LOCAL BANKER DIES

FRED E. CHAMBERLAIN

Services Held Sat. For F. E. Chamberlain

Funeral services were held Saturday afternoon at the First Presbyterian Church for Fred E. Chamberlain, Sr., with Rev. Baldwin Stribling, pastor, officiating.

Mr. Chamberlain, 74, prominent banker-cattlemen, died in Dallas Friday afternoon following an illness of several months.

Mr. Chamberlain was born Nov. 5, 1885, and had been a lifelong resident of Clarendon. He married Mona Sue Kelly on June 23, 1907, at Sherman, Texas. She preceded him in death April 20, 1952.

Mr. Chamberlain had been associated with the Donley County State Bank for approximately 50 years and served in an executive capacity a good portion of that time. He was chairman of the board at the time of his death.

He was widely known in the cattle business as well as in the banking business and at various times operated several ranching interests. He enjoyed rising early

in the morning and looking after his cattle interests prior to banking hours. "He has often said there was nothing like a big T-Bone steak to get a man started off right for the day."

He was a member of the First Presbyterian Church. He was a mason and was affiliated with Khiva Temple in Amarillo.

Survivors include four sons, Kelly and Fred E., Jr., both of Clarendon, George of Dallas, and Lewis of Amarillo; a daughter, Mrs. Mary Jo Payne of Plainview, a sister, Mrs. Josephine Browder of New Mexico; 11 grandchildren and 2 great-grandchildren.

Palbearers were Carroll Knorpp, Allan Jefferies, Walter Knorpp, Thomas E. Bugbee, W. J. Lewis, Jr., L. T. Shelton, Jack Roach and John Sims. Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr. and Mrs. John Swinney returned home Saturday night after a visit with their son, Theo, at St. Louis, and brother at Birchtree, Mo.

LEADER CLASSIFIEDS GET RESULTS.

Hedley Schools Open; Bush New Supt.

The Hedley Public Schools opened their fall semester Monday of this week with Mack Bush, formerly of Wellington as their new Superintendent. He succeeds J. S. Hinds who resigned to take the Supt. job at Silverton.

Mr. Bush served as principal of Wellington High School last year and prior to that, served as junior high principal three five years and was principal of an elementary school in Childress before moving to Wellington. Mr. and Mrs. Bush have one small son, Frederick.

Other faculty members of the Hedley School are: J. M. Baker, Connie DeBord, Alice Lacy, Mary Boliver, Hazel Coursey, Sarah Shaller, Billy White, Willie D. Messer, Sue Shields and Evelyn Messer. Teachers on a part time basis are Mary Foreman and Mrs. Faye Pinkerton.

Students met Monday morning for Assembly at which time Supt. Bush reminded the students that they must have 17 credits for graduation. He said the credits must include 4 of English, 3 of math, 3 of history, 2 of science, 2 of P.E. and 2 Vocational.

Lovell's Store Burglarized Sat. Night

Saturday night when the storm caused the electricity to go off for a short time, Ben Lovell closed his store and garage and went to his home near the store. After the electricity service was restored he started back to the store and saw a car drive off hurriedly. He got the license number and found the door to his store open. He found that a considerable amount of merchandise was missing and he called the local officers and supplied them with the license number.

Three Borger boys were apprehended and after several hours of questioning by officials admitted that they had entered a window, secured the merchandise, and left by the door. Two of the youths are juveniles and one is an eighteen year old. Only one of the youths had been in trouble before.

Standard Station Grand Opening Sat.

A page advertisement in this issue of the Leader announces the Grand Opening Saturday of the new Standard Service Station located one block west of the City Hall here. This is Standard's first station to be built in Clarendon which will be growing with Clarendon.

F. E. Chamberlain, Jr., is owner of the station and it will be operated by James McKinney who needs very little introduction here.

In order to acquaint residents of this area with the new Chevrolet products, the operator, James McKinney stated that free favors would be given to all visitors of the station Saturday, Opening Day. Turn to their advertisement in this issue for further particulars regarding their Grand Opening event.

Highway Patrolman Stationed Here

John M. Lowrie of the Texas Department of Public Safety has been transferred to Clarendon from Amarillo. He will serve as highway patrolman for this county. Mr. Lowrie, a native of Collingsworth County, and his wife and children recently moved to Clarendon and have bought the residence formerly occupied by Dr. Joe Goldston. The Lowries have three children, Gary 13, Ronnie 11, and Karen 6, all of whom will be enrolled in the schools here this fall.

They are members of the Methodist Church; M. Lowrie is a member of the Masonic Lodge, and Mrs. Lowrie is a member of the Eastern Star. Clarendon is very happy to welcome this fine family to our community.

Annual National Farm Loan Meeting To Be Held Sept. 3rd

The annual meeting of the Hall and Donley County National Farm Loan Association which is now known as the Memphis National Farm Loan Association will be held in the Vocational Agriculture Building on Saturday, September 3rd, at 2:30 p.m. The new organization is the product of the consolidation of the old Donley and Hall County National Farm Loan Associations. M. E. McNally, Jr., Memphis, is secretary - treasurer of the association, and Mrs. Jane Bownds is the local representative. C. B. Morris, and J. R. Gillham of Clarendon, Tom Bain of Hedley, Joe Montgomery of Quail Route, Memphis, Joe Eddins of Esteline, and M. A. Beasley of Memphis are the directors of the association.

Reports of the association's business for the past year will be given and new directors will be elected at the meeting Saturday. All members of the association are urged to attend the meeting. This will be the second annual meeting since the consolidation of the two groups. The meeting last year was held in Memphis, however a policy of alternating the meetings between Clarendon and Memphis was adopted by the board.

Leila Lake Exes To Hold Reunion Sept. 3

Ex-Students and present and former teachers of Leila Lake School will hold their reunion on September 3rd at the school. All exes, students, and teachers are urged to attend the annual event which will start at 6 p.m. according to Richard Finch, vice president of the organization. A covered dish type meal will provide the food and a program of good entertainment has been planned.

Donley County Fair Dates Will Be September 16th & 17th

September 16th and 17th will be the dates for the Donley County Fair and Quarter Horse Show. The Quarter Horse Show (approved by the American Quarter Horse Association) will be held on the sixteenth at one p.m. at the rodeo grounds with John Stotts of Matorado as the judge. H. M. Breedlove, County Agent and Secretary of the fair says that this year will be one of the biggest years for the county fair.

Departments in the fair will be the Quarter Horse Show, approved by the American Quarter Horse Association on the sixteenth at one p.m.; The Donley County Flower Show sponsored by the Les Beau Arts Club, both days of the show; Merchants Department, both days of the show; Community Agriculture Exhibits, both days of the show; Poultry Show, both days of the show; Home Economics Department, both days of show; Needlecraft Department, both days of show; Fine Arts Department, both days of show; Canned Goods Department, both days of show; County Homemade Baking Department, both days of show.

All exhibits will have to be set up on the fifteenth of September so that they can be in place for the opening and judging of all departments on the sixteenth.

The fair catalog is now off the press and all committees are being contacted for the different departments of the fair. County Agent Breedlove will set up the county agriculture exhibit at the Tri-State Fair on the eighteenth of September in Amarillo from commodities taken from the Donley County Fair. Mr. C. L. Lewis, president of the fair is urging that all committees start to work now and let's have the biggest fair ever held in Donley County.

