Services Held Monday For Pioneer Rancher

Funeral services were held Monday afternoon in St. John the Baptist Episcopal Church here for William Jenks Lewis, Sr., with the Rev. Charles Carman, Vicar and the Rev. Evans Moreland, rector of St. Andrews Episcopal Church of Amarillo officiating.

Mr. Lewis, 89, died Saturday night in the Gaston Hospital in Dallas. He was born in Frederick, Md., May 7, 1871. He came to the Panhandle with his parents in 1885.

Mr. Lewis was owner of the **RO Ranch** located northeast of Clarendon. Other ranches in the family's possession are the Shoe Bar and a portion of the Shoe Nail Ranch. In the early days, Mr. Lewis raised cattle in New Mexico, Kansas and Northwest Texas.

He was a charter member of St. John the Baptist Episcopal Church here and had been a resident of Clarendon 75 years.

Survivors include his wife, Willie; three daughters, Mrs. John Young and Mrs. J. Philip David, both of Dallas and Mrs. John C. Tatum of Corsicana; a son, W. J. Lewis, Jr., Clarendon, and nine grandchildren.

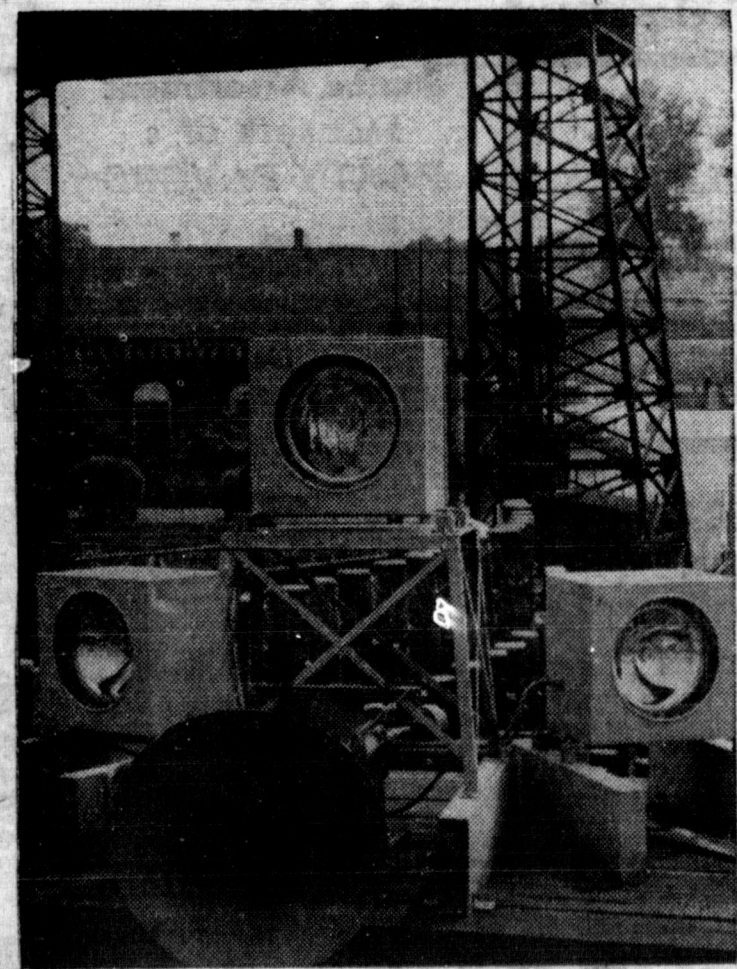

Pallbearers were Kelly Chamberlain, Johnnie Rex McClellan, H. T. Warner, Claude Moore, John Sims, Frank Derrick, Walter Knorpp, Clyde Slavin, Robert Boston and Tom Bugbee.

Burial was in Citizens Cemetery under the direction of Murphy Funeral Home.

Sheriff Issues Dog Poisoning Warning

Sheriff Truett Behrens issued a warning this week in regard to persons who have been poisoning dogs here in the City of Clarendon. He pointed out that it was unlawful to put out poison in addition to the chance of poisoning some innocent child.

He stated further that all dog owners should keep their dogs close to home as several dogs have been poisoned the past week. He also said that numerous complaints had been received by the Sheriff's office that dogs running loose were damaging property and killing chickens and other fowl. Such acts as these are very aggravating and will certainly bring about dog poisoning and shooting, he added.

ARMY'S LIGHT SYSTEM CUTS FOG—Strobeacon lamps on Army ferry ships prove effective in first application of the electronic flash approach system. Evaluating what is believed to be the first marine application of the 30-million candlepower strobeacons, the First United States Army reported their successful operation on its ferry ships at Fort Jay, Governors Island and South Ferry.

Baptist Revival To Begin Sunday

Revival services will be conducted for one week, July 31st-August 7th, at the First Baptist Church of Clarendon. Mr. C. H. Humphrey will be the speaker. He is not a preacher by trade. Instead, he is an attorney from Amarillo. But he sincerely believes in the christianity he professes and is not ashamed to let people know what he believes.

Joe (Jake) Arthur, who lived in Clarendon and directed the music at the First Baptist Church at one time, will be in charge of the music.

