Last chance to win \$500 is Thursday

The big money is still up for grabs as the Clarendon Merchants Association enters its third and final week of Late Night Shopping this Thursday night.

The \$500 jackpot went unclaimed last week, and this week the merchants have sweetened the deal even more. The minimum amount on Santa's Wheel is now \$100.

Three lucky people did win a total of \$200 last week, however. Jim Blackerby and Ethelyn Grady won \$50 each, and Jason Carr landed on a \$100 slot.

Winning money is just part of the fun to be had on Kearney Street during the merchants' 7th annual Festival of Lights and Late Night Shopping. Downtown business will be open until 8 p.m. again this Thursday for your shopping convenience.

Santa Claus himself will be there to meet the kids and hear their requests. Also, free wagon rides will be available for kids of all ages.

Chamberlain Motor Co. will continue their drive for Toys for Tots and will have their toy box set up next to the Burton Library. Everyone is encouraged to bring a new toy and drop it in the box. All the toys collected will go to children in Donley County. The Clarendon Lions Club is co-sponsoring the toy drive.

The Clarendon Chamber of Commerce will have their booth set up on main street and will have their commemorative Christmas ornaments on sale. During Late Night Shopping the price will be reduced to \$15 if the ornaments are purchased at the chamber booth.

Also, the chamber will be selling chances on an autographed Dallas Cowboy football. Chances are only \$5 on this football signed by Troy Aikman, Roger Staubach, Jay Novacek, Randy White, and Drew Pearson.

The chamber will also be accepting nominations from the community for Man of the Year, Woman of the Year, and the Saints' Roost Award.

Everyone is encouraged to participate in the holiday festivities this Thursday night.

CC breaks ground for new Pampa campus

Dr. R.M. Hampton, who donated the land for the new Clarendon College Pampa Center campus, and CC Board of Regents Chairman R.L. Gilkey dig in during the groundbreaking ceremony last week.

Dreams are coming true for Clarendon College and the people of Pampa.

Ground was broken last Friday for a 28,000 square foot building that will be the home of CC's satellite campus in Pampa.

Since the Clarendon College Pampa Center opened 20 years ago, classes have been held in a dilapidated elementary school building, which did not give the school a good image and was not an environment conducive for educating students. Those days are coming to an end.

As the result of the hard work of the Pampa Center Foundation board and with the support of the Board of Regents, the new campus will be something of which the college, alumni, students, and Pampa as well as Clarendon can be proud.

Dr. R.M. Hampton donated 12 acres on Kentucky Street on the west side of town for the new campus.

During the groundbreaking ceremony, an emotional Don Lane, Pampa Center Foundation board chairman, told

the assembled crowd of about 150 that it was a very happy day. He also said the foundation board should serve as a role model to other boards who strive to get things done.

Pampa Center Dean Joe Kyle Reeve praised the work of the foundation and thanked the Pampa Center's supporters and the CC Board of Regents for believing in a vision.

The new complex will house 14 classrooms, two science labs, and an electronics lab and will be equipped to provide long distance learning. Provisions have been made for future expansion on the 12-acre site.

Pampa Center Foundation board members reached their final goal in October. Bids will be submitted in December, and plans are to begin construction after the first of the year, according to Don Lane, Foundation chairman.

Supporters hope to have the facility finished by this time next year.

City begins park renovation

The Clarendon Board of Aldermen accepted a bid from Clay Christopher to trim and top 51 trees at the City Park when they met in regular session on December 8, 1998, at 7 p.m. in the Board Room of City Hall.

Christopher was the low bid for the pruning job that Alderman Mac Stavenhagen says is just the first step in a general renovation of the park.

"We're going to get it looking nice like it used to years ago," he said.

Stavenhagen said the city is hoping to clean up the park, repair the rock wall that surrounds it, repair the sidewalk, and add a sprinkler system.

The money for this project will come out of the proceeds from the sale

of the Patching Club House.

"I think we're making some real progress," Stavenhagen said. "For years we didn't have any money, and now we finally have something to work with."

Also at the city meeting, Tommy Holcomb and Clyde Harper from the Texas Dept. of Transportation spoke to the board about the speed zone changes taking place and asked the aldermen to approve the ordinances.

The aldermen approved the speed zones coming into town but excluded the speed zones on US 287 between SH 70S and SH 70N, asking the state to look at those zones again.

Jim Roberts reported on work being done in the sanitation and recycling departments. He requested that a letter be written to families needing to remove belongings in a building owned by the city so the building can be torn down.

The board approved a resolution for the authorizing the transfer of contract to HOWCO for grant management service.

In other city business, the board accepted an offer of \$6,000 for the old trash truck and voted in favor of placing a holiday ad in *The Clarendon Enterprise*.

Clarendon bands participate in competitions and concerts

The Bronco Band and the Colt Band took a group of fifty-seven students to All-Region Band tryouts in the past two weeks. Of those fifty-seven students, thirteen high school, and twenty junior high students made their respective bands. They also had four students make alternate for the middle school band.

The students that made one of the bands will participate in the clinics and concerts on January 15 and 16 in Canyon. The final concerts will be Saturday afternoon, January 16, at Northern Hall on the campus of WTAMU. Admission is \$2.00, which goes toward scholarships.

The following students made the high school All-Region Band: Amber Carson, Candice Hall, Amanda Irving, Megan Roberts, Greg Wootten, Nickless Devin, Colt Floyd, Derek Gourdier, Dendra Stevens, G.J. Martindale, Angela Papa, Bryan Turvaille, and Kirsten Bertrand.

The High School All-Region Band consists of A, AA, and AAA students from the entire region. The top students in each section are selected to go on and compete at the Area try-

outs in Sundown, Texas, on January 9. The Bronco Band had three students qualify for this competition. They are Megan Roberts, Amanda Irving, and Angela Papa.

