# Cotton Festival

## The Woodrow Farris's have grown cotton for 58-years

Woodrow Farris has probably been farming cotton in the Hedley area longer than anyone else.

He made his first cotton crop in 1926, when he was nine years old. He rented three acres from his father on land now owned by J.A. Ward, three miles east of Hedley.

He did all the work himself, using a team of mules. That fall, he pulled a bale of cotton by hand, using a twelve foot sack, hauled it to B.W. Moreman's "Little Red Gin" in Hedley, with the mules pulling the wagon.

He used his profit to buy his first pair of pants.

Woodrow's been farming since then. There have been years when he made enough money to buy a pair of pants, and there have been years when he didn't.

He said he would never have amounted to anything, if it hadn't been for his wife, Pearl, whom he married on November 25, 1933.

Everyone who knows the Farris family knows the story of how they got married. Woodrow was 16 and Ora Pearl was 15 and her father, Otis

Shannon, thought they were too young to marry. He didn't object to Woodrow as a son-in-law, he simply thought they should wait until they were older.

On the day they married, the Shannon family was on its way to Memphis to do the weekly shopping and maybe see a movie. Woodrow just happened to be walking along the road. Mrs. Shannon persuaded her husband to give him a ride.

When they got to Memphis, while her parents were busy with their shopping, Woodrow and Ora Pearl slipped off to the preacher's house and got married.

When they returned to the car, they had a hard time making Mr. Shannon believe they were married. When they finally convinced him, he asked them what they intended to do now. A very relieved Woodrow replied, "I thought we might to the movie."

They had planned to spend their wedding night at the hotel in

Memphis, but Mrs. Shannon persuaded them that it was silly to spend a dollar for a room for the night, then have to walk all the way back home the next day, so they returned home with the Shannons.

The next day, they told Mr. and Mrs. Farris, and stayed at their house until they could get some furniture for their own home.

Woodrow had sold three bales of cotton and had \$90.00 in cash, which was a small fortune in 1933. They bought a cookstove, table and chairs, bed and dresser, cabinet, wash stand and small bedside table. They still use the little table.

Woodrow traded a hog for a milk cow and Mrs. Shannon gave Ora Pearl a dozen hens. Woodrow sold his last bale of cotton and bought 100 pounds of sugar and 200 pounds of flour.

"Everybody talks about the times being hard back then and I guess they were, but we didn't know it. We were young and didn't mind

working hard. Ora Pearl would take a syrup bucket full of cream and a dozen eggs to Ernest Eads store in Hedley and trade them for 25 pounds of ice and two bananas. She's get a ride with somebody coming our way and get there before the ice melted. While she was gone, I'd get the ice cream ready to freeze, and we'd ask Tode and Mattie Laura Hill to come and spend the night with us and we'd eat that freezer of ice cream. Tode and Mattie Laura were married about the same time we did and were about our age. We thought they were good times. We didn't know any better."

Woodrow worked with his father until 1940, when he bought his first land. He bought 129 acres for \$13.00 an acre, paying \$250.00 down. He's saved \$100.00 and borrowed the other \$150.00. The windmill on the place was broke down and the seller loaned him \$50.00 of the down payment back to

fix the windmill.

They paid for the land in seven years, working long, hard days. They pulled cotton by hand, getting

BRIAN HAMMOND, Clinton McDonnell, Doug and Mike Shelly. Fifth boy unknown, helping clean up old Adair Hospital which will be made into a museum.

## St. Roost Museum will have work day Sat.

The Saints Roost Museum had a great turn out Saturday to start the clean up operation. Eighteen people showed up to work, trimming trees, picking up debris around the building and cleaning out the rooms.

Brian Hammonds, Clinton McDonnell, Doug and Mike Shelly were four youths who helped. If you don't think it was hard keeping up with these four, just talk to Ruth Hancock or Helen Woody. They swept, picked up trash, carried out old equipment, and helped remove all the broken glass on the west wing. Long after the adults called it quits, these young men cleaned out two more rooms on the east wing.

Those who worked were: Tommy Noble, Karen Anderson, Jerry Chambliss, Lloyd Benson, Brian Hammond, Clinton McDonnell, Doug Shelly, Mike Shelly, James Owens, Junior Putman, Stacy Bos-

ton, Jenks Boston, Ruth Hancock, Helen Woody, Wes Henson, Don Altman, E.W. Kent, John Havens and Lawrence Neece. Others may have helped but did not sign the register.

There will be another work day Saturday, October 13th. The Museum needs all the help it can get. They would like to get the grounds cleaned up and all the trash hauled out of the building

before cold weather, so that they can get the building windows replaced and the roof fixed so it won't leak this winter.

Any organization needing a community project is invited to help with this clean up task.

Let's all get behind this project and make a Donley County Museum a reality.

The Museum Board would like to thank all of those who turned out to help last Saturday.

## Funeral services held for M. L. (Bill) Todd

Funeral services for Milton Lewis "Bill" Todd were held at 2:00 p.m. on Saturday, October 6, 1984 in the First Baptist Church with Elder Randy Gauvain of Dallas, Texas, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mr. Todd died at approximately 5:00 a.m. on Thursday, October 4, 1984 in Denton, Texas while visiting

family members there. He was born January 21, 1908 in Dimmitt, Texas and was married to Claudine Smallwood on August 18, 1935 in Hall County, Texas. He had been a resident of Clarendon since 1935 coming here from Hall County. He had taught school in the Chamberlain Community after moving here and had been in the furniture business for most of his life. He was a member of the Sardis Missionary Baptist Church. He was a member of the Clarendon Masonic Lodge, was the Secretary of the Clarendon College Board of Regents, was on the Donley County Housing Authority Board, and was a Veteran of World War II.

Survivors include his wife, Mrs. Claudine Todd of Clarendon; one sister, Mrs. Lola Dyess of Stratford; two brothers, Dexter Todd of Clovis, New Mexico, Hardy Todd of Oklahoma City, Oklahoma; and several nieces and nephews.

Casket bearers were Clarence Hamilton, James McAnear, Homer Estlack, Mutt Graham, Virgil McPherson, and Joe Bownds.

The family requests that memorials be to the Clarendon Volunteer Fire Department Jaws of Life Fund or the Clarendon EMS Equipment Fund.

BILL TODD

## Broncos fall to Bobcats 13-0

The Childress Bobcats defeated the Clarendon Broncos 13-0 Friday night at Bronco Stadium. The game was much closer than the 13-0 score read. Turnovers continued to haunt the Broncos, as the two Bobcat scores came as a result of two of them. One would never have guessed that Clarendon was 1-3 and Childress was 4-0 by the way the two teams played on even terms.

The Broncos received the opening kick off and after good gains by Rodney Smith and Booney Gardner, were forced to punt. Childress was unable to move the ball and also punted. The rest of the quarter was a hard hitting defensive battle as both teams turned the ball over by fumbles. Dewey Mincey recovered a Bobcat fumble at the Bronco 8 yard line following a Bronco fumble on the Bronco 30 yard line. The Broncos moved the ball to the 20 yard line to only fumble again with the Cats recovering on the Broncos 15 yard line. It took the Bobcats 7 plays to score on 4th down with a 5 yard pass from Chris Castleberry to Terry Smith. The kick was no good and the Cats took a 6-0 lead to the dressing room at the half.

The Broncos offense in 84 has been unable to put many points on the board, but Friday night, playing against the best defense they have played showed signs of coming to life. Friday night's shut out was Childress' fourth of the short season.

Childress received the 2nd half kick off and Robert Youngblood intercepted one of his two interceptions. The Broncos moved for two 1st downs on runs by Rodney Smith and Booney Gardner and a pass reception by Brent Hayworth from Youngblood. The Broncos stalled and punted to the Cats. The Childress punter, Castleberry, was outstanding, punting 6 times for a 46 yard average. In the 3rd quarter, he pinned the Broncos around the 10 yard line three times. The Broncos punted out each time and stopped the Bobcats.

The Broncos started moving the ball in the last quarter. Smith had a 32 yard run down to the Childress thirty-five but the turn over bug bit

ROBERT YOUNGBLOOD

RODNEY SMITH

the Broncos as Danny Wood returned an intercepted pass for a TD. The point after was good to make the score 13-0. Following the kick off Leland Howell hit Brent Hayworth with a 30 yard pass. The game ended after the Cats took over on their own 25 yard line.

