## PERSONAL INVITATION FROM FAIR OFFICIALS

TO VICTORY EXPOSITION, DALLAS,  
TEXAS, OCTOBER 6TH TO  
19TH, 1919.

JNO. N. SIMPSON, President  
W. H. STRATTON, Secretary

After two years, during a part of which time the grounds and buildings were patriotically turned over to "Uncle Sam" during the war, the gates of the State Fair of Texas will again open for the thirty-third session on Oct. 6th. This will be known as the "Victory Fair."

For many months our beloved State has been blessed with copious rains. These have transformed our fields into modern, variegated gardens of Eden. Business is good. All conditions favor the most comprehensive, representative and largely attended Fair we have ever held. We hope to bring two people here where only one was here before.

Golden grain from fertile fields, luscious fruits from fragrant orchards, succulent vegetables from well-kept gardens; lowing herds of fattened cattle; magnificent thoroughbred horses, and all the other faithful, lowly friends of man; as well as riches from the marts of trade; modern creations of the inventive wizard's brain; the wonders of science; the beauties of art—in a word, our Twentieth Century Texas civilization will be typified, visualized at the Victory Fair!

It takes time to prepare displays. Are you seeing that your county, your home town, will be properly represented. Little display space is left. In the spirit of fullest confidence, therefore, in the extent of our preparations, we most cordially invite the people of Texas, and of the entire Southwest, to accept this, our hearty invitation to be present Oct. 6th to 19th, so that you may enjoy to the utmost the benefits and pleasures that we have provided for you at the Victory Fair.

STATE FAIR OF TEXAS.  
Jno. N. Simpson, President.  
W. H. Stratton, Secretary.

**\$60,000.00 IN PREMIUMS  
FOR LIVE STOCK ALONE**

PRESIDENT SIMPSON INCREASES  
APPROPRIATION TO THAT  
AMOUNT FOR VICTORY  
FAIR

President Simpson, of the State Fair of Texas, believes thoroughly in the live stock industry. He is doing everything he possibly can to encourage it.

To this end, at President Simpson's urgent request, the Board of Directors has appropriated the largest amount in its history, and the largest amount offered by any Fair anywhere, for live stock at the Victory Fair this fall. The amount is appropriated as follows:

For Beef Cattle: Herefords, \$15,000.00; Aberdeens-Angus, \$5,000.00; Shorthorns, \$15,000.00; Red Polled, \$1,250.00.  
For Dairy Cattle: Jerseys, \$3,000.00; Holsteins, \$3,000.00; Gurnseys, \$500.00.  
In addition to this, the number of special premiums has been largely increased.

To increase Texas cattle production, these premiums have been offered. Already cattlemen from many sections of the country have entered their herds so that the cattle show at the Victory Fair will greatly surpass all former cattle shows.

**FARM PRODUCTS WILL BE  
FEATURED AT VICTORY FAIR**

A MAGNIFICENT AGRICULTURAL  
SHOW—\$10,000.00 IN PREMIUMS  
OFFERED.

The Victory Fair will have the most extensive agricultural show in America. Ten thousand dollars will be offered as premiums in this department. Of this amount \$5,000.00 will go to County exhibits and \$5,000.00 to individual farm exhibits. This is the largest amount ever offered by the State Fair Directors, and covers a wider range of the products of the farm, the orchard, the garden, and the ranch than ever before.

The wonders performed by the tractor, diversification, rotation of crops, soil study, adaptability of crops for certain localities, and many other vitally important subjects will be explained and demonstrated at the Victory Fair, for the benefit of the man who handles the hoe, follows the plow or drives the truck.

Advises are being received by Secretary Stratton that local contests are being held to select the choicest products for the State Fair. The irrigated districts, the dry sections, and all the other areas of Texas will have magnificent displays. It will be a veritable wonderland of agricultural and horticultural products in rainbow-hues.

## THREE OKLAHOMA BANKERS ARE ROBBED

Bandits Hold up Officials, Taking Sums Ranging From 2000 to 5000.

Wheatland, Ok., July 31.—Two unmasked men walked into the Farmers' State Bank here shortly before noon today and helped themselves to \$1,500 in cash and \$1,000 in Liberty bonds, after disposing of the cashier by locking him in a vault. The men walked to a waiting automobile nearly a mile from the scene of the robbery without arousing undue interest.