The following Clarendon students made the Middle School All-Region Band: Valerie Scryner, Chrissy Martin, Adam Hix, Justin Johnson, Christine Holden, Cameron Word, Chuck Robertson, Ashlee Kidd, Judge Smith, Jordan Zehr, Brandi Martindale, Brittney Hall, Taylor Shelton, Kevin Green, James Williams, Jacob Mondragon, Michael Newhouse, and Lydia Hartman. This band is made up of students from middle schools that feed AA high schools. Kensy Morrow, Drew Sell, Emily Sparks, and Kelsey McQuien were selected as alternates for the middle school band.

The public is invited to see and hear all of the band students at the Christmas Concert on December 17 at 7:00 p.m. The program, which is in the Colt Gym, will consist of seasonal music from grades six through high school.

Howardwick aldermen hold regular, special meetings

The Howardwick Board of Aldermen met in regular session on Tuesday, December 8, 1998, at 7 p.m. in Howardwick City Hall.

Millie Dishong gave an update on the solid waste grant. She said she had received the purchase order for the metal roll-off and that construction of the fence would begin in January.

The fence will cost \$3,613.24 less than the bid because the gates will be placed at an angle. The budget approval for the dirt work and the cement slab have been placed on the agenda of the PRPC.

Alderman Dean Arnold reported on complaints he has received about junk vehicles parked on streets or private property must be currently licensed or be removed within thirty days of a complaint.

Al Burleson appeared before the

board to question why the fire department did not respond to a fire. The board responded that it being a holiday weekend and with the volunteers out of town at work, there was no one to respond to the fire.

In other city business, the 1997-1998 audit was accepted, Dianna Knight was accepted finance officer under the Investment Act of 1995, and the possibility of purchasing a refurbished copy machine was discussed.

The Howardwick Board of Aldermen met in a special meeting on Friday, December 11, 1998, at 10 a.m. in Howardwick City Hall.

A resolution was adopted authorizing transfer of contract for grant management services in conjunction with its Texas Community Development Program to Howco.

Santa Claus came to town last Thursday to hear local children's holiday wishes. Sharing their Christmas lists with Santa were Brady, Brandon, and Braden Montgomery.

CISD announces holiday schedule

TxDOT holds meeting to discuss construction through Estelline, Hedley

The Texas Department of Transportation held a reconstruction meeting on Wednesday, December 9, 1998, at 1:00 p.m. in the TxDOT District Office Assembly Room in Childress. The purpose of this meeting was to discuss the upcoming project for the complete rehabilitation of US 287 beginning in Estelline at the Red River Bridge north to Mountain Creek Bridge south of Estelline for a distance of approximately three miles.

Construction efforts on the \$3.2 million project is scheduled to begin December 10, 1998, with Jordan Paving Company of Irving, Texas, being awarded the contract. The completion date will be approximately in February 2000. According to Taylor Jordan, Jordan Paving Company Superintendent, the anticipated time line will be approximately 207 working days.

This project will complete rehabilitation with work starting on the southbound lanes and finishing on the north bound lanes. The railroad overpass in Estelline will be removed and the road regraded. Curb and gutter and driveway improvements throughout the city of Estelline are also a part of this project. Special attention during this construction will be given to businesses with driveway signs marking the entrance to their business. The speed limit through Estelline will be lowered to 45 during this construction.

Also discussed at the meeting was the overlay project to widen the existing lanes and add a turning lane on 287 through Hedley. This project will start approximately in July 1999. It should improve the safety through Hedley and at the intersection of FM 203 and US 287. Advisory speed limit signs will be posted during the daylight hours of 45 miles per hour. All four lanes will be open at night.

"I look forward to working with Jordan Paving Company and the residents of Estelline and Hedley," said Danny Brown, Childress Area Engineer. "Jordan Paving Company intends to hire as much of the local labor as possible for this project. This project should be a benefit not only to the residence but also to the traveling public," Brown concluded.

For more information, please contact Danny Brown, TxDOT Childress Area Engineer at 940-937-7249 or Barbara Seal, TxDOT Public Information Officer at 940-937-7145.

Impeach Clinton for wrongdoings

This week the United States Congress will vote on four Articles of Impeachment regarding the presidency of Billy Jeff Clinton. It is a sad time in American history.

It is sad for several reasons. The first of which is that if you believe the pollsters, the American people do not care that the president broke the law. The president's approval ratings are high. And the American people reportedly like the job the president is doing.

The good news is that polls and approval ratings are irrelevant. We are not living in a democracy; therefore, what the people think (or what the liberal pollsters say they think) doesn't matter. The only time it matters what the American people think is every two years when they go to the voting booths.

This year Americans re-affirmed the Republican majority in Congress. Since the people did not turn out in droves to oust the Republicans, I think we can safely assume they don't overwhelmingly approve of the president, his actions, or his character (or lack thereof).

Another reason this episode is sad is the levels to which the president and his supporters have sunk to make the president's actions seem okay.

Without warning, Thomas Jefferson was dragged into the fray when DNA testing proved he had an affair with one of his slaves. The implication is that if Jefferson did it, it can't be that bad. Jefferson's situation, however, is not at all analogous to Clinton's. Jefferson's wife was dead at the time of the affair for one thing, and Jefferson did not abuse the powers of the presidency or attempt to obstruct justice for another thing.

In the mean time, the president, while sort of admitting he has done wrong but not admitting to anything impeachable, has taken a vacation to the Holy Land where he took the opportunity to preach about forgiveness. How convenient.

Ok, Billy. I forgive you, but you still have to be punished. Unfortunately for Clinton and the nation, the only punishment for a president that is prescribed by the Constitution is impeachment. While faithful Democrats desperately want to vote for censure of the president (because they know what he did was reprehensible and illegal), there is only one avenue of action open to the House of Representatives.

