CROSS PLAINS' OLDEST BUSINESS INSTITUTION

"Without offense to friends or foes we sketch Cross Plains exactly as it goes."

## Home Town Gossip

Things happen in the town of Cross Plains every day. One of the odder things happened Sunday afternoon when Richardson, local sharpshooter, looked a ball over the number one hole at the course. The ball struck the very tip of her horn and a scar on the ball as it had been hit with an ax. The bovine shook her head and threatened revenge as the Plains fire-man retrieved the ball.

## First Conference Game Set Here Friday Night

### BALLINGER COMES HERE TO TANGLE WITH BUFFALOES

#### Bearcats Are Heavier, More Experienced But Herd To Make "Do Or Die" Attempt

Cross Plains high school Buffaloes start playing for keeps Friday night as they meet the highly touted Ballinger Bearcats here in the first conference tilt of the current season. The Bearcats, tutored by coach "Pooch" Wright, are admittedly tough, however, the thundering herd has announced they intend to make a "do or die" stand of it. Ballinger met Lorraine last week in their first game of the season. Playing without the services of halfback Wright an all-conference hold-over from last season—the coach's son—the Bearcats held the powerful Lorraine team to a scoreless tie. Reports reaching here are that Ballinger held the edge all the way but lacked the scoring punch due to the absence of spark-plug Wright, who will be sufficiently recovered from a head injury to play against Cross Plains. Adding to coach Socrates Walker's worries is the fact that Bill Russell, speed star of the local backfield, is nursing a leg injury sustained in the Baird fracas Friday night. Russell is expected to play, however, his usual flash will likely be missing. The Buffaloes one chance for glory will probably rest upon the improbability of its forward wall. If Upton, Scott, Foster, White, Moore, Elnabe, Mims, Browning and company are able to halt the Bearcats powerful running attack, anything may happen when the visitors take to the air. In the Cross Plains secondary are several lads capable of intercepting high-hard chunks and out-racing opponents to take from about 600 week-end newspapers. Sunday morning, September 28, he has asked this columnist to join him in a ... over the big network. ... principal topic is to be the ... and apprehension ... army deserters here, how ... program will carry sev ... good plugs for the of ...

### Surrender Here Thursday Climaxing Wide Man-Hunt

Pictured above are four U. S. army deserters who surrendered to officers in Cross Plains Thursday at noon of last week, climaxing the most extensive man-hunt ever seen in this section. They are now held in Eastland county jail in forfeit of \$10,000.00 bonds on charges of robbery with firearms and automobile theft.

Left to right (top) they are: Private Audrey M. McBride, 29, Klondike, Texas; Private Walter Sakaitis, 27, Chicago; and Private Roy Rankins, 20, Tacoma, Washington; bottom at right is Corporal J. A. Steinbaugh, 21, Greenville. The soldiers told officers that they arrived in Cross Plains Monday night, sleeping in the car that night and in the open country Tuesday and Wednesday nights. Fear of being killed, thirst for good water and the want of wholesome food was attributed by the quartet as being dominating factors in their decision to surrender.

### HUBERT KENETH HANKE HONORED WITH SHOWER THURSDAY AFTERNOON

A baby shower was given Mrs. Hubert H. Hanke, for Hubert Kenneth Hanke, two month old adopted son of Mr. and Mrs. Hubert Hanke, at the home of Mrs. Bill Koenig, September 11, with Mmes. Alford Franke, J. E. Hanke and Bill Koenig acting as hostesses.

Refreshments of cake and punch were served to the following ladies present: Mmes. Sam DeLusk, J. C. Watson, Bill Hoover, Ivan Hill, Alice Edgington, Edna Koenig, Bill Richards, of Galveston, J. C. McDermott, W. M. Franke, A. W. Franke, C. B. Edgington, R. H. Hanke, R. T. Watson, A. J. Koenig, W. E. Connelly, Adolph Hanke, A. K. Wesley, W. J. McAnally, E. C. Key, Kate Womaek, Lorraine Koenig, Carl McAnally, Misses Madeline Hanke, and Elizabeth Koenig. Those sending gifts were Mrs. Hood Brooks, Mrs. Earnest Kimbrough and Hassetine, Mrs. Leroy Beard, Mrs. George Ady of Wichita Falls, Mrs. Clara Long, of Forsan, Mrs. Nora Koenig, Mrs. M. Hanke, Mrs. Luther Hoover and Mrs. O. J. McClure of Wichita Falls.

