Red Cross Roll Call Set For Armistice Day

European War Demands Constantly Growing Officials Report

Officers of the Donley County Chapter, American Red Cross met in the office of the school tax collector Friday morning. Harold H. Brown, assistant field director from Ft. Sam Houston was present and brought a graphic picture of the Polish refugee situation in Rumania.

The Industrial West

W. P. BLAKE, Publisher
(41 years ago in Donley County.)
Misses Ada Graves and Maggie White are visiting in Claude.
Miss Reta Vaughan of Goodnight is visiting Mrs. H. W. Taylor.
John Beville left last night for his home in Sulphur Springs.
John Hoffer has bought out his partner, Mr. Harkrider.
Del W. Harrington visited his mother, daughter and brothers here Tuesday.
Miss Myrtle Puchett, teacher of Goodnight, was a guest of the Misses Blake Saturday and Sunday.
Miss Bessie Chamberlain, popular teacher here, visited in Vernon Sunday.
Mrs. J. N. Kendall is visiting Mrs. J. D. Stocking.
Mr. Greenwood has started a blacksmith shop at Giles.
Mrs. E. H. Watts is visiting in Quanah this week.
The Taylor hardware announces a carload of new buggies.
M. W. Easum announces the receipt of oak stove wood and coal for his patrons.
An oyster supper will be given Friday night for a hand benefit.
M. Rosenfield announces a new stock of boots, shoes and mackinaws.
W. F. Watt of Navarro county is visiting his brother, E. H. Watt of Giles this week.

ARMISTICE DAY

Armistice Day will be observed here with a great deal of pomp and ceremony if present plans are carried out. The local committee is planning a parade by both the Memphis and Clarendon bands leading, Legionnaires and others included.
An effort is being made to observe the day on Friday, the 10th, and ask the business men to close for that period since the 11th falls on Saturday. A main feature of the day being the Clarendon-Memphis football game, will be played Friday night at 8 o'clock. The program will appear in the Leader next week.

COUNTY TAX PAYMENTS REACH LIVELY STAGE

According to a statement of assessor-collector J. W. Adamson, tax payments are coming in at a lively clip at this time. It is believed that the three percent discount is having a salutary effect.

\$89,000 ALLOTMENT MADE FOR HALL REA EXTENSION

On this project, \$89,000 has already been expended. The increased allotment of \$89,000 is expected to build about 126 miles of line to serve 302 patrons in Hall, Childress and Donley counties. \$23,000 will be used to defray expenses connected with the initial operations of the project which cannot be covered by the construction loan.
Work on the REA lines is more or less handicapped because no provision has been made to purchase right-of-way. This ground location must be donated by the counties served by placing the lines on county lanes, or by individuals who expect service from the line.

Mrs. D. F. Randel Rites Held Tues.

Prominent Church Worker Passed Away Monday

A large number of relatives and friends paid their last tribute to the memory of Mrs. Randel in a funeral service held at the Methodist church at 2 p. m. Tuesday. Rev. H. C. Gordon, the pastor, had charge of the services.
Born Charity Margaret Smith at Mansfield, Texas August 10, 1876, she spent her girlhood there, moving with her family to Kirklund at the age of eighteen. She was united in marriage with D. F. Randel of Chillicothe, Texas January 30, 1901. To this union two children were born, Ralph and Beatrice.
Mrs. Randel was converted and united with the Methodist church at an early age, leading a devoted and consecrated christian life until ill health forced her to retire from the work she loved.
Mr. and Mrs. Randel were among the pioneer families of Chillicothe, helping in the building of the first church in their community. They made that section their home until in 1925 when they moved to Donley county.
She is survived by her husband and two children, Ralph Randel of Panhandle, and Mrs. Earl Holley of Olton, Texas. Two grandchildren, W. D. Holley and Margaret Stewart Randel. Two brothers, J. Q. Smith of Hedley and Robert R. Smith of Kirklund. Mrs. N. E. Boydston of Ft. Worth is her only sister.
The funeral service was under the direction of the Relsow-Womack funeral home of Hedley.

Elderly Couple Married Monday

He Aways to Oklahoma Where Nuptial Knot is Tied at Hollis

"All is fair in love and war," may be an old saying, but it was left to a venerable couple Monday to prove that the former is true today as in other years.
Mr. R. L. Moss of near Goodnight and Mrs. H. A. Coleman of Hall county stole away to Oklahoma's Gretna Green just like hundreds of youngsters to plight their troth. And why not? They both seemed very happy here Tuesday on the way home. Rev. J. H. McCuiston of Hollis tied the knot.
The groom gave his age as 73, and the bride readily admitted having passed "sweet sixteen" several years ago, and that she was near the age of her husband.
Mrs. Moss has resided in the Panhandle 44 years. The groom 25 years. "We knew each other as kids down in Wise county," the blushing bride frankly informed the Leader reporter. They will reside on a farm near Goodnight, Mr. Moss having purchased the W. H. Crawford place in 1927, and has continued to make that farm his home since.

MEN HERE RECALL FORMER DAYS OF NOTED MAN

Last week the Leader carried mention of the famed Dr. Samuel L. Hornbeak, instructor for some sixty years in Trinity University at Waxahatchie. A. A. Mays recalls that Dr. Hornbeak was his first teacher. Mayor Tom F. Connally also recalls that Dr. Hornbeak was his instructor while a student of the University. Perhaps there are many others. There is one thing on which all his former pupils agree. That is that Dr. Hornbeak is an able instructor and a mighty fine man.

BOGARD HOME SOLD

Heirs of the late C. F. Bogard disposed of his former home here this week. Homer Mulkey was the purchaser. Mr. Mulkey believes in choice property being a good investment if well located.

BECOMES STAFF MEMBER

Miss Mary Charlotte Word, a senior at Cottey college, Nevada, Missouri, has been chosen a member of the staff of the college Bulletin. Miss Word is a daughter of Mr. and Mrs. Millard R. Word of Clarendon.

Road Boosters Meet In Dallas

Four Panhandle Counties Are Heard By Officials of Highway Body

The State Highway Commission met with northwest Texas citizens in Dallas Monday rather than in Austin to save the taxpayers extra expense of mileage on the part of delegates.
Donley, Ochiltree, Roberts and Gray counties were represented at the hearing. Donley county was represented by Sam Braswell and Garland G. Reeves.
The delegates from the Panhandle counties renewed their request of September 1st, and at previous times during the year for designation of a road from Pampa and Miami to Percyton, and for construction of the highway from Pampa south to Clarendon.
The state officials said that "it is impossible to undertake all the meritorious projects," after fifty county delegations had been heard. They did not, however, reject the requests.

STUTTERING SAM'S COMPANY SHOW AT GOLDSTON SOON

You have probably heard Stuttering Sam's antics over Cal Farley's radio program, and enjoyed it. You will have an opportunity to hear and see the famous stuttering personage at the Goldston school the night of Thursday, November 9th.
Stunts, tumbling, stuttering, imitations, dancing and singing will be but a few of the numbers on Stuttering Sam's well-rounded program.
There will likely be a small admission charge since this is a school benefit presentation.

MISS TEMPLE HARRIS MAY LEAVE HOSPITAL SOON

While in Austin the last of the week, Mrs. Nathan L. Cox paid a visit with Miss Harris who has been a hospital patient since the auto wreck something like a month ago.
Mrs. Cox states that Miss Harris has a long scar on the right side across her cheek and internal injuries, the latter of which will likely keep her in the hospital for some two weeks yet.

