## St. Roost Museum Needs Volunteers Saturday

The Saints Roost Museum repairs are still underway. James Owens and his volunteers have cleaned the grounds and hauled truck loads of trash from inside the building. They are now in the process of putting back the 100 plus broken windows. They need volunteers to help clean the window frames before the workers can put the glasses back into the frames. Cleo Russell has rebuilt some of the window units, but most of them just need cleaning out. There are about 34 windows left to be replaced, if enough volunteers

will come out Saturday, Nov. 17th. James thinks they can get them all replaced this weekend. James has a bid to replace the flat roof, and thinks that with enough help the rest of the roof can be patched. Last Saturday only three or four people showed up to help. If you can spare a few hours Saturday, come out and help. The museum will be open for every citizen in Donley County to enjoy, so come on out and lean a helping hand.

## Soil and Water Conservation District Tree Sales Started

Between 1935 and 1942 more than 200 million trees and shrubs were planted on 30,000 farms in windbreaks. The planting zone extended from the Canadian border of North Dakota to include the Texas Panhandle. One of the most significant modifications that plains foresters have made in the traditional 15 to 20 row plantings made 42 years ago is the narrower width of windbreaks being recommended today. A three row windbreak 50 ft. tall can reduce wind velocity on the leeward side by as much as 50 to 75 percent for a distance of 500 to 700 ft. This reduction in wind speed across a field prevents erosion of surface soil and subsequent damage to young crops due to blowing sand. A four row windbreak, when planted 100 ft. from the home, can reduce home fuel needs by as much as 15 percent or more. Around the homestead a windbreak can be used not only for protection, but to beautify the home. A typical four row windbreak could consist of

Russian olives, Eastern red cedars, honeylocusts, and Austrian pines. All of these and many other species including pecan trees can be ordered from the SCS office located at 416 S. Kearney, past the Post Office. Come by soon to order your trees.

## Donley County Community Building Gets Improvements

The Donley County Senior Citizens Dance Group headed a fund raising campaign to put tile on the floor of the community building. They were successful in getting over \$1,300.00 in donations for this project. This will cover approximately seventy feet of the floor. A work day is scheduled for Wednesday, November 14th, to lay the tile. Prior to getting the floor covering laid, the Donley County community building board furnished paint for the inside of the building. That group with the help of a great bunch of volunteers completed that job last week. The Board stated as funds become available other improvements will be made. The Community Building is an asset to our County and the town of Clarendon. There is plenty of room to handle most any event a group would want to schedule there. The Donley County community building board is in charge of the building and will appreciate the concern of any club or group using the facility, to take care of it as you would your home. We have a nice facility for community use. Let's use it and take care of it. Board President, James Owens, stated they were pleased with the efforts of the Senior Citizens Dance Group and extends a special "Thank You" to them and everyone who donated to this worthwhile project.

## Beef Production Meeting Nov. 20

All cattle producers are invited to attend a beef production meeting Tuesday night, November 20, 1984 at 7:30 p.m., according to Ronald Gooch, County Extension Agent.

The meeting will be held in Room 102 of the classroom building of Clarendon College in Clarendon.

Dr. John McNeill, area Extension Beef Cattle Specialist, will speak on

the subject of getting your cattle ready for winter. He will discuss cattle condition and feeding, selecting a feed supplement, vitamin and mineral recommendations, worming and other topics of interest to cattle producers.

Additional information about the meeting can be obtained by contacting Ronald Gooch at the County Extension Office at 874-2141.

## Seven Injured in 2-Car Wreck

A two vehicle wreck Thursday, November 8 at 4th and Koogle injured seven Clarendon residents, T. Allred, his wife Audra, Lonnie Lockeby, his two sons Timmy and Jessie Carl, his sister Peggy Sides and her daughter Charlie Holt.

Mr. and Mrs. Allred and Peggy Sides were treated at Dr. Hudson's office, then transported to Northwest Texas Emergency Receiving Center in Amarillo. Mr. Allred has several broken ribs and a punctured lung. Mrs. Allred's arm was broken in two places. She had a badly jammed and dislocated elbow. Mrs. Sides had facial lacerations and a crushed pelvis. They are all listed in fair to good condition.

Timmy, age 4, had 25 stitches in his head. The other victims escaped with lacerations and bruises.

