## Jr. Heavyweight Wrestling Champion To Be Decided Here Saturday Night

The Southwestern States Jr. Heavyweight Wrestling Championship will be decided here at the Lions Club sponsored wrestling matches Saturday night. Tony Morelli of New York is the present champion and Scotty McFarland of Edinburg, Scotland will be the challenger. It will be two out of three falls with an hour and a half time limit. This is the first time a title match of this nature has been brought to Clarendon and these two men will be putting forth their best since the title will be at stake.

Another special event will be a two out of three fall match between Billy Hickson and Benny Trudell. It will have a one hour limit.

This is reported to be the best program in quite some time and wrestling fans will welcome this opportunity to see a title match. Ringside ticket sales are already moving right along, so if you want a good seat drop by Lane & McCully Insurance or Eddie's Conoco and get yours today. The price of admission will remain the same as other matches held here. Ringside tickets will be \$1.50. General admission \$1.00, students 75c and children 25c.

## Disabled Veterans Make Memorial Poppies for May 31

Making memorial poppies to be worn in honor of the war dead on Poppy Day, May 31, is providing employment for thousands of disabled veterans in hospitals throughout the country, according to Mrs. Jack Gray, Poppy Chairman of Clark-Brock Unit of the American Legion Auxiliary. The work not only enables the veterans to earn much-needed money, but also is valuable as occupational therapy, Mrs. Gray said.

Poppies which will be worn here are being made by patients in different hospitals in the state. They will be distributed on the streets here on Poppy Day by volunteer workers from the Auxiliary and cooperating organizations. Contributions received for the little red memorial flowers will go entirely into the rehabilitation and child welfare funds of the Legion and Auxiliary.

The flowers are made of crepe paper with wire stems and are accurate replicas of the wild poppies of France and Belgium, which grew in such profusion on the battlefields of both world wars. This "Flanders Fields" poppy has been the memorial flower of all English-speaking countries ever since the first World War. Millions are worn throughout the world each year and, in addition to keeping bright the memory of the war dead, they are an important source of funds for the welfare of the disabled veterans and needy children of veterans.

The veterans work on the flowers in their hospital beds, wheel chairs, or in the hospital hobby shops. In some states, special workrooms are maintained by the Auxiliary where disabled men outside the hospitals are employed. The veterans develop great skill and speed in shaping the flowers and are able to earn substantial amounts without

overtaxing their strength. For them the poppy fills empty hospital hours with interesting, profitable employment.

## SUNDAY, APRIL 27 IS INTERMEDIATE DAY AT BAPTIST CHURCH

Sunday, April 27, has been designated as Intermediate Day in Baptist churches throughout the Southern Baptist Convention area. A program has been planned by the Intermediate workers in the First Baptist Church here to give special recognition to their young people.

The day will be off to a good start with a breakfast served at the church at 8:30. Following the breakfast, a clinic will be held in which the teenagers will have an opportunity to express their ideas concerning the part the church should play in the social life of the young people in our community.

The regular Bible study hour at 9:45 will follow the clinic, after which the entire group and their teachers will enter the church together to attend the worship services. The pastor, Bro. Howard Scott, will present a message which will be of special interest to young people.

## CHURCH SERVICES TO BE HELD AT MISSIONARY BAPTIST CHURCH

It was announced this week that church services would be held at the Missionary Baptist Church beginning Tuesday night, April 29, and continuing through Friday night, May 2nd. The pastor, Bro. J. W. Reynolds of Tyler, Texas will preach.

## ZOGI THE MAGICIAN TO APPEAR HERE THURSDAY, MAY 1st

Prince Zogi, the master magician, who with his company will appear here at the College Auditorium Thursday night, May 1st at 8 p. m., has received the Academy Award from the Magician Societies for the fine presentation of his Trunk Mystery which was one of the greatest displays of the Magician's art ever presented by that Master of All Magicians, Houdini. Only a small handful of magicians have ever fathomed this great mystery and fewer have been able to perform it. Zogi's performance is fast and most clever. For smoothness of presentation, speed and complete mastery of the Trunk Mystery he holds the Academy Award. You may have seen what you considered the finest in magic and mysticism but do not be deceived, there is only one Zogi. He is particularly gifted. His trained hands perform simple tricks that deceive the eye without props or paraphernalia. The stupendous presentation of his entire program requires over \$25,000.00 worth of equipment with which he produces a fantastic and glamorous stage revue that has baffled audiences from coast to coast. Beginning as a helper to the great Houdini in New York City 22 years ago, the Prince's career has been little short of phenomenal.

The Clarendon Moose Lodge is happy to bring Prince Zogi and his entire company to Clarendon. The price of admission will be 25c for school students at the matinee in the afternoon and \$1 for adults and 50c for children for the night program.

## Recent Rains Net Over 2 Inches

Rain falling here the past two week ends has totaled out 2.39 inches of moisture which certainly gives everyone a much brighter outlook. This total is equal to a larger amount as practically every drop of it went right on into the ground. Wheat in the area is brightening up and a number of farmers report prospects of a good yield. Ranchers are wearing a big smile also, for range grass is greening up by the day.

Prior to this week end, we had received .68 inch and the moisture falling this past week end totaled 1.71 inches. Folks won't be worrying so much about the moisture but will turn their thoughts to weeds and Johnson grass within the near future.

## Seniors To Present Dramatic Program Tonight At 8:00

The Senior Class of Clarendon High School presents the speech class, directed by Mrs. Christine Grace in a dramatics program consisting of One Act Plays and Skits tonight (Thursday) at 8:00 in the College Auditorium.

The program will consist of the following: "Along Came Harriet", "Fit for Fat", "The Cracker Barrel", "No Visitors Allowed", "Not So Dumb", and "The Perfect Gentlemen."

Those appearing on the program will be Shirley Barker, Patsy Emmons, Glenda Phillee, Joanne Montgomery, Anette Thomas, Jeanie Pittman, Mary Lou Barker, Cotton Hall, Billy Vining, Cletus Smith, Carroll Butler, Jimmy Lamberth, Don Dorman, Robert Olin Bain, Ruth Roney and Bobby Don Smith. The stage crew will be Cliff Stogner, Carroll Butler, Billy Vining and Jimmy Lamberth.

Three Critic Judges will be present to judge the all-star cast and the three best girls and the three best boys will be honored. Price of admission will be 50c for adults and 35c for children under 12.

## Warning From The City Hall

City Law Violations are becoming too numerous and will be strictly curbed beginning the first day of May, 1952. The City Marshal has been instructed by the Board of Commissioners to be on the alert for traffic violators, give them a ticket when due and each case will be weighed by your City Judge at the City Hall. Unless you are willing to abide by the Laws of the City then be ready to pay your fine without a whimper. Following are some of the violations which could prove costly to the guilty.

1. Speeding within the city limits.
2. School zone speeding.
3. Driving while intoxicated.
4. Reckless driving.
5. Failure to stop at signal light or streets marked by stop signs.
6. Failure to observe parking laws.
7. Disturbing peace.
8. Fighting.
9. Tampering with water meters, sewage system or any other property owned by the City of Clarendon.
10. Failure to abide by or obey the City Ordinances of the City of Clarendon.

