A Common Paper for Common People

LOCAL SCHOOL BOARD ELECTS TEACHERS FOR 1957-58 TERM

The Clarendon Consolidated Independent School District Board of Trustees elected teachers and administrators for the 1957-58 school year at a recent called meeting of the board.

W. W. Pinkerton, Superintendent of the Public Schools and President of the Junior College, who is completing his second year at Clarendon, was given an extension to his present contract. His present contract included the 1957-58 school year and the board extended it to include the 1958-59 school year. Other administrators re-elected were R. E. Drehan, Dean of the Junior College, Kenneth Vaughan, High School Principal and Stina Cain, Junior High and Elementary Principal.

College and High School teachers re-elected were: John Gillham, Vocational Agriculture; Mrs. Evadne Cox, high school English; Oliver J. Abel, college and high school business; Mrs. E. J. Walker, college and high school business; Tom Jinks, high school football and track coach and social science teacher; Kenneth Clapp, assistant high school football and head basketball coach and social science teacher; Miss Lucile Polk, college, history and art; Miss Naomi Allison, college and high school speech and Spanish; J. N. Weaver, high school mathematics; D. E. (Buddy) Travis, college basketball coach and physical education and government teacher; Mrs. Annie Thomas, high school English; Miss Gladys Burnham, college and high school Biology and high school physics; W. W. Cooper, college and high school chemistry and college physics; Mrs. Fred Bourland, high school vocational home-making, and Allen Pittser, band director. Resignations were accepted from F. S. Reisdorph, college mathematics; Mrs. Ruth Reisdorph, college English, and Jeanette Stogner, librarian.

Junior High teachers re-elected were: Mrs. Anne Kennedy, social science; Miss Inez Blankenship, English, reading and spelling; Mrs. Claudine Todd, English, Reading and spelling; Mrs. Clara Gillham, mathematics; Johnny Leathers, science, and Jack Johnson, social science and coach.

The following elementary teachers were re-elected: Mrs. Nova Mears and Mrs. Hazel Brandon, first grade; Mrs. Virgie Johnson and Mrs. Mildred Hendrix, second grade; Mrs. Evelyn Guy and Mrs. Bobbie Moore, third grade; Mrs. Naomi Gilbreath and Miss Edgar Mae Mongole, fourth grade; Mrs. Floy Barrow and Mrs. Zola Donald, fifth grade. Mrs. Velma Weaver was re-elected in her position as public school music teacher for the elementary school and part-time college music teacher.

Mr. and Mrs. E. J. Chenault left Monday on an extended trip to the west coast where they will visit relatives. They plan to be gone about three weeks.

Services Held Friday For Mrs. A. J. Sibley

Funeral services were held Friday afternoon in the First Baptist Church for Mrs. Lucy Ann Sibley with Rev. W. F. Vanderburg and Rev. Tom Carmichael officiating.

Mrs. Sibley, 84, died last Thursday morning in an Amarillo hospital. Mrs. Sibley was a long time resident of Clarendon prior to making Amarillo her home. She was a member of the Baptist Church.

Survivors include two daughters, Mrs. Luke Stephenson, Amarillo and Mrs. W. A. Lewis of Roaring Springs; five sons, W. S. and H. E. of Amarillo, J. M. of Beaumont, E. A. of Dallas and Guy Sibley of Clarendon; one sister, Mrs. Adeline Sparks of Abilene; 23 grandchildren and 34 great-grandchildren.

Pallbearers were Clarence Reynolds, Raymond Waldrop, Earl Easterling, Geo. Bulman, Oran Lee Hill and Charlie Earn.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Dusters To Play Groom In First League Game Sunday

The Clarendon Dusters will journey to Groom this coming Sunday for their opener in Caprock League play. This will be their first game of the season also as their practice game with Hedley has been rained out the past two Sundays.

The game at Groom Sunday will begin at 3 o'clock and the Dusters are looking forward to a good batch of local boosters going along to help them bring home the first win of the season. The local team is composed of more younger players and a stronger pitching staff which should give the Dusters an even chance as a strong contender for leadership in the league this year.

Philly Ties For Fourth In State Pole Vault Event At Austin

Jimmy Philly tied for fourth place in the pole vault at the State Track and Field Meet at Austin last Friday. Jimmy, along with seven other vaulters, cleared the eleven foot six inch mark; three of the jumpers cleared the bar at twelve feet, taking the first three places. The other five boys split the fourth place points. Jimmy had a near-miss at the twelve foot mark on his third try, just barely knocking the crossbar down.

F.H.A. Style Show To Be Presented May 13

The Homemaking students of Clarendon High School will present their annual style show May 13th at 8 p. m. in the high school auditorium. The public is invited to attend. There will be no admission charge. All garments to be styled in the show were made either in class or as home projects. They include pajamas, skirts and blouses, shorts, slimmings, pedal pushers, shirts, and special occasion dresses. A special attraction this year will be the children's clothing made in Homemaking II classes. Models will be small-fry from our community. Special musical skits are planned to acquaint you with other phases of the Homemaking program. If you have any doubts as to the abilities of teen-age seamstresses, come see for yourself how they choose colors, materials and styles to correspond with their busy lives and to keep in step with the times.

City Sets Date For Clean Up Week

Mayor H. T. Burton announced this week that city officials had set May 27th thru June 1st as Clean Up Week in the city of Clarendon. Everyone should keep this date in mind and plan now to take advantage of the City's hauling facilities as well as get their place cleaned up.

The above date will actually be the week that the City trucks will make the rounds to pick up all trash. If you desire to participate you should start rounding up now and have everything stacked in the alley by May 25th. Mayor Burton pointed out that trash must be of the size that one man can handle as large tree trunks, etc. will not be hauled unless cut up in smaller pieces. The city truck will make each area only one time so it will be necessary for you to have your trash ready when the truck comes. Let's all cooperate in this City-Wide clean-up and improve the appearance of our little city.

District Softball Meet Here Saturday

The District 2-A softball meet which was scheduled to be played here last Saturday was re-set for this Saturday, May 11, due to the rainy weather last week. The four divisions, high school boys and girls, and junior high school boys and girls, will start play at 9:00 A. M.

The meet will be under the direction of Stina Cain, Junior High Principal here at Clarendon.

Annual F.H.A. And F.F.A. Picnic At Club Tuesday

Approximately 150 members of the Clarendon Future Homemakers and Clarendon Future Farmer organizations and their guests enjoyed a chicken barbecue picnic at the Country Club Tuesday afternoon. Almost the entire membership of the two organizations, a majority of the high school teachers, and a number of other guests were in attendance at the annual event.

The group gathered at the club at approximately 4:30 p. m. and enjoyed games until 7 when the barbecue with all the trimmings was served. The F.H.A. members under the direction of their instructor, Mrs. Fred Bourland, prepared the beans, salad, deviled eggs, tea, and other portions of the meal other than the chicken. The group is grateful to Doyce Graham, Hubert Rhoades, and John White for their supervision of the preparing of the barbecued chickens. Home-made ice cream was prepared by the girls and frozen by the boys and served to complete a very enjoyable picnic occasion.

Country Club Plans Revealed

At a special meeting of the Board of Directors of the Clarendon Country Club, Bill Greene, president, reported that plans to remodel and air condition the present club house seemed quite practical. Remodeling the club house so that the present large room will be extended with a continuous smooth hardwood floor on to the porch and the present porch enclosed. Air conditioning will be added so that these facilities will be used during the summer months by more members for more fun. Once the club house is remodeled, Mr. Greene explained that an automatic coin controlled record player would be installed so that groups of any size at any time would have music available to them. It is the intention of the Board to have year-round activities for all members interest and entertainment.

C. A. Pitts reported for the golf committee on the construction of a putting green near the club house and the possibilities for the construction of a driving range. Further details must be worked out, but it seems a good bet that you could shine your old putter and driver for use before long.

Since several members have mentioned their interest in having swimming instruction for the youngsters (and for themselves too), George Thompson was appointed to arrange for a qualified instructor so that young and old alike could get their feet wet in safety with enjoyment during the hot summertime.

For the ninnyrds, tyros, and experts who would like to show their skill and develop it further with their scatter guns the trap range is available at any time. For those who would like to have invitational trap shoots for members and guests in this area, please contact Walter Fraser, Memphis, Claude, Groom and Clarendon have had good trap shoots in the past and there can be more now.

In order to keep the club grounds in eye-appealing order, Mrs. W. W. Taylor, Mrs. Forest Sawyer, Mrs. W. J. Greene, and Mrs. W. J. Lewis, Jr. were appointed to the Grounds Landscaping Committee. These ladies will plan and supervise the type and placing of plantings which mean so much in the finished picture of beautiful club grounds.

With these plans underway, a list of prospective members was presented to each director for personal contact. The Board of Directors was to present the opportunity for many others to join the club and enjoy the fun and entertainment that will be available.

Services Today For Mrs. W. H. Moore

Funeral services have been set for 2:30 this afternoon in the First Baptist Church for Mrs. Myrtle Oveta Moore with Rev. W. F. Vanderburg officiating.

