## New Missile — A "Fantastic Weapon"

COCOA, FLA.—A U. S. Air Force Martin B-61 Matador pilotless bomber—a "fantastic weapon"—takes off with a roar, black smoke, and the white heat of its thrust. The Matador is currently under advanced development at the Air Force's missile test center here.

## BRONCHOS TO PLAY WHEELER IN FIRST CONFERENCE GAME

The Clarendon Bronchos will meet the Wheeler Mustangs in their first conference game of the season here at Broncho Stadium Friday night at 8 o'clock.

This is expected to be one of the best games of the season as a former Broncho star, Colie Huffman, will be pushing his Mustang squad to win if at all possible and it has been understood that coach Huffman has a very capable team with two outstanding backs that have been hard to stop in their two previous games this season. Wheeler has the same record as the Bronchos with two wins to their credit.

Coach Tom Harrell reported yesterday that the Bronchos were ready for the Mustangs in every department and could win the game if they play the type of football which they are capable. The Bronchos are still at full strength with no injuries and the line should hold a slight edge over the Wheeler squad, coach Harrell added.

The Band Parents will again have their concession stand open before and during the game with plenty of hot coffee, cold drinks and hot dogs.

The probable starting line-up for the Bronchos, starting at left end: Murf, Tatum, Bain, F. Clifford, Jones J. Clifford, Robertson. Myers at full, Mooring at the left half position, Hearn at right half and Cotton Hall in the Quarterback slot.

The probable starting line-up for the Mustangs, beginning at left end: Newberry, Farmer, Sanders, Moore, Herd, Brown and Clark. The four making up the backfield are Richerson, Johnson, Crossland and Jones.

Lloyd Spier and family moved to McAllen Monday where he has bought a farm.

## Local Absenteeism Last Week Costs Schools \$117.00

The local school system lost \$117 due to absenteeism in all departments of the school. This is a sizeable increase from the previous week of \$102.60. There were 114 days missed by students week before last and 130 days last week. The school budget can be aided considerably if all parents will make special efforts to see that their youngsters are in school if they are not really sick.

Days missed by grades are as follows: 1st, 6½; 2nd, 14; 3rd, 10½; 4th, 5; 5th, 5½; 6th, 17; 7th, 10½; 8th, 1; 9th, 15½; 10th, 10; 11th, 13½ and the 12th 20½ days. The eighth grade had the best record with only one absentee listed for the entire week.

## SENIOR CLASS TO SPONSOR AMATEUR SHOW, OCT. 11

The Senior Class will sponsor an Amateur Show to be staged Thursday night, Oct. 11. Prizes awarded will be \$10 for first place, \$7 for second place, and \$5 for third place.

Any one interested in entering the contest may contact Shirley Ann Morris, Mary Lou Barker, Miss Lucille Polk or Mr. W. C. Larimer.

Sgt. George Thompson, a member of the U. S. Marine Corps and who has been stationed at Alameda, Calif. is visiting his mother, Mrs. Cordia Thompson. He is taking a two week delay in route while being transferred to Washington, D. C. for further schooling.

## Farmers & Ranchers Are Organizing To Promote Controlled Hunting Organization

Farmers and ranchers in the Lelia Lake area are organizing to promote a controlled hunting organization for this year and the organization is open to the entire county. Game Warden G. P. Davis held a meeting at the school house Tuesday night and twenty persons attended. Mr. Vineyard of the Turkey Controlled hunting organization was present and outlined how successful they had been with their organization. Mr. Davis explained that with this organization that members would pay membership dues each year for membership and that an executive secretary would be elected and he would issue permits for hunting with the cost to be set by permanent board. Members do not have to allow any hunting at all and can allow hunting only on those days that they are at home and no hunter can be on any property without a written permit. The farmers and ranchers from Donley County set up a temporary organization until the permanent meeting and Lee Shaller was elected president and H. M. Bredlove secretary; directors were C. C. Ayers, Will Chamberlain, Ed Eanes and R. Y. King. These men are only temporary and will be replaced when the regular organization is set up.

Mr. Davis and the group present set October 3rd at 7:30 p. m. at the Lelia Lake School House as the time and place for the final organization meeting and every one in Donley County is asked to be present. This is a type of organization that will eliminate the hunter who comes on your property without permission and will give you protection if you do not want any hunting at all. Remember the date, next Wednesday night, October 3rd at 7:30 at Lelia Lake school, and be there to join this organization. All business men are invited and urged to help because this helps the sportsman for better hunting.

## Local Baseball Club Loses Championship By One Run

The Clarendon Independent Baseball club played a hard three game series but missed the Caprock League championship honors by one run in the third game played last Sunday afternoon at Groom. The Amarillo Sports won the first game; Clarendon won the second in a 13 inning thriller and the Sports won the last game in another extra inning spree which carried through the top of the 11th inning. The score was 23 to 22.

The local club scored three runs in the first inning, three in the 3rd, four in the 4th, two in the 5th, five in the 7th, two in the 9th, two in the 10th and one in the 11th. The Sports scored 7 in the 1st and went scoreless until the 6th and 7th when they banded in a total of nine runs and three more in the 9th to even the score.

The Clarendon boys have played some mighty fine ball all season; especially for a group that has had no extra practice sessions outside of regular Sunday games. Manager Roy Stewart stated that all members of the club wished to express their appreciation to the Clarendon fans that have supported them throughout the year. We are in hopes of having a regular playing field with bleachers by the time another season rolls around, he added.

## Catholic Church Re-Dedicated Here

Saint Mary's Catholic Church of this city was rededicated Monday morning in an impressive ceremony by the Most Reverend Laurence J. FitzSimon, D. D., Bishop of Amarillo.

After the blessing of the old church and a sermon by the Bishop a High Solemn Mass was offered by the Rt. Rev. Monsignor John Steinlage, pastor of the Sacred Heart Cathedral of Amarillo. Assisting the celebrant of the Mass were Rev. Andrew Quante of Groom and Rev. Rupert Schindler of Childress. Rev. Richard Vaughan pastor in charge of the Clarendon Church was master of ceremonies. Bob Gulde, Amarillo acted as Thurifer and Carl Poirot and Johnny of Price College served as Acolytes.