### MRS. JACK MEADOR IS HOSTESS TO QUILT CLUB

The home of Mrs. Jack Meador was the scene of the Sally Quilters meeting Thursday afternoon, September 18. The two quilts were not completely finished.

### CLEANING OUT WELL ON H. VESTAL TRACT

Contractors on the deep oil test on the Harve Vestal tract, eight miles Northeast of Cross Plains, are now cleaning out the hole and the Pioneer line formation is expected to be added late this week.

### TO BUILD BAND HALL ON SCHOOL'S CAMPUS

A band hall is to be built on the Cross Plains school campus within the near future. Construction likely will begin some time next month. The structure will be located just Southeast of the home economics cottage. It will be used for band practices, music instruction and to house band equipment.

### \$18,000. PAID FOR SHALLOW OIL LEASE

E. E. Thate, of Cross Plains, closed a deal this week with the Amarado Petroleum Company for the J. H. Fry lease in the Fry pool, 15 miles Northwest of Brownwood. The consideration was \$18,000.00. Mr. Thate plans to clean out a number of wells and place them on operation of the field October first. Mr. Thate is recognized throughout this section as an authority on shallow oil production and is familiar with the many different angles of the oil business. Friends say he will increase the present production of the lease appreciably.

### MRS. W. A. MCGOWEN IS IMPROVING NICELY

Her many friends in Cross Plains will be gratified to learn that Mrs. W. A. McGowen, of Wink, is doing nicely after a recent serious illness. Mrs. McGowen is at present at the home of her daughter, Mrs. Sidney Hughes.

### DE LEON COUPLE BUY WALDON HOME HERE

A deal was closed here this week between Mrs. Minnie Waldon, of this place, and W. B. Hall, of De Leon, whereby the latter became the owner of the Waldon home, located four blocks East of the Baptist church. Mr. and Mrs. Hall have moved into the residence and Mr. and Mrs. Waldon and son have moved to De Leon, where they will make their home.

### EX-STUDENTS TO MEET TUESDAY NIGHT; DISCUSS PLANS FOR HOME-COMING

President of the Ex-students Association of Cross Plains high school, Melvin Placke, announces a meeting of all ex-students in the study hall at the local high school, Tuesday night, September 30, at seven thirty o'clock.

### DEMONSTRATION CLUBS IN AREA MEETING ON FRIDAY AFTERNOON

Plenty of time and plenty of patience are of vital importance if old furniture is to be properly refinished. This fact was imported by Clara Brown, county home demonstration agent, to a group of ladies from Turkey Creek and Cottonwood at an area meeting in the Turkey Creek school building Friday afternoon, Sept. 19, 1941.

### BOYS WHO WANT WORK TOLD TO SEE VARNER

Boys between the ages of 17 and 25 who wish employment are urged to contact Leo Varner, superintendent of Cross Plains schools either Friday or Saturday of this week. Mr. Varner states that he has work for between 25 and 50 boys if that many are available.

### THREE LOCAL MEN GO THROUGH TEMPLE CLINIC

### Committee Will Give Advice On Debt Difficulties

Expert advice on how to smooth out debt and land-tenure difficulties with landlord and creditors will be furnished to debt-burdened farmers Monday, October sixth, when the Callahan County Farm Debt Adjustment Committee meets.

The meeting will be held in the Court House at Baird according to J. A. McKnight, rural supervisor.

Roy Kendrick said that committee members would give debt-burdened farmers and their creditors and landlords the benefit of their experience and best judgment in working repayment schedules and land-tenure agreements that are fair to both parties.

"The committee's services are free and confidential," he states, "and we welcome any farmer, whether tenant or owner, who finds it impossible to pay his debts or get a farm for next year on a satisfactory basis."

The Farm Debt Adjustment Committee is sponsored by the Farm Security Administration as part of its efforts to help small farmers and ranchers to make a better living on the land and to increase the security of their land tenure.

