## BRONCS TO ENGAGE CYCLONES ON LOCAL FIELD FRIDAY NIGHT IN TRADITIONAL GAME

The Clarendon Bronchos will meet the Memphis Cyclones on Broncho Field here Friday night in the traditional game of the season. This is always an unpredictable game as either team is expected to perform the unexpected and the underdog, if there is such, always has an equal chance to win.

The Cyclones have had a hard season so far and lost all their games but they have been encountering some stiff competition. Last week they showed themselves well by holding Shamrock to only 7 points.

Coch Tom Harrell reports the Broncs in pretty fair condition for the game although one or more regulars may be out of the line-up due to lime burns received in the game last Friday night. The entire squad will be in there doing their very best to win if at all possible, for it is always heart-breaking to lose to the Cyclones. There's one thing that might lessen the importance of the game and that is the fact that it will be non-conference this year. This is the first time to our knowledge that the two teams have not been in the same conference.

It has been announced that a full scale pep rally will be held tonight at 7 o'clock in front of the Rexall. Everyone is urged to come out and help build the spirit needed to beat the Memphis boys.

The Band Parents organization will have their stand open as usual with plenty of eats, hot coffee and cold drinks. Keep this in mind while you are out Friday night backing the Broncs all the way.

## New Laundry To Hold Opening Monday, Oct. 15

The Nu-Deal Laundry is making announcement in this issue of the Leader of its official opening Monday, October 15. The new business will be operated by the owner, Roy Crutchfield, long time resident of Clarendon.

The Nu-Deal Laundry is located six blocks east of the stop-light in the building formerly occupied by Nichols & Baxter Monument Works. Mr. Crutchfield stated that his helpy-selfy type laundry would be modern and convenient in every respect with 12 machines available for use. Read the Nu-Deal's advertisement in this issue of the Leader for full particulars.

## Mrs. Billy Salmon Rites Held Saturday

Funeral services for Mrs. Billy Salmon, 39, who died late Thursday, Oct. 4, in her home, were conducted at 2:30 p. m. Saturday from the Brice Baptist church in Brice, with Rev. Milton Evans, pastor, officiating, assisted by Rev. Wayne Naylor and Rev. Roy Shahan.

Burial was in the Citizens' Cemetery in Clarendon under direction of Murphy-Spicer Funeral Home.

Mrs. Salmon's death was ruled a suicide Thursday night after an inquest held by Coroner J. S. Grimes of Memphis. Officers said death was caused by a single bullet in the head from a .22 caliber pistol.

The husband and son were at work and a daughter-in-law, Mrs. Billy Morgan Salmon, was in the farm-yard, when the shot was fired, officers said.

Relatives said Mrs. Salmon had been in ill health for some time.

Survivors include the husband and son, Billy Morgan Salmon, both of the Brice community; the parents, Mr. and Mrs. W. S. Smith of Memphis; three sisters, Mrs. B. O. Jones, Memphis, Mrs. Ruby Hancock of Lakeview, and Mrs. Mattie Eastland of Waco; and a brother, Bailey Smith of Borger.

## REGULAR SERVICES AT LOCAL METHODIST CHURCH SUNDAY

Rev. John English, pastor of the local Methodist Church, will return home Saturday from Hondo, Texas where he has been assisting in an evangelistic campaign there the past week. Sunday services will be held as usual at the local church. Rev. C. A. Greenwalt, pastor of the Fredericksburg Methodist Church will come here Oct. 23 for a week under the exchange program which is being carried out all over the state.

## Highway Lighting Now Completed

Construction crews of the West Texas Utilities Company have completed work on the lighting facilities along the highway, both east and west of the main street. Actual operation cannot commence till a special transformer is received. The order for this transformer was placed several months ago but material shortages have caused delay. The erection of these additional lighting facilities was a project of the Chamber of Commerce Civic Improvement Committee of which Bob Moss and Alvin Landers are co-chairmen.

## REBEKAH LODGE TO HAVE MEXICAN SUPPER

The Clarendon Rebekah Lodge 149 will hold their annual Mexican supper Saturday night, Nov. 3rd, from 6 to 8:30 in the dining room of the Clarendon Hotel. Tickets will go on sale Wednesday, Oct. 17, at \$1 a plate. Buy your tickets now from the Rebekahs.

## H. W. LOVELL HAS LATEST PEACH CROP ON RECORD

H. W. Lovell, prominent resident of the Ashtola community, has approximately 35 Indian Peach trees with an above-the-average crop. The thing that has puzzled Mr. Lovell is the lateness of the peaches. This is the first year, according to his records, that the peaches have ripened in October. One of the peaches brought to the Leader office measured 10½ inches in circumference. The Indian peach is a very good variety and there is quite a demand for the crop Mr. Lovell is now gathering.

## LET'S RIDE THE MERRY-GO-ROUND

First grade students and their teachers, Mrs. Brown and Mrs. Ballew, are sponsoring the operation of a Merry-Go-Round on the corner next to Piggly-Wiggly Grocery on Main Street. Rides are 10 cents with proceeds going to room activities. You may ride Saturday afternoons or Monday and Wednesday afternoons from 3 o'clock to 4 o'clock.

Hershel Heath has loaned the equipment and Piggly-Wiggly is donating the electricity to operate.

## EXTENSION COURSE OFFERED

An extension course, Education 491, for which college credit will be given, was begun Wednesday night of this week at the Clarendon High School. Dr. J. B. Roberts, head of the Education department at West Texas State College, Canyon, is teaching the course with lessons being held every Wednesday night throughout the first semester of school.

The course is on "Evaluation" and will take up a study of the Clarendon School System, its pupils, the community, its churches, and parents within the community. A number of teachers in Donley County are enrolled for the course.

## Queen Candidates Choose Escorts For Halloween Carnival

A complete list of queen candidates and their escorts was made available this week with the High School and College holding elections this week. Candidates and their escorts are: First grade—Patti Lane, Charlie Slavin; Second grade—Judy Benson, Larry Stewart; Third grade—Martha Jo Risley, Raymond Neal Carter; Fourth grade—Glenell Hoggatt, Jerry Hicks; Fifth grade—Betty Brown, Jimmy Bain; Sixth grade—Frances Wright, Richard Vallance; Seventh grade—Glenda Borden, Leo Luttrell; Eighth grade—Wanda Lewis, Tommy Lane; Ninth grade—Doris Swinney, Jesse Scott; Tenth grade—Shirley Martin, Tommy Hodnett; Eleventh grade—Jo Anne Montgomery, Don Thornberry; Twelfth grade—Noma Lee Lewis, Frank Jones. Ida Mae Brown will represent the Clarendon Junior College and Ralph Ayers will be her escort.

You may cast your vote for your favorite candidate wherever boxes may be over town. Votes will be 1 cent each. At press time no official count had been made as to the number of votes cast this week. Information pertaining to this phase of the Carnival may be turned in to Mrs. Homer Estlack, Chairman of the Queen Contest.

## Donley County Game Association Formed And Officers Elected

At a meeting held last Monday night in the Lelia Lake Auditorium, the Donley County Game Association was formed and officers elected for the ensuing year. Lee Shaller was named president of the group, with Will Chamberlain and Sid Pointer as vice president and secretary, respectively. In addition to these officers a board of directors was elected to handle the detail work of the organization, including the formulation of a set of By-laws.

More than twenty members were signed up at Monday night's meeting, bringing several thousand acres of land under jurisdiction of the Association. Many others have voiced an interest in the organization and a large number of additional members are expected as soon as land owners can be contacted. A membership fee of \$5.00 will be charged which goes into a fund to defray the expenses of the association.

H. M. Breedlove was named to head a committee appointed to handle the procurement and erection of signs. Large signs will be erected at points where main highways enter the county and other signs will be placed on property of members of the association.

