Judge Montgomery Reverses His Decision; Reinstates Hospital Settlement For Taxpayers to Pay

District Judge Robert Montgomery filed Monday, June 25, 1973 an Order Reinstating the Judgments in regard to the Donley County Hospital District vs. Dr. George W. Smith, (No. 3521) and F. E. Sawyer, Et Al vs the Donley County Hospital District and George W. Smith Et Al. (No. 3530).

This completely reverses Judge Montgomery's previous ruling at a hearing held in District Court here April 6 at which time Judgments were set aside by Montgomery on the basis of violation of statutes.

This places Judge Montgomery in the position of reversing his own decision made previously. In the Order of Reinstatement no reason was given for reversing his decision other than his opinion. In effect this means that Taxpayers are going to have to dig up some \$60,000 for payment of claims made by Dr. Smith.

The action does, however, release the stalemate that existed, and will permit court action to settle the dispute in an Appellate Court. It would appear that there is a determination on the part of certain individuals to force citizens into payment of the \$60,000 or pay lawyer fees to see the matter settled.

If we are ever to have a medical facility in Clarendon to serve the people of this area, citizens must provide funds to settle these suits by court action. As one well-informed retired attorney termed the situation, "It looks like there is plenty of crooked business going on and citizens are going to have to straighten out this mess thru the courts."

The Donley County Taxpayers Association has formed and an account opened at the Security State Bank in Hedley, Texas where deposits will be accepted if you are concerned enough to help or you may contact John Bass, Chairman. Contributions will be confidential.

Cycle Races Sunday At Greenbelt Track

Sunday promises to be a big day at Greenbelt Moto-Cross Track south of Greenbelt Lake when motorcycle races will begin at 1 p.m. There will be a class for all riders so come on out and enter.

As an added attraction the second race in a 3 series event will be run.

Top riders from all over the tri-state area participate. These riders are winners in races over the entire area. This offers you an opportunity to see these top riders in action right here at home.

Greenbelt Track is popular with riders. It is laid out so as to provide a varying pattern each racing day. It looks like water trucks may have to be run this week to keep down dust and this will be done to keep the track up to par.

Plan to be where the action is Sunday afternoon. Attend the races at Greenbelt track, entrance from Highway 287 west of Clarendon, across the railroad track and north.

BAND SPONSORS BAKE SALE SAT., JULY 7

The Band Parents organization and Band students are sponsoring a Bake Sale to be held Saturday, July 7. All of the usual homemade cakes, pies, cookies, brownies etc. will be to choose from. The funds will be sold at Junior's Food Market and Clifford's Grocery, beginning at 9 a.m.

Proceeds from the sale will be used to help defray expenses of sending the Drum Major and Twirlers to Camp. Your support will certainly be appreciated.

J. C. Blackburn has returned home after a visit with his son in Seattle, Washington.

Little League Drive Set For Sat., July 7

Tex Selvidge, president of Little League, reports that a fund raising campaign will be conducted Saturday, July 7th. Booths will be set up over town, signs and posters put out, and boys in uniform will be accepting donations for Little League expenses.

When you see one of these booths, stop and contribute whatever you feel you can. This is a very worthwhile program for our young people during the summer months and it takes the work and time of many adults to keep the program going. All donations, large or small will be appreciated as equipment and uniforms are always needed.

VFW TO FLY FLAGS DOWNTOWN JULY 4-5-6

J. D. Little has announced that the VFW will fly Flags downtown July 4-5-6.

Local VFW members now have the Flag pole raised at Medical Center. Wallace Monument donated the plate for the top of the foundation and Buddy Ford donated his equipment to raise the pole. This help has been greatly appreciated.

The VFW presented for Memorial Day netted the Clarendon High School Band \$116.62. The VFW donated all proceeds over cost to the Band for selling the Poppies.

The next meeting will be held Monday night, July 2, at 7:30 p.m. at the City Hall. All eligible persons are invited to join.

LOCAL GROUP TO CAMP HOBBLESTONE FOR WEEK

Several young people from the Clarendon area enjoyed a week of camping at Camp Hobblesstone at Waxahachie, Texas this past week. The group made the trip by bus. Included in the Clarendon group were Billy Gardner, Donnie Ray Harris, Ronnie Johnson, Tony Jaramillo, and Leroy Sanchez.

BRENDA MCCONNELL IS NOW AT HOME

Friends will be glad to know that Mrs. Wade (Brenda) McConnell is at home after having been hospitalized at Groom Memorial Hospital since March. She is improving each day and hopes to have her strength back soon.

Clarendon Lions Hear Special Program Tues.

Clarendon Lions Club members were treated to a special program at their regular meeting Tuesday noon. Mr. and Mrs. Ben Andis, former Clarendon residents and who now live in Amarillo, presented a most interesting program.

