High School Registration Set For Friday Morning

Clarendon High School students will begin registering at 9:00 o'clock Friday morning. Seniors are scheduled to register at 9:00; juniors at 9:45; sophomores at 10:30 and freshmen at 11:15.

Junior High and Elementary students will begin registration at 9:00 o'clock Monday morning, Aug. 31. School buses will make their first runs on Monday morning and will return at noon. The first all-day session will be Tuesday, Sept. 1 and that will be the first day of operation for the cafeteria.

School bus drivers will meet at the high school and college building at 3:00 o'clock on Friday afternoon and the first general faculty meeting is scheduled for 9:00 o'clock Saturday morning in the same building.

Board Approves School Budget

The Board of Trustees for the Clarendon Public Schools approved a 1959-60 budget amounting to \$264,200.00 at their regular monthly meeting last Thursday night. This represents a cut of about \$20,000.00 over the 1958-59 budget. The reason for the lower figure this year is that the new vocational agriculture building was built last year at a cost of \$21,500.00.

A break-down of the expected expenditures is as follows: Administration, \$15,350; Instruction (includes all teacher's salaries, library books and teaching supplies) \$172,578.00; Pupil transportation, \$28,610.00; Operation of plant, \$14,500.00; Maintenance of plant, \$8,000.00; Insurance \$5,069.00; Furniture and equipment, \$1,500.00 and debt service \$18,555.00.

Of the total budget, \$150,000.00 will come from the state and the balance from local taxes.

TWO WILDCAT WELLS BEING DRILLED IN CO.

Donley County Wildcat Drilling activity took a big jump last week with a second location being announced before the end of the week.

The previous week end Russell Maguire and Sunray Mid Continent Oil moved on location about 3 miles southwest of Ashtola on the JA Ranch with a proposed depth of 7,000 feet. Drilling operations were begun on the second location the latter part of last week on the Lawrence Hagy ranch about 7 miles southeast of town. It is a 4,600 ft. potential depth project by General Crude. It is located in the northwest part of the ranch which is better known as the old Word Ranch.

Beef Cattle Ass'n. Meeting Sept. 10th

The Rolling Plains Quarter Beef Cattle Association will have a directors meeting on the night of the tenth of September at county agent H. M. Breedlove's office in Clarendon, Texas. W. H. Cooke, III, president of the association is calling the directors meeting to set up the provisions of the sale catalog and to authorize advertising in the Hereford Magazine, the Angus Magazine and the Galloway News. The meeting is being called for eight p.m. and all directors are urged to be present as this meeting is most important.

Mr. Cooke stated that all persons are invited even though they were not directors; however, it is most important that all directors be present. The directors of the association are as follows: President, W. H. Cooke III, Quail, Texas; Vice President, Geo. Saunderson of McLean, Texas; Treasurer, H. A. Green of Clarendon Texas; Secretary, H. M. Breedlove of Clarendon; and directors are Lowell Houston of Memphis, Texas; Wade Watson of Claude; John Knorrp of Clarendon; F. J. "Jake" Hess of McLean, Texas; Leonard Ford of Claude; Bill Thornberry of Brice; J. H. Gilbert of Claude and Bill Bradley of Memphis.

The big bull sale will be the first annual sale of the association and will be held in Clarendon at the fair building on the eighteenth of December with Walter Britten of College Station, Texas, doing the selling of the bulls. Sale order of the bulls will be set up on the seventeenth of December.

Bronchos Scrimmage Silverton Saturday

Coach Tom Jinks and his assistant, Mack Choate, have announced that the Bronchos will meet Silverton here Saturday night in a pre-season scrimmage session. Broncho supporters who want to get an early look at this year's squad are invited to come watch this scrimmage. No admission will be charged.

Coach Jinks stated that the boys are looking about as well as can be expected for this early in the year. They have been working out since Monday, Aug. 17. Jinks said that Dewey Wilson, Jim Robinson, Eddie Tipton, Neal Carter, Ronnie Tyra and Dwight McAnear are looking good in the backfield and that Jerry Gray Philip Abel, Charles Percival, Dennis Bradshaw and Leon Gibbs are showing power in the line.

Mr. and Mrs. Don Landers of Amarillo and Mrs. Tommy Gattis and children of Earth visited the week end with their parents, Mr. and Mrs. Alvin Landers.

Plans Progressing For Fair & Horse Show

The Donley County Quarter Horse show and the county fair will be held at the fair grounds in Clarendon on the eighteenth and nineteenth of September says county agent H. M. Breedlove.

The horse show will be held on the afternoon of the eighteenth at one-thirty p.m. in the rodeo arena. Mr. Johnny Stevens of Matador will judge the show. The show is approved by the American Quarter Horse association.