This was the 218 accident in Donley County this year and 5 more accidents have been reported since Thursday. Donley County has had three traffic fatalities this year, one of them was alcohol related.

Donley County Sheriff Jimmy Thompson stated, "This is an unacceptable traffic figure. My deputies and I are going to crack down on traffic violators. Anyone caught breaking the traffic laws will be stopped and tickets will be issued. Speeding in the school zones will be number one on the list."

The Clarendon Press will be working with the Texas Highway Patrol officers, Jerry Morris and Ray

## White Deer Ends Bronco Season 13-10

The Clarendon Broncos lost their chances to go into the state playoffs with a 13-10 loss to White Deer. A strong north wind and numerous penalties hampered both teams. The Broncos received 10 penalties for 120 yards. It seemed each time the Broncos were on the move they would receive a back breaking penalty.

The Broncos started with the strong wind to their back and after an excellent punt by Rod Keown that went out of bounds on the Bucks 5 yard line, the Bucks were forced to punt and the Broncos took over on the Bucks 30 yard line. Stanley Gardner made 20 yards to the 10 yard line and after the drive ended with fourth and 5 from the 5 yard line, Trent Sharp kicked a 22 yard field goal to make the score Broncos 3 and the Bucks 0. The rest of the first half was a defensive battle with the Bronco defense coming up with enough big plays to keep the Bucks out of the end zone each time.

White Deer chose to take the wind in the third quarter and after two drives were stopped deep in Bronco territory, finally scored on a 12 yard pass and missed the extra point to make the score Bucks 6 Broncos 3.

The Broncos still had high hopes as they got the wind trailing only 6 to 3 but a Bronco turnover gave the ball to the Bucks on the Bronco 30 yard line. A flat pass was taken and ran the distance to make the score 12 to 3.

Late in the fourth quarter the Broncos took over on their own 20 yard line and Rodney Smith took a pass from Sharp to the Bronco 45. The next play produced a play only Smith could make as he took a short pass from Sharp and made a great run to the Bucks 5 yard line. After a Sharp to Brent Hayworth pass fell incomplete, Smith swept left end for the score. Sharp added the point to bring the score to 13 to 10. The Broncos failed on the on-side kick and the Bucks ran out the clock to end the Bronco season.

Rodney Smith, the offensive player of the game, ended the game with 60 yards on 17 carries and 3 pass receptions for 85 yards. Stanley Gardner had 50 yards on 12 carries. Trent Sharp completed 8 passes in 24 attempts for 114 yards. Robert Youngblood had 4 receptions for 30 yards.

Tim Cole was the defensive player of the game as he had 15 tackles. Cole also had 3 sacks behind the line. Leland Howell also had 15 tackles. Twelve seniors played their last Bronco game and will be missed by Clarendon next year. They are:

Rodney Smith, Dewey Mincey, Trent Sharp, Joey Stefanatos, Stanley Gardner, Rod Keown, Bret White, Joe Torres, Lynn Alderson, Tim Cole, Dean Cearley, and Stan Garland.

## Green Thumb Training Provides Crime Prevention Tips

What does a burglar look for when he's looking for an easy target? Homes that present the least risk of detection and the greatest opportunity for easy entry, according to the information presented at a recent Green Thumb training seminar.

More than 60 Green Thumb workers from 7 counties learned to look at their homes through a burglar's eyes when they met at Hedley, Texas on November 8, 1984. Homes that appear unoccupied and unprotected; homes without adequate locks and lighting; open or unlocked doors and windows; and home sites which provide easy concealment from neighbors and passing motorists wear "Welcome Burglar" signs.

Jimmy Thompson, Donley County Sheriff, presented crime prevention tips to those attending the seminar.

Also on the program was Don Smith, C.P.A., who spoke to the participants on income tax information especially for senior citizens.

State Green Thumb Director Diane Parrish talked with the group of enrollees and sponsors about administrative matters and presented a film from the Central Texas Chapter of the Red Cross that dealt with fire safety.

Green Thumb is an employment program for seniors that is sponsored by Farmers Union and funded by the Department of Labor under Title V of the Older Americans Act. Rural residents who are over 55 years of age and income eligible are hired by the program and placed with non-profit organizations where they provide services to their home communities. Green Thumb is an equal employment opportunity employer.

