## 51 deaths estimated Labor Day weekend

The Texas Department of Public Safety has estimated as many as 51 persons will be killed in traffic accidents during the Labor Day holiday. The estimate includes traffic deaths which may occur on urban streets and rural highways.

Colonel Jim Adams, DPS director, says Texas has about 14 percent fewer fatal accidents now than at the same time during 1982.

"We are hopeful the trend will continue downward for the remainder of the year. However holiday weekends always seem to bring higher death tolls than do other times of the year," Adams said.

The DPS reported 50 deaths during Labor Day last year. However, the inclusion of subsequent deaths due to traffic injuries received during the 78 hour period raised the final count to 57.

"During the 1982 holiday, 27 people were killed in accidents where DWI or speed was a contributing factor. This represented close to half of all the fatalities which occurred during that particular holiday," said Adams.

The DPS director called for sober driving, use of seat belts and a reduction in speed.

"We know alcohol contributes to about half of our traffic deaths, so it is obvious that a driver should not drink and drive. Also, we can

prove the lifesaving effects of seat belt usage and our statistics show that slower speeds enhance one's chances for survival if an accident occurs," said Adams.

The DPS said the most recent holiday, July 4th, was one of the most deadly

recorded in the past decade. "We had 55 persons killed during the Fourth of July and some are still seriously injured and will probably die before the year is over. This makes that holiday the deadliest 78-hour holiday since 1970," he said.

## Ice Capades in Amarillo

Ice Capades' newest musical revue "HELLO WORLD, HELLO" opens Thursday, September 22 through Sunday, September 25 at the Civic Center with six fabulous performances.

Headlining the spectacular cast is World Professional Champion and Canadian Men's Champion Ron Shaver three time Canadian Ice Dance Champions Lorna Wighton and John Dowling, three time U.S. National Silver Medalist Lisa-Marie Allen, and the sensational pair skating team of Frank Sweiding and Beth Flora.

Other outstanding new performers include dynamic soloist David LeBlanc and the youthful Karen Melton and her partner Bill O'Neill.

Complimenting this great mixture of athletes and showmen is a variety of exciting new production numbers featuring a globe-trotting trip to the bright lights and lively sounds of New York in "HELLO BROADWAY, HELLO", and a visit to the mysterious land of Baghdad in "FLIGHT TO KISMET." Your favorite Smurf cartoon characters step out of the television screen and onto the ice to bring you a smurfy-good time in "SMURFS ALIVE!" their first ever live appearance. Take a nostalgic look at the star-spangled music of America in "A SLICE OF APPLY PIE," and relish the smoky sounds of blues in "THAT'S JAZZ."

The highly acclaimed "flying ballet" is again showcased this year, and in lavish finale, "VIVA VEGAS, VIVA" the ice glitters in the fabulous style of Las Vegas.

Comedy is provided by the acrobatic Mike Course and

Titch Stock, zany ice clown Tommy Miller and the amazing fifteen-year-old juggler, David Lee.

Performances are Thursday, Friday and Saturday at 7:30 pm, Saturday at 2 pm and Sunday at 2 pm and 6 pm. Tickets, priced at \$8.50, \$7.50 and \$6.50 are now available at the Civic Center and Sears.

## Lion's Pancake Supper Friday

Don't forget that the Lions Club will be serving a pancake supper at the Lions Hall from 5 p.m. until 7:30 p.m. Friday, September 2. This is just before the first home football game.

Tickets are \$1.50 for children under 12 and \$3.00 per ticket for anyone 12 and over. The money made at the Pancake Supper will help the Lions Club help others. The food is always good and no one goes away hungry. Tickets may be purchased from any Lion member or you can get one at Henson's or the Clarendon Press.

## Ashtola Ex-Student reunion

The second Ex-Student Ex-Teacher Reunion will be Sunday, September 4, 1983. It will be in the Ashtola community building. Registration begins at 9 a.m.

Bring your friends and relatives and enjoy the food and fun.

## Bronchos hosting Canadian Wildcats

The Bronchos are opening the season this Friday, Sept. 2 in the home stadium against the class AAA Canadian Wildcats, a team that several pre-season polls say will be a title contender for the District 1-AAA title.

As the Bronchos look at the Wildcats, it is well understood why they are a contender. The Wildcats come to town with a team that has collegiate size, a defensive front that averages 206 pounds per man, more speed than in the past several seasons and an offensive unit that is larger than their defense (line average of 216 and backs of 174).

This is going to present the Bronchos with a severe handicap in personnel because their offensive averages about 179 and backs are average of 163 pounds per man. On the other side of the ball the Bronchos average 187 per man and that is not equal in personnel.

This game has been rated as Canadian at an 8 point favorite in the season opener.

Canadian is on the "carry-over" theory as they played very well the last four games of 1982 and they feel the strong finish will be a strong factor this season.

The Wildcats are led by several good athletes: Larry Longhofer an all district 165 lb linebacker; Mike White 185 running back and linebacker; Glenn Woodside at two year starter at tackle; Allen Ellison 6'2" 205 tackle; Kevin Hunt 6'2" 249 tackle and Shannon Prater 6' 180 pound QB-Safety.

The Bronchos are very excited about the season opener. Friday nights are the time when football players get nervous about the responsibility they have, the fans around them, the kick off; the first hit and the victory. There is nothing like a Friday night in a Texas town that has a good football team.

The comment from the coaching staff: "The team has had two very good learning situations in the scrimmages. There is a great deal more intensity on our team. We are trying to keep

## Duck Season opens Sept. 10

The Texas Parks and Wildlife Commission has approved Sept. 10-18, 1983, as statewide season dates for hunting all species of teal ducks.

As in the past, the daily bag limit will be four teal in the aggregate; possession limit eight. Shooting hours will be sunrise to sunset statewide.

