CLARENDON, DONLEY COUNTY, TEXAS, JULY 19, 1951

A Common Paper for Common People

## FLOOD WATERS RISE

KANSAS CITY, MO—Curious onlookers watch as Blue river waters reach the top of the Highway 71 bridge, south of Kansas City. The Blue river is one of the many rivers in Missouri and Kansas which are overflowing to cause the greatest floods in history.

## Locals Defeat Hedley 13 to 12, Sunday

The Clarendon ball club displayed their old style last Sunday when they came from behind to defeat Hedley 13 to 12. The game was one-sided with Hedley leading 10 to 2 at the end of the fifth inning. The locals knocked in 5 runs in the sixth, one in the seventh, three in the eighth and one in the ninth. Paul Schull was the life saver for the locals as he swatted one out of the park for a home run with two men on bases in the eighth. It was reported an exciting game from start to finish and the local team was quite happy to step back on the winning side of the ledger again.

Next Sunday they will meet the St. Francis team here on the local diamond. The Clarendon team will be out to win this game also as they can sure use the win as they will meet three of the toughest teams in the Caprock League on the tail end of the schedule.

## FIGURES RELEASED ON RAINFALL TO JULY

Jimmy Faulkner, local Chamber of Commerce manager, states that the following figures have been released on rainfall by Mrs. Edna Smith, official local weather recorder and custodian of the instruments which are located at the Clarendon Airport. The total rainfall for January was 0.61, February 0.95, March 0.44, April 0.64, May 6.17 and June 3.05 for a total of 11.86 inches for 1951 through June 30.

(Editors Note: Jimmy Faulkner wrote a weather reporting story concerning Clarendon's weather and it appears on page 8 of this issue of the Leader).

## FOUR HOMERS WIN FOR NATIONALS

DETROIT, MICH.—Following the National League's stunning 8-3 victory in the All-Star baseball game at Detroit's Briggs Stadium (July 10), league proxy Ford Frick (seated, right) and Phillies manager Eddie Sawyer (seated, left) pose with the four men who hit home runs: (left to right) Bob Elliot, Boston Braves; Gil Hodges, Brooklyn Dodgers; Ralph Kiner, Pittsburgh Pirates; and Stan Musial, St. Louis Cardinals.

## School Transfers Must Be Made Before Aug. 1st

Miss Ruth Richerson, county school superintendent, stated this week that a number of people have not made necessary transfers for students whose grades will not be taught in their home district this coming school term. The transfers to the school of choice must be made on or before August 1, 1951. This transfer can be made at the office of the county superintendent.

## Red Mark Appearing Again This Week

A number of Leader subscribers are past due again on their subscriptions and the red mark at the upper left hand corner of this page is merely a reminder that you should come in within the next few days and let us have your renewal or mail your check to the Leader office. The subscription price at the present time is \$2.50 for those living inside Donley County and \$3.00 for those living outside Donley County. It may mean money in your own pocket to keep your subscription paid up as it is possible that the subscription price may have to be increased if the price of newsprint keeps climbing.

If the red mark appears on your Leader this week please make arrangements for your renewal as soon as convenient as we do not want to discontinue your paper.

## PETE BROMLEY TO TRAIN FOR PRO FOOTBALL

Pete Bromley, son of Mr. and Mrs. Bill Bromley and grandson of Mrs. E. W. Bromley, boarded a special train in Amarillo Wednesday morning headed for Los Angeles and carrying members of the Washington Redskins who will enter a training session for the next several weeks. This will be Pete's first session with a pro team and he will train at a guard position which he has so ably filled at West Texas State since finishing high school here.

## ZINIAS GROWING IN QUANTITY HERE

A number of people who have traveled over the country have had an opportunity to see large fields of beautiful flowers in bloom, especially in those areas where flowers are grown for seed. Well, you folks who have not had that opportunity elsewhere can see them right here at home. S. W. Lowe, Conoco agent here, has a weakness for Zinias and has his warehouse surrounded with these beautiful flowers. He has six rows between one and two hundred feet long. When you are out riding drive by the Continental warehouse and look them over.

## IN DALLAS ATTENDING C OF C INSTITUTE

Jimmy Faulkner, local Chamber of Commerce manager is in Dallas this week attending the Southwestern Chamber of Commerce Institute. This is not a convention but a training school for C of C managers that is held in Dallas every year in July. It is sponsored by the Chambers of Commerce of the eight southwestern states. Any person attending three years and successfully passing the course is given a special certificate of recognition.

During the week the Chamber of Commerce office will be closed. Persons having business with the Chamber should contact either Bill Todd at the Household Supply or Willard Skelton at Skelton Brothers Clothing Store.

Mrs. Travis Haynes and Raymond of Ragland, N. Mex. visited the week end with her mother, Mrs. W. K. Wade. Little Miss Nancy Haynes, who has visited her grandmother for the past two weeks, returned home with her mother.

## 4 2 1 2 8

Jimmy Faulkner, local Chamber of Commerce manager, states that the above is the number of the Charter issued by the Secretary of State on July 28, 1924 to the Clarendon Chamber of Commerce.

The Clarendon Chamber of Commerce was chartered as a corporation with W. H. Patrick, W. W. Taylor, J. T. Patman, A. L. Chase, H. B. Kerbow, E. T. Pope and F. E. Chamberlain to "promote the commercial, agricultural and livestock interest and general civic welfare of Clarendon and vicinity." The application for Charter was signed June 15, 1924, before Lucille Tatum, Notary Public in and for Donley County, Texas. The Charter for this benevolent, non-profit corporation was approved by the then Secretary of State, S. L. Staples, for a period of fifty years.

Letters went out from the Chamber of Commerce this week to all Chamber members, former members and many interested parties reiterating the purpose and policy of the Clarendon Chamber of Commerce.

As long as there is even a few people banded together into a community there is a need for, and a job for the Chamber of Commerce to do. Frank Phelan, Jr., Chamber of Commerce President, stated after the meeting of the Board of Directors Tuesday of last week, "We of the Chamber of Commerce are making every effort to do those things for which this organization was organized and chartered. We must have the undivided support of every individual, rancher, farmer and businessman of Clarendon to make our new program work."

Other than the President, members of the Chamber of Commerce Board of Directors are Milton "Bill" Todd, Vice-President, Van Kennedy, Jack Brooks, Bob Moss, Willard Skelton, Alvin Landers and George Thompson. Ex-officio member, Jimmy Faulkner is the new Chamber of Commerce Manager. He assumed duties June 15, last. Before coming to Clarendon, Faulkner was in Amarillo for several years; however, he was raised in Turkey.

## OPS Price Specialist To Be Here July 26

OPS price specialist Robert W. Friedberg, in the Consumer Durable Goods Branch will stress requirements of the service establishment regulations (CPR 34) and the need for filings by other firms when he visits in Clarendon next Thursday afternoon, July 26.

He will maintain offices while here in the Chamber of Commerce office.

The price specialist, from the Lubbock district office, will assist business men with their filing requirements under the regulations. He emphasized, that despite the fact the deadline has passed, firms which are delinquent should immediately comply. The specialist will visit business men in their offices if appointments are requested and time is available.

The clinics have been held weekly throughout the district during the last several months and they are expected to continue in August, according to C. J. Taylor, district price executive.

## Drilling Should Begin Soon On New Well

The Leader has been informed that drilling equipment has been moved to the site of the new wildcat well on the JA Ranch and drilling operations probably will begin some time within the next week. The location of the well is southeast of the JA Headquarters and the road leading to the site passes the Howard ranch. It has been reported that drilling operations on the JA will take in around 18 months time and several exploration wells will be drilled in an attempt to find oil.

## FARM NEWS From the County PMA Committee

### NATIONAL FARM SAFETY WEEK— JULY 22-28th

The President has proclaimed July 22-28 as National Farm Safety Week. Each year farm people suffer about 18,000 deaths and 1,500,000 disabling injuries due to accident.

While the tractors, trucks, electrical services and better methods and factors have increased the output per man-hour 50 per cent more than in 1937, they have at the same time, increased the hazards of farm operations. For this reason it is more important than ever that farmers follow safe practices in their work.