Mr. Andis described the Public Hanging here in 1910. He was here at the time and described as nearly as possible what transpired that day. He had with him a large scrapbook compiled thru the years which was also interesting. The hanging was the last in this area.

Mr. Andis served as Deputy Sheriff of Potter County for a number of years and is now retired. It was indeed a privilege to have Mr. and Mrs. Andis meet with the Lions and present this program.

MEN'S SOFT BALL GAME AGAIN FRI. NITE

According to a report from our secret reporter and promoter, the Gas House Gang defeated the Geritol Kids in a fast and furious ball game last Friday night on the Little League diamond. The score, as best remembered, was 32-23 in favor of the Gas House Gang.

Three teams have been organized to date with another game scheduled for Friday evening following the Little League games. If you want to play or just watch, it will be worth your time.

EDDIE FLOYD SHOP IN NEW LOCATION

Announcement is being made in this issue of the Leader of the recent move of Eddie Floyd's General Auto Repair from his home to the building first door north of the Coca-Cola plant.

We will have much more space and facilities to take care of any job, big or small, Floyd stated.

Eddie has operated his business at his home the past 3 years.

Plans Completed For Annual July 4th Celebration Here July 4-7

The annual July 4th celebration is another week closer and from all indications the celebration should be one of the best. Don Thornberry, President of the Outdoor Entertainment Association, reports all committees working. The TV program was taped at KGNC Wednesday evening at Amarillo and will be televised on the noon Farm and Home Show Saturday.

This year's celebration will be held on July 4-5-6-7 with Rodeo performances to begin at 8:30 p.m. nightly except Thursday night, July 5, when events will get underway at 7:30 p.m. beginning with Junior Cowboys and Cowgirls events. Preceding each rodeo performance there will be the traditional calf scramble.

Rodeo events will include bareback bronc riding, saddle bronc riding, bull riding, barrel racing, calf roping, team roping, and wild mare races.

General admission tickets to the Rodeo are \$1.50 for adults and 50c for children under 12 years of age. Parking space around the arena is limited with parking for the four performances \$5. A box for all performances of the Rodeo will be \$13.50 plus admission.

No mail-in entries will be accepted.

An AQHA approved horse show will be held Saturday, July 7, beginning at 9 a.m. at the arena. Jackpot Roping will be sponsored by the Clarendon Roping Club on Sunday afternoon, July 8 at the arena.

Dancing will be nightly at the rodeo grounds. The dancing space has been doubled and lots of work done to make this enjoyable to those who enjoy dancing. Country Impressions will provide music July 4th, Jerry Wayne and the Country Image July 5, Johnny Bush and The Bandellers July 6th, and the Country Image July 7th.

Other events include a Western Parade at 2 p.m. July 4th. The group will assemble in the area of the City Park and the City Hall and progress down Main Street, travel west two blocks and conclude at the Little League park. Jim Formway is chairman of this event which is sponsored by the Clarendon Chamber of Commerce.

The Old Settlers' Reunion will be around 3 p.m. and following the parade. It will be held at the Mulkey Theatre. Seating is comfortable and it will be cool. The Fiddler's contest will be held in conjunction with the Old Settlers' Reunion. Ernest Kent is chairman.

For those of you who are interested in the Terrapin Race we suppose it will follow the rules set up in the past. Basil Smith will handle the races however youngsters should register their terrapin and get a number at the Clarendon Press. The Chamber of Commerce is also sponsoring this event.

MERCURY HITS CENTURY MARK TUESDAY

Summer came in with a bang last week with the mercury beginning to soar . . . and so it did . . . 100 degrees was registered by our official weather observer Tuesday.

A cool front was scheduled for late Wednesday and it will be especially appreciated at this time along with a quite beneficial shower.

This thorny crew at left is rebuilding and extending the chain link fence around the newly enlarged dance floor at the Rodeo Grounds (100 degree temperature). Center standing on the new slab is OEA President Don Thornberry, Bob Boston, who was in charge of the dance floor enlargement, Fuzz Fain, and Mike Smith, the man in charge of the nights of dancing. The floor space was doubled to make it now 100 x 100 feet square and is more like a cow pasture as can be seen in the right photo. The diagonal measurement is 142 feet. The new band stand will be located at the north end of the slab so the music will be directed to the south and less interruption during the rodeo.

God Bless America

By Weldon Rives

Proverbs 29:18 . . . Where there is no vision, the people perish." Do you remember Kate Smith singing "God Bless America?" She sang it often during the 1940's when this nation and the whole world had been plunged into war. Patriotism and a dream of freedom and peace for the whole world was the American Dream. The dream began many years earlier when pilgrims first stepped out onto the shores of this vast land in search of freedom and peace. The dream grew as the land was settled and developed and as the population pushed west and south, until, after much conflict, heartaches, and trials this people formed a nation stretched between two oceans and separating two great nations. And, all the while there were people crying out for God's blessings upon the land and the people who came from many nations, some freely, others not so freely; that a truly great land should be established under the blessing of Almighty God. And when Kate Smith sang "God Bless America" one felt a lump in his throat as he struggled to hold back the tears. I don't believe anyone has ever been able to equal, much less to surpass her ability to sing that song. And it expressed the dream and the hopes of us all.

