City Hall Evidence Of A New Community Spirit

ASSET TO COMMUNITY — The completion of the new City Hall on Main Street is yet another progressive sign in Cross Plains.

RIBBON CUTTING — Ted McKeehan (from left), Donald Beeler, Betty Lewis, Debbie Gosnell, former mayor, Frank Robertson, and Mayor Ross Gerking witness the official opening of the City Hall.

Lord's Acre Date Set

The Annual Lord's Acre Fall Festival, sponsored by the United Methodist Church, has been scheduled for Saturday, November 10. Mark your calendars now for this traditional turkey dinner and auction.

Colonial Oaks Services

Cottonwood Baptist Church will conduct worship services at Colonial Oaks Nursing Home on Sunday, October 14, commencing at 3:30 p.m.

NEW KIWANIS CLUB OFFICERS — John Childers, Treasurer (from left); Tom Dunn, Vice-President; Ross Gerking, President; and Charles Chesshir, Secretary.

By VANDA KING
Editor

The City of Cross Plains celebrated with a ribbon cutting ceremony last Wednesday, October 3, for the grand opening of the new City Hall. The Cross Plains Chamber of Commerce provided the ribbon and bow for the open house.

Mayor Ross Gerking delivered a brief speech honoring past and present council members. He congratulated the former mayor, Frank Robertson, on his dedication to the City of Cross Plains and introduced him.

Robertson started his speech stating that the community has a "new spirit" and is progressive. He clipped the red ribbon and everyone moved inside to view the new interior.

A crowd was on hand and everyone was impressed with the lovely new office. The front office has a large counter area with a work space for City Manager, Debbie Gosnell. The drive-through window is on the north side for customers' convenience. A spacious conference room with table and comfortable chairs is provided for council meetings, and City Marshal Don Griffith has a private office. A break room with table and chairs was toward the back of the building. Plenty of storage area for files and supplies is available. Parking for employees is

Federal Funds Improve Local Streets

The City of Cross Plains recently received \$20,815 through the Federal Emergency Management Agency (FEMA) when Callahan County was declared a disaster area following heavy rains last spring.

Debbie Gosnell, City Manager, met with the group several times in Baird and the City of Cross Plains was determined eligible for the assistance.

The caliche used to repop dirt roads in the city limits and repair work has already been completed locally this summer.

Help Start A PTO In Cross Plains

By C.A.

In line with the Cross Plains administration and faculty's increased interest and effort towards improving school-community relations and further opening the avenues of communications, Cross Plains I.S.D. Superintendent, Mr. Lee Thompson, is announcing that Tuesday, October 16, is the date set for an organizational meeting of a proposed Cross Plains PTO...Parent/Teacher Organization.

This meeting will be held in the Cross Plains High School Library beginning at 7:30 p.m.. All parents and community members are invited to attend.

The purpose of this meeting is to hold a general discussion relating to the organization of the PTO and to elect or have 4 or 5 volunteers agree to look into the organization and operation of Parent/Teacher Organizations in other schools. Also, during this first meeting, a future date will be set for the second meeting which will be used to elect officers.

Any Cross Plains parent and/or community member who is interested in being a part of this type of organization and is interested in working with the ongoing process of improving school-community relations is encouraged to attend this important first meeting. **DON'T FORGET!!!** Tuesday, October 16, 7:30 p.m....High School Library.

BUFFALO STAMPEDE — The Buffs took their second consecutive win of the season.

JUMPING FOR JOY — Jacob Bar-ron #26 is in the air about this play, while teammates Louis Cavage #34 and James Reed #65 look on.

Buffaloes Win Again 11-14

By VANDA KING
Editor

For the second consecutive week the Buffs have been victorious. A strong rushing game was evident with Cross Plains gaining 209 yards to the Bulldogs' 82 yards. Jody Brown, Junior running back led the way, scoring on runs of 1, 15 and 2 yards for the Buffs.

Brown scored one touchdown in the first half and Travis Jordan made good on the extra point. Miles took a 14-7 halftime lead, but not for long.

A terrific interception by Johnny Herridge really excited the fans. He

Temple Baptist Church Hosting Tent Revival

Temple Baptist Church is holding an old-fashioned tent revival Monday through Friday, October 15-20, at 7:00 nightly. Sunday services will be held at the church location at 8th and Avenue D.

Sunday School will begin at 10 a.m. with worship at 11 a.m. and Sunday evening services at 6:30 p.m.

Special speakers will be singer and evangelist, Rickie Moore, and Rev. Gary Warden, missionary to Costa Rica. Other churches from the Big Country Fellowship will be assisting Temple Baptist Church in this exciting breakthrough of revival in Cross Plains.

For further information contact Ed-win Schaefer at (817) 643-4237.

saved the day and left the Buffs in great field position. Brown scored in the third and fourth quarters, ending the game with 145 yards on 31 carries.

The combination of Brandon Smith as quarterback and Brown and Colby

Walker as running backs has worked well. Every week the offense and defense get stronger.

The cheerleaders had wonderful participation from the crowd Friday

Community Exhibits Cooperative Effort To Promote Drug Education

The Cross Plains Kiwanis and local schools are coordinating their efforts to sponsor a drug education week October 21-28. This project began when Kiwanis members voted to support

their national program and offered it to the school district.

Operation KNOW: "Know to Say No to Drugs" is an elementary-based activities-oriented program. Drug Education kits have been purchased for every child in Kindergarten through sixth grade. Along with these kits, teachers will also be emphasizing their drug curriculum.

The highlight of the week will be a kick-off rally at the high school gym. The rally is planned for 9 a.m., Monday, October 22. The schools and Kiwanis Club would like to invite the community to attend.

Elementary students will yell drug-free cheers as cheerleaders, student council, and band members lead them. Officer Blankenship, with the Abilene Police Department, will speak to the group as well as Ross Gerking, President of the Kiwanis.

October 21-28 is also the national Red Ribbon week. Cross Plains will join Texans across the state by participating in this campaign. The community, businesses, and churches are invited to help the schools and the Kiwanis let our children know that we support a drug-free community.

Submitted by Ernest Cortez, publicity chairman for the Kiwanis, and Ann Watson, school counselor.

Calf Mutilations Prevalent

By REV. MICHAEL HALE

In the past couple of weeks there have been two separate cases of cattle mutilations.

If you live in the Cross Plains area and believe that one of your animals has been mutilated, you are urged to contact Rolan Jones, Justice of the Peace at 725-7456 or 725-7640. Please call immediately, before scavenger animals destroy the evidence.

This will provide a more accurate record of what is happening in the local area. Even if you live out of Callahan County, please let Jones know in order for him to investigate the situation.

Your cooperation in this matter is very important.

COURTHOUSE NEWS

COUNTY COURT

Wayne Moore Pipe vs Roy Hennen, \$781.67 judgement for plaintiff plus attorney fees.

Divorce granted:
Bell, Sharelynn Marie and Rondal Earl.

Hub's Blacksmith Shop Back In The Spotlight

By VANDA KING
Editor

David Stone, a writer for *The Bike Traveler*, recently had an article published about Hub Freeman's blacksmith shop. Stone traveled to Cross Plains on his bicycle after being informed of the unique shop by someone in Clyde.

He referred to Freeman as a man who stood at the same forge in the same town for two-thirds of a century. He commented on Hub's hospitality and pleasure in sharing his expertise in what is now a lost art.

The biker amazed Hub with his ability to travel 100 to 175 miles a day on a bicycle. So both men appreciated the other's abilities.

Hub is one of our most written about citizens and good publicity always promotes our community.

BUFFALOES

Continued From Page 1

night. Everyone was on their feet most of the time and even yelling the chants with the girls. Spirit is abounding, and boy, it is fun to win!

The band played their great music during the game and the halftime performance was superb. Standing at the top of the bleachers, every precision drill looked fantastic. Marching contest is fast approaching, but the Buffalo Marching Band is well prepared. This year they will travel to Brady rather than Abilene.

The Buffaloes will meet their old rivals, the Rising Star Wildcats Friday night for the first District game. Stay fired up, Buffaloes, and let's go for number three!

Flea Control On Your Pet

Some knowledge about fleas and their life-cycle are essential for understanding the severe flea problem we are experiencing.

The Flea Life Cycle: Fleas spend most of their lifetime off your dog or cat. The fleas that you see on your animal are adult fleas. They are there for the purpose of biting and obtaining a blood meal. In small animals such as kittens and pups, this can be life threatening. After feeding and breeding, the female flea leaves the animal and begins laying eggs on the premises, on damp ground, in cracks and crevices, and in the case of house pets, in carpets and on floors. During the warm part of the year, it takes only 6 weeks for the eggs to hatch, produce larvae (that look like small red worms) that molt and grow into adult fleas. These adults then begin biting your pet, then laying even more eggs to complete the flea life cycle.

