STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THEDFORD'S

BLACK-DRAUGHT

recommended very highly, so began to use it. It cured me. I keep it in the house all the time. It is the best liver medicine made. I do not have sick headache or stomach trouble any more." Black-Draught acts on the jaded liver and helps it to do its important work of throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

Atwell Items.

Dayton Sessions and Miss Etha Jones were married at the home of the Rev. Jeff Woods near Atwell on Sunday afternoon, Dec. 28, the Rev. Mr. Woods performing the ceremony. The bride is a daughter of Mr. and Mrs. J. M. Jones of Atwell, and the groom is a son of Mrs. Mettie Sessions.

Ira Fenter, son of Mr. and Mrs. L. N. Fenter of Atwell, died on Sunday morning, Dec. 21, in Uma, Ariz., his remains being shipped to Atwell where he was buried in the family cemetery on Dec. 26. Death resulted from an attack of black jaundice. Arch Maddox, a boyhood friend of the deceased, waited on him during his illness, accompanied the remains home, proving himself a Jonathin in friendship. Rev. C. C. Andrews conducted the funeral services. Ira was twenty-one years of age, and was one of the best boys ever reared in the country.

Clay Crisman has sold his home place consisting of fifty acres to L. N. Fenter for \$60 an acre, thus breaking the record for high prices in real estate in the Atwell country. Messrs. J. L. Haley and Dug Jones were in Cross Plains a few days ago.

THE CROSS PLAINS REVIEW

CROSS PLAINS, TEXAS, FRIDAY, JAN. 16, 1920

No. 46

Hail 1920, Year of Splendid Promise!

The New Year spreads its splendid challenge to courage, kindness and energy. To the Young Man or the Old Man every day is the beginning of a New Year, every day one of good resolution and mental effort. "SERVICE" is the order of the day. The ceaseless longing to be of ever-increasing helpfulness has brought us the splendid appreciation and patronage of those we strive to serve. Our facilities have been made ample, so it is with a feeling of confidence that we look forward to being in a better position to serve our friends during this year.

TO BUILD GOOD HOME

W. Anderson is making arrangements to erect a home that cost about six thousand dollars. He bought two lots from Walter Underly just north of the square home, which is one of the best locations in town. The house will have an aeroplane sleeping porch, glassed in, for the second story. The house will be modern every respect. Mr. Anderson is one of the greatest needs of Cross Plains, and this need is one motive in his just now.

WHY HAVE GAS

Cross Plains may have gas piped to homes, if the city government accept a proposition from M. M. local representative of the Texas Oil Co., who have a fine line in their well south of town. The company offers to put gas into homes and business houses provided they can get a twenty-year lease, and proposes to charge the service fifty cents a year. The city Health Department is considering the proposition. Victor

Devotional Service.

A few of us met at the home of Mr. Joe H. Shackelford in an old-fashioned cottage prayer meeting service in behalf of our beloved sister, Mrs. J. T. Gilbert, whom we feel like is recovering from a long and serious illness. There were present four of her children, two boys, Victor and Ernest, and two girls, Mrs. Edith Bond and Mrs. Ruby Shackelford, and several friends. The good talks by the brethren and sisters were inspiring to our souls, and especially from Sister Gilbert, who is so patient and has such a glorious hope and is so submissive to the Lord's will.

S. A. Rogers.

Note—Mrs. Gilbert has died since the above was written.

Building a Home.

Jewel Browning is having a four-room cottage erected just north of the Stafford house in which Walton Reeder is living. The house will have four rooms, a porch in front and a screened-in porch behind. He will occupy the same as a home upon its completion. It will be a nice home and a good part of town.

GROSS PLAINS GIN CO. WILL INSTALL ELECTRIC PLANT

Reports have been current the past few weeks that Cross Plains would have an electric plant in operation within the near future. The enterprise now seems more than a probability. Foster Bond, cashier of the Farmers National Bank, and manager of the Cross Plains Gin Co., has had under contemplation for some time the advisability of installing an electric light plant in connection with their gin. He now informs us that he has fully decided to install the plant, but has not as yet made arrangements for the electrical equipment, and could give no definite date on which the enterprise would first be in operation, mostly due to the expected difficulty in securing such material under present shipping conditions. However, the certainty of obtaining an electric lighting system, even if its completion is delayed until the late summer or fall, will be welcome news to the people of Cross Plains. Electric lights are not only valuable as a local convenience, but they will add attraction to the town in many other ways.

This addition to the town, together with the move that is now being made, and seems certain of accomplishment, to have gas piped here from one of the Penant Oil & Gas Company's wells, located six miles west of town, and recently reported as having a gas supply of about ten million feet per day, will be two of the most important things needed in the substantial make-up of a good town.