Judges are now being secured for the different departments of the county fair. All displays in the county fair will be set up on the seventeenth so that they will be in place and ready for the judging on the eighteenth. The different departments in the fair will be the Donley County flower show which is sponsored by the Les Beaux Arts Club; the merchants' department, and this is open to all merchants and business firms and plenty of space is available; the community agriculture exhibits will have agricultural displays from fourteen communities in the county; the poultry department will feature the best in poultry and be in the new attached shed on the fair building; the home economics department is open to all home economics classes in schools of the county; Needle craft department, fine arts and canned goods departments are open to all persons and will have new departments in them this year; the home made baking department is a new department and is open to all persons and all the above departments are published in the catalog with all rules and regulations for each department. The horse show is open to all counties and horses must be registered quarter horses in order to compete. Breedlove says that next week the chairman of each department will be published.

The catalogs are now off the press and are available for all committees. Breedlove stated that catalogs were being mailed to quarter horse breeders over the state.

Dove Shooting Begins Sept. 1

Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses went on sale August 20, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31, and a new license is necessary for fishing outside the home county, or with any kind of winding device.

Persons over 65 years of age are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

A map showing the Texas counties and their open seasons has been prepared by the Commission. A study of it will tell you where it is legal to hunt in both the North and South zone counties.

The season is open Sept. 1 through Oct. 20 in the North Zone, and Oct. 1 through Nov. 19 in the South Zone. There is an exception in the Lower Valley counties where mourning doves may be shot at the same time as white-winged doves. In that area the season will close three days earlier.

The whitening season is for the alternate days of Sept. 11-13-15, from 2 p.m. until sunset.

Services For Mrs. L. T. Mays Held Tuesday

Funeral services for Mrs. Viola Mary Mays were held Tuesday morning at the First Baptist Church with Rev. W. R. Lawrence officiating.

back in change that we can take home to the penny bank, one always has to dig down for the few extra pennies for the tax.

It makes one wonder just how long we in Texas will get by without it. Personally, we hate to see it come. Maybe it is just because of the nuisance of it, but we do have sort of a rebellious feeling toward the idea.

Then sometimes we get to wondering just who is the loser. Today we picked up a daily paper along the road and noticed that even a town was putting on a 1 cent sales tax and doing away with a large part of the property tax for the city. Right off we could figure that this was making our tourists pay for a part of the local government and giving relief to the local citizen.

Even though the out of state tourists are getting by without helping pay our local government and are riding on some of the cheapest gas along the road, what of it? Let's keep our piggy banks a while longer and save our pennies for our grand-

children and invite our friends from out of state to enjoy our big and generous land. Maybe we will have to later but no use getting in a hurry. My Piggy Bank ain't full yet.

"A penny saved is a penny earned" and even though it takes a lot of them to buy a dime's worth this day and time, it's still a good practice to keep on saving them.

Money is supposed to be a medium of exchange. One thing for sure, a medium amount of money won't exchange for very much this day and time.

It is said that few people can stand a lot of prosperity, trouble is most of us never get a chance to try out.

During our life-time we have heard a lot about the so-called easy money. Our experience has been that it is always easy to get rid of but hard to get hold on.

Living on a small income wouldn't be so hard if it wasn't

such a tough job to keep it a secret.

During these times of inflation and wild spending we wonder if most of us would get along better with a little less to live on and a little more to live for.

A lot of money is "Tainted," it tain't yours and it tain't mine.

"Money will buy a fine dog but it takes a bit of loving to make him wag his tail."

Speaking of money, I have always thought that it would be nice to be financially able to retire, but physically able to keep working.

Truth and rumor can be a lot like the cat-o-nine-tails. A little truth and out of that will come at least nine or a dozen tales.

Along with me, you have likely played the game of rumor at a party. In the game the leader would whisper a statement at the head of the line and see how it came out down at the other

end. It is amazing how the facts can get twisted

We have heard boys talk about how that in the army they would start a rumor down at one end of some line and then run down to the other end and wait for the message.

An accident can happen in plain sight and a dozen different reports will come out of it. All this should make us careful of the things which we repeat.

A careless word repeated by an unkind listener can develop into a hurtful rumor in no time at all.

"Four things come not back, the spoken word, the sped arrow, the past life, and the neglected opportunity."

Sometimes it is good to think about what folks ought to be like provided of course, that we start out first to be like that ourself.

The trouble with most of the milk of human kindness that is being passed out in the world is that it has already been skimmed.

Also his thumb nail character sketches of some of the other people in the hospital are good. Jack Parr viewers have already met Evan Hunter, author of "A Matter of Conviction." For the readers who like a book that has something to say and a writer who knows how to say it "A Matter of Conviction" is your book. Like Hunter's "Blackboard Jungle" this one also deals with juveniles, but is by no means a juvenile book.

Speaking of juveniles, and let's not forget the word "juvenile" is a perfectly good English word, here is some good advice about their reading: "It's sad but true that, after the early ages, all too many youngsters form a disdain for reading which cripples their social and intellectual progress throughout later life. In the case of most children, they can't fight against excessive horror movies, and jukebox records simply by trying to shut 'book classics' down their throats immediately.

