MRS. LESLIE WATSON as she enjoyed July 4th Old Settlers Reunion. She was the oldest person to attend the meeting.

Mrs. Watson celebrated her 96th birthday Aug. 1st

Mrs. Leslie (Antrobus) Watson, the first girl baby born in the present location of Clarendon, celebrated her 96th birthday, August 1. She was born August 1, 1888 shortly after Clarendon moved from the original sight, which is now in the middle of Greenbelt Lake. The railroad missed Old Clarendon by about 5 miles, so Clarendon decided to move to the railroad.

Mrs. Watson's parents were George and Lena Antrobus. They came to Clarendon in a covered wagon in July of 1887, making them among the first citizens of Old Clarendon.

Lena's maternal grandfather, D.K. Harding and Doc Harding, father of President Warran G. Harding, were brothers. She was the first school teacher in Clarendon. The fee to go to school in those days was \$1 a student per month. As it turned out no one paid for their children's schooling that first year.

Mrs. Watson graduated from Clarendon High School and Clarendon College.

She and O.C. Watson were the first couple to be married in the newly built Methodist Church, October 25, 1911, which she is a charter member. She has spent her entire life in Clarendon with the exception of one year, which shortly after her marriage she and Mr. Watson moved to Sanger, Texas.

They returned to Clarendon after one year and with her brother, Barcus, bought out her father's hardware business. They also build the Antrobus Hotel at a cost of

\$90,000 in 1917.

Mrs. Watson studied art and has several of her paintings hanging in her home. Her best known painting is "Rebecca at the Well". Her favorite title since her marriage was "Housewife". Mrs. Watson

stated, "I was always a housewife, and I liked it."

The Watson had one daughter and two sons.

The Harmony Sunday School Class of the First United Methodist Church, which Mrs. Watson is a

member, honored her with cake and ice cream. Mrs. Carol McClelland and Mrs. Boots O'Neal help with the housework and meals for Mrs. Watson also attended the party.

Congratulations Mrs. Watson, we hope you enjoyed your day.

EMS deliveries

second baby this week

After many years of not having delivered a baby in the ambulance, Clarendon EMS has delivered its second baby in the last several months.

On Tuesday night, July 24, 1984 a call was received at 8:49 p.m. of a woman in labor in Hedley. The ambulance arrived on the scene at 9:02 p.m. After arrival it was determined that the mother to be was indeed in labor and had been for some time. It was also determined that the baby was in an abnormal position and would be a complicated delivery.

A nearby hospital had been contacted prior to the ambulance arrival and had refused to take the patient. Since the patient's physician was in Pampa, transport preparations were made to go to Pampa but enroute, the ambulance had to stop and deliver the baby. The baby came feet first and the shoulders and head would not fully deliver. The crew was in constant contact with doctors at Coronado Community Hospital in Pampa and Amarillo Emergency Receiving Center in Amarillo for advice on how to get the baby to go ahead and deliver. Several procedures were tried with no success until finally the baby did fully deliver at 9:58 p.m. The placenta also separated at the time the baby delivered causing the baby to not have any oxygen or nourishment from the mother any longer. The baby had a good heartbeat but was not breathing and was very blue. Resuscitation measures were instituted and after approximately 10 minutes of assisted breathing, the baby became pink and began breathing and crying on its own. Upon arrival at the hospital, the mother and child were both examined by doctors and it was determined that due to the quick action and expertise of EMS crew members, both were doing very well, the mother and child were returned home within 72 hours. This was the sixth child for the couple, Mr. and Mrs. Gary Moore of Hedley. This one was a girl.

Delivery was performed by EMS crew members Phillip Vargas, Paramedic, Connie McAnear, EMT and Edie Robertson, EMT. The first baby to be delivered was a boy born on the ambulance on January 7, 1984 just prior to arrival at Northwest Texas Hospital in

The Farmers Market and Grocery open July 1st

The Farmers Grocery and Market was opened July 1 by John and Kaye Murphy at 200 Goodnight and Highway 287. This is the building which once housed the Rainbow Laundry.

After buying the building, an extensive remodeling job had to be done. The biggest job was taking out the drains which ran down the center of the building where the washers had been.

