Bronchos Journey To Canadian For First Conference Game Friday Nite

by Tom Higley

Clarendon's Bronchos open the "play for keeps" portion of the 1965 football season Friday night when they travel to Canadian and meet the Wildcats in the first game of District 2-A action.

Clarendon ended the first half of regular season play with a 2-3 record.

The Wildcats dropped a 13-12 squeaker to Panhandle last Friday in Canadian. Two touchdowns were scored by Sanders for the Wildcats. One was a 21-yard dash and the other was a 13-yard scamper.

Clarendon defeated Panhandle in an earlier meeting of the two teams. Using the Clarendon-Panhandle and the Panhandle-Canadian scores for comparison, this week's pick is: Clarendon 22, Canadian 6.

Coach Jeff Walker reports his charges are in good condition for the first district game following last Friday's idle date.

"We have impressed on the players that we are just now starting our season and it is 'play for keeps' time in the district," he said. "What we have done in the past does not count. This does."

In other action over the 2-A circuit, White Deer thrilled a homecoming crowd by manhandling the Claude Mustangs 41-6, Gruver trounced McLean 52-8, Wellington clobbered Sunray 38-0 to remain unscored upon, and Memphis was idle.

Construction To Begin Soon On New Building

Construction is expected to begin about October 20th on a new 3000 square foot building to house two government agencies, the ASCS and SCD offices here. It will be located immediately south of the U. S. Post Office building.

B. H. Higgins, Amarillo Contractor and son of Mr. and Mrs. W. B. Higgins of the Martin Community, recently purchased the 200 foot location from Mrs. J. W. Murphy, and will handle construction of the new building. Completion date of the building has been set for January 1, 1966.

The building will be of Cro-lite block construction with brick trim in front. Other details include concrete floor with V.A. tile covering, interior wall and ceiling sheet rock and texture, perimeter heat and refrigerated air conditioning, fluorescent lighting, desk type intercom and the building will be fully insulated.

Ten Scuba Divers Here Are Certified

The Clarendon Underwater Rescue and Recovery Team completed the prescribed training course last Tuesday night in Amarillo. Thirteen trainees started in the class, and ten divers were certified to the Southwest Council of Scuba Divers Association for diplomas and licenses. The divers certified were Wes Knorpp, Lee Johnson, Bill Land, Walt Knorpp, William R. Lawrence, B. J. Stribling, Gary Gerdes, J. T. Moreland, Lloyd Leeper and Mike McCully.

The local team has since met to form an association in order to become affiliated with the Southwest Council. The members thought this was necessary in order to keep informed on the latest methods and equipment used in underwater rescue and recovery. Wes Knorpp was elected president of the local Association. Mike McCully will be director of emergency operations, and William R. Lawrence will serve as assistant emergency director. Their services will be available to Donley County and the surrounding area for most any type of deep water emergencies including the recovery of bodies and articles of value dropped in the water.

Training and drills will be continued all winter since water emergencies know no season and are not restricted to the warm seasons. In fact, the divers will make an ice dive as soon as the lakes freeze over sufficiently to cut a hole in the ice for entry.

NEW 1966 OLDSMOBILES ON DISPLAY TODAY

The new 1966 line of Oldsmobiles goes on display today at Estlack Machinery Co. showrooms.

ABSENTEE VOTING BEGAN WED. FOR SPECIAL AMENDMENT ELECTION

Absentee voting started yesterday for the special Amendment Election to be held Tuesday, November 2nd. At press time there were no absentee votes cast.

The ballot carries the proposition of ten constitutional amendments for the State of Texas. Voters should review these ten proposed amendments carefully and start planning now to cast your ballot, either absentee or election day November 2nd.

Quality Job Printing At The Leader

"Newspapers & Readers—Partners In Freedom"

In observing National Newspaper Week, we, as editors, find ourselves taking inventory of past happenings and calculating what the future holds in store for a community that is ready to take big strides toward progress and growth.

A newspaper is practically worthless if stripped of its freedom to criticize, to express divergent views and to stand as sentinels for its neighbors and friends in all public matters.

In order to do our job, we must print the facts and our views in the best interest of our community. We have a task that very few of our readers would want, as we must stand up for what we think is right regardless of the number that disagree. We must be able to absorb ridicule and abuse if necessary. On numerous occasions we find it very unpleasant to print the facts but we do not make the news in most instances ... our job is to print it.

You, our readers, are our partners in Freedom and progress. Your cooperation and help is always needed to produce a better community newspaper.

For the kind comments, encouragement, contributions, cooperation and suggestions, we say a hearty and warm "Thank You".

In my position as your editor, it is most gratifying to receive a note of encouragement such as the following received this week:

Dear Mr. Estlack:
This is National Newspaper Week and we wish to take this opportunity to say "Thank You" for letting the ASCS Office use our newspaper.

For as long as this office has been in existence, you have published a weekly news article for us. This has been a great help to the farmers and to the ASCS office too.

We enjoy the Donley County Leader and look forward to it each week.

Again we say thank you for your cooperation with this office in telling the story of the American farmer and how the farm program benefits all the people of our nation.

Sincerely,
MILDRED M. RITTER
Office Manager

CROP PROJECT TO BE HELD HERE OCTOBER 31

The annual drive for CROP will be conducted here Halloween night, October 31, under the direction of the Ministerial Alliance, stated Rev. Bob Ely, pastor of First Methodist Church. The youth of the various churches in the community will participate.