"But there is a vital thing you can do NOW — namely, get your children stories so entertaining that they carry them fortlessly along to higher reading achievements and a rich vocabulary and comprehension."

U.S. OIL

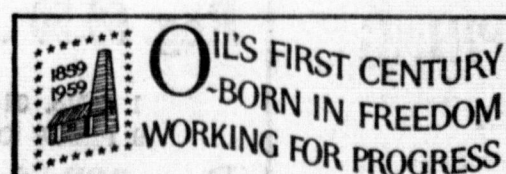

Indispensable in our way of life... vital to our national defense

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from

Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

Goode-Graham Vows Exchanged Sunday

The chapel of Plainview First Baptist Church was the scene Sunday afternoon at three o'clock of the wedding of Miss Paula Louise Goode, daughter of Mr. and Mrs. J. L. Goode, Hale Center, and Donald Robert Graham, son of Mr. and Mrs. Robert Graham, Halfway, and the grandson of Mr. and Mrs. J. M. Graham of Ashtola.

Rev. Carlos McLeod, pastor of Halfway Baptist Church, performed the double ring ceremony.

Magnolia blossoms on an arch of greenery against a background of candelabra holding glowing twistlite tapers formed the setting for the bridal party. Swirl candelabra of votive lights and floor baskets of white flowers completed the altar arrangement. Mrs. Ferman McBeth, Jr., of Hale Center presented nuptial selections at the organ while Miss Kay Hobbs sang "O Promise Me," "At Dawning," and "The Wedding Prayer."

The bride's father gave her in marriage. She was gowned in a formal white Chantilly lace over satin, fashioned with fitted bodice and full flowing skirt which swept into a chapel train. The low portrait neckline was beautifully embroidered with pearls and the brief shirred sleeves accented with motifs of pearls. A pearl tiara held her fingertip veil of illusion and her wedding bouquet was carried atop a white Bible.

The bride attendants were Mrs. Dick Shackelford, honor matron, Miss Karen Graham and Miss Sharon Allman bridesmaids. Suzanne Graham and Donnie Goode lighted the candles. Jan-

ice Graham was flower girl, and Johnny Graham served his brother as ring bearer.

Best man was Kenny McEachern, and ushers and groomsmen were Don Holly and Gary Harrell.

The feminine attendants wore gowns of orchid polished cotton with organdy overskirts. Their noseveil headdresses were attached to matching orchid bandeaus. Their flowers were bouquets of deep purple asters in cascade arrangements with orchid satin streamers.

A reception followed in the church parlors.

After a wedding trip to Colorado, the couple will be at home at 1501-B Ninth Avenue, Canyon. Both are entering West Texas State in the fall.

Y.W.A. MEETING

The Young Woman's Auxiliary of the First Baptist Church met Thursday morning at 10:00 for a "Christmas in August" party. This is an annual occasion when the girls bring gifts to be sent to Home Missionaries who will, in turn, distribute the gifts at Christmas to needy Indian families. The Christmas theme was carried out in the gaily decorated room and the singing of Christmas carols.

Sandra and Andra Pinkerton then brought the lesson from a book on stewardship, "Sacrifice and Song." The Devotional was given by Judy Thompson.

After a business meeting refreshments were served to seven members by the Counselor, Mrs. Bud Moore.

The next meeting will be Thursday afternoon, August 27 at 4:30 when the Auxiliary will conduct a Children's Story Hour at the Negro Baptist Church.

Miss Cushing Is Bride Of Mike Smith

In a candlelight service at the First Baptist Church, Clarendon, Texas, Saturday evening, August 22, Miss Margaret Cushing of Clarendon became the bride of Mr. Mike L. Smith of Borger, Texas. The Rev. W. R. Lawrence, pastor, read the double-ring ceremony at 7 p. m.

The bride is the daughter of Mr. and Mrs. William E. Cushing of Clarendon. The bridegroom is the son of Mrs. Paul Smith and the late Mr. Smith also of Clarendon.

Vows were exchanged before an altar banked with jade palms forming a background for arrangements of white gladioli and daisies interspersed with wrought iron candelabra bearing white tapers. A white satin kneeling bench centered the decoration. Tapers were lighted by Miss Janie Smith, sister of the groom, and Miss Judy Thompson.

An organ prelude of nuptial music was played by Miss Sandra Sutherland of Arlington, Texas, who also accompanied Mrs. T. M. Calwell, Jr., as she sang "Because." "Walk Hand in Hand," and "The Lord's Prayer."

Mrs. Winn McClure of Pecos, Texas, attended the bride as matron of honor. Bridesmaids were Mrs. B. M. Hicks, Clarendon, Miss Carolyn Graves, Dallas, Texas, and Miss Vesta Levy, Harlingen, Texas. They wore identically styled frocks of mint green silk taffeta fashioned in a sheath style and softened to the back by a floating inset of silk chiffon. Their mint green picture hats were trimmed in matching velvet and they carried cascade bouquets of white shasta mums tied with white satin.

