**Bronchos-Irish
matchup in
district opener
Friday**

After an exciting game with the Childress Bobcats, the undefeated Bronchos are going to travel to Shamrock for the first district game. When a team plays a very exciting and emotion-packed game, as the Childress game was, it is faced with the situation of having a let down. The Bronchos can not allow themselves to be flat against the Irish. Shamrock has a record of 2-2-1 and one of those losses was to Childress, by 26-6. The Shamrock coach says "It was the worse game we have played - penalties, blocking, tackling and specialty teams were not mentally ready." The Irish always have played Clarendon very tough each year.

Shamrock is led by several outstanding back and the biggest line that Clarendon has seen this year. Shamrock has victories over Wheeler (33-0), Phillips (33-0) and tied a very outstanding Stinnett team (22-22). The other loss was to Sanford-Fritch by 17-6 without several key starters.

Randy Hugg, a sophomore, is the quarterback and ranks with the best in the area as a passer and does an excellent job of running their offense. Brad Hensley, a senior linebacker and offensive tackle is a returning all-district performer. Roger Chas 6'11" 218 tackle nose-guard is a very aggressive two way performer as is Joe Jernigan a sophomore split end that ranks with the Childress receivers. Gilbert Salinas is the one player that makes the Irish go. He is a good running back and a very aggressive defensive end. He is very tough physically and will be going hard on every play.

Reese Tarbet, a guard and the monster back in their defensive scheme is very quick and tough.

Mike O'Garman is a returning running back, as a sophomore leads the team in rushing.

Over all...Shamrock is a very physical team that keeps coming after their opponents until the whistle blows anywhere on the field.

The district races shape up to be as good as it was in '82 with every team a possible winner on any given night. The pre-season record of the district is:
Clarendon 5-0
Panhandle 5-0
Quanah 4-1
Wellington 3-2
Shamrock 2-2-1
Memphis 2-3

The games this week are:
Clarendon at Shamrock
Memphis at Panhandle
Quanah at Wellington

THE MIGHTY BAND FROM BRONCHO LAND. The Drum Major is Wayne Chambliss; Twirlers: Dalyn Croulin, Terri Leffew and

Cassie Stewart; Flaga: Kay Bell, Tish Robinson, Paula Noble, Tammy Deen, Renee Kuhn and Stefan Graham. Senior band members are

Dalyn Croulin, Pete Brannblott, Doug Walker, Connie Garman, and Chris Porter. There are 7 Juniors, 6 sophomores, and 19 freshmen.

Instrumentation: 8 flutes, 12 clarinets, 1 oboe, 3 alto saxes, 1 tenor sax, 1 bar sax, 8 trumpets, 5 trombones, 4 baritone, 1 tuba and 11 percussion.

Tumbleweed Talents to be Sat. Oct. 15th

Reserved tickets are now on sale for the Third Annual TUMBLEWEED TALENTS, to be held Saturday, October 15, at 7:30 p.m. in the Clarendon College Fine Arts Center. Tickets may be obtained by calling (806) 874-2574 during the day or (806) 874-2389 each evening. Admission price will be: Adults-\$3.00 Students-\$1.50.

Proceeds from this year's performance will be going to the American Cancer Society and toward student scholarships given by the two sponsoring clubs, CJC Drama Club and PTK Honor Society.

There is a wide range of talent scheduled to perform at this year's annual event. Contestants from many Panhandle towns have entered the contest. Door prizes from supporting area merchants and special entertainment will also keep the audience entertained.

Some distinguished and well-qualified judges will be judging the talent contest this year. Master and Mistress of Ceremony this year will be Dennis Knowles.

President of the PTK Honor Society, from Clarendon, and Lisa Hartman, President of the CJC Drama Club, from Wellington. Both of these talented people have had lead roles in many CJC

Farm Bureau convention and chili supper Oct. 15th

On October 15, 1983, the Donley County Farm Bureau will have their annual convention and chili supper. Supper will be served at the Lelia Lake Community Center at 7:00 p.m. Ladies are asked to bring desserts.

After the supper, there will be our annual convention where we will discuss the 1983 Resolutions that Donley County Farm Bureau members want to submit to the Resolutions Committee. All resolutions approved by the Resolution Committee will be referred to the Board of Directors for action. Suggestions for this year's resolutions are as follows:

1. Donley County Farm Bureau opposes a freeze on

drama productions and have been technical directors for several area pageants. A full house is expected this year, so be sure to call for your reserved tickets soon.

target price or loan rate on any commodity unless the government puts a freeze on federal spending.

2. Donley County Farm Bureau urges continuation of the PIK program. There must be a control over planting so that there will not be a surplus of commodities in following years.

3. Donley County Farm Bureau urges the government in order to control borrowing of money causing the interest rate to escalate. The interest rate needs to be effectively controlled.

4. Donley County Farm Bureau urges the Joint Committee on Farmworkers Insurance to recommend to the Texas Legislature that the farmers and ranchers be offered the option of a combination liability/medical payment policy in lieu of workers compensation.

5. Donley County Farm Bureau urges the federal government to insist that foreign trade be done on a cash basis instead of on credit backed by U.S. Banks.

6. Donley County Farm Bureau is opposed to a nuclear waste disposal site located on land that is currently used for agriculture.

7. Donley County Farm Bureau wants farmers to have a voice in controlling the price of natural gas used for irrigation.

8. Donley County Farm

Clarendon 5-0

Bronchos win thriller, 19 - 16

The Clarendon Bronchos and Childress Bobcats put together a great football game Friday night before a large vocal crowd supporting their favorite teams. The game had everything - High School Football at its best: super runs, tough defense, and hitting, clutch 4th down plays, and momentum changing reverses with every play.

Two second half exciting touchdown runs by Rodney Smith enabled the Bronchos to squeeze past the Bobcats 19-16. Rodney turned two routine hand-offs into wild touchdown scampers that put the game just out of reach of the Bobcat offense. The win puts Clarendon at 5-0 for the season.