There will be two services each day. The morning service will begin at 7:00 and will adjourn not later than 7:45. The evening service begins at 8:00 p.m. The nursery will be open at every service for the small children and an invitation is extended for all to attend. Large crowds are expected. These services are sponsored by the Brotherhood of the church, but everyone is invited to come.

Services At Hedley For Mary Jane Harris

Funeral services for Miss Mary Jane Harris were held Monday morning in the Murphy Memorial Chapel here with Rev. S. A. Wolfe officiating.

Miss Harris, 71, died Saturday in an Amarillo hospital where she had been a patient for about three weeks. She was a long-time resident of Hedley and was a member of the Christian Church and the Order of the Eastern Star.

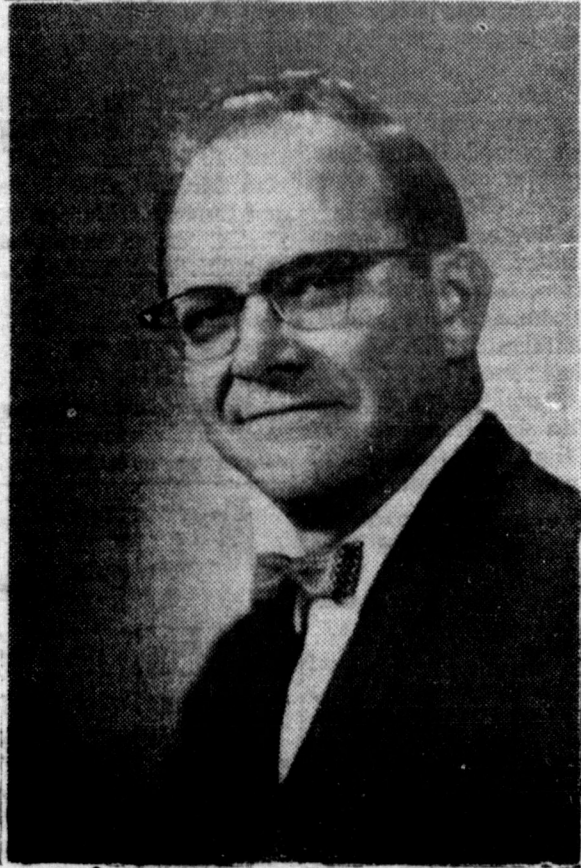

Survivors include three nieces, Mrs. Voy Wynn of Dodson, Mrs. Ola Harris, Hobbs, and Mrs. Virginia McCord of Ventura, Calif.; four nephews, Harold Harris of McAllen, Jack Harris of Lubbock, Vern Harris of Trinidad, Colo., and Fred Harris of Tulsa.

Pallbearers were Jake Roberts, Jay Hunt, Walter Pierce, Hobart Moffitt, Bill Jones and H. Mobley.

Burial was in Rowe Cemetery, Hedley, by the Murphy Funeral Home in charge of arrangements.

Mr. and Mrs. Jack Stewart of Amarillo, Miss Janet Stewart of Houston and Perry Jordon of Amarillo visited in the W. L. Jordon home Sunday.

Flyers Invited To Use Landing Strip Here

A community aircraft landing strip was recently put into use on city property south and east of Clarendon. There is a north-south runway 2600 feet long on land adjoining the city dump.

The City Commissioners several months ago passed a resolution enabling the use of the property as an airfield, and one locally owned plane is already being hangared there.

The airport area is available for use by any interested persons and hangar buildings may be erected there.

Pilots using the runway have stated they were very pleased with the strip. The soil has proved ideal, and even after the heavy rains, it has always been possible to use the field safely within 24 hours.

County and City employees cooperated in doing the initial work in preparing the runway. Heavy dirt moving which had to be done by a private contractor was paid for as a donation by interested local citizens.

"Use of the landing field has been considerably greater than was anticipated, and there have been several landings weekly by out-of-town planes. Initial requests have been made to secure listing of the field by the Federal Aeronautics Authority. Local people with relatives or acquaintances who might wish to land here may identify the field for them as being located 3 miles south of Clarendon, and 1 mile east of Highway 70, and there is a wind sock in place on the existing hangar," a local flyer stated.

Sales receipts showing purchase of seed must be furnished with the report of performance.

Goodnight Youth Dies In Car Accident; Services Today

Funeral services have been set for 2 p.m. today at St. John the Baptist Episcopal Church here for Thomas Everett Bugbee, III, with the Rev. Charles Carman officiating. Interment will follow in the Bugbee Moseleum, Citizens Cemetery, with the Murphy Funeral Home in charge of arrangements.

Thomas E. Bugbee, III, age 20, died from injuries about 10:15 p.m. Tuesday night when the Jaguar car he was driving apparently went out of control on the curve two miles west of Goodnight and overturned.

Young Bugbee was a student at the University of the South, Ewanee, Tenn. He was a communicant of St. John the Baptist Episcopal Church here and was a member of Sigma Nu Fraternity. He was a graduate of St. Stephens Episcopal school, Austin, Texas. He had been a resident of Goodnight all his life. His parents operate the Tumbling T. Ranch at Goodnight.

Survivors include his parents, Mr. and Mrs. Thomas E. Bugbee of Goodnight, and his grandmothers, Mrs. W. H. Craven of Childress and Mrs. Mary C. Bugbee of San Bernadino, Calif.

