prayers, gifts and calls during our stays in the hospital. We were really touched by the outpour of concern.

We would like to say a very special thank you to Connie Kirkham and family, Hungry and Clara Nell Spencer, and the Beta Sigma Phi. You are all very special people and you'll never know how much you helped us.

I would also like to thank everyone for the wonderful gifts we were given for our new daughter, Hailey, and to apologize for not having sent out personal thank you cards yet. I hope you all understand and forgive me.

Sincerely,

Delbert and Charlotte Biggs

C.P. STUDENT REVIEW

C.P. Junior High Boys Basketball Team Takes Consolation

The Cross Plains Junior High Boys took consolation at the Rising Star Basketball Tournament this past weekend.

The Mighty Mites opened with a very good game against May which eventually won the tournament over Rising Star. The Mighty Mites lost the May game 41-25, but was led by Jason Fleming with 15 points and Kevin Switzer with 10.

In the consolation game the Mighty Mites blew out Moran 49-26. Jason Fleming led again with 23 points, followed by Kevin Switzer with 14.

Others scoring included Justin Terrill with 5, Tim Yates with 3, and Chad Coker and Billy Walker with 2 each.

The 8th grade now has a season record of 5 wins and 4 losses.

Get Your Rackets Ready

By CODY ODOM

The Cross Plains High School Tennis Team is ready to get cranked up for another year of tennis. Although workouts are not during school now, but after school, Coach McConal wants people who are going to play to start coming and practicing as soon as possible.

The teams are not yet determined, but there are three returning players, Pam Glover, Candee Williams, and Trudy Newman.

Competitions are to begin the first weekend in March at Breckenridge and other tournaments include: San Saba, Santa Anna, and Brownwood.

Coach McConal, who has been a tennis coach for 13 years, hopes to take the District title, win first at Regional, and hopes some of his players will go to State.

CASEY WILLIAMS
...completes first year of college football

A Freshman Again

By CA/BM/LW

Ready for a break and eager to see his family and friends, Casey Williams, a 1989 graduate of Cross Plains High School, arrived home for the holidays after having finished his first college semester and his first year of college football. In his senior year in high school, Casey was selected as an All-State linebacker and before the year was over, he was recruited and signed with Porterville College in Porterville, California under a football scholarship. Since he left for California last August, he has been very busy with football, classes, and a part-time job.

According to Casey, college football is different than high school ball. For one thing he says, "They hit a lot harder!" Casey played as a defensive tackle and used on both the kickoff and punt return teams. He felt quite fortunate that out of the 40-member team (35 of which were freshmen) he was able to play in all but one game, and by the middle of the season he had earned a starting position. Casey, 6'1", also said that he happens to be one of the smallest of the defensive linemen and his playing weight was 220 pounds.

In a written statement, Casey's defensive line coach, Mark Hedgecock, said that he (Casey) has shown "outstanding qualities as a player, a student, and a person." Hedgecock goes on to say that "Casey's hard work and determination have made him one of our best defensive linemen." Even off the field, Casey has "with his friendly words gained the respect of his fellow team members and other classmates," says Hedgecock who finished his statement by saying Casey has "represented his family and

hometown of Cross Plains with honor and dignity."

According to Casey when asked about the Porterville football team he said, "They could have done better, and next year they will do good." Casey does plan on playing there again next year since he has earned a starting position.

Casey was hoping to get his old high school number, 73, but he said that was already taken, so he chose #55 which was his father's number the 4 years he played high school football and it was also his mother's number the years she played basketball. Casey's parents are Mr. and Mrs. Gregg Williams of Cottonwood.

In addition to his life in football, Casey also worked 10 hours a week in a part-time job as a campus security guard assigned to parking lots to "protect cars from burglary and giving parking tickets."

Then, in his time between football and work, he did manage to get 3 classes, two English classes and a criminology course. As of yet, he has not received his semester grades, but he says he feels he did well in the classes. Casey plans on majoring in criminology while attending Porterville for 2 years, then transferring to a larger college to finish and hopefully to play football, although he is undecided as to where. "Maybe McMurry," he says.

As with most college freshmen, it is their first time away from home. When asked if he got homesick, Casey said he was when he first got there, missing his old friends in C.P. and his family, and as to what he missed the most... "My sister."

What he enjoys the most is, "having my own place and setting my own curfew." Casey shares an apartment with 2 other football players; Danny Turk from Youngstown, Ohio and Tracy McKeown from Houston.

Casey also adds that being away from home has "improved my attitude and I've grown up a lot in learning how to be on my own."