All premium money for the fair was made possible by the advertising bought in the fair catalog by businessmen and individuals.

Car Stolen From Hedley Man

A serviceman who is AWOL found out that it pays to know where you are and where you are going if you are driving around in a stolen car. Sunday night, Winifred McPherson of Hedley had the misfortune of having his car stolen. The thief drove to Memphis, across on Highway 256 to Highway 83 and back into Wellington. There he asked the way to Amarillo and was directed back through Hedley. He was arrested when he drove back through Hedley. The serviceman has been indicted but whether or not he will remain in custody of Donley County officers is not known at this time.

The suspect in the case has stolen five cars in Texas and two in other states. It is not known for sure at this time whether or not he crossed the state line with any of the vehicles and thus whether or not any federal case is involved.

FFA Members Make Trip To Iowa

Gene Long, ag teacher, and David Hudgins, Frank Hermesmeier, and Gary Longan made a trip to Iowa to purchase steers and swine for their project programs. Several county shows in Iowa were visited for the selection of top show steers. Gary Longan purchased 1 steer, David Hudgins 3 steers, Don McAnear 2 steers, and Frank Hermesmeier 3 steers.

Many very good steers were seen, and the trip was very educational and enjoyable.

Complete Faculty Announced For Start Of 1960-1961 School Year

Superintendent J. R. Cox announced this week that the faculty for the entire school system for the 1960-1961 school year was complete, and that school would start at 9 a.m. on Monday, August 29th. He announced that the regular bus schedule would be followed that morning, but that the bus drivers would make the run to take the children home by noon. Beginning Tuesday the regular bus schedule will be followed. The cafeteria will start serving lunches on Tuesday.

The faculty announced by Mr. Cox consists of: J. R. Cox, superintendent of schools and president of the junior college. Mr. Cox holds a M.E. degree from North Texas State College; O. J. Jinks, dean of the junior college, holds a M. Ed. degree from West Texas State; Morris Ledger, principal of the high school, has M.Ed. degree from Harvard-Summons; Stina Cain, junior high principal, M.Ed. from West Texas State; Mrs. Lucille Naylor, college history and art, M.A. from West Texas; Mrs. Annie Ruth Thomas, college English, M.Ed., from West Texas; Mrs. Gladys Seago, college education and geography, M.Ed., from West Texas; Mrs. Velma Weaver, music, M.A. from West Texas; Roy Young, college government, P.E. and college basketball coach, M.Ed. from West Texas; Miss Virginia Denny, high school and college biology, B.S. from Southwestern State; Weldon Day, college and high school math, B.S., from West Texas; J. Winners at the Trade Day draw last Saturday were Cliff Elva Raney on a ticket from \$25 - Ford Grocery, \$10 - Lelia Roberts on a ticket from Juniors Food Market, and \$5 - J. H. Headrick on a ticket from Bob Moss

Annual BOYS RANCH RODEO

Richard Dale, 16, of Newark, N.J., presently holds the title of Best All-Around Cowboy of Boys Ranch. He won his title with 195 points out of a possible 200 in the 1959 rodeo and he will be in competition to retain the honor in the 16th Annual Boys Ranch Rodeo to be held at the Ranch over the Labor Day weekend, September 4th and 5th, 2:30 each afternoon.

MAULER Powerful Threat to Enemy Near U. S. Army's Forward Positions...

MAULER, U.S. Army's devastating answer to enemy short range ballistic missiles, rockets and jet aircraft, now on the drawing board. Each MAULER fire unit will be contained entirely on a self-propelled chassis of standard design as seen in the artist's concept. MAULER will maintain Modern Army's high standards of greater firepower and mobility by its capability of delivering accurate fire even while moving. The light-weight MAULER fire unit can be carried by fixed wing aircraft or helicopter and dropped by parachutes into battle areas. Convair Division of General Dynamic Corporation is the development contractor for the Army and Guided Missile Agency of the Army Ordnance Missile Command, Redstone Arsenal, Alabama.

Attending the Okla.-Texas all-star football game in Wichita Falls Friday night were C. L. Johnson, L. D. Messer, Booker Shaw, Mr. and Mrs. A. L. Cherry and Mr. and Mrs. L. Petty.

Mrs. Mattie Barnett returned home Sunday after several weeks visit in California with her daughter, the Murry Phillips family.

Mr. and Mrs. Garnett Wilingham of Amarillo visited the lady's father, J. W. DeBord, the first of the week.

butter, and a wide array of late-summer vegetables complete the list.

These foods were selected by the U.S. Department of Agriculture for special emphasis in this area because the supply of each is expected to exceed normal demand. Homemakers can take advantage of the abundance by serving these foods often.

September broiler-fryer marketings are expected to run about 5 percent more than a year ago. Look for meaty, tender, flavorful young chickens, from 2 to 3 1/2 pounds.

The number of turkeys expected to be marketed in September is about the same as a year ago, but total weight may be higher because there will be more of the heavy breeds. Both chicken and turkey provide ideal fall-weather entrees for family fare.

There'll be lots of lamb for National Lamb Week, September 15-20. Slaughter has been averaging about 6 percent more than a year ago.

Plentiful melons include watermelons, cantaloupes, honeydews, Cranshaws and Casabas. The late-summer watermelon crop is expected to be especially huge.

Choice of late-summer vegetables will vary in different localities but good supplies of onions, carrots, squash, cabbage, eggplant, potatoes, sweet corn and many others will be available.

RECEIVES MASTERS DEGREE FROM WTSC

Mrs. John Miller Morris graduated from W.T.S.C. with a degree of Master of Education on Friday, August 19th. Mrs. Morris received her B.S. degree from W.T.S.C. in 1952. Mrs. Morris is employed as a first grade teacher at Shonto Boarding School on the Navajo Indian Reservation. Mr. Morris is the principal of the school which is located in northern Arizona.

Fricks - Adamson Nuptials Solemnized

Miss Wanda Louise Fricks, daughter of Mr. and Mrs. Harmon Fricks of Clarendon, became the bride of John Richard Adamson, son of Mrs. W. E. Jones of Perryton, in a ceremony read in the home of the bride's parents Friday, August 12. Double ring vows were exchanged before an improvised altar decorated with greenery and white gladioli with the Rev. W. R. Lawrence, pastor of First Baptist Church, officiating.

Traditional wedding music was played by Miss Sandra Pinkerton, pianist. Candles were lighted by David Fricks, brother of the bride.

Miss Nancy Shields attended the bride as maid of honor. She wore a dress of orchid lace and tulle over taffeta fashioned similar to that worn by the bride. Her corsage was of white and orchid carnations.

Attending the groom as best man was Gleen Mann.

The bride, given in marriage by her father, was lovely in a gown of white lace and tulle over taffeta fashioned with a

buouffant waltz-length skirt and lace bolero featuring a stand-up collar and long pointed sleeves. Her shoulder-length veil of tulle was attached to a headband decorated with seed pearls. She carried a colonial bouquet of white Frenched carnations and orchid gladiettes.

For her daughter's wedding Mrs. Fricks chose a dark blue street-length dress accented by black accessories. Mrs. Jones, mother of the groom, wore brown with brown accessories. Each wore a corsage of white carnations.

Immediately following the ceremony a reception honored the wedding party. The table was laid with white net over an orchid cloth and orchid tapers. The three tiered wedding cake was decorated in orchid and white rosebuds and was topped with a miniature bride and groom. Punch was served by Miss Carol Spencer and Miss Sandra Pinkerton served the cake. Miss Glenda Koontz presided at the register.

