A FINE PAPER FOR FINE PEOPLE

Looks like it was lots of fun for these young ladies moving into Knorpp Hall Monday. Give them a little time and some unusual ideas pop out to express the many personalities residing in the Dorm. It is truly a home away from home. —Photo by Saye's

College Enrollment Good Classes Begin Today

Community Action Vocational Training Classes To Begin

Mrs. Edna Osburn, Community Action Program Coordinator, has announced that classes in Typing and Bookkeeping will definitely begin Thursday, September 11. Those planning to take these courses should contact her as to where classes will be held. G.E.D. tests were given last Tuesday night. Another pre-entrance test will be given next week. Those who missed the test last week or any others who are interested are asked to get in touch with Mrs. Osburn. She will contact those she knows are interested; however, she will have information for you as to where the tests will be given.

The Community Center Fund Raising Committee members are asked to meet and make plans to get their activities underway as soon as possible.

The public is invited to use the Center for sponsored group activities. For scheduling use of the Community Center contact Mrs. Osburn and make all of the necessary arrangements and reserve the date you wish to use the facilities there.

There were seventy immunizations given through Community Action prior to the opening of school.

LIONS CLUB PANCAKE SUPPER FRI., SEPT. 8

Members of the Clarendon Lions Club have planned a Pancake Supper to be held at Lions Club Hall Friday, September 8. This supper will precede the Clarendon - Childress football game.

Serving will begin at 5 p.m. and continue through 7 p.m. Tickets for the supper are being sold by all members of the Lions Club or may be bought at the door. Admission is \$1 per person with all children under school age free when accompanied by adults.

Avoid that last minute rush of getting the family fed and ready for the game. Eat with the Lions and go from there to our first football game of the season when the Childress Bobcats will invade Broncho Stadium.

Four Local Youth Charged In Pot Case Here Tuesday

Police Chief Gary Gerdes and City Patrolman Daniel Archuleta raided a building near the city limits on east highway 287 early Tuesday morning and as a result four local youth are involved with charges of possession of a dangerous drug. Gerdes said the youth were using marijuana.

Three of the youth were apprehended at the scene and the fourth escaped and had not been picked up Wednesday. Gerdes said the fourth youth grabbed the sacks of marijuana and fled out an unknown door. The three apprehended are out on a \$2500 bond awaiting action of the Donley County Grand Jury.

Chief Gerdes said a crackdown on this type of thing was going to be made a number one must on the general routine of local officers.

CC Night Courses In Law Enforcement

Amarillo College will be offering Law Enforcement courses from their Police Science program at Frank Phillips College and Clarendon Junior College beginning this fall semester.

Three courses will be offered in cooperation with both schools. Prospective students may call the respective Registrar's Office for additional information.

At Clarendon Junior College registration is now in progress for courses which will begin Sept. 7. They will be offered in the evening. The courses are as follows:

Law Enforcement Terminology 6:50 p.m. Tuesday
Introduction to Law Enforcement 7:45 p.m. Tuesday
Administration of Law 7:45 p.m. Thursday

Vernon Milner Davis Rites Held Monday

Funeral services for Vernon Milner Davis, 73, a resident of Donley County for 60 years, were held at 2:30 p.m. Monday, September 4, 1972 in the First Baptist Church with Rev. Paul Hancock, Minister of the First Christian Church and Rev. W. R. Lawrence, Minister of the First Baptist Church, officiating. Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Mr. Davis died at 9 p.m. Saturday, September 2nd, in Groom Memorial Hospital in Groom. He was born December 11, 1898 in Coryell County, Texas and moved to Childress County in 1912 and to Donley County in 1913. He married Bonnie Taylor January 14, 1923 at Hedley. He was a Farmer.

Survivors include his wife, Mrs. Bonnie Davis of the home; two daughters, Mrs. Juanell Scott of Melrose, N. Mexico, Mrs. Lorena Ross of Amarillo; four sons Donald and Bill Davis both of Amarillo, Doyle Davis of Claude, Johnny Davis of Clarendon; three sisters, Mrs. Ruth Hollingsworth and Mrs. Thava Crawford both of Amarillo, Mrs. Minnie Hollingsworth of Turnerville, Texas; one brother, Joe Davis of Taos, New Mexico; and twenty grandchildren.

Bearers were Houston McDonald, Albert Johnson Jr., J. H. Spier Jr., J. E. Kidd Sr., Grady Henson and Fred Clifford.

Medical Center Problems Unsolved

The Donley County Hospital District Board and appointees met Tuesday night at Medical Center to continue efforts to solve existing problems. It appeared that little was accomplished to this time.

The Medical Center facilities have passed all inspections and are in compliance with regulations and requirements. Some of the points in question are in relation to desired changes in various areas. These changes must be in compliance with all regulations and requirements to maintain an operating facility. The Board and appointees have not asked for these changes and it is necessary for them to evaluate these requests in relation to meeting requirements.

They continue their efforts and are confident that a solution is possible despite the many, many rumors being circulated.

Singing Sweethearts Begin Activities

"The Singing Sweethearts", a singing group from Hedley, began their singing activities for this year at an all-night gospel singing at beautiful "Holy City" Saturday night, Labor Day week end. There were some fifteen groups from several states singing at this event.

The Singing Sweethearts is a fine group made up of ten and eleven year olds who really believe in opening up and singing. Singing with the group are Kim and Randy Woodard, Perry Potts, John Duke, Sherrill Hill, and LaMoss Springer. The group is accompanied by Don, Letha, and Ricky Springer.

Traveling with the group to Holy City were their parents: Mr. and Mrs. Junior Hill and Jeff, Mr. and Mrs. James Potts, Mrs. Joyce Woodard, and Mr. and Mrs. James Duke and Janice.

BASIC TRAINING

Bobby Leeper, son of Mr. and Mrs. Lloyd Leeper and husband of the former LaCreta Burgess, is taking basic training at Ft. Ord, California. He has some two and a half weeks of basic remaining.

Thrills And Spills At Moto-Cross Races Sunday, September 3

It was an exciting afternoon at the Moto-Cross Pit east of Greenbelt Lake Sunday afternoon. An exceptionally good crowd was present; the weather was delightful, and many of the best riders in the area were on hand for racing. There were three spills during the afternoon but no major injuries received.

The most exciting event of the afternoon was the Jumping contest. Jackie Dodson of Amarillo was winner touching down at 78.8 feet. Clyde Barker was second with 67 feet and third was Bennie Jones with 56 feet. Receiving trophies were the following:

MINI-MAN — Danny Westfall, Shannon Thompson, Tom Johnson, Ronna Tyler.

100 CLASS — Jerry Urquhart, Terry Weatherford, Tommy Brown, Don Moss, Randy Black.

250 CLASS — Mike Terry, Jerry James, Don Shawhart, Don Herrington, Thad Slaton.

OPEN CLASS — Jimmy Battenfield, Sonny Stansell, Boyd Hutchison, Gary Reynolds, Melvin Low.

It might be interesting to know that Ronna Tyler who took fourth in the Mini-Man is a mighty cute little blond. There is a lot of skill in handling your motorcycle in these races and it takes plenty of courage to get out there and complete. If you doubt this, come out for the next races September 24.

NOTICE TO ALL CONTESTANTS AND SPECTATORS! Racing will be on a new track for the September 24th event. The pit will be on the south side of Greenbelt Lake with entrance from Highway 287 West of Clarendon about two miles and north about 3½ miles after crossing the railroad track. Signs will be placed to help find the location. Riders grow tired of the same racing course and are always ready for the challenge of a new pit. So plan to come out for these races September 24.

Jim Risley, a student at Texas Tech, Lubbock, spent the week end with homefolks.

Registration at Clarendon College this past week has not reached the total figure expected however enrollees may sign up for classes through September 22. Others will be enrolling in night classes.

The enrollment to Wednesday of this week was 363 as compared to 423 at this same time last year.

Students enrolled from the following counties and states. The break down on the number from each county is given:

Armstrong 6; Briscoe 10; Carson 15; Castro 2; Childress 14; Cockran 1; Collingsworth 17; Cottle 3; Crosby 1; Dalham 1; Dallas 1; Deaf Smith, 2; Donley 74; Floyd 2; Gray 45; Hale 2; Hall 41; Hansford 7; Hardeman 4; Hartley 1; Hemphill 11; Hutchinson 4; King 2; Knox 11; Lipscomb 4; Lubbock 1; Moore 10; Motley 5; Ochiltree 16; Oldham 6; Potter 6; Randall 8; Roberts 3; Sherman 1; Swisher 2; Wheeler 8; Wichita 3; and Wilbarger 1.

From out-of-state 6 were from New Mexico; one from New Jersey; two from Oklahoma; one from Mississippi; and two from Colorado.

Pasture Management Short Course Set Fri.

A short course on Improved Pasture Management will be held Friday, September 8, in Lions Den at Hedley, according to Ronald Gooch, County Agent. The meeting will begin at 1:30 p.m. and should be concluded about 4 p.m.

The program will feature Frank Petr, Area Agronomist; Neal Pratt, Agronomist, Texas A & M University; Leon New, Area Irrigation Specialist; and Mike Rietmayer, Area Economist Management.

The topics for discussion will include Cool Season Grasses, Varieties and Management; Warm Season Grasses; Varieties and Management; Irrigation Improved Grasses, Irrigation Requirements and Types of Systems; and the Dollars and Cents of Improved Pastures.

All persons interested in improved grasses and pastures are invited to attend this short course, stated Gooch.

Leader Out-of-County Rate \$5.50

Broncs Open Season Friday Night-8 p.m.

The Clarendon Bronchos will open their 1972 season Friday night, September 8, when they will host the Childress Bobcats. Game time is 8 p.m.

Everyone is ready and eagerly awaiting this opening game. The boys have shown up well in scrimmage and are working to overcome their weak points.

Coach Clyde Noostkester stated that the team was working better offensively than defensively. Alan Harper will be out for the season for injuries.

Noostkester reported his probable starting lineup would be Hicks, QB; Carter, FB; Shields, TB; Elray King, Wingback; John Holland, Center; Barbee and Danny Holland at Tackles; with Grady and Leeper at Ends. On defense Monroe will be playing Lineback and Keown, Guard.

The Junior Varsity will be playing at Memphis Thursday night, game time 7 p.m.

SEWING FAIR AT PAMPA SEPTEMBER 13

A sewing Fair sponsored by the Texas Agricultural Extension Service will be held at the M. K. Brown Auditorium September 13, in Pampa. Representatives from six major home sewing companies will set up booths with booklets and pamphlets to be handed the public. Demonstrations on the latest techniques in home sewing will be given every 30 minutes from 9:30 a.m. to 12:30 p.m. and from 2 to 5 p.m. The fair and all it entails is free of charge. Bring your questions about sewing and while getting the answers to your problems learn something new. It is all free.

MUSCULAR DYSTROPHY TELETHON A SUCCESS

The annual Jerry Lewis Telethon for Muscular Dystrophy was a huge success again this year as it has been for the many years it has been carried out.

Thanks to the work of Genella Eads, local chairman, and others of the community, Clarendon and residents of this area contributed toward this worthy cause. Mrs. Eads reports a total pledge of \$355.72. Jackie Bell again worked hard this year and though he didn't total the amount of last year, he alone brought in \$46.30. Proceeds from the Telethon will be used with 75 percent going for research and 25 percent kept in area chapters for patient services.

Mrs. Eads expressed her thanks for the cooperation received toward making the Telethon a success locally.

Lakeview Project To Impound 200 Acre Feet Of Flood Water

Depaew Construction Company of Amarillo was the low bidder on the site of the Lakeview Watershed Project. Their bid of \$490,328.25 was within the estimated limits set by the Soil Conservation Engineers, according to Monty Sowers, local Conservationist.

The work will include the movement of 500,000 yards of earth and when completed will hold about 200 acre feet of water at the principal spillway.

Purpose of the watershed construction, to include eventually 25 water retention structures and 19 stream channel improvement projects is to protect cropland, rangeland, pastures, roads, and towns from flood damage.

Recreation uses from the project are also being considered, stated Sowers.