Flea Control: Since fleas spend most of their time off the animal, control of fleas must be aimed at their breeding areas. The areas most likely to be infested are the areas the animal spends most of his time. In outside animals, it is likely to be under a tree or bush, under the porch or house, in his dog house or any place there is damp ground protected from intense sunlight. It can be in carpets or on floors inside the house, particularly in the animal's resting places. Fleas would rather bite animals and not people, but fleas can be inside the home and still not bite people. If they are biting people, the infestation is probably severe.

Outside Flea Control: Since some stages of the life cycle may persist for months, treatments must be repeated periodically. (Rain will wash the insecticide away.) Lindane, Chlordane, Malathion, Diazinon, and other chemicals should be effective.

Inside Flea Control: Products used in the home should be tested for possible staining before application. Thorough vacuum cleaning with special attention to cracks, corners, rugs, and upholstery is helpful if the contents of the cleaner are carefully burned afterward. Room foggers and carpet sprays can be used effectively.

Control Of Fleas On Animals: Should coincide with treatment of the premises. Flea powder, dips, and collars will all kill fleas on the animals. Some dogs and cats, especially Per-

sians, will not tolerate flea collars. However, cats cannot withstand an insecticide that is strong enough to repel fleas for more than a few hours. Reinfestation can be prevented only through control on the premises!!

Specific Problems Caused by Fleas:

1) Allergy to flea bites is one of the most common skin problems of dogs and cats in this area. The saliva of the flea is very capable of causing allergy, and only 1 or 2 flea bites a day can keep an allergic animal in a constant state of itching.

2) Tapeworms: The only way the common tapeworm of dogs and cats can be transmitted from one animal to another or for continual self reinfestation to occur is through the fleas which have eaten the tapeworm eggs from around the rearend of the dog or cat. The tapeworm undergoes a necessary stage of development in the flea, and the animal becomes infested from eating fleas.

The flea problem has been unusually severe. Numerous cases of illness have been directly related to flea infestations throughout the Callahan County area.

CITY HALL

Continued From Page 1

also in the back.

All the chairs are slate blue with grey carpet and red is used as the accent color. The final cost of the building, parking, paving, etc. was \$82,367.92. Dayton Robertson, the engineer for the construction, was also present.

The open house extended to 2 p.m. with everyone enjoying punch and cookies from the beautifully decorated table.

The City Hall is an asset to the community and improves the appearance of our Main Street. Our town is growing and demonstrates a visual pride.

Cookin' For Cook Saturday, Oct. 20

Supporters of John Cook, who is the Democratic candidate for State Representative in the 64th District, are planning a fundraiser in Breckenridge on Saturday, October 20. The "COOKin for COOK CHILI CANTEN" will begin at 6 p.m. and is an invitational chili cookoff competition with chili cooking teams coming from several counties in the 64th Representative District.

The winner of the "Best COOKin' Chili Cook in the 64th District" will be chosen by the people attending the event, and groups will also be judged on their showmanship.

The cost of tickets are a \$10 minimum donation to the John Cook Campaign, and tickets may be obtained by calling the John Cook Campaign office at (817) 559-3318 or by writing 135-B East Walker, Breckenridge, TX 76024.

The 64th Representative District includes the counties of Callahan, Haskell, Hood, Palo Pinto, Shackelford, Stephens, Throckmorton, and Young Counties in North Central Texas.

Mama Bear (Janice Phillips) Hosts Sorority Pajama Party

By PATRICIA COOK

On October 8, 1990, the Alpha Rho Zeta Chapter of Beta Sigma Phi held its hysterical pajama rush party at the home of Janice Phillips. The opening ritual was held ensued by a short business meeting. The sorority elected Patricia Cook as Valentine Sweetheart. A photo of Mrs. Cook will be submitted to the International office and judged by a famous Hollywood star. Last year over 1,500 entries were received.

A get acquainted game was played by members and prospective pledges. Laughs and funny stories were shared by all.

Beta Sigma Phi (Goldie Locks and the Three Bears) skit was enacted. Papa Bear was Jamie Apple, Mama Bear — Janice Phillips, Baby Bear — Carol Rogers, and Goldie Locks — Melissa Kemp. Fun was had by all as they acted out the meaning of Beta Sigma Phi — "That was just right."

Joyce McCoy explained to the prospective pledges what Beta Sigma Phi does for our community and each other.

Janice Phillips read the calendar. The next meeting will be a business meeting, hosted by Melissa Kemp. Secret sister gifts were shared. The closing ritual was held.

Members in attendance were: Jamie Apple, Sarah Brashear, Debra Childers, Patricia Cook, Mary Dunn, Linda Edgington, Melissa Kemp, Joyce McCoy, Margaret McNeel, Wanda Merryman, Nora Odom, Janice Phillips, Carol Rogers, Dora Smith, and Pat Stephens.

Guests in attendance were: Debbie Bacon, Amelia Cortez, Joy Gerking, Brenda Hartson, Sandra McCarty, Sandra Purvis, and Judy Phillips.

Mosquitoes And Ticks Remain A Problem

Due to recent rains and warm weather the mosquito and tick problems are continuing to cause various diseases and illnesses throughout the Callahan County area. An infestation of ticks can cause great discomfort to a dog, contribute to generalized skin problems, create anemia leading to the death of the dog and pose a serious threat by transmitting diseases from infected to non-infected dogs. Also, a severe mosquito problem greatly increases the chance a dog will become infected with heartworms.

Tick-borne diseases have been diagnosed with increasing frequency in the last few years. With the spread of these diseases into new areas, including the infection of humans, the frequency of their diagnosis is expected to continue to increase. Suspicious dogs should be tested so that infected dogs can be treated to eliminate the reservoir of the disease and prevent its spread to other dogs.

Eventhough we are seeing these new tick-borne problems, the most common complication in our area is severe infestation resulting in anemia and occasional death. If dogs become infested with ticks they should be dipped, sprayed or powdered as frequently as recommended to kill the ticks. If dogs have access only to a limited area, a tick eradication program should be followed in that area to eliminate ticks that may be harboring the disease organisms. Due to EPA regulations, many of the residue producing solutions have been taken off the market so the retreatment of the animal or premise may be necessary. All label instructions on any dip, spray or powder should be strictly followed for safety and effectiveness.

Mosquitoes are key carriers of heartworm disease. When an infected dog is bitten by a mosquito, blood is carried away which may include tiny, immature forms of heartworms called microfilariae. It takes about three months for these larvae to travel through the tissues of the body to enter the heart. Dozens of these larvae (some of which can actually become

up to 14 inches long) become adults within another three months.

Thanks to research and modern preventive medicine there is a lot you can do to avoid heartworm in the first place or see that it is successfully treated if it hasn't progressed too far:

*A blood test is the only way to detect heartworm disease in its early stages.

*Since it's possible for an infected dog to have adult heartworms with microfilariae, an X-ray examination and other lab tests may be needed to confirm heartworm infection.

*After the disease has progressed, symptoms can include frequent coughing, sluggishness, rapid tiring and finally, labored breathing.

*If caught in time, a series of injections of an organic arsenical drug can be used to kill heartworms. Then another drug can be used to get rid of the microfilariae.

*No vaccine is available for heartworm disease, but regular doses of a drug can be given which can prevent infective larvae from developing into adult worms.

A little preventive medicine is much better than treating the problem. If the warm, wet weather continues, these parasites may be a threat for several months.

Margaret McNeel Hosts Sorority

By PATRICIA COOK

Margaret McNeel hosted the September 24, 1990 bi-monthly meeting of the Alpha Rho Zeta Chapter of Beta Sigma Phi. A program was presented by Cynthia Hamill "Total Image," with Peggy Dickson chosen as the model for color analysis and make-over.

Standing committees issued reports on Membership Scrapbook, "Dessert of the Month," service and hospitality and the Valentine Pageant. Prospective pledge names were submitted.

Peggy Dickson received a Beta Sigma plate and a heartfelt farewell. The calendar was read, and secret sister gifts were shared. The closing ritual was held.

The members in attendance were: Jamie Apple, Vernelle Bishop, Janice Buckner, Debra Childers, Kim Childers, Peggy Dickson, Linda Edgington, Melissa Kemp, Joyce McCoy, Margaret McNeel, Wanda Merryman, Nora Odom, Janice Phillips, Carol Rogers, Dora Smith, Pat Stephens, Tammie Stroud, and Paula Winfrey.