Mrs. Moore, 64, died early Tuesday morning in Adair Hospital. She had been a resident of Donley County the past 20 years.

Survivors include her husband, W. H. Moore; three daughters, Mrs. Cornelia Thompson, Amarillo, Mrs. Nell Stanton, Lefors, and Mrs. Mable Stone, Clarendon; a son, Harry Griffith, Los Angeles, Calif.; her mother, Mrs. Annie Butler, Clinton, Mo.; a brother, Bill Richardson, Clarendon; five grandchildren and one great-granddaughter.

Pallbearers will be Will Chamberlain, Walter Clifford, Pete Borden, John Rhea, W. E. Ray and Buck Glass.

Burial will be in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr. and Mrs. Lloyd Hefner and Holley of Amarillo visited Sunday in the home of Mr. and Mrs. A. O. Hefner.

Plans Off To Early Start For Annual Celebration

Officers and Directors of the Outdoor Entertainment Association met Monday night to get plans moving for the annual celebration here July 2nd thru the 4th. The next meeting of the association was set for Monday, May 20th at 8 p. m. in the College building.

Results of the meeting were as follows: Mrs. Horace McClellan was named in charge of the Queen Contest and will be making contacts this next week lining up contestants. All business firms will choose their own contestants and you are asked to be giving this your undivided attention between now and next week. Prizes in the contest will be a pair of shop made boots for the winner, a hat for second place and a belt and buckle for 3rd.

R. E. Drehan and J. G. McAnear will be in charge of the Parade and prize money for this event will be \$25 for 1st place and \$15 for second.

The association raised prize money in all rodeo events. \$10 was added to all three places in all events except the Wild Mare Race which was raised from \$30 to \$50. The Donley County State Bank and The Farmers State Bank will give a shop-made saddle to the best all-around cowboy. Belt buckles will go to best average winners in each event.

Plans for publicizing the celebration were discussed and an early advertising campaign will be in effect within a few days letting the people over the entire area know we are going to have a bigger and better celebration than ever.

Honor Students Of Local Schools Named

K. D. Vaughan, high school principal, announced this week that Walton Crain, son of Mr. and Mrs. W. M. Crain of Goodnight, was named Valedictorian of the high school with an average of 96.3. Salutatorian is Elizabeth Smith, daughter of Mrs. C. A. Smith, with an average of 96. The runner ups were Donald Pitts, son of Mr. and Mrs. C. A. Pitts, with an average of 95.8, Margaret Cushing, daughter of Mr. and Mrs. Bill Cushing, with 95 and Lloyd Risley, son of Mr. and Mrs. Lloyd Risley with 92.2.

The Jr. High Valedictorian is Judy Thompson, daughter of Mr. and Mrs. George Thompson and the Salutatorian is Sherry Montgomery, daughter of Mr. and Mrs. W. S. Montgomery.

Moisture Total Exceeds 11 Inches

With the rainy spell continuing thru Saturday of last week, we added another .63 inch to our years total to give us a grand total thru Wednesday morning of this week at 11.30.

Outside of the big downpour that started the spell, the moisture fell just right with the majority soaking in with very little run-off. Fields are drying out fast and most farmers are already getting lined up for the planting season.

Baten and Johnson Lose Heartbreaker In Meet

Eddie Joe Baten and Owen Johnson were defeated in their first round at the State Tennis Meet last Friday in Austin. The local boys played the team from Hull-Daisetta and fought them all the way before going down in defeat. Owen and Eddie won the first set, 6-1, lost the second set 6-2 and the third, 9-7. Holliday defeated Hull-Daisetta in the second round and went on to win the state title.

PEP CLUB SPONSORING LARRY KELLEY SHOW TONIGHT

FFA Judging Teams Participate In State Contests

Clarendon was represented at the Texas A&M State F.F.A. Judging Contests, Saturday, May 4th, in the Poultry, Dairy Cattle, and Dairy Products divisions. The teams had qualified for the contests by winning in the area elimination contests held at Texas Tech the preceding weekend.

The poultry judging team composed of Harold Lindley, Wesley Webb, and Tommy Porter tied for eighth place. In the dairy cattle judging division, the local group composed of Sammy Wells, James Mahaffey, and W. T. Elliott placed in the high five in judging Holsteins, but ranked too low in Jersey judging to rank in the top end of the entire contest. Pat Roberson was an alternate in the dairy cattle event. The dairy products team was composed of Milton Mann, Carl Talley, and Bobby Longan. The group failed to place in the ten high teams of the state event.

The teams made the trip to College Station late Wednesday afternoon, May 1st, and spent Thursday and Friday inspecting the A&M campus and practicing judging. The return trip was made Saturday afternoon.

C.J.C. Tennis Players Place 2nd In State

Coach Buddy Travis and his C.J.C. Tennis team composed of David Duncan and Pete White returned home at 3 a. m. Wednesday morning from Bryan, Texas where they competed in the State meet Monday and Tuesday. They brought home 2nd place in both the singles and doubles.

In placing 2nd in the singles, David Duncan defeated players from San Antonio, Lee College, and Texarkana to be defeated by Zimmerman of Amarillo in the finals.

In the doubles, Duncan and White defeated Texarkana and San Antonio to advance to the finals. In the finals with Amarillo, they were defeated by sets of 6-3, 3-6, 6-4, 9-7 and 6-3.

Coach Travis announced that basketball tryouts for C.J.C. would be held in the College gym Saturday morning at 10 a. m. and also at 2 p. m.

Pictured above are the five top students of Clarendon High School. Seated is Walton Crain, Valedictorian, and Elizabeth Smith, Salutatorian. Runner-ups were, left to right, Donald Pitts, Margaret Cushing and Lloyd Risley.

RED MARK TIME AGAIN

In checking over our mailing list we find it time to put that red crayon mark in the upper left hand corner of the Leader this week indicating the expiration of your subscription. If this red check mark does appear on your paper it is a reminder that you should send your renewal in this week end so you will continue to receive your Leader. The subscription price is \$3 here in Donley County and \$3.50 per year for papers being sent beyond Donley County.

PRESCRIPTION PRICES

How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions - there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow.

YOUR

BOB MOSS PHARMACY

FROM WARM SPRINGS

FACT & FANCY

by W. H. Reiter

Wherein the director of public relations at the Gonzales Warm Springs Foundation tells of Texas' own physical rehab center and also throws in a little tongue-in-cheek palaver for which, incidentally, the management is not responsible.

The triumph of matter over mind is a rather commonplace

thing. A gal on a diet succumbs to a coconut supreme fudge sundae. A guy on a budget rationalizes the purchase of a new car—(after all, the old buggy was going to need a valve job pretty soon and a new set of tires). And so on.

Well, I believe that the advent of television marks the most striking example of man's capitulation to a "thing."

Remember how many people you'd hear declaim in the early days of T.V. about its obvious evils. It would destroy the fine art of conversation and the pleas-

ant American pastime of "visiting." People would stop reading books and magazines, and we would become a race of Pluto-type characters sporting 21-inch eyeballs—with impaired vision, at that.

Today only small pockets of resistance remain and these represent the hard core of diehards who either (1) honestly believe that television has nothing worthwhile to offer or, more likely, (2) would rather die than admit they might get some enjoyment out of possessing a set. Orientals are not alone in their need for face-sav-

ing. The argument heard most frequently from T.V. detractors is "I'll admit there are some good things on television, but the vast majority of the programs are so much junk. Therefore, I wouldn't have one." The obvious answer is, of course, that any objectionable program can be eliminated with a twist of the wrist.

Now they even have gadgets which cut out the commercials on T.V. which in my book is going overboard a little—like the gal who dances with everybody at the ball except the guy what "brung" her. Better they should have a gismo for tuning out nagging wives and mothers-in-law.

I really don't know why I'm going to bat for television because frankly I haven't had time to get the habit. I guess maybe I'm just grateful because it has eliminated spankings at our house. Our two would prefer exile in Siberia to having to miss Wild Bill Hickok and his ilk—and this makes discipline a lead pipe cinch.

Ethel and Willardine Parker, teen-age sisters from Roby, Texas, first came to the Gonzales Warm Springs Rehabilitation Foundation in 1950, both severely involved as the result of polio. While taking treatments here, the sisters also kept up their schooling, doing most of their fifth, sixth, and seventh grade studies at the Foundation public school unit under Principal Ruth Ragsdale.

Still unable to attend public school, the girls, at the urging of Mrs. Ragsdale, have continued their studies through the American Correspondence School and have completed their high school work. Now they are able to provide for themselves as they live together in an apartment in Abil-

ene where they are attending business college.