The Bronco defense continued to look good and came up with 5 turn overs. Recovering fumbles were Mincey, Rod Keown, and Robert Youngblood. Youngblood also had two interceptions. Under the grading system that gives 2 points for an unassisted tackle and 1 point for an assisted tackle, Howell had

17 tackles. Smith and Mincey had 15 tackles. Keown had 11 tackles and three tackles behind the line of scrimmage.

The offense was lead by Smith's 88 yards on 17 carries. Gardner had 31 yards on 14 carries.

Rodney Smith was the offensive player of the week and Robert Youngblood was the defensive player of the week.

The Broncos open their district play this week at Memphis at 7:30 Friday night. The Broncos hope to improve their 1-4 record. The Broncos have stepped up to play four AAA teams getting ready for their run at a district crown.

## Broncos to travel to Memphis Friday

The Clarendon Broncos open their district play Friday night at 7:30 in Memphis. Memphis is 4-1 in non-conference play. They return 14 lettermen from last year's

team. Sam Carter is an outstanding quarterback and Roy Henderson is their leading ball carrier and pass receiver. The district champion could be the winner of this game.

## T. M. Cole to speak at Hedley First Baptist Church

T. Maschil Cole of Amarillo will be speaking Sunday, October 14th at 6:00 p.m. in the First Baptist Church, Hedley. He grew up in Lelia Lake and Windy Valley communities.

Cole has preached, taught, or sung in meetings in seventeen cities in the United States and appeared on television in six. He has traveled

around the world and preached or taught in mission meetings in Mexico, the Philippines, Indian, and Nigeria. He is president of Chris-

tians' Activity Center which is a non-profit laymember organization with ministry outreach into 53 countries. He is a retired Santa Fe locomotive engineer.

## Martin Baptist Church gathering gifts for country store

Members of Martin Baptist Church are beginning to gather gift items together for the "Country Store" shopping venture for the residents of the Medical Center Nursing Home.

They once again invite anyone who would like to be a part of this service for the residents to get involved. What they are trying to do is to get together gift items that would be suitable gifts for family members of the residents. This is NOT a fund raising project for them, as the items will be priced in

"tokens" rather than money, so no money will actually change hands. Neither is it gifts for the residents, but for their families. Handmade items would be more than welcome, as well as purchased items that men or women would like. They do, however, suggest that each person spend a minimum amount to purchase items.

They would like for the residents to be able to get as many gifts for their families as they want. However, if they do not get enough

T.M. COLE

## Fund set up for Ken (Pappy) Robinson

A fund to help defray expenses of cancer patient Ken (Pappy) Robinson has been set up at the Donley County State Bank. Anyone wishing to help this family, may do so by making a deposit in this account.

**Farris from pg 1**

to the field before daylight and weighing their last sack by the light of a match.

The two of them could pull a bale in two days. On the nights when Woodrow took the cotton to the gin, he'd stay until it was ginned and worked in the gin for 35 cents per hour. On these nights, Ora Pearl would make chow-chow and can the last of the garden produce.

When they weren't in the fields, they were busy grubbing trees out of the bottom land along the creek.

Woodrow used mules to work with until 1938, when he traded four mules for a one-row Allis Chalmers tractor. That year he sold his cotton for 9 cents a pound, but figures that 9 cents would buy more than what a pound of cotton would buy now.

After he and Ora Pearl married, she helped him in the field, doing whatever needed to be done. She's plowed, listed, planted, cultivated, hoed, pulled, three back cotton, and hauled it to the gin.

They picked cotton by hand until the late 1960's when they bought a Boone stripper.

They bought the land where they live in partnership with his father in 1944, but bought him out in 1946. They lived in an old house on the land until 1950, when they tore it

down and built the home they now live in. Woodrow figures it cost him about \$3,500.00 to build it.

Woodrow and Ora Pearl always planted a few rows of peas, water-melons, cantaloupes, squash, corn, and other produce. In the years when the cotton didn't make enough to buy the pants, they'd take the produce to area towns and enough to buy the pants, they'd take produce to area towns and sell it to the grocery stores or peddle it along the road. Woodrow figures he's sold more peas along the side of the road than anyone else. It seems like it, anyway.

Every year, they decide they won't plant a truck patch, but when planting time comes, Woodrow will say, "We'd better order some seed." So they go on and on.

During the almost fifty-one years they have been married, Woodrow and Ora Pearl have accomplished a lot of things. Among them is the land they own. Included is the land where he ginned his first bale of cotton. They had a squash patch where the "Little Red Gin" used to stand.

Four hundred acres is the most land they ever farmed by themselves. They never had a crop that averaged a bale to the acre. In 1949, they farmed 61 acres and

ginned 60 bales of cotton.

Woodrow and Ora Pearl have two children. John lives in Hedley and Erma Lee Young lives in Wichita Falls.

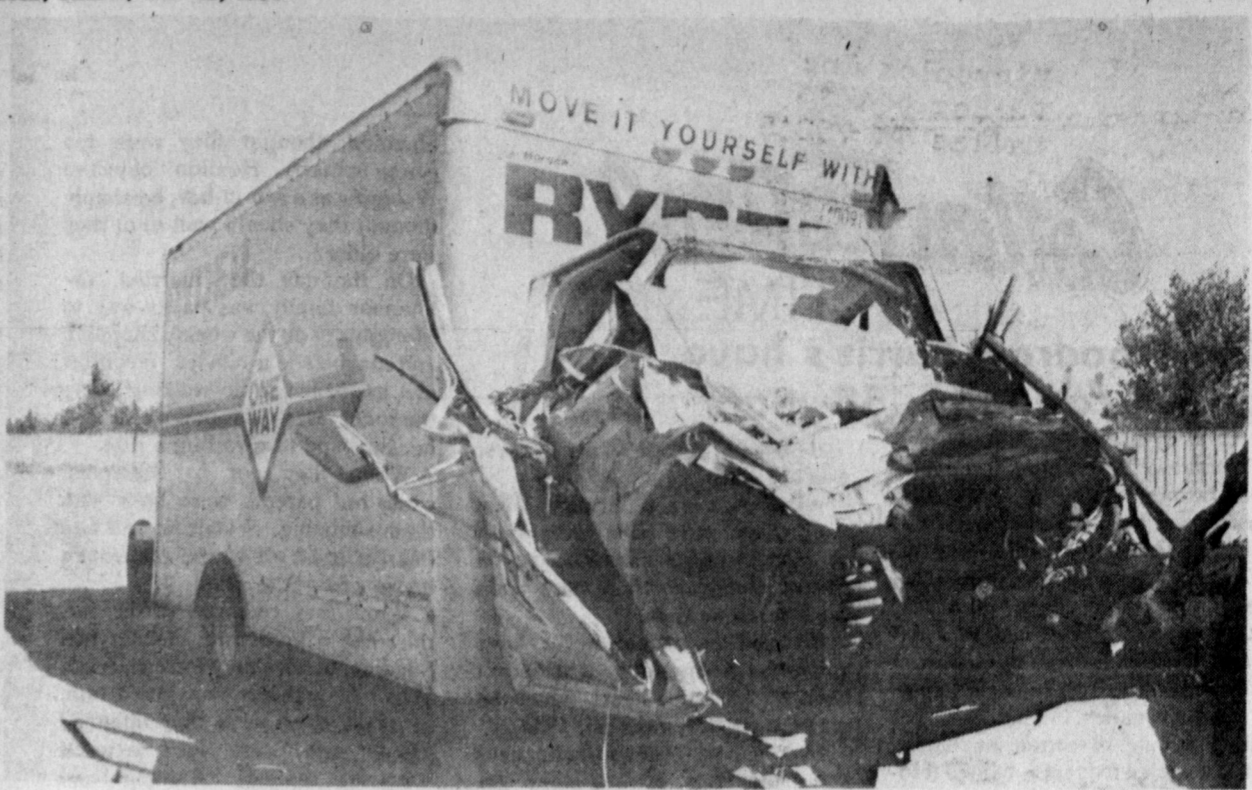

Woodrow was asked if he loved Ora Pearl when he married her. Woodrow grinned and said, "I thought I did, but I'll tell you this, I didn't love her a tenth as much as I do now. No matter what I wanted to do, she always encouraged me and helped me do it. Things haven't been perfect between me and Ora Pearl, but I can truthfully say that in all the years we've been married, we've never gone to bed mad at each other." That's a pretty good record.

**Country Store from pg 1**

participation, they will have to limit them. They would like to have these items together for the residents to view by the first week in November. Their plans are to let the residents shop once a week during the month of November.

They urge others to consider involvement in what they feel to be a worthy project, thereby enabling the residents to give gifts to their families, and in effect, be able to "shop without going shopping".