## Clarendon Sales Tax Down 3.58%

Comptroller of Public Accounts, Bob Bullock, sent Texas cities checks for city sales and use tax for the period ending Oct. 26, 1984.

Donley County is up .75% from the same period last year. Howardwick is up 53.44% over last year, Hedley is up 2.72% while Clarendon is down 3.58% over last year. Clarendon received \$9,736.33 this period, receiving \$11,964.50 for the same period last year. They have received \$77,522.98 so far this year compared to \$80,481.26 for the same period in 1983.

Hedley received \$937.87 this period and has received a total of \$5,386.49 to date.

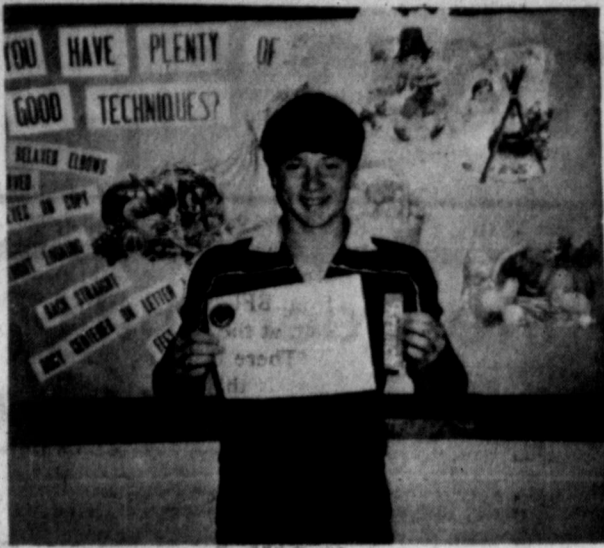

Howardwick received the smallest check of the three cities. It received \$560.71 this period for a total of \$6,558.01.

Armstrong County is up 3.13% over the same period last year. Collingsworth has an increase of 4.67%. Carson is up only 1.9%, while Hall County has the largest increase of 10.76% over the same period last year.

## DELINQUENT TAX COLLECTIONS CONTINUE

Approximately 95% of local taxes are paid timely by February 1 following each tax year. Those few property owners who do allow their tax assessments to become delinquent are assessed mandatory penalties and interest; notices are always issued warning of the tax delinquency and of any collection action. Most of these few do pay within the following five months; after July 1 following delinquency an additional collection penalty is incurred to defray costs of collections. Then, personal property may be seized and real property otherwise taken to be sold to satisfy the tax lien.

This final action is taken only after other collection efforts have failed for a reasonable time!

Unless all pay their tax, it is not a fair system for the willing and prompt taxpayers who are the great majority.

All of the local property tax dollars stay here in Donley County to pay for local governmental services from which we all receive benefit. These local governing bodies are all composed of local people whom we elect.

Charles, SoRelle, Tax Assessor-Collector

## Hedley Feedlot Expands Holding Capacity 33%

**By PEGGY WATT**  
The Hedley Feedlot is one of the major businesses in the Hedley area and is expanding their operation. They recently completed a new set of pens with a holding capacity of 3,500 head of cattle and new sick barn with working area and a shop. This increases the total holding capacity

by almost 33 percent. According to feedlot manager, Sammy Slover, there are approximately 10,000 head of cattle on feed in the facility which is located three miles east of Hedley. The new pens, built by Branson Brothers Construction of Farwell, will hold from 100-300 head of cattle each.

There are about 15 employees at the feedlot, most of them local residents.

"Randy Shaw and Mike Darnell have been here longer than I have, and I don't think I could find any better help anywhere. There isn't anything about the entire operation that those two don't know between them," feedlot manager, Sammy Slover said.

"Most of the cattle we feed are bought locally. We ship a few in from the east but not many. The mortality rate among the eastern cattle is too high. Most of them have every kind of disease you can think of. We get 70 percent of our cattle from the panhandle of Texas and Oklahoma."

"The mill is running at capacity now. We can mix one hundred twenty-five tons of feed daily. We're hoping to increase the mixing capacity to 200 tons in the spring. Of course, that depends on the economy. By spring we might not be able to buy the cattle we need to run at our present capacity. There might not be any money to buy cattle with, nor any cattle to buy."