The old church, believed to be the oldest Catholic Church in the Panhandle was once the Parish Church in the Panhandle of which Amarillo was the Mission. It is believed that the old church is about 60 years old, though no one can give the exact date of erection. On the adjoining lot where the church now stands the Old Saint Mary's Academy was founded in 1899. Twelve years later the Catholic school was moved to Amarillo where it still thrives.

More than 200 visitors attended the dedication. People were here from Amarillo, Groom, Wellington, Jericho, Tuliá, Vega, Olfen, Hereford, Childress and several other points.

After the Mass all those attending the service were served with a banquet and buffet luncheon at the Donley Hotel.

Twenty priests and 8 Nuns from the Diocese attended the dedicatory service.

## FIFTH SUNDAY HYMN SING SUNDAY AFTERNOON AT FIRST BAPTIST CHURCH

Sunday afternoon at 2:30, the regular Fifth Sunday Hymn Sing for the Panhandle Baptist Association will be held in the First Baptist Church, Clarendon. There are some 15 Baptist Churches in the Association, and each of them will be represented in the musical program with group singing, and special numbers, and hymn playing by various pianists. The public is cordially invited to attend. If you enjoy good church music, this is your opportunity.

## Colts To Play First Game Here With White Deer

The Jr. High Colts will open their conference football season here tonight against the White Deer Junior High team at Broncho stadium. The game time has been set for 7:30 and the admission charge will be 25 and 15 cents.

C. R. Brown, principal of Jr. High, is coaching the team this year and reports that around 40 youngsters have reported for practice sessions. As a whole the Colts are small but they have plenty spunk and determination and they should have equal opportunity to win some of their scheduled games, coach Brown stated. In fact they have their heads set to win this game tonight, he added.

The Colts have a four game conference schedule being in the west division of this conference. The conference was divided with four teams each and the winner of each division will play the other top honors at the end of the season. Teams comprising the west are Clarendon, White Deer, Skellytown and Panhandle. Teams in the east are Wheeler, Canadian, McLean and Lefors.

The remainder of the Colt schedule other than the game tonight: Oct. 4, Panhandle, here; Oct. 11, Skellytown, there; Oct. 25, Panhandle, here.

The Colt mothers have asked us to remind everyone that they will have the concession stand open with all kinds of eats and drinks so be sure to come to the game hungry and eat with these ladies.

## Wildcat Well Drilling Activity Picking Up Again In Donley

Drilling equipment has been arriving the past week prior to the starting of actual operations on the Newton Oil Co. No. 1 S. Meyers in section 129, block C-6, GC & SF survey, which is located about 3 miles northeast of Lelia Lake. No other particulars in regard to the well could be learned.

The No. 1 JA Cattle Co. well on the JA Ranch, (the third location) was reported down around 1,300 feet and an air pocket was encountered during the week end which slowed operations. The No. 1 Ritchie was reported drilling below 7,100 feet and the No. 2 Ritchie topped Granite at 7,360. Another location for this rig to move to will probably be announced in the near future.

## UNITED COUNCIL OF CHURCH WOMEN MEET AT PAMPA

Those attending the meeting of the United Council of Church Women held at the First Christian Church in Pampa Monday were Mrs. Millard Word, Mrs. Pete Kunz, Mrs. Lena Antrobus, Mrs. A. L. Thornberry, Mrs. Howard Stewart, Mrs. Park Chamberlain, Mrs. Charlie Lowry, and Mrs. J. H. Hurn.

## FOOD SALE

## Large Number Visits Donley County Fair

### CRAWFORD FAMILY REUNION

The Crawford girls enjoyed a family reunion recently at Thompson Park in Amarillo. The three living reside in Donley County and are Mrs. E. W. Bromley, Mrs. W. I. Rains and Mrs. W. D. Shelton.

Thirty-nine relatives were present, where enjoyment of the delicious food and visiting was the order of the day. "Cousin" this to "cousin" that amused the youngsters listening to conversations.

The remarkable feature of the day was the fact that the three sisters each had four generations present; Mrs. E. W. Bromley, Bill Bromley, Mrs. Mary Ann Riley, and Janice Ann; Mrs. W. I. Rains, Mrs. Mabel Bridges, Mrs. Mary K. Jeffries, Beverly Ann and Carolyn; Mrs. W. D. Shelton, Mrs. Mamie Moreman, R. E. Moreman, Rickey and Danny.

### Church Women Meet In Pampa

The United Council of Church Women of the 14th District met at the First Christian Church in Pampa Monday for an all day meeting.

Mrs. Jas. Farwell of Amarillo, president of the district directed the meeting, assisted by Mrs. Lacy Goosetree of Fort Worth, Field Sec'y. Reports were given by state officers—Mrs. Weills of Amarillo, treasurer; Mrs. Goosetree, Mrs. C. C. Edison, past president and Mrs. John Hanna, member of the national board.

Mrs. Weills was honored with a life membership of one hundred dollars, given by the 14th district. Funds derived from the life memberships are used for migrant work.

Mrs. Felix Harris, State President, gave the main address and Mrs. Hanna conducted the consecration service.

For World Community Day on November 2nd, council members are asked to give good used blankets. The collection will go to a Scholarship Fund for foreign students to study in the U. S., hoping in this way to further Christian leadership in non-Christian countries. Church World Service is asking that duffle bags be filled which hold approximately 40 lbs. of clothing, for the Korean war victims, who through no fault of their own have been deprived of their homes and jobs.

What was said to be a record crowd attended the Donley County Fair, Horse Show and Races last Friday and Saturday. Community exhibits and all other departmental exhibits were far above expectations and the Ladies Flower Show was outstanding, adding color and beauty to the exhibition halls. There were 15 community exhibits and all were very good. The poultry exhibits almost exceeded the allotted space.

In the community exhibits Ashtola won 1st, Lelia Lake 2nd, Windy Valley 3rd, Midway 4th and Goldston 5th. In the Home Makers Exhibits, Clarendon won 1st and Hedley 2nd.