Pallbearers will be Walt Knorpp, Wes Knorpp, W. Carroll Knorpp, John C. Knorpp and William Sager.

Annual Country Club Barbecue August 4th

Members of the Clarendon Country Club are reminded that the annual Chicken Barbecue will be held Thursday, August 4th, and the deadline for purchasing tickets for chickens is Monday, August 1st. as the order for the chickens will go in Monday night. The club will furnish all the chickens so they will be the same size. The cost is 75c per half chicken, and tickets may be purchased at Bob Moss Pharmacy, Household Supply, E. O. Simmons Insurance Agency, Coca-Cola Bottling Co. and Wallace Monument Co.

L. L. Wallace, President, stated that members were allowed to bring as many guests as they like and that there would be swimming for everyone and Bingo after supper.

RANGER DESCENDING A VERTICAL SURFACE by means of body rappel. Rappelling is the technique of descending a vertical surface by artificial devices. Flame Cultivator Demonstrated Here

Flame cultivation of cotton is not new in some parts of the cotton growing south, however it is new in Donley County and an experiment is being conducted on a demonstration plot on the Hill Well's place northeast of Clarendon.

H. M. Breedlove, County Agent, has been working with Mr. Mike West of the Noblitt Sales, Inc., who obtained the flame cultivator and has been flaming cotton a five acre plot on the Wells farm. Weather conditions were such that the grass got a head start on Mr. West, but he has made a good showing with his flame cultivator and Mr. West thinks that with one or two times of going over the cotton that the grass will be well under control.

Breedlove says that anyone wishing to see the plot being treated can go just north of the Hill Well's farm on the county road to about the fourth telephone post and you can see the plot just to your right. Anyone is invited to go by and look over the plot. This is purely experimental and this work is being done to test flame cultivation under climate conditions in Donley County.

This has proved successful in other parts of the country and with some adjustments and adapting to this type of climate and soils it could prove of great benefit to the cotton farmers of Donley County. Mr. West will also flame cultivate some grain sorghum in a few days and these demonstration plots will be announced.

Hedley Church of Christ Revival Begins Sunday

It has been announced that the Hedley Church of Christ will have a Revival meeting beginning Sunday, July 31st, and will continue through Sunday, August 7th.

Robert C. Jones of Amarillo will do the preaching and services will be held at 8 p.m. each evening. Everyone is cordially invited to attend any or all services.

Six Amarillo Youths Jailed Here For Shooting Spree

Sheriff Truett Behrens made an early morning roundup last Saturday morning when he apprehended six Amarillo youths who shot up two mail boxes in the Goldston community between 3 and 4 a.m. Saturday morning.

The six youths, ranging in age from 13 to 17 years, were charged with shooting from a public road and placed in the county jail until Sunday when parents of the youngsters came for five of the boys and the sixth one on Monday. Sheriff Behrens also found six shot guns in the car with the boys. Their fines were set at \$1 and costs for a total of \$35.40 each.

The youths will probably face federal charges also for damage to U.S. Postal property, the sheriff added.

Local Scouts Report Good Time At National Jamboree

Mike Heath dropped us a note the first of the week which indicated that the four scouts from Clarendon were having a wonderful time at the National Scout Jamboree which is in progress at Colorado Springs this week.

Mike reported that Jim Arrness, star of Gunsnoke was the narrator of the opening program. A thirty-minute fireworks display was described as spectacular in every respect. Kenneth Price represented the Adobe Walls Council as a flag bearer on the stage.

The four local scouts attending the Jamboree this week are Mike Heath, Freddy McAneer, Kenneth Price and Bobby Cain. Others attending the opening ceremony last Friday night and spending the week end in Colorado Springs were Mr. and Mrs. J. G. McAneer and Dwight, John Cearley and Clyde I. Price, Jr.

Local Flying Club Being Formed

Several people interested in learning to become aircraft pilots are forming a local flying club.

Tentative arrangements have been made with a Childress instructor for lessons and use of a trainer plane.

Interested parties may contact Rev. Charles Carman, who is helping to start the project. His home telephone number is 3542.

Lloyd Morey, President Emeritus of the University of Illinois, states: ". . . No adequate case can be made for additional nationwide appropriations by Congress for education at any level on a broad scale for any purpose. There may be a few areas in which local resources are sufficiently behind the general average and local educational conditions sufficient, in arrears to warrant temporary and selective outside assistance. If so, as deter-

mined by demonstrated need and conclusive evidence of inability to meet their own problems in reasonable time, such aid may be warranted from the Federal Government. To make these few situations the excuse for general Federal grants to all States is both financial and educational folly."

Memorial funds have been given to the library to be dedicated to the memories of: Mr. W. W. Noblet, Mr. T. M. Shaver and Mr. John Blocker. "Dr. Schweitzer of Lamberene" and three memorial funds have been given in memory of Mrs. Lena Antrobus.

A friend of the library has given

en us thirty six books, both fiction and non-fiction.

Welcome news for our arm chair travelers, may their number increase for, and I am repeating myself, it isn't humanly possible to read about the folks of other nations and not feel a spark of kinship with them. The title of Oden Meeker's "The Little World of Laos," as he takes us to many other far Eastern Countries, as well as Laos. Especially timely is the section about Thailand, since their King and Queen paid us a visit not

long ago. The book also has two sections of Homer Page's photographs and they are beautiful.