Hunters wishing to hunt on land in the association may do so only after securing a permit from the secretary and paying the required fee of \$4.00 per day. The hunter will then be directed to a specific place to hunt where the land owner will sign his permit. If he so desires, a land owner may refuse to allow any hunting at all on his property, or if hunting is allowed, he may specify the number of hunters per day and their bag limit. The bag limit, however, must not exceed that set by state law.

Any hunter found taking birds without a permit on land in the association will be in violation of the state game laws and will be subject to prosecution.

It is hoped that a majority of the land owners in the county, will see fit to take part in this move to control bird hunting. It is a step toward the prevention of wholesale slaughter of birds, both in and out of season. It also guarantees the hunter a place to hunt without being molested, as long as he abides by the rules of the association and the game laws of the state of Texas.

Mr. and Mrs. Carroll Lewis went to Wichita Falls Sunday.

## To Speak Tonight

E. R. EUDALY

E. R. Eudaly, noted livestock specialist of Ft. Worth, will speak here tonight at the College auditorium at 7:30 p. m. Mr. Eudaly is one of the most widely recognized authorities on livestock nutrition, feeding and management and has spoken here on a previous occasion. Before becoming connected with Universal Mills, he was head of both the swine and dairy divisions of Texas A&M College Extension Service. Theories mean nothing to Mr. Eudaly unless they can be put into actual practice and made to pay dividends.

All livestock raisers in this area and others interested are invited to hear Mr. Eudaly speak.

## Bronchos Lose To Panhandle 15-0

The Bronchos received their first setback of the season last Friday night when the Panthers from Panhandle slipped on their mud chains and toppled the Broncs 15-0. Local fans think the score might have been different if they had been playing on a dry field. The Panthers took advantage of all breaks in the game and the follow up accounted for part of their scoring. The game was played in a puddle of water with a steady downpour of rain throughout most of the entire playing time.

Panhandle started their scoring in the first quarter when Lewellen plunged over from the 1 yard line and Mitchell added the extra. A few minutes later Duane Hearn was tackled behind the Broncs goal line for an extra. The final Panther touchdown came when they punted out on the Clarendon 1 yard stripe and then took over when the Broncs fumbled on the first play. Dale Roselius plowed through center for the score.

## NEW C-C MEMBERS

Frank Phelan, Jr., President of the Clarendon Chamber of Commerce, extended the congratulations of the Chamber to the following firms and individuals who have become C of C members in the past month: Seeds Buick Co., Carpenters Garage, Cudd Bros. Trucking Co., Whitlock and Hart Barber Shop, Guy Wright, J. Alfred McMurtry, Glenn's Jewelry, Earl Hodnett 66 Service Station, B. N. Head, and Ernest Kent Texas Company.

## AMATEUR SHOW HAS BEEN CANCELLED

The Senior Class sponsored Amateur Show which had been scheduled for tonight at the College Auditorium has been cancelled for an indefinite time due to circumstances that have arisen at this time.

## BAKE SALE

The Fifth grade will hold a bake sale Saturday, Oct. 13, in front of the West Texas Utilities from 8:30 to 11:30. They are raising money for their socials throughout the year. Mrs. Todd and Mrs. Longan are teachers of these grades. You are invited to shop for your bakery needs at this time.

Mr. and Mrs. Hershel Heath and Mr. and Mrs. Clyde Martin were Amarillo visitors Sunday.

## Rain And Hail Damages Crops Over County

A severe rain and hail storm which moved in last Friday afternoon left several strips of devastation across parts of Donley County. The storm was quite freakish in its movements, jumping and skipping along cleaning out some crops completely and doing partial damage to others. One strip was reported south of town with the movement eastward across Windy Valley and on into Hall County. Another area hit was a strip beginning in the Goldston community, continuing on eastward down Red River along the Midway and Naylor communities. Some hail was reported in general over most of the county with rainfall being measured up to three inches. The measurement here in town varied from 1.20 inches up to 1.60 inches. The recording at Lelia Lake was 1.50 inches. Losses were estimated from a slight damage to 100 percent by various farmers in the hail area.

## Phelan To Head Church Campaign

Frank Phelan, Jr. has been named General Chairman of the Stewardship Campaign of the First Methodist Church of Clarendon. The purpose of this campaign is to reach every family in interest of securing their pledge to the church budget for the year 1951-1952.

Working with Mr. Phelan as associate chairmen are: H. M. Breedlove, Solicitation, Lynn Payne, Mechanics; Phoebe Ann Buntin and Mrs. Fred Buntin, Education, and Mrs. C. W. Bennett, Women. Assisting these chairmen are fifty-six other workers serving on sixteen committees. Forty-four of these workers were present for a general meeting of instruction at the church Tuesday evening, Oct. 9.

## GOODNIGHT HOME MAKERS CLUB TO SPONSOR 42 PARTY AND BAZAAR

Everyone is cordially invited to come to the Community Hall, Friday night, Oct. 12th for games of 42 and a Bazaar.

There will be pie and coffee for every one.

## FOURTH GRADES FEATURE PUPPET SHOW OCT. 24

The fourth grades under the direction of Miss Mongole and Mrs. Headrick will sponsor a Puppet Show to be held Oct. 24, at 1 o'clock in the High School Gymnasium.

A complete program is not available at this time so watch the paper next week for further details.

## BAND AND ORCHESTRA PARENTS TO MEET

Band and Orchestra parents will hold their regular meeting Monday night at 7:30 in the Band Hall. All parents having children in the band or orchestra are members of the organization and are urged to be present for this important meeting.

## RUTH RICHERSON TO INSPECT NEW BOOKS

Ruth Richerson, County School Superintendent, reported this week that two more publishing houses will present books to her for inspection before hearings of the State Text Book Committee for the adoption of next texts are begun October 22. The committee is made up of 15 members, one of which is Miss Richerson.

## SECOND GRADE FEATURING FOOD MARKET OCT. 20th

Mrs. Lloyd Johnson's second grade will feature a Food Market at the West Texas Utilities office from 9 a. m. til 12 o'clock on the morning of Saturday, Oct. 20th. Among the items that will be for sale will be dressed hens, fryers, eggs, home made bread, cakes, pies, canned goods, etc.

Mrs. A. J. Hicks and Pamela and Mrs. J. I. Spurgeon visited in Memphis Tuesday afternoon.

## Contract Let For Mulberry Bridge

### BAPTIST PASTOR'S CONFERENCE FORMED

The Baptist pastors of the Panhandle Association met Monday morning in an organizational meeting for the purpose of forming the Baptist Pastor's Conference. The meeting was held in the First Baptist Church of Memphis. Those present were L. A. Sartain, Clarendon; Ernest Phillips, Martin; R. L. Self, Estelline; F. N. Allen, Lakeview; Roy Shahan, Memphis; O. L. Jones, Hedley, and Bee Nichols, Memphis. Nichols was elected secretary of the organization, and O. L. Jones, chairman. The time of meeting is Monday after first Sunday in each month, at First Baptist Church, Memphis.

The next meeting will be on November 5, at 10:00 A. M.

### Services Held Tues. For Leonard L. Gay

Funeral services for Leonard Louis Gay, 17-year-old son of Mr. and Mrs. Lawrence Gay, were held Tuesday afternoon at the First Baptist Church with Rev. L. A. Sartain officiating.

The youth, a high school student, died Sunday of a shotgun wound in his chest. A verdict of "accidental death by gunshot" was returned by Justice of the Peace G. A. Anderson. The boy's father works for the Penrod Drilling Company. The family has lived here since July.

Survivors include the parents, and four sisters, Mrs. Lois Lovelady of Lufkin, Lindie Ann, Claudette Mae and Georgia Nell, all residing with the parents; a brother, Jerry; and the grandparents, Mr. and Mrs. Louis Moore of Haskell.