Prevention of accidents on farms is an essential part of our defense program, so put forth every effort to adopt safe practices in farming and farm living.

### WHEAT NEWS

There have been a number of producers to come in the office the last two or three weeks to get assistance on measuring wheat land. Some of these producers have reported a good yield for this year.

Don't forget that the Donley County Loan rate is \$2.17 per bushel.

The next time that you are in town, come by the office and give us the number of acres of wheat that you seeded this year so that we may keep your records up to date.

There will be no acreage allotments and no marketing quotas on the 1952 wheat crop. Supplies are expected to be below the level at which quotas must be proclaimed, and the continuing need for food in the uncertain world situation makes wheat allotments for 1952 inadvisable.

### CONSERVATION FOR PRODUCTION IN 1952

This summer is a good time to start making plans for the soil and water conservation practices to be carried out in 1952.

As fields are cultivated, crops harvested and pastures used, the farmer can get specific ideas of what is needed to protect the soil and what should be done to build it up to meet the Nation's needs for the years ahead.

In making the checkup here are some suggestions:

Where there are indications that the soil is becoming depleted of organic matter, plans can be made to include a sod crop in rotation. The amount of fertilizer needed for a good growth can be estimated.

On some fields erosion may be starting. The crops to be grown and the conservation practices to be carried out to check soil loss can be worked into the overall program for next year's operation.

The effectiveness of conservation practices which are being carried out this year can be checked and plans made to build on the foundation of past and present conservation accomplishments.

Observing pastures and hayland will show up conditions where improvements can be made. Some pastures may need to be plowed up and reseeded to improve varieties of grass and legumes. In other instances a stockwater dam may result in better distribution of grazing and result in greater conservation of land, water and forage.

By looking ahead and planning for 1952 farmers will be able to make full use of the Agricultural Conservation Program. Practices can be selected and adapted to correct the most urgent deficiencies, and plans can be made to use other services available thru the Production and Marketing Administration. Information on conservation practices, price supports, farm storage, construction loans, and other PMA responsibilities can be obtained at the county Office.

Mr. and Mrs. Gene Tyler of White Deer visited Sunday night in the home of Mrs. E. W. Tyler.

## Lelia Lake School Enrollment Set For Friday, August 24

The Board of Trustees, in a meeting held Thursday night, July 12, voted to open school on Monday, August 27th.

However, in view of the fact that the day of enrollment cannot be counted as a day taught, enrollment will be on Friday, August 24th. This will save making up a teaching day on Saturday, as was done this year.

The buses will start their runs at 8:00 on Friday instead of 7:15 as they will normally do. No lunch will be served in the cafeteria as students will be back home by that time.

Because of the problems in scheduling high school classes to please everyone, all high school students are urged to be on hand for Friday enrollment. It cannot be guaranteed that high school students can schedule the classes they want if they do not enroll on Friday, August 24th.

You are also reminded of the fact that all school children must have been vaccinated for small pox.

Be sure that all First grade pupils are six years old on or before Sept. 1st.

## Vacation Time Is In Full Swing

A number of Donley County residents are leaving each week now for that much needed vacation trip and rest from their daily worries and many of them will return home and have already returned from their vacation with a brighter spirit to resume their daily duties as a citizen of this community.

Beginning this week the Leader force will begin a rotation plan to give each member a weeks vacation and in doing so we will be working short handed and will need the cooperation of all those turning in news items of any nature and advertising copy. Rural correspondents are asked to send or bring their items in on Monday and all other items are requested early.

Jim McKee, shop foreman, left this morning for California and will return next week end at which time another member of the force will leave for a week. We wish it were possible to hire relief help to avoid getting out an issue with a short-handed crew, but printers are as scarce as the rain was last winter. We will appreciate the cooperation of all concerned.

## Youth Center News

Mr. and Mrs. Bill Riney were sponsors at the Canteen Tuesday night of last week. Saturday night Mr. Drennan sponsored. Mrs. Lloyd Benson was sponsor Tuesday night of this week.

## ALLIED TRUCE REPRESENTATIVES CONFER

NEAR KAESONG, KOREA—General Matthew B. Ridgway (left), Supreme Commander of Allied Personnel, and Lt. General James Van Fleet, Eighth Army Commander, are shown in serious conversation at Allied Truce Headquarters (July 14). It was reported later in the day that the Communists yielded on all of General Ridgway's proposals.

## Good Kills Reported On Web Worms In Cotton

Web worms in cotton have let up in the past week and most farmers say that they have received good kills with the use of toxaphene and 3-5-40, the toxaphene being used as a spray at the rate of two pints of the six pound acid per acre and the 3-5-40 as a dust at the rate of eight pounds per acre.

H. M. Breedlove, county agent, says that with normal weather conditions there is a possibility that other cotton insects might not become a serious menace this summer. Farmers are urged to keep a close watch on their cotton and be on the lookout for leaf worms and boll worms. For boll worms and flea hoppers and leaf worms the same mixture of toxaphene and 3-5-40 as used for the web worm will give good control. Calcium arsenate is also a good poison to use for leaf worms.

Cotton prospects over the entire county are good at this time; however the crop is a little late this year, but we have a chance to make a good cotton crop, the county agent stated.

Breedlove warns that there can develop a labor shortage this fall for the harvest of cotton and urges that every one who possibly can to get families in their vacant houses on the farm as early as possible for the fall harvest. Negotiations are under way at this time by the Texas Employment service with the Mexican government for Mexican nationalists to work in the cotton harvest; however plans have not been completed at this time and it is hard to tell just what will happen, so every one is urged to make early arrangements for laborers in cotton harvest.

## Pioneer Lady Buried Here Sunday

Funeral services were held Sunday afternoon at the family residence for Mrs. Ada L. Fleming with Rev. Edgar W. Henshaw of Pampa officiating.

Mrs. Fleming, age 86, passed away at her home here Saturday morning following a lengthy illness. She was the wife of the late John Fleming, former druggist here. She was a member of St. John's Baptist Episcopal Church. Survivors include one son, Zeptha Fleming of Clarendon, a grandson W. H. Cooke III of Clarendon and a niece, Mrs. A. J. Stone of El Paso.

Pallbearers were Allan Jeffries, Glenn Churchman, William Lewis Jr., John Bugbee, W. J. Adams and H. M. Breedlove.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

**Gabie Betts Burton Library Notes**  
 By May L. Prewitt

Our new books this week are mostly for adults. First is "The Red Dress" by John Watson. He is a Texas writer, and the setting of the story is Texas. He chose a

farm settlement, but it is a specific case and not the typical farmer. The book was a gift to the Library. Then we have a paper back "The Burnished Blade" by Lawrence Schoonover. This book was on the best seller list for more than two months. A memorial gift, "The Age of Elegance" by Arthur Bryant is one of a series he has written concerning the development of England. This begins with the

period of 1812. It is a memorial gift.

There is one for children — "Little Bennie Wanted a Pony" by Barrett, a Golden Book series. Then for Juniors we have a Rick Brant series — "The Whispering Box Mystery." The junior members of the Library will appreciate this.

A book given in memory of Mrs. Charles Lowry's mother is "Music In the Hills" by D. E. Stevenson. The comment is very complimentary concerning this story, and it is a book most of you can enjoy thoroughly. A friend gave her book club purchase this month — "Round the Bend" by Nevil Shute. Beyond the immediate events of this story lies a theme that will may be the beacon light for our troubled times.

Our membership here is excellent for such hot weather, but there is such a crowd of children members. If we had more shelving and another reading table they could be used to a wonderful advantage. However, our needs are too numerous to discuss. Just continue to patronize our Library and it will eventually

possess a city Library atmosphere.

**LELIA LAKE**

Mrs. H. R. King

Supt. and Mrs. Craig Johnson left Sunday to attend the last term of summer school at Tech.

Mr. and Mrs. J. R. Williams and Sharon of Canyon spent the weekend with her parents, Mr. and Mrs. D. E. Leathers.

## ASHTOLA

Mrs. Doyce Graham

Mr. and Mrs. Sam Allen and children and Miss Peggy Wiggins of Amarillo spent Wednesday night with Mrs. Mary Allen.