As we come once again to the July 4th celebration of the Declaration of Independence, I hope that we all shall take time to pause briefly to say "God Bless America!" — Bless the land, make it fertile to produce abundantly, giving the life sustaining substances that come from it and the beautiful country sides and healthful urban areas where man lives, works and plays. — Bless the people, let them love one another, working together and not fighting among themselves, pulling together for the enrichment of all the peoples that make up this great nation that it might be greater yet. — Bless the political philosophy the one that many generations of many lands has condemned as unworkable, but we know—IT'S WORKING! and will continue to work. — Bless the Christian Faith of the land as it forms the basis of all right relationships among persons and the core of our political philosophy. Yes, God, do bless America for.

Who is like unto thee, O people saved by the Lord, the shield of thy help, and who is the sword of thy excellency! And thine enemies shall be found liars unto thee; and thou shalt tread upon their high places. (Deuteronomy 33:29)

Grace and peace in Christ Jesus:

Locals In Amateur Radio Relay Contest

A local group and a visitor to Clarendon participated in a nationwide contest this past week end. Arthur McGarity, the Rev. Owen McGarity (both licensed amateur radio operators) with an assist from John Sarich of Howardwick, and Ralph and Mary Nell McGarity were joined by another licensed operator, David Branton of Port Naches, Texas, and a student at the University of Texas at Arlington.

The contest is sponsored annually by the American Radio Relay League.

The purpose of the contest is to show the emergency preparedness ability of radio amateurs. The local group, under the call letters of WASKAS portable 5, set out from the McGarity residence at 1:00 p.m. on Saturday for a remote location on Greenbelt Lake. Within two hours a station was in full operation. An assist was given to the group by James Hayes of Clarendon, who provided the emergency power in the form of a gasoline-driven generator. Two forty foot towers were set up at the lake with an antenna from each. The operating position was the McGarity camper, housing the operation. More than 850 contacts were made with other amateurs ranging from Southern California to New Hampshire to Alaska. The unit was in operation for 25 hours after the initial set-up period.

The contest, sponsored by the A.R.R.L. is called "Field Day," and it is held the fourth week end of June each year. This is the first time such a group has set up at Greenbelt Lake. The local group is competing with hundreds of other amateurs across the nation. Results will be known in November.

Scout Troop No. 33

Troop No. 33 wishes to thank Clifford Decker for giving them the umbrella tent this past week.

To anyone having used uniforms or bedrolls that their son no longer needs we would appreciate getting them as we get new boys in the Troop all along and someone might use it. Please bring the article by Saye's or call Tommie Saye, Scoutmaster.

All Scouts are urged to be at the Scout meeting Tuesday night at 6:30, July 2 as we need to set up the work schedule at the rodeo concession stands on July 4-5-6-7.

All Scouts will be in uniform for the Parade July 4th and meet at 1:30 p.m. south of the City Park.

By The Snoopy

Summertime is a great time for us all. There is a special feeling that goes along with this time of year. Most of the boys are working hard and a lot of the girls have summer jobs to keep them all busy but there is still time for fun too. Most of all, it's just great to have time to enjoy being together. Everyone is enjoying the lake, the golf course, and pool at the Country Club, the Arcade, the pool at Western Skies Motel, the Drive In, the Park, and the baseball field. And then there are the two parking lots, one at each end of town, and they see quite a bit of action too. Summertime is what a lot of memories are made of.

Speaking of the baseball park, there is always lots of action there and if you missed last Friday night's game, don't miss the one this Friday night. Game time is about 8 p.m. You will see a lot of new faces in this game. It's the Big Boys and the (pardon the expression) Senior Citizens. They all play hard and they play well so be there to support them. Rumor has it that part of this game will be sponsored by "Geritol", but as I said before, that's just a rumor. Good luck, guys.

The Band Parents will hold a Bake Sale this Saturday. The posters are out down town with all the details so check one of them to see where to go and buy your sweet treats. This group appreciates your support.

The Drill Team had a meeting Monday afternoon at the High School. They are staying busy with all kinds of plans. So are the twirlers and all of the Cheerleaders. The Cheerleaders will leave for Camp August 13th. They are really looking forward to this.

Mr. and Mrs. Cordell will be moving soon and even though they won't be living here anymore, we hope they will come back and visit us often. We want them to know that they will always be partly ours. Good luck and much happiness to you.

Tommy H. and Jerry C. have taken off for the mountains. They are in Colorado this week. Someone told them there were 5 girls to every 1 boy up there so off they went. I'm sure this had nothing to do with their sudden departure. Hope you're having fun, boys!!!

I don't think it was the sunset, but something made Mitzl C. see red the other night.