CROP (Christian Rural Overseas Program) is the Community Food Appeal of Church World Service, collecting farm commodities and cash to provide for overseas relief and rehabilitation through church overseas programs.

Further announcements regarding the meeting time of youth etc. will be announced later.

STUDENT SENATE ELECTIONS HELD AT CLARENDON COLLEGE

Following a feverish campaign, Student Senate elections were held on October 5th and 6th. When the votes were counted, Tim Ray, son of Mr. and Mrs. D. P. Ray of Clarendon was declared the new president of the Senate. Fred McAnear and Ken Price faced a run-off for the title of Vice-President. Jim Blackerby, son of Rev. and Mrs. Lester Blackerby of Hemphill, emerged the victor in the race for secretary. The contest for Treasurer ended in a draw between Dolfia Vallance and Bob Cain. The office of Reporter went to Charlene Gray, daughter of Mr. and Mrs. Vance Gray of Clarendon.

In the run-off elections which were held on Thursday and Friday, Fred McAnear, son of Mr. and Mrs. J. G. McAnear of Clarendon, captured the office of Vice-President. The position of Treasurer went to Dolfia Vallance, daughter of Mr. and Mrs. Dick Vallance of Clarendon.

PAINTINGS TO BE ON EXHIBIT HERE

An exhibition consisting of almost 30 paintings from the Sam Houston State Art Department will be on display in the Clarendon College Library from November 10-21, it was announced by Daniel L. Nutter, Library director.

The medium included in the exhibit is in black and white and color; woodcuts, serigraphy, intaglio, lithography, collagraphy, and a combination of the above. Nutter is in charge of the display.

"The exhibit will be on display during regular hours at the library, 8 a.m. to 5 p.m., 6:30 p.m. to 10 p.m. only Monday thru Thursday; 8 a.m. to 4 p.m. on Friday and 2-4 p.m. on Sunday," Nutter said.

December Eyed As Date To Let Dam Contract

Minor, but important details seem to be the hold up of the go-ahead on the Greenbelt dam. This information was revealed at a meeting of Greenbelt directors at Childress Tuesday night.

The hold up is the re-designing of the spillway to conform with State Highway Specifications as a part of the spillway will be used as a part of the regular highway. The expense would be too great to bridge the spillway. Engineers for Greenbelt and the Highway Department are working on the problem at the present time.

It is the hope of Greenbelt directors that the advertisement for bids will be forthcoming at the November meeting of the board and the letting of the contract to build the dam at their December meeting.

The contract for the Automatic Control System for the entire set up was let Tuesday night.

Bill Lowe, Attorney for Greenbelt, reported that all land embraced by the dam and lake had been contracted for or was in process except for one plot of land at the upper end of the lake area. He also stated that it was his understanding that the West Texas Utilities Company would start re-locating their power line in the very near future.

DONLEY CHAPTER TEXAS FARMERS UNION MEETS

The Donley County Chapter of Texas Farmers Union met Monday night in the community room of the Farmers State Bank. During the business session, Mrs. Eldon Lyles was elected secretary-treasurer. Bill Cook and L. A. Watson were chosen as delegates to represent our chapter at the State convention to be held in Abilene November 4-6.

Our next meeting will be held November 8 in Hedley where we will hear a report on the State convention.

BENNETT OPENS NEW RECREATION CENTER

L. C. Bennett, formerly of Hedley and the South Plains, has opened the Recreation Center Pool Hall in the building formerly occupied by White Auto Store.

Mr. and Mrs. Bennett and son Buddy Joe, 18, have moved their home to Clarendon where Buddy Joe is a senior in the Clarendon Schools.

Miss Ruth Richerson and Mrs. Ellen Bryan are in San Diego, Calif. where they are attending the National meeting of County School Superintendents.

Our neighboring town of Hedley is extending warm invitation to people of this area to attend their 14th annual Cotton Festival to be held October 15-16, this Friday and Saturday.

An interesting and entertaining program is always planned for the occasion and this year will be no exception. Several activities have been added to the two day festivities and the parade promises to be one of the best ever with the many beautiful floats now being prepared.

Clarendon business people are

invited to show their new cars and any old cars entered in the parade will be welcome. The Clarendon High School Band and perhaps the Drill team will participate.

Miss Ricki Rowell, daughter of Mr. and Mrs. A. J. Rowell, will reign as Cotton Festival Queen until the new Queen is crowned Saturday night, climaxing the two day event. Ricki is 18, a graduate of Hedley High School and presently a freshman at Clarendon Junior College.

The D. S. Dudley Midway will be open beginning Thursday and booths, concessions and exhibits will be in readiness. Festivities will get under way with breakfast from 7 to 9 a.m. at Lions Den Friday morning. Old Settlers will register from 10 a.m. to 1 p.m. when an Old Settlers Program will be presented. Bob Ayers of Memphis will serve as MC. Clarendon College Choir will entertain and there will be a Cake Walk, musical variety and novelty numbers. The Kachina Indian Dancers will also perform. The evening will conclude with street dancing.

Saturday morning will be kicked-off with breakfast at Lions Den followed by a Kiddies Parade, the Kachina Indian Dancers, and introduction of dignitaries. The principal address of the morning will be delivered by Lion Dist. Governor J. W. Robinson, Jr. of Hereford. The Lela Junior High Choir, the Matador Drum and Bugle Corps, The Gayettes of Texas, and Khiva Temple Drum and Bugle Corps will all take part on the morning program.