Mrs. Elmer Hunsucker of Par-tex stayed all last week with her mother, Mrs. Mary Allen.

The Slater children are visiting in the H. N. Henderson home.

Mr. and Mrs. Lewis Marshall of Clarendon visited in the P. M. Marshall home Sunday.

Mr. and Mrs. W. A. Poovey returned from their trip to Dallas County Sunday morning. They met Billy Lee Ramsey there and brought him home with them.

Mr. and Mrs. Gene Cornelius and children of Lubbock are visiting the Marshalls and Mahaffeys.

Mrs. Leo Wallace and Patsy spent Tuesday with Mrs. F. A. Fitzgerald and Mary Lou.

Mr. and Mrs. W. A. Poovey returned home Sunday morning. They had spent the past two weeks in Dallas County where they attended both their Family Reunions, with thirty-five gathered for the Blackburn Reunion and one hundred and forty-five present for the Poovey Reunion, which is an annual affair every 9th of July. Billy Lee Ramsey, their grandson who is stationed at Fort Manmouth, New Jersey, came by air to Love Field in Dallas where they met him and brought him on home with them.

All eight of the Poovey children and their families with the exception of one grandson, Joe Tom Lovell who is in the Navy at Sasebo, Japan, were at their house to welcome them home. Others to visit in the Poovey home Sunday were Jay Allen of Arizona, Miss Louva Hunt of Clarendon and Miss Lynn Scoggins of Borger.

Mr. and Mrs. S. H. Mahaffey visited Mr. and Mrs. Glenn Williams Sunday.

Mr. and Mrs. Dane Perdue spent Sunday with Mr. and Mrs.

man spent Saturday night and Sunday with Mr. and Mrs. Dallas Sutton and family on the S. J. Ranch.

Mr. and Mrs. D. W. Tomlinson, Jr., and Douglas of Phillips visited Friday with Mr. and Mrs. Doyce Graham and sons. Jimmy Graham went home with them to visit until Tuesday.

Allen Ray Graham is in Elida, N. Mex. working on the ranch for his uncle, Alpheus Rush.

Mr. and Mrs. A. T. Sutton of Vernon spent last week end with relatives, Mr. and Mrs. Harold Graham and Mr. and Mrs. James Tolbert. They enjoyed an outing at Lake McClellan on Sunday.

Joyce Eddings of Clarendon spent Sunday with Patricia Knox.

Mr. and Mrs. Bill Mooring and sons spent Sunday with Mr. and Mrs. Doyce Graham.

Guests of Mrs. Mary Allen Sunday were Mr. and Mrs. Elza Kidd, Mr. and Mrs. E. L. Hunsucker, and Mr. and Mrs. Robert Sain.

Mr. and Mrs. L. P. Moore and Terry were visiting in the Van Knox home Sunday.

Luncheon guests of the Van Knox's Saturday were Mr. and Mrs. W. M. Crain and Walton, who live at Goodnight.

Mr. and Mrs. Leo Wallace and Darlene made a business trip to Amarillo Monday.

Mr. and Mrs. A. J. Garland and sons visited in Amarillo Sunday with Mr. and Mrs. Verna Garland.

Mrs. Watson Duffel of Amarillo this week with her sister, Mrs. Myrtle Reed.

Mr. and Mrs. Leo Wallace and Darlene visited his mother, Ida Wallace, Sunday evening.

Mrs. R. B. Sain and family spent the week end with her parents, Mr. and Mrs. J. H. Williams in Estelline.

Mr. and Mrs. S. H. Mahaffey visited Mr. and Mrs. Glenn Williams Sunday.

Mr. and Mrs. Dane Perdue spent Sunday with Mr. and Mrs.

John Perdue at Hudgins.

Mr. and Mrs. Roy Cornelius of Lubbock visited the S. H. Mahaffeys Thursday.

Guests in the John White home Sunday were Mrs. Ada Harris, Mrs. Hazel Humphrey and Mrs. Wilson Bruce and baby of Amarillo.

Mr. and Mrs. Lloyd Reid and Mr. and Mrs. H. M. Reid visited Mr. and Mrs. J. F. White Sunday.

Mr. and Mrs. Grady Henson spent Sunday with Mr. and Mrs. Francis Hill in Hereford.

Bobby Tate Poovey of Stinnett spent this week with his grandparents, the W. A. Pooveys.

Mrs. R. R. Ray and Margaret and Mrs. Bob Roland went to Amarillo Wednesday.

Elaine and Thomas Wayne Tolleson of Wellington are visiting their grandparents, Mr. and Mrs. H. E. Tolleson this week. Other visitors of the Tollesons this week are Mary Belle Atnip and June Burdine of Whitesboro.

Mr. and Mrs. A. E. Burdine and family of Whitesboro visited the Tollesons Friday. They all drove to see a brother and his family, Mr. and Mrs. W. B. Sanders, at Wellington Sunday.

Jess Sutton and his family and Josephine Spear, who live in the Rio Grande Valley, Ira Sutton and family of Vernon, Claude Sutton and family and Alvin Sutton all of Wellington spent the week end with their relatives, the H. A. Grahams and James Tolberts here.

Guests in the home of Mr. and Mrs. G. W. Estlack and Jackie Sunday were Mrs. Faye Scoggins and Mrs. Mattie Tyree of Phoenix, Arizona, Mrs. Muri Tyree and Muriene of Sherman, Texas, Mr. and Mrs. Tom Fulbright of Commerce, Texas and Mr. and Mrs. J. C. Estlack.

Mr. and Mrs. Bill Todd and Mr. and Mrs. W. M. Cross and family spent Sunday with their parents, Mr. and Mrs. D. T. Smallwood at Brice.

## GOLDSTON

Carolyn McDonald

Those spending Sunday with Mr. and Mrs. Calvin Ashcraft were Mr. and Mrs. James Ashcraft and Terry, Mrs. Ashcraft and Emma and Edith Jackson.

Sue Yankee spent Friday night with Mr. and Mrs. W. H. Gray.

Mr. and Mrs. S. M. Barclay visited Tuesday night with Mr. and Mrs. C. F. Moss.

Doyle Ray Littlefield spent Saturday night with John Smith.

Mrs. M. W. Hatley is visiting in Dublin.

Mrs. Charlie Sullivan visited in the J. F. Jackson home Saturday afternoon.

Sue and Weldon Talley visited in the C. F. Moss home Wednesday night.

Eva Lee Farr spent last week with Mr. and Mrs. W. H. Gray.

Mr. and Mrs. Jeff Aduddell of Memphis spent Sunday with Mr. and Mrs. Sam Dale.

Mr. and Mrs. Walter Bible and Nancy of Borger spent the week end with Mr. and Mrs. H. C. Smith.

Bobby Moss spent Saturday night with Wayne Dunn.

Mr. and Mrs. W. H. McDonald and family, Edward Ledbetter and Kenneth Jackson spent Sunday with Mr. and Mrs. J. E. Morgan at Palo Duro.

Auford Jay visited Sunday with Mr. and Mrs. W. H. Gray.

## ENTERTAIN WITH TEA

Mrs. Eugene Homer Noland and Mrs. William Jenks Lewis Jr. entertained with a tea on Saturday afternoon at the home of Mrs. Lewis, honoring Miss Marjorie Howard of Amarillo, bride-elect of Mr. James Daniel Boston of Amarillo, formerly of Clarendon.

Guests were greeted at the door by Mrs. Lewis and introduced to the honoree, Miss Howard and her mother, Mrs. E. S. Shelley and Mrs. U. J. Boston.

Mrs. Clyde Slavin presided at the guest book and Mrs. Noland and Mrs. R. W. Boston of Amarillo, assisted in the dining room. Mrs. Ray Palmer and Mrs. Simmons Powell served lime punch and small individual pink cakes from a beautifully appointed tea table, using the bride's chosen colors of pink and green. The centerpiece was a huge bouquet of pink roses and fern with pink satin ribbon streamers entwining silver candelabra. Also, around the candelabra were tiny silver wedding bells and small pink rosebuds.