Casey heads back to California for his 2nd semester of college and football off-season, work, and study on January 14. He says he enjoys hearing from friends at Cross Plains, and if anyone would like to write him, his address is P.O. Box 723, Porterville, CA 93257.

Don't Cry!

Due to the semester exams we, the mass media class of Cross Plains High School, are sorry to inform you that there will be no student articles in next week's paper, January 18. However, we will resume our articles the following week, January 25.

Isaac Newton's 3 Laws Of Motion

By CHARLOTTE LETNEY

Gravitation: Newton's greatest achievements were his work in physics and celestial mechanics, which culminated in the theory of universal gravitation. Even though Newton also began this research in the plague years, the story that he discovered universal gravitation in 1666 while watching an apple fall from a tree in his garden is a myth.

By 1666, Newton had formulated early versions of his three Laws of Motion. He had also discovered the law stating the centrifugal force of a body moving uniformly in a circular path. However, he still believed that the earth's gravity and the motions of the planets might be caused by the action of whirlpools or vortices of small capsules as Descartes had claimed. Although he knew the law of centrifugal forces, he did not have a correct understanding of the mechanics of circular motion. He thought of circular motion as the result of a balance between two forces: one centrifugal, the other centripetal, rather than as the result of one force. A centripetal force constantly deflects the body away from its inertial path in a straight line.

Newton's great insight of 1666 was to imagine that the centrifugal force of the moon or any planet must decrease as the inverse square of its distance from the center of its motion. For example, if the distance is double, the force becomes one-fourth as much. If distance is tripled, the force becomes one-ninth as much. This theory agreed with Newton's data within about 11 percent.

Junior High Boys Victorious Over Moran

The Cross Plains Junior High Boys Basketball Team improved its season record to 6 wins and 4 losses with an easy 50-9 win over Moran.

The Mighty Mites were led by season scoring leader Jason Fleming with 20 points, followed by Kevin Switzer with 7, Rodney Rudloff with 6, and Justin Terrill with 6.

Others contributing to the win included Kelly Barclay with 4, Chad Coker with 4, and Tim Yates with 3. The coaching staff wants to recognize Billy Walker for his outstanding defensive play and hustle.

College Hotline

By CA

With the school year half over already, and many seniors (and even some juniors) making plans for college, the Texas Association of College Admission Counselors (TACAC) is providing a unique service for the second year in a row.

They are providing a toll-free telephone HOTLINE to answer questions about the sometimes confusing and frustrating information needed in getting ready for college.

A wide variety of information is available relating to topics such as admission procedures, financial aid, scholarships, deadlines, campus housing, etc., etc.

Available to any Texas resident, the COLLEGE INFORMATION HOTLINE will be in operation on: Saturday, January 13 and Sunday, January 14, from 10 a.m. to 6 p.m. The special toll-free number is: 1-800-253-8989.

According to information received from TACAC, over 1,000 calls were answered in last year's HOTLINE event. In addition to the help provided over the telephone, requests can be made for information to be mailed to the caller directly from the colleges. Last year, there were even out-of-state colleges that sent information.

Make plans now to call the COLLEGE INFORMATION HOTLINE. Prepare your questions in advance. If the lines are busy, keep trying!

Student Council Met January 3

By KARMEN KEY

On January 3, 1990, the Student Council of Cross Plains High School met. Among topics discussed was the planting of trees around the school campus. During the meeting it was decided that trees were to be ordered from the Arbor Day Foundation, and the order has been made.

According to Don Sibley, Student Council President, there were 10 trees ordered. As of yet, they have not decided exactly where the trees will be planted. But wherever they will be, they will be an asset to the school campus.

Oh 'Know!'

By JENNIFER GOBLE

As the semester comes to an end, the students of Cross Plains High School prepare for semester exams. Exams will be closed campus this year, and they will last two hours each class.

The tests started Wednesday, January 10, and will end Friday, January 12. The students will get out of school at 2:45 p.m. each day.

Not only do the students have to take semester exams, they will be taking six weeks tests. Six weeks tests have become mandatory by the state after the TEA's visit.

Monday, January 15, will be a school holiday for the students because it is a faculty workday. The new semester will start Tuesday, January 16, leaving only 88 days until another summer vacation.

Weekly Health Tip

SENSITIVE TO COLD

Those who often feel cold may be deficient in iron. When exposed to cold, normally the thyroid gland pumps out more hormone, which stimulates the body cells to produce more heat. Iron deficiency inhibits this thyroid response. Women, because of the loss of iron with menstruation, tend to be iron deficient. If very sensitive to cold, consult your doctor or pharmacist about iron supplements.

Your better health is our concern.