Burial was in Willow Cemetery, Haskell, Texas with the Murphy-Spicer Funeral Home in charge of funeral arrangements.

### PANHANDLE KITTENS CLIP COLTS 20-7

The scrapping Junior High Colts put up a valiant fight against a heavier Panhandle Jr. High team here last Thursday night but the weight was too much. The score was 20 to 7 in favor of the visitors. The colts held their own pretty well through the first three quarters but the larger boys from Panhandle wore them down in the fourth. Chester Mann took a pass late in the game to go across the goal stripe for the Colts only score.

The Colts journey to Skellytown this afternoon for their next game on their schedule.

### SIMS P.T.A. TO HAVE NIGHT MEETING

The Sims P.T.A. will meet Thursday night, Oct. 18, at 8 o'clock in the Junior High School Auditorium. This gives fathers as well as mothers an opportunity to take part in the organization. All parents of students attending Elizabeth Stevens and Junior High School are urged to be present.

Following the business session, Mrs. Pat Powell of Childress will be presented as guest speaker for the evening.

### HALLOWEEN MASQUERADE BALL OCTOBER 31

Bobby Burns and his Orchestra will furnish the music for the Halloween Masquerade Ball being sponsored by the Forty et Eight in the new American Legion Hall the night of October 31. An advance ticket sale is being conducted by all 40 & 8 'ers and tickets are also on sale at Thornberry Drug, Bob Moss Pharmacy, Skelton Dry Goods Co. and Lane and McCully Insurance Agency.

Donley County Leader, \$2.50 a Year.

The bridge on Highway 70, across Prairie Dog Town Fork of Red River should be completed within about six months. The contract for the construction of this bridge has been awarded to the J. B. Clardy Construction Company of Fort Worth. Its cost is \$183,012.00. It is expected that the bridge construction workers will headquarter in Clarendon; however, materials will be shipped to Memphis because of it being a rail point closer to the site of the construction.

Materials are arriving at the site for work on the six and one tenth miles of road construction which was recently awarded to a Valley Mills firm.

When the construction presently contracted is completed only a sixteen mile gap, from Turkey north, will remain to be completed to make Highway 70, an all paved road from Pampa to San Angelo and on south. Gray County and the city of Pampa recently announced that they were renewing their efforts concerning further construction contracts to the north on Highway 70.

The construction of Highway 70 has been a program of the Chamber of Commerce during the past several years. Recent contracts are the fruits of many years work by a lot of individuals.

### Two 4-H Club Steers Entered in State Fair

County Agent H. M. Breedlove stated this morning that Donley County would have two 4-H Club steers entered in the State Fair of Texas. The two steers will be shown by Wayne Brown and Chauncey Hommel. The steer shown by Wayne and weighs 1250 pounds; the steer shown by Chauncey was bred by Frank Hommel and weighs 1150 pounds. Both steers are Herefords and should give plenty of competition at the State Fair in the livestock department.

Breedlove and the two Club boys will leave for Dallas this Sunday afternoon as the steers have to be on the fair grounds on Monday morning. The group will be in Dallas until Saturday of next week. The sale will be held at 9:30 on that morning in the livestock arena. The judging of the Club steers will be on Wednesday the seventeenth at nine o'clock in the livestock arena. Everyone who should happen to be in Dallas at the state fair at that time is invited to come by and see the steers.

### REV. JAMES COMISKEY ASSIGNED TO ST. MARY'S CATHOLIC CHURCH HERE

Reverend James Comiskey recently assigned to Saint Mary's Catholic Church here offered his first Mass Sunday. Reverend Richard Vaughan, former pastor, who assisted at the altar read the Gospel and spoke a fond farewell to parishioners with whom he had worked for the past two years.

Appointment of Reverend Comiskey to the Clarendon post was made last week by the Most Reverend Laurence FitzSimon, Bishop of Amarillo. Reverend Comiskey was formerly at Rowena where some 300 Catholic families comprised the parish. He will reside at Groom where he will teach in the school and also serve as assistant Priest there.

As a result of the new assignment Mass will be offered here every Sunday. Resumption of regularly scheduled Masses marks a new epoch in the history of the 60-year old church.

### AMERICAN LEGION AUXILIARY NOTICE

**Range Improvement Field Day Oct. 13 At Woodward**

Fred R. Merrifield, General Agent of the Farm Credit Administration of Wichita, Kan., will be principal speaker at the Fifteenth Annual Range Improvement Field Day of the USDA Southern Great Plains Field Station at Woodward and Fort Supply, Okla., on Saturday, October 13. He will discuss "Financial Problems of the Cattle Industry" following the noon-hour barbecue phase of the program.

Most of the day will be devoted to inspection tours and discussions of ten years of grazing results with beef cattle on native range and reseeded pastures. The many management practices under investigation will be evaluated in terms of net profits obtained during the decade of study. These economic appraisals have been made thru the cooperation of specialists in the Oklahoma A&M College's Department of Agricultural Economics and the USDA Bureau of Agricultural Economics.

The economic theme of the meeting will be emphasized in the principal address by Merri-

**Tagged Ducks Help Scientists Determine Vital Facts About The Birds' Habits**

AUSTIN—During the last four winters about six hundred pintail ducks have been banded in the Rockport area, according to an article in "Texas Game & Fish," official publication of the Texas Game, Fish & Oyster Commission.

And data already compiled on the basis of returns made by hunters, who shot some of the tagged birds, has helped scientists to determine vital facts about the birds' habits.

These studies indicate nesting routine, the flyways used in moving from north to south, average ages and whether hunters are harvesting the young produced each year or the breed-

ing stock.

Of the pintails banded at Rockport, 26 band returns have been received. Ten were killed within two miles or less of the original banding site; eight additional were killed elsewhere in Texas, three in Nebraska, two in California, and one each in Alaska, North Dakota and Oklahoma.

"Thus," states the article, "we find about 38 per cent had returned to the same wintering site as occupied the year before. From a study of the additional band returns, we find that nearly all were traveling toward the Texas coast.

"An exception to this statement would be in those birds killed in Alaska, Nebraska and North Dakota. The two pintails killed in California fit into a recently developed theory of pintail migrations from their nesting grounds in the north central United States, and Alberta, Saskatchewan and Manitoba, Canada, southward into Montana and North Dakota, westward into California, south into Mexico, crossing to the Gulf coast, and northward again up the Central and Mississippi flyways. It is anticipated that additional bands from local pintails will be returned from California."

