

YOU NOW CAN see the front of the Adair Hospital, which is being made into the Saints Rost Museum. The clean up crew headed by James Owens, has done

a terrific job of cleaning up the grounds and hauling truck load after truck load of trash and junk to the dump. There will not be a work day this Saturday. The next job will

be to get the windows back into the building. Some 100 windows have been broken. James is trying to get the glass ready and when that job is done, the Museum will again ask for volunteers to help put them in.

Broncos ambush Indians 34-13

The Clarendon Broncos rode into Quanah last Friday night in hopes of a victory to stay in the district race. They out scored the Indians 34-13. The new wish-bone formation ran for 300 yards with Rodney Smith having his best night of the season with 234 yards on twenty-eight carries. Friday night also saw the return of quarterback Trent Sharp. Sharp had missed five games due to a dislocated elbow.

The opening kick-off was sign of things to come as Dean Cearley knocked the ball loose and Brent Hayworth recovered for the Broncos on the Quanah 26 yard line. The Broncos struck quickly behind the running of Smith and a 12 yard pass from Sharp to Cearley. On the sixth play scored from the six yard line. Sharp added the extra point and the Broncos led 7-0.

The next score came from the Indians on a 33 yard pass from Robb Harris to Jason Eggleston. The extra point was added and the quarter ended with the score 7-7.

The second quarter saw both teams move the ball. The Broncos struck from 91 yards out as Smith went right and cut back left and out ran the Indians to the goal line. Dewey Mincey, Stanley Gardner, Russell Alexander and Cearley all had good blocks along the way. The point was missed and Clarendon led 13-7. Quanah behind Stanley Paynes running tied the score 13-13. Payne went 12 yards for the score. The Broncos punted to the Indians and they fumbled and Smith recovered at the Indians 24 yard line. The Broncos quickly went the distance with Smith scoring from the 6 yard line. Sharp added the point after to give the Broncos a 20-13 halftime lead.

The third quarter saw both teams move the ball but unable to put points on the board.

The fourth quarter saw the Broncos march 70 yards to score. Cearley took a pass over the middle for 17 yards from Sharp to put the ball on the two and Garner went in from there and Sharp added the point to move the score to 27-13. The Indians moved to the Broncos 30 yard line and the Broncos sacked Harris and knocked the ball loose and Richard Torres recovered the ball at the Bronco 45 yard line. Smith and Gardner ran the ball to the Indian 15 yard line and on fourth and one for the first down, Sharp hit Cearley for a touchdown. Sharp added the point and the Broncos led 34-13.

After an interception by Torres, the Broncos marched to the Indians seven yard line as time ran out. The last drive saw Leland Howell at quarterback and Marcus Smith

doing the running.

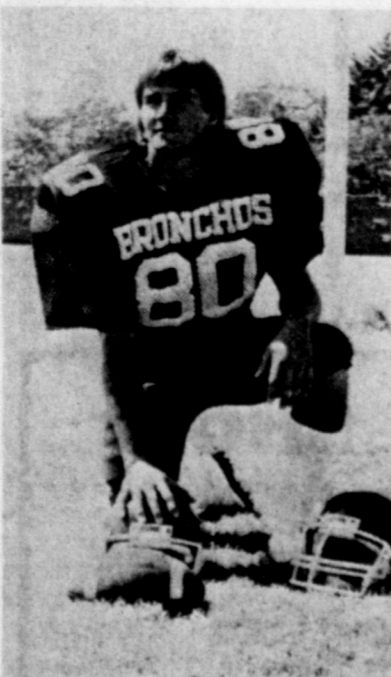

The Bronco defense was led by player of the week Dean Cearley. Also playing well on defense was Mincey, Howell, and Robert Youngblood. Howell had 18 tackles, Mincey and Youngblood had a total of 15 tackles.

The Broncos offense was led by player of the week Rodney Smith. Also having a good night was Cearley and the rest of the offensive line, Bret White, Tim Cole, Alexander, Lynn Alderson, Rod Keown. Gardner made some tough yards up the middle. Mincey did a good job from his blocking back position. Sharp was a welcomed addition to a previously staggering offense.

The McClintocks were appointed as missionaries to South Africa in 1964. They worked at Ethel Lucas Memorial Hospital in maintenance, construction and bookkeeping. In 1978 the McClintocks moved to Southwest Africa to become involved in training people for a self-help program associated with opening of Nazarene churches there.

