LVN GRADUATING CLASS

Commencement exercises held for LVN nursing class

Commencement exercises were held August 24 in the Harned Sisters Fine Arts Center for the vocational nursing class.

The class received their classroom instruction at Clarendon College with June Davis, R.N., as their instructor. Their hospital experience was at either Southwest Osteopathic Hospital, Amarillo; Hall County Hospital, Memphis; or Collingsworth General Hospital, Wellington.

Flo Bramblett and Betty O'Keefe of the Gideon's presented each student a white Bible to match their uniforms, bound in gold to reveal its precious contents, before the exercise started.

The processional and recessional music was played by Gayla Davidson. Lana Davis, an honor student said the prayer. Deena Wheeler, another honor student, gave a poem about becoming a nurse.

Leonard Selvidge, Dean of Student Life acted as Master of Ceremonies and presented the guest speaker, Steve Perkins, R.N. Dr. Ken Martin, Dean of Instruction, presented the class as Lillian Martin, R.N., Southwest Osteopathic Hospital, Marjorie Kesterson, R.N., Hall County Hospital and La Dell Maxwell, R.N., Collingsworth General Hospital presented the class with their pins. The class then was presented a lighted candle by their instructor, June Davis, R.N.

The students received their diplomas from Kenneth Vaughan,

President of Clarendon College. Joburta Helms presented the special music for the evening.

Those graduating were Susan Barnett and Mary Blacksher, Wellington; Lana Davis, Vinita Smith and Tammy Price, Clarendon;

Sandra Jeffries and Deena Wheeler from Memphis.

Davis, Smith and Wheeler were honor students. A reception was held after the graduation in the college cafeteria hosted by the LVN Association.

Bronchos make good showing in scrimmage

The Broncos J.V. and Varsity football teams traveled to Pampa last Friday night to scrimmage the Stratford Elks. It was a good scrimmage for the Broncos. They moved the ball well on the ground and through the air.

Rodney Smith and Booney Gardner looked good carrying the ball and quarterback Trent Sharp completed several passes to Dean Cearly and Robert Youngblood.

Cearly scored on a long pass. Marcus Smith scored for the second

team on a drive lead by quarterback Leland Howell.

The coaches found out things that they need to work on on defense. Leading the defense was Rod Keown playing end.

The J.V. scored several times, twice from long distance. They scored on a pass from Brent Hayworth to Clay Sharp and half-back Randy Crump made a long run to score.

The Broncos scrimmage here this week on Friday at 6:30 against a tough Wheeler team.

Broncho Mothers to have ice cream supper

The Broncho Mothers are sponsoring a free ice cream supper to honor all the coaches and their wives. It will be held on Thursday evening, August 30th, at 7:30 p.m. in City Park. All supporters of Broncho athletics are invited to attend. Come and meet the new

coaches and get reacquainted with the old ones. We'll hear the exciting plans for the athletic program at Clarendon High School for the year and meet the 1984 edition of the Broncho Varsity and Junior Varsity football teams. See you there!!

Monday is Labor Day - Drive safe

Monday, Sept. 3rd is Labor Day. The Department of Public Safety is estimating that as many as 54 deaths will result from traffic accidents during this holiday.

Most of the local merchants will be closed. The Grocery Store and Gibson's will be open all day. IGA Foodliner manager, Larry Mabry stated, "We will be open at least part of the day."

Other stores, Mike's Gibson Pharmacy, Bivens Pharmacy, Greene Dry Goods Co., The Nook, Saye's, Henson's, Stavenhagen Furniture and Osburn Furniture, will all be closed.

The Clarendon School will be closed but the Hedley Schools will hold classes. Hedley Superintendent Glyndol Holland said, "We will be open Monday, Labor Day, but will take our holiday during the Hedley Cotton Festival."

The Donley County Sheriff's Office and the Department of Public Safety urge citizens not to exceed the speed limits and please do not drive if you have been drinking.

DPS Director Jim Adams said, "Obviously, we would be pleased to have no fatal accidents during this 78-hour holiday, but our statistics show that is not probable. We know that some drivers will insist upon driving while intoxicated, others will deliberately exceed the speed limits and still others will drive in a careless or reckless manner."

"DWI and speeding are always the biggest contributing factors to our traffic deaths, but the failure to use seat belts is another reason we have so many fatalities. If more

drivers would simply stay sober, drive within the speed limits and wear seat belts, fatalities would decline still further," said Adams. DPS statistics for the year to date reveal a two percent decrease in fatalities statewide. Adams said the decrease in total deaths may indicate more people are using seat belts.

