Without offence to friends or foes we sketch Cross Plains exactly as it goes.

### HOME TOWN GOSSIP!

A fellow who has never lost the oil Cross Plains spirit, despite his absence of a year or so from this city, is M. Polishuk, now of Dallas. He has informed the Review of his address so that the folks 'back home' may know how to locate him when they are in the Texas metropolis.

We'll wager our second hand Oliver that "Polly", the Mrs. and son, will again be Cross Plains citizens someday. They're fine people and would certainly be welcome back in the oil home town.

Hot tip number one on r-o-m-a-n-c-e this week is this: Its being whispered in barbershops (that's where all gossip starts) that Stanley Clark and Miss Blix Pittman have set the nuptial date for December 15.

It would be just like Stanley to advance or postpone the occasion just to make a filber out of us. Now don't do that Stan. Our reputation for integrity is already staggering.

So many queries are being shot at this scribbler as to why the wheelbarrow ride was not enacted after the Cross Plains triumph over Rising Star Wednesday afternoon, that it seems only fitting that an explanation be offered here.

Immediately after the game we went to the Rising Star publisher's office, where the act was scheduled to take place. After a moments conversation with Mr. Sellers we learned that a number of the Rising Star people were not at all pleased with the referee's manner in calling in the game and that the wheelbarrow ride might serve to increase their disapproval and cause a dislike for Cross Plains.

Now far be it from us to incite anybody's dislike for Cross Plains or the fine game of football, so the ride was called off.

We were indeed sorry to disappoint the many readers of this column, who gathered at the Rising Star newspaper office after the game to see the ride, but we feel that under the circumstances they would have governed themselves likewise.

Hot tip number two on the marriage situation this week is this: Miss Naoma Peoples, of this place, and O. J. McClure, of the East Texas oil field, will be married at the home of the bride's sister Mrs. C. R. Baker, at Waco, Thanksgiving Day. Our Dan Cupid detective tells us that the newly weds will reside at Tyler.

Watch this column next week for our selection of an all-conference football team for this district.

And speaking of football again, we defy the goddess of dope this week and predict the Cross Plains high school Buffaloes will defeat the Albany Lions on their home field, for the first time in history, Saturday afternoon.

There is a first time for everything you know, and these Cross Plains boys have their eyes glued on a district championship. Frankly, we believe they're going to get it.

He further asked that we publish the letters in the big annual Christmas edition to be issued either the week of December 15 or December 22 and that copy of the paper be forwarded to him by reindeer express the minute it is off the press.

The editor of the Review has assured Santa Claus that we will cooperate with him in the above manner as we have done for years. Now, we appeal to the children of the Cross Plains trade territory to get their letters to us at the very earliest moment. School teachers, parents and older brothers and sisters are urged to assist the children in making their missives plain and legible, in order that there will be no mistakes in publication. #### WIN RIGHT TO MEET ALBANY ELEVEN FOR UNDISPUTED TITLE

Cross Plains high school Buffaloes defeated their traditional rivals Rising Star Wildcats, there, Wednesday afternoon before a crowd estimated at 1,000. The score was seven to nothing.

In trimming Rising Star, Cross Plains won the right to meet the Albany Lions, there, tomorrow (Saturday) afternoon for the district championship. At present the two clubs are tied and a previous meeting—here November 11—resulted in a scoreless dead-lock.

Floyd Halbert, Buffalo fullback, led the local boys offense which clicked like clock work in the game against Rising Star. He was seconded by Warren (Hungry) Spencer, who also ripped off many decisive gains through tackle and around end. 'Beevo' Webb, James Patterson and captain Socrates Walker were outstanding in the purple and gold forward wall.

Cross Plains made 11 first downs, Rising Star six. The Buffaloes gained 246 yards from scrimmage and the Wildcats 85. Rising Star was penalized 15 yards and Cross Plains five; all of which were for offside.

Cross Plains counters were made early in the second quarter, when Floyd Halbert broke through the line, side-stepped five tacklers and dashed 40 yards for a touchdown. The ball had been advanced to that position by Walker who intercepted a Rising Star pass and ran it back 32 yards. Walker converted from placement. Score, Cross Plains 7, Rising Star 0.

Rising Star's chief threat came late in the second quarter Hancock received a pass and dashed 60 yards across the Buffalo goal line, only to be called back and informed that the Wildcat passer was not five yards back when the leave was made, and the play illegal.

The local boys missed another touchdown by but one yard, in the last quarter. Long gains by Halbert and Spencer placed the pigskin on the Wildcat's 10 yard stripe. Three plays liked but a yard of netting the necessary distance.