Rodney H. has great plans for the future. He knows exactly what he is going to do after graduation. He has set his goals "high."

We were just about to get accustomed to seeing Johnny G. on his motorcycle again and then he turns up driving a terrific looking car. That looks like a winner, Johnny.

Steve S. can ask some of the "funniest" questions. What was that you wanted, Steve?

Have you ever noticed how bashful Gary S. can be? He's cute when he blushes, right friends?

Ricky P., is there something that you're not telling us? Don't be bashful now.

Someone was bugging Terry E. at the show the other night. Why, Terry?

Kim N. was seen the other night with a tall handsome stranger. And Kim seemed pretty happy about it.

Gary D. doesn't like to be rushed. If you don't believe this, ask Chris C.

Daphne W. and Ricky L. will be getting married July 13th. Congratulations, Kids.

Richard W. doesn't always take life as seriously as you might think. Right, Woody?

Congratulations to Steve and Nita Ellis on their new baby boy. Steven Chad.

Terry S. will be glad when July 1st gets here. Ask her and she will tell you why.

Have you ever noticed what a beautiful smile Mona R. has? It's great to see a smile like that.

Russel B. gets the award this time for "Live Wire of the Week." And the nice part of it is, He's happy.

Question of the Week — "What C.H.S.'er is really happy but enjoys wearing a crown to try and fool everyone?"

Cutest Couple — Jean B. and Randy C.

Weeping Love Grass is one of the improved grasses promoted by the local Soil Conservation Service.

SCS Aids Production Of Better Grasses And More Beef Cattle

Improved grasses planted by Texas conservation farmers and ranchers have helped to provide more beef in our grocery stores. An extra 335 million pounds of beef is produced in Texas every year from grasses released by the USDA Soil Conservation Service. Breaking this down, the average is 56 pounds per acre per year from these grasses.

Beef consumption has jumped from about 64 pounds per person to 113 pounds in the past 25 years. At the same time our state's population has increased by more than 50 percent. Without improved grasses, and better conservation treatment of grassland, this demand would outstrip available supplies.

There are 23 grasses released by SCS being grown in Texas. Each has its own area of adaptability. Locally weeping love grass is widely used. Others include Buaelgrass, King Ranch bluestem, Pensacola bahiagrass, El Reno sideoats grama, and new grasses as 75 kleingrass.

These grasses have not only contributed to increased production of beef but there has been an increase in mutton production.

Increased production of beef is only one benefit from improved grasses. Others include erosion, reduced sediment damage to lakes and streams, fewer dust storms and more abundant wildlife, states Monty Sowers, District Soil Conservationist. Other factors include better livestock, improved grassland manager, irrigation, and increased use of fertilizer.

It is hard to grow more beef without more blades of better grass. The goal of SCS plant materials work is to find new strains of plants that will solve specific conservation problems.

Recliners make big news this year — many have low-back styling and pop-up headrests. Also look for dainty, small-scale recliners for women and wing-back ones for Early American homes, notes Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University System.

Miss Judy Osburn And Mitchell Fedric Wed In Church Ceremony

Wedding vows for Miss Judy Karen Osburn and Mr. Mitchell Bret Fedric were exchanged at 6:30 p.m. Saturday, June 23, 1973 in the Martin Baptist Church with Rev. Bryan Knowles reading the double ring ceremony. Parents of the couple are Mrs. Edna Osburn of Clarendon, Texas and the late Odell Osburn and Mr. and Mrs. Steve Fedric of Perryton, Texas. Vows were read before an arrangement of white wrought iron candelabras with white tapers and baskets of white gladioli and daisy mums. Tapers were lighted by Kay and Kelly Nance, cousins of the bride. Nuptial selections were presented by Mrs. Jessie Adams at the piano. Mrs. Adams also accompanied Miss Katrina Messer, vocalist, who sang "It's Only Just Begun."

veel of illusion fell from a rose fashioned of tulle and satin leaves. She carried a bouquet of white cymbidium orchids surrounded by daisy mums, baby's breath, and white satin streamers tied in love knots. Backing the bouquet was a white Bible. All traditions were observed including the carrying of a white embroidered linen handkerchief which belonged to her late maternal great grandmother, Mrs. Hattie Morgan. Mrs. Brenda McConnell of Clarendon attended her sister as matron of honor. Miss Sharon Berry of Amarillo was bridesmaid and Miss Karla Nance of Clarendon was junior bridesmaid. They wore formal gowns of mint green and yellow fashioned similar to that worn by the bride, and carried colonial bouquets of daisy mums and carnations corresponding with the dress color. Flower girls were Tanya and Kay Bell. They carried baskets of daisies and wore dresses identical to the bridesmaids.