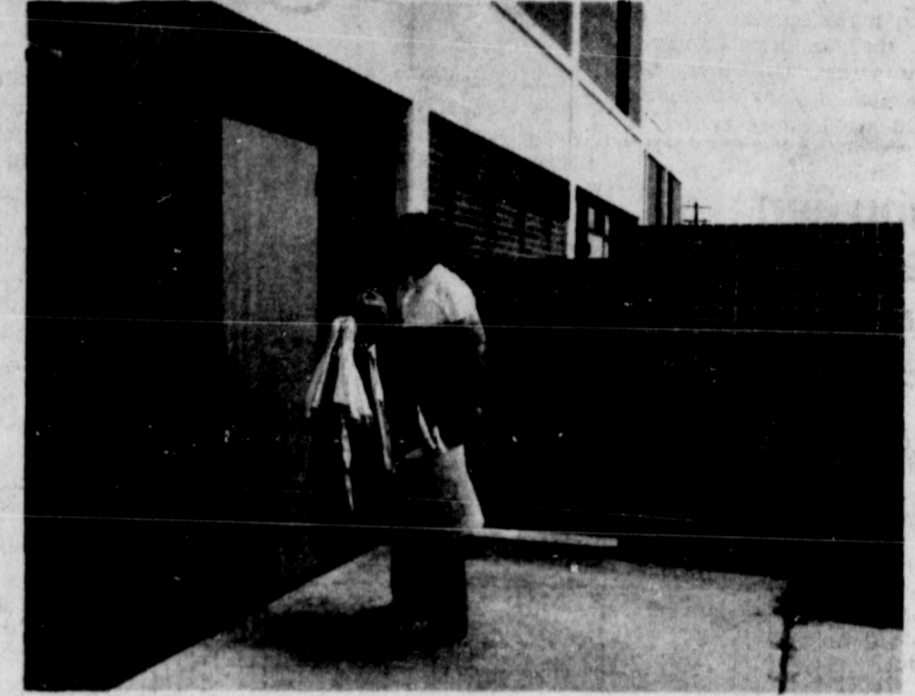

Mr. and Mrs. E. V. Quattlebaum visited relatives in Amarillo Sunday afternoon.

Move in day, Monday, September 4, was certainly something at Clarendon College. Pictured is a resident of Vaughan Hall as he treaded up and down stairs taking personal items and clothing to his room. Bet he is saying "How did I ever get here with all of this?" —Photo by Saye's

Mrs. Retta Hubbard, Dorm Supervisor at Knorpp Hall, gets acquainted with one of the residents. BOTTOM ROW—Left to Right—Looks like a Coke break for some lucky few. Others are involved in the maze of sign-in problems. A young man moves in at Vaughan Hall. Photo by Saye's

ROY RITCHIE TRAINS AT FORT ORD, CALIFORNIA

Army Private Roy Eugene Ritchie, 17, son of Mr. and Mrs. Roy Edward Ritchie, Rt. 1, Clarendon, Texas is assigned to Ft. Ord, Calif., where he is training under the Modern Volunteer Army program. The program combines Basic and Advanced Individual Training (AIT) into a 16 week program dependant upon the AIT the soldier receives after completing basic. Decentralized instruction at the unit level and a reduction of formations and inspections give the soldier more time to

train and increased off-duty time. Fewer restrictions on off-duty travel and improved living facilities are other benefits of the program.

Pvt. Ritchie began his training with Headquarters Company, 4th Battalion, 20 Brigade on August 10 and is scheduled to complete the first phase on October 4. He is a 1972 graduate of Clarendon High School.

Mr. and Mrs. Robert Bain and children of Wilberton, Okla. visited the week end with their parents, Mr. and Mrs. George Scholtenberger and Mr. and Mrs. Olin Bain.

MOISTURE TOTAL IS STILL CLIMBING

Our official weather observer reported a total of 15.65 inches of moisture for the year so far and over an inch of moisture during the current rainy spell.

The squall line that moved through Monday night brought an inch of moisture and added .19 of a foot to Greenbelt Lake. It also blew down TV antennas in places, broke tree limbs and just mostly excited area residents.

Attend The Church of Your Choice This Sunday.

TO AMARILLO COLLEGE

Kent McElroy has enrolled in Amarillo College for the fall term. He will continue his work with Furr Food where he has worked through the summer months. Kent is the son of Mr. and Mrs. Wayne McElroy.

Mr. and Mrs. Doyce Graham attended the wedding of Judy Ann Morris and Neal Starnes in Snyder, Texas Saturday. They then visited relatives in Lubbock Sunday and Monday.

Social Security

Q—I have lost my medicare card. What must I do to obtain another one?

A—You should notify the nearest social security office of this fact. You may do this by telephone if you prefer. The person at the social security office will obtain the necessary information so that another card can be issued to you.

Q—I have just completed my first claim for Medicare payment, but I am not sure that it is correct. How can I be sure it is correct before I send it in?

A—You may take it to the nearest social security office. If it is correct and complete, it will be forwarded to the Medicare Office. If some correction or additional information is necessary, the social security office will assist you in making the necessary corrections.

Q—I have received several forms from the Medicare office and I do not understand them. Can the social security office explain these to me?

A—Your social security office may be able to explain these to you. If not, they will contact the Medicare office for an explanation. Many of these questions can be answered by telephone. So, if you prefer, just call the nearest social security office.

Q—My medicine cost me more than my doctor bills. Will Medicare pay anything on this?

A—Prescription drugs and medicines are not covered by Medicare. Only those drugs given during a hospital or extended care facility stay, or certain shots which your doctor must give are covered.

Q—I was 65 in December 1971, but I did not sign up for Medicare. Now I hear it is too late to sign up. Is this correct?

A—You may sign up at any time for hospital insurance; however, you must wait until the next general enrollment period to sign up for medical insurance. The next general enrollment period will be January 1, 1973 through March 31, 1973.

Q—I have itemized statements from two doctors. Do I have to submit a separate claim for each doctor bill, or can I attach both statements to one claim?

A—You can attach all of your itemized bills to one claim regardless of how many doctors are involved, if they all practice in the same state.

"Some teachers who are social security beneficiaries usually receive checks for the summer months of school vacation," observes Travis C. Briggs, manager of the Amarillo social security office.

Recently, however, many schools made changes in the

school year which extended work shops and the administrative year. This extension means that teachers may receive social security checks for only two summer months instead of three.

Most teachers earn too much during a calendar year to receive social security benefits. Usually teachers do not work in June, July, and August each year so benefits could be paid in those months, but in 1970 many teachers came back to work in mid-August because of the change in the school year. Since these teachers would have earned over \$140 for August, no social security check could be paid for that month.

If a person earns \$1680 or less during a year—whether the earnings are from wages or self-employment or a combination of both—he is entitled to all his social security benefits for the year. If his earnings exceed \$1680 and he is under age 72 for any part of the year, one dollar in social security benefits must be withheld for every two dollars of earnings up to \$2880. If his earnings exceed \$2880, one dollar of benefits must be withheld

for every dollar earned above the \$2880.

Even if he earns well over the amount which would allow some benefits to be paid, he can still get a check for months in which he neither earns over \$140 in wages nor renders substantial service in a business.

VACATION

Mr. and Mrs. Wayne McElroy and Kent spent a few days of their vacation with their son and wife, Mr. and Mrs. Jackie McElroy of El Paso. They returned home and then went on a Red River, Taos and other points in New Mexico. Kent remained in Amarillo.

Mr. and Mrs. A. M. Babbs of Fort Worth are visiting their daughter and family, Mr. and Mrs. Lloyd Leeper and children.

Mrs. Jean Sickles, son Bruce and daughter Patty of Dennison visited Monday with Mr. and Mrs. Bill Sickles. This is the Sickles' son's family.

C H S Snoopy

Well, school is really in swing. Everyone and everything is back almost to normal again. Football is in the air and everyone seems to be catching the fever. The boys looked great Friday night. Elray K., Scott H. and Kenneth R. all scored for the Bronchos.

This Friday night is the first big game of the year. The Cheerleaders were busy all day Saturday getting the H-balls ready. The teachers will have a time this week trying to keep everyone busy and their minds off football.

Mike L. played Friday night with a sore foot. Seems like he doesn't know how to walk down stairs. Mike, try one step at a time.

Someone is on E Wayne B.'s trail these days. Anyone know who she could be?

Looks like Christy L. and Terry E. will be singing "Oh, Lonesome Me" for a while.

Debbie R. and Danny H. are one again. It's good to see them back where they belong. Hang on to that ring this time, Debbie.

It is reported Laurie S. is liking Big D. She is quite busy getting settled and meeting new friends.

Tommy S. is busy these days, too, but it's now getting settled. Oh, well boys will be boys, or should we say while the cat is away the mouse will play.

It's not girls that put the love light in Pat R. and Mike L.'s eyes this week. Could it be new cars?

John H. was in Dallas this week end with his folks. It's good to have him back. Isn't it, Wanda?

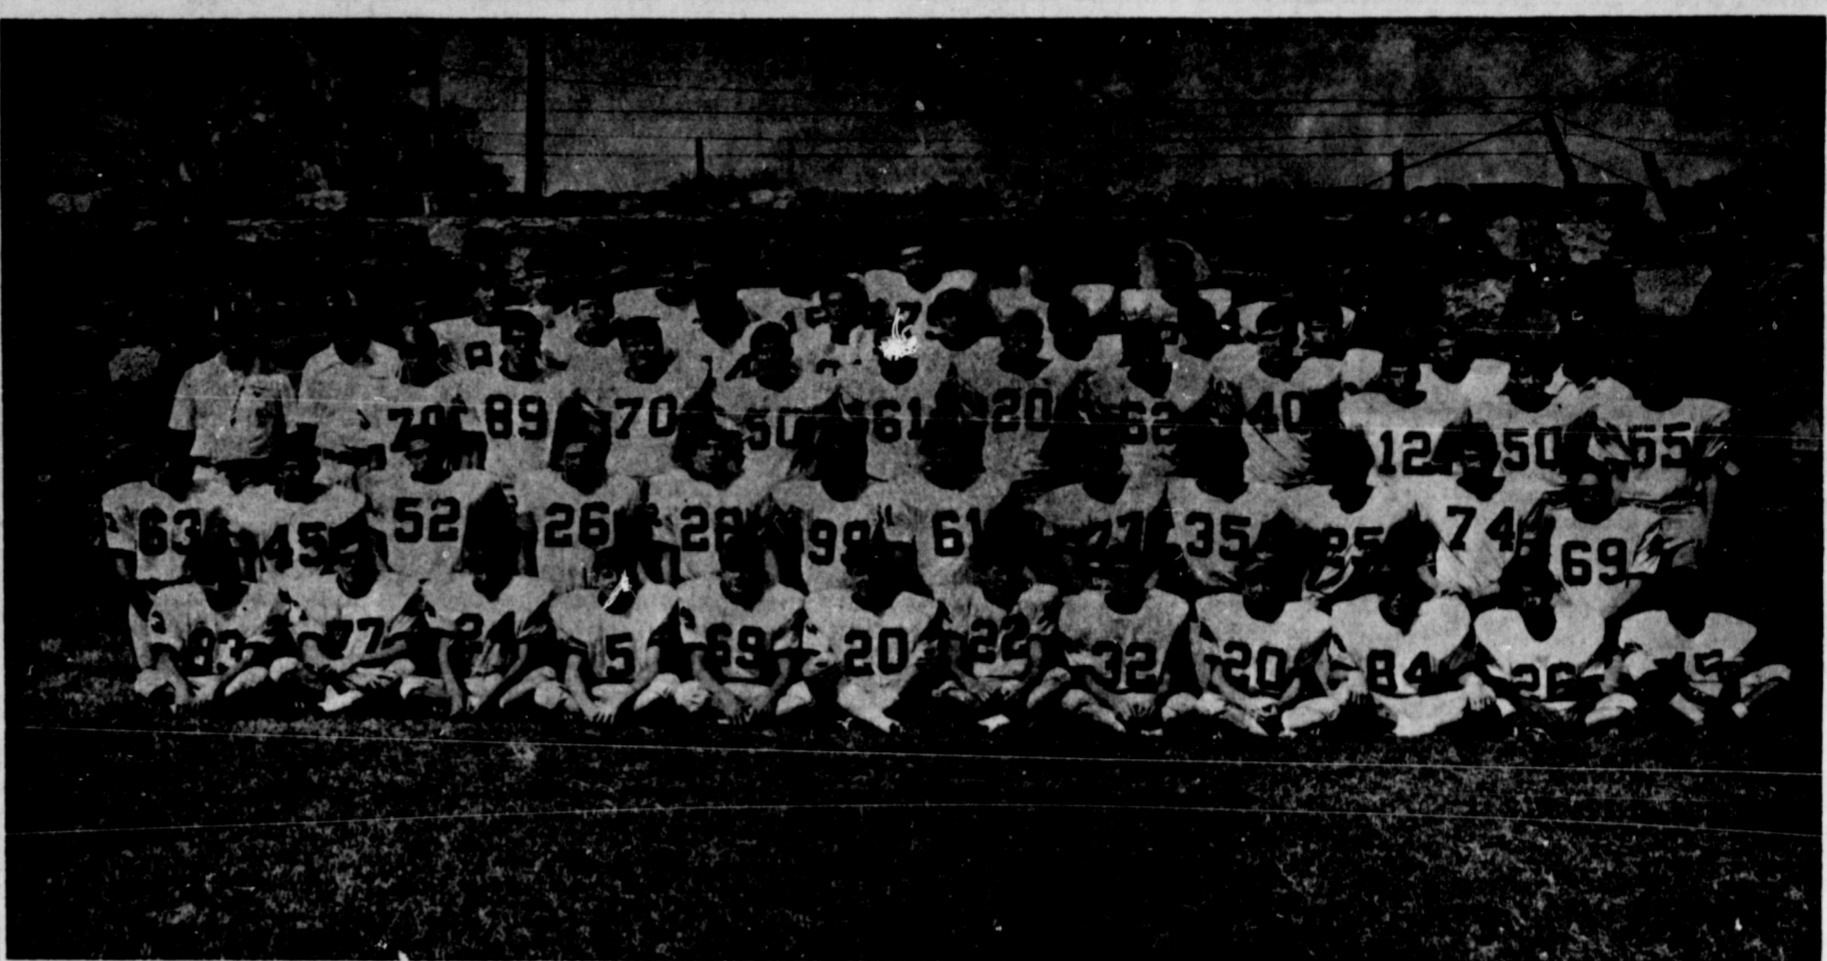

Nelda A. is walking around on Cloud 9 these days. Could it have something to do with that pretty thing Russel K. gave her for her left hand?

