Chickasha Cotton Oil Co. Presents Special Awards To FFA Members

Special awards amounting to two hundred and ninety dollars were presented to members of the Clarendon Future Farmer Chapter at the Clarendon Lions Club regular weekly meeting Tuesday by G. E. Hill, a representative of the Chickasha Cotton Oil Company. The checks were awarded for special premiums offered by the company to users of Chicoline Feeds in fitting prize winners of the junior division of the 1957 Fort Worth Fat Stock Show. The company offers the awards to winners in state shows in Oklahoma and Texas and they designated the Ft. Worth Show as the state show for 1957 for Texas. In addition to the awards for the Ft. Worth Show, the company also presented special awards to Bobby Longan for reserve champion calf and to Harold Lindley for grand champion pig, and Dennis Bradshaw for reserve champion calf of the 1957 Donley County Fat Stock Show.

In addition to Lindley, Longan, and Bradshaw, others receiving awards were Milton Mann for reserve champion Poland, Hubert Heatherly for reserve champion Chester, Steve Mills for champion Duroc, Lowell Hall for champion Chester, James Mahaffey for champion spotted Poland China, and Pat Robertson for champion Berkshire. Mr. Hill stated the awards would be available again at the 1958 shows for winning exhibitors feeding swine and calf feeds manufactured by his company.

Services Held Monday For Mrs. James

Funeral services were held Monday afternoon in the Groom Church of Christ for Mrs. Gracie May James with David Harkrider and Clarence Tilley officiating.

Mrs. James 64, died Saturday afternoon in the Groom hospital. She was a long-time resident of Donley County prior to moving to Groom.

Survivors are seven daughters, Mrs. V. L. Poindexter and Mrs. W. J. Neal, both of Amarillo, Mrs. L. D. Littlefield, Mrs. H. L. Moffett, and Mrs. D. R. Littlefield, all of Clarendon, Mrs. A. A. Lehnick, Monte Vista, Colo., Mrs. George Meissner, Abilene; a son, Eldred N. James, Groom; a sister, Mrs. Harry McKinney, Seattle, Wash.; four brothers, O. K. Posey Jr., Bloomfield, Mo., Henry Posey, and Claude Posey, both of Calif., John Posey, Jacksonville.

Pallbearers were Lee Kirk, John Reed, Bob Newton, R. B. Thornton, Dr. John Witt and Ray Harrell.

Interment was in the Groom Cemetery with the Murphy Funeral Home in charge of arrangements.

School Trustee Election Saturday, April 6th

This is a last reminder for you to go to the polls Saturday and vote in the School Trustee Election. Two trustees will be elected to serve three year terms out of four persons seeking election. They are Mr. A. R. Henson, a present board member, Mr. L. L. Wallace, Mr. Sidney S. Stewart and Mr. Billy Jack Land. Mr. B. L. "Mutt" Graham, who was also petitioned in the race, has withdrawn, stating that he feels at this time he could not devote enough time to the office, should he be elected.

Held in conjunction with the local trustee election will be the election of 2 County Board Trustees. Incumbent, Mr. O. T. Hill is the only candidate seeking election from Precinct 2 and Mr. Mike McCully is the County-At-Large member seeking re-election. He has no opponent either. The election will be held at the School Tax Office. Polls will be open from eight o'clock A. M. until seven o'clock P. M.

RECITAL SCHEDULED FOR THURSDAY

Mrs. Velma Weaver will present her piano and voice pupils in a recital Thursday evening, April 4, at 7:30 p. m. in the sanctuary of the First Baptist Church. The public is invited to attend and there will be no admission charge. Appearing on the program will be Marie Blackburn, Dana Estlack, Judy Greene, Sue Phelan, Clayton Ferris, Paula Jo Vanderburg, Pat Spurgeon, Pamela Hicks, Pauline Gillean, Barry Gray, Jeannie Gibbs, and Freddie Gray.

This group will be assisted by the High School Freshman girls trio, composed of Wanda Fricks, Glenda Koontz, and Ann Weatherly.

You are extended a cordial invitation to attend.

City Warns Against Wrong Dumping

We have just finished an inspection of the City Dump Ground and have found that people have been dumping dead animals and not burying them. There is a city ordinance against this kind of thing with a minimum penalty of \$25.00 fine. Anyone caught dumping in the open will be prosecuted according to law.

Signed
City Commission.

Yarborough Is New U. S. Senator

According to unofficial state returns, Ralph Yarborough has won the U. S. Senate race. Martin Dies was second and Thad Hutcheson third.

Approximately 700 votes were cast in the election here in Donley County and the incomplete returns showed Yarborough with 286; Dies 225; Hutcheson 97. White 18, Bracewell 15. These were the top candidates as far as Donley County was concerned.

RECITAL FRIDAY AT METHODIST CHURCH

Pupils studying with Miss Mantie Graves, instructor in piano and organ, will present their spring recital, Friday evening, April 5, at 7:30 p. m. at the First Methodist Church.

Taking part on the program will be Dianne Moore, Pamela Palmer, Christine McMurtry, Carol Cornell, Janis Smith, Sharon Smith, Mary Louise Caldwell, Margie Fraser, Adele Barnhill, Jerry Bones, Frances Wallace, Gayle Bones, Glynell Hoggart, Robert Moss Barry Hudson, Mary Jo Moss, Sharon Williams, Karen Knorpp, and Mel Ryan.

The public is extended a cordial invitation to attend.

PIANO PUPILS GO TO LUBBOCK

Several pupils of Miss Lilly Larsen went to Lubbock Saturday where they played piano selections for criticism and individual ratings. This clinic is sponsored by the music federation of piano teachers over this area, and was held at the public library.

Students attending were Linda Kay Hardin, Connie McMurtry, Bonnie Ellen Rodgers, Judy Thompson, Donna Estlack, Marcia McMurtry, and Marilyn McMurtry. Parents who also made the trip were Mr. and Mrs. Homer Estlack, Mrs. Thad Rodgers, Hall Hardin, and Mr. and Mrs. George Thompson.

Mr. and Mrs. Wayne Carroll of Lubbock announce the arrival of a son, David Wayne, Sunday, March 31. The young man weighed 7 lbs. 9 1/2 oz. and is the grandson of Mr. and Mrs. C. E. Underdown of Clarendon and Mrs. Mary Carroll of Amarillo.

Local Group To Iowa To Select Feeder Calves For F.F.A. Members

David Hudgins, Chuck Longan, and J. R. Gillham left Wednesday afternoon for points in Iowa to select top feeder calves for members of the Clarendon F.F.A. Chapter to feed for the 1958 spring stock shows. Six to ten calves will be picked up for Bobby Longan, Don Hudgins, Milton Mann, Sam Wells, and two or three other members of the chapter. The majority of the calves to be selected will be Angus with the possibility of one or two top shorthorns. The group plans to return Sunday.

The local youths showed seven top Angus calves this spring selected a year ago from top Iowa herds and all of the calves placed high in the state shows including champion Angus at Amarillo, reserve champion Angus at Houston, and champion Angus in the county show. Don Hudgins will be presented a top calf free of charge by Willard Eilers and his mother of the Willamere Farms of Stanwood, Iowa, as a reward for his outstanding winnings at the 1957 shows.

TWO WILDCAT WELLS IN AREA

We have had quite a bit of difficulty in obtaining information regarding drilling operations in this area but we have learned that drilling is underway on the Lazy RG ranch location which is being drilled by General Crude of Houston and drilling operations are also underway on the JA Ranch location which is being drilled for Collins & Smith by Service Drilling Co.

The Lazy RG location is in the southeast corner of section 140 which is about 3 miles south of the Donley-Hall county line. The JA location is about 2 miles south of the Donley County line in Briscoe County.

We understand the well on the Lazy RG will be drilled to a depth of 7,000 feet or granite, and the JA ranch location is classed as a tight hole (no information).

Clarendon Dusters Start Spring Practice

The Clarendon Dusters, baseball club, had their first workout last Sunday afternoon with around twelve players reporting. Wayland Newman will be the Duster manager this year and reports that he will be fielding a younger, speedier team than in the past.

Newman is reminding all fans who have parking spaces at Duster Park, that it is time to pay up for another two-year period. If you have a space reserved in your name, you will have ten days to renew it. After that time has elapsed, the space will be sold to someone else. The two year rental is \$5 and you can pay this money to Newman at Junior's Market.

Freight Trains Collide Here Monday Morning

Clarendon's mail service was interrupted again here this week when the main line of the Ft. Worth and Denver was blocked about 3 a. m. Monday morning at which time two freight trains collided about a mile east of town. Passenger trains were routed by Plainview.

An engineer, Johnny Ogles of Amarillo, suffered a fractured ankle when he jumped from the cab of his engine moments before the collision. Four freight cars were derailed and a caboose was demolished when train No. 72 crashed into the end of Train No. 76, a 65 car train which had just loaded two freight cars with cattle. Both trains were headed west. The pile-up was cleared by Monday afternoon and service was back to normal Monday night.

Moisture Picture Improving

The moisture for this time of year looks quite pretty at present and so much better than it has for this time of year for quite some time. The moisture total for March was 2.23 inches which is 2.21 inches more than we received in March 1956. With the 14 received Tuesday, we now have a total of 3.81 for the year. This means that grass land will turn green and the wild flowers will bloom.

Moisture was recorded here on eleven days during March. We received .67 on the 2nd, .04 on the 3rd; trace on the 4th; .09 on the 5th; .03 on the 6th; .02 on the 7th; trace on the 20th; .07 on the 23rd; .14 on the 24th; .01 on the 25th and .36 on the 31st.

The high temperature for the month was 79 on the 11th and the low high was 35 on the 7th. The high low was 44 on the 11 and the low temperature was 21 on the 7th.

Moisture totals from the various communities equals out about the same as here in town as the rains have been spotted with some areas receiving more than others. J. C. Ashcraft reported .60 for Goldston Saturday at which time we recorded .36 which shows the variation in just a few miles. At any rate the moisture picture looks good and the ground is in good shape to drink up more should it come.