In February, 1983, the McClintocks were moved to the Republic of South Africa to work in the Compassionate Ministries Program of the Church in the Republic of the

Mary's Country Kitchen listed in "Best Country Cafes in Texas"

Mary's Country Kitchen has been listed in the book "The Best Country Cafes in Texas," written by John Forsyth and Meg Tynan.

They wrote, "when we strolled into the spacious dining room on a clear, beautiful Panhandle morning, it was a good stopping point on that kind of day. It was more than a hint of good inside, and we found that out quick in the form of a porkfest that Mary calls her ham omelette, served alongside some almost-crisp griddle cakes that'll set you to smiling. Big eaters should ponder the breakfast special: two eggs, breakfast steak, hash browns, hot biscuits or Texas

toast, Jelly and coffee all for \$5.85. One should give the lunch buffet some serious attention. Fact is, this restaurant puts on a fine one, for \$3.95 weekdays and \$4.95 Sundays. Oh, you oughta see this place on Sunday!"

Forsyth is a 1975 graduate of TCU and has a degree in journalism. He has worked as a copy editor, design editor, and writer with the Fort Worth Star-Telegram. This is his third book. Tynan is a graduate of the University of Houston and has worked for the brokerage house of Rotan-Mosle and the Houston Post. This is her second book.

VA to check on attendance before paying school benefit

The Veterans Administration announced today it has changed the way it verifies attendance of veterans and beneficiaries in GI Bill non-college degree programs.

Stephen Lemons, Director of the VA Regional Office in Waco, Texas said that, effective September 1, the federal agency now verifies school attendance on a monthly basis instead of quarterly.

He said this change affects veterans and beneficiaries in farm cooperative management programs, vocational technical schools and other non-college degree certificate programs.

Payments for each month that the veteran or beneficiary is in school will be made only after verification of attendance has been received. Lemons said this procedure "will significantly reduce the overpayments that the Veterans Administration has experienced in the past."

The VA director said that advance payments will continue to be processed as in the past, when such payments are requested by the veteran and the school participates in the advance payment program.

He urged students in the program who experience payment

problems to call the VA toll-free by using the number listed in the local telephone directory.

Stay and Play Nursery Observe Halloween Safety

The Stay and Play Nursery studies Halloween safety this week. Some of the safety rules that will be discussed are:

1. Never go trick or treating alone.
2. Go to houses where you know people.
3. Carry a flashlight.
4. Don't eat treats until Mom and Dad check it.
5. Be sure your costume is one that you can walk without tripping.
6. It is safer to paint your face with makeup than to wear a mask.

On Thursday, Jerry Morris, a local state highway patrolman, is scheduled to give a talk to the kids at Stay and Play Nursery on the safety rules for Halloween.

Jerry Morris is appreciated for his time and concern in discussing safety with the children.

Foster receives community service award

Haskell Foster of Valley Cottage, New York was recently selected for the 1984 Community Award by Union Carbide, for his volunteer work with BIPED Corp., an acronym for Business Information Processing Education for the Disabled. Mr. Foster has been actively involved with BIPED Corp. since its beginning. He was responsible for the renovation, construction, and equipment installation at their two facilities in Stamford, Conn. and White Plains, N.Y.

The Stamford facility has been operational for four years and has successfully placed a number of now employable handicapped in local companies, including Union

Carbide.

Contributing his planning expertise, he helped to improve the operation of the Stamford facility and worked much of the last year on designing, planning, and implementing their second and newest facility in Winchester.

A member of the Equipment Committee, Mr. Foster negotiated with various organizations for donations of material and services, and consistently on call to perform various jobs in support of the needs of the BIPED training facility.

Mr. Foster is the son of Mr. and Mrs. Leon Foster and the brother of Geraldine Holland, all of Hedley.

Country Store begins November 6

Members of Martin Baptist Church are beginning to gather gift items for their "Country Store" shopping venture for the residents of the Medical Center Nursing Home. The dates are fast approaching for their first day to go shopping. The first Tuesday in November, November 6, is the target date.

Many nice items have been collected so far, and they anticipate further participation from the community so that they will not have to limit the residents to one or two gifts. One church or organization can not do it all and they appreciate the response they have already received and look forward to what

others are going to do. There seems to be more of a need for gift items for men right now.

They would again like to emphasize that this is not a fund raising project for them, so no money will actually change hands. Gifts will be priced in some sort of token or play money and then the residents will be given the same to buy the gifts they want.

When you get your items together, if you will call Ann Bunyan at 874-2600, Carlene Hollar at 874-2017 (after 1 p.m.) or Martin Baptist Church at 874-2025 anytime, arrangements can be made for someone to pick up your donation.