Due to number of classes and places only 1st place winners are listed in Poultry exhibits. New Hampshire Reds, Old Hen, H. A. ## Sail Ocean In Vain

MIAMI, FLA.—After making an 8,500 mile voyage to Miami from Hamburg, Germany, in their 35-foot sailboat, to visit relatives, Bruno Ewald Paul and his wife, Margit, (above) were denied admission to the U. S. because of a lack of visas. Following such an expense of time and effort, however, they plan to appeal from the decision.

## Blasts Kill Three

NEW BRIGHTON, N. Y.—Firemen and volunteers remove rubble (Sept. 21) in a scene reminiscent of bomb-scarred European cities. Two children and an elderly woman were killed in a series of explosions that rocked this town. The cause of the disaster, which destroyed 15 homes and damaged many others, was undetermined.

bring about a closer and friendlier relationship for the theatre with the community at large.

Col. Cole's plan was promptly endorsed by R. J. O'Donnell, leader of the vast Paramount-Interstate interests and a top official of the show business. These two Texans joined forces to hold meetings in New York and Hollywood, where they were supported by the financial and artistic executives. What was originally a Texas campaign exploded into national proportions. All of the big studios promptly revised their plans. The finest productions, many of them in color, were set for release during the celebration of "It's Movie Time in Texas."

**"It's Movie Time In Texas"**

Joining with the more than 1500 motion picture theatres in the state, the Mulkey Theatre this week begins the celebration of "It's Movie Time in Texas", a period in which the management will feature a series of special events as well as presenting the year's outstanding pictures.

The entire movie industry is behind "It's Movie Time in Texas". These activities precede a similar nation-wide movie drive embracing as many as 16,000 additional theatres, which will not get under way until October.

To focus attention on the theatres for the next few weeks, Hollywood will send out many famous stars on personal visits to various states. Nation-wide broadcasts featuring well known entertainers and special short subjects will point up the merits of the screen and the importance of the movie theatre in community life.

The idea behind "It's Movie Time in Texas", which has been enthusiastically adopted by both New York and studios executives expanded into coast-to-coast proportions, originated with a well known Bonham, Texas theatre man, Col. H. A. Cole, Chairman of the Board of the Allied Theatre Owners of Texas conceived the thought of a project to marshal all theatre men, their employees and their families, into a movement to offer the public the finest of entertainment and to

By May L. Prewitt

We have "The Townsman" by John Sedges. This is a novel you will truly enjoy. Not the vulgar type as this writer gave us "The Long Love." She writes very enjoyable books, and I am practically sure the writer is Pearl Buck using this pseudonym.

A gift this week is "Moving Heaven and Earth". The story of R. C. Le Tourneau by Donald F. Ackland. This is autographed by Mr. Le Tourneau and a Bible reference is used after his signature.

It will be sometime before we get the 63 books catalogued that were donated by the owner of a Lending Library. We shall do some moving of less useful material and make room for this much appreciated gift.

Some excellent periodicals were received this week, and some annual membership fees.

We are surely having a difficult time securing returns of over due books. If these people realized how we worked and schemed to purchase this material, they surely would not be so careless. Take advantage of our reading supplies, and please return borrowed books on time. Thanks.

**New Insecticide Highly Poisonous Warns Dr. Geo. Cox, State Health Officer**

Recently a new insecticide highly poisonous not only for insects but also for man and animals has become available commercially said Dr. Geo. W. Cox, State Health Officer. It is known under the trade name of "Parathion" and has proven quite effective for certain agricultural uses.

Because of its extremely high toxicity it would be desirable if its use could be restricted to a few individuals who could make a business of applying it and educate and equip themselves so as to insure the maximum of safety. In Texas and a number of other states, however, there are no laws making such restricted use possible. Therefore, a brief statement of warning is being offered. "Parathion in the pure state is a brownish liquid with a high

boiling point and a peculiar odor. It mixes but slightly with water, but is completely soluble in alcohol, acetone and certain other similar solvents. Under factory conditions it is usually mixed with a powder such as talc or bentonite as a carrier and appears on the market as a powder which has absorbed the parathion.

Safe use is dependent on the use of precautionary measures so as to prevent contact. The user should seriously study and observe these precautions. The user should also be alert for symptoms of poisoning so that a physician may be in attendance without delay should he be needed. Atropine, a potent medicine, has been mentioned as an antidote. It should be borne in mind that this is another poison about as dangerous, if improperly used, as

is parathion. It should only be used under competent medical direction.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club had their regular meeting in the Club Room Sept. 20 at 2:30. During a short business session arrangements were made for the all-day meeting to quilt two quilts for Boys Ranch on Oct. 4. There will be a covered dish dinner and we hope all members will be present for the quilting.

Vena Hudson exhibited over 100 dolls of Mrs. Bostons, in the absence of Mrs. Boston who was not able to be present. Mrs. Hudson made the show very interesting by giving a history of many of the dolls. Many of them were antique and many were from foreign countries. Thanks to Mrs. Boston for allowing her dolls to be used for the Doll Show program.

Refreshments were served to 26 members and guests, also several children by the hostesses Nettie Marshall and Lillie Knox. All of the pupils of both school rooms viewed the dolls.

—Reporter.

## MIDWAY CLUB

The Midway Club met with Goldie Mooring Sept. 20. A delicious lunch was served at the noon hour, and two quilts were completed for the hostess.

Members present were Leona Scott, Allie Quattlebaum, Pearl Terry, Nora Goldston, Sarah Shaller, Lucille Luttrell, Eddie Williams, Eula Butler, Norma Chamberlain, Vada McCrary, Loyd Hillis, Ida Pickering, Nell Land, Goldie Mooring and three guests, Mrs. Leona Jones, Mrs. R. C. Bingham, Mrs. Brown.

The next meeting will be with Ellen Moreland October 4.

—Reporter.

Mr. and Mrs. J. I. Spurgeon, Mrs. A. J. Hicks and Pamela were Amarillo visitors Monday.

