A FINE PAPER FOR FINE PEOPLE

Apple Growing Is Big Business for W. O. Hommel, whose orchard is located 3 1/2 miles south of Alanreed, Texas. Hommel has a bumper crop of White Delicious, Grimes Golden and Winesap as indicated in photo above. The large apple is a Connell Red and measures 13 inches in circumference. The big reds are all gone now but the other varieties are just coming on and can be purchased at the orchard or delivered in large quantities. Hommel has 400 apple trees and around 700 peach trees. The peach crop was a failure this year due to the late freeze. He devotes full time to his orchard and reports the spraying of the trees is quite some chore.

Students Continue To Enroll At CC

Tex Selvidge, Dean of Students at Clarendon College reports a steady increase in enrollment at Clarendon College and it is hoped that the enrollment will reach or exceed that of last year.

As of Tuesday afternoon, September 12, 385 students had enrolled reflecting a decrease of 38 students. The freshman enrollment is equal to that of last year. There is, however, a 47 student decrease in sophomore students. Re-entry students dropped 27 students this year.

All dormitories are reported filled with the Girls Dormitory exceeding some ten students over capacity.

Finalization stages and it is hoped several new courses are in the ed that if these are approved, enough students will enroll to give us the highest figure Clarendon College has had.

Bronc Band Boosters Plan Activities

Parents of Clarendon Broncho Band students and their boosters held their first meeting of the school year Tuesday night in the Band Hall. Some 35 were present.

New officers elected were: Mr. and Mrs. Jack Eads, president; Mr. and Mrs. J. C. Woody, vice-president; Mr. and Mrs. P. C. Messer, secretary; Mr. and Mrs. Doyle Hall, treasurer.

The group voted to help the band raise money for a trip to Canon City, Colorado for a marching contest to be held in May. Bands from a number of states will be participating.

The first fund raising project will be a Chili Supper to be held in October. Band members will also be selling Booster stickers. Band Boosters plan to meet one night a month during the school year. Plan to meet with us and support the band.

Vocational Training Applications Being Taken At CA Center

Mrs. Edna Osburn, Community Action Program Coordinator, reports that a number have enrolled for Vocational Training through the Community Action Program, and students continue to enroll. Four classes are planned at the present time. These include Beginners Typing, Advanced Typing, Bookkeeping and Basic Accounting, and Auto Mechanics. As of Wednesday 54 had signed up. You may enroll until Friday of this week.

All who are interested in Auto Mechanic training should contact Mrs. Osburn immediately to allow time to set up for a full class.

Tuesday night of this week, twelve individuals took the GED Pre-Entrance tests. Eight took the test last week to make up a total of 20 for the past two weeks.

Mrs. Osburn stated that she was well pleased with the response in regards to both the GED tests and the Vocational Training programs. Other programs are available and Mrs. Osburn expects to get some of these underway soon.

The Center is available to the public to be used for meetings, parties, etc. if you would like to use the center contact Mrs. Osburn and schedule the date on her calendar.

CC Golfers Tourney Here Friday, To Go To Borger Saturday

The first Western Junior College Athletic Conference Golf Tournament will be played at the Clarendon Country Club Golf Course Friday, September 15, with Chuck Bailey of Boys Ranch, Mike Brown of Tucumcari, N. M., Mark Fuller of Jal, N. M., Kevin Jett of Stinnett, Marx Melton of McLean, and Mack Miller of Memphis representing Clarendon College.

McLean, and Mack Miller of Memphis representing Clarendon College.

This same team will represent Clarendon College in the second Western Junior College Golf Tournament Saturday, September 16 at the Hubert Golf Course in Borger.

Coach Sharlene Graham, in commenting, stated that we have a very fine raw talent and with a period of time we should see some very fine polished college golf players.

The general public is cordially invited to observe some of the finest golf talent in the Western part of Texas and the Eastern part of New Mexico. About sixty young college golfers are expected to be in attendance at this tournament.

TECH RED RAIDERS HOST UTAH SEPT. 16

The Texas Tech Red Raiders of Lubbock will host the Utah Utes of Salt Lake City, Utah at Jones Stadium in Lubbock Saturday, September 16. Game time is 7:30 p.m.

This is the first meeting of the two schools, thus no series record. No predictions have been made in regard to the possible outcome of the game.

Medical Center Notes

Patients as of Wednesday, September 13: Mrs. Ruth Ann Derrick.

Dismissals: Selina Butler, Salie Hatley, Josephine Moore.

Mrs. Beth Nelson and Mr. and Mrs. John Just and Johnny were dinner guests Sunday of Mr. and Mrs. Harvie Dunn in Pampa. Mrs. Dunn prepared a birthday dinner honoring her mother, Mrs. John Just.

Donley County Hospital District Board Issues Statement

The Donley County Hospital District has been forced to terminate the position of Dr. Patrick T. Dolan as Chief of Staff and Medical Director of the Medical Center.

The refusal by Dr. Dolan to treat the present patients in the Nursing Home, Hospital facilities and emergency cases made this decision inevitable. The Medical Center is designed for complete health care of the area residents. With the refusal by Dr. Dolan to work with the Donley County Hospital District in furnishing this care, the Board felt that it had no alternative but to request Dr. Dolan to leave the Medical Center.

At the present time the Board is actively working to staff the Medical Center with a physician. The Nursing Home and Hospital will remain open and the Board will continue to strive for better health care and medical personnel for our area.

Colts To Open Season At White Deer Tonight

Coach Pete Bromley and Coach Jack Hall will journey with the Junior High Colts to White Deer tonight, Thursday September 14, for their first game of the season. Game time — 6 p.m. Coach Bromley reports the boys are looking good and working out well.