President Clinton should be impeached for his actions. Whether he should be removed from office is for the Senate to decide, but the House should and ought to punish the president and thereby insure that the occupant of the White House is not above the law.

Parents, do you know where your children are?

By State Senator Tom Haywood, District 30

Very often we hear this question and laugh without stopping to think of what it really means. Too many children today are lost and neglected - not orphans, but average, run-of-the-mill, suburban, middle class kids.

More and more children are growing up latch-key kids in front of the television. Drug use, teenage pregnancy, alcohol abuse, violence and depression are on a constant rise because of a lack of parent involvement. Lady Bird Johnson once said, "Children are our most valuable natural resource." Well, if that's the case, we must invest time in our children.

According to Michael D. Resnick, author of *Protecting Adolescents From Harm: Findings From the National Longitudinal Study on Adolescent Harm*, the single most protective factor at work in kids' lives is a strong family connection. Parents and family are central in shaping behavior, irrespective of race, ethnicity, income and structure.

Regardless of demographics, youth who are

connected to their parents, families and schools are healthier, by virtually any measure, than those who aren't, according to a study by William Blum in *Reducing the Risk: Connections That Make a Difference in the Lives of Youth*. He goes on to say that when parents are involved in their children's lives, and when young people feel loved and cared for, they're far more likely to avoid high-risk behaviors.

I endorse these ideas and agree with our Governor that our state prospers when parents, schools, and communities invest their time and energy so that kids are equipped to realize their full, rich potential. According to the Texas PTA, parental involvement is the participation of parents in every facet of the education and development of children from birth to adulthood, recognizing that parents are the primary influence in their children's lives. Parental involvement takes many forms, including parents' shared responsibilities in decisions about their children's education, health, and well-being, as well as parents' participation in organizations that reflect the community's collaborative aspira-

tions for all children.

All of us need to be more involved in our children's lives. I believe, like Governor Bush, that Texas parents want the best for their children. To this end, we need to make time for our children - talking, reading, and studying together each day. We should encourage our children to expand their boundaries and broaden their horizons through school and community involvement. Let's commit ourselves and our children to challenging standards to help our future generation reach its full potential.

As a leader in the State of Texas, I plan to continue my work for common sense solutions to our state's problems, one of which is the breakdown of the family unit and the downfall of the child because of it. By making a conscious effort to remain involved in every aspect of our children's lives, we are making an investment in the future of Texas and tapping into our most valuable natural resource. Parents, do you know where your children are? With a little help from you, they are on the road to success.

Time running out for Roth IRA conversion

By Sue Church, County FCS Agent

Most people who have Individual Retirement Accounts (IRAs) have probably heard about the new Roth IRAs. But what they may not realize is that they have only until the end of December of 1998 to decide whether to convert their old, traditional IRAs to the new Roth IRAs, says Dr. Nancy Granovsky, an economics specialist with the Texas Agricultural Extension Service.

"If the conversion is done in 1998, the taxpayer has a one-time opportunity to spread the tax consequences out over a four-year period," she explained. "The resulting taxable income will be spread out and included in income in equal parts over that period."

The Roth IRA, which took effect in January 1998, was named for its author, U.S. Senator William Roth of Delaware. Unlike a traditional IRA, the Internal Revenue Service does not tax your Roth IRA when you withdraw money from it. Instead, you pay the tax up-front, invest your money and let the earnings grow tax-free.

In general, the people who can benefit most from a Roth IRA are those who earn between

\$50,000 - \$150,000 per year. A single earner can earn as much as \$95,000 and still qualify to save up to \$2,000 per year in a Roth IRA; joint filers can earn up to \$150,000 and contribute as much as \$4,000. The Roth IRA has attracted a lot of attention because no taxes are paid when money is withdrawn from the retirement account.

You have a multitude of choices as to where to place your funds: banks, mutual fund companies, or brokerage houses, explains Granovsky. Within a bank, you might place your money in a certificate of deposit. A mutual fund company may offer many fund choices within its family of funds. A full-service or a discount brokerage house will probably offer a full array of investment options - stocks, bonds or mutual funds. Each investment option has pros and cons.

It is important to remember that the conversion to a Roth must be made in 1998 if the tax consequences of conversion from a traditional to a Roth IRA are to be spread over four years. Consumers considering converting their traditional IRA to a Roth IRA in 1998 are urged to seek professional tax assistance in determining if this action is

in their best interest, according to Granovsky.

Even if you decide not to convert, you may consider opening a Roth IRA for depositing IRA funds for 1998 and beyond, if your income limits do not exceed the authorized amounts. With a Roth IRA, you will not pay a penny of tax on your withdrawals once you begin to remove money from the account. In fact, unlike the traditional IRA, you are not even required to start removing money from your account when you reach the age of 70-1/2, so the potential for long-term growth is a good one with a Roth IRA.

A number of Web sites include calculators for assessing the pros and cons of conversion. Use them judiciously and make sure you understand the underlying assumptions used in the calculations. Two Web sites to investigate for further information are <www.rothira.com> and <http://money.com>.

The use of names of Web sites does not imply endorsement or recommendation by the Texas Agricultural Extension Service. They are listed for information purposes only and are not intended as a substitute for professional tax and financial help.

Is Christmas a relatively new Texas celebration? According to Elizabeth Silverthorne's *Christmas In Texas*, Texas Indians were introduced to Christmas pageantry as early as 1599.

During the 1800's, Anglo-Americans' main concern was survival. However, when possible, they held Christmas religious observances followed by community parties. "These newcomers gave Texas geography a Yuletide touch." Seven towns were named Bethlehem. New Year Creek in Washington County, Christmas Mountain in Big Bend area, Egg Nog Stream in San Augustine County, and Christmas Creek in Limestone County also reflect early unknown travelers' Christmas awareness.