Childress scored the game's first touchdown after Scott Long rambled 52 yards on a trap to finally be brought down on the Broncho 32 yard line. A Boyd Johnston to Terry Smith pass plus a late hit penalty gave Childress the ball at the 6. Long got the scoring honor on a 3 yd. run after another Broncho penalty. Keith Loter added the extra point as the Bobcats led 7-0 with 6:04 left in the 1st quarter. The touchdown was the first scored on the Bronchos in 13 quarters since the third quarter of their opening game against Canadian.

The Bronchos got on the scoreboard in the 2nd quarter as Richard Gaines reacted quickly in the flat on a pass intended for Terry Smith. Gaines stepped in front of the receiver, intercepting at the Childress 37 yd. line and returning it 24 yds. to the 13. Five plays later, the Bronchos erased a 7-0 deficit when Glenn Weatheron hit the left side of the line for a 1 yd. TD score. Arlis Thomas added the extra point to tie the game 7-7 with 7:45 left in the half. The half closed 7-7, but both teams really turned on the fireworks after the half.

On the third play of the second half, Rodney Smith hit off right guard behind the blocking of Ivan Alderson, Arlis Thomas, Johnny Gaines and Richard Gaines, slipping open field tackles to race to a 59 yd. touchdown lead. The Bronchos failed on the extra point attempt as the snap was high and settled for a 13-7 score.

But Childress marched right back. QB Johnston added two scrambles to push a 9 play Childress "methodical" drive to the Broncho 11. Long again took it in from 11 yds. out. The Bronchos looked in danger of being behind again - but Keith Loter missed the extra point - and the game was tied again - 13-13.

The Bronchos started their next possession, on their own 20 yd. line after the kick-off. The Bronchos' QB Drwon Howell attempted to get the passing game going, but was intercepted by the Bobcats' Stone Hughes who returned to the Clarendon 10. The Broncho defense tightened up and made 3 touch pressure plays to hold the Bobcats to fourth and goal from the 10. Keith Loter made the field goal attempt to give Childress a 16-13 lead with 4:39 to go in the action packed 3rd quarter. But the Broncho defense showed their character as the "maroon magic" held the Bobcat's out of the end zone. This would be an important defensive stand for the Bronchos.

Both teams traded possessions after the field goal. Childress managed one first down on their next possession,

and then a Chris Castleberry punt was downed by the Bobcats on the Clarendon 6. The Bronchos seemed to be pinned with their backs to the wall.

But the bad field position didn't seem to bother Rodney Smith as he took the first play off-tackle, fought off three Bobcats tacklers down the right sideline, paused at the 30 yd. line of Childress to shake off the last of the Bobcat secondary and cut back to the middle to finish his "spectacular" run of 87 yds. The extra point attempt failed as the Bronchos now led 19-16. con't p. 9.

Notices

Lelia Lake Community Center
Lelia Lake Community Center will have their covered dish supper, Saturday October 8 at 7 p.m.

Master Masons Sloppy Joe Dinner
Monday night October 10, there will be a sloppy joe dinner for all Master Masons at the Lodge hall. After dinner there will be degree work.

FTA District Officers meeting

Annette Watson, FTA District XVI officer - Chaplain, Toni Michaels, and Miss Betty Veach, FTA District XVI Advisor traveled to Canyon on September 13, 1983 to attend an FTA District XVI Executive officers meeting at 6:30 p.m.

Presiding was Gary Glenn, FTA District XVI President, Canyon. The purpose of the meeting of Executive Officers was to plan the District FTA Convention in Canyon on November 8, 1983 at WTSU Student Center, also to plan a leadership conference for the local chapter officers of District XVI. The leadership conference will be October 12 (Wednesday) from 10 a.m. to 12:30 p.m. for all chapter officers to help them plan and run their chapters smoothly and efficiently. Also on the date the speech contest for Mr. and Miss FTA will be held. This contest involves a scholarship to be given to winners. Rules, regulations, dues, and other items were discussed.

Attending were: Gary Glenn, District President.

Canyon; Cindy Borland, Vice President, Borger; Lesley Smith, Corresponding Secretary, Canyon; Angie Jamison, Recording Secretary, Panhandle; Benji Hughes, Financial Secretary, Kress; Deanne Reagor, Parliamentarian, Tulia; Annette Watson, Chaplain, Clarendon.

Advisors attending were: Miss Betty Veach, Clarendon; Mrs. Dorothy Hulsey, Tulia; Mrs. Connie Jackson, Kress; Mrs. Jane Stevens, Canyon.

Also attending was Toni Michaels, guest.

MR. AND MRS. MILLS going away present from the senior citizens. received a beautiful quilt as a

Mills retired from Senior Citizens center

In March of 1975, Ruth and Mel Mills decided that senior citizens needed something to do. So they organized a few folks and began to meet in the Housing Office for a pot luck supper

once a month. Home Estlack gave them thirty days to see if this group would gather and utilize the building. Not only did a group gather, but they liked the idea so well that

they began to meet more often. In the crowded confines of the office spaces, they set up tables and played dominoes and ate and visited. The feeling was that the group needed to meet

more often, so they went from once a month to once a week then to three days a week then to five and then to six!

In the beginning, the Mills organized funding for the project and collected one dollar to help defray expenses. From donations and group efforts, they bought freezers, refrigerators, stoves and other items such as games and tables to help furnish their needs.

Then, with the help of the Mills, the Donley County Senior Citizens Center was officially opened and government funding began in 1979.

Ruth, ever efficient and capable, managed to have volunteer cooks until nutrition money from the government came along to pay for them. These cooks have stayed on from the beginning.

With an eye to the future, the Mills began expansion programs for the Senior Citizens Center. In 1978, the first project began to convert the Housing Office into a kitchen/dining area. Then adding on and expansion projects have continued until the current facilities have been developed. This was done with federal money and donations, no county aid was given.

Beryl Clinton donated the use of the church bus to help members take some exciting trips through Ruth and Mel's efforts to organize and some activities. They have seen Six Flags, Carlsbad, NM, San Antonio, the Texas Coast the Texas Rose Festival and Azalia Festival and gone to New Orleans, LA and Colorado. Shopping trips, trips to see "TEXAS" and other exciting programs have been enjoyed as well. In 1977 the group bought a van and now enjoy many adventures as a group.