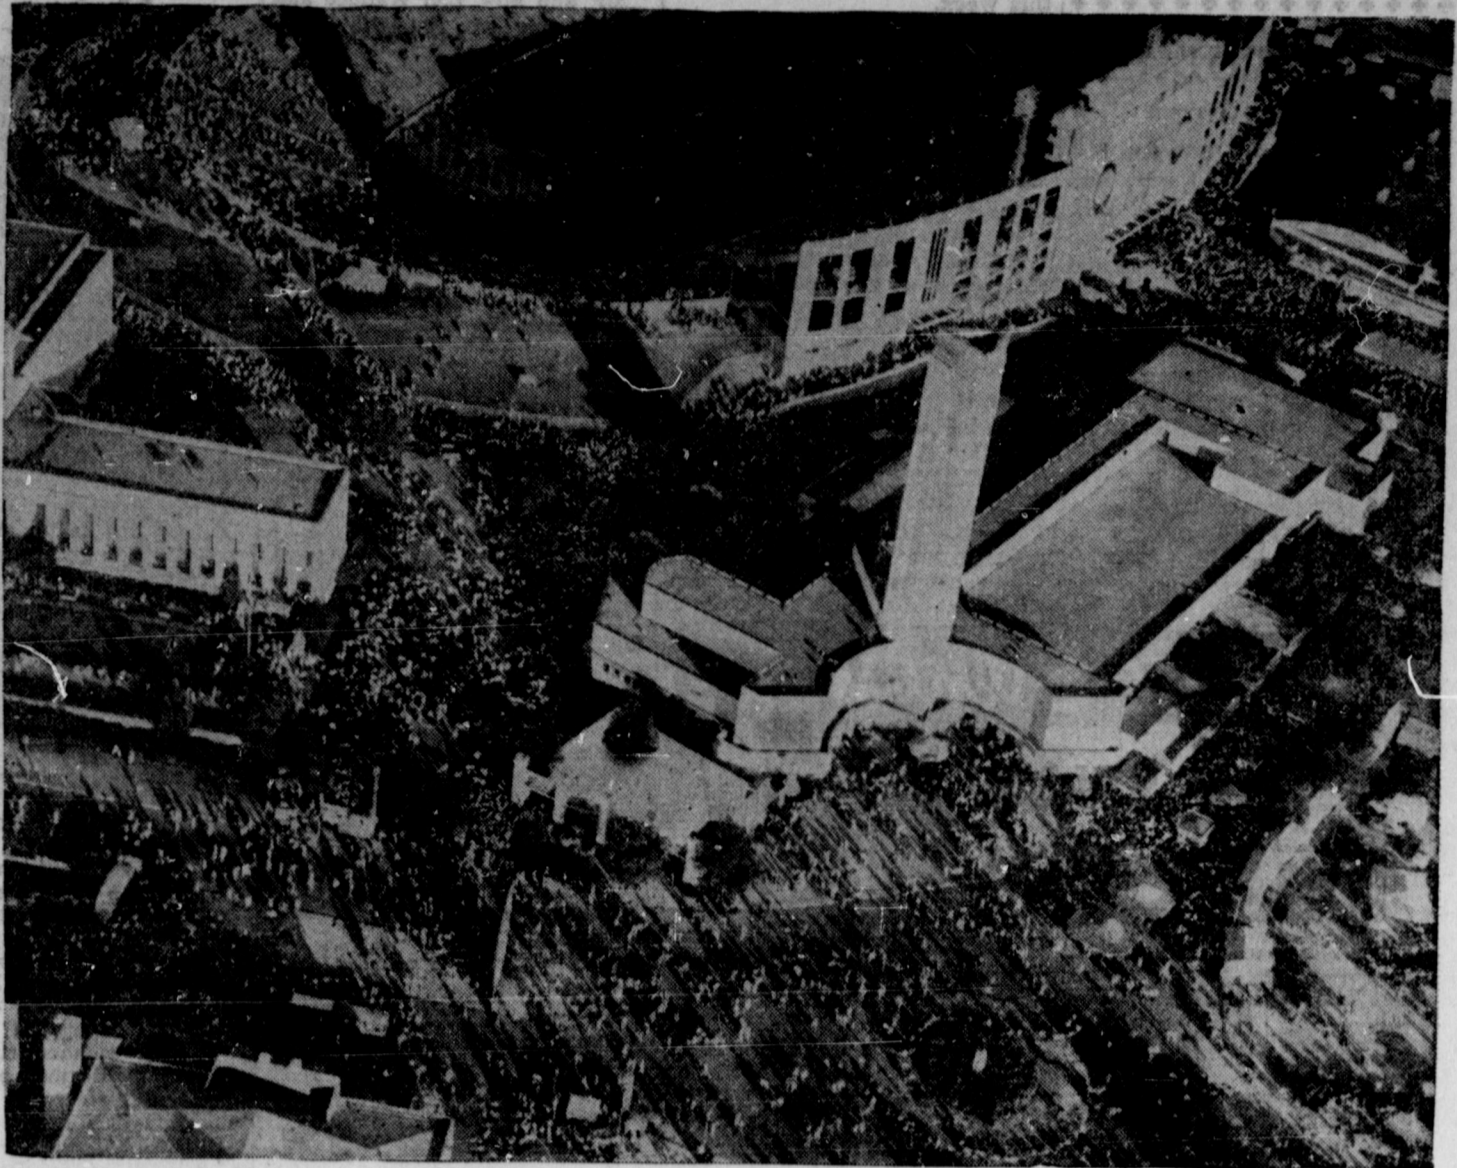

**Health Notes**

AUSTIN—"It has been well said that procrastination not only is the thief of time, but frequently the thief of health and life," Dr. Geo. W. Cox, State Health Officer, said today. "Indeed, medical records in physicians' offices and hospitals prove that many persons die because they do not receive early diagnosis and prompt treatment for their condition. An outstanding example of this fact is the great number of deaths from tuberculosis that could have been prevented.

"Tuberculosis is a powerful enemy, no matter what its stage, but the fact remains that early discovery and adequate treatment offer the best opportunity for cure. If the patient upon being told that he has tuberculosis cooperates fully with the strict regimen and discipline outlined for him, the disease can usually be overcome."

Dr. Cox said that in line with some of the other major killers, tuberculosis is insidious in its approach. Acute pain and discomfort are absent usually, and the symptoms are so comparatively mild that the patient is thrown off guard and considers them of little importance. Herein lies the real slaying ability of tuberculosis.

"The symptoms which, singly

**TEXAS CROWD A'MIGHTY**

To an eagle flying overhead, this is the way the crowds at the State Fair of Texas might have looked on opening day. The photograph shows only a small segment of the 187-acre, \$35,000,000 fairgrounds, of course. More than two million three hundred thousand people are expected to visit the fair this year. It's the world's biggest and best state fair.

or in combination, demand an immediate checkup by the doctor are easy tiring, a persistent cough and continued loss of weight.

"While it is true that any of these symptoms can be present without the patient having tuberculosis, this is no reason to imagine that such is the case. Therefore, if one is suffering from any of these manifestations, the only sensible and safe thing to do is seek the advice of the family physician at once," Dr. Cox warned. "If such a course is pursued, and the condition turns out to be not serious, nothing has been lost. On the other hand, if tuberculosis is discovered, the patient by doing the wisest possible thing has probably saved

his life."

**Baptist General Convention of Texas October 23-25th**

DALLAS—Thousands of Texas Baptists will gather in Houston October 23-25 for the 66th annual session of the Baptist General Convention of Texas.

"Christ for the World Now!" is the theme of the convention, which will be held in the Sam Houston Coliseum. William Fleming, Fort Worth oilman, is the layman-president of the convention. Speaker for the opening night

of the meeting, Tuesday, October 23, is Dr. Duke K. McCall, Louisville, Kentucky. Dr. McCall, former executive secretary of the Southern Baptist Convention, recently accepted the position as president of the Southern Baptist Seminary, Louisville.

Other prominent Baptist leaders included on the program are Dr. Courts Redford, assistant executive secretary of the Southern Baptist Home Mission Board, Atlanta, Ga.; Dr. J. Howard Williams, Dallas, Texas Baptist executive secretary; Dr. J. D. Grey, New Orleans, president of the Southern Baptist Convention; and Billy Graham, probably the outstanding evangelist of this generation.

Graham will be speaking for the second time at an annual meeting of the Baptist convention. In 1950, he spoke to fourteen thousand Baptists in the Will Rogers Coliseum in Fort Worth.

Meetings of the state Woman's Missionary Union and men's Brotherhood conventions will precede the General Convention on Monday and Tuesday, October 22 and 23. Mrs. R. L. Mathis and F. Ivy Boggs, both of Dallas, are the state presidents of the women's and men's organizations.

Mr. and Mrs. Gene Tyler of Amarillo and Mrs. Florine Olsteen of Claude visited Sunday afternoon in the home of Mrs. E. W. Tyler.