Most of the feed used is grown near Hedley. Weeks-Bagwell Grain Co. of Claude furnishes most of the grain. The feedlot also purchases feed from Wheeler-Evans of Groom and Cargil, Inc. of Amarillo.

The Hedley Feedlot also has 70 acres of wheat and runs calves on it. The wheat is irrigated with run-off water from the watering troughs in the pens. Mr. Slover said he plans to increase the wheat acreage to 175 acres next year.

The feedlot was first opened in 1972 by Tommy Price of Canyon. It was sold a time or two before it was bought in 1977 by Mr. J.W. Rippy of Perryton.

Mr. Rippy owns approximately 25 percent of the cattle in the facility and the other 75 percent are owned by private customers who feed the cattle on a custom feed basis.

"Most of the cattle come in weighing about 700 pounds and it takes about 90 days to finish them at 1,100 pounds. We sell our fat cattle to Swift Packing Plant in Dumas, Val-Agri and I.B.P. in Amarillo and Micelson Beef and Harris Packing in Oklahoma City.

There's no specific breed in the feedlot. We get a lot of Holsteins but there's almost every other kind of cattle here also," Sammy Slover explained.

"It costs about \$200.00 to finish a steer for 90 days. The blacks and black baldys gain faster than any other breed. The exotics don't gain much in meat. They just get bigger bones. The smaller breeds out yield the exotics also. Some of them yield as much as 1 percent more.

The steers will also out yield the heifers by about 1 1/4 percent. We have more heifers than steers. We buy some cows. We sell them as fat cattle rather than canners and cutters."

When asked to explain about the different grades of cattle, Mr. Slover said, "The canners and cutters are usually old cows and are thin. Real thin. Boners and utilities are a little fleshier and have more meat. Breakers are the fattest of the cows. The steers and heifers we feed are mostly sold as choice beef. This is what we see as steaks and roasts in the meat markets. The canners and cutters are used to make lunch meat and canned meat. The boners are usually ground up into hamburger. The others are better meat with more marbling and are more tender."

When asked if visitors were welcome, he laughed and said, "Sure, if anybody comes by and wants to take a look around, I'll give them a guided tour myself."

## Senior Citizens News

October was the first month of our new fiscal year. It was a good month. We served 1943 lunches at the Center and delivered 401 to our folks that are not able to come to the Center. We would love to see these numbers of keep growing, so come on down and be a part of this wonderful group of people and enjoy the nutritious meal, visitation and fellowship that we enjoy each day.

Our appreciation and thanks go to the following for their volunteer services during the month of October: Alta Adkins, Della Allen, Barney and Jean Baten, Ann Bunyan, Norma Corgill, Lillian Eudy, Doyle Goebel, Amy Lawson, Pat McCombs, Fred Russell, Marie Sides, Tennie Smith, Mae Steen, Billie Taylor, Sharon Thomas, Verdie Tipton and Rose Lee Watson.

Thanks to Mary Wallace for some yarn donated to the Arts & Crafts group. These items are always appreciated. We need some shelves to put the Arts & Crafts handy-work on display in the dining room. Please contact Jean Baten at the Center if you know where we might find some.

My family and I deeply appreciate the support the voters of the 13th Congressional District have given us over these past ten years during my service in Washington. It has been an honor to serve you. Together we have accomplished a great deal for the Panhandle and Northwest Texas, and for our country. I have said many times that this area is blessed with great people. As your Congressman since 1975, I have dealt personally with thousands of constituents and have thoroughly enjoyed this relationship. I will always do my best to be worthy of your friendship.

# Watt's happening in Hedley

by PEGGY WATT

Mr. and Mrs. Cullen Taylor attended memorial services for the husband of her niece in Lovington, New Mexico last week.

Wilma and Manford Snelson had their granddaughters, Christi Morquicho of Amarillo and Angie Pierce of Childress, visiting last weekend.

Tim Rieken is recuperating from surgery in the home of his parents, Don and Doris in Hedley. Tim recently had surgery for the removal of a malignancy in Hall-Bennett Hospital in Big Springs. His twin brother, Tony and Tessie of Slaton was there along with his other brothers Shane and Kathy of Dalhart and Kelly and Lori of Memphis and his sister, Donna Hinklyn of Memphis. Of course, Don and Doris were there. Tim went to Amarillo to the Harrington Cancer Center last week for a check-up. The doctors there told him he wouldn't have to have the chemotherapy he was first told he would need.