The only American author to win the Pulitzer Prize four times was poet Robert Frost.

CJC Offers Defensive Driving Course

Cisco Junior College will offer a Defensive Driving Course on Monday and Wednesday, October 15 and 17, from 6-10 p.m. The class will meet in room 3 of Schaefer Hall. Fee for the course is \$20. Enrollment fees must be paid no later than 3 p.m. on October 15. No late registration fees will be accepted.

Weekly Health Tip

HEART HEALTH

Coronary heart disease still kills over 750,000 people each year in the U.S. The link between heart disease and smoking or high blood pressure and cholesterol is well known. Now, researchers at the Centers for Disease Control determined that inactivity is definitely a culprit — the least active people were twice as likely to have heart disease as the most active. Good news: less rigorous exercise, such as walking, swimming, gardening, household chores — performed regularly — also protect against heart disease.

Your better health is our concern.

The Cross Plains Review is authorized to publish the following political announcements for the Callahan County office filings in the upcoming general election set for Tuesday, November 6, 1990.

Democratic Party

For 17th District U.S. Congress

Charles Stenholm

Pub. Adv. authorized and paid for by the Stenholm for Congress Committee, Charles Brownfield, Treasurer, P.O. Box 1032, Stanford, Texas 79553

Republican Party

For Callahan County Judge

Cliff Van Der Linden

Pub. Adv. By C. W. Van Der Linden, Star Route 1, Box 98, Texas 79504

All political calendar advertising is payable in advance, at a cost of \$65.00. A free press release and photograph will be published with each announcement.

Small Business Representatives In Brownwood October 31

On Wednesday, October 31, Cullen Perry and C.B. Maness, representatives of the Small Business Administration, will be at the Brownwood Chamber of Commerce office, 521 E. Baker. Thirty (30) minute interviews, by appointments only, will be available for anyone who has questions or needs information on opening or conducting a small business.

These interviews are for INFORMATION ONLY. To schedule an appointment, call the Chamber office (915) 646-9535.

Lakewood Planning Halloween ABCD Scramble

By BETTY WESTERMAN

Lakewood Golf Course is planning a Halloween ABCD Scramble for Sunday, October 28. Tee off will be at 1:30.

Prizes will be given for the best costumes. Start planning what you will wear. We are also having chili and beans afterwards.

They have overseeded the greens this week for winter. The golf course will have temporary greens for about two weeks.

What's an Energy Saving Plan Home?

It's a home that gives you extra comfort plus lower energy bills. So check out the features an ESP home can offer.

Attic Ventilation

Proper ventilation controls summer heat build up and moisture accumulation in winter. This adds life to the building and its components.