Attilio Gatti has been exploring and writing about Africa since World War One. In his introduction to "Africa Is Adventure" he lets his readers in on what a tremendous job raising the money and getting ready for one trip is. He, like many others, don't think it smart or manly to hunt with a gun. He does his hunting with cameras. It is almost unbelievable the time and patience he and his crew take to get some of the animal pictures. Since Mr. Gatti is a better photographer than writer, his book doesn't seem to have enough pictures.

One reviewer said that Fosco Maraini's "Meeting With Japan," was the next best thing to a visit to the country. He is wrong. This book is, "A personal introduction to its people, their culture, and their history." What visitor could ever hope to be able on a visit to get to know a country and its people like one who has spent years in Japan, part of

GEORGE'S WIFE

By "Sarah"

The "People Planners" as Mr. D. E. Scott of Wellington aptly named them, and Mr. Wes Izzard in his "A to Izzard" column is making famous, have hit on a very popular name for the select few who are shaping our destiny. We looked in the dictionary to see if there was such a word as shaping, and if it would apply in this instance. It fits all right, but used as a noun, fits better.

If the authors of the Republican platform have as many labeled, shapers as did the Democrats, we are indeed in doubt as to the direction of our destiny.

Mr. Izzard talked about the great American majority being unorganized and at the moment, confused. Our circle of friends and acquaintances are not large,

them in an entertainment camp during the war, and who can write with such feeling and understanding as Mr. Maraini? He ends his book with the following: "Now that the world is growing smaller and smaller and more and more highly populated, involving frequent contacts where previously none existed, and continuous contacts where only irregular contacts prevailed, it is important to have accurate, clear, realistic ideas about the human species as a whole and of the various civilizations in which and by which it lives."

excepting for one person who had their minds made up no matter what, out of a hundred or more, undecided or just plain confused was the reaction.

We have been reading about the difference in the two parties, and the labels attached to each. To our astonishment, we are not what we thought we were, and would not be caught dead wearing the one that most fits what we believe.

We would liked to have heard the goings on in Amarillo the 19 at the Colonial Cafeteria, also the one proceeding this. We understand the chairman of Randall County Republican committee spoke first, then the Democratic chairman of Potter Co. the 19th. Both spoke on Good Government. Maybe some one closer to home, in whom we have confidence, could clear the fog out this way

But George had to watch the cotton, it's too wet to plow and his favorite pastime now, is to sit and watch it grow. Besides he's nursing a mad, he has sat

here day after day waiting for his cotton to be measured, so that he could replant his overplanted cotton in feed, then put on the cultivator and be all ready when the weather dries enough to plow. Well, they came yesterday and with the interduction and all, didn't take over 10 minutes and the fellow was on his way to town, without ever

getting out of his car. You'll never make George believe his cotton is properly measured. If he is within the allotted acreage well and good, if not you will hear from him, I betcha'.

Before you criticize the old folks, remember that even though a clock is run down, it's right his way to town, without ever

SIDE-DRESSING TIME

There Is a Difference in Fertilizers

TRY Liquid Fertilizer

And You'll Know What We Mean.

Terry Farmer Averages Over 2 Bales . . .

VERNON FARRAR — "Yes, sir, side-dressing really paid-off for me last year," reported Vernon Farrar, who farms northwest of Brownfield. He added: "I had 50 acres of cotton on which I gathered 124 bales, and then I had some land that wasn't too good from which I got 167 bales. I am a firm believer that you need to give the plants nutrients when they are hungry — that's why I side-dress. Another thing — when you use Liquid Fertilizers, as I do, you reap additional benefits from the fact that it's easier to handle . . . I get faster results from it being a liquid and ready to go to work instantly and I can put down more acres per day and cultivate my cotton at the same time. Liquid Fertilizers have helped me to put more money in the bank in the form of net profits."

Once you have tried, you, too, will see why so many farmers have changed to Liquid Fertilizers. The versatility of this type of fertilizing — you can do more than one job at a time: Fertilize . . . cultivate, and even apply insecticides . . . all in one, easy operation. Go by your nearest Liquid Fertilizer dealer and let him tell you more about the advantages of LIQUID FERTILIZER!

BLOWIN' Out the CORNERS

The Duck Zeb

Red River, New Mexico — Back again in our favorite summer vacation spot. Everything is so beautiful and green from the recent rains that we think we

never saw it dressed up so wonderful. There are several things that are a real thrill; each in its own place, place to go when we are restless, and home when we are tired of running around. Peace and quiet when we are tired, and someone to talk with when we are lonesome.

To make our stay even better, we have had an ample supply of fish from the first meal, all through the kindness of our friends; hope they last. We mean, both the fish and the friends. We haven't wet a line

as yet. If we decide to fish and catch one so long we are entitled to have our picture sent back to the home-town paper along with the fish. Be on the look-out, but not too hopeful.

Not that we want to, but we seem to keep thinking about our visit with Mr. Ed Guthmann, Sr., publisher of the Springer Tribune. A motto in his little den for partly retired editors seems to fit into our frame of mind on our vacation. In Spanish it reads; "Que bonitos no hacer nada descansar." Translated into English it means; "How wonderful it is to do nothing, and after having done nothing to rest." It fit right smack into what we would like to do for awhile.