Texas Tech University's horse judging team places 1st

Texas Tech University's two horse judging teams have scored a double victory by placing first and tying for second overall in the Grand National and World Championship Morgan Horse Show at Oklahoma City.

Animal Science Professor and Coach Jim Heird said, "This is the first time we have ever competed in this contest. We don't see many

Morgan horses in this area. The kids did it on their expertise rather than knowledge of Morgan horses." Heird said Texas Tech's Squad "A" accumulated 1,274 points out of a possible 1,350 to win first in the October 8 contest. Dean Hawkins, animal science agricultural education senior, is a member of the "A" squad.

Out of the past 12 national-level

collegiate horse judging contests, Texas Tech has placed first eight times. "This is the second straight win for this team," Heird said. Dean Hawkins and Beck Terrell tied for first place in overall individual honors. Hawkins won using the tie-breaking system of higher scores for oral reasons.

Hawkins is the son of Mr. and Mrs. Jerry Hawkins.

MAY AID HEARING

Vitamin D helps the body absorb calcium and phosphate and incorporate these minerals into bones. Children with too little vitamin D develop rickets and skeletal deformities. Adults with vitamin D deficiencies of diet or absorption suffer severe pain as bones soften and bend.

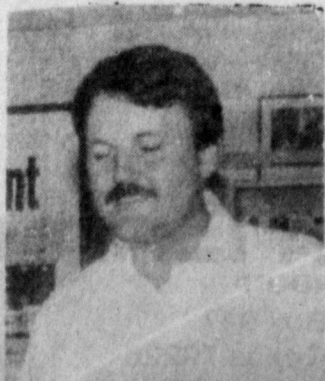

Recently studies in Britain have suggested that previously unrecognized deficiencies in vitamin D may be one cause of progressive deafness. A critical part of the hearing apparatus is a small bone in the inner ear. Demineralization of this important little bone from calcium losses could affect hearing.

Investigators tested calcium and vitamin D status of patients with hearing loss. Many were deficient in vitamin D and therapy with that vitamin improved hearing in some of the cases.

Everyone needs adequate vitamin D from food and sunlight for strong bones and teeth. Postmenopausal women, in particular, may have thinning and weakening of the bones and may need to take calcium and vitamin D.

Vitamin D is the most toxic of all vitamins in large doses. The U.S. Recommended Dietary Allowance is 400 I.U. If more needs to be taken a doctor should be consulted.

Letter to the Editor

To the Editor and the young kids of Clarendon,

I don't believe most parents do know what is happening in our high school. Sure we know that there are teenage girls getting pregnant, sure we know more young people are drinking, and sure we know some are even experimenting with drugs. But do we really know why? I don't believe you can blame the parents as a whole for these problems. Last year the movie was open, last year the arcade was open, yet still some high school girls became pregnant, some high school kids still drank and some probably experimented with drugs.

We moved back to Clarendon last year from the New Orleans, La. area, after a 20 year absence. This is where drugs in school were norm. This is where dogs were brought in every month to sniff out drugs. This is a place where liquor was everywhere. We wanted to move back to a place that was void from all of these problems. But that just wasn't to be. The first week we were back, the paper told of a drug bust in Clarendon. But I don't believe that the parents can be totally blamed or can they?

Maybe we should be blamed for not making our kids account for every minute they are away from home. Maybe we should be blamed for letting our kids drive up and down the street for hours at a time. Maybe we should be blamed for not setting a 10 o'clock curfew instead of a 12 o'clock curfew or not one at all and maybe we should be blamed for not being in church Sunday morning with our kids.

Sure we should be more concerned with what is happening in our high school. We are concerned. This year, we are organizing a PTA. This is not just for parents and teachers. It is an organization which is concerned with the kids in our schools. One of the many responsibilities of the PTA is to sponsor activities for our kids. We are trying and we are concerned. But to blame one side or another is not fair. To blame not having enough recreation activities in Clarendon is too lazy. Recreation

MICHAEL PILLARD was a 4th place winner in last weeks Fire Prevention contest. The picture of him and his mother was accidentally left out of last weeks paper. Sorry Michael!

activities are not always the answer but rather the moral values we teach our children. Yes, we do care about the young people today. But we just don't have all the answers. Do you?