## THIS IS THE HOME OF THE MORRIS ASSOCIATION BROWNWOOD, TEXAS

The Morris Association is now in its 9th year and has shown a steady continuous growth since it was organized. Below we give some of the reasons this has been possible . . . . .

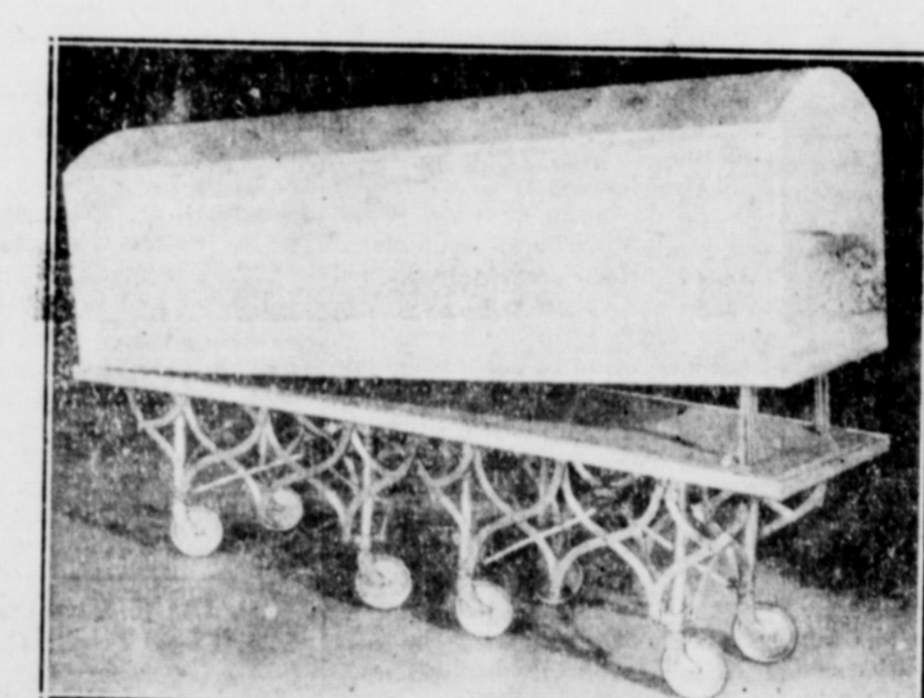

- It is a local company managed by local people . . . . .
- It is not connected with any other company . . . . .
- It has paid more than \$80,000.00 to the Beneficiaries of its policy holders . . . . .
- It pays all claims promptly . . . . .
- Its claims are paid from the main office in Brownwood . . . . .
- Its claims are paid in cash . . . . .
- It is planned especially for Burial Expense . . . . .
- It offers reasonable rates . . . . .
- It maintains a cash balance at all times . . . . .
- Its cash balance makes prompt claim payment possible . . . . .

(WE REPEAT) The Morris Association is in no way connected with any other Insurance Company.

The Policy we have maintained to pay all claims in cash has won the favor of our many policy holders. It is a fair plan. If you pay your good cash to buy our policy, we should pay you in the same manner, and that means cash.

Investigate our liberal plan of Burial Insurance. It will give you the protection needed at time of death, and the rates are reasonable.

 Mr. and Mrs. John Farr closed a deal Saturday afternoon with Jim McGowan, of Odessa, for his home on South Main Street, that occupied by Mr. and Mrs. Guy Cole and family. Considerations of the transaction were not made known.

**Oh! Johnny**  
 Wee Bonnie Baker, reviver of Oh Johnny, Oh, Johnny, and other popular songs of the past, will be featured with Orrin Tucker's Band at the Cafe Esplanade in the Automobile Building, it has been announced here by George T. Smith of Fort Worth, who will operate the huge dine and dance place.  
 In addition to Miss Baker and Orrin Tucker, Mr. Smith will present a complete floor show three times daily.  
 Included in the floor shows at the Cafe Esplanade will be such stellar acts as Buster West and Lucile Page; A. Robbins, "The Banana Man," Hibbard Bird, and La Rue; the Nelson Sisters; Wilfred Du Bois, and Bud Hughes and his pals, and a line of twelve of Sam Rose's girls.