Over a cup of coffee with Mr. Guthmann, and his close friend Henry Goldsmith we were interested in why they always addressed each other with Sir. Finally, we couldn't help asking, and the secret was in the way each knew that the other was spelling the word. They used the greeting in written exchanges. According to each, the proper spelling for the greeting was C-U-R. Better watch the spelling when someone says Dear Sir.

Church in the Mountains — The greatest experience which comes to many of us each year as we visit Red River, and the mountains are the Sunday Services. At the Sunday School Hour all those of the Protestant faith gather at the Community House for the worship time.

In this native log house with the beautiful mountains towering above it on either side, and with the scent of the pines and sight of the aspens, one gets first of all a feeling of nearness to the Creator. Along with this, we have a warm feeling of brotherly love and kindred spirit for each of those who gather for this community church service.

more or less a pot-look affair, in that some preacher who is vacationing in the area will be asked to bring the message. If no preacher is available then a layman speaker is prevailed upon to either bring a devotional talk or teach the Sunday School lesson.

Leading the singing we usually find Carl Miller of Amarillo who spends his summers in Red River. At home he is a member of the Polk Street Methodist. Leading the responsive reading we find Dr. Claude Starr Chambers of Seminole, Oklahoma. In the summer he leaves his clinic with the staff members and with the grandchildren takes off for Red River. Here he doctors the vacationer's aches and bruises without charge. Another Doctor, a lay-speaker from Oklahoma brought the talk on this day.

The talk, Why, A Red River Valley, stressed the handiwork of God in creating the beautiful valley, the blessings to us who have the joy of spending a vacation here, and the challenge to those who keep the place to keep it well.

Still on Vacation — Wonderful as it sounds, it is not always easy to do absolutely nothing. While visiting with some friends from an adjoining county the subject of unusual names came up. They mentioned knowing folks back home named Ketchum, Yoakum and Cheatham. Right off we thought of Hogg, Pigg, Wolf, and Fox.

Back in our cabin, and after we were tired of doing nothing and ready to rest awhile we started down the lists in our memory. We found Carr, Light, Glass, Hood and Fender. Then came Snow, Storm, Hale and Frost. We thought of Hay and Meadows, Allcorn and Cobb, and by that time we were really working.

There was Wright, Moore, Best, Little and Nunn. We took up the months and found January March, and May. We almost thought we had heard of an August.

In the colors we thought of Blue, Gray, Black, Redd, Green and Brown. In the fruit line we thought of Cherry, Berry, and Lemon. In the religious field we thought of Bible, Church, Parsons, and Pugh. This brought us down to the Cash collection.

Getting a little sleepy we thought of Day and Knight, Moon, Starr, and Light. Remembering the farm there are Cotton and Seeds, Mays and Corn, and Beene and Pease.

By this time we were almost ready for a vacation. Do you

ASHTOLA NEEDLE CLUB MEETING

A large crowd was on hand for the ice cream supper Thursday night, but the lightning started flashing and the clouds rumbled loudly. A quick response took place of the numerous freezers of home-made cream, cakes, and cookies, then everyone dashed home in a big hurry, taking most of the ice cream home with them.

Most everyone made it home before the flood and hail hit. Several of us in East Ashtola and Martin got the cotton hailed out.

Our next meeting will be at 3:00 p.m. Thursday, August 4th, at the Community Center. Hostess will be Mrs. Hubert Rhoades. This will be the day to bring all of your old Xmas and greeting cards to paste in a large book making a scrapbook for the children in the hospital.

MIDWAY CLUB HAS REGULAR MEETING

Nine of the Midway members met Thursday, July 21st, with Jewel Myers serving as hostess. Answering roll call were Beulah Sanders, Katie Bell Wells, Eddie Williams, Josie Simmons, Louise Riley, Allie Quattlebaum, Ellen Moreland, Loyd Hillis, Marjouria Hensley and Jewel Myers.

A sack lunch with the hostess adding two salads and a dessert was enjoyed by all.

One quilt to be used as a spread, was finished.

Next meeting will be with Marjouria Hensley August 4th. Bring a covered dish.

Sorry to hear two of our members being absent due to illness, Bobbie Dishman and Lillie Mae Carmichael. Hope you are better and will see you next meeting. —Rep.

Kennedy - Weaver Vows Exchanged

Miss Ann Weaver, daughter of Mr. and Mrs. L. T. Weaver, Brice, and Mr. Hoyce Kennedy, son of Mr. and Mrs. J. M. Kennedy, Hedey, were united in marriage July 16th at 7 o'clock p.m. Rev. George Arthur, pastor of the First Baptist Church, Brice, performed the double ring ceremony.

This event took place in the home of Rev. Arthur. Jerry DeBord served as best man. Betty Floyd and Connie Martin were bridesmaids.

The couple will make their home in Memphis, Texas.

The bride is a senior at Lakeview High School. The groom is a Quail High School graduate.

He has served three years in the marines and is now employed by a construction company.

BRUCE FRICKS HONOREE AT DINNER

Mr. and Mrs. Harmon Fricks honored their son, Bruce, recently with a dinner at Ruby Bromley's dining room before his leaving for the Navy. The table was laid with a blue cloth and centered with a ship bearing the U.S. flag and miniature sailers. Bouquets of pink roses and double petunias were placed at each end of the table.