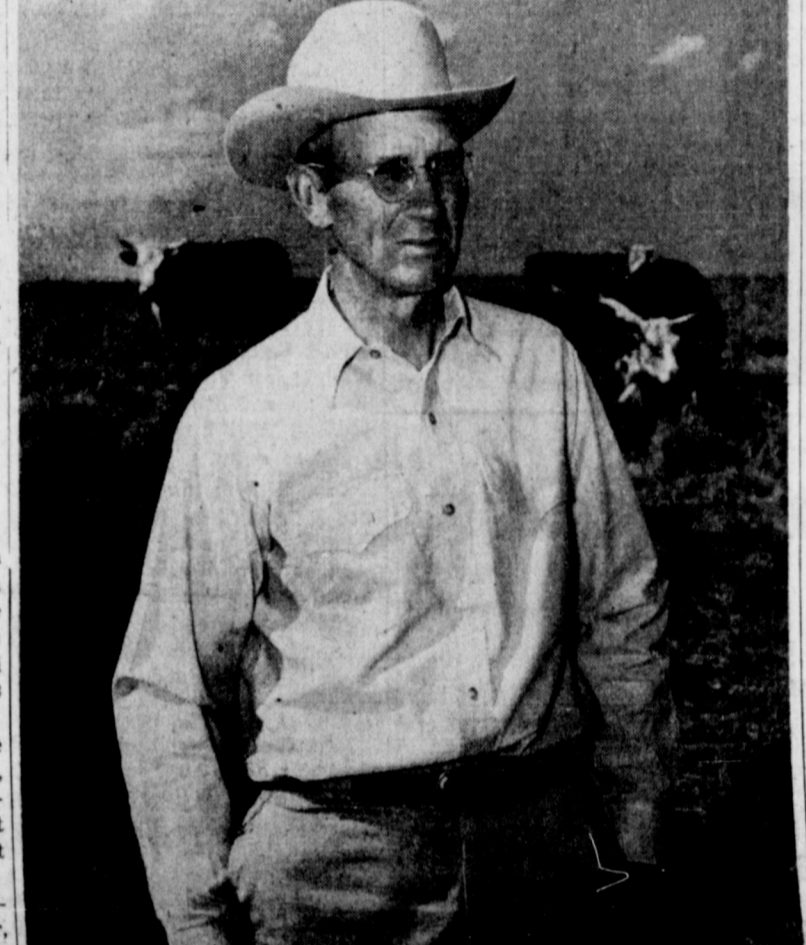

## DR. LANG TO PREACH AT PRESBYTERIAN CHURCH

Dr. Cecil H. Lang, Executive Secretary of the Dallas Presbyterian, of Dallas will preach at the 11 o'clock hour Sunday morning, April 27, at the Presbyterian Church. Sunday School will begin at the regular hour. Immediately following morning services, a Congregational meeting will be held. All members are urged to be present.

Donley County Leader, \$2.50 year

## Donley Farmer Wins Top Honors In Soil Conservation Contest

### OUTSTANDING TEXAS FARMER

Pictured is Mr. Thomas C. D'Spain, winner of the outstanding farmer of the state award in the Ft. Worth Press' annual Save The Soil And Save Texas contest. In the background are some of the 3 year old cows that he has raised on his ranch. The cattle are grazing weeping lovegrass seeded by Mr. D'Spain in a once cultivated field during the spring of 1947.

The outstanding farmer of the state of Texas in the Ft. Worth Press' annual Save the Soil and Save Texas conservation contest, is Thomas C. D'Spain who lives thirteen and one-half miles northeast of Clarendon. Mr. D'Spain and his family will receive a \$500 cash award at the state conservation awards banquet at Fort Worth, May 1st.

Mr. D'Spain was chosen state winner for his own conservation program and also for his missionary work which found him devoting his time, equipment and own money to complete soil saving plans on the farms and ranches of his neighbors. More details on Mr. D'Spain and his conservation practices will be published in the Leader next week in order that everyone here at home can see what it takes to win a state award.

Donley County as a whole can be proud also for the Donley County Soil Conservation District won the Region I award and will receive \$500 also. Region I is comprised of 51 counties in the Panhandle and South Plains. The county award will be made May 26th at Lubbock.

Carmen Rhode, supervisor in charge of the local district, along with his office and field staff, are to be complimented on their achievements. These honors reflect the type of efforts these men and all others connected, have put forth to better soil conditions in our own county.

## Services Held Saturday For Mrs. F. A. Cooper

Funeral services were held Saturday afternoon at the Murphy-Spicer Funeral Chapel for Mrs. Clara Cooper with Robert C. Copeland, pastor of the local Church of Christ, officiating.

Mrs. Cooper, age 81 years, passed away last Friday morning at Claude following a lengthy illness. She had been a resident of Clarendon 38 years. Mrs. Cooper and her husband, the late Frank A. Cooper, came here from Claude in 1914 and operated the Clarendon Plant & Floral Co. and a public swimming pool for a number of years. Mr. Cooper died in December, 1925. Mrs. Cooper was a member of the Church of Christ.

Survivors include a daughter, Mrs. Elsie Johnson of Odessa; two brothers, Walter Muskgaves of Waurika, Okla., and Abe Muskgaves of Lawton, Okla.; and a grandson, Albert L. Johnson of Brady.

Pallbearers were Joe Hall, Charlie Hearn, G. W. Bradshaw, Johnnie Johnson, Clifford Decker and J. I. Spurgeon.

## BAND AND ORCHESTRA PARENTS TO MEET MONDAY NIGHT

Band and Orchestra Parents will meet Monday night, April 28, in the Band Hall. The meeting will open at 7:30. All members are asked to keep this date in mind and try to be present.

## Serves With FEAF In Japan

Airman First Class William K. Jacobs, Clarendon, Texas, is serving with the Far East Air Forces Headquarters in Tokyo as a member of the Adjutant General's Office. He has served in FEAF for the past three months, and was formerly stationed at Kirtland Air Force Base, N. M. A/IC Jacobs is the son of Mr. and Mrs. W. L. Jacobs of Clarendon.

## Services Held Saturday For Pioneer Merchant

Funeral services were held Saturday morning at the Murphy-Spicer Funeral Chapel for James Trent, pioneer business man, with Rev. Edgar Henshaw of Pampa, officiating.

Mr. Trent was 87 years old. He came to Clarendon in 1880 and about 1900 he established the local Ice Plant. He was active in this business until a few weeks ago when illness compelled him to stay at home. Mr. Trent organized the local fire department in 1904 and was fire marshal until he resigned April 1, 1952. He was a member of the Masonic Order and active for 40 years in the Commandery of 'Hella Temple of Dallas.

Survivors include his wife, Mrs. Florence Trent, a son, Charles Trent of Ft. Worth, and two sisters.

Pallbearers were Sam Dyer, Odos Caraway, C. W. Bennett, Boyd Wesley Pipes, Homer Parsons and Clarence Pipes.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of funeral arrangements.

## PUPILS OF MRS. HARMON TO HAVE MUSIC RECITAL

Mrs. Page Harmon will present a group of her music pupils in a Musical Recital next Monday night in the College Auditorium at 8 o'clock.

The recital will be interesting and an invitation is extended to everyone to attend. No admission.

## FATHER DIES IN FLORIDA

Mr. and Mrs. L. E. Gilbert were called to Cross City, Florida Saturday, April 12, by the illness of her father, Frank Copeland. Mr. Copeland died the following Tuesday. Services were held Wednesday. Mr. and Mrs. Gilbert returned home Saturday and were accompanied by her mother, Mrs. Frank Copeland, who will visit with them here.

## Last Rites Held Tues. Afternoon For Mrs. F. E. Chamberlain

Funeral services for Mrs. Fred Chamberlain were conducted Tuesday afternoon in the First Presbyterian Church with Dr. Douglas E. Nelson of Pampa, officiating.

Mrs. Chamberlain, wife of Fred Chamberlain, president of the Donley County State Bank, died Sunday morning at her home here. She had been a resident of Clarendon since 1907.

She was a member of the Presbyterian Church and had been active in church work throughout her long residence here.

Survivors include her husband, Fred Chamberlain; a daughter, Mrs. R. V. Payne, Plainview; four sons, Kelly, of Clarendon; George, Dallas; Lewis, Pampa, and Fred Chamberlain Jr., Lubbock; two sisters, Mrs. Emory Sager, Childress; Mrs. Aline Rutledge, Elk City, Okla., and one brother, Ed Kelly of Lubbock. She is also survived by ten grandchildren.

Pallbearers were Dr. J. Gordon Stewart, Carroll Knopp, W. J. Lewis, Jr., W. W. Noblet, Jack Roach, Ray Palmer, L. T. Shelton and John T. Sims.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of funeral arrangements.

## Notice - - - Water Users

Friday night, April 25th, the water will be cut off after 11 P.M. for line repairs. The job will take about 6 hours.

