Cross Plains high school Buffaloes will christen their newly lighted football field Friday night at eight o'clock when they meet the powerful Santa Anna Mountaineers in the second hurtle of their district 25-B championship campaign.

Fireboys Help

Fire Chief J. L. Settle quickened enthusiasm with the announcement that the local fire department had just met and voted unanimously to donate \$200,00 to the fund, and wished no stock in return.

With only \$1,200.00 more needed. the 20 men were divided into two sides, each team charged with the responsibility of raising \$600,00 by Tuesday night at 7:30. At noon Monday, however, a check-up was made and it was found that the amount had been oversubscribed. Additional subscriptions continue to trinkle in and at the meeting Tuesday night the fund was reported to have reached \$1,747.50.

An ataletic council was elected Tuesday night to have supervision of funds subscribed, to oversee any further construction that may be undertaken, to issue stock to subscribers and to begin as soon as possible making remittances on the stock retirement. It was pointed out yesterday by F. V. Tunnell. member of the council, that all funds not spent will be used in reimbursing share holders pro rata. Expect Big Crowd

In view of the fact that Rising Star plays at Mozelle Friday afternoon, all Brownwood teams are on the road and most other games in the area are afternoon affairs, a record breaking crowd is expected to witness the Mountaineer-Buffaloes entanglement here Friday night. Admission will be 10, 15 Coach Bill White's Buffaloes will

Too, they are faced with the jinks which always accompanies the presentation of a new, or improved gridiron.