Sams-Schooler Vows Exchanged June 23 At Whiteface, Texas

Miss Patricia Kay Sams, daughter of Mr. and Mrs. Kenneth Sams of Whiteface, Texas, and Timothy Wayne Schooler, son of Mr. and Mrs. J. L. Schooler of Morton, Texas exchanged nuptial vows in the First Baptist Church in Whiteface Saturday evening, June 23, 1973 at 7 p.m. Reverend Harold Harrison, pastor, performed the double ring ceremony.

A large brass candelabra covered in shades of blue snapdragons, carnations, and baby's breath centered the altar and was flanked by two spiral candelabras. Large baskets of white gladioli and blue carnations completed the altar decor. Pewes were marked by bows of blue satin ribbon.

Traditional wedding music was presented by Miss Susan Sams, pianist and a cousin of the bride.

Given in marriage by her father, the bride wore an Empire formal gown of imported organza over white taffeta. The bodice featured a scooped neckline and lace choker and was overlaid with Venice lace accented by seed pearls. Venice lace and seed pearls complemented the puffed sleeves and encircled the skirt which swept into a chapel train. Her three-tiered veil of silk illusion was attached to a Camelot cap of sheer nylon organza with a simulated pearl crown. She carried a cascade bouquet of white carnations centered with Japett orchids.

Miss Kendra Sams of Whiteface, sister of the bride, was maid of honor. Bridesmaid was Mrs. Mike Chilton of Amarillo and bridesmaid was Miss Pam Chase of Follett. Attendants were attired in identical floor length gowns of blue dotted swiss fashioned with scooped necklines, puffed sleeves and soft gathers at the Empire waist and accented by a wide ruffle at the hemline. Their headpieces were blue hats of swiss-type braid with wide brims and white satin streamers. Each carried an old fashioned nosegay of white pom-pom mums, blue feathered carnations, and baby's breath with white satin streamers.

Members present were Ella Simmons, Liliac Lowe, Mary Bartlett, Lois Rumpy, Nora Leathers, Beatrice Rodgers, Leona Quattlebaum; one visitor, Geraldine Rumpy; and the hostess, Eva Phelps. Rep.

and Dan Sams of Irving, brother of the bride, served as groomsmen. Ushers were Hubert Deavors, brother-in-law of the groom, of Morton, and Gary Don Sams, brother of the bride, of Whiteface.

Following the ceremony, the couple was honored with a reception given by the bride's parents in Fellowship Hall. The bride's table was laid with a white nylon and lace cloth. A large silver candelabra filled with white stock, blue carnations, white mums, and baby's breath was placed to the corner of the table. The three tiered cake was separated with colonnades at each level and was topped with a miniature bride and groom. Presiding were Sunday Ford, Christie Love, and Nancy Hyatt.

The groom's table was laid in a white hand lace table cloth. A blue candelabra with blue votive candles and blue carnations formed the centerpiece. Tea poured from silver appointments and miniature cakes were served. Susan Schooler served at the groom's table.

Guests were registered by Miss Angela Messer of Hedley, Texas. Rice bags were provided for guests.

As a traveling costume the bride chose a navy blue sleeveless dress fashioned with a flared skirt with scrolls of white braid, white accessories and the corsage of Japett orchids lifted from her bridal bouquet.

Among the out-of-town guests attending the wedding were Mr. and Mrs. Otis Holland and Angela Messer of Hedley; Mrs. James C. Butler and Brady of Rodeo, California; Mr. and Mrs. John Cearley, Dean and Angela of Houston, Texas; Mr. and Mrs. Mike Chilton and Steve Chilton of Amarillo, Texas; Mr. and Mrs. Wynn Chunn, Mr. and Mrs. Elton Naylor, Lynn Chilton, and Mr. and Mrs. Pat Chilton and baby of Clarendon; also Mrs. Wanda Chase and Pam of Follett.

groom, wore a floor-length dress in blue. Each wore a corsage of white orchids.

Following the ceremony a reception was held in the Fellowship Room of the church. The table was laid with a yellow cloth overlaid with green net. The four-tiered wedding cake, made by the bride's mother, rested on a large round plate. It was divided by White Grecian Colonnades and decorated with

white daisies, cherubs, gold wedding rings, white sugar wedding bells and was topped with a miniature bride and groom under a miniature white garden gate surrounded by daisies and two white love birds hovering overhead. A single blue forget-me-not completed the decorations. Appointments were crystal.

Cake was served by Cheryl Adams while Lanita Childrey dispensed punch. Both are sisters of the groom. Miss Debbie Robertson presided at the registrar.

As a traveling costume the bride wore a mint green and white dress with white accessories accented by the orchids lifted from her bridal bouquet. After a short wedding trip the couple will be at home at 314 Haney Street, Spearman, Texas where the groom is employed by Perriman Oil Co. The bride is a 1973 graduate of Clarendon High School.

The rehearsal dinner was hosted by Mr. and Mrs. Steve Fedric and was held at the Martin Baptist Church Fellowship Hall Friday evening, June 22, 1973. A yellow and green decor was centered with an arrangement of daisies and greenery. Thirty-five attended.

