Funeral service for Billy Jack were held Nov. 16

Funeral services for Billy McCoy Jack, age 47, were held at 3 p.m. on Friday, November 16, 1984 in the First Baptist Church with Rev. Paul Heil, Pastor, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mr. Jack died at 11:30 p.m. on Tuesday, November 13, 1984 in St. Anthony's Hospital in Amarillo following a short illness. He was born September 6, 1937 in Snyder, Okla. and was married to Jo Ann Blackerby on June 7, 1957 at Altus, Oklahoma. He had been employed by Texaco, Inc. for the past 20 years and at the time of his death was working at the Texaco refinery in Amarillo. He had been a resident of Amarillo from 1964 until 1973 at which time he moved to Clarendon where he lived until returning to Amarillo in 1982. He was a member of the First Baptist Church in Clarendon.

Survivors include his wife, Mrs. Jo Ann Jack of Amarillo; two daughters, Mrs. Teresa Hicks of Amarillo, Miss Pam Jack of Clarendon; two sons, Gary Jack of White Deer, Mark Jack of Amarillo; one sister, Mrs. Avis Woodward of Bartlesville, Okla.; one brother Jeffrey Jack of Snyder, Oklahoma; and four grandchildren.

Casket bearers were Darrell Lefew, Bill Spier, Junior Wilhite, J. W. Bruer, L. L. Kay and Trey Chamberlain.

Honorary bearers were employees of Texaco, Inc.

The family requests memorials be to the American Heart Association or the American Cancer Society.

A. J. Rowell rites were held Nov. 16th

16th

Aetna Judge Roswell, 63, died in M. D. Anderson Hospital, Houston, November 16, 1984. He was born Sept. 21, 1921 in Ills Co.

Services were held in the First Baptist Church of Silverton, Sunday November 18, 1984 at 2 p.m.

Rev. Jerry Miller officiated and was assisted by Rev. Bryan Knowles of the First Baptist Church of Hedley.

Burial was in the Silverton Cemetery by Spicer Funeral Home of Memphis.

Mr. Rowell was a member of the First Baptist Church of Hedley. He attended Wayland Baptist College, Plainview and was a veteran of WWII. He was a retired building contractor.

He is survived by his wife, Jean, of the home, a son, Ray Steele, Anchorage, Alaska. Four daughters, Ricki Linebaugh and Kim Jeffery of Hedley, Marsha Richard of Loraine and Tobi Kuncicky of Tahalhassee, Florida. Two brothers, Aubry Rowell of Silverton and Lowell Rowell of Optima, Okla. Three sisters Lorene Voyles and Laverne Mercer of Silverton, and Nettie Baldwin of Golden, Okla. and nine grandchildren.

SWCD reminds farmers and ranchers now is the time to plant replacement grass

The Donley County Soil and Water Conservation District would like to remind area farmers and ranchers that now is the time to start planning the replacement of the winter killed grass. Also the seeding of marginal fields to either a native grass or an improved variety.

A good stand of grass is not only appealing to the eye, but also helps stop wind and water erosion. These grassy areas can be used to graze cattle or for grass hay production. Some of the newer varieties of grasses, when cut and fertilized at the proper time will have almost the same feed value as alfalfa. This hay crop can be grown with a little less water.

The Donley County SWCD has recently acquired a new grass drill for use by area farmers and ranchers. It is a Horizon drill and it is for lease at \$2.00 per acre of \$20.00 per day.

The District is also going into the grass seed business. They will be selling all varieties of grass seed at very competitive prices. If you need

DPS urges

motorists to

use seat belts

Lubbock Major V.J. Cawthon, Department of Public Safety Regional Commander said, "Drivers should be extra cautious during the Thanksgiving holidays. It is a time for us to rest and be grateful for many things." The Major urges Texas motorists to begin using seat belts on all occasions when operating a motor vehicle. He said, "Over 98% of all traffic fatalities last year were not wearing a seat belt."

The Texas Department of Public Safety finds that it is better to be safe than sorry. Remember when driving a person that has been drinking is a slower thinking person. Most driving skills are not natural, rather they are learned skills. This means that a drinking driver is less skilled and more dangerous than a sober driver. Remember that probably 50% of all traffic fatalities involve a drinking driver. Try to keep an eight hour span of time between the bottle and the throttle.

Wesley Barker wins Panda from Harlan's Flower & Gift

Winner of the Panda Bear given away at Harlan's Flowers and Gifts at their Christmas Open House was Wesley Barker.

The Lelia Lake Community Center will not meet Saturday, Nov. 24th.

grass seed for the coming year contact Stanley Altman at 874-2339 or come by the District office at 416 Kearney, Clarendon, Texas and talk to Stan about prices.

SWCS are taking orders for trees and shrubs

The Donley County Soil and Water Conservation District is in the process of taking orders for trees and shrubs.