Barbecue will be served in Lions Den and various food booths and cafes will be open for the lunch hour.

The big parade will take place at 2 p.m. All entrants should gather at the school. Following the parade the Wellington High School Band will present a concert and Senator Andy Rogers and Congressman Walter Rogers will deliver addresses. The Maverick Club will present Tumbling Acts and the National Cotton Council style show will be presented at the school auditorium. At 5 p.m. the bale of cotton and other prizes will be awarded. The Old Fiddlers contest will take place on main street at 7:30 p.m. W. L. Mosley will be in charge. At 8 p.m. the coronation of the new queen of the Hedley Cotton Festival will be crowned. String bands will play for street dancing at 9:30 p.m. and a special Festival Dance will be held at the Legion Hall at 9 p.m. Music will be by the Tyros. Admission for this dance will be \$1 per person.

For a fun-filled celebration, come to Hedley.

COTTON FESTIVAL QUEEN

Miss Ricki Rowell will reign as Queen of the Hedley Cotton Festival to be held October 15-16. Ricki, daughter of Mr. and Mrs. A. J. Rowell of Hedley is 18. She is enrolled as a freshman student at Clarendon College.

First Baptist Church Revival In Progress

A Revival is in progress at the First Baptist Church with good attendance reported for all services. The Revival will continue thru Sunday, October 17th with services twice daily at 7 a.m. and 7:30 p.m.

Rev. Sam Tullock of Gatesville is the Evangelist and is dramatizing the evening services, preaching in the first person. Topics for tonight thru Saturday night have been changed from that first announced. His topics will be as follows: Thurs.—Thief "I Saw God Die"; Friday—Lazarus "I Came Back From The Dead"; Saturday—Paul "I Was His Missionary."

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

TIME FOR A CAREFUL REVIEW

According to some accounts, Congress has done so much work this year there will be little to do next. This is not going to be the case. While some history-making bills were enacted in this First Session of the 39th Congress, next year's Second Session seems certain to bring another long list of proposals. Some of these future actions already have been forged in Congressional committee meetings, deliberations, and decisions, the essential preliminaries to consideration by the full

House and Senate. Congress is expected to adjourn within a few days, but committee activity will continue at an abbreviated pace as legislation is shaped for consideration in 1966.

Controversy of the most heated kind has marked much of the legislation enacted in the two years of the 88th Congress and in the first year of the 89th. Every citizen of the country is affected in direct ways by new programs in taxation, defense and foreign affairs, education, housing, public health and welfare, agriculture, transportation, and a number of others. In 1966, Congress must give careful review to these programs to determine whether they are producing the results promised by those who advocated their adoption. Whether the process is to be called "revision," "reform," or "reorganization," Congress must seek improvements through amendments.

hope Congress will have the courage to terminate programs that cannot be made effective. The opportunity to do so will come as the House and Senate act on appropriations for Executive Branch departments and agencies and the activities they conduct. For example, I have for years sought to end the ineffective foreign aid activities. It's this simple: No foreign aid appropriation, no for-

ign aid program. And those who would downgrade the Constitutional role of Congress should bear firmly in mind that Congress holds the Federal government's purse strings.

The year 1966 could be the year in which Congress exercises what is too often a neglected responsibility, that for conducting what is called "oversight of administration" or "legislative

oversight." These terms simply mean that Congress, having authorized and funded a government activity, has a responsibility to see that it functions as Congress intended. Thus, Congress "oversees" program administration by conducting reviews and investigations. In a second sense, Congress checks for "oversights"—things it failed to take into account—in the original legisla-

tion authorizing a program or activity. Major Congressional investigations are often held in the exercises of this vital function. An example of one such highly publicized probe was the television quiz show investigation conducted by the House Interstate and Foreign Commerce Committee's subcommittee on legislative oversight, of which I was then a member. The purpose of the hearing was not only to expose the deception practiced against the public through rigged TV quiz shows but also to formulate new legislation giving the Federal Communications Commission and the courts authority to deal with such abuses in the future.

I have often pointed out that Congress sometimes enacts major legislation without providing sufficiently detailed guidelines to insure that Congressional intent is carried out. Measures too broadly outlined become distorted in the hands of bureaucrats who administer them. When administrators are given the ability to fill in details of loosely drawn legislation they are, in effect, legislating. Congress not only has abrogated its responsibilities, it has also permitted further erosion of the Constitutional principle that the Federal government is to consist of three separate and distinct branches. A year in which exercising the "legislative oversight" function is paramount could be as productive, in its way, as this year has been. By concentrating on this area of its responsibilities, Congress could regain its proper role in supervising Government operations.

HERE AND THERE

Campus Chatter

College is really cruising along. There is always something going—especially in the lounge. CC's lounge is the setting for many card games, and the fellows are delighted to have the new players. Girls surely do make good partners. There is no reason for concern folks. They aren't playing for money, just ...?

The P. E. classes sound interesting. Steve Lindsey and Dan Johnson were playing tag football and Steve was running like Bob Hayes when Dan got in the way. A resounding crash echoed across the field. Steve had done a perfectly timed back-flip and landed with a lovely thump on the cold, hard ground.

Rusty Scott was recently moaning about how mistreated he is at the dorm, with a tear-jerking tale about the number of dishes he has washed since the beginning of school. Some research in the matter showed that Rusty was having to wash the dishes, not for meanness, but because he had neglected to make his bed three times in a row.

