## CUB SCOUTS TO HOLD ANNUAL FOOD DRIVE **NOV. 11**

Local Cub Scout Pack 281 will canvas the city starting at 9:30 a.m. this Saturday to collect canned food items for the needy.

If you would like to donate, but will not be home, you may leave the items in a bag on your front doorstep. Please mark your bag "Scouts Food Drive" clearly in print as we have first through fifth graders collecting the items.

Each year after the drive, food collected is donated to the local food pantry and the Beta Sigma Phi Sorority for use in their holiday food baskets for the needy.

Scouts would like to thank the community in advance for your donations to this worthy cause.

## Exhibits Needed For Library

Youth **Needed For** Living Windows

#### By ROXIE THOMAS

Students, grades K-8, and preschool children are again needed to participate in the "Living Windows" for the Christmas Village, December 1,2, 8, and 9.

We will be doing activities based on Twas the Night Before Christmas, in Texas Theme. If you participated last year, we encourage you to do so again. If you are interested in joining us for the first time, please feel welcome. We certainly want to extend an invitation to any parents or older students who wish to help organize this event.

Participants are asked to meet at the school auditorium on Monday, November 13 at 3:15 p.m. for an initial meeting. If you have any questions please call Sheri Bennett at 725-6528 or 725-6877, Jacque Childress at 725-6866 or Roxie Thomas at 725-6436.

## GOAL

Presently, the United Fund has collected \$3251 which is 71% of the \$4550 goal set for 1995.

Donations are still being accepted at Citizens State Bank. Your contributions are appreciated.

## It Is Time To **Recertify For** Commodity Distribution

Central Texas Opportunities, Inc. has announced that it is time to recertify clients who participate in the TEFAP (commodities) program. TDHS guidelines stated that to receive USDA Commodities, households must apply once a year in the contracted area where they live.

CTO staff and volunteers will assist clients in filling out their applications on the below listed dates, times, and locations:

Cross Plains Multi-Purpose Center-November 27, 9:00 to 11:30 a.m. Baird VFW-November 28, 8:00 to 10:00 a.m.

Putnam City Hall-November 28, 10:30 to 11:30 a.m.

Clyde Senior Center-November 28, 1:00 to 2:30 p.m.

This year, TDHS is requiring that any individual who wishes for someone else to pick up their commodities to submit proof that they are disabled. Exceptions may be made for elderly shut-ins. CTO will verify this information. Proof of income, copies of AFDC, food stamps, SSI, MAO, driver license, utility bills, commodities recertification are required for proof of identity, residency, and income. Central Texas Opportunities, Inc. is an equal opportunity provider without regard to race, color, age, sex, disability, political belief, religion, or national origin.

Emmett Payne, Executive Director of Central Texas Opportunities, Inc. stated, "Although there are no commodities available for distribution for the month of November, it is our understanding that the programs continuation looks promising. We are hoping to begin getting items for distribution in December, and will run news releases in area papers as soon as we know when those interested in continuing participation in the program to get recertified this month."

cats, a few pictures, bells, Avon dolls, and "perhaps" a few other items. The theme this year is Texas, but we'll take special items or collections if they would be of interest. Pictures of Texas children for years prior to 1940, from 40-65, and 65-present are needed. It is important that anyone willing to bring pictures call 725-7722 or 725-7432 or come by the library so that we know soon what will be available.

Last year was a great year for exhibits. It would be wonderful to top "great" this year. Please make contact, even if the items belong to a friend. That is the usual source of information.

## First National Bank Receives First Ever Partnership Award

Council Finance, a SBA Certified Development Company and a nonprofit, independent arm of the West Central Texas Council of Governments, today presented to First National Bank of Baird its first annual Partnership Award. The Baird based bank was honored for the number of SBA 504 approvals gained over the past twelve months.

Scotty Lindley, Senior Vice President, accepted the award on behalf of the bank, which opened its Abilene branch at 1849 South First in April of this year. "It's a great tool for me," Lindley stated. "And it helps businesses survive by lowering their monthly payments."

In presenting the award, Rick Womble, Council Finance Administrator stated "Scotty and First National Bank of Baird are to be congratulated on their commitment to the small businesses of this region. By utilizing the 504 program, they are giving their borrowers the best and most economical structure available for fixed asset financing. In order words, they put the profits of their business customers ahead of their own." Womble also remarked that some local banks don't tell their borrowers about this program

Council Finance, a SBA Certified Development Company and a nonrofit, independent arm of the West Central Texas Council of Governments.