This is a yearly program that the district has promoted for several years. Tree orders have always been high and the district expects the same this year. They would like to encourage you to order as soon as possible, due to the shortage of some species at the nurseries. All orders are taken on a first come first serve basis.

Some of the evergreens being sold are: Red Cedars, Austrian Pine, Ponderosa Pine, Afghanistan Pine, Scotch Pine, Colorado Blue Spruce, Easter Red Cedar, and Rocky Mountain Juniper.

Some of the hardwoods are: Green Ash, Russian Olive, Honeylocust, Bur Oak, Hackberry, Native Plum Sumac, Poplar, Golden Willow, Cottonwood, and Chinese Elm.

Among the list of shrubs to be sold this year will be Honeysuckle, Lilac, Plum and Nanking Cherry. These shrubs are very good for all wildlife. Some of the trees available this year such as the Cottonwood, Chinese Elm, and the Golden Willow, when mature, will provide excellent shading and should help to lower your cooling bills in the blistering heat of the summer. They will also help to beautify your landscape.

The District would like to point out that all of these trees and shrubs will provide good windbreaks for those blue northers which we have every winter.

Due to our ordering limitations all orders must be made in groups of five of evergreens and ten of the hardwoods. The orders have to be accompanied by a deposit of at least half of the cost of the order.

For a complete list of species and prices you can call Stanley Altman at 874-2339 or come by 416 S. Kearney at the Donley County SWCD and talk to Stanley.

THE DONLEY COUNTY SWCD recently acquired a new grass drill.

DONLEY COUNTY SWCD are now taking orders for trees.

Ducks Unlimited sets banquet date

The Clarendon Chapter of Ducks Unlimited has announced that its 1st annual banquet will be held at The Clarendon Country Club on Thursday, December 6 at 7:00. Chapter Chairman Jimmy Garland feels the fund-raising function should be marked on the calendar by anyone who is interested in the future of North America's waterfowl.

"The Ducks Unlimited success story," said Garland, "is really starting to spread around. Banquets much like our chapter event held throughout the country last year contributed towards Ducks Unlimited's national fund-raising effort which raised \$38.2 million during 1983 alone. But what's even more important to realize," said Garland "is that this national fund-raising total must increase this year if the North American waterfowl habitat race is to be won."

DU's sportsmen/conservationists founders discovered through surveys conducted forty-five years ago that seventy percent of North America's waterfowl production occurs in Canada. They figured out back in 1937 what holds true today. Since

Bronnie F. McNabb, Jr., President and CEO of First Bank & Trust of Clarendon, has been appointed to a one-year term on the American Bankers Association (ABA) Community Bankers Advisory Board. He will assist the advisory board in assessing the professional, regulatory and legislative needs of community bankers and provide guidance to the ABA in how to most effectively meet those needs. He will also help the ABA in promoting an awareness of the association's activities to other bankers in this area.

At a meeting of the advisory board this week in Washington, D.C., Bronnie McNabb and his banker colleagues discussed federal legislation and regulations that would help them better meet the needs of bank customers. Addresses were presented by Federal Reserve Board Governor Martha Seger, Federal Deposit Insurance Corporation Chairman William Isaac and Deputy Comptroller of the Currency James E. Boland.

In announcing Bronnie McNabb's appointment, Randall A. Killebrew, chairman of the advisory board and president of the First National Bank of Petersburg, IL, stated, "Mr. McNabb's considerable banking knowledge and experience will make

an important contribution to the deliberations and programs of this organization, which is the principal representative voice of America's 12,500 community banks."

"Grease the Wheels"

for the Texas

Wagon train

As the fourth quarter of 1984 begins, the members of the Texas Wagon Train Association are busy finalizing plans for the 1986 Texas Sesquicentennial Wagon Train. The wagon train will travel over 2,800 miles when it circles our state in 1986, and Executive Director, Jan France, was out on the trail planning the exact mileage, community by community.

The wagon train has captured the spirit of Texas, and many Texans have expressed a desire to support this project in some way. The TWTA has announced plans for a state wide fund raising project to help finance the wagon train.

Texasans can buy one specific "muc of axle grease" in any area along the route for \$150. They will receive a handmade pecanwood plaque of Texas engraved with the number of the mile for which they are "buying the axle grease". They will also be listed in the souvenir magazine.

If you, or someone you know, are interested in "greasing the wheels" for the Texas Wagon Train, please send a check to Texas Wagon Train, c/o Western State Bank, PO Box 1866, Denton, Texas, 76202. Tell us which mile you want or the county or town in which you want your mile. If you specify a mile which has already been chosen, we will give you a mile as close as possible to your original request.

For more information about "greasing the wheels," contact Donald Stringer, Business Manager, Rt. 1, Box 299, Argyle, Texas 76226, (817) 464-7668 or Kim Jindra, Press Agent, 2121 Panhandle, Denton, Texas 76201, (817) 387-3339.