The groom's best man was his brother, Mr. Harold Smith, Borger, Texas. Groomsmen were Mr. Keith Hudson and Mr. Fred Clifford of Clarendon, and Mr. Odell LaGrone, Amarillo, Texas.

The bride, given in marriage by her father was attired in a gown of pearl white peau de soie and re-embroidered alecon lace encrusted with seed pearls. The empire lace bodice was designed

MRS. MIKE L. SMITH

with a moyen age neckline and bracelet length sleeves complimented by wrist length French kid gloves. The dome silhouette was emphasized by a full blown bow on the outswept court train. Her veil of triple French illusion fell from a Mary Tudor cap of matching lace encrusted with pearls. The bride wore a diamond and pearl drop given her by the groom. She carried a white Bible topped with white orchids amidst streamers tufted with stephanotis.

The reception immediately followed the ceremony and was held at Patching Club House. The refreshment table was laid with a white, imported, hand-embroidered cloth over green. The floral arrangement was in white as were the tapers. Crystal appointments were used. The three tiered wedding cake was

topped with a miniature bride and groom and was served with punch tinted with green.

For the short wedding trip to Raton, New Mexico, the bride traveled in a suit of navy blue, pure silk with white accessories. After August 27, the couple will be at home at Borger, Texas.

The bride is a graduate of Clarendon High School and attended TCU, Fort Worth, two years. She is a member of Alpha Delta Pi sorority. The bridegroom graduated from Clarendon High School, served four years in the Navy, and is a graduate of West Texas State College, Canyon, Texas. He is currently employed by Phillips Oil Company.

Among the out-of-town guests attending were Mr. and Mrs. H. C. Stipp and Mr. and Mrs. Fred Hyer of Big Springs; Mr.

and Mrs. Robert Foster of Sterling City; Mr. and Mrs. T. A. Revell, Janice and Trina Marie of Houston; Mrs. Frank Holmes of Jacksonville; Mr. and Mrs. A. K. Garrett, Monte and Warren of Notrees, Texas; Miss Colette Hill of Dallas; Mr. and Mrs. Charles Nelson and Mr. and Mrs. Joe Smith of Borger.

Mr. and Mrs. William E. Cushing, parents of the bride, were hosts at a rehearsal dinner Friday evening, August 21, at their ranch home entertaining members of the wedding party and out-of-town guests with a western style barbecue served from their chuck wagon. Food was prepared and served by Mrs. Ruby Bromley of Clarendon.

CHAMBERLAIN CLUB HOLDS MEETING

The Chamberlain Club met August 13 with Mrs. Clara May Carter as hostess. The afternoon was spent quilting. One quilt was finished.

Refreshments were served to Mrs. Ethel Dingler, Mrs. Bradis Ballew, Mrs. Eunice Clark, Mrs. Mandie Self and Mrs. Willie Hott and the hostess, Mrs. Clara May Carter.

The next club meeting will be August 27 with Mrs. Ethel Dingler as hostess. Bring your work and remember your Pollyanna gift. — Reporter

4-H CLUB TO MEET SATURDAY NIGHT

The Donley County 4-H club will have their August meeting at the Country Club in Clarendon this Saturday night, the twenty-ninth of August, starting at five p.m. H. M. Breedlove, county agent and in charge of 4-H Club work in the county, says that swimming and an ice cream supper will be the entertainment for the evening. After the recreation is over a business session will be held with president Gene Floyd of Hedley presiding.

Everyone is urged to bring a freezer of home made ice cream or a cake or pie for the occasion.

SURPRISE BIRTHDAY PARTY

Mrs. A. D. Hendrix gave Mrs. Ned Scaff a surprise birthday party on her 79th birthday. She received many nice gifts and cards.

Refreshments of cookies and punch were served to 22 ladies including the hostesses, Mrs. A. D. Hendrix and Mrs. M. L. Pittman. — Rep.

Beaty Hillman of Ridgecrest, Calif., is visiting his mother, Mrs. J. R. Hillman, and sisters, Miss Jane Hillman and Mrs. Shaw. They were injured recently in a car accident enroute home from a California visit. Miss Margaret Hillman of Calif. is also visiting here.

We would like to take this opportunity to express to the nice people of Clarendon our appreciation of the many cards and flowers sent Jiggs during his illness and we would especially like to thank the WMU of the First Baptist Church for their special prayers. May God's richest blessings abound in your homes.

VISIT IN AMARILLO

Misses Edgar Mae and Mabel Mongole and Mantie Graves spent the week end with Mrs. M. C. Goodner in Amarillo.

While there Miss Graves attended a music workshop Monday, August 24, at the Herring Hotel. The program stressed operating procedures and was conducted by a panel of four well-known private instructors. Six separate sessions were held covering such subjects as studios, recruiting students, teaching materials, the business side, ideas for private and class teaching and student recitals.

M.Y.F. MEETING

The M.Y.F. meeting was opened with prayer by Evelyn Chamberlain. Ten members were present. Business was discussed and the program was held. Meeting was closed by the M.Y.F. benediction — Rep.