Hey, Jim S., are you saving gas or does Daphne W. just like dark back roads?

Carrie N. was lonesome Sunday night. Steve C. was just out of town visiting but was back in time for school Monday.

Steve E. and Nita L. have a chaperone these days. Seems Nita gave Steve a dog. Wherever Steve is the dog is. Oh, to lead a dog's life, Huh, Nita?

This week's cutest couple — Debbie R. and Danny H.

1972 BRONCHOS — Top Row, Left to Right—Mickey Grady, Scott Hamilton, Jim Floyd, Tommy Shields, Ward Palmer, Randy Croslin, Jerry Holland, Danny Monroe. Second Row—Rodney Hicks, Elray King, John Holland, Tommy Hill, James Ellis, Mike Leeper, Wayne Hardin, Jerry Carmichael, Coach George Byerly; Third Row—Coach Bob Lemons, Coach Clyde Noonkester, Flint Barker, Mac Thornberry, Anthony Knowles, Russell Keown, Danny Holland, Steve Carter, E. Wayne Barbee, Alan Harper, David Lewis, Russell Baldwin, Walter Riggs, Fourth Row—Daryl Rives, Tommy Sparks, Scott Martin, Stan Shelton, Johnnie Gerner, Willie Smith, Ricky Mooring, Donnie Putman, Kenneth King, Kenneth Reese, Gary Davis, Matt Plunkett,—Bottom Row—Jim Owens, Jim Odom, Mark Boothe, Roy Monroe, David Rippetoe, Gary Jack, Lynn Floyd, Don Hillis, Bob Myers, Eddy Eads, Roger Harris and Freddie Reese. Howardwick News

Kaye Howard

Mr. and Mrs. Lloyd Molder and girls were luncheon guests of their parents, Mr. and Mrs. Charlie Molder Sunday.

Mr. and Mrs. Carroll Molder of Dumas called on the Lloyd Molders Sunday afternoon.

Those visiting Mr. and Mrs. Donald Ballew Saturday were Mr. and Mrs. Leon Carter of Sherman, Mr. and Mrs. Jim Carter, Jay Neel, Brad, and Brent of Amarillo and Mrs. A. C. Carter.

Mr. and Mrs. Marion Bollinger, Denny and Gwen of Stratford, Mrs. G. D. Cross of Clarendon, and Mr. and Mrs. Harold Lindley, Jay and Ray were visitors of Mr. and Mrs. D. R. Lindley Sunday.

Visitors of Mr. and Mrs. Tommy Lindley during the week end were Mr. and Mrs. C. S. Sims, Mr. and Mrs. Ronnie Sims, Mr. and Mrs. Jimmy Braddock, Tony and Bradley of Clarendon and Mr. and Mrs. Jackie Sims and boys of Amarillo.

Mr. and Mrs. Delmar Koontz visited in Amarillo with Mr. and Mrs. Virgil Morgan and With Mr. and Mrs. R. G. Eddleman of Goodnight Sunday.

Mr. and Mrs. L. C. Brandt and Clay of St. Louis spent the week end with her mother, Quata Phillips. Sunday visitors were Mr. and Mrs. Jim Smith and Keith of Amarillo, Mr. and Mrs. Lee Phillips, Toby and Terry of Spearman, Mr. and Mrs. Donnie Phillips, Tammy and Todd of the SJ Ranch, and Francis Smith.

Mr. and Mrs. Orphie Jones of Wilmington, Calif., visited Thursday morning with his brother, Melvin Jones.

The Dale Osburnes are almost ready to move into their new home. With luck, they will be in it this next week.

The Dale Greenhouses had a barbeque this past week end and had friends and relatives over for it. I hear they had a real good time. Just a little on the chilly side but everyone still had a good time.

We would like to welcome the College Students back and extend a welcome to each one to come out and see us.

Marshall and Mrs. White along with the rest of the White family gave Marshal Bill's mother a surprise birthday party. At this time, I don't have the details. Look for details in the near future. We do hope that everyone keep the birthday party a SURPRISE.

There were a lot of people that were out this Labor Day week end. I'm sorry that I didn't get around to seeing everyone. But we were very glad to have each and everyone of you. You'll come back and see us whenever you can.

Remember — if you smile the world smiles with you. And this world needs all the smiles it can get.

DAVID HOLLAND IS PROMOTED TO SP-5

David T. Holland, 20, son of Mr. and Mrs. Theron W. Holland, Clarendon, Texas recently was promoted to Specialist Five while serving with the 73D Field Artillery in Germany. Spec. Holland is a personnel specialist with Headquarters Battery of the Artillery's 5th Battalion.

Holland is a 1970 graduate of Clarendon High School. His wife, Janie, is with him in Germany.

Mr. and Mrs. Orphie Jones of Wilmington, Calif., visited Thursday morning with his brother, Melvin Jones.

Medical Center Notes

Patients as of Wednesday, September 6: Mrs. I. J. Moore, Mrs. Sallie Hatley, Mrs. Ruth Derrick, Mrs. Jackie Butler.
 Dismissal: Clarence Reynolds.

BRONCHO BOOSTERS MEETING HELD TUES.

The Broncho Boosters Club met in regular session Tuesday night at the High School Cafeteria with E. H. Monroe, president, presiding. Coach Noonkester reported on the scrimmage game with Shamrock last week. He also showed film of the scrimmage.

A discussion of projects for the year was held but no definite plans were made.

It was announced that the Memphis Radio Station will be rebroadcasting Clarendon games each Saturday morning at 8 o'clock.

Attendance was good. Everyone had the same thought in mind. We're ready for our football games to begin, and that they will come Friday night of this week when the Bronchos will host the Childress Bobcats in Broncho Stadium. Game time 8 p.m.

Mr. and Mrs. L. C. Brandt and Clay of St. Louis spent the week end with her mother, Quata Phillips. Sunday visitors were Mr. and Mrs. Jim Smith and Keith of Amarillo, Mr. and Mrs. Lee Phillips, Toby and Terry of Spearman, Mr. and Mrs. Donnie Phillips, Tammy and Todd of the SJ Ranch, and Francis Smith.

Mr. and Mrs. Orphie Jones of Wilmington, Calif., visited Thursday morning with his brother, Melvin Jones.

CARDS OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

The family of David Paul Thompson

Thanks to the Donley County Hospital and Clinic for being in operation when I needed it. I have been in several hospitals in my lifetime and I know it's as good and far better than some. Thanks, Mr. Langham and hospital staff. The food was fine, too. My deepest appreciation to Dr. Dolan. I'm once again on my feet to better health. I must not forget the Pantex for the beautiful flower arrangement and my good friends and neighbors deep concern for my well being. Thanks to all.

Lois McVicker

To the many friends who have done so much for me during my illness I offer my sincere thanks. I appreciate all of the visits, cards, the care given me, and all gestures of thoughtfulness.

Mrs. Carl Pittman visited Monday at Dimmitt with her daughter and family, the Cowboy Johnsons. The Johnson's son, Monte, received a broken leg at Roping at Panhandle over the week end. He is reported improving satisfactorily.

Mr. and Mrs. Chester Scott of Plainview visited his parents, Mr. and Mrs. E. V. Quattlebaum Friday night.

Senior Citizens Honor Mrs. Frank Bourland

The Fun After Fifty Club held another extra special meeting at their regular time Saturday, September 2, at Lions Club Hall. At this time Mrs. Frank Bourland, a pioneer resident of Clarendon, was honored on the occasion of her 90th birthday. Two other Clarendon residents have had this honor previously; Mrs. H. C. Brumley and Mrs. N. L. Jones. Mrs. Bourland made the third to have passed the 90th milestone. A fourth specially honored was Mrs. Otis Naylor, now of Hereford, who was honored for having served as president of the club for two years.

Saturday morning's program was presented by Mrs. Margaret Berry of Margaret's Ceramic Shop. She gave a demonstration of the processes by which ceramics are made and antiqued. Those present were permitted to ask questions. Mrs. Berry donated the Door Prize which was a ceramic chapparral from her shop. The Door Prize was presented to Miss L. V. Hinkle. Mr. Guy White received a bolo tie made by Mr. Clarence Hamilton as the Door Prize presented for men. Mrs. Newell Rice pinned a name tag on members and guests.

Mrs. Bourland, the honoree, was seated at a table laid with a white linen cloth which was embroidered and accented by a floral arrangement of garden flowers. Three birthday cakes were made for the occasion, one by Mrs. Homer Taylor, one by Mrs. Leck Goldston, and the other by Mrs. Harry Brumley. Mrs. S. H. Condon of Canyon, a former resident of Clarendon and

sister-in-law of Mrs. Bourland had the pleasure of pinning a corsage of carnations presented Mrs. Bourland. Tribute was paid and "Happy Birthday" sung after which an Outstanding Senior Citizen award from the State of Texas was presented. Pictures were taken by Tommie Saye of Saye's Photo Studio. Others receiving Outstanding Citizen awards were Mr. Guy White, Mr. and Mrs. Homer Taylor, and Johnnie Bates.

Jennie Deyhle and Sharon Owens entertained with piano selections and readings. September birthdays were recognized and cards presented by Mrs. Kate Beverly, Birthday Chairman. Mrs. Van Knox recognized members and guests: Mr. and Mrs. Earnest Woods, Mr. and Mrs. Theo Woods of California, Mrs. John Deaver and Mrs. S. Randall of Memphis, and Mr. and Mrs. J. W. Semrad of Clarendon. After a short business session Bro. W. R. Lawrence gave the invocation.

A delicious luncheon was enjoyed by the sixty present. Floral arrangements were provided by Mrs. H. T. Burton, Mrs. Van Knox, Mrs. A. G. Lane, and Mrs. E. P. Shelton. Ministers present were Bro. Lawrence and Rev. Owen McGarity accompanied by Mrs. Lawrence and Mrs. McGarity. Miss Mary Nell McGarity assisted with serving.

October's meeting will feature several college professors and their hobbies. Watch the local papers for more information.

In 1888, a 15-year-old female was reported to have yawned continuously for a period of five weeks.

Mrs. Frank Bourland was honored Saturday, September 2, 1972, at the Fun After Fifty meeting at Lions Club Hall. The occasion was her 90th birthday. She is pictured with the Outstanding Senior Citizen Certificate awarded by the State of Texas. To the foreground is one of three birthday cakes.

The Bobby Hoggards 42 Club Picnic Held Feted With Shower At Hedley Friday

Mr. and Mrs. Bobby Hoggard were honored at a wedding shower Sunday, September 3, 1972, in the Bank Committee Room at Security State Bank, Hedley. Miss Jody Luttrell registered the guests. She was assisted by Miss Melissa Luttrell. Cecelia Lemons served punch from a beautifully laid table carrying out the bride's colors of green and white. The honorees received many lovely and useful gifts. Hostesses for the occasion were: Geraldine Wiggins, Evelyn Messer, Mary Ruth White, Mahdeene DeBord, Lola Faye Naylor, Birdie Brinson, Geraldine Holland, Pauline Leggett, Hazel Hill, Zora Stephens, Elva Davis, Jackie Stafford, Sue Weatherly, and Margaret Holland. Rep.

The "42" Club of Hedley met at Lions Den Friday night, August 31, for the annual club picnic. A most delicious "Pot Luck" supper was enjoyed by those who attended. After eating, tables were cleared and games of 42 were played. Enjoying this delightful occasion were: Mr. and Mrs. Leonard Baggett, Mrs. Mittie Baker, Mr. and Mrs. Travis Bland, Mr. and Mrs. Graham Brinson, Mrs. Myrtella Deahl, Mr. and Mrs. Slat DeBord, Mrs. Maureen Doherty, Mr. and Mrs. Clyde Hoggard, Mr. and Mrs. Cullen Hunsucker, Mr. and Mrs. Raydell Latimer, Mr. and Mrs. Herlie Moreman, Mr. and Mrs. Short Saunders, Mrs. Eloise Spalding, Mr. and Mrs. John Tate, Mrs. Leone Taylor, and Mr. and Mrs. Nooky Wiggins. Other guests included Mrs. Della Doherty, Mr. and Mrs. Jeffers, Mrs. Dannie Bernardin, Mrs. Faye Howell, and Mrs. Edna Wilson. Rep.

