HEDLEY CHEERLEADERS will be selling personalized Easter eggs and balloons at the Easter egg hunt, Sunday, April 7. (Photo by Peggy Watt.)

## Your Chamber at work

The Clarendon Area Chamber of Commerce will sponsor an Easter Egg Hunt April 7, 2:30 p.m. for children ages 1 thru 8 at the City Park. The park will be roped off in three sections 1-3, 4-6 and 7-8. Each age group will hunt in their respective roped off area.

Prize eggs will be hidden. There will be several prize eggs, but only one prize egg per hunter.

The Hedley cheerleaders will be selling personalized Easter eggs and helium filled balloons.

### Chamber Awards Banquet

The Clarendon Area Chamber of Commerce Awards Banquet will be held April 18, 7:30 p.m. at the Community Center. Tickets will be \$7.50. Tickets may be purchased from any director or by coming by the Chamber office in the Clarendon Press building, 107 Kearney.

Any Club or organization who has honored one of their members and would like to recognize them at this banquet is welcome to do so. Just call the Chamber office at 874-2421 and let them know.

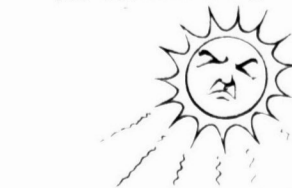

For those who plan on honoring one of their members, if you like, you can do that at this banquet.

You do not have to be a member of the Chamber of Commerce to attend this banquet. You may attend by purchasing a ticket.

### Chamber to have general meeting

The Clarendon Area Chamber of Commerce will hold a very important meeting April 9 at 6:30 in the Harned Sisters Auditorium. This is a meeting of all Chamber of Commerce members, and it is very important that as many can attend this meeting.

The Chamber has grown from 72

## Business Cancer crusade April 11

The American Cancer Society Business Crusade will be held Thursday, April 11, 1985. This is a special day set aside for the businesses and volunteers for the business district will be by on this day to collect donations. Donley County business district was outstanding last year and collected more money than every before in its history. So a big thanks goes to all of our businesses for the wonderful job done last year. We are looking forward to an even bigger and better one this year.

The following volunteers will be working the business district on Thursday, April 11: Helen Woody, Betty Muse, Bob Bell, Carolyn Myers, Kathy McElroy and Bill Spier. Darlene Spier is chairperson for Donley County business crusade.

## 'April Showers' baby pageant April 27

The Clarendon Young Homemakers will be sponsoring the 3rd Annual Baby Pageant to be held Saturday, April 27, at 7:00 p.m. at the Clarendon College Fine Arts building.

This year's theme will be "April Showers". There will be four age groups: 0-6 months, 7-12 months, 13-18 months, and 19-24 months. There will be a boy and girl winner in each age group with all winners receiving a \$50.00 savings bond.

There is a \$10.00 entry fee and this will include a picture package which consists of 2-5X7's and 4 wallet size photos. These pictures will be taken by Dolores Crimp of the Art Studio.

Entry forms are available at The Nook, Gibson's, Saye's, IGA, Greene Dry Goods, and Osburn Furniture and Appliance, Inc.

Entry forms and fees need to be returned to Denise's Cloth Shop, 418 S. Goodnight by Friday, April 12.

This pageant is open to all Donley County residents.

### Firebells to have bake sale

The Clarendon Firebells will be holding a bake sale Saturday, April 6 at Gibson's beginning at 10:00 a.m.

The proceeds from this sale will be used to help send some of the Firebells to the state convention.

## Terry Floyd named County Extension Agent

As of April 1, 1985, Terry Floyd will be filling the position of Donley County Extension Agent - Home Economics. The last three weeks Terry has been familiarizing herself with the office of the Texas A&M Agriculture Extension System. Terry has also helped the 4-H Clothing Leaders with the Beginning Sewing Class the The Color Us Exciting Workshop which was held at Clarendon College.

Terry will be working closely with Ronald Gooch - Donley County Extension Agent - Agriculture, in providing educational programs for the youth and adults of Donley County.

Terry's senior year of high school was completed at Clarendon High School in 1975. She graduated from Clarendon Junior College in 1978 with an Associate Arts Degree. She attended University of Science and Arts of Oklahoma - College of Home Economics - in Chickasha, Oklahoma. December 21, 1984 Terry graduated Magna Cum Laude from Texas Tech University - College of Home Economics.

Terry is a member of the American Home Economics Association, the Texas Home Economics Association, Beta Sigma Phi International Women's Organization, the Clarendon Chamber of Commerce, and the Clarendon Softball Association.

Terry is the daughter of Gene and Glenda Davis of Chickasha, Okla. She is married to Lynn Floyd, manager of Floyd's Auto Supply, and they have a 2 year old son, Colt Floyd.

Terry cordially invites everyone to come by the office, as she is looking forward to meeting all the residents of Donley County and helping them in any way possible.

TERRY FLOYD

## Defensive driving course offered by Farm Bureau

The Donley County Farm Bureau will conduct a Defensive Driving Course on April 22 and on April 23 at 6:00 p.m. at Clarendon College for their members.

The eight-topic course in the DDC program utilizes films and discussions to teach people to avoid accidents despite the actions of others and the surrounding conditions by recognizing the hazard, knowing what to do and acting in time.

Only Farm Bureau members are eligible to take the DDC course through Texas Farm Bureau. There are no age requirements. There will not be a test of driving involved. All students must have a valid Texas driver's license to qualify for the 10 percent insurance discount.

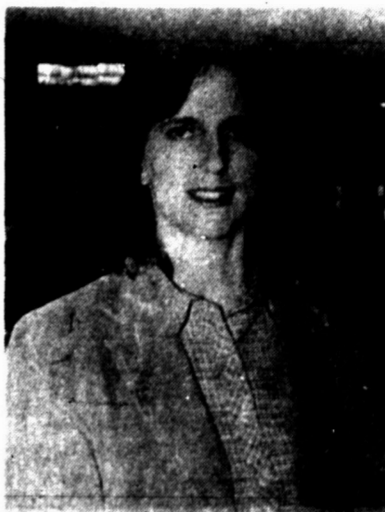

The principal driver who completes the eight-topic Defensive Driving Course will receive a certificate to be filed with the automobile insurance company, qualifying for a 10 percent discount on...bodily injury,

property damage, medical payments and collision coverages where those coverages are afforded. Total cost for a Farm Bureau member to enroll in the DDC is \$10.00. Because of enrollment limitations, registration will be taken in advance. Persons can register by sending a check made payable to Donley County Farm Bureau and mailing to Box 789, Clarendon, Texas 79226.

If there are any questions, please feel free to call 874-3597. Deadline for registration is April 15, 1985.

## Trees available from Soil Conservation Service

The Donley County SWCD ordered extra trees. If you missed out earlier and didn't get your order in, you can come by the Soil Conversation Service and see if we have some you would like to purchase.

JO CRABTREE - owner of The Treasure Chest

## The Treasure Chest - Clarendon's newest business

If your taste in gifts run to the unusual, stop by The Treasure Chest at 220 S. Kearney. Jo Crabtree is sure to have something that appeals to you.

If you enjoy elegance, she has fine china and stemware by Mikasa and silverware by Oneida, Gorham, and Mikasa.

Pamper your sweet tooth with gourmet jelly beans. They also have Bunnykins, Country Cousin, and Colorado Cake Critters. Satisfy your creative learnings with crafts such as stencils, Magic Acrylic boxes and paint pens, or design your own art with rubber stamps. There is stationary by the pound. Finish your art with picture frames.

You can find straw baskets and straw hats. Jo has the fireplace mantel that used to be in the XIT Ranch house near Channing.

In the near future Jo and Rhonda Newhouse plan to start home tating classes, Puff Hat and Basket classes.

The Treasure Chest will be open for your convenience from 9:00 a.m.-6:00 p.m. Monday through Saturday and Jo and Rhonda invite everyone to stop by and browse. If you do, you're sure to find something you want.

Jo stated, "This is my first adventure in business. I hope everyone will come by to visit with us, browse and get acquainted."

Jo and her husband Marvin have lived in Clarendon for three years. Marvin is employed with the Farmers Home Administration. They are the parents of four year old Kyle and 1 year old Marcia.

## Economic

### Development

#### Seminar April 11

There will be an Economic Development Seminar held Thursday, April 11 at 7:00 p.m. at the Lions Club. Phil Nabors of the West Texas Chamber of Commerce will be the speaker for the evening. All persons interested in the economic development of Clarendon is cordially invited to attend this seminar. This is to encourage the development of Clarendon!

New members: The Canteen, Clarendon Grain Elevators, Inc., Gary Hunt, Tillie's Art Studio, Terry Floyd, Security State Bank, Sanders Automotive.

## Microwave cooking school April 11

There will be a microwave cooking school presented by West Texas Utility, Tuesday, April 11, from 7 p.m. until 9 p.m. at the West Texas Utility office on Kearney St.

Learn to cook meats, vegetables and desserts in the microwave oven. Instructions are free. Come by for tasting and questions.

## Election Saturday, April 6

Saturday, April 6, voters will go to the polls to vote for school, hospital and city offices.

You must vote at the Clarendon School Administration office for Clarendon School Board Trustee and Hospital District.

For those living in Hedley, you can vote for all the candidates at the Lions Den.

City of Clarendon and Howardwick will vote in their respective city halls.