"The remodeling job was done by able assistant Fred King," said Murphy.

The Murphys moved to Clarendon from Amarillo, where John had been a machinist with Halliburton Service for the last 3 1/2 years.

John raised in Childress, where 35 years ago he worked in a grocery store. Kaye was raised in Wheeler.

Greenbelt Lake was one of the things which attracted the Murphys to Clarendon. They bought a lot and moved a mobile home on it. They were so impressed by the friendly people, they started looking for a location to put in a business.

The Farmers Grocery and Market is open from 8 a.m. until 8 p.m. six days a week. They close the store on Sunday. The Murphys are members of the Summitt Baptist Church, Amarillo and are still looking for a church home in Clarendon. They have been visiting

different churches each Sunday.

The Murphys have 4 married children and 9 grandchildren.

John is a member of Tascosa Masonic Lodge and and Khiva Temple Shriners. Kaye belongs to Eastern Star Chapter 787, Amarillo.

John stated, "I have lived from coast to coast and border to border,

and I have not found any better good ole country folks, and we feel very comfortable in Clarendon."

The Farmers Grocery and Market carries a well stocked supply of meats, vegetables and can goods. Kaye and John wish to extend a cordial invitation to come by and visit and get acquainted with them.

Cotton producers should check for bollworm infestations

Donley County cotton producers should be checking their cotton fields for bollworm infestations, according to County Extension Agent Ronald Goshw.

Bollworm infestations are being found in some fields now. Fields need to be checked frequently to detect bollworms while they are less than five

days old, for this is the most effective time to control them.

Moths usually lay eggs on the top of young tender leaves in the upper part of the plant. Eggs hatch in two to four days. Young worms feed in tender leaves, eat buds and small squares before moving down the plant to attack larger squares and bolls.

Clarendon receives nearly 2 inches rain

Downtown Clarendon received nearly 2 inches of rain Monday morning, bringing the total for the year to 10.46 inches. However, part

of Clarendon did not receive as much. Some areas in the county reported only .40 of an inch. Light rain continued to fall during the early morning hours Tuesday with little measurable moisture.

The cotton crop around the county has not been hurting for moisture. One farmer stated, "Best looking cotton I have seen in a long time."

The heat and moisture and has not hurt as well. Last winters old hard frozes did a lot of damage to the pasture grasses. It has been reported some ranchers are having to sell off parts of their herd from lack of grass.

Brucellosis Requirement

An explanation of the brucellosis two-test requirement for movement of some classes of cattle from the Class C Area of Texas has been issued by Dr. John W. Holcombe, executive director, Texas Animal Health Commission.

Classes of cattle affected are: bulls and non-vaccinated female cattle over 18 months of age moving out of the Class C Area of Texas.

"Bulls and non-vaccinated female cattle over 18 months of age moving out of the Class C Area of Texas must have two consecutive negative tests at least 60 days apart unless going to slaughter or quarantined feedlot. The last test may be conducted at a livestock market. Vaccinated female cattle may move on one negative test," Dr. Holcombe explained.

There is one exception to this two-test requirement as follows:

Bulls and non-vaccinated female cattle over 18 months of age from a herd which have been together for 120 days or more: Entire herd must be tested negative; individuals can move out of the herd on this test for a period of up to 30 days. For 11

months thereafter, animals may move with one additional negative test within 30 days before movement. This test may be made at the market.

Animals moving under this exception must be accompanied by a written statement signed by the owner and accredited veterinarian or by other documentation which will establish that such animals originated from a herd which have been together for 120 days or more before movement.

A permit for movement from the C Area for this exception must be obtained. A request for the permit may be made to Dr. E.S. Cox, federal veterinarian in charge, Austin, telephone 512/482-5551.

Implementation of this regulation has been slowed due to dry weather resulting in few cattle being sent to West Texas.

Enforcement will be expanded when normal movement of cattle into that area occurs beginning in September.

"Despite the dry weather, Texas must substantially adhere to federal regulations so that this state can remain in compliance and continue its progress in control of brucellosis," Dr. Holcombe said.

A dance featuring Jerry Jay and the Armadillo Band will be held on the dance slab from 7:00 p.m. until 1:30 a.m. Price of the dance will be \$5 per person.