J.T. and Helen Lamberson and Jack and Sue Nivens went to Pampa Thursday to an auction sale. It took place on the land where J.T. and Helen lived about 30 years. They saw a lot of people they knew and worked with during the years J.T. was employed by Tenaco, Inc. Helen said it made her a little homesick to go back, but that she wouldn't trade her friends and neighbors in Hedley for any others.

Leon, Linda, and I went to Wellington Thursday. We visited with my grandmother, Mrs. Dovie Reynolds.

Kenneth and Ricky Brinson attended a farm sale near Pampa Thursday.

The Annual Hedley Ex-Student banquet will be held on November 14th at 7:00 p.m. in the high school cafeteria. The classes of 1942 and 1972 will host the event.

Bill and Juanell Carson's grandson, David Cosby, was in Oklahoma City recently for hearing tests. The report was good and the doctors fitted him with a hearing aid. Hopefully this will help him and prevent further deterioration of his hearing. It should also help him in his school work. His parents are the Rev. Stan and Susan Cosby.

Margaret and Joe Wells of Howardwick were in church again this morning. When Sharon Wheatley is out of town, Margaret plays the organ in her place. We enjoy the Wells and appreciate Margaret's willingness to help us. There's not another person in the entire congregation who can play the organ or piano.

A.J. Rowell is out of the intensive care unit of the hospital in Houston,

out has not been released. Jean is with him there. They have an apartment there for her to stay when she can't be with him.

Myrtle Kirtpatrick is in Hall County Hospital. She seems to be holding her own at this time, but is still under oxygen.

Dana Bell has moved to Hedley. He lives in the Younger home in the northern part of town. He works at the Security State Bank. I asked him if he had any kids in school, but he said that since he didn't have a wife he had no children. I offered him part of mine, but he didn't seem too interested. I think everybody needs a teenage boy or two around.

The cotton harvest is picking up. I saw Bill Clubb and Don Springer stripping Saturday afternoon, and Woodrow Farris has been pulling for several days. Bryan Leeper was pulling a little patch in town for Phillip Wiggins one day last week.

The basement of the Methodist Church is really looking nice. The floor is almost ready for the carpet to be laid. I think somebody told me they were going to lay it in the classrooms next week. The enlarged kitchen will be nice for the ladies to prepare meals in. Helen Lamberson showed me how much work had been done on it. The classrooms are ready for carpet and the furniture is all in place. Juanell Carson took the doll bed with her to make a new mattress for it. The walls have been cleaned and I'm anxious to use it. Nora Hopper, Helen Lamberson, Kay Talley, Juanell Carson, Raymond Hopper, and Bill Carson have really been working hard and it shows. There have been others who have worked, but those have been the busiest.

Laquita Cox spent the weekend in Stinnett with Pick. He works on a ranch there.

The Hedley High School girls traveled to Memphis to scrimmage the Lady Cyclones Tuesday evening.

The first regular game of the 1984-85 season will be at Groom on November 19. The first home game will be November 19 against Allison. I've watched the boys work out and they're looking good. Keith and Thunder are really good! So are Craig, Kelly, David, Rick, Carl, Brent, Steve and John. Calvin Holland is the team manager.

I haven't watched the girls work out, but Tonya, Stephanie, and Debbie have played together for several years. Karon, Amy, Gina, Cheryl and Carol, Amy and Tammy, Susan, Cindy, Gini, and Tina make up the rest of the girls team. Gaylee Osborne is the girls team manager. I hope I haven't missed any of the girls. When all your kids are boys,

you don't know the girls as well as you do the boys until, of course, they start going with the girls regularly. Then things change!

The classes had their second six-weeks tests Thursday and Friday of last week.

School will be out for the Thanksgiving holiday on November 22nd and 23rd.

The Seniors will be selling Mums for homecoming. According to Supt. Glyndol Holland, the plans are being made to have the homecoming shortly before the Christmas holidays.

Schedules are being made for the basketball games and should be ready before too long. Mr. Collins told me the schedule cards have been ordered.

### Hedley School Menu November 15-21

**Thursday-Turkey** and dressing, sweet potatoes, green beans, bread.  
**Friday-Hamburger** and cheese, french fries, lettuce and tomatoes, cookies, milk.