Approximately eighty-five guests called during the afternoon.

Miss Howard and Mr. Boston are to be married in Amarillo on July 20th. She is the daughter of Mrs. E. S. Shelley of Amarillo, and he is the son of Mr. and Mrs. U. J. Boston of Amarillo, former Clarendon residents.

Many pre-nuptial parties have been given in Miss Howard's honor. Among those was a luncheon given by Mrs. J. L. McMurtry of Clarendon, and Mrs. G. G. Ordway of Amarillo, at the Amarillo Club last Friday. Guests attending from Clarendon were: Mrs. C. T. McMurtry, Mrs. Simmons Powell, Miss Anna Moores, Mrs. Eugene H. Noland and Mrs.

W. J. Lewis, Jr.

## PRESBYTERIAN WOMEN HOLD CIRCLE MEETING

The women of the Presbyterian Church held their circle meeting Wednesday afternoon in the home of Mrs. Ed Dishman with Mrs. Everet Stevenson, co-hostess.

Mrs. Lee Bell called the meeting to order with the group repeating the Lord's Prayer in unison. Mrs. Homer Glascoe was leader of the lesson, "Do You Take God Lightly, or the Third Commandment." She was assisted by several members.

Refreshments were served to 18 members and two visitors. The next meeting will be held July 25. Program leader will be Mrs. Thad Rogers with Mrs. Curtis Mears and Mrs. Guy Wright hostesses, in the home of Mrs. Curtis Mears.

## BIRTHDAY PARTY

Marsha Kay Maxey celebrated her third birthday with a party at the park Thursday afternoon, July 12. The group enjoyed the usual games. After opening the gifts refreshments were served to the honoree Marsha Maxey and Mrs. Frank Phelan and Sue, Mrs. R. R. Ray and Margaret Louise, Barbara and Danalene Estlack, Mrs. Billy Goodman and Janet Kay, Jo Anna Stewart, Keith and Andy Covington, Mrs. Sullivan, Mrs. Ardith Butler and Randy, Mrs. Warren, Mrs. Dewey Goodman, and Mrs. W. O. Maxey by the hostess, Mrs. Richard Maxey. Those sending gifts were Karen Ann Bradshaw, Mrs. Early Lane, Mike Mears, Rhonda Gae Goodman, Stanley LaGrone, Jessie Henson and Lillian and Viggie Henson of Georgia.

Donley County Leader, \$2.50 year

## KIL KARE KNEEDLE KLUB

Mrs. Ed Speed entertained members of the Kneedle Klub in her home Thursday afternoon, July 12th. The house was attractively decorated with pink roses, daisies, and pink gladioli.

In addition to the usual needle work and conversation, pollyanna gifts were exchanged and polyanthuses revealed. Refreshments were served to Mesdames Harry Brumley, Homer Mulkey, G. C. Heath, Major Hudson, Clarence Piercy, E. H. Noland, Sam Lowe, J. R. Bartlett, R. R. Dawkins, C. E. Lindsey, R. O. Thomas, A. O. Hefner, Misses Ida and Etta Harned by the hostess, Mrs. Ed Speed.

The next meeting will be held July 26 at which time the members will enjoy a 7 o'clock breakfast at the City Park.

## WOMEN'S SOCIETY OF CHRISTIAN SERVICE

The Women's Society of Christian Service of the Methodist Church held their monthly business meeting in Fellowship Hall Wednesday afternoon. The meeting was opened and called to order with the theme song "This Is My Father's World."

In the business meeting Mrs. E. P. Shelton was presented with a life membership in the organization. Mrs. Cap Morris gave an inspiring devotional on "Are We Doing The Right Kind of Thinking?" Mrs. E. P. Shelton closed the program with prayer.

## PICNIC AT CITY PARK

Employees of the Southwestern Associated Telephone Company and their families of this district gathered at the City Park Monday evening at 7 o'clock for a picnic. Each Exchange brought a picnic lunch.

Seventy-two were present representing Panhandle, Claude, Memphis, Wellington, Quitaque and Clarendon. All report the picnic to be one of the nicest ever.

Mr. and Mrs. C. C. LaGrone, Tommy, Cora Bell and Sammy, Mr. and Mrs. O'Dell LaGrone, Mr. and Mrs. Fred Lynn and Gentry, and Brack LaGrone visited the week end with Mr. and Mrs. W. A. LaGrone and other relatives at Comanche, Texas.

## HARMONY SUNDAY SCHOOL CLASS

The Harmony Class of the Methodist Church met Thursday afternoon, July 12, in the home of Mrs. John English with Mrs. Nathan Cox co-hostess. The meeting was opened with "The Lord's Prayer" repeated in unison.

Following the business meeting, Mrs. E. P. Shelton gave an introduction of the book, "Mr. Jones, Meet The Master", a collection of prayers and sermons of Peter Marshall.

Refreshments of ice cream and cake were served to Mesdames Eunice Buntin, Lee Muse, Bill Bentley, Lee Holland, Victor Smith, Otis Naylor, Edith Barnes, Frank White, Jr., Paul Shelton and Homer Bones by the hostesses, Mrs. John English and Mrs. Nathan Cox.

## MYF NEWS

The Greenbelt Sub-District of the Methodist Youth Fellowship held its regular meeting Monday, July 9, 1951, at Lakeview, Texas. Lelia Lake, Turkey, Memphis, Lakeview, and Clarendon churches were represented.

The session opened with a business meeting. Rev. W. E. Hamilton brought plans for the Know Your Job Camp, which will be held in August at Ceta Canyon Methodist Camp Grounds. This particular camp is for officers of the local, sub-district and district MYF's.

Following the business session, an interesting worship program was given by the members of the Lakeview church; then Rev. Hamilton showed films of the encampment at Mt. Sequoia, Ark., and at Ceta Canyon. The meeting closed with a group sing-song, led by Rev. John English, pastor of the Clarendon church.

Refreshments of doughnuts and "pop" were served by the hostess church.

Mrs. Faye Scoggins, Mrs. Mattie Tyree, Mrs. G. W. Estlack and Jackie visited in the home of Mr. and Mrs. L. T. Whitlock and Larry in Amarillo Friday.

Mrs. Lena Dilli who has been ill for several days is improving nicely.

## 1926 BOOK CLUB

The 1926 Book Club met July 17 in the home of Mrs. Rolfe Brumley for a garden breakfast. Miss Lucile Polk, and Mrs. Frank Phelan Sr. were co-hostesses. The tables were laid with colorful damask, in a setting of greenery.

A delicious plate of fruit was followed with scrambled eggs, Bacon, jam, rolls and coffee.

Those enjoying the breakfast were: Mesdames Rayburn Smith and her guest Elsa Backus, Joe Ritter, Bill Bromley, Bill Riney, Frank White Jr., Cap Morris, L. N. Cox, Alvin Landers, Bill Lewis, Loyd Shelton, E. S. Ballew, W. C. Thornberry, Joe Goldston, Bill Ray, Charles Bairfield, Charles Lowry, M. R. Allensworth, Homer Bones, Loyd Johnson, and Loyd Richerson.

## CELEBRATES BIRTHDAY

Mrs. G. R. Grant celebrated her 80th birthday last Sunday at the home of Mr. and Mrs. Clyde Hudson of Goodnight. Those present were Mr. and Mrs. W. A. Grant of Amarillo, their daughter Mrs. Bobby Daniel and her two little sons Bobby and Timmy of Lawton and Mr. and Mrs. Clyde Hudson and honoree, Mr. and Mrs. G. R. Grant. A lovely dinner was enjoyed by all present.

## ATTEND REUNION

Guy and I. B. Pierce visited in Clarendon Thursday enroute to their home in San Antonio after attending a family reunion in Lubbock earlier in the week. S. A. Pierce of Clarendon and several of his children have gotten together at various times but all of his children were able to be present for a reunion at this time, for the first time in 24 years.

The get-together was held in the home of Mrs. Pauline (Sled) Allen of Lubbock. In addition to Mr. Pierce of Clarendon, others present were Guy and I. B. Pierce of San Antonio, S. A. (Blue) Pierce, Jr., of Calif. and Mrs. Sivilla Lynn of Amarillo.