Insulation

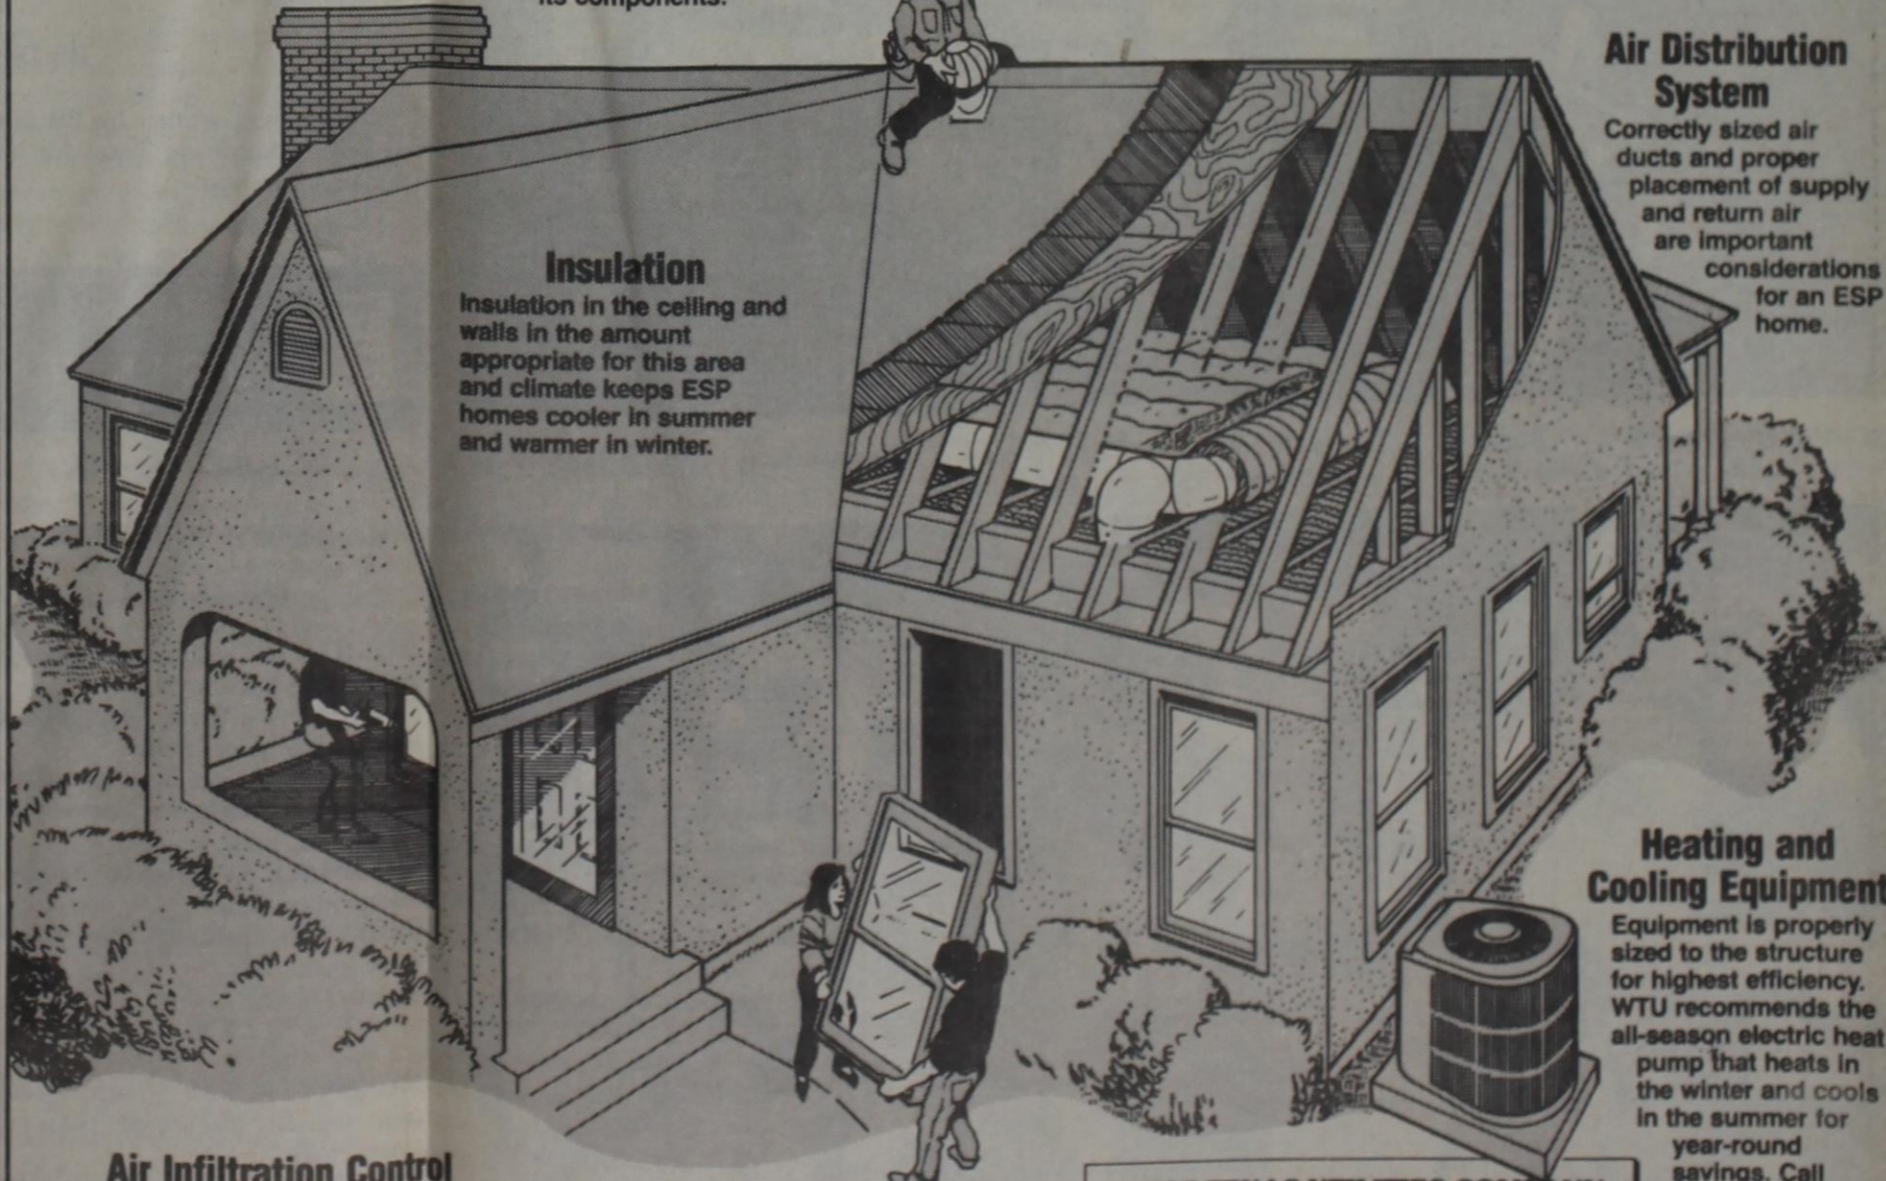

Insulation in the ceiling and walls in the amount appropriate for this area and climate keeps ESP homes cooler in summer and warmer in winter.

Air Distribution System

Correctly sized air ducts and proper placement of supply and return air are important considerations for an ESP home.

Heating and Cooling Equipment

Equipment is properly sized to the structure for highest efficiency. WTU recommends the all-season electric heat pump that heats in the winter and cools in the summer for year-round savings. Call WTU for details.

Air Infiltration Control

Air infiltration control helps stop uncomfortable drafts with weatherstripping, caulking, and insulation.

Windows and Doors

Insulated or storm doors and windows greatly improve both efficiency and comfort by reducing heat gain and loss in both summer and winter.

4

The Football Player

I remember back in August,
When the days were long and hot,
The boys practiced twice a day,
All trying for a spot,
They all worked long and hard,
To make it as a Team,
And maybe at the Seasons end,
They would fulfill the Players Dream,
A District Title, A State Trophy,
It was all within their reach,
If they all worked very hard,
They could make that highest Peak,
For the Seniors on this Football Team,
It's their last chance to win,
They would try hard every Friday night,
To reach their goal again,
The Coaches prepare these guys each week,
For the next upcoming Game,
New Defenses, New Offenses, New Blocking,
It's hardly ever the same,
These young men also prepare themselves,
They know what they have to do,
I've heard the Coach tell them many times,
"Fellows — It's all up to you."
If you win you're in the Playoffs,
If you lose, you hang'em up,
It just doesn't seem quite right,
To end the Season so abrupt,
For the Freshman, Sophomores, and Juniors,
There'll be another Friday night,
But for the Seniors who graduate,
They must go on to another part of life,
Some never get to play this game,
It's hard to say what they have missed,
Praise, Glory, Pain, and Satisfaction,
Maybe even a hug and a kiss,
A Football Player is a tough Guy,
He'll get hit and kicked and bruised,
But come Friday night,
They'll play their Hearts out,
Even if they lose,
When that final whistle blows,
And they play that final down,
It leaves an empty feeling,
But the Memories are still around,
When they walk out on the field,
Their heads are all held high,
Their bright colored uniforms and helmets,
All shining under the lights,
When the game is played on Friday night,
In weather good or bad,
The Winner will be happy,
The Loser will be sad,
Winning and Losing are part of Life,
We must accept them just the same,
The Winner may not be the best,
And if you lose, don't be ashamed,
My son is one of these young men,
An All American he might not be,
But I think He's a Winner,
He's a very special Hero to me,
I am proud to be his Father,
And to call him my Son,
Maybe I'm a little Prejudiced,
But to me, He's number ONE,
When he leaves the field the last time,
And the crowd gives the final cheers
The thought that he won't be back next Season,
Puts a lump in my throat and fills my eyes with tears.