Protestant churches could not be organized in Texas under Mexican law. Therefore, Christmas celebrations followed Catholic tradition. By 1836, Texas' Independence year, citizens were free to celebrate the holiday season with any kind of religious or secular ceremony desired. Texas was a nation. Festivities lasted from Christmas Eve through New Year's Day with turkey shoots, exuberant dinners, dances, and parties. Only a few German immigrants had Christmas trees in their homes. Santa and reindeer were not yet well known. The Christmas tree was introduced into the White House by President Franklin Pierce in 1856. By 1880, trees were the "rage".

As Texas developed, so did Christmas traditions. Different cultures contributed aspects of food, parades, decorations, fashions, and cooking. The wealthy displayed elaborate decorations, giving their children china dolls and fancy rocking horses. The less wealthy decorated with berries, moss, cotton, colored cloth, popcorn and red pepper garlands. Dolls of rags and corn shucks, handmade toy wagons, willow whistles, socks with nuts and fruit, and sometimes, a dime in the toe provided more common

children's gifts.

"By 1864, homemade clothing, food, drink, and gifts were essential. Gold was \$5,000 a pound; flour \$600 a barrel; sugar \$2 an ounce; butter \$40 a pound; firecrackers \$5 a pack; and real tea \$100 a pound. Merchants had little of anything to sell. For what they did have, they refused to accept worthless Confederate money, insisting on gold or silver."

The Civil War ended before 1865 holiday season. Merchants advertised supplies of "candy, raisins, whiskey, tobacco, coffee, and dry goods in time for Christmas. A sad postscript on the horrors of war were advertisements for "metallic artificial legs for \$100 to \$125, cheaper and more lasting than wooden legs."

Coming of the railroad, 1871 provided more available goods. Newspaper advertisements categorized Christmas celebrations under titles: "List of Church Activities" and "Christmas Doings in Saloons".

By the end of the 19th century, 2,000 people attended midnight Mass at San Fernando Cathedral, quite dif-

ferent from that first starlit and moonlit Christmas Mass held by lonely Spanish soldiers on Texas soil in 1599.

German, Jewish, Italian, Poles, and French in Texas celebrated their own traditional rituals. Traditions of other heritages brought to Texas by Scandinavians, British, Czechs, African-American, and Wendish will also interest readers.

Our Frontier heritage includes excerpts from personal letters and colorful descriptions of activities on Jackson, Goodnight (JA), Matador, King, and XIT Ranches. J. Frank Dobie shares one of his Christmas recollections.

Typical Christmas Cards and wonderful recipes from various cultures contribute additional interest to this outstanding book. Why not include a delicious dish from another culture with your own traditional Panhandle holiday dinner?

Christmas In Texas offers readers fascinating, historical insight to integrated cultures, which have contributed to our state's greatness. Why not check it out?

Senior Citizens hold volunteer appreciation banquet

By Sandra Minatrea

The Donley County Senior Citizens Volunteer Appreciation Banquet was held on Dec. 5 to honor the board members and volunteers for the dedication and service they give to the Senior Citizens all year long. This year Julie Mulanax of Country Bloomers Flowers and Gifts donated her time and talent to decorate our building. Everything was beautiful. The staff of the DCSC greatly appreciates our faithful volunteers.

We are happy to announce that Tammy Christopher has been reassigned from her position as second

cook to Assistant Director. Tammy has been with the Center for three years. We have hired Marguerite Turner for our second cook position. We welcome Marguerite and are glad to have Tammy in this new job.

Get well wishes go to Murle Butts who had a nasty fall last week and Viola Graham who had eye surgery. We send our sympathy to Nelson Christie in the loss of his brother, Bill Land in the loss of his aunt, and to the families of Francis Johnson, Jerry Price, Bradis Shaller, Ben Lovell, and Nadine Bobbitt.

'Twas the night before Jesus came

'Twas the night before Jesus came and all through the house not a creature was praying not one in the house. Their Bibles were lain on the shelf without care in hopes that Jesus would not come there.

The children were dressing to crawl into bed. Not once ever kneeling or bowing a head. And Mom in her rocker with baby on her lap Was watching the Late Show while I took a nap.

When out of the east there arose such a clatter, I sprang to my feet to see what was the matter. Away to the window I flew like a flash, Tore open the shutters and threw up the sash!

When what to my wondering eyes should appear, But angels proclaiming that Jesus was here With a light like the sun sending forth a bright ray I knew is a moment this must be THE DAY!

The light of His face made me cover my head It was Jesus! returning just like He had said. And though I possessed worldly wisdom and wealth, I cried when I saw Him in spite of myself.

In the Book of Life which He held in His hand, Was written the name of every saved man. He spoke not a word as He searched for my name. When He said "It's not here" my head hung in shame. The people whose names had been written with love He gathered to take to His Father above. With those who were ready He rose without a sound While all the rest were left standing around.

I fell to my knees, but it was too late; I had waited too long and thus sealed my fate. I stood and I cried as they rose out of sight, Oh, if only I had been ready tonight.

In the words of this poem the meaning is clear, The coming of Jesus is drawing near. There's only one life and when comes the last call We'll find that the Bible was true after all!

Doerrie-Cruce exchange wedding vows

Elena Maricelda Doerrie and Joel Andrew Cruce exchanged wedding vows in a candlelight ceremony on October 10 at the historic First United Methodist Church, McKinney, Texas.

The bride is the daughter of Mr. and Mrs. Jerome Doerrie of Booker and Mr. and Mrs. Willis Friesen of Frisco. The groom is the son of Mr. and Mrs. Joe Cruce of Irving.