The special teal season gives waterfowl hunters the opportunity to hunt early-arriving teal which often pass through much of the state before the opening of regular waterfowl seasons. Seasons and bag limits for ducks, geese and sandhill cranes was adopted by the commission on August 31.

## USDA announces 1984 Wheat Program

Deputy Secretary of Agriculture Richard Lyng today announced provisions of the 1984 wheat program and set the sign-up period from Jan. 16 through Feb. 24.

Lyng said because Congress took no legislative action on a proposed freeze in the wheat target price before its summer adjournment, he is now putting into effect provisional measures previously announced on July 29. The U.S. Department of Agriculture is required by law to announce the wheat program for the following year no later than Aug. 15.

The 1984 wheat program includes:

- A \$4.45 per bushel target price.
- A \$3.30 per bushel national average loan rate.
- An acreage reduction requirement of 30 percent.
- No advance deficiency payments.

-To be eligible for program benefits, producers must limit 1984 wheat planted acreage to no more than 70 percent of the farm's wheat base and devote to conservation use an acreage of eligible cropland equal to 42.86 percent of the 1984 planted and payment-in-kind (PIK) acreage.

-The 1984 acreage base will be the average of the acreage planted and considered planted to wheat in 1982 and 1983.

-Farmers participating in the acreage reduction program may divert an additional 10 to 20 percent of their wheat base and receive payment-in-kind equal to 75 percent of the established yield times the acres diverted.

-PIK program participants will not receive wheat from Commodity Credit Corporation stocks. Producers signing up in the PIK program will agree first to use their outstanding reserve or regular CCC price support loans. Producers with no outstanding loans agree to harvest for PIK. Those producers with no outstanding loans and who are unable to harvest for PIK will not receive a PIK payment.

Land designated for conservation use must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm. Under summer fallow rules the land must be acreage that would have been planted to small grains or row crops in 1984 in the absence of the 1984 wheat program.

-Having will not be permitted on the conservation use acreage. However, the acreage may be grazed except during the six principal growing months.

-Offsetting and cross compliance will not apply to the 1984 program.

-There will be no immediate entry into the farmer owned reserve for the 1984 crop of wheat. Further, USDA intends to review the size of the reserve before regular price support loans for the 1984 crop reach maturity. A ceiling may be placed on the size of the wheat reserve at that time which will effectively preclude entry of the 1984 crop into the reserve.

-Contracts signed by program participants for either the acreage reduction or PIK program will be considered a binding and will provide for liquidated damages for failure to comply with program requirements.

## EMT course offered

Clarendon College announces that there will be a short-term health course in Emergency Medical Technicians. This course will take 120 clock hours, including 20 hours in a hospital.

This class will start Sept. 6 and end Nov. 29. The class will meet Tuesday and Thursdays from 6 p.m. until 10 p.m. at Clarendon College.

Instructors will be Pat Robertson and Phillip Vargas. This course is designed to provide training needed in Clarendon community and surround area for ambulance and emergency service personnel. Upon successful completion of the course the student will have completed the state requirements to become registered as an official emergency medical technician. The new curriculum issued by the Emergency Medical Service Division of the State Health Dept. will be taught. The class will be limited to 20 students.

The objective is to train the student in the overall role and responsibilities of the EMT in performing both the emergency care and the operational aspects of his job. To develop skill in diagnosis and all emergency treatment procedures short of those rendered by paramedical personnel. To develop skill in the use and care of all equipment required by the EMT.

In order to take this course, you must be at least 18 years of age. You may register the first night of class Sept. 6, tuition will be \$60.00 for the course and approximately \$18. for books.

## FHA-Tom Watt sales started

The Future Homemakers of America is beginning its fund raising. This year they are selling from Tom Watt. For all of those who have supported the F.H.A. in the past know what nice stocking stuffers Tom Watt offers. This year there are some very nice items for all ages and for males and females. They will begin selling Tues-

day, August 30 and will run two weeks. The funds raised will be used for all functions of their organization which includes trips to the Area 1 meeting in Amarillo and their state meeting in San Antonio.

They certainly appreciate your support in the past and thank you in advance for this year's campaign.

Most people know that libraries have books and periodicals, but perhaps do not know or have not realized to what extent cassette tapes and 16 mm films are used here in Donley county.

By being a member of the Texas Public Library System we are loaned 60 tapes every 4 to 6 months. All types of musical categories are included to appeal to as many people as possible. Twenty-one members of the system in this area use these and the tapes are rotated among the different libraries. So far this year, 183 tapes have been checked out.

Films on just about any subject may be ordered for a certain date by Annis Stavenhagen, librarian. Bookings need to be made well in advance. The 16mm films are from the Amarillo Public Library and a complete catalogue is available here. Projectors are not included and because of their cost users are mostly the schools, churches and other organizations. Medical Center Nursing Home uses a film every week! There have been 116 films used this year. Viewers have numbered 3,298!

Only one daily newspaper, The Amarillo Daily News, is available. Subscriptions are expensive and costs were cut here. Anyone wanting to donate a subscription to the Clarendon Press, the Wall Street Journal or other large city daily is welcome to do so. The large reading area in the library is very comfortable and numerous people are in during the week spending a little time between appointments or waiting to pick up various family members.

Magazines are available for checking out or just glancing over in the reading room. Sixteen magazines are subscribed to by the library. Donations of current magazines are very welcome. Weekly magazines could be three or four weeks old and monthly ones could be three or four months old. There is no space to handle old magazines and if they are over one year old they are listed in Reader's Guide. Consequently, their use as a reference is worthless.

to the hospital in Dumas but was transferred to St. Anthony's Hospital, CCU, in Amarillo. Granny's daughter, Shirley and husband, Duke Weightman from Concord, Calif. have been with her. She had another flare-up, Thursday, but was doing better Saturday and taken from CCU to a room. Also Lois' brother-in-law, Darryll McQueen is in the hospital. Some ribs were removed to test for bone cancer. Lois will keep us informed of his condition and results.