Home delivery has been an on-going program through the Mills' efforts since 1975 when volunteers, such as Raymond Hinkle, delivered plates from the pot luck menu. Now a regular list of names receives home delivered meals daily.

The efforts of Ruth and Mel have made a lasting and

loving impression on our community. They have helped provide activities for our seniors and a place to meet, eat and visit with friends. Their energy and involvement will be missed. On Friday, September 30, a beautiful friendship quilt was presented to them from their many friends as a token of the love and esteem all hold for the Mills.

EVERYBODY NEEDS FRIENDS

Friends of the Library are to reorganize at a meeting Tuesday, October 11, in the Burton Public Library at 7 p.m. A Friend of the Library is anyone who believes that the library is a valuable community asset and is willing to contribute time, talent, support and/or money to help make it all possible. The library needs friends and you are invited to attend this meeting.

In the past several years, the Friends have been a driving force in raising money to build our new library. They sponsored a successful flea market, a brunch, a Christmas luncheon and an auction and dance in the new building before books were moved into it.

Once again the Friends realize the need to become active. Expenses continue in a library and budgets cut to the bone do not cover special purchases which would be of great benefit. Friends are needed to sponsor programs designed to add to the cultural life of the community. Friends are needed to create public support for an expanding library program.

Anyone who is interested in promoting the library is invited to become a member. Donley County has many citizens who are willing and eager to engage in community activity as volunteers for community service. If you have a broad interest in the welfare of the community plus a specific interest in books and reading, Friends of the Library is for you. Your support is needed now.

Here is a little more on the value of children's book collections that was promised last week. Since there is a little of the child in each of us, collectors have always been attracted to children's books. Sometime the illustrator is more collectable than the author or they are one and the same.

One is Beatrix Potter and her animal stories. Any of these original small books are worth \$35 each. Another is Johnny Gruelle and his original Raggedy Ann series which is worth \$28.50 each. A first edition of "Winnie the Pooh", 1927, is worth \$50. Any of the Brownie books by Palmer Cox are worth from \$10 to \$60. The Oz books would be valuable, but the prices are not available to me.

As one can see, the high prices are for the books that were very famous. These older books did not have as many copies published as do the modern books and the scarcity creates the high prices. Also the child's book, if it is enjoyed and read over and over, does not always last a long time. Pure speculation leads me to believe that the Dr. Seuss books and other such immensely popular modern ones will some day be valuable.

Susan Shields attends LCC

Susan Shields of Lelia Lake is among 978 students registered for the fall 1983 semester at Lubbock Christian College.

Susan is a 1983 graduate of Clarendon High School and is a Freshman Home Economics major at LCC. Her parents are Mr. and Mrs. Earl Shields of Lelia Lake, TX.

four-year liberal arts college which was established in 1957. The school is dedicated to excellence in education, with emphasis on the spiritual and personal development of each student.

At LCC it is possible for students to find themselves, God, friends and their future.

NOTICE!!

At the request of many patients I have installed nitrous oxide (laughing gas) in my office.

XI Lambda XI

The President, Pat Archuleta, called the 95th meeting of XI LAMBDA XI Chapter, No. X3325, to order on September 12, 1983, at the home of Carol Bryant with Beth Johnston as co-hostess. All members repeated the Opening Ritual together, led by Becky Hill.

There were 14 present and 6 absent.

The minutes of the previous meeting were read and approved.

President Pat Archuleta read correspondence from International Office concerning the different programs including the legacy program, sponsoring a member program, and the envoy membership program (enroll men and honor men for their service to the chapter).

President Pat Archuleta read information concerning the Northwest Area Convention to be held at Vernon, TX on October 22 and 23. The theme being the "Roaring 20's". The information was passed around for each member to read.

Susan Henson, treasurer, reported that the chapter had a balance of \$182.42. She had deposited \$175.25 in the scholarship fund.

Beth Walker, parliamentarian, read from the BETA SIGMA PHI book concerning regular meetings, meetings on special events, and also concerning absences, how they can be made up if excused, etc.

Pat McCombs, president of City Council, reported that the City Council had met August 1, 1983, in her home and had discussed the By-Laws for the City Council, the Charity Ball, the scholarship fund among other items. Attending the August 1st meeting were Pat McCombs, Pat Archuleta, Denise Grady, Pat White, and Judy Bland. It was decided that the City Council would meet the 1st Tuesday of every month. On September 6, 1983, at Peanut's Restaurant Pat McCombs, Pat Archuleta, Denise Grady and alternate, Betty Veach met for their regular meeting. The Scholarship Fund was discussed stating that the By-Laws stated that the scholarship is suppose to be \$100 per girl per semester. However, at present \$150 is being given to each girl each semester. Each chapter needs to vote on whether to keep it like the by-laws state or the way it is being conducted at present. AUE will host the Christmas Ornament Exchange Party this year. Charity Ball was discussed and it will be held on February 11th, 1984, starting the meal at 7:00 p.m. Denise Grady brought the directories to be sold for \$25 to cover the cost of paper. The City Council meeting was adjourned.

Beth Walker moved that the chapter pay for the directories and each member could pay the 25 cents to Susan Henson, treasurer. Pat McCombs seconded the motion, motion carried.

Beth Walker handed out program outlines to the ones who did not receive theirs on Saturday of the sorority breakfast. The next meeting will be September 26, 1983 - the salad supper at Sandra Mooring's with Janie Finch co-hostess. The program will be by Beth Walker on "Managing Your Time and Energy Wisely".

It was suggested that we have larger notebooks for our chapter programs, also to make covers for these notebooks. Pat Archuleta would help make the covers and do some appliques for it. Beth Walker moved that each person furnish their own notebook and cost of material for the cover, seconded by Genella Eads, motion passed.

Peggy Anderson, Membership Chairman, discussed the rushing program. She read from the poster she had received from the International Office. From her information, she also read about friendship concerning our rushing program. If anyone had any names to submit for pledges, they are to give them to Peggy so she can contact these persons and invite them to the Salad Supper at the next meeting.

Charlene Mays, Chairman of the Social Committee, reported that there will be a planned social this Saturday, September 17, 1983. Each member should dress very casual and they will be picked up in a wagon. Should be an interesting social.

There being no further business to discuss, the business meeting was adjourned.