## NOTICE!

The City Commissioners have set up a ten minute parking zone on the post office block so that there will be less traffic congestion and everyone will be able to get his mail without violating the parking zone law. Several marked spaces have been designated in this zone and this law will be strictly enforced. Hours 9 to 5:30 except Sundays.

## Group To Attend Honor Banquet In Ft. Worth

Thirty-seven farmers, ranchers and business men will board a special chartered Continental Streamliner bus on Thursday morning, May 1st, and go to Fort Worth for the awards banquet at which Mr. T. C. D'Spain will be presented as the Outstanding Farmer of Texas.

Mr. D'Spain has been announced the winner in the seventh annual SAVE THE SOIL AND SAVE TEXAS contest sponsored by the Fort Worth Press and other Texas newspapers. He will be awarded a special cash prize of \$500.00.

The persons already having made definite reservations on the bus are J. R. Porter, C. E. Bairfield, Joe Tollett, W. P. Doherty, Carmen Rhode, Jimmy Faulkner, Jack Gray, Rayburn Smith, Spencer Sitter, Mr. and Mrs. P. C. Hamilton, J. G. McAnear, Bill Cooke Jr., Lee Shaller, Homer Estlack, and Geo. Wayne Estlack. Others who will make the trip besides Mr. and Mrs. Thomas C. D'Spain and son Carlin are, Elvy Sargent, District Conservationist of the Pampa office and Lester Campbell, editor of the McLean News. There are a few accommodations available yet and anyone desiring to make the trip should contact Jack Gray, Carman Rhode or Jimmy Faulkner.

The time schedule will be worked out with bus company officials to include stops in the principal stops along the route and the bus will be appropriately decorated with signs and a loud speaker.

## ARE WE MISSING YOUR NEWS?

Are we missing your news? Yes, perhaps we are! Gathering news is quite a job and it is impossible to call or contact every person every week. Too, if we do not know that news has been created, we have no opportunity to contact that person or persons. What can be done about this situation? Pick up your phone and call 418 or 386. If you do not want to write the item or story, all that is necessary is to give the information to the person answering the phone. If you do plan to write the story, let us know you are doing just that and when we can expect it to be ready. We will appreciate your cooperation.

**SHE'S THE SAFEST LADY ON THE ROAD**

With Chrysler **POWER STEERING** plus Chrysler **POWER BRAKES**

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

### Winning Essay On Soil Conservation Merits Your Interest

#### First Place Essay

The following essay entitled, "Conservation Farming For Abundant Living", was written

by Clyde Morgan, 16-year-old Sophomore in the Clarendon High School. It is the first place winner in the essay contest sponsored by the Chamber of Commerce and the Donley County Soil Conservation District. Young Morgan is the son of Mr. and Mrs. C. A. Morgan who reside one mile north of town and a student of Mrs. L. N. Cox, High School

English. All of the students in Mrs. Cox's class entered the local competition as a class assignment.

#### CONSERVATION FARMING FOR ABUNDANT LIVING

There is a great need for conservation in Donley County. There are many good farms in this county. There is soil that is extremely sandy. Sandy soil can be washed and blown by wind and rain much easier than can heavy soil. The soil all needs to be conserved, but the sandy soil needs it most. A large number of farms with sandy soil have lost a great deal of top soil. Poor soil has blown over the remaining fertile soil. Heavy soil needs conservation to preserve it. To contour plow is a type of conservation that no one could possibly find a reason for not using. To contour list, the farmer plows with the lay of the land. Contouring is a preventing method against erosion by water and wind. Contouring is necessary on perfectly level land; there are few farms in our county that would meet that qualification. The use of cover crops not only prevent soil from blowing and washing away, but they also put minerals into the soil that have been taken out by other crops. Cover crops consist of a great many varieties. Cover crops may be grasses, hay, such as alfalfa, clover, and legumes. These crops can be cut and baled. In that way the soil can be built up and kept in production with profit to the owner.

can only be done through conservation.

There are several different methods of conservation. Terracing, deep plowing, contour plowing, and cover crops are among these ways. Terracing is extremely necessary on land that is sloping or unlevel. It prevents soil from being washed away by heavy rains. Deep plowing is one of the best ways to build up soil. It brings up fertile soil that does not blow or wash away easily. Deep plowed soil permits water to sink into it instead of running off. In that way deep plowing also prevents water erosion. Contour plowing is a type of conservation that no one could possibly find a reason for not using. To contour list, the farmer plows with the lay of the land. Contouring is a preventing method against erosion by water and wind. Contouring is necessary on perfectly level land; there are few farms in our county that would meet that qualification. The use of cover crops not only prevent soil from blowing and washing away, but they also put minerals into the soil that have been taken out by other crops. Cover crops consist of a great many varieties. Cover crops may be grasses, hay, such as alfalfa, clover, and legumes. These crops can be cut and baled. In that way the soil can be built up and kept in production with profit to the owner.

I have had a little experience with conservation, but not enough to be completely enlightened on the subject. I have had some dealings with deep plowing and contour plowing. In 1950 Ed Mooring plowed thirty-five acres for us. Cotton was planted on the deep plowed soil and also on the soil that was not. The first few weeks after the cotton came up, the plants, on the average, grew about equally on both the deep plowed and the other soil. Then the plants on the deep plowed soil began to gain on the other plants. In July the sun was hot, and no rain came to cool it or to put moisture into the fast drying soil. Plants on the deep plowed soil continued to grow, but the other stopped. After two more weeks of dry weather, the plants on the deep plowed soil quit growing, but the other plants were burning. At harvest time the cotton on the deep plowed soil averaged fifteen to twenty-five bales per stalk. The other averaged five to ten. My experience with contour plowing is rather limited. In 1951 five acres of our land was not contoured. The rows ran straight against a terrace. They carried the water against the terrace. The running of the water cut the terrace in three places. One of these cuts was three feet deep. Soil from the five acres is now washed onto the other soil. These terraces have been contour listed. In 1950 this same piece of ground was contoured and the terrace was not cut by water erosion. That proved that contour listing prevented water erosion.

It has been proved many times through personal experiences and by research groups that conservation provides a better producing soil. This brings more crops to market, keeps prices on a good level, and keeps the nation well supplied with material. The soil is kept fertile for future crops by conservation, just as the soil is kept fertile for present crops. The results of conservation are better crops, better soil, and, therefore, a better living for the farmers, merchants, and other workers.

spirituals and traditional A Cappella music of many lands.

Each year the choir has presented over one hundred concerts. Members of the group have appeared before the Student

Week at Ridgecrest, the So Baptist Convention, both ago and San Francisco, numerous radio and television programs, many civic clubs and across the Southland.

### Wayland College International Choir To Perform Here

The Wayland International Choir from Plainview, Texas, will appear here in the High School Auditorium on May 2nd at 3:15 p. m. and at the First Baptist Church at 7:30 p. m., according to announcement made today by J. C. Arthur, Music and Educational Director of the First Baptist Church here.

Conductor of the choir is Shelby Collier, head of the college's Division of Fine Arts. Mr. Collier has had wide experience as conductor of choirs of every type.

The colorfully-dressed choir of 35-voices represents students from many states and nations and sings in ten different languages. The picturesque costumes were obtained from the students of the nations, missionaries, friends of the school and professors who have visited various countries and are valued at more than three thousand dollars.

A varied program of both religious and secular music is included in the repertoire as the choir sings music of Mexico, Latvia, Russia, Hawaii, Sweden, Italy, American Indian Chants, China, Japan, Brazil, Negro

### IT'S THE LAW in Texas

A public service feature  
of the State Bar of Texas

#### COURT RULES PROTECT RIGHTS AND INSURE FAIR TRIALS

Many people regard rules of legal procedure as mere tools of delay, of concern only to lawyers and judges. Far from this, they are instruments of justice, and of real significance to all of us. Procedure is the lubricant which

makes the machinery of uniform justice run smoothly.

The law is composed of two parts—the substantive and the adjective law. The substantive law defines rights, duties and remedies; it enforces contracts and rights wrongs; it describes crimes and sets up penalties. People can usually see the value of substantive law. Adjective law deals with legal procedure and describes the steps a person must take to invoke the substantive law.