The possible starting lineup will be: Split End, Lynn Chilton; Right Tackle, Mark Phillips; Right Guard, Paul Hermesmeier; Center, Dwight Hardin; Left Guard, Ricky Gerner; Left End, John Tucker; Left Tackle, Charles Mills; Quarterback, Alan Hamilton; Fullback, Barry Schafer; Tailback, Tony Wallace; Wingback, Mike Newhouse. Frank Hommel will alternate on defense.

The Junior High Cheerleaders will lead a Pep Rally at 1 p.m. Thursday afternoon. This group always comes up with some spirit-raising rallies.

The seventh graders coached by Bob Lemons were to have played here Monday night. The visitors could not muster enough boys to play so the game was cancelled. Some real fine players are showing up and it was a disappointment not to be able to see them play this week.

The Colt Schedule for the 1972 Season follows:
White Deer — Sept. 14-T
Open — Sept. 21
Wheeler — Sept. 28-T
Wellington — Oct. 5-H
Valley High — Oct. 12-T
(Turkey - Quitaque)
Memphis — Oct. 19-H
Claude — Oct. 26-H
McLean — Nov. 2-T
Silverton — Nov. 9-H

All games will be at 6 p.m. unless otherwise changed. Fans are invited to attend home games and travel with the Colts when they are on the road. The support you give them is always appreciated. See all of you at the games.

ELLA HILL LEASES FRANK'S RESTAURANT

Announcement is being made in the Leader this week that Mrs. Ella Hill has leased Frank's Restaurant.

Mrs. Hill, who has followed the restaurant line of business for a long number of years, stated that she would feature choice steaks, Mexican food and a full line of pastries.

HAIL DAMAGES CROPS NORTHEAST OF TOWN

Blustery clouds moving in from the southeast last Friday evening caused heavy damage to crops in the Sunnyview community northeast of town.

The hail, accompanied by from three to five inches of rain cut a swath across the Elba Ballew farm northwest across the H. L. Riley farm. The Lelia Lake area received heavy rain but only spotted hail.

Mr. and Mrs. J. D. Bryson of Stephenville visited recently with his mother, Mrs. Emmett Bryson.

Moto-Cross Races Held Here Sunday

A good crowd was on hand and many top racers competed in the Moto-Cross Races held at the new track South of Greenbelt Lake and North of Highway 287 this past Sunday. This was the first racing day on the new track and it was dusty, but given another week or ten days one of the best tracks in the area will be in tip-top shape.

Results of Sunday races are as follows:

MINI-MAN — Shannon Thompson of Borger, Donnie Westfall, Tom Johnson, Jeff Skinner.

100 CLASS — Clyde Barker, Jr. of Stinnett; Jamie Walker, Ric Lyles, Ronnie Rook, Jerry Sinclair.

125 CLASS — Terry Weatherford of Pampa, Steve Thompson, Randy Black, Cal Wright, Mark Gregory.

MAXI-MAN — Jimmy Battenfield of Amarillo, Dan Curry, Dale Cross.

250 CLASS — Phil Carlton of Amarillo, Randy Carthel, Eldon Barker, Thad Slaton, Danny Ault.
OPEN — Randy Carthel of Amarillo, Boyd Hutcherson, Gary Reynolds, Melvin Lowe, Bo Pearson.

Next activity at the Greenbelt Track will be September 24 when there will be Tag Team Races.

David C. Waldron Rites Held Sunday

Funeral services for David C. Waldron, 71, of Mercedes, Texas and a former Donley County resident, were held at 4 p.m. Sunday, September 8, 1972 in the Murphy Memorial Chapel with Rev. O. W. Sumrell, pastor of the First Baptist Church in Mercedes, officiating. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Mr. Waldron died at 1 a.m. Friday, September 8th, in Knapp Memorial Methodist Hospital at Weslaco, Texas. He was born June 29, 1901 at Munday, Tex. and married Margaret Tucker Dec. 22, 1940 at Wichita Falls. He was a retired Public School Teacher and Administrator of more than 32 years. He was a member of the First Baptist Church, Masonic Lodge and a Veteran of World War 2.

Survivors include his wife; Margaret Waldron of the home in Mercedes; and four sisters: Mrs. Lela Pyleatt of Amarillo Mrs. Travis Lively, Mrs. Roberta Wood, and Miss. Vada Waldron all of Pampa.

Bearers were Frank White Jr., A. J. Garland, Van Kennedy, Billie Christal, Clayton Mann, and A. R. Henson.

Last Rites In Memory Of Mrs. W. G. Word

Funeral services for Mrs. Anna Lee Word, 84, a resident of Donley County for more than 57 years, were held at 10 a.m. Monday, September 11, 1972, in the United Presbyterian Church with Rev. Owen McGarity, Minister, officiating. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Mrs. Word died at 1 a.m. Saturday, September 9th, in Northwest Texas Hospital in Amarillo. She was born at Georgetown, Texas February 9, 1888 and was married to the late William Grandison Word June 12, 1912 at Canyon, Texas. They moved to Donley County from Canyon in 1915. Mr. Word died on August 1, 1960. Mrs. Word was a member of the United Presbyterian Church.

Survivors include three sons, W. G. Word Jr. of Silver City, New Mexico, Robert H. Word of Nashville, Tennessee, Al Word of Lordsburg, New Mexico; one daughter, Mrs. Peggy Stricklin of Beeville, Texas; one sister, Mrs. Bess Anderson of Los Angeles, California; one brother, W. D. Howren of Amarillo; eight grandchildren and five great grandchildren.

Bearers were Glenn Churchman, Neeley Hudson, Sid McElroy, Joe Montgomery, Jiggs Mann, and Homer Taylor.