His Dad

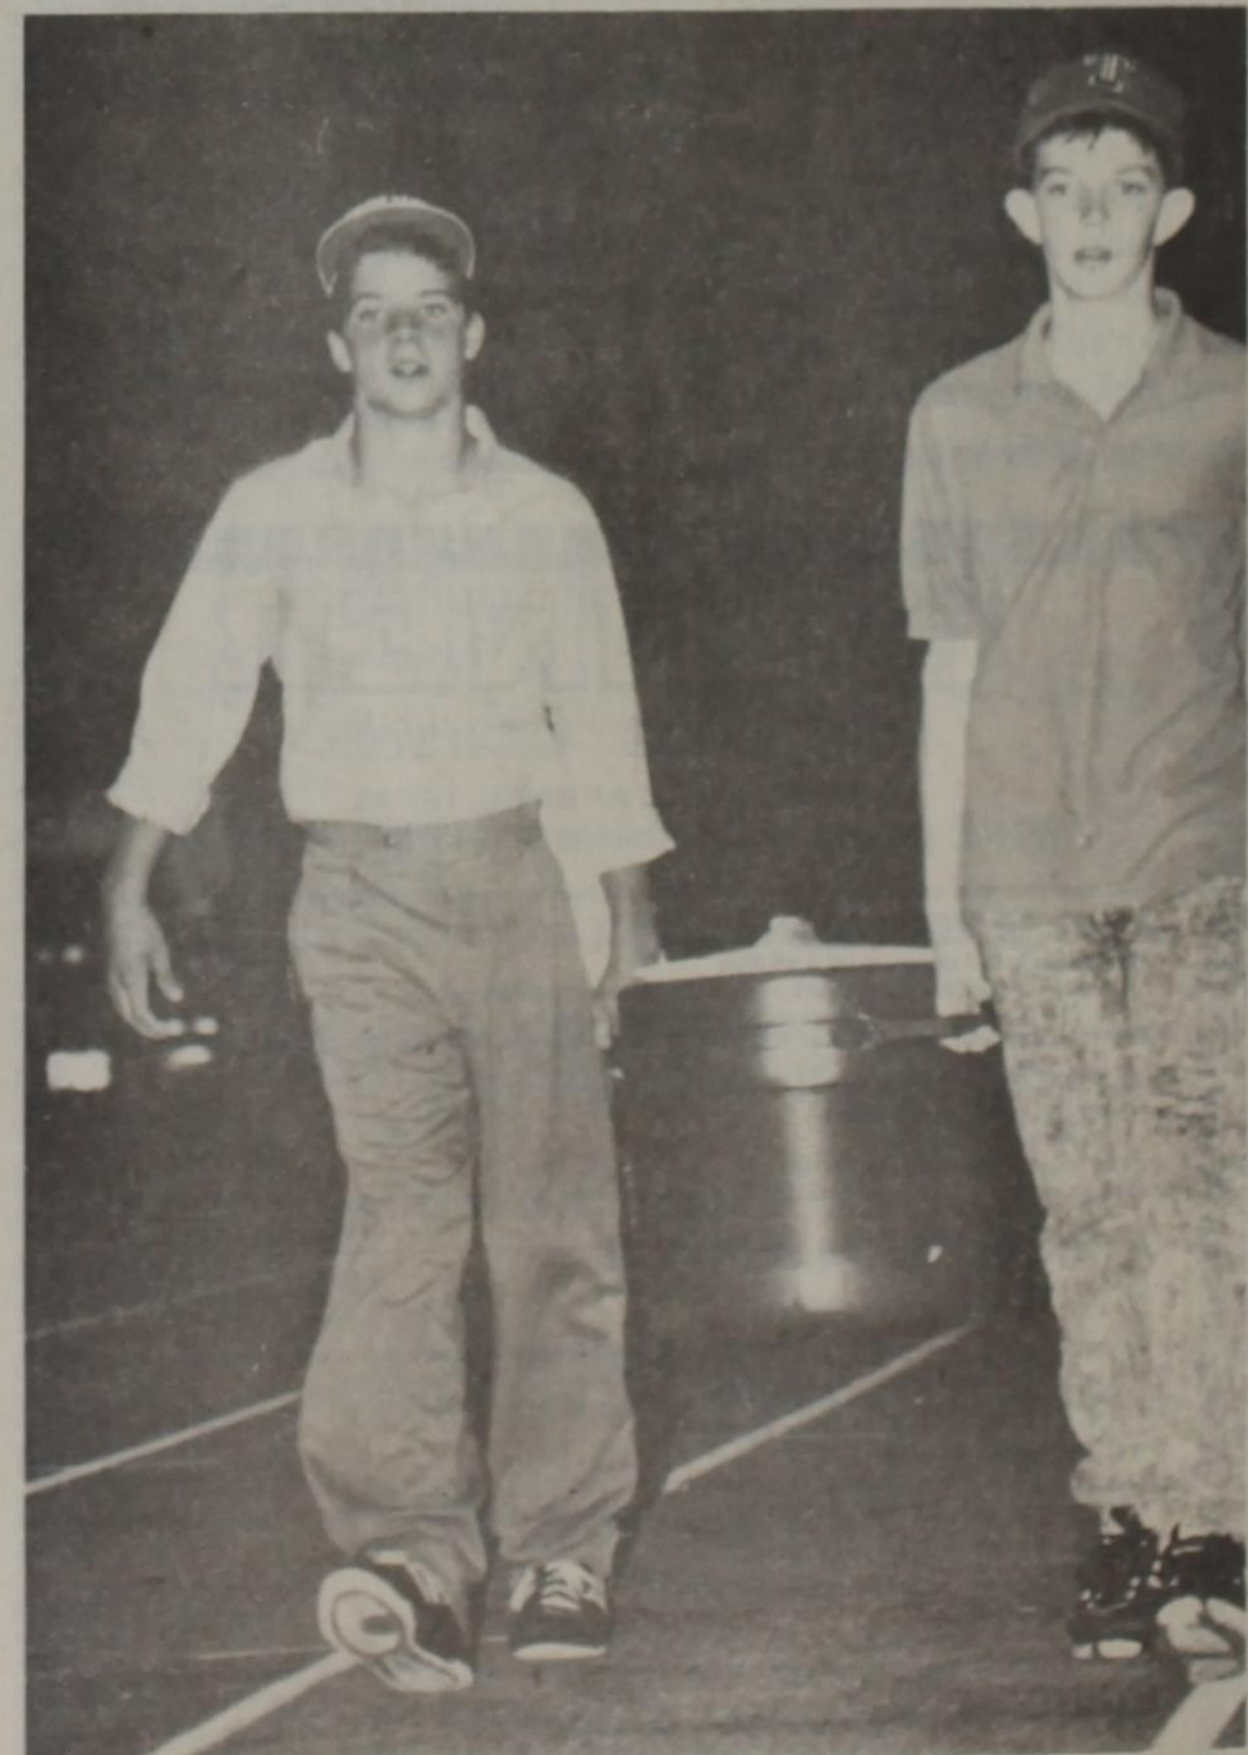

(This poem was written by the late Earl Box of Sundown, Texas for his son many years ago.)

GREAT COUPLE — Bill and Debbie Strickler make a fantastic addition to the school as band director, flag corp coordinator, and teachers. We are proud of you!

LINEMEN — Charles Ross (left) and Mike Carey volunteer their time to the game.

WATER ANYONE? — Brock Walker (left) and Donnie Dillard do their part to help the Buffs.

THE PRIDE OF CROSS PLAINS

Student Loan Program

AUSTIN — Texas parents have been slow to take advantage of a federal loan program designed to help them pay their child's postsecondary educational expenses, according to Joe McCormick, President of the Texas Guaranteed Student Loan Corporation.

The Parent Loans for Undergraduate Students (PLUS) loan program is one of three federal loan programs offered by the U.S. government to assist students and parents in paying for college or vocational school expenses. Unlike other federal financial aid, parents applying for these loans do not have to be certified as being financially needy.

"This program is available to all Texas parents, regardless of income," McCormick said. "Loan proceeds can be used to help pay your child's tuition, room and board, books and supplies and other related school expenses."

The current interest rate for the PLUS loan is 11.49%, set by the Department of Education. Other attractive features of the PLUS loans are a repayment period of up to ten years and the ability to postpone payments during the time the child is in school. Also, a PLUS loan does not require collateral.

Parents may borrow up to \$4,000 per year for five years for each dependent child enrolled at least half-time.

Roughly 5% of the guaranteed student loans guaranteed by TGSCLC this year were in the PLUS program, McCormick said.

"We believe that there are more Texas parents that could benefit from

this program," McCormick said. He added that parents can apply for PLUS loans at any time during the student's enrollment — it does not have to be before school starts.

The Texas Guaranteed Student Loan Corporation (TGSCLC) is a non-profit public corporation created by the Texas Legislature in 1979 to administer the federal guaranteed student loan program for the State of Texas. The loans are funded by participating private lenders and guaranteed by TGSCLC.

TGSCLC has guaranteed more than \$3 billion in loans to Texas students and parents helping members of more than half a million families attain postsecondary education.

To receive an informational packet on the PLUS loan program, or other guaranteed student loan programs, contact the Borrower Services department at TGSCLC at 1-800-252-9743 or Cathy Flautt, Public Information Officer, 1-512-856-2885 (after 5 p.m. and weekends). Information is also available through financial aid officers or participating lenders.

C.P.I.S.D. SCHEDULE

Friday, October 12
Football (There) vs. Rising Star at 7:30 p.m.
Saturday, October 13
Cross Country Meet — Abilene.
Tuesday through Thursday,
October 16-18
"TEAMS" testing grades 1, 3, 5, 7, 9, and 11.

An Audit Update

By C.A.

As a result of the TEA (Texas Education Agency) accreditation audit conducted at Cross Plains I.S.D. during the last school year, the district received notice in January 1990 that the school district was being placed on an "accredited advised" status. Basically that meant that the school district was still accredited, but there were certain problems (mostly related to the needed new classroom facilities) that would have to be corrected in order for the district to regain full accreditation status.

Since that report, the district has made every effort to meet the necessary TEA audit requirements. Recently, (mid-September) Cross Plains I.S.D. superintendent, Mr. Lee Thompson, received official notice from TEA Director of Programs, Mr. Albert Marten, that he (Mr. Marten) is satisfied with the "corrective/improvement actions" that have been taken by the district and further documentation will not be required until the next site visit.

The official follow-up accreditation visit will be on February 11, 1991. At that time, another TEA "team" will be on the Cross Plains campus to review the evidence and any other documentation necessary in order to recommend having the agency change (raise) the district's accreditation status to full accreditation.

Cross Plains ISD Offers Gifted Education

Cross Plains ISD is conducting a program for students with above average potential in academic and creative-productive thinking skills areas in grades K-12. This gifted education program is designed to challenge students to accelerate above and beyond the regular school curriculum.

Anyone wishing to nominate a student believed to be an intellectually or creatively gifted learner is encouraged to come by the high school or elementary office and complete the necessary forms. Those students nominated will go through a screening procedure which requires special testing. At the time of nomination, parents will be requested to grant permission for this testing.

4-H Meeting... Rabbit Projects

All students in 4-H who plan to have a rabbit project are encouraged to attend the first meeting of the 1990-91 year. Parents are also invited.

The meeting will be Tuesday, October 16, at 6 p.m. at the Cross Plains Multi-Purpose Center. James Oscar Koenig, owner of Western Auto locally, will be the guest speaker. He is knowledgeable concerning the raising and breeding aspects of rabbits. His assistance should be a great help to youngsters planning to show rabbits in the Callahan County Junior Livestock Show. Three categories of showing include bucks, does, and fryers.

All interested persons are welcome to attend. If anyone would like to volunteer their time and expertise, please call 725-7195. The youngsters would appreciate your participation.

'A Look Inside'

By MATTHEW SOWELL

As all of you know, there is a new elementary building at the Cross Plains School campus. What most people may not be aware of is that it was barely ready for the students and teachers to begin the new school year on August 27, 1990. The six teachers worked very hard the week before school to move all the furniture and supplies and to prepare the rooms and still try to have time to finish their first week's lesson plans.

In speaking with teachers, they and the students are particularly proud of having "4 walls, a door, and 2 windows!" All but one teacher felt that the rooms were larger than their previous rooms, but as another teacher said, "An elementary teacher can never have 'plenty' of room!"

The average number of students in each of these new rooms is 17; (the largest class has 21, the smallest 14). The Kindergarten is particularly enjoying the increase in size of their classrooms.

When asked if the new building has helped their teaching, they all responded, "Yes." Comments ranged from, "Gives us more privacy," "More room to do activities," and "Students are less distracted by

hallway traffic, and can really concentrate more on classroom activities." Because there are less students, the teachers felt the overall noise level in the building has decreased.

As expected, with a new building, many parents have been by to look over the new facilities. As one teacher put it though, "our students' parents come as expected; we haven't had other parents to come."

Tentatively scheduled for sometime in October is an open house inviting the entire community to see the new addition to the growing C.P. campus.

As to any problems with the new building, such comments as needing equipment in the teachers' work room, raising the chalk boards, and a place to display children's work will be worked out in the future.