PARALLEL WITH COMMUNISM

Federal power development is a political, rather than a business issue, no matter how its promoters try to rationalize it.

Government has the authority to tax and regulate private electric development for the benefit of all the people and can do it more efficiently than it can build tax-free power plants and distributing lines for privileged groups of individuals at the expense of all the people.

The great socialistic experiment, TVA, which has absorbed some \$2 billion of tax money,

Mrs. Rose Boyd of San Angelo and her son, Harry Boyd of Levelland visited her brother, J. C. Estlack and wife and other relatives here Sunday.

Mr. and Mrs. Dan Keller, Danny and Jerry, of San Diego, Calif., are visiting her mother, Mrs. John Goldston.

Mrs. J. H. Ashcraft and Emma of McLean spent Wednesday through Friday with Mr. and Mrs. J. C. Ashcraft and Fern.

now wants Congressional authority to switch to the capitalistic system of issuing bonds to pay for expansion and thus free it from Congressional control. But it wants to retain the tax-exemption and other special privileges it now enjoys as a government agency.

There is also a proposal to free tax-exempt Bonneville from the restraints of Federal appropriations and allow it to issue bonds for expansion into the areas of taxing electric companies. Companies which served the region long before Bonneville was in existence could continue in business only as long as it suited the pleasure of the Federal monopoly.

The political scare talk that tax-exempt Federal plants must be expanded to prevent a power shortage is so much hokum. It is disproved by the fact that our greatest manufacturing centers have been supplied with abundant power by private enterprise since electricity was first used, even while public power advocates fought to prevent private development.

And now to cap the climax,

federal projects want to retain their special privileges as government agencies, while borrowing money in the manner of private business and slowly but surely putting their tax-paying competitors out of business.

Proponents of removal of Congressional restraints in financing Federal power plants use the argument that such plants have an obligation to expand to serve the community even if they liquidate private enterprise in the process. This seems parallel to the reasoning whereby communism takes over a country to "free" the people.

If you want to be successful, it isn't just enough to keep your feet on the ground... you also got to keep them moving.

It was a successful revival for the church with several additions to the membership.

Mrs. S. G. Adamson spent last week in Amarillo visiting her children.

We extend sympathy to the Frost family in the death of Mr. Frost. He passed away in Odom Hospital in Memphis Saturday afternoon. Funeral services were held Monday from the First Baptist Church in Hedley with Rev. Murbach of Memphis in charge of services. Survivors are his wife and two daughters, Faye and Mrs. Lizzy Thomas of Hedley, other relatives and a host of friends.

Mrs. C. T. Hayes spent a few days in Corpus Christi last week. Miss Carol Jeffreys of Amarillo is spending the week with her grandmothers, Mesdames Rains and Mabel Bridges.

Visitors in the Cherry home last week were Mr. and Mrs. Glendon Cherry and children of Amarillo and Mr. and Mrs. Royce Crisler and sons of Odessa.

Mr. and Mrs. Wyman Hall and baby have returned from a vacation trip in New Mexico and Colorado.

Mrs. J. B. Masterson spent last week in Amarillo with her daughter, the Donald Lindseys.

Mrs. Sadie McCants of Dumas and Mrs. Mae Williams of Heartsborn, Okla., visited their brother-in-law, F. G. Watt, and son last week.

Mrs. W. I. Rains and Ike spent Saturday in Amarillo visiting the

Chas. Rains' and Mr. and Mrs. Johnny Everett and children, Charlotte and Nancy, of Mission, Texas.

Mr. and Mrs. Edward Reeves of Dallas visited the lady's uncle, Mr. and Mrs. Bill Jones, Thursday enroute to Red River for a vacation.

Mr. and Mrs. Hobart Moffitt and Mr. and Mrs. Alva Simmons are vacationing in Colorado. Rev. and Mrs. J. S. Tipton left after church Sunday night to join them for some fishing at Lamar, Colo.

Mr. and Mrs. Kenneth Whisenton of Abilene and children, Patty and Rusty, visited last week with the lady's parents, the Bill Seales. Patty remained for a week's visit with her

grandparents. We are glad to report our good friend, Clyde Grimsley, is able to be back home after a stay in an Amarillo hospital. He is improving from his recent illness.

Mr. and Mrs. Bill Reeves of Plainview visited in Hedley last week with Mr. and Mrs. Harry Boatright and Mrs. Reeves and Myrtle. They were honored with a shower Wednesday evening in the Dr. Cox home. This young couple plans to enter college to finish their education at Lubbock this fall.

Mr. and Mrs. Aubrey Cherry and Mr. and Mrs. Glendon Cherry attended the football game in Wichita Friday night. Uncle Tom Bain fell in the

bath tub and injured an arm. He has it in a cast. Fortunately he was only bruised by the hard fall.

Misses Millie and Ellen Fay Land spent Sunday in Amarillo with relatives.

