# 105th Birthday Sun.

Albert M. Crain, a resident at St. Ann's Home in Panhandle for the past nine years, celebrated his 105th birthday at the home Sunday, September 12, 1971. His birthday is September 13.

Through the years St. Ann's has made him a lovely birthday cake each year. This year the cake was decorated with 21 candles, one for each five years. The party was given Sunday afternoon in the large dining room at the home where cake and cold drinks were served. A granddaughter from Raleigh. North Carolina, Mrs. Carolyn Conrad, sent beautiful flowers for the occasion.

Besides the family, friends from over the area were present and all remarked that Mr. Crain was holding his age remarkably well and not looking a day older. He spent most of the afternoon resting in his room but appreciated the thoughfulness of all who made the party possible as well as the presence of those who called.

Albert Crain is the father of W. M. Crain of Claude, Texas and formerly of the Goodnight area. Rep.