Todd Dyess reported a luscious shaving cream fight at the dorm. The freshmen won, but their triumph was short-lived—someone had to clean up the mess! The moral to this story is that when freshmen laugh, sophomores laugh last.

The dorm boys have found a new twist for an old trick. It seems that common practice now is to "lose" a billfold, so some cute girl can find it and return the "lost" billfold to the owner.

A warning was issued from Mr. Nutter this week. He doesn't feel that the campus is so large that students can't make it to class on time. So he is locking the door to Library Science class when the bell rings. Come on students, let's think up some better excuses.

THIS AND THAT

Definitions

Boys, have you heard the latest definition of a blind date? It's when you expect to meet a vision and she turns out to be a sight.

Overheard in the lounge two green-eyed gals discussing one of their better-favored class mates. They agreed that beauty wasn't everything. Observed a male bystander: "No, but it's a pretty effective substitute for brains."

After a particularly hard workout the other day, one of the Bulldogs came up with this little gem: "A coach is a fellow who will gladly lay down your life for the school."

Girls, do you know the definition of a co-ed? It's a girl who didn't get her man in high school.

A curve is something which may wreck your car if you hug it at the wrong time.

Mrs. Moore complains that her desk is a wastebasket with drawers.

This definition came out of Mr. Overcast's Health class: Diet—something you keep putting off while you keep putting on.

WHEN AND WHERE

Phi Beta Lambda

By Betty Dever

The Clarendon College Chapter of Phi Beta Lambda met on Monday, October 4, to view a film on merchandising. Approximately twelve members and two guests were present.

Members and chairman for four committees were chosen for the 1965-66 year. They are as follows: Program Committee—Charlene Gray, chairman, Judy Walls, Robert Harrison; Entertainment Committee—T. Rose Stepp, chairman, Ronnie Wood, Brenda Winn; Fund Raising Committee—Marilyn Noble, chairman, Betty Dever, Brenda Moore; Promotional Committee—Nancy Shaw, chairman, Ricki Rowell, Lynn Mays.

Each committee chairman will meet with the executive board on Friday October 15. This is also the deadline for payment of dues. We urge all who are interested to joining Phi Beta Lambda, for we are going to have an active and working organization.

Junior Spier, a Clarendon businessman, has been chosen as a business advisor to Phi Beta Lambda. We know that he will assist us in many ways, and we appreciate his help.

Music Scholarships Awarded

Nina Snyder

Thava Davis

The recipients of this year's Music scholarships at Clarendon College are Thava Davis and Nina Snyder. They will serve as accompanists for the College Choir. Both girls have taken piano lessons for a number of years. Thava is a 1965 graduate of Hedley High School and is currently working on a Liberal Arts degree. She is the daughter of Mrs. Elva Davis of Hedley.

Nina is a 1965 graduate of Groom High School. She is majoring in Business Administration at the present time, but is contemplating a change to Drama. Nina's parents are Mr. and Mrs. R. A. Snyder of Groom. "We feel that we are very fortunate to have these two students as accompanists for the choir," stated Mrs. Weaver.

WHO AND WHAT

Green Receives Forney Award

Bernie Green

Bernie Green, son of Mr. and Mrs. H. A. Green of Clarendon, received a \$250.00 scholarship, which he is applying to his expenses at Clarendon College.

Forney Industries, Inc., of Fort Collins, Colorado, awarded Green the scholarship after his selection in Area I FFA as an outstanding example of leadership and for general excellence in his supervised farming project.

Bernie is majoring in Agronomy and plans to attend Texas Tech next fall.

Cheerleaders Chosen

The Dogetts met Wednesday to elect the cheerleaders for the '65-66 basketball season. Out of a winsome slate of eight contenders, four young ladies were picked to lead the student cheering section: T. Rose Stepp, Clarendon; Brenda Winn, Hedley; Nina Snyder, Groom; and Peggy Chism, Groom.

We will look forward to seeing these Dogett leaders in action. They will add enthusiasm, zip, and color to the Bulldog contests. Congratulations, girls!

BULLDOG KENNEL

Bulldog Line-Up

by Ronnie Roberts
Twelve scholarship boys and four tryouts comprise this year's edition of the Clarendon College

Bulldogs, coached by Lawrence Overcast.

The scholarship boys from Hedley include Alvin Alexander, Gary Weatherly, and Pat Ches-sar. Others from the immediate vicinity of Clarendon include David Kirkpatrick from Sam-norwood, Leon Choate and Ricky Potts, both from Panhandle, and Ramon Guerrero from Miami.

Others from Texas include Dennis Stratton from Amarillo, Tommy Thomson from Morton, and Gary Varnell from Wichita Falls.

Two of the boys are from New Mexico. They are Jim Norris from Tucumcari and Dennis Shugart from Gladstone.

The tryouts for berths on the team include Edward Becker from Vernon, Ron Roberts from Perry-ton, Roger Weems from Wellington, and Royce Matthews from Gruver.

These boys will be Clarendon's representatives in the various scrimmages and league games throughout the coming basketball season. Make your plans now to attend all home games and give the Bulldogs your support.

Bulldogs Vs. Wayland Varsity

The Bulldogs, playing on their home court, scrimmaged the Wayland Pioneers for the second time Friday night. The overall picture of the Clarendon crew was good, though there were some obvious weaknesses.

One bad quarter saw the young boys beaten soundly by the varsity men, but the first team out-scored the Pioneer starters in three quarters of play. Five quarters resulted in a total score of 48-54 in favor of the Pioneer. Taking the two scrimmages together, Clarendon still came out one point ahead, having previously outscored the other team by seven points.