Mr. and Mrs. C. A. Woods of Amarillo visited their daughter, the Tom Moffitt family, last week.

Mrs. Ina Ranson received the news Friday she has a new granddaughter born in Pampa Hospital Friday at 11:30.

Mr. and Mrs. Walter McCracken had their grandson, Buddy Riddle, and his lady friend from Amarillo as dinner guests Sunday.

"WE SERVICE AND REPAIR ANYTHING WE SELL" Clarendon, Texas

NEW STAMP GOES ON SALE TODAY

The new four cent stamp pictured above goes on sale throughout the United States today. It is the world's first commemorative soil conservation stamp. It is a tribute to the Nation's Soil Conservation Districts — locally organized by landowners to pro-

mote soil and water conservation work in their particular area. It is a salute to professional scientists and technicians who have carried on research, found better ways of protecting the land and helped landowners carry out their conservation plans. It is an expression of gratitude to those carrying on other programs — such as education, credit, and cost-sharing — that have helped farmers and ranchers install conservation improvements more rapidly. Those interested in buying this stamp can do so today at the Post Office in Clarendon.

GEORGE'S WIFE
 By "Sarah"

An article by Sylvia Porter. "Our Only Economic Adviser" has put into words some truths that have worried and sometimes made us feel awfully guilty.

She was talking to a Mr. Cryrus Ching, former head of Federal mediation service under President Harry Truman, about the steel strike and the threat of steel imports to our economy.

To our knowledge this is no longer a threat. A friend who's husband works were the basic item is already stocking up on foreign steel, which will come back to us higher than our own steel was, with the excuse of the steel strike and scarcity of steel used to dupe the public some more.

Not only is foreign steel flooding our markets, like Miss Porter, we made a spot check of items all over the house and was appalled at the foreign labels found in them. Numerous ones carried "Made in Japan." Others were from Germany, England, Italy and Denmark.

A braided rug we thought we just had to have finally went on sale. We made a flying trip to the city for it only to be told they were sold out, but would have a fresh supply from Japan in 7 to 10 days. It's just that easy. There were plenty of the beautiful hand braided rugs made in America from \$40.00 to \$90.00 higher, but what is a poor farmer to do. We had rather trade at home; also buy American goods. But George says if this second hand tractor don't see us through the duration, we will just have to go on, buy what we have to

have and ignore the labels.

Mrs. Willie Roberts gave a Stanley Party Tuesday.

Mrs. Willie Roberts visited with Mrs. C. J. Talley Thursday.

Picture shows cotton stubble that has blown badly, and will probably get worse. A good cover crop would have prevented the damage here, and would also have improved the soil.

most m.p.g.* *miles per gallon

one of 7 big bests Chevrolet gives you over any car in its field

Proof that Chevy delivers the most miles from a gallon comes from an indisputable source: this year's Mobilgas Economy Run. For a pair of Chevrolet sixes with Powerglide walked away with the first two places in their class — got top mileage, in fact, of any full-sized car. Over the Run's long, rugged course, over mountain and desert in the long, long haul from Los Angeles to Kansas City, the winning Chevrolet averaged a whopping 22.38 miles per gallon. That's the kind of economy-engineering that keeps you saving while you drive!

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST BRAKES—In competitive tests of repeated stops from highway speeds, conducted by NASCAR**, Chevy outstopped both of the "other two." Naturally—Chevy brakes with bonded linings are far larger, built to lengthen brake life by up to 66%.

BEST TRADE-IN—Look at the record—the used car prices in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

BEST ENGINE—Chevrolet engines have long won expert praise and, just recently, Chevrolet received the NASCAR Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ROOM—Official dimensions reported to A.M.A.‡ make this abundantly clear. Chevy front seat hip room, for instance, is as much as 5.9 inches wider than in comparable cars.

BEST RIDE—MOTOR TREND magazine names Chevy "... the smoothest, most quiet, softest riding car in its price class." But this is one Chevy feature you really should discover for yourself, at your Chevrolet dealer's. Stop by soon!

SOIL CONSERVATION DISTRICTS OF AMERICA
 DEVELOPMENT • CONSERVATION • SELF GOVERNMENT

Now is the time to be thinking about seeding your winter cover crops. The best time to plant them is from the last of August to October 1.

Cover Crops are needed most on cotton land and bundle feed land. There is very little residue left after these crops to protect the soil during the winter. This causes a blow hazard and a washing hazard. A good cover crop, such as rye, or rye and vetch, will control the erosion problem and build up the soil. The moisture that the cover crop uses will be more than made up for in other benefits.

The way to plant cover crops in other rows crops is to use an interrow seeder or whirlwind seeder. The inter-row seeder is equipped with shields to protect the growing crop which is being seeded into. Cotton can be drilled into without damage. The Donley County Soil Conservation District has two inter-row seeders for the use of the people in the district. They also have a whirlwind seeder. There is a small charge made for the use of these seeders. One of the inter-row seeders is located at W. P. Doherty's farm at Hedley, and the other is located at Horace Green's farm at Ashtola. The whirlwind seeder is at Ode Hawthorne's house in Clarendon.