Hedley ex-student teacher banquet

The Annual Hedley Ex-Student and Teacher Banquet will be held in the high school cafeteria at 7:00 p.m. on November 24th. The evening entertainment will be a pleasant surprise. If you are a former student or teacher, make plans now to attend. The pie will even have sugar in it! This year's banquet will be hosted by the classes of 1942 and 1972.

tion's magazine. Call Mike Butts at 874-3554 for tickets and further details.

Small tax increase for county

Increase in local property tax levies average 2.3% above those of last year! Compare this to Texas' state-wide average of 9.7% increase above last year.

During the last three years since 1981 our local property tax levy has increased an average of 5.2% per year while the Texas statewide average has been 11.2% per year.

While inflation has increased costs of other things more than taxes, the local tax bodies have obviously been efficiently operated by their locally elected governing bodies, administrators, and staff.

All of the property tax money collected here stays here to help support local services and schools. None of it goes to Austin or Washington!

Senior Citizens News

Had a good crowd out for the Stew Supper on Thursday, November 15. Clifford Taylor was winner of the door prize. Amy Lawson, Doc Johnson, Allene Naylor and Clyde

Hoggard were the lucky ones for the measuring cups. Thirty-two stayed to play games. It was a fun night. The Board of Directors met in regular session on Wednesday.

November 14th. A review of fiscal year 1984, which ended September 30, 1984 was given by Director, Jean Baten, and bookkeeper, Phillip Wiggins. We had a good year. Thanks to all of you for helping to make it a good year. Our federal grant for fiscal year 1985 is smaller than what we had in 1984, so we need everyone's help to get more people coming to the Center. A larger group

of participants will help to keep our program healthy. Also, we need your help in finding those that need home delivery meals. The home delivery program is for all the senior folks that are not able to come to the Center for a good, hot, nutritious meal. I'm sure there are several that need this service -- will you help us find them?

I have been attending a lot of meetings lately and getting some good ideas and information to help the people of our community. A lot of this is information about various agencies that offer services and assistance to the older Americans. Check with me if you need help or information. Maybe I will have a pamphlet or an address or telephone number that will get you the information you need.

REMEMBER: We will be closed Thursday, November 22nd and Friday, November 23rd for the Thanksgiving holidays. Happy Thanksgiving to you all.

CALENDAR OF EVENTS

FOOD IDEAS for all seasons

Start the morning in a marvelous way with Golden Apple Upside-Down Coffee Cake. Serve this delicious cake for breakfast or try it as dessert at the end of an evening meal.

Arrange a layer of apple slices in the bottom of a tube pan then cover with batter laden with moist, sweet chunks of Washington Golden Delicious apples and a hint of lemon peel. When baked the cake is inverted revealing an attractive topping of apples slices.

Harvested in the fall, quality Washington State Golden Delicious apples are available year-round thanks to modern Controlled Atmosphere Storage methods. Enjoy the new crop of naturally sweet, crunchy Washington apples this fall and throughout the year.

GOLDEN APPLE UPSIDE-DOWN COFFEE CAKE

- 3 medium Golden Delicious apples
- 1/3 cup butter or margarine
- 3/4 cup sugar
- 2 eggs
- 2 tablespoons lemon juice
- 1 teaspoon grated lemon peel
- 2 cups flour
- 2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/2 cup milk

Core and slice 1 apple. Arrange slices in bottom of well-greased 9-inch tube pan. Pare, core and finely chop remaining apples to measure 1-1/2 cups. Cream butter and sugar until light. Beat in eggs, lemon juice and peel. Combine flour, baking powder and salt. Add to creamed mixture alternately with milk. Fold in chopped apples. Spoon batter over apples slices in pan. Bake at 375°F. 40 to 45 minutes or until wooden pick inserted near center comes out clean. Cool in pan 10 minutes. Turn onto serving plate. Serve warm or cooled. Makes 8 servings.

I would like to thank all the people of Donley County v who supported me in the election.

I appreciate your vote of confidence and will continue to do the job to the best of my ability.

Thank You,
Sandra Eads

Health Hints for Today

by R.L. GILKEY M.D., D.A.B.F.P.

FEVER is simply a symptom of an illness, usually viral or bacterial. It is nature's way of fighting a disease. Fever slows the growth of the germs and the production of toxins which makes us sick. Normal temperature is from 97.0 in the morning to 100.4 in the evenings. Liquids both hot and cold, exercise, stress, allergies, etc. can cause our fever to be above 98.6, so don't be alarmed at minimal fever. A fever of 102 or below does not need to be treated. If antibiotics are prescribed, they frequently work better in the presence of fever. A fever of 102 to 104 usually needs little treatment other than adequate fluids. With a fever of 105, Tylenol for children and Tylenol or aspirin for adults, may be used, but remember that these drugs will not bring the temperature down to normal. If a child has a fever of

over 105 after Tylenol, then sponge the child in a tub with an inch or two of tepid water with a wash cloth for thirty minutes. Don't have the water too cold and cause the child to shiver. Dangerous fever is 107 or above. Don't treat a 107 fever at home but get your child to a physician or a hospital. "Febrile convulsions" occur in only a few percent of children and usually only in the first few years of life.