If you have any questions, or would perhaps like some help in determining just what might be a suitable gift, please feel free to contact Mrs. Ann Bunyan at 874-2600 or Martin Baptist Church at 874-2025 anytime, or Mrs. Carlene Hollar at 874-2017 after 1 p.m.

**RYDER TRUCK** involved in an accident Thursday, Oct. 4.

**Two injured in wreck near Hedley**

An accident, Thursday, October 4, 1/2 mile west of Hedley on Highway 287, sent a couple from Colorado Springs, Colo. to the Amarillo Emergency Center.

A 1977 truck/trailer, driven by Harvey Mangum, 61, of Nebraska City, Nebraska, was going west at approximately 45-50 miles per hour, when it skidded on the rain slick road. The driver lost control of his vehicle. The truck crossed the median, jack-knifing, and blocked both lanes of the east bound traffic.

Gary L. Cook, 37, was driving east in a 1984 Ford van, belonging to Ryder Trucks with his passenger, Karen Adams, 24. He could not avoid the jack-knifed truck and the Ryder truck went in under the trailer. It took the jaws of life of both Clarendon and Memphis to

free them.

Jerry Morris of the Texas Dept. of Public Safety, credits the quick action of the Clarendon and Memphis fire systems, using their jaws of life with saving Cook and Adams.

They were assisted by Hedley Fire Department and Texas DPS patrolmen.

Morris reported both Adams and Cook were in satisfactory condition at Northwest Texas Hospital.

**Obituaries**

**Orvial L. Bennett**

Orvial L. Bennett, 70, passed away October 1. Graveside services were at 11 a.m. October 6 in Llano Cemetery with the Rev. John Truett, pastor of Martin Baptist Church in Clarendon, officiating. Arrangements were by Blackburn-Shaw Martin Road Chapel.

Mr. Bennett was born in Arkansas. He was a retired carpenter. He was preceded in death by his wife, Edna, in 1975. He was a member of the Carpenters Local Union.

Survivors include a son, Orvial L. Jr. of Clyde; two daughters, Dortha Reynolds of Clarendon and Jo Ann Bennett of Van Nuys, Calif.; two sisters, Jessie Trotter of California and Ethel Trotter of Chickasha, Okla.; seven grandchildren; and three great grandchildren.

**Cordia Graham Grubbs**

Cordia Graham Grubbs, 98, of Dallas passed away October 6, 1984. Funeral services were held October 8 at 10:00 a.m. at the Eastminister Presbyterian Church with Rev. Harry Meissner and Dr. Edwin Manning of Clarendon, officiating. Interment was in Restland Memorial Park.

She was born July 4, 1886 in

Alabama. she married Retherford Norris Grubbs November 25, 1906 in Arlington. He preceded her in death. She was a Presbyterian, member of Royal Neighbors Club, National Federation of Grandmothers Club, and Order of Eastern Star.

Survivors include 3 daughters, 5 sons, 1 brother, 24 grandchildren, 33 great grandchildren, and 4 great great grandchildren. She was the mother of Mrs. Ed Manning of Clarendon.

**Frances H. Rodke**

Frances H. Rodke, 63, of Florence, Arizona, died September 25, 1984 at St. Joseph's Hospital and Medical Center, Phoenix.

Mrs. Rodke, daughter of A.O. Hott, was born in Clarendon, Texas and moved to Arizona in 1977 from Houston, Texas. She was a member of the American Business Women's Association and Florence Women's Club.

Survivors include her husband, Robert B.; daughters, Kathleen Griffie, and Melanie Hinton; two brothers and 10 grandchildren.

Private arrangements were made by Valley of the Sun Mortuary, Chandler, Arizona.

**WAYNE CHAMBLISS**  
**Chambliss named**  
**All American**

The National Secondary Education Council announced today that Wayne Chambliss has been named an Academic All-American.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

Wayne, who attends Clarendon High School, was nominated for this national award by Miss Betty Veach, Business Education Instructor. Wayne will appear in the Academic All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other honors.

Wayne is the son of Mr. and Mrs. Jerry Chambliss. The grandparents are Jack Bishop of Winters, TX and Mr. and Mrs. C.N. Chambliss of Winters, TX.

**Dates to remember**

**Halloween Carnival Oct. 27**  
There will be a Halloween Carnival Saturday, October 27 at the Clarendon Community Center. Any organization or individual wishing to participate this year needs to call Terri Floyd at 874-2653 or Connie McKinney at 874-3897 before October 24 to get first choice of a preferred booth. Several booths are already spoken for: Haunted House, Kissing Booth, etc. So call now! Booth fee will be \$10.00. This is sponsored by Alpha Upsilon Epsilon.

**Lelia Lake Community Center**  
Lelia Lake Community Center will have a covered dish supper Saturday, October 13, 1984 at 7:00 p.m.

# THE HEART OF THE FIGHTER

## heart clearing

**Clarendon Church of Christ**  
 3rd & Carhart  
 Clarendon, Texas  
**Wednesday 7:30 p.m.**  
**Oct. 18, 1984**

See the World  
 As It Really Is

So we do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing for us an eternal weight of glory beyond all comparison, because we look not to the things that are seen but to the things that are unseen; for the things that are seen are transient, but the things that are unseen are eternal.

11 Corinthians 4:16-18

To be a fighter in this world you need to be free of the illusions about the kind of world this is. This is not a "be-good-and-all-will-be-well" world.

To be a fighter you must embrace the world as it is—a dying, insecure, unjust place. You must learn how to live and how to fight when things go badly, when you're not treated right, when you're not noticed, when you suffer great losses.

Paul describes the world accurately when he says we fight against principalities and powers, against spiritual wickedness. Yet the heart of the fighter need not be filled with life-trapping illusions. To recover real power in the world we must face the world as it is, and love the world as God loves it.

To be a mature adult means overcoming any traces of naivete. It means putting aside false hopes about the security of dying things, the "things that are seen."

You don't have to live in a world of illusion any more. No matter what happens.

## The most efficient, the most economical heating and cooling system for your home.

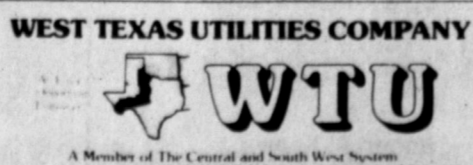

### THE Electric heat pump.

It's part of "the plan" — the Energy Saving Plan

Here's how it works:

**THE ELECTRIC HEAT PUMP:** It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when you install an electric heat pump to meet the E.S.P. requirements that add to your home's comfort and energy efficiency. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the most efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. CALL YOUR LOCAL WTU OFFICE OR A FACTORY-TRAINED ELECTRIC HEAT PUMP DEALER TODAY TO FIND OUT MORE ABOUT SAVING ENERGY AND MONEY ON YOUR HOME ELECTRIC BILLS.

To Qualify, Your Home must be served by WTU and meet our Energy Efficiency Requirements.

## Clarendon Firefighters

This year, Clarendon Volunteer Fire Department proudly celebrates 80 years of providing fire service to Clarendon and the surrounding area. It was organized in 1904 and Chief James Trent served as the first Fire Chief. His term ran for 42 years, ending in 1946. In the entire 80 year history of the department there has only been seven Fire Chiefs. Following Chief Trent were Carl Bennett, Mutt Graham, Basil Smith, Billy Jack Land, Jerry Gage and Delbert Robertson.

Present officers include Chief Delbert Robertson, Assistant Chief Bob Kidd, Chaplain Lloyd McCord, President Buster Gray, 1st Vice

President Raylon Watson, 2nd Vice President Jim Sharrar, Secretary/Treasurer Mark Winsor, and Fire Marshall Clyde Price. Captains are Ernest Johnston, Duane Garman, Jim Sharrar, Bob McCombs, Mutt Graham, and Lloyd McCord.

Other firefighters are Kyle Hill, Kelly Hill, Johnny Gerner, Owen Johnson, Jerry Gage, Bryan Hill, Ross Hill, James Edwards, Bobby Hoggard, Bill Hodges, Richard Maxey, Jim Mincey, Patrick Robertson, Bill Spier, Mike Spier, Gary Thomas, James Thomas, Bubba Newhouse, Larry Taylor and Steve Smith. Total membership is 31, 9 of whom are certified as either ECAs, EMTs or Paramedics. Most have been certified in extrication

and many have their MAST trouser certification.

Rolling stock consists of a Ford Pumper, a Rural Tanker, A Chevy Attack Truck, a Rescue Unit, a Jeep, a 1927 Seagraves Pumper, a Ford Van, and a generator trailer and lighting unit.