Roxanne Strickland presented the program from the Programs a la Carte Outlines entitled: "Happiness: What it takes to be happy?" Roxanne brought out many interesting points concerning happiness. "Do you make your own luck?" "You have to make the best of life that you can." She ended with a poem on "Happiness." It was a very interesting program. Each

President Pat Archuleta discussed the Charity Ball with the chapter - the format, to have the meal private between the chapters and the coronation of queens before the public would be invited to attend. Genella Eads made a motion that the format be accepted, seconded by Pat McCombs, motion passed. Deciding upon a price for the meal at this time was tabled. It was discussed that a DJ be engaged instead of a live band. Susan Henson made a motion that a DJ be engaged instead of a live band. Gloria Gage seconded the motion, motion passed.

It was suggested that a committee for the Charity Ball be set up apart from the City Council to plan out all details concerning the Charity Ball before hand and report back to the City Council. Each chapter appoint a committee for the Charity Ball, these committees get together and plan out everything, report to the City Council then report back to the chapters. Susan Henson moved that the committee for the Charity Ball be appointed, seconded by Gloria Gage, motion passed.

Pat McCombs again discussed the Scholarship Fund. A decision needs to be made as what to do about the amounts given. The By-Laws state that \$100 be given to each girl per semester (2 girls). This year, however, \$150 had been paid for the first semester to each girl. Should we pay \$150 for second semester or go back to the \$100? It was discussed. Gloria Gage made a motion to pay the \$150 for second semester this school year, but for next year go back to the \$100 per girl per semester. Betty Veach seconded the motion, motion passed. Beth Walker made a motion that we transfer our share of the shortage for the scholarship from our checking account to make up the difference. We have \$176.25 in our scholarship fund, the difference being \$123.75. Total being \$300. Motion seconded by Gloria Gage, motion passed.

Beth Walker moved that the chapter pay for the directories and each member could pay the 25 cents to Susan Henson, treasurer. Pat McCombs seconded the motion, motion carried.

Beth Walker handed out program outlines to the ones who did not receive theirs on Saturday of the sorority breakfast. The next meeting will be September 26, 1983 - the salad supper at Sandra Mooring's with Janie Finch co-hostess. The program will be by Beth Walker on "Managing Your Time and Energy Wisely".

"Do you make your own luck?" "You have to make the best of life that you can." She ended with a poem on "Happiness." It was a very interesting program. Each

member participated in the discussion.

All members repeated the Closing Ritual, then joined hands for the Mizpah.

Refreshments were served from a beautiful table by our hostesses: Carol Bryant and Beth Johnston.

In attendance were Carol Bryant, Susan Henson, Frankie Henson, Peggy Anderson, Gloria Gage, Pat McCombs, Genella Eads, Becky Hill, Pat Archuleta, Charlene Mays, Beth Johnston, Beth Walker, Maurine Butts, and Betty Veach.

Monday-Baked fish with catsup, cole slaw, hush puppies, scalloped potatoes, peaches, milk.

Tuesday-Fried chicken with gravy, buttered corn, mashed potatoes, hot rolls, applesauce, milk.

Wednesday-Spaghetti with meat sauce, green beans, hot rolls, fruit Jello, milk.

Friday-Ham and cheese roll, buttered corn, mashed potatoes, buttered apple crescents, milk.

Friday-BBQ on bun, lettuce and tomato salad, sliced pickles, cheese, and onion, potato salad, plum cobbler, milk.

LOCAL

Visiting in the home of Blackie and Nora Hartwick of Howardwick is their grandson, Dan Hartwick. He is on leave from the U.S. Army Airforce having completed the airborne course and obtaining his wings. He also received a letter of commendation from captain Flora while in basic training. Dan completed an additional four weeks Bradley Infantry Fighting Vehicle Crewmans course at Ft. Benning, Ga.

He will report to the Headquarters Replacement Battalion in Germany Oct. 11.

**Yours For The Asking...
A Complimentary 8 x 10
Full-Color Portrait
Of Your Family.**

We serve the financial needs of thousands of families, but we serve them one at a time. To thank our present customers...and to make new friends...we have chosen a highly personal gift, a beautiful portrait photograph. It symbolizes our personal approach to financial services and your uniqueness to us.

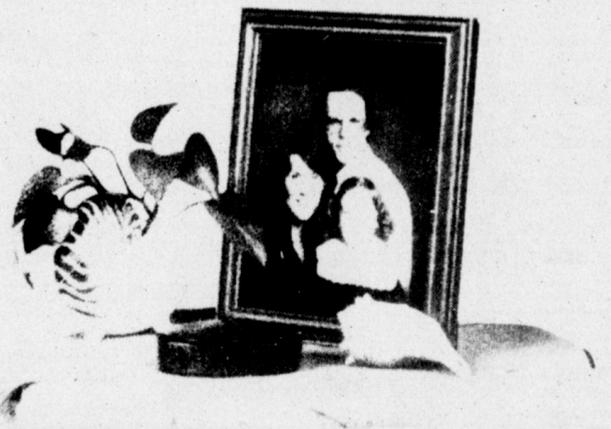

May we take your portrait? Just call or come by, and we will schedule your appointment with our professional photographer. You will receive a beautiful 8x10 color portrait, at absolutely no cost to you! Additional portraits will be available, but you are under no obligation to make a purchase.

So accept this Special Gift and enjoy the lasting memory that portraits bring. Your family will love you for it.

Limit one offer per family, please.

CHELATION THERAPY

Atherosclerosis (hardening of the arteries) is considered the leading cause of death in North America. The plaque-like lesions that form in the blood vessels are responsible for a variety of cardiovascular problems.

Chelation therapy is once again being discussed as a form of therapy in atherosclerosis. Drugs such as EDTA (edetate acid) are injected into the body by the intravenous route. The calcium in the atherosclerotic lesions is supposedly tied-up (chelated) by the EDTA as it passes through the blood vessels.

One government body has stated that use of chelation therapy in atherosclerosis is controversial and that there is "no accepted rationale for its effectiveness". After reviewing more than 20 years experience, a popular newsletter concluded that "there is no acceptable evidence that chelation therapy with EDTA is effective...and the adverse effects of the drugs can be lethal." Chelation therapy may be a good topic for television talk shows, but most authorities believe it to be an unproven and potentially dangerous treatment. Before the use of such a controversial treatment can be widely accepted, closely controlled studies are required to determine its effectiveness and safety.