Hog Prices Up In 1957, Little Change For Cattle And Sheep

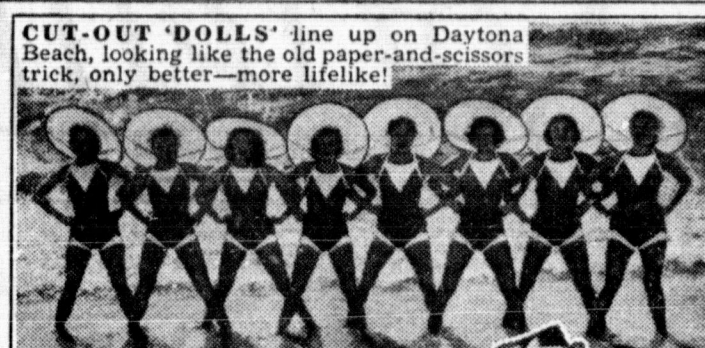

College Station—Hog prices in 1957 will be well above early 1956 lows and will probably continue higher than last year's prices, except for seasonal fluctuations, predicts John G. McHaney, Extension Economist. Little hope is held for any major uptrend in either cattle or sheep prices.

Swine prices for the first half of 1957 will get their biggest boost from decreased slaughter because a smaller 1956 pig crop will supply slaughter animals until August of this year. It looks like the 1957 spring pig crop might equal that of 1956, due to lower corn prices and improved profit opportunities, McHaney says.

Total cattle numbers and prices will depend largely on 1957 moisture conditions. Although prices will probably be above the depressed figures of early 1956 no real gain is forecast for 1957, declares McHaney, because indications for cattle and calf slaughter in 1957 appear as large as 1956.

Sheep and lamb prices after the middle of 1957 may be below 1956 figures, while prices during the first half of the year will tend to be above those of a year ago, McHaney explains. Prolonged Southwestern drought is the main drawback against expansion in sheep production although encouragement comes from the wool incentive program and currently higher lamb prices. No reduction in sheep slaughter and no great increase in prices is likely

People, Spots In The News

CUT-OUT 'DOLLS' line up on Daytona Beach, looking like the old paper-and-scissors trick, only better—more lifelike!

COLD OUTSIDE, but warm as toast inside this transparent plastic-and-nylon swim pool shelter of Walter Bird's in Buffalo. He can store it in his garage.

JEANETTE Ardell, 17, of Marietta, Ga., poses with trophies won as archer. With bow and arrow she can split an aspirin tablet at 25 paces!

MAMMOTH MUD BATH completes ceramic tile ceiling in Lincoln Tunnel between New York and New Jersey. Tiles are first placed face down on a support 13 feet above the tunnel roadway. Reinforced concrete follows. Ceramic tile is used on tunnel walls, too, because it requires little maintenance.

Humble research presents to the motorists of West Texas

Golden Esso Extra

World's Finest Gasoline

Once again, Humble's leadership in the improvement of gasoline quality sets new standards for other gasolines to follow.

Now you can get all the performance that is built into your car . . . the last extra ounce of power . . . the last extra mile per gallon of gasoline.

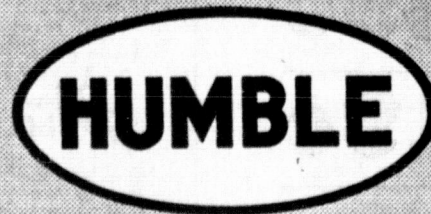

Golden Esso Extra is the finest gasoline you can use. It has high octane rating.

Give your car the performance advantage that comes from using

Golden Esso Extra. Some motorists say they notice immediate improvement on their first full tank. Others use Golden Esso Extra because the world's finest gasoline is the best to use in modern cars in every price class.

Costs more? A little, but your car repays you by delivering all the performance you paid for when you bought it.

Fill up at the new Golden pump under your neighbor's Humble sign.

HUMBLE OIL & REFINING CO.

Makes your car a better automobile.

until farmers and ranchers hold back more ewes for breeding. Summarizing the meat animal outlook, McHaney predicts a year of large meat supplies only slightly under the 1956 record volume.

Study Shows Texas Surge To Hunt, Fish

AUSTIN — Reflecting the increasing pressure on wildlife resources, a survey conducted for the Game and Fish Commission shows that 1,625,000 Texans out of a possible 8,000,000 either hunted or fished, or both, last year.

The Executive Secretary said the study also pointed up the "enormous utilization of leisure time for out of doors recreation" and "very definitely reflects the mighty industry built around the needs of our hunters and fishermen."

Expenditures for both hunting and fishing in this state last year was placed at \$165,054,000, with the bulk (\$122,919,000) spent for fishing. The average money layout per fisherman over twelve years of age was \$86.69, and per hunter was \$59.43.

"This survey clinches the realization that times not only have changed so far as pastimes are concerned but that the trend toward personal participation even exceeds common belief," said the Executive Secretary. "Grandpa's spare time was so limited that he was confined to an occasional hour stalking a deer or at the billiard hall. Now, shorter work hours mean longer play periods, and the ability to piece sizeable time together toward frequent sorties to field and stream."

He said the Texas statistics were generally according to the national pattern which showed that Americans annually spent about three billion dollars on their sports and hunted and fished for about five million days.

The major variance so far as affects the Texas picture is the emphasis on the comparatively greater number of Texans who "get in free." Nationally, one out of three fishermen do not have to buy a license and only one out of six hunters do not have to buy a license. But in generous Texas, approximately three out of five fishermen did not buy a license and three out of seven hunters did not buy the regular state license.

Revenue from sale of fishing and hunting licenses provides a major share of Game and Fish Commission costs.

"If we are to keep pace with the ever increasing pressure for greater hunting and fishing facilities," said the Executive Secretary, "it seems some sharp re-

visions will have to be made as to whom should help finance the program. Certainly, the overhead for assorted wildlife restoration projects is following the same generous expansion path."

Here are some other survey statistics: 41.1 per cent (1,022,000) of the Texas households have at least one fisherman or hunter; 1,625,000 Texans aged twelve and over fished or hunted in 1956; 1,418,000 fished, 709,000 hunted; 1,151,000 fished in fresh water; 447,000 in salt water; 568,000 hunted for small game, 242,000 for big game, 135,000 for waterfowl.

Game bag statistics showed that 107,000 deer were bagged in Texas last year. This is about double previous estimates from some quarters although wildlife biologists had set the annual deer harvest at exceeding 100,000.

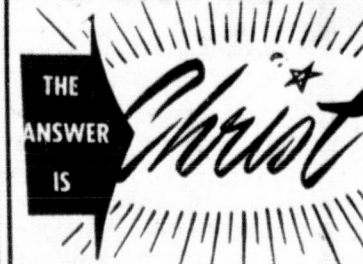

CANCER ATTACK MOUNTS

The research attack against cancer is mounting. In 1945 only about a million dollars was appropriated annually for cancer research. This year, there will be more than \$50,000,000 available, the American Cancer Society says.

URGE ANNUAL CHECKUPS

The American Cancer Society says that annual health checkups are important. Of 1,000 women more than 45 years old entering a doctor's office, 18 are likely to have cancer, while among 1,000 men, 17 are apt to have cancer.

LES BEAUX ART CLUB

Les Beaux Art Club met in the home of Mrs. C. T. McMurtry Friday afternoon, May 3. Mrs. Frank White, Jr. was assisting hostess.

Miss Katherine Ross was leader of the program, "Oriental Influences on American Art." Mrs. Walter Taylor gave a talk on the very unusual Spider Web painting. Mrs. C. T. McMurtry displayed several lovely Chinese vases, dishes and pictures. She also showed colored pictures taken on her recent trip to Hawaii.

Mrs. Wm. Lewis, Jr. gave a description of the garden at the Lewis, Sr. home in Dallas. A high brick wall surrounds the garden and a mounted Chinese bronze statue in a bowl of fern is erected in a flagstone niche. Wisteria and red tulips add to the beauty of the garden.

Refreshments were served from the dining room after the program and during the social hour. Present were one guest, Mrs. J. L. McMurtry, and the following members: Mesdames M. R. Allensworth, John Bass, W. K. Hardin, Pete Kunz, W. J. Lewis, Jr., Forest Sawyer, Tommy Saye, E. O. Simmons, J. D. Swift, W. W. Taylor, Frank Bourland, Lloyd Benson, John Blocker, Carroll Knorpp, Will Word, Lewis Foxhall, Homer Glascoe, Misses Katherine Ross, Anna Moores, Mary Howren, and the hostesses, Mrs. C. T. McMurtry and Mrs. Frank White, Jr.

Plans were made for the final meeting this spring. A picnic at

the Country Club Friday, June 7, will conclude the activities until September. —Reporter.

WIN ONE S. S. CLASS

The Methodist Win One Sunday School class met on Monday afternoon for its usual monthly social gathering in the home of Mrs. Glenn Williams in the Sunnyside community. The drive through the country roads in the sunshine after the heavy rains was very pleasant, showing the sprouting of green in all directions. The members were cordially received by the hostesses, Mrs. Williams and Mrs. Geo. Hillis. The meeting was opened by a devotional given by Mrs. John Goldston. After an interesting business session, lovely refreshments were served to the following: Mesdames Judson Cook, J. T. Patman, C. C. Powell, Walter Taylor, J. R. Bartlett, Bertha Benson, John Goldston, Wm. Payne, Frank Bourland, J. L. McMurtry, Eva Rhode, R. Y. King, E. V. Quattlebaum, Misses Emma Sheffield, Katherine Ross, and Mary Howren. —Reporter.