**NEWS BRIEFS OF BYGONE DAYS**  
 Little Squibs Gleaned From Files Of Review

**September 19, 1919:** Claude Stephens, of Burnt Branch and Miss Linnie McGowan of this place were married in Brownwood on Saturday, Justice of Peace Cross, tying the knot. The groom is the son of Mr. and Mrs. E. M. Stephens of Burnt Branch and the bride is the daughter of Mr. and Mrs. W. S. McGowan, of this city. They will make their home in Cross Plains after spending a few days on a honeymoon trip to Weatherford, Lott and other points.  
**September 19, 1919:** Dr. Robertson received a telegram on Wednesday afternoon stating that his sons, Randolph and John, had been shot and robbed in Mount Signal, Calif., where they are conducting a general store. The message stated that Randolph was shot in the shoulder neck and thigh, and John was shot in the shoulder. Fred Robertson left immediately to be with his brothers. Upon arriving in El Centro he found them out of danger and they had not been seriously injured.  
**October 17, 1919:** R. P. Evans, a well known citizen of Cross Cut, sustained a severe and perhaps a dangerous injury in falling from a pecan tree last Friday afternoon. At first it was thought that his back was broken, but a later examination at Brownwood showed this not to be true. He is in much better condition than it was at first thought he could be. Mr. Evans taught in the Burkett school system last year and has taught at numerous other places in this part of the country, and has many friends who regret to hear of his being hurt.  
**October 24, 1919:** Last Friday night an even dozen of Cross Plains noble young business men met in the Westerman barber shop for the purpose of organizing a young men's club. The following officers were elected: Ross Wagner, president; Taylor Bond, vice-president; C. A. Freeman, secretary; Tige Gilbert, assistant secretary; J. D. Conlee, treasurer and Hub Swan, sentry. Committees were then appointed to purchase fixtures to draft by-laws and a constitution, and to select an appropriate name for the club.  
 We have been very fortunate in securing the office over the Farmers National Bank for our meeting place. Thursday night was selected as our regular meeting night.  
 Charter members are: Ross Wagner, Taylor Bond, Walter Westerman, J. D. Conlee, Tige Gilbert, Russell McGowan, Jim McGowan, Ollie Harlow, Hub Swan, C. A. Freeman, Drew Baum, and David Anderson, Bill Forbes and Claude Harrell are new members.  
**October 31, 1919:** Eugene W. Miller, who returned here the first of the week from Youngstown, Penn., reports the organization of the Youngstown Oil Co., capitalization \$250,000 for the purpose of drilling a well on the McGraw place three miles west of town. The company has other holdings in Callahan and Eastland counties. None of the stock is for sale.  
 The company is under contract to be drilling by January 1. We are glad to report this new location near town. It will give this country a fair test.  
**November 7, 1919:** Bery Edwards, while working at the Dressy gin Monday, got his right hand caught in a saw and lost the index finger entirely and had another badly mutilated.  
**February 13, 1920:** A regular passenger train service, separate from the local freight will be inaugurated on the Cross Plains division Sunday, February 15. The train will be operated from Cross Plains to De Leon and its scheduled time will be a great convenience to the people at this end of the route.  
**February 13, 1920:** The flu has a hard grip on Cross Plains and vicinity. There are probably as many cases here as at any one time last year, but few of the cases have so far proved so serious. Every precaution should be taken to avoid the spread of this disease. Avoid crowds and people who cough and sneeze.  
**April 23, 1920:** An interesting freak of nature is reported in the flock of sheep of J. H. Candler near Fisk—a lamb with two distinct heads, two mouths and four eyes; two eyes being in the center and one on each side. The lamb can nurse with either mouth and is a large developed ewe lamb. The mother sheep and her freak lamb are both reported as alive and doing well.  
**May 7, 1920:** Higginbotham Bros. and Co., store was burglarized Saturday night, something between fifteen hundred and two thousand dollars' worth of silks, skirts, pistols etc, being taken. The store was entered through the rear door, which was opened with a plank as a lever.  
 No clues have been found whereby the burglars can be identified. This is the first time in history of the town that a burglary of any magnitude has been reported. Cross Plains has enjoyed an even tenor of existence for a number of years, but now with the advent of the oil boom we may expect thefts and the only effectual way to combat them is perpetual vigilance. Plans are being made to secure a good night watchman.  
 Mrs. Earl Horton and children returned Gene Graves to her home in Cisco Sunday.  
 Mr. and Mrs. Nathan Foster and baby of Atwell were visitors here the past week end.  
 Mr. and Mrs. W. A. Williams were Brownwood visitors Friday afternoon. Miss Carol Ann Williams, daughter of W. A. Jr., returned home with them.