Tulsa, Ok., July 31.—Headed by the Rev. Harold G. Cooke of this city, a posse is scouring the country between Jenks and Glenpool for five robbers who held up and robbed the Bank of Jenks at 1 o'clock this afternoon. It is estimated that the robbers got between \$3,000 and \$5,000.

A special from Hugo says the Millerton State Bank was robbed late yesterday of \$2,600. A posse is surrounding the mountainous country for the robbers. President H. E. Robb and cashier Burrow Powell were counting up the day's receipts when the bandits walked in lining up the men against the wall. After securing the money, they escaped on horses.

A fine crowd was in town Tuesday evening, despite the fact that it was a picnic at Burkett.

By all means we should close up one day and all go out to the cemetery and help clean it out. How many will help?

Mrs. Cris Parson of Burkett left this week for Pulaski, Tenn., on an extended visit with relatives.

Merle and Floyd Joyce of Rising Star spent Sunday night here with friends.

### HORSE BREEDERS OFFER \$5,430.00 BY STATE

PLANS BEING MADE FOR MAGNIFICENT SHOW IN OCTOBER.

Horse breeding is being given greater impetus by the State Fair of Texas. Many magnificent thoroughbred horses will be shown. Cash premiums aggregating \$5,430.00 are offered at the Victory Fair for thoroughbreds, standard bred trotters, saddle horses, and harness horses.

There are also special prizes in this department. The Percheron Society of America offers special silver medals, trophies and ribbons.

There are many sections of Texas where it will be necessary to use teams for driving and for many grades of farm work for many years to come, experts say.

Desiring to help produce animals with better bone and that are better bred, the State Fair of Texas offers \$1,530.44 in cash premiums for Jacks, Jennets and Mules at the Victory Fair this fall.

The Standard Jack and Jennet Registry of America offers \$200.00 and ribbons. The Texas Jack and Jennet Association offers a total of \$200.00 for four best jacks and jennets shown and owned by one exhibitor. Director R. K. Gaston and Superintendent Geo. R. King promise the best Horse Show yet, at Dallas in October.

### TRACTOR-ARTILLERY AND HOWITZERS AT STATE FAIR

U. S. WAR DEPARTMENT TO SEND BIG SHIPMENT OF HEAVY GUNS TO DALLAS.

After a two weeks' visit to Washington, where he went in the interest of the Victory Fair, Secretary W. H. Stratton returned to Dallas the other day, well pleased with the results of his trip.

While in Washington Secretary Stratton arranged with the War Department for an exhibition of modern war implements that will require a small train to transport it to Dallas.

This exhibition will consist of tractor-artillery, anti-aircraft guns, heavy howitzers and other of the larger and more formidable engines of warfare invented, perfected and used by Uncle Sam in his recent victorious onslaughts against the Hun.

This display will be quite different from anything of the kind previously exhibited at fairs, or on Liberty Loan trains, in this district. It will be a liberal education in modern warfare.

### STATE FAIR POULTRY SHOW TO EXHIBIT 6,000 BIRDS

PLENTY OF POULTRY INFORMATION FOR ALL AT VICTORY FAIR AT DALLAS.

The Poultry Show will be greatly enlarged and improved at the Victory Fair in October. \$2,500.00 in cash premiums will be awarded. This includes numerous specials offered by the Texas Barred Rock Club. Two thousand new steel coops, sufficient to accommodate 6,000 birds, have just been purchased by Walter Burton, of Arlington, the Superintendent of the Poultry Department. These have been made necessary by the large number of entries already received. All coops will be modern and sanitary.

A new feature will be the complete educational department provided through the cooperation of the Extension Department, Texas A. & M. College. Prof. Kazmeier will be in charge. The care of poultry and other barnyard fowls will be outlined in detail. ### MUSIC, MIRTH, MAGIC AMONG VICTORY FAIR AMUSEMENTS

NO EXPENSE BEING SPARED TO SECURE HIGH GRADE ATTRACTIONS.

The spirit of Victory, in its highest sense, will prevail at the Victory Fair this fall.

Mirth, music, magic will reign. Regardless of individual taste, all will find something to amuse, to thrill, to instruct, to awe, and to startle at the Victory Fair at Dallas.