D.W. Swain has been taken off all hook-ups and is gradually recovering from a heart attack. He was reported to have been walking some, up and down the hall in the hospital. There was a misunderstanding in last week's news. He had not been removed from CCU at that time. Sorry!

Jettie Prickett's nephew, Lynn Coker passed away and they attended the funeral Saturday.

Troy and Willie Moore left for Burkburnet, Saturday night after the Lions Club meeting, to attend the Wyatt and Harris family reunion. (Willie's mother's family) They spent Sunday and came back home Sunday night. There was sixty-five to seventy-five present. Willie met cousins she had never seen. They had very enjoyable time.

Ralph and Lena Singleterry will have their children with them over the Labor Day weekend. Their son, Wayne, his wife Paula, son

Eddy, his wife Paula, grandson Todd, a granddaughter and great granddaughter, Doty and Joshua Mirelec. The Lakers Homemakers Club will meet the 12th of September. First meeting since summer vacation. Welcome back everyone. Lets all attend!

Nacona Hills is getting a new face life. Men have been working on the roads and it is certainly changing the looks of things. Mayor Leroy Jackson says the men are making a lot of progress and the work is coming along great. I'm sure he will be happy to see them finished, since he does live in that area. I'm sure it must be difficult at times, during bad weather, to get in and out of there.

Ladie's that joined the V.F.D. Lady's Auxiliary will meet Thursday Sept. 8th. If any questions please call Lois McVicker. We would ask that husbands attend this meeting too.

The High School Juniors will be selling magazines after next Monday, for their class.

## Who's New

### Kimberly Rose Phillips

After traveling halfway across the world, with stopovers in Tokyo, Chicago and Oklahoma City, a five-month old Korean infant was delivered to her parents Thursday, Aug. 22 via a silver stork.

Kang, Moon Hee, whose new American name is Kimberly Rose, was met at the Oklahoma City airport Thursday by her parents, Mr. and Mrs. Barry Phillips of Clarendon. In keeping with family tradition, Kimberly's middle name is Rose, after grandmothers on both sides of her family.

Kimberly's adoption was arranged by Dillon Children's Services, a Tulsa-based agency that has matched Korean children with deserving families since 1973.

The Dillon agency arranges its adoptions through the Eastern Child Welfare Society, Inc., one of four Korean agencies working directly with the U.S. intercountry adoptions programs. The Korean agency is responsible for caring for the child until it is brought to the United States, arranging and overseeing emigration and ensuring that all Korean legal requirements are met.

While the Phillips were preparing for Kimberly, their baby was being taken care of in Korea by a foster mother. The Korean foster mothers are especially protective of the young infants they are responsible for, and provide loving care in their homes until the baby can be escorted to the United States.

"I can tell you, we are both really excited about this," Phillips said prior to his daughter's arrival. She was welcomed home by sister Terri and brother Dale.

Grandparents are: Earl and Peggy Creech and Lee and Ola Cross all of Stanton.

## The Lions Tale

By GENE ALDERSON

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall. There were 27 members and 4 guests present. Following a fried chicken dinner, Songleader Dan Bentley did a good job of leading the singing without a piano accompaniment. Following prayer by Lion Hofman and the Pledge of Allegiance by the members, Liontamer Messer introduced David Smith who was the guest of his father, Don Smith (even though Lion Smith was absent), and Fred Salinas, a Ford Motor Co. Representative who was the guest of Lion Brister.

Boss Lion Henson brought a request for eyeglasses from a school child and the club voted to provide them. Lion Alderson gave a report on the program of ticket sales for the pancake supper to be held at the Lions Hall from 5:00 to 7:00 p.m. this Friday night, September 2nd. Lion Henson appeared to be ahead in the race for leading ticket salesman. Program chairman Billy Ray Johnston introduced Don Pipes and Larry Barber with the Amarillo Council on Alcoholism. Mr. Pepes presented some information on alcohol abuse and showed a film on the subject. Meeting adjourned.

## 4-H Better Bake Show

Donley County 4-H Better Bake Show was held August 29, in Clarendon.

Nine contestants entered and the 4-H'ers products were judged by Carol Grady and Katie Dvorak.

Seniors were required to make Kolaches and juniors and peewees were required to make Danish Bars.

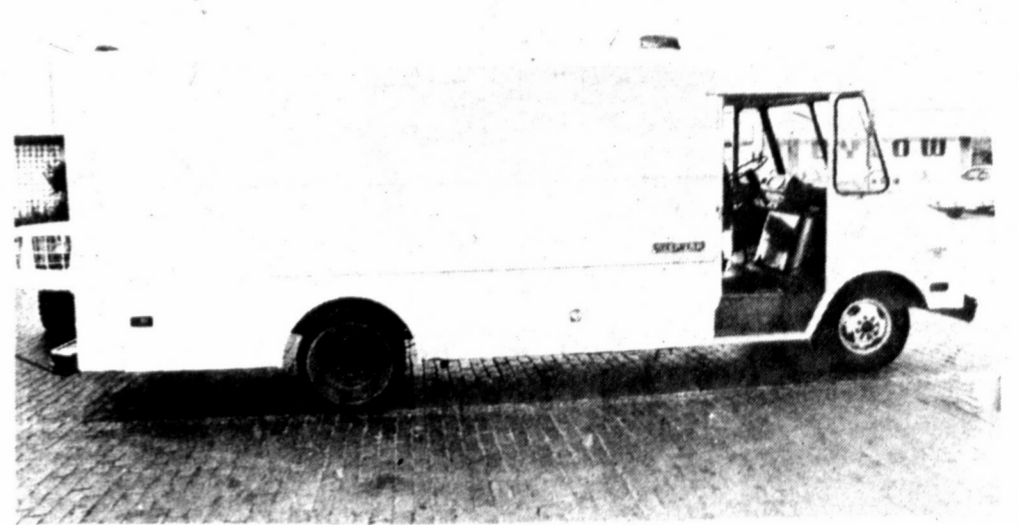

Seniors and ribbons won include: Lesia Fuston, blue and Christina Leathers, red.