## GARDEN CLUB

The Garden Club met Thursday afternoon in the home of Mrs. Barcus Antrobus with Mrs. Will Johnson assistant hostess. Colorful garden flowers decorated the entertaining rooms.

Mrs. J. H. Howze, president, was in charge of the business. Plans were made for guest day in October.

The program for the afternoon was "Think now of Spring Planting." The following interesting and informative articles were given:

Daffodils and Tulips—Mrs. Joe Goldston.

Count on Crocus—Mrs. Frank White Jr.

Bulb Quiz—Mrs. Rayburn Smith.

Refreshments of cake and ice cream were served to fifteen members and two guests, Mesdames Louie Thompson and Lee Bell.

## KIL KARE KNEEDLE KLUB

The Kil Kare Klub met Thursday, Sept. 20, in the home of Mrs. R. O. Thomas. The home was decorated with garden flowers including dahlias, roses, and others. A covered dish luncheon was served at 1 o'clock. The afternoon was spent visiting.

Present were Mrs. Cap Lane, a guest, and members—Mesdames Homer Mulkey, G. C. Heath, Sam Lowe, Harry Brumley, E. H. Noland, R. R. Dawkins, J. R. Bartlett, Major Hudson, W. A. Land, Buel Sanford, C. E. Lindsey, Misses Ida and Elna Harned and the hostesses, Mrs. R. O. Thomas.

The next meeting date will be announced later.

Mr. and Mrs. Bob Hutson of Borger spent the week end with her parents, Mr. and Mrs. J. I. Spurgeon.

## MRS. HERBERT EMERY

Mrs. Herbert Emery of Sanger Brothers in Dallas will be presented by the Pathfinder Club in a review of "The Spellbound Village" by Julia Truitt Yenni to be given at four o'clock Friday, September 28th at the High School Auditorium. The public is cordially invited.

As a literary reviewer, Mrs. Emery has reviewed books in many of the states across from California to the East coast including California, Arizona, Texas, Ohio and Louisiana and as far north as New York and across the border into Canada and on the other extreme in Mexico. She reviews many times in Texas for churches, schools and various organizations.

Mrs. Emery has the honor of being the first in the country to review a book over television. She is now starting her second year of Tele-Reviews sponsored by Sanger Brothers in Dallas, Texas.

## CANASTA PARTY

Ardith Butler entertained in her home Monday night with a Canasta and 42 party.

Those enjoying the evening were Jessie Bagwell, Billie Beard, Dude Cornell, Louveta Cowan, Junior Davis, Mary Neal Davis, Maurice Risley, Evelyn Gordon, Jim Guy, Jim Hancock, Nita Heath, Frank Tyler, Geraldine Hommel, Eugene Bell, Va Lois Stafford, Connie Beard, Randy Butler and the hostess, Ardith Butler.

## H. D. CLUB

The senior Home Demonstration Club met Friday afternoon, Sept. 21, at the Patching Club House for a business meeting and election of officers.

Officers elected for the ensuing year are President, Mrs. D. F. Wadsworth; Vice-President, Mrs. W. J. Williams; Secretary, Mrs. Claude Darden; and Reporter, Mrs. O. C. Watson.

Those present were Mesdames Bertha Benson, Claude Darden, M. C. Rampy, A. L. Chase, N. L.

Jones, G. A. Anderson, Joe Terry, Clyde Butler, O. C. Watson and Lena Antrobus. The October meeting will be with Mrs. Lena Antrobus.

## HONORED WITH SURPRISE ANNIVERSARY DINNER

Friday night, Sept. 21, was a happy occasion for Mr. and Mrs. A. H. Moore. It being their 29th wedding anniversary, Mr. Moore and the family planned a surprise anniversary dinner for his wife. While Mr. and Mrs. Moore shopped in Amarillo, Mrs. Doyle Walls, Mrs. James Moore, and Mrs. Bud Moore prepared the dinner.

The table was laid with a beautiful beige linen cutwork cloth imported from Japan. A lovely centerpiece of gold and rust mums was flanked on either side with gold candles.

Those present included the honorees, Mr. and Mrs. A. H. Moore, Don, Jack and Wayne Moore, Charles Roberts, Mr. and Mrs. Van Knox and Patricia, Mrs. Doyle Walls and Brenda of Floydada, Mr. and Mrs. James Moore and Danny and Mr. and Mrs. Bud Moore and Terry. Mr. and Mrs. Frank Hommel and Geraldine were unable to attend.

## SIMS P. T. A.

The Sims Parent-Teacher Association held their first meeting of the school year in the auditorium of the Junior High School Thursday afternoon. Speaker of the afternoon was Bro. A. J. Quinn, Baptist evangelist of Amarillo, J. C. Arthur, also of Amarillo, sang "There Is No Secret" accompanied at the piano by Mrs. James Moore.

Mrs. Maurice Lane, president, presided at the business session. Theatre tickets were awarded to children selling the most memberships to P.T.A. Mrs. Johnson's room was awarded the \$1 for having the most mothers present. Following the business meeting the group enjoyed a social hour in the School Cafeteria.

## BASEBALL TEAM ENJOYS BANQUET

### EXECUTIVE DEPARTMENT AUSTIN, TEXAS September 27, 1951

ALLAN SHIVERS  
GOVERNOR

Mr. Brad H. Smith, President  
Texas Press Association  
441 Driskill Hotel  
Austin, Texas

Dear Mr. Smith:

With a full realization and appreciation that a free press is a bulwark of the American way of life, I consider it most appropriate that National Newspaper Week is to be observed October 1-8, inclusive. During the present unsettled world conditions it is entirely befitting that this nation and the State of Texas pay tribute to an organization that must play a vital role in the days which lie ahead.

To chronicle the many contributions of the press to our Democratic nation and to the development of a world civilization is impossible. From the smallest hamlet to the largest metropolitan center newspapers constantly have been, and will continue to be, in the foreground championing civic, governmental, educational, cultural and religious improvements. In the field of international events, the diligent efforts of a vigilant press have made the people of our nation the best informed in the world.