Remember: It is O.K. to have a fever. Never treat the low grade fever, but treat the illness. Cool liquids by mouth is the best treatment. If Tylenol or aspirin must be used, use only as recommended and don't use both, because there are more complications from giving too much of these drugs than there are from not giving them at all.

DON'T HAVE FEVER PHOBIA - DON'T FIGHT MOTHER NATURE.

Friendship Club met Nov. 14

The Friendship Club met on November 14, 1984 at 2 p.m. for a monthly meeting in the home of Mrs. Marvin Jones.

Present for the meeting were eleven members and three guests, Thelma Rudder, Patsy Hill and Lucille Smith.

Games of "42" were played. After a short business meeting, refreshments were served from the lovely decorated table using a

Thanksgiving motif.

Members present were Louise Aten, Florine Bennet, Murle Butts, Norma Corgill, Edna Dishman, Irene Jones, Yvonne Belle McDaniel, Odie Moss, Mary Lee Noble, Annie Thompson and Jane Stevens.

Thelma Rudder will be a new member in the club.

The December 12th meeting will be a Christmas party in the home of Yvonne Belle McDaniel.

Tri State High School Rodeo members elect officers

On November 10, 1984 the Tri State High School Rodeo members met with their sponsors, Jim Uptergrove and Burl Hollar. They met at Mr. and Mrs. Burl Hollar's home to elect officers for their rodeo club and to decide on a date for a Clarendon High School rodeo. The elected

officers are: President-Lee Smith, Vice President-Randy Crump, Secretary-Kim Burson of Silverton, Treasurer-Monte Hollar, Reporter-Jeff Mills, Mascot-Doug Hawkins, Queen-Kim Burson.

The club came to a decision to have a Clarendon High School Rodeo in the fall.

Donley Appraisal District directors met Nov. 5

The Donley Appraisal District directors met November 5 with directors Leo Smith, Bill Mooring, Shirley Clifford and Earl Wheatly present. Also present were Charles SoRelle and Patsy Leffew.

Business conducted was: Minutes of September 4, 1984 were read. There was an addition stating that there was no meeting during the month of October. Motion carried to approve the minutes with the addition.

*SoRelle reviewed and explained the Report of Values, Tax Rate and Levy and compared statewide average increases with local increase.

*SoRelle presented report on Productive Value appeal in behalf of the Clarendon and Hedley school districts as submitted to the State Property Tax Board.

*SoRelle reported and discussed the "Plan of Re-Appraisal for Donley Appraisal District".

*SoRelle asked for consideration to have Pat Rattan's signature available for tax transfer checks in his absence.

*Contract by Pritchard and Abbott for Mineral, Utility and Industries appraisal was reviewed and discussed. Wheatly made a motion to have the contract reviewed by Jerry Courtney before signing.

*SoRelle gave a summary on delinquency collections as of July 1, 1984. He also explained the recent seizure and alternatives.

*Next meeting was set for December 18 at 7:00 p.m.

Immunization Clinic Nov. 26

Donley County Community Action at 100 S. Sully will have an immunization clinic offering vaccines that give protection against several childhood diseases. The clinic is scheduled for Nov. 26 from 10 a.m. until 2 p.m.

There will be no charge for this clinic. Immunization will be given against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

Index value of property in district lowered

Information reported by land owners and operators pertaining to cash lease amounts for grass land and farm land was combined with some recorded leases and was the basis for a 33 page report submitted to the State Property Tax Board on September 28, 1984, as an appeal to lower the index values which they had set by their estimation. The index values of the several different categories of properties are used in the formula for apportioning state aid to each school district throughout the state.

The State Property Tax Board has by letter of October 26, 1984,

EMS Activity Report

11-12-84 Frank White, 81 of Clarendon from residence to Medical Center Clinic, Clarendon and return to residence. Trauma.

11-13-84 Viola Morris, 83 of Memphis transferred from Memphis ambulance to Clarendon ambulance in Clarendon and transported to High Plains Baptist Hospital, Amarillo. Medical.

11-15-84 E. T. Naylor, 85 of Amarillo from Medical Center Clinic, Clarendon to High Plains Baptist Hospital, Amarillo. Medical.

JAWS OF LIFE DONATIONS

Mr. and Mrs. Ernest Kent in memory of Billy M. Jack.

In 1810 there were 366 newspapers in the country.

confirmed a lowering of the 1983 productive value of agricultural land in Clarendon School District from \$37,711,069 down to \$34,592,288 and the index value of all property in the district from \$112,153,622 down to \$107,039,886; Superintendent Jeff Walker estimates that this adjustment will result in approximately \$5,500 additional state aid for the Clarendon School District. Similarly, the S.P.T.B. has lowered the 1983 productive value of agricultural land in Hedley School District from \$12,211,385 down to \$11,363,222 and the index value of all property in the district from \$25,919,262 down to \$24,402,181; Superintendent Glyndol Holland estimates that this adjustment will result in approximately \$1,700 additional state aid for the Hedley School District. A complete copy of the appeal report is in the appraisal district file for your inspection at any time.