### Prize Texas 'Chicks'

ON THE LEFT, a Texas Blonde; on the right, a Texas Cross broiler. The first is weighing the second which has been raised on antibiotic-supplemented feed. Using 45,000 of this type chicken (developed by crossing New Hampshires and Leghorns) Youngblood's Farm of Waco recently completed a test on the "big four" wonder drug antibiotics to discover the most efficient poultry feed supplement. Winner was Bi-Con TM-5, containing the wide-range antibiotic terramycin. The terramycin feed produced broilers for 15.06 cents a pound, while the three other feed supplements ran costs per live pound up to 16.23, 16.59 and 16.84 cents each. Youngblood's raises 3 million chickens yearly. Its plants include breeding farm, hatchery, broiler plants, processing plant, feed mill, seven modern cafes plus a wholesale sales force.

## Here's why Fordomatic puts them all in the past

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving... and here's why you get it only in Ford Cars:

All the power you need when you need it!  
Some automatics have this

The automatic drive some cars offer you is a torque converter which multiplies torque without the use of gears. Its advantage is a smooth flow of power. Its disadvantage is a smaller range of torque multiplication which requires more power from the engine and an uneconomical axle ratio which increases costs.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

It gives you instant...  
It practically drives...  
But Fordomatic has both

Yes, Fordomatic torque converter plus a gears. It brings you advantages of both drive systems. Unlike cars with only a torque converter (which starts all in one drive gear), Fordomatic starts fast and an Intermediate Gear in itself into Drive Gear.

HELICOPTER SERVES UNLIMITED MISSIONS IN COMBAT IN KOREA

Prior to the Korean operations, the helicopter was generally considered an oddity, an infant among the battle-tested fighters, bombers and transport planes. During the interim period following World War II, it was used chiefly for air-sea rescues, reconnaissance and mapping, a limited means of transporting personnel and equipment, crop dusting and various military operational experiments. With the outbreak of the Korean aggression, the helicopter loomed to the fore as one of the most versatile planes in combat.

Because of its maneuverability in remote and inaccessible areas it has been used extensively in the evacuation of casualties and rescue of isolated troops as well as the recovery of critical equipment. Thousands of fighting men owe their lives to this type of evacuation. Specially designed equipment produced in limited quantities and vital to the United Nations operations have been retrieved and returned to our forces. Safe shipment of highly essential equipment and supplies is most generally assured. Its unique size and the low altitude at which it flies makes it a difficult target for the enemy and a very effective forward observer and artillery spotter for ground troops. Field commanders are using it extensively for closer liaison with their tactical positions and troops. The armed services are anticipating many more uses for the aerial curiosity with additional field tests and certain modifications.

Mr. and Mrs. John Hansard and girls spent Sunday with Mr. and Mrs. J. E. White and children.

Lt. Don Cain of Dallas visited in Clarendon a few hours Tuesday. Lt. Cain was a class mate of J. E. Thompson's in Texas University law school. He is a War II veteran and has recently returned from 24 months service in the Korean war, with the Navy over there. He was enroute to Pampa where he will be associated with the Rogers-Thompson law firm.

Added Attractions At Prison Rodeo Opener Sunday, October 7

HUNTSVILLE — Texas' No. 1 Citizen, Governor Allan Shivers, will be guest of honor at the opening performance of the 20th Annual Prison Rodeo. In his honor Sunday, October 7, has been designated as Governor's Day at the show.

Added attractions for the 1951 show are many and heading the list is the nation's top balladeer, Eddy Arnold. The Tennessee Plowboy, America's No. 1 singer of folk songs will be accompanied by steel guitarist, Roy Wiggins, and make his appearance on Governor's Day only.

Other top musical stars of radio are scheduled for the remaining three Sundays of the famous convict rodeo. Guy Willis and his Oklahoma Wranglers will play at the second show, October 14th. Curly Fox, America's Champion Old-Time Fiddler, and Miss Texas Ruby are billed for the third and fourth shows, October 21st and 28th.

Of course, the toughest riders from behind the "Walls" will pit their skills against the roughest, wildest livestock that ever roamed the prison system's vast river-bottom ranges.

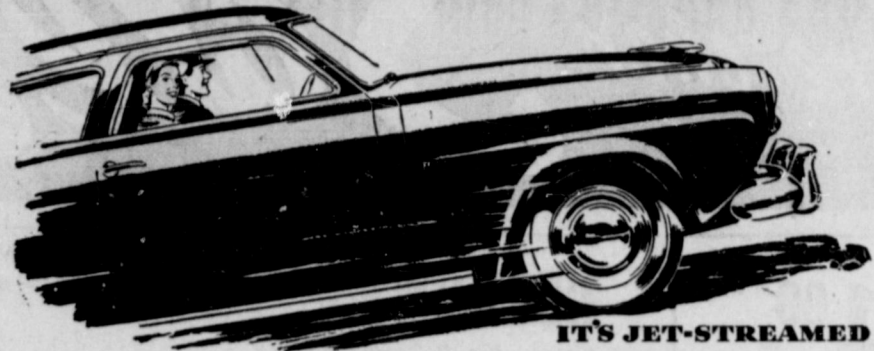

Between convict riding events, Miss Huguette, famous French equestrienne, will put her famous dancing horse, Glamour Doc, through his paces. There will be trick riding, calf roping and other specialty acts.

From the time the gates swing open on the suicidal Mad Scramble, the opening event, 'til the end of the riotous Chariot Race, that close the show, there's never a dull moment. It's two hours packed with thrills no other rodeo can equal. So make your plans to attend the show now.

Send your check or money order by mail or wire to L. J. Craig, Prison Ticket Office, Huntsville for your reservations. They're \$2.40 each, tax included.

Mr. and Mrs. T. W. McMasters and daughter Mollie Jo of Porterville, Calif. were guests Friday night in the home of Mr. and Mrs. Grady Tyler.

J. Sibley and the hostess Nola Hill. The next meeting will be with Sallie Christie, Oct. 18. —Reporter.

## ENTERTAIN WITH CANASTA

Mr. and Mrs. Ed Mahaffey of near Ashtola entertained his mother, Mrs. Della Mahaffey, and a number of her friends Tuesday with "canasta" games and a real feast at the noon hour.

Those present were Misses Tom Corder, Crabtree, Lela Griggs, Edith Longan, J. C. Estlack, Harley Longan and her sons Ronnie and Phillip.

Mrs. Mahaffey expects to return soon to her home in Downing, Calif.

## CLUB BOARD

The Patching Club House Board met Monday afternoon at 3 o'clock at the Club House. Mrs. W. J. Lewis, Jr., president, presided. Problems pertaining to the Club House and improvements to be made were discussed.

Those present were Mesdames W. J. Lewis, Jr., J. G. Stewart, M. C. Rampy, W. J. Williams, R. A. Williams, T. G. Wiley, Roy Blackman, Frank Phelan, Jr., and Lloyd Benson.

Mr. and Mrs. Denton Moore of Shamrock visited in the Leck Goldston home over the weekend.

## PINK AND BLUE SHOWER

Mrs. Grady Tyler was honored with a stork shower Saturday afternoon, October 6, in the home of Mrs. Ed Speed. Hostesses were Mesdames Ed Speed, Bob Head, and Troy Guy. Many lovely gifts were received by the honoree. Delicious refreshments of pink ice cream and blue cake were served to approximately 17 guests.

## FAMILY NIGHT

Family night was observed Wednesday night, Oct. 4, at the Presbyterian Church with a buffet supper. Members of the church gathered at the church at 7 P. M., bringing their covered dish.

Mrs. J. G. Stewart, chairman of Christian Education, gave an outline of the work within the Church, calling upon the individual teachers, who gave their plan of study for the next 3 month period. Dr. Cowan gave a short talk on "Christian Education, within the Family." The program was well attended.

## FARM NEWS

From the County PMA Committee

### PMA COMMITTEE ELECTIONS ANNOUNCED

PMA farmer-committee elections will be held in Texas during November 1 to November 23, B. F. Vance, Chairman of the State PMA Committee, announced. These elections will be held in each of the 1468 designated agricultural communities in the State.