For traveling the bride wore a dress of blue floral polished cotton complimented by black accessories and the corsage from her bridal bouquet. After a wed-

ding trip to Colorado and New Mexico the couple will be at home in Clarendon where Mr. Adamson is employed by the Texas Seismograph Company.

Mrs. Adamson is a graduate of Clarendon High School and Mr. Adamson a graduate of Perryton High School.

Members of both families and close friends attended. Among the out-of-town guests registered were Mr. and Mrs. W. E. Jones, Arnold and Dona, Mr. and Mrs. Jim Witt of Perryton, Nad Mr. and Mrs. Bill Williams, John and Paul of Andrews, Texas.

UNITED PRESBYTERIAN WOMEN MEET

The UPW met Wednesday, August 17th, at the home of Miss Mabel Mongole with Mrs. Byrd Adkins as co-hostess. Mrs. Mildard Word, president, opened the meeting with prayer. The UPW purpose was recited in unison. The program, "Consider the Church" was presented by Mrs. Word.

Ten members answered roll call. Three visitors were present. Following the business session, the meeting closed with The Lord's Prayer repeated in unison. —Rep.

LELIA LAKE MYF REPORT

Meeting of August 21st was opened with prayer by Carolyn Castner. There were eight present.

The program was on the topic "Full of His Glory." The group practiced on the program for the worship service for Aug. 28th, and was dismissed by the MYF Benediction. —Rep.

NOTICE TO MIDWAY CLUB MEMBERS

The Club will meet Thursday, September 1st, with Ellen Moreland. Each member is to bring a sack lunch and their own plates and cups. Pollyanna gifts will be exchanged.

MEET AT CHAMBERLAIN COMMUNITY CENTER

A large crowd gathered at the Center Friday night for fun and fellowship. We played 32 and Wahoo and watched "Little Sir Echo" as Dan True calls the space balloon. Refreshments of sandwiches, punch and iced cocoa were served by the hostesses. Mrs. I. J. Self and Mrs. Roy Ferris.

There will be an all day meeting at the Center Wednesday August 31st. Ladies bring lunch to serve at noon. Men, come and work.

We would like to thank Roy Blackman for mowing around the Center. Without people who are interested, our community projects would die from lack of attention.

The next meeting of the Center will be Friday night, September 2. Hostesses and refreshments will be announced in the Chamberlain Club News. —Rep.

CLASS OF 1957 HOLDS REUNION

The Clarendon High School graduating class of 1957 held their first reunion Saturday, August 20, at the Canteen. Registration was held at 10 a.m. with Cokes and doughnuts served to members and their families.

At 2 p.m. class members met for a business session and officers were elected: Jeannie Matthews, president; John Payne, vice president; and Glenda Hawkins, secretary - treasurer. The group voted to meet every three years and officers were elected to serve for the same period of time.

A class party was held at 8 p.m. The Canteen was decorated in pink and blue using pink roses. The refreshment table was centered with a floral arrangement of pink roses and carnations with three tapers and two diplomas accenting a graduation cap. Sandwiches and Cokes were served.

Approximately forty attended. Class members present were Donald Adams, Nedra Hodge Cosper and Chuck Cosper, Jeannie McAnear Matthews, Charlotte Brown Finck, all of Amarillo; Joyce Eddings of Claude; Glenda Borden Hawkins of Green; Lynvol Arthur of Lubbock; Jimmy Carter of Canyon; Harold Holland of Memphis; and Joyce Hall Mills and Robert Mills, Lloyd Risley, Pat Knox Wallace, Rosie Morrow Harper, Joan Lane Roehr, Doland Hill, Jimmy Gattis, Beth Finch, Dorothea Bennett Reynolds and Steve Reynolds, Gene Alderson, Linda Lamberth Hicks, Tan McCully, John Payne, Woen Johnson, and Evelyn Chamberlain, all of Clarendon.

Cub Scout News

All dens are busy working on their Indian costumes for Akela's Council. All dens met together Wednesday and Friday to practice the Indian Bear Hunt Song.

Due to a change in the star performer plans we have had to change the date of Akela's Council to Thursday evening, September 1st.

We are in need of more wood for our Council Fire. If anyone has an old dead tree or any kind of fire wood contact any Cub Scout.

All Dens will be together Friday, Aug. 26, in the Council Room to practice singing the Bear Hunt Song at 10 o'clock.

Cub Scouts To Feature "Akela's Council" Here Sept. 1st

The Cub Scouts of Clarendon are preparing for Akela's Council which will be held here Thursday evening, September 1st, at 7:30 p.m. The ceremony will be held three blocks north of Adair Hospital. This council is a reenactment of the great council fire of the mythical Indian Chief, Akela.

Cub Scouts from all towns in the council have been invited to attend the ceremony.

A feature of the fire will be the ceremonial war dance of Jim Cain, Order of the Arrow dancer of Borger. The Clarendon Cub Scouts, dressed as Akela's young braves will light the council fire and give in song, the story of an Indian Bear Hunt.

Rev. W. R. Lawrence will tell the life story of Akela.

This heralds the beginning of the fall activities in Cub Scouting. The public is invited.

Mr. and Mrs. Quentin Adams and children, Milton and Jenny, of Aiken, Texas, visited his brother, Mr. and Mrs. Raleigh Adams and family Thursday.

INSECTS MENACE COTTON CROP

Cotton farmers should keep a close check on their fields each day for cotton insects says County Agent H. M. Breedlove. Recent rains and rapid growth of cotton makes for ideal conditions for cotton insects. Some of the main insects to look for at this time of the year are leaf worm and boll worm. Keep a close check on your fields and if you need help on chemical controls be sure to go by Breedlove's office. Insecticides are available at local stores all over the county for control of cotton insects.

STATE CAPITAL
Highlights AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN — How much income does an older person need to live decently during the retirement years?

Governor's Statewide Advisory Committee on Aging sought to discover this and other information in a survey on the needs and problems of Texas' older citizens.

For a couple, 43 per cent of Texas counties estimated the minimum need at \$1,500 to \$2,000 a year. Thirty-five per cent set the minimum at \$2,000 to \$2,500.

For a single elderly person, 58 per cent of the counties suggested \$1,000 to \$1,500 as a minimum annual income. Twenty-four per cent named a higher figure, \$1,500 to \$2,000.

Some 4,000 persons took part in the grass-roots, county-by-county survey. Recommendations growing out of their findings will be discussed at a conference in Austin on September 7 and 8. Out of this will come the Texas contribution to the White House Conference on Aging next January.

SURPRISE! — Amid all the upped budget requests which have received lately, state officials were happily stunned when University of Texas officials asked approval to spend a comparative picayune sum for a president's home.

UT asked to spend \$40,000 to build a home for its president Harry H. Ransom.

Last year legislative tempers blew over the \$100,000-plus presidents' homes built by two smaller state colleges. Officials responsible for the expenditures were called on the carpet.

This time the scene was played in reverse. "Do you really think this will be enough?" worried the Legislative Budget Board. Plenty, said UT officials.

They said they'll use a site the University already owns, clear it with University equipment and cut material costs by using "historic" bricks from UT buildings that have been torn down.

DRIVER CURBS STUDIED — Ways to clip the wings of irresponsible drivers who carry no insurance are being studied by a committee of the Texas Legislative Council.