On Saturday, Sept. 17, Troy Welty, of Greenbelt Lake Patrol was responsible for the apprehension of a 13 year old Hereford boy, wanted for questioning, in the murder of his step-mother, who had allegedly been stabbed with a steak knife.

Christmas in October Bazaar

The 2nd Annual "Christmas in October" Bazaar is planned for Saturday, October 22, from 10 a.m. until 4 p.m., in the Clarendon Community Center.

The event is sponsored by the Donley County Extension Homemakers Council and profits are used to provide 4-H scholarships and prize money for county 4-H contests and events.

There will be food and handmade items for sale, demonstrations, and Christmas idea exhibits.

Limited booth space, which is \$10.00 and provides one table, is still available.

Nurses from the Home Health Agency of Texas will be taking blood pressure and doing blood sugar tests from 1 to 3 p.m. during the bazaar.

Contact the Donley County Extension Office at 874-2141 for additional information.

BARRY TYLER

Tyler resumes new responsibilities at HSU

Barry Tyler, dean of students at Hardin-Simmons University since June, 1980, was promoted to a newly created position of vice president for admissions and financial aid upon recommendation of President Jesse C. Fletcher.

Trustees, at their annual fall meeting, Friday, Sept. 30, approved the new area of responsibility and Tyler for the administrative post. The promotion is effective Oct. 1, Fletcher said.

"For some time, we have felt the need to bring together student recruitment,

admissions, orientation, financial aid, and retention under one administrative umbrella," said Fletcher.

"Barry Tyler is a young man of exceptional ability and we believe that he will bring the necessary administrative leadership to this very important position," said the president.

Tyler will supervise the admissions office, headed by David Smith; and financial aid, directed by Gerry Armstrong. Admissions have been under Dr. Ron Smith, vice president for academic affairs; financial aid under Wiley Dugger, vice president for financial affairs; and orientation, directed by Tyler, under Dr. Ross Johnson, vice president for student affairs.

The new vice president for admissions and financial aid will oversee the following areas: admissions, financial aid, testing coordination, advising coordination, student retention, and new student orientation

Tyler, 34 earned two degrees from HSU. He received the bachelor of business administration degree in 1978 and the master's degree in business administration in 1980.

Prior to the dean of student's post, he was assistant dean for student affairs for a year and was director of Anderson Residence Hall from January 1977 until August 1980.

He has also served as a lecturer for the School of Business.

Tyler is a 1967 graduate of Clarendon High School and attended Clarendon Junior College for two years.

He and his wife, Betty, a May graduate of HSU and the Abilene Intercollegiate School of Nursing, have a seven year old daughter, April Dyan, and a two year old son, John Aaron. They live at 4850 Mary Lou Lane, Abilene.

The family is active at Abilene's First Baptist Church.

Coast Guard Academy accepting applications

The United States Coast Guard Academy has announced that it is now accepting and processing applications for appointment as Cadet, U.S. Coast Guard, Class of 1988. Applications are being accepted for both men and women. Appointments as Coast Guard Cadets are tendered solely on the basis of an annual nationwide competition with no congressional appointments or geographical quotas. Applications for appointment must be submitted to the Director of Admissions, U.S. Coast Guard Academy, prior to December 15, 1983. Candidates must arrange to participate in either the College Board Scholastic Aptitude Test (SAT) or American College Testing Assessment (ACT) prior to or including the December 10, 1983

administration for the ACT and the December 3, 1983 administration for the SAT. The competition for appointment as Cadet is based on the candidate's high school rank, performance on either the SAT or ACT, and leadership potential as demonstrated by participation in high school extracurricular activities, community affairs and/or part-time employment. Most successful candidates rank in the top quarter of their high school class and demonstrate proficiency in both the mathematical and applied science fields.

To qualify for the competition, an applicant must be unmarried at the time of appointment, have no legal obligations resulting from a prior marriage, and must have reached the age of 17

but not 22 by July 1, 1984. All applicants must be assured of high school graduation by June 30, 1984. Regulations stipulate that all applicants must have completed three units in English, and three in mathematics to include algebra and plane or coordinate geometry or their equivalents, and must fulfill basic physical requirements.

Coast Guard Cadets obtain an excellent undergraduate education at no personal expense. In addition, they receive pay and allowances fully adequate to fulfill their ordinary living expenses. The constantly updated Academy curriculum leads to a Bachelor of Science degree with a strong academic emphasis on engineering and science. The selected major studies, when combined with varied elective courses, establish a solid foundation for a challenging career. Graduates of the Academy are awarded a Bachelor of Science degree and are commissioned as Ensigns in the United States Coast Guard. Selected officers may pursue further postgraduate education and specialized training at many leading civilian and military graduate or professional schools, in such fields as aviation, business administration, electronics, engineering, law and oceanography.

The young Academy graduate can look forward to a varied, exciting, and demanding career as a regu-

lar Coast Guard Officer. The Coast Guard performs essential humanitarian missions vital to the safety and saving of lives at sea. Under the Department of Transportation, the Coast Guard establishes and coordinates search and rescue operations by ship and plane, maintains advanced electronic and other aids to navigation scattered around the globe, operates the icebreakers which clear the way for all polar expeditions, and enforces marine law and all aspects of merchant marine safety. In addition, the Coast Guard has responsibility for boating safety and marine environmental protection.

Obituaries

Mary Ernestine "Tina" DuBois

Funeral services for Mary Ernestine "Tina" DuBois, age 44, were held at 3:00 p.m. on Wednesday, October 5, 1983 in the Howardwick Baptist Church with Rev. O.C. Edwards, Pastor, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Ms. DuBois died at 6:00 a.m. on Sunday, October 2, 1983 in Northwest Texas Hospital in Amarillo. She was born November 1, 1938 in Clarendon. She had been an Amarillo resident for the past five years, moving there from Howardwick where she lived for six months. She had been employed for most of her life in the restaurant business. She was a member of the First Baptist Church in Clarendon.