**City of Clarendon**  
Candidates for Mayor: Ron McDaniel, Freland Davis and H.C. Clark. City Council, two year terms are: Mrs. Willie Moore, Don Chambliss, and Lawrence Whitehead. For a one year term the only candidate is Elbert Derr.

**City of Hedley**  
Mayor: James Kuhn. City Council: Richard Bell, James Sharrar and Ricky Rattan.

**Hospital District**  
Candidates are: Place J.E.W. Barbee and Eureka Mays, Place 2-L.L. Whitehead and Robbie Hill and place 3-Dikki Howell.

**City of Hedley**  
Three places are up for election and only three candidates filed. They are: Otis Holland, W.B. Wiggins and Murrell Whitaker.

**Hedley School Board**  
Candidates are: Cheryl Wiggins, Bill Clubb and Gayle Osborne. There are two places open.

**Clarendon School Board**  
Clarendon has two places open and four candidates. They are: Susie Shields, Ted Shaller, Melinda McAnear, and Wes Henson.

Ted Shaller: "I believe in a strong educational system; in the hiring and keeping of well qualified teachers, that all areas of the school systems should work together for the betterment of the students and the community. I am a rancher, graduate of Clarendon High School and Clarendon College. I have one son in high school and one at Clarendon College."

Susie Shields: "I have served a term as your school board trustee. I believe public education should be the concern of everyone. Show your concern by voting April 6, and I would appreciate your support and the opportunity to serve another term."

Melinda McAnear is a candidate for Clarendon School Board Trustee. She has lived in Clarendon 37 years and is a graduate of Clarendon High School. She is married to Ronnie McAnear, who farms here. They have three children. "I have always been interested in the young people of Clarendon. I would like to see every child receive the best possible education. Of our three children, one is in special education, so I have a broad range of interests and concerns. It is very important to me that all our children, yours and mine, have the opportunity to be the best that they can be, and I feel the way to accomplish this is through quality education. Over the past two years I have been a substitute teacher. I believe this has helped me understand a little now about the problems of the teachers and how important it is to have a good relationship between faculty, and administration."

"I would appreciate your support on election day, April 6th, and would urge everyone to get out and vote." Wes Henson: "I have been a resident of Clarendon all my life. I attended Clarendon schools, Clarendon Jr. College. I attended North Texas State University, Denton, Texas, graduating with a bachelors degree of business administration/marketing. I am a member of the First United Methodist Church. Susan, my wife, and I have two children Jeffrey and Suzzette."

### Sherrie Hill- McDougal ends basketball career

Should we have potatoes or stuffing? Who is going to drop off the check for the electric bill? These don't sound like questions a college basketball player would usually ask. But when you are a Lady Drover who has already headed into your second year of marriage, these questions

become essential.

Sherrie Hill became Sherrie McDougal a year ago, and since that time her life activities have really accelerated. She completed her basketball eligibility February 27th when the Lady Drovers were eliminated from the District IX

playoffs with a 74-55 loss to Northwestern in Alva. It was tough times like that loss that made it nice to have someone at home.

"It was really nice to have a shoulder to cry on when we would lose," said McDougal. "Tim was very supportive and helped me through the rough times."

Just how supportive was her husband? Enough to put aside his petroleum engineering classes at Oklahoma University to put his wife through school.

"He really felt that he should work while I finish school, so that we could live," McDougal said. "I plan on doing the same for him when I graduate."

McDougal played her high school ball in the tradition-rich state of Texas, although she admittedly competed for a team that was "mediocre at best". The four years she spent as a member of the Hedley Owls was a learning experience that netted her All-District honors each season.

Following her senior season at Hedley High School, she had a handful of college offers to weigh. After scrutinizing all her options she tied on with Coach David Land's program at Cisco Junior College.

What followed was two years of All-Conference activity and being named to the prestigious All-Region team in Texas. These laurels raised several eyebrows, including those of USAO Lady Drover mentor Billy Carter, who was about to enter his second season at the Chickasha school, and John Loftin, the pilot of powerful Southwestern State University.

McDougal visited both and found her decision was really made after her visit to Weatherford. "It was not

SHERRIE HILL

a very good atmosphere over there, because they only cared about winning at all costs," said McDougal. "I walked into their gym, and the coach didn't even know who I was."

McDougal found her way to the USAO campus and enjoyed a banner junior season. She was the spark that ignited the Lady Drover offense, and was the flame that held the team together emotionally. Her season was capped off when she was named to the 1983-84 NAIA Academic All-American team, an honor that she hails as being very special.

"It really made me feel good to know that I had earned such a big honor," said McDougal. "I have always had to work for my grades, because nothing was every given to me academically."

Then came her marriage, and the outlook of her senior season took on a different hue. She didn't enjoy the success in her senior season that she had in her first USAO campaign, but the rewards were a little sweeter. While not qualifying for post-season play in 1984 was a little discouraging, the Lady Drovers reaped the rewards this past season that hard work and dedication often bring about.

The Lady Drovers suffered through inconsistency and adversity at stages, but qualified for the District IX playoffs. They opened on the road at Oklahoma Christian College, ranked 13th nationally at the time and pulled off a stunning 65-62 upset of a team that had drubbed them twice during the regular season. Then it was on to Alva to tackle the tough Northwestern Lady Rangers, where McDougal and her teammates were defeated. McDougal still relives the feeling of the closing minutes.

"It was really hard to sit on the bench and watch the clock run out, because I knew that it was going to mean the end of my playing career," said McDougal. "I wanted to cry, but I just couldn't." After time expired and McDougal's tenure at USAO, her security blanket met her on the court to prove that love lives through adversity. "Tim came down and hugged me, and that's when I felt it was okay to cry."

Carter understands just how valuable asset McDougal was and wishes her playing days weren't over. "Sherrie is such an outstanding player and person," said Carter. "You could always rely on her to make the big market when you really needed it, and that makes her the prototype of what we want to recruit from now on."

For Sherrie McDougal, placing her future in the proper perspective is something that isn't very difficult. "I want to get a job, and put Tim through school like he did me," said McDougal. "Once we get settled, I want to have twin boys," she added, with a Texas size grin appearing on her face.

Sherrie Hill-McDougal will leave Chickasha in April, leaving behind a lot of memories of the girl who gave it all she had, every time she stepped on the court. Heart is something that she has an abundance of...but then again, "everything is big in Texas"

### EMS Activity Report

03-27-85 Jewel Short, 81 of Clarendon from Medical Center Nursing Home, Clarendon to St. Anthony's Hospital, Amarillo. Medical.

Kimberly Joyce Mills

Kent and Tina Mills of Goodwill, Oklahoma are the proud parents of Kimberly Joyce. Born March 25 at 8:23 a.m. in Guymon, Oklahoma, she weighed 7 pounds 8 ounces and was 20 inches long.

Happy grandparents are Mr. and Mrs. Wesley Mills and Mr. and Mrs. John Pugh of Texhoma, Oklahoma. Great grandparents are Mrs. Mamie Mills and Mr. and Mrs. L.A. Watson. Great great grandfather is C.I. Casteel.

STAN McCLENDON

### Greenbelt Electric names new General Manager

Stan McClendon has been named the new General Manager for Greenbelt Electric Cooperative in Wellington, Texas, according to Kenneth Mathews, Board President.

Stan has been employed for the past 6 years as Director of Member Services at Lighthouse Electric Cooperative in Lighthada, Texas.

McClendon is a native of Gould, Oklahoma, and graduated from Gould High School in 1973. He attended Western Oklahoma State College in Altus, before receiving his Bachelor's degree in Agriculture Education from Oklahoma State University in 1978.

McClendon has been very active in his community, serving as President of the Floydada Chamber of Commerce and Vice-President of the Floydada Rotary Club this year.

He has served as Region 10 representative to the National Member Services Association and is currently Vice-Chairman of the Texas Member Services Association.

Stan's wife, Donna, is a native of Plainview, Texas, and has a family residing there, as well as in Hollis and Vinson, Oklahoma.

"My wife and I look forward to serving the members of Greenbelt, making new friends, and seeing people in the area that I haven't seen in a long time," McClendon said.

They are members of the First Baptist Church.

Almost everyone with property in the Donley Appraisal District has now been mailed rendition forms. Blank forms and other information is also available from your Appraisal District office in the Court House Annex.

Please complete the listing of your taxable personal property and return the forms by the end of April. Your estimate of the market value of the property is requested and will be considered along with reliable published price guides.

All personal property must be rendered each year. You should include cars, pickups, trucks, RV's, travel trailers, motorcycles, boats, and airplanes. You should also include all merchandise in inventory held for resale. January 1 of each year is the rendition date in Texas; render only that property which you owed on Jan. 1, but make your rendition before May 1. Household goods and personal effects are exempt; generally all other personal property is taxable.

## Cook - Wilson nuptials announced

Mr. and Mrs. Jack D. Cook of Farmington, New Mexico announce the engagement of his sister, Dee Ann Cook to Mr. Mark Alan Wilson, son of Dr. and Mrs. Kenneth Wilson of Canyon, Texas.

Miss Cook, formerly of Clarendon, graduated from West Texas State University in May 1983 with a B.S. degree in Education. She is teaching second grade in Fritch, Texas. Mr. Wilson also graduated from West Texas State University in May 1983 with a B.S. degree in Public Administration. He is a student at Texas Tech School of Law. The wedding will take place June 8th, 1985 at the Joseph A. Hill Memorial Chapel in Canyon, Texas.