Mr. and Mrs. Ray Brazier, David, Peggy and Sandra of Quanah were week end guests in the home of Mr. and Mrs. Kenneth Dale.

Ninety-nine percent of all the calcium we consume is used in the body's bone structure.

**Seventeen Texans To Attend Ecumenical Methodist Conference in England**

DALLAS — Seventeen Texans are among the delegates who will attend the Ecumenical Methodist Conference to be held at Oxford, England, August 28 to September 7th.

The 200 delegates plus 100 reserves will represent some 40 Methodist denominations from all parts of the world.

The purpose is to get acquainted as a world fellowship and to study the contribution Methodism can make to the world today. The program includes addresses, group discussions and social events.

The eighth meeting will be held at Oxford where the Methodist movement under John Wesley began about 1739.

In 1881 the first Ecumenical Conference was held in London. Meetings have been held every 10 years since, except the 1941 session was delayed until 1947.

We Deliver

they're ALL yours in a **DODGE "Job-Rated" TRUCK!**

**Plenty of power** for your job. Power has been increased up to 20% in eight great engines—94 to 154 hp. You get top economy, too—thanks to high compression ratio, 4-ring pistons with chrome-plated top ring, and many other extra values.

**Maximum safety**—You get the finest truck brakes in the industry! On many models you get new, molded, tapered, Cyclebond brake lining for smoother, quieter, safer braking. And you'll ride in a welded all-steel cab with an extra-big windshield.

**Easy handling**—You can turn, park, back up and maneuver with the greatest of ease . . . because of cross-steering, short wheelbase and wide front tread. Other aids to easy handling are the comfortable new steering wheel position and extra cab visibility.

**Bigger payloads**—Balanced weight distribution enables you to haul bigger payloads on a Dodge "Job-Rated" truck without danger of overloading. Because the engine has been moved forward and front axle back, the right proportion of the load is carried on each axle.

**Extra comfort**—Famous "Pilot-House" cab gives you safe, all-around vision with extra-big windshield and rear quarter windows. Roomy, "chair-height" seat is widest of any popular truck. New "Oriflow" Shock Absorbers on 1/2-, 3/4-, and 1-ton models give smoother ride.

**gýrol Fluid Drive**—Only Dodge offers gýrol Fluid Drive. Available on 1/2-, 3/4-, and 1-ton models. You start with amazing smoothness. Gearshifting is minimized. Wear is reduced on vital parts. And Fluid Drive protects your load by minimizing damaging jolts.

**How Dodge trucks are "Job-Rated" to fit your job.**

A Dodge "Job-Rated" truck is engineered at the factory to provide the best in low-cost transportation. Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load.

**Every load-CARRYING unit**—frame, axles, springs, wheels, and tires—is engineered to provide extra strength and capacity necessary to support the load.

**Every load-MOVING unit**—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered to move the load under most severe operating conditions. A range of over 350 G.V.W. chassis models enables you to select a truck that meets your conditions.

 Mr. and Mrs. O. L. Favors of Lakeview visited in the F. O. Hodge home Sunday.  
 Mr. and Mrs. Virgil Moore and family of Amarillo were weekend guests in the home of Mrs. E. W. Tyler.

**Soil Conservation District News**

The Board of Supervisors of the local Soil Conservation District at its regular meeting last Thursday voted to ask the publishers of the newspapers within the District to give space each week for news about the Donley County Soil Conservation District.  
 This space has been given by The Donley County Leader and it is hoped that items carried each week will be of real interest to all readers.  
 Let us use this column to bring you up to date on the what, when, who, and why of our Soil Conservation District.  
**WHAT**  
 A soil conservation district is an area of land in which the owners and other interested people have become alarmed at the rate of soil erosion and loss in productivity of its agricultural land and have organized to fight this menace under the provisions of the State Conservation Act of

1939. The boundaries of the Donley County Soil Conservation District are the same as those of Donley County. A district is entirely independent and is in no way subservient to any agency of the Government.  
**WHEN**  
 Our District was voted in by the farmers in Donley County in September, 1945. It was given a certificate of organization by the State in November of the same year. The Soil Conservation Service opened an office in April, 1947, and the District began operation.  
**WHO**  
 The District is governed by a Board of Supervisors of five local land owners elected by the farmers. In our District, these men are J. R. Porter, Chairman, W. P. Doherty, Vice-chairman, C. E. Bairfield, Secretary, Joe Tollett and T. C. D'Spain members. This board meets regularly on the second Thursday each month to carry on the activities of the District.  
 Technical assistance is furnished the District by the Soil Con-

servation Service. The SCS personnel are as follows: Richard Finch, Curtis Mears, Jackie Phelps, Van Mills, James Gould and Carman Rhode.  
**WHY**  
 The program of Soil Conservation Districts are based on these four principles:  
 1. Sound land use. No idle, unproductive acres. Every acre used for what it is best suited—row crops, drilled crops, grass, trees.  
 2. The right combination of practices. There is no one conservation practice that will adequately check erosion and restore and maintain the soils' productive power. A coordinated plan worked out for each farm contains a number of practices that dovetail together, one supplementing the other in solving the variety of conservation problems.  
 3. Improvement and maintenance of soil productivity. Control of erosion alone is not enough if our farm and ranch land is to produce year after year. Plans to replace minerals and organic matter must be provided.  
 4. Economically sound conser-

vation farming. Conservation is not an end in itself. It is only a means to the end of better living and greater security for all our people. All conservation plans must take this into account.  
 These principles applied to the agriculture in Donley County will mean a stable, dependable source of food and raw materials. They will lead to an economically secure farm family. The supervisors of the Donley County Soil Conservation District are working toward this goal.  
 Mrs. Roy Gammon and Elaine of Ft. Worth arrived Saturday to visit in the home of her mother Mrs. A. G. Lane. Miss Nancy Ford of White Deer is also visiting in the home of her grandmother, Mrs. Lane.  
 Mr. and Mrs. Geo. Thompson, George and Judy and Mr. and Mrs. Chauncey Hommel spent the day Sunday at Palo Duro Canyon.  
 Lovelle Hodge is visiting friends in Lakeview this week.

The Lazy J Ranch's 1950 Ford F-3 Express with POWER PILOT was one of more than 5,000 Fords in the nationwide, 50-million-mile Ford Truck Economy Run.

George Stephens of the Lazy J Ranch says: "The low cost my Ford Truck showed in the Economy Run speaks for itself. I got regular service checkups from my Ford Dealer."  
 \*Address furnished on request

"My ranch 'workhorse' runs for only 2 1/2¢ a mile!"

Ranch owner George Stephens proved for himself, in the big Economy Run, just how little it costs to run his Ford Truck!

"The Lazy J's Ford Express did itself proud in the Ford Truck Economy Run," says Stephens. "Daily records kept during the entire six months show that our Ford Truck ran up a total of 5,109 miles. My out-of-pocket expense for gas, oil, main-

tenance and repairs was exactly \$123.51... about a \$20 bill each month... only 2 1/2¢ cents a mile!"

The Ford Truck POWER PILOT carburetion-ignition system is one reason why Ford Trucks cost so little to run, in ranch work or any work. The POWER PILOT gives you the most power from the least gas. In the low-price field, only Ford has it!

**FORD TRUCKING COSTS LESS**

**Clarendon's Weather And What We Do About Reporting It**

"More people are interested in the weather than in any other thing because it affects everybody" was the statement of Mr. N. B. Ward of the Weather Bureau from Oklahoma City when he was in Clarendon last Saturday. Mr. Ward is called a Field Aide, on the books of the United States Department of Commerce, Weather Bureau, Oklahoma City, but to Mrs. Edna Smith, local volunteer weather observer and recorder, he is a real good Joe who fixes and looks after the equipment and instruments, checks their accuracy, and has or will get an answer to those many questions that arise between his visits.