Duckett Rites Held Friday Afternoon

Funeral services for John Hamilton Duckett were held Friday afternoon at the First Baptist Church at Lelia Lake with Rev. Clifford Jester officiating.

Mr. Duckett, 78, died at his home in Lelia Lake last Wednesday. He was a retired farmer and had been a resident of Donley County and this area a long number of years. He was a member of the Lelia Lake Baptist Church. Survivors are his wife, Delia; four daughters, Mrs. Albert Standford of Hot Springs, Ark., Mrs. John Short, Clarendon, Mrs. S. L. Tidwell of Texarkana and Mrs. Leonard Darnell of Amarillo; one son, J. B. Duckett of Plainview; 25 grandchildren and 20 great grandchildren.

Pallbearers were Kinch Leathers, Leroy Luttrell, Leonard Goad, D. M. Cook, Dennis Reed and Nelson Seago.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of funeral arrangements.

F.H.A. To Sponsor Bake Sale

The Clarendon Chapter of the Future Homemakers of America will sponsor a bake sale at Junior's Food Market and Vallance I.G.A. Store Saturday morning from 8-12 o'clock. Home-made cakes, pies, cookies and candy will be on sale. The purpose of this sale is to help pay expenses of two girls who will represent the Clarendon F.H.A. Chapter at the State Meeting in Dallas April 26 & 27th and to finance a F.H.A. -F.F.A. Barbecue later in the school year.

Your local F.H.A. group serves sixty-five of your youth. It is a worthwhile organization which provides training now and for the future.

You are asked to contact Beth Lamberth or Robbie Lou Johnson for special orders or any F.H.A. members. Call 287-M or 307 after school.

BAND PARENTS CALLED MEETING TONIGHT

The Band Parents organization will have a called meeting tonight (Thursday) at 8 p. m. in the Band Hall. All parents are urged to attend in order to help plan the annual banquet for band students.

National Farm Loan Office To Remain In Clarendon

According to J. R. Gillham, president of the Board of Directors, the Donley County Farm Loan Association office will remain open in Clarendon, and the association will continue its business as in the past. The Federal Land Bank at Houston had recommended the closing of the local office and the consolidation with another county association at another location, but repeated efforts on the part of the officials of the local organization forced the abandonment of this plan and the continuation of the office here.

Mrs. Carrie Porter will serve the office as assistant secretary-treasurer and will be in the office from 9 A. M. to 5 P. M. each day Monday through Friday, and M. E. McAnnally, Jr., of Memphis, who will serve as secretary-treasurer of the association, will be in the office from 9 A. M. to 5 P. M. each Tuesday and Friday.

Other officials of the Donley County National Farm Loan Association in addition to Gillham are C. B. Morris, vice-chairman of the board, F. J. Hommel, C. L. Harris, and A. T. Simmons, board members. The office of the association is located in the Mulkey Theatre building.

Lelia Lake Produces "Shoot The Works"

The Junior and Senior Classes of Lelia Lake High School will "Shoot the Works!" on Monday night at 7:30 when they produce Don Pierre's three-act comedy by that name. On April 8, the Lelia Lake Stage will turn into the Restful Home for Restless People. This quiet and peaceful home is run by the Ashworth's, Miss Kate and her niece Laura, played by Marilyn Ayers and Marilee Smith respectively. The guests include a variety of restless people: Lucinda Livermore, a romantic old maid out to catch a man, is played by Rita Holland. Lou Undine (Eulonda Goad) is a dignified lady who steals chairs. These two gals help make it lively for the handsome men who come to the home for peace and quiet, and add to the troubles of the home nurse, Ruth Bright, who is played by Ann Douglas.

The fellows escaping from city life are Jud Clarendon, a successful song writer (L. B. Phelan) and Guy Priest (Roddy Seago) a newspaper columnist, who are mistaken for each other right on the jump, which triggers trouble for all—romantic and business-wise. Jud's friend Max Neal is played by Paul White, who does some wooing for him. Genoa Goad plays Guy's gun-toting bodyguard, Jake Moore. Sally Hunt (Pat Ivey) and Dex Newall (Leo Luttrell) are reporters out to get the low-down on the celebrated Jud Clarendon. Homer Boylston, a deaf old corder played by Wayne Aten is interested in buying the Restful Home if it can be proven to him that there are successful people staying there. Grady Wilkinson and Billie Wilkerson play the roles of Joshua and Bessie Perkins, a millionaire "dandy" and his wife.

Romance rides high with several successful romances bringing to a gay conclusion this hilarious comedy.

Room furnishings are courtesy of Bill Todd's Household Supplies.

Directors of the comedy are Mr. Bobby Lee and Miss Ernestine Phillips, class sponsors.

Prices are 50c for adults and 25c for children. Curtain time is 7:30 P. M.

FRIENDS INVITED TO OPEN HOUSE

Mrs. Lena Antrobus invites all of her friends to an Open House at her home honoring her 90th birthday, Sunday, April 14, from 2:00 p. m. to 5:00 p. m.

Andy Brown s Receive National Publicity Since The Blizzard

Local GOC Receive Awards March 29

Awards were presented by T/Sgt. William E. Swope, USAF, Amarillo, Texas to members of the Clarendon Volunteer Ground Observer Corps at the completion of their 6 hour training course, March 29, 1957.

Clyde I. Price, a member of the Clarendon Ground Observer Corps was presented special awards long past due. Price was stationed at Butylo, Va., while he was in the U. S. Army, and during his off hours, served in the G.O.C. there. While there he served 1750 hours, in reporting aircraft and weather conditions. He was on duty during hurricanes Hazel, Connie and Diana.

Service men who volunteer their spare time, just as civilians do, receive no military credit or pay. After being discharged from the service, he returned to Clarendon, his home town, and helped to organize the Clarendon Ground Observer Corps on January 24, 1957, which now has 43 members. Price was presented a I. D. Card, Training Certificate, Appointment Certificate as Chief Observer (of the Clarendon Post), Observer Wings, Chief Observer Wings, Merit Badge and Hour bars totaling 1750 hours.

The Clarendon G.O.C. is the first step in a County-wide Civil Defense program.

Those present for the presentation were Bill J. Land, B. L. (Mutt) Graham, Delbert Robertson, L. M. Smith, Billy Mayo, E. C. Woods, J. B. Melton, Lloyd McCord, James Watts, Jerry Price, Tommie Saye, Richard Maxey, L. L. Wallace, C. W. Bennett, B. C. Antrobus, Letha M. Smith, Ruth Melton, Emma Ayers, Basil Smith, Gladys Turner, Mrs. P. C. Messer, Edith Speed.

Mental Health To Be Featured In Film In County Schools Next Week

According to figures released by the National Association for Mental Health, about half of the nation's hospital beds are occupied by mentally ill patients, and one out of twelve people will spend some time during his life as a mental patient. The treatment of mental illness is perhaps the most costly health problem faced by the United States today.

In order for Donley County citizens to become further acquainted with mental health, local schools in Clarendon, Hedley, and Lelia Lake are presenting "We, the Mentally Ill," a dramatic 30 minute documentary motion picture from "The March of Medicine" TV series. This film will be shown according to the following schedule:

April 8, Monday—Lelia Lake High School, 10 a. m. and 1 p. m.

April 9, Tuesday—Clarendon High School, Room 201, 10 a. m. and 2 p. m.

April 10, Wednesday—Hedley Grade School, 10 a. m. and 12:30 p. m.

All interested citizens are invited to view this film.

H. T. BURTON RE-ELECTED MAYOR

H. T. Burton was re-elected Mayor of the City of Clarendon in an uncontested race here Tuesday. Mayor Burton received a total of 98 votes of confidence in the election which is a high total of votes where the candidate has no opposition.

Mr. Burton expressed his appreciation for this nice vote of confidence and stated that he would continue to serve in the best interests of everyone.

The Andy Brown family received national publicity this past week due to their kindness to travelers stranded in the snow-storm near their home at Jericho and have received many letters, telegrams, etc., in recognition of this humanitarian act. The Browns are very appreciative for the recognition they have received but had not expected anything in return for their kindness as their only thought during the storm was to help those in distress.

They have received invitations to appear on two prominent Radio-TV shows, one of which they definitely turned down, and the other they tentatively accepted if all details can be worked out. This latter invite was to appear on the Art Linkletter show the first of next week in California. If all arrangements work out, they will be flown to California for the show and all the family will go which includes Andy, his wife Melba and their children Linda and David. Since definite arrangements were to be made late Wednesday, all we can say is watch for Art's show as we know everyone here will be anxious to hear and see them when they are honored on this program should they appear.

In addition the Brown's were honored by a special Resolution of recognition in the House of Representatives at Austin. The Resolution was introduced by Rep. Will Ehrle.

The Leader has received several letters in regard to the Brown's this week also. One of them contained a check for \$25 and another had \$10 which they wanted passed on to the Brown's to help replace any damage to their home, etc.

The \$25 check was from W. J. Winniford who operates a machine shop in Dallas. Mr. Winniford's letter read in part as follows: Enclosed is a check which I hope will be joined with many more to express our appreciation of the efforts and sacrifice on the part of the Andy Brown family in giving aid to the people stranded in the snow storm. I feel sure that the people who were saved by their hospitality would have contributed a much larger fund had they been people of more means but I know that the average person traveling by bus does not have much surplus, and I feel sure they did the best they could. However I feel that in an emergency of this nature the responsibility rests on all of us. Think of the wide spread grief had all those souls perished. I sincerely hope the public will remember the Andy Brown family as bed rock Christians possessed of old time religion that makes people rise to the occasion. (let's put new rugs for the whole house).

Sincerely, W. J. Winniford.

The \$10 check was from Billy Bray, a member of the Woods and Bray Dance Team of Youngstown, Ohio.