WORKS ON DAMS

Chester Mayo, who has been employed on the construction of a government dam near Bayfield, Colorado, visited his parents, Mr. and Mrs. J. T. Mayo a few days ago. Chester was on his way to work on the new dam near Denison on Red river.

VISIT THE KIRTLAYS

Guests of Mr. and Mrs. B. F. Kirtley the week end were Mrs. Kirtley's parents, Mr. and Mrs. J. J. Smith, and her sister, Mrs. John Lee Harris and niece, Clara Ruth Jensen, all of Hubbard City.

Park Vandals Do Minor Damage

Despite the fact that the City Park was made possible through contributions of various individuals, firms and the federal government whose sole object was to enable the public to enjoy its facilities, some do not appear to approve of the idea.
Reports are that the fountain and walls of the Park have been damaged by youngsters bent upon mischief. This is a matter of extreme regret upon the part of the Park Board, and many others who have spent time, money and energy in behalf of this public improvement.
It is possible that those who did this damage were of such age that they did not take into account the possible results. In speaking of the matter, the Mayor called attention to the fact that this is a federal project since the federal government supplied a large portion of the money. That being the case, a vandal charge would mean more than a misdemeanor. In fact the destruction of any part of this property would mean prosecution in a federal court, with serious consequences to the guilty parties.

G.O.V. O'DANIEL PROCLAIMS TWO THANKSGIVING DAYS

If you are wondering what to do about the presidential decree of changing Thanksgiving Day to the last Thursday in November instead of fourth, you may rest at ease now. The Governor has proclaimed both days as Thanksgiving days.
A local census shows a preference for the same old day as that established by the Puritans, a fact well known no doubt to the Governor.

Texas War Is Daily Affair

1,098 Killed Outright And 9,898 Wounded In Nine Months

AUSTIN, Oct. 30.—Surgical skill has cheated the Texas traffic death book out of a number of victims, State Police asserted today as they counted the toll for the first nine months of 1939.
The score: 1,098 beyond medical aid; 9,898 injured, many so critically they were saved only through quickly administered treatment by surgeons.
September claimed 128 lives while 1,233 were hospitalized. Thirty-one of the dead were pedestrians, eleven of whom were crossing streets at locations other than intersections when struck down, the State Police summary stated.
Daily from 5 p. m. to 9 p. m., the peak accident hours in September, ambulances made emergency runs to a total of 441 crashes in which 37 persons were taken to mortuaries instead of hospitals—all of these crashes, State Police director Homer Garrison, Jr., pointed out, were due to carelessness on the part of average motorists.
The 1,486 collisions that month involved 2,563 vehicles and drivers and resulted in an economic loss of \$3,150,000, the statisticians computed, in addition to the loss of life and the large injury toll. Glaring headlights accounted for two of the dead while 24 were killed in non-collision accidents, usually caused from driving too fast for conditions.
Puzzling to traffic analysts were the 1,131 crashes which occurred on straight, level roads, 205 of which involved illegal passing. In 1,190 of the 1,486 collisions there were no defects in road construction that might have added to driving hazards. Only 183 of the 2,563 drivers were reported to have been drinking.

Bronchos to Rest Over Week End

After taking last week's victory from the McLean Tigers in a hard fought game, the Bronchos will take a rest this week end, due to the fact that if the local squad plays too many games, and should have a chance at a playoff for district honors, they would have to forfeit the game. The ruling is that no team shall play more than 10 games in winning the district championship.
To date the Bronchos have played seven games and still have a conference date with Memphis next week, making a total of eight games to be played.
If there should be a three-way tie and the Bronchos should draw to play two games, this would bring our total to 10 games, therefore eliminating a forfeited game.
The way upsets have been taking the day in football this year, we have a very good chance of getting back into the run-off. So far as we know now, Clarendon will be at McLean Friday night to see McLean put Shamrock into a three way tie.

Nature Penalizes Then Rewards

Above all things, Rex likes to hunt. He likes to hunt birds. He is skilled and faithful under all conditions because he is just a dog. Fred Buntin is his owner, having reared him from a mere pup. Fred recently found that Rex was deaf. Did that handicap Rex in locating birds? Maybe so, but let's investigate. As in the human animal, nature compensates dogs as well, when one or more of the five senses are impaired. Rex cannot hear, but he has a very highly developed sense of smell, and his sight is most uncanny, his master says. When at a distance from his master, Rex watches for signals. When Mr. Buntin gives a wave of his arm, Rex understands because he has learned a sign language. Get the birds? Sure they do, but after all, despite any handicap, Rex is faithful to the minutest detail because he is just a dog. He became deaf, according to a veterinarian, because of dust. As Rex's ears flopped, they packed dust against the ear drums until the sense of hearing was impaired. Thus the majesty of dust claims another victim.

Radio Program Will Include Local Youth

4-H Clubs of three Panhandle counties will be heard on the National Farm and Home Hour on Saturday the 4th of November. This part of the program will be featured by the A&M College Extension Service of Texas.
Counties to be heard on this program will be Donley, Armstrong and Hemphill. The theme of the program will be by boys who exhibited calves at the American Royal Stock show held in Kansas City in early October.
Floyd Lewis, Donley county 4-H Club boy will discuss his trip to Kansas City and different phases of 4-H Club work. Floyd's calf won first in his division at the American Royal.
The broadcast will be on the National Farm and Home hour heard every day from eleven thirty until twelve thirty. The 4-H club boys will use approximately ten minutes of this time, according to a statement of county agent H. M. Breedlove today.

Lackey Rites Held Sunday

Held Several Pastorates In Donley County; Was College Student Here From 1914 to 1920

Rev. Wm. T. Lackey passed away at his home in Paducah about three a. m. Saturday following a heart attack. Funeral services were conducted there Sunday by the pastor, Rev. Wm. E. Fisher, and Supt. Cal C. Wright of Vernon, and Rev. H. C. Gordon, pastor of the Clarendon Methodist church. A short service was conducted at the local cemetery where interment was made at three p. m. Sunday. Attending the casket were church stewards and barber friends with whom he had worked.
Rev. Lackey is survived by his widow and a son, Jack Theodore; three brothers, J. H. of Springfield, Colo.; R. E. of Carlsbad, N. M.; J. F. of Cordell, Okla. Three sisters are Mrs. W. E. Prutsman of Spearman; Mrs. Comer Johnson, Granite, Okla.; Mrs. Sam Godfrey, Lane Wolf, Okla. Mrs. R. Y. Rogers of Quanah and Mrs. Cleo Rosser of Amson, Texas are double cousins of Rev. Lackey.
Rev. Lackey's birthplace was Rio Vista, Texas on July 10, 1888. The family moved soon afterwards, and he grew to manhood near Granite, Okla. He attended old Clarendon college from 1914 to 1920, bartering to pay his expenses. He married Miss Maurine Mullins June 16, 1920.
This minister's popularity was attested by the presence of all the ministers of his district at the funeral service, a large gathering of friends and a profusion of floral offerings.
He began his pastorate in the Paducah circuit in 1938 after having filled a number of pastorates in other sections of Texas, among them the Vernon circuit the preceding year.
A large number of friends here joined the funeral cortege from Paducah, and paid their last tribute to a sincere minister, a loyal friend and energetic worker in the cause he chose as his profession.
The Leader joins with others who mourn the passing of this good man in expressing sincere sympathy to the bereaved.

Mr. and Mrs. Lee Bell announce the birth of a son, Ben Paul, weight seven pounds on Tuesday, Halloween day.