In each community, a PMA community committee, consisting of three regular members and two alternates, and a delegate to a county convention will be elected. At a succeeding county convention the delegates will elect a county committee, consisting of a chairman, vice-chairman, member and two alternates. County conventions must be held by November 29. Newly elected committeemen will take office December 1, 1951.

The committeemen elected at this time will administer the 1952 Production and Marketing Administration programs in their respective counties and communities. These PMA programs include the agricultural conservation program, price support operations, and the sugar program. Currently PMA committees also have many responsibilities in connection with defense activities, and with field operations of the Federal Crop Insurance Corporation.

Any farmer who is participating in any of these programs is eligible to vote in the election held in his community. Places and dates of elections in each community will be announced by the county PMA committee later.

### USEFULNESS OF COVER CROPS EXPANDING

Cover crops are becoming important in an ever-expanding area.

For a long time, cover crops have been grown in parts of the South where the soil freezes little in the winter time. Their tenacious roots hold the soil from being washed away by the heavy rains. When the cover crop had done that job, it was turned under to make way for a row crop. Now they have expanded into the North where the soil freezes hard in the winter.

Even though Northern soil freezes in the winter it washes away in the spring. For this reason continuously cultivated soils have lost much of their organic matter and nitrogen. Cover crops are now coming in to help hold such soil in place, build up the organic matter, improve the structure and increase the nitrogen. Hairy Vetch and rye have made the best showing.

Cover crops also are important because they lengthen the grazing season. In the South, where the winter isn't severe, cover crops have stretched out the grazing season to 12 months. As far North as New Jersey the pasture season is lengthened from 5 to 7 weeks in the fall and 2 to 3 weeks in the spring, a total of 7 to 10 weeks added grazing.

American farmers and ranchers have been able to produce great quantities of food and fiber by hard work and individual thrift. Thrift has provided the capital to help agriculture expand. Prepare for future expansion now. Invest part of your income in the safest investment in the world. BUY U. S. DEFENSE BONDS.

Mrs. G. W. Bradshaw and children visited the week end with relatives at Hereford.

## Meeting To Explain New Building Orders

All area builders, including general contractors, electrical, heating, plumbing contractors, owners, building suppliers, city and county officials, including schools, or others interested in construction whether it be a residence or public or private building, are urged by the Lubbock USDC-NPA Office and Clarendon Chamber of Commerce to attend a meeting at the City Hall in Clarendon, Oct. 11 at 2:30 p. m.

G. S. King, Industrial Analyst in the District Office of the National Production Authority from Lubbock will be on hand to explain the new orders. The entire construction industry was brought under the controlled material plan October 1, 1951. The order does apply to both public and private construction.

At the meeting such questions will be discussed as what building may be commenced now, may a building now under construction continue with such construction, what construction requires authorization from NPA, quantities of controlled materials that may be used in construction and many other questions relating to the new construction order.

Specific questions will be answered in an open session at the close of the meeting.

The meeting will be open to any and all interested persons from this area.

## RESIGNS JOB AT SCS OFFICE

Jackie Phelps, an employee of the Soil Conservation Service the last 4½ years, resigned this week, according to Carman Rhode in charge of the local office. Changes in administrative procedures of the Soil Conservation Service to increase efficiency of operations resulted in the movement of her duties to the Pampa Work Group Office. Mrs. Phelps elected to resign rather than to be transferred to Pampa.

"Mrs. Phelps has been a capable and efficient employee and it is with regret we lose her from the Soil Conservation Service", Rhode stated.

## GIRL SCOUTS ATTEND STATE FAIR

The troop of Girl Scouts under the leadership of Mrs. Harold Longan and Mrs. Roy Crutchfield attended the State Fair in Dallas the week end. They left by train Friday night returning to Clarendon Sunday morning. Those making the trip were the leaders and Joyce Crutchfield, Paula Skelton, Margaret Cushing, Carolyn Thomas, Shirley Clifton, Wanda Lewis, Marianne Longan, Mary Francis McCully, Marion Martin and Harlene Smith. Jackie Estlack joined the group in Dallas for Saturday morning. All report a most enjoyable time and are looking forward to another such trip.

## NAMED DEPUTY GRAND CHANCELLOR

Allen Harp, 100 Judicial District Attorney, has been named deputy grand chancellor for the Knights of Pythias in 21st district. The announcement of the appointment was made recently by Grand Chancellor James Palasota of the Grand Lodge of Texas.

## ABSENTEEISM STILL HIGH

The absentee count in the local schools is still high and school officials are still hoping for a change for a smaller number. The total absentee days recorded last week for all grades was 114½. The cost to the school was \$103.65. The two lower grade schools recorded 60 days and the senior high had 54½ days.

## ACCEPTED FOR OCS

Jimmy Howze, son of Mr. and Mrs. J. H. Howze, has received notice that he has been accepted for Officers Candidate School following basic training with the Fifth Armored Division at Camp Chaffee, Arkansas. He graduated from Austin College in Sherman in the spring and has been making his home in Clarendon since that time.

Mr. and Mrs. A. H. Moore, Mr. and Mrs. James Moore, Mr. and Mrs. Bud Moore, Mr. and Mrs. Bob McCoy of San Francisco, Calif., Mr. and Mrs. Doyle Walls of Floydada met at Long Champs in Amarillo Wednesday evening for dinner. The occasion honored Mr. and Mrs. Doyle Walls on their 3rd wedding anniversary.

Mr. and Mrs. Kenneth Bell and girls of Borger visited relatives here the week end.

## COUNTY AND AREA SUPERINTENDENTS IN NATIONAL MEETING

The National County Superintendents and Area Superintendents meeting was held in Dallas beginning Sept. 29 and continuing thru October 3rd. There were 660 county Superintendents from over the United States registered representing 38 states.

The program was reported to be outstanding in every respect. Vesper services were held Sunday night; a rodeo Saturday night at Mesquite, Texas delighted those from the east. Monday night a Square dance provided the entertainment with a banquet on Tuesday night. Wednesday noon the States Luncheon was held. All this combined with 10 group meetings and such able speakers as Dr. McFarland, Public Relations representative for General Motors, of Topeka, Kansas, and Dr. Norman Frost, head of the Education department of Peabody College, Nashville, Tenn. completed the program.

The meeting next year will be held in New York City. Ruth Richerson, Donley County School Superintendent and Mary Foreman of Memphis attended from this area. They returned home Thursday.

## ATTEND STATE FAIR

A number of F.H.A. girls and their sponsor, Loyd Richerson, attended the State Fair in Dallas the week end leaving by train Friday night. Girls making the trip were Willetta Riney, Evelyn Wood, Shirley Martin, LaVelle Hodge, Kay Schollenbarger and Genella Mooring. Three F.F.A. boys also made the trip, Bill Noblet, Ronnie Martin and Charles Roberts.

## NOW IN JAPAN

Mrs. T. A. Sullivan recently received a telegram from her son, Pvt. William T. Sullivan, stating that he had arrived in Tokyo Sept. 19th. Sullivan entered the service in April of this year and is with the 85th Infantry division.

Mr. and Mrs. Bob McCoy of San Francisco, Calif. are visiting her parents, Mr. and Mrs. A. H. Moore. They arrived Sunday for their first visit home in 6 years. Mr. McCoy is a practicing attorney-at-law in San Francisco. Other Sunday guests in the Moore home included Mr. and Mrs. Doyle Walls and Brenda from Floydada; Mr. and Mrs. Bud Moore and Terry and Mr. and Mrs. James Moore and Danny.

Mrs. A. H. Moore, Don and Jack and Mr. and Mrs. Bob McCoy of San Francisco, Calif. were Amarillo visitors Tuesday.

Mrs. L. R. Dean of Amarillo visited friends and attended to business here the first of the week.