CC Rodeo Club To Portales And Alpine

It was bound for Eastern New Mexico University at Portales, N. M. for the Clarendon College Rodeo team Tuesday, September 12. The local team will compete in the first N.I.R.A. meet of the year.

Joe Perrin a freshman from Adrian, will ride Saddle Bronc. Jim Thompson, a sophomore and president of the Rodeo Club at CC, will be competing in Bareback and Bull Riding. Riding Bulls for CC will be Mike Smith, a sophomore from Lefors. Miss Diane Pearce of Tuttle, Okla., will participate in Break-Away Calf Roping. Miss Pearce is the "All Around Cowgirl" from the state of Oklahoma.

Next week this same group will go to Sul Ross University. Miss Gail Williams of Clarendon will join Miss Pearce in Break-Away Calf Roping, Goat Tying, and Barrel Racing.

Mr. and Mrs. Herman Cross visited in Tyler over the week end visiting their daughter, Mr. and Mrs. Benny Osburn. Annette returned to Clarendon with them to visit a few days.

A big, stout team from White Deer will be next in line for the Clarendon Bronchos as they tangle in Broncho Stadium here Friday night. Game time will be 8 p.m.

Both teams will be out to avenge defeats handed out by Childress and Memphis last week. The Bronchos went down 24-19 to Childress when they were plagued with numerous bad breaks and mistakes during the second half. White Deer was downed by Memphis 19-6 but it is understood that Memphis has one of the stronger teams of the district this year. Coach Clyde Noonkester reported White Deer to have a big, heavy line similar to Childress but a weaker offense.

Russell Keown was the only casualty last week with a slight ankle injury but is expected to see action this week. Flu has hit some of the team this week but Noonkester is hoping all will be cleared up by Friday night.

Be sure and be out Friday night to see the Bronchos in action and give them your full support. Noonkester reported his probable starting lineup would be Hicks, QB; Carter, FB; Shields, TB; Elroy King, Wingback; John Holland, Center; Barbee and Floyd at Guards; Palmer and Danny Holland at Tackles; with Grady and Leeper at Ends. On defense Monroe will be playing Lineback and Keown, Guard.

A. L. DeBord Services Held Monday, Sept 11

Funeral services for Alton Lester DeBord, 50, a lifetime resident of Hedley and Donley County, were held at 2 p.m. Monday, September 11, 1972 in the First Baptist Church of Hedley with Rev. J. J. Terry, pastor, officiating. Interment was in Rowe Cemetery under the direction of Murphy Funeral Home of Clarendon.

Mr. DeBord died at 9:20 a.m. Friday, September 8, 1972, in Veterans Hospital in Amarillo after a lengthy illness. He was born in Hedley October 9, 1921 and was engaged in farming until his illness forced him to retire. He was a Veteran of W. W. 2, and a member of the Hedley American Legion and Hedley Masonic Lodge.

Survivors include his mother, Mrs. Maggie DeBord of Hedley; two sisters, Mrs. Ray Burnine and Mrs. Bonnie Reeves both of Amarillo, several nieces and a nephew.

Cousins of Mr. DeBord served as the Casket Bearers.

Joe Siddle and a friend of Amarillo visited Sunday with his grandmother, Mrs. Ellen Bryan, and spent a short time visiting Mr. and Mrs. G. W. Estlack.

Elroy King is shown here skirting right end for the first Bronc score against Childress. He repeated the same feat a few plays later but the play was nullified by a holding penalty. —Photo by Saye's

It was a thrill and a privilege to be at Boys Ranch this year for the annual rodeo and reunion for all the ex-members of this wonderful family. Our visit was even more joyous because we were thrilled with attending an outdoor worship service in the rodeo arena.

The message and the songs, by the choir and the special music by the boys brought a thrill never to be forgotten to our hearts. We were so pleased to see the new chapel that is under construction, and remembering the blessings that came from the old building that has long been so small that different services had to be held in order that all the boys might attend. The style of the new building is so wonderful and so many dreams have gone into its making.

It was with a mixture of joy and sadness that we stood by the new graves of Cal and Mimi Farley in which their bodies have been recently moved. No more appropriate place in all the world could be found for this memorial to their great lives. Their names were on the headstone in the simple way that these two would have wanted it. Between them and at their feet was the grave of their little dog Cricket. We were moved as we thought of the blessing that all this would bring to the boys. The boys that kept asking when Cal and Mimi would be brought home. On an appropriate memorial near by were these words: "If you want to see what Cal and Mimi have accomplished look around you."

All this we are writing without notes and we no doubt missed some detail, but the spirit that brought this mixture of feeling to our hearts will last forever. All this just a stones throw from the historic old courthouse that is so much a part of Boys Ranch.

Our thoughts and our prayer is that God will continue to bless the lives of all who have a part in this wonderful work with the Creator's little men.

CLARENDON COLLEGE POLITICAL POLL

As everyone who was at the game Friday night knows, the final score was 19 to 24 Childress. If you missed the game you probably missed one of the best games this year. Hold your head high boys, you played a good game.

Thought we saw a flying saucer at the game Friday night, but seems Clyde N. just lost his hat. Will someone please see to it that he has a chin strap before the next game?

Mike L. falling down stairs is one thing, but falling onto the football field through the hoop? Now really Mike.

Pam M. was there something more interesting behind the stands than on the football field?

Poor Tommy H. seems someone keeps borrowing his books, but never returns them.

LaRhonda someone with the initials R. H. might know something about your birthday present.

Carrie N. and Steve C. had to celebrate his birthday one day late this year. It fell on Friday and like football players just won't have much to do with girls on game nights.

Seems like the twirlers are trying out new tricks in band. Gina K. tried twirling with her mouth and Katrina M. with her knee. Oh, the pain!