Spokesmen for the casualty insurance industry told the panel they were opposed to a compulsory insurance law. They suggested that pressure could be exerted by such measures as requiring uninsured drivers involved in accidents to put up a money deposit, revoking licenses, impounding cars, etc.

Committee also heard Department of Public Safety Director Homer Garrison Jr. urge a system of traffic courts for Texas. County courts are completely bogged down by the appeals from traffic cases, said Garrison.

HIGHWAY LEASE PROSPECTS DIM — Chances of the state's earning money by leasing mineral rights along state roadways are not encouraging, a legislative committee found.

Committee learned from a national survey that only two oil and gas producing states get income from leasing along highway rights of way. One reported earnings of less than \$100; one of \$5,763.

An Attorney General's opinion recently held that the state owned mineral rights along the roadways.

But State Highway Engineer D. C. Greer reported there's not much demand for highway leases.

SCHOOL "HOSPITALITY" HIT — Texas School for the Deaf has been serving free meals under circumstances not authorized by law, reported State Auditor C. H. Cavness.

During the past two years, said Cavness, the school has served 3,525 free meals. Most were for pre-school-age deaf and blind children and their parents here for special summer courses for parents.

School is authorized by the State Board of Education to hold the summer courses, Cavness observed, but it is not directed either by law or the board to serve free meals to participants.

Cavness' audit showed the school has an average of 503

pupils at a cost of \$192 a month per pupil.

CREDIT CARD LIQUOR SALES — Diners Club, Inc., won a court order allowing it to continue—at least temporarily—collecting for package liquor store purchases made with a credit card.

An Austin district court granted a temporary injunction halting enforcement of the Texas Liquor Control Board order prohibiting such sales.

Liquor Board contends that by becoming the collection agent for liquor store purchases, the Diners Club is, in effect, selling liquor without a license.

Diners Club says it simply buys up the accounts of its card holders from the liquor dealers and takes responsibility for collecting. Club has contracts with package stores in nine Texas cities.

SHORT SNORTS — Texas Highway Commission has announced a policy of using only materials manufactured in the United States for construction of roads and bridges in the state's highway system. Policy is to be reconsidered if shortages or sharp price increases develop in U.S.-made materials. . . . Texas ranks well below most states in the percentage of personal income paid in state taxes. Governor's State Finance Advisory Commission found that Texans pay 3.9 per cent of their per capita income in taxes, compared to a national average of 4.2 per cent. . . . Employment in Texas hit an all-time high during June, with wage earners totaling 3,522,800. This was an increase of 45,700 from May, according to the Texas Employment Commission. . . . State Comptroller Robert S. Calvert has requested that his office be given a two-year appropriation of \$7,915,386. Present appropriation is for \$5,739,683. Calvert also said his department was operating in inadequate quarters scattered over three buildings and asked that the Legislature consider a state building for the department. . . . Texas farmers received \$2,300,000,000 for their products last year, reports the U.S. Department of Agriculture. This was a four per cent drop from 1958. Top money-maker was cotton, with sales totaling \$738,000,000. . . . Forty-two tracts of lands forfeited under the Veterans' Land Program will be offered for sale to other veterans September 29. Land Commissioner Bill Allcorn said the tracts total 2,957 acres in 11 counties. Veterans wanting to file sealed bids can get descriptions of the tracts by writing the Land Office.

YOU

The head of a taxpayer research organization warns that all the government spending plans and programs now being hatched in Washington will have to be financed from just one source — and that's the already tightly squeezed taxpayer.

The wonder is that such a warning is needed. But it is — for, apparently, great numbers of people still labor under the delusion that government money comes magically out of the blue, not out of their pockets.

Well, in the short span of three decades government's tax take has jumped from a proportion of about one dollar out of ten to about one dollar out of three of the national income. If the big spenders have their way, the proportion will soon become one in two, or still more. And you, along with the other 180 million or so people in this country, will do the paying. No one else can.

The greatest of faults is to be conscious of none.

Goodnight College Exes Hold Reunion

The temperature was no greater than the enthusiasm of the ones who gathered in the community hall Sunday, Aug. 7, 1960, for the reunion of members of the Goodnight Baptist Church and the teachers and Ex-Students of the former Goodnight College.

The program for the day opened with memorial services at the Baptist Church with former pastor, Vick Allen, delivering the worship message.

At the noon hour everyone assembled at the community hall for the noon meal and what an array of food there was spread one can only find at a Goodnight reunion.

Such stories as were told and things recalled only those who attended the college could relate. Howard Watson, Bass Clay, Grace Barnett Sels and all those ex-students did a grand job at this part of the program.

President Warren Clemmons, of Lubbock, Texas, called the business meeting to order at 2:30 p.m. in the church building. Each one present gave their name and address and what connection he had with the college.

Officers for the ensuing year were elected as follows: President, Homer S. Owens of Lewisville, Texas; Vice President, Henry Vardy of Prescott, Ariz.; Secretary, Miss Mary Miller of Goodnight, Texas; and Reporter, Mrs. Allie Mae Johnson of Claude, Texas.

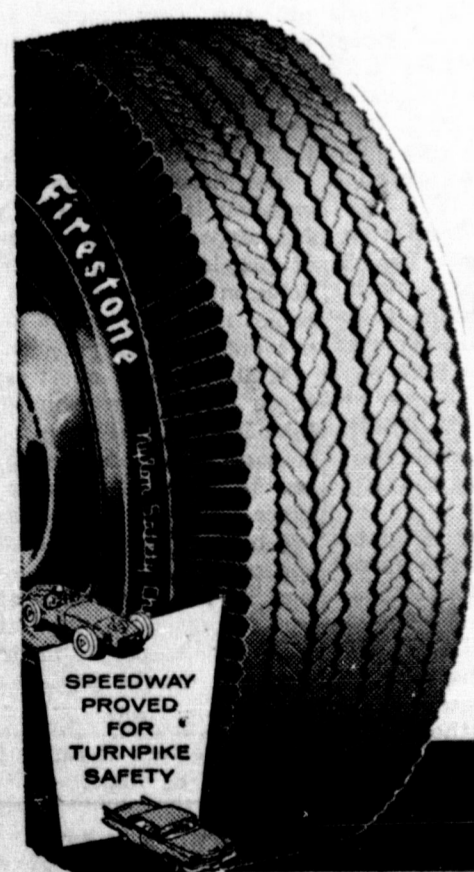

The attendance this year was the smallest of any year since the reunion was started. It is noted that each year there are those who attend who have never attended before and always, there seems to be a desire that they make an effort to be present at the next year's meeting.

The Ex-Students Association were happy to have Mrs. J. R. Hicks of Claude, and Mr. and Mrs. M. E. Nelson, as visitors. Mrs. Hicks is the wife of a former trustee of Goodnight Baptist College. We will be looking for you next year.

Lots of parents would have a car if the kids didn't have drivers licenses.

Community Junior Colleges Offer Education For Less

Oliver J. Abel, Dean-Reg. During this spring and summer some where in the neighborhood of three millions of students have graduated from high school and their parents hope and expect to send them to college. But according to an authority on the financing of tuition and other academic costs, less than half of these parents have either a definite financial plan

for meeting the expense, or realize what it costs today to put a son or daughter through college.