The marriage was performed by Rev. Joe Lynch, minister of First United Methodist Church, Bixby, Okla. The bride was given in marriage by her father, Jerome Doerrie.

Registering the guests were friends of the bride and groom, Lisa Goodsen of Dallas and Jennifer Noonan of Milbridge, Maine.

Candles were lit by Willis Friesen, stepfather of the bride, and Faith RioRita Gray of Normal, Illinois, served as pianist and organist. Ushers were Bill Mullhull of Providence, RI, and Curt Switzer of The Colony. Serving as vocalist was Derrick McCampbell of Dallas.

Serving as the bride's maid of honor was her sister, Jennifer Doerrie of Austin. Other bridesmaids were Teresa Carter Matthews of Austin and Stephanie Connie of Providence, Rhode Island.

The groom was attended by David Beatty of Irving, who served as best man, and groomsmen Tommy Goodsen of Dallas and Paul Preston of Irving.

The bride wore a princess A-line gown of Italian Matte satin that featured an empire waist and a scooped neckline and back. The bodice was fully beaded and accented with beaded French lace. Her shoulder-length veil of bridal tulle fell softly from a beaded headband. She carried a bouquet featuring fall colors of enchanted lilies, orchids, daisies, roses, and accents of wheat.

Mrs. Joel Cruce

The bridal attendants wore two piece navy satin dresses featuring scooped necklines, fitted waists, and long slitted skirts. The bridal attendants carried bouquets of mixed fall flowers.

Following the ceremony the bridal couple greeted their guests as the guests enjoyed a buffet reception in the fellowship hall of the church.

The house party included cousins of the bride: Crystal Green of Lubbock, Lindsay Green of Clarendon, Margaret Green of Austin, Charlotte Payne of Amarillo, and Stephanie Patterson of Fargo, Oklahoma.

Special guests included the bride's grandmother, Mrs. Naomi Olivia Green of Clarendon, and the groom's grandparents, Mr. and Mrs. Sam Sheffield of Bogota.

The bride is a graduate of Johnson & Wales University in Providence, Rhode Island, and the Graduate School of Management, University of Dallas. She is employed by Strategic Outsourcing Corporation in Richardson. The groom is a graduate of the University of Texas-Arlington and is employed by Jamieson Manufacturing Company in Dallas.

Following a honeymoon to New Mexico the couple will make their home in Garland.

Hedley Jr. High traveled to Groom last week

The Junior High Owls and Lady Owls traveled to Groom on Monday, December 7, 1998, to play the Tigers in two ballgames.

The Junior High girls got off to a slow start but took control of the game in the second quarter. They never gave Groom a chance to come back. The final score was 33-19.

High scorer for the game was Kasi Woodard with 10 points. Lauren Hill and Evange Ramirez both added 8 points to the board while Rebekah Howard had 4. Brittney Bennet had 2 points and Halley Bennett finished the game with 1 point.

The Junior High boys played a close ballgame but lost to the Tigers, 20-26. Leading scorer was Bradley Conatser with 8 points. Tommy Wells added 6 points while Lisle Rowland, Nick Clubb, and Rodney Ellerbrook each had 2 points.

The Junior High Owls and Lady Owls will host the Silverton Owls on Monday, January 4, starting at 6:00 p.m.

Lady Broncos gain experience in I-27 Tourney

The Lady Broncos hosted the Lady Hornets of Tulia on Tuesday night. Clarendon fell behind early and tried to play catch up the rest of the game. The injury plagued Lady Broncos put up a good fight but could not secure a win. The Lady Hornets defeated the Lady Broncos, 48-52.

Scoring for Clarendon were Geri Butler, 18; Cat Chamberlain, 9; April Bryley, 8; Kim Alexander, 8; and Kristen Glover, 5.

"This was a good, close battle. Tulia hadn't beaten us in the past three years, so they were certainly looking for revenge and seemed a little more hungry for a win. We played with just seven players due to injuries, so that hurt in such a close game. A bright spot was Kim Alexander getting back into her role as 'Queen of the Boards' with 13 rebounds. She really picked it up in that area," said Head Coach Steve Schmidt.

The Lady Broncos traveled to the I-27 tournament on Thursday through Saturday.

Clarendon faced Lubbock Cooper in the first round. Although the Lady Broncos were obviously the better team, they performed less than their best and were defeated by Lubbock, 42-46.

Scoring for CHS were Geri Butler, 15; Courtney Newhouse, 10; Cat

Chamberlain, 7; Kim Alexander, 4; Kelley Lemley, 2; April Bryley, 2; and Kristen Glover, 2.

"We put in a real lackluster performance. We just seemed to be going through the motions while Lubbock Cooper, who has played a very tough schedule, came out fired up and wanted it more," said Coach Schmidt.

The Lady Broncos faced 2-A Wall on Friday afternoon. Clarendon again came out flat and with little fire. The Lady Broncos kept the game close but never seized the win. Wall won the game, 46-52.

The Lady Broncos scorers were Geri Butler, 10; Shannon Cooper, 9; April Bryley, 8; Courtney Newhouse, 6; Kim Alexander, 6; Cat Chamberlain, 6; and Johnnie Sparks, 1.

"Another lackluster effort. We just seem content to keep it fairly close, but not showing enough 'want to'.

"The injuries (Lemley and Shelton) are still a problem, but we're much better than we showed. I'm real proud of the effort by Shannon Cooper who was moved up from the JV. I'd like to see her intensity and never quit attitude spread throughout the rest of the team," said Schmidt.

Clarendon played Lubbock Trinity Christian on Saturday afternoon in their final game of the tournament.

The Lady Broncos started the game poorly like they had the rest of the tournament. But something sparked after the end of third quarter with the Lady Broncos down nine. It was as if Clarendon finally remembered that they are a good team and really could play solid basketball. The Lady Broncos hit 14 of 16 free throws in the fourth quarter to overcome Trinity, 53-43.