DEE ANN COOK AND MARK WILSON

## Alpha Upsilon Epsilon News

The Alpha Upsilon Epsilon Chapter of Beta Sigma Phi had its 95th meeting on March 26, 1985 at the Patching Memorial Club House. Members were led in the Opening Ritual by Sandra Eads. Members present were: Judy Bland, Sandra Eads, Terry Floyd, Terri Floyd, Jeanne Mondragon, Kitty Proctor, Leslie Schnauer, Fuzz Mooring, Connie McKinney, Bette McAnear, Melody Price, Stacy Mooring, Trisha Floyd, Sandra Sliger, and Sandra Shields. Our next meeting will vote on new officers, Girl of the Year, Pledge of the Year, and Woman of the Year. It was discussed that we should present our "Woman of the Year" at the Chamber of Commerce Banquet. Members will attend a style show in Amarillo on Saturday, April 13th, given by sister chapter Omega Alpha. Members and their families will also enjoy a social on

April 28th at the Caprock Canyons State Park. Also coming up is our Founder's Day Celebration and our Mother's Day Brunch. Genella Eads was the guest speaker of member Bette McAnear. She presented an enlightening program entitled "Stress Management". Genella defined stress and gave signs, types and management techniques. This was a program we all gained a great deal from. Hostesses for the evening were Connie McKinney and Melody Price. The closing ritual was led by Sandra Shields. Our next meeting will be Tuesday, April 9, 1985 at 7:30 p.m. at the Patching Club House. Hostesses will be Bette McAnear and Wanda Hill and the program will be by Melody Price.

### AUE thanks Chamber

The Alpha Upsilon Epsilon Chapter of Beta Sigma Phi wishes to express a genuine "thank you" to the Clarendon Chamber of Commerce for taking over the Community Easter Egg Hunt this year. This is a project A.U.E. has done the last few

years, and we feel honored and grateful that the Chamber sees it as a fitting worthwhile project to continue. As an organization in Clarendon we are impressed with the Chamber of Commerce's recent surge in activities and wish to support you in any way we can to help Clarendon become an even better community.

MR. AND MRS. LINDSEY WATTS

## Payne - Watts exchange wedding vows

Elizabeth Green Payne and Lindsey Henderson Watts were united in marriage at the First United Methodist Church Fellowship Hall Saturday March 16, 1985 at 2:00 p.m.

Rev. Bill Watson read the double ring service before a candelabra. Charolette Payne attended her mother. The bride and groom's parents, Mr. and Mrs. H.A. Green of Clarendon and Mr. and Mrs. Lindsey Watts of Lakeside, Ca., stood with the bride and groom.

The bride wore a floor length ivory crepe dress with a lace yoke and lace trim on the full length sleeve. Charolette accented her mother's chosen color with a floor length gown of pink satin. Roses and baby's breath were used for corsages, the bridal bouquet, and head bands.

Guests registered at a table with pleated cloth, lily of the valley

garlands, and a bud vase of fresh white peonies.

A beautiful tiered cake was served by Paula Nuss of Tucson, Arizona. Fresh spring flowers in a silver pedestal urn graced the center of the table. Candelabras reflected the beautiful stain glass windows. Punch was served by Cynthia Harris of Fritch, Texas and Deanna McCartney of La Mesa, California. Decorated mints and nuts completed the brides table.

Coffee was served from a buffet. The groom's table was complimented with Katherine's fruit cascade with cheeses, too beautiful to eat but consumed anyway.

Lindsay Katherine Green passed out birdseed bags with ribbons and rosebuds. The couple departed down a garland stairway to a well decorated get-away vehicle.

THE PRINCIPALS INVOLVED in the planning and execution of the All-American Hereford Expo at San Angelo, Texas, were honored recently by a proclamation proclaiming July 8-13 as Hereford Week in San Angelo.

Making the presentation was Bill Thompson, right, mayor pro tem of the host city. Accepting the honor, were, from left, Brent Lonker, Medicine Lodge, Ks., American Junior

Hereford Association president; Lesia Fuston, Clarendon, Texas Junior Hereford Association president; and Berry Summerour, Daltart, conference chairman.

The American Junior Hereford Association and Texas Junior Hereford Association sponsor the national event which will be hosted by Rocking Chair Ranch at the Lipan Springs division located near San Angelo. [Photo by American Hereford Association]

# F. T. A. met March 5th

On March 5, 1985 at CMS room 104 at 7:00 p.m. (Tuesday), the Clarendon PTA Chapter met in regular session with Annette Watson, president, presiding. Sheri Chamberlain was acting recording secretary. Roll was called and minutes of last meeting were read and approved.

New business was discussed. The "Teachers Appreciation Day" was discussed. A date, a place, a time was decided and different committees set up: to make invitations-Sheri Chamberlain, Kami May, and Tammi Deen; Decorations-Annette Watson, Mitch Johnson, Kim Foreman and Janet Risley; Refreshments-Lynn Alderson, Trisha Clifford, and April McCary. This date is to be March 14, Thursday, in room 104, CMS at 3:45 p.m.

The "Student Teach" project was discussed. This project concerns getting with Jr. High and Elementary teachers to plan coming into their classrooms for the experience. Each PTA'er can choose which teacher they would like to work with. This is planned for around third week of April.

The project of giving away 100 gallons of gas was discussed. All 20 members are needed to participate in this event. All proceeds will go to "Save the Lady, the Statue of Liberty project." We want to contribute to saving our national landmark.

Attending were Annette Watson, Sheri Chamberlain, Trisha Clifford, Lynn Alderson, Kami May, Bridget Spier, Mitch Johnson, Shanna Cole, Kim Foreman, and Miss Betty Veach, advisor.

March 12 was regular meeting session of PTA. The meeting was short because all lights went out. So in the dark darkness, Annette Watson, president, presided. Sheri

Chamberlain was acting recording secretary. Roll was called and minutes read and approved.

The Teachers Appreciation Day event was discussed, and all members assigned some refreshments for the event.

The "Student Teach" and giving away 100 gallons of gas projects were talked until next meeting.

April McCary was selected PTA'er for March and Mrs. Kay Hayes was selected PTA Teacher for March. Congratulations to April and Mrs. Hayes.

In darkness the meeting was adjourned.

Attending were Annette Watson, Mitch Johnson, Sheri Chamberlain, Trisha Clifford, Kami May, Rachel Bowling, Janet Risley, Marcy Helms, and Miss Betty Veach, advisor.

## Fun after Fifty

Fun After 50 will meet Saturday, April 6th at 10:00 at the Senior Citizens Center. Bring a covered dish and enjoy the fellowship.

### LOCAL

Patsy Lettow enjoyed a visit this week by her mother, Kay Malott of Roswell, New Mexico and her sister, Joyce White of Ruidoso, New Mexico. They also visited Gosenbelt Lake and looked at lake property. Both are hoping to purchase property for vacationing or just "getting away"!

ANNETTE WATSON, TFTA state president, Penny King, TFTA state financial secretary, Shelby Swartz, TFTA State Advisor, Betty Veach, TFTA state advisor.

## TSEA Convention March 15

On March 15, 1985 Annette Watson, State TFTA President, and Miss Betty Veach, State TFTA Advisor, traveled to Austin, Texas to attend the TSEA (Texas Student Education Association) annual convention at the Marriott Hotel. They were greeted by Lillian Nanny, TSEA President, and Lee Hicks, TSEA State Consultant (working out of TSTA). Penny King, State TFTA Financial Secretary and Mrs. Shelley Swartz, State TFTA Advisor of Burkburnett also represented TFTA.

The First General Session started at 6:00 p.m. with Lillian Nanny, TSEA President, presiding. James T. Butler, TSTA Executive Secretary spoke to the assembly. He told us that "Teaching is beginning to be a vanishing breed and some solutions have to be found for this situation."

Instead of a speaker, the TSEA officers, the TSEA president, and TSEA Vice President, plus the 4 District Presidents, spoke to the gathering. They talked about their experiences in their student teaching. They were all seniors in college doing their student teaching. It was so gratifying to hear their experiences and their enthusiasm to get out into the "real world of teaching."

The House of Delegates I convened at 7:30 p.m. At this meeting, amendments to their constitution were discussed. One amendment concerned TFTA (high school level). The amendment reads: Section 1. Provision for allocation of delegates. The State House of Delegates shall consist of duly elected delegates of each local TSEA chapter and four delegates selected by the Texas Future Teachers of America.

It was voted on and accepted. Annette Watson and Penny King of TFTA became delegates of the TSEA convention. This was done so there would be a relationship of high school FTA'ers and college FTA'ers (TSEA). Each organization is working for the same purpose - to attach quality individuals to the "teaching" profession.

Saturday morning the Second General Session started at 9:30 a.m. with Lillian Nanny, TSEA President, presiding. Charles Beard, president elect, TSTA, stated, that "Crisis is now in effect for teaching - a teacher shortage. Salaries and classroom instruction - there are drastic changes. Teachers should have the 'say' in how to run 'our' classroom. There needs to be a solution to robots teaching students. There needs to be a maintenance of high standards and not allow politicians to lower standards for certification. H.B. 72 needs to be changed. One third of teaching force is approaching the retirement age, so there is going to be a definite teacher shortage."

Following the Second General Session, there were 2 rounds of workshops.

The House of Delegates II convened at 2:00 p.m. and lasted until 6:00 p.m. The business of electing new officers and district presidents

took place. Annette Watson and Penny King were voting delegates to this House of Delegates.