**Monday-Spaghetti** and meat sauce, tossed salad, cheese strips, baked beans, peach cobbler, milk.  
**Tuesday-Steak** fingers, green beans, hash browns, hot rolls, mixed fruit, milk.

**Wednesday-Ham** and pimento cheese sandwiches, lettuce, tomatoes, pickles, french fries, cookies, milk.

The Hedley Senior Citizens will host a Thanksgiving Bazaar and Supper on Saturday, November 17th in the Senior Citizens Center. Supper will cost \$4.00 for adults and \$2.00 for children under 12. Beginning at 5:00 p.m. it will continue until all the food is gone or until everyone has had enough to eat. Bring the entire family and a friend or two. The proceeds will go toward the renovations on the new addition to the Center. The meal will consist of turkey or ham and all the traditional trimmings.

They also have another beautiful quilt which will be given away on November 20th I think. My eyesight isn't what it used to be, and I might have read the sign wrong. I do know that the tickets are \$1.00 each or 6 for \$5.00. Tickets can be purchased from almost any Senior Citizen. If you don't know any Senior Citizen, see Jane Long or Pauline Kaufman. They are employees at the Center. I don't know whether they're senior citizens or not.

Jessie Roland told me that there were numerous people who thought the Senior Citizens was just for the elderly. This isn't so. Any person can go to the Center for a meal as a guest. I go with Fred all the time! If he isn't here, I go anyway. The meals cost \$1.25 for members and \$1.50 for guests. Add 25c if you want to take the meal out.

The Senior Citizens also have cards, candles, picture frames, appointment books, calendars, cookbooks for sale at the Center. They also have the cutest Christmas stockings. Anyone can purchase these items from the Center. They all make nice inexpensive Christmas gifts. Go by the Senior Citizens Center and shop.

Jessie Roland is manning a lending library at the Center. If you read, come by the Center and borrow a book. Just remember where you got it, and return it. When they get moved, she hopes to have room for a lot of books.

The Texas Farmers Union Green Thumb held a training seminar in the Senior Citizens Center in Hedley recently. Derell Hale, the area supervisor gave the welcome. A film on safety in the home was shown. Don Smith, C.P.A., gave a talk on income tax for the elderly. State Director, Diane Parrish made a few pertinent remarks.

At the end of the program, 49 Green Thumbs from the district enjoyed lunch at the Senior Citizens Center.

LESIA FUSTON'S 1210 pound, 18 month old steer, won the Reserve Polled Hereford Championship at State Fair of Texas. Lesia is the daughter of Mr. and Mrs. Denny Fuston. She is active in horse, food and nutrition, leadership and Hereford heifer and steer projects.

THE CHAMPIONSHIP of the Short-horn division went to Jason Klinnert of Clarendon with his 1170 pound, 18 month old steer, Dallas. This steer won the reserve at the Futurity of Five State Shorthorn Show at Guyman, OK last year. Jason, a Donley County 4-H member, shows other steers and heifers. He is the son of Roddy and Leveta Klinnert and participates in football and the band at Clarendon Junior High School. This is the 13 year old's first time at the Dallas Fair.

## The Lions Tale

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. Thirty-one members, Lion Sweetheart Jessie Adams and five guests were present. Following the regular opening ceremony Liontamer Messer introduced Clyde Putman of Clarendon, guest of Lion Henson, Marty Hammon, guest of his father Lion Ed Hammond, Mike Strawn of Panhandle, guest of Lion Allen Estlack and Lion Ed Thames, sales representative for Hobbs Trailer in Amarillo and member of the North Amarillo Lions Club. Boss Lion Lovelady read a letter requesting club participation from the Texas War on Drugs and responded by appointing Lions John Lovell and Jim Shelton co-chairmen of a drug awareness committee. Former District Governor Ed Thames endorsed the need for more local participation on this worthwhile project by local civic and service clubs. He also spoke to us in regard to the fund raising drive now in progress for the Girlstown coat and shoe fund. This project is sponsored by the Lions of District 2T-1 but donations are welcomed from the general public. Contact W.W. Lovelady.