"Participation in the appraisal process by reporting price and details of land sales or cash leases is the only way to keep appraised values and the related tax amounts fair and equitable," stated Charles SoRelle, Chief Appraiser.

E.E. AND PRISCILLA BOONE celebrated their 50th wedding anniversary, November 16 with a trip to Las Vegas. The couple was married in Oklahoma, November 16, 1934. They lived in Oklahoma and Amarillo prior to moving to Clarendon 8 years ago. The couple has four children, Bobbie Jordan, Yvonne Greenwood, Larry Boone and Leon Boone. They have 12 grandchildren and 2 great grandchildren.

Help Keep Winter Heating Costs Down By Following These Suggestions

Keep Fireplace Damper Closed.

Open Drapes & Blinds.

Change Filter Regularly.

Set Thermostat At 68°.

Remember how cold weather caused your energy costs to go up last winter? Well, West Texas Utilities has a few simple suggestions that will help you keep energy costs down this winter.

- Tightly close the damper in your fireplace when you're not using it. The same draft that is needed to help make a fire burn could circulate through your fireplace and pull warm air out of your home.
- Keep drapes and blinds open during the day so the sun's energy can help warm your home. Be sure to close them on cloudy days and at night so they can serve as added insulation against the cold.
- Set your thermostat at 68 degrees or lower during the day. Turn it down at night and even lower when you leave home for any extended period of time. Every degree you lower your thermostat will help to increase your energy savings.
- Check the filter in your heating unit regularly. Cleaning or replacing a dirty filter will often make a difference in your systems performance. Also, make sure air vents aren't blocked by furniture or drapes.

DAVY'S DISCOVERY

Inside each of us, concentrated primarily in our bones and teeth, is two to three pounds of calcium, the mineral in greatest concentration in the human body. While 99% of the body's calcium is in teeth and bones, 1% is distributed in various tissues and in the blood. It is this 1% of body calcium that is vital to blood clotting, beating of the heart, normal functioning of nerves, and maintaining tone of our muscles.

Calcium was discovered in 1808 by the famous English chemist Sir Humphrey Davy. The name calcium was selected from a Latin word from which we also get the word chalk. Calcium occurs in nature in chalk and also in limestone and shells of sea animals including oysters (one popular calcium supplement is derived from oyster shells). Good dietary sources of calcium include dairy products, salmon, sardines, and green leafy vegetables.

People of all ages need calcium. Periods when the demand for this mineral increases include during pregnancy, after a bone break, and in mothers while breast feeding. Obtaining "additional" calcium during these periods is not difficult. In order to absorb adequate amounts of the mineral, it is necessary that sufficient vitamin D also be present in the diet.

NEW MEMBERS of Xi Lambda Xi Doris Ekleberry, Audra Klein, and are Nancy Watson, Pam Fletcher, Carrie Howell.

Xi Lambda Xi met Nov. 12

The Xi Lambda Xi chapter of Beta Sigma Phi met in the home of Charlene Mays on November 12, 1984.

Five ladies participated in a beautiful candlelight ceremony, the Ritual of Jewels in which the rushees received their pins of Beta Sigma Phi - Nancy Watson, Audra Klein, Carrie Howell, Pam Fletcher, and Doris Ekleberry.

Following the ceremony, President Maurine Butts brought the meeting to order. Carol Hinton led in the Opening Ritual. The minutes of the previous meeting were read by Recording Secretary, Betty Veach. They were approved.

President Maurine had received an "All Occasion Casseroles Cookbook with Menus" and a sample of a Christmas ornament that could be ordered from Beta Sigma Phi International.

The earliest jigsaw puzzle was a dissected map of England and Wales appearing in 1767.

No treasure report, treasurer not in attendance.

Committee Reports: The Social Committee: Charlene Mays reported that the next social will be the progressive dinner at Christmas time, a time, date, place will be announced later.

Plans were made for Christmas Ornament Party in December. Xi Lambda Xi will host Alpha Upsilon

Epsilon. Details will be announced later.

All sisters are urged to get dues paid.

Pecans are in at Henson's, sisters were urged to pick them up and they will sell for \$4.50 a bag for 1 pound.

The Charity Ball was discussed. Plans are being made to have the Charity Ball in January.

The business meeting was adjourned.

Beth Walker presented a program on "Family - It's Place in the Modern World". She told about the different stages - "Child Bearing"; "Child

Rearing"; "Child Launching"; "empty nest stage"; and "Single Partner". She presented a very interesting program.

The Closing Ritual was led by Beth Walker. Doris Ekleberry won the raffle gift.