Coach Overcast stated that he was again pleased with the board play of his first unit. They had an excellent zone defense which kept the Plainview boys from racking up the shots which they are highly capable of making. "Our shooting was poor," Coach said. "Choate showed a great deal of ability. Once Leon gets hold of the ball, it's almost impossible to keep him from scoring."

Overcast went on to say "My boys, including the young ones, showed strong determination. They were long on defense, but short on offense. Though we hope to become strong in both areas, a lot of ball games have been won by a tough defense and determination."

Washington palms taller than 100 feet have been grown in the lower Rio Grande Valley.

The huisache is one of the earliest spring-flowering trees native to Texas.

The largest osage orange trees in America are found in the Red River Valley.

Our next meeting will be with Carrah Mixon Friday, October 22. We will quilt that day. Don't forget your polyanthus. —Rep.

Estes-Jones Nuptials Read In Church Ceremony

Wedding vows were exchanged by Miss Toza Lee Estes of Clarendon, Texas and Cecil Gene Jones, also of Clarendon, in a ceremony read Saturday evening, October 9, in the First Baptist Church. Rev. J. B. Estes read the double-ring service.

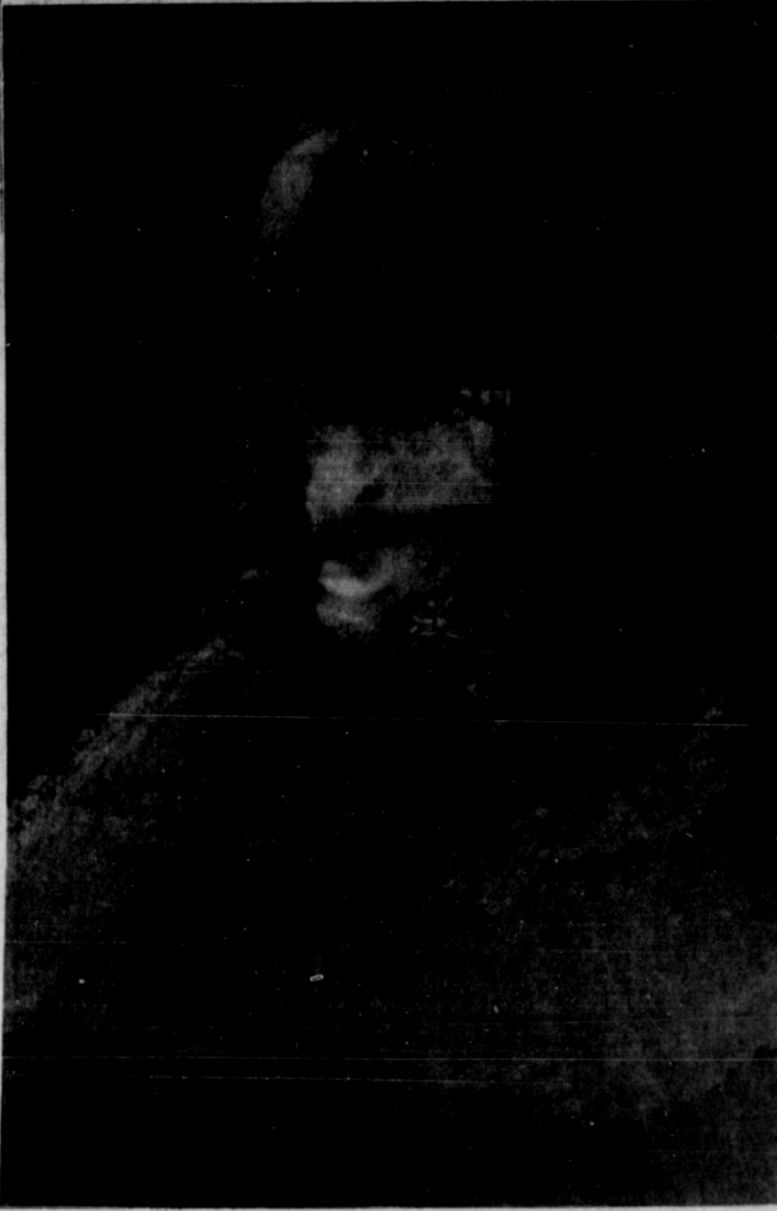

The bride is the daughter of Mr. and Mrs. Bailey Estes. Parents of the groom are Mr. and Mrs. C. P. Jones.

Vows were exchanged before an altar banked with potted ferns and centered with an archway of greenery accented by wedding bells and white mums. Flanking the archway were baskets of white mums.

Mrs. Joe Pfeiffer, organist, presented a prelude of nuptial selections and accompanied Mrs. Melvin Housden as she sang "Aloes," "I Love You Truly," and "The Wedding Prayer."

The bride, given in marriage by her father, wore a formal wedding gown of Chantilly lace fashioned with a scalloped neckline and long sleeves terminating in petal points. The flared skirt was enhanced with ruffles of chiffon edged with lace. Her shoulder length veil of illusion was attached to a pearl encrusted headpiece and she carried a cascade bouquet of white roses atop a white Bible.