Some of our most important rights are to be found in the body of procedural law. For example, as a people who want justice to prevail, we like to think that every man, rich or poor, shall have his day in court. This is an important right, for a day in court implies more than merely

the right to have your say before a judge and jury.

Your day in court implies that you shall have the right to be properly represented, to have your case presented before an impartial jury and an unbiased judge, and to have a reasonable time to prepare for the trial. It holds that you shall have proper notice of the action against you; that the complaint or indictment shall state a clear cause of action. It means that you shall be confronted by your accusers; that you shall have the right to cross-examine them; that you shall be able to present evidence in your own behalf.

Finally, the law governing procedure tells you how you may appeal your case to higher courts when you feel that you have not had a fair trial or that a prejudicial error has been committed in the trial court.

Much of our procedural law comes down from centuries of experience in the courts of other lands. It was inevitable that

through the centuries some of the procedure would become cumbersome, obsolete and difficult. For this reason the history of procedure has been characterized by great periods of reform. In America we have experienced many advantageous changes in our laws governing the procedure of courts and administrative agencies. There is a growing custom in the United States of giving the courts the power to revise their rules in certain fields.

Our Texas rules of civil procedure are made by our state Supreme Court. The Court is constantly striving, with the recommendations of the practicing lawyer, to improve these rules. The aim of the Supreme Court is to provide a uniform and relatively simple set of rules for dispensing justice with a minimum of delay.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who

## GARDEN CLUB

The first meeting of the Garden Club for the 1952 Club year was held in the Patching Club House Thursday afternoon.

Hostesses were: Mesdames Barcus Antrobus, Jack Brooks, John Goldston, Edwin Eanes, Lee Holland and Rolfe Brumley.

A lovely arrangement of yellow Narcissus decorated the entertaining rooms.

A short business meeting was held with the president, Mrs. Wanda Phelan, presiding. Mrs. Warner was elected vice-president. Mrs. Pete Kunz briefly discussed Federation of Garden Clubs.

Mrs. Frank White Jr., the program leader, introduced Mrs. Cap Morris, who reviewed Bellman Partridge's, "The Old Oaken Bucket," in such a charming way that each listener thoroughly enjoyed the whimsical humor of the book.

The tea table was laid with an imported hand made cloth and centered with an unusual arrangement of vari-colored stock and featuring a dainty umbrella which was shown in anticipation of an "April Shower."

Mrs. Frank Phelan Jr. presided at the silver service and Mrs. J. H. Howze served angel food cake.

Each member invited a guest and this brought the list to nearly forty who enjoyed this lovely party.

## BIRTHDAY PARTY

Mrs. Bill Mooring gave a party, April 14, honoring her son, David, on his 4th birthday.

Those to enjoy the occasion were Terry Moore, La Nita and Sherry Fedric, Mike Graham, Larry and Garry Mooring, Sue Phelan, Beverly and Wayne Leathers, and Donna Kay Tomlinson.

## H. D. CLUB

Mrs. G. A. Anderson entertained members of the Home Demonstration Club in her home Friday afternoon, April 18. Mrs. N. L. Jones was assisting hostess. Mrs. Clyde Butler, president, presided over the business meeting. The group voted to send May baskets to Shut-ins May 1st.

The program was presented by Mrs. Ed Speed who gave a demonstration on Textile Painting. Mrs. Speed had on hand a number of paintings she had done. Mrs. A. P. Todd also read a poem, "A Prayer to Friendship."

Refreshments of sandwiches, cake and punch were served Mesdames A. P. Todd, Geo. Green, O. C. Watson, M. C. Rumpy, J. C. Gibbs, R. C. Bingham, W. L. Jordan, Clyde Butler, Claude Darden and Virgil Poole by the hostesses, Mrs. G. A. Anderson and Mrs. N. L. Jones.

The next meeting will be held in the home of Mrs. R. C. Bingham assisted by Mrs. J. C. Gibbs.

## CHAMBERLAIN CLUB

The last meeting of the Chamberlain Club was with Mrs. A. B. Ivey. During the afternoon Mrs. Edd Speed gave us a very interesting demonstration with textile painting.

Delicious refreshments of ice cream and angel food cake were served to Mrs. Speed and her aunt and Klyda Blackman, Ruby Blackman, Maggie Ivey, Willie Hott, Corrine Harrison, Ima Jean Harrison, Mary Myers, Mary Mann, Vivian Allen, Gertrude Reid, Nelda Jones and hostess, Laura Ivey and children Monty Blackman, Carolyn Harrison, Mike Jones, and Tommy Ivey.

The next meeting will be May 1st with Mrs. Wayne Ivey. Every body bring your thimble so we can quilt.

## MARTIN QUILTING CLUB

This club met with Mrs. Willie Roberts in her lovely new home Thursday, April 17. A large crowd enjoyed the day. Two quilts were most finished. A lovely lunch was served buffet style. Visitors were Mrs. Walter Hutchins, Velma Hodges, Mrs. Nichols and Mrs. Pool. Members were Montie Kidd, Lizzie Morrow, Blanch Higgins, Margaret Waldrop, Eunice Land, Lela Bulman, Della Barker, Ruby Jordan, Lois Sibley, Nola Hill, Melba Risley, Willie Roberts, Ruth Gibbs, Rosie Bingham, Emma Davis, Pearl Terry, Eula Butler, Allene Talley.

Our Friendship spirit was grand. We urge every one to come to our next meeting which will be with Mrs. Nola Hill May 1st. We welcome our visitors to come be with us. We are to have a social for families and friends at Martin school house May 2nd. We will be looking for you.  
Reporter, Ruby Jordan.

## F. H. A. NEWS

Reported by Belva Smith  
The Clarendon F.H.A. girls entertained the Clarendon F.F.A. boys with a hamburger fry Monday night at 7:30 in the Home-making Department.

After the hamburger fry, games of 42, dominoes and canasta were played. There were 29 boys and 22 girls present with our sponsors, Miss Loyd Richerson and Mr. Tom Seay.

## BIRTHDAY DINNER

A dinner was given at the Clyde Barker home Sunday honoring Mrs. A. W. Hatley on her 87th birthday.

Those to enjoy the affair were Mr. and Mrs. L. A. Hatley, Mr. and Mrs. Leon Hatley, Mr. and Mrs. Billy Hatley and children; Mr. and Mrs. J. E. Brock and son, and Pat Hatley Haynes all of Amarillo; Mrs. Katrina Aduddell and Jimmy of Andrews, Texas; E. L. Bayers and family of Lakeview; J. E. Hatley, Jr. and family of Brice; Mr. and Mrs. J. W. Hatley, Sr. of Leslie; Mrs. A. W. Hatley and C. A. Hatley of Brownwood, Texas; Marianne Lemons and the hosts, Mr. and Mrs. Clyde Barker and family of Clarendon.

Pvt. James O. McKee returned to his base at Ft. Belvoir, Virginia Friday after spending a 15 day furlough with his parents, Mr. and Mrs. Geo. McKee.

## ANNOUNCEMENT

Mr. and Mrs. C. E. Underdown announce the engagement and approaching marriage of their daughter, Lola Mae to Hollis Wayne Carroll, formerly of Clarendon.

## TEXAS MU GAMMA MEETS THURSDAY

The Texas Mu Gamma chapter of Beta Sigma Phi will meet Thursday evening at 8 o'clock in the home of Frieda Gray.

## P. T. A. NEWS

The Sims P.T.A. met in regular session Thursday afternoon in the Junior High School Auditorium. In the business meeting, Mrs. Roy Clyde Jenkins was elected Health Officer. Mrs. J. H. Headrick's room won the \$1 for attendance. Students of the second grade presented a very interesting and entertaining program. Following the program, the group adjourned to the Art room in the basement of the school where Mrs. Glenn Hoggatt exhibited work done by her Art Classes this year. Attendance was reported good.