Cover cropping is recognized by the Donley County SCD Supervisors as one of the most important practices that can be used. The Soil Conservation Service technicians assisting the District will be glad to help you plan your cropping system, including cover crops, and help you all they can to get the practice on the land. The county ASC Committee will share the cost of planting rye, or other cover crops. Inquire at the ASC or SCS office for more information.

Some farmers who have used this practice in recent years with good results are Kenneth Brinson, Ed Dishman, Don Altman, Glen Williams, and the Riley Brothers.

From the County ASC Committee

Wool Referendum

Ballots for voting in the September referendum on the lamb and wool marketing development program will be mailed to producers about August 28th.

Any individual, corporation, partnership, or legal entity which has an interest in one or more sheep six months of age or older for any one period of at least 30 days from January 1, 1959 to the day his ballot is cast is an eligible voter.

The referendum will determine whether or not deductions

will continue to be made from producers payments earned under the wool incentive program. Producers may vote from September 1 through September 30. Any producers who believe they are eligible to vote and do not receive a ballot should get in touch with the Donley County ASC Office.

To be counted, ballots must be received by the County ASC Office not later than September 30. Mr. Cooke, chairman of the County Committee, urges producers to mark and return their ballots as soon as they are received.

Remember 1960 County Election
This is just a reminder to let you know election time is from the time you receive your ballots to September 8. They must be returned to the County ASC Office on or before this date.

The Community Boards serving as nominating committees nominated the farmers and ranchers listed below as candidates for Community Committeesmen for 1960. Remember you are to mark out five names on your ballot — those you do not intend to vote for.

"A" Community — James L. Ashcraft, Andy Brown, Vernon Davis, John Fraser III, Jimmy J. Helms, Jim W. Hermesmyer, Lloyd D. Littlefield, W. Houston McDonald, William M. Porter, Roy Roberson.

"H" Community — Virgil T. Simmons, Billy D. Rice, Spencer B. Sitter, Archie N. Hardman, Jasper T. Trew.

1960 Soil Bank Sign-up

Farmers who wish to put cropland in the Soil Bank's 1960 Conservation Reserve must ask the county ASC committee to set a basic annual rate per acre for the land offered, the County committee will take into consideration the productivity of the land and the rate will be limited to the local fair rental value of the land based on the crops harvested from it during the past 5 years. When all the eligible cropland is offered, the rate will be 10 percent higher than the rate for only part of the eligible land.

After the basic rate has been determined, the farmer may apply for a contract at any figure below the basic rate established for the land offered in the request for rates.

Commemorative 4-Cent Soil Conservation Postage Stamp

The U.S. Post Office Department will issue a commemorative 4-cent soil conservation postage stamp on August 27.

This is an opportunity to emphasize that "Conservation is Everybody's Business!" The Donley County ASC Office would like to join with other Departments of Agriculture in appreciation of this special commemorative stamp which is a tribute to farmers and ranchers who are demonstrating good soil, water and woodland stewardship. Please visit your local post-

office and buy several sheets of the soil conservation stamp for current postage and for continuing use on special occasions.

Schools List Eight New Teachers

Students attending the Clarendon Public Schools and Junior College this year will find eight new faces among the faculty. The school board approved the contracts of six new teachers at their monthly meeting last Thursday night. These include Mrs. Zella Noble, who has been teaching at Quail for the past eleven years for the junior high school English; Mr. and Mrs. C. R. Brown, who formerly taught at Clarendon but have been in the Friona system the past two years, as junior high coach and second grade teacher respectively; James Childers of Hobbs, New Mexico, for freshman and sophomore high school English; Joe Preston of Childress, for college and high school chemistry and Mack Choate of Mangun, Okla., for high school history, general science and assistant football coach. Earlier the board had approved contracts of Herman Boone of Mineral Wells for vocational agriculture and O. E. Patterson of Dallas for high school physics, plain geometry and college commercial subjects.

Mr. Boone and Mr. Choate are beginning their first years of teaching. Boone graduated from Sam Houston State College at Huntsville, and Mr. Choate graduated from Southwestern State College at Weatherford, Oklahoma. Mr. Childers is a graduate of Texas Western University at El Paso and has taught in the El Paso school system the past two years. Mr. Patterson has his master's degree from the University of Texas and has eleven years experience. Mr. Preston is a graduate of West Texas State and has graduate work from Southern Methodist University and the University of Tennessee. He has six years teaching experience, three of which were at Midwestern University at Wichita Falls.

Three changes have been made in personnel who were in the system last year. John Gillham, who taught vocational agriculture for several years, will teach mathematics in the high school and may teach a course in agriculture in the college. Roy Young, who has coached the high school teams the past two years, will coach the college team and J. R. Williams, junior high coach the past two years, will coach the high school basketball teams.