DELTA KAPPA GAMMA

Gamma Xi Chapter of Delta Kappa Gamma, honorary society for women teachers, entertained Region IX with a tea Saturday, May 4, in Dumas. Highlight of the meeting was an address by Mrs. Sadie Ray Powell, Principal of one of the elementary schools in San Antonio and vice-president of Texas State Teachers Association. Mrs. Powell spoke on "The Teacher's Role in Leadership in Her Community" using the purposes of Delta Kappa Gamma as the basis for her address.

Mrs. J. N. Weaver of Clarendon attended the tea. Approximately 125 were in attendance representing about twenty Panhandle counties.

BETA SIGMA PHI

Members of Mu Gamma Chapter of Beta Sigma Phi and their guests met at Patching Club House Tuesday evening, April 31, for the annual Founder's Day dinner. May baskets were used in decoration.

The dinner, served buffet style, was prepared by the ladies of the Lelia Lake Methodist Church. Bert Garland gave the Invocation and the opening ritual was repeated.

Juanita Phelps was mistress of ceremonies. Annesse Bennett gave the Welcome to the pledges. A history of the past year was given by Kay Bain, and Marilyn Simpson entertained with a poem. A message from Walter W. Ross, founder of Beta Sigma Phi, was read by Lois Schollenberger.

The Girl of the Year award was presented to Frieda Gray by Juanita Phelps.

The program was concluded with the closing ritual and games were played during the social hour.

Present were Mr. and Mrs. C. M. Bennett, Mr. and Mrs. Jack Gray, Mr. and Mrs. A. R. Henson, Mr. and Mrs. Chauncey Hommel, Mr. and Mrs. Maurice Risley, Mr. and Mrs. Gordon Simpson, Mr. and Mrs. Bill Cornelius, Mr. and Mrs. Kenneth Clapp, Mr. and Mrs. Joe Bownds, Mr. and Mrs. Carroll Hudson, Mr. and Mrs. Gerald Yeates, Mr. and Mrs. A. J. Garland, Mr. and Mrs. George Schollenberger, Mr. and Mrs. Johnny Leathers, Mr. and Mrs. David Bennett, Mrs. Haskell Phelps, Mrs. Edna Smith, and Mrs. Kay Bain. —Reporter.

MARTIN QUILTING CLUB

Martin Quilting Club met May 2nd with Linnie Cauthen as hostess, in the home of Lela Bulman. Because of the rainy weather, only five members were present. These were Eunice Land, Veda Elliott, Margaret Waldrop, Lela Bulman and Linnie Cauthen. A quilt was finished for the hostess. A delicious covered dish dinner was enjoyed by the five members and guests: Beth Waldrop, Raymond Waldrop, Othel Elliott and George Bulman.

Dorothy Sullivan will be hostess for the next quilting on May 16th. —Reporter.

MIDWAY CLUB

The Club met with Eva Allgreen May 7th. Everyone enjoyed a sack lunch. There were 12 members present: Eva Allgreen, Eula Butler, Lucille Eanes, Marjorie Hensley, Nell Le Moreland, Ida Pickering, Allie Quattlebaum, Josie Simmons, Eddie Williams, Katie Bell Wells and Bobbie Dishman.

We will disband for the summer after our next meeting which will be with Ida Pickering, May 21st. There will be an exchange of Pollyanna gifts at this meeting. Bring a covered dish also.

Our 42 party will be held Friday night, May 11th at the club house. Each member bring a pie. Time 8 P. M. —Reporter.

GARDEN CLUB TO MEET

Garden Club will meet Friday, May 17, at 3:00 p. m. at Patching Club House with Mrs. J. L. McMurtry and Mrs. Pete Kunz hostesses. This will be Guest Day and each member may invite two guests.

"Slides of Pacific Northwest Gardens" will be shown by Mrs. Jones Christian. "Flowers on Parade" will be the theme of the meeting and each member is asked to bring a prize bloom or flower arrangement. —Reporter.

ASHTOLA NEEDLE CLUB

This Club met Thursday with Mrs. Sue Rhoades hostess. She served refreshments of cookies and coffee to 6 members and two guests.

Members are reminded to come half hour early at the next meeting to fix baskets first, then visit the home in Clarendon. Bring quilt scraps.

At the June 6th meeting Mrs. Jo Harp will demonstrate lamp making and Mrs. Modena Hill will be hostess. —Reporter.

GOLDSTON QUILTING CLUB

The Quilting Club met the 2nd with Nora Smith. One quilt was finished by members, Adgar Williams, Carrie Morgan, Blanche Gray, Joy Roberson and hostess Nora Smith. Refreshments were served mid afternoon. Gertrude Reid will entertain the 9th in the afternoon with a Mother's Day party. We are to remember our Pollyannas. Everyone bring your embroidery hoops. —Reporter.

SODALITAS CLUB

Mrs. E. G. Tate was hostess at a meeting of the Sodalitas Club Thursday night, May 2 in the home of her mother-in-law, Mrs. Tate.

Mrs. Leon Doherty gave a report on "Cleaning Up the Comics" as her report on the program. Mrs. W. W. Clendennen, Mrs. Oneil Weatherly, Mrs. Don Wells, Mrs. Harold White, Mrs. W. L. Stewart, Mrs. Audrey Lee Cherry, Mrs. Leon Doherty, Mrs. B. G. Tate and Mrs. Don Hoskins answered roll call.

After the meeting adjourned, refreshments of chicken salad, lime jello salad, cheese crackers, German chocolate cake and iced tea were served. —Reporter.

Adult Class In Homemaking To Be Offered During June

The Homemaking Dept. of Clarendon High School and the services of the Homemaking teacher will be available until June 30. This time is usually spent by Homemaking students working on yearbooks for the next school year, group projects and for working on summer projects. In addition to instruction for the high school students, the Homemaking Dept. is offering a course in Clothing Construction using the new Hazel Bishop method for speed sewing to any interested adults. There must be at least six people register for the course and they must spend at least six hours in class for this class to materialize. If you are interested in registering for this course or any other course related to Homemaking, you are asked to contact Mrs. Fred Bourland, Homemaking teacher, High School, Clarendon, Texas, on or before May 10th. However, if you need help anytime during this period, a copy of the teacher's schedule will be posted on the door of the Homemaking Dept., and one copy will be on file in the Superintendent's office. Let the Homemaking Dept. be of service to your community.

O. C. Watson, Jr. of Colorado Springs visited friends and relatives here Thursday and Friday.

Easterling Reunion Held May 4-5

The family of Mrs. J. H. Easterling met at the Idalou Clubhouse, near Lubbock, Texas, for their reunion Saturday and Sunday, May 4-5th. Everyone had a very enjoyable time playing games, singing and visiting. The families attending were:

Mrs. J. H. Easterling, Mr. and Mrs. Earl Easterling, Janice and David, Mr. and Mrs. Jack Gray, Barry, Freddie, Cindy and Danny, all of Clarendon; Mr. and Mrs. Russell Wasson and Sondra of Panhandle, Texas; Mr. and Mrs. Roy Morrow and Linda, Mr. and Mrs. Clyde Wood of Lubbock; Mr. and Mrs. V. R. Jordan, Mr. and Mrs. Ben Jordan and Beth of Friona, Texas; Mr. and Mrs. Marvin Jordan, Bobby Ray, Judy and Kenneth of Snyder, Texas; Mr. and Mrs. Claude Easterling, Mr. and Mrs. Phil Easterling, Debbie and Michael of Rogers, Arkansas; Mr. and Mrs. Clyde Easterling and Jerry of Bentonville, Ark.; Mr. and Mrs. Lee Christie, Richard, Brenda and Bobby Mike of Idalou, Texas; Mr. and Mrs. Bill Simpson and Patricia of Fort Smith, Ark.; Mr. and Mrs. J. T. Easterling of Compton, Calif.; Mrs. Earl Kimbal and Mike of Lawrenceburg, Indiana; Mr. and Mrs. Fred Easterling, Bobby Don and Phyllis of Farmington, N. Mex.; Miss Patsy Gray of Borger.

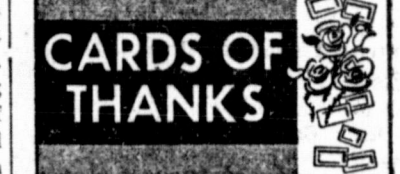

Members of the family unable to attend were: Mr. and Mrs. John Gray, Harold and Darlene of Borger; Mr. and Mrs. Mark Easterling and Randy of Seattle, Washington; Mr. and Mrs. Jim Adams and Marsie of Compton, Calif.; Mr. and Mrs. Rex Easterling of Wichita, Kansas; Mr. Earl Kimbal of Lawrenceburg, Ind. Visitors calling were: Mrs. Will Barker of Clarendon; Mr. and Mrs. M. C. Street, Mr. and Mrs. Legon and son of Littlefield; Mr. and Mrs. Gibson of Muleshoe, Texas; Mr. and Mrs. Milburn Gibson of Muleshoe; Mr. and Mrs. Mick Moreland of Seminole, Tex.; Mr. and Mrs. A. L. Vaughn, Mr. O. T. Lindsey of Lubbock. Mrs. J. H. Easterling has 8 children, 18 grandchildren and 26 great-grandchildren. All eight children were present for the first time in 15 years.