WOMEN TO PAY CITY POLL

The attorney general has ruled that women must pay the city poll tax that a man pays. Hence every woman in Cross Plains, under sixty years of age, that expects to vote in any kind of election, must pay her city poll as well as her county and State poll tax. The city poll tax is \$1.00 and is payable to Uncle Bill Neeb at the Farmers' National Bank. Mrs. C. C. Tyler was the only woman up to Tuesday night who had paid the city tax. The county poll tax is \$1.75, and is payable at Baird either in person or by order.

It might be well for every man to remember that to be entitled to a vote in any election he must pay his city and county poll tax. All taxes must be paid before Feb. 1.

The firm of Higginbotham Bros. & Co. are preparing to "cut a big melon" with their employees as the recipients of their generosity. On the first of the new year or somewhere thereabout, each employee of the firm will receive a cash bonus amounting to one month's pay. The firm has had this plan in mind for some time past and the announcement of their decision to share the profits of the company with the men and women who had made their success possible, was made from the company headquarters at Dallas some days ago.

There are sixty-three men and women employed by Higginbotham Bros. & Co. locally. All will participate in the bonus without respect to the length of their service with the firm.

The same bonus is being given at other points where Higginbotham Bros. & Co. have stores. There are ten or twelve stores included. The total amount of the bonus at all points will reach somewhere between thirty and forty thousand dollars.—Haakel Free Press.

Wood Haulers, Notice.

Notice is hereby given that I will not allow any more wood hauling off my premises, unless teams come by my home.

COTTON GINNING REPORT

The Bureau of the Census announces the preliminary report on cotton ginned for the crops of 1919 and 1918, prior to Dec. 13. The following is a report for Callahan and surrounding counties.

County	1919	1918
Callahan	8,479	1,075
Brown	14,048	1,175
Colman	25,934	700
Comanch	11,162	1,650
Eastland	11,758	3,725
Fisher	25,679	1,977
Taylor	32,622	2,414

This part of the State is making its best cotton crop since 1914, when a considerably larger acreage was planted, but the price was very low. With this year's fine yield and record price, the most valuable crop in our history is being marketed. Come to Callahan—if not here, then to this section.

MRS. CRUMP PASSES TO BETTER WORLD

The many friends and acquaintances of the Crump family join the bereaved ones in this trying hour, when the death angel came and called the wife and mother from the happy home on earth to a life everlasting with our heavenly Father.

Mrs. Crump leaves a devoted husband and four children, with hundreds of friends to mourn her loss. She was born in Mississippi Sept. 11, 1860 and died Dec. 25, 1919. The funeral was held at the Crump home at 1 o'clock, Dec. 26 by Rev. Lee.

The deceased was Miss Hester Sonnell. She married T. A. Crump 43 years ago in Holly Springs, Miss. To this happy union four children were born. Mrs. J. S. Waller of Lovington, N. M.; J. L. Crump of Coleman, C. D. Crump of Lubbock and C. A. Crump of this city.

The deceased has been in poor health for the past thirty years and had been confined to her bed for several weeks.

All the children were present at the funeral but Mrs. Waller.—Santa Anna News.

GREAT COAL BED

Some day we will see some corporation open up a coal mine on the Hart Ranch, where coal was found in two wells drilled for oil. The vein is reported to be five feet thick in one well, and a mile away the vein was fifteen feet thick in another well. Both at a depth of about 550 feet. The hot sulphur water pouring out of these wells may prove to be of greater value than the famous Marlin wells, or Hot Springs, Ark. The coal beds of old Callahan county may yet prove of more value than any Texas oil field.

A geologist making a mineral survey for the T. & P. road, so we have been informed, located this coal field around the Hart wells about 37 years ago, long before the Thurber-Strawn mines were opened.

RANGER FIELD NOW HAS OVER THOUSAND OIL WELLS DRILLING

Exactly 1,093 wells are now drilling in the Ranger fields, besides there are 706 rigs and locations. This list includes all of the incomplete wells in Eastland, Stephens, Erath and Comanche counties, and embraces the principal producing wells in the Ranger territory. In this territory there are 1,025 wells that are spouting oil.

The largest number of producing wells are located in Eastland county, as well as the largest number of rigs and locations. The county now has 747 producing wells with a total daily production of 75,000 barrels. There are also 421 drilling wells and 381 rigs and locations. Stephens county comes a good second with a daily pro-

"Amarillo fair price committee reduces the price of eggs to fifty cents a dozen"—headline in daily paper. Mrs. Bidy, the producer, has done the stunt for Cross Plains thru the law of supply and demand. Amarillo consumers should move to a country where chickens and eggs can be grown.

Prof. Caswell A. Ellis, of the University of Texas, says that one-third of the men and one-fourth of the lady teachers left their positions in the schools of the State last year. Many teachers of lower qualifications have had to be used because only about one-fifth as many men and one-third as many women applied for positions this year as usual. The result will be worse next year. Low salaries is the cause. A common laborer gets much more than a skilled teacher. Your child's training will suffer.

Postage stamps, teachers' and preachers' salaries.