SCHOOL EMPLOYEES AUXILIARY HELP

The Clarendon School Board has approved contracts of nine auxiliary employees for the school this year.

The school tax office will again be operated by Mrs. Naomi Phelan and Mrs. Joan Davis. Millard Windom will be in his second year as the maintenance superintendent with Tullos Davison as the custodian for the junior high and elementary schools and J. E. Kidd as custodian for the high school and college buildings.

The school cafeteria will be managed by Mrs. Oliver J. Abel and she will have as helpers Mrs. Hazel Campbell Mrs. Opal Johnson and Mrs. Mildred Housden.

The school bus maintenance foreman will be Steve Edens and the bus drivers and routes are as follows: Sunnyview-Midway, Leo Luttrell; Goodnight, Sam Harris; Antelope-Heckman, Kenneth Sanders; Goldston, Pat Roberson; Ashtola, Jimmy Graham; Martin, George Mays; Chamberlain, Milton Mann and Hudgins, James Groom. Mrs. Ethlyn Grady will again drive the feeder route for the Antelope-Heckman route. The bus drivers for the two college routes have not been selected at this time.

Mr. and Mrs. Johnnie Watkins of Torrance, Calif., spent Wednesday of last week in the home of her father, Mr. and Mrs. Chester Martin.

Mrs. Roland Rudolph and Mr. and Mrs. Raymond Rudolph and children of Fort Worth are visiting Mr. and Mrs. A. D. Hendrix and Martin.

ASHTOLA NEWS

Mrs. Doyce Graham

Mr. and Mrs. Willard Cook and Dean of Meade, Kan., visited Mr. and Mrs. W. A. Poovey Monday and Tuesday.

Mr. and Mrs. J. T. Lamberson from Pampa visited the Jack Lambersons Thursday.

Congratulations to the James Lovells of Dumas on the arrival of their son, Joe Lloyd.

Mr. and Mrs. John White spent Sunday with Mr. and Mrs. Gene White at Amarillo.

The chicken barbecue was enjoyed at the community center Thursday night by around 70 people. Hubert Rhoades, Doyce Graham, John White, Van Knox and Leo Wallace barbecued the chickens and to them the community gives a big vote of thanks. Mr. Poovey asked the blessing. Several guests from out of town were present, and we hope everyone comes back next year. Our most distinguished guest was our county judge, Mr. R. E. Drennan.

J. R. Graham left Saturday for a visit with in-laws in Plainview and Sweetwater, also to attend his cousins wedding in Plainview.

Mr. and Mrs. Doyce Graham and Mike attended the wedding of Donald Graham and Paula Goode in Plainview Sunday afternoon in the First Baptist Church. Donnie is the son of Mr. and Mrs. Robert Graham.

Mr. and Mrs. Frank Clark of Claude visited Mr. and Mrs. John White Thursday.

Mrs. R. A. Grant of Liberal, Kan., her son and daughter-in-law, visited her sister, Mrs. Ruby White Saturday.

Mr. and Mrs. Van Knox visited Rev. and Mrs. Frank Baugh and family in Shawnee, Okla., during the week end.

Mr. and Mrs. Frank Mahaffey and Hugh spent the week end at Lake Kemp visiting her parents. Our deepest sympathy goes to the family of Ernest Hunt.

Miss Jan Christal is visiting this week in the M. R. Word home.
Mr. and Mrs. Doyce Graham

and Mike visited Sunday with Mr. and Mrs. Don Barker at Amarillo and Mr. and Mrs. Rex Hopkins at Canyon.
Verna Garland of Amarillo visited the A. J. Garlands Sunday.

WORKMEN MAKE UNUSUAL FIND HERE

Workmen for the Household Supply made an unusual find here last Thursday while installing a heating unit at the home of Misses Edgar Mae and Mable Mongole.

They vented the unit in a brick flue but found that it would not draw. Upon checking the chimney on top of the house they found a squirrel nest with around six young squirrel that were big enough to scamper away. The squirrel are of the grey variety and finding a nest in a chimney in Clarendon is very unusual. In localities where squirrel are plentiful, you could expect most anything.

Quite a number of squirrel have been seen all over town the past year or so, and more frequently in the east part as more pecan trees and other nut trees are growing in that area.

KILL RATTLESNAKE IN CITY

Mr. and Mrs. Jack Eades and Mr. and Mrs. Harold Gerner killed a rattlesnake Tuesday night. As the Eades and their children and little Johnny Gerner crossed the alley to the Gerner home the snake sounded its warning. The Gerners brought lights and the snake was found and killed. It measured 42 inches and had six rattlers. This was the sixth snake to be killed in the same block within as many weeks but was the first rattlesnake.

Mr. and Mrs. Garland Holland and children spent Friday night in the home of his mother, Mr. and Mrs. Chester Martin enroute to their home in Daggett, Calif., where he is employed by the Federal Aviation Agency. They have been in Okla. City since April 1st where he completed 20 weeks advanced schooling in Air Navigation facilities maintenance.