The executive vice-president of a financial institution whose firm offers parents a plan for installment-financing of tuition and other academic fees, says, "When most children reach college age, the parent suddenly discovers that their financial resources are inadequate for the added burden." He further states, "that the expense of securing a college degree has risen about 33 percent since 1955, and that a like raise can be expected dur-

ing the next five years.

This same executive, an increasing number of thinking and planning parents, along with a host of college presidents, and educators, are pointing out daily the one best way to ease the strain on the family budget is to choose the community junior college or the small young college where costs tend to be substantially lower than at many of the older and more prominent 4-year colleges.

The mistaken idea of a large number of students and parents alike which leads them to believe that if they are seeking a first-class education they must enroll in a "prestige school" is being disproved every day in every way. Too many times such an institution, having high academic standards and rich traditions, may also call for an expensive social life. There are many community junior colleges and young 4-year colleges less famed that offer equally excellent educational facilities, minus the expensive social life at considerably less expense.

The Clarendon Junior College stands out in bold relief against all other institutions in the Panhandle, as one which maintains the highest of academic standards, competency of the instructional staff, absence of fads and fees, and strict economy of educational pursuit.

The cost of a college degree is one of the major purchases in family life and more important than most. In selecting a college, it will pay every family to examine every possibility. "Select the best college you can possibly afford," advises Dean Abel of the Clarendon Junior College, "But, if your financial resources are limited don't confine your selection to the expensive 'prestige' institutions. It's quite possible to get a good education elsewhere.

Before you invest, why not investigate the economy of a first-class two years of education at Clarendon Junior College.

Mrs. Wayne Dilli and two sons, Michael and David, returned to their home in Farmington, New Mexico, Monday after visiting several days with her parents, Mr. and Mrs. L. N. Cox.

Donley County Golf Club Tourney To Start Saturday

The Donley County Golf Club's Tournament Committee composed of Ray Palmer, M. A. Hart, Dink Miller, and Bob Bell have announced that the club will hold a partnership tournament starting Saturday, August 27th. Each match will have a week time limit and will be played on the point system with one point for low ball and one point for low total on each hole. Golf bags will be presented to the winners, golf carts to the runners-up, and monograms to the consolation bracket winners.

This will be the third tournament for the club this year. In the first tournament J. B. Melton was the winner of the championship flight and J. R. Gillham was runner-up. In the second tournament M. A. Hart was the winner and Dink Miller the runner-up. In each of these tournaments there were four flights, but in the partnership tournament the entire membership will play together.

At a recent meeting of the club J. B. Melton was elected president, E. A. Tipton secretary-treasurer, and H. G. Bobbitt, Ray Palmer, Dr. J. G. Stewart and J. R. Gillham were elected directors. Ray Palmer, M. A. Hart, Dink Miller and Bob Bell were named to the tournament committee. Melton was placed in charge of mowing the course, Gillham in charge of the greens, Stewart in charge of the tee boxes, and Bobbitt in charge of the equipment.

The group voted to allow any student enrolled in Donley County Schools to play on the course free of charge, and a fee of fifty cents per round will be charged all who are not members of the club or students in Donley County School. One membership in a family entitles all members of the family living at home as a part of the family to play on the course. Membership in the club costs \$20 and the quarterly dues are \$4.50. The group voted to allow anyone wishing to play and not wanting to pay the \$20 membership at one time to be allowed

to play for a monthly membership fee of \$3 until the excess of the amount over \$1.50 per month reached \$20, and at that time he would pay the regular quarterly fees of \$4.50.

During the summer the greens have been enlarged, roto-tilled, and additional sand added to each. A portion of the tee boxes have been set up and the course is in real good shape. The turf of the fairways is excellent. The entire membership of the group invites any person living in Donley County or surrounding territory to become a member and participate in the club's activities.

The upper bracket of the partnership tournament is Noble and McGee vs. Miller and Jerry Allen, Deyhle and Bennett vs. Slavin and Moore, Gillham and B. Allen vs. Hart and Robertson, Tipton and John Butler vs. Smith and Stewart, and the lower bracket is Patman and Seago vs. Vallance and Putman, Williams and Bell vs. Palmer and Graham, Melton and Hicks vs. Pyeat and Jim Butler, and Thompson-Bobbitt on a bye.

Burnham Resigns From Local Faculty

Miss Gladys Burnham, biology instructor at the local high school and junior college for the past several years, resigned her position this week to accept a position in the Howard County Junior College at Big Spring. Miss Burnham was one of the most respected and popular members of the local faculty, and she is well known throughout the territory for her outstanding work and individual research in her field.

Miss Burnham stated that she was well satisfied in the Clarendon system, but that considerably higher pay and the fact that Howard County Junior College also offered their teachers social security were the factors that led to her decision to leave Clarendon.

Mr. and Mrs. Emmett Simmons attended the all-star football game in Wichita Falls and visited Dr. James D. Swift, Jr., over the week end.

Clarendon Jr. College Set For 1960

Enrollment for the fall term of the 1959-60 school year at the Clarendon Junior College will be held on Monday, September 5, at the Administration Building and Gymnasium according to Dean Oliver J. Abel.

The enrollment for the Adult Education Program, Night School will be held at the administration building in room 108 at 7:00 p.m. Sept. 12.

Judging on the basis of the number of transcripts which have been received from high school graduates in our area, and the number of new high schools which are represented, the Dean expects a nice increase in student enrollment in the day school this year. Groom, Panhandle and McLean will be represented with students this year, although they did not have anyone attending last season.

In addition to the new high school graduates increase, the early and numerous applicants of adults who have been out of school for a few years points toward a greater enrollment of the young married and professional people of Clarendon and nearby towns.

The day school and night school for the fall term has been scheduled and is completely staffed, ready to improve on any past performances beneficial to the student.

SCHOOL CAFETERIA MENU

- Aug. 30th thru Sept. 2nd
- Tues.: Smothered steak, buttered corn, green beans, sliced tomatoes, peaches, bread, butter, 1/2 pt. milk.
- Wed.: Ground beef and spaghetti, creamed potatoes, chilled tomato juice, 1/2 orange, bread, butter, 1/2 pt. milk.
- Thurs.: Cheese on toast, baked beans, tossed green salad, fruit jello, butter, 1/2 pt. milk.
- Fri.: Fish sticks with tartar sauce, buttered peas, celery and carrot strips, apple pie, brown bread, 1/2 pt. milk.

LEADER CLASSIFIEDS GET RESULTS

Needed Moisture Received This Week

A total of one and eighty hundredths inches of moisture was recorded by Tommie Saye, the official weather recorder here, for the week ending August 25th. One and one-tenth inches was recorded August 18th. Only three hundredths moisture was recorded on the 19th, but it was accompanied by a heavy windstorm, and a large number of tree branches were blown off and other minor damage was received by the region.

Fifty-four hundredths of an inch of rain was recorded on the 21st and 13 hundredths on the 23rd. This brings our moisture for August to well above the average, and the crops over most of the county have gone through the month in good shape.

School Cafeteria Change Is Announced

A minor change in Cafeteria meal ticket and payment policy has been announced by Supt. J. R. Cox.

All meal tickets and individual meals will be cash. The cafeteria manager, Mrs. Oliver Abel, will be at the high school Friday, Aug. 26th, during enrollment for sale of cafeteria meal tickets and also at the junior high school on Monday, Aug. 29th, for advance sale of meal tickets and to answer questions of parents regarding the welfare of their child.