ATTENDS EASTERN STAR MEET IN SAN ANTONIO

Mrs. Nathan L. Cox returned home Sunday. In addition to attending the convention, she visited Mr. and Mrs. Phifer I. Estlack in Austin, and other relatives in Dallas where her daughter, Mary Ladel stopped to spend the time while her mother was in San Antonio. She, too, came home Sunday.

MRS. HICKERSON BETTER

Mrs. J. C. Hickerson of Hedley, who has been a patient in a Memphis hospital, was returned home Wednesday by a Buntin ambulance.

RADIO PROGRAM WILL INCLUDE LOCAL YOUTH

4-H Clubs of three Panhandle counties will be heard on the National Farm and Home Hour on Saturday the 4th of November. This part of the program will be featured by the A&M College Extension Service of Texas.
Counties to be heard on this program will be Donley, Armstrong and Hemphill. The theme of the program will be by boys who exhibited calves at the American Royal Stock show held in Kansas City in early October.

FORMER CLARENDON GIRL TO MARRY SATURDAY

The marriage of Miss Virginia Cluck and Drew Wilkerson will be solemnized by Rev. J. Perry King next Saturday morning. The ceremony will take place at the ranch home of the bride near Dalhart.
Miss Cluck is the daughter of Mr. and Mrs. Joe Cluck, and Wilkerson is a son of Mrs. Lalar Wilkerson. All these parties are former residents of Clarendon.

Dean Sentence Is Suspended

Given Five Years On Statutory Charge Tuesday

The trial of Joe Dean of near Hedley began Monday morning when district court resumed. Dean was charged with a statutory offense, the alleged victim being a girl of fourteen years, and who has since married another man.
Attorney Geo. W. McCleskey was appointed by the court to defend Dean who had no means to employ an attorney. The state was represented by distict attorney John Deaver, assisted by county attorney John Knorpp.
Some twenty witnesses were summoned in the case, though all were not heard since their evidence is said to have no bearing directly upon the charge.
The jury began deliberations at about 10 a. m. Tuesday and rendered a verdict of five years imprisonment some six hours later, with a recommendation that the sentence be suspended.
The case occasioned quite a bit of curiosity, the courtroom being filled with spectators, many of whom were women.
COTTON GINNING REPORT BY CENSUS BUREAU
According to a report of the Department of Commerce, Census Bureau, and Van Kennedy, special agent, shows that 3,753 bales of cotton were ginned in Donley county from the crop of 1939 prior to October 18, as compared with 2,243 bales for the crop of 1938.

Club Exhibit Will Be Shown

Members of both the Clarendon Demonstration Club and the Junior H. D. clubs will place an exhibit at the Club Room all kinds of home canned products Friday, November 3rd.
All kinds of needlecraft will be placed on exhibit along with flowers and such other things as go to make up a modern American home.
The exhibit two years ago drew a large number of visitors. This exhibit will include many of the better specimens of that day, and include the modern results of practice and discovery since that time.
All those interested will be most welcome between the hours of 2 and 5 in the afternoon.

CHRISTMAS RATES NAMED OVER DENVER ROAD

Another slash in 60-day round-trip coach fares on the Burlington Lines, effective December 15th, has just been announced by F. D. Daggett, General Passenger Agent, FW&D Railway, Fort Worth, through Mr. D. F. Wadsworth, local representative.
The new reduction will lower the basis of those fares to 1.8c per mile, and under this new basis travelers can purchase tickets at an approximate cost of only \$1.80 for a round-trip of 100 miles.

LEG IS BROKEN HANDLING STOCK MONDAY

While helping with stock on the Frazier ranch near Jericho Monday, R. H. Willie suffered the misfortune to get his right leg broken. He is now a patient of Adair hospital.

REAR LINE EXTENSION IS TO INCLUDE ARMSTRONG

The Greenbelt electric cooperative of Wellington, with an electric service line extending from Beckham county, Oklahoma to near Hedley, is to be extended soon to include certain portions of Armstrong county citizens.
When completed, this line will be 311 miles in length, and will serve 702 patrons; the Department announced Monday.
To cover the cost of this line, an allotment of \$131,000 was made in December, 1938; \$7,500 in April of this year, and \$100,000 October 7, 1939. The last allotment is expected to cover the expense of extending the service to 348 more patrons, the line to extend 150 miles over portions of Donley and Armstrong counties.

VISIT IN TIDWELL HOME

Spending the week end with Mr. and Mrs. O. H. Tidwell were their son, Rev. and Mrs. S. L. Tidwell of Abilene. Then the first of the week a sister of Mrs. Tidwell, Mrs. M. F. Hale of Gollad, Texas came for an indefinite visit.

COUNTY SCHOOL BOARD TO MEET HERE SATURDAY

President W. A. Poovey of the Board announces an official session of that body at 1:30 next Saturday, November 4th. The meeting will be held in the office of the county superintendent of schools.

Bronchos Defeat Tigers To Stay In Second Place

Shamrock Irishmen Only Team In Conference With Perfect Record

Fighting a stubborn and determined battle the Clarendon Bronchos topped the McLean Tigers from the undefeated list in District 3-A at McLean last Friday night, and when the smoke had cleared the Clarendon lads were on top with a 6 to 0 victory. The first half went scoreless with both teams battling on even terms. Fumbles and penalties tended to dull the game somewhat, although sudden gains by both teams were frequent during the first half. However, the pay off did not come until the third quarter when Gray went over for the tally. Huffman's try for point was blocked.
Despite the fact that their stellar fullback, John Bond, was hurt in the first half and never returned to the line-up, the Tigers staged two powerful drives that had the fans on their feet, although both drives were stopped by a fast charging Broncho line. So well did each team plan its strategy that the fast backs of either team were bottled up almost entirely.
Although the game failed to produce any outstanding performance, boys of both teams fought gamely with the same purpose in mind - to win the game if possible.

F. F. A. MEMBERS PRESENT LIONS CLUB PROGRAM

Members of the Clarendon F.F.A. Chapter presented the weekly program to the Lions Club Tuesday. J. R. Gillham, Chapter adviser, introduced Joe Williams, Johnnie Leathers, and Maschil Cole as members of the milk judging team which placed second in the national contests held recently in Kansas City. Cole gave a report of the Kansas City trip to the Club. Carl Morris, Chapter president, gave a report of the chapter's participation in the State Fair and exhibited the 200 ribbons won at the fair by the chapter.
Pete Morrow and Maschil Cole exhibited skill in showing the club members how the hog calling act should be produced. Morrow and Cole were two of the winners in a recent contest among the aggie students.

SCHOOLS RESUME SESSIONS AFTER COTTON GATHERED

Following the usual custom of closing schools for a period at cotton gathering time, is the custom of Donley county citizens. Often the interruption is for more than a month. This year the recess period was only two weeks in some cases.
Martin, Ashtola and Chamberlain schools resumed work Monday of this week.

Mayor Proclaims Special Days

Mayor Tom F. Connally today proclaimed November 10-11 as Armistice Day in which he appealed to business men to arrange their affairs that "owners and employees may benefit of such holiday hours in honor and reverence."
As Mayor of the City, Mr. Connally also designated November 11-30th as Roll Call period of the American Red Cross. "As Mayor of Clarendon, I designate this period as the time all members will have an opportunity to renew their affiliation and to afford those who have not enrolled an opportunity to help the Red Cross help others," stated the Mayor in his proclamation.