Homer Estlack or any member of the Lions Club if you would like to make a contribution to this fund. The club unanimously voted to accept a membership application from Willis Clark of Clark's Restaurant. Welcome Lion Clark! His sponsor was Lion Henson. Program chairman Don Smith introduced Clarendon College Coach Mondragon who brought us up to date on the girls basketball team. Two local girls, Connie Garman and Linda Weatherston, are on the team this year. The girls boast a 4 win, 0 loss record to date. The coach urged Lions and other towns people to support the team by their attendance. Let's do it! Following his talk, the coach was presented with a \$160.00 athletic scholarship from the club by Lion Smith. We were glad to have Lion J.L. Phillips with us today. He has been out due to injuries suffered recently in a fall.

## Beckley Completes Recruit Training

Navy Firearm Recruit Craig B. Beckley, son of Dann E. and Louise B. Beckley of 890 Lloyd St., Howardwick, TX, has completed recruit training at Recruit Training Command, San Diego.

During Beckley's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Beckley's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1983 graduate of Clarendon High School, Clarendon, he joined the Navy in June 1984.

Thursdays is named for the Teutonic god Thor.

## 1926 Book Club Met Nov. 6

The 1926 Book Club met at Burton Memorial Library on Tuesday, November 6.

After delicious refreshments of cake and coffee were served by hostesses, Viola Bones and Mary Hazel VanZandt, a brief business meeting was conducted by President,

Frieda Tucker.

An interesting and informative program concerning the Texas Panhandle Library System was presented by City Librarian, Annis Stavenhagen.

Members attending the meeting were: Norma Jones, Evelyn Mann,

Mary Beth Nelson, Jessie Adams, Hazel Brandon, Glenda Hawkins, Thelma Bairfield, Mary Hazel VanZandt, Viola Bones, Frieda Tucker and her guest, Dikkie Howell.

The official name of India is Bharat.

OTIS OWENS of Hedley has over 300 caps from 18 states. Homer Estlack

gave him his first hat 10-12 years ago and he has been collecting them ever since. All the hats have been given to him.

## Cub Scout Pack Met Nov 13

On October 13 Pack 437 held its regular monthly meeting. The meeting was opened with the recitation of the Pledge of Allegiance to the United States Flag, the cub scout promise, the Law of the Pack, and an opening prayer.

Den 2 and 3, the Bear Cubs of the pack led by Marian Davis, presented a very interesting and entertaining skit which re-enacted the Battle of Adobe Walls. The cub scouts were very realistic as Indians, buffalo hunters, bartenders and traders. Jennifer Davis appeared as the only lady in the battle.

A trophy was presented to Den 1 for having the most members present (100%) and the most guests (friends-relatives) in attendance (16). Each month the trophy will be presented to the den winning the attendance competition.

Helen Estlack, Den IV leader, presented the Bobcat Badge to Scott Tucker and Glenn Truitt. This badge must be pinned on upside down, but the badge cannot be turned over, therefore the new cub scout must be held upside down while his parents pin the badge on. The scout must then do a good deed before the patch can be sewn on in the correct position. Other members of Den IV who received their first advancement

bead of the Wolf badge were: Ernie Lee, Chad Campbell, Chad Strickland, David Green, Jeremy Grady, Glen Truitt, Scott Tucker, Russell Estlack, Darin Spier, and Greg Collins.

In Den II and III, the Wolf cubs of Marian Davis, Chan Bilby earned the wolf badge and Wesley Smith received an arrow point. Other members of the den who received their 1 year pen and summer participation pins were Matt Drager, Brendon Moffett, Steve Davis, Jeff Hatley, Jimmy Landon, Wesley Smith, Kelby Leffew, and John Havens.

The Webelos of Terry Ashcraft are

Den I. The awards presented the Webelos were the summer participation pin, the 2 year pin and the aquanaut pin for swimming and water safety. The Webelos receiving the awards were Lee Gage, Shane Ashcraft, Nathan Lowery, Scott Myers, Stephen Bivens, Brad Allen, and Robert Lee.

Leaders receiving pins included Marian Davis and Celia Drager 1 year; David Lowery, Valerie and Terry Ashcraft, Elmonette Bivens 2 year pins.

Roger Estlack will serve as den chief for Den I and IV while Jeffery Henson will serve Den II, III.