The Roberts Sisters Family Reunion Held

The Roberts sisters held their Family Reunion at the home of Mr. and Mrs. T. B. Odom this past week end. Thirty gathered at Ashtola Community Center Sunday to be with the sisters. It was a most enjoyable occasion. Those attending included Mr. and Mrs. Jessie Holloway of Oklahoma City; Mr. and Mrs. Don Morgan of Tulsa, Okla.; Mr. and Mrs. C. D. Hurst of Carrollton; Billy Odom of Amarillo; Mr. and Mrs. J. B. Odom of Hereford; Mr. and Mrs. Jim Odom and children of Abertamy; Mr. and Mrs. Benny Pettit and son of Paducah; Mr. and Mrs. Jody Summers of Iowa Park; Mr. and Mrs. Randy Pettit of Guthrie; Mr. and Mrs. Duane Pettit of Paducah; and Dana, Patricia and Helen Odom. Rep.

FRIENDSHIP CLUB TO MEET SEPTEMBER 13

The Friendship Quilting Club will meet September 13 for a covered dish luncheon in the home of Vada Morrison at 712 East 3rd in Clarendon. This will be the first meeting of the fall and all members are urged to be present as a business meeting will be held at this time. Rep.

NEW ARRIVAL

Mr. and Mrs. Bill Longan of Munday, Texas announce the arrival of a daughter Sunday, September 3, 1972. The little miss weighed 6 lbs. 10 oz. and has been named Kacey Dawn. Grandparents are Mr. and Mrs. Chuck Longan of Clarendon and Mr. and Mrs. Glenn Crawford of Munday. Rep.

ASHTOLA CENTER

There will be a 42 party at the Ashtola Community Center Saturday night, September 9. Mrs. Frank Mahaffey and Mrs. Hubert Rhoades will be hostesses. Bring a salad. We will eat at 8 p.m. Rep.

GOLDSTON CLUB

The Goldston Club will meet Thursday afternoon, September 7th, with Blanche Higgins. We will play 42 and visit. All come. Rep.

Hamburger is so called because it originated in Hamburg, Germany.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

Beta Sigma Phi Annual Breakfast

Mu Gamma Chapter of Beta Sigma Phi held its first meeting of fall Sunday morning with breakfast being served in the home of Mrs. Joe Bownds with Arlis Mooring as co-hostess. The delicious meal was served buffet to 12 members. Following the meal, plans were made for activities and projects of the chapter for the coming year.

Mrs. Joe Bownds, who is taking a leave of absence this coming year, donated one of her beautiful hand-knitted afghans to the chapter to be given to some lucky person during the Thanksgiving week. This afghan will be displayed downtown soon. Donations may be made to Chapter members by anyone interested. Proceeds will be used for one of the many projects of the chapter.

The chapter has many community service projects which they plan to continue throughout the year as well as their social activities. Attending the breakfast were Mesdames Mike Isbell, Owen Johnson, Fred Day, Jack Eads, Bill Ellerbrook, Bill Spier, Sherman Cosper, Milton Mann, Tex Selvidge, John Stepp, and the hostesses, Mrs. Joe Bownds and Mrs. Arlis Mooring.

A New Way To Dryclean

Whether you're cleaning space-suits or everyday fabrics, a new drycleaning substance has proven successful. In fact, it's expected to be the major drycleaning fluid in the U. S. by 1980. Roxanne Schnorr, clothing specialist for the Texas Agricultural Extension Service, named fluorocarbon as the solvent expected to improve drycleaning performance.

"Fluorocarbons boast gentleness, low drying temperatures and short drying times," Miss Schnorr said. The Texas A&M specialist explained that bonded fabrics, knits, wet-look garments, suedes and leathers are particularly sensitive to heat and cleaning power in solvents now used. Perchloroethylene, the most widely-used solvent, is aggressive; petroleum-based substances, which rank second in use, are relatively gentle but require high drying temperatures.

"Fluorocarbons, on the other hand, cleaned astronauts' space-suits of all soil without damage," she pointed out. "And in a study conducted by the National Institute of Drycleaning, all of 500 difficult-to-clean bonded knits came out spot-free and undamaged when cleaned with fluorocarbons."

Miss Schnorr said that fluorocarbons also eliminate color sorting of garments and keep spotting to a minimum. The solvent in coin-operated machines cuts washing time in half. "In terms of flammability and toxicity" she added, "fluorocarbons are safest of all cleaning solvents, though they still require proper ventilation. They emit one-fifth the solvent vapor to air as those now used."

LELIA LAKE CENTER

We will meet at the Lelia Lake Community Center Saturday night, September 9, at 8 p.m. Bring a covered dish and someone with you. Mary Castner and Pauline Roberts will be hostesses. Rep.

NEW ARRIVAL

Mr. and Mrs. Kenneth Hutson of Hereford announce the arrival of a daughter August 26, 1972. She has been named Brandi Sue and weighed 5 lbs. 8 1/2 oz. Grandparents are Mr. and Mrs. Fred Hutson of Clarendon and Mrs. Mark Norris of Silverton, Texas.

ASHTOLA NEEDLE CLUB

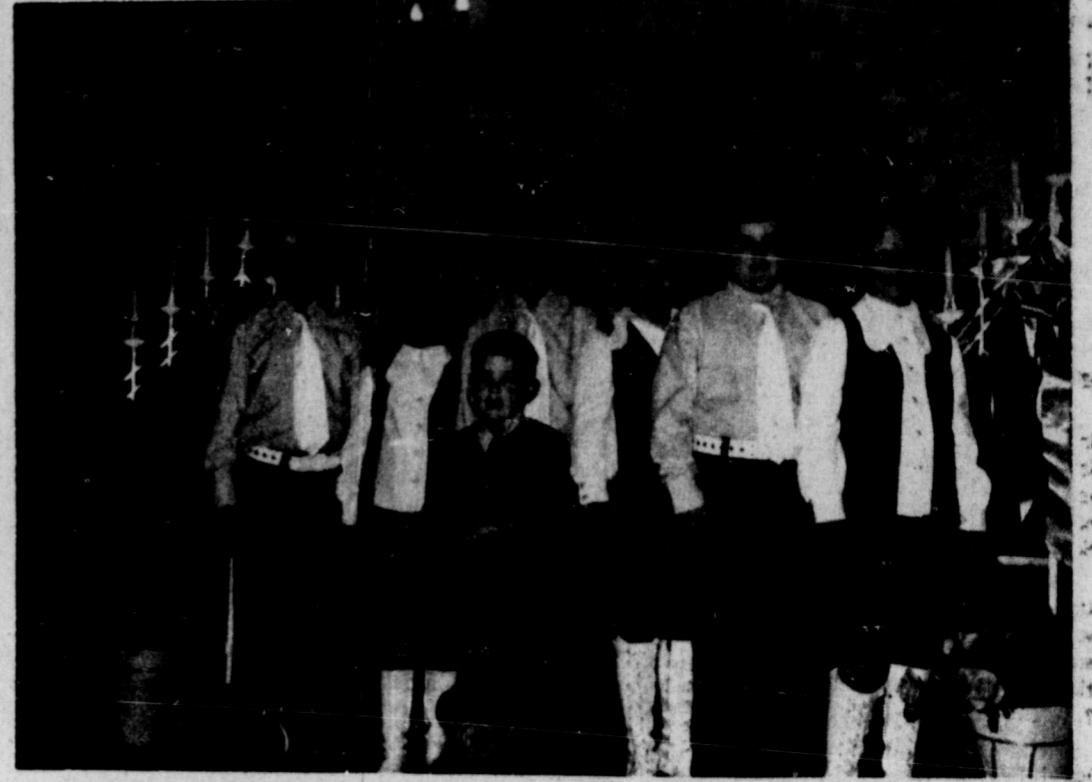

The Ashtola Needle Club will hold its first meeting of the fall Thursday, September 7th, at 2 p.m. Hostess will be Ruby White. Leader will be Addierne Mahaffey. Rep.

ASHTOLA CENTER

There will be a 42 party at the Ashtola Community Center Saturday night, September 9. Mrs. Frank Mahaffey and Mrs. Hubert Rhoades will be hostesses. Bring a salad. We will eat at 8 p.m. Rep.

Safe Use Of Ammonia In Household Work

Household ammonia can spell trouble if used incorrectly. Ammonia, the basic ingredient of many common household products, is a very effective cleaning aid. But it's caustic to the eyes and skin. Since it's poisonous, care must be exercised when using it, according to Texas Agricultural Extension home management specialist Mrs. Doris Myers.

Ammonia is caustic to the eyes and skin," she said. "If some should splash into your eyes when doing your household cleaning, wash your eyes with clean water and seek medical attention immediately to prevent serious eye injury or blindness."

The Texas A&M University employee warned that if ammonia accidentally spills on the skin, the area should be flooded with water, then washed with vinegar or lemon juice. "The cleaning product should be stored along with other household products out of reach of children in its original, tightly closed container," Mrs. Myers said.

Ammonia is an alkaline gas dissolved in water. As sold for household use, ammonia varies from five to 10 per cent in strength. Mrs. Myers said that chemically pure 10 per cent ammonia from a drug store works best for stain removal.

"Since ammonia concentrates of five per cent or more are highly toxic, extreme care should be taken to avoid spilling or splashing," she said. "Just one tiny splash in the eye could cause damage."

To make windows, mirrors and glassware really sparkle, the specialist suggested washing them with four tablespoons of household ammonia mixed with one quart warm water. "To make oven cleaning easier, pour one-fourth cup of ammonia in a small bowl in a cool oven, shut the door and leave four hours or overnight. As the ammonia evaporates, fumes from it will loosen oven grease and simplify cleaning. Add what's left of the bowl of ammonia to your wash water to clean your oven."

Two tablespoons of household ammonia added to one quart of water with two tablespoons of liquid detergent will make general household cleaning easier. "Ammonia cuts grease," Mrs. Myers said, "so it's effective to use in cleaning."

She reminded consumers to follow directions carefully when using ammonia. It should not be mixed with other cleaning agents that contain chlorine because the combination of these two ingredients forms a very toxic gas. Also, if too much ammonia is used in cleaning woodwork, it tends to soften paint."

Mr. and Mrs. Richard Thornberry of Hastings, Nebraska have been visiting their parents, Mr. and Mrs. Lloyd Risley and Mr. and Mrs. Bill Thornberry. Sunday they were joined by Mr. and Mrs. Don Grady and Mr. and Mrs. W. C. Thornberry at the Bill Thornberry home.

Highlights and Sidelights

FROM YOUR State Capitol

By BILL BOYKIN
Texas Press Association

Gov. Preston Smith is convincing high state officials and legislators he is serious about calling a special legislative session on insurance reform after mid-September.

Smith himself revived speculation at a news conference last week when he said odds favor such a session sometime before the general election November 7.

The Governor told newsmen legislative leaders had indicated they will co-operate with him. He included Lt. Gov. Ben Barnes among the latter.

"I believe he is giving real serious consideration to calling a session," said Barnes. "He really wants to have one."

Smith made clear there is nothing definite yet about his plans, and he would still want to make sure a session would be productive before he summons lawmakers.

Establishment of a competitive

insurance rate system for all lines of insurance would be his top objective, Smith said.

He added he "probably" would seek Insurance Board reorganization but added:

"If we established competitive rates, I don't know how much further you would need the Board."

Smith earlier said an opinion by Atty. Gen. Crawford Martin that the governor cannot order funds transferred from one agency to another to meet emergencies may also bring on a special session.

Smith said recent opinions would place "drastic limitations" on the governor's powers and "threaten virtually every authority of the chief executive."

VET BONDS SOLD — The last \$30.7 million in state veterans land bonds were sold in Austin last week.

If the program is to continue without interruption, Land Commissioners Bob Armstrong said, a new bond authorization will have to be submitted to voters by the legislature. Four authorizations have been approved in the form of constitutional amendments during the land program's 23-year history.

Low bid of 3.6902 per cent interest was submitted by the First National Bank of Dallas and Harris Trust and Savings Bank of Chicago and Associates.

Armstrong said he has support

of House Speaker - elect Price Daniel Jr. and other lawmakers in submitting a new constitutional amendment to keep the program alive after the \$30.7 million is spent. He recalled the program has been self supporting, has required no taxes and has benefited 48,000 veterans. The Commissioner indicated an additional \$50 million to \$100 million in bonds will be sought.

AG OPINIONS — Attorney General Martin, in a new opinion, struck again at the governor's powers over state fiscal matters. He invalidated more than 40 appropriations riders requiring approval by the chief executive (or other officials) on expenditures of funds.

In other recent opinions, Martin concluded: A law which abolished the offices of county school superintendent, ex officio county superintendent and the county school board in Caldwell County is unconstitutional.

A corporation which purchases the stock of a bankrupt motor carrier may not be eligible for legal transfer of the bankrupt firm's specialized motor carrier certificate from the Railroad Commission.

Deduction of the value of a life estate is not authorized in computing inheritance taxes when the life tenant dies within five years after receiving it.

does not constitute practice of medicine and requires no medical license.