Scoring for the Lady Broncos were April Bryley, 15; Geri Butler, 15; Kim Alexander, 11; Shannon Cooper, 8; Johnnie Sparks, 2; and Courtney Newhouse, 2.

"We hope this recent streak of bad luck and poor execution of the game has finally reached bottom and we're on our way up. Things looked as bad as they could get until the fourth quarter, and the Lady Broncos finally turned it up. Freshman April Bryley really sparked the comeback. Besides her 15 points, she also contributed 8 rebounds and 3 steals," said Coach Schmidt.

Clarendon will make a long road trip to Stratford for their game Friday, December 18, at 6 p.m. The Lady Broncos will host the Lady Bobcats of Childress in their final game before the Christmas break on Tuesday night, December 22, at 5 p.m.

7th grade Colts win against Quanah, 30-17

The 7th grade Colt team showed how much they have improved this season on Monday night against Quanah. Clarendon won, 30-17.

Scoring for the Colts were Dusty Martindale, 16; Drew Sell, 4; Justin Johnson, 4; Tim Leeper, 2; Zach Howard, 2; and Steve Wilson, 2.

"The boys have made some good improvements on their skills and in

executing our offense. They played much better defense, which gave us a lot of points off turnovers," said Coach Roger Hoeltzel.

The Colts will resume play at home against Panhandle after the Christmas holidays on Monday, January 4, at 5 p.m.

The results of the 8th grade game were not available at press time.

8th grade Lady Colts improve against Quanah

The CJH 8th grade Lady Colts played a very physical Quanah team on Monday night, proving they had muscle of their own as they defeated the Indians, 29-21.

Scoring were May Butler, 8; Lacey Anderberg, 7; Brandi Betts, 6; Christine Holden, 3; Mandy McKinney, 3; and Ashlee Kidd, 2.

"I was real happy about the way we played in the second half. We had

foul trouble and frustrations, but we kept our heads on. When we outscored (Quanah) 9-1 in their third quarter, it was the difference in the game. We do need to do a better job on our free throws," said Coach Steve Schmidt.

The Lady Colts will try to improve on their 3-1 record on Monday, January 4, in Panhandle. The game is to follow the 7th grade game.

Owls hosted Channing in non-district play

The Owls and Lady Owls hosted the Channing Eagles on Tuesday, December 8, for two non-district ballgames.

The Lady Owls had a slow start and could not keep up with the Lady Eagles for the rest of the game. The final score was 41-55. High scorer for the game was Ashley Hill with 13 points. Also scoring were Rachel Howard, 8; Lora Llewellyn, 7; Crystal Solis, 4; Susan Grecian, 2; Lana Wallendorf, 2; Lindsey Brinson, 2; Amber Solis, 2; and Marissa Wells, 1.

As for the varsity boy's game, the Owls took control from the start and kept their lead throughout the whole game. The final score was 63-36. Leading the way in scoring was Cody Graves with 19. Also scoring were Jeremy Wells, 13; Creed Stephens, 13; Russell King, 10; Roger Wade, 6; Tim Tunnell, 2; and Dustin Monroe finished the game with 1.

The Owls and Lady Owls will travel to Channing on Friday, December 18, to play the Eagles. Game time is 6:00 p.m.

7th Lady Colts scalped

The 7th grade Lady Colts had a tough time on Monday night against the Quanah Indians. The Lady Colts could not get the ball in the bucket and could not get things going defensively either. The girls lost, 7-25.

Scoring for the Lady Colts were Beth Foster, 4; Terra Kidd, 2; and Brittany Hall, 1.

"I knew the girls didn't seem ready to play. Quanah has a good team. And if we're not ready to get after it, we're going to have a tough time. The girls never quit, but they've got to be prepared to play hard," said Coach Kirby Hatley.

The Lady Colts will have a break until Monday, January 4, when they will play in Panhandle at 5 p.m.

Varsity Broncos traveling to Stratford Friday

The Clarendon Broncos had a good week to gain valuable experience against talented teams all week long. The Broncos faced the state contending Tulia Hornets on Tuesday night.

Although the Hornets were loaded with talent again this year, the Broncos held their own and played well. Clarendon lost to Tulia, 52-90.

Scoring for the Broncos were Josh Williams, 15; Derek Shields, 11; Travis Woodard, 8; Nathan Sears, 7; D.J. Edwards, 5; Dee Thompson, 2; Sam Holton, 2; and Carey Thornberry, 2.

Clarendon traveled to Lockney for their weekend tournament. The tournament was a round robin with the Broncos playing Lockney, Hart, Petersburg, and Kress.

The game with Lockney proved to be a good test for the Broncos. Clarendon was up by one at the half, 29-28. Lockney was able to outscore the Broncos in the second half by four and defeated Clarendon, 61-64.

Bronco scorers were Travis Woodard, 16; Nathan Sears, 10; Sam Holton, 9; Junior Rodriguez, 7; D.J. Edwards, 6; Derek Shields, 5; and Dee Thompson, 4.

Clarendon played another close one against Hart. But the Broncos still came up short as they fell, 47-52.

Scoring for the Broncos were Travis Woodard, 12; Sam Holton, 11; Derek Shields, 10; Carey Thornberry, 5; Nathan Sears, 5; and Josh Williams, 4.

The Broncos bounced back when they played Petersburg. The Broncos put together a solid game with the whole team scoring at least one bucket. Clarendon won, 63-39.

Bronco scorers were Derek

Shields, 14; Sam Holton, 12; Josh Williams, 10; Carey Thornberry, 6; Nathan Sears, 6; Junior Rodriguez, 6; Travis Woodard, 5; Dee Thompson, 2; and D.J. Edwards, 2.