SCHOOL CAFETERIA MENU

May 13-17th
MONDAY
Scrambled eggs and ham, but-
tered potatoes, snap beans, cran-
berry sauce, bread, milk, butter.
TUESDAY
Roast and gravy, red beans,
vegetable salad, stewed fruit,
cookies, hot rolls, butter, milk.
WEDNESDAY
Weiners, cheese, corn, spinach,
peach pie, hot rolls, butter, milk.
THURSDAY
Hamburgers, potato chips, pea
salad, cake, fruit, butter, milk.
FRIDAY
Tuna salad, hash brown pota-
toes, green lima beans, butter,
bread, egg custard.

Mr. and Mrs. Ross Hoover of Pueblo, Colo. spent a few days of last week with Mr. Hoover's sister, Mr. and Mrs. J. C. Blackburn.

Mr. and Mrs. M. L. Rattan of Ashtola visited Saturday in the A. O. Hefner home.

CARD OF THANKS
I wish to take this means of thanking all my friends for all the lovely cards and flowers and other deeds of kindness shown me during my recent illness and stay in the hospital. May God bless each of you is our humble prayer.
Mrs. C. T. Williams.

CARD OF THANKS
We are sincerely grateful for the many kind acts of sympathy during the recent loss of our loved one.
The family of Mrs. A. J. Sibley.

Trials With Aureomycin Show Big Cut In Losses From Red Nose, Foot Rot and Other Diseases

AMARILLO—Dramatic reductions in losses from red nose, liver abscesses, foot rot and other cattle diseases were reported today as a result of the continuous feeding of antibiotic supplements to beef cattle.

Feed manufacturers and livestock producers attending a meeting in Amarillo were told the antibiotic supplementation also resulted in cost-saving improvements in feed efficiency and growth rates.

Dr. A. L. Shor of American Cyanamid Company said trials conducted by his company further showed an improvement in dressing percentages in cattle which had received daily antibiotic supplementation.

Dr. Shor explained that red nose was first diagnosed in 1950 in Colorado, but has since been reported in 15 states. The speaker pointed out that the disease attacks cattle of any age, weight or breed and can strike at any time during the feeding period. He said primary symptoms of red nose are high fever and acute inflammation of the respiratory passages complicated by "diphtheria-like" membranes in the nose, sinus, larynx and trachea. Usually, red nose is accompanied by secondary infections which complicate matters and increase losses, Dr. Shor added.

In a talk accompanied by slides and charts, Dr. Shor reported the results of a 125-day trial with feeder heifers in which the number of animals requiring treatment for red nose (rhinotracheitis) was reduced 59.4% as a result of continuous feeding rations containing Aureomycin chlortetracycline at a level of 75 milligrams per head per day. Dr. Shor said only 45 out of 293 animals in the group receiving the antibiotic required treatment while 111 out of 293 control animals had to be treated.

CHURCH OF THE NAZARENE

Sunday School—10:00 A. M.
Morning Worship—11:00 A. M.
Evening Service—7:00 P. M.
Prayer Meeting—Wednesday at 7:30 P. M.

In another trial involving 605 feeder heifers on a 121-day feeding program, the number of animals requiring treatment for red nose was reduced by 56.8% over the control group as a result of receiving the antibiotic supplement.

Dr. Shor pointed out that, in both trials, the heifers receiving Aureomycin also showed better feed conversion and higher daily weight gains.

The speaker added that both trials also produced a significant reduction in the number of liver abscesses among animals receiving Aureomycin.

"In another trial, in which a different level of Aureomycin supplementation was used," said Dr. Shor, "we demonstrated a favorable reduction of treatable disease, particularly foot rot, as well as increased average daily gain."

The trial he referred to involved 1365 cattle and lasted 120 days. Only two cases of foot rot were noted among 684 steers receiving Aureomycin while 172 cases occurred among 681 animals in the control group. Dr. Shor added that 68 other cases of disease were noted among the controls while only 34 other disease cases occurred among the Aureomycin-fed group.

Following the meeting, the audience was shown American Cyanamid's new documentary film about the cattle industry entitled, "Design for Better Beef." The 38-minute color film is designed to help cattlemen reduce the estimated \$164,000,000 annual loss from diseases and other causes by employing up-to-date feeding techniques.

Joe S. Morris, Manager of the Feed Department of the Amarillo Oil Mill Company and Superintendent of the Hereford division of the Amarillo Stock Show, worked out the program for the cattlemen's annual meeting, at their invitation.

The American Cancer Society says that research has developed hormones, certain drugs and some radioactive substances that have proved extremely valuable in treating certain cancers.

At present rates, 90 per cent of skin cancer patients are saved, according to the American Cancer Society. But 95 per cent are now saved when the disease is diagnosed and treated in time.

Mr. and Mrs. Bob Parker and Rhonda and Lilly and David Parker of Borger visited thru the week end with Mrs. H. E. Parker and other relatives.

Mr. and Mrs. J. D. Jones Sr. enjoyed the past week with their son J. D. Jr. and family, while they could not get home during the rains.

Homer Estlack took his father, J. C. Estlack to Amarillo Monday to see an ear specialist. He had an infection in his ear but is improving slowly at this time.

Mr. and Mrs. Arlis Mooring took Mr. and Mrs. C. E. Killough to Mineral Wells Sunday. The Killoughs have spent the past two weeks here.

Our present calendar was brought into use by Pope Gregory XIII in 1582.

In U.S. average beef production, it required 10.9 pounds of feed for each pound of gain back in 1920-24, as shown in the left-hand chart. By 1950-54, the amount of feed required per pound of gain had dropped to 9.5 pounds, a 13% improvement. But...the U.S. "could be" feed requirement is about 8.5 pounds, or 22% better than the U.S.D.A. figures for 1920-24. Chart at right shows Purina's results today are 22% better than U.S. average for 1950-54, and 32% better than 1920-24 averages.

POUNDS OF CATTLE FEED PER POUND OF GAIN			
U.S. AVERAGE	U.S. AVERAGE	U.S. AVERAGE	PURINA TEST
1920-24	1950-54	1950-54	1950-54
10.9	9.5	8.5	8.2

Here's your answer to the cost-price squeeze... Widen the profit gap with Purina Steer Fatena

In 1956, Purina Steer Fatena was fed to supplement local grain in six public cattle-feeding tests in the West. The number of pounds of feed needed to produce each pound of gain varied between 5.5 pounds and 8.23 pounds... for an average of 7.43 pounds.

It is being done by cost-conscious Purina cattle feeders. We...at the Store with the Checkerboard Sign...will be happy to give you full information about Purina Steer Fatena Feeding Programs.

CATTLE HEALTH HINT—Chances are your cattle have worms...worms that cost you money every day you feed. Purina Cattle and Sheep Warmer Concentrate is a new, easy-to-use, one-day treatment. Cattle go for it because the active ingredient, reliable phenothiazine, is now mixed in a palatable base. The cost is small, the benefits large. Ask your Purina Dealer for Purina Cattle and Sheep Warmer Concentrate.

Mrs. H. E. Tolleson and Mrs. H. S. Mahaffey made the cancer drive in our community.

Mr. and Mrs. Robert Partain visited Mr. and Mrs. Joe Robert Leathers Wednesday.

Mr. and Mrs. R. G. Satterwhite from Lubbock spent the weekend in the LeRoy Satterwhite home.

Mr. and Mrs. Robert Partain and Rudy visited in Amarillo Friday.

Mr. and Mrs. Ray Walker and grandson Rocky Shelton were supper guests of the Robert Partains Friday.

Mr. Odell Pyon from Amarillo visited in the M. L. Rattan home Sunday.

Sibyl Rattan returned home to Amarillo Sunday after a two weeks visit with her parents, the M. L. Rattans.

Charlotte Jones and Johnny Rattan stayed in town the last three days of last week.

Mr. and Mrs. J. Hill spent Friday and Saturday in Borger with Mr. and Mrs. C. L. Sams and J.S. Hill.

Mr. and Mrs. Leo Wallace shopped in Amarillo Monday.

Bobby Tate Poovey of Stinnett visited with Mr. and Mrs. W. A. Poovey Wednesday.

Mrs. Clyde Butler visited Mrs. Ben Lovell Friday.

Early Texas Settlers Used The Cotton Gin

AUSTIN—Throughout Texas history, cotton has been the state's leading cash crop and a dominant factor in the state's economy, a University of Texas graduate history student reminded the Texas State Historical Association during its 61st annual meeting here.

Raymond Elliott White, a graduate of Goliad High School and Southwest Texas State Teachers College, presented a paper on "Cotton Ginning in Texas to 1861."

"The earliest inhabitants of Texas, the Indians, cultivated and used cotton," he pointed out. "The Spanish missionaries also cultivated it in small quantities, and when the first Anglo-American immigrants came to Texas in the 1820's, cotton seed was one of the items they brought with them."

"For cotton cultivation to be profitable the settlers needed gins to separate the lint from the seed," White continued, "so the cotton gin was in Texas almost as early as the first settler. John Cartwright and John Sprowl in East Texas and Jared E. Groce in Austin's colony all erected cotton gins around 1825."