This advance sale of meal tickets will alleviate a rush condition at the serving line on Tuesday, and students are urged to secure tickets on day of enrollment.

AMONG CANDIDATES FOR DEGREE AT TECH

Lubbock — The School of Agriculture at Texas Tech has announced 42 candidates for degrees. Summer commencement exercises will be held August 20 at 7:15 p.m. at which time more than 500 are scheduled to be graduated.

Degree candidates include Bobby Virgil Cosper, of Clarendon who is majoring in animal husbandry.

Good eating is something we always enjoy except of course when we get on the scales to weigh. Then it is always too late to worry about the last time we broke over. This year has been a banner one for good meals.

I have lost count of just how many we have enjoyed at Fairview with the folks of the Rural Neighborhood. We never miss one if we can help it.

Then, just a few weeks back there was the 4th of July picnic at Clarendon and some of Flip Breedlove's good beef barbecue. You can't go wrong on that anytime.

Just a bit later in the month Claude came through with what we thought was the best they had ever served in all their years of good barbecues. To the Lions Club and all those who stayed up all night we say a big Thank You, and your cooking was a big success.

Just a bit later on we made the big Farm Bureau Chicken Barbecue at Lelia Lake. This county-wide event takes the cake in its line. At all these places we ate until most anyone else would have been ashamed. It was all so delicious.

Before you read this we will have attended still another big feed with the wonderful and friendly folks in the Ashtola Community. We are looking forward to this date not only with a big appetite but knowing that we will meet many friendly folks. Again this year they are entering the statewide rural neighborhood contest. They will be in there pitching with all their might.

"Won't you come and join my party," Said the elephant to the man. It's the grandest organization That your fondest dream can span.

We have benefits a-plenty—Likely none can promise more. From the age of one and twenty, 'Til your voting days are o'er. Said the man, "I'd be delighted With your promises galore; But the donkey might feel slighted, Cause he promised even more." "Now I'm tickled with the

'gimmies' All the things you promise free, But I sort of get the 'gimmies' Wondering what you'll take from me."

We offer our apology to all poets everywhere for the above attempt at making rhyme. But we don't feel so inclined to apologize to the politicians for leaving us with the thought.

It is enough to make us quake in our boots when we as voters realize that the fight for political leadership of our country seems to be on the basis of who will give away more of the taxpayers' money. Many times it develops only to the point of who will promise to give us the most.

Here and there we find a citizen's committee that has been working to arouse the unconcerned voter about what is happening. This is a good thing and something we need more and more if we are to keep from being strangled by a centralized economy.

Our greatest hope would seem to be a grass roots movement to the effect that no group would want to take the advantage of the general good of all. This, in contrast to a race to get ahead of every other organization. This would be a return to a policy of: "Do unto others as you would have them do unto you."

The Farmer becomes the center of attention every four years. All of the politicians want to help him — help him make up his mind which way to vote, that is.

It is said that the thing that has done the most to arouse the farmer over the years has been the alarm clock. If ever there

LIBRARY NOTES

EDITH BARNES

"The Lifetime Reading Plan" by Clifton Fadiman has been given to the library to be dedicated to the memory of Mrs. Lillie Baskin, mother of Mrs. Alice Bain.

"The Earp Brothers of Tombstone" by Frank Waters has been given in memory of Mr. Bill Word. "Think About These Things" by Jane Merchant and Joshua Liebman's "Peace of Mind" have been put in the library in memory of Mrs. Lena Antrobus.

A new book about that wonderful man, Doctor Albert Swietzer, yet another one. If you think you have read everything there is to be written about Doctor Swietzer you are mistaken, as Norman Cousins in his "Dr. Swietzer of Lambarene" comes about him, some of his helpers and Lambarene itself.

It doesn't take you long as you read about his doctors and nurses to wonder why so many of us work for the money to have things and still more things. Dr. Swietzer and his staff work long hard hours and have to live under the most primitive conditions, yet Mr. Cousins says that he has never been around people who seem so completely fulfilled and happy.

Speaking of Trudi, and I quote: "It was clear that her work was giving her the kind of fulfillment she sought in life. She was responsible for the education of the leper youngsters." You won't soon forget the Nativity play given by the lepers. A-gain I quote: "There was something else. The play, in a sense, was almost a symbol of forgiveness. For the white man in Africa has not, in the main been a friend. Historically, he has not been a benefactor. He has used

his superior knowledge and power to capture the Africans and impress them into slavery." It may be said that only a Schweitzer has the knowledge and personal power to answer satisfactorily the question; "What can one man do?" Certainly we can't all be Schweitzers. But what should concern us is not what it takes to be a Schweitzer but what it takes to be a man.

The last of the book is written by Dr. Schweitzer, "Peace Or tomic War?" I bet Nevil Shute got a lot of his material for "On The Beach" from this piece. Mr. Shute's book was supposed to be fiction, Dr. Schweitzer's isn't!

A fellow with money to burn soon finds someone to apply the torch.

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 8 proposing an amendment to Section 24 of Article III of the Constitution of the State of Texas allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature as the maximum compensation for Members of the Legislature; limiting the Regular Session to one hundred and forty (140) days; and prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 24. Members of the Legislature shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem of not exceeding Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days."

"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two

Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of a Regular or Called Session."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 8th day of November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Session of the Legislature and limiting the Regular Session to one hundred and forty (140) days."

"AGAINST the Constitutional Amendment allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Session of the Legislature and limiting the Regular Session to one hundred and forty (140) days."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 11, Article VII of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation setting maximum rates of interest; providing that the rate of interest shall not exceed six per cent (6%) per annum in contracts where no interest rate is agreed upon; providing for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballots; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11, Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest all contracts for a greater rate of interest than ten per centum (10%) per annum shall be deemed usurious; provided, that in contracts where no rate of interest is agreed upon, the rate shall not exceed six per centum (6%) per annum. Should any regulatory agency, acting under the provisions of this Section, cancel or refuse to grant any permit under any law passed by the Legislature; then such applicant or holder shall have the right of appeal to the courts and grant a trial de novo as that term is used in appealing from the Justice of Peace court to the county court."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

"AGAINST the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

Sec. 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 39 proposing an amendment to Article IX of the Constitution of the State of Texas by adding therein new Sections to be known as Sections 6, 7, and 8, to provide that the Legislature may authorize the creation of Hospital Districts co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain stated limitations; providing that any enabling Acts shall not be invalid because of their anticipatory character; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same hereby amended by adding the following Sections which shall read as follows:

"Section 6. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, having the powers and duties and with the limitations presently provided in Article IX, Section 8(a), of the Constitution of Texas, as it applies to Wichita County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation."

"Section 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 8(a), of the Constitution of Texas, as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10c) per One Hundred Dollar (\$100) valuation of taxable property within the District subject to district taxation."

"Section 8. The Legislature may by law authorize the creation of a Hospital District to be co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas."

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property-taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as the obligations are not impaired, and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent changes in the boundaries of the County Commissioners Precinct

No. 4 of Comanche County. "If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants of such subdivisions or municipalities or both). The maximum tax rate submitted shall be sufficient to discharge such obligations and responsibilities, and to maintain and operate the hospital system. The Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to properties to the District."

"(b) The Legislature may by law permit the County of Comanche to render financial aid to that District by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the District (whether assumed or created by the District) and may authorize the County to pay not to exceed ten cents (10c) per One Hundred Dollar (\$100) valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purposes. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinabove provided for political subdivisions having boundaries co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County."