NOVEMBER 9, 1995

Council Finance makes SBA 504 loans to assist businesses needing fixedasset financing. Funding comes from 10 or 20 year debentures sold on the private market, providing an opportunity for small businesses to obtain long-term financing at Fortune 500 interest rates, 7.51% for October. It also allows them to finance up to 90% of a project's costs, conserving much needed cash for operations. By partnering with area banks, Council Finance itself loans up to 40% of the total project costs, allowing the lender to participate in the remaining amount and still enjoy a first licn position.

More information about SBA 504 loans and other small business assistance programs is available by contacting Rick Womble at Council Finance, 1025 E.N. 10th, Abilene (915) 672-8544. Scotty Lindley and First National Bank of Baird, Abilene Branch can be reached at (915) 670-0670.

#### "Reminisces of Childhood"

Do you remember-----? Mama always had mint growing around the water faucet in the back yard. It tasted so good and was so refreshing in iced tea and lemonade. Odd strange and curious how thing like that stick in your mind and create memories for ever after. For the remainder of my life (and still true today) whenever we've moved into a new-to-us house, it never quite felt like home until we got that mint planted!

Whenever our grandson (now aged 7 years) has come to Cross Plains to spend some time with us, he always asks if he can go into the backyard and ----! Yep. you guessed it; pick some mint from around Grandma's water faucet for the iced tea. Memories are indeed made of

## **Deadline For** Service Academy **Appointments Is**

WASHINGTON, D. C .-- Congressman Charles W. Stenholm has announced that the deadline for applications to the United States Service Academies is just one month away.

The deadline to apply to any military academy through Congressman Stenholm's office is December 1. Interested individuals are encouraged to contact the San Angelo office as soon as possible.

Eligible applicants must be at least 17, but not past their 22nd birthday, and need to have graduated from high school by June 30, 1996. They must also be single with no dependents and be a legal resident of the 17th District.

Competitive applicants should be in the top 20 percent of their class. They need to have SAT scores above 500 Verbal and 550 Math or ACT scores of 24 English and 25 Math. Involvement in extra-curricular activities, including school and community organizations and sports as well as full or part-time employment, is also in the applicant's favor.

The Congressman will be making nominations for appointments to the Air Force Academy at Colorado Springs, Colorado; the Military Academy at West Point, New York; the Naval Academy at Annapolis, Maryland; and the Merchant Marine Academy at Kings Point, New York.

The U.S. academies offer young people and excellent education, while

### Safe Sun Continued

UV exposure is greatest in the summer (May to August) but one should remember to take appropriate precautions in the sun all year. Apply a sunscreen every morning and reapply if you're in the water or exercising. It is also important to wear UV blacking sunglasses. Be sure they are UV rated. It can be worse to wear sunglasses without a UV rating than no sunglasses at all. Your pupils dilate behind dark lenses and actually allow more UV in. Remember: limit your peak sun exposure, wear sunscreen and wear sunglasses.

### BREAKTHRU By Bob Pipes, preacher **Cross Plains Church of Christ** 433 N. Main At 12th

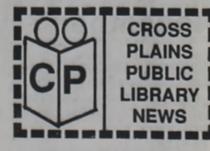

(817) 725-6117 One of the things God provided His children while they were in the wilderness was manna. He promised to rain bread from heaven for them, and they were to go out and gather a day's supply at a time. He used this, not only to feed them, but also to prove them -- to see if they would follow His instruction or not. God told them to gather only one day's supply of manna at a time. If they gathered too much, it would not last until the next day - it would spoil. The only exception was that on the sixth day, Friday, they were to gather a double supply - enough to last for Saturday, the Sabbath, for they were not to work on that day. If the Israelites failed to get enough on Friday for Saturday's needs, they would have to do without. The manna which wasn't gathered would melt like butter when the sun shone upon it and the overage that was gathered would breed worms and stink. But God kept providing manna for His children, the Israelites, for forty years without fail! About fifteen hundred years later, the Jews mentioned to Jesus that their fathers had eaten manna in the wilderness -- and they thought it had come from Moses. Jesus corrected them by telling them that it came from His Father -- and added, "And now He has given you the true bread from heaven. For the bread of God is He who comes down from heaven and gives life to the world." When they said to Him, "Lord, give us this bread always" (not knowing He was referring to Himself), He replied, "I am the bread of life. He who comes to Me shall never hunger, and he who believes in Me shall never thirst." Why not read about "the rest of the story" for yourself from Exodus 16 and John 6. Come learn and partake of the TRUE MANNA from heaven with us!