At 7:00 p.m. the Awards Banquet began. Betty Brooks, TSTA president, brought greetings from Texas State Teachers Association. She again stressed what Charles Beard, president elect, TFTA, said about a teacher shortage and that the high school level and college level organizations will have to attract interested people to become quality teachers who are genuinely interested in teaching our youth of tomorrow.

# Watt's Happening in Hedley

by Peggy Watt

## SPOTLIGHT On Teen's

We had a mystery in town last week. There were several conflicting reports concerning Tode and Mattie Laura Hill. One report stated that Tode was in Amarillo at their daughter's house seriously ill. Another report stated that it was Mattie Laura who was so sick, but no one seemed to know for sure. Phone calls to all their brothers and sister failed to clear up the mystery. I finally discovered that both Tode and Mattie Laura had been in Amarillo sick, but I saw Tode's pickup parked in its usual place on Main Street Hedley Sunday morning as I went to church, so knew they were home and both feeling better. There's one opinion around town that the metropolis of Hedley would cease to function if Tode wasn't there to help direct the day to day business of getting along.

J.T. and Helen Lamberson went to Burk Burnett recently to welcome a brand new granddaughter. Ashley Dawn was born to Mike and Donna Lamberson. Mike is the son of Buddy and Alma Lamberson of Pampa. Last week Helen went to Amarillo to give her sister, Betty Hix her moral support in a bridge tournament. Helen said it didn't do much good because Betty lost anyway.

Earl and Sharon Wheatly went to Lubbock to watch Andy in his last collegiate roping contest.

Margaret Wells played the organ at the Methodist Church Sunday morning. We'll be looking forward to her on Easter Sunday too. I understand Sharon is expecting a grandbaby and will be in Colorado during the Easter break from school. I told one of my boys that I knew Sharon was older than me, because she's going to be a grandmother, and I'm not!

Guy, Fred, and I went to a cattle sale in Amarillo Saturday. The first person we saw as we drove onto the Tri-State Fair grounds was Ben Carson. He didn't win the young bull they gave away either.

Moore Mullins went to Wellington to see the doctor last week.

Sandra Layton and Lucy and Joe Poole hosted a Mexican dinner party for the senior class Saturday night in the home of Pick and Laquita Cox. The seniors attending were Craig Kennedy, Carl Cox, Brent Hall, Ben Clifford, Shawn White, Karon Harmon, Gayle Osborne, and David Phelps. Guests were Amy Shields, Bob Asher, and Tammy Osborne. Hosts and hostesses were Sandra Layton, Joe and Lucy Poole, and Pick and Laquita Cox.

Viola Johnson is recuperating at home following surgery last week in Hall County Hospital. I talked to Wilma, and she told me her mother was doing fine.

We were surprised to learn of the sudden death Friday of Lettie Goodnight of Memphis. Lettie was the sister of Jackie Ranson.

Mr. Hill and Mr. Collins had to cancel the track meet at Miami Saturday due to the snow they had up there. Both boys and girls track teams were scheduled to participate in the Miami Meet. Too bad. The kids were looking forward to bringing home several blue ribbons. I haven't seen the kids run yet, but understand Walter Bramblett can really run.

Mr. Hoss Pickard took several teams to the WTSU Judging Contest in Canyon Saturday.

Ed and Ethel Favors had their daughter and son-in-law, Alice and Bill Paschal of Amarillo, visiting part of last week. Ed and Ethel are newcomers to Giles and are still fixing up their farm. Bill and Alice helped them.

Tommy Clendennen and Benjamin visited his parents, Tom and Opal Sunday. Opal enjoyed spoiling the grandkid.

Frank Cavanagh of Long Beach, California visited Dorothy Johnson recently.

Bob and Jessie Roland had dinner Friday night at the Giles home of his sister, Ethel and Ed Favors.

Laqueta Cox injured her knee Monday so Jessie Roland is working at the Senior Citizens kitchen in her place. Flora Sanders is working in Laqueta's job. Laqueta went to Amarillo Tuesday to see the doctor.

The Adamson helped Wanda Coats in the restaurant Sunday. Pie and Helen Lamberson stopped by for coffee before church and discovered the usual waitress hadn't come to work so Pie generously offered to help out. We missed her of church, and I hope she was as good at helping as I heard Wanda's granddaughter was.

I stopped by the hardware store and saw Hobart Moffitt. He said he is feeling fine and is mighty glad to be back at work. It was good to see him back. I thought about it. I know how old Hobart is and know a lot of people half his age who are 'retired'. Some of them never started in the first place.

Johnny and Eddie Mae Fisher have returned home to California after spending several days with her mother, Mrs. Nell Land, and sisters Dorothy Johnson and Geraldine Wiggins.

Su-San and Lorene McCrary accompanied Lola Brown to Wellington one day last week for mother to take care of some business. I've decided there's more red tape to dying than in being born.

As the 1984-85 school year winds down things are busy at Hedley school.

On Tuesday, March 12, the Annual Open House was held. The evening opened with Superintendent Glyndol Holland welcoming everyone and explaining the new legislature and laws concerning education. Then the elementary grades ably assisted by Ben Clifford presented the "Wacadoo Zoo" and Mrs. Wheatly's 4th grade computer class presented a skit concerning the parts of a computer. Everyone was served refreshments prepared by the home-making classes. The classrooms were open to the public and teachers were available to discuss any questions parents might have had.

On Friday, March 29 and Saturday, March 30, the UIL academic contests were held in Clarendon. Mr. Holland hasn't received all the results of the winners but did know part of them. Danny Mullins, Jennifer Hill, and Kevin Johnson won 2nd in Music Memory. Curtis Neeley won 2nd in Number Sense and Tylene Bright won 5th in Oral

Reading. Marisol Andiverdi won 7th and April Bramblett won 8th in Spelling.

I stopped by Mrs. Wade's 6th grade class and asked if they were ready for the 6-week tests and a resounding NO! echoed down the hall.

School will be out for Easter Friday April 5 and Monday, April 8.

The drama class, under the direction of Mrs. Evelyn Messer and Miss LaMoss Springer, will go to Amarillo College Friday, April 5 for the UIL Area One-Act Play competition. We wish them luck and hope to see them advance to the Regional competition later.

### HEDLEY SCHOOL MENU

April 4-10  
Thursday-Ham and pimento cheese sandwiches, french fries, lettuce, tomatoes, pudding bars, milk.

Friday-Easter holiday.

Monday-Easter holiday

Tuesday-Corn dogs, macaroni and cheese, salad, chocolate cake, milk.

Wednesday-Vegetable stew, cheese wedges, cornbread, pineapple, milk.

The Senior Citizens enjoyed fun and games Monday, April 1. There were a lot of cars parked in front so I guess they had a nice crowd.

The Senior Citizens from Memphis and Childress are frequent visitors at lunch time.

### HEDLEY SENIOR CITIZENS MENU

April 4-10

Thursday-BBQ chicken, mixed greens, pinto beans, cabbage slaw, corn muffin, butter, banana pudding, milk, juice, coffee, tea.

Friday-Smoke sausage, mashed potatoes, buttered carrots, raw vegetable salad, roll, butter, peach cobbler, milk, juice, coffee, tea.

Monday-Ground beef with noodles, steamed cabbage, green lima beans, pickled beet slices, corn muffin, butter, milk, Tang, coffee, tea, strawberry cake.

Tuesday-Roast beef with gravy, macaroni-cheese, spinach, green vegetable salad, corn muffin, butter, milk, Tang, coffee, tea, peach cobbler.

Wednesday-Fried chicken, mashed potatoes, asparagus, carrot-raisin salad, roll, butter, milk, Tang, coffee, tea, chocolate cake.

## Ashtola Martin News

by NAOMIGREEN

Pete Land has been in High Plains Baptist Hospital for surgery. He was doing well at last report, and they thought he might be home by Monday.

Reba and Carl McDaniel from Fort Worth and their daughter Patty Martin from Oklahoma City were guests of Pat Scroggins and Mary Land last week.

Derline's parents, the Alvin Wards of Memphis, visited with the J.R. Graham family last week.

Sunday week a gathering of the Jim Shadle family, Cheryl Hand and her family and the Tom Shadles were invited by Lucille Koeninger and her friend to their home in Amarillo to surprise LaRue Pittman for her birthday. Thursday night LaRue came to the Tom Shadle home to spend the night. That day was her birthday and she chose to honor her parents with a visit.

Horace Green was in Canyon Sunday morning to visit with his father Joe Green. Billy Jack and Rodney Green of Umbarger joined them for a visit.

Mr. and Mrs. Lloyd Risley relieved their grandparents itch with a trip to Denver City to visit the Jim Risley family last Thursday. They returned by way of Lubbock Friday and visited the Richard Thornberry family. Weather was good and not as much movement of the soil as usual in that area because of the cover of so much wheat.

Glen Helton returned to the hospital for further surgery on his leg last week.

Mr. and Mrs. Skeet Brown visited with Sybil and Bud Brown in Groom Friday night. Bud has gone back to St. Anthony's Hospital for some more tests for his heart problems.

Sunday the Skeet Browns met Kay and Harold Green of Stinnett at the home of Sheryl and Mike Grant in Amarillo. Sheryl had some surgery last week. Her sister Janice Fraley and her son Rayan had been with them the past week.