The Clarendon Volunteer Fire Department is always looking for people who are interested in joining the department. The regular meeting nights are the 2nd and 4th Thursdays of each month at 7:30 p.m.

If you or anyone you know is interested in becoming a member, see any Clarendon Firefighter or come to the fire station on the next regular meeting night.

### Firebelles goal to help firemen

The Clarendon Firebelles is a new, self-supporting organization formed one year ago. Their goal is to help our firemen through their service. They clean the fire station once a month and take refreshments to firemen fighting fires. The Firebelles have helped burn out families begin again with household items both donated from concerned Clarendon citizens and bought with funds raised by money making projects. Such projects include bake sales, helping with the concession stand for the Little League, selling popcorn at carnivals, etc.

The Clarendon Firebelles consist of EMS, Firemen, and Law Enforcement wives. However, anyone interested in joining the Firebelles and helping our firemen can become an honorary member. At present there are eleven members and two honorary members.

Their projects this month include helping with Fire Prevention Week, painting fire hydrants throughout the city, and selling popcorn at the Halloween Carnival on October 27. They began painting fire hydrants October 6th completing 16 hydrants. Those available to help that day included JoDee Mincey, Connie McAnear, Venita Sharrar, Edie Robertson, and honorary member Molita Greer.

Anyone interested in becoming a member of honorary member, or anyone wishing to donate household goods, should contact Edie Robertson, 874-2607, or any other Clarendon Firebelle member.

### HIDDEN SUGAR

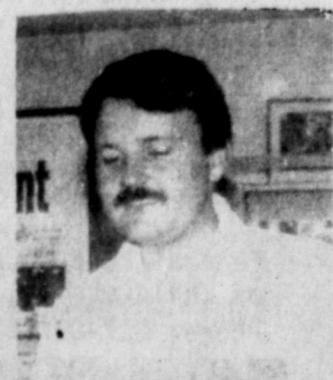

Refined sugar, also known as sucrose...the white material many of us put in beverages and on our cereal...has been called the number one food additive. And as an additive it no doubt contributes to the estimated 128 pounds of the "sweet stuff" that each of us consumes each year. While most sugar comes to us from foods, a "hidden" source may be medicines we take for our health problems.

Manufacturers of prescription and nonprescription products use sucrose and other caloric sweeteners to make their products acceptable to the tongue. The caloric content of a single product may place over 100 calories per day in

the diet. For the person with diabetes, it can mean the difference between control of the disease and lack of control. For individuals on a weight reduction diet, it can mean the difference between weight loss and gain.

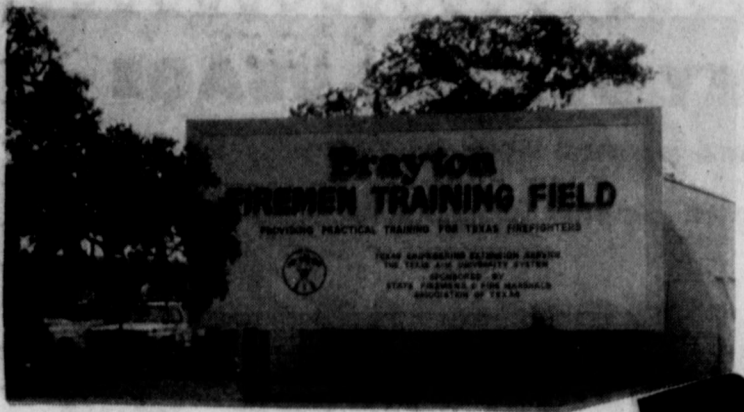

What are drug manufacturers doing about the sugar content of medicines? Fortunately for diabetics, for those on weight reduction diets, and for those who are simply concerned about the "unnecessary" consumption of sugar, manufacturers are reducing sugar content of several products and are using noncaloric sweeteners in others.

# PREVENT FIRES

## Fire Prevention Week

October 7-13 is National Fire Prevention Week. This week is set aside to make the public more aware of fire prevention in the hope that it will last throughout the year.

This year the Clarendon Volunteer Fire Department is sponsoring several events. There will be a poster contest for grades K-8 as well as programs at the school for those ages. There are several really good prizes at stake this year. Trophies will be awarded in five divisions with an overall winner receiving a trophy as well as two \$50 savings bonds which have been donated by the Donley County State Bank and the First Bank & Trust of Clarendon. They have generously provided these in the past as well. Also there will be some ribbons and T-shirts awarded.

The open house will begin at 10:00 a.m. and run until 3:00 p.m. on Saturday, October 13. Poster contest winners will be announced at 10:00 a.m. All posters will be on display and there will be rides on the 1927 Seagraves Fire Truck for the kids as well as refreshments for everyone. Firefighters will be on hand and all fire and EMS equipment will be on display. There will be free literature and free blood pressure checks.

The public is encouraged to attend this event. It is all free of charge.

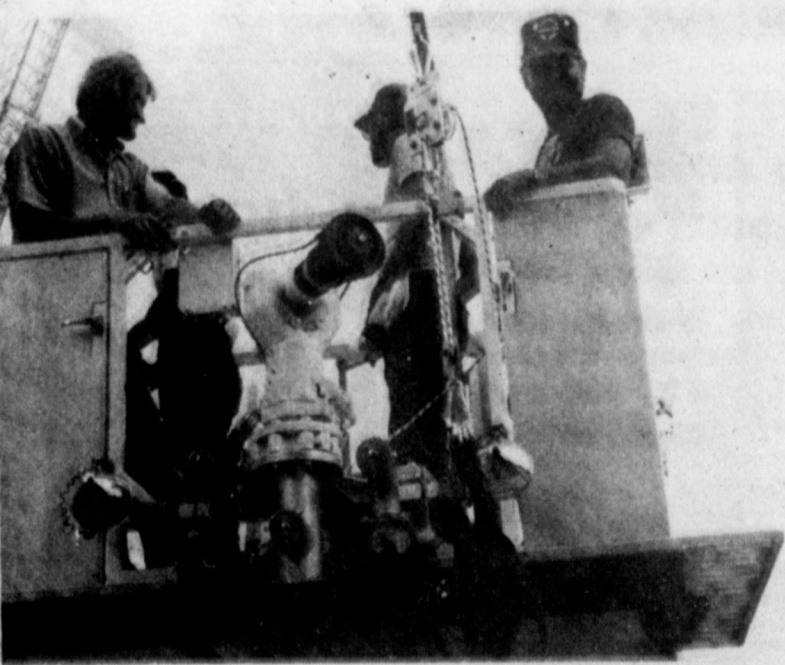

COME SUPPORT YOUR VOLUNTEER FIRE DEPARTMENT ON THE 13th!

## Fire Facts

Fire is one of the most useful tools that man has available to him but it can be one of his most deadly enemies when not controlled.

According to the National Fire Protection Association, in 1982 there were 2,538,000 fires which resulted in 6,137 deaths and \$6,432,000,000 in property loss in the United States. The fire deaths include both civilians and firefighters.

From 4-8 p.m. is the safest time for multiple death fires with only 0.9% reported during this time. From 8-12 midnight 15.8% occur, from midnight to 4 a.m. is the deadliest time with 40.5%. From 4-8 a.m. is second with 25.1%. From 8 a.m. to 12 noon 13.0% occur and from noon until 4 p.m., 4.7%. The deadliest months are November, December, January, February, and April. June, July and August are the safest months for multiple death fires. Cigarettes are the leading cause of accidental multiple death fires in residential properties.

## 1984 Fire Schools

In addition to regular ongoing training, several Clarendon Volunteer Firefighters attended fire schools at other locations this summer.

The 55th Annual Texas Firemen's Training school was held July 22-27, 1984 at Texas A&M University at College Station. The largest fire school in the world consists of a training field that is over 100 acres in size and is worth over \$8 million. Each year, over 10,000 firefighters are trained at the school in all aspects of firefighting including aircraft, industrial, naval, and general types of firefighting. There is also one week of Spanish instruction during the summer.

This year, three Clarendon Firefighters gave up a week of their vacation and took time away from their families to attend the school. Their expenses were paid by the City but they were not compensated for their attendance. Attending from Clarendon were Jim Sharrar who took Firefighting II, Mark Winsor who took Rescue, and Patrick Robertson who also took Rescue. For Sharrar, this was his second time to attend the school, for Winsor his third, and Robertson his fourth. This was the largest school ever held at A&M with over 2220 students, 407 instructors, 26 manufacturer representatives, and 380 visitors. These people came from Texas which was represented by 537 towns, 29 other states, and 3 foreign countries which included Canada, Mexico, and Africa. These people came for only one reason - to be a part of the A&M fire school.