Bulldogs Meet Howard County Here Friday

The Clarendon Junior College baseball team will blast the lid off the season with a double-header against Howard County here Friday afternoon. First game will start at 1:30 p. m.

Coach Buddy Travis has been able to work with his charges only a few days due to the bad weather and does not know much about his squad. However, he stated that he would probably open with Don Newman on the mound and follow with Norvell Breedlove and Buz Bailey. Practically all the boys working out are freshmen with only Breedlove, Kenneth Newman and James Lanier back from last year's team. Travis is counting on such boys as Bailey, Don Newman, Don Johnson, Jimmy Adams among others to carry the burden this season.

CANINE NEUROSES

By E. M. Gildow, D.V.M.

Director, Friskies Research Kennels

James Thurber, the eminent author, tells about the man who drove his dog neurotic by repeating over and over, "If you're a police dog, where is your badge?"

Of course, the statement is made only in jest, but it does serve to point up a most im-

Dog of the Week: AFFENPINSCHER

Toy dog. Average weight: 8 lbs.; shoulder height: 10 inches; coat: dense, wiry; shaggy on the head, face and legs; color: black, or black with tan markings, red-brown, gray, and pepper-and-salt mixtures.

portant factor of the canine make-up. Some extremely sensitive dogs develop symptoms similar to those of the neurotic human patient. Usually these symptoms first occur while the dog is under severe emotional stress, such as the first hunting trip.

(Unshyness is one example. Some dogs that are good hunters in the field before the hunting season starts, become confused and useless when the first gun fire starts.

According to scientists some dogs, under conditions of chronic anxiety, have developed symptoms comparable to men with peptic ulcers. These symptoms would explain why a dog sometimes will refuse to eat for long periods of time when separated from his master. The resulting anxiety, brought on by the separation, the scientists say, could cause severe bodily disorders, like disorders of the digestive system.

Thus, dogs exhibit some of the same fears, jealousies, and inferiority complexes experienced by some humans under emotional stresses.

Feeding Tip: If your dog is old or recuperating from illness, giving him a multi-vitamin capsule a day—the same as humans use—should help to give him the lift he needs to make life happier.

Andrews, Mr. and Mrs. Forest Helton of Amarillo and Mrs. Birg Siddle and boys.

Mrs. Kenneth Johnson of Amarillo visited her parents, Mr. and Mrs. Wallace Raney Saturday.

Mrs. Pearl Self spent last week with her sister, Mrs. Kay Smith and family of Hale Center.

PRESCRIPTION PRICES
YOUR Rexall DRUG STORE
How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions—there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expenses. The prices we charge are as low as satisfactory service and effective drugs will allow.

WIN ONE S. S. CLASS

The Methodist Win One Sunday School class met in their social gathering Monday afternoon in the home of Mrs. J. R. Bartlett, with hostesses Mrs. Bartlett and Mrs. Wm. Payne. Mrs. Jim McMurtry gave the devotional program. The president, Mrs. R. Y. King presided over the business session, and this was followed by a pleasant social hour. Lovely refreshments were served by the hostesses. The following guests were present: Mesdames M. Cook, E. McDowell, Walter Taylor, Bertha Benson, John Goldston, Frank Bourland, Jim McMurtry, Eva Rhode, G. D. Hillis, W. M. Pickering, J. P. Pool, R. Y. King, C. R. Cross, E. V. Quattlebaum, Conrad Ryan, and Miss Mary Howren. —Reporter.

HOMEMAKERS CIRCLE

The Homemakers Circle of the Methodist Church met Thursday afternoon, March 28, in the home of Mrs. Wm. Lowe. Mrs. Carroll Hudson was co-hostess. The devotional for the afternoon was given by Mrs. Conrad Ryan. Mrs. Homer Estlack presented the program taken from the church magazine, "Together." Eleven members and one guest, Mrs. Frank Phelan, Jr., were present. Members attending were Mesdames Conrad Ryan, Frank Phelan, Sr., Carroll Hudson, C. E. Deyhle, T. M. Caldwell, Steve Fedric, Bill Mooring, Dick Shelton, Homer Estlack, Wm. Lowe, and H. M. Breedlove. —Reporter.

W. E. HODGES HONORED ON BIRTHDAY

W. E. Hodges enjoyed his annual birthday party this past Sunday with all of his children present except one son that lives in Calif., but he enjoyed a phone call with him during the morning. Also celebrating with him was a grandson, Jack Bain. Each received their gifts after the noon meal. Those present for the occasion were Mrs. J. D. Wood, Mr. and Mrs. Jiggs Mann, Mr. and Mrs. Buck Roberts of Clarendon, Mr. and Mrs. Jean Davis and family, Mr. and Mrs. Charles Roberts and family, all of Amarillo, Mr. and Mrs. Winston Wood of Lubbock, Mr. and Mrs. Geo. Bain, Mr. and Mrs. Jean Bain and family, Mr. and Mrs. Jack Bain and family and Billie Bain, all of Sunray, Mrs. Atha Bain and Joe Nell of Dumas, Mr. and Mrs. David Hodges, Bryon Hodges of White Deer, and Eugene Dishman of Clarendon.

LELIA LAKE M.Y.F. MEETS

The Lelia Lake M.Y.F. Methodist Youth Fellowship, met in the Church at 6:45. The meeting was called to order by Jessie Lee White, Vice President, and the opening prayer was given by Evelyn Chamberlain. The secretary Jean Fox reported that her side was ahead. Judy Castner, John Bob Butler, Betsy Chamberlain, Paul White were selected from the other side to decide what kind of party to have, when and where. Carolyn Castner was selected from Jean's side to approve the plans of the committee. After the program Carolyn gave a prayer, and the meeting was adjourned by the benediction. There were thirteen present and our leader, Mrs. A. K. Thurman. —Reporter.

1926 BOOK CLUB

Mrs. Charles Lowry and Mrs. L. N. Cox were hostesses when the 1926 Book Club met Tuesday afternoon, April 2, at Patching Club House. The program was presented before the business session with Mrs. C. A. Pitts, leader. She introduced Mrs. Gene Moore and Mrs. W. W. Pinkerton who sang "Deep In The Heart of Texas." They were accompanied by Mrs. Bill Williams. Mrs. Pitts then gave an article titled "Who Are The Ten Richest Men?" stressing the two Texans in the group. Miss Lucile Polk told of the "Oil Folks at Home," and Mrs. Barcus Antrobus discussed "Texas, A World In Itself." Concluding the program Mrs. Moore and Mrs. Pinkerton sang "Bluebonnet Time" and Mrs. Moore sang "Have You Ever Been To Texas In The Spring."

During the business session presided over by Mrs. Loyd Johnson, Mrs. W. C. Thornberry, Mrs. E. S. Ballew, and Mrs. Frank White, Jr. gave reports on the District Federated Club meeting in Amarillo.

Refreshments were served to two guests: Mrs. Francis Cottingham and Mrs. Bill Williams, and to members: Mesdames W. W. Pinkerton, Gene Moore, Barcus Antrobus, C. A. Pitts, Frank Phelan, Sr., Frank White, Jr., C. B. Morris, W. C. Thornberry, Clyde Hudson, C. E. Bairfield, Loyd Johnson, E. S. Ballew, John Gillham, Homer Bones, Misses Lucile Polk and Naomi Allison by the hostesses Mrs. Cox and Mrs. Lowry. —Reporter.

HUGHINS CLUB

Sadie Wood and Agnes Allee were hostesses to the club on Thursday, March 28th. Two quilts were finished and refreshments were served to guests: Veta Elliott and Mrs. Reynolds, and members: Roxie Cosper, Pauline Koontz, Mary Lee Noble, Ruby Parker, Floree Webb, Cora Elliott, Belle Smallwood, Veda Goad, Virginia Smith, Ruth Lindley, Martiel Webb, and several children. Next meeting will be on Thursday afternoon, April 11th. Veda Goad and Dorothy Helms will be hostesses. —Reporter.

BETA SIGMA PHI MU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met Thursday evening, March 28, at Patching Club House with Frieda Gray presiding in the absence of the president. Officers for the coming year were elected as follows: President, Frieda Gray; Vice-president, Frankie Henson; Recording Secretary, Marilyn Simpson; Treasurer, Mary Neal Risley; Corresponding Secretary, Evelyn Yeates; Extension Officer, Ruth Hudson. The musical program was enjoyed by everyone. Jo Jinks, Dee Williams, Bert Garland, and Evelyn Yeates, accompanied by Ruth Hudson, sang as a quartet. A game, "Hold That Note," was played with Dee Williams at the piano and members guessing the title of selections played.

Present were Jane Bownds, Hallie Clapp, Bert Garland, Frieda Gray, Annette Hardin, Frankie Henson, Ann Hommel, Ruth Hudson, Jo Jinks, Mary Neal Risley, Lois Schollenbarger, Marilyn Simpson, Evelyn Yeates, Dee Williams, Kay Bain and the sponsor, Mrs. Morris. —Reporter.

JR. H. D. CLUB

The Jr. H. D. Club met March 28, at Patching Club House. Lucille Swinney and Polly Schull were hostesses. Leona Henson, president, opened the meeting. Clara Finley led the Club Motto and prayer in union. After the business, Helen Land gave the program on "Ways to Successful Entertaining."

Refreshments were served by the hostesses, Lucille Swinney and Polly Schull to the following members: Clara Finley, Sadie Head, Jeanette Thompson, Ona Tatum, Nora Decker, Oma Bentley, Helen Land, Gladys Hommel, Ruby White, Clarice Choate, Edith Spivey, and Leona Henson. —Reporter.

MIDWAY CLUB

Club met with Nell Land April 2nd. A delicious dinner was enjoyed by eleven members and one coming in the afternoon. One quilt was finished and another pieced on. Our next meeting will be with Jewel Myers April 16th. —Reporter.

KIL KARE KNEEDLE KLUB

One of the nicest parties of the year was given Thursday, March 28, when Mrs. Homer Mulkey entertained the Kil Kare Klub with a theatre party at the Mulkey Theatre. The picture shown was "Rebecca."