Junior blue ribbon winners were Michelle Chambliss and Taylor-Ann Harbert. Red ribbon junior winners were Rogina Gray, Katrina Leathers and Jennie Naylor. Chet Harbert and John Naylor were both blue ribbon winners in the Peewee division.

Lesia Fuston - senior, Taylor-Ann - junior, and Chet Harbert - peewee were the winners in each of the categories.

Each category winner received a price donated by a local business. The senior winner received a seven-piece cookware set from Gibsons; junior winner received perfume from Biven's Pharmacy; and the Peewee winner received a bunt pan and baking dish from Bylow's Grocery.

Lesia Fuston and Taylor-Ann Harbert will compete in the District Better Bake Show on Saturday, September 10, at the Tri-State Fair.

## Jaramillo completes recruit training

Marine Pfc. Jose A. Jaramillo, son of Epifanio Jaramillo of Lelia Lake, Texas, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his

enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

In the Middle Ages, people thought your intelligence was in your heart.

### Obituaries

Miss Ava Bernice Naylor

Funeral services for Miss Ava Bernice Naylor, 94, were held at 2 p.m. Tuesday, Aug. 30, 1983 in the First United Methodist Church with Rev. Bill Watson, pastor and Rev. Bryan Knowles pastor of the First Baptist Church in Hedley officiating.

Miss Naylor came to Donley County in November 1891 at the age of three. Her parents, Mr. and Mrs. Thomas Naylor, along with two brothers and two sisters, all older, made the trip from Cooke County in a covered wagon.

The family homesteaded near Lake Creek, northeast of Clarendon. Their dwelling during those early years was a three-room dugout. Times were difficult for most pioneer families in the 1890s and early 1900s. The effort of all members often was required just to provide the necessities.

Miss Naylor worked with her father and brothers at such tasks as plowing, planting, cultivating and harvesting. Miss Naylor continued

to operate the farm, having a herd of thirty cows, doing the feeding until she reached the age of 85. After having lived and worked on the land for more than 90 years she moved to the Clarendon Nursing Home. Miss Naylor died at 12:38 a.m. Sunday, August 28, 1983 in Northwest Texas Hospital in Amarillo. She was born October 4, 1888 in Cooke County, Texas and was a member of the Naylor First United Methodist Church.

Interment was in Citizens Cemetery under the direction of Robertson Funeral Directors.

Survivors include four nieces, Mrs. Dorothy Lou Titefsky of Seattle, Wash., Mrs. Ann Culpepper of Lubbock, Mrs. Mamie Lois Wright of Riverside, Calif., Mrs. Fannie Espey of Corpus Christi. Eight nephews, T. E. Naylor of Hedley, Duane Naylor of Crowell, H. B. Naylor Jr. of Houston, Nelson Naylor, Littlefield; J. B. Naylor Jr. and Truett Fields of Amarillo, Thomas Lewis Fields, College Sta-

tion; Floyd Naylor of Wichita Falls and several great nieces and nephews.

Great nephews of Miss Naylor's served as casket bearers were: Richard C. Naylor, Joe B. Naylor, Tex Wayne Naylor, Tommy Naylor, Ronny Naylor, Jon Naylor, Gary Espey and Lynn Culpepper.

#### Florence Frances Baker

Funeral services for Mrs. Florence Frances Baker, age 77, were held at 2:30 p.m. on Friday, August 26, 1983 in the First Baptist Church with Rev. Paul Heil, Pastor and Rev. Joe Naylor and Rev. Mervin Hall, officiating. Interment was in Citizens Cemetery with arrangements under the direction of Robertson Funeral Directors.

Mrs. Baker died at 5:30 a.m. on Thursday, August 25, 1983 in High Plains Baptist Hospital in Amarillo following a lengthy illness. She was born March 29, 1906 in Quail, Texas and married Jim Woodson Baker on October 28, 1930 in Memphis. He died in 1971. She had been a resident of Clarendon since 1972 moving here from Alvarado, Texas where she had been a school teacher and a real estate agent. She was active in the Clarendon College Ex-Students Association and a member of the First Baptist Church in Clarendon.

Survivors include one sister, Mrs. Katie Hall of Dumas, Texas; and twenty-one nieces and nephews.

Casket bearers were Billy Goodman, Bright Newhouse, Fred Carter, F.O. Hodge, Leo Smith, and Gene Alderson.

#### Ashtola Ex-Student/Teacher reunion Sept. 4th

Survivors include one sister, Mrs. Katie Hall of Dumas, Texas; and twenty-one nieces and nephews.

### Green Thumb receives new grant

Farmers Union Green Thumb, an employment program for low-income senior citizens in Texas and 44 other states, has received a new grant of \$88,500.918 from the U. S. Dept. of Labor.

The grant is effective from July 1, 1983 through June 30, 1984. It provides \$4,113,951 for Texas Farmers Union Green Thumb, which has 952 of the 17,317 part-time job slots allocated to Green Thumb nationwide.

TFU Green Thumb currently operates in 108 counties, most in north, central and west Texas. The program's workers must be at least 55 years of age and meet income guidelines. They are placed with public and private, non-profit organizations such as schools, senior centers, libraries, and museums, and furnish services that would not otherwise be available.

The sponsoring organizations are responsible for day to day supervision of the workers, and TFU Green Thumb administers wages and fringe benefits.

"We are delighted that the Dept. of Labor has signed the new grant agreement," said Mike Moeller, president of Texas Farmers Union. "The grant money means that 500 rural agencies now benefiting from the services of Green Thumb workers can continue to do so for at least another year."