Survivors include her parents, Mr. and Mrs. Ernest Taylor of Howardwick; three daughters, Mrs. Cheryl Johnston of Morgan City, Louisiana, Mrs. Tracy Wetzel of Amarillo, Miss Tonja DuBois of Amarillo; two sons, Christopher DuBois of Canyon, Charles Albert DuBois of Morgan City, Louisiana; one sister, Mrs. Joyce McDonald of Amarillo; two brothers, Ronald Taylor of Amarillo, Tony Taylor of Amarillo; and three grandchildren.

Casket bearers were Steven McDonald, Robin McDonald, Terry Johnston, Mike Wetzel, Ronald Taylor, and Richard Taylor.

The family requests that memorials be to the American Cancer Society or the Clarendon Fire Department Jaws of Life Fund.

EMS Activity Report

09-30-83 Martin Allgren, 74 of Clarendon from St. Anthonys Hospital, Amarillo to residence. Medical.

246 responses handled in 1983 to date.

The following donations have been received: Mr. and Mrs. Don Mooring in memory of Rosa Bingham, Roy Phillips, Michael Shane Elliott, and Frances E. Sampier; Mr. and Mrs. James Crawford in memory of Rosa Bingham; Mr. and Mrs. Bud Wright in memory of Rosa Bingham.

LOCAL

Roeda Rattan and Ricky Rattan left Clarendon September 23rd on a trip. They met Roeda's son, Dennis, and his wife, Billie, in Mabank, TX, where Dennis joined the trip. They visited first in Cooper, TX where Roeda has two brothers, Ted and Byron Hollowell, living. They also visited Billie's mother, who is 102 years old. From there they headed for Clinton, Arkansas, where they camped out. They then traveled on up through Eureka Springs, Ark. where they saw a statue of Jesus Christ. They also have an outdoor passion play. They continued on to Roger, Arkansas where Roeda's daughter, Bernese and family live. Roeda stayed and visited with Bernese while Ricky and Dennis continued on their trip. Roeda later went on to Tulsa, OK and visited with another daughter Annesse Bennet and their family. While in Tulsa she visited Oral Roberts City of Faith and the Tulsa Fair. John Rattan and his family and Lois Percival met her in Tulsa on Saturday, October 1st and returned home Sunday.

SHELLA KAYE VERNON and Huey Lockeby exchanged wedding vows in the First United Methodist Church, Dickens, Texas on September 24, 1983. Stephanie Tubb, of Dickens, served Miss Vernon as matron of honor and Peter

Howell of Clarendon acted as best man. Miss Vernon is the daughter of Mrs. Colleen Vernon of Dickens. Mr. and Mrs. Huey Lockeby will reside in Clarendon where he is employed at Chamberlain Motor Co.

FFA attends District meeting

The Clarendon FFA Chapter attended Greenbelt District FFA meeting September 28, 1983, at Childress, Texas. The meeting was held to discuss leadership, teams in competition in District, Area, and State levels, also discussed was attendance at the District FFA Banquet.

Members attending the meeting were Tim Cole, District President; Steve Shaller, Chapter President; Farm Bureau con't

fr m p l Bureau will support an equitable water plan for Texas provided adequate provisions are made for irrigation water. These suggestions will be open for discussion at the meeting. Any additional suggestions or alterations to these resolutions will be made during the meeting, and then voted on by the farmers that are members of Donley County Farm Bureau. This is one way area farmers can speak out about matters that concern them.

Mark your calendars for October 15, 1983 at 7:00 p.m. in the Lelia Lake Community Center for Donley County Farm Bureau Annual Convention/Chili Supper. All members and their families are invited.

BUD HERMESMEYER presents Jack Moreman a plaque in appreciation of his outstanding service to the Donley County Soil Conservation.

EARL SHIELDS

Moreman presented with plaque from DCSWC

Bud Hermesmeier presented Jack Moreman with a plaque as a token of the Donley County Soil and Water Conservation District's appreciation for his

The Clarendon Press, Thursday, Oct. 6.

service the past five years. Moreman has devoted many hours to the promotion of conservation in Donley County. Moreman's Ranch and Farm Operations class at CJC has allowed him to install in future land managers the need to conserve our natural resources.

The board would again like to thank Jack for being outspoken and respected enough to have a positive influence on local resource conservation.

Earl Shields elected to DCSWCD Board

Earl Shields was elected as the new board member of the Donley County Soil and Water Conservation District, October 3, at 8 p.m. Shields took Jack Moreman's position as the representative from Zone 5. Shields, a resident of Lelia Lake, farms outside the town and also manages the Paymaster Gin in Lelia Lake.

Being a farmer and a life-long resident in the county, Shields understands the need for conservation and he knows the problems facing farmers in their efforts to conserve the land for future generations.

To be elected as a board member of the Donley County Soil and Water Conservation District, a person has to own land in the Zone he or she is running for and must also live in the county.

The Donley County Soil and Water Conservation District office is located at 416 S. Kearney, Clarendon, Texas.

Howardwick News

By ALICE HOOD

Lynn Cherry returned home from the hospital Thursday, September 29. He is doing great.

An obituary is extended to Jason Cherry. His name was not listed in last week's paper. He and brother Jacky are very proud of their new baby sister Chelsey Jo.

The O.C. Edwards brother-in-law, M.L. Allen, was run over by a tractor and had to have surgery Tuesday, September 27th.

John and Lois McVicker's great grandson, James Michael Snellgrove, is scheduled for surgery Tuesday. He has just gotten over the measles.

Ernest and Ann Taylor lost their daughter, Mary Ernestine DuBois, Sunday morning. She thought she had won the battle with cancer and had gone to Louisiana to visit her oldest daughter, but the cancer flared up again. Ernest and Ann traveled to Louisiana and took her to Northwest Texas Hospital in Amarillo where she died October 2. Our deepest and most sincere sympathy goes to them in their time of sorrow.

Ed and Grace Castner have returned from a ten day vacation in California. Visiting Mrs. Castners brother, Charles Veasley, in Fresno, and sight-seeing beautiful grape vineyards and almond groves everywhere, where fields used to be. They had a wonderful time.