The Board of Nursing Home Administrators must deposit the initial license fee, which may not exceed \$100 for the biennium, and the renewal license fee into the State Treasury beginning June 15.

Elected, state-salaried officials such as judges may also hold non-salaried jobs as regents of state colleges and universities.

RULES COMMITTEE NAMED — The Democratic party battle over rules goes on and on, and will resume in earnest at the September 19 state convention in Houston.

A new committee to study proposed changes in the rules will meet prior to the convention to study recommendations.

Members are Gordon Wynne Jr. of Wills Point, chairman; Jane Hickey of Austin, vice chairman; Lola L. Bonner of Rockport; Charles Purnell of Dallas; Wayne Dammler of Amarillo; Mark McLaughlin of San Angelo; John Brunson of Houston; Mrs. Roland Blumberg of Seguin; Claudia Brummett of Amarillo; Bill Oliver of Beaumont; Marie Blum of Longview; Carlin Patman of Ganado; Larry Andrews of Houston and Jesus J. Rubino of Austin.

DEMOCRATIC CAMPAIGN LAUNCHED — Land Commissioner Bob Armstrong and Agriculture Commissioner John C. White emerged as co-chairmen of the Texas campaign for George McGovern and Sargent Shriver.

Both acknowledged the Democratic national nominees are starting from "away behind," but they predicted the outlook will improve within the next few weeks.

McGovern and Shriver and President Nixon will devote more time to wooing Texas voters than any other national candidates ever did before, said White.

White defended gubernatorial nominee Dolph Briscoe for not assuming a national campaign post. He said Briscoe has active opposition and is "doing what is right and proper" in concentrating on his own race.

A statewide steering committee is expected to be named soon. "LOST" CLAIMANTS SOUGHT — One hundred and 37 "lost" claimants who have \$49,500 coming to them from an anti-trust suit settlement are being sought by the attorney general's office.

If they can be located, they will get money recovered by the attorney general from five major drug manufacturers in a suit involving overcharges for the antibiotic drug tetracycline. Those who filed claims but have not received copies of the final judgment in the price-fixing suit should call the attorney general's office in Austin.

STATE PAY RAISE GRANTED — A 6.8 per cent pay raise for about 67,000 state employees effective September 1 has approval of the Federal Pay Board.

The pay boost was authorized under a special "catch-up" provision of regulations permitting increases for employee groups where the average raises over the last three years was less than seven per cent. Pay Board approval is necessary where raises are higher than the five per cent limit established as a guideline to check inflation.

State employees received pay increases of 6.8 per cent in 1969, 3.4 per cent in 1970 and 6.8 per cent in 1971.

ACT TO BRING STATE \$60 MILLION — Texas would get about \$60 million in new federal money under the Rural Development Act of 1972.

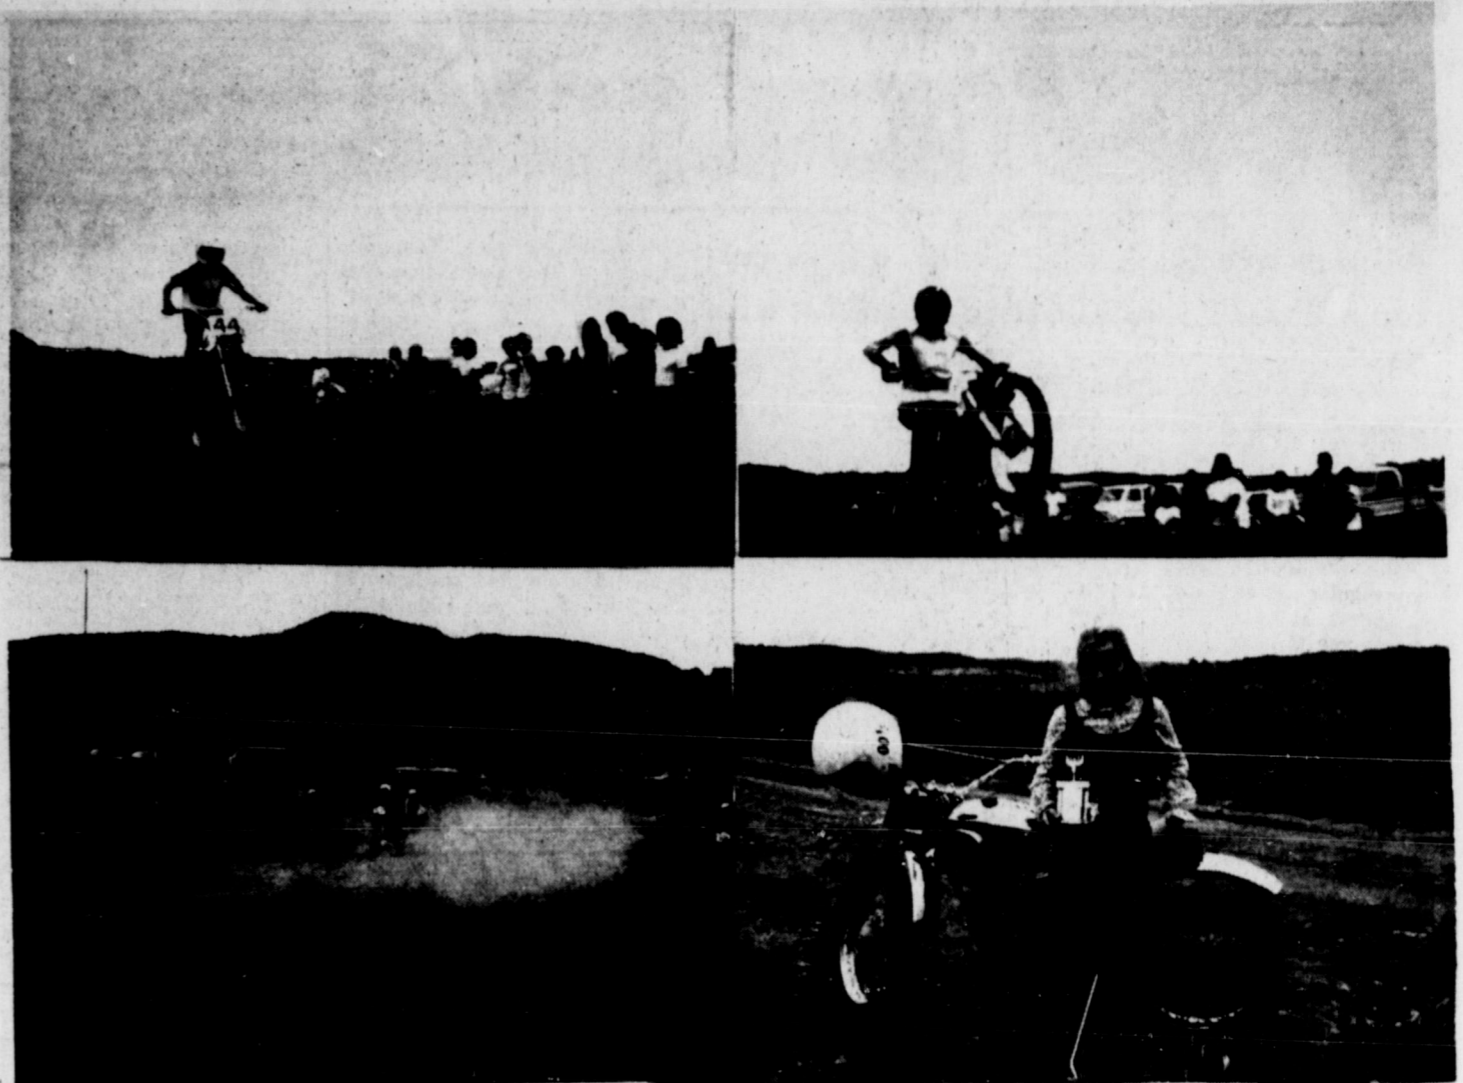

The legislation authorizes more than \$80 million nationwide for physical and economic development of rural America. The program seeks to bring people and business to underpopulated areas and thus ease the congestion in urban centers.

SNUFF IT OUT — Approximately 64,000 Americans died last year of lung cancer which could be cut drastically if people stopped smoking cigarettes. The American Cancer Society says if you smoke, quit; if you don't smoke, don't start.

Caesar, Alexander the Great and the Iron Duke of Wellington were never defeated in battle.

The Rock of Gibraltar is about 250 feet taller than the Empire State Building.

Grasshoppers cannot jump unless the temperature is at least 62 degrees Fahrenheit.

TOP ROW—Left to Right—Tom Johnson, son of Mr. and Mrs. Blackie Johnson, obliged the Leader photographer and ran an extra jump for this picture taken at the Moto-Cross Races here Sunday. Clyde Barker leaves the ramp for his jump of 67 feet to take second place in the Jump. Bottom Row—Left to Right—This spill stirred up lots of dust at Cycle Races Sunday. The ability of the rider was proven in his recovery. He righted his cycle and didn't lose any time getting back in the race. No, you're not seeing things. Ronna Tyler is pictured with her fourth place trophy which she won in the Mini-Man class at Moto-Cross Races here Sunday. So far as we know she was the only young lady participating and this little blond knew how to handle her motorcycle. Staff Photo

Compiled From Sources Of The Texas Department of Agriculture John C. White, Commissioner

Livestock Directory Published . . . Milk Production Down . . . Screwworm Regulations Changed . . . Cotton Harvest Picks Up Momentum . . .

Could you tell the difference between an AngGal and a Spots? Would you know a Dutch Belt if you saw one; how about a Grotics, or a Hackney?

All these are breeds of cattle, hogs or horses. They're listed in the Livestock Directory published by the Texas Department of Agriculture. If you would like to purchase any of the above breeds plus the better-known breeds you can find breeders and their addresses in the directory.

In all, there are 29 different breeds of cattle, three breeds of goats, 11 breeds of horses, nine breeds of sheep, and 10 breeds of swine from which to choose. More than 2,500 breeders are listed in the directory.

The largest single group is Hereford Breeders with a total of 420 listed; second largest in the cattle category is Charolais with 307 breeders listed.

Cattle breeds listed in the directory are AngGal, Angus, Beefmaster, Brahman, Brangus, Brown Swiss, Charolais, Char-Swiss, Chianina, Dutch Belt, F-1, Galloway, Guernsey, Hereford, Holstein, Jersey, Limousin, Longhorn, Maine Anjou, Murray Grey, Polled Hereford, Red Angus, Red Brangus, Red Poll, Santa Gertrudis, Shorthorn, Simmental, Sussex, and Grotics.

Goat breeds are Angora, Dairy, and Spanish.

Horse breeds are American Saddle, Appaloosa, Arabian, Hackney, Paint, Ponies of America, Quarter, Shetland, Thoroughbred, Welsh Ponies, and Mini-Mule.

Sheep Breeds are Columbia, Corriedale, Debouillet, Delanie, Dorset, Hampshire, Rambouillet, Southdown, and Suffolk.

Swine breeds are Berkshire, Chesterwhite, Crossbred, Duroc, English Large Black, Hampshire, Landrace, Poland China, Spots, Yorkshire.

MILK production in Texas during July totaled 266,000,000 pounds. This is two percent below the July, 1971 production and one percent below the previous month.

Milk production per cow averaged 750 pounds during July. This is 15 pounds below a year earlier and 10 pounds below the previous month.

Nationally, July milk production is two percent more than a year earlier. Milk production per cow averaged 861 pounds.

SCREWWORM regulations have been modified to give farmers and ranchers more time to get their animals inspected before shipment.

Livestock producers now have 72 hours in which to have livestock inspected and certified free of the parasites before being shipped interstate from the screwworm-infested areas of the Southwest. The time allowed for this previously was 24 hours.

Hedley News

Mrs. Mabel Bridges

Hedley Public School has gotten off to a good start. Enrollment is 130 up from a year ago. The lunch room is feeding over 100 daily. Teachers and pupils seem to be happy that school is in session.

Mr. and Mrs. Burr have moved from McLean to operate the Texaco Station here. Welcome to Hedley.

Mr. and Mrs. George Owens of Amarillo and Mrs. Julia Owens of Pasadena, Calif. spent the week end with the Sam Owens.

Visitors in the home of Mrs. Elva Davis over the week end were her children: Mr. and Mrs. Jerry Gray and children, Mr. and Mrs. Bill Peden, Mrs. Barbara Hamelstrand and boys of Amarillo; and Mr. and Mrs. Roy Wells of Colorado Springs.

The Hedley Post of the American Legion will start their drive for 1973 memberships at their meeting Tuesday night of next week. A free supper will be served.

Former Hedley resident, Adell Myers of Pampa visited friends in Hedley last Saturday and Sunday.

Mr. and Mrs. Slat's DeBord spent 10 days at Hot Springs, N. M., last week for health benefits.

Mrs. Lilly Moore returned Saturday from an extended visit with her sister in Levelland.

Mrs. Vera Dewesse of Amarillo spent several days here with her brother, the G. C. Brinsons, and Mrs. Edith Bain.