# **CROSS COUNTRY REGIONAL COMPETITION RESULTS**

Cross Country runners who qualified for Regional were in San Antonio Saturday to run in Regional races.

The race course was around the University of Texas in San Antonio. The course was rough. It went from flat open areas to cow trails that wound through trees; there were also hills, rocks, and exposed tree roots. Furthermore, it was muddy due to the rainfall earlier in the week. The weather for the race was windy and cool.

All the runners met the challenge of the course, and even though none are going to state, every runner ran their best time

#### of the year.

**CROSS PLAINS** 

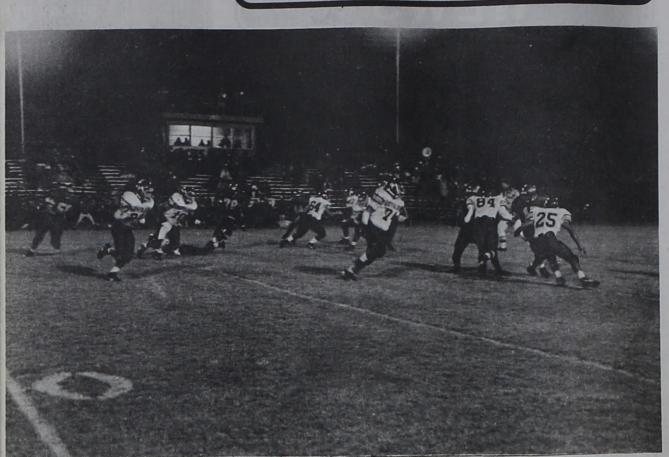

kunners at Regional were Laura Ricci, Justin Richey, Jason Carey, Roger Pope, John Chesshir, Scott Ricci, and Nathaniel Swift.

Regional Results are as follows: Girls-Two miles, 118 runner Laura Ricci-11th-13:17, Missed going to state by only one place Boys-Three miles, 111 runners Scott Ricci-19th-17:47 Justin Richey-23rd-17:52 Roger Pope-28th-18:05 Jason Carey-37th-18:25 John Chesshir-44th-18:37

Nathaniel Swift-54th-19:13 The boys finished 5th as a team out of sixteen teams.

Even though no one is going to state, these runners are all winners to me and will always hold a special place in my heart and mind.

We wish to thank Don Gosnell for his escort out of town, the kids at school who met at the flagpole to cheer us on, the people at the bank who held up signs, the overall crowd in town, and the people who put up signs for a few miles out of Cross Plains.

# **JUNIOR HIGH 4-0 IN DISTRICT PLAY**

#### **By LARRY WHITEHEAD**

Cross Plains Junior High hosted Rising Star Thursday and came away with a very impressive victory, 26-0. This was another great team effort.

The first quarter was a defensive battle.

The second quarter saw the tempo of the game changing in favor of Cross Plains. The first possession of the second quarter was a good drive with handoffs and runs by Coby Richards to Kenny Callaway and Jody Pancake with Pancake making the 55-yard touchdown run. The point-after attempt failed leaving the score 6-0 with 6:00 left in the quarter.

There was good blocking all night by Jody Gosnell, Jeff Yates, Ryan Atchi-

son, Jaden Winfrey, Justin Bright, and Seth Morgan.

The next drive was a carbon copy of the last with Richards handing off to Callaway and Pancake with Pancake making the score. With 2:50 left in the second, the score was 12-0.

In the third quarter, Richards pitched to Pancake again for the 30-yard run and TD. The extra point failed making the score 18-0.

Cross Plains held the Wildcats at bay with more good tackles by Scott McKay, Clint Bailey, and Jackson Worsham.

The boys' last touchdown came in the fourth quarter with a good hand-off and run by L. D. Whitehead to Chris

Kitchens who went 30 yards for the touchdown. On the conversion try, Whitehead passed to Rick Branham for the two points to make the score 26-0. The defense shut Rising Star down the rest of the night with good defensive plays by Roger Carey, Nicholas Dimitri, Robert Walters, Landon Hill, Nate Hawkins, and L. D. Whitehead.