No, John H. it's not two words, poor Mrs. Todd. Danny H. and Debbie R. don't have to bum rides anymore. Nice to have your car again isn't it, Danny?

Tommy S. gave the Civics class a big laugh Tuesday with a strange noise; wonder what it was?

Clyde N. has always tried to keep his football players smart. Why he even has a BOARD meeting for those that have a hard time with subjects.

Cutest Couple this week, Steve C. and Carrie N.

The Baptist Church building is coming along fine. We can see great progress in the making. There have been a number of people putting in a lot of hours in work on it. There was much activity going on there Saturday. If you have some spare time and can't find anything to do, I'm sure A. L. Bacon or Henry Bland can put you to work on the church building.

Mr. and Mrs. M. L. Van Arsdel had guests this week end. Mr. Van Arsdel's brother, Carl, and his wife, Pat, were visiting them from Woodville, Iowa. They didn't do anything special, just enjoyed visiting with each other.

There was a good turn out at the football game Friday night. It sure was good to see a lot of you there. Hope y'all had as good a time as I did. If you weren't there, we hope to see you this Friday night.

Kathy Atkinson has gone home this week to visit with her parents in Dickens. We hope she has a good time.

We are glad to hear that Dwight Wilson is home from the hospital and doing fine. I know he is looking forward to getting back to school.

Cora and Henry Bland have gone to Post for a few days to visit their friends, the Robert Griffins. We hope they have a safe trip.

A. M. Crain Celebrates 106th Birthday

Wednesday, September 13, Albert Mirza Crain, the oldest Carson County resident and possibly the oldest in the Texas Panhandle, celebrated his 106th birthday. Mr. Crain, a resident of St. Ann's Home in Panhandle, shared the occasion with his son and wife, Mr. and Mrs. W. M. Crain of Claude, and his daughter, Mrs. Nell C. Parks of Ruidoso, N. M. Other area relatives include a granddaughter, Mrs. E. F. Hazlett of Phillips and a sister-in-law, Mrs. J. M. Crain of Amarillo.

Mr. Crain was born in Nacogoches County near the Old North Church. He married Miss

Violet Berryman October 24, 1895 in Montague County and they moved to Armstrong County in 1906. They celebrated their 66th wedding anniversary prior to Mrs. Crain's death November 4, 1961. He is a lifelong Baptist, a rancher-farmer until retirement in 1953.

In addition to his two children, Crain has three grandchildren, several great grandchildren, and a great great grandchild.

Visitors always enjoy hearing Mr. Crain tell of early days, recite the alphabet backwards, and sing some of the old songs he sang in his youth at the old-time Baptist meeting houses.

Friends and family dropped by the home in Panhandle to wish Mr. Crain "many happy returns of the day."

Mrs. Willie Newberry Lewis To Autograph Her Book, "Tapadero", Mon. Sept. 18, 1972

Mrs. Willie Newberry Lewis of Dallas is releasing for sale her latest book, "Tapadero, The Making of A Cowboy," published by the University of Texas Press.

An autograph party will be held for Mrs. Lewis at Brown's House of Books in Amarillo from 2:00 to 5:00 p.m. Monday, September 18th, 1972 and another in Pampa, Texas at the White Deer Land Museum from 7:00 to 9:00 p.m. September 19th, 1972.

Mrs. Lewis and her three daughter will be joined in Amarillo by her daughter-in-law, Mrs. William J. Lewis, Jr. of Clarendon, and Mr. and Mrs. Frank Wardlaw of Austin for the Amarillo party. Mr. Wardlaw is director of the University of Texas Press.

To the Old Timers who are familiar with the R. O. Ranch and who knew Lewis well, and to the younger generation who were friends of his son, Bill, owner of the Shoe Bar Ranch, Mrs. Lewis' book will hold a special meaning.

"Tapadero" is the story of Mrs. Lewis' husband, Will, and his early life on the Panhandle plains, the circumstances which led to the family's move from Maryland to the old colony of Clarendon, and the colorful experiences of the youthful easterner as he slowly developed into a "tophand cowboy" and a successful cattle raiser.

In her preface, Mrs. Lewis states that "Tapadero" is not a biography but a picture of one of the Panhandle's most colorful eras, the era of "free grass"; factual because it is based on experiences of one who grew into manhood at that time.

At the time Willie Newberry and Will Lewis were married, Lewis had under lease the famous old Spur Ranch, which at that time comprised some 525,000 acres of land. It was here that she received her introduction to the West and the life of the cowboys and cattle-raising. Ideas for this book originally came from the tales her husband told of his boyhood on the plains, and as she listened she became aware of the fact that his story was also the story of the Panhandle.

To increase her knowledge of the region, Mrs. Lewis began to interview every old settler in the region. From her husband's reminiscences and her forty-two interviews came both "Between Sun and Sod" and "Tapadero: The Making of A Cowboy."

Mrs. Lewis is well-known in this area. We offer her our congratulations on the publication of her new book. Actually so very few books have been written depicting pioneer life as it was in this great plains area that our wonderful history and heritage is slipping away unrecorded. This book will be a link between past and present, helping to preserve a bit of that history.

The public is invited to attend either of the autograph parties and visit with Mrs. Lewis and her family.

Clay Family Reunion Held Last Week

Aluminum Furniture Is Popular For Outdoor Use

Inexpensive, lightweight aluminum furniture has become a favorite standby for use at the lake, poolside, back yard and patio.

"It's light weight and portability make it almost indispensable for boating, camping and picnicking," said Mrs. Jane Berry, housing and home furnishings specialist for the Texas Agricultural Extension Service.

According to the Texas A&M University employee, modern production methods enable manufacturers to make folding furniture that's non-tip, has strong locking devices and resists oxidation.