The Hedley Lions Club will meet Thursday night of next week, September 14, at 8 p.m. This will be only four weeks from the 21st Annual Cotton Festival. Dates of the Festival are Friday and Saturday, October 13-14.

Johnny Hill is now employed at Super Save Grocery in Memphis.

his. Mrs. Pat Skaggs was a patient in Hall County Hospital a few days last week.

Elmo Kennedy is a patient in Hall County Hospital. Johnny Long is quite ill in Hall County Hospital. His son, Willis, of Calif., and daughter, Mrs. Homer Myers of Enid, Okla. were here the first of last week.

The annual Collingsworth County Fair will be held in Wellington this Friday and Saturday. The Parade will be this Friday at 11 a.m. A good many Hedley folks plan to attend.

Bob Alexander of Whitney, Texas visited his sister, the Ross Springs.

Mrs. Merlene Sargent had open heart surgery in Saint Luke's Hospital in Houston the first of the week. At last report she was doing well. Her children: Mr. and Mrs. Don Wells of Amarillo and Mrs. Harold White of Hedley were with her.

Mr. and Mrs. Leonard Baggett attended a family reunion in Gainesville over the week end.

Mr. and Mrs. Clyde Pike and grandson, David, of Whitesboro visited the Roy Jewells last week.

The Don Reiken family went to Iowa to attend funeral services for Don's father. Sympathy is extended the family.

Mrs. Carl Reid came home Thursday after a few days in Hall County Hospital.

The monthly meeting of the Board of Directors of the Greenbelt Water Authority will be held at the Filter Plant at Greenbelt Lake this Thursday night. Hedley members of the Board plan to attend.

Troy Wilson is at home on a 16 day furlough having completed his basic training at Fort Dix. He will report to Fort Carson, Colo.

Mr. and Mrs. Ronnie Hill of Panhandle spent the week end with his cousin, Mr. and Mrs. Johnny Hill.

Mr. and Mrs. T. E. Naylor accompanied Mr. and Mrs. Jerry Frye and baby to El Paso over the week end.

Mrs. Berryman of Amarillo visited her daughter, the Connie DeBord family, last week.

Adell Myers of Pampa and his grandmother, Mrs. Will Walling of Amarillo, visited friends here Sunday.

Miss Ava Naylor has returned home over the week end from High Plains Baptist Hospital in Amarillo where she had eye surgery.

Mrs. Junior McAdams of Dalhart visited her aunt, Mrs. V. A. Hansard Friday afternoon.

Mr. and Mrs. Homer Myers of Enid, Okla. spent Sunday with her father, Johnny Long, in Hall County Hospital.

Mr. and Mrs. Kilgore and family of Amarillo visited Sunday with the Tisdale family.

Mrs. Minnie Hollingsworth and Mrs. Florene Kyser of Turnersville, Texas visited Mrs. Elva Davis Sunday afternoon.

Hedley friends extend sympathy to the Davis family in the death of Vernon. He lived in our community a number of years before moving to Clarendon. Several from here attended funeral services Monday afternoon in Clarendon.

Sunday visitors in the home of Mrs. Nora Hartwell were her daughter, Mr. and Mrs. Philip Cobb and children of Panhandle, Mr. and Mrs. Arthur Barnes of Pampa, and Jack Richardson and mother from Amarillo.

Mrs. Connie DeBord and daughter, Connie Lee, were in Amarillo Wednesday registering Connie at Amarillo College.

Mr. and Mrs. Harold Mittleman of Mesquite spent Labor Day with her mother, Ella Kirkpatrick.

Mr. and Mrs. Alvin Winters and his father of Amarillo spent Sunday with the Bert Stones. The Clifford Johnsons have received congratulations from U. S.

Senators Lloyd Bentsen, John Towers and State Senator Max Sherman, also Rev. Ed Landreth and wife, on the occasion of their 50th anniversary.

Visiting in the H. C. Crawford home over the week end were Mrs. Mae Muncie of Floydada, Mrs. Nadine Hall of Lakeview, and granddaughter, the Sonny Hill family of Louisiana.

Visitors during the week with Mrs. J. B. Pickett were Mrs. Ruth Bidwell of McLean, Mrs. Louella Williams of Amarillo, Robert Pickett and John of Amarillo.

Mr. and Mrs. J. W. Noblett of Devine are visiting the Waddell families.

Kenneth Solomon and family of Fritch spent Sunday with her parents, the Joe Wood family.

Mr. and Mrs. Otis Owens flew to San Bernardino, Calif. Wednesday to attend the wedding of their niece, Miss Susan Owens.

Mr. and Mrs. Harry Boatright spent the week end at Boys Ranch and attended the Rodeo.

Miss Myrtle Reeves and Omie Simmons visited Thursday with Mrs. Earl Allen at Quail and the Don Reeves family in Wellington.

Bruce Stewart of Wichita Falls spent the week end with the Paul Stewarts.

Ivan Thomas of Amarillo visited his friend, Clifford Johnson, Sunday afternoon.

Sunday visitors in the W. B. Wiggins home were Mr. and Mrs. Roscoe Land of Wellington and Misses Nell and Marjorie Durham of Bonham.

Mr. and Mrs. Bill McKee and their son and wife of Houston spent Labor Day week end with Mr. and Mrs. Roy McKee and the O'Neal Weatherlys.

LEFT TO RIGHT—The Hamburger Cook-Out at City Park Monday night, September 4, was great fun as you can see. Chow was good! Lots of visiting! Dorotha Doane really knows how to put out good burgers. Saye's

... AND REACH—Sfc Bernard J. Lloyd leads prospective drill sergeants in the "daily dozen" exercises. A 10-year Army veteran, Sergeant Lloyd has been chosen as Ft. Jackson, S.C., drill sergeant of the year. Sergeant Lloyd is a native of Miami, Fla. (U.S. Army photo by Cleo Brown)

IRS Answers To Taxpayers Questions

Q—My lease doesn't expire until November, but my landlord has sent me a notice claiming that Economic Stabilization Regulations require an immediate 2.5 percent increase. Is he correct?

—No. Rentals under lease cannot be increased until the lease expires or comes up for renewal. Tell this to your landlord. If he still plans to increase your rent, call your local Internal Revenue office.

Q—I understand that landlords are now required to include some more information in the notice they send to a tenant announcing a rent increase. What additional information should the notice contain?

A—In addition to all other information required by the rent regulations, a landlord must include the following statements in a notice of rent increase:

(1) That the tenant, after meeting with the landlord, may contact the District Director of Internal Revenue and give him a copy of the rent increase notice and a written statement of why

the tenant feels the increase is illegal. The landlord also must provide the local IRS address in the notice.

(2) That the proposed increase will take effect on the date specified in the notice. But if all or any part of the increase is later found illegal, the landlord will refund the overcharge within 30 days after it is found illegal.

(3) That it is illegal for the landlord to take retaliatory action against a tenant who asks or complains about an increase and that the landlord will not take any retaliatory action.

Q—How will the new price controls on unprocessed food products after the first sale operate?

A—After July 15, the selling price of an unprocessed food product, such as fresh fruit, vegetables, eggs, fish and raw seafood, may be increased over the base prices only if the cost of the product has increased to the wholesaler or retailer. The wholesaler or retailer may increase the selling price by applying his customary initial percentage markup to that increased cost. Under Price Commission regulations, a customary initial percentage markup is one the seller last applied to the invoice cost of a product before Nov. 14, 1971, or the markup he applied during his last fiscal year ended before Aug. 15, 1971.

For items selling above base price, if the cost of the product to a wholesaler or retailer decreases, the selling price to the customer must be decreased accordingly. Under existing regulations prices must be reduced as costs are reduced to at least base levels.

Q—Is a farmer now subject to price controls when he sells his produce?

A—No. The new price controls on unprocessed food products apply at the retail and wholesale level. They do not affect the first sale by a producer or grower of raw agricultural or seafood products and do not change the present exemption for the sale of live animals.

Q—Do you have a booklet that explains how retroactive pay increases may be granted?

A—Yes. Write your Internal Revenue district office and ask for a copy of Publication S-3013, "Retroactive Wage and Salary Increases." It's available at no cost.

The Informed Consumer

by Attorney General Crawford Martin

WHAT DO YOU MEAN BY "FAIR TRADE"?

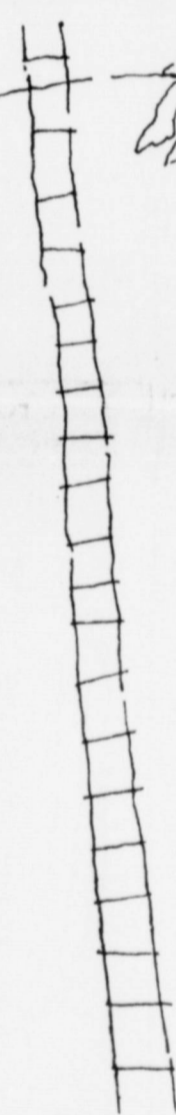

"Resale price fixing," "resale price maintenance" and "vertical price fixing" all refer to the practice of a manufacturer fix-

ing the price at which his product is to be sold at the various levels of distribution.

In Texas it is a violation of our antitrust law for two or more people to agree to fix or maintain the sales price of an item. Fair trade laws are an exception to this general rule, but Texas is one state which has never enacted a "fair trade" statute.

What does this mean to you as an informed consumer? It means simply that manufacturer X cannot tell retailer A what he can sell his goods for in Texas.

If we're not careful, we may need the biggest headache pill in the world.

Veteran News

Q—I'd like to apply for a certificate of eligibility for a GI loan, but I lost my DD-214 Armed Forces Report of Transfer or Discharge. What should I do?

A—VA will accept a legible copy of an original discharge or release from active duty. If a copy is not available, any VA office will supply an application form for requesting a replacement from your military department.

Q—Will the Army furnish a memorial marker to be put in a private cemetery for my son who was lost at sea during World War II military service?

A—Yes. Application forms for memorial markers are available at all VA offices, and should be mailed to the Office of the Chief Support Services, Department of the Army, Washington, D. C.

Mr. and Mrs. E. V. Quattlebaum visited Ava Naylor Tuesday afternoon.

Alexander Graham Bell was 29 years of age when the telephone

Christian Attends Screw Worm Meet

State agricultural leaders gathered in San Antonio recently to discuss the current screw worm influx in Texas. Among those attending the conference sponsored by the Southwest Animal Research Association was State Representative Tom Christian of Claude.

Primary blame for the recent influx of screw worms into Texas was pinned on public apathy coupled with ideal weather conditions this past winter. It was pointed out that when the screw worm population began to rise, those affected did not realize the seriousness and failed to contact their Congressman. This resulted in Congress not being able to act when the situation did get out of control and forced the government to spend a half million dollars in emergency funds.

The United States and Mexico are currently working together in an attempt to eradicate the screw worm by breeding sterile screw worm flies on three ships near Salinas Cruise off the coast of Texas. The five year program is designed to provide a buffer zone between the two nations, giving the screw worm less coverage area above the border. No distribution of the sterile flies will be made in the Panhandle because the area is in the freeze kill area. To continue this operation, \$2.8 million in additional funds will be needed.

"Losses will not be limited to cattle. We will suffer a great loss in wildlife due to screw worms if this is not brought under control," Rep. Christian said. "This past year over 51,006 cases of screw worms were reported in 224 Texas counties. The seriousness of the situation is obvious."

"Over the past 10 years, this eradication program has served the American farmer and rancher over \$800 million in livestock losses alone," the Legislator continued. "The \$2.8 million needed to maintain the program is a bargain considering the addition of revenue dollars when losses due to screw worms are eliminated."

SCS Field Day At Knox City Sept. 13

A field day will be held September 13 at the Soil Conservation Service plant materials center at Knox City, according to State Conservationist Edward E. Thomas. The center serves Texas and Oklahoma.

Livestockmen, seed dealers, sportsmen, and others interested in the search for improved plants are invited to attend. Several persons from the Clarendon area will probably attend according to Monty Sowers, District Conservationist with the SCS at Clarendon.

New grasses, forbs, legumes and other plants under evaluation at the center will be discussed during the day. The aim of the study is to find new strains of plants that will solve specific conservation problems.

Some of the groups cooperating with SCS in its plant materials work in Texas include Agricultural Research Service, Texas Agricultural Experiment Station, Texas A & M University, Texas Tech University, Priarie View

TOM CHRISTIAN "stop wasteful spending"

As the parents of four children, Tom and Anne recognize the responsibility of providing a wholesome atmosphere around the home and neighborhood. Food, clothing, medical bills... all must be paid out of take-home pay. Waste in government spending creates an unnecessary tax burden on every family.

TOM CHRISTIAN "more jobs, better wages"

With the knowledge that comes from first-hand experience, Tom knows that new industries are needed to create more jobs. His ability to work with all levels of government to create job opportunities for the Panhandle is proven by his efforts in helping to establish the Texas State Technical Institute.

TOM CHRISTIAN "water is vital to us"

Tom, a Navy veteran, is a man who has earned a living by farming and ranching. He knows the need for water. Conservation and increased supply are two key factors in the program that must be developed to meet future water needs. Tom has earned a reputation in the Texas Legislature as an effective leader in the agriculture industry.