Mr. and Mrs. W. C. Smith of Bay City visited last week with his sister, Mrs. Buster Emmons and family.

Mr. and Mrs. W. C. Larimer and Mrs. Dick Allen visited in Amarillo Saturday.

## and SOCIAL SECURITY

Students who have given up summer jobs to return to school should put their social security account number cards in a safe place until they are again needed. That is the advice of John R. Sanderson, manager of the Amarillo social security office.

The card and number used this year, for perhaps the first time, will be the same one used for the balance of the individual's working life.

Next summer, or, during the Christmas holidays, the student asking for a job will again be requested to show his social security number. Many employers will not hire a person unless he has his social security card with him.

A lost or misplaced account number card may mean delay in going to work and could mean the loss of a job opportunity. The Amarillo office can replace lost cards, but it takes time. The account number card should be safeguarded and shown to each new employer on the day the employee starts work. Correct benefit payments at retirement age or at death depend entirely on correct reporting of the name, account number and wages by every employer.

Mildred Long of Amarillo was a week end guest in the home of Mr. and Mrs. Mike McCully and family.

Mr. and Mrs. L. N. Pittman and children of Amarillo were week end guests in the home of his parents, Mr. and Mrs. M. L. Pittman.

Mr. and Mrs. Lloyd Risley announce the arrival of a son at Goodall Hospital in Memphis, October 4th. The young man, named James Kevin, weighed 7 lbs.

**Gabie Betts Burton Library Notes**  
By May L. Prewitt

The New York Herald Tribune carries a review of "The President's Lady" by Irving Stone. It is reviewed by Mary Ross, and although it is very appealing, we have "Home To The Hermitage" by Leland Crabb. It is quite well written, and we can't afford this other copy just now.

John P. Marquand has a new novel "Melville Goodwin, U.S.A." He has a character in this novel who is a secondary to the title holder, but has been familiar in some of his other books. James Hilton reviews "Melville Goodwin, U.S.A." in the Herald Tribune. We will not likely purchase this for awhile. James Hilton's "Morning Journey" is abridged in a recent Omnibook which we possess.

"The Country Gentleman" has

a pleasing article by F. F. Rockwell—"Bulbs That Bring An Early Spring." The suggestions could be used very effectively, and the bulbs are for sale in most catalogues.

For the romance readers we offer "The Story of Andrea Fields, Woman & Doctor" by Elizabeth Seifert, and for those who enjoy an "inner sanctum mystery" we possess the "Edge of Panic" by Henry Kane. We can use your Library fee, so come read with us.

Faye Hearne of Ft. Worth visited last week with her sister, Mrs. Clyde Butler. They visited friends and relatives in Claude, Amarillo, and Borger thru the week.

**CAKE SALE**  
Mrs. Blevins' Third Grade will sponsor a Cake Sale at the Clarendon Electric beginning at 10 A. M. Saturday morning. You are invited to come by and select a cake for the week end.

**Rebekah Lodge In Weekly Meeting**

The Clarendon Rebekah Lodge held their weekly meeting Oct. 2nd with 28 members present. There is an attendance contest on and all members are urged to attend each meeting.

After Lodge adjourned, husbands and guests were entertained by a "height measuring" game. Those in attendance paid one cent per inch of height.

Delicious pie 'a la mode' and coffee were served to: Messrs. and Mesdames Mac Spurgeon, Truett Behrens, Steve Donald, Curtis Mears, Bert DeBord, Bob Hill, Spivey, Shorty Flowers, W. McBrayer, Seth Edens, F. A. Fitzgerald, Mrs. Abbye Warner, Helen Jo Land, Helen Martin, Jessie Faye Thompson, Lucille Swinney, Doris Maxey, Jo Veta Heatherly, Mrs. W. H. Moore, Willie Kay Wade, Frances McCord, Beanie Crabtree, Rowina Parker, Jo Briggs, Chloe Smith, Ola Bradshaw, Billie Beard and Keith Bain.

Hostesses for the evening were Ophelia Edens, Florene Hill and Gladys Eddings.

An enjoyable evening was reported by everyone.

Mr. and Mrs. Buster Campbell and family have moved to Claude to make their home. They visited last week in the home of Mrs. E. W. Tyler while moving from Fairplay, Colo.

Mrs. Lloyd Benson, Janice and Bernie were Amarillo visitors Saturday.

**MONTGOMERYS ENJOY VISITING**

Mr. and Mrs. W. M. Montgomery, pioneer residents of Clarendon, enjoyed one of "the happiest days of their lives" Sunday when their children, grandchildren and two nieces gathered at their home in Clarendon. To Mr. Montgomery's surprise, he found the children and grandchildren had come to help celebrate his 79th birthday. The nieces did not know of the birthday but their presence added to the enjoyment of the day. A lovely dinner was prepared and served at the noon hour by the children.

Mr. and Mrs. S. F. Kelling of Ft. Worth and Mr. and Mrs. A. C. Chenault of Weatherford, the ladies being nieces of Mrs. Montgomery, were here for their first visit in several years. Others present included the four children and their families, Mr. and Mrs. Paul Montgomery and family of Memphis, Mr. and Mrs. Bill Montgomery and children of Leslie, Mr. and Mrs. Joe Montgomery and family of Leslie, Mrs.

Edna Smith and children of Amarillo, and Mrs. Vera Smith and Lester of Clarendon.

Visiting and reminiscing was the program of the day.

**DR. COWAN TO AUSTIN**

Dr. Robert L. Cowan, pastor of the Presbyterian Church, left Monday morning for Austin where he will attend the Presbyterian Synod. This meeting commemorates the One Hundredth Anniversary of the United States Presbyterian Synod in the state of Texas.

Pfc. Dean Wadsworth arrived Monday morning to spend an 18 day furlough with his parents, Mr. and Mrs. D. F. Wadsworth. Dean is stationed at Grenier Air Base, Manchester, New Hampshire.

Mr. and Mrs. Clark and Jim T. of Pampa visited the week end in the home of Mrs. E. W. Tyler. Mr. and Mrs. Gordon Lee and James Leslie of Claude were also guests in the Tyler home Sunday.

### Donley County Soil Conservation District News

T. C. D'Spain was unanimously re-elected Supervisor of Sub-division No. 3 last week at an election held in Alanreed. About thirty people turned out for the election and a soil conservation program presented by Flip Breedlove, County Agent and Carman Rhode, Soil Conservation Service.

The best part of the entire affair, according to George Preston, was the delicious home-made donuts and coffee served by Mrs. T. C. D'Spain at the close of the program.

Supervisor D'Spain has been a member of the Board since the District began operation about 4 1/2 years ago. He will now begin serving a new five year term.

A supervisor is elected in only one of the five subdivisions in the District each year and in that manner each supervisor serves a five year term.

A Supervisor's job carries with it a lot more responsibility and is of much more importance than the average person thinks. It requires much time and thought to supervise the activities of the District program. These men serve unselfishly giving of their time and setting aside their personal interests for the good of their community. They receive the handsome salary of \$4.00 per month from the State of Texas. Every farmer and every business man in Donley County should be grateful and should support the supervisors in the work they are doing.

Improvement Field Day will be held next Saturday, October 13, by the USDA Great Plains Field Station at Woodward, Oklahoma. This should be a very interesting and worthwhile trip for a large number of ranchers and stockmen in this area. Everyone is invited to attend, according to D. A. Savage, Station Superintendent.

Some of the subjects to be discussed will be: "Ten years of grazing and feeding results with beef-cattle on native and reseeded pastures"; "Financial Problems of the Cattle Industry"; and "Progress in Rain Making".

The all-day meeting and tour of regrassing, grass breeding, brush control, and beef cattle grazing studies will start at 8:00 A. M. at the station headquarters one mile southwest of Woodward.