A free press means a free people. The history of the world has taught us that nations which censor and hamper a free press do not survive. I am convinced this will continue to be true in the future and that the iron curtain of communistic countries will represent but another chapter in the fate of tyrannical governments which saw fit to interfere with a basic freedom—a freedom of the press. Truly "Your Newspaper Lights the Way of Freedom."

To a free press of Texas, to the members of the Texas Press Association and to our great newspaper industry I offer my sincere congratulations. It is my earnest wish that National Newspaper Week be observed by all Texans with just tribute being paid to a worthy organization and industry.

Sincerely yours,  
*Allan Shivers*

PASS THE SALT, PLEASE

Ashtola made an outstanding showing at the County Fair. Our agricultural exhibit placed first; and Ashtola boys walked off with most of the first prizes in the swine division. Doyce Graham, Jr. won first place with his 4-H Club Sears Roebuck gilt. Allen Ray Graham's Hampshire barrow took the grand championship in the swine division. Allen Ray also won first place with his Berkshire hog and his Holstein heifer calf took top honors. Gene White received first prize for his duroc barrow. In the poultry show, Allen Ray Graham received first prize money on buff orphington and white leghorn chickens. Claud DeBord, Delma, and Doyce Graham, Jr. are in Amarillo this week with their hogs.

Mr. and Mrs. A. J. Garland had lunch with Mr. and Mrs. J. W. Garland, his parents, on Sunday. Visiting in the Ben Lovell home Sunday were Joe Tom Lovell, Mr. and Mrs. Earnest Hunt, Mrs. John Dial of Channing, Mr. and Mrs. James Reed Lovell of Dumas, Mr. and Mrs. W. A. Poovey, Mr. and Mrs. Leo Wallace and Patsy Wallace. They all went with Joe Tom Lovell SKSN to English air port at Amarillo where he boarded a plane for New Port, R. I. He will be in the Naval Officers Training School there for the next four months.

Mary Sue Rhoades was honored with a birthday party in her home Sunday afternoon. Girls from her classroom were guests. She received many cute gifts. Her mother, Mrs. Hubert Rhoades, the hostess, served refreshments of cake and punch to eleven guests. Plate favors were miniature pencil sharpeners.

**and SOCIAL SECURITY**

The Amarillo social security office is still receiving inquiries as to the status of household workers under the Social Security Act, according to John R. Sanderson, manager of that office.

Just about a year ago, Congress amended the Social Security Act

to provide that beginning January 1, 1951 regularly employed household workers would be covered by the old-age and survivors insurance program. Workers in this group include maids, cooks, gardeners, children's nurses, chauffeurs, and others engaged to work in a private home.

If such a person works on 24 different days in a calendar quarter and earns \$50 or more in cash wages, the employer files a quarterly return with the Bureau of Internal Revenue. The report form is simple and easy to prepare. It calls for the worker's name, social security number, and amount of wages paid during the quarter.

Both the employer and the worker should be certain that the worker's social security number appears on the return and that it is correctly shown. Incorrect or missing numbers mean additional work for the Government and the employer to insure that the worker gets credit for the wages.

## FARM NEWS

From the County PMA Committee

### 1951 ACP BUDGET

An additional allocation of \$5,200.00 was received from the State Office this week for the 1951 ACP Budget. We have plenty of money to help you with a conservation practice. You can still build terraces, construct dams, drill wells for livestock water, build waterways and apply superphosphate to grasses, legumes, etc.

If you happen to need one of these practices, come in and make application for it.

Saturday, September 30th, will be the last day to make application for 1952 deep plowing. If you have not made application and want some deep plowing, be sure to come by the office.

Approvals are being issued for winter legumes and Rye. These are 1952 practices, but they must

be seeded in the fall of '51. Come by and get your approval if you want to seed Austrian Winter Peas, Hairy Vetch or Rye.

### THE COTTON SITUATION

The September 1st cotton report released by the Bureau of Agricultural Economics, U. S. Department of Agriculture estimates the 1951 Texas cotton crop at 4.8 million bales. This is 200,000 bales less than the August 1 report from the same source. Last year's crop was 2,946,000 bales and the 10 year (1940-9) average was 3,049,000 bales.

For the Nation the report estimates the 1951 crop at 17,291,000 bales. This is an increase of 25,000 bales above the August estimate. The 1950 crop was 10,012,000 bales and the 10 year (1940-9) average 12,030,000 bales.

The September report lowered estimates for Texas, Oklahoma and Louisiana by 280,000 bales and raised the estimates for Arkansas, Alabama, California, Georgia, South Carolina, and

Tennessee by 305,000 bales.

The 1951 lint yield per acre for the U. S. is estimated at 290.8 lbs. while the lint yield per acre for Texas is estimated at 183 lbs. per acre and is the lowest for any of the cotton growing states. Texas has a reputation for low lint yield per acre as compared to the National average. During the 10 years, 1940-9, the average lint yield per acre in Texas was 181 compared to the National average of 266. The average for Texas in 1950 was 211 compared to a National average of 270. Agronomists of Texas A&M College System have estimated that the use of legumes in rotation with cotton will boost cotton yields on an average about 40 pounds to the acre and they say this is a very conservative estimate. Texas cotton growers need to bring their lint yield per acre up to or above the National average and it is the opinion of the Agronomists that fertilized legume crop on cotton land will help to do this.

### PRICE

With World production of cotton once more in excess of consumption, great interest again attaches to the loan rate on cotton in the United States as a lower limit below which the price of cotton cannot fall. On July 27, the United States Department of Agriculture announced that the loan rate would be 31.71 cents per pound for Middling 15/16 inch cotton at average location in the Cotton Belt. The loan rate in 1950 was 29.45 cents and in 1945, it was 29.43 cents.

The loan program can be used by producers as a means of marketing their cotton in a orderly manner, spreading the marketing of cotton over the season (August 1, 1951 to July 31, 1952) rather than concentrating sales in the rush harvest period. During the past ten years, cotton prices have reached their highest level for the season during the last half of the marketing season (Feb.-July) and have reached their lowest level for the season during the first half of the marketing year (Aug.-Jan.). Looking at the marketing record for the past 36 years, we find that the peak price for the season was reached before January 1 in only 13 years. Peak price was reached after January 1 in 23 of the last 36 years.