"The use of hard, medium or soft alloys in extruded aluminum determines the strength of the frame, as well as price of the furniture piece," Mrs. Berry said.

Among the many new portable furniture designs executed in aluminum which will be available on local markets is an all-aluminum director chair which will be available on local markets is an all-aluminum director chair in modern styling. The chair's heavy square-tubing frame is finished in a choice of four heat-sealed acrylic colors. Snap-on back and seat covers of crushed vinyls complete the chair.

"Several companies that formerly made only wrought iron furniture now produce solid and cast aluminum groups in contemporary styling," Mrs. Berry said. "The finish and type of upholstery used determine whether pieces are suitable for outdoor or indoor use."

Outdoor groups are finished in baked acrylic enamel and have snap-on vinyl covered cushions. Groups for indoor use have polished aluminum frames and indoor fabrics.

"Aluminum with vinyl cord or strap upholstery requires only an occasional washing with soap and water," Mrs. Berry said. "Aluminum furniture that has been left out for some time should be rubbed with wax-base cleaner or fine steel wool to brighten it. Once a year, apply an auto paste wax to restore luster to the frames."

Dispose Pesticide Containers Properly

Proper disposal of pesticide containers is a common interest to both the urban dweller and the farm operator.

Unless handled right, "empty" containers could contaminate food and water supplies of people or animals. Accidental poisoning is also a possibility. Dr. Jack D. Price, leader in agricultural chemicals with the Texas Agricultural Extension Service, suggests some steps to follow for handling and disposing pesticide containers.

The Texas A&M University specialist suggests rinsing each container as it is emptied and adding the rinse to the spray tank. This should be done before filling the spray tank with water or other diluting material. Rinse each container three times, using one quart of rinse each time for a gallon container and one gallon for a five gallon can.

By thorough rinsing, the pesticide will be used as intended, notes Price. At the same time, the amount of residual material in the container will be greatly reduced. By prior careful planning, the amount of left-over pesticide can also be reduced.

Rinsed containers will require careful disposal, emphasized the specialist. Light containers that are crushed or broken may be buried on the farm. Pesticide containers should be buried in 18 to 24 inches of clay or loam soil at least 500 feet from wells, streams and livestock feeding areas to avoid water contamination. Burial should be on relatively high ground that is flat or gently slopes away from any water supply, either surface or subsurface, that could be used for domestic purposes. The location should be fenced and marked.

Price points out that it is important to select a burial site where the soil extends at least 8 to 10 feet in depth before running into bedrock or hardpan, which can cause lateral movement of subsurface water.

The specialist suggests another way for urban dwellers to dispose rinsed pesticide containers. First, wrap the empty containers with several layers of newspaper, preferably followed by crushing or breaking. "Such containers can then be placed in the garbage can for disposal. Aerosol cans, of course, should never be punctured or burned. Simply wrap the aerosol container and place it in the garbage can. It's a good idea to check with your city or county

office to see if this procedure is permitted in your locality," adds Price.

Research is continuing in an effort to develop a better means of disposal of used containers. The methods described here are consistent with the current recommendations of the Federal Working Group on Pesticides, notes the specialist.

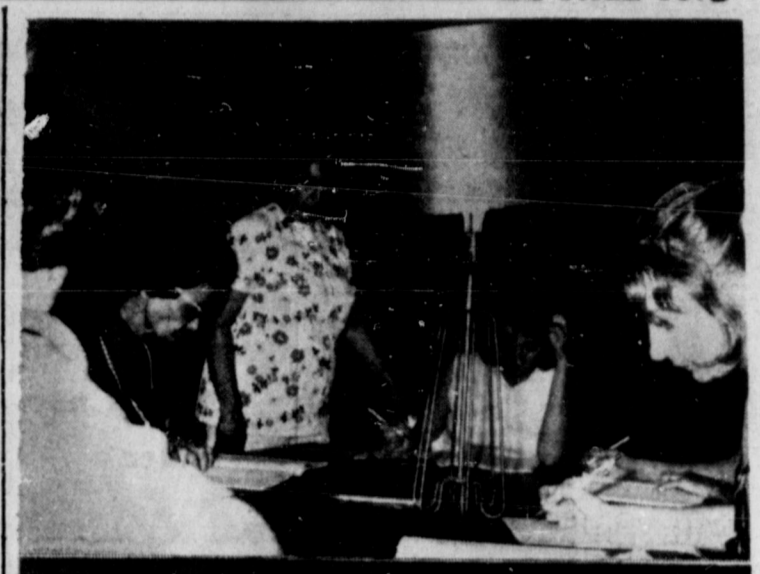

Social Security

Q—My mother recently died and left a large doctor bill. How can a claim for medicare be filed?

A—In a death case, there are two ways the claim can be filed. If the doctor agreed for Medicare to pay him directly, he can complete the request for Medical payment form and only his signature is needed on this form. Medicare then pays the allowable charge directly to him, less the 20% co-insurance and the yearly deductible of \$50.00. Under the other method of payment, Medicare will reimburse the person who paid the doctor bills. Again payment will be 80% of the allowable charge, less the yearly deductible of \$50.00. If this method of payment is selected, the person who paid the doctor will need to file a request for medical payment with Medicare and include an itemized receipt of doctor's statement. A word of caution — be sure the doctor's statement shows who paid the bill. Contact your social security office for assistance.

Q—Is there a premium payable for the Medicare insurance?