Clarendon seemed flat in their final game of the tournament against Kress. The Broncos turned in a good third quarter but could not come back enough to beat the Kangaroos. Kress won the game, 31-42.

Scoring for Clarendon were Travis Woodard, 12; Nathan Sears, 6; Derek Shields, 5; Josh Williams, 4; D.J. Edwards, 2; and Carey Thornberry, 2.

The Broncos will travel to Stratford Friday, December 18. Game time is scheduled for 8 p.m. Clarendon will host the Childress Bobcats on Tuesday, December 22, at 6:30 p.m.

JV white team wins

The JV white team started their winning week with a tough Tulia JV team on Tuesday night. The game was a close one with the lead shifting from quarter to quarter. The Broncos prevailed for a 51-49 victory over the Hornets.

Scoring for the Broncos were Chris Linquist, 18; Ben Wilson, 10; Aaron Jeffers, 8; Jeremy Ray, 6; G.J. Martindale, 4; Cody Watson, 4; and Nathan Floyd, 1.

The JV Broncos hosted a one-day JV tournament on Saturday, which they won.

The JV white team started the day against the Memphis JV. Memphis was missing a few players, which hurt them. The Bronco defense also proved to be too much for the Cyclones. Clarendon won the game, 66-12.

Bronco scorers were Chris Linquist, 20; Ben Wilson, 10; Cody Watson, 8; Zack Butts, 8; G.J. Martindale, 6; Nathan Floyd, 6; Jeremy Ray, 6; and Aaron Jeffers, 2.

Clarendon faced the Wellington Rockets in the afternoon championship game. The game proved to be a good match up between two good teams.

The ballgame was tight throughout and tense at the end. Crucial free throws made the difference in the Broncos' 51-47 win.

Scoring for the Broncos were Chris Linquist, 22; Aaron Jeffers, 10; Cody Watson, 8; Ben Wilson, 6; G.J. Martindale, 3; Jeremy Ray, 3; and Zack Butts, 2.

The JV white team will look to improve their 9-1 record on Friday, December 18, in Stratford. Game time is scheduled for 5 p.m. The Broncos will play at home on Tuesday, December 22, against Childress at 3:30 p.m.

CC Bulldogs win two at home

The Clarendon College Bulldogs took on a good Southern Nazarene JV team on Tuesday night. The Bulldogs started off slowly and were down by three at the half. Coach Mondragon's half time speech worked, and the Bulldogs came out fired up and won the game 77-62.

Freshman Charny Ephriam was three for three from the three point line and ended the night with 11 points. Byron Dixon had another good game with 15 points and eight rebounds. Nate Jones from Virginia Beach, VA, also had 15 points. And point guard Danny Anaya finished with 12.

"Southern Nazarene came in with a good ball club. We had our hands full with them. They got in a big zone and we didn't attack well in the first half. At half time we made some adjustments and came out a lot more aggressive against the zone," said Head Coach Joe Mondragon.

Clarendon played at home against El Reno's Redlands College on Thurs-

day evening. The Bulldogs were obviously the better team and proved it in their 84-57 win.

Nate Jones had another big game with 17 points, 12 rebounds, 3 steals, and 2 blocks. Sophomore Tim Marshall stepped up his game, and was 6 for 9 from the floor with 15 points and 7 rebounds.

"We came out and looked like we should at mid-season defensively. We totally took Redlands out of their offense. We had only allowed them to score 11 points in the second half with six minutes remaining in the game. We also did a good job on the boards. We finally started looking like we had been coached for three months. The kids did everything I asked of them," said Coach Mondragon.

Following the Christmas break, the Bulldogs will resume play on January 7-8 in Dallas. The Bulldogs will begin their Conference play at home against rival Frank Phillips on Monday, January 11, at 8 p.m.

Hedley competes at Allison Tournament

The Hedley Owls and Lady Owls traveled to Allison on December 3-5 to compete in a "Round Robin" tournament.

On Thursday, Dec. 3, the Hedley boys played against Panhandle J.V. Hedley won the game, 74-39. Leading scorers for the game were Cody Graves with 19 and Russell King with 16. The Owls played their second game of the day against Allison. Hedley had a disappointing loss to Allison, 60-62. Top scorers for that game were Jeremy Wells, 20; Cody Graves, 15; and Roger Wade, 10.

The Owls started their winning streak on Friday with a 76-41 upset over Higgins. Cody Graves lead the way in scoring with 19 points. Jeremy Wells and Russell King also added 17 and 14 points respectively to the board. Continuing on to Saturday, the Owls ran over the West Texas Christian Knights with a 24-point victory. The final score was 66-42. Jeremy Wells finished the game with 21 points while Cody Graves added 16 and Roger Wade added 8.

With those two victories, the Owls took second place at the tourna-

ment. Jeremy Wells and Cody Graves were named on the All-Tournament team.

The Lady Owls started the tournament on Thursday with a loss to Allison, 47-60. Ashley Hill was high scorer of the game with 23 points, and Lana Wallendorf was second with 10 points. The disappointment continued on Friday when the Lady Owls, up by 2 points, watched the Higgins girls bust a three-pointer at the buzzer to win the game, 44-45. Ashley Hill had 19 points while Rachel Howard and Amber Solis had 8 points each.

Saturday would bring a change to the Lady Owls luck as they had a 10 point victory over Panhandle J.V., 52-42. Ashley Hill was the leading scorer of the game with 25 points. Lana Wallendorf was able to add 12 points to the board while Rachel Howard had 8. With that win the Lady Owls finished third in the tournament, and Ashley Hill and Rachel Howard made the All-Tournament team.

Lady Bulldogs beat Redlands

The CC Lady Bulldogs finished their first semester play against Redlands College from El Reno, Oklahoma with a 58-49 win.