## YOUR PENNIES ARE NEEDED

Due to the shortage of copper and the great need for this metal in the Defense program, requests have gone out to all banks and the public in general, asking that pennies be put back into circulation. The U. S. Mint is unable to meet the present extraordinary demand for pennies and nickels. There are undoubtedly enough of these coins lying idle in various home containers to alleviate the shortage. All parents and youngsters who have penny and nickel banks and jars are asked to turn this collection into a local bank in exchange for paper money or a bank account.

## ROUND ROBIN TEXT BOOK HEARINGS STARTED

The Round Robin hearings of the different book companies started Monday of this week with Miss Ruth Richerson, county supt. of schools. She is serving as a member of the Textbook committee representing the 18th Congressional district. There are 15 members over the state who will hold hearings with 14 book companies who are presenting the middle grade reading program (fourth thru sixth grades). There are also three companies offering second year shorthand. The advisers serving are Mrs. Wilma Batson, 1st & 2nd grade teacher at Lelia Lake, Mrs. Virgie Johnson 2nd grade and Mrs. Claudine Todd 5th grade, both of Clarendon.

Carroll Lewis and son, Jack, made a business trip to Vernon Tuesday.

## GO TO A MOVIE TONIGHT!

BUT FIRST THE MOVIE MEN OF THIS TOWN WOULD LIKE TO ASK YOU A QUESTION.

Did you ever stop to think what an important part in everyday life the Movies play? Or, put it this way —

WHAT KIND OF A WORLD WOULD IT BE WITHOUT MOVIES?

The Motion Picture Theatre in any community is a haven of entertainment at modest prices. The talents of great artists are yours in an atmosphere of comfort and ease.

The theatre, like schools and churches, play an important role in civic responsibility.

We bring this thought to you because we want you to join not only with us, but with every theatre in the State in celebrating

**MOVIETIME in TEXAS**

And we promise you the greatest parade of pictures ever made during this Jubilee.

So why not relax and go to a movie tonight?

# BLOWIN' Out the CORNERS

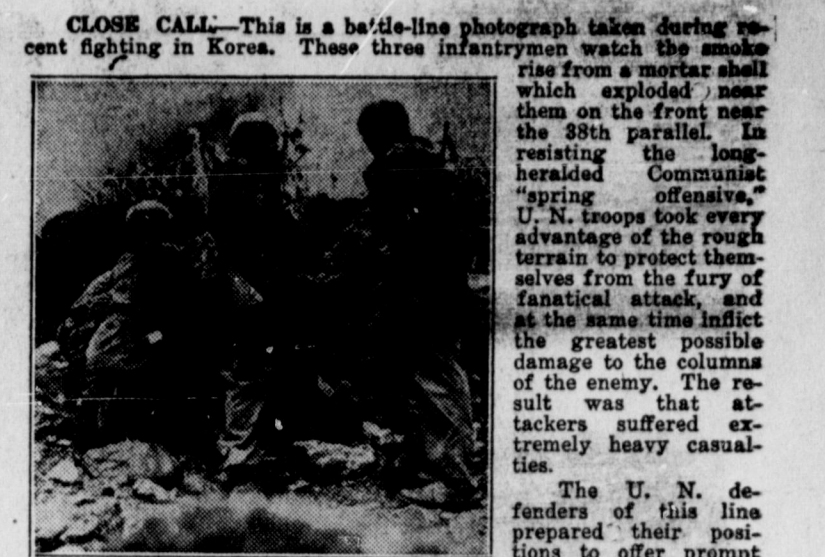

Woman: "I swiped some of your corn for my chickens the other day while you were gone."  
 Neighbor: "Reckon the 'Ole Bogey Man' will get you for it?"  
 Woman: "Oh, no, he wasn't here."

This week a bill came up in congress and I suppose was passed to set up \$875,000.00 to hire some crooners to sing and to pay for the radio time to advertise the enlistment program of the Air Force and Army. Looks to me like this is going a bit too far to hire a bunch of warblers to help convince the boys how wonderful war and all its horrors are. I think the old reason of patriotism; of giving of yourself for the safety of others was the only reason that boys would be willing to fight and die for. Now with their programs of high-powered advertising you might be led to believe that war was some kind of a wonderful experience. Of course, before you get out of Basic, some Sargeant will remind you that the pipe dreams are over and that you are in the army and that whether Congress and the President has heard about it or not there is a war going on and mothers sons are dying every day. One Panhandle mother has lost two boys in the last month in Korea, and yet for political reasons Washington would have us believe we are at peace, and that all is milk and honey. The very thought of meeting a boy that has suffered and fought in Korea gives me a feeling of guilt. While we speculate and profiteer and send prices and wages even higher they are asked to fight and die, asked to kill but above all things not insult the enemy in this far away worthless corner of the world.

This week I am asking another favor for a friend. Of course you remember several months ago when the young man was so seriously burned at the Airport explosion in Amarillo. He is still in the hospital and the long hours

of skin grafting and suffering has been terrible to bear, but the courage of this brave boy is winning out. He is improving and is now able to appreciate cards and letters. And now for the favor to me and to this friend and neighbor to all of us. Before you lay aside the paper whether you have ever met him or not do this favor for him and for me and for yourself. Next Sunday, Sept. 30th is his birthday and he would enjoy a lot of cards and letters from people. The address is Mr. Lester Grumpke, % Northwest Hospital, Amarillo, Texas.

up to the readers as to what office I seek next. I will announce my platform and if it meets your approval you can help me find the proper job. So far I have only three splinters in my plank, to wit: 1. Repeal half of the laws and regulations that have been passed in the last twenty years under the New Deal and Tru-Deal administrations. 2. Kick out 90% of the Bureaus and administrations that have been cooked up in the last twenty years and close the lid on the Washington cracker barrel. No. 3. Give the government back to the people and sit down in a comfortable chair somewhere and enjoy and appreciate the position that the good folks have elected me to. Think about No. 3 before you decide on me, for it is the most important. More splinters later.