Guests who enjoyed the film were Mrs. Lee Bell, Mrs. Pete Kunz, Mrs. Frank White, Sr., Mrs. E. C. Herd, and Jan Scoggins of Borger; also members Mesdames G. C. Heath, E. H. Noland, John Bass, M. C. Rumpy, Cap Lane, J. R. Bartlett, R. O. Thomas, S. W. Lowe, Misses Ida and Etta Harned and the hostess, Mrs. Mulkey. Refreshments of Angel Food cake, nuts and mints, and hot spiced tea were served. —Reporter.

MARTIN QUILTING CLUB

Martin Quilting Club met March 7th with Veda Elliott. One quilt was finished, and a delicious covered dish luncheon was enjoyed by: Alice Pittman, Linnie Cauthen, Blanche Higgins, Lois Stevenson, Lela Bulman, Veda Elliott, Eunice Land, Margaret Waldrop, Velma Hearn, Dorothy Sullivan, Annie Waldrop, Jonnie Stout, Linda Stout, and Beth Waldrop. The next meeting will be March 21st with Eunice Land. —Reporter.

MARTIN QUILTING CLUB

Martin Quilting Club met March 21st with Eunice Land as hostess. Those present were Annie Waldrop, Lela Bulman, Veda Elliott, Velma Hearn, Eunice Land, Blanche Higgins, Margaret Waldrop and Betty, and two visitors: Mrs. Della Barker and Mrs. Walter Hutchins. One quilt was completed and a delicious dinner was enjoyed by all. The next meeting will be with Lela Bulman in her home, the 4th of April. Pollyanna gifts will be exchanged at this meeting. —Reporter.

LES BEAUX ART CLUB

Les Beaux Art Club will meet Friday, April 5th at the home of Mrs. W. K. Hardin. Mrs. W. D. Shelton of Amarillo spent the first of last week in the home of Mr. and Mrs. Dick Shelton and family. —Reporter.

F. H. A. Chapter Meeting

"Can I Get a Job" is a big question in the back of most high school girls' minds as the time for graduation and close of school draws near. This was the topic for a panel discussion Monday night when the Clarendon Chapter of the Future Homemakers of America met in regular session in the Homemaking Department. Mr. Selby Cook of the Texas Employment Agency of Amarillo, Mr. Tommy Saye, Mr. Junior Spier, and Mr. Kenneth Vaughan served as panel members. To get a job, they pointed out, you should consider: 1. What kind of job do you want? 2. Why do you want the job? 3. How do you qualify for the job.

They also gave these tips to the girls to help them keep a job. 1. Honesty, 2. Personal Appearance, 3. Personality, 4. Your ability to work well with other people, 5. Know how to do your job well, 6. Do an ounce more than is expected of you, 7. Use common sense. School is the best workshop for preparing yourself for any job. If you make a mistake there, you may have help correcting it. In a job, a mistake may cost you your job. Take everything you can in school. How else will you know what you might want to choose for a career. This program was arranged by Beth Lamberth, Robbie Lou Johnson, Phyllis Hill, and Sue Banister.

In the business session which preceded the program, final plans were made for National F.H.A. Week. Refreshments of punch and cookies were served to the following guest and chapter members: Mr. Selby Cook, Miss Janice Cook, of Amarillo; Mr. Tommy Saye, Mr. Junior Spier, Mr. Kenneth Vaughan, and Margaret Cushing, Glenda Borden, Barbara Koontz, Phyllis Hill, Barbara Darnell, Paula Vanderburg, Beth Lamberth, Beth Gillham, Pat Schull, Sue Banister, Evelyn Chamberlain, Elaine Behrens, Pat Spurgeon, Virginia Taylor, Linda Self, Wilma Moore, Georgia Bell Harmon, Vicki McAnear, Linda

Ledbetter, Sharon Smith, Brenda Putman, Ann Weatherly, Robbie Lou Johnson, Jo Ann Wood, Betsy Chamberlain, Mary Sue Rhoades, Betty Graham, Mrs. Bourland.

Hostesses were Ginger Taylor, Paula Vanderburg, Pat Schull, Elaine Behrens. —Reporter.

Mr. and Mrs. J. D. Pool and daughter Melanie, Mr. and Mrs. Morris Peden and twins Morris Jr. and Marcia Gene of Dumas spent the weekend with their parents, Mr. and Mrs. C. N. Brewer and sister Dollie Dee Bain, Bobbie and Carol Dee Spencer and attended memorial services for Lt. Guy Alden Wright.

A NOTE OF THANKS

I wish to thank all my friends for the lovely cards, letters and flowers sent during my stay in Baylor Hospital, and the many kindnesses shown me since my return home. May God bless you is our humble prayer. Mrs. Joe Goldston.

CARD OF THANKS

We wish to thank all of our many friends and neighbors for the prayers and many thoughtful deeds, foods, and beautiful flowers given us during the illness and death of our husband and daddy. May God bless each of you. The J. H. Duckett family.

Mr. and Mrs. Lewis Wood and family of Amarillo and Mr. and Mrs. Arlie Wood and family visited their parents, Mr. and Mrs. L. L. Wood Sunday. Other visitors during the afternoon were Miss Della Wood, James Pearson of Littlefield, and Mr. and Mrs. Winston Wood of Lubbock.

Mr. and Mrs. George Thompson took their daughter Judy to Lubbock Saturday for a piano clinic and also visited with the Goars at Muleshoe.

College Netters Trip PAMC

The Clarendon Junior College tennis team defeated the Panhandle A&M College team from Goodwell, Oklahoma by a score of 6 to 1 on the local courts last Thursday afternoon.

In the No. 1 singles match, David Duncan beat Garry Roth, 6-3; 6-3; in the No. 2 singles, Pete White defeated Ronald Pullium, 6-3; 6-0; the No. 4 match saw Sidney Marshall defeat Robert Partido 6-1, 6-2, and Buzz Bailey beat Ronald Shaw, 6-0, 6-1 in the No. 5 match. The lone Clarendon defeat was in the No. 3 singles match where David Wyatt beat Tommy Lane, 6-2, 6-3.

In the doubles matches, the No. 1 match saw Duncan and White defeat Roth and Pullium, 6-1, 6-4, and in the No. 2 match Marshall and Lane beat Wyatt and Partido 6-2, 6-4.

The Bulldog team will travel to Goodwell today for the return matches.

Guests in the home of Mrs. John Goldston Sunday were Commander Hill of Amarillo AFB, Lt. Vernon Goldston of Pensacola Air Base, Cadet Jesse Birch, Pensacola, Mrs. Irene Chamberlain of Canyon, and Mr. and Mrs. Gene Chamberlain and Mike of Memphis. All attended Memorial services for Lt. Guy Alden Wright.

A former Clarendon youth, Dannis Gibson, won first place at the district meet in Hereford March 15th as the best male actor in a "one act play." Dannis is now a senior in the Vega schools.

Mr. and Mrs. Gabbie Davis, Brenda and Billie of Odessa visited her mother Mrs. Edd Hodges the past week end.

Armstrong County 4-H Club Boys To Hold Farm Sale April 6th

The 4-H Club Boys of Armstrong County are having a gigantic farm sale. The Soil Bank Farm Sale, as it is called, is being held with the idea that many farmers who are retiring their land to the Conservation Reserve, will be seeking a place to sell part or all of their machinery.

This is the first of what the Boy's hope will be an annual sale. The profits from the sale will go into the general funds of the 4-H Club, and plans are being made for a trip to Carlsbad Caverns—if sufficient funds are raised.

A general sale committee composed of Gene Robinson, Chairman, C. M. Bryant, Guy Triplett, Leslie Fithen and Chester Butler have been working with adult leaders Glen Butler and Fred Robinson in planning the sale. They have had very good cooperation from the other club members in carrying out the details.

Much interest is being exhibited by both farmers and businessmen from Armstrong and surrounding counties. The 4-H boys have worked hard getting consignments for the sale, and their work is being rewarded with many very attractive items already entered—such as tractors, combines, plows, and many smaller articles of farm equipment.

The boys' mothers have agreed to assist their boys in making the sale a success, by fixing and serving dinner. Mrs. Leta Goodin, chairman, has worked hard with her committee in deciding on a menu and all the details necessary to serve 350 to 500 people. A nominal fee will be charged for the lunch of chicken and

spaghetti with all the trimmings. Besides the farm sale and lunch, the boys will have booths selling rat poison and fertilizer. The boys will also have coffee and cold-drinks for sale during the sale.

Cal and Phil Walker are going to be auctioneers. A standard and customary five percent commission will be charged. The sale will be "owner protected" and where an item does not sell, the owner will pay only one percent with a six dollar maximum.

The Claude, American Legion Grounds will be the location of the sale. Sale time will be Saturday, April 6, and it will begin at 10:00 a. m.

Those who have made entrees are being asked to bring their items for sale to the American Legion Grounds on Friday before the sale so they can be arranged and tagged. However, if it cannot be arranged, it will be alright to bring entrees in Saturday morning. In fact, if an item has not been entered prior to the morning of April 6, but the owner desires to sell—he should bring it in—it will sell.

Sesame Tests Favorable For High Plains Production

RENNER, Texas—Sesame strains especially adapted to the High Plains moved a step nearer reality last season in trials at Texas Research Foundation's test nursery near Lubbock, Dr. C. L. Lundell, Director of the Foundation, has announced.

"Yields in the tests ran as high as 1,332.13 pounds of sesame seed an acre. Thirteen strains produced more than 1,000 pounds an acre," Dr. Lundell reported.

Texas Research Foundation established the Lubbock nursery in

May, 1956, with financial support from the Southwestern Public Service Company of Amarillo. The nursery was set up to test the improved strains of sesame and other crops developed in the Foundation's plant-breeding program at Renner.

"Plant scientists tested 330 sesame strains at the Lubbock nursery in 1956. All of the strains made satisfactory stands," Dr. Lundell continued.