Attending the bride as maid of honor was Miss Kay Ellen Pfeiffer. Bridesmaids were Miss Bonnie Cowan of Panhandle and Miss Carolene Moore of Amarillo. They wore dresses of gold brocade complimented by headresses fashioned of a gold velvet bow with a short veil. Each carried a bouquet of bronze feathered

MRS. BROMLEY'S DINING ROOM FEATURED IN FORD TIMES

Mrs. Bromley's Dining Room has been featured in this month's issue of Ford Times, a national publication. The magazine, which is distributed to Ford owners in the Clarendon area by Palmer Motor Company, called the res-

taurant, "a friendly restaurant which features old-fashioned cooking, home grown vegetables, and excellent hot breads and pastries."

Two recipes, supplied by Mrs. Ruby Bromley, were used in the

issue. One was for Lemon Chess Pie and the other was for Four "P's" Salad. An artist's drawing of the interior is also featured. Other restaurants described in the edition were in Florida, Vermont, and Michigan.

JAYCEE-ETTE NEWS

Clarendon Jaycee-ettes met in the home of Mrs. Gene White Tuesday night. The group voted to sponsor a local Brownie Girl Scout Troop and the membership expressed much interest in the reactivation of the Girl Scouts in Clarendon.

Is other business, Mrs. White and Mrs. Chauncey Hommel gave informative reports from the State Fall Board meeting held in McAllen earlier this month. One project, approved at the Board meeting, was adopted by the local club. This is "Have Your Say," counterpart to the Jaycees' "Speak Up" competition. A ten dollar contribution was made toward the state project of sending State Jaycee President A. J. Carrubi to Jaycee International.

Reports were heard on plans for the "Night of Bridge" event planned for November 19 with bridge enthusiasts from throughout the area being invited. Members were reminded of the Area Seminar to be held Saturday, October 16, in Pampa.

Guest speaker for the program hour was local artist, Mrs. Beverly Edgett who explained various techniques of painting and demonstrated such to the members. Mrs. Roland Hill was in charge of the program.

Others attending were President Mrs. Tom Higley and Mesdames Owen Johnson, Delbert Robertson, Gary Gerdes, and Hubert Kidd. —Rep.

STATE CITATION ART EXHIBITION SET FOR FEB.

Committeewomen of the Texas State Democratic Executive Committee will sponsor a State Citation Art Exhibition in February, 1966, and will give scholarship and merit awards to outstanding entries.

The exhibit will be held in Austin, Texas and a \$500, a \$300, and a \$200 Purchase Scholarship Award for high school students, and a \$100 Merit Award will be made.

A district elimination contest will be held in Childress, November 20, 1965 under the direction of Mary Cooke, State Democratic Committeewoman representing the 30th Senatorial District.

Through the courtesy of the Farmers State Bank of Clarendon, a Donley County Exhibit will be held under the direction of the Donley County League of Democratic Women. The entire main floor of the bank will be used for the display and refreshments will be served in the Hospitality Room.

All Donley County artists are invited to participate, as the entries for the District Citation Art Exhibit at Childress will be chosen from the County Exhibit. And in turn, entries for the State Exhibition in Austin will be chosen at the District contest in Childress.

Entries may be of any single media or of any combination of the following: Oils, pastels, tempera, watercolor, prints or drawings.

The purpose of this competition is to encourage young people to become more aware of the tradition of the great heritage of Texas. The State Committeewomen are sponsoring this exhibit and competition in accordance with Governor John Connally's emphasis on excellence in education. The awards will be presented by Governor Connally at the State contest.

For complete details of all exhibits call Mary Cooke, 874-3549. Art teachers in the county will also be given brochures with instructions and rules.

Mr. and Mrs. L. A. Watson and Larry, Mr. and Mrs. L. M. Porter and Ann, Mr. and Mrs. Guy Sibley, Mr. and Mrs. Steve Reynolds, Cindy and Wayne, and Bro. and Mrs. Ray Bob Floyd and family, Irene Gerner and Ricky, and Bunny Owens, David and Jim enjoyed singing in the home of Mr. and Mrs. Clarence Moss and Shirley Friday night.

MEMPHIS USDA COTTON CLASSING OFFICE NOW OPEN

The USDA Cotton Classing Office at Memphis is now open and began receiving samples Monday of this week. K. E. Voelkel will again be in charge of this seasonal office.

Middling Light Spotted was the predominate grade during the past week. Average staple length was 31/32 of an inch. Micronaire averages were good with 94 percent falling in the 3.6 to 5.1 ranges.

Only a small amount of the current ginnings are reported being sold and the Commodity Credit Corporation reported a limited amount going into the Government Loan. Spot market at Dallas and Lubbock report prices on predominate grades and staples at 30 to 50 points above the Loan. Middling Light Spotted 15/16 is quoted at 26.80 cents per pound.

LELIA LAKE ASSEMBLY OF GOD CHURCH TO HOLD SERVICES

Services will be held beginning Sunday, October 17th, at the new Assembly of God Church in Lelia Lake. This church was formerly the Lelia Lake Methodist Church.

Sunday school will start at 10 a.m. with the Worship Service scheduled for 11 a.m. An invitation is extended to all that are in the Lelia Lake Community who are not attending church at all to attend these services.

Rev. Thomas E. Gibson, Assembly of God minister announces that everybody is welcome to come to the church with a Friendly Welcome. Let us come and worship the Lord together, said Rev. Gibson.

FORMER RESIDENTS VISIT IN CLARENDON

Mrs. David Johnson and her daughter, Mrs. Eunice Halbert, of Crowell, Texas were in Clarendon Tuesday visiting with relatives and friends.