PANHANDLE PRESS ASSOCIATION

LELIA LAKE SCHOOL NEWS

HOME ECONOMICS CLUB
 Under the sponsorship of Miss Leota Rumpy a Home Economics Club has been organized for the first time in Lelia Lake High School with the purpose of stimulating interest in that subject.

The club in Lelia Lake has been affiliated with the Area One and the State Home Making Club. They are proud of their 100% membership which includes every Home-making student, both past and present, in school.

The officers are president Anita Cook; vice president, Mildred Floyd; Secretary, Virginia Gee Leathers; Reporter, Louise Skinner; Song leader, Virginia Carroll; and pianist Mar-

garet Jean Leathers. The only social that the club has had was the initiation of the former Home Economics girls into the club. However, others have been planned as a part of the program which has been prepared for the club's year book.

The present project of the club is the planning of the refreshments for the school Halloween party.

Virginia Carroll Heads Student Council
 As a project the past week the civics class of Lelia Lake High School held elections for the purpose of choosing a Student Council. Under the direction of their teacher, Mr. Raymond Wilson, they followed the plan of regular elections.

Candidates were required to file notice of their intention to run, and voters had to register to be eligible for voting. In both elections regular printed

ballots were used. A judge, a police officer, and three clerks presided over the elections, each of which lasted only half a day.

The successful candidates were Virginia Carroll president; Nellie Ree Usrey and Eldon Holland. These three will be the representatives of the student body and will present the pupils viewpoint on all school problems to the faculty. This plan has been put into effect in order that there may be more cooperation between the faculty and students with a resulting benefit to both.

Cotton Picking Schedule Planned
 In a meeting on October 26, the Lelia Lake School Board adopted a new plan to take care of the picking of the cotton crop and still give the children an opportunity to attend school.

School will be dismissed on the following days in November: 3, 10, 17, 23, 24, 30 and December 1. This plan will give the pupils two successive days, Friday and Saturday, in which to help pick the cotton.

Patrons are urged to let their children attend school on all other days in order to carry out this plan successfully.

TEXAS TAX BILL AND TEXAS CROP VALUE COMARED

DALLAS, October 31.—Total amount of taxes paid by the people of Texas during the fiscal year 1938 was equivalent to more than the value of all the field and non-field crops produced in the State that year, plus the value of all the wool and mohair, plus all the cash income from cattle and calves, according to the current issue of The Taxpayers Digest, Dallas.

The new tax publication for Texans, published by The Taxpayers Research Bureau, Dallas, and edited by

Peter Molyneux, widely known journalist, author, and economist, with Booth Mooney as associate editor, points out these facts in its first regular issue, dated November 1.

The total tax bill of Texans for the fiscal year ended June 30, 1938, was not less than \$454,000,000. The Taxpayers Digest explains, while the combined value of all State crops, all wool and mohair, and all cash income from cattle and calves amounted in 1938 to \$452,200,000.

"The revenue of the State Government of Texas raised by taxation during that period amounted to \$111, 650,527," the paper says, "and that of all the local governments of the State amounted to \$120,283,286. The Taxpayers Research Bureau estimates the Federal taxes paid by the people of Texas during that year as not less than \$221,600,000, an extremely conservative estimate. The total of these figures is \$454,000,000, and certainly the 1938 tax bill of the people of Texas was not below that sum."

Value of all the crops produced in Texas in 1938 was \$324,400,000, that of all the wool produced that year was \$19,100,000, that of all the mohair was \$6,750,000 and cash income from cattle and calves amounted to \$101,950,000.

"The total of these figures," The Taxpayers Digest concludes, "is \$452,200,000. That is \$1,800,000 less than the tax bill paid by Texans during the 1938 fiscal year."

BORN TO HOPKINS'

Mr. and Mrs. Siler Hopkins announce the birth of a son on the 25th of October, weight six pounds. His name is Jimmy Charles. The family formerly resided here, but have moved to Pampa.

Mr. and Mrs. Joe Cluck and Virginia of Dalhart visited in Clarendon Tuesday of this week.

"Buggar" Story Child's Menace

COLLEGE STATION, Oct. 30.—Protecting a child by teaching him to be afraid of or to avoid certain situations means trouble later. It is much better that the small child understand his environment and how to adapt himself to it.

That's the advice to parents given by Dosea Hale, Extension Service specialist in parent education and child development. Once they are afraid, children cannot be forced to overcome their fears, the specialist says, but they can be forewarned by having dangers explained to them ahead of time.

Adults frequently help children to learn most of the fears they develop as they grow up. In this regard Miss Hale says, "If we threaten Jack with the sheriff or policeman in order to get him to do something we want him to do, we need not be surprised if he develops a fear and a dislike for law instead of thinking of it as a protection for those who wish to do the right thing."

Sometimes adults surround children with fears in trying to get them to be cautious. She lists some examples as "Don't go near the water; you'll fall in." "Stay away from the cow. It'll hook you." or "That dog may bite you."

Usually these things never happen, but such threats may cause children to develop many fears that will make them unhappy. Wise parents will teach their children to be cautious without being afraid, Miss Hale explains.

Protect Your Home with Electric Light

Electric Light

A 25-watt bulb burns 8 hours

for **1¢** and gives

2,144 Times More Light

than a Penny Box of Matches*

WHY TAKE CHANCES with matches when Electric Service is cheaper and safer? Remember that it is dangerous to strike matches to light dark places such as closets, stairways, or basements where it might cause explosions by igniting trapped gases. A small bulb gives better light—costs less.

Remember that "The Electric Way Is the Safest Way to Live." It also is the most economical way and the most comfortable way. You can safely depend on Electric Service for Light, Cookery, Refrigeration and the many odd jobs around the home. The average daily cost is LESS than the tax on two packages of Cigarettes!

The full horror of fire resulting from matches frequently is related in the daily press. In the interest of safety, use Electric Service to dispense with unnecessary fire hazards.

West Texas Utilities Company

*A penny box of matches averages about 43 to the box. Each match burns approximately 22 seconds—a total of 15 minutes. Each gives one foot-candle of light—a total of 15.

In comparison to a match, a 25-watt light bulb gives 67 foot-candles of light—and burns a total of 8 hours for only 1 cent. On this basis, the 25-watt bulb gives 2,144 times more light for a penny than a penny box of matches.

Light Costs Little!

...and it makes **JOBS** for this company's 1,000 employees in West Texas, whose annual payroll is \$1,300,000. Your Electric Servant also pays an annual tax bill of nearly a half million dollars.

The Refreshing Thing to Do

TEMPLE OF TRUTH
By the Apostle

THE MODERN POET.
First write some dull prose; then cut it into six-word lengths and place one above the other.

THE NEW PIONEERS.
The new frontier brings together Hitler and the old sparring partner, Stalin. The boys now are only as far apart as what used to be the Poles.

POOR LITTLE RICH.
Poor little Finland got into trouble because it paid its debts and, therefore, set a bad example.

OUR WEAKLY POME.
"The melancholy days have come," These words the poet wrote. What happened, we do not know, Unless the norther got his goat.

FINANCIAL EVOLUTION.
In days gone by real estate might have been real, but taxes have long since killed all the real there ever was in real estate.

ON RADIO FRONT.
Our sympathy goes out to the radio fan who, upon hearing the tobacco auctioneer's chant, thought he was listening to war news from the western front.

THE ENEMY WITHIN.
We hear a lot about "foreignisms" these days. Admittedly, all are a menace to what little liberty Americans have left. But did you know that taxes have been increased by our lawmakers of Texas to the point that all the taxes collected in this state the past year is greater than the value of the field, non-field crops, wool and mohair and cash income from cattle for the same year? We have something sapping our liberties right here at home that, for the moment, is greater than the damnable ideas being imported from other nations where living is practically intolerable.