**CLOSE CALL**—This is a be/lie-line photograph taken during recent fighting in Korea. These three infantrymen watch the smoke rise from a mortar shell which exploded near them on the front near the 38th parallel. In resisting the long-heralded Communist "spring offensive," U. N. troops took every advantage of the rough terrain to protect themselves from the fury of fanatical attack, and at the same time inflict the greatest possible damage to the columns of the enemy. The result was that attackers suffered extremely heavy casualties. The U. N. defenders of this line prepared their positions to offer prompt and firm resistance to advancing Reds who purchased dearly with dead and wounded every inch of ground they gained. American lines here were shielded by miles of barbed wire.

Received the following card from Al Gerner of Lelia Lake. "I endorse your statement in this weeks paper concerning our present and future economic ills and ailments. This present so called prosperity is false and will lead to total collapse, and some want no part in preventing it. When some Republican Senator criticizes this wasteful spending of the government the chief executive calls it "A pack of lies". I notice in the Farm Journal that the National Potato Council wants to go it alone and wants no government aid. This is shocking

to the Washington Economy Planners for they want no group to get from under their control." End of Quote from Mr. Gerner. In addition to growing some fine fair size watermelons, Mr. Gerner does a lot of good sound thinking. Glad to hear from him again.

Miss Gilbert, the teacher, was telling me how Skip Lawson almost went to sleep in her physics class. She noticed him nodding and—since they were discussing electricity—said in a loud voice: "Now maybe MR. LAWSON will explain what electricity is." Skip started up, looked around wildly, and blurted out, "Gee! I used to know, but I forgot."

"What a loss to science!" sighs Miss Gilbert. "No one to this day knows what electricity really is, and here we have a genius who could explain it—but forgot!"

The 1951 State Fair of Texas, October 6-21, will offer \$83,074 in livestock premiums—\$10,365 more than last year and the highest in the history of the 66-year-old exposition.

Ray W. Wilson, manager of the fair's livestock department, said the 1951 premium list was mailed recently to 7,500 livestock breeders and exhibitors throughout the nation, and to all county agents and vocational agriculture teachers in Texas.

Topping the list of shows featuring 26 breeds of cattle, swine, horses, sheep and Angora goats will be the Pan-American, National Hereford Show, Oct. 6-11. Premiums of \$25,000 are offered for this show alone, the highest

the fair has ever posted for any one show.

Total beef cattle premiums are \$34,650, an increase of \$12,300 over last year. Arrayed with the Herefords will be top Aberdeen-Angus, Brahman and Shorthorn cattle. All beef cattle shows run Oct. 6-11.

Dairy cattle premiums total \$15,450. Guernsey, Holstein-Friesian, Jersey and Milking Short horn cattle will be shown October 12-19.

The Junior Livestock Show Oct. 15-20 will offer premiums totaling \$14,945, an increase of \$3,695 over 1950. There will be classes for dairy cattle, steers, pigs, and sheep.

Premiums for nine breeds of swine to be shown total \$9,152 and prizes for the six breeds of sheep that will be on display come to \$2,977. Angora goat premiums amount to \$850. Swine,

sheep and goats will be shown Oct. 6-14.

Dates and premiums for the horse show will be announced later, Wilson said.

Of the \$83,000 in premiums being offered at the 1951 fair, the State Fair of Texas will contribute \$64,791 and national and state purebred livestock associations will contribute \$18,283. This is an increase of \$7,392 over premium money given by breed associations last year, Wilson said. This indicates a growing recognition of the fair's vast audience and its leadership in promoting better livestock, he pointed out.

**Program Launched To Extend Scouting To More Boys**

Under the direction of W. B. Weathered, Organization and Extension Chairman, the Adobe Walls Boy Scout Council has launched a Fall Round-up Program designed to extend Scouting to more boys than at any time in the Council's history.

The Round-up, which is being conducted in 47 communities within the Council's territory, includes school surveys, visits of Scouters to the homes of prospective Cubs and Scouts, and Unit Open Houses where parents will have an opportunity to learn their responsibilities to Scouting.

In the North Plains District which includes Texas, Cimarron and Beaver Counties in Oklahoma and Lipscomb and Ochiltree Counties in Texas, the Round-Up is under the direction of Alton Boxwell of Perryton, District Organization and Extension Chairman, and Stephen O. Harvey of Canyon, District Commissioner.

In the Adobe District which includes Hutchinson and Hansford Counties in Texas the program is being directed by R. L. Black of Borger, Organization and Extension Chairman, and Joe Traylor of Borger, District Commissioner.

In the Santa Fe District including Gray, Carson, Hemphill and Roberts Counties in Texas, the Round-Up is being directed by Rev. Henry Tyler of Pampa, Organization and Extension Chairman and James McCune of Pampa, District Commissioner.

In the Southern District which includes Collingsworth, Hall, Donley, and Wheeler Counties in Texas, the program is being directed by Duard Scott of Wellington, Organization and Extension Chairman.

An important part of the Round-Up Plan is the recruiting of more men and women to serve as volunteer leaders. Council

leaders say that with an increase in volunteer leadership it will be possible to reach many more boys than ever before and to improve the calibre of the program offered.

The climax of the Round-Up will be public investiture programs in each of the four districts of the Council. At that time all new members and all new adult leaders will be publicly recognized.

**Fees For Driver's Licenses Now \$1.00**

AUSTIN—Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today in Austin that a survey conducted at the end of the first week of the increased fees for driver's licenses indicated that 48% of the applications for renewal of operator's and commercial licenses failed to include sufficient money.

This, Garrison pointed out, was in spite of the fact that newspapers and radio stations cooperated wholeheartedly in publicizing that the cost of both of these type of licenses were doubled by the 52nd Legislature and became effective September 7th.

The Public Safety Director again reminds Texas motorists that the fee for an Operator's License is \$1.00 and for Commercial License, \$2.00. The price for a Chauffeur License remains at \$3.00. As before the Operator's License is valid for a period of two years and the latter two for a one year period each.

Remitting of the proper amount with your renewal application will expedite a more prompt return of your new license, Garrison said.