Scoring for the Lady Bulldogs were Shayla Weatherly, 16; Kirl Neptune, 16; Wendy Russ, 11; Mahalia Simpson, 7; Korey Knorpp, 6; and Kasey Parks, 2.

"I thought we played very sluggish in the first 10 minutes of the game. But we picked it up in the end of the first half and the first part of the second half. The starting five had a good game, especially Kirl and Shayla. Our bench did contribute, but not as much as I would have liked. I think we got tired toward the end of the game. That's why it ended up being a nine point game. For being off for so long, I thought we were fortunate to have won the game," said Head

Coach Joel Zehr. The Lady Bulldogs will play in the Odessa Classic on January 4-5. They will start Conference play on Monday, January 11, against Frank Phillips College. The game is scheduled to start at 6 p.m. in the Clarendon College gym.

JV maroon team loses close one

The JV maroon team played in the Borger Freshmen Tournament December 10-12. The Broncos played a good Dumas team in the first round and lost to the Demons, 53-63.

Playing for the Broncos were Jeff Hearn, Antonio Wilson, Greg Leeper, Jared Lax, Michael Lane, Austin Sears, and Ricky Simpson.

"This was a game that I thought we should have won. Dumas' quickness surprised us and I think that caused us to make some mistakes late in the game," said Coach Greg Mouser.

Clarendon played the Borger "B" team on Friday. The Broncos turned up the heat in the second half and took the lead in the third quarter. The Bulldogs tried to come back, but the Broncos prevailed, 49-48.

Scoring were Greg Leeper, 13; Jeff Hearn, 10; Antonio Wilson, 8; Jared Lax, 7; Rhollie Valdez, 5; Michael Lane, 4; and Ricky Simpson, 2.

"This was a good test for us. We were able to get the lead and then held off a late surge to win by one," said Coach Mouser.

The Broncos played Pampa for the Consolation Championship on Saturday, which Clarendon won, 57-53.

"We jumped out on Pampa early and again held off a late surge to win by four. I was happy for the kids in that we had some success in the tournament. Some of the other teams believed we should have been two games and out," said Coach Mouser.

On Monday evening the JV maroon traveled to Quanah. The Broncos put up a good fight against the Indians forcing the game into overtime. Clarendon narrowly lost 42-43.

Scoring for the Broncos were Antonio Wilson, 14; Greg Leeper, 11; Jeff Hearn, 8; Michael Lane, 5; Jared Lax, 2; and Rhollie Valdez, 2.

"The kids played well and jumped on (Quanah) early. We lead through the fourth quarter until our shooting went cold, and Quanah grabbed the lead. We had to tie it up to go to overtime.

"In overtime, Quanah led to the very end. We had a chance to send the game into a second overtime, but could not get it done. I think this was a good experience for the guys to learn from. Maybe now we can get over this hump of letting the game get close at the end," said Coach Mouser.

Great Western Dining at college dining hall will close at 1:00 p.m. Dec. 16 and reopen Jan. 13 Thank you.

Hedley Owls compete at Samnorwood Tourney

The Hedley Owls and Lady Owls traveled to Samnorwood for their tournament on December 10-12.

The Lady Owls began their tournament play against the Wheeler Lady Mustangs on Thursday. The Lady Owls couldn't keep up with Wheeler and lost, 55-71. High point scorer for the game was Ashley Hill with 31 points. Also scoring were Rachel Bennet, 6, and Crystal Solis, 5.

They continued Friday with a victory over the Miami Lady Warriors, 46-32. Ashley Hill again led the team in points, racking up 13 while Crystal Solis and Lora Llwellynn had 9 points each.

The Lady Owls wrapped up tournament play in the consolation round with a disappointing loss to the Samnorwood Eagles, 53-68. Ashley Hill finished the game with 14 points while Rachel Howard and Susan Grecian each had 10.

The varsity boys began their tournament play on Thursday with a victory over the Miami JV, 79-17. Scoring were Cody Graves, Dustin Monroe, and Roger Wade with 15 each and Jeremy Wells with 14.

They continued their winning streak on Friday with a 4 point victory over McLean Tigers, 66-62. Scoring were Dustin Monroe, 20; Creed Stephens, 14; and Russell King, 12.

The Owls moved on to play Fort Elliott Cougars on Saturday in the Championship finals. The Owls were down only 4 points at half time and the score stayed close throughout the

JV girls to play Stratford

The JV Lady Broncos played at home against Tulia on Tuesday night. Clarendon got off to a good start, but could not hold on the entire game, losing to the Lady Hornets, 41-49.

Scoring for the Lady Broncos were Shannon Cooper, 13; Elizabeth Simmons, 9; Lindy Helms, 8; Jamee Sparks, 7; and Jamie Sawyer, 4.

Clarendon hosted a one day JV tournament on Saturday. The JV Lady Broncos faced the Memphis Lady Cyclones in their first game. CHS dominated the entire game. The Lady Broncos went into the winners bracket with a 31-19 victory over Memphis.

Lady Bronco scorers were Jamee Sparks, 8; Jamie Sawyer, 7; Danielle Holden, 4; Lindy Helms, 4; Elizabeth Simmons, 3; Carrie Helms, 2; Candice Hall, 2; and Janiah Mondragon, 1.

The Lady Broncos were paired against the Lady Panthers of Panhandle for the championship game. Panhandle's good defense proved too much for the Lady Broncos as they fell, 20-60.

Scoring for Clarendon were Jamee Sparks, 9; Elizabeth Simmons, 4; Lindy Helms, 3; Janiah Mondragon, 2; and Tamika Kimble-Hearn, 2.

The JV Lady Broncos will play in Stratford on Friday, December 18, at 4 p.m. and will host Childress on Tuesday, December 22, at 2 p.m.