Weather recording instruments have been in Clarendon for a long time. They are the property of the United States Government and are installed at the Clarendon Airport. Walter Watts, weather observer from Amarillo who was in Clarendon with Mr. Ward last Saturday said "Everything that is needed for local weather observing is in Clarendon. Everyone is exceptionally well pleased with the set-up that is being worked here in Clarendon. We wish that we were able to do more but at this time all we can do is leave the equipment available here and see that someone makes maintenance trips about every ninety days. The future depends on the way things go."

In June 1950 the Government was planning to remove all equipment and dismantle and move the buildings. This was thwarted at that time through the efforts of Mrs. Smith, the Chamber of Commerce and other interested persons. The buildings still remain and the equipment is still here. Mrs. Smith reads and records the data and keeps reports which are accepted as official by the United States Government.

The Civil Aeronautics Authority at one time had six persons stationed at the Airport and a payroll of \$30,000.00 per year was spent to maintain and operate

their installation. Mr. Watts observed that "although the station in Clarendon has been inoperative for a long time flyers are still heard on the CAA radio in Amarillo calling Clarendon." While the CAA had personnel stationed here they tended the weather instruments.

At the present time Mrs. Smith reports the weather to the Amarillo Weather Bureau once a day, usually between 9:30 and 10:00 A. M. If there has been rain during the night the report is made before seven thirty. These reports are made by telephone and the cost of these telephone calls is subscribed by the following firms and individuals: L. L. Wallace, Doggett Grain Company, Bartlett Motor Company, Clarendon Motor Company, Clarendon Motor Company, Noblitt Sales Company, Thompson Brothers Hardware Co., Frank White, Jr., Greene Dry Goods Co., Donley County State Bank, Farmers State Bank, Household Supply, Clarendon Food Store, W. J. Lewis, Estlack Machinery Co. and W. J. Lewis Jr.

These firms and individuals have been subscribing to this cost for several months. Collections and the payment of the telephone bill is handled by the Chamber of Commerce.

**4-H CLUB TO MEET FRIDAY NIGHT**

The Donley County 4-H Club will meet in the office of county agent H. M. Breedlove this Friday night, July 20th at 8 p. m. The trip to the district encampment at Wichita Falls will be planned and every one is requested to be present. All members are urged to be present, and all boys who would like to join are asked to come. Pictures will be shown on slides of grass plantings, and soil conservation.

Mr. and Mrs. Floyd Lewis of Amarillo were down for the week end to see their son Don and spend the week end with her parents, Mr. and Mrs. C. E. Underdown. Don is visiting his grandparents.

Mr. and Mrs. Fee Fellows of Amarillo were guests Saturday night in the Jim Johnson home.

**CLARENDON BAND INVITED TO PAMPA, AUGUST 8th**

Jimmy Faulkner, local Chamber of Commerce manager, received a copy of a letter last week inviting the Clarendon High School band to Pampa on August 8th. The Top o' Texas Rodeo will officially open with a giant street parade on Wednesday afternoon, August 8th at 4:00 P. M. The invitation addressed to the local band director stated, "We would like to extend the Clarendon High School band a cordial invitation to march in

our downtown street parade. We will have passes for all members and directors of visiting bands to the first performance of the rodeo which will begin at 8:00 P. M. the evening of the 8th."

"To have our band in Pampa for the Parade and to attend the rodeo will certainly be in the interest of Clarendon and a wonderful opportunity to extend good will to our northern neighbor town," Faulkner said. Faulkner had not been advised if or not the invitation is to be accepted.

Mr. and Mrs. E. C. Schollenbarger and family of San Antonio visited Mr. and Mrs. Geo. Schollenbarger and family the week end. Sunday evening they went to Perryton to visit his parents, Mr. and Mrs. J. N. Schollenbarger. Keith accompanied them and will spend the week with his grandparents.

Mr. and Mrs. Jerome Stocking are vacationing in Mexico City, having left Amarillo by plane July 16. They plan to be away about two more weeks.

Mrs. Harry Moore of Amarillo, Mr. and Mrs. Wayne Tiller and children of Muleshoe, Mr. and Mrs. Norman Welborn of Batesville, Ark. visited the ladies' parents, Mr. and Mrs. J. A. Warren. Mrs. Moore, Mr. Tiller and Mr. Welborn returned home Sunday. The others are spending the week here.

Mr. and Mrs. M. A. Wiley of Lakeview visited Tuesday afternoon in the home of their son, Mr. and Mrs. T. G. Wiley and boys.

# PLOWIN' Out the CORNERS

By Uncle Zeb

Quote from the little paper: The Agricultural Situation; "The Government has trouble keeping help, especially young lawyers. Where do they go? They find places in private business to try and help unsmile the red tape and confusion that they helped create while they worked for the government."

If we are too busy to go to church, then we are too busy. Someone has said that a Communist is a fellow who doesn't have anything and wants to divide it with everyone else. Every once in awhile we hear about someone who began drinking as a social obligation; just a little cocktail for the appetite's sake, and wound up a confirmed alcoholic. Few, if any of these folks would have served liquor if it had been illegal or bootleg. But when it could be bought at the local store it was a different story. I think this is one angle of the situation that fall directly back on the Sunday-go-to-meetin' damps who vote for the stuff to be placed in all the handy places over town.

Some of the sayings of the younger generation are very cute and entertaining. For instance, the other day a young friend was describing her surprise over a visit from an unexpected friend from her old home town. She said: "I was never so mortified in my whole life; I just thought my teeth would fall out". I tell you, I thought I would just fall over; actually, I thought my teeth would fall out. I had never heard that one before.

Some people are so dogmatic about what they believe that they almost destroy all the good benefits of the many good things that they believe in. For instance, if they believe that you ought to love one another; they will fight you teeth and toe-nail, and even pull hair to prove this point. I know one fellow who will put you on a first class demonstration of satans temper if you step on his religious toes a wee bit.

The above reminds me of an old settin' hen we once had. She

was the new owner of six little chicks. Every time you would get close to her she would have a fit and start trampling and fighting and crippling her little chicks that she so loved. Actually, if you wanted to kill the little chicks all you had to do was aggravate the old hen and she would trample them to death in her rage. Anyway, if we ever win a fellow over to our way of thinking it will be because he likes the results of it that he sees manifest in our daily lives. If this example in the flesh, that he sees does not prove the point in question he will never be interested in trying out our ideas.

Good ideas are like eggs, unless they are hatched into action, they are not worth very much.

The other day someone said this: "People have more trouble than anybody."

By the time this goes to press there should be some decision on the cease-fire in Korea. There seems to be no power that impresses the Communists except that of force. It seems that when we show strength they weaken, then when we want to be eager and willing to talk things over they take it for a sign of weakness and re-double their demands. The only thing that they believe in is the sword. They

deny God. They deny right and honesty. "They that live by the sword shall die by the sword", is the Eternal Truth that will catch up with them sometime.

Who was it who said: "It is not enough that we be good; we ought to be good for something."

### LOCAL FHA SPONSOR ATTENDS TSCW WORKSHOP

DENTON—Miss Loyd Richerson of Clarendon is attending a workshop at Texas State College for Women designed for sponsors of Future Homemakers of America Clubs in the public schools. Miss Josephine Pazdral, state adviser of Future Homemakers Clubs, is working with Mrs. Venita O. Young, assistant professor of home economics at TSCW, on the program. Miss Pazdral is with the Texas Education Agency in Austin as assistant state supervisor for home economics education.

Future Homemakers Club sponsors will be further trained through discussion groups and committee work in program planning, parliamentary procedure, publicity and pictures, leadership and organization and planning of summer camps.

### To Serve On Committees

Mike McCully and Jimmy Faulkner, local Chamber of Commerce manager, have been notified by Craig Laine, of Fort Worth, of their appointment to serve on committees at the Grand Promenade of La Societe des Quarante Hommes et Huit Chevaux of the American Legion in San Antonio on August 16 and 17. That is the "French" way of saying "forty men and eight horses" which is almost always referred to as 40 & 8. McCully is to serve on the Distinguished Guest Com-

mittee and Faulkner on the Credentials Committee.