The school features exhibits, classroom and actual hands on firefighting in almost every conceivable type of fire, spill, rescue, hazardous material, etc. The classes ran all day every day throughout the week.

On September 12-13, the Canyon Fire Department held its 11th Annual Fire School in Canyon. While not nearly as large as the A&M school, it was attended by over 400 firefighters from this area. Classes ran from firefighting in many aspects of the fire service. Attending from Clarendon were Duane Garman, James Thomas, Delbert Robertson, and Mark Winsor. As with the A&M school, firefighters were not compensated for their attendance.

By attendance at these and other schools, the community is benefited in three major ways: 1. Fire losses are reduced by training firefighters in modern fire suppression methods, 2. Firefighter injuries are minimized because they learn to protect themselves and others on the fireground, and 3. It reduces the key rate which is used by the State Board of Insurance to figure insurance premiums on homes and businesses in Clarendon. If the key rate increases, so does the amount of premium on the public pays for insurance and vice versa. Presently, Clarendon has as low a key rate as it can have. Training like this, as well as reduced fire losses, allow it to be kept low. Without a well trained and well equipped fire department, your insurance premiums could be 2 to 3 times or more what they presently are.

Recognized by presidential proclamation since 1922, Fire Prevention Week is a special observance to remind people of the pain and losses resulting from destructive fire and burns and to caution "Learn Not To Burn" wherever they may live, work or play, all year round.

# Watt's Happening in Hedley

Hedley has long been known for its pretty girls. Among the prettiest are those who have served as Queen of Hedley's Cotton Festival. For thirty-two years the girls of Hedley have shown the world that the prettiest girls really do live in Hedley.

The first of these was Wanda Hansard Richards who served as Queen in 1952-53. Wanda now lives in Amarillo with her husband, Curtis. The mother of three and the grandmother of a little girl, Wanda has been employed as bailiff for the 320th District Court for the past seven years.

In 1953-54, Joan Youree was the Cotton Festival Queen. Joan Youree Sims Anderson now lives in Weymouth, Mass. with her husband, Sam. She has four children and four grandchildren and says they're the best thing that's happened to her since being Cotton Festival Queen. Prior to moving to Weymouth, she worked for the City of Pampa in the Engineering Dept.

Sandra Youree followed her sister, Joan, as Cotton Festival Queen in 1954-55. Sandra Youree Poff lives on a farm, though they don't farm, near Elk City, OK with her husband, J.L.. She is employed as a bookkeeper for the Dr. Pepper Bottling Company. The Poffs have two children.

In 1955-56, Peggy Clay became the first Quail girl to wear the crown of the Cotton Festival Queen. Married to Lynn Dawson, Peggy has a daughter, Jill. She is employed by the City of Live Oaks, Texas as Secretary for the Planning and Zoning Dept. The Dawsons live in San Antonio.

Lovetta Houdashell served as Cotton Festival Queen in 1956-57. She and her husband, Andy Anderson, have three children. Lovetta is employed by the Canyon Independent School District as Food Service Supervisor at the new Valleyview Junior High School.

Mary Baker was the Queen in 1957-58. Now married to Leroy Pullum, Mary is Assistant Secretary for Southwestern Public Service Company. A member of Amarillo Women's Network, Mary received AWN's Career Achievement Award in 1982. She and Leroy enjoy

fishing, camping, and water skiing. Patti Patton was the second girl from Quail to wear the queen's crown. Serving in 1958-59, Patti Chaykin now lives in Canyon where she is working on her doctorate in English Literature at WTSU.

Kathy McPherson reigned as Queen in 1959-60. Now residing in Lawton, OK, Kathy Richardson is an Adjustor for Shelter Insurance Company. She has three children.

Mary Finchem Farris served as Cotton Festival Queen in 1960-61. She now makes her home in the McKnight Community with her husband, John, and their sons Otis and Shane. She is employed at Rhema Ranch Country Store in Giles.

In 1961-62, Sara Spalding wore the Queen's crown. Now married to Gary Carter and the mother of three children, she makes her home in Clayton, New Mexico where she is employed at a feedlot.

Dolores Messer won the crown in 1962-63. Now Mrs. Larry Crump, she lives in Clarendon where she has an Artists Studio and is rapidly gaining recognition as one of the outstanding artists in the area. The Crumps have two children.

Katrina Snelson served as Cotton Festival Queen in 1963-64. Now married to Maxie Osborn and the mother of three daughters, Katrina is an X-Ray Technologist for Dr. Edward F. Thomas in Amarillo.

In 1964-65, Ricki Rowell was the Cotton Festival Queen. Now married to Jerry Linebaugh and the mother of two sons and two daughters, she makes her home in Hedley and is planning to open a restaurant in Clarendon in the near future.

In 1965-66, Jamie Evans won the Queen's crown. Now married to Tom Buckner, Jamie lives in Juneau, Alaska, where she is a Counselor for Alaska Resource Center. Her job takes her to all the schools in Southeast Alaska.

Beverly was the second McPherson to wear the crown of Hedley Cotton Festival Queen, winning in 1966-67. Now making her home in Ozark, Missouri, Beverly Ray is employed in the Credit Department of Lily Tulip.

Judy Leggett was the Cotton

Festival Queen in 1967-68. Judy Leggett Spier now makes her home in Tallahassee, Florida with her daughter, Marcie. She is an Architect.

Nancy Saunders lives in Hedley with her husband, Henry Stephens and their son, Brannon. Her reign as Cotton Festival Queen was in 1968-69. She is now a hairdresser in Memphis.

Sandy Winn was the Cotton Festival Queen in 1969-70. Married to David Taylor, she lives in Amarillo and has three children.

Kathy Painter was Cotton Festival Queen in 1970-71. She and her husband, Odell Gilchrist, live in Portales, New Mexico. They have one son. Kathy is a nurse and is employed at a Portales hospital.

Renee White won the Queen's crown in 1971-72. Now married to Gary Shields and the mother of three children, Renee makes her home in Lelia Lake and is employed in Clarendon with the United States Department of Agriculture.

Dorothy Wilson was the Queen in 1972-73. Dorothy was last known to be living in Amarillo with her husband and children.

Geneva Naylor was the Cotton Festival Queen in 1973-74. Now a Senior at WTSU, Geneva McAfee is part owner and operator of 'The Cakery' in Amarillo. She has a son.

Shauna White was the 1974-75 Cotton Festival Queen. Now married to Danny Monroe, Shauna is the mother of two children and is a student at WTSU working toward a degree in English and Education. The Monroes make their home in Hedley.

In 1975-76, Becky Johnson was the Cotton Festival Queen. Now married to Ron Ward, Becky lives and works in Hugeton, Kansas.

Kathy Hamilton was the Queen in 1976-77. Now married to Leo Koenig, Kathy is the mother of two sons and is a homemaker. The Koenigs live in Amarillo.

Susan Hall was the 1977-78 Cotton Festival Queen. Married to John Hall and making her home in Hedley, Susan is employed at Mike's Pharmacy in Gibson's of Clarendon.

Sherrie Hill won the crown in 1978-79. She lives in Chicasha, OK

with her husband, Tim McDougal, where she is a Senior student at USAO majoring in Computer Science.

In 1979-80, the Cotton Festival Queen was Su-San Couch. Su-San is a nurse and is employed at Memphis Convalescent Center in Memphis.

Kim Taylor was the Queen in 1980-81. Kim is a Junior at Panhandle State University where she is a business major.

In 1981-82, Debbie Clubb was the Cotton Festival Queen. Debbie is a Senior in Hedley High School. She is the first Future Queen to win both crowns.

Stephanie Holland was the 1982-83 Queen. Stephanie is a Junior at Hedley High School. She was also a Future Queen, proving that the little girls of Hedley grow up to be pretty young ladies.

Gaylee Osborn is the 1983-84 Cotton Festival Queen. She is a Junior at Hedley High School. Gaylee has truly served well.

This newspaper business is new to me. I should be paying Helen for letting me do it. I haven't had so much fun since I was chasing Fred. That didn't pay too well either, but it sure had some keen fringe benefits!

Everybody in Hedley is ready for the 33rd Annual Cotton Festival, which will begin bright and early Friday morning with breakfast in the Lion's Den hosted by the Senior class. Miss LaMoss Springer is planning to take them on a trip next spring, so everybody get up early and come eat with them. They will begin serving at 7:00 a.m. and serve until 9:00 a.m. Queen Gaylee Osborn will be the guest of honor.