## RECENT BRIDE HONORED WITH SHOWER

Mrs. Richard Salmon, the former Doris Crawford, was honor guest at a miscellaneous shower Monday evening at Patching Club House. Hostesses were Mesdames Carl Pittman, Cody Wilson, Pete Borden, Jimmy Mitchell, Carmen, Dick Vallance, and Tommie McNeal.

Mrs. McNeal, Mrs. John Henry Crawford, and Mrs. Richard Salmon formed the receiving line. Mrs. Joe Shadle registered guests' names in the bride's book. Gifts were displayed on tables.

The table in the dining room was laid with a lace cloth. The centerpiece was made up of a miniature bride and groom, small white flowers and streamers. Jeannie Pittman and Ruth Raney assisted by Patsy Wallace presided.

Twenty-five guests attended and 37 sent gifts.

Mrs. Carrie Dennis of Memphis, Texas and Mrs. Myrtle Amberson of Hollis, Oklahoma visited in the home of Mr. and Mrs. M. L. Rattan Wednesday afternoon. Both are cousins of Mrs. Rattan. This was the first time Mrs. Amberson and Mrs. Rattan had seen each other in 45 years.

**WHERE THE IMPERIAL MAMMOTH ROAMED**—Considered proof of man's existence in the western hemisphere 12,000 years ago are these bones of an Imperial Mammoth and four ancient weapons found by National Museum of Mexico archeologists. The remains of the extinct variety of elephants were found 35 miles north of Mexico City.

## GOLDSTON QUILTING CLUB

Mrs. Edna Hudson entertained the Goldston Quilting Club with a party Thursday afternoon, April 17. Each one carried their work.

Refreshments were served to Nina Dale, May Pearl McDonald, Blanche Gray, Oddie Moss, Adgar Williams, Lucille Dale, and hostess, Edna Hudson.

May Pearl McDonald and Willie Putman received polyanthas. The next quilting will be with May Pearl McDonald, Thursday, May 1st.

—Reporter.  
Mrs. Carrie Dennis of Memphis, Texas and Mrs. Myrtle Amberson of Hollis, Oklahoma visited in the home of Mr. and Mrs. M. L. Rattan Wednesday afternoon. Both are cousins of Mrs. Rattan. This was the first time Mrs. Amberson and Mrs. Rattan had seen each other in 45 years.

## GROUP ATTENDS HOMEMAKING MEETING IN CANYON

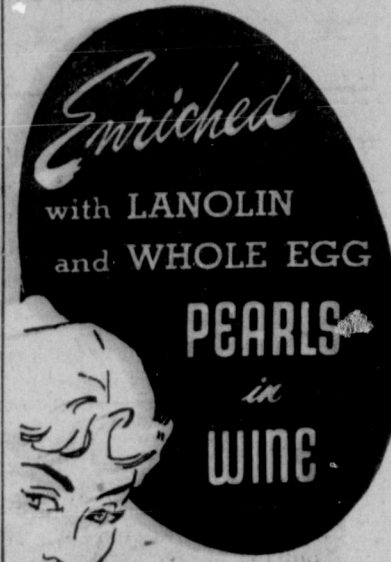

Miss Loyd Richerson and several of the students of her Homemaking Classes attend Open House at the Homemaking Department of WTSC in Canyon Saturday. This was an all day meeting with an interesting program and tour of the WTSC campus.

Included in the program was several numbers presented by a boys quartet. Miss Ruth Cross, head of the Physical Education Department, WTSC, introduced a group who carried out a number of European dances. Lunch was spread on the tennis courts, and a tea was held in the home of Dr. James Coronett.

Those attending from Clarendon were Miss Loyd Richerson, Wanda Elliott, Eva Lane, Patsy Jackson, and Jacquetta Briggs.

Mrs. Lena Antrobus returned home Sunday after a visit with her daughter, Mrs. Maedgen, at Lubbock.

Mr. and Mrs. M. L. Pittman were guests in the home of the Alvin Pittman family at Martin Saturday night.

### Trade Development And Promotions Committee Will Meet Tonight

The Retail Trade Development and Promotions Committee of the Chamber of Commerce will meet tonight (April 24) at 8:00 P. M. at the American Legion Hall. William Skelton is general chairman and co-chairmen are Bill Todd, Glenn Hoggatt, W. B. Smith, Alvin Landers and Homer Estlack.

The chairmen have mailed letters to all business people and everyone interested in the four main projects of the Committee is especially invited to attend.

The four main projects of the Committee are (1) a town wide sales promotion, or trades day, (2) the development of a solicitation control plan, (3) uniform closing hours and (4) a Welcome Newcomers to Clarendon plan.

"There may be someone that we have overlooked in sending out the letters on tonight's meeting but it is purely an oversight and we want everyone to know that the meeting is open to the public. This meeting is for all the retail and service establishment owners and operators of Clarendon, regardless of whether or not they belong to the Chamber of Commerce and we want everyone to attend and express their ideas," Skelton said.

Donley County Leader, \$2.50 year

### TOO LATE TO CLASSIFY

FOR SALE—2 lots, 100 ft. wide x 164 ft. long, 7 blocks east of stop light on hi-way 287. See Sam Tankersley. (11-p)

### BAND AND ORCHESTRA PARENTS EXPRESS APPRECIATION

The Womanless Wedding, sponsored by the Band and Orchestra Parents Organization and presented last Thursday and Friday evenings, was a huge success as reported by those attending. Characters did a splendid job of portraying their parts as did the others who had a part on the program.

The organization would like to express their thanks to Mrs. Christine Grace, Mrs. Early Lane, the entire cast, all of those taking part on the program and all others who helped make the entertainment possible. Also thanks go to You, the Public for your support. It is this spirit of cooperation which helps build a bigger, better band.

Mrs. Frank White, Jr. attended a dinner in the Blue Room of the WTSC Cafeteria in Canyon Monday night honoring P.T.A. district president, vice-president, and 8 district Chairmen. Mrs. White is a chairman. The dinner was given thru the courtesy of the Canyon Rotary Club, Lions Club and Board of Education.

Guests in the home of Mr. and Mrs. Bill Patman Sunday were Mr. and Mrs. Allan Patman and family, Mrs. Phil Engel and family, all of Borger, Ardis Patman, Charlie Murphy, and Mr. and Mrs. Bob Word, all of Amarillo, Mrs. Myrtle Boles and Miss Dorothy McCormack of Houston.

Air Cadet Dean A. Wadsworth, who spent ten days here visiting his parents, Mr. and Mrs. D. F. Wadsworth, left Monday last week for Kinston, North Carolina where he will continue his training.

### SPLASHING FIRST

### SLOPPY SECOND

**THE MIRE THE MERRIER**—How many of the 26 entrants in the annual Northwest Motorcycle "Mud Race" are still buried in the mire of the rugged course outside Seattle, Wash., is anyone's guess. Kicking up a spray of mud and water, "Red" Farwell, left, of Puyallup, Wash., skids through a deep mud hole as he comes down the home stretch. He sloshed his way around the half-mile bog 15 times to win in one hour and 12 minutes. Donna Walters, right, of Seattle, gets a helping hand after her "steed" skittered out from under her. Donna, one of two women in the race, remounted and finished second. She and Farwell were the only two to actually finish the muddy event.

### CLARENDON BAND TO McLEAN FOR CELEBRATION

Members of the Clarendon Band attended the annual celebration at McLean Saturday as guests of the McLean Chamber of Commerce. Approximately 50 students gathered at the High School that morning and left by bus to take part in the festivities.

In addition to leading the parade at 10 o'clock, they attended a free barbecue and the rodeo in the afternoon.

Others making the trip were the bandmaster, Mr. Blevins, Mrs. J. G. McAnear, Mrs. Ed Mooring and Jimmy Faulkner, manager of the Clarendon Chamber of Commerce.

Mrs. Carroll Knorpp, Mrs. Eugene H. Noland, Mrs. W. J. Lewis, Jr. and Mrs. John Ellis of Dallas, attended the Style Show at the Amarillo Club in Amarillo last Wednesday.

Mrs. Frank Phelan, Sr., Mrs. Homer Estlack and Mrs. Lawrence Neece attended the district P.T.A. meeting at Canyon Tuesday.