### "POP QUIZZES"

I never liked "pop" quizzes in school. Those special teachers who enjoyed administering them were my least favorite teachers. When we were told without warning to get a sheet of paper, and to number the page from one to ten for a pop quiz, it seemed that my nerves would work overtime, my hands would tremble, and my brain would go to sleep. My quiz grade usually reflected my condition. I much preferred the predictability of announced tests. It was so much easier for me to study chapter two, pages twenty-one through thirty-nine, for a scheduled test on Friday. I knew the test was coming. I knew what was going to be expected of me, and I knew I would pass the test if I prepared for it.

The school of life is full of tests and "pop" quizzes. The Lord is not obligated to tell us as Christians when to expect a test or just what will be covered. He has given us a precious textbook, the Bible, that has all we will ever need to know to fully equip us for any test that may come our way. Our tests may come in the form of a flat tire in the rain when we are in a hurry, a torn grocery bag, the baby's high fever, a job change, a cantankerous store clerk, a broken friendship, a financial crisis, or a devastating illness. Proverbs 3:5 and 6 are still relevant for you and me today.

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all ways acknow-

ledge him, and He shall direct thy paths. What was your latest "pop" quiz grade? In case you flunked as I have many times, confess it to the Lord, receive His total forgiveness, trust Him, and be ready for the next one.

## Bronco JV Ends Season 2-7

In the last game of the 1984 season, the Bronco Junior Varsity football team was defeated by White Deer 0-24. In the first quarter the Bucks scored twice, a punt return and shortly after a fumble on a punt. For the remainder of the game, the Bronco defense played very well. The Bronco defense was led by Mike Hook, Steven Phillips, Clay Sharp, James Ariola, Audie Shields, Mark Luttrell, and Daniel Ford.

In the second quarter the Bronco defense played the whole time except for four downs. During the second quarter the Bucks scored once, despite controlling the ball for over eight minutes. The score at half was 0-18.

The third play of the third quarter was the last score of the game. Unluckily for the Broncos, it was a pass-run play that went for seventy yards for the Bucks. The remainder of the third and fourth quarters was a defensive battle by both teams. "Our team showed their Bronco pride and determination by not letting up and after halftime the kids really came on strong," said Coach Loveless. The Bronco defense played some of the best defense it has all year. "Our defense was hitting so hard that we were amazed that none of the players were hurt. We (the coaches) are as proud of this team as any other team we have had." Other Broncos that participated were Wes Hatley, Arthur Harris, Darren Hewett, Neil Bellah, Todd Phillips, Jay Gage, David Porter, Walter Thompson, Shawn Hermesmyer, Martin Vaquera, Derek Howard, Brad Braddock, Danny Gaines, and Clint Hunt. The coaches would like to thank the managers, Craig Wright, Billy Williams and Billy Wiggs.

The Bronco season record is 2-7. The coaches want to thank all the fans, parents of cheerleaders and players, and faculty for the support given throughout the season.

## STATEMENT OF NONDISCRIMINATION

Greenbelt Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operations of its facilities. Under the Assurance, this organization is committed not to discriminate against any person on the ground of race, color, or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and

participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individual to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture of the Rural Electrification Administration extends the time of filing. Identity of complainants will be kept

confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

Know What Time It Is in a Person's Life

Do not be deceived: God is not mocked, for whatever a man sows, that will he also reap. For he who sows to his own flesh will from the flesh reap corruption; but he who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary in well-doing, for in due season we shall reap, if we do not lose heart. Galatians 6:7-10

Timing. The farmer especially understands timing. He knows before you can reap you must first sow. He knows how to prepare the soil. He knows when it is time to plant. He doesn't try to hurry the growth. He waits. He watches. At just the right time, when the crop is ripe, he knows when to harvest.

Timing. The fighter understands timing. The fighter knows that people, like all living things, need time. Time to sow. Time to grow. Time to reap a mature, healthy, whole person. It takes time to grow a courtship into a marriage. It takes time to grow children into adulthood. It takes time to sow seeds of knowledge, love and hope into longing, needy hearts.

Timing. The fighter, like the farmer, learns to be patient. To watch for signs of growth. Because we are fighting for people, we must develop a sense of timing. It is the key to growth in every living thing, from a wheat field to the Kingdom of God.

The heart of the fighter knows what time it is in the other person's life.