Even though the teachers were hurried to be ready to be in the building by August 27, they are extremely happy to be there!

Cross Country Athletes Ran In Stephenville Saturday, October 6

By COACH MACK McCONAL

The Cross Country team from Cross Plains ran in one of the biggest races they had seen so far this year at Stephenville. There were over 90 schools entered from Class A through 5A.

Tonya Steele and Connie Steele competed in Division I which included schools from 1A through 3A. Both girls won medals even though their times were slow compared to their times earlier in the year.

In their race there were 200 runners and only 157 finished.

Tonya Steele won 4th with a time of 13:13. Connie Steele won 8th with a time of 13:41. Both girls came home with two beautiful medals.

Carlile Albrecht ran in a group of 150 runners and finished 30th with a time of 19:04.

Runners will be in Abilene at Nelson Park on Saturday, October 13.

Time To Plant Bluebonnet Seeds And Plants

By MARY PORTER

Bluebonnet lovers should be planting them now for spring blooms. Both easily grown seed and bedding plants — now in red and white as well as blue — are available in nurseries.

"Although they bloom in the spring, fall is the best time to plant bluebonnets," said Steve George, Dallas horticulturist with the Texas Agricultural Extension Service. "In fact, bluebonnets planted in the fall will produce plants approximately twice as large with twice as many blooms as those established in the spring. For best results, seed should be planted by mid-September and transplants no later than Halloween."

The new transplants were marketed for the first time last year and thrived in spite of the severe December freeze, George said.

The bluebonnet seed has been chemically treated (scarified) to assure germination within 10 days. However, transplants are easier to handle and establish in uniform plantings.

Eight years of development by the Extension Service has made it possible for Texans to not only grow the state flower in their home landscapes, but in several new colors.

"These colors are completely natural and have not been genetically engineered," said George. "Rather, these extremely rare color selections were simply isolated from other bluebonnets and grown in large numbers."

Worthington blue, best described as a sky blue, is named for the Worthington Hotel in Fort Worth because of its strong support of the bluebonnet development program. Seed called "Worthington mix," which produces plants in white, light blue and traditional blue, are in stores this fall.

Development of a pink bluebonnet was once thought to be impossible because of its extreme scarcity in nature. Named for Texas naturalist Carroll Abbott, the "Abbott pink" is available along with pure white bluebonnets, both as seeds and transplants.

To ensure success with bluebonnets:

Plant in full sun in well-drained soil.

Plant in early fall — seed no later than late September and transplant no later than Halloween.

Buy transplants or chemically scarified seed.

Barely cover seeds with soil; don't bury crown of transplants.

Don't overwater. Water seeds only on day of planting, transplants only when soil is dry to a depth of one inch.

Protect against pillbugs.

For maximum impact, use large drifts of a single color.

Cover with a loose blanket of mulch during extremely cold weather (below 20 degrees F.). Uncover plants promptly when temperatures moderate.

A special Extension Service publication, "Texas Bluebonnets — Texas Pride," available free of charge at participating nurseries, contains complete information on bluebonnet planting for the garden.

Contact Dr. Steve George or Mary M. Porter at (214) 231-5362.

Supper Scheduled At Rising Star Friday

There will be a ham and bean/stew supper Friday night, October 12, from 5-7 p.m. at the Junior High Cafeteria. This event is being sponsored by the Rising Star Chamber of Commerce and Agriculture.

CARD OF THANKS

Card Of Thanks

Once again we thank you for your concern for us while Cal was in the hospital. For the cards, visits, telephone calls, food and especially your prayers, we are appreciative.

A special thanks to the E.M.S. Cross Plains should be proud of our dedicated volunteers.

Continue to pray for us. May God Bless each of you.

Cal and Thelma Long

Card Of Thanks

We cannot thank our friends and relatives enough for making our 50th anniversary so beautiful.

Thanks to everyone that came and for the gifts and the beautiful cards.

This is a day we will cherish and remember the rest of our lives.

B.F. and Elsie Hutchins

Card Of Thanks

Thank you my dear friends for the prayers, beautiful cards, telephone calls, visits, food, and doing my shopping. Also, to my Sunday School class for the group card and gift, and to the Senior Citizens Center for the group card. What a blessing the Center is for so many of us.

Much love to all, Ila Mae Marshall

ANNOUNCEMENTS

ELLEN'S CLOSET DRY CLEANING — Laundry substation, open 9 to 5:30, Monday thru Friday, 725-6322.

"REVIVAL DAYS ARE HERE"

The New Testament Holiness Missionary Church, 2nd and Ave. E, is having a tent revival 7:30 nightly indefinitely. Come and hear the Word of God preached with power and demonstration. Bring the sick, bound and oppressed for prayer and deliverance. Bro. Denver Shaw and Bro. Floyd Johnson will be ministering.

PUBLIC NOTICE

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Eubank Oil, 1711 Ashford Hollow Lane, Houston, TX 77077 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Amerada Sand, R.O. Eubank, Well Number 18. The proposed injection well is located 6 miles southwest of Cross Plains, in the Callahan County Regular Field, in Callahan County. Fluid will be injected into strata in the subsurface depth interval from 456 to 462 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

901 MAIN CROSS PLAINS, TEXAS (817) 725-6223

By MRS. N.V. GIBBS

Close to an inch of moisture fell in the community during the week, causing some to stop plowing. Nicky Harris was cutting a field of coastal grass for baling Thursday. The field has furnished a lot of grazing for Don Harris' sheep. Most of the grain fields have been sowed.

Bobbie Burks took his Aunt Emma Burks to Baird Saturday where she attended the Baird school reunion. She had a good time seeing some of her classmates.

Company in the Lizzie Burks home were nurses that take care of Lizzie and R.B. Dillard of Cross Plains who stopped in for a chat.

Walter and Lorene O'Dell of Abilene visited Gene and Vernie Belle Mauldin Monday. Saturday Gene and Vernie Belle were in Baird visiting Velma Shelton.

Children of James and Dorothy Reynolds home for the Baird homecoming were Jim and Crecia Reynolds and two sons, Chris and Colby of Midland. Also, John and Ellen Carpenter and son, Dalton of Azle.

Dorothy Reynolds attended the Leuders Big Country Baptist Assembly this week with other members of the Clyde Cherry Heights Baptist Church.

Tonya and Connie Steele, along with other Cross Country runners from Cross Plains, were in Stephenville Saturday. A total of 167 girls

were entered in the races. Tonya placed 4th in her division while Connie placed 8th in her division. We congratulate both girls and hope they improve each week.

Judy Steele and her girls, Tonya and Connie, drove on to Proctor where they had lunch with Lee and Jean Jernigan.

Bill and Connie Steele attended the band party Saturday night in the home of their band director, Bill and Debbi Strickler in Cisco. This was for all of the Cross Plains band members.

Ernestine and Red Goodrich of Austin visited in the Gene Mauldin home Sunday evening. She is the daughter of the late Ernest and Girlie Hill who were early day settlers of this community.

THE PIONEER PATCHWORK

By IRMA MILLER

The Quilters worked Tuesday on the Lone Star in autumn colors and put another (multicolored) Lone Star into the frame.

The community of Pioneer was fairly well represented by those who attended the monthly AARP meeting in Cross Plains to hear an interesting talk by Captain Dewey Alderson, Commanding Officer of the Salvation Army in Abilene.

Jean and James Alexander enjoyed a visit by Mr. and Mrs. Jess Pyeatt of Clyde Friday and by Mrs. Pyeatt again on Saturday.

John Miller visited with Cleo and Novilia Barton Friday evening.

John and Irma Miller visited with four of their five children with their families in Dallas Sunday. They went to Weatherford on Friday.

Jean Fore's visitors on the weekend were Bessie McDaniel, her daughter, Doris Hunter of Alamogordo, New Mexico, Paul and Juanita Harlow of Lovington, New Mexico, Vi Harlow of Marble Falls, and on Sunday noon and afternoon, Billy Foster of Pecos and D.C. and Mary Foster of League City. Monday they all went to Bangs to celebrate the 87th birthday of Mrs. Vivian Foster at the nursing home.

Mrs. Hobdy of Stephenville visited with Jewel Foster on the weekend, and on Monday they went to the Senior Center in Cross Plains for lunch and to visit with their many friends there.

Frankie and Oliver Smith's visitors who spent the weekend were Mr. and Mrs. Hershell Ware of Benbrook; Mr. and Mrs. Dale Hawthorne of Bedford were here on Saturday afternoon and again Sunday. They all enjoyed the Rising Star homecoming game.