Among those to attend the Bankers Convention in Lubbock Sunday and Monday were Mrs. Harold Bugbee, Ardith Butler and Miss Anna Moores.

### Health Notes

AUSTIN—This is a story about flies, told by a man who despises them for the disease they spread.

"Flies are one of the few species of life which does absolutely no good on this earth," State Health Officer Geo. W. Cox charges. "Other insects are annoying, but they earn their existence by pollinating plants or by feeding on less desirable forms of life. But not flies."

He says the black swarming insects have but one saving grace: their short lives. A fly reaching maturity in the spring won't live to annoy autumn picnickers. One reaching adulthood in the fall might make it through the winter, but by spring he'll be aged and feeble, too old to pester folks out to witness the wonders of the fresh new season.

But during its lifespan, Dr. Cox says, a fly is extremely prolific. If a single pair begin their family in April, and if all their progeny live, there would be countless millions by fall.

"That's no pipe dream," the doctor said. "It's based on the most accurate entomological evidence."

In case you have ever wondered how far a fly can fly, Dr. Cox has the answer to that one, too. He says entomologists have found an energetic one can cover up to 15 miles in one day without the aid of wind currents. How did they find out?

They trapped one, fed him radioactive phosphorus and set him loose. Retrapped, experimenters used a Geiger counter to make the identification. He was 15 miles from the starting point.

There's only one answer to the fly problem in Texas, Dr. Cox believes. He says cleanliness, using chemical science as a tool, will keep them under control.

"And start now," he advises. "This weather is ideal for fly breeding."

He doesn't like flies at all. Breaths there a man with soul so dead, who's never ever turned his head—and sed—"Hmm, not bad!"

Mrs. John B. King and children Mike and Viki Lynn spent a week with her parents, Mr. and Mrs. D. F. Wadsworth. Dean and Mr. and Mrs. Wadsworth took her home on Saturday. Douglas Wadsworth of Austin met the family in Ballinger for the week end.

Mrs. L. O. Dennis of Memphis, and Mrs. Homer Amerson of Hollis, Okla. visited in the home of Mr. and Mrs. Dick Vallance and family Wednesday.

Sgt. Ralph R. Percival of Carswell Air Force Base, Ft. Worth, arrived home Monday morning on a 15 day furlough. He will visit his parents, Mr. and Mrs. Herman Percival.

Mr. and Mrs. Joe Shadle visited in the home of his sister and husband, Mr. and Mrs. Ray Pittman, in Amarillo Sunday.

Mrs. Dick Vallance and Mrs. Joe Shadle visited in Hollis, Okla. Thursday.

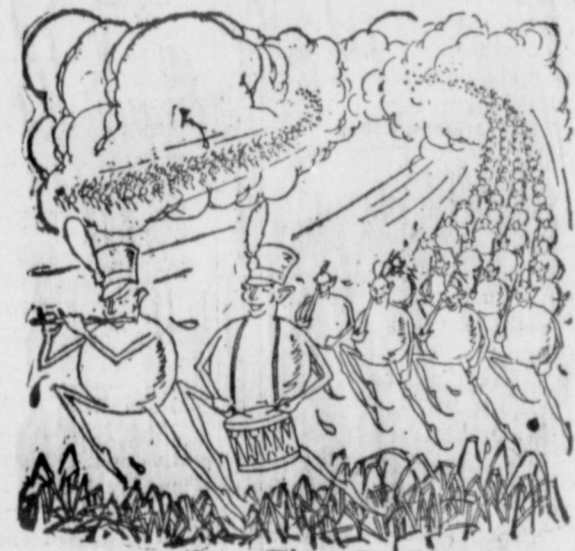

The Bible contains more references to laws and advice concerning agriculture than any other occupation of man.

A lot of auto accidents would be eliminated if the man behind the wheel would quit hugging the wrong curves.

There is a greater demand for people of character today than anytime in our history.

**To The People of The 18th District**

By Cong. Walter Rogers  
**THE ARMED SERVICES APPROPRIATIONS CUTS:**  
You will recall that the Appropriations Committee cut the request of the Bureau of the Budget by the sum of \$4,240,638,500. The bill, when it came to the floor, called for expenditures of \$46,680,384,270 for the fiscal year 1952-53. This amount is \$10,000,000,000 less than the amounts provided for the current or present fiscal year. However, the House was not completely satisfied with the cuts and pro-

"BODYGRAPH"—Conrad D'Angelo demonstrates his new invention for taking his clients' measurements at his Paris tailoring establishment. The "bodygraph" passes over photographic seams of a special vest, giving the inventive tailor a set of "perfect measurements."

ceeded to swing an additional axe, which resulted in additional cuts of \$135,600,000, \$130,000,000, \$45,000,000 & \$140,000,000. There were other amendments designed to result in savings, such as the limitations on transportation and crating and barring the use of funds for other purposes. Probably the most important amendment was the amendment offered by Congressman Smith of Virginia for limiting expenditures of the military in 1953 to \$46,000,000,000. It is difficult at this time to tell whether or not this amendment will result in measurable savings, but its effectiveness lies in the fact that it is definite notice to the military that the Congress does not intend to tolerate loose business practices in military expenditures. There is much talk on the floor of the formation of a civilian control council to screen military expenditures af-

ter the money is placed in the hands of the military by the Congress. The tremendous size of the military establishment makes it humanly impossible for the few members on an appropriations subcommittee to ferret out all of the transactions that result in a waste of taxpayers' money. The ultimatum of this Congress to the military is unmistakable and unambiguous. Unless the military takes heed and plugs all of the leak holes, the formation of a civilian council on expenditures is almost a certainty. I am convinced that the military is trying to do an excellent job in most instances and will certainly cooperate in all respects should it be the sense of the Congress that such a civilian control council should be created. People having knowledge of wasteful practices in any governmental operation should report them immediately

to the members of Congress representing their districts. Although some of these may not be as wasteful as they appear on the face, many of them will be well founded and much money can be saved. The taxpayers are entitled to value received for every tax dollar spent and it is the duty of all of us to be constantly vigilant.

If a meteorite falls on your property, it is legally yours.

Mr. and Mrs. Forrest McCrary spent the Easter Holidays with their daughter, Alice, who is attending Mary Hardin Baylor University at Belton. They were present for the annual Easter Pageant presented by students of the school and reported it to be a splendid and unusual performance. On the return trip home they visited relatives at Snyder, Hart and Tulla, arriving in Clarendon Wednesday.

**FORD WINS AGAIN!**  
TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

**Mobilgas Economy Run**

Ford's the Class "A" Winner for 3rd Consecutive Year!

**New Ford Mileage Maker SIX Thriftiest in its Field!**

Again this year... Ford was first in gas economy over all cars in its price class in the Mobilgas Economy Run. In this toughest test, a Ford Six with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon. A very important contributing factor is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. Pound for pound, Ford's All-New Mileage Maker Six is definitely the most economical low-priced car to run!

The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!

HERE'S THE CERTIFIED PROOF

## FARM NEWS

From the County PMA Committee

### COTTONSEED SUPPORTS ANNOUNCED

Price supports on the 1952 Cottonseed crop will reflect 90 percent of parity. B. F. Vance, Chairman of the State PMA Committee, announced. Supports will be made effective through loans, purchase agreements and purchases.

Loans on cottonseed will be available at \$66.40 per ton for basis grade (100). In areas where a purchase program may be necessary, purchases will be made at \$62.40 a ton. These rates compare with 1951 crop loans at \$65.50 per ton and purchases at \$61.50.

Other provisions of the support program will be developed and announced later, at which time details may be obtained through PMA commodity, State and county offices.

### WHAT ABOUT YOUR LOAFER LAND?

Cull sows, boarder cows and loafer hens move to market, but what about the fields that fail to carry their share of the farm production load? What about the cull land, the boarder field and the loafer acres that are not doing their share in meeting the production goals for 1952?

On many farms there are fields which are just "marking time" which could be brought into full production through conservation.

As suggestions pastures may need lime and phosphate, even plowed up and seeded again to more productive grasses and legumes.