Cross Plains Jr. High is now 4-0 in District play and can wrap up the championship with a victory over Lometa tonight.

These boys are working hard and looking good in practice, but need your continued support to gain their next victory.

The boys' last game is tonight at 6:00 in Lometa. See You There!

The Cross Plains Buffaloes traveled to Rising Star last Friday night to play the Wildcats. Cross Plains had trouble again generating enough offense to win the game. only Cross Plains score of the night came on a 1 yard run. So Rising Star this year claims the title of these two rivalry teams which belonged to Cross Plains last year.

I apologize because fo no statistics on rushing, passing, tackles and assists; none were available. Because of this, no names will be mentioned in this week's article. I do not want to leave anyone out and I know if I wrote all on memory, people would be left out unintentional. Cross Plains plays at home Friday night hosting Lometa. Lometa will also be a tough competitor for the Buffaloes. To win this week, Cross Plains must put points on the scoreboard and play a good defensive game also.

#### **Disabled American Veterans Vietnam** Veterans National Memorial

ANGEL FIRE, NEW MEXICO-In the many years that have passed since our nation was born, veterans have given selfless service to this great country in both times of peace and times of war.

- CROSS PLAINS REVIEW

America's servicemen and women set a standard of courage and sacrifice during World War II that may be equaled but will never be surpassed. Never before had war been waged by so many people, over so much of the globe. with such loss of life and destruction of property.

On the battlefields of Korea, Americans fought and died to defend a country

and a people they had never met. The tears, the blood, and the sweat that flowed in that distant land was not in vain however.

NOVEMBER 9, 1995

In the time of Vietnam, we had heroes and didn't see them. A million Americans soldiered there, and more than 58,000 of them died, some bravely, some just unluckily, all in the service of their country.

The men and women who served in the Gulf War paid another installment on a great debt that will never be crased so long as there is tyranny in the world. And, like their predecessors in World War II, Korea and Vietnam, they paid in time ... in effort ... and in blood.

Each year for more than two decades, thousands of veterans from all wars, their families and friends have made the pilgrimage to the beauty and majesty of the Disabled Veterans Vietnam Veterans National Memorial to reflect on the high cost of peace, to mourn our nation's warrior's lost in Vietnam and to celebrate those who survived.

Official Veterans Day ceremonics will be held at the Memorial on Saturday, November 11, beginning at .11 a.m. Several Vietnam veterans representing the Disabled American Veterans (DAV) will be taking part in these ceremonics and will be available for personal interviews regarding their Vietnam experiences.

In addition to taking part in the special Veterans Day observances, visitors will be able to tour the spiritually moving memorial chapel and the 6,000 square foot visitor's center and exhibit area.

All facilities at the memorial are toally accessible to persons with dis abilities. The visitor's center and exhibit area feature pictorial displays, art, sculpture, banners and flags, as well as an interactive, computer-based audiovisual information and education exhibit. This exhibit gives visitors access to film footage, photographs, television, and newspaper and magazine reports about the Vietnam War. Also featured is biographical information on the more than 58,000 Americans who died in Victnam.

That's because they either buy a subscription, or pay for the newspaper on the newsstand. And, 1,600 readers get it every week!

When you consider Cross Plains' population is 1,063, that's pretty good coverage!

When people pay good money for a newspaper, they take it into their homes and it's there for the whole family to read. As we all know, much Bulk-mail advertising is promptly discarded in "File 13!"

The old saying still holds true today... "Newspaper Advertising Doesn't Cost, it Pays!"

## **FALLEN LEAVES GOOD FOR YARDS. BAD FOR LANDFILLS**

If you've got trees in your yard, you're in luck. It's almost "fall-like" in most parts of Texas, and your lawn is probably being blanketed with a valuable source of nutrients for your yard. So instead of raking and bagging those bulky leaves and packing them off to the landfill, save yourself some time and put them to good use as a natural fertilizer. "Leaves make up at least half of the landscape trimmings headed to Texas landfills in the fall," says Kitty Coley, compost manager at the Texas Natural Resource Conservation Commission. "Why take up expensive landfill space with these materials when they're a great natural resource for your yard? You can save money in collection and disposal fees and use less fertilizer by turning your leaves into compost or mulch." According to the Texas Agricultural

Extension Service, which created the "Don't Bag It" Lawn Care Plan, there are four basic ways to recycle leaves:

· Mowing: If there's only a light covering of leaves in your yard, just mow right over them and leave the shredded leaves on the lawn.' This easy method works best with a mulching mower. Heavier leaf cover calls for the methods listed below.