"These Lubbock studies indicate that we can look forward with confidence to the development of combine type sesame varieties that will be fully adapted to conditions of the High Plains." "The nursery was irrigated once before planting and twice during the growing season; but a limited supply of water prevented irrigation for maximum seed production," Dr. Lundell explained. "Sesame maturity dates," he added, "ranged from 84 to 132 days. Actually, wide variations in the performance of the various sesame strains simplifies the selection of types which will thrive profitably in this area."

"In 1957 all sesame and other new crop tests will be carried out at the new High Plains Station of Texas Research Foundation at Halfway in Hale County. This will continue the work initiated at Lubbock in 1956," he concluded.

Mr. and Mrs. James Gain of Amarillo visited Saturday night with Mr. and Mrs. George Schollenbarger.

Mr. and Mrs. O. A. Chaney and Clyde of Odessa visited her mother Mrs. Edd Hodges last week end.

Mr. and Mrs. Jack Eads are the proud parents of a girl, Andrea Dawn. The little Miss was born March 17 and weighed 5 lbs. 15 oz.

Handle Insecticides With Care - They're Dangerous!

College Station—Failure to observe manufacturer's directions when handling highly toxic insecticides and miticides is risky business, warn Extension Entomologists C. F. Garner and F. M. Fuller. Certain solvents used in preparing insecticide solutions or emulsions, they add, are inflammable and most of them poisonous to humans.

The specialists say insecticide injury to man is most common through oral and respiratory intake or by skin absorption. Continued exposure even to lower insecticide concentrations, with no regard to safety measures, can result in an accumulation of chemicals in the body and may cause eventual tissue or organic injury.

Many phosphorus compounds, such as parathion, methyl parathion, EPN, TEPP, demeton, Diazinon, Phosdrin, Thimet and Guthion, are extremely poisonous and must be handled with care at all times, assert the specialists. They add that phosphorus insecticides are much more poisonous to warm-blooded animals than most other chemicals used for insect control.

Since phosphorus insecticides tend to reduce the cholinesterase enzyme, entomologists advise regular handlers of such chemicals to have cholinesterase tests at 10-day intervals while working with the material. Your local doctor can tell you about these tests.

It's a good idea to bathe and change clothing immediately following a highly toxic job and not enter a field for two or three days after it has been treated, the specialists point out. Always

wear gloves and freshly laundered protective clothing during handling, and stop working if a toxic insecticide is spilled on skin or clothing for a thorough bath and a change of clothes, they advise.

Other pointers to remember include the use of approved respirators; protection of all persons and livestock from drifts, sprays, or dusts, and the storage of sprays and dusts away from children, irresponsible people, and all forms of food and feed.

A rhetorical question is one which does not require an answer.

Catholic Popes have been Italians for more than three centuries.

Mr. and Mrs. Leon Underdown and Ann of Amarillo spent the week end with his parents, Mr. and Mrs. C. E. Underdown.

Mrs. Mabel Meacham of Memphis visited thru the week end in the home of her daughter and family, Mr. and Mrs. Dick Shelton and children.

Mr. and Mrs. W. E. Hodges visited Mr. and Mrs. Marvin Hodges at Groom last Thursday.

stein cow during snow storm
from my place in Goldston com-
munity. Please notify R. Mc-
Cluskey, Jericho Rt. (10-p)

GUIDED ARTILLERY—The CORPORAL, now in the hands of
troops in this country and overseas, is guided electronically in its
course. Then the guidance is shut off and it follows a natural
ballistic trajectory to the target. The adjustable service platform
overhead is known in missileman jargon as a "cherry picker."

workers earning the \$50 mini-
mum figure are required to with-
hold 2 1/4 per cent as social se-
curity tax. The employer then
matches this amount and for-
wards the total to this District
Director of Internal Revenue
using the greatly simplified Form
942. Previous to January 1957 the
tax was two per cent.

"Revenue's easy-to-use Form
942 must be filed with us with-
in one month after the end of
a calendar quarter. For example,
April 30 is the final date to pay
tax for the January-March quar-

ter," Mr. Pierce said.
Mr. Sanderson of Social Secu-
rity explained that "women house-
hold employees can now choose to
retire at any time after reaching
age 62. Like other insured women
workers, their old-age benefit
payments will be permanently
reduced if they elect to apply for
them before reaching age 65."

"Household employees," he
concluded, "include maids, cooks,
waiters, butlers, housekeepers,
governesses, valets, baby sitters,
janitors, laundresses, furnace
men, gardeners, and chauffeurs of
private cars."

FARM NEWS

from the County ASC Committee

MQ-31 WHEAT AND COTTON ACREAGE HISTORY:

It is of the utmost importance that each farm operator in Donley County sign an MQ-31 Form in order to preserve the wheat and cotton history for your particular farm. The deadline for preserving wheat history is May 1, 1957 and cotton history is June 1, 1957.

Only the planted acres of the allotment will be counted as History unless the MQ-31 is signed by the deadline. If the MQ-31 is signed it will preserve the allotment for wheat and cotton regardless of the acres planted on each farm. Also this is very important towards preserving the History for Donley County.

DO NOT FORGET TO SIGN THIS FORM.

CONSERVATION RESERVE SIGN-UP DATE:

April 15, 1957 is the final date for signing a Conservation Reserve Agreement.

CONSERVATION RESERVE PRACTICE PAYMENTS:

All farmers that have placed land in the Conservation Reserve should advise this office the kinds of grasses they plan to seed so that approvals can be issued.

SOIL BANK GRAZING:

Wheat Acreage Reserve may be grazed until April 15, 1957, but all stock must be off the reserve by this date. Cotton Acreage Reserve CAN NOT be grazed at any time. This is your official notice in regard to grazing.

COTTON ACREAGE RESERVE:

The Cotton Acreage Reserve Sign-up period ended March 1, 1957.

WHEAT MEASUREMENTS:

Wheat Measurements are complete on all the Wheat Farms in the County. If you have seeded wheat without an allotment and it has NOT been measured, please advise this office so we can measure it and prepare marketing cards.

If you have exceeded your Wheat Allotment, the excess acreage must be destroyed by May 10, 1957.

Farmers with Wheat in the Acreage Reserve should examine your notice of Measurements very carefully as you have only 10 days after the date of notice to adjust the designated acreage.

ACP PROGRAM:

All Producers with an Approval for ACP Practices should examine the approval and report the Practice completed not later than the expiration date on the approval.

We have Practices in our 1957 ACP Handbook would prove beneficial to your Farming Interests.

LESTER C. MYERS

Quail Teacher Granted Science-Math Scholarship

Lester C. Myers, mathematics teacher at Quail six years, has been granted a scholarship at the University of Texas through the National Science Foundation for further graduate study in the field of science and mathematics.

The value of this scholarship for the school year of 1957-58 is about \$4,000 plus tuition in the University.

Mrs. Myers, fourth grade teacher at Quail, and their two small sons will accompany him to Austin for the year.

"We regret to lose Mr. and Mrs. Myers from our faculty, but at the same time we are proud he could qualify for the scholarship and we wish for them the best of success," Supt. Herman Moseley of Quail school declared.

Myers' scholarship is one of 50 offered through the University of Texas under the National Science Foundation program, which has their chief objectives: (1) to help them in providing better motivation for students to consider careers in science; (2) to give these teachers personal contact with highly productive scientists in order for further identification with the profession of science teaching and (4) to help the Foundation in developing an experimental program designed to assist colleges and universities in their efforts to improve science subject matter training programs for high school teachers.

Both Mr. and Mrs. Myers were reared at Lelia Lake. He is the son of Mr. and Mrs. Earl Myers of Lelia Lake, and Mrs. Ernest White of Wichita Falls. Mr. Myers was graduated from West Texas State College, Canyon, in 1953, and has done graduate work at the University of Colorado, Boulder.

He is Supt. Trinity Methodist Church Sunday school, also a member of the Masonic Lodge. Mrs. Myers will teach in Austin Grade school if she wishes.

Local F. F. A. Youths Stage Ranch Style Dress Parade

Twenty-five members of the Clarendon Future Farmer Chapter staged a western dress parade at the school assembly program last Friday. Thirty-two pair of Dickie's Ranch Style Pants were presented to twenty-five members of the chapter by the Williamson - Dickie Manufacturing Company of Ft. Worth. The pants were special awards for the local youths for high placings in the junior division of the recent Fort Worth Fat Stock Show.

Doyce Graham, James McAnear, Jack Moore, W. N. Elam, Steve Mills, Lowell Hall, Harold Lindley, Chester Mann, Hubert Heatherly, Bob Longan, Jitter Graham, Sam Wells, Carl Talley, James Mahaffey, Jackie Phillips, Jimmy Graham, Jimmy McAnear, Clyde Drake, Keith Pittman, Gary Longan, Wayne Mann, Dennis Bradshaw, and Pat Roberson were each presented one or more pair of pants by Adviser J. R. Gillham on behalf of the Williamson Dickie Co. The youths donned the pants after the presentation for the dress parade across the stage.

SKATING TO BEGIN SATURDAY AT LEGION HALL

It has been announced that the Legion Hall will be open for roller skating each Saturday afternoon with the first session this Saturday afternoon from 1 to 5. Admission will be 50c for shoe skates and 35c for regulars per session.

National F.H.A. Week April 7-13th

What is F.H.A.?

F.H.A. stands for Future Homemakers of America—an incorporated non-profit youth organization.

Who May Join F.H.A.?

Any pupil enrolled in school who is taking or has taken homemaking in junior or senior high school. Membership is voluntary. Our chapter is made up of sixty active members and five associate members.

Who Sponsors F.H.A.?

The local Homemaking teacher.

What is the F.H.A. Goal?

Learning to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow.

Sunday, April 7th

The secretary, Barbara Koontz will write letters to the different churches in town, explaining about FHA Week and the purpose of the organization. Everyone is encouraged to attend the church of her choice where the minister will probably recognize the FHA Members in attendance.