Woodlots may need to be fenced off to protect seedling trees. They may need to be thinned out and protected against fire.

Some fields may need to be

drained. Others may be made more productive through green manure crops.

The Nation's welfare is so closely tied to the productivity of the land, the Nation, through the Agricultural Conservation Program, is cooperating with the farmers in carrying out approved soil and water conservation practices. Through this program farmers are making cull fields more productive through conservation.

### RYE AND WINTER LEGUME APPROVALS

If you have not reported your Rye and winter legume practices at this time, remember that May 1, 1952 is the date set by the county committee to report.

### CONSERVATION REQUIRES LARGE OUTLAY

"High producing pastures pay well in the amount of feed they produce and the high per acre value of their production, but they do require a relatively large outlay of money and work."

Figures gathered on dairy farms by the South Carolina experiment station show that in the 1949-50 season it cost over \$75 per acre to establish a ladino clover-tall fescue permanent pasture. This covered lime, fertilizer, seed, tractor and other machinery expense and man labor. It costs more than \$20 an acre a year to maintain such a pasture. The largest single item of that expense was for fertilizer.

### Attend Dallas Presbyterian

Others to attend the Dallas Presbyterian in Amarillo Tuesday and Wednesday in addition to those listed last week were Mrs. Heckle Stark, Mrs. Chas. Blackburn, and Mrs. Millard Word.

Mrs. Robert Davis and Mary Neal visited relatives in Amarillo over the week end.

### Generators For Cloud Seeding Set

"The generators have been set to seed the clouds with silver-iodide crystals. The effectiveness of the operation to date is undetermined but one thing is certain: We have been getting some much needed moisture since April 1st," Lee Shaller, Chairman of the

REV. J. TRAVIS GIBSON

### REVIVAL TO BEGIN SUNDAY AT GOODNIGHT BAPTIST CHURCH

A Revival meeting will begin Sunday, April 27th and continue through May 4th at the Goodnight Baptist Church. Rev. J. Travis Gibson, Evangelist of New London, Texas, will do the preaching and Miss Inez Blankenship will lead the song service.

Services will be held twice daily; 11 a. m. and 8 p. m. The pastor, Rev. P. A. Powell, extends a cordial welcome to the public to attend all services.

Donley County Moisture Improvement Association said this week. "Ford Hubbard claims that twenty-five percent, or more, of the moisture is the result of the cloud seeding," Shaller continued.

The first news letter of the two-state association has been published but has not yet been received by all the members of the Donley County Association as the addressograph has not yet been placed in operation. The forecasts cannot be published.

Generators have been placed at several points in Texas, Okla., and New Mexico. There is a generator at Clarendon, or in the immediate vicinity. The operator has not been learned. If anyone knows the location of it and the operator, please leave the information at the Leader office, or report it to Lee Shaller or Jimmy Faulkner at the Chamber of

Commerce. As soon as it is learned where the generator is located and who is operating it, the information will be published so that people can see and inspect it.

The generators that were in operation on the advice of the Denver office of Dr. Krick during last week were at Seymour and Pampa, Texas and Guthrie and Mangum, Okla.

Donley County has not yet made its complete contribution to the two state association and land owners and operators are asked to leave their assessments at the First National Bank, with Lee Shaller or Jimmy Faulkner at the Chamber of Commerce.

### Local Band Leads Parade at McLean

Nearly four thousand visitors to the annual Pioneer Day and Rodeo celebration in McLean last Saturday saw the Clarendon High School Band take the lead position in the parade at ten o'clock. Heading the parade was a color guard of the Clarendon

American Legion Post. Members of the color guard were Alfred Taylor, Keith Bain and Jimmy Faulkner and John Pounds, of Wellington, all members of Clark-Brock Post 126. Immediately behind the color guard was the Clarendon High School Band under the direction of Bandmaster Blevins.

After a free barbecue at noon the Clarendon visitors saw the afternoon performance of the rodeo. They returned to Clarendon about five-thirty.

During the rodeo performance the Clarendon delegation was much in evidence in the grand stand and around the rodeo grounds with bright orange streamers on their shoulders reading CLARENDON.

The trip to McLean and participation in the parade was a function sponsored by the Publicity and Goodwill Committee of the Chamber of Commerce. B. L. Graham is general chairman of this committee.

Among those accompanying the band members were Mrs. J. G. McAnear and Mrs. Ed Moor-

### Town Being Hit By Dog Poisoning

Mayor Major Hudson reported yesterday that he had received several reports of dog poisoning within the city the first of this week. Several dogs were poisoned in the southeast and southwest parts of town. Whoever is doing this poisoning could be prosecuted for such if apprehended. It is a danger to our children as well as killing their pets, as small children are liable to come in contact with this deadly element, Hudson stated.

Everyone should keep their dogs up if at all possible so they can't get to any poisoned food that may be put out by some ruthless person. It is certainly hard for a youngster to see his pet die a horrible death. We are asking for everyone's cooperation in this matter, Mayor Hudson added.

Mr. and Mrs. T. G. Wiley and boys moved to Amarillo last week to make their home.

**Soil Conservation District News**

Now it can be told! The Donley County Soil Conservation District hit the jackpot with two of its entries in the Ft. Worth Press Save the Soil and Save Texas awards program.

T. C. D'Spain, S.C.D. farmer and rancher, 15 miles northeast of Clarendon, was selected as the outstanding conservation farmer in the State of Texas. D'Spain will receive a \$500.00 cash award at the Seventh Annual Fort

Worth Press State Soil Conservation Awards Dinner to be held May 1, at 7 P. M., Texas Hotel, in Fort Worth.

The other winning entry was in the Soil Conservation District division. Announcement was made by Delbert Willis, Soil Conservation Director, of the Fort Worth Press, to J. R. Porter, Chairman of the local SCD Board of Supervisors, that the Donley County Soil Conservation District was selected as the outstanding district in Region I which includes the Panhandle of Texas.

The District will receive a

\$500.00 cash award at the Regional Soil Conservation Awards Dinner to be held in Lubbock on May 26th.

Plans are being made to charter a special bus to take a group of business and professional men, farmers and ranchers, to the awards dinner in Ft. Worth on May 1.

This certainly should be a worthwhile trip for all who go to pay the proper respects to D'Spain as well as the local Soil Conservation District.

The winning of these awards by D'Spain and by the Donley

County Soil Conservation District should be of much help in giving more publicity to the district movement in this area, and to increase the interest of soil conservation among the business men as well as farmers.

**To The City Taxpayer**

Due to the time element and increasingly heavy spring and summer schedule your garbage and trash collectors will be able to pick up your garbage and trash once every ten days and possibly as many as four times per month if the weather permits and the collectors have better citizen cooperation in the future than they have had in the past. Following are some of the don'ts.

1. Don't continue to keep and fill a barrel or container if the bottom has rusted or burned out. Get a good barrel.
2. Don't burn the contents in your barrel until after 4 o'clock in the afternoon or your barrel will not be emptied.
3. Don't fill your barrel with rocks and dirt because it will be too heavy for two men to lift. 50 lbs. is the limit.
4. Don't pile grass cuttings, leaves, limbs or any other rubbish around your barrel or in piles on the ground. Put it in boxes, sacks, or some kind of a container. The collectors cannot haul trees, but will haul tree limbs if they are no longer than five feet.
5. Don't hide your barrel where the collectors have to roll it thirty or forty feet to empty it. Place all containers on the edge of the alley so that the truck can get within a few feet of your garbage and trash. The collectors shouldn't have to open any gates or drive on to your property to empty your containers.
6. Don't call the commissioners or City office to raise cane about the service unless you have abided by the rules and regulations. If your claim is justified, the Board will give it immediate attention.

**MARTIN**  
Mrs. W. H. Morrow

Mr. and Mrs. George Bulman and Mr. and Mrs. Richard Cannon visited over the week end in Dallas and other points.

Mr. and Mrs. Walter Morrow visited in Amarillo from Friday until Sunday with their children.

AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM.

ABOUT twenty years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism.... It will bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheist principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics.