Our nation's first national monument is Devil's Tower, 865 feet high, located in the Black Hills region of Wyoming. It became a national monument in 1906.

SCHOLARSHIP — Robert Winfrey (second from right) and LaDena Graff were selected as recipients of the National Farm Life scholarships awarded each year to students in the Department of Agricultural Services and Development at Tarleton State University. Cary Wright made the presentation on behalf of National Farm Life. At right is Dr. Don Knotts, chairman of the University's Department of Agricultural Services and Development. Robert is a senior and he is the son of Glenn and Peggy Winfrey of Cross Plains. (TSU News Service photo)

Apply For Retirement 3 Months Early

People who plan to apply for Social Security retirement benefits or Medicare should start the application process about 3 months ahead of time, Glyn Hammons, Social Security manager in Abilene, said today.

While most applications can be completed very quickly, some people will need extra time to locate necessary documents. In addition, months of Medicare coverage or cash benefits may be lost if a person delays applying.

Usually a birth certificate is needed to prove a person's date of birth for Social Security benefits. If the birth was not recorded, the Social Security office will help find other evidence.

Applying for benefits can be handled by telephone, Hammons said. Social Security's toll-free phone number is 1-800-234-5772. The telephone representatives are available 7 a.m. to 7 p.m. all business days. The Abilene office is located at 142 S. Pioneer.

Garden Club To Meet Friday, Oct. 12

The Cross Plains Garden Club will meet Friday, October 12, at 2 p.m. at the Garden Center.

Women Should Check Earnings Records

Women who have changed their names through marriage or divorced during their working careers should be sure to check their Social Security records to verify that all their earnings are credited correct, Glyn Hammons, Social Security manager in Abilene, said today.

Married women who are self-employed need to check their records carefully, too. According to the Internal Revenue Service, some married women who filed a joint tax return and were self-employed under their maiden names may not have their earnings recorded correctly.

Name changes should be reported to a person's employer and to the Social Security Administration so that a new Social Security card can be issued. The new card will have the same number as the old card.

Although these steps should insure that a woman's earnings get recorded correctly, it is still a good idea to send for and review one's earnings statement every 3 years, Hammons said. Errors can usually be corrected if they are identified early.

To get an earnings statement, call Social Security and ask for a Form SSA-7004. Complete the form and mail it in. The statement will be sent in a few weeks. And the service is free.

Social Security's phone number is 1-800-234-5772 and teleservice representatives are standing by from 7 a.m. to 7 p.m. each business day. The Abilene office is located at 142 S. Pioneer.

Stenholm Accepting Applications For Nation's Service Academies

WASHINGTON, D.C. — Congressman Charles W. Stenholm is currently accepting applications from young men and women in the 17th Congressional District who are interested in attending one of the nation's service academies.

This December Congressman Stenholm will have the opportunity to nominate area citizens for appointments to the four U.S. academies: the Air Force Academy in Colorado Springs, Co.; the Military Academy in West Point, N.Y.; the Naval Academy in Annapolis, Md.; and the Merchant Marine Academy in Kings Point, N.Y.

Persons interested in the possible nominations should contact the Congressman's Stamford office as soon as possible. The deadline for completed application files is December 1, 1990.

To be eligible for an appointment, the applicant must meet certain requirements. The requirements are: American Citizenship; good SAT or ACT scores; outstanding high school record; and good physical condition, including excellent eyesight. There is a very limited number of waivers for non-pilot candidates whose eyesight is less than 20/20.

Aside from academic achievement, emphasis is also placed on character, church and community involvement, extra-curricular activities and/or part-time employment. Applicants must be single with no dependents and at least 17 years of age, but not past their 22nd birthday upon admission into the academy on July 1, 1991.

Additional information may be obtained from high school guidance counselors or by contacting Jayne Schoonmaker in Congressman Stenholm's Stamford office at (915) 773-3623 or (915) 672-1322 or by writing P.O. Box 1237, Stamford, Texas 79553.

According to Greek historians, kissing began when menfolk wanted to know if their womenfolk had been sipping wine.

PERSONALS

Mark Baum of Lubbock and his mother, Mrs. Pete (Mary Helen) Barnhill of Baird, visited with Vesta Bond on Saturday morning.

Mrs. Suma Dill reports the following stopping in for visits this past week were Mr. and Mrs. Skeet Walker, Darrell Hargrove, Dale Crawford, Beverly Brown, Deana Nickerson, Mildred Ford, Blanche Moore, and Roger Klingberg all of this vicinity.

Out of town visitors were Howard Shanks of Big Spring, and Gaylon Duggan of Rising Star.

Richeson Dairy Queen Stores Raise \$29,749 For Children

In a company-wide effort for 1990, Richeson Dairy Queen stores have raised \$29,749 for the Children's Miracle Network Telethon.

The Telethon itself was held on June 2nd and 3rd; however, the Richeson Companies' contribution represents a year-long series of efforts, including golf tournaments, rodeo ropings, a community dance, numerous bake sales, cake walks, carnivals, car washes and rockathons planned and executed by the Dairy Queen store managers and their employees, along with supportive members of the communities.

Richeson Companies selected this chosen charity for the effort's ability to help the most worthy and needy, children in need of medical care.

Originated by The Osmond Foundation, and starring Marie and Donnie Osmond, Merlin Olsen and Marilyn McCoo, the Children's Miracle Network Telethon is also the charity selected by International Dairy Queen of Minneapolis and Texas Dairy Queen Operators' Council. Other Richeson Companies have joined the Dairy Queen stores in raising funds for the Telethon.

The Osmond Foundation puts funds raised directly into the hands of the local hospital in the areas in which the contributions were generated.

Nationally, Dairy Queen is one of the CMNT's major contributors, and already Dairy Queen and the Richeson Companies are directing efforts toward the 1991 Telethon.

BECAUSE IT'S OUR CHILDREN'S FUTURE

- A firm commitment on the part of the state to see to it that our educational system levels up to quality not down to mediocrity.
- The state must be committed to funding any program which it mandates, not passing the responsibility to the local property owner.
- On-site decision-making giving both teachers and local administrators more control over the creation of their own educational environment.
- No forced consolidation.
- Job skills training such as vocational and technical education for our students who aren't college bound.

JOHN COOK
Democrat For State Representative

MINUTE MUSINGS

By ESTHLOY S. DICKSON

Thanks to a lot of work by a lot of people, the Cross Plains Public Library has over \$1,300 of new money in the till. The Rummage, Bake 'N Book Sale held last weekend at the Slim Gym and the Library netted enough to insure the operation of the "Learn About..." Program for preschoolers, the Summer Reading Program for school-age children and other special events for another year. The remainder of the operating expenses will be met by monies from the city and county and the on-going memorials aspect of financial support.

Sale organizers extend a special thanks to the Slim Gym folks for the use of the building, the United Methodist Church and the Church of Christ for their tables, and to Higginbotham's for the use of boards and bricks for shelves. Alton and Tom helped in so many little ways — and each job was appreciated.

Over 60 real friends contributed baked items to make the Bake Sale one of the best in the five year history of the sale. Kathy Chesshir was head of this division and was helped by Barbara Barnett and Beverly Ross — all did a super job.

As is the custom of this sale, some of the unsold items are given to other needy organizations. This year, children's winter clothes were taken to the Multi-Purpose Center. Other clothes were separated for the Noah Project in Brownwood and the Salvation Army. The few bags of books were ear-marked for the AAUW in Abilene.

The local good will continues to spread!!

Sports Card Show Saturday

St. Mark's Episcopal Church in Abilene will host its 3rd Sports Card Show October 13 from 9 a.m. until 5 p.m. at the church, located at 3150 Vogel.

Thirteen dealer tables have already been reserved and collectors will be able to get the best prices in Abilene on cards, card storage supplies, and un-opened packs of cards at the show.

Admission to the show is \$1 and to find the church, take Mockingbird North off North 1st until it dead-ends, turn left, church is two blocks on the right.

Door prizes will be given and parents may leave their children and pick them up later. A few dealer tables remain and more information is available by calling Cloy or Joey Richards at (915) 928-5712/4072.

Brenda Cospers ACU Graduate

ABILENE — Brenda Cospers, wife of Tom Cospers of Cross Plains and daughter of Diane Foss of Clifton, was one of 171 students who received degrees during Abilene Christian University's summer commencement ceremony.

Cospers, a 1972 graduate of Clifton High School, earned a Bachelor of Science Degree in Psychology. Dur-

This Monday morning is cloudy and cool, but we won't complain, will we? The rain we've had is a blessing, and we will welcome more.

Mr. Norman Lee called in his news early, as he was going to be away from the telephone later. I appreciate his calling. Mrs. Lee is in Valley View with their daughter and family. She had called in — they had visited in Wheeler, where the Lees used to live.