Refreshments were served to the following: Nancy Watson, Audra Klein, Carrie Howell, Pam Fletcher, Doris Ekleberry, Maurine Butts, Genella Eads, Carol Hinton, Beth Walker, Charlene Mays and Betty Veach.

Next meeting will be November 26.

1984-85 School District budgets

Texas increased spending on local public schools by \$552 million last year, as trustees in 1,069 school districts adopted school budgets totaling \$9.0 billion. That provided more than \$200 in additional funds for each of the 2,727,512 students in the state, according to the Texas Research League.

Local property taxpayers were tagged for an additional \$327 million to pay for the increase. The remainder was funded by increases in state and federal aid programs and by higher local fees.

The figures come from the latest issue of BENCH MARKS FOR 1984-85 SCHOOL DISTRICT

BUDGETS IN TEXAS, an annual publication of the Texas Research League, an Austin-based, educational corporation engaged in governmental research.

School budgets adopted for 1983-84 called for spending \$2,713 per student for current operations. Clarendon ISD's budget provided for \$2322.09 per student based on the 542 students in average daily attendance in 1982-83 as Hedley ISD's budget provided for \$3810.37 per student based on the 98 students in average daily attendance in 1982-83.

Four of five of these dollars were spent for salaries. Statewide,

payroll expense averaged \$2,153 per student, as compared to \$1,700 in Clarendon ISD and \$2,743 in Hedley ISD. Payroll expense is a combination of salary levels and staffing patterns.

The average salary for classroom teachers paid by Clarendon ISD in 1982-83 was \$18,156 which was 6.8 percent above the minimum salary prescribed by the state. The average salary for Hedley ISD was \$17,643 which was 1 percent above the minimum salary prescribed by the state. The average among all school districts in Texas was \$19,501 per classroom teacher, or 21.8 percent over the minimum.

There was an average of one teacher for 15.6 students in Clarendon ISD and one teacher for 10.1 students in Hedley ISD compared to a statewide pupil-teacher ratio of 1 to 16.4. The pupil-teacher ratio is not the same thing as the average class size because teachers and students are not necessarily in class the same number of hours each day.

Statewide, the ratio of teachers to students has remained the same the past three years. The report notes that during the 1980s school officials have used additional payroll dollars to increase salaries beyond the rate of inflation, whereas during the previous decade more dollars were spent to hire additional teachers while average salaries grew less than the rate of inflation.

Local property taxes were increased by \$327 million for a total of \$3.6 billion last year. Locally, the Clarendon ISD's and Hedley ISD's tax levies were increased by 3 percent for 1983-84, as compared to a 10.0 percent increase for the average school district in Texas.

School property tax rates in 1982-83 averaged \$0.613 per \$100 of market value (selling price). The school tax on a property selling for \$100,000 was \$613 in the average school district. Locally, the rate on market value in Clarendon ISD was \$0.395 and Hedley ISD was \$0.475.

If the property were a homestead or owned by a senior citizen, the school tax would be less because of various exemptions. Open-space land that qualified would be valued on its productivity value rather than market value.

Revenue lost from exemptions totaled \$679 million, which was \$125 million more than exempted the previous year. To balance

school budgets, the revenue loss from exemptions was imposed upon other taxpayers in the school district.

Preparing school budgets for next year, the report noted, will be difficult. Not only did the Special Session of the Legislature provide substantial additional funds, but also changed the method of allocating aid to different districts. School officials also must begin implementing a variety of new educational programs including new curriculum standards.

The only woman who was wife of one president and mother of another was Abigail Smith Adams.

THE HEART OF THE FIGHTER

heart connecting

THE HEART OF THE FIGHTER

Clarendon Church of Christ

3rd & Carhart

**Wed. Nov. 28th.
7:30 P.M.**

Let Nothing
Come Between You

For though I am free from all men, I have made myself a slave to all, that I might win the more. *I Corinthians 9:19*

The fighter goes beyond the desire to be understood; he seeks to understand.

The fighter goes beyond the desire to be loved; he seeks to love. The fighter goes beyond freedom from others; he discovers the freedom to be for others.

The tragedy is, most of us wind up building walls instead of bridges. We isolate ourselves from the world at large, sometimes even from those who are closest to us. Part of it is fear. Part of it is selfishness. But mostly it's a low view of ourselves.

So we compensate by giving people substitutes for ourselves. Unable, or just unwilling to share ourselves, we substitute gifts, money, programs, activities—anything but the most valuable thing we have to give.

No wonder we end up confused and ineffective at best, disappointed and unfulfilled at worst.

The heart of the fighter means the freedom to make connection, to share our lives. To touch another person with ourselves. To tear down walls and take off masks. To love, to share faith, to win a person. Whatever you do, let nothing come between you and another person. Your life is the most powerful resource you have for showing how love works.

Bald eagles "holding steady"

The endangered bald eagles population is "holding steady" after years of decline, according to the results of the National Wildlife Federation's 1984 Bald Eagle Survey.