"(c) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

"AGAINST the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Donley County Soil Conservation District News

W. P. Doherty
T. C. D'Spain
C. B. Morris
Roy Jewell
Frank Hommel

One of the primary objectives of the Donley County Soil Conservation District is to stop our land from blowing and washing away. Structural practices, such as terraces, diversions, waterways, ponds, etc., are very important. But, equally important is the proper cropping system to maintain the fertility and productivity of the land. Land should be cropped so that we are not continually taking out more than we return. We can't do this to our bank account, and we can't do it to our land and expect it to keep on producing.

Each different type of soil and the degree of slope and erosion determines what makes up a good cropping system. On some land, such as a flat mixedland field, a rotation of a low residue producing crop such as cotton with a crop that produces lots of residue and improves the soil might be all it needs. As slopes get steeper, and the soil gets sandier, the land needs more and more residues returned to it. We all recognize that tight, flat land

is much harder to abuse than sandy, sloping land. Some land is suitable only to drilled crops that produce a great deal of residue to be returned to the soil. Residues should be left on the surface of the soil to keep it from blowing and washing.

The Donley County Soil Conservation District has adopted recommended treatments for all types of land that occurs in the District. The Soil Conservation Service men who help the District will be glad to help you classify your land and decide on the best cropping system and the best combination of practices for you to use. We must conserve what we have.

Grazing Distribution - A Problem
Better and more even distribution of grazing is a problem to most ranchers in the Donley County SCD. It is not a serious problem but seems like one that can always be improved.

"Their's good grass on the north side of this pasture," says one. "Yes, I know," says another, "but it's too far from water."

Most ranchers feel that this grass on the north side is wasted and in a sense it is. Around water on the south side the grass is grazed heavy, too heavy for range improvement. The grass on the north is barely touched. This rancher is losing money and range improvement compared to

what he could get if his stock were better distributed. He could carry more animals on the pasture and still get range improvement if this problem were solved.

"What can be done?" asks one. "Three things," says another, "fencing, more water, and salt moving."

Should this pasture in question be something over a section in size, with water and salt occurring in the south part, the above mentioned three things could be applied.

First, let's take water. Additional water on this north part would help. An ideal situation is to be so situated that cattle won't have to walk over one-half mile

The OLD RANCHER

FERRIS FAMILY REUNION

The Ferris family had their 13th annual reunion recently at Lost Lake in the Wichita Mountain Wildlife Refuge. The 85 who were present had a wonderful time. The usual sight seeing of the deer and buffalo was enjoyed by all. The huge quantity of food cooked over the campfire was a treat to everyone. Everyone had a good scare when a rattlesnake was killed in the camp. For a pastime domino playing, horse-shoe pitching, swimming, taking pictures, and just visiting was a treat for all.

Of the nine brothers and sisters, eight were present. We were sorry that Arthur Ferris of San Bernardino, Calif., was unable to attend. Mrs. T. Jones, the oldest nearing her 85th birthday, enjoyed seeing the wildlife as usual.

When time came for Sunday school two carloads, including Mrs. Allie Pounds, Bob and Joyce, also Cora Ferris, who were making a Sunday school record, attended the Assembly of God at Cache. They returned to the camp with the feeling it was good to have been in the house of the Lord.

The aroma of coffee brewing and some 30 odd chickens being fried, it wasn't difficult to round up the crowd for the last meal. After the meal a photographer from Altus made the group picture. The eighty-five attending the reunion were:

Mr. and Mrs. E. E. Ferris, Mr. and Mrs. Lewis Ferris, Mrs. Duane Ferris, Rev. and Mrs. Carlyon Ferris and children all of Anadarko, Okla.; Mrs. Allie Pounds, Mr. and Mrs. Ferris Pounds, Bobby and Joyce, also Mrs. Ruth Norfolk and daughter of Newcastle, Texas; Mrs. Lottie Rickard, Mr. and Mrs. Tony Johnson, and Mrs. Venla Lily from Arizona; Mr. Bob Ferris of Tulearosa, N.M.; Mr. and Mrs. Denver Ferris, Mr. Crow, Mr. and Mrs. Lorenzo Pelt and children, also Rosa Lewis, all of Headrick, Okla.; Mrs. W. T. Cornelius, Judge and Mrs. Weldon Ferris, Mr. and Mrs. Carol Cornelius, Mr. and Mrs. Ronald Cornelius and baby, Mrs. Harold Woolly, Terry and Bobby, Mrs. Lucy Allred and Harlan from Altus; Mr. and Mrs. Wilson Cornelius and boys from Bethany, Okla.; Mrs. Irene Stewart, Arlington, Tex.; Mr. Jack Ferris, Mr. Jim Ferris and daughter of Fort Worth; Mr. and Mrs. Pete Smith and Mikey from Dallas;

TO ATTEND SALES MEETING AT DALLAS

C. W. Bennett will be in Dallas Monday, August 29, to take part in the largest sales meeting of its type ever held.

Bennet, who owns and operates the Bennett Implement Co., will go to Dallas from Clarendon along with other John Deere retail dealers from this area. At the sales meeting, they will see for the first time the new line of John Deere Tractors which will be put on the market in late September.

In all, some 4,500 independent businessmen in the United States and Canada who sell and service

Mr. and Mrs. A. M. Ferris, Paula and Sandra, Misses Alice and Lola Ferris, also Darlene Pitts, all of Terrell, Tex.; Mr. and Mrs. Elzia Messick and boys of Happy, Tex.; Mr. and Mrs. Jimmy Riggs and Lynn of Tipton, Okla.; Mr. and Mrs. E. O. Rains and children of Cordell, Okla.; Mrs. Ed Wilks and Mrs. Edith Hastings of Cache, Okla.; and from Clarendon were Mrs. T. Jones, Mrs. A. F. Sprinkles and Cora Ferris.

Everyone had a wonderful time during the two days and we're looking forward to another reunion next August. — Rep.

John Deere products will attend the meeting. It will be the first time any manufacturer will utilize as many airplanes, reserve as many accommodations, and arrange for as many meals for a single group at one time.

Sixteen United States and Canadian airlines will airlift the dealers, plus 1,500 other persons, into Dallas for next Tuesday's meeting. Due to the size of the group, facilities such as the Dallas Memorial Auditorium, the Texas State Fairgrounds, and the Cotton Bowl will be needed to accommodate everyone.

Thurman Sensing of the Southern States Industrial Council says: "As late as 25 years ago there was only one federal aid program of any consequence extended to the states, namely, the highway program costing \$250 million per year. Now grants by the federal government to state and local governments total about \$5 billion per year under 62 different programs of federal aid."

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. Clyde Gilbreth's brother-in-law is in the Groom hospital seriously ill. Hope he is better at this time. Those visiting in the home of Mr. and Mrs. Clyde Gilbreth this week were her cousins, Mr. and Mrs. Alvin Tho-

mas of Lubbock who visited Wednesday evening, Mr. and Mrs. Dean Nolen and family of Post who spent Saturday night. His brother, Mr. and Mrs. Elmer Gilbreth, and son, Roy of Dove Creek, Colo., and Mrs. Billy Rodgers and children of Cortes, Colo., a niece of Mr. Gilbreth's, spent the week end. Mr. Penn Gilbreth of Abilene and Mr. and Mrs. Preston Gilbreth of Hedley visited Sunday.