Pastor of the First Baptist Church of Howardwick, Bro. O.C. Edwards welcomes everyone out to the revival, Sunday October 9 through Thursday October 13. Associate Evangelist Jack Medford will preach the "good ole Gospel". Our own Al Burleson will lead the singing and Shelia Wade of Lelia Lake will play the piano, so come on out and enjoy the fellowship, Sunday morning at 10:45, Sunday evening at 7:00, Monday through Thursday evenings at 7:00.

Debbie Keeler of the Amarillo Fire Department Ladies Auxiliary will speak at the October 3rd meeting of the Howardwick Ladies Auxiliary, at City Hall. Refreshments will be served. We are looking forward to getting some pointers on better organizing our auxiliary so as to perform the duties set before us when the need arises.

Well are the old "Dust Bowl Days" coming back? Sure looked that way Sunday afternoon. It didn't last as long as they did back in those days but it was a little taste of it. Does history really repeat itself?

Come on Bronchos, you're doing great!

Lawrence and Lela Whitehead spent one weekend in Okarche, OK. Lawrence had a two week vacation and they were both sick most of that time. It's nice to see them feeling better.

Al and Evelyn Burleson went to Gonzales to attend the funeral of their daughter-in-law's mother.

Mr. and Mrs. A.C. Porter of Goodyear, Arizona spent Saturday and Saturday night with Troy and Willie Moore. All of them went to Memphis Saturday evening to celebrate Willie's and Troy's 6th wedding anniversary. Happy belated anniversary! The Lakers Homemakers Club will meet Monday October 10th at 1:30 p.m.

JOHNSON'S OASIS

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

- ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:**
- Ceiling insulation of R-30 and wall insulation of R-16.
 - Storm windows or insulated glass.
 - Weatherstripping and caulking around all doors and windows.
 - Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
 - Electric heat pump with an SEER of 8.0 or higher.
 - Air infiltration control.

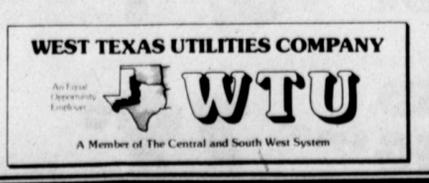

***COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD**

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.

(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Football frm p 1

Trailing 19-16, Childress with 11:16 left to play after Smith's TD began to chip away at the Broncho defense again. The Bobcat's put together a 7 play 41 yd. drive to the Clarendon 33 behind running backs Scott Long and Kenneth Sims. Quarterback Boyd Johnston picked up almost six yards on third down to the 28-inch short-of-the first down. But again the Broncho defense reached back for another "super" effort to stop Johnston on the fourth down and stifle the Bobcat attack.

The Bobcat defense stopped the Broncho possession in 3 plays and the offense took over After the punt on their own 38. QB Johnston continued his "illusive" running on a roll-out and scooted 14 yds. to the Broncho 40. Yet another "big play" by the Broncho defense hemmed Johnston in for a 21 yd. loss back to the Bobcat 39. A desperation fourth and 28 reverse was fumbled and Dean Cearly recovered for the Bronchos. Once again the Broncho defense prevailed under pressure.

The Broncho's with the game nearly in their grasp moved the ball on offense picking up a first down on a 4th down run by QB Dvroa Howell. But the Bronchos attempting to run out the clock, fumbled the ball back to the Bobcats. With 26 seconds remaining, however, Childress could not pull off the miracle it needed, as the clock ran out.

From the Clarendon side of the field, it was a game of big plays, pressure plays and great plays and for the proud Broncho fans it was one thrilling night. The Clarendon Bronchos possess one thing no other area school can boast - 3 straight victories over the Childress Bobcats ('81, '82, '83).

Outstanding Broncho efforts:
 Rodney Smith...13 carries for 180 yds., 2 TDs (59 & 87), 6 tackles, 11 assists
 Richard Gaines, 7 tackles, 6 assists, 1 interception, 2 pass break-ups
 Bryan Smith...8 tackles, 3 assist, 1 pass break-up
 Rod Keown, 6 tackles, 1 sack, 8 assist
 Arlis Thomas, 7 tackles, 1 sack, 1 assist, 6 punts - avg. 30.0
 Dean Cearly, 4 tackles, 1 sack, 1 assist, 1 fumble recovery
 Glenn Weatheron, 5 tackles, 2 assist
 Johnny Gaines, 5 tackles, 2 assist
 Bret White, 5 tackles, 3 assist
 Booney Gardner, 1 tackle, 3 assist, 1 pass break-up.

Get a custom fit.

Clarendon JV runs past Canadian 24-18

Last Thursday night, the Clarendon JV football team beat Canadian JV 24-18. The game was highlighted by outstanding offensive play from both teams, each gaining more than 300 yards in the first half. Canadian scored on their first possession and on a 60 yard drive. The Broncos drove the length of the field and scored with Dewey Mincey from the 15 yard line, making the score 6-12 at halftime.

Jake LaGrone, Jerry Morris, Joe Torres, Dewey Mincey, Dan Brogdon, Leland Howell, Joey Patterson, Joel Hodges and Monte Holar did an outstanding job of keeping the Cats off balance.

The second half, the Broncos outscored the Cats 18-6. In the third quarter, the Broncos scored on a long drive to make the score 12-12.

The cats scored on a punt return and the Broncos scored with Randy Crump taking the kickoff 70 yards for a touchdown, tying the score at 18. The final score of the game was on a 77 yard run by Dewey Mincey.

"The offensive line and receivers did an outstanding job making holes for our backs" said Coach Loveless. The boys proved they were a better team than they showed last week against Shamrock. The defense came through in the second half, slowing down the large offensive line of the cats.

Brent Hayworth, the Broncho quarterback did a good job calling signals. He got good coverage from

James Ariola, Joey Stefanatos, Randy Crump, Joe Torres and Stephen Phillips as they blocked and tackled

Bobcats all over the field.

The JV record is 3-1. This week the J.V. is playing Shamrock in Clarendon.

Valley beats Colts 24-18

Valley 8th grade and Clarendon 8th grade Colts faced each other at 5:30 Thursday in Broncho Stadium. The Colts received the first kick off, but the Colts were unable to put a drive together turning the ball over the Valley, who took the ball on their own 33 yard line.