NATURAL HISTORY.
The closer a man is, the more distant his friends are.

PAPA'S GROUNDWORK.
When a wealthy man's daughter goes fishing, she ain't particular whether she hooks a goldfish, but really prefers a sucker with an alleged pedigree.

BACK SEAT DRIVING.
The husband drew up his chair next to his wife's sewing machine. "Don't you think it is running too fast?" he said "Look out!" "You'll sew the wrong seam! Mind that corner now! Slow down at the corner and look out for your finger!" "What's the matter with you John? Rubbing it in?" said the wife.

DISTINCTION.
After receiving a large number of publications following an article by this writer making the rounds on "How to Write a Column," this writer has about come to the conclusion that some are columnists, and then again there are "columnists."

HUMAN EQUATIONS.
After all, some of us feel happier in being miserable and complaining, than in being just plain happy.

THAT WINCHELL PERSON.
Walter Winchell has been having a lot of fun at the expense of "hick" towns lately in his writings. Rebuttal will be offered in this column next week. Watch for it. He never saw a hick town except from a pullman window.

SEATED TEA IS GIVEN BY McDOWELL CLUB

The seated tea given by the McDowell Club Monday afternoon at the home of Mrs. Frank Heath was a very pleasing and lovely affair.

The center piece on the table which was covered with a lace cloth was chrysanthemums in autumn colors. Dahlias and other flowers in harmonizing shades were used in other rooms. Mrs. Heath, the hostess and Mrs. L. E. Thompson, president of the club received the guests.

Through the efforts of Miss Anna Moores, Choral director of the club, Mrs. J. W. Sanders president of the Philharmonic club of Amarillo was present with members of her club who after being introduced by Miss Moores gave a very delightful program. Mrs. Guy Carlander, contralto soloist gave three interesting Mexican numbers in costume. These were followed with three numbers by Mrs. Maynard Drake soprano soloist, after which they sang together in a duet. Mrs. Lucile Palmer Ballard who was the accompanist gave a piano solo.

Vera Holding who has written a considerable number of good poems which have been printed in book form, read selections from her collection much to the delight of all present, not only because of the interest in the poems, but because of her pleasing and sparkling personality and clever wit. After the program tea was served to about 80 guests.

This was the first social occasion of this nature that has been given by the McDowell Club which was organized only last year and has just begun its second year of work. The club is to be commended for entertaining in this delightful manner and for sponsoring a really worth while program by out of town artists.

HALLOWE'EN PARTY

A lovely Halloween party was given at the home of Mr. and Mrs. Frank Hommel Saturday evening with Frankie Hommel, Marilyn Sawyer as hostesses, assisted by Mrs. Forest Sawyer and Mrs. Rector.

The entertaining rooms were decorated in Halloween decorations. A variety of games were played during the evening until refreshments were served.

Guests were Marilyn Bartlett, Marilyn Maher, Frances Phelps, Mary Nell Keys, Helen Porter, Peggy Jean Rappy, Nelda Sue Burton, Annie Ree Porter, Geraldine Ryan, Zola

Pat Grady, Sarah Beth Lowry, La Rue Shadle, Lavrice Armstrong, Naomi Morris, Betty Ann Craft, Joan Hillman, Lucille Wallace, Margaret Wadsworth, G. G. Reeves, Earnest Thompson, Basil Kirtley, Johnnie Beard, John Earl Ryan, Lewis Chamberlain, Basil Smith, Clyde Benton Douglas, James Earl Hott, Billy Ralph Andis, Raymond Johnston, Jack Riley, Billy Moreland, Victor Smith, Billy Thornberry, G. D. Shelly, Billy Jack Shelly, Wilson Rector, Claude Hearne, Billy Lowe and the hostesses.

HALLOWE'EN PARTY

Leona Pearl McCraw entertained a number of her friends with a Halloween party at the home of her parents, Mr. and Mrs. Roy McCraw Tuesday evening.

The rooms were decorated in the Halloween motif.

All kinds of Halloween games were played with prizes going to Juanita Bingham, G. D. Shelly, Billy Jack Shelly, Basil Smith.

All the guests came dressed in the holiday costumes, and were given favors of pumpkin cups with Halloween candy.

A dainty refreshment was served to Jerald Jordan, Clarice Thompson, Iva Ruth Gibbs, Hazel Bingham, Jaunita Bingham, Ida Mae Weidman, Louise Butler, Rosena Crutchfield, Clyde Benton Douglas, Billy Jack Shelly, Basil Smith, J. D. Shelly, Woody Spencer, Jimmy Goodner, Chas. Condon, Frankie McCraw, and the hostess Leona Pearl McCraw.

42 PARTY

Mr. and Mrs. Fred Russell entertained with a 42 party Thursday evening at their home complimenting Mr. and Mrs. Forest McCary, recently of Memphis, and who is making their home in Clarendon.

Games of 42 were played. The Halloween motif were carried out in the refreshments and were served to Messrs. and Mesdames Forest McCary, Verna Lusk, Geo. Wayne Estlack, Harve Smith, Marvin Land, Gilmer Ayers, Fred Russell.

AMERICAN LEGION AUXILIARY

Met with Mrs. W. H. Patrick at the home of Mrs. R. L. Bigger Wednesday afternoon.

Mrs. Charlie McMurtry brought the study which was on "Unity." A very delightful salad course was served to 14 guest and the hostess.

THE PATHFINDER CLUB

The Pathfinder Club had an unusually interesting meeting on Friday, October 27th. Because it was Guest Day in a double sense—a guest speaker and the Book Club, the Les Beaux Arts Club and the Junior Beaux Arts Club as guests for the afternoon.

In the continued absence of Mrs. Ed Dishman, president, Mrs. Bairfield again presided. On a motion all business was dispensed with.

Mrs. Marguerite Goodner was leader of the program, and after a few brief words of welcome to the guests, she presented her sister, Mrs. F. Upshaw of Amarillo as the guest speaker.

Mrs. Upshaw gave a most interesting review of Rachel Field's "All This and Heaven Too"—a book which has continued to be a best seller for about fourteen months. Mrs. Upshaw made the statement that, according to the booksellers, the average life of best seller, commercially, was about six weeks. Therefore she said there must be something worthwhile in a book which continued to be listed as a best seller after fourteen months. And the charming presentation of the story convinced her hearers that this was true. After the review Mrs. H. R. Beck played "Romance in D Flat" by Sibelius.

Autumn flowers with roses predominating brightened the club room.

The hostesses, Mesdames L. E. Thompson, Simmons Powell, C. T. McMurtry and R. L. Bigger, served the large gathering from a lace draped table—with the most fitting refreshments for an autumn day, pumpkin pie, whipped cream and coffee.

LELIA STUDENTS HAVE HALLOWE'EN PARTY

Halloween night, students of Lelia Lake High School met at the school building to see what the witches had in store for them. Entertainment for the evening consisted of various carnival attractions supplemented by contests for which prizes were awarded. Before gaining admittance each person had to successfully withstand all tests of the spirits as they followed directions for a ghost tour which took them over the surrounding countryside. Highlight of this trip was a visit to a deserted elevator which was the chief stronghold of the ghosts.

The gaily costumed throng soon gathered at the school house to enjoy such diversions as fortune telling, house of horrors, fishing, side shows, and contests of various kinds. Everyone was rich for the evening with money especially coined for the occasion.