# Home Paper Pushing Renewal Of Subscriptions

## PRICE CUT DESPITE SOARING COSTS FOR PUBLICATION NEEDS

Present Bargain Rate Can Not Be Continued Long So Prompt Action Urged

Bargain days on subscription renewals to the Cross Plains Review, which began early in September, may be necessarily shortened this year, until running to Christmas as heretofore. Almost daily price increases in requirements which go into the manufacturing of a newspaper forbid long time commitments.

Government demands for priority on a number of items in the printing and publishing field make the future unpredictable. It is only through the advance purchase of a large quantity of newspaper that the Review is now able to offer the former bargain day prices of \$1.00 per year in the trade territory and \$1.50 per year elsewhere.

Since wide publicity is being given on the bargain day period this year through the news columns of the paper, notices of subscription dates will likely not be mailed out. Those who desire the paper continued to them another year are urged to get in on the reduced rate now. The publishers desire very much to keep sending the paper to all old time readers and want to do so as economically as possible for all parties concerned. It is, therefore, urged that subscribers take advantage of the current bargain offer now.

## BUFFALOES LOSE TO BAIRD 20-0 FRIDAY

Cross Plains high school Buffaloes tasted their first defeat of the season at Baird Friday night as they were defeated 20 to nothing in a non-conference contest.

All of the Baird tallies were made by Yarbrough and Hatchett, Bear backs, both of whom turned in stellar performances.

Cross Plains failed to seriously threaten during the evening. The herd was unable to cope with the weight advantage carried by the adversary.

Mr. and Mrs. Dorse Harris, of Bayou, were visitors here this week end.

Garland Smith, of Dallas, spent the past week end here visiting his parents, Mr. and Mrs. W. D. Smith.

Mr. and Mrs. L. L. Houser and son Bill, have returned from Louisiana, where they visited Jack Houser.

Mr. and Mrs. Paul Taylor and family, of Breckenridge, visited friends and relatives here this week end.

Mr. and Mrs. Ray Tyler and son, Nathan Ray, Mrs. N. E. Tyler, and Miss Lillie D. McAllister were Rising Star visitors Friday evening.

Some fellows can get away with anything. There's one in our neighborhood that does.

Morals don't mean a thing to him. He's unmarried, and lives openly with a woman he's crazy about; and doesn't care what the neighbors say or think. He has no regard for truth or law.

The duties of the so-called good citizens are just so much bunk as far as he's concerned. He doesn't vote at either the primaries or the general election. He never thinks of paying a bill.

He won't work a lick; he won't go to church; he can't play cards, or dance, or fool around with musical instruments or the radio. So far as known, he has no intellectual or cultural interests at all.

He neglects his appearance terribly. He's so indolent he'd let the house burn down before he'd turn in an alarm. The telephone can ring itself to pieces and he wouldn't bother to answer it. Even on such a controversial subject as the liquor question, nobody knows exactly where he stands, because one minute he's dry, and the next minute he's wet.

But we'll say this for him, in spite of all his faults he comes of a darn good family.

Here in Fort Worth where something of a model city ordinance has been in effect since 1937, the high-rate lenders are exacting a toll from thousands of persons, declares, J. L. Pritchett, Better Business Bureau manager.

Surprising, too, are many of the borrowers who are in the grasp of loan sharks, for their number includes firemen, policemen and school teachers. Many are wives who have borrowed without the knowledge of their husbands and are forced to stand on the household budget for food and clothes for their families in order to pay 300 per cent interest or more.