Attending were the honoree, Bruce Fricks, Mr. and Mrs. Everett Wilkerson, Mrs. D. C. Williams, Mr. and Mrs. Harmon Fricks, David and Wanda, John Adamson, and Miss Nancy Shields.

Bruce is now at the U.S. Naval Station in San Diego, Calif., awaiting further assignment.

SANDERS FAMILY REUNION HELD SUNDAY

A family reunion of the children of the late Mr. and Mrs. R. E. Sanders was held Sunday in the Oliver Eckel Park in Amarillo. This was the first gathering since the death of Mrs. Sanders three and a half years ago.

Children of the immediate family present were Mr. and Mrs. A. M. Sanders, Sue and J. C. Mr. and Mrs. J. L. Harris, all of Wellington; Mr. and Mrs. Lee Anderson and Mr. and Mrs. R. A. Sanders and Mike of Amarillo; Mr. and Mrs. Edward Watson and Joe Bob of Claude; and Mr. and Mrs. Pete Darnell of Clarendon. Others attending were Mr. and Mrs. Bill Shannon, Karen and Steve of Elk City, Okla., Mrs. Troy Marsh, Steve and Pamela of Wellington, Mr. and Mrs. Benny Darnell and Ray of Amarillo, Mr. and Mrs. Eddie Orsak and Melissa, also Mr. and Mrs. Doss Finley of Clarendon.

The gathering was arranged as a surprise for Mrs. Darnell on her birthday by Mrs. Benny Darnell and Mrs. Orsak. The children enjoyed playing while their parents visited, played games of 42 and took pictures. Everyone had a most enjoyable time and planned for reunions each of the coming years.

GOOD NEIGHBORS CLUB MEETING

The Good Neighbors Club met Friday, July 22, from 2:30 to 5 p.m. with Ruby Jordan in a social get-together. Games of 42 were played.

Sandwiches, cake, pie, lemonade, and delicious homemade ice cream were served to the following: Lida Warren, Eula Butler, Della Barker, Rosa Bingham, Bessie Helton, Nova Barker, Florence Harp and the hostess, Ruby Jordan.

Eula Butler gave each one flower bulbs from her lovely collection. We will meet with Nova Barker August 26 in the afternoon. —Rep.

MRS. EDDIE BATEN

Townsend - Baten

Miss Trilby Townsend and Eddie Baten proved they are not the least bit suspicious of the, supposedly, unlucky No. 13 when they, happily, headed for Vega, Texas on Wednesday morning, July 13, saying that they wished it could have been Friday 13.

Leaving Amarillo at 11:45, they drove to the small town thirty-five miles west of the City, where they were united in marriage in the Vega Baptist Church. Rev. Milton Kresse performed the ceremony.

The only attendants of the wedding were Miss Charlotte Clayton, as maid-of-honor, and Hubert eatherly, Jr., as best man, both of Amarillo.

Trilby is the daughter of Mrs. Violet Townsend of Memphis, Texas. She is a graduate of Memphis High School, May, 1960. She has excelled in various sports, and attained the honor of becoming a state champion winner in tennis-doubles this year.

Eddie is the son of Mr. and Mrs. Joe H. Baten of Clarendon. He is a graduate of Clarendon High School, May, 1957; and has completed two and one-half years of college, having attended Texas Tech, Lubbock, North Texas State, Denton, and C.J.C. of Clarendon.

Shortly following the wedding, the couple started for the mountains in Colorado to enjoy a one week honeymoon. They will live

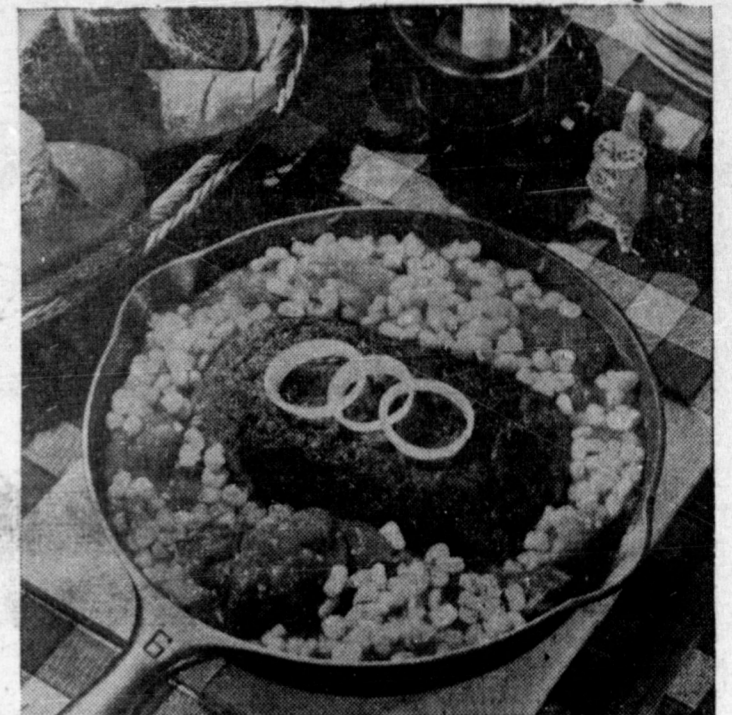

in Amarillo, where Eddie is employed by Spencer Press in the promotion of a comparatively new educational program. —Rep.