Monday, April 8th

Monday is project day down town. Everyone who would like

to work for some points is encouraged to contact Betsy Chamberlain who is in charge of the activities for this day. She will make plans for securing space in store windows for displays of FHA work.

Tuesday, April 9th

Tuesday is the day that some of the numbers appearing on the assembly will entertain at the Clarendon Lions Club. Margaret Cushing is in charge of this day.

Wednesday, April 10th

Sharon Smith will head the group in charge of project day at the school. Everyone will have to wear some article of clothing that she has made. A group of four policemen, Ann Word, Nancy Davis, Joyce Eddings and Phyllis Hill, will check and fine any person who does not participate in project day a dime.

Thursday, April 11th

Sandra Pinkerton will be in charge of getting an assembly ready to put on this day.

Friday, April 12th

Friday, Pat Spurgeon will be in charge of all activities. She is to pick her assistants. We will bring dishes of food for a covered dish supper; after eating we will make Texas flags, and we will also vote for our officers.

Saturday, April 13th

Beth Lamberth and Robbie Johnson are in charge of a bake sale at Vallance's and Junior's. Those not bringing either a cake or two pies must pay \$1.50.

During the entire week each girl will be expected to wear a red rose made from ribbon. If any of the girls who serve as policeman on Wednesday catch a person without their rose, that person must pay them a nickel which will be put in the treasury. —Reporter.

HOSPITAL NOTES

Patients as of Wednesday, April 3rd:

N. W. Jeffers, Ethel Green, Rev. E. L. King, Mrs. J. C. Blackburn, Marjorie Harlan, M. W. Hatley, Mrs. Melvin Cook, G. W. Bradshaw, and Loyd Skipper.

Dismissals:

W. T. Chapman, Mrs. Herman Vinson and son, Rev. Sam Williams, Mary Lou Harrelson, Vernie Ford, D. T. Goodman and Mrs. Paul Wright.

R. C. Bingham, who is a patient in the Groom hospital, is reported improving satisfactorily at this time.

Date Set For Clarendon F. F. A. Father - Son Businessmen's Banquet

The date for the annual Clarendon F.F.A. Father-Son-Businessmen Banquet has been set for 7 P. M. on the night of May 14th. The event marks the climax of the year's activities for the local F.F.A. members, and is one of the largest of its type in this section. Last year 250 F.F.A. members, dads, and Clarendon businessmen attended the chicken barbecue banquet. A large number attending the meeting last year said that it was the largest gathering of Clarendon businessmen with more nearly 100 percent attending than any meeting involving businessmen they had seen in Clarendon.

The banquet is given by the F.F.A. members each year as a token of appreciation to their fathers and the business men and individuals for the many activities and efforts of these people in their behalf, and at least one businessman from every firm in Clarendon, in addition to their fathers, is invited to attend the meeting.

Senior Students Receive Recognition

Senior students under the direction of Mrs. L. N. Cox, English instructor, were given an opportunity to enter the Soil Conservation contest, an annual event sponsored by the State Soil Conservation department. The paper prepared this year was entitled "Youth's Stake in Soil Conservation."

All members of the senior English class participated and about a dozen of the better papers were turned over to C. B. Morris, who sent them to the State Committee for judging. Of the top ten entries chosen from this region five were from the Clarendon group. These five students will attend a banquet at Hereford, May 9 where the third place winner will receive a trophy and the other four winners will receive medals.

Winners and their respective ratings were as follows: W. T. Elliott, third; Walton Crain, fifth; Elizabeth Smith, seventh; Glenda Borden, ninth; and Don Pitts, tenth.

Leader—Local rate, \$3.00 a year.

Border

PLOWIN' Out the CORNERS

Things to remember;
 "That you cannot whitewash yourself by blackening others."
 "That success comes in can't-failures in can't's."
 "That a day of worry is more exhausting than a week of work."
 "That the sign on the door of opportunity reads—PUSH."
 "That cheerfulness is what greases the axles of the world."
 "That a dead fish floats downstream, a live one goes up."

Our good friend Jim Mullins from Lubbock, Texas sends us a whole page of good sayings. Beginning with the following we will use a few now and then until we use them up. In addition to collecting mottoes, sayings, etc., Jim also sells stocks, bonds, and all such good investments. Even though he knows by now that we will never have much money he always stops by for a visit. Anyhow, Jim read the following in the High School at Clarendon;
 "The man who waits for things to turn up, finds that his toes do first."
 Still others;

"A man may be happy without a fortune, but he could never be happy without a friend."
 "Don't let your pride get too big, you might have to swallow it someday."

 EDWIN EANES

"Some folks who don't know where they are going often wonder why they never get there."
 "A man who is all wrapped up in himself makes a mighty small package."

Heard of a fellow that had stopped the practice of counting sheep to go to sleep. He has started shoving the folks that he doesn't like off the Empire State Building. He thinks this puts him to sleep better and faster and is more exciting.

I believe it was Henry Ford who said: "The best pay that I ever got was experience, which I think is still the most valuable thing in the world. It is the one thing that no man can take away from me." And he was right, and I guess no one ever profited more on his experiences than did this great man.

Usually when we think of our experiences we think of the times we had a little set-back which taught us a good lesson about something in our life. Actually, I like to think of the things in the way of experiences that are thrilling and that take us to new mountain tops in our life. Take for instance hearing a good band, or a beautiful quartet or some group singing wonderful and inspiring songs.

Although it would never be for me, I have a friend that loves to get up high in an airplane and loop the loop and dive all over the skies. This to him is a grand and glorious experience and has a way of lifting up his spirits. Everyone to his own liking but to me this would be frightening beyond words. Anyhow we like to look on ahead and expect these mountain top thrills in life. But we may as well face the cold hard facts we have to go through the valleys before we can enjoy the mountains. In fact, we could not have the high places without the lower ground being nearby.
 It's wonderful how God knew what was best when He made us as He did.

Lassen Volcano in northern California is the only active volcano in the U. S.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

HOUSE ACTION BEARS FRUIT

The action of the House of Representatives in returning the budget to President Eisenhower has not met with the warmest welcome at the White House. However, like most unpopular moves, its impact has brought some indirect results. As I pointed out in last week's newsletter, the Housing Administrator indicated a willingness to make a measurable cut. Since that time the Secretary of Defense has moved in the direction of economy so that some 50 million dollars, according to the estimates of some House Members, may be saved in the Pentagon. More of this sort of thing is foreseen.

In the meantime, the House of Representatives Appropriations Subcommittee, headed by the very able Albert Thomas of Houston, Texas, proceeded to slash some 517 million off of the budget estimates for 1958 expenses of 19 federal agencies. This is commonly called the Independent Agencies Appropriation Bill. When the bill came before the House, 21 million dollars was knocked off. The final cut amounted to about 10 percent of the budget estimate. If all bills could be cut in like manner, it would mean a 7 billion dollar reduction in the proposed expenditures for this year.

Approximately 82 percent of the funds included in the bill passed by the House were Veterans Administration funds. The other 18 percent was allocated among 18 other independent agencies. I thought that this action would be front page news in Washington, but not so. When my morning paper came there was slight mention of the bill on the front page, but the story was in the second section of the newspaper.

The House of Representatives is in a budget cutting mood and chances are that measurable cuts

will be made in each bill as it reaches the House for debate. Some have said that Congress is getting itself in position to again be accused of "fiscal irresponsibility", as it was when it tried to cut taxes for the small income people. One fellow was heard to remark that if the recent budget was an example of "fiscal responsibility", a little touch of "fiscal irresponsibility" might be in order. He felt that if someone didn't stop being so "fiscally responsible", it was going to bankrupt the nation.

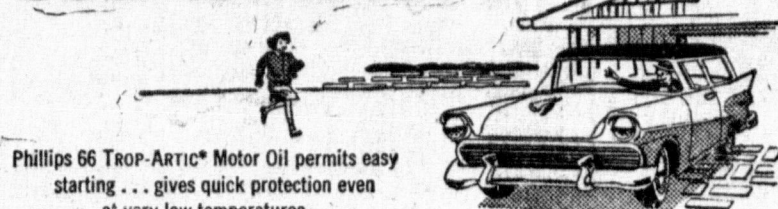

MID-EAST SITUATION

Everyone is getting into the act in trying to settle the Mid-East problems. There are a number of independent committees composed of self-appointed individuals and groups. Some of these are strongly partisan, either for Israel on the one hand or for Egypt on the other. Others appear to be organizations that recognize an opportunity to turn a quick dollar. Some are business groups who feel that they can provide the answer. One such group has termed itself the "Mid-East Settlement Committee" and is headed by Mr. E. W. Greenwood as Chairman. The headquarters for this group seem to be the Shoreham Hotel in Washington. It has issued a press release, a plan and proposal to handle the situation, and a proposal to finance handling of it by issuance of world peace bonds. According to the press release, Mr. Greenwood has visited with Nasser in Egypt and has had constructive talks with him. He states that his plan has been submitted to President Eisenhower, to Secretary Humphrey, the Senate Foreign Relations Committee and the State Department. He doesn't state why he by-passed the House of Representatives' Committee on Foreign Affairs.

I have heard by grapevine that the State Department has told this Committee its proposals are

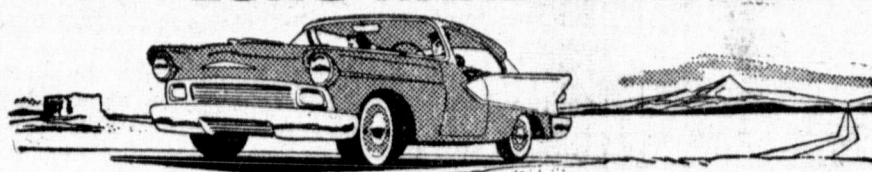

impossible. I am told the Committee is made up of several businessmen from the West Coast and that they are spending their own money to get this movement snowballing. I read their proposals, especially those concerned with the issuance of world peace bonds, the proceeds of which are to be used to assist all of these countries. The NOT UNUSUAL provision in this proposal is the suggestion that the bonds be guaranteed by the United States Government. There seem to be quite a few people willing to take a chance and enter into a new program and new venture if their success is guaranteed by Uncle Sam. Washington has a full share of those who preach free enterprise but hang around the Capitol trying to get handouts from the federal government.