The ordinance requires that the loan companies take out a license, give a bond and keep records which can be inspected by the city. Some features were held unconstitutional, however, and this leads many who have studied the problem to believe that only through a Constitutional amendment and through State regulation can the situation be controlled.

There are some 35 concerns leading money at usurious rates in Fort Worth. Most are chain-owned with the management controlled by remote control from Memphis, Tenn., New Orleans, Atlanta or some other out of state city and the local manager is able to shift responsibility and, in the rare instances of legal steps, relief is difficult to obtain.

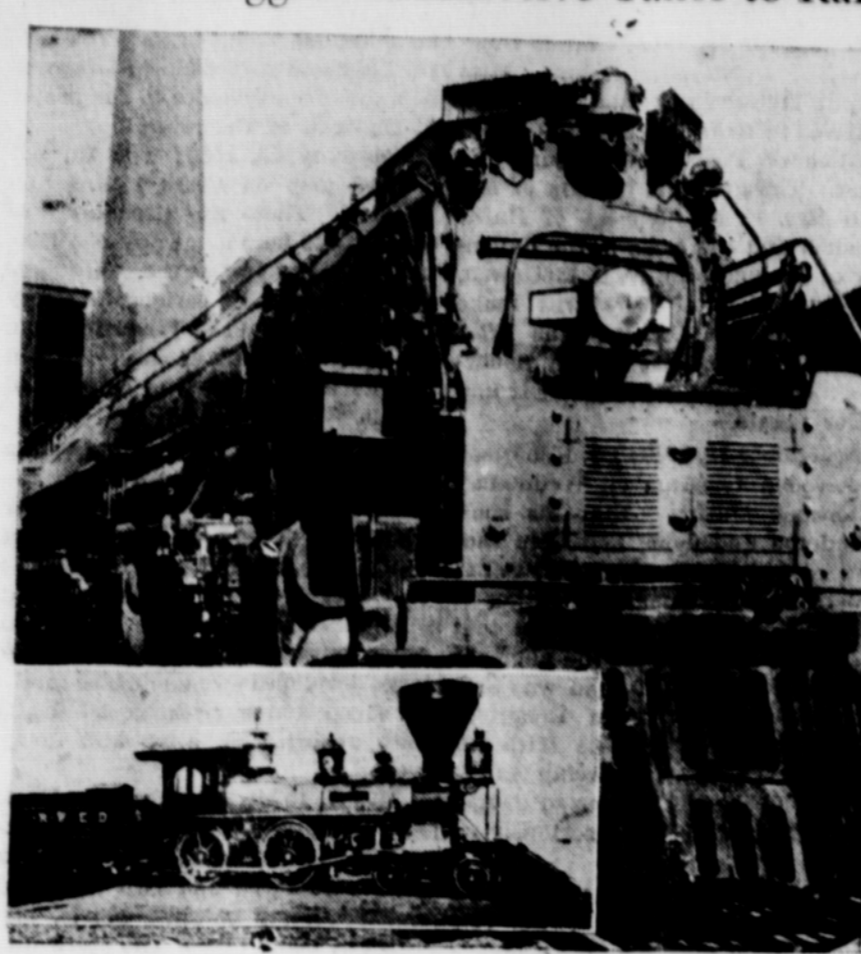

Some of the companies will pay \$1 to person turning in a name of a new customer. To entice a prospect they will make a loan absolutely without interest if repaid in 30 days. There's the catch, of course, because in most instances, the borrower can not pay off the loan that quickly. And as many of the loan sharks will not accept partial payments, the borrower may remain in their clutches for years.

Feel gim? Keep mum. Don't grumble. Be humble. Trins cling? Just sing. Don't fear; God's near. Money goes? He knows. Honor left? Not bereft. Don't rust! Work! Trust!

Can you remember away back when a blind fiddler would be in town on a Saturday and play doleful songs with 30 stanzas about the lurid careers of criminals and their speeches on the scaffold?