Sunday services at First Baptist were beautiful, as usual. I felt 'revived'. We had a nice group in Sunday School. Ms. Mildred Hobdy of Stephenville visited our class — it was good seeing her again.

Betty Beggs reported that they had a "wild" weekend. Her brother, Floyd Russell of Fort Worth was here Thursday and Friday. He and Betty attended a school reunion in Ranger on Friday. On Saturday, Rusty, Reba, and Danyel and Charissa Beggs and a friend, Vicki of Temple, spent the weekend. They enjoyed dinner 'out', with Rusty cooking the steaks.

The Roadys didn't answer this morning. They were in church on Sunday morning. Bob sings with the church choir.

Ms. Jewel Foster stated that Ms. Mildred Hobdy spent the weekend with her. They were 'going out' for lunch on Monday.

Mrs. Cole (Helen) Tillotson was her sweet, cheerful self this morning. She has been 'fighting' grasshubs out there, and thought she had them all, but discovered there were more. Then she asked: "What would we do if we didn't have anything to complain about?"

There is a huge crop of grasshubs on the Dickson farm this year. And I have a 'strange' grass in my front yard — in the twenty-seven years we've been here, this is the first for that kind of grass.

I had a neat letter this week from Placentia, California. From one of Mr. Mac's daughters. I usually hear from her at Christmastime, but she had something to "get off her chest", and she knew she could "lay it on me" — bless her heart. I am glad to hear from her.

ing the ceremony, 103 students received bachelor's degrees and 68 received master's degrees.

ACU is the fourth largest private university in the Southwest and the largest university affiliated with the Churches of Christ.

Brenda's children are Tiffeny, Apryl, Caleb, and Andrew.

COLONIAL OAKS ART SHOW WINNERS — Madie Chambers (from left), age 91, was awarded 1st place; Lucille Stone, age 78 — 2nd place; E.K. Coppinger, age 89 — 3rd place; Lora Pugh, age 81 — 4th place; and

AnneBelle Vaught, age 85 — 5th place in the annual show Tuesday, October 9, at the nursing home. Ozella Huddleston and Vanda King served as judges.

MORE ART SHOW RIBBON WINNERS — Helen Wood (from left), age 89, took 6th place; Mable Burchfield, age 79 — 7th; Midge McCall, age 86 — 8th place; Nettie Roady, age 85 — 9th place; and Juanita Rhodes, age 78 — 10th place.

Each participant received a cash award for their placing. Linda Edington is the recreation coordinator who works with the residents in painting their crayon creations. Refreshments were served following the excitement.

SEE WHAT IS NEW — The City Hall was full of visitors last Wednesday for open house.

REFRESHMENTS SERVED — A lovely table with refreshments was available to the many guests who attended open house.

Fort Worth Stock Show Premium List Available

More than \$600,000 in premiums and prize money will be available to livestock exhibitors and rodeo contestants at the 95th annual Southwestern Exposition and Livestock Show January 18 through February 3, reports W.R. Watt, Jr., show president/manager.

Premium Lists for the 1991 Stock Show have been mailed to more than 8,000 prospective livestock exhibitors. Available in three categories — general livestock, small stocks and horses — the Premium Lists outline rules and requirements which govern competition at the prestigious Fort Worth exposition.

New in the general livestock division will be breeding cattle shows for Limousin and Longhorn. Departments also include other beef and dairy cattle, sheep, swine, dairy goats, Llamas, sheepdog trials, commercial cattle, junior exhibitor shows and youth judging contests. The small stock division includes poultry, pigeons, and rabbits.

The horse book outlines exhibition opportunities for Saddlebred, Walking, English and Western type horses, donkeys, mules, draft and miniature horses, and Pony of Americas.

In addition, the horse division will host a Major Reining Event, approved by the National Reining Horse Association, offering nine reining classes with an added purse of \$3,450. The event will award qualifying points to NRHA members for their 1991 National Show. Also, the Draft Horse Show will be a qualifying point show of the North American Six-Horse Hitch Classic Series building up to the Championship Show in Toronto, Canada, later in the year.

Premiums in the Junior Division have climbed to \$59,583. Maine-Anjou classes have been added to the Junior Beef Heifer Show, while the Junior Dairy Goat Department has added a judging contest, costume show class and a celebrity milking contest.

Watt asked that exhibitors read the premium lists carefully, noting that a number of the rules have been revised. He said entry deadline for cattle, sheep, swine, goats, horses, mules, and donkeys is December 10, while exhibitors of poultry, rabbits, and pigeons have until January 10 to enter.

"We have planned an exceptional livestock show program this year," Watt said. "Our rodeo entertainment, scheduled in 28 action-paced performances in Will Rogers Coliseum, has been planned to offer exciting enjoyment for the entire family and we urge rodeo fans to buy their tickets early."

Mail orders for rodeo tickets are being accepted at the Stock Show office, P.O. Box 150, Fort Worth, TX 76101. Tickets for Monday through Friday matinees and Monday through Thursday nights are \$10 each, and Friday nights and all weekend performances are \$12 each. Each mail order should include \$2 extra for return postage and handling.

Reservations For CJC Wrangler Belle Tour Still Available

The Cisco Junior College Wrangler Belles drill team and Marching Band are preparing to represent the State of Texas in Macy's Thanksgiving Day Parade in New York City on November 22. The parade is broadcast nationally on NBC-Television, which will feature these two groups for a full minute and a half of air time. This is the sixth time CJC has been invited to participate.

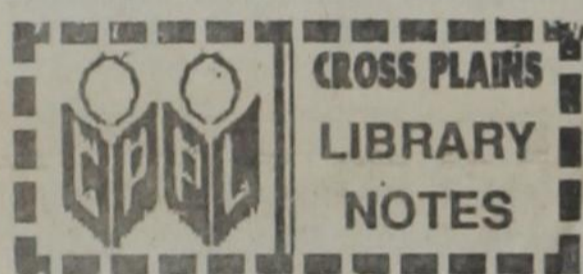

Persons interested in making a tour of New York with the Belles and Band are invited to do so. According to Wyley Peebles of the CJC Fine Arts Department, there are still spaces available in the tour, but reservations must be made immediately by calling Mr. Peebles at (817) 442-2567. The package includes all ground and air transportation, hotel, sightseeing, a show at Radio City Music Hall, and the Thanksgiving Day dinner.

Becky McKeehan Appointed To A.S.U. Yearbook Staff

Becky McKeehan has been appointed as the Administration Editor for the Angelo State University Yearbook, "The Rambouillet." She is the only Freshman editor with her own single section.

Becky is a 1990 graduate of Cross Plains High School. She was active on the annual staff at the high school, and also wrote for the Cross Plains Student Review.

Mr. and Mrs. Ted McKeehan are her parents.

10 Free Flowering Trees From Labor Day Foundation

Ten free flowering trees will be given to each person who joins The National Arbor Day Foundation during October, 1990.

The free trees are part of the non-profit Foundation's Trees for America campaign.

The Foundation will give two White Dogwood, two American Redbud, two Golden Raintree, two Washington Hawthorn and two Flowering Crab trees to members joining during October.

"These trees were selected because they will give a colorful flowering of pink, white, yellow, and red blossoms throughout the spring," John Rosenow, the Foundation's executive director, said.

The trees will be shipped postpaid at the right time for planting between October 15 and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to FLOWERING TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by October 31, 1990.

'Nuts In May' Performed At CJC

The menu for "Nuts in May," Hilton's Fall Dinner Theatre productions has been announced. The dinner will begin with a tossed salad. The main course will include chicken Kiev, green beans almondine, sliced buttered potatoes, and french bread. The dessert has not yet been chosen.

Regular dinner performances will be Thursday, Friday, and Saturday, October 25, 26, and 27 at 8 p.m.

A dessert only performance is scheduled for Sunday, October 28, at 2 p.m.

Reservations are required for all performances, and are now being taken. Call (817) 442-2589 for reservations.

It is certain to be the same quality entertainment you've come to expect from Cisco Junior College and the Hilton Dinner Theatre program.

Welcome Laurel Ashley Cipperly

Mr. and Mrs. Roger Watson announce the birth of their first great-grandchild, Laurel Ashley, born October 5 in Opelika, Alabama. Her parents are Robert and Holly Cipperly.

Her maternal grandparents are Mr. and Mrs. Max Watson of Houston and Mr. and Mrs. Jerry Ozan of Opelika, Alabama. Her paternal grandparents are Mr. and Mrs. Donald Cipperly of Opelika, and a great-aunt Pearl of Cross Plains.