A—There are two parts to Medicare. Part A, hospital insurance, and Part B, medical insurance, better known as the doctor bill insurance. There is no premium to be paid for the hospital insurance as part of your social security tax that you pay during your working years goes towards the payment of this insurance, with the Federal Government contributing the same amount from general revenue to cover the cost. If you receive a monthly check, the premium will be deducted from your check. If you are not receiving a check from social security, you will be billed every three months for your insurance. When you receive your notice of payment, a self-addressed envelope will be included for you to send your payment in. You will also be given instructions on how to prepare the check or money order.

Removing Spots And Stains From Fabrics

Anything goes in fabrics for fall-except spots and stains.

Removing spots and stains from clothing is a foremost cause of concern for many individuals, according to Mrs. Becky Culp, Texas Agricultural Extension Service clothing specialist.

"Although today's fashion picture calls for interesting combinations of pattern on pattern, textured effects and bold colorations, the presence of a stain that meets the above requirements — and is prominently displayed on a favorite garment — is not the latest vogue," Mrs. Culp observed.

Furthermore, clothing discarded due to improper or inadequate stain removal methods means a mounting expense to consumers — totaling a substantial drain on the clothing dollar.

"Sophisticated fibers, dyes, finishes, and even stains create problems in effectively caring for clothing items," the Texas A&M University specialist noted.

Mrs. Culp recommended prompt action when a garment becomes stained. Aging makes stain removal more difficult and may permanently set the stain.

For drycleanables, take the garment to a reputable cleaner. Identify the stain by location, and if possible, the exact cause of the stain.

For washable items, prompt laundering procedures will remove the majority of most common stains. Stain removal charts are valuable aids for prompt attention and removal of known stains.

"In caring for washable clothing members, the homemaker is often unsure of the nature of a stain. By following a sequence of procedures — beginning with the mildest — stains may be removed before they become permanently set or before the garment is damaged through too harsh treatments," Mrs. Culp explained.

She recommended the following procedures for washable clothing:

1. Begin by soaking the stain in cold water for approximately 20 minutes.
2. Work liquid or dissolved laundry detergent into the stain, allowing to stand 30 minutes. Then rinse. Special instructions may be found on the container.
3. Launder, using bleach and water temperatures suitable for the fabric. Do not use chlorine bleaches on wool, silk, spandex, acetate, delicate fabrics or on any garment with a label warning against its use. Oxygen bleaches are safe for all fabrics and should be used when in doubt. Synthetic fibers, permanent press finishes and non-colorfast dyes require warm, not hot, water temperatures.

"The majority of the most common and troublesome stains can be successfully removed from washable garments by following the above procedures," the specialist maintained.

"Next — if the stain still remains — soak the garment overnight using a laundry additive designed for presoaking," she added.

"If that is ineffective, launder in the hottest water suitable for the fabric."

Greasy stains, such as paint and asphalt, may be removed by sponging with a safe spot remover such as perchlorethylene or trichlorethane, she noted.

Use removers carefully and follow manufacturer's directions. Always test by first applying to a hidden part of the garment, such as a hem, to determine if

Highlights and Sidelights FROM YOUR State Capitol

By BILL BOYKIN Texas Press Association

About 20,000 on Texas welfare rolls may lose their eligibility next month due to increased federal Social Security benefits.

Probably 110,000 more may get a cut in state Old Age Assistance as the federal benefit goes up.

However, Department of Public Welfare Commissioner Raymond W. Vowell emphasized that total income will still be higher even where state benefits drop.

Federal law requires the state welfare agencies to count Social Security income in figuring financial need for welfare grants.

Vowell said the Welfare Department is trying not to lower or deny welfare grants wherever possible.

He advised welfare recipients to notify their local aid offices of any recent changes in their need or other income.

Budgetary revisions in welfare procedures will permit continued assistance to about 4,700 old folks who otherwise would have had their welfare grants denied, Vowell said.

DEATH SENTENCES COMMUTED — Some 28 prisoners sentenced to death have had their sentences commuted to life imprisonment following a high court decision that capital punishment as now applied in Texas is unconstitutional.

Atty. Gen. Crawford Martin August 2 held the U. S. Supreme Court decision (now on appeal) meant sentences must either be commuted on prisoners given new trials.

A Board of Pardons and Paroles member said he did not know when inmates whose sentences have been commuted by Gov. Preston Smith actually will get the official news. He said there are 45 on death row in Texas prison and that the Board may wait until all sentences are commuted before informing either prisoners or the public.

Before action can be taken on commutations, prosecutors who do not want to start new trials must make formal written requests to the Board. In nearly all cases, local prosecutors are expected to request commutation rather than retrial.

The Board plans a meeting within the next month to take formal action.

DRAFT NUMBER AT 95 — Young Texans whose draft lottery number is 95 can relax for the rest of 1972.

State Director of Selective Service Col. Melvin N. Glantz said 95 is the lottery number cut-off for induction of non-volunteers for the rest of the year. Lottery cut-off for September is 75.

The Department of Defense has asked for 15,900 men from all states October - December.

Glantz indicated about 1,100 Texans will be drafted during the last three months of the year. Induction orders will go to men qualified for military service who were born in 1952 and those who lost a deferment in 1972.

RATE CUTS TAKE EFFECT — That 11 per cent average state-wide auto insurance rate cut went into effect September 1 as scheduled.

They will be available to auto owners when they purchase new policies or renew existing coverage in the next 12 months.

An additional 10 per cent cut is possible after passing a National Safety Council - prescribed defensive driving course. Total reductions amount to about \$70 million.

DAM HEARING POSTPONED — Texas Water Rights Commission recessed hearings on feasibility of rival damsites for the next reservoir in the Nueces River watershed until September 28.

At the same time, TWC Chairman Otha Dent hinted neither the proposed R & M nor Choke Canyon sites may be acceptable for the immediate future. Corpus Christi officials favor the R & M site (above Calallen on the Nueces River) which is closer to the city, while many other potential water users favor Choke Canyon which would be smaller and cheaper.