Highlights and Sidelights FROM YOUR State Capitol

By BELL BOYKIN

Texas Press Association

Texas state government may see far-reaching new changes in budgeting techniques, hopefully to save money and curb a tax increase.

Gov. Dolph Briscoe expressed enthusiasm for the Georgia "zero base" budget methods inaugurated by Gov. Jimmy Carter two years ago.

Lt. Gov. Bill Hobby and a delegation of Texas budget experts, including Sen. A. M. Aikin of Paris, visited Georgia last week for a briefing by Carter's aides.

When the officials returned, Briscoe said he expects to "be proceeding with implementing (changes) very shortly."

Hobby is chairman of the Legislative Budget Board, which ramrods the Texas budget process. Briscoe said he will instruct his own budget office to take the Georgia system as a model in preparing the executive department's spending recommendations.

Under the "zero base" system, all agencies are instructed to start "from scratch" in drawing up their appropriations requests rather than taking present levels of spending as their beginning point.

Governor Carter asked all Georgia agencies to detail how they would operate under existing revenues, a 15 per cent cut and a slight increase. He also insisted that they list their own priorities of programs as a guide to the legislature in directing economies.

Briscoe has emphasized repeatedly that he proposes to follow that procedure in weighing the value of existing educational programs, as he maps his recommendations for revision of the public school finance system.

LEADERS CHALLENGED - One of the top leaders in the National Democratic Party was in Austin last week. That's a unique political position for a head of the nation's largest corporation.

C. Peter McCoolough, chairman of the board of Xerox Corporation, told top business executives in the capital city that social problems in the United States have become problems of business and industry and challenged the Austin leaders to quit treating symptom of problems instead of causes.

Businesses must become less resistant to change. American institutions must examine all fundamental values in the 1970s and establish a new farmwork to come to grips with new problems.

EDUCATION STUDY ORDERED - The State Board of Education agreed to go along with Governor Briscoe's request for a complete restudy of the school system after some griping that that the job already had been done.

Some board members claimed they had gone over the system with a fine-toothed comb since the initial Rodriguez case de-

FIRST TRIP TO TEXAS - Mr. and Mrs. George Baker of Shiresmantown, Pa. and sons David and George, visited with Editor and Mrs. G. W. Estlack Monday morning enroute back to Pennsylvania after an extended visit in Texas. They spent the week end with Mr. and Mrs. David Patterson at Canyon, saw the presentation of "Texas" and roamed the Palo Duro Canyon Sunday. They were greatly impressed with this part of the country which was more like the Texas they had expected to see instead of what they found around San Antonio.

decision in 1971 faulting present finance methods for public education.

Briscoe, meanwhile, said he isn't asking for "just another study." What is needed, said Briscoe, is to determine the fair market value of each school district. A fundamental change, he insisted, is necessary in methods of evaluating wealth of a district. There will, pledged the Governor, be no sacred cows in his coming study.

"It would be unfair to commit the people of Texas to another spending increase measured by billions without taking every step to first correct the crumbling foundation of public school finance," said the Governor.

ENERGY CRISIS STEPS ORDERED - State agencies have been called on by the Governor to cooperate in fuel supply curtailment.

and energy-saving plans, including travel curtailment and use of car pools.

Brig. Gen. James Rose was named to coordinate energy conservation efforts among state agencies.

At the same time, it was announced bids on the state's annual fuel contract will be three cents a gallon higher than at present for gasoline and four cents more for diesel fuel. The State Board of Control was able to contract for about the same amount of gasoline and slightly less diesel fuel, although consumption usually increases about 10 per cent per year.

The agencies, directed the Governor, must not only keep fuel consumption within given allotments but attempt to build up reserves due to uncertainty of future supplies.

COURTS SPEAK - The Court of Criminal Appeals held the state's 1967 law against incitement to riot unconstitutional.

The State Supreme Court affirmed a Potter County commissioners' decision that a dead man's name can legally appear on an election ballot.

The High Court ordered release on bond of a Carrollton lawyer pending a June 20 hearing on a contempt of court order in which a Wichita Falls judge accused the attorney of unprofessional conduct following a divorce action.

AG OPINIONS - A person un-

der probated sentence for violation of narcotics laws can be granted another probated sentence for a later felony violation of the same act, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

School districts should receive their probate share of any county permanent school fund distribution based on their resident scholastics of free school age. The money does not alter entitlement to state funds.

The Department of Mental Health and Mental Retardation cannot use appropriated funds to pay back wages to employees unlawfully terminated under discriminatory practices rulings, but legal adjustments can be made.

There is no authorization for a pawn transaction in excess of \$2,500.

Commissioners courts may authorize payments of accrued vacation time and other earned compensation but may not authorize payment at death of other benefits not previously earned or accrued.