DPS will conduct two major programs during the Labor Day period. Operation Motorcade will provide updated numbers of traffic deaths to the news media as the accidents occur. Operation Holiday stations troopers at locations where high volumes of traffic are anticipated or where violations are expected.

Hedley Happenings

Hedley School started a new school year on August 22. According to Principal Bryan Hill, the first day enrollment was 113. He expects several more during the next few days.

There are several new teachers in the school system this year.

Mr. Hoss Pickard will be teaching Vocational Agriculture. A native of Redwater, Texas, he received his degree from East Texas State University.

Ms. Cheryl Birkey will teach Vocational Home Economics. A graduate of Wellington High School, she received her degree from East Texas State University.

Mrs. Nancy Woodard is no stranger to Hedley School. She taught Special Education from 1972-1976. She and her husband, Raymond, have two daughters who are in the second grade and Kindergarten. She will teach 1st and 2nd grades.

Mr. Lyndon Messer will teach History and Government. A 1974 graduate of Hedley High, he received his degree from the University of Texas at Austin.

Ms. LaMoss Springer will teach Science. She is a 1980 graduate of Hedley High and received her degree from West Texas State University. She is a qualified E.M.T. and works with the Memphis Consolidated Ambulance service.

Mrs. Twannah Hall will be the

Special Education Aide.

Other faculty members are: Mr. Glyndol Holland - Superintendent, Mr. Bryan Hill - Principal, Health and Girls Athletics; Mrs. Jewel Quisenberry - Kindergarten Aide; Mrs. Wilma Reynolds - 3rd-4th grades; Mrs. Shelia Wade - 5th & 6th grades; Mrs. Becky Hill - Reading, Chapter I; Mrs. Sharon Wheatly - Special Education; Mr. Jon Leggitt - Math; Mrs. Evelyn Messer, English, Business; Mr. Terry Collins - Health, Boys Athletics; Mrs. Nancy Mullins - Library Aide, Bookkeeper; Mrs. Carole Ward - Nurse; Mrs. Margaret Phelps and Mrs. Mary Felan - Cooks; Oscar Felan - Bus Driver and Custodian. Everyone is looking forward with enthusiasm to the new year.

Randy and Debbie Woodard of Canyon visited with their parents, Tobe and Joyce Woodard and Hoyce and Ann Kennedy. Debbie will be starting classes at West Texas State University in a few days.

Hedley is happy to welcome W.C. and Sue Williams. They have bought the Henry Nevins house in the eastern part of town.

Ward and Nell Hudgins attended the Al Morrah Shrine Club chicken barbeque at the Clarendon Community Center Monday night. So did Fred and Peggy Watt and their boys.

The Coffee Memorial Blood Mobile was in Hedley last week to

accept blood donations for A.J. Rowell. Thirteen units of much needed blood were given. A.J. is still in M.D. Anderson Hospital, Houston, for treatments. Connie DeBord asked if Fred was giving blood or receiving a transfusion. Actually, he was donating.

T. and Nancy Mullins, Lola Brown, Su-San Couch and Steve and Dan Mullins attended TEXAS in Palo Duro Canyon, Tuesday night. They picnicked in the canyon park before the performance.

In the early hours of the morning on Friday, Bob and Jane Long were almost shaken out of bed when lightning struck the wiring in their guest house. The small apartment sustained extensive smoke and water damage, but the prompt action of the Hedley Volunteer Fire Department prevented the loss of the building. A waterbed in the apartment and other furnishings were damaged.

Bobby and Pat Roland spent the weekend with his parents, Bob and Jessie Roland.

Paul and Sharon Ferguson have recently moved to Hedley from Summerville, South Carolina. They are currently living in Betty Gilchrest's house. He is retired from the Department of the Interior, preserving wildlife and formerly worked at Buffalo Lake. She is opening a ceramics shop in Clarendon and will teach ceramic classes and is a sister to Darlene Ball.

Royce and Betty Williams have moved their mobile home into town. They hope to be settled in before winter.

Red and Dean Hill were in Amarillo Thursday and again on Friday for Red to see the doctor.

Fred Watt and Leon Couch visited Leon's great-grandmother, Mrs. Dovie Reynolds in Wellington last week.

We're still getting some showers around the area. Thursday night the rain measured from a trace to two inches, depending on your source of information. At Giles we just got a sprinkle.

According to Doyle Messer, approximately 490 guests enjoyed the delicious barbequed chicken and trimmings at the annual Lions Club Community Barbeque.