Texas had three gin-making concerns in 1850, and by 1860 there were four establishments doing a \$28,000 business, White reported.

Two teams of horses or a yoke of oxen powered the earliest gins, as well as the crude wooden screw presses outside the gin house, he noted. Gin hands carried the lint cotton to the press in baskets and packed it into 400 or 500 pound bales covered with hemp or cotton lap bagging and tied with ropes.

F.H.A. Girls To Receive Degrees of Achievement

The Clarendon Chapter of the Future Homemakers of America is happy to announce that eighteen girls have completed the requirements necessary to receive a Junior Degree, and seven girls will receive Chapter Degrees for their work in the local chapter this school year. The Degrees of Achievement Program is one way in which Future Homemakers organization give recognition to its members who: (1) Have worked effectively toward the purposes of the organization; (2) have contributed to the improvement of their chapters, homes, schools and communities; (3) have made a plan for their own growth as individuals, chapter members, home members, and school and community members.

These first two degrees of achievement, the Junior Home-maker degree and the Chapter Homemakers degree, are planned so that members as they work toward the degrees will have a chance to grow step by step in ways that are important to them and the organization. Each individual can decide for herself whether or not she wishes to work toward the degree. On completing the degree requirements, the member is then entitled to wear the symbol of that degree. The symbol of the Junior degree is the key; the Chapter degree symbol is the scroll.

The following girls will receive Junior Degrees:

Jacque Bell, Betsy Chamberlain, Nancy Davis, Beth Gillham, Betty Graham, Linda Kay Hardin, Glynell Hoggatt, Charlotte Jones, Connie McMurtry, Maggie Morrow, Patricia Owens, Sandra Pinkerton, Linda Self, Sharon Smith, Ann Weatherly, Shirley Wiedman, Jo Ann Wood, Evelyn Chamberlain.

The following girls will receive Chapter degrees:

Georgia Bell Harmon, Robbie Lou Johnson, Beth Lamberth, Barbara Koontz, Vicki McAnear, Ona Mae Moffett, Patricia Spurgeon.

Mr. and Mrs. Joe Bownds and Mr. and Mrs. Glen Adkins have returned home after a ten day vacation at Hot Springs, Ark.

Mr. and Mrs. R. I. Blackburn and children of Amarillo spent Sunday afternoon with Mr. and Mrs. J. C. Blackburn.

FARM NEWS

from the County ASC Committee

EMERGENCY FEED REPORT

To date we have issued 1489 Purchase Orders to Farmers and Ranchers of Donley County under the Emergency Drought Feed Relief Program. This represents a total hundred weight of 75,829.5 pounds, and also represents a total revenue paid to our Farmers and Ranchers under this program of \$94,983.23.

1958 WHEAT QUOTAS PROCLAIMED: VOTE SET FOR JUNE 20

June 20 has been set as the date on which wheat growers in Donley County will vote "yes" or "no" on the 1958 Wheat Marketing Quotas, recently proclaimed by Secretary Benson.

The 1958 Wheat Allotment for Texas, comes to 4,164,302 acres, which is slightly more than this year's allotment.

USDA EXTENDS FARM STORAGE FACILITY LOAN PROGRAM

The U. S. Department of Agriculture April 29, extended the farm storage facility loan program for another year through

June 30, 1958.

Continuation of the storage facility loan program will enable producers to more readily finance additional storage during the coming crop year.

PRODUCERS MUST APPLY FOR NEW FARM WHEAT ALLOTMENTS

July 1st is the last date for accepting applications for "new farm" allotments for the 1958 Winter Wheat Crop. To be considered for an allotment on a farm which had no wheat seeded for grain for any of the years 1955, 1956 and 1957 but on which wheat will be seeded for grain for 1958, the farmer must apply in writing to his County ASC Committee. Application forms are available in the County Office for use in filing such requests. These forms will be mailed to a farmer upon request, for completion, and then returned to the County Office to be filed.

HISTORY PRESERVATION FOR YOUR FARM

Again we are calling to your attention the importance of signing the MQ-31 Form. There is being offered for the first time a method of preserving both your farm's allotment history and the county's allotment history. This can be accomplished by signing what we call Form MQ-31 by not

later than May 1, 1957 for Wheat; and June 1, 1957 for Cotton.

Two Clarendon Girls Attend State F.H.A. Meeting In Dallas

Thursday morning, April 25 at 8:30 A. M. a chartered bus pulled into Clarendon and picked up Silverton and Clarendon F.H.A. girls and their sponsors who were going to the State F.H.A. meeting in Dallas. Beth Lamberth and Betsy Chamberlain were the delegates from Clarendon Chapter. Those towns already on the bus were Claude, Darrouzett, Dumas, Follett, Groom, Lazbuddie, Lefors, Pampa, Vega, White Deer.

Each person received a small yellow paper bus on which we wrote our name, town, and which hotel we would stay in when we arrived in Dallas. This helped us get acquainted with everyone on the bus and entertained us until we arrived in Wichita Falls where we ate at the Picadilly Cafeteria.

The first thing we noticed was the unusual dress of the town's people. We were reminded of the Shamrock celebration with all the beards, fake noses and the

derby hats. From Rhome to Dallas we enjoyed the beautiful blue bonnets which were along the roadside.

In Dallas we went to our hotel, the Adolphus, and were assigned our rooms. Thursday night after doing some shopping we went to the Cinarama.

Friday we attended the meeting at the State Fair Auditorium. Our State has thirty-two new honorary members; three of these were from our area.

Saturday morning the meeting of the voting delegates met. Beth Lamberth was the voting delegate of our chapter. Eleven o'clock Saturday the Installation of State Officers for 1957-58 was held.

At one o'clock we started home on the bus, and arrived in Clarendon at eight o'clock P. M.

NOTICE

The Sims Parent Teacher Association will meet Thursday afternoon, May 9th, in the Junior High Auditorium at three o'clock. Mrs. Mears and Mrs. Brandon will have charge of the program. All members are urged to be present as new officers for next year will be elected and installed. Nursery attendants will be provided for pre-school children.

F.H.A. Installation Service Held May 6

Miss Beth Gillham, daughter of Mr. and Mrs. John Gillham, Clarendon, Texas, was installed President of the Clarendon Chapter of the Future Homemakers of America in an impressive ceremony Monday night, May 6, in the High School Auditorium. Serving with her next year, and also installed at the same time were Sharon Smith, Vice-President; Pat Spurgeon, Recording Secretary; Vicki McAnear, Corresponding Secretary; Sandra Pinkerton, Treasurer; Elaine Behrens, Historian; Jean Welch, Parliamentarian; Patricia Owens, Sargent-at-Arms; Glenda Koontz, Song leader; Georgia Harmon, Pianist. Margaret Cushing, retiring president and daughter of Mr. and Mrs. Bill Cushing, served as installing officer. All members of the installation service were dressed in white evening dresses. Each retiring officer added a rose to the colorful bouquet as they explained the purposes of the organization. Guest on this occasion were parents of the F.H.A. members, the present eighth grade girls, and friends of the Home-making students.

PLOWIN' Out the CORNERS

Heard on the Radio;
If you owe \$5,000.00 you are a piker.
If you owe \$50,000.00 you are a business man.
If you owe \$5,000,000.00 you are a tycoon.
If you owe \$50,000,000,000.00 you are the government.

Strange as the above may seem it is far out of date as of this writing.

Someone has defined success as the art of always being able

to make your mistakes when no one is looking.

It is said that opportunity knocks but never opens the door and walks in.

"Pop," said little Johnnie, "Here's my report card and it is bad again. I just can't figure out what's the matter with me. Whether it's heredity or environment."

Dis rainy spell sho' am de stuff, My Banker he's plumb tickled. But me, I'se port nigh got enuff, My web feet's jist 'bout pickled.

It almost chokes me when I can't complain, and the weather is my favorite subject, but Mama just plain won't let me get started complaining about the rain. It sho' am good, sho' nuff, ain't it?

Our good friend Van Mills with the Soil Conservation Service gave us a copy of the following poem which we dedicate to Soil Stewardship Week during the week of May 26th to June 2nd. The author is unknown and it is called;

MY FARM
My farm to me is not just land

JACK E. GRAY
PUBLIC BOOKKEEPING
ACCOUNTING SYSTEMS
FINANCIAL STATEMENTS
OFFICE 207 CLARENDON BLDG
PHONE 228

Where bare, unpainted buildings stand;
To me, my farm is nothing less Than all created Loveliness.

My farm is not where I must soil My hands with endless dreary toil;
But where, through seed and swelling pod I've learned to walk and talk with God.

My farm to me is not a place Outmoded by a modern race; I like to think I just see less Of evil, greed and selfishness.

My farm's not lonely, for all day, I hear my children shout and play.

And here when age comes—free from cares I'll live again, long joyous years.

My farm is Heaven—here dwells rest, Security and Happiness. What ere befalls the world outside

Here faith and hope and love abide.