1926 Book Club met Oct. 16

The 1926 Book Club met October 16, 1984 at the Patching Club House at 4:00 p.m. Delicious refreshments of apple cake, coffee, hot punch, and nuts were served by hostesses, Hazel Monroe and Glenda Hawkins. The room was decorated so pretty with fall colors denoting the pumpkin season.

President Frieda Tucker presided. The minutes were read and approved. President Frieda reported that the Board for the Club House wanted to have a Rummage Sale because so many items were still left upstairs. They are thinking about November 2 and 3, but details will be finalized later and everyone will be contacted by phone. Everyone needs to participate by bringing items for the sale. Hazel Brandon made a motion the Book Club participate in this endeavor, it was seconded and passed.

Everyone was reminded that the next meeting will be November 6 at the city library. Members are to go directly to the city library not the Patching Club House.

It was reported that treasurer, Pauline Morris, fell and broke her hip. A card was signed and sent to her in the hospital. Betty Veach was appointed acting treasurer until her return. The club wishes her a speedy recovery.

The program was presented by Clarence Hamilton on the subject of Planning the Texas Sesquicentennial (150th birthday of Texas). He reported on the projects that Donley County, was participating in for the Texas Sesquicentennial for 1986. It was a very interesting program.

The meeting was closed with the reading of the club "Collect".

Attending were: Frieda Tucker, Mary Beth Nelson, Hazel Monroe, Glenda Hawkins, Oressa Delaney, Hazel Brandon, Jessie Adams, Mary Hazel VanZandt, Dorothy White. Guests were Jake Smith, Lucille Smith and Clarence Hamilton.

A Moment for Meditation

by INEZ G. LAWRENCE
"He is like a tree that yields its fruit." Psa. 1:3

A fruit tree may be many things in its lifetime. It is beautiful in springtime loaded with blossoms - a lovely view. It may be welcome shade from the scorching summer sun or temporary shelter from a wind or snow in the winter. It also may in an emergency provide wood for a fire. All these good services are possible for a fruit tree during its life, but these are not the primary purposes for having a fruit tree around your place. Its reason for being is to bear fruit. Unless it does so you will likely replace it eventually.

The Bible says people are like fruit trees and the ones who delight

in the law of the Lord bear good fruit. Jesus Himself said, "Every sound tree bears good fruit." He was discussing basic attitudes and priorities when He made the statement. Now observe the fruit tree again. It may be ornamental only, or it may be useful in an occasional emergency but it will not fulfil its primary function - bearing fruit. We may look good but have little substance in our character. This was true of the Biblical fig tree. It had beautiful leaves but no figs.

1926 Book Club met

On October 2, 1984 the 1926 Book Club met in the Patching Club House for their regular meeting. The hostesses, Frieda Tucker and Pauline Heath, served delicious pumpkin dessert with coffee and tea. Sixteen members and guests were present.

Each member read the "Club Collect" to open the meeting. Frieda Tucker, president, presided. The minutes of the previous meeting were read by Recording Secretary, Betty Veach, and they were approved.

Members were reminded that the next meeting will be October 16 and Mr. Clarence Hamilton will bring the program.

President Frieda Tucker presented Mrs. Maurine Butts. Mrs. Maurine Butts, Home Economics teacher at Clarendon High School, presented the program this afternoon. She presented an excellent program on fashions. She presented a film strip depicting the history of fashion since the Roman days. The program was very interesting.

Attending were: Norma Jones, Pauline Morris, Ethelyn Grady, Thelma Bairfield, Mary Hazel VanZandt, Carolyn Hamilton, Oressa Delaney, Glenda Hawkins, Jessie Adams, Susie Shields, Frieda Tucker, Evelyn Mann, Pauline Heath, Dorothy White, and Betty Veach.

From The PEN of PASTOR PINION

Christians should be committed to Bible principles not political promises

America is the greatest country in history because of its spiritual heritage and foundation. Proverbs 29:2 says, "When the righteous are in authority, the people rejoice; but when the wicked bearth rule, the people mourn." And Proverbs 12:34 says, "Righteousness exalteth a nation, but sin is a reproach to any people."

There is no way that government can be separated from God and still be successful. God is the ultimate authority. I tire of hearing the doctrine of "separation of church and state" interpreted to mean that those who attend church or believe in God can have no influence in political activity or public policy-making. If pro-family, moral, Biblical, hard-working, and decent individuals stay out of politics, who does that leave to make the policies under which we all must live? I'm tired of hearing about radicals, perverts, liberals, leftists and communists coming out of the closet. It's time for God's people to come out of the closet and the churches to influence positive changes in America!