Among those attending from out of town were Vernon and Ometa Scott from Amarillo. He is a former superintendent of school here and they continue to be among Hedley's biggest boosters.

Mrs. Etta Mae Cherry is home after a visit with her daughter and son-in-law, Sis and Royce Chrisler in Midland. Glyndon and Bonnie Cherry of Amarillo visited Sunday before the Chrislers left to return home.

Junior Gilchrest was rushed to Hall County Hospital Thursday night. He was still undergoing tests Monday.

W.B. Wiggins was in Amarillo Friday for a check-up with his doctor.

The United Methodist Church celebrated Layman's Sunday on August 26th. Jack Moreman of Clarendon was the very welcomed guest speaker. Jack grew up in

Hedley and although he now makes his home in Clarendon where he teaches the Range Management Course at Clarendon Junior College, the folks of Hedley still claim him and his lovely wife, Freddie Jo, as their own. At the six o'clock service, the Methodists and Baptists held their monthly joint service in the Methodist Church with Rev. Bryan Knowles preaching. There was good attendance, although the Baptist outnumbered the Methodists about three to one. How lucky the people of Hedley are in that the different churches work so well together. I once heard a preacher say that the Baptist and Methodists in his town didn't even go to the post office at the same time, must less attend church together. How sad.

The Senior Citizens continue to flourish. They have been having a good turnout for games on Monday and Friday. I don't exactly know just what game they play, but from the sound of the laughter I heard coming out the door the other night when I was passing, they really have a good time.

Birthday night was Monday the 27th of August.

Hedley Senior Citizen Menu

Wednesday-Meat loaf. Mexican hominy, creamed carrots, lettuce-tomato salad, corn muffin, butter, apricot cobbler, milk, tea, coffee, juice.

LaQuita Cox is back after a much deserved vacation. She visited her daughter in Dumont, Elgie and Linda McCleskey and boys. On Friday and Saturday they attended the reunion at Roaring Springs.

Opal McPherson and her daughter, Kathy Richardson are just home from a vacation in the Bahamas. While they were there they visited a perfume factory. They shopped but didn't buy much. Everything there is priced for the tourist trade. Kathy won a bottle of wine in a game of musical chairs. They took several tours and visited the beaches and had a good time in general. When they came home and started through customs, the guard asked Opal if she had anything to declare and she said, "I declare I'm glad to be home."

Pen of Pastor Pinion

September usually brings Revival Meetings to the churches in our community. These meetings come and go and yet we live in a generation which has never known Revival-God's way. These next few weeks I want to use my column to discuss "What is Revival-God's way?"

"Revival," according to the Oxford Dictionary, is "a reawakening of religious fervor". Another definition is, "to recover repair

and restore." My friends if "Revival-God's way" is going to come to our community, our state, or our nation, our churches are going to have to be recovered, repaired and restored!

That the church is sick, few will dispute. "The church seems almost indistinguishable from any other organization in society. You can't tell the Christians from anyone else," so says Danny Ryoberg, Editor of The Wittenburg Door. Billy Melvin, Executive Director of The National Association of Evangelicals, expresses his concern for the church of today this way, "My concern is the measure of infiltration by the world into the church. We have been influenced far more than we would like to admit. This infiltration has dulled our effectiveness, blurred our vision and caused us to adopt worldly standards of success." A century ago Andrew Bonar said, "I looked for the church and found it in the world. I looked for the world and found it in the church." Are things any better today?

Leonard Ravenhill, a noted author of Revival, has said that we will never see true Revival until, "The church gets a divorce from the

world and worldliness; the church can ignore so-called Christian entertainers who attempt to combine Hollywood and Holiness; the church ceases from the strivings of the flesh and recognize that the Bible written yesterday is also for today and for tomorrow, and that it and it alone is the formula for Revival." The church right now has more fashion than passion, is more pathetic than prophetic, is more superficial than supernatural. We believers are "the light of the world" (Matt. 5:14), and judgment must still begin "at the House of the Lord."

Bessie Porter Head, put it this way: O breath of life, come sweeping through us, revive thy church with life and power; O breath of life, come cleanse, renew us, and fit thy church to meet this hour. Revive us Lord! Is zeal abating while harvest fields are vast and white? Revive us, Lord-the world is waiting! Equip thy church to spread the light.

May we experience "Revival-God's way!"

Card and board games are
thought to be as old as
civilization itself. Carvings
on Egyptian tombs from
about 2500 B.C. show
board games played.