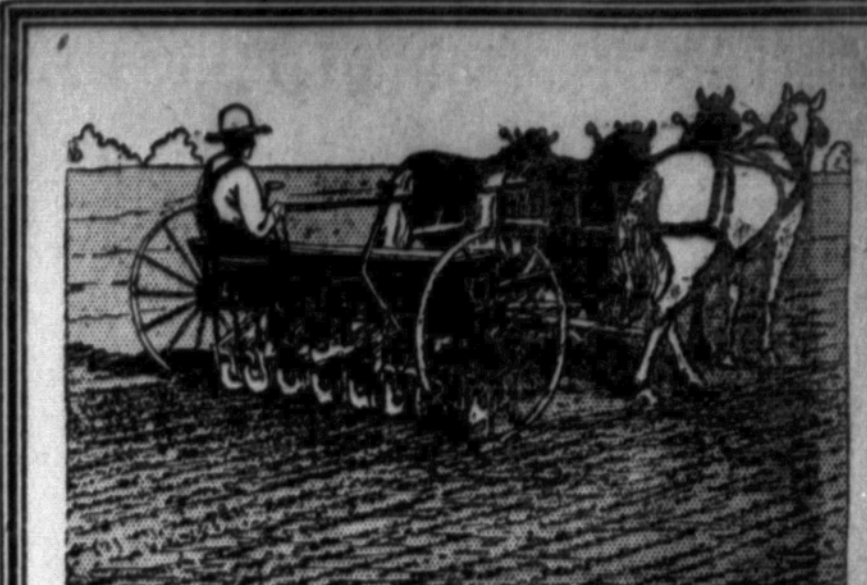

Military bands will be there to soothe or sway with their charming strains. There will be exhibitions of skill and digital dexterity to jar you out of your lassitude. Marvelous stunts, appearing to deliberately defy the laws of nature, will startle you later than Oct. 4, 1919.

One of the world's greatest musicians will appear--and disappear. \$1,000.00 is offered to any one who can find him. There will be legerdemain, illusions, mysticism that will baffle even the most perspicacious.

Headliners, only, attractions of high grade, are being booked. Many of these are world-renowned artists, who are under contract to originate entirely new acts, new songs, new musical selections, new presentations of different character for the Victory Fair.

Daring auto drivers will compete for new laurels in high speed contests. The latest, most intricate terpsichorean attractions will be presented by illustrious fancy dancers in shimmering attire. There will be pyrotechnical, spectacular, scenic, productions, which for gorgeousness will eclipse anything ever shown before.

Vandeville stars will twinkle. Music of all instruments, and voices in many harmonious combinations will delight the ear and charm the mind with their beautiful tones of classical, standard, and modern selections.

### An Easy Way to Get Bigger Grain Yields with Less Seed

Planting with a grain drill, instead of with a broadcast seeder will cause you no more work, in fact, considerably less, and in a short time the saving in seed will pay for the drill.

That, in itself, is sufficient reason why we want you to see the John Deere-Van Brunt Grain Drill we have on display. There are other reasons that apply only to the Van Brunt. This drill has a patented, adjustable gate force feed that successfully handles any size seed from alfalfa to bearded oats without choking.

The force feed compels the seed to leave the grain box in

even continuous streams and the seed is protected until it reaches the bottom of the furrow.

That is why a field planted with a Van Brunt Drill makes such a pleasing appearance to the eye--and why it adds extra money to your bank account. All of the grain is ready for harvest at one time. There are no bare spots in the field and you can feel absolutely sure that no seed is wasted in planting. Come in and let us show you how easy it is to regulate the flow of seed so that an equal amount is placed in each furrow--simply moving a lever regulates the quantity sown.

The house fly spreads Typhoid Fever, the most common disease we have, and dangerous also. Clean up your place and fight flies. Eat nothing you see a fly on.

Catarrhal Deafness Cannot Be Cured by local applications, for they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a roaring sound or a perfect hearing, and when it is completely closed, Deafness is the result. Unless the inflammation can be removed and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of Catarrhal Deafness are cured by an inflamed condition of the mucous lining of the Eustachian Tube. Wilson's Catarrhal Deafness Cure is the only medicine that acts directly on the blood, on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Wilson's Catarrhal Deafness Cure. All Druggists, or write to J. C. GIBNEY & CO., Toledo, O.