And so, my farm is not just land Where bare unpainted buildings stand;

To me my farm is nothing less Than all God's hoarded Loveliness.

Also from Friend Van we got the following clipping from the Chicago Scottish Rite Magazine. It is called;

TEN GOOD THINGS

There are ten good things for which no one has ever been sorry; for doing good to all; for speaking evil to no one; for hearing before judging; for thinking before speaking; for holding an angry tongue; for being kind to the distressed; for asking pardon for all wrongs; for being patient toward everybody; for stopping the ear to a tale-bearer; for disbelieving the most of the evil reports.

In a 20-mile race, a man would win over a horse because of his endurance.

Will Writes

FROM CLARENDON

by Will L. Lane
STATE REPRESENTATIVE
88th District

Insurance Reorganization Legislation Passes House

The House of Representatives has approved the bill which would reorganize the Insurance Commission and allow Governor Daniel to appoint the members of the three-man board.

The opposition to this measure said that it was merely an issue of personalities between Gov. Daniel and John Osorio, Chairman of the Insurance Commission. Perhaps this was true to a certain extent and yet, to me, the issue was one of good government and of protecting our many Texas citizens who either have insurance policies or own stock in our Texas insurance companies.

NEW BLOOD HELPS

Someone said that we were merely trying to "convict" our present Insurance Commissioners without benefit of impeachment proceedings by allowing the Governor to appoint three new members. I could not consider this as being an indictment, however. For example, we have 56 new House members this time. Our election last summer was NOT an "indictment" of former members,

but merely an expression of the people that perhaps some new blood in our state government would be of benefit. I believe that these new members have made a great contribution this session.

Governor's Responsibility

Since we have had so many insurance scandals in past years, I felt that some new blood, new ideas, and new administration in the Insurance Commission would be of great value to the tax-paying citizens of Texas. At least we have given the Governor his wish, and if subsequent frauds occur in the Insurance Commission, then the responsibility will rest squarely with the men whom the Governor appoints.

APPROPRIATION BILL HITS SNAG, DELAY

As the session draws close to its final hours the appropriation bill becomes the deciding factor. It was anticipated earlier that this revenue measure would be ready for consideration about May 1. The initial bill has, of course, already passed both Houses, but we are waiting now

on the Conference Committee report, which will adjust the differences between the House version and the Senate version. Once this Conference Committee report is submitted and adopted, the legislature will start trying to adjourn.

RIGHT-OF-WAY BILL PASSES

House Bill 620 has passed this body and goes to the Senate for approval. This measure would be a great relief to our counties, many of which are having great financial difficulties.

This bill would require the state to pay 50% of the cost of buying new and additional land for highway right-of-ways. At present the entire burden of this cost is on the county.

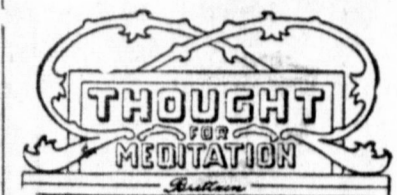

REA BILLS PASS

Both Houses have passed a version of the Rural Electrification Act which would clarify a recent Supreme Court decision

on this subject. Perhaps by next week the differences on this measure will have been adjusted and I can report to you the final outcome of this measure.

Be happy! LIVE BETTER — Electrically West Texas Utilities Company

Midnights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN — Worst drought in Texas history is broken. After seven pinched years farmers look out over soggy fields and talk of "bumper crops."

But the troublesome drought had a troublesome end. Tornadoes, cloudbursts, hail and floods brought loss of lives and property damage in the millions.

Spring planting is reported far behind schedule in many areas. In others, washedout fields will have to be re-sown. And despite the deluge, some dry pockets

were noted by agriculture officials, notably in far West and Southwest Texas.

But most reports reflect sober optimism. J. E. Sturrock, manager of the Texas Water Conservation Association, warned that the next drought, probably in 15 years, will be worse unless precautions are taken now. Water must not be allowed to race off into the Gulf, he said.

And Agriculture Commissioner John White issued a comment not heard in years. He said the fields "needed sunshine."

FOR NEXT TIME

As rain fell in sheets and rivers boiled over into the bottoms, lawmakers debated how to build a bulwark against future dry spells.

Water program sponsors contended an earlier conservation program might have prevented much of the flood devastation. Plan for a \$200,000,000 fund to help local districts build conservation projects was approved by the House in final form. But Senate opposition slowed progress of another proposed bond issue which would allow state to buy storage space in federal reservoirs. It was cut from \$200,000,000 to \$100,000,000.

BEAT THE CLOCK

Time is now the main enemy of an unpassed bill in the Legislature. Any measure that gets caught on the smallest parliamentary snag is likely to die there in the stampede to finish.

During the next week legislators can be expected to show their ingenuity in creating snags to sidetrack unwanted bills. Some favorite devices are sending measures from one committee to another, to subcommittee or loading them with controversial amendments. In the Senate, of course, the old reliable is the filibuster which forces other members to give up so they can get on to other things.

Matched against this foot-dragging will be the furious efforts of

PENTAGON CONSULTATION — Colonel Mary Louise Milligan, Director, U.S. Women's Army Corps, briefs a group of officers of the Union of Burma's new "WAC" during a Washington visit which followed their graduation from the Officers' Basic Course at Fort McClellan, Ala. The first officers of a foreign nation to be enrolled in a WAC training course, they will play key roles in the growth of the Burmese Women's service. The leader, Captain Kryn Si, is third from left.

bill sponsors to 'beat the clock.'

Seasoned observers now are looking for adjournment of the Legislature about May 17. Appropriation bills will be the determining factor, and principally the teachers pay bill. If it looks as though no satisfactory agreement can be reached, or that a tax bill is necessary after all, lawmakers may throw in the towel and go home on May 10, looking to a special session to iron out those knotty problems.

SEGREGATION FIGHT DUE

House-passed segregation bills moved forward in the Senate, but still face a filibuster threat.

Five of the nine bills were sent from Senate State Affairs Committee to the floor. There two senators, Henry Gonzales and Abraham Kazen Jr., say they'll fight as long as their breath holds out.

A large but orderly crowd attended the committee hearing. House sponsors and a spokesman for Former Gov. Allan Shivers' advisory committee on school segregation spoke on behalf of the bills. Representatives of various church groups, organized labor and several Negroes spoke against them.

REORGANIZATION WRANGLE

Insurance Commission reorganization hung by a thread for days, but apparently is to be thrashed out in a House floor fight.

State Affairs Committee tied 9-to-9 on whether to bring the bill out of its subcommittee grave. Chairman Bill Heatly tipped the scales with a "no."

Then renewed pressure from Governor Daniel brought a promise from subcommittee chairman Obie Bristow to report out 'some kind' of reorganization bill. But, Bristow observed, he couldn't see what the two bills under consideration would do except throw the present commissioners out of office. Governor Daniel has strongly urged starting over with a "clean slate." He reportedly has said he will call a special session if a reorganization bill isn't passed.

Warren G. Harding is the only man who went direct from the Senate to the Presidency.

The Leader Classified Ads are read by everyone—Use them often.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The first book we wish to announce is "Anne Boleyn" by Evelyn Anthony. In this novel the 'intrigues and events of the momentous years of the Reformation come out of the past'—the story begins and ends with Anne Boleyn, "the woman who started so much and lived to see so little of it." This novel is the choice of Literary Guild for the month.

There are several contributions of books from the "Phelan Memorial Fund." The first is "The Message of the Fourth Gospel"—This is a commentary of this gospel. "The Early Texas Homes" is an excellent edition that was given also. Sue's classmates gave a fund that was used in purchasing suitable books for their age and older. We have two of Moody's books, "Man of the Family" and "Home Ranch." Another purchase is "Tornado Bay" by Hinkle who writes famous horse stories.

You surely can't always judge a book by its recommendations. "Great Aunt Victoria's House" by Margaret G. Otto was an expensive children's edition—about \$2.50 and it is doubtful if the children will read it. It is too imaginary—magic producing the impossible, and the children of today are materialistic. They enjoy a mystery that can be solved as a magician, but not "magic"

that can't be reasonable. Illustrations are not attractive. Children will refuse an excellent story if they judge the illustrations are crude.

This is the magazine period of the month. We certainly have some excellent editions or rather issues of the most popular for adults and boys and girls. The little people have such an excellent book department, we do not have periodicals for them.

Make a regular health checkup a family affair. According to present estimates of the American Cancer Society, cancer will strike in approximately two of every three American families.

A NEW LOOK IN PUBLIC SCHOOL PLANNING

Even Tom Sawyer would have made class on time in this fairland of steel, concrete, aluminum and brick that will be completed this summer at Morrilton, Ark., as one of the nation's most unique elementary schools. Created as a joint project of Philanthropist-Industrialist Winthrop Rockefeller and the Morrilton School Board and financed by a grant from the former's Rockwin Fund, it is a teacher's and pupil's dream that glitters with the ultimate in educational design and equipment. The model unit has attracted national attention, while both the Federal and Arkansas Departments of Education have kept an enthusiastic eye on the project and contributed ideas.