Mrs. Halbert's son, Bill Halbert, presented a technical paper, "Engineers Managing Engineers: A Practicable Principle of Uncertainty," to the International Convention of Petroleum Engineers in Denver Colo. recently. The paper dealt with engineering temperament and the manner in which many engineers react to management policies. Halbert is a Doctor of Engineering candidate in Petroleum Engineering at Oklahoma University and the son of Mr. and Mrs. Grady Halbert of Crowell.

SOCIAL SECURITY NEWS

If you have a student in school and you are trying to figure out how to keep him there, perhaps social security can help. There are students in this area who may be eligible for social security benefits as a result of recent changes in the social security law, Hal Geldon, District Manager of the Amarillo Social Security District Office, said today.

Under the new law, if a child was receiving benefits on a parent's social security record and these benefits stopped when the child reached 18, the child may be able to start receiving benefits again if he is a full-time student under 22 years of age and not married. Even if he never drew payments before, if he is under age 22 and unmarried, he may begin receiving benefits if he is a full-time student, Geldon said. These benefits are payable only on the record of an insured parent who is receiving retirement or disability benefits, or who is deceased.

Benefits are not automatic, Geldon cautioned. They must be applied for by the parent or child.

The Hedley Lions Club will have their regular meeting and a short program this Thursday night.

A governor's committee soon will embark on the most-ambitious effort yet undertaken in Texas to find what's wrong with the public schools and to make them better.

Governor John Connally rapidly is completing appointments to his 15-member committee on public school education which was authorized by the 59th Legislature. It is expected to be in operation within the next month.

Activities, to a large extent, parallel those of the earlier Governor's Committee on Education Beyond the High School which probed needs of higher education. However, this new assignment necessarily is more massive.

A three-year study of the public school system and formulation of a long-range plan to make Texas "a national leader in educational aspiration, commitment and achievement" was directed by the legislature. Connally insisted the study requirement be made a part of the school teacher pay act of 1965.

State financing to the tune of \$100,000 this year and \$150,000 next year is provided for—with additional funds expected from federal sources.

school officials are directed by the Legislature to cooperate with the committee in a "pervasive inquiry into every facet of Texas public elementary and secondary education."

Meanwhile, the Coordinating Board for Texas Colleges and Universities — a product of the earlier higher education study—has set October 18 for its next meeting here. Session will be the powerful board's first real chance to get down to planning for higher education needs since its organizational meeting September 20.

PERMIT CANCELLATION IS SOUGHT — Colorado City and Mitchell County filed suit in 53rd District Court in Austin to cancel the permit for the Robert Lee dam project on the Colorado River.

Contention is that it precludes the construction of a dam to supply Mitchell County needs and hurts their hopes for future development.

Lloyd Carmichael, Lucy Carmichael, Joe Baten, Leroy Vaughan and Chubby Nelson left for an Elk hunt in the Colorado mountains Monday morning. Lucy Carmichael will visit her daughter in Pagosa Springs.

Mr. and Mrs. A. M. Moss, Mr. and Mrs. Clarence Moss and Shirley of Clarendon, Mr. and Mrs. J. D. Moss of Borger, and Mr. and Mrs. O. C. Spears, Carol and Pat of Dumas enjoyed camping and picnicing at Lake McClellan Saturday and Sunday.

AIRBORNE GROUND MOBILITY—Lockheed's PACSTAR vehicle is being developed to give on-the-ground mobility for airborne units. PACSTAR is a two element, fully articulated personnel or equipment carrier designed for off-road operation in marginal terrain. It also has capabilities to "swim" inland waterways. The vehicle elements fold together for air transport. In units such as the 1st Cavalry Division (Airmobile) the carrier could provide ground mobility following the seizure of an airhead.

SOIL CONSERVATION DISTRICT NEWS

Soil and Water Conservation Districts of Texas will be celebrating their 25th Anniversary during their Annual Meeting in Corpus Christi, Texas, October 12, 13, and 14, 1965. The meeting will be in the Robert Driscoll Hotel.

There are 783 Soil and Water Conservation Districts in Texas, covering better than 99% of the land area with over 160,000 landowner cooperators. There are five Supervisors on the governing body of each Soil and Water Conservation District totaling 915 Supervisors in Texas. Your local District Board is composed of Vance Gray, Chairman; J. C. Shields, Vice-Chairman; John C. Knorpp, Secretary-Treasurer; and members T. C. D'Spain and W. P. Doherty. These Soil and Water Conservation District Supervisors are unpaid, elected, officials given many responsibilities under their Enabling Act. Responsibilities include control and prevention of erosion, thereby preserving natural resources; control floods, prevent impairment of dams and reservoirs, assist in maintaining navigability of rivers and harbors, preserve wildlife, protect the tax base, protect public lands, and protect and promote the health, safety and general welfare of the people of this State.

Going to Corpus Christi from the Donley County Soil and Water Conservation District will be Mr. and Mrs. W. P. "Red" Doherty.

THE COST OF OWNING AND OPERATING AN AUTOMOBILE

Automobile costs and maintenance expenses vary with each car and owner, says Mrs. Wanda Meyer, Texas A&M University Extension home management specialist.

Gasoline and oil costs for the same make and model may vary as much as 50 percent. This variation is caused by factors such as how the car is driven, the type of driving, such as city, flat country, or mountain driving, the loads carried, the general condition of the vehicle and tire pressure. Oil consumption is equally variable.

Maintenance costs vary even more than gas and oil costs. The owner of a new car may have no more expense than five or six lubrication jobs and a gallon of anti-freeze.