Neither our founding fathers nor Jesus Christ initiated the current Godless interpretation of the doctrine of church-state separation. Jesus said, "Ye are the salt of the earth (Matt. 5:13). If we live in unsavory times, it's because of a deficiency of the sacred salt that gives flavor to all life. We must penetrate every area of our society, even the political area. How do we expect the Godly, the decent, the moral to be elected if the Godly do not elect them? How do we expect any politician or candidate to stand for principle if the people who believe in principle don't vote and stand behind them?

We're the guilty ones. If there is a darkness in the land, it's because there's a scarcity of light. Jesus commanded us to put the light on the lampstand, not under a bushel (Matt. 5:15). Why is it that certain political elements don't like the idea of Christmas coming out of the closet politically? Because those corrupt politicians perform better in the dark! They don't want their dirty deeds revealed. They don't want us involved. It's time we stopped listening to them. It's time we told them we're going to be involved.

dent, announced the appointment of two new members, Mary Kay (Muzzy) Hayes, and Johnny Leathers.

Reporting on the fund raising events of the past year showed the Bike-a-thon bringing in \$2,321.75;

business (again 100%) \$1,180 for a total of \$6,069.69. With other known fund raisers whose total were not available, the final Donley County amount comes to about \$6,400. Most impressive for our county and most expressive of the generous persons who live in our towns and communities.

A.R. Henson is the chairman for services to the cancer patients in this county. The needs for these patients includes transportation to Amarillo for treatment, for some. There are 12 to 15 persons who are volunteers insuring that patients are able to get to Amarillo for their cancer treatment. Other services are equipment, dressings, etc. If you know of anyone who needs help and is not aware of services offered have them contact A.R. Henson. Mrs. Caldwell commended Henson for his efforts in behalf of cancer victims.

"Can-Surmount" coordinator Onita Thomas reported on that group. This group is for the cancer patients who may offer encouragement and for those who need their support of the companionship of those who understand the illness.

Among the awards presented was the Chapter Life Guard Award for Kay Hayes. This is one of the state's highest awards. Mrs. Hayes is Public Education for the Donley Unit.

The Donley Unit also received certification for another year. The statewide amount of \$3,000,000 to be raised in special events this year was announced.

Program for meeting was brought by Dr. Turner (Tim) Caldwell, of

Amarillo. Dr. Caldwell is the son of Genevieve and Red Caldwell. After viewing SKIN CANCER, a short film, Dr. Caldwell, discussed three types of skin cancer. He said all skin cancers are curable if caught in time. Of these melanoma is the most serious and if not treated in time can cause death. There is a service at the Harrington Cancer Center in Amarillo where screening of persons is done in an effort to catch the deadly skin cancers. You may be in the high risk group if you are Scotch or Scotch/Irish decent, have blue eyes and blonde or red hair. You have the screening service in Amarillo available to you. Other ways to protect your skin other than a hat, parasol, etc. are sun screens with a

15 protection factor. Two of these are Sundown and Coppertone Super Shade.

Present were Genevieve Caldwell, Red Caldwell, Johnny Leathers, Naomi Phelan, Imogene Brumley, Melinda McAnear, Onita

Thomas and Mary Kay Hayes. Also Mary Ruth White, Susie Shields, Ethelyn Grady, Darlene Spier, Jeff Walker, guest Dr. Turner Caldwell and Janice Weatherly attended.

THE HEART OF THE FIGHTER

heart overflowing

Clarendon
Church of Christ
3rd & Carhart

Oct. 31, 1984 - 7:30 p.m.

Command the Joy
That Moves Ahead
No Matter What

Rejoice in the Lord always; again I will say, Rejoice. Let all men know your forbearance. The Lord is at hand. Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which passes all understanding, will keep your hearts and your minds in Christ Jesus. *Philippians 4:4-7*

The pursuit of happiness is an integral part of the American dream. It is viewed as one of the inalienable rights of every individual.

Happiness is always a pursuit, not a possession. It is something you bring to life, not something you take from it. The heart of the fighter can be filled with joy in every circumstance, not because every circumstance produces joy, but because you bring your joy to every circumstance.

Children seem to understand this very well. Their world is filled with wonder, discovery, love . . . and joy. It usually takes the intrusion of an adult to diminish the joy of a healthy, normal child.

The heart of the fighter attracts people because of the joy they see. Do people see your joy? Does your family see it, your friends, your fellow workers? Most importantly, do they see your joy shine through your most difficult times?