WORK DONE ON ASHTOLA CENTER

The lawn was mowed Saturday, and some work done inside. The pump is in the process of repair. Weeds and grass have been mowed all around the buildings and playground equipment and ball fields.

At the meeting Friday night, July 29th, Mrs. Van Knox and Mrs. Harold Graham will be hostesses and everyone should bring a pie for refreshments.

We will have a 42 party. Bring your dominoes. Everyone come. We hope to have the air conditioner installed by then. —Rep.

A PICNIC IS A PICNIC, the Texas Beef Council feels, whether it's served in the back yard or beside a cool stream far from the city. To make a memorable outing in any setting, serve this delicious, inexpensive ground beef Skillet Supper.

Cub Scout News

There was 48 in attendance at the Jubilee Picnic held Saturday in the City Park. Games were played and each boy brought a sack lunch. The Den Mothers furnished the drinks and the Pack furnished the ice cream.

All the dens visited Mr. Pete Borden's Saddle Shop this last week. The boys enjoyed seeing the guns and relics of the Old West on the walls. Mr. Borden also showed them the operation of the shop. He measured the boys for a leather Indian head band.

Tonight is the night for the monthly Pack Meeting, July 28. All boys accompanied by their parents and guests will meet at the Clarendon Country Club for a picnic supper. Everyone attending bring their picnic supper. For those who wish to swim and who are not members of the Country Club the admission is 25c. Swimming will start at 6:30. Picnic lunch will begin at 8 p.m. and a movie from the Texas Game and Fish Commission on marine life will follow. The pro-

jector will be furnished through the courtesy of the Donley County Soil Conservation office.

The Cub Scouts are still taking orders for return name labels, 200 for \$1.00. Anyone wishing to buy, just call a Cub Scout. We plan to send all orders in by August 1.

The National Safety Council says rural traffic deaths outnumber urban deaths almost 3-1.

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

Our sincere appreciation to all who extended comforting sympathy, floral offerings, food and other kindnesses in the loss of our loved one. May God's richest blessings rest on each of you.

Top o' Texas Rodeo To Begin August 1st

The shut gates for the 16th annual Top o' Texas Rodeo will swing open Monday, August 1st with the Kid Pony Show scheduled for that afternoon and night.

The Rodeo proper will begin Tuesday night, August 2nd at 8:00 p.m. preceded by a giant street parade at 3:00 p.m., led by the Amarillo Air Force Band under the direction of Capt. E.S. Bridges. Other bands appearing in the parade line-up will be the Pampa High School Band under the direction of Bill Tregoe and the Miller Bros. Western Dance Band of Wichita Falls. Bill Tidwell, Parade Marshal, has issued an invitation to the Riding Clubs, Ranch entries, Civic Club entries, and Commercial Divisions to place entries in the parade which will form on West Foster Street at 2:15 p.m.

Prizes totaling more than \$5,000.00 supplemented with many handsome trophies to winners in the respective events will be the target of some three hundred cowboys and cowgirls expected for the big event. An Official American Quarter Horse Show is scheduled for Thursday and Friday, August 4 & 5 with a record number of horses from the Southwest expected to be entered.

An outstanding feature of this year's show will be the Calf Scramble which will be presented Wednesday, Thursday, Friday, and Saturday night with 4-H Club boys from the area contesting for some twenty choice calves which have been donated to the show for this thrilling event.

The colorful cowgirl's contest which is considered one of the top Cowgirl's events in the nation will feature more than forty girls from the Southwest area. A handsome hand-stamped saddle will be presented the cowgirl compiling the best average in the contest, plus cash prizes which will be split to the winners of 1st, 2nd, and 3rd place.

The crack Pampa High School Band under the baton of Bill Tregoe will furnish music for all Rodeo performances while the Miller Bros. Western Dance Band of Wichita Falls will play for dancing in the National Guard Armory Building following an appearance at the Rodeo.

The Rodeo Office is located in the lobby of the Pampa Hotel where registrations are handled and tickets for the show may be purchased.

Ample parking is available at

the show grounds with two entrances provided. The local Police and Sheriff Departments, working with the State Highway Patrol, will handle and direct traffic.

The grounds and arena have just recently been put into tip top shape awaiting what is expected to be the greatest show in the history of the organization.

A special added attraction at the Tuesday night Rodeo performance will be the arrival of the Canadian Wagon Train to the Top o' Texas Show. The Wagon Train under the command of Wagon Boss, Orval Johnson, will parade before the stands with some fifteen covered wagons and fifty riders. Johnson has made the remark that Ward Bond's TV Wagon Train will have nothing on his group. They will leave Canadian on Monday morning, August 1 at 6:00 a.m. and will spend the night out and eat from an old-time chuck wagon and sleep on bed rolls. The Wagon Boss has invited anyone who would like to join the riders and covered wagons for the trip and asked that they be ready to go at 6:00 a.m. Monday morning, August 1.

Motor vehicle accidents take more lives annually, according to the National Safety Council, than any other major class of accident — home, public or work.