L.A. and Roslie Watson left Wednesday morning and spent the night with Mr. and Mrs. Earl Sherrion at Duncanville. They attended services for their aunt Ella Blasengame there and the graveside rites at Saddler, Oklahoma. Thursday night was sent with a cousin Mr. and Mrs. J.C. Muddler at Levelland. Friday night they were in Cove, Arkansas at the home of Allen McCully. Saturday morning they visited with Aunt Louise Cheek at Bonham. Saturday night found them with Roslie's brother Jodie Casteel at Sherrmon. Sunday they returned home. Weather was fine all the way except it was stormy in Arkansas.

Carlene and Minde Hollar were in Amarillo Thursday and Sunday and visited with Mr. and Mrs. Carl Taylor.

The Pattersons of Decatur, Larry Green and Jason of Canadian, and Lori Green of Amarillo were guests during the weekend at the H.A. Green home. Charlotte Payne of Fritch had been with her grandmother for a week due to skin problems. Lindsey and Beth Watts picked her up Sunday. Katherine and David, Clint and Lindsey joined the out of town guests for Sunday lunch.

Thursday Mr. and Mrs. C.W. Ownsby from Amarillo visited with Veda Elliott. That afternoon they all went out to Howardwick to see Mr. and Mrs. Bud Hill.

Saturday Lessie Salmon, Veda Elliott and Alta Adkins played 84 at the home of Viola Graham. Monday Mr. and Mrs. Roger Meyers and children visited with Veda Elliott.

### From The PEN of PASTOR PINION

#### HE AROSE

A Stillness lay upon the earth, as in the easter sky...The signs appeared in coral tints that day was drawing nigh...Yet 'neath the shadow of the hill there stood a Roman band...to guard the tomb of Christ my Lord, as Pilate gave command.

But hark! an earthquake rends the rock, the guards fall to the ground;... An angel rolls the stone away and Death no more is found;...For 'tis the Resurrection day, and Christ in victory...Steps forth from out the shrouded tomb to live eternally.

In triumph now He treads the earth which had His blood received...and fragrant beauty bursts anew like blossoms from the bud... As men behold the mystery that He who once was dead...Is now alive for evermore just as the Scripture said.

And now the centuries have passed, the world in darkness lies;... Yet we behold the day unfold across the morning skies...For Christ who rose to heav'n above is coming back again...His own shall rise as He arose, and with Him they shall reign.

"The Resurrection and the Life" in Christ the Lord we see, for Life hath overcome the stroke of Death on Calvary...Awake, O world, to welcome Him who, from the gates of pearl...Shall come "with healing in His wings," love's banner to unfurl.

Behold, He standeth at the door, then haste thy lamp to trim... Life up thine eyes in gratitude, O Christian, worship Him!...He breaks the fetters from the soul, new life through Him is born...Then praise the living Lord of Life this Resurrection morn! Have a Happy Easter.

# Senior Citizen's News

Tuesday, March 26, 1985 was a great birthday/anniversary salad supper. Fifty-two enjoyed a very good meal and lots of good old fellowship. Manuel Creager won the door prize. Clara Mae Carter, Alta Adkins and Henry Mann were winners of the caps. Birthday people present were: Woody Argo, Tennie Smith, Verdine Tipton, Ann Bunyan, Della Allen, Willie Putman, and Jean Baten. Had one anniversary couple present, Wallace and Marie Sides. Our music makers were Creed and Jake Smith, Truett Behrens, Hugh Neuhaus, Jack Davidson and Wallace Sides.

Thirty-two enjoyed games on Thursday, March 28th. It was a lively evening.

Fun After Fifty will meet at the Center on Saturday, April 6, 1985. Games, film, pot-luck lunch and visitation -- come on down.

### CALENDAR OF EVENTS

**April 4-10**  
**Thursday-**Exercise 11 a.m., game night 6-10 p.m.  
**Friday-**Exercise 11 a.m.  
**Monday-**Exercise 11 a.m., dance practice 7-9 p.m.  
**Tuesday-**Exercise 11 a.m., dance 8-11 p.m.  
**Wednesday-**Exercise 11 a.m., board of directors meeting 12 noon, arts & crafts 1 p.m.

### SENIOR CITIZENS MENU

**April 4-10**  
**Thursday-**Fried fish, oven fried tater tots, blackeyed peas, coleslaw, cake (plain), hushpuppies, fruit juice, milk, tea, coffee.  
**Friday-**Oven fried chicken, cream potatoes with gravy, spinach, beet and onion salad, banana pudding, hot rolls, milk, tea, coffee.  
**Monday-**Baked ham with cherry sauce, yams, peas, Jello with fruit, chocolate pie, hot rolls, milk, tea, coffee.  
**Tuesday-**Chicken fried steak with gravy, whipped potatoes, buttered broccoli, toss salad, strawberry shortcake, dinner rolls, milk, tea, coffee.  
**Wednesday-**Macaroni, ham, cheese casserole, turnip greens, buttered carrots, pears, oatmeal cookies, bread, milk, tea, coffee.

## HEALTH QUIZ

By Sebastian Faro, M.D., Ph.D.

1-Chlamydia, the most widespread sexually transmitted disease in the U.S. today, has the most serious health consequences for a. men b. women

2-Sixty to 80 percent of women with chlamydia have no symptoms. a. True b. False

3-Chlamydia can be passed from a woman to her child at birth. a. True b. False

**Answers**

1-b. If untreated, chlamydia can spread through the uterus to the fallopian tubes, causing a condition known as salpingitis, which may block the tubes with scar tissue. This can cause infertility and increased danger of tubal pregnancy. It's also a major cause of pelvic inflammatory disease (PID), which can also cause sterility and tubal pregnancies. In addition, the risk of spontaneous abortion and stillbirth is much higher in women with chlamydia infections during pregnancy.

2-a. Only proper testing at a doctor's office can diagnose the disease correctly so that treatment can begin as soon as possible.

3-a. Infants born to infected mothers often get eye and lung diseases.

### FREE BOOKLET

For a free booklet about chlamydia, "Chlamydia is Not A Flower," send a stamped, self-addressed, long business envelope to "Chlamydia Pamphlet," Dept. 383NA, Abbott Laboratories, Abbott Park, IL 60064.

Some people once believed they could make the sun shine by lighting a fire.

## FERTILIZER GRADES & TYPES

By Jack Chapman, Agronomist

The fertilizer buyer has many grades and types to choose from, and should select one that is well suited to the need.

**GRADE:** This is the guaranteed analysis and is expressed as a percent of weight. Fertilizer grade is listed in a series of numbers, for example 15-5-10. The first number is the percent of nitrogen, in this example 15. The second

number is the percent of phosphate (P2O5), in the example 5. The third number is potash (K2O). This is the commonly used name for the element potassium, and in the example is 10. There can be additional numbers and if there are, they will be labeled with the chemical element they apply to. The information about grade applies to both liquid and dry products. Remember the numbers are percentages of weight.

**LIQUIDS:** Many grades of liquids are available in the market. Some of these can be applied to the foliage in a diluted form, all can be soil applied.

**DRY:** Fertilizer can be divided into three classes.

- I. Straight material where only one material is contained. For example Ammonium Sulfate (21-0-0-24S), Urea (46-0-0), Ammonium Phosphate (18-46-0).
- II. Blended material where two or more straight materials are mixed to result in a desired grade. Example 15-5-10.
- III. Homogeneous dry products. The material passes through a liquid state so that the mass has a uniform content and then is dried in a pellet form. Each pellet will have the same chemical content as every other pellet in the mass.

With these choices select the type and grade of material suited for what you want to grow.

Lawn & Garden Almanac is presented as a service to home gardeners by the professionals at Center Plains Industries, Inc., a Southwestern General Company. Center Plains has served the Southwest as a producer and marketer of diversified agri-business products since 1968. The company is headquartered in Amarillo, Texas.

# you and the LAW

Q: After 35 years of marriage, I am out in the cold. My ex-husband remarried and then retired, leaving me with zilch. Am I entitled to any benefits after all those years of marriage?

A: Under present law, you are entitled to the same Social Security benefits you would have received had you not been divorced.

If your ex-husband had a private or governmental pension plan which was not awarded to him in the divorce, you can go back to court and get the court to divide these pension benefits based on the number of years of marriage.

The court has power to divide any community property existing at the date of divorce which was not divided in the decree.

Send your questions to "You and the Law," State Bar of Texas, P.O. Box 12487, Austin, 78711. Answers may appear in columns in hypothetical terms; personal answers not possible.

**DID YOU KNOW ?**

Here's some food for thought about water.

- Domestic bottled water is regulated by the federal government and by all state and some local agencies.
- Under provisions of the Safe Drinking Water Act of 1974, and in keeping with the Memorandum of Understanding between the FDA and the Environmental Protection Agency (EPA). The EPA also has a definite impact on the quality standards that bottled water must meet.
- Bottled water is the most closely monitored and regulated of all drinking water. Dangerous contaminants, reported with increasing frequency in tap water supplies throughout various regions of the United States, have caused many consumers to turn to bottled water.

CHRISTINA WOOTEN and Michael McKinney represented Clarendon in the St. Patrick's parade at Shamrock by riding on the Little Miss and Master Donley County entry by Alpha Upsilon Epsilon.

Some have thought thunder to be caused by the hooves of celestial horses.

Some used to believe that mistletoe rods point to gold.

BUDDY HOWARD, member of the 4th & 5th grade Picture Memory Team.