STATE REPRESENTATIVE TOM CHRISTIAN VISITS IN CLARENDON TUESDAY

State Representative Tom Christian of Claude, Texas, visited with people in Clarendon and the surrounding area Tuesday of this week. Christian, who is a candidate for re-election from this legislative district in the November election, stated that the district now comprises such a large territory that he is staying busy in an effort to see and visit with as many as possible. It is always a pleasure to have Tom stop in the office at the Leader. It affords us not only the pleasant association of friendship but we learn "what goes" and possible trends as well as food for thought. These are some of the ideas he left with us this visit.

THE SALVATION ARMY CLOSSES FUND DRIVE

Rev. W. R. Lawrence, Campaign Chairman for the Salvation Army's annual appeal for funds, announced the closing of this year's campaign.

Rev. Lawrence stated, "This year's campaign was an outstanding success and myself and your local Salvation Army committee would like to thank the community for their wonderful support. The amount raised this year was \$832.50 which is a new high for this service unit."

Assisting Rev. Lawrence were Thelma Bairfield, Bob Bell, Mrs. Jim Braddock, J. R. Brandon, Rachael Butler, Olin Castleberry, Beryl Clinton, Mrs. Billie Clin-Goodman, Mrs. Leslie Burleson, Barbara Cospier, Dick De-laney, Allen Estlack, Mrs. Billy Dwayne Lamberson, Rev. R. L. Leeder, Mrs. Carroll Lewis, Sam Lowry, Rev. Owen McGarity, Faye Montgomery, B. B. Os-burn, Floyd Guinn, Rev. Weldon Rives, Maurice Riskey, Mrs. Maurice Riskey, Edna Smith, Rev. Roy Sullivan, Genella Eads, Chief Gary Gerdes, Justice of the Peace Carroll Lewis, Judge Billie Christal, Clarence Hamilton, and Van Kennedy.

Annual Field Day At Halfway Sept. 14

Latest innovations in farm machinery and agricultural equipment will be on display during the 16th Annual Field Day and Open House, September 14, at High Plains Research Foundation near Halfway.

According to Dr. Tom Long-necker, Foundation director, equipment exhibitors and representatives of seed and agricultural chemical companies have reserved display areas in the exhibit area located west of the Killgore Building.

The regular evening programs with a special guest speaker will not be observed. Also door prizes and drawings for other prizes given away during afternoon activities will be open to all who attend the activities. Three \$25 savings bonds will be awarded after each field tour and a color television will be awarded following the last field tour about 4:30 p.m.

Numerous other area agriculture agencies will have displays and special exhibits throughout Foundation facilities. All facilities will be open for public inspection.

Every one is invited to attend. "No matter what occupation one is engaged in, in this area, agriculture is the main industry and what is important to agriculture is important to us all," Dr. Longnecker said.

"TEXAS" CLOSSES OUT ANOTHER BIG SEASON

The final performance of "Texas" in Palo Duro Amphitheatre, Palo Duro Canyon for the seventh season was Saturday, August 26, 1972.

The total attendance for 1972 was a record 82,248. People traveled many miles to attend. In 1972, 25 percent of the audience came from out of state; 64 percent of the people traveled more than a hundred miles each way; 34 percent were returning for the second, or even in one case, the fortieth time.

The eighth season for "Texas" will be from June 21 through August 25, 1973. A Sunday performance is planned for July 1, 1973. Other Sundays will be dark.

For information about auditions for this coming season write to "Texas", Box 268, Canyon, Texas 79015.

Mrs. M. Dunn returned home Saturday after a visit with relatives at Dexter and Las Cruces, N. M.

LONE WOLF LODGE MEETS AT LAKE

The Santa Fe Chapter of the Chief Lone Wolf Lodge held its

meeting at Greenbelt Lake Sunday, August 27.

The weather was wet and drab but despite this the group enjoyed some fun swimming, sailing,

and canoeing for four hours. Topping the fun off was servings of homemade ice cream made by the Clarendon members. This was the regular monthly business

meeting. The next meeting will be held in Pampa September 24. Rep. Leader Classifieds Get Results

COLLEGE CAMPUS COMES ALIVE

Administration And Faculty At CC Is Considered Best Ever

Clarendon College is most fortunate to have as its President, Kenneth D. Vaughan. He served as President of CC when the college was housed on the old campus and has spent many long hard hours in work toward our present fine College Campus to assure us of having one of the finest institutions of its kind in the Panhandle.

Mr. Vaughan is ably assisted by Beryl D. Clinton, Dean; Leonard Selvidge, Dean of Student Life; George C. Bourns, Student Personnel Officer; and Floyd L. Guinn, Counselor. Office personnel serving the administrators

include Naomi Phelan, Ruth Lyles, and Darlene Spier.

The faculty is made up of full time and part time instructors. Employed on a fulltime basis are: H. L. Carlson, History and Geography; Sarah Cline, Library Director; Esther Connolly, Business Administration; Dorothea Doan, Business Administration Chairman; William L. Ellerbrook, Science Chairman; Sharlene Graham, Coach and Physical Education; Clarence Hamilton, Social Science Chairman; and Jerry Hawkins, Agricultural Chairman.

Other full-time instructors are: Jack Hedden, Coach and Physical Education; Dixie Howard, Spanish and Language Chairman; David Lowrie, Biology; Ronnie Null, English; Lloyd V. Risley, Math and Chemistry; Terry

Scoggin, English; Norma Selvidge, Speech and Drama and Fine Arts Chairman; William Taylor, History; James Tucker, Mathematics Chairman; and Kenneth W. Walter, Agriculture and Science. The most recent addition to the full-time faculty is K. K. Pigg, Music.

Employed on a part-time basis are Betty Bourns, W. R. Lawrence, Glenn Wallace, and Owen McGarity. Recently two part-time instructors have been added: Ronald Parker, English, will be the Director at Vaughan Hall; and Neel Kimble of Amarillo will teach the Aviation courses to be offered.

These people are dedicated to their profession and are well trained for their position. Students will find them cooperative and willing to put forth every

effort to make college courses being taken exactly what they should be.

Pre-Enrollment High At Clarendon College

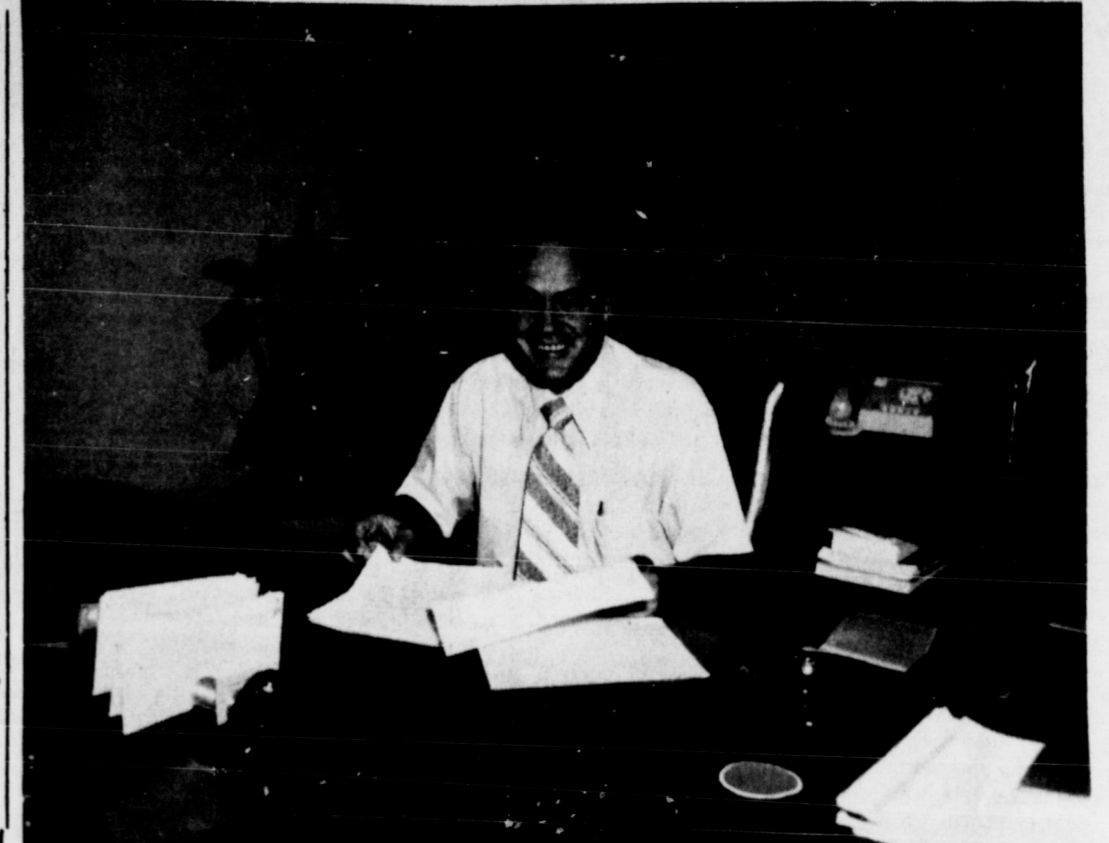

A record number of students have taken advantage this year of Clarendon College's Pre-Enrollment plan which offers counseling to students who are undecided as to what courses to take, who are enrolling in college for their first year's work as college students, who are making an effort to arrange classes enabling the student to hold part-time jobs, or those who may

Though some students enrolled have problems in other areas, last week, two days of actual enrollment were Tuesday and

Wednesday, September 5-6 of this week. Classes began today, Thursday, September 7, at 8 a.m. The first night classes will begin tonight, September 7, at 7 p.m. The last day for enrollment will be September 22 and the final day to make class changes is September 20.

Dorms opened at 2 p.m. Labor Day, Monday, September 4, and you can believe there was plenty of hustling around to get settled in. Dorms are reported full with a number of students living in homes over town.

Each year thousands of items on new and unproven methods of cancer treatments are added to the American Cancer Society's files. It's one way the Society tries to protect the public from quacks.

Mr. Kenneth D. Vaughan, President of Clarendon College is busy at his desk but glances up from his work with a pleasant smile. These are indeed days filled with work — getting the new Fall Semester at Clarendon College underway. Vaughan served as President of the College in its old location and spent many hours in planning and seeing the plans carried out that we may have the new College Campus for the students to enjoy at this time. Students of Clarendon College
Clarendon, Texas 79226

Dear Students:

It gives me pleasure on behalf of the Board of Regents, Faculty, and Administration of Clarendon College to extend to you a warm welcome to the campus for the 1972-73 school year. It is our sincere hope that your tenure on our campus will be an enjoyable and profitable occasion.

The creation and maintenance of this institution by the citizens of Donley County is to provide excellence in higher education for the young people of this area. I am sure these citizens join me in extending this welcome and invite you to become a part of this community.

We are proud that you have selected Clarendon College and stand ready to help you enjoy it.

Sincerely,

Kenneth D. Vaughan
Kenneth D. Vaughan

Clarendon College, Past To Present

Institutions of higher learning were few and far between in the late 1800's in the western part of Texas. There were, however, a number of colleges in the southern and central parts of the state. Settlers were moving to the Panhandle area and as the population increased the need for a college grew.

The citizens of Clarendon, feeling that something should be done, set about the founding of the first college in the Panhandle in 1898. The new college started as a Methodist institution and remained such until 1926 when it was transferred to McMurry College in Abilene by vote of the general Methodist conference. This same year citizens of Clarendon made Clarendon College a tax-supported public Junior College and it has remained such to the present day.

There has been a steady increase in the enrollment since the early 1960's. At this time Clarendon College is a fully accredited 2 year college with a complete and up-to-date curriculum of basic academic courses leading to Associate of Arts De-

gree and Associate of Science Degree. A new concentrated course in business has been added offering secretarial training in 9 to 12 months and carrying academic credit. An Aviation Training program with instrument has been the latest addition to the curriculum, along with the addition of a complete Music Department offering group or private lessons as well as the course of study.

An amount of approximately \$326,000 was given Clarendon College from the estate of Etta and Ida Harned in 1965, the Harned Sisters being pioneer residents of Clarendon. They were particularly interested in the furtherance of the Fine Arts at the college level. This endowment enabled the College to purchase some 30 acres of new campus and construction was started on the present new plant enjoyed by students today.

Clarendon College has a total of eight new buildings. The academic building houses the library, laboratories, administrative offices, and 15 classrooms. The Harned Sisters Fine Arts Center includes a beautiful auditorium and classrooms for music, drama, and art. The Physical Education

building boasts a complete modern gymnasium and classrooms for health and first aid. The Cafeteria building houses the Cafeteria, bookstore and classrooms. Two new men's dorms house 110 young men and Knorrp Hall, completed in the fall of 1971, houses 80 young women. The most recently completed in the fall of 1971, houses 80 young women. The most recently completed building is the Student Activity Center.