After four straight first downs, Valley took the ball down to the Colts one yard line. A hard hitting defense caused Valley to fumble, the Colts recovered, only to fumble themselves on their first play. The ball was recovered by Valley who lost 5 yards on their first down. They took the pigskin across the goal line for pay dirt on their next play, ran the ball across for 2 points giving them an 8-0 lead with only 2:46 left in the first quarter.

Brad Shadle took the Valley kick, but the Colts were unable to get anything going so the punted the ball away. Todd Phillips downed the Valley player almost as soon as he caught the ball.

On the next play, Jeff Mills sacked the Valley quarterback, causing him to fumble. The Colts recovered on the Valley 32 yard line,

giving the Colts good field position.

Three plays later, Daniel Ford took the ball across the a Colt TD. They tried to even the score by running the ball for the extra points but their efforts failed. Valley then led by 2, 8-6.

On the punt to Valley, the ball carrier scrambled all the way. Valley passed for the 2 point conversion giving Valley a 16-6 lead over the Colts.

But this time it was the Colts time to show off. The punt was taken on Valley's 43 yard line. On the first play, the fans saw Ford gallop for another Colt TD. Trying hard to even the score, the attempted running the ball for extra points, but couldn't make it. That made it a 16-12 Valley ballgame.

On the next series of plays, Valley couldn't get anything going, fumbling the ball, recovering, only to fumble again 2 plays later and Clarendon's Wes Hatley recovered for the Colts. The ball went back and forth but neither team could come up with enough yardage to hold on to the ball. The ball turned over several times, before the buzzer sounded, ending the first half.

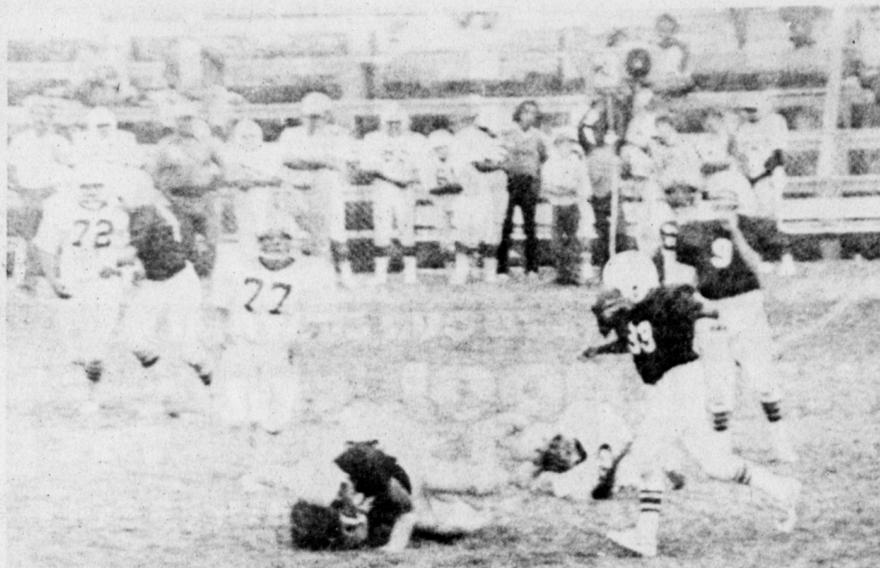

Shortly after the second half kickoff, Todd Phillips intercepted a pass, ran it across for another Colt touchdown. The extra point failed, putting the Colts ahead 18-16 for the first time in the ball game.

Hunt recovered a Valley fumble, but the Colts fumbled on the next series of plays, giving the ball back to Valley. The ball see-sawed back and forth between the two teams, until 58 seconds before the end of the game, Valley made another TD and added a 2 point conversion, making it a 24-18 Valley game.

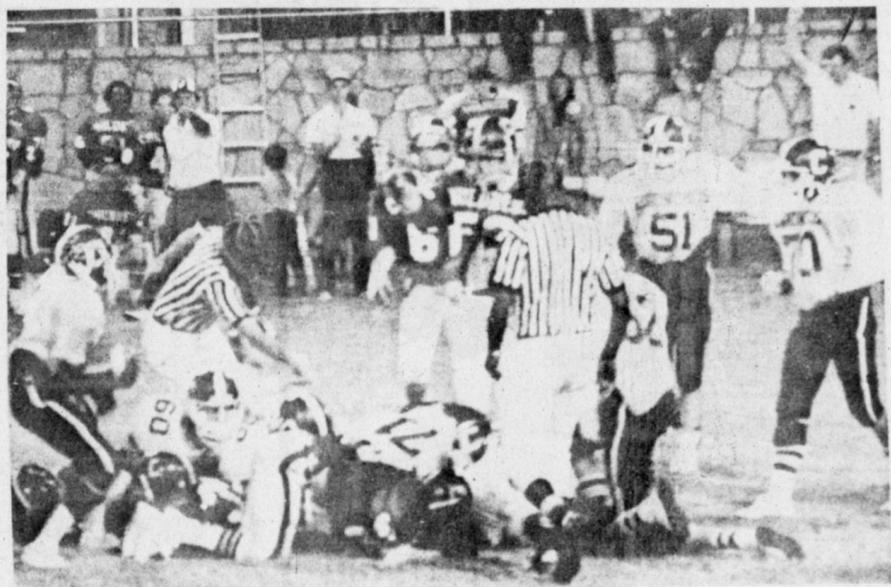

The Colts tried to even the score, but their hopes died with the interception, returning the ball to Valley ending the game with a 24-18 Valley victory.

PROBLEM-SOLVING IDEAS

Make More Of Leftovers
Don't throw away those leftovers! Keep a notebook of unusual ingredients, one to a page. Collect recipes using such ingredients and add to each page. When you have leftover okra, for example, turn to the "Okra" page and start cooking

EIGHTH GRADE played a good game, but lost 24-18 to Valley.

BRONCHOS beat Childress 19-16.

JUNIOR VARSITY won their game with Canadian 24-18.

MISS KIMBERLY PHILLIPS is proud of big brother, Dale, who plays for the Colts. Dale and Kimberly are the children of Mr. and Mrs. Barry Phillips.