New Haven, Mo., Leader: "Fiscal affairs are at the heart of the democratic process. Citizen concern over taxes originally led to our representative form of government. If democratic government is to survive, not only in this country but in the world, citizens must somehow gain control of government spending and taxes, instead of letting them dominate their business and personal lives."

It is mighty easy to back into trouble.

VACATION DRIVING CAN BE DANGEROUS

A highway climbing through picturesque countryside toward a snow-capped peak can lull a driver into disaster, the National Safety Council pointed out today.

"It's a beautiful setting, all right," said the Council. "But it can be a boobytrap to the driver who's accustomed to ribbon-straight roads.

"That climbing, winding road," it said, "may quit climbing and start descending right around the next curve. Be prepared for such a change."

A frequent cause of mountain motor mishaps, said the Council, a nongovernmental organization concerned with the prevention of all types of accidents, is speeding on a downgrade.

"Braking too hard while entering a downhill curve too fast can throw a car into an uncontrollable skid," it warned. "Or a driver may panic as his speed quickens and swerve into the path of an oncoming car," it said.

The Council has these tips on how to avoid braking problems on a downgrade:

1. Apply the brakes intermittently. Constant application of

brakes builds heat which wears out brake bands and can cause hydraulic fluid to boil.

2. Shift to a lower gear before starting down, whether your car has standard or automatic transmission.

Other common causes of mountain accidents, said the Council, are driving on the wrong side of the road or too near the center, and passing other vehicles.

"Perhaps," it observed, "it's a natural fear of driving off the cliff that causes the inexperienced mountain driver to shun the edge and stray into the wrong lane.

"And since visibility on winding mountain roads is often limited, passing other cars is risky. If you drive in the mountains and the car behind you starts to pass, slow down and let him pass quickly, thus avoiding the risk of a pileup — which could involve you.

Other Council hints on mountain driving:

1. Before leaving on your trip, have your car brakes adjusted, the cooling system checked and cleaned and the spare tire okayed.

2. Don't drink — good advice no matter where you drive, but especially important in the mountains, where the intoxicating effect of alcohol is increased by the thin air.

3. Don't stop on the roadway to look at scenery. Pull off the road or use an observation parking area.

4. Vapor lock — a result of high engine heat causing gasoline in fuel lines and fuel pump to vaporize — can be corrected only by waiting until the gasoline cools. You can speed the process by wrapping a cloth soaked in cold water around the pump.

5. Try to be prepared and equipped for all sorts of weather and any type of trouble. Unexpected snowfall occurs in the mountains in early spring or late fall. Fog is common and requires that you use utmost caution. If possible, carry a spare fan belt, a container in which to dip water from a stream, an auto electrical fuse, a first-aid kit and an emergency kit with a trouble light.

6. Pay close attention to road signs while driving in strange and dangerous mountain areas.
7. Plan each day's trip so you can stop well before dark.

Ability to stop on a dime comes in handy when playing slot machines.

SOCIAL SECURITY CARD IMPORTANT

Cards! Cards! And more cards! Mother's Day! Father's Day! Graduation! Get Well, and dozens of other kinds!

These are all important and serve a good and useful purpose according to Hal Geldon, Manager of the Amarillo Social Security Office. But there is another card that is more important than this is a person's social security card.

Geldon stated the number on the social security card is the key to social security payments to the worker and his family. Consequently it is important that the worker show his card to his employer at the time he goes to work. It is equally important that the employer copy the number correctly for his payroll records so that the social security reports he makes can be credited to the worker's individual account.

The amount of the social security payment to be made to the worker and his family is based on the earnings that have been properly credited to his social security account. Geldon advised that an application for a card can be obtained from the local post office, if needed.

From Life magazine: "The one incontrovertible charm of fishing is the shaded pool, the lazy lake, the mild mystery of the next bend and the clean solitude. Fishing is a good excuse for getting closer to nature, if you need an excuse; in which case it is better to fish crudely than not to fish at all. But not so crudely that you spoil nature for the next man. The only fisherman who really deserves the name of slob is the litterbug who leaves a trail of captious vandalism, empty beer cans and soggy cartons. These are signs of a character that even nature can't reform."

Mr. and Mrs. Roy Jackson and Peggy visited the week end with her mother, Mrs. J. W. Carroll at Tishamingo, Okla., and brought her nephew, Pernie Lee Lamb, home with them to make his home. They were accompanied by Mr. and Mrs. Barney Brad-dock.

According to the National Safety Council, a drinking driver is involved in 3 out of 10 fatal motor vehicle accidents.

Visitors last week in the home of Mr. and Mrs. Edd Hodges were Mr. and Mrs. Johnny Dacy and family, Mrs. Nell Gains and Billie Frank, Mr. and Mrs. Marvin Hodges and daughter, Mrs. Hodges' sister from Cooper, Mr. and Mrs. Bud Clark and family, Mr. and Mrs. Crutcher Buckhanna and son of Ashtola.

Mr. and Mrs. Boots O'Neal visited Sunday with their daughter, Mrs. Hank Shelton, at Stinnett.

Mr. and Mrs. Joe B. Evans and two daughters of Algeria, North Africa, are visiting this week with her father, E. E. Dishman. The Evans are on a two months vacation trip and this is their first trip back to the States in two years. Mr. Evans is chief geophysicist with the Cities Service Oil Corp.

This would be a better world if we had more wild life in our forests and less in the big cities.