As the game ended Cross Plains was making consistent advances and the timekeeper halted the contest with a ball in Cross Plains possession on Rising Star's 20 yard line.

Winning Wednesday's game placed Cross Plains one ahead of Rising Star in the all time tabulation of conference records. The game was the fifth in official competition and the Buffaloes have won three of that number. The results of the past five years are:

1929—Cross Plains 6, Rising Star 0. 1930—Cross Plains 20, Rising Star 6. 1931—Rising Star 34, Cross Plains 7. 1932—Rising Star 37, Cross Plains 6. 1933—Cross Plains 7, Rising Star 0.

PIONEER PANTHERS WHIP CATS

Boys Are Defeated 16-13: Girls, 23-17

The Cross Cut Tigers faced their third defeat Wednesday night at Pioneer. Both boys and girls were slightly outplayed by the Pioneer Panthers.

During the first three quarters of the game the boys played valiantly, holding the lead most of the time. But finally, just before the close of the game, they went "to pieces" and allowed the Panthers to run up an extra goal and a point.

The girls also put up a tight game. Many times they were on top of the she-panthers, and once it was manifestly evident that the Tigers would win the game by a large majority.

The probable reason—if there could be one—that our teams did not win is that they have not been practicing on the gymnasium floors, and found it rather difficult to maintain a fair playing equilibrium.

Juniors And Seniors Entertain In Chapel

The Junior-Senior class sponsored the chapel program Monday morning. Every one enjoyed it, so it was reported.

Interesting Letter Is Received

Our fan mail is increasing, although it does not all agree with us or praise our efforts. We received one letter from W. N. Long of Cross Plains who proposes to debate with us on the subject, "Resolved that the Bible is untrue, and that God did not create man nor beast."

But we will say this—the Bible is self-contradictory, and to believe a portion of it, or all of it, is to believe two distorted stories of exactly opposite natures.

God is a righteous God—he is impartial, just in his dealings, and a perfect image of brotherly love and companionship.

We will not say that there is not a God, but we will say that all of the Bible is not true. We are willing to back this in open debate at any time our interesting readers see fit.

EDITORIAL

PESSIMISM

By Norris Chambers

"I am the master of my fate, I am the captain of my soul".

These lines were written by Henry. He seems to believe that he can control his soul and his fate—that he is a man above the gods.

From the poetry of this man one will find that he is always looking for the best, and when a little blow of bad luck strikes, it will hurt him in more ways than one.

Clarence Darrow, famous psychologist, has said the following about Henry and about his poem on fate: "A fine captain of his soul; a fine master of his fate! He wasn't master enough of his fate to get himself born, which is rather important, nor to do much of anything else, except brag about it."

On the other hand Houseman has written a poem that is not so emphatically optimistic. In this poem he points out that man is not important—that life is not important—that nothing is gained by life; that each morning starts a new existence, and the next morning starts another—that all is to do over again daily.

Yonder see the morning blink: The sun is up and so must I, To wash and dress and eat and drink. And look at things and talk and think. And work, and God knows why. O, often have I washed and dressed. And what's to show for all my pain.

Let me lie abed and rest: Ten thousand times I've done my best And all's to do again.

Pessimists are usually condemned wherever they go, but after all, is it not better to look at life as it really is? What's the use thinking we are God's chosen creatures, and that the best must always happen?

If I am expecting a hardship, is it not easier for me to combat it when it comes than it could be if I were not expecting it?

Men think they are too smart—they believe that God favors them more than any of their fellow men. Each man believes he is above the other. But they would be surprised if they really knew how important the whole human race is today.

"But helpless pieces of the game he plays, On the checker board of nights and days. Hither and thither moves, and checks and slays. And one by one back in the closet

### Why Children Need a Liquid Laxative

The temporary relief children get from some synthetic, habit-forming cathartic may cause bowel strain, and even set-up irritation in the kidneys. A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to give the child "a double dose" a day or two later.

Can constipation be corrected in children? "Yes!" say medical men. "Yes!" say many mothers who have followed this sensible medical advice: 1. Select a good liquid laxative. 2. Give the dose you find suited to the system. 3. Gradually reduce the dose until the bowels are moving regularly without aid.

An approved liquid laxative (one that is widely used for children) is Dr. Caldwell's Syrup Pepsin. The mild laxative action of this excellent preparation is the best form of help for children—and grown-ups, too. The dose can be regulated for any age or need.

Your druggist has Dr. Caldwell's Syrup Pepsin. Member N. R. A.