So many folks have asked for more information about ice hockey (which will be played for the first time in Texas this winter in Fort Worth) that here are a few facts about the sport: It is played of course on ice and the players wear skates; they skim over the ice at a speed of 40 miles an hour; there are no time-outs for substitutions, players leaving and entering the game on the fly; and the pace is so terrific that the two wings and the center are unable to play for more than four minutes at a stretch when three fresh men go in and the starters rest a while. Spills are frequent.

## World's Biggest Locomotive Takes to Rail

"Big Boy," the largest and most powerful locomotive ever built. It was constructed by the American Locomotive Company for the Union Pacific, to handle increased traffic resulting from defense orders. It is 132 feet long. In inset is shown the Seminoles, built 75 years ago for the Union Pacific, whose total size was about equal to the tender of "Boy Boy".

ent and some-times fists fly. Popularity of the sport is shown by the fact that the Chicago Blackhawks, in 24 home games last year, drew an attendance of 370,000. Texans, who like football and rodeos, are expected to take to this new sport.

The information probably comes a little late but old Uncle Zeke had a method for telling when it was safe to eat watermelons. (If you eat one too early in the season, it might make you a trifle indisposed. "I know it's safe to eat a watermelon," Uncle Zeke used to say, "when they get down to a nickel apiece.")

The most powerful king on earth, according to the Lometa Reporter, is working; the laziest, Shirkling; the wittiest, Joking; the quietest, Think-king; the slickest, Wink-king; and the noisiest, Talk-king.

## PROLONGED RAINS DAMAGING COTTON AND PEANUT CROPS

Shortage Of Labor Is Also Confronting Farmers As Harvest Time Draws Near

Several weeks of dry weather is one of the most pressing needs of the Cross Plains trade territory. Farmers report recent, prolonged rains have done untold damage to peanut crops and caused greater insect activity in cotton fields.

Peanuts this year will bring producers approximately \$25 per ton more than like kind and quality last year, however, indications now are that yields will be smaller and that grades in a y be lower. Prices established by the secretary of agriculture put peanuts growing on allotted acres at the following figures: number ones, \$88 per ton; number twos, \$82; and number threes, \$75.

Cotton likewise, is bringing far more than did the same kind of lint in 1940. The market in Cross Plains has been well over 10 cents since the opening of the season. It too, however, is suffering from the infestation of pests: flea-hoppers, leaf worms and boll weevils.

Another problem confronting farmers is that of labor. If the weather clears and yields turn out even fairly good they be unable to secure enough labor to harvest peanut and cotton crops in the normal manner.

Concerning the peanut situation, county AAA administrator E. L. Pierson, yesterday submitted the following statement for publication:

Peanut growers diverting 1941 peanuts into the manufacture of oil and by-products through designated producer agencies will receive approximately \$25.00 more per ton than they did under the 1940 diversion program.

Prices established by the Secretary of Agriculture August 8, scheduled No. one Southwestern Spanish peanuts at \$88 per ton, number two at \$82 and number three at \$75 and the Southwestern Spanish Peanut Growers' Association, has been designated as an agency to which growers can deliver their peanuts.

Under the diversion program, only quota peanuts will be sold at these established prices, while "excess" peanuts will be paid for at current oil prices.

Quota peanuts, are those produced on the 1941 AAA peanut acreage allotments. Federal payments will be made to the cooperating producers for quota peanuts diverted to the manufacture of oil and by-products. The payments will be the difference between the value of the peanuts for oil and the scheduled price plus handling, storage and selling costs. The price for "excess" peanuts, produced on acreage in excess of acreage allotments, will not be less than the market value for crushing for oil on the day of delivery less estimated costs of handling, storing and selling. "Excess" peanuts marketed outside the designated agencies will be subject to 3 cents per pound penalty.

If it is impossible to resell excess peanuts when they are acquired and the required prices paid producers are more than the amount received by the agency when the peanuts are sold, Federal payments are provided to reimburse the agencies.

Quota peanuts purchased by the cooperating agencies likely will be ware-housed until demand from the edible trade can be determined, while non-quota peanuts probably will be sold to crushing mills as soon as they are acquired. Federal payments, however, will not be made for quota or non-quota peanuts resold to the edible trade, or for any purpose other than crushing for oil.