Or when people see you, do they get the idea that Christ has not yet come, that he is not yet risen, that death is still winning . . . ?

Rejoice. Victory is yours.

After the awards ceremony, the Explorer Scouts from Borger inspired the scouts with Indian Dance Ceremony.

They came from the wooded area and addressed the gods of the four winds.

One dance told the story of a young Indian girl being attacked by a bear and the Indian brave tracked and killed the bear and wore its claw around his neck as a trophy. Another told of the buffalo hunt. These dances were especially impressive because of elaborate costumes the dancers had made and the expertise of the drummer and chants.

The closing ceremonial dance was for friendship. All scouts and family were invited to join the Indian dancer.

As introductions were made we discovered the leaders Bill Hoke, a

volunteer with 40 years service, and Seth Cunningham Sr., 30 years experience helping boys to become better men through scouting. Some of the dancers had been through the scout program from cubs to Boy Scouts to Explorer.

We appreciated them sharing this talent with us.

COOPERATION KEEPS AMERICA STRONG AND FREE

"The Capitol is the cornerstone of our government. It has been my pleasure to serve with three presidents there during the time I have been your congressman. Two were Republicans, one a Democrat. I have helped each of them when I could, consistent with my own responsibility to represent the people of this district, not hesitating to be a part of the loyal opposition when I thought they were wrong. Regardless of who is president in the future, I will continue to serve with, and help him, whatever his name or his party, in order that America may remain strong and free."

J V Holds off Quanah 15-8

The Clarendon JV football team had to hold off a strong Quanah team to preserve a 15-8 victory Thursday night at Bronco stadium.

Clarendon scored first on a Daniel Ford touchdown run and Mark Luttrell kicked the PAT and the Broncos lead 7-0. The next score was again made by the Broncos as James Ariola ran a quarterback option into the end zone. Clay Sharp then stepped in at

quarterback and threw a two-point conversion pass to Todd Phillips and the JV Broncos led 15-0. The last Clarendon touchdown drive was set up on a fake punt in which Clay Sharp threw a 20 yard pass to Arthur Harris who had to jump between two Quanah defenders to catch the pass.

The entire game was a defensive struggle as both teams played well throughout the game. Quanah's score came in the third quarter and the two point conversion was good, making the score 15-8 in favor of the Broncos. The rest of the game turned into a defensive battle as neither team could move the ball very well. Quanah's best scoring drive was ended when Clay Sharp

intercepted his second pass of the night.

The entire defensive squad for Clarendon played an excellent game. The defense consists of Neal Bellah, Walt Thompson, Daniel Ford, Todd Phillips, Mike Hook, Steven Phillips, Wes Hatley, James Ariola, Clay Sharp, Darren Hewett and Arthur Harris.

The victory ups the JV's district record to 1-1 with 3 district games remaining. The JV will play Shamrock on October 25th in Shamrock. These two teams have met once before in Clarendon with the Broncos winning by a score of 20-0. Come out and support this fine group of young Broncos!

Watt's Happening in Hedley

by PEGGY WATT

Well, things are about to get back to normal after the Cotton Festival. I hope so, anyway. I don't think I could survive more than one a year.

In the Press last week, I reported that Susan Phelps was the first runner-up in the Cotton Festival Queen. Well, that was a mistake. Tina Shields was the first runner-up. Susan was a second runner-up. Sorry Tina!

Bud and Naomi Kemp visited recently with her sisters, Pauline Kaufman and Dorothea Crawford. The Kemps live in Amarillo.

Jeanette Cates spent the weekend with her parents, Pick and Laqueta Cox. Joe and Lucy Poole and Jennifer stopped for awhile.

The kids were out of school last Monday for the teachers to attend an in-service. I heard one teacher say she'd rather be in the classroom. Sorry, Miss Birkey, according to the schedule I have, there are three more in-service days this school year.

I didn't tell Jane Wood I wouldn't mention the brand new car I saw her in at the post office last week. I did notice that her uncle was carrying the keys!

Opal Clendennen had a house full of company recently. Tom and Carolyn were there from Amarillo and brought some of their railroad friends with them. Leon Couch and Linda Ivy were also there. Most important, Opal got to keep Benjamin while Tom and Carolyn went out.

Bert and Clyde Stone were notified last week of the death of their nephew, Kenneth Stone. Memorial services were held in Amarillo Wednesday. He was also the brother-in-law of Otis Holland.