Green Thumb state director Diane Parrish of Waco said that even though the grant is based on 952 employment slots for Texas, the program is currently able to employ 1,047 older persons because of reductions in overhead on both the state and national levels.

The overriding goal is to put as many older Texans to work as possible, Parrish said. "They need the work for themselves, and their communities need the dedication and conscientiousness that older workers bring to their jobs."

### Memphis to have flea market

The Memphis Chamber of Commerce Retail Trade Committee is coordinating a local flea market in conjunction with the upcoming Hall County Celebration, September 17th and 18th.

Service organizations, as well as, individuals are invited to participate in this Memphis flea market which will be held for one day, Saturday, September 17th. The booth fee is no charge. Display materials and supplies (such as tables, etc.) will be participant's responsibility. The flea market will be located on the East and South sides of the Court-house and tables should be set up next to the street curb. You may set up and take down merchandise anytime you wish, however, it would probably be beneficial to set up before parade time at 10:00 a.m. on Saturday.

White elephant merchandise, homemade articles or collector's items could be merchandised at this flea market.

If you wish to participate in the flea market, please notify Shirley Parks, Chamber Manager, at 259-3144 or Flo Branigan, Retail Committee Chairman, at 259-2023.

## What ever happened to....

### Andy Robertson?

Andy (G.A.) Robertson was a 65 year resident of Donley County when he sold his home at 701 East Second in 1978 and moved to Amarillo to live with his daughter and family.

Since February, 1978 he has been a resident of 2908 Eddy Street, Amarillo, Texas, the home of his daughter, Vivian M. Howe (Mrs. Joseph J. Howe).

Andy is enrolled at the Jan Werner Day Care Center, where he participates in the crafts program, painting plaster pieces, ceramics, making glass etchings, brass engraved etchings, wood finishing, and various other crafts. He is a member and attends Coulter Road Baptist Church and Adult 6 Sunday School Class there. He is also a member and regular participant in the San Jacinto Odd Fellows Lodge. Although he is now 83 years old (August 17th), he walks three miles every day (weather permitting).

Andy came to Donley County from Armstrong County when he was 13 years old with his mother and father, W.A. (Uncle Billy) and Edna Robertson. In 1922, he married Sallie E. Rattan, and continued to live in Donley County and farmed with his father until 1928, when he moved to Clarendon with his wife and two children, Vivian Maxine and Glenn.

With the Depression well on its way, Andy worked in the North Plains wheat harvest, did maintenance work for the City of Clarendon, worked long hours at Knight's Dairy and any other work available.

In 1935, with two additional children a part of the family, Margaret (Vines) and Delbret, Andy moved his family close to downtown on Carhart Street, where the Church of Christ is now located, in order to be close to his work, that of building maintenance and custodial work at the First Baptist Church and Goldston Building, as well as that of contract postal carrier and express freight carrier.

In 1940 a fifth member made her appearance in the family, Georgia Nell (Speed). This was a short time before the family moved to 701 East Second, the Robertson home from 1945 until 1978.

Andy later went into the Venetian Blind business, in his own shop behind the garage which he also built himself. This may seem very ordinary except for the fact that Andy was born with a paralyzed spastic right arm and hand. In his shop he not only repaired, renewed, and painted blinds, but also manufactured by hand many, many new venetian blinds, custom ordered.

Andy's wife of 52 years, Sallie E. Robertson, died in 1974 at the Medical Center Convalescent Home in Clarendon.

After retiring from all custodial work and that of mail carrier, Andy continued to work mowing lawns and rototilling gardens in Clarendon and Howardwick, along with the venetian blind business; while at the same time assisting his son Delbret with cemetery maintenance and preparation of burial sites. This he did until 1978.

Recently Andy's family, of which he is the only remain-

ing "older generation" member, held a family reunion. The children and descendants of the brother and two sisters of Andy were among those in attendance. The group met on Saturday, July 9th, 1983 in Clarendon in the home of Delbret and Patsy Robertson for a day of visiting, reminiscing, and fellowship. The following day was spent in the home of Cecil and Polly Shelton, 4705 Bonham, Amarillo, Texas, with lunch at the Western Plaza Furr's Cafeteria.

Those attending the reunion were: Andy Robertson, Amarillo; Madge Ballantine, Torrance, California; Jenny Bolander, Borger; Ken and Bea Brewer, Bonner Springs, Kansas; Robert and Helen Brown, Tulsa, Oklahoma; Pat and Eddie Herrera, San Antonio; Charlotte, Aaron, and Angie Hogan, and Debbie and Tiffanie Holland and Greg, Amarillo; Al and Vickie McNealy, Canadian; Bob and Belva Noland, Los Cruces, New Mexico; Alma Norem, Kansas City, Missouri; James, Barbara, Wendy and Holly Parker, Shamrock; Delbret and Patsy Robertson and Pat and Edie Robertson, Clarendon; Glenn, Glenna, and Elizabeth Robertson, and Mark, Lisa, Tony and Stacy Robertson, Amarillo; Ray and Cathy Robertson, San Antonio; Alton, Irene and Eddie Sewell, Dumas; Cecil and Polly Shelton, Amarillo; Curtis and Eleanor Spinks, Stinnett; and Lloyd and Margaret Vines, Wellington.

Andy is still enjoying excellent health, and expects to continue to be active in all aspects of his life for many years to come. He sends greetings to all his acquaintances and friends in Donley County.

# Lewis Ranches wins Texas Ranch Roundup

For the second time in the three-year history of the event, the Lewis Ranches of Clarendon have won the Texas Ranch Roundup, which closed in Wichita Falls, Saturday Aug. 20 after two days of competition.

The Lewis Ranches bested 13 other legend-laden ranches, including the defending champion Moorehouse Ranch Co., to take top honors at the roundup.