A person who owns the land at the time an oilwell is abandoned is the legal "landowner" liable for cost of plugging if operators do not fulfill their obligations.

TP&WC PLAN JULY 12 COMMISSION MEETING

Public hearing of the Texas Parks and Wildlife Commission will be held at 2 p.m. July 12 in Room 105 of the John H. Reagan Building in Austin.

The full agenda to be considered by the commission will be announced prior to the meeting. Interested members of the public are encouraged to attend.

Carruth says the university's only medical requirement now is that students must have had the oral polio and the combination tetanus - diphtheria immunization within the last 10 years.

"Last semester we gave more than 375 shots in one day because students had not gotten their shots or did not realize they had to have them," Mrs. Mitchell says.

kindergarten classes, says Dr. Dan White, chairman of the WTSU elementary education department.

A teacher may obtain an endorsement on her degree for "early education for exceptional children" by taking any six hours of special education classes at WTSU, he adds.

The early education courses are described by White as studies of "physical, psychological, sociological and emotional behavior domain of human growth and development with special emphasis on the young child."

White says 142 students enrolled in the early education courses during the first summer term at West Texas State. This was twice as many students as was expected, he adds.

Two students from Clarendon were among those registered for the early education program.

They are Miss Patricia Bradlock, Clarendon senior and Mrs. Wanda Cornell, graduate.

Jehovah's Witnesses Hold Conventions

Jehovah's Witnesses are planning a large series of religious conventions this year. Plans call for 69 "Divine Victory" international assemblies in 46 countries around the world.

Sites in the United States include Yankee Stadium, New York; Veterans Stadium, Philadelphia; White Sox Park, Chicago; Tiger Stadium, Detroit; Astrodome, Houston; Three Rivers Stadium, Pittsburgh; Royals Stadium, Kansas City, Mo.; Oakland - Alameda Stadium, Calif.; Dodger Stadium, Los Angeles; Atlanta Stadium, Atlanta, Ga.; and Gulfstream Park near Miami, Fla.

Robert Mikesell, presiding minister of the Memphis congregation of Jehovah's Witnesses, reports that most local delegates will attend the convention in the Astrodome in Houston July 4-8. These conventions are not affiliated with any other religious movement. It is hoped that through these conventions man may be brought what he sorely needs - peace and unity.

WTSU Eliminates Physical Examination

West Texas State University has eliminated its physical examination requirement for incoming students, Dr. T. Paige Carruth, vice president for student affairs, says.

Under new regulations adopted by the Board of Regents, only a record of a student's immunization is required for admission.

Mrs. Louise Mitchell of the University Health Center says, "In the past, a student would go to a doctor for a physical examination and the doctor would give him several tests that were not required by the university, such as chest x-ray, blood tests. This practice was very expensive for the student."

Free Kindergartens

Certified kindergarten teachers should be in demand throughout Texas now that free kindergartens for 5 years old were authorized by the recent Legislature, a West Texas State University education professor says.

Gov. Dolph Briscoe signed the kindergarten bill law last Saturday to become effective next fall.

West Texas State University, in anticipation of the change, started a program this summer to meet some of the expected demand for kindergarten teachers.

Certification in kindergarten teaching requires 12 hours of

The Arling Cordells

Arling Cordells To Move From Clarendon

The Arling Cordells will leave Clarendon Friday morning, June 29th 1973 to move to Shamrock, Texas. The Cordells have lived in Clarendon for the past several years and Mr. Cordell has been Superintendent of the Public School system here. He will be replaced by Jeff Walker, formerly the High School Principal.

Under Mr. Cordell's able leadership, the Clarendon Public Schools have accomplished many things of which to be proud.

In addition to the Cordells work in the school system and the community, they have also been active in the local Church of Christ. Mrs. Cordell has helped in the many departments of the church and Mr. Cordell has taught several Sunday School and Bible Study classes. The church held a dinner in their honor Sunday night and presented them with a beautiful silver tray. The Cordells are the kind of people any community would be proud to claim as residents and will always be remembered by their many friends in Clarendon.

Mr. Cordell released the following statement Monday morning:

"Mrs. Cordell and I wish to express our most sincere and heartfelt gratitude to everyone for your friendship and cooperation during our five years of service to our school and to our community. You are so very dear to us and we will not forget your many acts of kindness to us.

As your Superintendent, I feel that I have been blessed with seven men on our Board of Education; with our principals, Mr.

Walker and Mr. Cain; with our office personnel, and with all our faithful employees. I believe that Mr. Walker with such cooperation from all of you will carry on the work of improving our school program as your superintendent. We think that our young people are the very finest to be found in any school anywhere.

We wish for you all many years of successful accomplishment.

I will be seeing you all in my new work with exceptional children.

Arling L. Cordell"

As the Cordells leave us, we wish them the best of luck in their new position and we know that Clarendon's loss is Shamrock's gain.