During the serving of refreshments, which were obligingly furnished by Mr. Slimy Blood, guests were entertained with pantomimes entitled, "The Operation" and "What Fun Young People Can Have on Halloween."

J. F. Johnson, who was disguised as a black cat, won first prize of \$1.00 for having the most appropriate costume. An Arabian miss, Cleta Riffle, won second prize of 50c.

MRS. WALTER KNORPP ENTERTAINS WITH TEA

Mrs. Walter Knorpp entertained with a lovely tea from 3 to 6 Saturday afternoon at her home. The guests were met at the door by Mrs. Walter Knorpp, Mrs. B. W. Chamberlain and Mrs. Wesley Knorpp. The center for the table was large pumpkin filled with small yellow chrysanthemums, vases of large lovely white mums were in the living room. Bronze mums were used on buffet in dining room.

The Halloween motif was also carried out throughout the afternoon. Mesdames F. E. Chamberlain and W. H. Patrick poured the first hour; later Mrs. John Knorpp and Mrs. Carroll Knorpp. Misses Madaline Kelly and Betty Joe Caraway helped in the receiving and showed the guests through the house. Tea was poured for 67 guests.

1937 BRIDGE CLUB

Mr. and Mrs. Verna Lusk were hosts to the 1937 Bridge club at their home Tuesday evening.

The Halloween motif was used in tallies and refreshments. In the games Mrs. Alfred Estlack won high for women, Alfred Estlack high for men, Mrs. Brooks Chesshir low.

A lovely salad course was served at 10 o'clock after which the party attended the midnight prevue at the Pastime Theatre.

Guests, Mr. and Mrs. Brooks Chesshir; members, Messrs. and Mmes. Elmer Palmer, Gilmer Ayers, Geo. Wayne Estlack, Alfred Estlack, Verna Lusk.

BLUE BONNET BRIDGE CLUB

Mrs. Geo. Ryan entertained the bridge club with a one o'clock luncheon served by Mrs. R. L. Bigger at the Bigger home. After enjoying the lovely luncheon the ladies went to the home of Mrs. Ryan where games of bridge were played at two tables. Mrs. Letts was awarded high score prize, Mrs. Ellis consolation. Lovely flowers of roses, dahlias and Mmes. were used to decorate the guest rooms, also Halloween motif were used at the tables.

Those present were Mesdames John Blocker, R. L. Bigger, A. R. Letts, J. L. McMurtry, C. T. McMurtry, C. G. Stricklin, W. H. Patrick, and Fred Chamberlain

SURPRISE BIRTHDAY PARTY

Mrs. Gilbert Bryan and Lloyd Rhoades were the honorees at a surprise birthday party given by Mrs. Rhoades at their home Tuesday evening.

The house was decorated in Halloween decorations with the orange and black color scheme being used in refreshments.

The honorees received many lovely gifts including a birthday cake each. A variety of Halloween games furnished entertainment.

A delicious refreshment was served to Messrs. and Mmes. Nelson Anderson, Fred Combest, Cecil Kilgough, Bill Adams, Hollis Neese, Dubb Scott, Gilbert Bryan, Roy Mayberry, Clyde Barker, Leslie Carlile, Lloyd Rhoades and Misses Joy and June Mayberry.

EIGHTH BIRTHDAY

Joy Pierce celebrated her 8th birthday with a party given by her mother, Mrs. Guy Pierce, at their home Thursday afternoon.

The Halloween color scheme was used with favors of balloons and Halloween candy.

After opening the many gifts, refreshments were served to guests Hardy Bourland, Beverly Bourland, Dorothy Ann Castleberry, Peggy Wright, Betty Jean Decker, Sammy Jo Lowe, Melba Lee Pipes, Jaunita Carpenter, Vondell Hommel, Ira Jean Estlack, Gene Bryan, Buster Bain, Guy Alden Wright and Coy and Joy Pierce.

KILL KARE KNEEDLE CLUB

Mrs. J. Perry King in her charming way entertained the Needle Club with a lovely covered dish 12 o'clock luncheon Thursday at her home. The beautiful fall flowers were used for decorating the guest rooms.

After enjoying the lovely luncheon served at small tables, various games were played. The remainder of the afternoon was spent in hand needle work.

Those present were invited guest Mrs. O. G. Watson, Mrs. H. C. Gordon, Mrs. Joe Goldston; club members, were Mesdames Buel Sanford, H. C. Brumley, H. Mulkey, W. A. Land, S. W. Lowe, W. A. Massie, Eva Draffin, W. D. Sims, Frank White Sr., Lon Rundell, R. R. Dawkins, J. R. Bartlett and J. P. King.

JUNIOR H. D. CLUB

Jennie Burch and Viola Bones were hostesses to the Club at its regular meeting Thursday afternoon at the Club room. The meeting was opened with the club prayer, and the roll call answered with a Favorite Song.

During the business, plans were made for an all day meeting to be Oct. 9 at the Club Room. During social, Dollie Wilson, Marie Patterson and Lucille Chesshir received Polly-Anna gifts.

Refreshments were served to guest, Mrs. James Bain, Mrs. Mark Allen, Mrs. Guy Wright, Mrs. Regan Bain; members, Mmes. Marie Patterson, Mary Wallace, Hattie Palmer, Mary K. Todd, Graeic Ayers, Mattie Ballew, Dollie Wilson, Lucille Chesshir, Hazel Lusk, and hostesses.

MARTIN GARDEN CLUB

Met with Mrs. Fred Easterling Oct. 27, with 7 members present and one visitor. Mrs. J. T. Easterling gave a very interesting talk on phlox. One new member was voted in, Mrs. J. M. Acord. Christmas party plans were discussed after which delicious refreshments of grape juice, sandwiches and cookies were served to the

following, guest, Mrs. J. T. Lamberston; members, Vergie Jordan, Cloetta Easterling, Guy Sibley, Burk Debord, J. T. Easterling, J. H. Helton and the hostess, Mrs. Fred Easterling.

The club adjourned to meet with Mrs. Claude Easterling November 10, at 2:30.

K. B. Rister and daughter Helen spent the week end in Amarillo.

All species of game birds taste better if cooled 24 hours.

WIEDMAN INFANT IS BURIED TUESDAY AFTERNOON

Infant son of Mr. and Mrs. P. F. Wiedman, still born, was buried Tuesday afternoon. Rev. H. C. Gordon conducted a funeral service at the cemetery.

Mrs. Wiedman, who has been a patient at Adair hospital since Monday, was returned to her ranch home today in a Buntin ambulance.

"Oil Bath" Is Furniture Aid

COLLEGE STATION, Oct. 31—Giving furniture a semi-annual bath is suggested by Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service, who says frequent dusting, no matter how thorough, may not be sufficient.

A good "oil bath" is advocated as a helpful treatment for most furniture since the dry air in many modern homes is as bad for furniture as it is for people. Drying, cracking, and warping, or loosening of the veneer may be reduced by the oil bath. However, Mrs. Claytor warns that if the furniture has been waxed it is necessary to remove the wax before the oil is applied.

Mixture of two-thirds boiled linseed oil and one-third turpentine will provide a satisfactory oil bath. The oil feeds the wood, while the turpentine loosens the dirt and helps the oil to penetrate the wood.

"Apply the mixture with a soft cloth," the specialist suggests, "and wipe off all excess polish with a clean cloth. To polish rub the surface the way of the grain until the wood is thoroughly dry and the fingers leave no mark on the surface."

In addition to keeping the furniture well-oiled, it is a good thing to keep the room air moist by having a pan of water near a radiator, register, or stove in cold weather, Mrs. Claytor suggests.