**Answer:** No. Each application for patent is given a serial number as it is received. No political or personal influence can change that order of consideration. Cases are considered earlier when it can be shown that someone else has put the invention on the market, and for other good reasons. Rule 102 says: "Applications will not be advanced out of turn . . . except . . . upon order of the Commissioner . . . or upon a verified showing which, in the opinion of the Commissioner, will justify so advancing it."

**News From The Office of Price Stabilization**

Twenty-two different types of services, which have little effect on the cost of living or which cannot practically be controlled, have been removed from price control, the Lubbock district Office of Price Stabilization announced this week.

Among services exempted are those of real estate brokers, agents and appraisers, labor relations and public relations counselors and advertising agencies, according to the district price executive, Ted Gehring.

Gehring estimated several hundred such firms are in operation in the Lubbock district which includes Donley County, along with 68 other Far West Texas counties.

The new regulation, however, points out specifically that watch and clock repair services remain under price control.

Barbers and beauticians, which already have been exempted by Congressional action, are included in the new regulation listing the exemptions. Among other exemptions are claims adjusters; dues and assessments of clubs

and associations organized and operated exclusively for social, recreational and other non-profit purposes; justices of the peace; services of mortgage brokers or mortgagees in connection with negotiation, placement and securing of mortgages; newspaper carrier and delivery services; notaries public; commissions paid to distributors of petroleum products on consignment; process servers; services supplied directly by federal, state, territorial or municipal governments or their agents; ticker services; and tree surgery services.

The exemption concerning municipal services does not apply to sales or services supplied in a private capacity by sub-contractors, lessees, licensees or concessionaires.

District price executives also reminded sellers of toys, games, Christmas decorations, lace and yarns they must file supplementary pricing charts by September 29th if they otherwise are operating under Ceiling Price Regulation 7 or if these are new categories to their business. This supplementary chart must be filed with the Lubbock District Office of Price Stabilization, 1202 Texas Avenue, Lubbock, Texas.

**All-Texas Methodist Revival Oct. 5-Nov. 4**

DALLAS—The All-Texas Methodist Evangelistic Mission has become a Revival in churches across the state, headed by Bishops A. Frank Smith, Houston, and William C. Martin, Dallas.

It is expected that some 50,000 persons will be won to Christ and church membership in the two weeks in October.

Oct. 5-14 preachers from the northern section will be in the Houston - San Antonio section. Oct. 26 to Nov. 4, the procedure will be reversed.

Plans include combining preaching and visiting. "This is the first time in Texas that preaching and visiting have been featured at the same time," said Bishop Martin of the Dallas-Fort Worth Area.

High points in the program will be the schools of evangelism in each district, youth rallies at 20 central points on Saturday night, Oct. 6, in the southern section and mass meetings at 20 key cities Oct. 14 as a climax to the All-Texas Methodist Revival.

In the north part of Texas 27 youth rallies are scheduled for Oct. 27 and mass meetings Nov. 14, with schools of evangelism for pastors Oct. 29 through November 2nd.

Involved in the plans are 58 districts, about 1,632 pastors and 2,221 churches with 635,200 members. These include the Mexican and Negro churches in the eight Annual Conferences.

### Hundreds of Former Tenant-Farmers To Be Honored Oct. 10

More than four hundred Texas farmers, who a few years ago were tenants, will be honored October 10 with a day at the State Fair of Texas. These farmers borrowed money through the Farmers Home Administration to buy family-type farms, and paid off 40-year farm mortgages more than 30 years ahead of schedule. Of this number, those who paid their debt from returns from the soil will receive certificates of achievement for having paid their loans in full this year from agricultural income.

Ceremonies of awarding certificates signed by President R. L. Thornton of the State Fair of Texas, and Texas FHA Director

L. J. Cappelman will be held in the Hall of State on the State Fair Grounds at 1:00 P. M., October 10, County Supervisor James D. Goudly announced this week. Congressman W. R. (Bob) Poage, Waco, Chairman of the Agriculture Committee of the House of Representatives, will deliver an address covering the progress of Farmers Home Administration in the five-year history of the agency. He will be introduced by Dillard B. Lasseter, National FHA Administrator.

Farmers who have paid up their farm and home loans and others whose operations are financed by the Farmers Home Administration are invited to attend the ceremonies and see the State Fair exhibits.

This will be the fourth annual Farmers Home Administration Achievement Day. Of the six thousand Tenant Purchase loans made in Texas under the Bankhead-Jones Act, approximately one-half have been paid off and

their farms are now owned free of debt.

### Donley County Soil Conservation District News

Next Tuesday, October 2, 1951, at 8:00 P. M. is the time of the election for a Supervisor within Subdivision No. 3 of the Donley County Soil Conservation District. Alanreed at the High School Gym is the place for this election. This election is in accordance with the provisions of the State Soil Conservation Law, Acts of the 47th Legislature. Like elections are being held all over the State on this date.

Subdivision No. 3 in the Donley County Soil Conservation District is that area north of the Salt Fork Red River and east of the Clarendon-Jericho Highway.

All persons 21 years of age holding title to farm or ranch land lying within Subdivision No. 3 and who live in the Donley County Soil Conservation District are qualified to vote in this election.

### THE DONLEY COUNTY LEADER

Soil Conservation Districts are divided into five subdivisions with a supervisor representing each subdivision. One supervisor is elected each year and serves for a five year term. These five farmers are the governing body of the District and are called the Board of Supervisors. It is the function of this Board to promote soil conservation within the District.

T. C. D'Spain, the incumbent Supervisor in Subdivision No. 3, requests that every qualified voter be present at this election. If you are interested in conservation of the soil on your farm and in your District, prove this fact by coming out next Tuesday night at 8:00 at the Gym in Alanreed and give your support to the man you want to represent you on the Board of Supervisors of the Donley County Soil Conservation District.

All farmers and their families other than qualified voters are also invited as there will be a program including a movie on soil conservation of interest to everyone. Flip Breedlove, County Agent, and Carman Rhode, Soil Conservation Service, have been asked to arrange the program.