One sure way to double your money is to fold it and put it in your pocket.

so BIG IN SERVICE so little in cost

Where do you begin to place a proper value on your telephone? Do you value it for the time and effort it saves you in everyday living? Do you value it because it keeps you in touch with people and events? Do you value its usefulness in emergencies? We believe you value your telephone for all of these reasons. Surely, of all things today, your telephone is so big in service—and so little in cost.

Southwestern Associated Telephone Co.

### Clarendon Scouts Leave For Canada

The Big Adventure of the year began Wednesday for 36 Explorer Scouts and leaders of the Adobe Walls Council. For the third consecutive year the Adobe Walls Council is sending a delegation to the Canadian Canoe Trails in the Quetico National Forrest in Canada.

The Explorers and their leaders left Borger on the morning of July 18th by chartered bus. Four days will be spent in making the trip to Ely, Minnesota, with stops at Emporia, Kansas; Des Moines, Iowa; and Duluth, Minnesota.

Upon arrival at Ely, they will proceed to the Canoe Base on Moose Lake, operated by Region X of the Boy Scouts of America. Here they will be outfitted with canoes, packs, food, and other equipment and will receive instructions in the handling of canoes. An experienced Guide will be assigned to each Crew of 8 Explorers. Each Crew will have an opportunity to choose the route they wish to follow. For some it will mean a long swing to the North to see how far they can go in the ten days they will

have on the Canoe Trails. For others it will mean choosing a promising fishing lake where a permanent camp will be set up. Quetico National Park is one of the few areas on the North American Continent which has been reserved as Canoe Country. No other means of transportation is permitted within this area of 30,000 lakes with the exception of patrol planes operated by the Canadian Forrest Service.

No finer fishing country is to be found and because of the difficulty of carrying food, the fish caught are an important part of the food supply. The Explorers do all of their own cooking using dehydrated foods.

The leaders of this year's trip are E. C. Kilpatrick of Pampa, Camping and Activities Chairman of the Adobe Walls Council; Howard Culp of Borger, Adviser of Post 28 and one of last year's leaders; Troy Sullivan of Perryton, Adviser of Post 55; and Robert Hogan of Pampa, who served as the leader of the Adobe Walls Council Cavalcade to Philmont.

In addition to these leaders, three other men will accompany the group to give added supervision. They are Kenneth Simpson of Borger, Truman Cooper of

Pampa, and Bert Smith of Clarendon.

The Explorers making the trip are Clyde Ray Cain and Jimmy Reid of Canadian; Donald Smith, Leon Youree, Billy Carl Pittman, Clyde Price, and Billy Bradshaw of Clarendon; Charles Clark, Bill Russell, Joe Dan Talley, David Ross Bean of Miami; Donald Cooper and Richard Bennett of Perryton; Marvin Mills, Marlin Mills, Keith Messenger, Loyd Reynolds, and T. L. Mason of Skellytown; Jon Oden, Alton Flynn, and George Depee of Pampa; Charles Fryling of Phillips; Gale Short and Harold Fickling of Guymon; Jimmy Thompson of Wellington; Walter R. Smith, Jr. of Hardesty; Lester Mundy of Spearman; Delmer Lemley and Jerry Puckett of White Deer.

The milk production of a cow is reduced more rapidly by too little water than by anything else.

Electric headlights on locomotives were first used early in 1886.

In a sneeze, the expelled air travels about 100 miles an hour.

### Truckers Warned To Heed Provisions Of New Law Concerning Mud Guards or Flaps

AUSTIN—Texas truckers are warned to heed the provisions of a new law enacted by the 52nd Legislature requiring the installation of mud guards or flaps on heavy vehicles.

Homer Garrison, Jr., Director of the Texas Department of Public Safety, pointed out that the law, which became effective on June 21st, requires that mud flaps be installed on any road tractor, truck, truck tractor, trailer or semi-trailer, excepting pole trailers, when operating on the highways when the roadway is wet.

Garrison explained that the guards were required on these vehicles only if they have four or more tires on the rear axle. The flaps, he said, must be located and suspended behind the rear wheels of the vehicle within six inches of the surface of the highway and must be at least as wide as the tires they are covering.

Construction of the safety guards, according to Garrison,

must be such that they will remain in proper place back of the rear wheels, and rigid enough to prevent slush or mud from being transmitted to the windshield of any following motor vehicle within a distance of 100 feet. The flaps may be constructed of metal, rubber, rubberized material or heavy flexible textile material.

Garrison stated that the law does not apply to those vehicles

which are so designed and constructed that the above requirements are accomplished by means of fenders, body construction, or other means of enclosure.

Mr. Floyd Ellington, a field representative of the Social Security Board was in Clarendon last week. Mr. Ellington handles claims for Old Age and Survivors insurance for people over sixty-five and for widows and minor children of people who

have worked in employment covered by the Social Security Laws. He is in Clarendon every two weeks at the office of Miss Vera Gilreath in the courthouse. He can also be of assistance to businessmen and individuals who have questions concerning the Social Security coverage laws.

Morning glories always close their blossoms before it rains.

Donley County Leader, \$2.50 year

## Clarendon Motor Company

CLARENDON, TEXAS

"AN ORDINANCE REBULATING SOLICITORS, PEDDLERS, HAWKERS, ITINERANT MERCHANTS OR TRANSIENT VENDORS OF MERCHANDISE IN THE CITY OF CLARENDON, TEXAS: DECLARING IT TO BE A NUISANCE FOR THOSE EN-

GAGING IN SUCH PURSUITS TO GO IN OR UPON PRIVATE RESIDENCES WITHOUT HAVING BEEN REQUESTED OR INVITED TO DO SO; PROVIDING PENALTIES FOR THE VIOLATION HEREOF; REPEALING ALL ORDINANCES IN CON-

FLECT HEREWITH; AND DECLARING AN EMERGENCY." BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF CLARENDON:

Section 1. The practice of going in and upon private residences in

the City of Clarendon, Texas, by solicitors, peddlers, hawkers, itinerant merchants or transient vendors of merchandise not having been requested or invited to do so by the owner or owners, occupant or occupants of said private residences for the purpose of soliciting orders for the sale of goods, wares and merchandise and/or disposing of and/or peddling or hawking the same is declared to be a nuisance and punishable as such nuisance as a misdemeanor.

Section 2. Any person violating the provisions of this ordinance shall upon conviction thereof be fined not more than \$100.00 or imprisoned not more than 30 days or both fined and imprisoned in the discretion of the Court.

Section 3. The provisions of this ordinance shall not apply to the sale, or soliciting of order for the sale of milk, dairy products, vegetables, poultry, eggs and other farm and garden produce so far as the sale of the commodities named herein is now authorized by law.

Section 4. All ordinances or parts of ordinances in so far as conflicting herewith, are hereby expressly repealed.

Section 5. The fact that solicitors, peddlers, hawkers, itinerant merchants or transient vendors of merchandise are disturbing the privacy, well-being, and safety of owner or owners, occupant or occupants of private residences in the City of Clarendon, Texas, creates an urgency and an emergency; therefore this ordinance shall take effect at once on its first reading, approval and publication and it is so ordained, as in the charter in such cases made and provided.

PASSED AND APPROVED, this the 10th day of July, 1951.

Signed  
Major B. Hudson,  
Mayor.

The tallest tree in the world, a eucalyptus in a national park near Sydney, Australia, is 575 feet tall.

**GAME AND FISH MEETING TO BE HELD IN CLARENDON NIGHT OF JULY 27**

Continuing the policy inaugurated last year, the Texas Game and Fish Commission is once more holding a series of public meetings in the twenty-eight counties of the Panhandle over which it exercises regulatory jurisdiction. The purpose of the hearings is to permit landowners, sportsmen, and other interested persons to present their opinions on open seasons, bag limits,

shooting hours, and other questions representatives of the Texas Game Commission. The various opinions secured at the public meetings are consolidated and presented to the commission. To the extent compatible with the supplies of game and fish on hand—as determined by game and fish commission biologists and wardens—the Commission will be guided by the requests and suggestions of landowners and sportsmen in making the regulations which will go into effect September 1st.

The meeting for Donley County will be held at the District Court Room in Clarendon on the night of July 27th at 8 o'clock. All hunters, fishermen, and landowners are urged to attend and participate in the discussion.