There will be almost continuous free entertainment on Main Street Hedley for the next two days. One of the Highlights will be "HOME-BREW," who will be playing on the street from 6:30-8:00 p.m. I am probably a little prejudiced, but I think these young men are about the best young musicians in the area. The group consists of Bill, Steve, and Danny Mullins. The "brewers" are T. and Nancy Mullins.

The Lioness Club will have their chili supper on Friday night. It will be held in the Lioness' Hall. If you haven't been around town lately, that is the old post office building. The Lionesses will start serving chili at 5:00 p.m. and serve until the food is gone or until everybody has had enough. They will serve chili, beans, crackers, drink, and cobbler. The price will be \$4.00 for adults and \$3.00 for children. We ate there last year and those girls can make good chili.

At 8:00 p.m. there will be a talent show in the Lion's Den. Tom Pound will be the master of ceremonies.

On Saturday the Junior class will host the breakfast in the Lion's Den. They will be serving from 7:00-9:00 a.m. Come join Miss Cheryl Birkey and the Juniors for breakfast.

At 2:00 p.m. the grand parade will begin. This is one of the best parades in the area. The floats alone are worth the trip to Hedley to see, even without all the other free entertainment.

Of course, the main event of the Cotton Festival is the Queen's Coronation. This will take place at 8:00 p.m. in the high school gym. At that time, Queen Gaylee Osborn and Future Queen, Michelle Clubb will surrender their crowns to the new Queens.

Mrs. Cassie Owens recently spent a few days in Amarillo with her children. Jimmy brought her home Saturday. On Sunday J.E. and Jean Bain of Sunray, Mrs. Willie Hamilton of Amarillo and Al Monroe of Canadian visited. She had a busy weekend.

Faye Naylor was in Amarillo last week on business. It might have included a visit with her grandson.

J.T. Lamberson was surprised with a birthday party at 3-J's Cafe Tuesday. Helen made the cakes and pie and Mildred furnished the coffee and tea. Those enjoying the party were Jack and Sue Nivens, Opal Evans, Betty Williams, Connie Taylor, Herbert Spier, Jack Stafford, Pie Adamson, Mildred Jennings, Vione Winn, Helen Lamberson, and the honoree, J.T. Lamberson. Everyone got a laugh out of the card that wouldn't open.

Wilma Snelson took her mother, Mrs. Viola Johnson to the doctor in Amarillo Thursday. She got a good report.

Mrs. Nettie Alexander has had company. Helen McCarty of Navasota visited from Saturday until Thursday. They shopped in Clarendon one day. Nettie got a letter from Elsie Shaw. Elsie lives in Dublin now, but her heart is still in Hedley.

Dr. and Mrs. George Shadid visited Nell Land recently. Mrs. Shadid is Nell's niece. I saw Nell driving a new car last week. Lucky Nell!

Fred, Leon and I were in Wellington Thursday. We waved at Virgil McPherson at the sale. Hope his cattle bring a good price. Hope Keith's does too! We visited with my grandmother, Mrs. Dovie Reynolds. We didn't have time to eat lunch with her though, which is the main reason I went. Why is it that grandmothers are the best cooks?

On Friday afternoon, Mike and Donna Lamberson and Mikale visited with Mike's grandparents, J.T. and Helen, enroute home in Burkburnet from Pampa. Helen saw to it that they went home well fed.

Ronnie Hill and Red and Dean Hill made a trip to Dallas recently. Red and Dean visited their children, Ray and Sue Pinkerton, Chad and Mandy.

I saw Clyde Nivens in town a few days ago. He was visiting his cousin, O'Neil Weatherly.

The Hedley Lioness Club met October 4th. President Zora Stephens presided. They made final plans for the Cotton Festival. After the meeting, a delicious dinner was enjoyed by Zora Stephens, Helen Lamberson, Eva Canada, Betty Williams, Shirley Slover, Louise Stewart, Dorothy Whitaker, Sue Weatherly, Mahdeene DeBord, Mary Clubb, Betty Gilchrist, Nora Hopper, Mildred Lett, Mary Ruth White, Dorothea Crawford, Patty Springer, Nina Riddlespurger, Ethyle Henry, Pauline Kaufman, and visitors, Sandra Layton, Nell Hudgins, and Miss Robin Springer. Nell Hudgins is a new member. Some of the members were missed at the last meeting. Louise Stewart, Shirley Slover, and Nina Riddlespurger were there.

Andy Guyette and Harry Rowley and his boys camped out in our pasture Friday night. Andy and Harry work for Santa Fee Railroad in Amarillo. Harry's boys hunt with compound bows. Looks like fun, but I'm afraid I couldn't hit anything with those arrows. I probably couldn't pull the bow strings back, much less shoot it.

A.J. and Jean Rowell are home for a few days. A.J. has been in M.D. Anderson Hospital in Houston for months for treatment. It's good to have them home, even if it's for a week. Ricki and Kim met A.J.'s plane in Amarillo Thursday night and Jean drove through Friday.

Bob and Jessie Roland went to Amarillo to see their kids over the weekend. They had a good time, except Dallas got beat!

Bob has been in Ulysses, Kansas recently to visit Shawn.

Pick and Laquita Cox went to Dumont Saturday to help Linda move. I don't know how much help Pick was able to give with his leg in a cast the way it is. I guess he bossed.

The Senior Citizens still have tickets to sell for the two beautiful quilts to be given away at the Cotton Festival October 13. You can get the tickets from anyone in the Senior Citizens Center. They cost \$1.00 each or for a donation of \$5.00 you can get six tickets. You might mix and match them. Get three on each quilt. I'm not sure about this, but you could ask Jane or Pauline about it. I'd like to have either or both quilts.

There probably won't be games Friday night. The Seniors will have their bingo games going in the center that night, but there will be Monday night, October 15. Come and join the fun, if you have enough energy left after both days of the Cotton Festival.

**Hedley Senior Citizens Menu**  
October 11-17

**Thursday**-Meat loaf with tomato, mashed potatoes, chopped spinach, spiced apple rings, corn muffin, butter, chocolate pudding, milk, tea, coffee, juice.

**Friday**-Roast beef with gravy, corn on the cob, buttered asparagus, carrot-raisin salad, roll, butter, cherry cobbler, milk, tea, coffee, juice.

**Monday**-Pork chops, mashed potatoes, summer squash, green pea salad, corn muffin, butter, sliced peaches with cookie, milk, tea, coffee, juice.

**Tuesday**-Steak with gravy, potatoes AuGratin, Buttered cabbage, pickled beet-onion salad, roll, butter, banana cake, milk, tea, coffee, juice.

**Wednesday**-Barbequed beef, zucchini and tomatoes, pinto beans, green vegetable salad, corn muffin, butter, brownie, milk, tea, coffee, juice.

The Senior class will have their bingo booth in the Senior Citizens Center. They will play from 11:00 a.m. Friday until everybody goes home and on Saturday from 9:00 a.m. until time for the coronation at 8:00 p.m. If anyone wants to play

afterward, they will play.

They will have barbequed sandwiches, French Fries, nachos, sweets and drinks as well. COME EAT WITH THE SENIORS.

The Junior class will sell baked potatoes in the Lodge Hall. On Friday afternoon, they will have a Christmas Craft sale in the Lodge Hall.

The Sophomore class will have a food booth at Pott's Locker building. They will have hamburgers, cheeseburgers, hot dogs, nachos, French Fries, and drinks.

They will also have a drawing for a cake each hour. For a 25 cent donation you will receive one ticket. You can get a ticket from any Sophomore.

The FFA and FHA will combine their efforts this year with their food booth. They will sell hamburgers, cheeseburgers, corn dogs, French fries, beans and cornbread, and drinks.

The students at Hedley School had their first six-weeks tests and got their report cards last week. Those who were named to the 'A' Honor Roll were: Thunder Denton, Karon Harmon-Seniors; Ricky Springer, Gaylee Osborn, Stephanie Holland-Juniors; Mary Ann Quijada-Sophomores; Carmen Quijada, Scheli Holland-Freshmen.

Those named to the 'B' Honor Roll were: David Phelps, Tonya Moore, Craig Kennedy, Brent Hall, Bobby Asher-Seniors; Keith Watt, Amy Shields, Calvin Holland-Sophomores; Tina Shields, Tammy Osborn, Amy Osborn, Steve Mullins, Cindy Kirkpatrick, Cheryl Glover, Carlo Glover-Freshmen.

Junior High students making the 'A' Honor roll were: Billy Clubb-8th; Anthony Carson-7th.