Paul and Sharon Ferguson finally got their furniture here from South Carolina. They've been waiting for several weeks to get moved in. Now all they have to do is find where everything is packed and get it in its right place. The coffee pot must have been the first thing off the truck. She had a pot of coffee when I was there Tuesday.

Bill McKee is in Hedley from Houston visiting his mother, Mrs. Ruby McKee and his sister, Sue Weatherly.

Pie and Helen Lamberson were in Memphis Monday for a day of fun

They shopped in Clarendon Friday. They probably had fun then too. Those two have fun wherever they are!

Wilma and Manford Snelson had part of their girls and grandchildren home recently. Marsha and Carroll Favors, B.J. and Angie Pierce and their friend, Jackie, of Childress, Marlee and Joe Brandon, and Christi Morquicho of Amarillo were there.

Mollie Dickson had a mini-reunion in her home recently. Out of town visitors were Mr. and Mrs. Cleburn Steel and Helen of Fort Worth, Charles and Adell Guill of Dallas, Burl and Bonnie Dickson from Arkansas, Haynes and Edith Dickson, Earl Dickson, Billy Joe Dickson of Woodward, OK, J.M. and Ida Lou Dickson of Panhandle and Opal Thomas, Robert and Mae Thornberry of Amarillo. Hedley guests were Brownie and Jewel Quisenberry.

Greg and Andrea Ellis of Pampa were recent Hedley visitors.

Sis Martin, Kenra and Matt have been spending some time in Amarillo with Marty. He's with the Burlington Railroad there for awhile. I don't know whether it's a long while or a short while, but guess Sis hopes a short one.

Paula Clendennen of McLean came Wednesday and took her parents, Tom and Opal to Clarendon on business.

I saw Jack and Jackie Stafford in Clarendon a few days ago. Most of the time the only place we see them is in the pasture. One of their joins one of ours.

Pat and Willie Ella Hamilton of Yakima, Washington are visiting Nell Land for a few days. They almost missed getting here. They were stuck in snow storms in Utah and Colorado. I'm glad they left it there. We'll be getting snow soon enough. Too soon for me!

Those visiting and having supper with Cullen and Leone Taylor Saturday afternoon and evening were Leone's sister, Olene Edwards of Turkey, her niece and family, Allen and Christine Brommelt from Quitaque, her nephew, Bud and Wilma Bytell of Fort Walton Beach, Florida. The Bytells haven't been here for 5 years.

Bill and Junelle Carson's grand-

son, David Cosby, will be in Oklahoma City for hearing tests this week. David's parents are Rev. Stan and Susan Cosby of Amarillo.

Rev. Buff Hearn of Memphis preached at the Methodist Church Sunday. He exchanged pulpits with Brother Bill Watson. The exchange was a little unbalanced since he preached both in Hedley and Clarendon and Bro. Bill only preached in Memphis. We enjoyed Bro. Hearn.

Bob and Pat White took Holly to Dallas for tests this week. Holly is such a precious child, always happy and pleasant.

Betty and Royce Williams were in Borger last week to visit her sisters, Helen Grooters and Louise Patton. Mrs. Grooters broke her hip recently and can't climb the stairs at her home in Phillips yet.

You might have noticed some work going on, on Main Street. I understand the Department of Housing and Urban Development are going to build some more housing units for low-income families there.

I watched them push the old telephone office down and remembered how Mr. Johnson used to maintain the phones in town by himself. With an occasional assist from Mr. Hickey. One time Mr. Johnson and Granddad Bailey were considering climbing a telephone pole to repair the wire when Mr. Hickey came by and told them they were too old to be climbing so he did it for them. They were both in their 80s at that time and he was older than both of them.

Progress is coming and I have mixed emotions about it. I know we need the housing in town, but sure hated to see that old building torn down.

I went to Memphis Sunday to see about Su-San. She's got the flu I guess. Anyway she isn't feeling too good. Why is it that no matter how old a person gets, their mother always is concerned when they're not well. My mother must be the worst in the world to worry when one of my brothers or I am sick. She's worse than I am by far.

We stopped by the hospital to see Vicki Knowles but she had been released. That's good. She had surgery Wednesday.

Matthew Talley had a birthday. I think he was three. Happy birthday, Matt.

Zora Stephens and her sister, Lily Hook, of Clarendon went to Colgate, Okla. last weekend to attend a family reunion. They returned through Ranglin to visit their father's brother.

Nookie and Geraldine Wiggins went to Amarillo Monday for Nookie to see the doctor.

Things at school are going along pretty good according to Superintendent Glyndol Holland.