Anyone planning to make this trip who has room for additional passengers or who wants to ride with someone else please contact Carman Rhode at the Soil Conservation Office or call 157.

More than 110,000 persons visited Palo Duro State Park last year.

### News From The Office of Price Stabilization

Many types of businesses are required by ceiling price regulations to have certain postings prominently displayed in their buildings, Ted Gehring, Lubbock district OPS price executive, pointed out yesterday, so that their customers may know whether the firms are in compliance with government price laws.

"Those firms required to make postings but who have failed to comply are operating in violation of the Office of Price Stabilization regulations," Gehring, emphasized.

In reviewing the posting re-

quirements, district price officials pointed out that among the firms who must post ceiling prices or other statements include department stores, clothing stores, variety stores and furniture stores covered by ceiling price regulations governing the sale of consumer goods; laundries, dry cleaning establishments, cotton gins, all kinds of repair shops and other firms who retail consumer services; and service stations, garages, farm machinery repair and maintenance firms, and machine shops and welding shops.

#### Consumer Durable Postings

Firms retailing consumer durables such as wearing apparel, furniture, housewares, notions—all those covered by ceiling price regulation 7 and amendments,

are required to have a sign posted in their place of business stating the following:

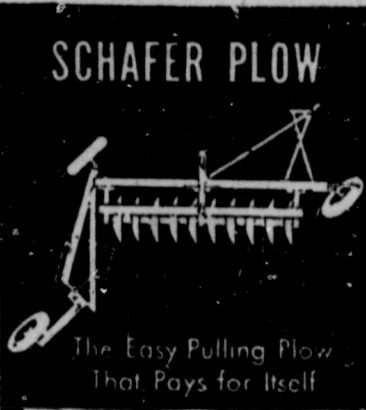

"The prices of merchandise in this store are no higher than the OPS ceiling prices of the articles." The sign is to be placed so as to be plainly visible to the store's customers.

#### Gasoline Stations Postings

Gasoline service stations probably are required to make more postings than any other type of business, price officials said. They are required to post their ceiling prices of gasoline, and all petroleum products as to grade. Their selling prices, which may be below ceiling prices, need not be posted.

The price of the gasoline as shown on the pumps does not constitute a posting as required by the regulation and may or may not be the same as the ceiling price. These postings of ceiling prices of gasoline and petroleum products are not to be filed with any OPS office.

However, price officials emphasized that service stations are required to file a list of their ceiling prices on services with the district OPS office. These ceiling prices, too, must be posted visibly at the station. Some of the services which most stations sell are washing, greasing, repairing flat tires, towing, and

### Get the LICE and Get MORE EGGS

Lice and Mites are two of your chickens' worst enemies. They keep your birds awake at night and continually trouble them during the day.

Here is an easy, labor-saving and economical method of destroying these strength sapping and profit-taking parasites.

#### Use Russell's BHC. Roost Spread.

It is a new improved product that easily gasifies from the heat of the bird's body when roosting and works up through the feathers reaching all the body lice and feather mites. Just a narrow 1/4 inch strip painted on the top of each roost pole with an oil can or brush does the job.

Russell's BHC. Roost Spread comes in 4 sizes: 8 ozs., 75c; 16 ozs., \$1.35; 32 ozs., \$2.25; gallons, \$7.20.

road calls. Gasoline stations must post their ceiling prices for anti-freeze as to type and brand, if they sell it. These ceilings must be posted on the shelf, bin or rack where the anti-freeze is displayed.

#### Service Establishments

These firms retailing services are required to post their ceiling prices in a place visible to customers. Each service should be listed. Among the firms covered are, in addition to service stations, laundries and dry cleaning establishments, automobile garages, gins, welding and machine shops, farm machinery repair shops, practically all other types of repair shops, and many other service businesses, except those specifically exempt.

If a firm uses flat rates, it was pointed out, such rates must be posted. However, if they are so numerous as to make posting cumbersome, there should be a statement in the posting that

there are some flat rates which may be found listed in an adequately described price book located on the premises and available for all to examine.

### From where I sit... by Joe Marsh

#### Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

too. At the end of the day the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.

## Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car. Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to

# BLEWIN' Out the CORNERS

New member to the Ain't Smoking Right Now Society is James Caperton of Shamrock, Texas. He has been off the weed

about the same time that I have and is having the same trouble with his last years clothes. Anyway, he says he feels like a new man, and what is more important than that? More power and Best Wishes Jimmie.

People who think they never make any mistakes should never make the mistake of losing their patience with folks who do make mistakes.

Rep. Gray has introduced a bill in the Texas Legislature forcing the liquor industry to put

warnings similar to the following on each container: "Do not indulge—alcohol is habit forming," and "Do not drink and drive, the life you take may be your own." The same would be required in all advertising. This sounds like a logical and legal step in the right direction. This should stop the lies that are told or implied in the so called "Beer Belongs" ads in many of the leading magazines. The liquor industry has followed a policy long advocated by the Soviets; make a false statement, keep on making it until a large number of people begin believing it.

Read this some place: "The time to be happy is now, and the place is here."

We are fast becoming a nation that has traded morality for legality in many ways. So much of the time we do not ask ourselves whether a thing is right or not, but rather is it legal. In other words can I get by with it in the sweet now and now. We have long ago forgotten about "The Sweet By and By." We read of the cop who sells his tip-offs for fifty dollars a throw, and we read of the presidents appointees who sell their influence for a few grand. We just shake our head and keep on in our mad scramble to take care of our self. To keep our own head far enough above the water that if there are any drownings we want to be sure it won't be us. We need to: Wait A Minute, Watch Till Election Year, and Wake Up For All Time To Come.

Brother Ellis points out this thought provoking stickler in answer to my statement that we were just passing on our debts to our grandchildren and that our economy will blow up some day if we don't slow down. Anyway, he points out that when we collapsed in the early thirties and the small banks closed and most of us were foreclosed upon that the money was all owed to the Wall Street bankers, mostly anyway. When they called it in, we the people went out. Now the people of this government owe hundreds of dollars apiece; this money is represented by government bonds and he asks this question: "Who owns most of these bonds?" Would the answer be the same Wall Street Bankers? If so, don't We The People owe the same folks that we were in debt to then? This sounds like a good question and won't some good economist please answer it for us. The only difference is that we are on each others note or bond.

In driving into Amarillo from the east we are almost made to wonder if we are entering the town that beer and honky-tonks made famous. I don't remember entering another town anywhere with as many such joints so conspicuous along the highways. I never pass one of them but that I remember two so-called substantial citizens who a few years ago placed their names to page ads in the papers asking folks to vote wet for the sake of good government and a few measly taxes. Each time I read of a drunken driver in a car wreck I remember these ads. I don't think anything ever hit me over the head like those ads. Maybe I am a bit old-fashioned about right and wrong, but I can't help it.

## Mike McCully Named U.S.O. Chairman For Donley County

Mike M. McCully, of Clarendon, today was named Donley County Chairman for the forthcoming fund appeal in Texas for the U.S.O.

Appointment of Mr. McCully to head the Donley County appeal was announced by Ben H. Wooten of Dallas, Campaign Chairman of the Texas-United Defense Fund Committee and R. G. Hughes, District 4 Chairman of the U.S.O. fund campaign.

In accepting the appointment as County Chairman, Mr. McCully pointed out that Donley County has a total of 139 boys and girls serving in the armed forces, and that more young people will be called up from time

to time as our defense program expands. "One of our most important civic, patriotic and personal responsibilities is to these young people in uniform," Mr. McCully said. "Through the U.S.O. we have a means by which we can assist in keeping up the morale of these young men and women who are giving up so much to protect our freedom." "Let's make certain that the fund appeal for \$480 in Donley County is a success."

Geo. B. Bagby will leave Saturday for Dallas to attend the State Fair of Texas and to see the Ice Cycles of 1952 and the stage production of Guys and Dolls.