The Lewis Ranches livestock wear one of three brands: The RO brand, the mark of the Rowe Brothers from whom Lewis bought the ranch; the Flying U Bar, which Lewis designed himself for use on the Spur Ranch; and the Shoe Nail, the brand belonging to the original owner of the Shoe Nail Ranch.

Under Frank Derrick's guidance the ranches operate as one, with office headquarters in Clarendon. Betty Lewis, young of Dallas and Anne Lewis David of Houston own the Shoe Nail Ranch. The Shoe Bar Ranch is owned by the Estate

of Vera Lewis.

The Lewis Ranches tied for 6th place with 20 points last year which included a first place in Team Branding with 31.6 seconds. Barbequed Ribs produced a 2nd place win in the Ranch Cookin' Contest. In 1981 The Lewis Ranches was the first team to win the Texas Ranch Roundup.

The Texas Ranch Roundup, which highlights working ranch skills was sponsored by Budweiser and the North Texas Rehabilitation Center to Benefit NTRC and two other Texas social service agencies.

The team from Cowan and Son Circle Bar Ranch of Seymour finished in second place, followed by the Renderbrook Estate Ranch of Colorado City in third. The W. T. Waggoner Estate, Vernon, and the Pitchfork Land and Cattle Company, Guthrie, rounded out the top five.

Sam Whaley, 65, foreman for the U Lazy S of Post, was

named Top Hand by his fellow competitors, while Betsy Bellah of the R. A. Brown Ranch, Throckmorton, was selected 1983 Ranch Roundup Queen.

The W. T. Waggoner Estate captured first place in the ranch cook-off and additional points towards the overall title with a plate of chili, cowboy beans, and basket.

Points were also awarded to ranches winning the talent competition. The pitchfork took top honors in the painting/photography category with photos by Bob Moorhouse, while the silvercraft of Robert Gilmore won first place in the crafts division for the W. T. Waggoner Estate. Teammate and fiddle player Troy Evanson also won points for the Waggoner spread by placing first in the music category.

The Lewis win was paced by strong showings in the saddle bronc competition, won Saturday by Rickey Lowe, 30, a ranch camper. Lowe thrilled the crowd by hanging on to a wildly bucking bronc only to be tossed off end-over-end just as the qualifying whistle sounded. During the Friday events, the Lewis Ranches placed among the top four in all six of the contest's rodeo events.

Lewis Ranches Captain Bob Boston credited the simple desire to have a good time with the win. "As defending champions last year, we thought we had a good chance," Boston said. "But we tried too hard. We did much better this year when we just relaxed and got out there to have fun."

## Watch for school children

Now that summer vacations are over and thousands of youngsters have started back to school, many of those for the first time. Last year in Texas the pedestrian fatalities accounted for 732 traffic deaths according to Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety.

He said, "Motorists need to slow down as they drive through school zones and in and around school areas."

He added, "Those big yellow buses will also be back on our streets and highways, and Texas law requires the driver of a vehicle meeting or overtaking a school bus displaying red flashing warning lights that is in the process of loading or unloading passengers to stop until the school bus starts moving, the red lights are no longer flashing, or the bus driver directs motorist to proceed."

"It is most important that drivers observe speed limits in school zones and the school bus loading laws for the protection of our children, because no one wants to be responsible for the death or injury of a young child."

## Bob Bullock asks about natural gas policy

State Comptroller Bob Bullock said he has asked the Texas congressional delegation to take a close look at proposed changes in federal natural gas policy that could cost the state more than 100 million in lost natural gas production tax revenue.

The nation's largest gas producer, Texas produced more than six trillion cubic feet of gas last year and the state collected more than \$1 billion in natural gas production taxes.

Bullock sent a report to Texas congressman showing the Reagan Administration's gas decontrol proposal could cost the state \$56 million in lost gas production taxes during the next two budget years and about \$42 million the year after that.

"Efforts to eliminate some natural gas pricing problems are to be commended, but no one wants to cut off an arm to cure a hangnail," Bullock said.

Bullock said that his report indicates Texas gas customers would not benefit significantly from the Reagan Administration proposal.

"A second major proposal to deregulate natural gas, developed by the Senate Energy and Natural Resources Committee, would impact Texas less severely than the Reagan-backed proposal," Bullock said.

"This will be a decision for those who represent Texas in Washington but I felt they needed to have the facts on what would happen when they pressed the voting buttons."

"They've got 'em now," he said.

## City Minutes

The Board of Aldermen of the City of Clarendon met in regular session on August 23, 1983, in the Board Room, City Hall at 7:30 p.m.

Members present were Mayor James L. Kuhn, Aldermen Richard Bell, J.G. McAnear, Lloyd McCord, James Sharrar and Gene White.

Others present were City Secretary Donna Edwards, Jim Roberts, Jim Smith, Steve Woodall of West Texas Equipment Company and Todd Knopp.

\*Minutes of the August 9 and August 16 meetings were read and approved.

\*Mr. Jim Smith told the Board that he has been having trouble with Cable TV service for some time and asked the Board to state the terms of the franchise agreement between the Cable TV Company and the City of Clarendon. Mr. Smith was told that the franchise agreement gave the Cable TV Company permission to use the alleys and streets for a 2% franchise fee. The agreement does not give the City any control over the quality of service. The Board agreed to write a letter to the Cable TV Company of Granite, Oklahoma informing them of the fact that complaints have been received regarding service.

\*West Texas Equipment submitted a bid on the motorgrader that the City is selling. The amount of the bid was \$11,500.00 and this being the only bid received, motion carried to accept the bid.

Discussion ensued concerning the water damage at the Library and the problem with the wall between the two buildings that make up the Library not being sealed properly. Motion carried to have the wall sealed.

\*There being no other business at this time, motion carried to adjourn.

The world's first parachute jump from a balloon was made by Andre Garnerin of France in 1797.