The year's survey, taken from January 2 to 16, counted 11,819 bald eagles in 42 of the continental states. Last year's count for the same states was 10,903.

"The bald eagle isn't home free yet," said Jay JD. Hair, NWF Executive Vice President. Hair said the eagle needs years to recover from the drastic decline it suffered in the 1960s, primarily from DDT and dwindling habitat. "Slowly, but surely," he said, "the bald eagle is making a comeback, and this year's survey demonstrates encouraging progress."

The bald eagle is officially endangered in 43 states and threatened in five others. The bird is plentiful only in Alaska, and none live in Hawaii.

Considered to be the most complete midwinter bald eagle count available, the National Wildlife Federation survey provides eagle experts with data on where the birds live during the winter and the habitat they need to survive. The survey is conducted over a specified two-week period in January each year, and states participate on a voluntary basis.

In 1979, the Federation's first survey counted 9,815 bald eagles in 48 states. In 1982, the last year a count was taken in all 48 continental states, the survey reported 13,825 eagles.

Brian Millsap, biologist in the NWF Raptor Information Center

and survey coordinator, said that this year's severe winter in the eastern half of the United States concentrated wintering bald eagles and made them easier to count.

"Eagles tend to congregate near open water," Millsap said. "This accounts for the high concentrations of eagles near the Mississippi River and in the warmer, southern states."

According to this year's survey, the largest bald eagle population was in Washington state, with 1,525 birds; the next largest was in Missouri with 975, followed by Utah (901), Oklahoma (794) and Arkansas (639). Complete surveys were

not done in California, Florida, Maine, Michigan, Oregon, or Rhode Island.

According to the NWF 1984 midwinter bald eagle survey, Texas had a total of 397 in 1979; 505 in 1980; 418 in 1981; 359 in 1982; 202 in 1983 and has 43 in 1984.

The survey was conducted by 2,800 state and federal conservation agency personnel and private volunteers.

The NWF, whose logo features a bald eagle in flight, has long been associated with eagle protection. It offers \$500 for information leading to the conviction of anyone who illegally kills a bald eagle.

Watt's Happening in Hedley

By PEGGY WATT

New is a little short this week because the powers that be said we had to have our copy in by Saturday morning, because we would go to press early Monday morning, so if you had something happen to you after then, it will have to go in next week's column.

Ruby Bardwill has recently returned from a six-week visit to Redding, California and Reno, Nevada. She visited with her sisters, nieces, nephews. She also has a new great-grand son. Born October 17th, he is the son of Mr. and Mrs. Charles Terry of Amarillo.

The 42 Club meets on the odd Thursdays of each month in the Lion's Den at 2 p.m. - 4 p.m. This club has met continuously since the 1940's. Billie Hunsucker is a charter member of the club. There were 16 ladies playing 42 when I was there Thursday, but if the men would like to play, the ladies are not feminists. They would be glad for the men to play with them, I guess.

Clyde and Mildred Hoggard are the proud great-grand parents of a baby boy. He is the son of Milissa and Allan Beasley. Milissa is their granddaughter.

The Adamson-Lane Post 287 of the American Legion met Nov. 13th. in the Lion's Den. Post Commander, Gerald Bland conducted the meeting. Those in attendance were Vice Commander Travis Bland, 2nd Vice Commander John Waddell, Adjutant James Farley, Chaplain Otis Holland, Post Service Officer O'Neill Weatherly. Also present were Alvie Clay, J. D. Skaggs, Fred Watt, Murrell Whitaker, Buford Holland, Johnny Linville, and Johnny Conatser. Phillip Wiggins is the book-keeper and was there to report on the Post's finances. There were several new members. After the meeting they enjoyed barbeque sandwiches and brownies. The American Legion meets the 2nd Tuesday of every month. If you're a veteran, come join!

Nell Land had company last week, but she was too busy playing 42 when I was there to tell me who it was. Maybe I will see her at a more convenient time and she can tell me then.

Nettie Alexander left earlier this week to spend some time with her daughter, Martha and Bill Birdwell in Midland. I don't know what mother will do while she's gone. I think they talk to each other on the phone at least ten times a day. If they lived a mile or more apart, I could understand it, but they live across the street from each other. Oh well, I'm glad mother has a friend like Nettie. They walk every afternoon and carry a paper bag with them to pick up cans. They don't walk very fast and when Guy asked them why they walked so slow if they were taking exercise, Nettie told him they got their exercise by bending down and picking the cans up. She also said that when they got enough cans, they were going to sell them & paint the town red. So if you wake up some morning, and the whole town of Hedley is bright red, you'll know that Nettie Alexander and Lola Brown sold their coke cans.

Su-San and I went to Clarendon Thursday night to the Eastern Star meeting. The District Deputy, Tammy Leslie made her official visit. Mrs. Leslie is from Paducah. We saw Nell Land and Dorothy Johnson there. Su-San and I belong to the O.E.S. Chapter in Hedley and Nell and Dorothy belong at Clarendon.