SCOTT MYERS, alternate for the 4th & 5th grade Picture Memory Team.

### My Favorite Day

by STEVEN DAVIS  
Editors Note: This was written by Steven Davis for 3rd & 4th Grade Ready Writing competition. Steven won first place with this.

My favorite day is Veteran's Day. Veteran's Day is my favorite day because it makes me feel proud, sorry, and disgusted.

Veteran's Day makes me feel proud to be American. And to think that we had enough men and women with courage enough to die for their country. And it makes me feel proud to think if it wasn't for them we would be speaking Japanese or even German. And it makes me feel proud to be free and able to do what ever I want just as long as it doesn't hurt anyone. And to think we're proud and cared enough to dedicate a day for our veterans of today. And plenty of people feel just like I do. It makes me feel proud to think that in all those wars, police actions, and skirmishes that the people of the United States of America gave it all they had to win the war.

And it makes me feel sorry to think that all those people had to die for their country. And sometimes I think to myself why couldn't it of been me and not all those people. It makes me feel sorry for those who were killed or maimed and it makes me feel sorry for those people who are so lamebrained to keep on fighting in other countries.

Veteran's Day makes me also feel disgusted because people want war and violence. And it makes me feel disgusted at those people who had started those wars and made us have veterans in the first place. And Veteran's Day reminds me of those terrible new weapons that we invent. It makes me feel disgusted at those

people who have enough weapons to blow up the world and still want more. But even knowing these things I've talked about good and bad, Veteran's Day is still my favorite day.

### UIL Contests held March 23

The following Clarendon elementary and junior high school students competed in the UIL academic and literary contests on Saturday, March 23, 1985. Other schools entered in the meet were Memphis, Quana, Shamrock, Skellytown, Wellington, and White Deer.

3rd & 4th Ready Writing: Steven Davis, Rebecca Silva, Matt Drager, alt. Tracy Shadle.

5th & 6th Ready Writing: Kelly Edwards, Crystal Havens, Tammy Stegall, alt. Audra Hoggard.

7th & 8th Oral Reading: Jennie Porter, Becky Rattan, Becki Britten, alt. Carol Pace.

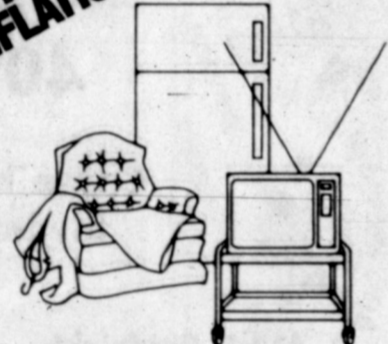

7th & 8th Number Sense: Lynn Wiggs, Roger Estlack.

**YOUR BEST DEFENSE AGAINST DEPRECIATION AND INFLATION**

When it comes to insurance protection for your personal possessions, Replacement Cost Coverage from USF&G Insurance is your best defense against depreciation and inflation.

Unlike your standard homeowners policy, USF&G Replacement Cost Coverage pays to replace your possessions with new ones if they're stolen, damaged or lost in a fire—without the usual deductions for depreciation, and at current market prices. And that can save you a lot of money. Call us or stop by to find out more.

WIL BURLIN

TIFFANY CREEK

ANDREA EDWARDS

### Donley County Spelling Bee held

Andrea Edwards, the twelve year old daughter of Mr. and Mrs. James Ivey Edwards of Clarendon, is the 1985 Donley County Spelling Bee champion. She will advance to the Regional Spelling Bee sponsored by West Texas State University and the Amarillo Globe-News on April 27.

Besides spelling, Andrea has been active in band, basketball, track, 4-H, Girl Scouts, and U.I.L. Ready Writing. She also enjoys twirling, sewing, and collecting miniatures. She is a seventh grader.

Runner-up in the Donley County Senior Bee was Tiffany Creek. She is the eleven year old daughter of Mr. and Mrs. Dwight Dunlap of Clarendon.

In an earlier contest Tiffany had won the Donley County Junior Bee, which was held for fifth and sixth graders. Runner-up in that contest was Wil Burlin, the eleven year old son of Mrs. Judy Anderson.

Other students entering the bee were Clint McDaniels, Ann Pafume, Gabriel Menchaca, Michael Williams, Jimmy Hobbs, Becki Britten, Karla Smith, Donnie Chambliss, Toby Hatley, Jason May and Anthony Cole.

The first baby show, on October 14, 1854, included 127 exhibits, including a child of 5 months who weighed 27 pounds.

Shredded wheat was the first ready-to-eat breakfast cereal, introduced in 1893.

### Texas Most Wanted

LUBBOCK, TX -- An identity problem seems to surround the man who calls himself John Lee Davis. Like a great many people who have had problems with the law, Davis has assumed a number of identities. At various times he has called himself Bruce Edward King, John Wayne Anderson, John Wayne Townsend, Johnny Warren O'Keefe or James Albert Darst. His acquaintances call him "Big Un" or "Tank" -- and for a good

reason. Davis, whose age is listed as anywhere from 38 to 40, is 6-7 and weighs an estimated 350 pounds. He has black hair and hazel eyes and has worn a full beard in the past. Davis has been wanted on federal warrants since April 1980, alleging that he sold P2P -- a chemical used for making methamphetamines -- to a Drug Enforcement Administration agent in April 1979. To compound his problems, Davis also was arrested in Austin for assaulting a

federal officer. Law enforcement officials say Davis is a member of the Nomads Chapter of the Bandidos Motorcycle Club. This means he can travel at will and that his activities are not confined to one local Bandido chapter. Investigators say Davis also was a pilot for the Bandidos. This week Davis and his string of aliases join an exclusive group of fugitives -- the Texas Most Wanted list. A \$1,000 reward is being offered by the Texas Crime Stoppers Advisory Council for information leading to his capture. Anyone with information about his possible location is urged to call their local Crime Stoppers program or the Texas Crime Stoppers Advisory Council toll-free at 1-800-252-8477. In all cases, callers do not have to reveal their identities.

Texas Most Wanted is a cooperative effort between the Texas Crime Stoppers Advisory Council and the Department of Public Safety. It is designed to enlist the public's cooperation in tracking down fugitives who have been charged with major crimes within the state. Cash rewards are also offered by Texas Crime Stoppers programs for information leading to the solution of any major crime and the capture of wanted felons.

## Clarendon Senior Citizen Center celebrates 10th birthday

On April 1, 1975 the Senior Citizens Center opened its door to the people of Clarendon and Donley County, under the directorship of Melville and Ruth Mills. The Center was open on Monday, Wednesday and Friday with a light lunch served on Wednesday. The main dish for the first meal was prepared by Orgie Behrens in his apartment at back and brought over to the Center. The vegetables, salads and desserts were furnished by the folks attending. About forty-four people enjoyed the opening day. With that type of interest shown by the folks in Clarendon the Center was off and going. Games were played, Arts & Crafts were doing a lot of things, the dance group was taking lessons and practicing. It was a great thing for Clarendon for the Seniors to have a place to go and enjoy themselves and be comfortable doing so.

All of the beginning activities started in what is now the kitchen. In 1978 application for Federal Assistance was approved for a five day a week lunch program. The Grant Program had its good and bad points. One of the good points was to receive a well balanced, hot meal, five days a week for a small donation. At that time \$1.00 per meal donation was encouraged. The grant only took care of about 47% of the operation cost -- so the donations were and still are a must for the program to stay alive. We now encourage a donation of \$1.25 per meal, which is very small considering the increasing cost of everything during the past ten years. Some of the bad points were: a lot of bookkeeping had to be done daily, weekly and monthly. Some of the activity was restricted in order to comply with Federal Regulations. In other words we couldn't do exactly what we wanted to the way we wanted to do it, but we complied and

all is working real well. The Center was chartered in 1975 under the name of Donley County Senior Citizens Association as a Texas non-profit organization. The eight member Board of Directors were: Fred Russell, Mabel Elmore, Athlyn Estlack, Della Allen, Verdie Herrington, Nina Dale, Ruth Mills and Eula Merell. Melville Mills was chairman of the council. Four of these directors were present at the 10th birthday party, Fred Russell, Della Allen, Athlyn Estlack and Verdie Herrington. Melville and Ruth Mills couldn't be present as Mel is still in the hospital recovering from recent surgery. Six of our present eight member Board of Directors were present today, Robert C. Jones, president; Creed Smith, vice president; Murle Butts, secretary; Billy Ray Johnston, Viola Bones and Jay Gould. Clyde Putman and Billy Goodman couldn't be present.

Fifteen were present that were here ten years ago at the first meal. Orgie Behrens, Fred Russell, Della Allen, Quada Phillips, Verdie Herrington, Blanche Gray, Norma Corgill, Nolie Howard, Raymond Hinkle, Oscar and Sharon Thomas, Dorothy Hall, Ruby White, Homer and Athlyn Estlack. The Center has continued to grow. In 1978 a sitting lobby and dining room were added. In 1980 a storage conference room was added. We really need to extend the dining area again as we have an average of eighty-six per day at the Center now. Pat McCombs and volunteers are delivering twenty meals per day. One hundred forty-eight (148) people enjoyed the 10th birthday party and I, Jean Baten, Director, and all the staff want to thank each and everyone that came out to help make this a great party.