## Social Security

Q: I understand that the Social Security tax is going up again next year. Is this true?

A: Yes, Social Security taxes are going up in 1984; however, employees won't really be paying a higher rate in 1984 because they will receive tax credit equal to the increase in the Social Security tax rate.

This sounds more complicated than it actually is. In 1984, the total Social Security and Medicare tax rate will be increased from 6.7 percent each, for employees and employers (as it is in 1983) to 7 percent for employers and employees, but with a 0.3 percent tax credit for

employees only. This means that employees won't actually see any tax rate increase in 1984.

Q: I am 57 years old, and I've heard rumors that the Social Security law has been changed so that I won't be able to retire when I am 65. Has the Social Security retirement age really been raised?

A: The law has been changed, but you need not worry. You will still be able to retire with full benefits at age 65. The increase in the retirement age is a change that will be phased in very gradually, after the turn of the century, so that, for people reaching age 62 after 2022, the full benefit retirement age will be 67.

## PUBLIC NOTICE

Lone Star Gas Company, in accordance with Section 43(a) of Article 1446c V.A.T.C.S., hereby gives notice of the Company's intent to implement a new schedule of rates including a cost of service adjustment clause for natural gas service to be charged to the residential and commercial consumers in the City of Hedley, Texas

effective **September 13, 1983**

The rate schedule is expected to furnish a 2.69 percent increase in the Company's revenues from residential and commercial customers in the City of Hedley, Texas

A Statement of Intent has been filed with the City of Hedley and is available for inspection at the Company's business office located at 315-A South Kearney, Clarendon, Texas.

**Whats Cookin'**

Eating outdoors is one of the pleasures of warm weather. But if you've spent most of the summer closed up in the air-conditioning, Labor Day weekend may be your last chance for a family picnic before the fall activities get in full swing. So, pull out the basket, pack your favorite foods and take off for one last fling.

Of course, every picnic has one variable that you can't control. The weather. If the unexpected happens and it rains on your picnic, don't despair. Labor Day picnics are successes because of the people, the spirit and the food—and all of these are as good indoors as out. And to

make your picnic more successful, try this Crunch-Top Cherry Pie.  
**CRUNCH-TOP CHERRY PIE**  
2 cans (1 lb) pitted tart red cherries  
1/4 cup all purpose flour  
1/4 tsp salt  
4 tsp almond extract  
1 tsp lemon juice  
4 drops red food coloring  
1 C sugar  
Drain cherries, reserving 1/2 cup liquid. Combine liquid and the next 5 ingredients in a mixing bowl. Stir in cherries and 1 cup sugar; mix well and let stand while preparing pastry.

**PASTRY**

2 1/2 C all purpose flour  
1 tsp salt  
1 TBS sugar  
1/4 C shortening  
1 egg yolk  
1 TBS lemon juice  
1/4 C milk  
Sift flour, salt and sugar; cut in shortening until mixture resembles fine crumbs. Beat together egg yolk, lemon juice and milk; add to dry ingredients, tossing with

fork to form a soft dough. Divide dough in half. Form each half into a ball and flatten on a lightly floured surface. Roll each to about 1/8 thickness. Fit one piece into a 9 inch pie plate; trim to 1/2 inch beyond rim of plate. Cut remaining piece into strips and use as directed in recipe.

Spoon cherry filling into pastry lined pie plate. Arrange pastry strips in lattice design over cherries. Moisten rim of pastry and fold lower crust up over strips; press down firmly.

**CRUNCH TOPPING**

3 TBS all purpose flour  
1 TBS sugar  
Dash of salt  
1 TBS butter  
Combine flour, sugar and salt; cut in butter until mixture resembles crumbs. Sprinkle over top of pie. Bake at 425 degrees for 40 to 45 minutes or until crust is golden brown.

Crunch Top Cherry Pie is one of Imperial Sugar's newest recipes. Information

about other recipes and free cookbooks are available from Imperial Sugar Company, P.O. Box 500, Sugar Land, Texas 77478.

**5 month Savings Bonds sales in Texas up 36%**

Sales of U.S. Savings Bonds in Texas for the period January-May 1983 were \$113,012,014, up 36.2% over the same period a year ago. John W. Dixon, Chairman of the Board & CEO of E Systems, Inc. in Dallas and Volunteer State Chairman for Texas, announced. These sales represent 50.2% of the state's 1983 assigned dollar goal of \$224,700,000.

Sales of Series EE Bonds were \$1,706 in May 1983, for a total of \$13,929 for the first five months of 1983 in Donley

County, Bill Lowe, Volunteer County Chairman, said. These sales result in 40 percent of the County's

assigned dollar quota.

Nationally, sales for May amounted to \$418 million, up

almost 73% over May 1982, making a year-to-date of \$1,781 million, a 38% increase.

Since November 1, 1982 new issues of Series EE Savings Bonds, held five years or longer, earn 85% of the average return on five-year Treasury marketable securities during the holding period, with a minimum guaranteed return of 7.5% for Bonds held at least five years. Outstanding Series E and EE Bonds and Savings Notes that are still outstanding and earning interest on and after November 1, 1987 will earn market-based interest effective November 1, 1982. The average rate for the first two six-month market-based periods is 9.87%.

**9th Annual Allsup's Marathon Oct. 1st**

**Marathon - Oct. 1st, 1983**  
The stage is set for the 9th Annual human drama that is: The Allsup's Marathon! From all over the United States, runners will gather in the traditionally beautifully fall atmosphere of Clovis, N.M. for one of the biggest events for runners in the Southwest.

Over 500 runners are expected to compete in this year's road races to be held Oct. 1st, 1983. Again, this year there are three big events from which runners may choose: the full marathon (26.2 miles), the half marathon (13.1 miles) and the 10 K (10,000 meters). All of the races begin and end at the same locations (an Olympic style finish in our stadium) and the running surface is fast, flat asphalt throughout the courses. As in the past, the courses are all certified to insure quality races and accurate times for all participants.