Nueces River Authority has filed as sponsor of the Choke Canyon project on the Frio River

west of Three Rivers. TWC said the Federal Bureau of Reclamation, which would build the reservoir, did not consider water rights already granted when it made studies of the sites.

AG OPINIONS — Attorney General Martin held constitutional a 1971 act to prevent insurance holding companies from draining off assets of insurance companies they control. The act was an outgrowth of the National Bankers Life Insurance Company scandals.

In other recent opinions Martin concluded:

Independent school districts are barred from collecting delinquent ad valorem taxes incurred before Dec. 20, 1939.

Northwest Houston Water Supply Corporation bonds are not to be considered as "other obligations" of the city under the water code.

A commissioners court does not have authority to compensate justices of the peace on an hourly basis.

A district clerk is legally authorized to retain as a fee of office compensation for accounting and administrative expenses in handling trust funds paid into court during litigation and invested at interest.

The executive director of the Texas State Hospitals and Special Schools is the official on whose salary is based the contribution of eligible HSS board members for retirement credit.

A one-year real estate loan providing for an interim payment on or before six months from date of a specified sum, plus accrued interest with unpaid principal balance due and payable on or before one year after date meets requirements of 70 per cent loans.

TEXAS SIXTH — Texas is sixth among destinations of vacationing American families, according to a national survey cited by Texas Tourist Development Agency.

Texas also ranks fifth in visitor spending, as well as sixth in family visits last year, according to the study commissioned by Better Homes and Gardens magazine.

With 2.8 million family vacation visits credited to the state last year, Texas was exceeded by California, 5.6 million; Florida, 5.5 million; New York, four million; Pennsylvania, 3.5 million and Tennessee, three million.

Visiting families spent \$474 million in Texas, compared with \$1.9 billion in Florida; \$1.5 billion in California; \$684 million in New York and \$650 million in Hawaii.

CHS BRONCHOS FALL TO CHILDRESS BOBCATS

by Rosale Graham

The Clarendon Broncos found the Childress Bobcats worthy opponents Friday night as the Broncos went down 24-19 under the steady ground attack of the Bobcats. It was not an easy victory for the Cats as the Broncos maintained a 12-6 lead in the first quarter, which grew to 19-6 at the half.

During the third quarter, Childress came back with two touchdowns, narrowing Clarendon's lead to 19-18. In the fourth quarter, Clarendon's defense handed out the punishment, but still allowing Childress another 6 points for a 24-19 victory.

The Broncos won the toss and elected to receive starting the game with a scamper by Steve Carter which ended in a fumble. The Broncos recovered and took over on the 36. The offense sparked right off the bat as Elray King chalked up the first 6 around the right end on the second play of the game. With the extra point flying amiss, the Broncos then kicked off. The ball was received by Jerry Neal who deposited it on the Bobcat 33. Childress moved down field to a score by quarterback Turk Nelson around left side. The extra point was blocked and the score tied 6-6.

Receiving the Cats kick-off Tommy Shields moved the ball to the 31 yard line. The second play was a highlight as Shields snatched a 12 yard aerial to move the Broncos to the 43. Elray King scooted around right end and went all the way, only to be called back on a holding penalty. Heeding the crowd's cries of "do it again," Hicks effected a screen to Shields who took the ball and went all the way for the Bronco's second TD. The try for extra point eluded the toe of Shields, and the first quarter ended with the Cats on the 40 yard line.

The Bobcats lost possession of the ball on the next play, the pass bouncing on the hands of the Bobcats receiver and in the hands of Mickey Grady. Clarendon couldn't move the ball, however, and was forced to punt allowing the Bobcats to move the ball into Bronco territory via a 20 yard pass and a strong ground attack. Their drive was stopped at the Bronco 6 yard line. A fine catch by Mike Leeper brought the Broncos out of danger but again they bogged down and the Cats returned the ball to the Bronco 33 on the punt. A clipping penalty set them back to the 18 where they met a wall of Clarendon defenders. After struggling to the 42 yard line, they gave up possession to the Broncos, where with 13 seconds left on the clock, Shields scrambled for another score. The extra point was good.

Illegal procedure was the call

on the Broncos side kick and the Cats took over on the 45. Elray King picked off a Bobcat pass and headed for home but slipped on the grass. The half closed to the tune of 19-6, Broncos.