COLD STARTS!

Phillips 66 Trop-Artic Motor Oil permits easy starting... gives quick protection even at very low temperatures.

LONG HARD DRIVES!

Trop-Artic retains its "body" at high temperatures... gives good protection... won't thin out and burn away.

Change to Trop-Artic Motor Oil for

All-Weather Lubri-Tection

Lubrication plus Engine Protection... that's what you get at every season of the year with TROP-ARTIC All-Weather Motor Oil. You use the same grade winter and summer. Compared to old-fashioned motor oils, it can even double engine life. OUR GUARANTEE: Try a crankcase full of TROP-ARTIC Motor Oil for ten days or up to 1,000 miles. If you aren't completely satisfied that TROP-ARTIC lives up to all the claims made for it, your Phillips 66 Dealer will gladly drain and refill your car's crankcase with any other available oil you prefer. Could anything be fairer? Change today to Phillips 66 TROP-ARTIC All-Weather Motor Oil.

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN—Legislative digging into the affairs of ICT Insurance Co. has reached the pick-and-shovel stage.

Previous sensation-a-day pace could hardly be maintained. In prospect now is an exhaustive turning over of every detail of the bankrupt company's financial history. Goal is to discover if crash was due to any violations

A. H. MOORE

of law or lack of adequate laws or enforcement.

One possibility for fresh sensations would be the return of BenJack Cage, former manager of the company. Cage is in South America. He said he would be glad to talk with the committees, but was busy right now and couldn't get away.

Cage's successors at ICT have accused him of squandering the company's funds in numerous bizarre promotional schemes.

Recent disclosures from testimony:
(1) Former Insurance Commission Chairman J. Byron Saunders received some \$7,000 from ICT Discount Corp. in monthly checks. Saunders said it was in

payment for his interest in Wood County oil wells. Atty. Gen. Will Wilson questioned Saunders closely as to why the money was listed on his income tax return as legal fees rather than money from a property sale.

(2) Two former Insurance Commission examiners were asked to explain if they were the same men whose names appeared on checks from a BenJack Cage interest. A doctor certified the two, L. W. Blanchard and Robert Butler, were too ill to testify. Both had been discharged from the commission for alleged connections with another company that went broke.

(3) Renne Allred Jr., court-appointed liquidator for ICT, charged the company was organized with borrowed money, a procedure contrary to state law. He also said year-end statements were fattened by short-term loans.

(4) Several legislators and former legislators testified concerning fees from ICT. Most were small in amount and received some time ago.

COKE'S CO. IN TROUBLE
Physicians Life Insurance Co. of Dallas is to appear before the Insurance Commission (Thursday) March 28 to show cause why it should not lose its license.

This is only one of the difficulties faced by the company headed by Former Gov. Coke Stevenson.

It is one of several Dallas-based insurance companies that are to be investigated by a special Dallas County grand jury.

Governor Stevenson said the original founders of the company sold some of their stock through the company at a tremendous profit and retained the money themselves. None of these people is in authority now, he said, and the firm has sued for recovery of the money. "It will go a long way to get things straightened out," he said.

Stevenson also told stockholders the company's future solvency requires it to get loose from a commitment to take over assets of American Atlas Ins. Co. from the state receiver. Federal tax liens against American Atlas were discovered after the deal

was made.
Another Insurance Commission order gives Legal Security Life of Dallas until April 15 to clear up charges it falsified its books to show assets in excess of their true value.

CONFUSED HISTORY
House bribery investigators are having slow going with the Texas Naturopathic Association.

Efforts to uncover details of the TNA's past legislative activities have been repeatedly balked by faulty memories and lack of records.

On the committee's recommendation the House formally censured ex-Rep. James E. Cox of Conroe. Cox has been indicted on charges of agreeing to accept a bribe from the TNA.

Panel then turned its attention to reports of a fund raised by the Naturopaths to "educate" the Legislature in 1955. Fund was variously estimated from \$8,000 to \$59,000.

But only hazy and conflicting testimony was received. No records were kept, said a former office secretary.

Irked by it all, the committee prepared contempt charges against a Dallas naturopath, Dr. Robert Spears, for refusing to answer questions about his background.

Georgia is the largest state east of the Mississippi.

SOCIAL SECURITY INFORMATION

JOINT NEWS RELEASE

Housewives failing to report the earnings of their domestic workers under the Social Security Law may be depriving them of valuable credits at retirement or death, warned John R. Sanderson, Manager of the Amarillo, Texas Social Security Office, and James Z. Pierce, Administrative Officer-In-Charge, Amarillo Office, Internal Revenue Service.

At the same time, they are headed for trouble with Uncle Sam, added the Revenue Officer.

One day the domestic worker will report the housewife who fails to pay the tax, they warned, as most maids and other domestics are beginning to realize advantages of such payments for their old age or for their survivors in event of death.

Mr. Pierce revealed that severe penalties may be applied to willful delinquencies.

Mr. Sanderson said that the social security tax amounts to 2 1/4 per cent each for employee and employer, since January 1957. The tax had been 2 per cent. Employers must pay tax on household employees who earn \$50 or more in any calendar quarter, such as January through March.

The law applies to such workers in and about the home as maids, cooks, waiters, butlers, housekeepers, governesses, valets, baby sitters, janitors, laundresses, furnace men, gardeners, and chauffeurs for private autos.

Mr. Pierce said the tax is paid to Internal Revenue Service on a simple easy-to-complete Form 942, which Internal Revenue Service will supply upon request. Wages include payments in cash, check, or money order. Not included for household workers is the value of food, lodging or clothing. Cash payment for car fare is included, but not the cost of bus tokens.

"Here's a typical question that we get daily at our office," Mr. Sanderson said.

"I do work in private homes, one day each week for three different employers. Should all my

employers deduct social security tax?"

Social Security's reply: "Yes, if each pays you \$50 or more in cash wages in a calendar quarter."

Mr. Pierce concluded, "Form 942, showing name, social security number, wages paid and tax withheld from each household employee, should be completed and returned to Revenue Service within one month after the calendar quarter's end and that's by April 30—for the January-March period."

Step into a new world of Pure Luxury

ROADMASTER 75

Custom Built by Buick NOW ON DISPLAY

A NEW CONCEPT in motorcar excellence awaits your inspection in the ROADMASTER 75 just introduced. You will see what we mean the first time you glimpse the interior. The impeccable tailoring and taste of the rich appointments are as obvious as the comfort is opulent. The seats, for example. They are meticulously fashioned in glove-finished fabrics of broadcloth or Nylon, with backs topped in supple, hand-buffed leather. They are thickly layered with contoured foam rubber. They are wide, deep, superbly soft. The doors present a new standard of luxury and restfulness—fully upholstered and softly cushioned from floor line to window. The instrument panel, below the safety cushion, is chromed from end to end. The deep-pile carpeting is backed by foam. The integral armrests are fully in keeping with the spacious grace of the car. The complete interior is matched by the mechanical excellence that is ROADMASTER tradition. Indeed, nowhere else among the world's fine cars can you enjoy superb performance quite like that of a ROADMASTER 75—from the instant response of its brilliant new Dynaflo, to the smooth obedience of its all-new air-cooled aluminum front brakes—newest and the finest in the fine-car field. Your Buick dealer is ready to show you this magnificent new automobile. See him this week.

MRS. LILLIAN M. NELSON

Mrs. Lillian M. Nelson, a former Clarendon high school teacher who has lived frugally all her life, Saturday (March 30) gave Texas Baptists \$100,000 in common stocks.

The money will be used for missionary work in foreign lands.

The transaction was arranged and completed by George Shearin, endowment secretary for the Baptist General Convention of Texas.

Mrs. Nelson is now a member of the Beacon Hill Baptist Church in San Antonio and has been a Baptist unday school teacher for the past 55 years. Her father, Washington Lafitte Martin, was a captain in the Confederate Army and moderator of the Mills County Baptist Association for 20 years.

Now 73, the teacher lived here with her husband, also a teacher, from 1919 to 1925, when they moved to San Antonio.

Mrs. Nelson, a slender woman with brown eyes and graying hair, transferred the stocks to the Baptist Foundation of Texas in exchange for a gift annuity and will receive a generous income for the remainder of her life. At the time of her death, the investment will remain as a permanent endowment fund for the missions.

"If I can't personally go to the foreign mission field, it is my duty to make provisions for those who can," she said. "I am obligated to see that the other person has the same opportunity of knowing Christ that I have had."

Mrs. Nelson has enjoyed few of the luxuries most Americans take for granted today. She and her husband, Joseph Edward Nelson, bought no new cars, took few vacations and wore made-over clothes until they became baggy and shiny. The couple put aside part of their income regularly,

however, and if they didn't have the money to buy whatever they needed most, they simply did without it. From their two salaries, they saved up \$5,000, invested it in steel company stocks and built it into the \$100,000 fortune. Even today, Mrs. Nelson's small San Antonio home is furnished neither expensively nor elaborately. It is simple and functional, with no wall-to-wall carpets.

The Sunday school teacher first learned about missions at a family altar in her father's home.

"We had a big farm with a fireplace, and dad delighted in getting us all around him and reading the scriptures," she recalls. "He had a resonant, musical voice, and after we had read some passage, such as John 3:16 or First Corinthians 13, we would sing 'Sweet Hour of Prayer' or 'What a Friend We Have in Jesus.'"

"We didn't have any money—cotton was five cents a pound—or any plan of Christian stewardship then, but tithing and foreign missions were entrenched in my thinking long ago. We had some cattle and some hogs and sheep, and we always knew the Lord would get the fattest yearling or the best lamb. Dad always emphasized the fact that the Great Commission says 'Go ye into all the world.'"