Extra activities will be planned for the children. The Texas Ranger baseball team is providing prizes for the children's activities. The famous "Walter Jones Bar-B-Que" sandwiches and cold drinks will be sold.

All proceeds will be donated to the Motley County school to help with the rebuilding of the school and facilities destroyed by the May 1 tornado.

Hollar Attends State Show

Monte Hollar and his registered Quarter Horse mare, Gold Lady Fingers, recently attended the State 4-H Horse Show in Waco, Texas. He was eligible to attend after qualifying at the District Show held in Amarillo, Texas, in June of this year.

Monte and Lady competed in four events: Halter, Showmanship at Halter, Western Pleasure, and Western Horsemanship. There were approximately one hundred 4-H'ers and horses in many of the events, and more in some of the more popular events.

While Monte and his mare did not place in any of the events they entered, he represented Donley County well, and felt it was quite an honor just to be eligible to go, since only twenty 4-H'ers from each of the 14 districts in Texas may attend.

school budget. The school day will be 35 to 40 minutes longer and there will be 7 periods per day for high school students. There will be no more exemptions for final exams. Other changes will be forthcoming as the new laws are more fully interpreted.

EMS deliveries baby from pg 1 Amarillo. It was an abnormal delivery. Connie McAnear, EMT and Phillip Vargas, Paramedic are the only crew members to have assisted in both deliveries.

Clarendon EMS appreciates the support it is shown by area citizens. They especially appreciate all of the neonatal and pediatric medical equipment which has been provided to them through the generous donations of area citizens. Several months ago, it would not have been possible for complicated situations such as these to have been handled without losing these babies due to not having had this equipment. It should be noted that all donations received are used for the purchase of durable medical equipment and not for expendable or throw away supplies or any other operating expenses. Due to this, Clarendon has two of the best equipped emergency medical units in the Panhandle or anywhere else and local citizens should take pride in knowing this. Countless lives have been saved due to the equipment and training made available to local EMS personnel.

Family Reunions

1984 McAnear Reunion

The Clarendon McAnears hosted a record number of 152 at their annual family reunion. It began on Saturday with lunch, registration, and visiting, followed that night with an ice cream supper for all.

Sunday was the big day as all of the local families met and visited with their out of town relatives and the 42 McAnears that were here after being located through re-searching the family tree. Twenty-six attended for the very first time. James and Tim McAnear traveled the farthest, coming from Decatur, Ala., with others coming as far as Cypress and Free, Texas.

Four years ago while searching for information for the family tree in Clarksville, Texas, Jeanie McAnear) Echols, and Dwight and Vickie McAnear, visited the home place of J.B. McAnear, the great-grandfather of the Clarendon McAnears. They found narcissus blooming along what used to be the walk from the front porch to the gate. With great effort they up-rooted some of them from the dry, hard soil. Vickie took them home, planted them and gave them tender loving care until they multiplied enough to divide. The three oldest children of Fed and Vergie McAnear, Granville, James and Lorene McAnear - wife of Sell who is deceased, were presented some of the bulbs. They are to plant and nourish them until they multiply enough to divide with other members of the family and to keep them spreading as a living memorial to their forefathers. Before the presentation Vickie read the following poem written by Jeanie's husband, Robert Echols.

THE McANEAR NARCISSUS

It might have come to Texas in 1833 in the back of a wagon as sturdy as a tree. Tucked away in the bottom of an old feed sack Always looking forward--never looking back. Put to earth with strong hands near Clarksville town

The good soil of Texas made the roots spread around. There the plant lived and grew stronger each day Watching the McAnears grow through work and play. It lived past Samuel--John B.--and Selkirk, too And it will continue to live past me and you!

Just a part of your past so you will know That like this plant the McAnears will grow. Pass along the bulbs to your kids and theirs For future generations--for kinfolk and heirs. And the strength of this plant--150 plus years Will serve to remind you that John B. perseveres.

Earl DeBush, a new found relative and here for the first time, presented us with one of his hand-made clocks with the carving "McAnear '84" on it. It is to be hung in the building at all future reunions for all to see and enjoy.