A. J. Rowell died in a Houston Hospital early Friday morning. He had been ill for a long time. His wife Jean, and daughters Marsha McAdams and Ricki Linebaugh was with him.

J. C. and Evelyn Rackley of Hopewell, Virginia are visiting in the home of Louie and Dottie Bogue. Evelyn is Dottie's sister.

I have mentioned the powers that be several times in the past. For those of you who aren't familiar with them, the powers are Helen Woody. That woman can get more work done than most men I know, excepting Fred of course.

The Annual Hedley Ex-Student and Teacher Banquet will be held in the High School Cafeteria at 7 p.m. on Nov. 24th. The evening entertainment will be a pleasant surprise. If you are a former student or teacher, make your plans now to attend. The pie will even have sugar in it! This year's Banquet will be hosted by the classes of 1942 and 1972.

Leon, Su-San and I were in Wellington Friday for me to see the doctor. He told me blood was just about sweet enough. It gets to be a drag at times, this not being allowed any sugar. Last night at the dinner at Clarendon, there must have been ten pies and at least that many cakes with thick, sweet icing on the top, and I had to settle for a fruit salad. Not that it wasn't delicious, it was, but I would really like to have had a piece of the cherry cheese cake!

Mr. and Mrs. Eimokennedy are at

the home of their daughter, Mrs. Betty Hoggard, recuperating from their respective illnesses. How fortunate for them that they have her so close so that she can look after them. They will be there for several weeks.

I saw in the Amarillo paper that Alfred Spalding is in the hospital there. I don't know when he went or if he's still there. Hopefully, he'll be home soon, if he isn't already. And also hopefully whatever he's there for, isn't serious.

The students at Hedley school got their report cards last week. I don't know about the other students, but my boys all had pretty good grades. I fussed at Thunder's Computer Math grade. He had an 88 and I threatened to skin him alive. He promised if I'd let him keep his hide, he'd do better next six-weeks. The girls and Coach Bryan Hill went to Miami for a scrimmage game Thursday evening. The boys and Coach Collins went to Miami Friday night. It was their last scrimmage game. They play their first regular game at Groom on the 19th. On the 20th they play Allison on the home court. Good Luck Owls and Owlettes.

School will be out for Thanksgiving Nov. 22 and 23rd.

I don't have the school menu for the first part of the week of Nov. 26-30. Mrs. Phelps didn't have it made out in time for me to get it in this week.

I have a correction to make from last weeks Watt's Happening in Hedley, it was printed that meals for senior citizens were \$1.25 and \$1.50

for guests. This was incorrect. It should have read the suggested donation for 60 and over senior citizens or their spouse, regardless of age is \$1.00 and suggested donation for guests is \$1.50. Senior citizens do not sell meals, they only take donations. The above figures are only suggested donations.

Senior citizens center are not 100% subsidized by the government. Each center must raise a portion of the money needed to run their center. Hedley helps with this cost by selling cards, candles, picture frames, appointment books, calendars, cookbooks and other items. Anyone, regardless of age, is welcome to drop by the center and purchase these items.

The Senior Citizen's will have their monthly birthday party on Nov. 26th. If you have a birthday during the month of November, the Senior Citizens will help you celebrate on this evening. They have a covered dish dinner then.

They will probably play games Friday night and again on Monday

night.

There will be no meals served on Nov. 22nd and 23rd. Laqueta, Jessie, Opal, Jane, Pauline and Eva are taking a well deserved holiday. Al short one, but deserved.

The menu for Nov. 26th - 30th. Monday - Beef Stew, Lime Jello w/pineapple, corn muffin, butter, peanut butter cake, milk, tea, coffee and juice.

Tuesday - Ground Beef w/noodles, steamed cabbage, carrots, pickled beets & onions, corn muffin, butter,

peach cobbler, milk, tea, coffee and juice.

Wednesday - Chicken & Dumplings, turnips and greens, cauliflower, waldorf salad, rolls, butter, strawberry cake, milk, tea, coffee and juice.

Thursday - Chili, beans, fried

potatoes, raw vegetable salad, corn muffin, butter, cherry cobbler, milk, tea, coffee and juice.

Friday - Steak w/gravy, AuGratin Potatoes, black-eyed peas, cabbage-carrot-raisin salad, corn muffin, butter, pear halves, milk, tea, coffee and juice.

In 1910 an obscure British music-hall performer toured the U.S. in a vaudeville act billed as, "Karno's Wow Wows." His name: Charlie Chaplin.

Medical Center residents shop at Country Store

The residents of Medical Center Nursing Home went on their first shopping spree on Tuesday, November 13, 1984. The store is sponsored by the WMU of Martin Baptist Church, with many donations from other churches, organizations, businesses, and individuals. Their next opportunity to go shopping for their families for Christmas will be Tuesday, November 20, from 3 until 5 p.m. Anyone who would like to help is welcome.