Miss Pauline Roach, instructor in the Dumas school, spent the week end here with her mother, Mrs. T. M. Roach.

Mrs. Doss Palmer and Mrs. Elmer Palmer and son James Wesley, visited in Amarillo Saturday.

Certified Seed Pay Returns to F. F. A. Members

Twenty Clarendon F.F.A. members who purchased a quantity of Certified Quadron seed last spring, found that better seed paid in a big way. The members found Quadron to be a quick growing, drought-resistant crop that made under conditions where many of their father's standard crops failed. The one hundred and eight acres planted by the twenty members averaged approximately one-half ton per acre which was from twenty to fifty per cent more than the production record of kaffir and milo on the home farms where grown.

The certified seed were planted as part of a better crop program sponsored by the F.F.A. members which requires that all members use certified seed on their crop projects. The seed were bought and distributed on a cooperative basis to each of the twenty members last spring.

Project Markers to Mark All F. F. A. Projects

Each of the forty-five paid members of the local F.F.A. chapter are placing project markers at prominent places near their homes. The markers carry the official F.F.A. project number, the name of the boy, and the names of the projects he is carrying. A number of such markers were used last year, but this is the first year that 100 per cent of the members have used markers on their projects.

In addition to the markers, each local F.F.A. member this week received his official F.F.A. emblem. The

emblems are felt, leather, chenille, and embroidered depending upon the individual tastes of the various members. Each member will attach his emblem to some garment and wear same. The emblem carries the official F.F.A. insignia and is used throughout the nation by F.F.A. members.

Parliamentary drill books, Stewart's official F.F.A. Parliamentary procedures, were distributed to each of the members this week. The drill book deals with the twelve most common parliamentary procedures used in F.F.A. work. Special class work and work in meetings will be devoted to study of the parliamentary practices.

F. F. A. Presents Chapel Program

The high school Assembly, Friday, October 27, was in charge of the F.F.A. members. Carl Morris, chapter president acted as program chairman, Bailey Estes, and Clyde Peabody rendered three harmonica and guitar numbers. Maschil Cole told the student body of the recent trip to Kansas City by the Milk judging team and Carl Morris told of the local chapter's participation in the State fair. He exhibited the 200 ribbons won at the fair by local members.

The highlight of the program was the hog calling contest which was won by Pete Morrow with Maschil Cole a close second. The boys demonstrated to everyone's satisfaction that they had really been developing a wonderful hog program and hog calling ability as well.

F. F. A. Chapter Pays State and National Dues

Treasurer Ray Bulls of the local chapter mailed a check to O. T. Ryan, Area Supervisor of Vocational Agriculture, this week for Area, state, and national dues for forty-five members. Each member is required to pay an area due of five cents, state due of thirty-five cents, and a national due of ten cents, in addition to the local chapter dues.

This is the third successive year that one-hundred per cent of the local chapter members have paid their dues before November 1st. There are forty members enrolled in vocational agriculture and each of the five members who graduated from high school last spring retained their membership.

Aggie Youths Develop Personal Library

Local aggie students are taking advantage of the free distribution of bulletins with detailed information in many various enterprises by ordering bulletins from the various sources. Each "Aggie" this week received approximately eighty-five bulletins, a portion from the Texas Extension Service, and a portion from the U. S. D. A.

Approximately twenty of each members bulletins will be added to the already large supply in the chapter room, and the remaining sixty-five will form the nucleus for an agricultural library in the youth's home. Each youth received several bulletins dealing with the specific problems he has in his project work.

Aggies Make Project Tours

Project tours will be made monthly this year by members of the local vocational agriculture classes. The classes will be divided into groups of approximately ten each and the tours will be made by groups instead of the class as a whole. The groups will be composed of students living in the same community. The tours will be made after school hours and on Saturdays instead of on school days as in the past when the entire class made the tours.

The west group composed of Lester Bell, Bill and Charles Smith, Russell Morris, Wilson Rector, Frank Mahaffey, Bobby Marshall, J. F. White, and Redell Henson, and the town group composed of Carl Morris, Ray and Roy Bulls, D. Kirkland, Woodie Spencer, Harold Donnell, Carlton Gordon, and Cecil Heckman made their first tours this week.

College Girls Go Air-Minded

Seven girls who are co-eds at John Tarleton College, Stephenville, are among the 114 students at that institution who applied for pilot training being sponsored by the Civil Aeronautics Authority. They are: Evelyn John, Houston; Maxine Tweedle, Sterling City; Octavia Adair, Marshall; Helen Bowden, Caldwell; Emma Mae Ellis, Waco; Yvonne Jones, Ft. McKavett; and Mary D. Harrigan, San Antonio.

Under the plans being worked out by the Tarleton officials and the Civil Aeronautics Authority, the girls don coveralls and work on airplane motors and equipment, just as the boys, in preparation for the flight instruction. After a month of ground school work student pilots will spend a minimum of eight hours in the air before soloing and a minimum of fifty hours before completing the course.

FORMER CLARENDON YOUTH SETS FLYING RECORD

Wesley Carroll, who has been up in a small seaplane for a month, came down Sunday at 3:39 p. m. He and another youth flew over a salt flat near Los Angeles. They were up 726 hours setting an all-time flying record for seaplanes or any kind of plane. Fuel was taken from off an auto by low flying and the use of a rope and hook.

PEPPER MANGOES

1 dozen red peppers
1 dozen green peppers
2 heads cabbage (about 1 quart chopped)
1 tablespoon salt
1 tablespoon cinnamon
1 1/2 teaspoon ground cloves
1 teaspoon ground allspice
1 cup sugar
2 tablespoons white mustard seed
Strong cold vinegar.

Cut tops from peppers. Remove seeds and midribs and save the tops. Stand peppers upright in a pan. Soak 24 hours with a salt solution made of 1/2 cup salt to each 2 quarts water. Drain before using peppers. Cut the cabbage on a cabbage cutter and measure 1 quart of it. To this amount add the other ingredients and mix well. Fill the peppers with it, put on tops and tie tightly. Stand them upright in hot jars, and cover with the cold vinegar. Put half red and half green peppers in each jar. Ready for use in three weeks.

With Another European War in Full Blast and an Election Year in the U. S. Approaching, You Need a Timely and Well-Edited Metropolitan Newspaper of the Caliber of
The Dallas Morning News
 "Texas' No. 1 Newspaper"

"The Dallas News is one of the best newspapers in America. It is free from sensationalism, its editorials are admirable in matter and expression, and its reports accurate."
 —From Autobiography With Letters, by William Lyon Phelps, published by Oxford University Press, 1939.
 The News relies not alone on one great wire service—it has TWO --- the greatest in the world—Associated Press and United Press. It also has the great wire feature service of North American Newspaper Alliance (NANA). Most newspapers would be content with these—but NOT The News, which also maintains its exclusively-own bureaus in Washington, Austin, East, West and Central Texas -- to say nothing of more than 200 local correspondents scattered over the Southwest --- and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.
IN THE Big Sunday News YOU GET:
 A Rotogravure Picture Section, "THIS WEEK," Color-gravure Magazine, a 16-page comic section in full colors, also The American Institute of Public Opinion, with Dr. Gallup's weekly polls.