COMMUNISTS declare theirs is simply the "scientific" application of the teachings of history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD."... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century.

CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe; COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF THE STATE.

THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being threatened by Communist enemies. For the sake of all that is dear to you... attend your church and support her good work.

A 3/c Kenneth Jackson of Wichita Falls was home over the week end.

drums, the smaller made of two coconuts, the larger of a native tree with a head fashioned from shark skin. Jolly designed her own costume along lines of ancient tradition. She also performs with other members of the choir, an intricate bamboo rhythm selection.

This marks her third year with the Wayland International Choir.

The 35-voice choir, under the direction of Conductor Shelby Collier, presents a unique and interesting concert. The first half of the program is devoted to traditional A Cappella music, while the second half presents a gay, international spirit with members of the choir wearing costumes of many nations.

Among selections heard will be James' "Almighty God of Our Fathers," Kountz's "Prayer," Bach's "Jesus, Priceless Treasure" and Noble Cain's arrangement of "Religion is a Fortune." Also, there are spirituals arranged by William L. Dawson.

Numerous ensembles and special numbers are presented during the second half of the concert.

**McBRAYER REPORTS TO REESE AIR FORCE BASE**

A/3C (Airman Third Class) Odell L. McBrayer, husband of the former Miss Nelda Morgan of Naylor Route, Clarendon, Texas, recently reported to Reese Air Force Base, Texas for assignment with the 3502nd Maintenance Squadron.

McBrayer, a graduate of Clarendon High School, enlisted in the Air Force in January 1951. Prior to his assignment to Reese, he was stationed at San Marcos Air Force Base, Texas.

Reese is twelve miles from the West Texas city of Lubbock. It is

one of two advanced multi-engine pilot training bases. Cadets receive their last six months of training here and upon graduation receive commissions as second lieutenants in the United States Air Force Reserve and their silver pilots wings.

Mr. and Mrs. J. C. Bowman of Bowie are visiting their daughter, Mrs. M. J. Gibson and family here. Mr. Bowman is meeting a number of former Jack County folks whom he knew in the old days when they were boys together.

The big advantage in having more than one child is that they climb over each other instead of over mom and pop.

# IT'S A LAW

## EFFECTIVE APRIL 26th, 1952

Our Federal Government has passed the Durham-Humphrey bill which includes the following practices as federal offenses:

1. Selling or dispensing any drug labeled "to be used on prescription only."
2. Refilling of any prescription for prescription drugs without the authorization of the prescribing physician.

We appreciate the fine cooperation we have had from our customers in the past and know that you will understand when we are forced to say: "It's the Law."

## Look who's crowding "the low-priced three"

THE price of a car has a lot to do with the number of folks who can afford to own it.

So the leaders in sales — for almost a generation—have been three cars whose bid for popularity has included a potent price appeal.

But who do you think is right on their heels? Who has led the field, outside "the low-priced three"—ever since 1938?

Well, sir, the name is Buick.

You get more pounds of real automobile when you buy the Buick pictured here.

You get more power. You get "big-car feel."

You get an honest-to-goodness Million Dollar Ride.

You get, in other words, an all-round money's worth of great engineering that makes any Buick—SPECIAL, SUPER or ROADMASTER—a standout buy in its field.

That's not just our say-so. It's what car buyers have said with their hard-earned dollars, year after year.

We think you ought to find out for yourself what these other folks have discovered.

We think you ought to find out why so many Buick buyers are trading in one of the so-called "low-priced three."

We think you ought to compare the size, compare the performance; compare the price, because we know what you'll find out:

If you can afford a new car, you can afford a Buick

Why not find out for yourself what's behind this popularity?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other series. †Optional at extra cost on ROADMASTER only.

Sure is true for '52

When better automobiles are built **BUICK** will build them

### ONLY BUICK PROVIDES THEM ALL

**DYNAFLOW DRIVE\***—great boon to easier driving, proved on more than a million Buicks

**FIREBALL 8 ENGINE**—of valve-in-head design, makes high compression count for more

**NEW WIDE-BAND BRAKES**—for smoother, more positive control

**MILLION DOLLAR RIDE**—with 4-wheel coil springing and road-steady torque-tube

**TOP-CAPACITY TRUNKS**—more luggage room than ever in most models

**NEW TWO-TONE INTERIORS**—in most models, grace Buick's Body by Fisher

**SWEETPEAR STYLING**—adds gleaming smartness to all models

Plus These, Too, On ROADMASTER: **AIRPOWER CARBURETION**—with highest horsepower in Buick history. **MORE MILES PER GALLON.** **POWER STEERING†**—greatly eases parking and turning, without losing that firm feel. **SILENCE**—so complete you can speak in whispers under way.

## If It's Building

OR REMODELING

We'll Be Happy To Help You With Any Problem or Estimate

... We are here to help you with any type of building ideas you might have, as well as, offering you a complete line of building materials. Feel free to consult us any time. Our quality building materials, paints, etc., will give you a finished product that you will be proud of.

# CHARLIE SEEDS BUICK COMPANY

# BLOWIN' Out the CORNERS

By Uncle Zeb

Every way we turn we find a different version of the rain-making story. One fellow claims that all that kept us from getting a real gully-washer last week was the telephone strike. It seems the clouds were rolling in from the east with their seams bursting with water. All that was needed, in the reader's opinion was some cloud seeding to set off the down-pour. It seems that the folks tried to call the main office and the strike was on I wonder if this is a rumor? I can't tell sometimes when someone is stringing me along. How about this Mr. Baker and Mr. Shaller?

It seems that all the help that Old Mother Nature got came from a laboratory maintained in the basement of radio station KGNC by their all-round handy man; Cotton John's right hand man on the early morning radio programs; a fellow known to us only as O. J. It seems that he cooked up a concoction called Gopher Dust, threw it into the air and took credit for the heavy sprinkles that fell in scattered localities. I mean all of the above remarks to be complimentary, and I sure wouldn't want to revive the old feud that used to exist between this column and the former promoters of these programs.

Still reading now and then from the little booklet called Highlights loaned to me by a friend. Here's a good thought in poem:  
Strew more flowers on the path-way of life;  
And fewer on graves at the end of the strife.

This definition of inflation was sent in by another reader:  
"Instead of not having the money you haven't got, you have twice as much, but it's worth only half of what you haven't got."

got." Read this somewhere; "The bigger a man's head gets the easier it is to fill his shoes."

Now for another little favor from all of you. One of my good friends is a bit under the weather. Pretty sick, in fact. Maybe too sick for you to go by to see him, but we can do this; drop him a card or a short letter. When he felt good he was the greatest card writer that I have ever known. Now that he is sick I know he would like to receive a whole shower of them. You will remember the name; just address them to "Uncle Bob" Robertson, Box 66, Washburn, Texas. As the above poem said; I will count it as "More flowers along the path-way of life" for both of us.

I wish every school boy could have heard the address last week by the man who Was A Communist For The FBI for nine years. I understand that it was

**NOTICE**

sponsored by Station KGNC, and if this be true we congratulate them. To know that in this, the greatest nation of freedoms in the world we could have people working night and day to destroy both our freedoms, our homes and our families, is almost unbelievable. We ask ourselves over and over how could any American be so dumb as to fall for this hideous slavery; this bondage to satan, yet it seems many do fall for this false and enslaving move-

ment called Communism. If every person could realize the awful truth, as this great citizen told it, I think it would go a long way in destroying this child of the devil, called Communism. If the people who refer to "Good Old Joe"; if the people who hesitate to insult them; if the people who harbor them in high places could realize this real danger to our way of life; surely we would awake anew to our responsibilities as a free people.

Anyway, congratulations to this great citizen who risked his life and is still risking it. Lived in disgrace in the eyes of his family and friends for nine years to bring us these first hand facts about this disease that is taking

other countries and gnawing and gnawing at the great United States. Also, thanks to Station KGNC for extending this invitation to all of us to hear this great story.

Do they call it the Wooden Anniversary just to remind a man what a blockhead he was?

Remember when hankies were two for a nickel, instead of two for a dollar?