The move to the new plant was made in December 1968. Within the last two years, the College has acquired a College Farm, a gift from Mr. and Mrs. J. N. Weaver of Dumas whose families were pioneer residents of this area. Both Mr. and Mrs. Weaver were former teachers in the Clarendon Public Schools and College.

Though additional building of a new dorm has increased the on-campus housing, many citizens of Clarendon and surrounding towns open their homes to house the overflow of young people.

Clarendon is proud of its college and the many alumni scattered across our land and feel that it is "The Athens Of The Panhandle."

Clarendon College Expects Increase In Enrollment This Fall

Present indications, based on inquiries and pre-planning, are that enrollment at Clarendon College for the fall term will be above last year's figure. The College has continued to grow from an enrollment of 228 students in 1965.

The addition of a new Physical Plant, new and revised plans of study, and the addition of study areas for students has contributed to the increase. This fall, Clarendon College will offer, for the first complete Flying School with Instrument training and a concentrated course in Business with certification of completion in nine months.

There is also the addition of a complete Music Department. Group and private lessons in music will be offered to interested students. Other new areas of study are in the offing and will be added on demand and approval.

An interesting and alive program is an inducement to graduating seniors of our High Schools to attend College.

Clarendon College Costs Remain Same

George C. Bourns, Public Relations Director for Clarendon College, has announced that Clarendon College, Clarendon, Texas has not increased cost per student for the school year 1972-73. Though tuition at State supported Colleges varies from one institution to another, Clarendon College devised a plan several years ago by which major costs of College would be covered. This means is called the "Package Plan."

The Package Plan is \$600 per semester. This cost includes tuition, fees, books, board and room. The only other cost not included in this plan is the personal need items of the student while on Campus. This is a variable figure from student to student.

If there is a financially deprived student or a student that needs money to go to school, money is available in many ways through scholarships, grants, work-study programs, national and state loan funds. A prospective student should contact the school and find out what that school can do to help. The help available from the school is based on student need.

For more information in regard to the Package Plan or ways to secure money to go to school contact Beryl D. Clinton, Dean of Clarendon College, Clarendon, Texas.

A simple, quick breast self check once a month is a woman's best defense against breast cancer. Your American Cancer Society has a free leaflet on the subject.

WTSU To Conduct Worker Survey For Amarillo Dev. Board

A massive worker-availability survey, the results of which may mean the locating of two major national corporations in Amarillo, will be conducted September 5-9 by the West Texas State University School of Business. The survey is being conducted for the Amarillo Board of City Development.

Two major companies have indicated "very strongly" that they may locate in Amarillo in the very near future, pending results of the survey. The estimates of the two firms would provide some 2,600 new jobs.

In addition, several other firms have indicated their interest in the survey results. These include both new businesses as well as area companies looking toward possible expansion.

Plans are presently underway for a massive advertising campaign to reach high gear September 3-10 with intensive radio, television and newspaper coverage as well as a door-to-door campaign engaging some 180 workers in the Amarillo and the surrounding area within an approximate 50-mile radius.

Questionnaires to be disseminated will gauge area-wide interest in the possibility of new job opportunities in addition to confidential information regarding the subject's name, sex, educational level, skills, need for nursery service and other personal data.

According to Keith Winter, Executive Director of the Amarillo Board of City Development, the questionnaires are not only geared to those who are unemployed, but those who may be under-employed and seeking better job placement.

"It's going to be up to area citizens to present these companies with the information they need," Winter says. He added that major companies usually select location sites on a 4 to 1 basis, so that if a projected 10,000 residents respond to the survey, the chances would be likely that the companies would choose Amarillo as a location site.

"The clinching question these companies are asking now," says Dr. Sam Keeley, assistant

professor of economics at West Texas State University, "is whether or not sufficient labor will be available should they locate here. Whether or not they will come to Amarillo is hanging in the balance, awaiting the survey results."

Keeley feels that the location of the companies in Amarillo after a critical period of business lay-offs will provide an enormous boost to the area economic outlook.

Deadline for turning in questionnaires will be September 11. Inquiries regarding the survey may be directed to the Amarillo Board of City Development, 301 S. Polk, Amarillo, Texas 79101. Questionnaires will be available beginning September 3, at that location and other sites throughout the city to be announced at a later date. Clip-out questionnaires will also be located in area newspapers during the week of the survey.

OUTDOOR BIOLOGY LAB AT CLARENDON COLLEGE

The Biology Department of Clarendon College under the direction of Mr. Bill Ellerbrook, chairman of the Science Division at C. C., will be using the site located on Greenbelt Lake north of Clarendon as an Outdoor Biology Lab.

The lab will serve three purposes: it will be a study site for biology research dealing with marine life through the collection and study of specimen and preserving them for future reference; it will serve as a relic and artifact area with the site undisturbed for comparison with changes in surrounding areas; and it will serve as a research area providing the student with practical experience with methods and tools of biological research.

Greenbelt Lake is a comparatively new lake and this research will serve as a biological history.

FLIGHT TRAINING AT CLARENDON COLLEGE

Flight Training courses were offered for the first time at Clarendon College this past Spring Semester. Response was good and prompted an expanded course this year.

A complete Flight Program will be offered for the Fall Semester. Ground School training classes will meet on Monday nights at 7 p.m. and the Instrument Training will be offered Wednesday nights at 7 p.m. Kimble Noel of Amarillo will be the instructor. This study is FAA and Texas Education Agency approved curriculum.

Many local residents may be

Patrons of Clarendon College District Donley County, Texas

Dear Patrons:

It gives me pleasure to express to you, the supporters of Clarendon College, appreciation for making this institution available to the students in our area and to solicit your continued support. It is important that we make the 1972-73 students feel welcome and at home in our community.

The value of the student body of Clarendon College is important in many ways to our community. We request your continued participation in the many activities on our campus and encourage you to welcome and receive these young people into our community as you have in the past. It is through your past efforts that has made Clarendon College what it is today and through your continued support and interest in young people that will make it what you want it to be in the future.

The creation and maintenance of this institution by the citizens of Donley County is to provide excellence in higher education for the young people of this area. I am sure you join me in extending a welcome and invite them to become a part of our community.

Sincerely,

Kenneth D. Vaughan
Kenneth D. Vaughan

shoulder are better than one depends on whether the car is parked or moving.

It is alright to teach a boy that crying won't help, but is really not honest advice for a girl.

If kids don't eat and get big while they are little then they are apt to be little when they get big.

Things have a way of balancing out: the neighbors have more

money than we do, but we have nicer grandchildren.

The little boy explained to his teacher why he hadn't returned his report card. "You gave me all A's and it is still on the round of the relatives."

Here's one of the main problems facing the P.T.A.'s for discussion: "Should the parents strike back?"

The automobile takes the children out of the house, and about midnight parents begin wondering where it put them.

He may have a battered hat and his trousers may be shiny, but if his children have their noses

Campus Organizations Student Opportunity

The Clarendon College student has an opportunity to become a part of and actively participate in any number of organizations which will enrich his college life as well as provide him or her with activities in which that individual may be most interested.

Among these are the Aggie Club composed of agriculture majors for the most part but other

interested persons may also hold membership. The Athletic program offers participation in basketball, tennis and golf and working closely with this program are the K-Nines who are constantly striving to build school spirit, promote civic activities and help in all college programs.

There are also the College Choir; College paper, the Bulldog Banner; Foreign Language Club; Green Masque for students interested in promoting theater, all students eligible for membership in this dramatic society;

the NIRA Rodeo Club; Phi Beta Lambda for students majoring in business; Phi Theta Kappa, national junior college honorary scholastic society; the Student Senate; the Annual; and the College Sportsman Club for both men and women who are interested in outdoor sporting activities.

These many organizations are in addition to the Student Activity Center and the recreational facilities provided there for students.

It don't have to be all work. It can be a most enjoyable experience to attend Clarendon College. Join in these activities that interest you most. They are set up and planned to help make your stay at Clarendon College both a fun and work time in your life.

Terry Sparks of Clarendon spent Sunday night with Mr. and Mrs. Doyle Ray Littlefield and family.

The young folks from the Church of Christ went to Mr. and Mrs. Ira Page's home after church Sunday night for a devotional.

Mr. and Mrs. A. C. Bickford of Arizona and Mr. and Mrs. Ruben Hilton of Pampa visited Tuesday evening with Mrs. Roy Roberson.

Mr. and Mrs. Galen Fredrickson and family of Amarillo spent Sunday night and Monday with Mr. and Mrs. Pat Roberson and children.

Goldston News

Mrs. Roy Roberson

We are sorry to learn of the death of Vernon Davis. The Davis family lived in our community for several years. Mrs. Davis was a member of our quilting club. Mr. Davis was a good neighbor and will be missed by all who knew him. The family has my sympathy. God bless you all.

LAST POINTS RACE NHRA SEPT. 9-10

The last WCS Points Race will be run at Amarillo Dragway September 9-10. To race in the World Finals you must qualify in five points races in your division.

The Amarillo race is the last points race in Division Four. This is the second year the World Finals will be held in Amarillo. Some 50,000 are expected for this year's race, which will be held October 29-31.

Buildings Converted For CC Campus Use

Two building structure added to the campus at Clarendon College within the past two years have proven to be a source of educational and recreational improvement. This came about in the following manner.

The Clarendon Lions Club gave the College two G. I. Barracks which were located near the Post Office in downtown Clarendon. These structures were either moved to the College or wrecked for better use.

One barrack was made into a Shop for teaching and study. The other was torn down and materials were used to build the Student Activity Center located near the C. C. Field House. Construction was supervised by Millard Windom.

This building is used by the students for school dances and other recreation. Within the structure are facilities for snook-

er, pool, dominoes, checkers, card games, chess, table tennis and others.

When completed the two buildings were finished to correspond with other college facilities, and this summer after the bricks were added walkways were poured.

What a fine way to make use of these two buildings and how much they have added to our campus.

SEVEN SIGNS

Cancer has seven warning signals: Change in bowel or bladder habits, sore that does not heal; unusual bleeding or discharge; thickening or lump in breast or elsewhere; indigestion or difficulty in swallowing; obvious change in wart or mole; nagging cough or hoarseness. If you have a signal, see your doctor right away, the American Cancer Society says.

The seven seas are the North Atlantic, South Atlantic, North Pacific, South Pacific, Arctic, Antarctic and Indian Oceans.

CC Plans Complete Music Program 72-73

Beryl Clinton, Dean of Clarendon College, has announced that Clarendon College will offer a complete Music Program for the school year, 1972-73.

Mr. Kelly Kern Pigg, recently of Meridian, Mississippi, was born and raised in Wellington, Texas, will be the instructor in charge of the Music Program for C. C. The program is to include courses for the general college student as well as music majors. This program will be designed to also benefit music in the surrounding communities.

Mr. Pigg is a graduate of North Texas State University of Denton, Texas obtaining his Bachelor of Music Education in 1960 and his Master of Music Education in 1962. He has also completed 42 Semester Hours toward his Doctorate in Music. Mr. Pigg has studied under very popular instructors while a graduate at NTSU. He studied trumpet under Mr. John Haynie, music composition under Dr. William T. Latham, and special courses in graduate music education under Dr. David McGuire.

From 1961 to the present date Mr. Pigg has served as Band Director in Elementary and High School Levels in the Galveston School Systems and more recently with the Alabama and Mississippi Junior College Programs in the respective states. He has served as Church Music Director in several Methodist churches in Alabama and Mississippi. The Board of Regents and Administration of Clarendon College welcome Mr. Pigg to the Faculty of Clarendon College and

sincerely hope that he and his wife, Kathryn, and son, Martin, enjoy their stay in Clarendon and are happy working with the fine students of Clarendon College.

CC Instructors Give Students Extra Help

A study was made in the summer of 1971 to determine if American College Testing scores could be used to designate those students who will have trouble with General Chemistry. The results of this study enabled the instructor to group the students according to their abilities. The purpose of the study was to identify the weak student. Therefore, the instructor was able to give extra help to those students.

In the fall of 1972, the department of chemistry plans to give diagnostic tests to chemistry students. This test will help to determine the chemistry and mathematical background of the student. The chemistry part of the test will help the instructor to determine the general knowledge of the students. It will help him to plan the course work to fit the needs of the students. The mathematical test will help to determine the mathematical discrepancy of the students. The test is correlated to a workbook. The student can then use this workbook to strengthen areas in which he is weak.

These tests are designed to help the student to be more successful in General Chemistry.

New Night Courses At Clarendon College

Several courses have been made available to students within commuting distance of Clarendon College as well as local residents. These courses can count toward an Academic De-

gree or can be taken as refresher type courses to keep individuals abreast of the changing times and environment, states Beryl Clinton, Dean of Clarendon College.

Enrollment can be made at Clarendon College as late as September 22, 1972 for day or night classes. The general public is

welcome to enroll and attend these classes.

For those of you who are desiring further information contact Mr. Leonard Selvidge or Mr. Beryl Clinton, Clarendon College, Box 968, Clarendon, Texas or phone Area Code 806-874-3908.