\* Mulching: Leaves that have been mowed or run through a shredder decompose faster and stay in place well as a mulch in gardens and around trees and

shrubs. Mulching conserves soil moisture, controls weeds and grasses, protects against extreme heat and cold, and prevents soil erosion. Use a lawn mower with a bag attachment to quickly gather and shred your leaf mulch.

\* Soil Improvement: Prepare your garden and flower beds for spring planting by working leaves into the soil in the fall. Till 6 to 8 inches of leaves into a heavy, clay soil to improve acration and drainage. Till the same amount into a light, sandy soil to improve water- and nutrient-holding capacity.

\* Composting: If you've got a garden, lawn or even house plants, you've got a use for compost. Start with leaves and other yard trimmings to form the bottom layer of a compost pile. Top with water and soil or old compost and add more leaves, grass clippings and vegetative kitchen scraps as they become available. While many citizens are helping "Take Care of Texas" by following these simple yard care tips, communities across the state such as Fort Worth and College Station are diverting tons of yard waste from landfills and saving thousands of dollars in collection fees by implementing city-wide "Don't Bag It" programs.

## **U.S. House Votes To Ban Partial Birth Abortions**

HOUSTON-The U. S. House of Representatives voted November 1 to place a national ban on the use of partialbirth abortion procedure, except to save a mother's life.

Despite vehement opposition by NARAL and its congressional allies, the House passed the Partial Birth Abortion Ban Act by a veto-proof vote of 288 to 139. This is the first time since the Supreme Court's 1973 Roe v. Wade decision that the House has voted to place any direct restrictions on abortion, even during the final months of pregnancy. Reacting to the vote on behalf of the Texas Right to Life Committee (TRTLC), the state-wide Texas affiliate of the nation's largest pro-life organization, the National Right to Life, Dr. Joseph Graham, President said, "The overwhelming House vote now poses this urgent question to every U.S. Senator and to President Clinton: will you allow living babies to be pulled feetfirst from the womb, then stabbed with scissors, during the later months of pregnancy?"

The partial-birth abortion procedure is usually used after 4-1/2 into pregnancy, often much later--even into the ninth month. The Los Angeles Times accurately summarized the procedure in a June 16 news story: "The procedure requires a physician to extract a fetus. feet-first, from the womb and through the birth canal until all but its head is exposed. Then the tips of surgical scissors are thrust into the base of the fetus' skull, and a suction catheter is inserted through the opening and the brain is

removed." TRTLC's Graham and congressional

supporters of the bill have charged that opponents, and some organs of the media, have ignored readily available writings and public statements in which abortionists admitted to frequently using the partial-birth abortion technique in situations that have nothing to do with the health problems in the mother or the baby. For example, in a tape-recorded interview with American Medical News, Dr. Martin Haskell -- who has performed over 1,000 partial-birth abortions--said that in his practice, 80% of these procedures are "purely elective." In the same tape-recorded interview, Dr. Haskell estimated that twothirds of the "fetuses" are alive at the time he begins their "extraction" from the uterus.

On the House floor, pro-life lawmakers displayed a series of five poster size medical drawings depicting the partialbirth abortion procedure. The drawings are validated as accurate by eminent medical authorities, including Prof, Watson Bowes of the University of North Carolina, co-editor of the Obsterical and Gynecological Survey. In a virtually unprecedented action, Congresswomen Patricia Schroeder (D-Co.) made a motion to prohibit the display of the drawings on the House floor. By a vote of 331 to 87, the House rejected Schroeder's attempt to impose a 'blindfold rule" that would prevent the American people from seeing the posters on C-Span.

## LAP CHILDREN'S OPENING DAY "LEARN ABOUT ..." **PROGRAM BEGINS**

Twenty six children arrived at the Cross Plains Public Library for the "Learn About ... " Program on Wednesday, November 1, at 10 a.m. There were 18 Daisies (3-4 years) and 8 Greenbeans (Kindergarten bound), all dressed up and ready to go. Opening day was the bestever. Both children and adults were ready to go.

Anyone with children 3-5 who were 3 before September 1, 1995, is welcome to enroll them now, except on LAP morning. Also, guests to see the children in action are welcomed. We could use one or two more volunteers. Come by or call 725-7722 or 725-7432.