Army Service Offers Varied Instruction
 Fort Sam Houston, San Antonio, Texas, Oct. 30.—Today Army recruiting officers started combing the southwestern states for young men desiring to learn the radio, telegraph, and telephone trades.
 The headquarters of the Signal Corps offices here are a bee-hive of activity in preparation for the influx of new men. Plans are being made for training 400 men in the maintenance and repair shops here.
 Upon arrival at the post, new signal men will be quartered together so that they can live and talk their chosen trades. They will be given six weeks of general physical and military training and then sent to the shops where they will work as apprentices under experienced technicians. The radio men will construct, install, and repair all kinds of radio telegraph and telephone transmitters and receivers, including short-wave sets, fixed automatic transmitters, and secret portable sets. The telephone men will install switchboards.

Christmas Cards Are By Bugbee

An organization to distribute Christmas cards featuring the work of the Panhandle cowboy artist, Harold Bugbee, is now completed at Clarendon and is known as the Clarendon Press.

The organization is producing several thousand Christmas cards and has sales representatives in the major department stores, printing and stationery houses of the Southwest.

Some 29 pen and ink and pencil sketches which also may be had in water color tints have been made available. The cards are made from engravings and are printed in Clarendon and the tinting also is being done there by Mr. Bugbee or under his supervision.

The verse for the 29 subjects has been written by Mrs. Virginia Browder Dodson of Clarendon and has received many compliments.

The studio home of Mr. and Mrs.

Bugbee has literally been turned into a Christmas card factory with several girls employed to aid in the production and distribution.

Comprising the Clarendon Press are: Clyde I. Price, Katherine Patrick Bugbee, Harold Bugbee and Harry McCracken.

There has been a heavy advance demand for the Southwestern motif Christmas cards.

Bugbee has done some of his finest pen and ink work for the Christmas series.—Amarillo News.

WOMAN, 73, ATTENDS SERVICE WITH MOTHER, 91

BRADY, Texas, Oct. 28.—Mrs. J. E. Bell, Brady, observing her seventy-third birthday, attended services at the First Baptist Church in company with her mother, Mrs. J. T. Scott, 91. Mrs. Scott, a resident of San Saba, has been visiting her daughter here lately.

If you plan a hunt this fall out of state, remember you must have a permit from the Texas Game Department to bring game into the Lone Star State.

Mickey Rooney, Judy Garland Co-Star in "Babes in Arms," Opening Wednesday at Pastime Theatre

Mickey Rooney and Judy Garland, co-starred for the first time, come to the Pastime Theatre, Wednesday in "Babes in Arms," Mickey's first musical, and they are flanked by the largest accumulation of Hollywood's juvenile talent assembled to date in one picture.

While musicals are nothing new to Judy, they are to Mickey and he makes the most of it, offering the intriguing opportunity to see "Andy Hardy" dancing, singing, giving impersonations and, in fact, doing everything in the entertainment book.

Based on one of the most successful Broadway musical hits of the author-composer team of Rodgers and Hart, and embellished by additional numbers by some of Hollywood's foremost composers, "Babes in Arms" provides abundant opportunity for music, song and dancing logically fitted into a dramatic theme.

It is a story of the passing of vaudeville and the attempt of a group of former vaudeville headliners to rescue their fleeing fame. When

they fail, their talented kids come to the rescue. Familiar with the modern trend, the youngsters stage a show of their own when they are faced with being committed to the state farm because they are not being cared for properly. Their show attracts the attention of a producer and they land in a big Broadway revue.

Mickey Rooney plays the son of a famous vaudeville team. Inheriting all his father's talent, he is the guiding light of the go-getting youngsters and the central figure of a puppy love story that involves Judy Garland, the ugly duckling, and June Preisser, playing an ex-screen baby star who has the looks and money needed to stage his show.

Judy Garland has the opportunity to sing some of the best songs of her career, and June, who was seen with her sister Cherry in the most recent "Ziegfeld Follies," is said to be a dancing sensation.

Mr. and Mrs. E. F. Lovell and Bobbie Gene of Lubbock visited his parents, Mr. and Mrs. S. H. Lovell the week end.

METHODIST CIRCUIT NOTES

J. G. Walker, P. C.

We were the first to arrive at Mc Knight Sunday, Sunday school Supt. had married Sat. and therefore he could not come. Some were out of the community visitors. Some seemed to be dreading the cold weather. You know that for some people it is too sandstormy in spring, too hot in summer, and too cold in fall and winter to go to church and Sunday school. Maybe some have discussed a few of the many faults of the pastor and they are waiting for the arrival of the new preacher. When he comes they will be there to see what he looks like and whether he measures up to their standard of what it takes to make a real gospel preacher. If he don't, it is all off until a new preacher comes. Oh, they may come once in a while on special occasions, but they are all the time looking for his faults and criticize his mistakes and if perchance he is invited to be guest in their homes they will be trying to pull the motes out of his eyes. Two things in this country are very hard on a preachers eyes, to wit:

Sandstorms and mote pullers. Of the two, the mote puller is the most irritating. The sand fills the eye and effects only the inside, but the mote puller has to look over a beam in his own eye and fails to get a direct focus; his gouging and pulling effects a very large area. Read the following story for illustration: An old time squirrel hunter saw a squirrel in a tree and took good aim and fired a shot that he thought would bring the squirrel to the ground, but the squirrel remained unaffected. He then fired another shot with a more careful aim without any effect. After the third shot failed, he began to make investigation and found that what he thought was a squirrel in the tree was a large louse crawling on his eyebrow. When you see and are trying to pull the mote out of the preachers eyes look for the louse on your own eyebrow.

We had two very good services. The faithful few were there to help. Meet us next Sunday at Ashtola. The last services should be the best. We are depending on you.

"The surgical treatment described by Dr. Cave calls for removal of the entire colon and providing a new terminal at the McBurney point, where an abdominal muscle is split and provides a valve effect. Patients describe the change as an improvement over nature.

"After learning that the body can get along satisfactorily without a large intestine, the surgeons were told recently by Dr. Jenő Polya, of Budapest, one of the world's fore-

most stomach surgeons, that the body could also get along with little or no stomach, since the small intestines are sufficient for digestion." —Herald-Tribune.

School Safety Week Period Is Announced

GOVERNOR O'DANIEL ISSUES PROCLAMATION MONDAY

AUSTIN, Oct. 30.—Widespread observance of School Safety Week, October 30th - November 4th, was assured today as a score of state organizations threw their full support behind the program.

A coordinated program, inaugurated by the Texas Safety Association in a concerted effort to reduce traffic accidents among the public school and college age group, met with instant response from every community in the state.

"The fact that in the past eight months 283 were killed and 2819 seriously injured in the school-college age group is conclusive evidence that in Texas the bumper is more deadly than the bayonet and that every effort must be made to prevent this needless sacrifice of the flower of young man and womanhood of the state," George Clarke, executive secretary of the Association, stated.

Among the state organizations participating in the program are the State Police, State Dept. of Education, Highway Division, Texas Congress of Parents and Teachers, American Legion, Junior Chambers of Commerce, and other civic groups, including over a half hundred safety councils.

"Walk safely and drive sanely" is the theme being stressed by seven hundred weekly and daily papers and seventy radio stations of the state.

State Superintendent L. A. Woods has requested the 254 county superintendents, 1100 city superintendents, and all the rural school field workers to stress the subject of safety during the forthcoming period.

Highway patrolmen and city traffic officers will work closely with the program mapped out by the P.T.A. in visiting as many schools as possible for chapel safety lectures.

The American Legion posts throughout the state have been requested to assist in every possible way, as have the Junior Chambers of Commerce who have circulated the Governor's proclamation throughout the state and have requested that speakers make short talks from their local radio stations.