Mr. and Mrs. Alton Webb lost a barn during the storm Saturday

night. Mrs. H. A. Harrison visited Mrs. J. D. Jones Friday morning. Craig Darby of Fort Worth is visiting his grandmother, Mr. and Mrs. D. G. Ballew and his aunts, Misses Ruth and Nell Corbin. Mr. and Mrs. Richard Dingler visited relatives in Amarillo Sunday. Mr. and Mrs. Roy Roberson and Mrs. Leonard Dozier lunched Thursday with Mr. and Mrs. A. O. Hott. Mrs. Lee Muse returned home

after spending a week with her mother, Mrs. F. J. Jarvis of Monday. Mr. and Mrs. Mark Allen and family and Mr. and Mrs. Henry Mann visited Mr. and Mrs. Bob Williams Sunday afternoon. Mr. and Mrs. Lowell Heckman and family of Midland are spending a few days with her parents, Mr. and Mrs. Lee Muse. Mr. and Mrs. W. M. Hott and family of Bryan went to Lubbock to spend a few days with her mother, Mr. and Mrs. J. W. Tidwell.

Mr. and Mrs. Alton Webb and family visited Mr. and Mrs. Wayne Ivey and boys in Pampa Thursday. Gary and Tommy came home with them to spend a week. Mr. and Mrs. D. G. Ballew visited Mr. and Mrs. Richard Dingler Thursday night. Mr. and Mrs. Frank Hardin visited their daughter, Mr. and Mrs. J. T. Skyes, in Amarillo Thursday and shopped. Mr. and Mrs. A. B. Ivey visited Mr. and Mrs. W. W. Barrets of Cotton Center over the week

SOIL CONSERVATION DISTRICT NEWS

County and Community Election
Ballots were mailed to all Donley County producers on Monday of this week. Now everyone of you should Mark Your Ballots, then Seal Them in the Small Brown Envelope and Mail Them or bring them to the County ASC Office. If you mail your Ballots back to the office You Do Not Need a Stamp for Your Envelope. All Ballots must be postmarked not later than September 9th, or brought back to the office not later than that same date. Be Sure To Vote.

Roy C. Jewell, Slaton Mahafey and Ernest L. Lamb are the members of the Tabulating Committee and will count the votes on Sept. 14th. Be Sure To Vote.

Soil Bank Programs

Amarillo visited Wednesday with Mr. and Mrs. J. A. Ivey.

Mr. R. W. Watson of Plainview visited his sister, Mr. and Mrs. J. A. Ivey, Sunday.

Mr. and Mrs. M. B. Hatfield and family of Dumas, Mr. and Mrs. W. F. McDonald and family and Merlene Ivey of Amarillo visited their parents, Mr. and Mrs. J. A. Ivey, Saturday night and Sunday.

Merlene Ivey of Amarillo spent Friday night with her sister, Mr. and Mrs. M. B. Hatfield, at Dumas.

Mr. and Mrs. Billy Ivey and family of Sunray visited Mr. and Mrs. J. A. Ivey Sunday.

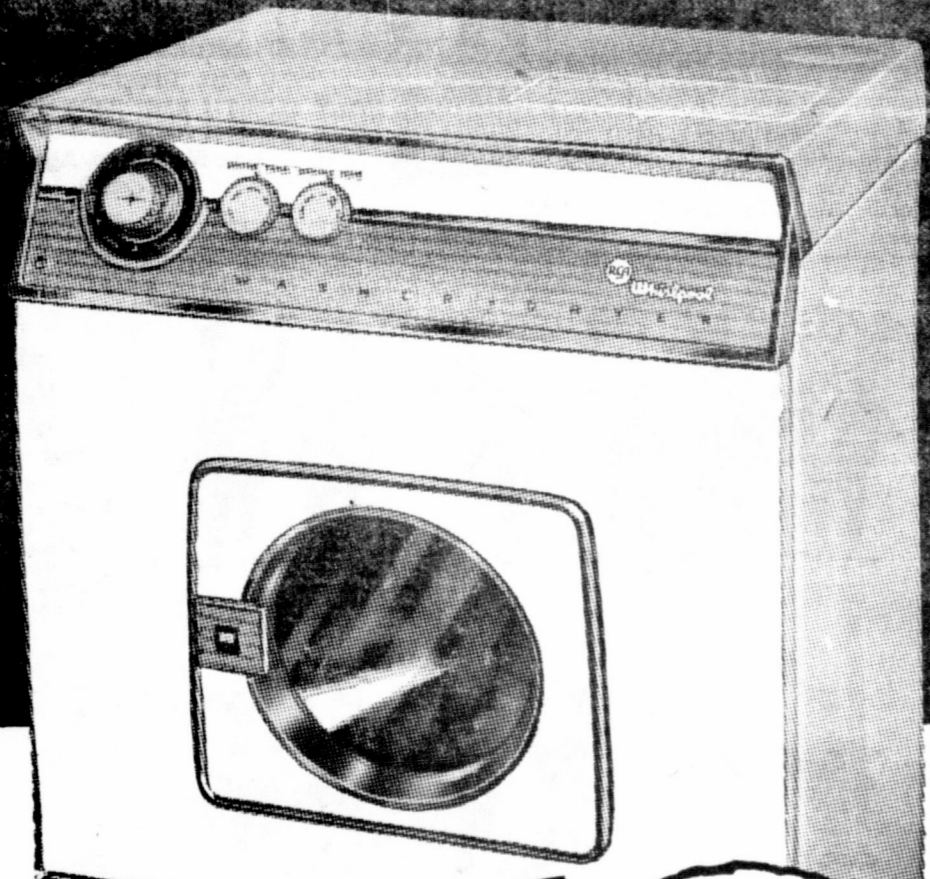

When a producer is notified by this office that noxious weeds are found growing in his CR field, he must dispose of those weeds in a reasonable length of time. When livestock or livestock tracks are found in a CR field, the producer must prove to the county committee that grazing was not intentional. One may do this by writing a letter of explanation to the county committee or by meeting with them in a regular committee meeting. If the committee does not accept the explanation as accidental, the producer is in violation of his contract and subject to penalties.

Eliminate Washing & Drying PROBLEMS THIS FALL & WINTER
with this exceptional combination buy
Offer Good Until Sept. 1, 1960

RCA ALL IN ONE Whirlpool WASHER-DRYER COMBINATION

NEW FILTER-STREAM ACTION GETS CLOTHES CLEANER WITH HALF THE WATER!

- ★ Filter-Stream Washing! Washes clothes with hot filtered sudsy water, never sloshes them in linty water.
- ★ Filter-Stream Rinsing! 3 separate rinses—no chance for dirty-water-gray.
- ★ 5-Temp Drying! The right heat for each fabric and big 29" cylinder means fewer wrinkles.
- ★ Does washing and drying all by itself—costs less than separate machines.

NEW TRACTORS

COMING!

Yes, the rumors are true that John Deere will soon be announcing a new line of tractors. We'll be previewing them at "Deere Day in Dallas" August 30. What's more, we've been told that these new tractors represent an amazing leap forward in power farming—an advance so progressive that it sets an all-new high in tractor performance, ease of handling, and operator comfort. Watch for our announcement date when we return from Dallas. We are looking forward to showing you firsthand what these tractors are going to mean to you in greater production, lower labor costs, and more leisure time.