Funeral Services For Mrs. Bessie E. Adams

Funeral services for Mrs. Bessie Ellen Adams, 77, a former resident of Clarendon and Donley County, were held at 10 a.m. Wednesday, June 27, 1973, in the First Presbyterian Church with Rev. Owen McGarity, Minister, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Murphy Funeral Home.

Mrs. Adams died Saturday evening in the Angleton-Danbury Hospital at Angleton, Texas. She was born July 4, 1973 in Gray County, Texas and was married to the late Karl H. Adams on March 28, 1929 at Memphis. She had lived in the Pampa, Clarendon, and Amarillo areas before moving to Angleton about one year ago. She was a member of the Presbyterian Church.

Survivors include three daughters; Mrs. June Bain of Richmond, Texas, Mrs. Rachel Kinzer of Keys, Oklahoma, Mrs. Margaret Holt of Pampa; two sisters, Mrs. Willie McConnell and Mrs. Frances Threatt both of Pampa; eight grandchildren and nine great grandchildren.

Bearers were Glen McConnell, David Holt, Jim Guelke, Jim Hopkins, Barnes Kintzer, Bill Adams, Keith Glasscock, and O. L. Bain.

Mrs. Lloyd Mays, Lynn and Deena of Orange Park, Fla. have been visiting her parents, Mr. and Mrs. C. A. Johnson. Mr. Mays is a LTV representative with the Navy in Spain.

Former Resident Dies In Lockney Saturday

Mrs. Moody Evelyn Mooney, 56, a former resident of Donley County, died Saturday morning at University Hospital in Lubbock. Funeral services were held Monday at Lockney with burial there.

Mrs. Mooney, sister of Quinn Aten of Lelia Lake and the late Lamar Aten, was born in Adrian and moved to Lockney from Clarendon in 1948. She married Charles L. Mooney in 1947 at Lelia Lake.

Surviving are her husband; a son, Patrick Mooney of Lockney; two daughters, Mrs. Dianne Phillips of Petersburg and Miss Deborah Mooney of Lockney; two brothers, Quinn L. Aten of Lelia Lake and Austin T. Aten of San Angelo; also two sisters, Mrs. Cassie Flora of Fort Lauderdale, Fla. and Mrs. Lannie Rutter of Flagler, Colo.

District 4-H Horse Show Slated 28-29

Top honors will be the goal of some 185 4-H horsemen when they assemble for the District I 4-H Horse Show in Amarillo June 28-29. Only 20 will win and go on to state competition.

Announcement of the event comes from W. W. Grisham, Jr., District Extension Agent with the Texas Agricultural Extension Service.

Putting their horsemanship abilities on the line, the 4-Hers representing 22 Panhandle counties will gather at the Bill Cody Arena for two days of competition. Halter classes and showmanship will be judged on June 28, and the performance classes will be judged on June 29.

Mike Drennan of Meade, Kansas will serve as official judge for the two day event. Superintendent for the show will be Gaines Franks, Potter County Extension Agent.

The quota of entries is based on the number of active 4-H members with horse projects in each county.

The district-wide show will determine who will compete in the State 4-H Horse Show at Odessa August 1-4.

Mr. and Mrs. Carroll Lewis of Clarendon and Mr. and Mrs. Lon Howard of Anton visited the past week with Mr. and Mrs. Bill Phillips in Ft. Smith, Arkansas.

CARDS OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

The family of Ruby Annis

With deepest gratitude we extend this word of thanks for the sympathy shown us by thoughtful friends in the death of our loved one. For the flowers, food, and many other kindnesses we are sincerely grateful.

Disabled Widows And Medicare July 1

By Travis C. Briggs
Widows who have been getting survivors payments from social security but who have been severely disabled for the last 2 years may be eligible for Medicare starting July 1—"but they must file a disability claim," according to Travis C. Briggs, social security district manager in Amarillo.

Medicare has been available only to people 65 and over. Starting in July, the Government health care insurance will be extended automatically to all disabled people under 65 if they've received monthly social security disability payments for 2 years or more.

"But some severely disabled widows 50 and over have never applied for disability payments," Briggs said. "Generally they've been getting social security survivors benefits because they're 60 or over or they've been getting benefits as widowed mothers who have young or disabled children in their care.

To get Medicare, these widows must file a claim for disability payments. As soon as possible, they should call, write, or visit any social security office. If a widow is unable to make the contact, a friend or relative may help. If necessary, arrangements can be made for a social security representative to visit her.

The Amarillo social security office is at East Third Street. The phone number is 376-5151.

HERSCHEL THOMPSONS EXTEND THEIR THANKS

I want the world to know I think the best place to go is to the House of God. Even though He uses His Rod, to chasten those He loves it is better than using kid gloves. So let us turn to the House of God and in His Path gladly tread.

Thanks to you, one and all, for your gifts great or small. Some had names; some did not. So please don't think that we forgot.

Herschel (Shorty) and Ruby Thompson