## Cancer Board met March 4

The Board of the Donley Unit of the American Cancer Society met in regular session Monday, March 4, 1985 at 6 p.m. in the Hospitality Room at the First Bank & Trust. Genevieve Caldwell, president, called the meeting to order. During the business session, reports were given by Jo Schollenbarger, on the breast self-exam programs she and Onita Thomas had held and by Johnny Leathers and Kay Hayes, on films shown in the school on smoking and smokeless tobacco.

Discussion was held and dates were set up for the up-coming Crusade. Dates have been announced as the second and third weeks of April. Mrs. Caldwell announced the Chairmen would be Roxanne Strickland, residential and Darlene Spier, business, with Jeff Walker, as bike-a-thon chairman.

Genevieve Caldwell gave an interesting talk on Jeff Keith, the young man who recently walked across the United States on one leg to raise money for the American Cancer Society. Keith, 22 years old from Connecticut, lost a leg to cancer at the age of 12 years. He could not forget all the kids with cancer and had a dream to do something for them someday. After losing his leg he always competed in sports; swimming, skiing and LaCrosse. He participated in the national competition for the handicapped. His intent in any enterprise is not to merely participate but to excel. Life is a challenge to him. He is disabled but not unable.

His walk began in Boston and he had figured he would make 16 miles each day. Eight months later he had

worn out 39 pairs of shoes and seven knee units, he arrived in Los Angeles. The cost of his walk was \$50,000.00 all underwritten and he received \$1,000,000.00 for the American Cancer Society. Jeff Keith is a dedicated Christian and said the Lord was always at his back. He has been awarded a full scholarship at the Law School of USC.

The following members were present: Jeff Walker, Ethelyn Grady, Kay Hayes, Johnny Leathers, Pauline Heath, Mary Ruth White, Susie Shields, Naomi Phelan and Diane Chamberlain. Also present were Melinda McAnear, Leona Henson, Imogene Brumley, Darlene Spier, Jo Schollenbarger, one visitor, Madeline Jones, Pam Scott, representative from Amarillo District Office and Genevieve Caldwell.

### It's Happening

America's economy could be getting a big boost -- from the way other countries are recovering from recession. Mexico is increasing its trade surplus. That makes it easier for that country to pay its debts to American banks. That could be good for all Americans.

One way this country can help the situation along is to avoid putting too many restrictions on trade with Mexico. The more of its goods that country can sell here, the more of its debts to the United States it will be able to pay.

In old Germany, people believed that wheat waving in the wind meant that a vegetable spirit was passing through it.

The earliest known set of dentures was dug up in a field in Switzerland and is believed to date from some time in the 15th century.

London was the first city in the world to have a population of over one million. It remained the world's largest city from 1811 until 1967, when it was overtaken by Tokyo.

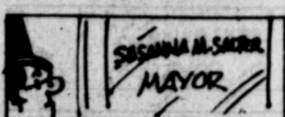

In ancient Russia, it was believed that a skin of red wool would about the arms and legs would ward off fevers.

### The Lion's Tale by Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Thirty-one members, Lion Sweetheart Jessie Adams, and one guest were present. Following the regular opening ceremony, Llantamer Messer introduced Pris Green who was the guest of her husband Lion Larry Green. Boss Lion Lovelady announced a proposed slate of officers and directors for the '85-'86 year. We will be voting on them next week. Our program was brought by program chairman Don

Smith. He told us about a program which he administered for Clarendon College students to provide small loans for students. He has had excellent pay-back experience on these loans. In the two years the program has been in effect, eighty students have benefited from it.

In old Scandinavia, it was thought that rowan tree branches placed over the door would keep the house safe from witches.

Some ancient people believed that their spirits would be reborn as flowers.

MR. & MRS. FRED MANDROFSKY

### Manfrofsky reception

Ruth Warrick and Fred Mandrofsky were united in marriage on January 24, 1985 in Clarendon, Texas. They resided on farms in the Ashtola community for a number of years.

They moved to Fort Sumner, New Mexico and resided there for 35 years, moving back to Clarendon five years ago.

They are the parents of 2 daughters Gay (Mrs. Don) Cater and Freddie (Mrs. Larry) Nowell. There

are 8 grandchildren and 5 great-grandchildren.

On Saturday, April 13, 1985 from 2 p.m. to 5 p.m. at the United Methodist Church in Fort Sumner a reception will be hosted by their children.

No local invitations are being sent, but they do hope that all will consider this an open invitation to friends and family to attend. They also request no gifts, just come and share a memory with us all.

Mr. Fred Mandrofsky and Miss Ruth Warrick, both of Ashtola were united in marriage Thursday evening at seven thirty o'clock by Judge S.W. Lowe in his office at the court house.

The bride, who is the daughter of Mr. and Mrs. G.W. Warrick, was a senior in the Ashtola High School to date of her marriage. The groom attended school in Haskell, Texas.

The young couple will reside on a farm in the Ashtola community.

### Traffic fatalities decreased in 1984

The mileage death rate in Texas continued to fall in 1984 despite an increase in traffic fatalities, according to figures released by the Texas Department of Public Safety.

"The mileage death rate in 1984 declined by three percent to 2.9 deaths per hundred million miles traveled," said Colonel Jim Adams, DPS director. "This is the lowest rate recorded in Texas history. However, we also had a 2.4 percent increase in actual number of persons killed in traffic crashes last year."

The state wide death toll from motor vehicle accidents in 1984 totaled 3,913 compared to 3,823 in 1983. The 1983 mileage death rate was three fatalities per hundred million miles traveled.

"The fact that we had a six percent increase in the number of miles driven coupled with a three percent decrease in the mileage death rate indicates that we are still making progress in traffic safety," Adams said.

"Compared to the record death toll of 4,701 in 1981, we've had a saving of over 2,000 lives in the last three years," he pointed out. "However, the growth of our state in the coming years will lead to continued increases in the number of miles being driven, licensed drivers and vehicles on our roads. In light of this potential for additional fatalities, we must take all possible steps to reduce this staggering toll on our roadways."

DPS statistics indicate that at least 26.8 percent (1,049) of the 1984 traffic fatalities involved drunken driving. "We believe that DWI is a far greater contributor to fatalities than what is indicated by these figures," Adams pointed out. "We are working to improve the reporting system to get a more accurate measure."

Adams said the new DWI law is having an impact on the drunken driving problem. "It will take a few years to gauge the full impact of the statute, but the date from cases filed by Highway Patrol officers indicate that these offenders are being handled more effectively by the criminal justice system," he said.

Statewide DWI arrests in 1984 totaled 132,606 compared to 149,621 for the previous year.

More than 97 percent of the persons killed in passenger vehicles last year were not wearing seat belts when the crashes occurred. The number of persons injured in 1984 traffic accidents increased by six percent, totaling 220,720.

Motorcycle operator and passenger fatalities totaled 360 last year, increasing three percent compared to the previous year. More than three out of four motorcyclists killed were not wearing helmets when the accidents occurred.

The State Department of Highways and Public Transportation estimated that motorists traveled 137.280 billion miles in Texas last year, an increase of six percent compared to 1983.

## Farm news

### SPECIAL ACREAGE CONSERVATION RESERVE [ACR] PROVISIONS

Please notice that in Donley County there are two different provisions for ACR use that may be of benefit to you. (Small Grains Left Standing and Special Haying and Grazing of 1985 ACR.)

Small grains may remain standing if the producer files a request before the crop reporting date for small grains. The producer must pay \$10.00 to cover the cost of a farm visit (at normal harvest date and after) to spot check at least 15 percent of the requests. The crop shall not be harvested in any form and will be destroyed mechanically or by natural deterioration by the end of the nongrazing period. (This must be requested by May 15, 1985.)

Special Haying and Grazing of 1985 ACR. Producers must notify the county office of your intentions and designate the ACR acreage, sign a register, pay the cost for a field mechanical harvesting or grazing past May 15, 1985.

May 15, 1985.

ACR approved cover may be: Grazed by the producers own livestock. Grazed by another producer's livestock with permission of the enrolled producer. Mechanically harvested for hay, green chop, or ensilage for: a) Feeding to the producer's own livestock. b) Feeding to another producer's livestock. c) Current use, or for storage for future use.

Producers shall: Not charge for grazing ACR. Not charge for the value of vegetative growth mechanically harvested when used by another producer. Be permitted to recover normal and reasonable costs for other services rendered if growth is used by another producer. Examples of services are: a) Installing temporary fences or pumping water for grazing. b) Cutting, raking, baling or other steps in mechanical harvesting.

Producers after grazing out or haying approved cover may establish a subsequent approved cover for haying and grazing. Mechanical harvesting or grazing shall not remove cover to the extent that the acreage is not protected from wind and water erosion.

### FARM SIGNUP EXTENDED

maturing 1984 crop wheat regular loans into Reserve VI was announced January 23, 1985 by USDA. Also announced, was the delayed entry of maturing 1984 crop corn, grain-sorghum and barley regular loans into Reserve V. Current provisions are: 1) Storage rate of 26.5c per bu. for wheat, corn and barley paid to producers. 2) Storage rate of 47.32c per cwt. for grain sorghum paid to producer. 3) No reserve minimum will apply. 4) Interest charged for the first year of the agreement only.

### ACR Requirements

Cropland must meet the following conditions to be eligible for designation as ACR: (you need to be sure that your acres are eligible)

\*Must be land that has been devoted to small grain or row crops in two of the last three years. \*May not be grazed from May 15th through October 14th. \* Must be protected from wind and water erosion (control weeds). May not be mechanically harvested in any form.