The trim nine-structure layout embodies design and facilities to serve the newest methods of teaching and child development, both curricular and extra-curricular, including special purpose classrooms for the exceptional, mentally retarded or handicapped child, a health center, an auditorium whose wall opens onto a courtyard, covered walkways that double to reflect sunlight into classrooms, multi-purpose rooms and scores of other features.

Despite its many innovations it will cost less than many more conventional schools of comparable size. In keeping with the unique design, the construction pattern centers around unusual application of structural steel, most of which was shipped by the Birmingham, Ala. mills of U. S. Steel's Tennessee Coal & Iron Division. The steel frame structures were so designed by Ginocchio-Cromwell & Associates, Little Rock architects, that the steel serves both for support and decorative effect, and for further economy members are so placed that they also hold in the window panels generously used for walls. Dickmann-Pickens-Bond Construction Co., Little Rock and Muskogee, Okla., are general contractors and structural steel was fabricated and erected by Arkansas Foundry Co., Little Rock.

he is doing fine.

Sarg. Richard McCarty from Camp Pendleton, Calif. spent a 10 day leave with homefolks, the Paul McCartys.

We extend sympathy to the Loyd Leggett family in the death of his brother Horace Leggett of Memphis.

Mr. and Mrs. Bill Jones have returned from a visit with the Ivan Jones of Houston. They also visited in the Rio Grande Valley. Mrs. Jones says she still likes Hedley and is glad to be home. Mrs. Jones has been on sick leave from her job as Past Mistress for several months. We are happy she is back on job.

Mrs. Hurley Moreman returned home Monday from a pleasure trip to San Antonio. She reports a fine trip but glad to be home.

Mr. and Mrs. Price of Arvin, Calif. is visiting in the Virgle Johnson home. The ladies are sisters.

Mr. and Mrs. Roy Jewell, Mr. and Mrs. H. H. Hall, Mr. and Mrs. Tom Wilson and daughter Sue attended the Rodeo in Vernon Wednesday, May 1st.

Mrs. Z. C. Cornell has been quite ill in a Memphis hospital. She is able to be home. Her daughter, Mrs. Uva Franks of Tulsa is visiting her.

Mr. Tode Hill made a business trip to Quanah Wednesday.

Mrs. Jap Shaw returned home Saturday after visiting her daughter and family. The Pat Pattersons in Ropesville. Mrs. Patterson had a severe case of mumps. She is doing fine now.

We are happy to learn Mrs. D. L. Hickey came home Thursday from an Amarillo hospital, having had an eye operation.

Mrs. Ruth Cunningham and Brenda of Amarillo also Miss Diane Cornell of Clarendon visit-

ed their mother and grandmother Mrs. Z. C. Cornell Wednesday.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Tonight is the night of the Fort Worth Press Regional Awards Banquet to be held at Hereford. Tickets for twenty-one people from this District were requested.

Eanes Irrigation Service

Well Developing and Repairs. PEERLESS PUMPS. Phone 911-K2-4. Naylor Route, Clarendon. EDWIN EANES

and it is hoped that nothing will interfere to keep those who are planning to attend from making the trip. Each year for a number of years the Fort Worth Press has sponsored awards for those contributing the most towards Soil Conservation Activities in Texas. In 1952, Mr. T. C. D'Spain, a member of the Donley Soil Conservation District Board of Supervisors won the \$500.00 Regional award for doing the most to establish Soil Conservation on his own place and to promote Soil Conservation among his neighbors. Since then this District has not had anyone to compete for this award.

Among those planning to attend this awards banquet are the five Clarendon High School Students whose essays placed in the top ten in the Region, and Mrs. Cox their teacher who encouraged them to write the essays. All of these students will be recognized at the Banquet.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

ALASKA - HAWAII STATEHOOD

The perennial scrap about statehood for Alaska and Hawaii has been progressing in due order during the first three months of this session. As a Member of the Interior Committee which has jurisdiction in this measure, this is my third time to hear these arguments. Much of the testimony is repetition, but the fine people of both Alaska and Hawaii are leaving no stone unturned in their persevering efforts to obtain the passage of legislation granting statehood to both territories. Each year they come forward with new approaches and additional information. However, the opponents of statehood are equally as alert and overlook nothing in bringing forward new information and in answering the new and additional claims of the proponents.

The Committee had before it at last session on Hawaiian statehood Dr. Fred Schwarz, who was born in Brisbane, Queensland, Australia, in 1913. He is a graduate of the University of Queensland where he subsequently lectured in mathematics and science and completed a medical course, graduating in medicine and surgery. He presently maintains a general practice in Sydney, Australia, but devotes most of his time to the war against international communism. As a Christian lay preacher, Dr. Schwarz is particularly and ably equipped to battle world communism. He has a standing challenge to debate any communist on any platform in any part of the world. He was brought to our Committee to testify relative to the communist threat in the Hawaiian Islands. His testimony was most informative and most interesting. He was quick to point out that it was not his intention to convey the thought that the Hawaiian Islands were harboring a large number of communists, but that the communists who were in

Hawaii had gained control of the International Longshoremen's and Warehousemen's Union and were able to influence the civic life of the Hawaiian Islands and to be in virtual control of the economy of the Islands. I was especially interested in his views on this particular phase of the problem, because when these bills were before a prior session of Congress, I had argued that one of the greatest dangers with relation to the Hawaiian Islands was the fact that Harry Bridges, who heads the ILWU could, by the issuance of a directive of his own choosing, virtually throttle the entire economy of the Hawaiian Islands.

Dr. Schwarz pointed out that the ratio of communists in New York or California, to the total population of those states, is probably much greater than the ratio in the Hawaiian Islands; but, that the difference in the danger lies in the fact that communists in New York and in California are ineffective because they do not have control of any organization. On the other hand, the smaller percentage of communists in Hawaii poses a greater threat because of their control of the ILWU, the organization in Hawaii to which a great many of the inhabitants belong. To substantiate this he pointed out that there are 30 Members in the lower House of the Hawaiian Legislature and at least 13 of those were openly and notorious-

ly endorsed by the ILWU in their elections. Whether or not such endorsement influences the Members of the Legislature is, of course, a debatable question.

Dr. Schwarz emphasized that the Hawaiian Islands are the only place where testimonial dinners have been given by civic groups in honor of leaders of the ILWU, such as Jack Hall, who has been repeatedly accused of present day communistic leanings, as well as a general communistic background. He called the attention of the Committee to one particular dinner that was attended by the then Attorney General of Hawaii. This Attorney General was dismissed by the Governor of the Hawaiian Islands, allegedly for attending the dinner in honor of Jack Hall. Incidentally, Jack Hall is second in command to the notorious Harry Bridges.

I wish I had the space in this newsletter to give you more detail of Dr. Schwarz's testimony, because it confirmed in my mind many fears that I have had in the past concerning the power of Harry Bridges and the ILWU to control indirectly the destinies of the Hawaiian Islands. It is my feeling that this strangle-hold on

the economy of these islands must be shaken loose before further consideration can be given to the application for statehood.

ALASKA

I had a most interesting visit with Governor Gruening, the former Governor of Alaska. Governor Gruening is one of the most devoted, the most dedicated, the most patriotic, and certainly one of the most patient men I have ever known. He has fought the battle for Alaskan statehood with great skill and with great earnestness. His call to my office concerned my opposition to the statehood bills. Although he did not convince me to change my position, his presentation was most appealing.

I told him at the conclusion of our conference that one of my colleagues was heard to remark: "If the present trend of this government toward centralization and concentration of power in Washington is not halted, it will soon become necessary for all of the states to file applications to

be granted statehood." I quite agree with that conclusion, because unless the present pace of the federal government in usurping and encroaching upon the rights of the states is not arrested, there will be no need for statehood. The entire country, including all of the insular possessions, will be in a territorial status.

"Doodlesack" is a colloquial name for bagpipes.

(Including Delivery and Handling
Charges and Federal Excise Taxes)
Transportation charges, state and
local taxes, if any, accessories and
optional equipment, including
Dynaflow transmission, radio, heater
and white sidewall tires, additional.

WE SURE STARTED something when we began showing this price level in our ads.

That opened the eyes of thousands of people to the fact that you can buy a big and beautiful new Buick for hardly more than the price of a smaller car.

But the biggest surprise was yet to come: The discovery of a new kind of driving.

For in this completely changed Buick you have performance, ride, braking and handling like never before.

You boss a new and mighty V8 engine that sends a thrill of pure pleasure right up your spine. It has the "power-pack" built right in—and you don't pay a cent extra for it.

You command instant response from a spectacular new Dynaflow* of such absolute smoothness and split-second obedience that you must try it to believe its wonders.

You have a new surety of control from the powerful new brakes, the precision-balanced new steering, the all-new, full-length torque-tube drive, the new "nested" ride and superb new roadability and the new low center of gravity.

The total experience is something you've never felt before in any other car—even former Buicks.

So go try it. Try the dream car to drive—that's priced to be a dream of a buy. See your Buick dealer today.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Big Thrill's Buick — The most completely changed Buick in History!

SPECIAL • CENTURY • SUPER • ROADMASTER — and ROADMASTER 75
When better automobiles are built Buick will build them.