The children of Fed and Vergie McAnear attending were: Mr. and Mrs. J.G. McAnear, Mr. and Mrs. James McAnear, Mr. and Mrs. T.W. McAnear, Mr. and Mrs. Sam McAnear, Mr. and Mrs. Fed McAnear and Lucil and Durwood Ray. The ones unable to attend were: Mrs. Mary Selman and Mrs. Lorene Bufkin.

Local relatives attending were: Johnny, Lisa and Jeremy Shields, Shane and Shonda Swinney, Lorine and Cody McAnear, Jimmy, Pat, Alex, Russell, Mandy, Jimmy Wayne, Mike and Becky McAnear, Ronnie, Melinda, Todd, Jennifer, and Elizabeth McAnear, Vickie Wilhite, Tim Ray, James Alvin, Pat, Rodney, Christie, and Laura McAnear, Monte, Bette, Ginger, Kevin, and Audra McAnear, Stuart McAnear, Connie and Dawn McAnear, Mark McAnear, David, Jaci and Walker McAnear and Wes, Susan, Jeffrey and Suzzette Henson.

Out of town relatives were: Freddie, Monica and Dax McAn-

ear, Midland; Dwight, Vickie, Granville, and Garrick McAnear, Poteau, OK; Darlene and Billy Dune, Amarillo; Medine and Richard Gribble, Memphis; John, Marv, Jim and Francis McAnear, Freer; Jerry, Brenda, Jay and Chris Barrett, Canyon; Robert and Jeanie Echols, Talmadge and Lauren Hill, Rockwall; Carl and Lois Jones, Shamrock; Barbara Harmon, Teresa Bittle and J.T., Amarillo; Debe, Steve, Mark and Kirk Land, Panhandle; Judy, Bill and Steven Monk, Canyon; Kelly, Kim, Amber, and Cassie Choate, Bridgeport; Harry, Sheliah, Aaron, Jarrod and Trevor Babbitt, Pampa.

Those attending again that were found in searching for the family tree were: G.S. and Gerald Strickland, Levelland; Leonard and Johnnie Sue Coleman, Ackerly; Dewey McAnear, Snyder; Carl and Anita Cutbirth, Graham; Bonny Robinson, Bryson; Faydell and Bob Gage, Lubbock; Earl McAnear, Roscoe.

New ones attending for the first time were: James and Tim McAnear, Decatur, Ala.; Rhonda, Dylan, Colby and J.D. Slater, Colorado City; Karen and Angie Porter, Aleece Benson, Plano; Mert Pugh, James Poeltz, Connie and Sherry Pugh, Sweetwater; Bonnie Robinson, Arlington; Earl and Wanda DeBusk, Sweetwater; Diane McAnear York, Olney; Daria and Stephen McAnear, McLean; Fred and Latresa Butts and Courtney, Colorado City; John and Peggy Clough, Cypress; Joel and Donna Kingston, Pampa; Latresa and Freddie Butts, Colorado City.

Guests attending were: Lewis, Bonnie, David, Curtis, Tammy and Debi Buckman of Bedford, N.D.; Brad Flowers, Logan, N.M.; Charles Van Horn, Lubbock; David Ridgeway, McLean and Gordon Dune, Amarillo.

Thirty-two of the above mentioned were of the family of Earl McAnear of Roscoe. It was the first time for twenty-six of them to come. This included every member of their immediate family and the first time they all had been together in four years. It can be said they had a reunion within a reunion.

Mr. and Mrs. B.B. Osburn came in the after and brought their television video recorder and took recordings and pictures of the group, family groups, and individuals. It was a lot of fun to see and hear ourselves on television and it will be enjoyed even more as the

years go by. The film will be kept with all the other family pictures and records of the family tree. We all want to express our appreciation to them.

We also want to thank each and every one for all the time and effort they did in preparation for one of the best reunions we have had. A special thanks to T.W. for his extra effort in readying the community center building for us.

Lisa Woods given Shower

A bridal shower was given in the home of the A.M. Sparks 715 McClelland for Lisa Woods bride elect of Preston-Jobe. The Couple will be united in marriage at the Goodnight Community Center August 3rd.

lemonade were served by Vanell Littlefield and Connie McAnear Tricia Singleton, Lisa's roommate of Amarillo registered guests from a old time school desk on a Big Red Tablet.