We have quite a bunch of old magazines and periodicals—not Reviews—that we consider too valuable to burn, and are holding them for those who care to read good literature and who do not have a chance at what this office happens to have, such as the Literary Digest, Saturday Evening Post, Baptist Standaard, Dumb Animals, etc.

BENSKIN.—On September 21, 1919, our beloved brother, J. M. Benskin of Edwards County, lost his life while crossing Hackberry creek during an overflow. He was a good Christian man and one who tried to live close to his Log and Master. While I had the happy privilege of being associated with him as his pastor for a year I learned to love him. I considered him as one of my very closest friends in West Texas. He was a whole souled Christian gentleman, he was the pastor's friend and a great believer in prayer and God's answer to prayer. He has helped many young preachers by his inspirational talks. He never seemed so happy as when in the Master's service. To his sorrowing family and friends I want to extend my heartfelt sympathy. He leaves a wife and several children to mourn his loss. One of his sons is now attending Simmons College as a ministerial student. He stands at the heavenly gate to welcome his loved ones. May they all be ready to meet him in the great beyond, where there will be no more tears or sorrow, but unspeakable joy.—J. E. Burrell.

AMBITIOUS YOUNG FOLKS

Had it ever occurred to you that you had as well try to be a successful physician without attending a medical school, or a successful lawyer without attending a law school, or a successful minister without attending a theological school, as to try to be a successful banker or merchant, or business man of any kind without first being trained for business in the Tyler Commercial College. You would attend a university with a reputation if you wanted to make a first class doctor, lawyer or minister. Why not use the same good judgment in selecting a business school in which to secure your training? The Tyler Commercial College of Tyler, Texas, is the business university of the South; it enrolls more students annually than any other similar school in America. Its students have come from 39 different states and seven foreign countries; its graduates are holding the very best of positions in the leading cities of the United States.

If you will spend from \$150 to \$250 for tuition, board and books for a course of Shorthand, Bookkeeping, Telegraphy, Cotton Classing, or Business Finance, or better still, spend \$200 to \$300 and complete any two of these courses, you will have made the best investment of your life. What young man or woman with grit and determination cannot raise this amount? Hundreds of students who borrowed every cent of the money to attend this school, or gave their note for part of their tuition will readily tell you that it was the best venture of their lives; they were soon able, through the good positions secured them by the college, to pay what they owed and continue to hold their good positions or go into business for themselves and succeed. If you always remain where you are, you will always be what you are. Think this statement over seriously. More than 300 new students before this month closes, will be added to the fifteen hundred that are now here. Why not you be among the number? You can enter any day and take up the work. For large free catalogue, verifying the above claims and more, fill in and mail.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to the one from Mrs. Z. V. Spivey of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. _____ had me get Cardui. . . I began improving, and it cost me. I know, and doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE CARD

The Woman's Tonic

She writes further: "I am in splendid health, can do my work. I owe it to Cardui, for I was in dreadful condition. If you are nervous, or down and weak, or suffer from headache, backache, etc., every month, get Cardui. Thousands of women praise this medicine for the good it does them, and endorse their women patients. This year, endorse this medicine. Think what it will do for you. It is like Mrs. Spivey's Cardui a trial.

Mrs. Leona Gilbert.

Mrs. Leona Gilbert, wife of John T. Gilbert, a resident of Cross Plains for twenty-nine years, died Tuesday at 8 p. m., Jan. 13, after suffering for many days, and was buried in the city cemetery in Cross Plains on Wednesday, the 15th, the funeral services being conducted from the church by Rev. R. D. Rogers, assisted by S. A. Rogers. Her four sons and two sons-in-law all pall bearers.

Mrs. Gilbert, nee McClure, was born on a farm nine miles east of Cross Plains, Texas, on Jan. 12, 1855, and was at her death 64 years, three months and 11 days old. She was married to John T. Gilbert in the year 1884. She was the yearling of her sister, Mrs. J. Gibbs, in Tyler. To this union were born eleven children, five of them survive her. They are: Mrs. Fannie Leona Derrett, Fort Worth; John Scott Derrett, Woodson; Mrs. Lucy Marshall, Putnam; Mrs. Edith Derrett, Cross Plains; Mrs. Helen Derrett, Putnam; Victor

Bryson Gilbert and Mrs. Ruby Beulah Shackelford, Cross Plains; Wyatt Harry Gilbert, Breckenridge, and Ernest Eugene Gilbert, Cross Plains. She leaves her husband, John T. Gilbert, also sixteen grandchildren, two brothers, T. J. McClure of Pioneer, and S. H. McClure of Roby, and one sister, Mrs. Addie March of Corsicana.

She was converted at Tyler, under the ministry of Maj. W. E. Penn, in about the year 1869, when she was about fourteen years of age, and at the same time joined the Baptist church. She lived a devoted Christian life until the time of her death.

She was a faithful wife, a loving and indulgent mother, a good neighbor, having the love and respect of all who knew her. "None knew thee but to love thee, none named thee but to praise."

The Review joins with the many friends of the family in extending condolence.