The type of driving and driver are both factors in determining tire costs. High speeds, warm climates, hard cornering, rapid acceleration and quick stops all contribute to fast tire wear. The motorist who must replace a set of tires every year may spend from \$60 to \$200 depending on the size and type of tires he chooses.

Most motorists carry insurance on their cars. Insurance premiums are listed under fixed costs because they do not fluctuate with the number of miles driven. To determine insurance costs, add the premiums of all policies you carry that are directly related to car operation.

License and registration fees should be treated in the same way as taxes. Determine what you spend for license and registration fees and add the total to your fixed costs.

A GOOD BREAKFAST IS BEST FOR DIETING TEENS

Tell a teen-age daughter she can't have anything to eat for 12

hours, and she'd accuse you of starving her. But this is what many young people are doing to themselves when they skip breakfast, says Louise Mason, Texas A&M University Extension food and nutrition specialist.

Recent studies by the Department of Agriculture show that six out of every ten teen-age girls and four out of every ten teen-age boys studied have poor diets. This is because of their habit of skipping breakfast and relying on snacks that do not contain enough vitamins, minerals and proteins.

Calorie counting girls often skip breakfast thinking they will lose weight. However, during several Iowa breakfast studies, it was demonstrated that the omission of breakfast held no advantage in a weight reduction diet.

In fact, Miss Mason says, it is a disadvantage. Those people who omit breakfast accentuate their hunger and suffer a significant loss of efficiency in the late morning hours.

The following menu is an example of a good, low calorie breakfast, says Miss Mason.

- 400 Calorie Breakfast Menu**
 1/2 cup orange juice
 1 ounce hot or ready to eat cereal
 1 teaspoon sugar
 1 cup nonfat milk for cereal and beverage
 2 slices enriched white bread—1 teaspoon butter.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-bucket front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

WEST TEXAS BUFFS VS. COLORADO STATE SATURDAY NIGHT

The Buffaloes of West Texas State will host Colorado State at Buffalo Bowl Saturday night, October 16th. Game time will be 7:30 p.m.

The Buffs held Trinity for a 34-6 score in ideal football weather last Saturday night, and maintained an outstanding record for the season. The team, quarterbacked by powerful Hank Washington and sparked by such players as Brian Deady, Tom Moody, James Cowell, Ronnie Mankin, and Ted Wheeler provided spectators with plenty of action.

If you haven't seen a game in Buffalo Bowl, you have missed a thrilling experience. Make this your week to attend. Tickets are on sale at the Chamber of Commerce office here in Clarendon.

14-6 Defeat Handed Skellytown By Colts

In one of the best games of the current season, the Clarendon Junior High Colts defeated the Junior High team of Skellytown by a score of 14-6 in a game played in Broncho Stadium Thursday night. Both teams entered the tilt with an undefeated record for the season.

Jim Moore scored the first TD from about forty yards out with Ike O'Neal adding the two points on conversion. The tally came late in the second quarter. In the closing seconds of the first half, Charles Louis racked up the second score on a pass from Moore. The pass play and run were good for about sixty yards. The try for extra points failed. Scoring for the Colts ended with the halftime.

Skellytown scored in the final minute of play of the fourth quarter to account for the score of 14-6.

Pep rally was held Thursday morning with the cheerleaders presenting a skit and the Band performing.

Coaches Pete Bromley and Jack Hall reported this the best game of the season for the Colts. Plays were sharply executed and great team effort was exemplified by the entire squad.

The Colts journey to Wellington Thursday night, tonight, for two games. The seventh graders will play at 5:30 p.m. This game will be followed by that of the eighth graders at 7 p.m. All of the local fans are invited to make the trip to Wellington. The Colts appreciate your support.

Mrs. Ray Winters of Fullerton, Calif. is now visiting relatives in Oklahoma after visiting in Clarendon for short time recently. She will return to the home of Mr. and Mrs. Archie Pool in Amarillo and later to Clarendon before returning to California. Mrs. Winter will be remembered here as Mrs. Fannie Perry Wilson, an employee of the Telephone Company for a number of years.

FARM NEWS

from County ASCS Committee

SOIL BANK PAYMENTS

Approximately 95% of all the soil bank payments have been made. The remainder of the payments will be made as soon as more appropriations are received.

COTTON MARKETING CARDS

The cotton marketing cards have been mailed to all eligible producers. Please watch closely for the envelope containing these cards as it is very difficult to get a new card when one is lost.

LOAN RATES

The grain sorghum loan rate for 1965 in Donley County is \$1.63 per hundredweight for No. 2 or better grades, less applicable storage and service charges.

The basic loan rate for middling one inch cotton is 28.99 cents.

NEW FARM PROGRAM

As to this date we have no official information on the new farm programs. We are sorry about this since so many of you have inquired concerning the planting of wheat. However, as soon as we have the information, we will pass it on to you.

WOOL INCENTIVE PAYMENTS

Wool producers are reminded that the marketing year for wool ends December 31, 1965. To be eligible for the incentive payment, the wool or unshorn lambs must be sold during 1965. Applications for payment will be accepted through January 1, 1966.

COTTON LOAN CLERKS

In addition to the county office clerks, the following are approved as cotton loan clerks for Donley County: Carl Bennett, Viola Graham, Homer Estlack, W. B. Wiggins, Geraldine Wiggins, and A. T. Simmons. These people attended a loan clerks meeting in Memphis last week and will be able to help you with your Form A Cotton Notes.