Junior High students named to the 'B' Honor Roll were: Chad Wiggins, Norma Andaverdi-8th; Robert Gilbert-7th.

Elementary students making the 'A' Honor Roll were Curtis Neeley-6th; Jason Wiggins, Jennifer Hill-5th; Stephen Carson, Amanda Ward-4th, David Neeley-3rd, Nancy Andaverdi, Mandi White, Christina Schwertner, Rachel Woodard-2nd, Shannon Johnson, Kari Glenn, Jennifer Chapman, David Ward-1st.

Named to the 'B' Honor Roll were: Dean McCrary, Neal Taylor, Danny Mullins, Susan ee, Wade Gillespie, April Bramblett, Marisol Andaverdi-6th; Tanya Holland, Kevin Johnson, Tyrens Bright-5th; Shawna McCrary, Shanna McCrary, Dana Monroe, Morgan Harmon, Isabel Andaverdi, Tracie Shields-4th; Tiffany Wilkinson-3rd; Joe Beachy-2nd; Gina Garcia, Carrie Moore, Shawn Olson Johnson, Jason Gilbert, Sammy Slover-1st.

The 'A' Honor Roll consists of students who maintain a 90 or above average for the 6 weeks. The 'B' Honor Roll is made up of students who maintain an 80 or above average for the six-weeks period.

**Hedley School Menu**  
October 11-17

**Thursday**-Chili dogs, French fries, sweet relish, cookies, milk.

**Friday**-Cotton Festival.

**Monday**-Teachers Inservice.

**Tuesday**-Steak patties, new potatoes, salad, hot rolls, butter, chocolate pudding, milk.

**Wednesday**-Western burgers, green beans, pickles, onions, peaches, milk.

There will be no school on Friday October 12 because of the Cotton Festival and no school on Monday, October 15 because of Teachers Inservice.

# WELCOME

We Salute  
The Cotton  
Industry

We offer our thanks to the cotton farmers and producers and all those connected to the American cotton industry.

Bringing thousands of useful cotton products to the enjoyment of Americans, the cotton industry provides thousands of jobs for Americans, jobs that help maintain a healthy national economy.

## Senior Citizens News

Barney and I want to thank everyone for their kindnesses and concern during his eye surgery. We are home now and thankful that his vision is getting a little clearer each day. Thanks for the flowers, cards, visits, telephone calls and all your prayers. It takes God and friends to make a perfect life and we are blessed with both.

The Arts and Crafts had a good group attending and working last Tuesday. We are pleased to see this group growing. The Christmas in October Festival will be held at the Donley County Community Center on October 20, 1984. Our Arts and Crafts group will be there with lots of articles. We hope we have lots of visitors at our table -- so look for us.

Carmen will be taking blood pressures on Tuesday, October 16th from 9 a.m. to 1 p.m. This has been changed from Mondays.

### Calendar of Events

October 11-17

**Thursday**-Exercise 11 a.m., Exercise 2 p.m., Game Night 6-10 p.m.  
**Friday**-Exercise 11 a.m.

**Monday**-Exercise 11 a.m., Exercise 2 p.m., Dance Practice 7-9 p.m.

**Tuesday**-Blood pressure 9-11, Exercise 11 p.m., Arts and Crafts 1 p.m., Dance 8-11 at the Community Center.

**Wednesday**-Hearing Aid Test and Service 10-12, Exercise 11 a.m., Exercise 2 p.m.

### Senior Citizen Menu

October 11-17

**Thursday**-Fish sticks, French fries, stewed tomatoes, coleslaw, hushpuppies, plums, milk, tea, coffee.  
**Friday**-Fried chicken, cream potatoes with gravy, green peas, tossed salad, banana pudding, hot rolls, milk, tea, coffee.

**Monday**-Chicken fried steak with cream gravy, mashed potatoes, green beans, Ambrosia Salad, white cake, hot rolls, milk, tea, coffee.

**Tuesday**-BBQ Ribs, potato salad, baked beans, sliced tomatoes and onions, peaches, dinner rolls, milk, tea, coffee.

**Wednesday**-Liver and onions, English peas, corn on cob, carrot and celery sticks and cheese plate, cherry cobbler, dinner rolls, milk, tea, coffee.

## Who's New

### Jamie Ray Fichte

Zachary Fichte announces the arrival of his baby sister, Jamie Ray. She weighed 6 pounds, 9 ounces and was 19 inches long. The little miss was born October 8 at 3 p.m. in Salt Lake City, Utah. Her parents are Cathie and Ray Fichte.

Paternal grandparents are Mr. and Mrs. Harvey Fichte and maternal grandparents are Mr. and Mrs. Jack Owens, all of Clarendon.

### Kevin Michael Green

Marvin and Penny Green are pleased to announce the birth of their son, Kevin Michael, on September 27, 1984. He weighed 7 pounds and 5 1/2 ounces and was 20 1/2 inches long.

Proud grandparents are Mr. and Mrs. James H. Swearingen of Clarendon and Mr. and Mrs. Mike Donberger of Amarillo.

## New Cars

### Purchased from Chamberlain Motor Company

1984 Buick by Louie Griffin, Clarendon.

10-08-84 Ralph Hill, 54 of Clarendon no transport from Clarks Restaurant, Clarendon, Medical.

257 responses handled in 1984 to date.

**Donations received:** Mr. and Mrs. Albert Moore in memory of Bill Todd and Doyce Graham; Mr. and Mrs. Roy Blackman in memory of Bill Todd and Doyce Graham; Mr. and Mrs. E.A. Tipton in memory of Ola Killough and Doyce Graham; Mr. and Mrs. Tim Cole in memory of Doyce Graham; Mr. and Mrs. C.A. Pitts in memory of Ola Killough.

### Jaws of Life Donations

Mr. and Mrs. Huell Bingham in memory of Bill Todd.

## Nursing Association to meet Oct. 11

The Greenbelt Nursing Association will conduct their quarterly meeting Thursday, October 11, 1984 at 7:30 p.m. at Medical Center, Clarendon.

This will be a business meeting to discuss the possible dissolution of the association.

## A Moment for Meditation

by INEZ LAWRENCE

Children's children are a crown to the Aged." Prov. 17:6

Grandparents are great brag-garts. Their children are the smartest, the best looking, and on and on. Our number one grand-daughter who is a homemaker sent me this poem to think about. I do not know who wrote it, but I recommend it.

It's just a good thing God above has never gone on strike Because He wasn't treated fair for The things He didn't like.

If he had ever once sat down and said: That's it - I'm through, I've had enough of those on earth So this is what I'll do.

I'll give my orders to the sun. 'Cut off your heat supply;

And to the moon, give no more Light, and run those oceans dry.

Then just to really make it tough And put the pressure on Turn off the air and oxygen Till every breath is gone."

Men say they want a better deal And so on strike they go, But what a deal we've given God To whom everything we owe.

We don't care whom we hurt or harm to gain the things we like, But what a mess we'd all be in If God should go on strike.

Each time I read the poem I give thanks to God, for His mercy and her sensitiveness to Him. I wanted to share it with my readers.

The world's first known zoo was kept by Queen Hatshepsut of Egypt about 1500 B.C. Giraffes, monkeys and leopards were part of the collection.

### Ashtola Martin News By Naomi Green

Ruth and Fred Mandrofsky were in New Mexico last week. They spent the night at Fort Sumner and visited a Masonic Lodge where Fred had been past Master. At Las Lunas it had recently rained but was hot. They visited Gay and Donald Cater and family there. At Ruidosa it was much cooler and their visit was with Leroy and Freddie Nowell. They went on to Angus and visited their oldest grandson.

Lloyd Risley went to Denver City Wednesday to visit Jim Risley and family. It was Jim's birthday and Melba missed the occasion. She will be back on the road when we get that back fixed. Lloyd reported crops still looking good. Jim had not started digging peanuts.

Clifford and Stella Jewett were in Amarillo to help Brandon Mason celebrate his eighth birthday at Pistol Pete's Pizza. They stayed Sunday night but returned Monday to continue their painting the trim of their house project.

Leane, Trish and Seth Thornberry from Lubbock spent Friday night with the Lloyd Risleys. Leane and Trish went on to Amarillo for a soccer game Saturday. They returned to spend Saturday night with the Risleys.

Naomi Green and Laura Tucker were in Amarillo Tuesday for Mrs. Tucker's doctors appointments.

Mr. and Mrs. Pete Land were in Hedley Sunday to see Ellen Faye Land and Mr. and Mrs. H. Mobley.