Letter to the Editor

The Editor

About a month ago we drove through Clarendon, Texas on an extensive trip through the West.

We had a very happy and pleasant surprise when we drove into Mary's Restaurant on the Main Street and had an excellent lunch with very good service and a large well-prepared meal. My husband and I were both impressed.

We like your town as it seemed so clean and friendly. It's so often that people gripe about things and so seldom that we praise, I paused for a moment to tell you of the look you give to out-siders.

Although we never heard of Clarendon before we will remember it with a smile.

Ashtola -Martin News

By Naomi Green

There will be a clean-up hour at the Community Center Thursday August 2nd for the Graham Family reunion. It is to be there 5th. Following the work we will enjoy a ice cream and cake supper. You all come.

The Billy Powells have just returned from a trip to see Tena's oldest son and his family, the Robert Worst at Shreveport La. They saw Billy's aunt Mrs. Richie and her daughter's family the Jackie Robertsons at Homa La. The James Worst and their two sons, one a newborn that Tena got to carry out of the hospital were there next stop. James took them to the World's Fair in New Orleans two different days. They saw the space shuttle "Enterprise."

Mrs. Laura Tucker and Naomi Green were in Amarillo Friday for several doctor appointments. They picked up Jason and Lori Green to return for a visit with Grandparents and cousins.

Mr. and Mrs. Bill Bennett were in Lelia Lake Friday evening to have supper with her sister and the J.D. Wootens.

David Green celebrated a belated birthday by taking friends Nathan Lowry and Scott and Steven Bivens to a show and a meal in Amarillo

Wednesday. Katherine, Lindsay, and Clint assisted him in hosting the affair.

Mrs. Bill Potts and her mother of Estilene came Monday to visit Mary Land and Pat Soogins.

Marv Ann Hickman from Breckeridge is visiting her parents, the Benny Clavs this week. Carrie Sue Kris Ann and Garv and Marcia Davis of Groom visited the Skeet Browns Sunday.

Over a inch of rain-fall in Ashtola area past week in different showers. Weeds are growing faster than news. Call or bring a hoe and come.

RACHEL TORRES

Torres celebrates 15th Birthday

Rachel Torres, daughter of Mr. and Mrs. Fabian Torres Jr., will be honored with a party to celebrate her 15th birthday. This event will be August 4, 1984, 3:00 p.m. at St. Anthony's Catholic Church in Robstown, Texas. This celebration will also honor Rachel's cousin, Ann Espinoza, who will also celebrate her 15th birthday. Rachel's escort is Joe Luis Enriques. Celia's escort is Sammy Arciniega. Many friends and relatives will be in attendance at the gala.

The art of weaving by tying knots was probably begun in the 1200s by Arabians but it wasn't called macrame until about the 1400s. That's an Arabic or Turkish word meaning fringe.

Pen of Pastor Pinion

Bitterness is a sin that will literally destroy a person. I have seen many a persons life made miserable because of allowing their heart to become bitter. There are several consequences of bitterness. There's physical, spiritual, emotional, and mental consequences.

When Fanny Crosby was a baby, she became blind. She could not see her mother, her friends, her home, or the beautiful sunsets. Then her father died. Little Fanny's mother had to go to work every day, and Fanny stayed home with her grandmother.

Then something wonderful happened. Fanny's grandmother taught Fanny to love the Bible. Grandmother read to her from the Bible, and Fanny learned verses and chapters by heart. This way, even though she could not see to read, she always had the Bible with her.

Do you suppose Fanny Crosby was bitter about being blind? Here is what she wrote when she was only eight year old:

O what a happy soul am I!
Although I cannot see,
I am resolved that in this world
Contented I will be;
How many blessings I enjoy
That other people don't
To weep and sigh because I'm blind
I cannot, and I won't.

When Fanny Crosby grew up, she wrote hymns to help other people praise God. You probably know some of the hymns she wrote. Three favorites are "Praise Him, Praise Him"; "Blessed Assurance"; and "To God Be the Glory."

Why not sing one of those hymns now? While you sing, think of the little blind girl who loved the Bible and refused to be bitter.