### 1984 Cotton Deficiency Payments

All 1984 cotton deficiency payments have been made. The payment rate was 18.6c per pound. If for some reason you have not received yours please contact this office and we will try to see if there is some reason for the delay.

### CCC-182

During January, Kansas City prepared and mailed CCC-182's to all producers receiving payment in 1984. This form is furnished for use in preparing your 1984 Tax Return. If the amounts do not agree with your records, give us a call.

### Withdrawing From The Program

If you have received advanced payments on a program crop and decide to withdraw before March 1st, advanced payments plus interest must be repaid. If you withdraw after March 1st, the advanced payments plus interest and liquidated damages must be repaid.

### USDA Asks For Comments On 1985 Peanut Program Differential

The U.S. Department of Agriculture asked for public comments on proposed price-support differentials for the 1985 crop peanut program. Send written comments to: Director, Tobacco and Peanuts Divisions, ASCS/USDA, P. O. Box 2415, Washington, D.C. 20013. Comments will be available for inspection from 8:15 a.m. to 4:45 p.m. in room 5750 of the a USDA's South Building. The deadline is this...

### Cotton Production Cards

We need your 1984 cotton production as soon as you can obtain the records after you have completed harvest. April 1st, is the final date to report the production on the ASCS-503 card. Be sure if you did not harvest all of your acres that you file an ASCS-574 so that we will have the harvested acres right for your records.

The sign-up period for 1985 wheat, feed grain and cotton programs has been extended to April 1, 1985. Benefits included are: 1) Diversion payment on 10% of wheat and cotton bases. 2) Price support loans. 3) Deficiency payments for wheat, feed grain and cotton. Advance payments are available.

### PROJECT TEJAS

Tejas is an Indian word for "Friendship" which frontier settlers adopted as the name "Texas". Today, farmers, ranchers and other Texans involved in agriculture are joining forces to demonstrate the compassionate spirit of Tejas friendship by sending Texas whole grains and powdered milk to millions of starving people in the famine areas of Ethiopia and neighboring African countries. Please contact this office if you are interested in assisting us.

### NEW TEXAS STATE ASCS COMMITTEE

The new State Committee for Texas was announced recently. These men are: Harold Thomas of Eagle Lake, Chairperson; Allan Anderson of Raymondville; George Eller of Panhandle; Jerry Harris of Lamesa; and Wogh Matteson III of DeKalb. Mr. Thomas and Mr. Matteson are returning from the prior committee.

### LOANS

March 31, 1985 is the final date to request loans on wheat, barley and oats. May 31, 1985 is the final date to request loans on cotton, grain sorghum and corn.

### CROP REPORTING

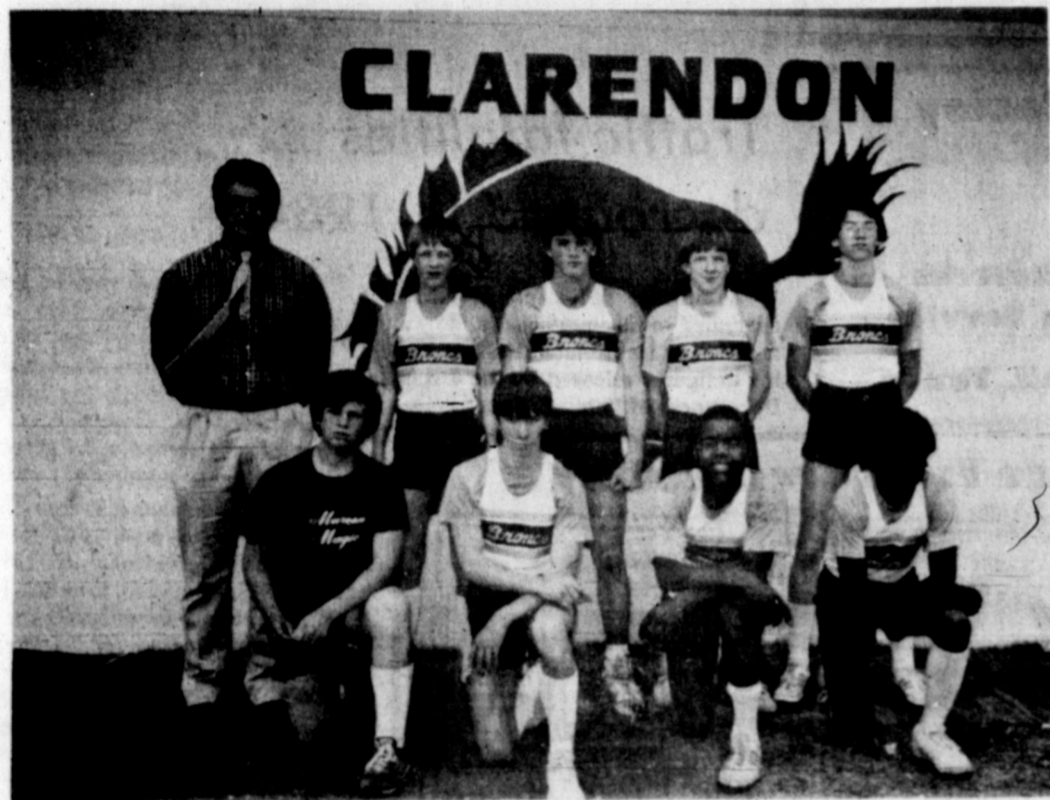

Wheat, barley, oats, rye and Acreage Conservation Reserve (ACR) with a small grain cover must be reported by May 15, 1985. Please be aware that if your farm has only small grain bases your total ACR requirement must be certified at this time. If you are unsure of the acreage that you have planted, you might consider requesting a measurement service. The cost is \$20.00 per farm, plus \$0.02 per acre over 25 acres.

### COTTON PRODUCTION NOTICE

According to our records, some of you have not brought in your 1984 cotton production records. Failure to submit these records by April 1, 1985 will cause the farm to be assigned a "zero" yield for 1984 which cannot be adjusted. This would reduce the 1985 established yield considerably.

### DISASTERED ACRES

If plowing becomes necessary to control wind erosion on fall or spring seeded crops, notify this office before destroying the crop. At the same time you file for disaster, you must certify your disastered acreages.

## Farm News

### Wheat Provisions

Wheat on ACR must be destroyed by May 15th, but can only be grazed (no mechanical harvesting) Excess wheat acres must be substantially destroyed by May 15th. It can either be grazed or baled (prior to making grain). Wheat not substantially destroyed will be considered as wheat for grain.

## Scouts celebrate Diamond anniversary

Clarendon Boy Scout Troop 433 will have its annual Easter campout this weekend. The Boy Scouts will leave for Greenbelt Lake Friday afternoon, April 5th. They will set up camp and make preparations to host Clarendon Cub Scouts from Pack 437. Saturday activities will include a 5 mile hike for Boy Scouts working on hiking skill awards and an activity hike of between 1 and 2 miles for Cub Scouts. The Cub hike will have several stations where they will be required to exhibit knowledge of wolf or bear skills plus physical fitness. During the day the tote and chip skills will be taught, skills necessary for the proper use of knives. Boys

have their own fishing equipment and bait. Also one or more canoes will be on hand for fun and demonstrations. Some Cub Dens have been making kites, and these can be flown around the camp site. Conservation projects are planned, and Saturday afternoon, the Scouts and Cubs will plant 50 trees as wind breaks around the Greenbelt Lake Environmental Project site. At approximately 6 p.m. there will be a ceremonial planting of a Cheyenne pecan tree to recognize the 75th anniversary of Boy Scouting in America and Texas' 150th year of independence. Everyone is invited to attend the 6 p.m. ceremony. After supper Saturday, the Cubs will join

the Boys Scouts spending the night by having a Dad and Lady Campout. Sunday morning the boys will be up early to break camp and eat a breakfast prepared by the Scout adult leaders. After breakfast there will be a sunrise Easter service. Then everyone will be dismissed in time to get to their own church for Easter Sunday services.

## Former resident visits Clarendon

Jack A. Walker and his wife Bernice visited in Clarendon for a few days last week.

He is the son of the late Jack and Eula Walker. His father worked at the Fitzgerald Cotton Gin, which was located at that time on River Road. Mr. Walker graduated from Clarendon High School in 1932 and Clarendon College in 1934. He is a retired professor from Yale University where he taught chemical engineering.

Mr. Walker has written one book and is working on another. He and his wife planned a three week trip to visit Texas before returning to their home in Connecticut.

## Veterans' advisory committee on environmental hazards

VA Administrator Harry N. Walters has announced the appointment of a 15-member panel to counsel the Veterans Administration on the results of studies dealing with the health effects of dioxin and radiation exposure.

In announcing the formation of the Veterans' Advisory Committee on Environmental Hazards, Walters said: "The federal government is committed to continuing research on the health effects of dioxin and radiation exposure."

The committee includes medical and scientific experts on the health effects of exposure to dioxin and ionizing radiation, as well as members of the general public, including one disabled veteran.

The expert members of the committee will form a Scientific Council that will be subdivided into a panel to evaluate studies dealing with the health effects of ionizing radiation exposure. The council will review study findings to determine if sound scientific or medical evidence exists indicating a connection between

various health problems and exposure. The counsel will submit reports to the committee and to the VA Administrator.

VA requested recommendations for committee membership from professional organizations and veterans' service organizations.

The committee was established as a result of the Veterans' Dioxin and Radiation Exposure Compensation Standards Act, signed into law on October 24, 1984.