Pat Scroggins and Mary Land were in Claude Sunday to see Jackie Land. They reported that he was doing very well at this time.

Monday night the Don Mather-sons from Claude and the Lacy Nobles brought their supper and had Supper Club and played dominoes with the Lloyd Risleys.

Eunice Land was a guest at the WMU salad supper Monday night.

Derlene Graham and her mother, Elene Ward of Memphis went to Sheffield, south of Odessa to attend the funeral of a cousin, Dean Clay, who was killed in an accident with electricity.

Connie Havens is proud of her new title of great aunt. Clifton's oldest son of Kiowa, Kansas has a son born Saturday night weighing 8 pounds and 4 1/2 ounces. They named the boyd Clayton Duane Phillips.

Frances Grimland of Amarillo came Monday afternoon to quilt and visit with her sister, Ruby Jewel Hardin.

Dane and Edna Perdue were in Amarillo Wednesday for a dentists appointment. They had lunch with Kathryn and Tyler Stephen Scott.

Doss and Clara Finley visited with Dora Joiner Sunday afternoon. Dora raided their turnip patch for greens Monday.

Mr. and Mrs. Newell Hall of Hedley visited with the Royce Halls Sunday.

Reagan for attending prayer break-fasts and speaking out on religious freedom and morality. But never once do they mention how many black churches have been turned into Mondale recruiting camps by the Rev. Jesse Jackson gang. One writer dared to say it: "Has anyone heard Ronald Reagan make a speech with as much religious symbolism as the Rev. Jesse Jackson's at the Democratic National Convention? And what about the

nuclear freeze movement and the deep religious involvement here?" Catholics and modernist National Council leaders have expressed their political convictions for years. As long as the liberals do this it is fine. But let Bibles-Believers such as Rev. Jerry Falwell speak up and the leftists cry "fou!" All I can say is keep it up Bro. Jerry!

### From The PEN of PASTOR PINION

#### RELIGION AND POLITICS

There is much inconsistency in those liberals who point their fingers to Bible-believers that express their views in politics. The unsaved world and the media are all mixed up. Fundamental Christians are afraid of liberals and a far-left platform, not because of the injection of "religion" into the campaign, but because we know we wouldn't have much religion left in America if the extreme left liberal activists took over.

Abortion, pornography and homosexuality are not just religious issues, but moral issues. They are in opposition to all that decent American have stood for through the centuries. So it is not a matter of Democrat or Republican. We are voting for our very lives! Vote if you value your freedom. Mr. [Name] at President

### 4-H: Building on Experience

4-H has a proud 75-year heritage that forms the basis of this year's National 4-H Week theme, "4-H: Building on Experience."

National 4-H Week, October 7-13, is a special time for 4-H members and leaders to promote the nation's largest youth organization and to bring some recognition to its contributions, points out Ronald Gooch, Donley County Extension Agent.

Over the years millions of 4-H'ers have gained valuable leadership experiences and learned practical skills that have improved their quality of life, notes Gooch.

Today, almost five million youth across the nation between the ages of 9 and 19 are gaining valuable learning experiences through 4-H -- almost 200,000 of those are in Texas. The Texas 4-H program reaches boys and girls through more than 2,000 community based clubs and another 900 short-term project groups.

4-H'ers are engaged in some 50 different project areas in which they gain lifelong skills through the

program's "learning by doing" concept, points out Gooch. These projects had their beginning in 1908 when special Corn Clubs were organized for boys in Jack County. First focusing on such traditional areas as crop and livestock production and canning and sewing, 4-H projects now deal with a wide range of subjects, including small engines, rocketry and veterinary science -- even the use of computers.

The 4-H program is conducted in each state through the Cooperative Extension Service and is backed by the state's land-grant university (Texas A&M University for the Texas program) and the U.S. Department of Agriculture. Some 17,000 adult and teenage 4-H leaders shoulder much of the responsibility for the 4-H program in Texas, says Gooch.

#### 4-H theme based on strong foundation

The old saying that a building is only as good as its foundation has a lot of merit when it comes to the 4-H program.

4-H is built on a good foundation

and thus continues to be an excellent program for youth between the ages of 9 and 19, says Ronald Gooch, Donley County Extension Agent.

The program's foundation is the basis for this year's theme, "4-H: Building on Experience." The theme will receive special emphasis during National 4-H Week, October 7-13.

Just what does the theme, "4-H: Building on Experience," mean? Gooch offers these interpretations: "4-H centers on the "learning-by-doing" process which enables each member to build a foundation for a life as a productive and contributing member of society.

"4-H is based on solid educational experience: professional expertise of the state land-grant university and the U.S. Department of Agriculture, skilled volunteer leaders whose guidance paves the way to individual growth and accomplishment, active involvement of family members who share in the 4-H activities, and support from business and government leaders who provide human and financial resources.

"4-H'ers build on their own experiences as well as on those of others in acquiring practical skills, using good health habits, developing respect for themselves and others, exploring career and leisure time opportunities, sharing responsibility for preserving the environment, developing leadership skills, and becoming involved as citizens in their community, nation and world.

4-H has a solid foundation and a proud heritage on which to build for a bright future, says Gooch.

### Clarendon JV loses to White Deer

The Clarendon Junior Varsity football team lost to the White Deer Bucks 6-38 at Skellytown last Thursday. In the first half the Broncos had three excellent pass plays each for about twenty yards. Quarterback Wes Hatley hit James Ariola once and Mark Luttrell twice.

The pass protection was provided by Neal Bellah, Clint Hunt, Steven Phillips, Darran Hewett and Mike Hook. The Bronco offense sputtered in the first half with less than

thirty rushing yards. Daniel Ford and the punt team had three excellent punts to put the Bucks offense back in White Deer territory. The Bronco defense had the difficult task of trying to stop the aggressive running of White Deer. James Ariola, Arthur Harris, Mike Hook, Walt Thompson, Darren Hewett, and Daniel Ford put good defensive pressure on many of the Buck's plays. By the half, the Broncos were down by a score of 0-22.

In the third quarter, the Bronco offense could not get on track again as the Broncos were intercepted three times. Mark Luttrell had a big interception and Shawn Hermsmeyer recovered a Buck fumble to stop two White Deer drives.

About a minute into the fourth quarter, Daniel Ford took a pitch and hit James Ariola with a pass who then ran eighty yards for the only Bronco touchdown. Wes Hatley completed a pass to Clay Sharp for the two point conversion making the score 8-28. Later in the quarter, James Ariola recovered a Buck fumble and had an interception to stop two drives deep in Bronco territory. Throughout the game the Bronco special teams played well. Other Broncos who played were Jay Gager, Todd Phillips, Derek Howard, Danny Gaines, Martin Vaquero, David Porter, and Neal Bellah.

"Our boys played hard but we couldn't get things going on offense," said Coach Loveless. The Broncos record is 1-3 and play Memphis Thursday in Clarendon at 7:30. Come out and support your Bronco team. Beat the Cyclones!

### 4-H Project to sell pecans

The Donley County 4-H Horse Project will be selling pecans as a fund raising project again this year.

These are Del Cerro Kitchen Ready Pecans from Stahmann Farms in Las Cruces, New Mexico. The price will again be \$4.00 for the 1 pound package of fresh pecans.

These pecans are available from any member of the Horse Project, or by calling the County Extension

Office at 874-2141. They will also be available at the "Christmas in October" Bazaar on Saturday, October 20, 1984, from 9 a.m. until 4 p.m., at the Clarendon Community Center.

The Horse Project appreciates your past support of this project, and is looking forward to selling you some pecans for your holiday baking.

### Kay Hayes appointed to advisory committee

The Texas Education Agency is in the process of developing a 12th grade (exit level) basic skills test. This test will be administered for

Donley receives

\$15,329.08 for road construction

State Treasurer Ann Richards has sent checks totalling \$7.3 million to Texas' 254 counties for road construction and maintenance. Donley County received \$15,329.08 of this.

The Treasurer each year disburses money appropriated by the Legislature for the Lateral Road Program. The grants may be used by counties for the purchase of right-of-way and for construction and maintenance of lateral roads, farm-to-market roads or state highways.

The money is allocated to each county under a formula based on the county's area, rural population and lateral road mileage, Richards said.

the first time in the fall of 1985. Assisting with the development of this test is an advisory committee made up of selected educators from across the state.

Kay Hayes, Clarendon High School English teacher, has been appointed to serve on this committee. She met in Austin on September 19 to identify objectives for the new test and will return to Austin on October 25 to assist in finalizing measurement specifications.