Eugene Schwertner is back in school after having surgery in an Amarillo hospital.

The Senior Class is planning a Homecoming for later in the year. After basketball season starts.

Margaret Phelps finally got the menu for the week to me. She's so busy, sometimes she doesn't get it made out in time for me to get it in. But here it is for next week.

They have another one ready and I think they'll be giving it away in the near future.

I talked to Bill Bridges yesterday. He said Mabel isn't doing too well. If anyone would like to send her a card, her address is: Mabel Bridges, Good Samaritan Nursing Home, 2200 W. 7th Street, Amarillo, TX 79106.

Class Reunion held Oct. 6

A reunion of the Clarendon High School classes of 1930, 1931 and 1932 was held Saturday, October 6 in the college cafeteria with registration starting at 10 a.m. The morning hours were filled with visiting, looking at annuals and old pictures and reading news items clipped from the Clarendon paper during those years. Not wanting to miss anything, the group ate lunch with the "other kids" in the college cafeteria. The business meeting scheduled for 2 p.m. was reset to follow the evening meal so that many of those present could attend the memorial service for Mr. Bill Todd.

A buffet dinner was served at 7:30 followed by an informal program led by Homer Estlack. After the welcome to everyone, he told some funny stories on himself and his classmates then invited anyone who had a funny story to tell it. This provided some good laughs since nearly everyone present had at least one they could share.

During the business meeting, letters and phone messages were read from members who were unable to attend and also names of those who had died since the last meeting in 1981.

Dues were collected and Bernice Andis O'Neal was elected new secretary with other committee members remaining the same.

Attending from the Class of 1930 were Virginia Wisdom Haigh, Wichita, Kansas; Jewell Rhodes Stewart, Amarillo; Luree Burson, Silverton; J.D. Holtzclaw, Dumas; Ruth Hartzog Perkins, and Edwin and Lucille Eanes.

Attending from the Class of 1931 were Glenna Hale Garrison, Silverton; Jean Bourland Ross, Quail; Marjorie Harlan Boston, Amarillo; J.T. Clayton, Memphis; Viola Jones Dillard, Phillips; Fred Bourland, Ennis; Harold Phelps, Carroll Holder McClellan, Bernice Andis O'Neal, and Roberts Adkins Pittman.

Attending from the Class of 1932

were Afton Lusk Holtzclaw and Homer Estlack.

Guests included Idell Bourland, Ennis; Mattie Rhodes Chamberlain, Claude; Carol Garrison, Silverton; Margaret Jones Ebersole, Amarillo; James R. Ross, Quail, Mary Sue Watters Longan, Greeley, Co.; Bobbie Longan, Helen Phelps and Athlynn Drennan Estlack.

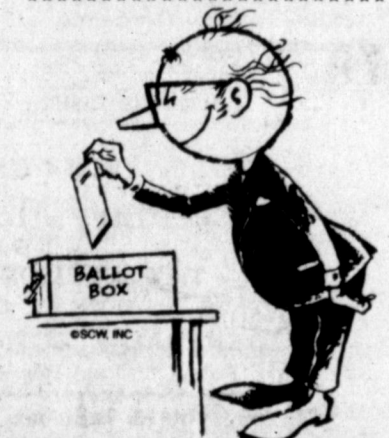

Windy Valley Reunion

The fourth annual Windy Valley reunion was held Sunday, October 14, 1984, with 156 in attendance. A delicious and abundant pot-luck lunch was followed by a business meeting with following officers re-elected: Lacy Noble, President, A.J. Garland-Vice President and Jimmie Lee Matheson, Secretary-Treasurer.

Visitation was the main event of the afternoon. Socializing and reminiscing kept the Clarendon Community Center buzzing. By 5 p.m. goodbyes had been said and promises made to meet again October 13, 1985.

Inez Skinner handled registration and reported following out of state attendance: Lillie Gollighugh Hughes, Chandler, AZ; Clyde Skinner, Colorado Springs, CO; Howard and Florence Hughes, Marshalltown, IA; Theo and Oecia Black Swinney, O'Fallon, MO; Lynnne Giles Fox, Raymore, MO; Lora Skinner Dunlap, Carolyn and Kristi Eaton, Clovis, NM; Wilson and Seretha Morgan, Hobbs, NM; Haskell Foster, Valley Cottage, NY; N.C. and Oleta Riffle Stogner, Headrick, OK; Pete and Nellie Giles, Newport, WN; and Doris Giles Crittenden, Edmonds, WN. The 138 Texans present came from all over the state.