The driving energy which has characterized Mrs. Nelson's life still dominates her everyday activities.

In addition to being a Sunday school teacher, she has also been a member of the Woman's Missionary Union of Texas for the past 41 years. She taught public high school and university classes for 36 years and still tutors college students in master's degree work. She does her own gardening; works in civic and community clubs; entertains friends; helps edit a club paper and writes personality profiles for the publication. And in her spare time, Mrs. Nelson raises gold fish—she had 300 once—paints, does interior decorating, works in ceramics, sews, reads and cooks, all at the age of 73.

The Rev. M. E. Wyatt, pastor of Mrs. Nelson's church said: "She has few equals as a faithful supporter, and her prayerful concern for the work, for the salvation of souls and for mission work around the world has been an inspiration to all of us."

A native of Goldthwaite, in Mills County, Mrs. Nelson be-

came a Christian at the age of 13 and joined the little Cold Spring Baptist Church. She entered the Baylor Female College (now Mary Hardin-Baylor) in 1900 and during her college days taught Bible classes at the old Ely Pepper Hall and in the First Baptist Church at Belton.

After getting her bachelor's degree, Mrs. Nelson taught in a rural high school at Mullin and in another at Dublin, where she met her future husband. A son, Gale Harper Nelson, was born to the couple, and then, 12 years from the time she got her bachelor's degree, Mrs. Nelson went back to the University of Texas and got her master's degree.

In addition to Dublin and Mullin, other cities where Mr. and Mrs. Nelson taught high school and college were Mercury, Midland, Clarendon and San Antonio.

Mr. Nelson was the first supervisor of the San Antonio Junior College when it was first established under the sponsorship of the University of Texas. Mrs. Nelson taught in that one school alone for 25 years. One of her most prized possessions is a set of cut glass pitchers and goblets given to her by the Midland Woman's Missionary Union when she moved to Clarendon. Mrs. Nelson had been the group's Bible teacher two years.

Quail Ex-Student Reunion Planned For April 20th

Plans for the biggest and best ex-student banquet at Quail has been made. The date is set for April 20, 1957 at 7:30 P. M. in the High School Gym. The tickets will be \$1.50.

"You do not have to be a graduate nor do you have to have an invitation to attend. It is impossible to send invitations to everyone, so please accept this announcement as your invitation", president Jack Morgan points out.

The committees appointed promise lots of fun and good food. John W. Carson heads the food committee, Avyrilla White is chairman of the entertainment committee, and Evelyn Jo Carson is in charge of the decorations.

Come on to the banquet and renew old friendships. Send your reservations to Mrs. Mary Lee Gilbreth, Box 78, Quail but pay later at the door.

Will Writes

FROM

by Will E. Linn
STATE REPRESENTATIVE
88th District

HOUSE PASSES CONDUCT CODE

The House of Representatives in an extra heavy session last Thursday passed two bills which are aimed at "cleaning up" our State Government. A Code of Ethics for state officials and state employees was approved. Considerable opposition developed to this bill on the grounds that if a man were dishonest he would not be prevented from being dishonest by a mere "code of ethics."

It seems to me that perhaps it is good to have in writing the standard of conduct which all state officials should observe.

Even if it doesn't stop a person from being dishonest, it still gives all public officers a guide by which to measure their actions.

The "meat" of this bill provides, "No officer or employee of a state agency, legislator, or legislative employee shall accept any gift, favor, or service that might reasonably tend to influence him in the discharge of his official duties."

LOBBY BILL APPROVED

The House also approved and sent to the Senate a bill which would make all professional lobbyists register with the Secretary of State. This law, if passed by

the Senate, would also force all lobbyists to report their expenditures during sessions of the legislature. I hope that this measure along with the Code of Ethics will help in providing for more honesty and integrity in our State Government.

However, in the final analysis, it is still up to the people of Texas to choose their public officials from the town and city officers right up to the Governor with great care. A Code of Ethics and a Lobby Registration Law can help a great deal, but they will never replace the power of the ballot box. That's the thing which has the greatest force on the politicians in the State.

GREENBELT AMENDMENT HEARD IN SENATE

The amendment to the Greenbelt Municipal and Industrial Water Authority has been recommended favorably by the Senate Water Committee. This bill should pass the Senate next week, and thus make it possible for the communities in the Greenbelt District to call confirmation elections in the near future. We need to confirm this district in order to keep our water rights.

INVESTIGATIONS CONTINUE

The House investigating committees are still working hard, and I feel are doing a good job. There has been no attempt to whitewash the naturopaths or the ICT scandals. The bribery committee had some trouble last week, however, when Albert Brown testified. He is the former lobbyist for the Naturopaths. It seems that Mr. Brown is rather forgetful and couldn't remember very much. One member of the committee remarked after Brown had testified, "Well, we do know what his name is, but that's about all."

SESSION GETTING SHORT

This session of the legislature is in its final five weeks if we quit on time. Our pay stops on May 7, so if the session continues beyond that date, we will all have to work without pay. If you have opinions on any pending legislation, please let us hear from you soon.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

We have numerous current magazines ready for you to read. Most of our periodicals arrive about from the 20th to the 25th of the month.

We have a paper back edition of "Rocks & Minerals" that is arranged for adults. This paper back is \$1.95 so I presume we could scarcely afford any other.

"The Trail Driving Rovster" is a "tall tale" told by Fred Gipson. His books are favorite editions of several Texans. Quite a few readers here enjoy his writings. We have purchased all but one of his books.

Our Book of the Month Club edition is "Birthright" by Lettie Hamlet Rogers. It is set in the South and concerns segregation. May not be too popular.

We had several Jr. editions as gifts this week. They were all duplicates, but excellent for replacement as they were mostly Caroline Keene editions and they are constantly being worn out and replaced.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Some stock farmers and ranchers have not as yet bought cattle to stock their pastures. With the good moisture we have had and the expectation of good grass to follow, the temptation to buy stock now is likely to be great.

Fatty Arbuckle's first name was Roscoe.

The world's largest operational seaplane is the Navy's MARS.

BABY CHICKS

NOW READY FOR DELIVERY.

Also some Started Chicks.

Shad Kill Runs High

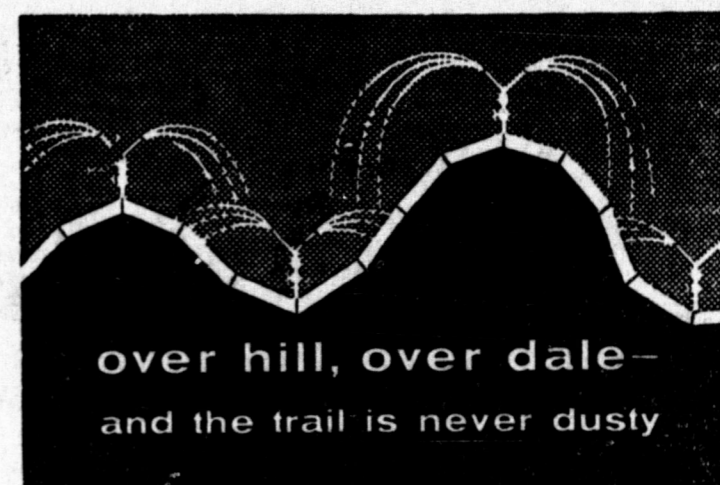

Supervising Biologist Keaneth Jurgens said unconfirmed reports indicate that bass weighing up to eight pounds were caught on plugs the second week after the renovation and that one eight pound channel cat was snagged on an artificial lure. Catfish rarely bite an artificial bait.

The studies show that the gizzard shad comprised 95.4 per cent of the toll taken by the chemical and that fresh water drum comprised 3.7 per cent. Game fish comprised less than one half of one per cent of the dead fish observed after the lake level was lowered which occurred as soon as the chemical became effective. This confirmed previous studies showing that game fish are not sensitive to

rotenone when applied in the limited doses found to be deadly to shad and other rough fish. Lake of the Highland Lakes chain show that more than three quarters of a million gizzard shad were exterminated, reports the Chief Aquatic Biologist for the Game and Fish Commission.

He said tests made six days after the deep water lake was treated with rotenone indicated the estimated number of shad killed exceeded eight hundred thousand and that the average victim of the chemical measured six point seven inches and weighed two ounces.

Best thing about portable irrigation is that you get water where and when you want it. Hilly terrain is no problem. Sandy soil that sucks water out of ordinary irrigation ditches is no problem.

Portable irrigation is as precise as watering each plant by hand. What does this freedom from dry spells and troublesome terrain cost? A lot less than you think. We know farmers,

right in this county, who have paid for their systems in two years—three years. They did it with better crops. By getting to market first. By being independent of drought.

Call us or stop in today and let us show you how to engineer a portable irrigation system to your farm. We carry complete systems, parts and the very finest Alcoa Aluminum Pipe.

'That proves it to me...
the J-2 Rocket
is like two engines in one!'

ME: Right! This J-2 Rocket* is really a new driving experience!

FRIEND: Well, I've handled a Rocket Engine before, but nothing like this. They've always had pep, but this one's got that extra pep when you need it!

ME: Don't forget economy.

FRIEND: Yes, but you can't feel economy.

ME: Feels pretty good to the pocketbook.

FRIEND: Right! But it beats me how you get economy with a big car like Olds.

ME: Easy. For cruising around, you just use one dual-barrel carburetor.

FRIEND: Bet that waters down your performance some.

ME: Not a bit. I've got regular Rocket performance right through the economy range. And believe me, that's plenty. But if you need more power . . .

FRIEND: Then what?

ME: Go to Stage Two. You just saw what that does. Give it three-quarters throttle and you've got three dual carburetors dishing up more power and torque.

FRIEND: Tell you the truth, I've always liked an Olds. Thought we might get one ourselves some day.

ME: Checked the price lately? You'd be surprised how easy it is to own.

*277-h.p. Rocket T-400 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., available at extra cost.