**NOTICE OF ADDITIONAL AD VALOREM TAX ELECTION**  
 THE STATE OF TEXAS )  
 COUNTY OF DONLEY )  
 TO THE RESIDENT PROPERTY TAXPAYING QUALIFIED VOTERS OF DONLEY COUNTY, TEXAS:

TAKE NOTICE that an election will be held on the 28th day of July, 1951, at the place, in the manner and on the proposition set forth in the attached copy of an order for additional ad valorem tax election, duly entered by the Commissioners' Court of Donley County, Texas, on the 9th day of July, 1951. Said attached order for additional ad valorem tax election is made a part of this notice for all intents and purposes.

Walker Lane, County Clerk,  
 Donley County, Texas

**ORDER FOR ADDITIONAL AD VALOREM TAX ELECTION**  
 HOUSE BILL 107, 51ST LEGISLATURE,  
 REGULAR SESSION, 1949  
 COUNTY OF DONLEY, TEXAS

On this the 9th day of July, 1951, the Commissioners' Court of Donley County, Texas, convened in regular session at the regular meeting place thereof at the Courthouse in Clarendon, Texas, with the following members of the Court present, to-wit:

- W. J. Williams, County Judge
- Richard Cannon, Commissioner Precinct No. 1
- J. R. Bull, Commissioner Precinct No. 2
- Frank M. Murray, Commissioner Precinct No. 3
- Geo. Preston, Commissioner Precinct No. 4

Walker Lane, County Clerk  
 constituting a quorum, and among other proceedings passed the following order: WHEREAS, this Court has investigated the submission to the resident property taxpayer the question of the proposition of voting additional ad valorem tax as provided by House Bill No. 107, Acts of the 51st Legislature, Regular Session, 1949, and this Court after said investigation is of the opinion that it would be beneficial to this county to call said election.

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF DONLEY COUNTY, TEXAS: That an election be held in said County on the 28th day of July, 1951, which date is sufficient to allow the posting and publication of notice of said election as herein provided at which election the following proposition shall be submitted to the resident property taxpayer of said county for their action thereupon:

**PROPOSITION**  
 To determine whether or not said county shall be authorized to levy, assess, and collect ad valorem taxes upon all property within said county, except the first \$3,000.00 valuation of residential homesteads, not to exceed 30 cents on each \$100.00 valuation in addition to all other ad valorem taxes authorized by the Constitution of the State of Texas, provided the revenue therefrom shall be used for the construction and maintenance of Farm-to-Market and lateral roads, or for flood control, either or both, as the Commissioners' Court of said county may determine as provided in House Bill No. 107, Acts 51st Legislature, Regular Session, 1949.

That said election shall be held at the following places in said county and the following named persons are hereby appointed Presiding Judges for said election:

- 1 (Goldston), Community Building—Wilson H. Gray; 2 (Clarendon), Court House—Van Kennedy; 3 (Lella Lake), School House—Walter Howard; 4 (Clarendon), City Hall—Wade Roach; 5 (Hedley), City Hall—Roy Jewell; 6 (Ashland), School House—W. A. Poover; 7 (Jericho), Reeves Store—Ernest Lamb; 8 (Glenwood), F. R. Crisp Home—F. R. Crisp; 9 (Skillet), Geo. Preston Home—L. A. Kalka.

The ballots for said election shall have written or printed thereon the following: "FOR THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION"

"AGAINST THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION"

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote. The manner of holding said election shall be governed as near as may be by the General Election Laws of the State, except as modified by the provisions of House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949, and none but resident property taxpayer qualified voters of said County who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this order on the same day in each of two consecutive weeks in a newspaper of general circulation published in said county, the date of the first publication to be not less than fourteen full days prior to the date set for said election. In addition thereto, a copy of this order shall be posted in each voting precinct in said County not less than fourteen full days next before said election.

The County Judge is hereby authorized and directed to cause said notice to be published and posted as hereinabove directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the court voted AYE: Richard Cannon, J. R. Bull, Geo. Preston, Frank M. Murray, and the following voted NO: None.

PASSED, APPROVED AND ADOPTED, this 9th day of July, 1951.  
 W. J. Williams, County Judge  
 Richard Cannon, Commissioner Precinct No. 1  
 J. R. Bull, Commissioner Precinct No. 2  
 Frank M. Murray, Commissioner Precinct No. 3  
 Geo. Preston, Commissioner Precinct No. 4 (22-2e)

jects and Activities, the State Executive Committee of the American Cancer Society, Texas Division, on July 11 approved the budgets needed by the 26 projects at its regular monthly meeting.

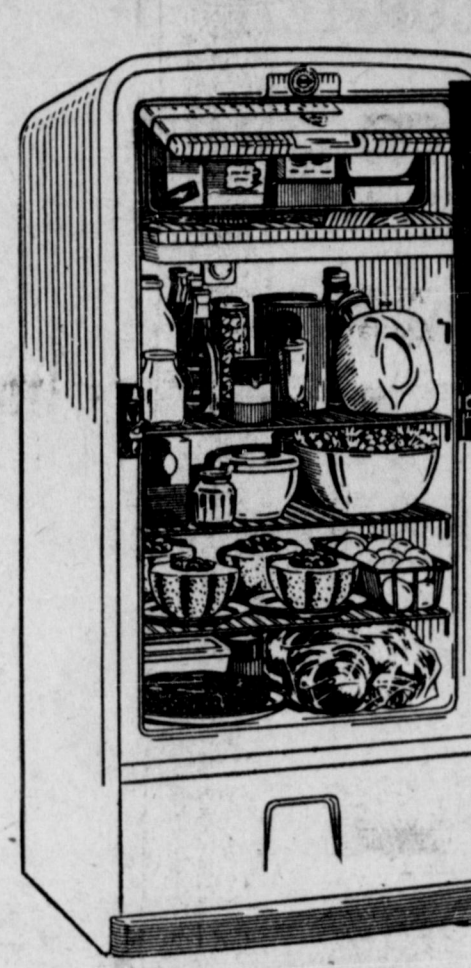

The proration of Crusade funds to the Texas projects followed three days of study by various state-wide committees of the American Cancer Society.

"The Society's biggest problem has been to figure out how to make \$469,206 raised so far in the 1951 Texas Cancer Crusade line up with budget needs amounting to \$500,000". Doctor G. V. Brindley of Temple, Executive Committee chairman said. "One-fourth of all Cancer Society funds goes for research into causes and all possible cures of the disease. Money is constantly

needed, too, for various services to cancer patients. In addition, our educational program is continually expanding. All together, our committees have been hard pressed to make the necessary cuts."

Doctor Brindley expressed hope that the State Crusade goal of \$500,000 would be reached before the close of the Society's fiscal year August 31.

**This one says You've Arrived**

HERE pictured is an automobile that may well be the fulfillment of any man's dream of a fine motorcar.

For you've a right to expect, when you pay a fine-car price, that your money will buy more distinction, more comfort, more performance than are to be found in vehicles of lesser worth.

So mark well the things that a ROADMASTER offers.

No other car on the American scene has a prouder bearing.

No other automobile has more spacious dimensions, more luxurious

comfort, or finer appointments.

No other car has a ride more serenely smooth on curve or straightaway, highway or byway.

And no other car, at ROADMASTER'S price or above, has Dynaflow, and the supreme command of every traffic condition which it provides.

So you, at the wheel of Buick's biggest and best, have a right to feel distinguished.

But there's a joy of possession which goes deeper than visible things.

There's the feel of a power plant as brilliantly eager as this great car's valve-in-head Fireball Engine — and the satisfying companionship of a brawny traveler instantly responsive to your every wish.

And there's one thing more, which only ROADMASTER can give you in such generous measure. That is the pride of a wise investment, based on the fact that this car stands alone in price per pound, among fine cars similarly equipped.

So why not take that very important first step—and come in and see us soon?

Equipment, accessories, trim and mood are subject to change without notice.

Time In HENRY J. TAYLOR, ABC Network, every Monday evening. When better automobiles are built BUICK will build them.