Quality trophies will go to: Men - first 5 overall, and Women - first 3 overall, with awards in each class for men and women. Tee shirts will be awarded to all finishers, plus commemorative patches for all marathon finishers. All runners are invited to

## Ashtola-Martin News

By NAOMI GREEN

The Ashtola Ex-Student and Community Reunion will be held this Sunday, September 4 at the Ashtola Community Center. The meal will begin at 1:00 and everyone is invited to bring a covered dish and come join the fun.

To prepare for the reunion, Ashtola will have a building cleaning Friday evening at 6:00 p.m. Everybody is welcome and encouraged to attend.

Mr. and Mrs. Bill Bennett visited her brother, Bud Butler at Lelia Lake Saturday night.

William and Doris Jones of Amarillo and Jimmy Don and Renee Jones of Panhandle visited Saturday with Mr. and Mrs. B.E. Jones.

Cheryl Hand, Jeremy and Caressa of Canyon spent Sunday night with Mr. and Mrs. Tom Shadle.

Mrs. Jerry Green went to Wellington Friday to be with her cousin Mort Sain.

Ira and Tommy Spivey of Amarillo visited Sunday with the Claude Spiveys. Tommy and Eadith went on to Lake Greenbelt that afternoon for a visit with Mrs. Rogers.

Hubert Rhoades had lunch Sunday with Harold and Kay Green of Stinnett who were holding down the ranch for the Skeet Browns over the weekend. Mr. and Mrs. Skeet Brown and Marcia and Gary Davis and Carrie Sue of Stratford went to Pagosa Springs, CO this weekend for a short vacation.

Mr. and Mrs. Duane Naylor of Thalia brought Fay Jackson to the H.A. Green home Saturday evening. Naomi and Mae put Fay on the plane to Dallas Sunday morning.

The Naylor's were enroute to Amarillo to be with his Great Aunt Ava Naylor when word was received that she died. The Naylor's spent Sunday with the Royce Hall family.

Mr. and Mrs. Tom Shadle went to Amarillo Thursday

for his doctors appointment. Mr. Shadle got a good report from the doctor.

Ester Mahaffy of Dumas and her sister, Mrs. Newhouse of Sulpher visited Saturday afternoon with Adnerine Mahaffey.

Mr. and Mrs. Jeff Jones returned to A&M to attend school Friday.

Corky, Ellen and Tiffany Patterson attended a birthday party honoring Amber Choate's 4th birthday at the Susan Murray home at Lelia Lake Saturday evening. About 20 people attended and enjoyed the event.

Dr. and Mrs. Frank O. Braugh of Oklahoma City came to Clarendon Saturday to bring a surprise to Mrs. Lily Knox. Mr. and Mrs. Lonnie Braugh who have recently moved to Amarillo met them in Clarendon for lunch.

Clifford and Stella Jewett went to Amarillo Saturday to visit the Bagrich and Mason families. They had a nice time visiting and got some shopping done also.

Mr. and Mrs. George Bain of Logan, N.M. were guests in the Royce Hall home last week. Mr. and Mrs. Clyde Bain spent some time with Edith Bain of Hedley. The entire group were partakers of the food and fun at the Hedley Chicken Barbecue Thursday.

Brooke Garvin has a weekend guest in the home of the Warren Hardins. Warren and Ruby Jewel picked her up at her home at Silverton on Friday and returned her there Sunday.

The Jerry Green family was in Wellington for the Darla Sain funeral on Sunday.

Chris Jewett spent Sunday and Monday with his grandparents, the Clifford Jewetts.

Mr. and Mrs. Scott Hearn were in Clarendon this weekend visiting with his grandparents, Mr. and Mrs. Charlie Hearn.

Mary Ann Hickman of

Breckenridge is visiting her parents Mr. and Mrs. Benny Clay for the week. Mary Land and Pat Scroggins went to Tulsa this week for Mrs. Scroggins daughter, Linda Collins surgery. The surgery went well and Ms. Collins is doing fine.

## Lions Annual Charity Game

The Clarendon Lions Club in association with the other 70 Lions Clubs of District 2-T1 have announced their sponsorship of the Second Annual Lions Charity Football Game. Set for Sunday, September 25, 1983, at 2:00 p.m., at Kimbrough Memorial Stadium in Canyon, the game features the West Texas State University Junior Varsity playing the Panhandle State University Junior Varsity.

All proceeds will benefit Girlstown, U.S.A., the Lions Hi-Plains Eyebank, Texas Lions Crippled Children's Camp in Kerrville, as well as

local club projects. According to A.R. Henson, chairman of the project, members are currently seeking advertisers for the game program and selling tickets for the game. Ticket price is \$2.00 per person, and is tax deductible.

"Through the cooperation of W.T.S.U., we have an excellent opportunity to help some very worthwhile organizations through the support of this game. Last year's First Annual Game netted over \$9,000 for the various charitable groups", stated Henson.

Girlstown, U.S.A., operating campuses in Borger, Austin, Lubbock, and Whiteface provides home and group living for over 140 deserving girls throughout the country from infancy to maturity.

The Lions Hi-Plains Eyebank is an organization formed to collect human eyes and distribute them to hospitals and doctors for grafting, transplant, or research. The Eyebank does free glaucoma screenings, conducts enucleation courses, main-

tains donor card files, and gives educational programs to area clubs and organizations on eye conservation. The Texas Lions Camp for Crippled Children in Kerrville provides educational rehabilitative services to handicapped children and blind adults. During calendar year 1983, over 3,400 people have been helped through the camp. Texas Lions Clubs provide 80% of all funds for the camp's operation.

For further information concerning the Lions Club work or Charity Game ticket or advertising information, see any Clarendon Lions Club member.