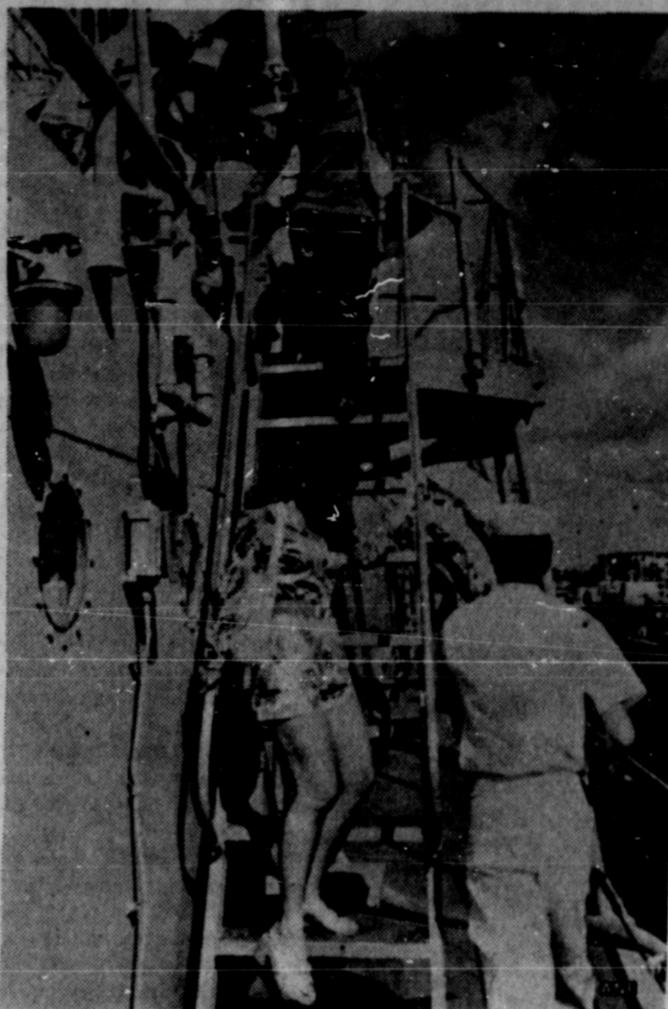

The second half proved to be the undoing of the Broncos as their kickoff was brought back to the 34 where Childress marched down the field to the Bronco 4. Floyd Key carried it in for the Cats—the score 19-12, Broncos.

Clarendon handled the Cats' kickoff well until a fumble gave Childress possession. Leeper retaliated by picking off a Childress aerial but slippery fingers struck again and Clarendon's fumble was recovered by Childress. After a fast first down by Nelson on a keeper, Larry Johnson took it all the way. The score 19-18, Broncos. Childress' try for 2 points failed.

Shields returned the kickoff to the 34 and the Bronco offense took over only to be forced to punt as the third quarter closed.

It was Childress' game from that point on as the Bobcats marched to the 5 yard line and fumbled. The refs called it a dead ball leaving Childress in possession. The Broncos defense held the Cats to a fourth on three. A pass was effected but was caught out of the end zone and the Broncos took over on the 3. A fumble gave the ball to Childress. The inevitable was bound to happen as Nelson took the ball in for Childress skirting left end for the last score of the night. The conversion attempt failed.

It was give and take for the remainder of the game. The ball changed possession twice more and Childress let the last seconds tick by, tying the game up with a final 24-19 score, favoring Childress.

Quality Set-Aside Provisions Strengthened For 1973 Programs

For wheat and feed grain farms, when low-quality acreage is offered for set-aside—that is acreage not representative of land on which the farm's crops are grown—the entire payment will be based on the productivity of the set-aside land.

For cotton, the reduction will be computed in the same manner as in 1972, except, that the deduction rate will be 13 cents per pound instead of the 1972 rate of 6 cents.

This announcement was made as a result of a study of 1971-72 program operations which revealed that a few producers with farms having both poor quality and quality cropland have offered the poor-quality for set-aside and accepted deductions from their farm payments. The deductions were not enough to offset the monetary advantage gained by producing crops on the quality acreage rather than setting it aside from production.

The great majority of participants in the set-aside programs have offered quality set-aside acreages in both 1971 and 1972, and the increased deduction rates for 1973 will affect relatively few producers.

In both 1971 and 1972, quality of set-aside has been emphasized, with a requirement that set-aside acreage be representative of cropland acreage on a participating farm. Deductions of set-aside payments are made in cases where set-aside land is not representative.

County ASCS Officers will make available set-aside inspection and measurement service to 1973 program participants. This service, which is offered at cost, can provide assurance to farmers that their set-aside acreage is acceptable for quality and quantity. The set-aside inspection service was first offered in 1972. It is available now to any farmer who wants an early determination and will continue as long as needed.

Set-aside land representative of cropland on which crops are normally produced is needed to assure achievement of effective production adjustment, according to officials of USDA's Agricultural Stabilization and Conservation Service which administers set-aside programs.

Under the Agricultural Act of 1970, participating wheat, feed grain, and cotton producers set aside a percentage of their cropland, diverting it into conserving uses, and generally are free to produce as they choose on their remaining cropland. Under this program more decision-making has been returned to farmers. The program provides freedom to plant crops which

are to their economic advantage. This has enabled them to make the most efficient use of their land, labor and machinery and has resulted in increased farm income.

The recently announced 1973 wheat program offers wheat farmers an even greater degree of flexibility in planning their 1973 cropping operations. They will have the added choice of voluntarily setting aside additional acreage for payment and agreeing to limit 1973 wheat acreage or of setting aside only the minimum acreage without restrictions on their wheat planting.

Kimbra Anderson Is Playday Finalist

Kimbra Anderson, 10 year old daughter of Mr. and Mrs. Fred Day of Clarendon, Texas, participated in the National Playday Finals in Amarillo, Texas September 10 at the Rolling Hills Arena.

Kimbra was eligible to compete in 9 out of 10 events held. To be eligible one had to compete in 6 Playdays for Range 1 and be among the top 5 riders. In finals there were 10 participants or teams in each event.

Kimbra won 1st in Flag Race, 16.09; 2nd in Rings, 15.16, and Keyhole, 7.16; 3rd in Barrels, 20.94. In partner events she and her partner, Christel Atchley of Lefors, Texas, placed 1st in Two Man Relay, 16.34, Wagon Race, 17.13, Ribbon, 13.51; and 4th in Rescue, 19.22.

Each age group was given a high point trophy for the day. Kimbra and Christel tied for this trophy in Pee Wee Girls, each receiving a total of 44 points. This was not unusual to have a tie, but two participants from the same club and riding as partners was unusual. By the way, each received a trophy.

Kimbra is now eligible to go to Super Finals which will be held at Mt. Valley Riding Club in Fort Worth, Texas October 9, 1972, to compete in barrels, flags, keyhole, wagon race, two man relay, ribbon, ring and as an alternate in poles and rescue.
